General Information On Condominiums

A condominium is a special form of real property. To create a condominium in Hawaii, the requirements of the Condominium Property Act, Chapter 514A, Hawaii Revised Statutes, must be complied with. In addition, certain requirements and approvals of the County in which the project is located must be satisfied and obtained.

Some condominium projects are leasehold. This means that the land or the building(s) and other improvements are leased to the buyer. The lease for the land usually requires that at the end of the lease term, the lessees (apartment owners/tenants) deliver their interest in the land to the lessor (fee property owner). The lease also usually requires that the lessees either (1) convey to the lessor the building(s) and other improvements, including any improvements paid for by the lessees; or (2) remove or dispose of the improvements at the lessee's expense. Leases for individual apartments often require that at the end of the lease term, the lessee deliver to the lessor the apartment, including any improvements placed in the apartment by the lessee.

If you are a typical condominium apartment owner, you will have two kinds of ownership: (1) ownership in your individual apartment; and (2) an undivided interest in the common elements.

"Common elements" are the areas of the condominium project other than the individual apartments. They are owned jointly by all apartment owners and include the land, either in fee simple or leasehold, and those parts of the building or buildings intended for common use such as foundations, columns, roofs, halls, elevators, and the like. Your undivided interest in the common elements cannot be separated from ownership of your apartment.

In some condominium projects, some common elements are reserved for the exclusive use of the owners of certain apartments. These common elements are called "limited common elements" and may include parking stalls, patios, lanais, trash chutes, and the like.

You will be entitled to exclusive ownership and possession of your apartment. Condominium apartments may be individually bought, sold, rented, mortgaged or encumbered, and may be disposed of by will, gift, or operation of law.

Your apartment will, however, be part of the group of apartments that comprise the condominium project. Study the project's Declaration, Bylaws, and House Rules. These documents contain important information on the use and occupancy of apartments and the common elements as well as the rules of conduct for owners, tenants, and guests.

Operation of the Condominium Project

The Association of Apartment Owners is the entity through which apartment owners may take action with regard to the administration, management, and operation of the condominium project. Each apartment owner is automatically a member of the Association.

The Board of Directors is the governing body of the Association. Unless you serve as a board member or an officer, or are on a committee appointed by the board, your participation in the administration and operation of the condominium project will in most cases be limited to your right to vote as an apartment owner. The Board of Directors and officers can take certain actions without the vote of the owners. For example, the board may hire and fire employees, increase or decrease maintenance fees, borrow money for repair and improvements and set a budget. Some of these actions may significantly impact the apartment owners.

Until there is a sufficient number of purchasers of apartments to elect a majority of the Board of Directors, it is likely that the developer will effectively control the affairs of the Association. It is frequently necessary for the developer to do so during the early stages of development and the developer may reserve certain special rights to do so in the Declaration and Bylaws. Prospective buyers should understand that it is important to all apartment owners that the transition of control from the developer to the apartment owners be accomplished in an orderly manner and in a spirit of cooperation.

**II. CREATION OF THE CONDOMINIUM;
CONDOMINIUM DOCUMENTS**

A condominium is created by recording in the Bureau of Conveyances and/or filing with the Land Court a Declaration of Condominium Property Regime, a Condominium Map (File Plan), and the Bylaws of the Association of Apartment Owners. The Condominium Property Act (Chapter 514A, HRS), the Declaration, Bylaws, and House Rules control the rights and obligations of the apartment owners with respect to the project and the common elements, to each other, and to their respective apartments. The provisions of these documents are intended to be, and in most cases are, enforceable in a court of law.

- A. **Declaration of Condominium Property Regime** contains a description of the land, buildings, apartments, common elements, limited common elements, common interests, and other information relating to the condominium project.

The Declaration for this condominium is:

- C. **Bylaws of the Association of Apartment Owners** govern the operation of the condominium project. They provide for the manner in which the Board of Directors of the Association of Apartment Owners is elected, the powers and duties of the Board, the manner in which meetings will be conducted, whether pets are prohibited or allowed and other matters which affect how the condominium project will be governed.

