## **General Information On Condominiums**

A condominium is a special form of real property. To create a condominium in Hawaii, the requirements of the Condominium Property Act, Chapter 514A, Hawaii Revised Statutes, must be complied with. In addition, certain requirements and approvals of the County in which the project is located must be satisfied and obtained.

Some condominium projects are leasehold. This means that the land or the building(s) and other improvements are leased to the buyer. The lease for the land usually requires that at the end of the lease term, the lessees (apartment owners/tenants) deliver their interest in the land to the lessor (fee property owner). The lease also usually requires that the lessees either (1) convey to the lessor the building(s) and other improvements, including any improvements paid for by the lessees; or (2) remove or dispose of the improvements at the lessee's expense. Leases for individual apartments often require that at the end of the lease term, the lessee deliver to the lessor the apartment, including any improvements placed in the apartment by the lessee.

If you are a typical condominium apartment owner, you will have two kinds of ownership: (1) ownership in your individual apartment; and (2) an undivided interest in the common elements.

"Common Elements" are the areas of the condominium project other than the individual apartments. They are owned jointly by all apartment owners and include the land, either in fee simple or leasehold, and those parts of the building or buildings intended for common use such as foundations, columns, roofs, halls, elevators, and the like. Your undivided interest in the common elements cannot be separated from ownership of your apartment.

In some condominium projects, some common elements are reserved for the exclusive use of the owners of certain apartments. These common elements are called "limited common elements" and may include parking stalls, patios, lanais, trash chutes, and the like.

You will be entitled to exclusive ownership and possession of your apartment. Condominium apartments may be individually bought, sold, rented, mortgaged or encumbered, and may be disposed of by will, gift, or operation of law.

*Your apartment will, however, be part of the group of apartments that comprise the condominium project.* Study the project's Declaration, Bylaws, and House Rules. These documents contain important information on the use and occupancy of apartments and the common elements as well as the rules of conduct for owners, tenants, and guests.

## **Operation of the Condominium Project**

The Association of Apartment Owners is the entity through which apartment owners may take action with regard to the administration, management, and operation of the condominium project. Each apartment owner is automatically a member of the Association.

The Board of Directors is the governing body of the Association. Unless you serve as a board member or an officer, or are on a committee appointed by the board, your participation in the administration and operation of the condominium project will in most cases be limited to your right to vote as an apartment owner. The Board of Directors and officers can take certain actions without the vote of the owners. For example, the board may hire and fire employees, increase or decrease maintenance fees, borrow money for repair and improvements and set a budget. Some of these actions may significantly impact the apartment owners.

Until there is a sufficient number of purchasers of apartments to elect a majority of the Board of Directors, it is likely that the developer will effectively control the affairs of the Association. It is frequently necessary for the developer to do so during the early stages of development and the developer may reserve certain special rights to do so in the Declaration and Bylaws. Prospective buyers should understand that it is important to all apartment owners that the transition of control from the developer to the apartment owners be accomplished in an orderly manner and in a spirit of cooperation.

**II. CREATION OF THE CONDOMINIUM;  
CONDOMINIUM DOCUMENTS**

A condominium is created by recording in the Bureau of Conveyances and/or filing with the Land Court a Declaration of Condominium Property Regime, a Condominium Map (File Plan), and the Bylaws of the Association of Apartment Owners. The Condominium Property Act (Chapter 514A, HRS), the Declaration, Bylaws, and House Rules control the rights and obligations of the apartment owners with respect to the project and the common elements, to each other, and to their respective apartments. The provisions of these documents are intended to be, and in most cases are, enforceable in a court of law.

A. **Declaration of Condominium Property Regime** contains a description of the land, buildings, apartments, common elements, limited common elements, common interests, and other information relating to the condominium project.

House Rules may cover matters such as parking regulations, hours of operation for common facilities such as recreation areas, use of lanais and requirements for keeping pets. These rules must be followed by owners, tenants, and guests. They do not need to be recorded or filed to be effective. The initial House Rules are usually adopted by the developer.

**IMPORTANT INFORMATION ON LEASEHOLD CONDOMINIUM PROJECTS**

The information contained in this report is a summary of the terms of the lease. For more detailed information, you should secure a copy of the lease documents and read them thoroughly.

If you have any legal questions about leasehold property, the lease documents or the terms of the lease and the consequences of becoming a lessee, you should seek the advice of an attorney.

There are currently no statutory provisions for the mandatory conversion of leasehold condominiums and there are no assurances that such measures will be enacted in the future.