The Bylaws for this condominium are:

D. House Rules. The Board of Directors may adopt House Rules to govern the use and operation of the common elements and limited common elements. House Rules may cover matters such as parking regulations, hours of operation for common facilities such as recreation areas, use of lanais and requirements for keeping pets. These rules must be followed by owners, tenants, and guests. They do not need to be recorded or filed to be effective. The initial House Rules are usually adopted by the developer.

The House Rules for this condominium are:

House Rules	_____	Majority of Board

* The percentage for individual condominium projects may be more than the minimum set by law for projects with five or fewer apartments.

2. Developer:

No rights have been reserved by the developer to change the Declaration, Condominium Map, Bylaws or House Rules.

Developer has reserved the following rights to change the Declaration, Condominium Map, Bylaws or House Rules:

Under paragraph 23 of the Declaration, the Developer has reserved the right to amend the Declaration and the Condominium Map to withdraw land and/or unsold apartments from the Project, to change the common interests and/or to reconfigure the Project. These reservations are disclosed in Exhibit G attached hereto. Notwithstanding the lease, sale or conveyance of any of the Apartments, the Developer may amend the Declaration and the Condominium Map to file the "as-built" verified statement required by Section 514A-12 of the Act. For so long as the Developer retains any interest in an Apartment in the Project, the Developer shall have the right (but not the obligation) to amend the Declaration and the Bylaws (and the Condominium Map, if appropriate) without the consent or joinder of any Apartment Owner, lienholder or other person or entity, for the purpose of meeting any requirement imposed by (i) any applicable law, (ii) the Real Estate Commission of the State of Hawaii, (iii) any title insurance company issuing a title insurance policy on the Project or any of the Apartments, (iv) any institutional lender lending funds on the security of the Project or any of the Apartments, or (v) any other governmental or quasi-governmental agency including, without limitation, the Federal National Mortgage Association, the Federal Home Loan Mortgage Corporation, the U.S. Department of Housing and Urban Development or the Veterans Administration; provided, however, that no amendment which would change the common interest appurtenant to an Apartment or substantially change the design, location or size of an Apartment shall be made without the consent of all persons having an interest in such Apartment. Prior to the election of the first Board of Directors, the Developer may amend the Rules and Regulations in any manner without the joinder, consent or approval of any other party. The Developer may also amend the Condominium Map until recordation of the last Apartment Deed to reflect addition of one or more maintenance buildings to the common elements, pursuant to Section 8.4 of the Bylaws.

IMPORTANT INFORMATION ON LEASEHOLD CONDOMINIUM PROJECTS

The information contained in this report is a summary of the terms of the lease. For more detailed information, you should secure a copy of the lease documents and read them thoroughly.

If you have any legal questions about leasehold property, the lease documents or the terms of the lease and the consequences of becoming a lessee, you should seek the advice of an attorney.

There are currently no statutory provisions for the mandatory conversion of leasehold condominiums and there are no assurances that such measures will be enacted in the future.

In leasehold condominium projects, the buyer of an apartment will acquire the right to occupy and use the apartment for the time stated in the lease agreement. The buyer will not acquire outright or absolute fee simple ownership of the land. The land is owned by the lessor or the leased fee owner. The apartment owner or lessee must make lease rent payments and comply with the terms of the lease or be subject to the lessor's enforcement actions. The lease rent payments are usually fixed at specific amounts for fixed periods of time, and are then subject to renegotiation. Renegotiation may be based on a formula, by arbitration set in the lease agreement, by law or by agreement between the lessor and lessee. The renegotiated lease rents may increase significantly. At the end of the lease, the apartment owners may have to surrender the apartments, the improvements and the land back to the lessor without any compensation (surrender clause).

When leasehold property is sold, title is normally conveyed by means of an assignment of lease, the purpose of which is similar to that of a deed. The legal and practical effect is different because the assignment conveys only the rights and obligations created by the lease, not the property itself.

The developer of this condominium project may have entered into a master ground lease with the fee simple owner of the land in order to develop the project. The developer may have then entered into a sublease or a new lease of the land with the lessee (apartment owner). The developer may lease the improvements to the apartment owner by way of an apartment lease or sublease, or sell the improvements to the apartment owners by way of a condominium conveyance or apartment deed.