In leasehold condominium projects, the buyer of an apartment will acquire the right to occupy and use the apartment for the time stated in the lease agreement. The buyer will not acquire outright or absolute fee simple ownership of the land. The land is owned by the lessor or the leased fee owner. The apartment owner or lessee must make lease rent payments and comply with the terms of the lease or be subject to the lessor's enforcement actions. The lease rent payments are usually fixed at specific amounts for fixed periods of time, and are then subject to renegotiation. Renegotiation may be based on a formula, by arbitration set in the lease agreement, by law or by agreement between the lessor and lessee. The renegotiated lease rents may increase significantly. At the end of the lease, the apartment owners may have to surrender the apartments, the improvements and the land back to the lessor without any compensation (surrender clause).

When leasehold property is sold, title is normally conveyed by means of an assignment of lease, the purpose of which is similar to that of a deed. The legal and practical effect is different because the assignment conveys only the rights and obligations created by the lease, not the property itself.

The developer of this condominium project may have entered into a master ground lease with the fee simple owner of the land in order to develop the project. The developer may have then entered into a sublease or a new lease of the land with the lessee (apartment owner). The developer may lease the improvements to the apartment owner by way of an apartment lease or sublease, or sell the improvements to the apartment owners by way of a condominium conveyance or apartment deed.

11. Conformance to Present Zoning Code

- a.  No variances to zoning code have been granted.  
 Variance(s) to zoning code was/were granted as follows:

b. Conforming/Non-Conforming Uses, Structures, Lot

In general, a non-conforming use, structure, or lot is a use, structure, or lot which was lawfully at one time but which does not now conform to present zoning requirements:

	Conforming	Non-Conforming	Illegal
Uses	X	_____	_____
Structures	X	_____	_____
Lot	X	_____	_____

If a variance has been granted or if uses, improvements or lot are either non-conforming or illegal, buyer should consult with county zoning authorities as to possible limitations which may apply.

Limitations may include restrictions on extending, enlarging, or continuing the non-conformity, and restrictions on altering and repairing structures. In some cases, a non-conforming structure that is destroyed or damaged cannot be reconstructed.

The buyer may not be able to obtain financing or insurance if the condominium project has a non-conforming or illegal use, structure, or lot.

D. Common Elements, Limited Common Elements, Common Interests:

1. Common Elements. Common Elements are those parts of the condominium project other than the individual apartments. Although the common elements are owned jointly by all apartment owners, those portions of the common elements which are designated as limited common elements (see paragraph 2 below) may be used only by those apartments to which they are assigned. The common elements for this project, as described in the Declaration, are:

- described in Exhibit "C" \_\_\_\_\_.  
 as follows:

2. Limited Common Elements: Limited Common Elements are those common elements which are reserved for the exclusive use of the owners of certain apartments.

There are no limited common elements in this project.

The limited common elements and the apartments which use them, as described in the Declaration, are:

described in Exhibit "D" \*.

as follows:

\* Note: Land areas referenced herein are not legally subdivided lots.

3. Common Interests: Each apartment will have an undivided fractional interests in all of the common elements. This interest is called the "common interests." It is used to determine each apartment's share of the maintenance fees and other common profits and expenses of the condominium project. It may also be used for other purposes, including voting on matters requiring action by apartment owners. The common interests for the apartments in this project, as described in the Declaration, are:

described in Exhibit \_\_\_\_\_.

as follows:

Each unit shall have appurtenant thereto an undivided one-third (1/3) interest in all common elements of the property, and the same proportionate share in all common profits and common expenses of the property (except as may be otherwise provided in the Bylaws) and for all other purposes, including voting. The percentage common interest for each unit is determined by apportioning a one-third (1/3) interest to each of the three (3) units irrespective of the actual land areas contained in each unit.

E. **Encumbrances Against Title**: An encumbrance is a claim against or a liability on the property or a document affecting the title or use of the property. Encumbrances may have an adverse effect on the property on or your purchase and ownership of an apartment in the project.

Exhibit "E" describes the encumbrances against the title contained in the title report dated June 19, 2002 and issued by Title Guaranty of Hawaii, Inc.

**Blanket Liens:**

A blanket lien is an encumbrance (such as a mortgage) on the entire condominium project that secures some type of monetary debt (such as a loan) or other obligation. A blanket lien is usually released on an apartment-by-apartment basis upon payment of specified sums so that individual apartments can be conveyed to buyers free and clear of the lien.

[ ] There are no blanket liens affecting title to the individual apartments.

[ X ] There are blanket liens which may affect title to the individual apartments.

Blanket liens (except for improvement district or utility assessments) must be released before the developer conveys the apartment to a buyer. The buyer's interest will be affected if the developer defaults and the lien is foreclosed prior to conveying the apartment to buyer.

<u>Type of Lien</u>	<u>Effect on Buyer's Interest and Deposit if Developer Defaults or Lien is Foreclosed Prior to Conveyance</u>
Mortgage	Lender has priority over Buyer's rights under a sales contract, and has a right to terminate sales contracts upon foreclosure of its mortgage before an apartment sale is closed. Should the lender terminate Buyer's sales contract, Buyer shall be entitled to a refund of all deposits, less escrow cancellation fee.