	<u>Conforming</u>	<u>Non-Conforming</u>	<u>Illegal</u>
Uses	<u> X </u>	<u> </u>	<u> </u>
Structures	<u> X </u>	<u> </u>	<u> </u>
Lot	<u> X </u>	<u> </u>	<u> </u>

If a variance has been granted or if uses, improvements or lot are either non-conforming or illegal, buyer should consult with county zoning authorities as to possible limitations which may apply.

Limitations may include restrictions on extending, enlarging, or continuing the non-conformity, and restrictions on altering and repairing structures. In some cases, a non-conforming structure that is destroyed or damaged cannot be reconstructed.

The buyer may not be able to obtain financing or insurance if the condominium project has a non-conforming or illegal use, structure, or lot.

as follows:

2. Limited Common Elements: Limited Common Elements are those common elements which are reserved for the exclusive use of the owners of certain apartments.

There are no limited common elements in this project.

The limited common elements and the apartments which use them, as described in the Declaration are:

described in Exhibit "E".*

as follows:

*NOTE: Land areas referenced herein are not legally subdivided lots.

3. Common Interest: Each apartment will have an undivided fractional interest in all of the common elements. This interest is called the "common interest." It is used to determine each apartment's share of the maintenance fees and other common profits and expenses of the condominium project. It may also be used for other purposes, including voting on matters requiring action by apartment owners. The common interests for the apartments in this project, as described in the Declaration, are:

described in Exhibit "A".

as follows:

- E. Encumbrances Against Title: An encumbrance is a claim against or a liability on the property or a document affecting the title or use of the property. Encumbrances may have an adverse effect on the property or your purchase and ownership of an apartment in the project.

Exhibit "F" describes the encumbrances against the title contained in the title report dated March 13, 2003 and issued by Title Guaranty of Hawaii, Inc.

Blanket Liens:

A blanket lien is an encumbrance (such as a mortgage) on the entire condominium project that secures some type of monetary debt (such as a loan) or other obligation. A blanket lien is usually released on an apartment-by-apartment basis upon payment of specified sums so that individual apartments can be conveyed to buyers free and clear of the lien.

There are no blanket liens affecting title to the individual apartments.

There are blanket liens which may affect title to the individual apartments.

Blanket liens (except for improvement district or utility assessments) must be released before the developer conveys the apartment to a buyer. The buyer's interest will be affected if the developer defaults and the lien is foreclosed prior to conveying the apartment to buyer.

<u>Type of Lien</u>	<u>Effect on Buyer's Interest and Deposit if Developer Defaults or Lien is Foreclosed Prior to Conveyance</u>
Mortgage	If the Developer defaults before the Apartment is conveyed to Buyer, the Mortgagee will have the right to decide whether to sell the Apartment to the Buyer under the Sales Contract or to terminate the Sales Contract. If the Mortgagee terminates the Sales Contract, Buyer's deposit will be refunded, less any escrow cancellation fee, and Buyer shall have no further interest under the Sales Contract.

F. Construction Warranties:

Warranties for individual apartments and the common elements, including the beginning and ending dates for each warranty, are as follows:

1. **Building and Other Improvements:**

The construction contract for the Project provides a one-year warranty, commencing upon the "Date of Completion" (as defined in section 507-43 of the Hawaii Revised Statutes, as amended), that (a) the materials and equipment furnished for construction of the project will be of good quality and new, unless the construction contract requires or permits that the materials and equipment be otherwise; and (b) the construction and services required by the construction contract (including all labor, materials and equipment to be provided by the general contractor) will be free from defects, except for defects inherent in the quality of the construction and services required or permitted by the construction contract. Without incurring any legal liability, the developer will agree to cooperate with the buyer to try to have the general contractor perform all of the general contractor's warranties.

2. **Appliances:**

Appliance warranty information is not yet available because appliances have not yet been purchased. However, the developer intends to transfer to the buyer any manufacturer's or dealer's warranties that are transferable and cover appliances sold with the apartments.

G. Status of Construction and Date of Completion or Estimated Completion Date:

The Project will be constructed in several increments. Construction of the first increment commenced on July 30, 2001, and was completed on March 3, 2003. Construction of the second increment commenced on March 11, 2002, and the Developer estimates that construction of the second increment will be completed on or about July 31, 2004. Construction of the third increment commenced on September 4, 2002, and the Developer estimates that construction of the third increment will be completed on or about July 31, 2004. Construction of the fourth increment commenced on December 10, 2002, and the Developer estimates that construction of the fourth increment will be completed on or about July 31, 2005. Construction of the fifth increment will commence on or about April 30, 2003, and the Developer estimates that construction of the fifth increment will be completed on or about October 30, 2005. The Developer estimates that construction of the entire Project will be completed by June, 2006.

IV. CONDOMINIUM MANAGEMENT

- A. **Management of the Common Elements:** The Association of Apartment Owners is responsible for the management of the common elements and the overall operation of the condominium project. The Association may be permitted, and in some cases may be required, to employ or retain a condominium managing agent to assist the Association in managing the condominium project.

Initial Condominium Managing Agent: When the developer or the developer's affiliate is the initial condominium managing agent, the management contract must have a term of one year or less and the parties must be able to terminate the contract on notice of 60 days or less.

The initial condominium managing agent for this project, named on page five (5) of this report, is:

COMMON INTERESTS

The common interest for each Apartment was determined by assigning an equal percentage interest to each apartment, except for Apartment 407 which has 0.0001% more than the other Apartments, so that the aggregate common interest appurtenant to all of the Apartments equals 100%.

PARKING

Each Apartment includes a two-car garage. In addition, the Project contains ten (10) uncovered guest parking stalls (one of which is a handicap stall) in the vicinity of the recreation area, and one (1) utility parking stall in the vicinity of the maintenance building, as shown on the Condominium Map.

EXHIBIT "A"

BOUNDARIES OF APARTMENTS

Each Apartment shall be deemed to include: (i) all the walls and partitions which are not load-bearing within its perimeter walls, (ii) the interior decorated or finished surfaces of all walls, floors and ceilings, including floor coverings, (iii) any doors and door frames, windows or panels along the perimeters, window frames, (iv) all fixtures originally installed therein, (v) the decorated or finished surface of the floor, walls (if any) and ceiling of the lanai(s) appurtenant to the Apartment, the railing (if any) of such lanai(s) and the lanai air space, and (vi) the two-car garage attached to the Apartment. The respective Apartments shall not be deemed to include: (a) the undecorated or unfinished surfaces of the perimeter walls, the interior load-bearing walls, or the party walls, (b) the undecorated or unfinished surfaces of the floors and ceilings surrounding each Apartment, and (c) any pipes, shafts, wires, conduits or other utility or services lines running through such Apartment which are utilized for or serve more than one Apartment, the same being deemed common elements as provided in the Declaration.

Should the descriptions and divisions set forth in the Declaration conflict with the depictions and divisions shown on the Condominium Map, the Condominium Map shall control. The Condominium Map, however, is intended to show only the layout, location, Apartment numbers and dimensions of the Apartments and elevations of the buildings and is not intended and shall not be deemed to contain or make any other representation or warranty.

The approximate areas of the Apartments are set forth in Exhibit "A" of this Public Report and are based on measurements taken from the interior surface of all perimeter walls, except that no reduction is made to account for interior walls, ducts, vents, shafts, and the like located within the perimeter walls. The areas set forth in Exhibit "A" are not exact but are approximations based on the floor plans of each type of apartment. The measurements set forth in Exhibit "A" may not follow the designation of the limits of the apartments (the legally designated areas of the apartments) set forth above and the net living areas set forth in Exhibit "A" may be greater than the floor areas of the apartments as so designated and described above.