**F. Construction Warranties:**

Warranties for individual apartments and the common elements, including the beginning and ending dates for each warranty, are as follows:

1. Building and Other Improvements:

None: Units are sold "as is".

2. Appliances:

N/A

G. **Status of Construction and Date of Completion or Estimated Completion Date:**

The construction of Units A, B and C were completed on April 1, 2001.

H. **Project Phases:**

The developer  has  has not reserved the right to add to, merge, or phase this condominium.

Summary of Developer's plans or right to perform for future development (such as additions, mergers or phasing):

**IV. CONDOMINIUM MANAGEMENT**

- A. **Management of the Common Elements:** The Association of Apartment Owners is responsible for the management of the common elements and the overall operation of the condominium project. The Association may be permitted, and in some cases may be required, to employ or retain a condominium managing agent to assist the Association in managing the condominium project.

Initial Condominium Managing Agent: When the developer or the developer's affiliated is the initial condominium managing agent, the management contract must have a term of one year or less and the parties must be able to terminate the contract on notice of 60 days or less.

The initial condominium managing agent for this project, named on page five (5) of this report is:

Initial maintenance fees are difficult to estimate and tend to increase as the condominium ages. Maintenance fees may vary depending on the services provided.

Exhibit "F" contains a schedule of estimated initial maintenance fees and maintenance fee disbursements (subject to change).

C. **Additional Information Not Covered Above:**

1. Purchasers should be aware that Chapter 205, Hawaii Revised Statutes ("H.R.S."), does not authorize residential dwellings as a permissible use in an agricultural use district, unless the dwelling is related to an agricultural activity or is a "farm dwelling".

The term "farm dwelling" is defined in H.R.S. Chapter 205-4.5(a)(4) as a "single family dwelling located on and used in connection with a farm, including clusters of single-family farm dwelling permitted within agricultural parks developed by the State or where agricultural activity provides income to the family occupying the dwelling."

The penalty for violation of H.R.S. Section 205-4.5, is a fine of not more than \$5,000. If any person who is cited for a violation of the law fails to remove the violation within six months of such citation and the violation continues, such person is subject to a citation for a new and separate violation. There shall be a fine of not more than \$5,000 for any additional violation.

In order for any purchaser to obtain a building permit to construct a single family residential unit (farm dwelling), the County of Kauai will require the purchase to sign a Farm Dwelling Agreement in the form attached hereto as Exhibit "I".

In addition, Section K.2. of the Declaration imposes a duty of each unit owner to bear an equal burden proportionate to the unit owner's respective appurtenant interest in the common area for the cost of maintaining agricultural activities on the Project that are satisfactory to the Planning Department of the County of Kauai and that will allow the issuance of a Farm Dwelling Agreement and corresponding building permit to all of the units with the Project. See Section K.2. of Exhibit "B", Alteration of Project.

2. The use of hazardous material is restricted except as provided under Article H of the Declaration and all hazardous materials laws.
3. The project, and all uses and improvements on the apartments in the project, are subject to the Declaration of Covenants, Conditions and Restrictions For Sleeping Giant Acres Subdivision dated June 12, 2001, and recorded in said Bureau as Document No. 2001-095225, a summary of which is attached hereto as Exhibit "J".
4. Units A, B and C each have the right to use Easements AU-2A (affecting Lot 3, Sleeping Giant Acres Subdivision), AU-3 (affecting Lot 4, Sleeping Giant Acres Subdivision) and AU-4 (affecting Units A and C) for access and utility purposes, and Unit B has the right to use Easement AU-11 (affecting Unit C) for access and utility purposes. All of these easements are shown on the CPR Map for the project, and are more fully described in Section E.6 of the Declaration. Certain other units in condominium projects located within the Sleeping Giant Acres Subdivision have access and utility easement rights over some of these easements, as more fully described in the condominium documents for those projects. Maintenance and repair responsibilities for each easement area are to be equitably shared among the owners of whichever condominium units (in this project and in other projects) have easement rights over a particular easement according to the length of the driveway and/or utility lines that are used by each condominium unit, all as more fully described in Section G.4 of the Declaration. Any disputes among owners regarding equitable sharing of improvement, repair and maintenance costs shall be resolved by arbitration, as provided in Section G.4 of the Declaration.
5. The Property has direct access to Kolo'lia Place, a County of Kauai roadway, as shown on the Amended Condominium Map.