PERMITTED ALTERATIONS

Subject to the provisions of the Declaration, Chapter 514A of the Hawaii Revised Statutes (the "Act"), and that certain Mauna Lani Resort Association Declaration of Covenants and Restrictions, dated June 3, 1982, filed in the Office of the Assistant Registrar of the Land Court of the State of Hawaii as Document No. 1120889, and also recorded in the Bureau in Book 16425, Page 203, as now or hereafter amended (the "Master Declaration"), and all rules and regulations promulgated under the Master Declaration, and except as otherwise provided in the Bylaws, no Owner of an Apartment shall, without the prior written approval of the Board of Directors of the Association (the "Board") and, if applicable, the Mauna Lani Resort Community Design Committee, make any structural alterations in or additions to his Apartment or make any alterations in or additions to the exterior of his Apartment (including painting, awnings, jalousies and screens) or to the common elements.

An Owner may make non-structural alterations and additions solely within his Apartment, or solely within a limited common element appurtenant to and for the exclusive use of his Apartment, at the Owner's sole cost and expense, provided that such alterations or additions do not affect any other Apartment or other common elements or change the exterior or appearance of the Project, and provided, further, that any building permit required for such alterations or additions is first duly obtained and filed with the Board and the proposed alteration or addition will not adversely affect the Project's insurance rating or premiums.

No Apartment Owner shall, without the prior written approval of the Board, install any wiring for electrical or telephone installations, television antenna, machines or air-conditioning units, or other equipment, fixtures, appliances or appurtenances whatsoever on the exterior of the Building or protruding through the walls, windows or roofs thereof.

No Apartment Owner shall, without the prior written approval of the Board, make any structural modifications, changes, additions or alterations to his lanai or add any awnings, sunscreens, louvers, exhaust vents, wind baffles, or drain.

No Owner of an Apartment that has an appurtenant limited common element enclosed pool area, pool and spa shall, without the prior written approval of the Board, make any modifications, changes, additions or alterations to the pool area, pool or spa.

No Owner of a Type A Apartment shall, without the prior written approval of the Board, make any modifications, changes, additions or alterations to the limited common element entry walkway, walkway leading to the Apartment's garage, or to the equipment area adjacent to the Apartment, and any improvements, machinery or equipment (including air-conditioning units and related equipment) placed on such equipment area.

No Owner of a Type B Apartment shall, without the prior written approval of the Board, make any modifications, changes, additions or alterations to the limited common element entry walkway or to the equipment area adjacent to the Apartment, and any improvements, machinery

or equipment (including air-conditioning units and related equipment) placed on such equipment area.

No Owner of a Type C Apartment shall, without the prior written approval of the Board, make any modifications, changes, additions or alterations to the limited common element entry walkway, steps and porch adjacent to the Apartment, or to the equipment area adjacent to the Apartment, and any improvements, machinery or equipment (including air-conditioning units and related equipment) placed on such equipment area.

No Owner of a Type D Apartment shall, without the prior written approval of the Board, make any modifications, changes, additions or alterations to the limited common element entry walkway, walkway leading to the Apartment's garage, or to the equipment area adjacent to the Apartment, and any improvements, machinery or equipment (including air-conditioning units and related equipment) placed on such equipment area.

No Owner of an Apartment that has an appurtenant limited common element designated on the Condominium Map as an "uncovered lanai" shall, without the prior written approval of the Board, make any modifications, changes, additions or alterations to such uncovered lanai.

It is intended that the exterior of the Project present a uniform appearance. To effect that end, all interior window coverings (including curtains, drapes and screens of any kind) visible from outside of the Apartment shall include a backing of a type, color and appearance approved by the Board. In addition, Owners may not, without the prior written approval of the Board, apply any substance, material or process to the exterior or interior surfaces of the Apartment's windows which may alter the exterior color, appearance or reflectivity of the windows.

The Owner of any two or more adjacent Apartments separated by a common element wall may alter or remove all or portions of such wall if the structural integrity of the building in which the Apartments are located is not thereby affected and if the finish of the remaining common element(s) is restored to a condition substantially comparable to that of the common element prior to such alterations. Such alteration shall require only the written approval of the Board, including the Board's approval of the Owner's plans for such alteration, together with the approval of the holders of first mortgages on all Apartments affected by such alteration, and the approval of the appropriate agencies of the State of Hawaii and/or the County of Hawaii if such agencies so require. The Board's approval may be conditioned upon the Board having first received a certified written statement of a registered Hawaii architect or engineer that the proposed alterations shall not adversely affect the structural integrity of any part of the Project or jeopardize the soundness or safety of the Project in any way. Such alteration may be undertaken without an amendment to the Bylaws or to the Declaration or the filing of a complete set of floor plans of the Project as so altered. If, in the reasonable judgment of the Board, the alterations or additions are substantial in nature, the Board may require that the Owner of the Apartments affected provide evidence satisfactory to the Board of sufficient financing to complete such alterations or additions or, in lieu thereof, require that the Owner obtain a performance and lien payment bond, naming as obligees the Board, the Association and all Apartment Owners and their mortgagees of record, as their interests may appear, for a penal sum of not less than one

hundred percent (100%) of the estimated cost of such construction. Prior to the termination of the common ownership of any such adjacent Apartments, the Owner of such Apartments shall be obligated to restore the intervening wall between the Apartments to substantially the same condition in which the wall existed prior to its alteration or removal.

Notwithstanding anything to the contrary contained in the Bylaws, the Declaration or the Rules and Regulations, Owners with disabilities shall be permitted to make reasonable modifications to their Apartments and/or common elements, at their expense (including the cost of obtaining any bonds required by the Declaration, these Bylaws or the Act), if such modifications are necessary to enable them to use and enjoy their Apartments and/or the common elements, as the case may be, provided that any Owner with a disability desiring to make such modifications shall make such request, in writing, to the Board of Directors. That request shall set forth, with specificity and in detail, the nature of the request and the reason that the requesting party needs to make such modifications. The Board of Directors shall not unreasonably withhold or delay their consent to such request, and any such request shall be deemed to be granted if not denied in writing, within forty-five (45) days of the Board's receipt thereof, or within forty-five (45) days of the Board's receipt of additional information reasonably required in order to consider such request, whichever shall last occur.

23.1 Any other provision in this Declaration to the contrary notwithstanding, the Developer shall have the right (but shall not be obligated) in its sole discretion under this paragraph 23, without being required to obtain the consent or joinder of any person or group of persons, including the Association, any Apartment Owner or any mortgagee, lien holder, Apartment purchaser, or any other person who may have an interest in the Project or in any Apartment, to change the type, layout and dimensions of any unbuilt and unsold Apartment and/or the limited common elements appurtenant thereto, and/or to remove and delete from the Project and from the effect of this Declaration and the Act all or any unbuilt and unsold Apartments and related unbuilt or unimproved common elements and limited common elements; provided, however, that the right to withdraw shall not apply to the recreational amenities described in paragraph 4(e) above, nor to any roadways, walkways, parking areas, landscaped areas, easements or any other part of or interest in the Project actually utilized by or serving any Apartment owned by any party other than the Developer at the time of such withdrawal. For purposes of this paragraph 23, "unsold Apartment" shall mean an Apartment owned by the Developer and for which no sales contract for the purchase and sale of the Apartment has become binding upon both the seller and the buyer under the contract.

23.2 Upon such removal and deletion as set forth in this paragraph 23, and with no further action required, no Apartment Owner, mortgagee, lien holder, Apartment purchaser or any other person (other than the Developer and the holder of any blanket mortgage covering the unsold portion of the Project) who may have an interest in the Project or any Apartment shall have any legal or equitable interest in the portion of the Land and the Apartments so removed and deleted (it being the intent hereof that upon such removal and deletion, fee simple title to the Land and Apartments so removed and deleted will be vested solely in the Developer). If deemed necessary to effect the intent of this Paragraph 23, each Apartment Owner, mortgagee, lien holder and any other person who may have an interest in the Project or any Apartment shall, if requested by the Developer, unconditionally quitclaim and/or release its interest (if any) in that portion of the Land and common elements so removed and deleted to the Developer.