6. Units A, B and C are subject to floodway areas, and Unit A is subject to flood fringe areas, as more particularly depicted on the CPR Map. Certain building setback and other building restrictions apply within the floodway and flood fringe areas, and existing drainage patterns and free flow of surface waters must be maintained within the project. Prospective purchasers of all Units should consult with the County of Kauai Department of Public Works for specific information regarding restrictions on improvements in those areas. All prospective purchasers should also refer to the Declaration of Covenants, Conditions and Restrictions For Sleeping Giant Acres, especially Paragraphs 6 and 9, for further information regarding floodways, building setback areas, surface water flow, and related matters affecting the project.
  
7. Each unit in the project is responsible for applying for and obtaining its own County water meter. The developer will not provide water meters. Due to the high elevation of portions of the project, unit owners may be required by the County of Kauai Department of Water to sign an elevation agreement with the Department when applying for water service, agreeing to accept such water service as the Department is able to render, and agreeing to install and maintain suitable booster pumps and storage tanks, if necessary. Prospective purchasers should consult with the County Department of Water for further information.

- D. The developer declares subject to the penalties set forth in section 514A-49(b) that this project is in compliance with all county zoning and building ordinances and codes, and all other county permitting requirements applicable to the project, pursuant to Act 251 (SLH 2000) [Section 514A- ] (The developer is required to make this declaration for issuance of an effective date for a final public report.
- E. The developer hereby certifies that all the information contained in this Report and the Exhibits attached to this Report and all documents to be furnished by the developer to buyers concerning the project have been reviewed by the developer and are, to the best of the developer's knowledge, information and belief, true, correct and complete.

### DESCRIPTION OF BUILDINGS

The project consists of three (3) agricultural shade sheds constructed principally of iron fence posts with shade cloth, without a basement or foundation.

Units A, B and C, located as shown on the Condominium Map, each contain a total area of 20 square feet.

The approximate net floor areas of each unit as set forth above is measured from the interior surface of the unit perimeter walls and includes all of the walls and partitions within its perimeter walls.

## EXHIBIT "B"

### ALTERATION OF PROJECT

Paragraph K of the Declaration provides that:

1. Provided that the unit owner satisfies the applicable terms and conditions of the Project Documents and obtains all of the necessary governmental permits, each unit owner shall have the right at his sole option at any time and from time to time, as hereinafter set forth, without the consent and/or approval of the owner of any other unit or any other persons or entity, to construct, reconstruct, repair, maintain, improve, renovate, remodel, make additions to, enlarge, remove, replace, alter or restore the improvements to or in his unit or portions thereof or upon or within the Yard Areas or other limited common elements or easements appurtenant to his unit (collectively, the foregoing are referred to as "alterations"). Each unit owner who makes such alterations (hereinafter referred to as the "Altering Owner") shall have the right without the consent or joinder of any other person to amend this declaration and the Condominium Map to accomplish any such alterations. If required by the Act, promptly upon completion of such alterations the Altering Owner shall duly record such amendment to this declaration in the Bureau of Conveyances, together with a complete set of the floor plans of such unit as so altered, certified by a registered architect or professional engineer to fully and accurately depict the altered portions of the property as built. All existing unit owners and all future unit owners and their mortgagees, by accepting an interest in a unit, consent to all such alterations and agree to give and shall be deemed to have given the Altering Owner a power of attorney to execute an amendment to the declaration solely for the purpose of describing the alterations to such unit in the declaration so that the Altering Owner shall hereafter have a power of attorney from all the other unit owners to execute such amendment to the declaration. This power of attorney shall be deemed coupled with each owner's interest in his unit (including his common interest) and shall be irrevocable. If, despite the provisions of this paragraph, any governmental agency shall require some or all of the owners of units in the Project (other than the Altering Owner) to sign the necessary governmental permit application or related documents, then all of the other unit owners shall be required to sign any such permit applications or related documents (including authorizations allowing the Altering Owner to sign such governmental permits on behalf of such other owners) as may be necessary to allow the Altering Owner to obtain all such governmental permit necessary to make the alterations authorized by this paragraph. Any such unit owner who wrongfully refuses to sign such permits or provide the Altering Owner with the necessary authorizations: shall be liable to the Altering Owner for all such damages (including costs and attorneys' fees) incurred by the Altering Owner as a result of such refusal; and shall be subject to such other legal and/or equitable remedies as may be available to the Altering Owner.

2. In certain cases, H.R.S. Chapter 205 may require that the Condominium Houses located within the Project qualify and be used as Farm Dwellings. If one or more of the Condominium Houses within the Project must qualify as a Farm Dwelling, then the affected unit owner will be required to enter into an agreement with the County of Kauai certifying that the

Farm Dwelling will be used in connection with a farm or where agricultural activity provides income to the family occupying the Farm Dwelling. In addition, the Planning Department of the County of Kauai may not allow any Farm Dwelling to be constructed after the first Farm Dwelling within the Project unless the Planning Department inspects the Project to confirm whether agricultural activities are being conducted on the