23.3 In the exercise of the rights reserved in this paragraph 23, the Developer may at any time (i) file and process to final approval an application with the County of Hawaii for the legal subdivision of that portion of the Project to be withdrawn, (ii) file or record supporting file plans, maps or other instruments in the Bureau, (iii) record one or more amendments to this Declaration in the Bureau containing an amended description of the Land and/or Apartments covered by this Declaration and deleting therefrom that portion of the Land and/or the Apartments removed and deleted from the Project (if any), and amending the common interests appurtenant to the remaining Apartments (if necessary) so that the aggregate common interest appurtenant to all remaining Apartments equals 100%, (iv) file in the Bureau an

amended Condominium Map reflecting the changes to the Apartments and/or the removal and deletion of the withdrawn Land and/or Apartments, and (v) if deemed appropriate, apply for and obtain from the Real Estate Commission of the State of Hawaii a Supplementary Public Report describing the changes made in the Project pursuant to the terms of this paragraph 23. Any changes to the Apartments and/or removal and deletion of land and/or Apartments made pursuant to this paragraph 23 shall be deemed effective for all purposes upon the recordation in the Bureau of the amendment(s) to this Declaration and Condominium Map referenced herein.

23.4 The Developer shall have the absolute right, notwithstanding the lease, sale or conveyance of any Apartment, and without being required to obtain the consent or joinder of any Apartment Owner, lien holder or other persons, to effect the changes to the Apartments and/or limited common elements and/or the removal and deletion of portions of the Project in accordance with this paragraph 23, and to execute, record and/or file the herein described application, amendments, quitclaims, releases and any and all other instruments necessary or appropriate for the purpose of effecting the changes and/or removal and deletion of land and Apartments as contemplated hereby. Any such action shall be deemed taken by the Developer as the true and lawful attorney-in-fact of the respective Apartment Owners and lien holders. Each and every party acquiring an interest in any Apartment, the Project or the Land covered by this Declaration, by such acquisition, consents to such changes, deletion and/or removal and to the recordation of such documents as may be necessary to effect the same; agrees to execute such documents and do such other things as may be necessary or convenient to effect the same; and appoints the Developer his or her attorney-in-fact with full power of substitution to execute such documents and do such other things on his or her behalf, which grant of such power, being coupled with an interest, is irrevocable and shall not be affected by the disability of any such party.

23.5 The rights of the Developer under this paragraph 23 shall extend to the Developer and its respective successors and assigns.

23.6 Notwithstanding any provision herein to the contrary, this paragraph 23 may not be amended without the written consent and joinder of the Developer.

EXPLANATION REGARDING RESERVES

In arriving at the figure for “Reserves” in this Exhibit “H”, the Developer conducted a reserve study in accordance with §514A-83.6, HRS, and the replacement reserve rules, Subchapter 6, Title 16, Chapter 107, Hawaii Administrative Rules, as amended.

SUMMARY OF SALES CONTRACT AND ESCROW AGREEMENT

The Sales Contract provides for the sale of a condominium apartment (the "Apartment") by the Developer to a Buyer. The Escrow Agreement provides how the funds paid by the Buyer under the Sales Contract to Escrow are to be held and released. Both the Sales Contract and Escrow Agreement contain many important provisions which are not set out here and should be carefully reviewed by every prospective Buyer.

The Sales Contract provides for the number, amount and timing of payments the Buyer is to make to Escrow. The Escrow Agreement provides that Escrow is to collect these payments and hold them in accounts with banks or savings institutions that are federally insured. The Sales Contract and Escrow Agreement provide who gets to keep interest that may be earned on the funds with Escrow. If the Sales Contract is signed before the Real Estate Commission has issued an effective date for a Final (or Supplementary) Public Report covering the Apartment and before certain other things have happened (as described in the Sales Contract), the Sales Contract shall not be binding on the Buyer or the Seller, and either of them may cancel it at any time before it becomes binding. After the Sales Contract becomes binding, it may be cancelled by the Developer, among other reasons, if the Buyer is obtaining financing and fails to obtain a lender commitment within a certain time period specified in the Sales Contract, or if the Buyer is a cash buyer and fails to furnish satisfactory evidence of ability to pay within other time periods. In certain cases, the Buyer may be responsible for cancellation fees.

The Sales Contract provides that commencing upon the date the Sales Contract becomes binding between Buyer and Seller in accordance with Section F.1 of the Sales Contract, Escrow may disburse to Seller all or portions of Payment B and Payment C-1 of Buyer's funds described in the Sales Contract (i) before or after closing and (ii) prior to completion of construction of Buyer's Apartment to pay construction costs of the buildings and other improvements of the Project, in accordance with and subject to the requirements of Hawaii's condominium law (Chapter 514A of the Hawaii Revised Statutes, as amended) and the Escrow Agreement. However, the Escrow Agreement further provides that a minimum of \$10,000 of Buyer's funds shall remain in Escrow until several conditions set forth in the Escrow Agreement have been met, including the completion of construction of the building in which the Buyer's Apartment is located. The Sales Contract provides that no interest will be earned or paid on Buyer's funds that are used to pay construction costs in accordance with the Sales Contract and the Escrow Agreement and the condominium law.

The Escrow Agreement provides for the closing or settlement of the sale. Escrow collects all payments and other amounts owed under the Sales Contract, including closing costs which are shared between the Developer and the Buyer as set forth in the Sales Contract.

If the Buyer defaults under the Sales Contract after an effective date is issued for a Final Public Report for the Project and the Final Public Report is "accepted" by the Buyer, the Buyer may lose all of the deposits with Escrow and the Developer, at its option, may pursue other legal remedies. If the Developer defaults under the Sales Contract, the Buyer shall be entitled to specific performance of the Sales Contract, or shall have the right to cancel and terminate the

Sales Contract. Under the Sales Contract, the Developer promises to complete construction of the Apartment within two (2) years from the effective date of the Sales Contract, provided that the two (2) year period may be extended under certain circumstances specified in Section F.6 of the Sales Contract.

If the Buyer cancels and terminates the Sales Contract because of the Developer's default, the Developer shall repay to the Buyer all sums the Buyer has paid to the Developer or to Escrow under the Sales Contract, and the Buyer may pursue other legal or equitable remedies.

The Sales Contract confirms that the Buyer has had the opportunity to read and approve certain important legal documents for the Project, including the Declaration, Bylaws, and Rules and Regulations. The Sales Contract also provides that the rights of any construction lender with a mortgage against the Project will be superior to the rights of the Buyer under the Sales Contract.

The Sales Contract limits the Buyer's right to assign the Sales Contract and provides that the Seller may require a consent fee for any transfer. The Sales Contract provides for "pre-closing." "Pre-closing" means that Escrow may set a time for the Buyer to sign all of the documents Escrow asks the Buyer to sign, including the Apartment Deed and other closing documents, and the Buyer will pay the Buyer's share of the closing costs, as estimated by Escrow, even though the Buyer's Apartment may not be ready for occupancy. Buyer's share of closing costs include one-half of Escrow's fee, all recording fees, real property taxes and other prorations, Buyer's notary fees, up to four (4) months' maintenance start-up fees, title report and title insurance fees, conveyance tax, and fees charged by a lender if the Buyer is financing the purchase of his Apartment with a loan. Escrow then handles the closing, the transfer of title in accordance with the Escrow Agreement. The Apartment must be conveyed to the Buyer free and clear of any blanket liens, such as mortgages covering more than one apartment.

By signing the Sales Contract, the Buyer acknowledges that sales and construction activity at the Project by the Developer may continue after closing of the Buyer's purchase.

The Escrow Agreement provides certain protections to Escrow in the event of a dispute between the Buyer and the Developer. These protections include the right to file an "interpleader" and the right to recover certain fees and costs. In an interpleader action the escrow deposit is given to the court to decide what action to take. The Escrow Agreement sets out escrow fees, escrow cancellation fees and the fees for certain policies of title insurance.

THIS SUMMARY IS NOT COMPLETE AND WILL NOT CONTROL IN THE EVENT OF ANY CONFLICT WITH A PROVISION IN THE SALES CONTRACT OR THE ESCROW AGREEMENT. PROSPECTIVE BUYERS ARE CAUTIONED AND ENCOURAGED TO READ CAREFULLY THE SALES CONTRACT AND ESCROW AGREEMENT.
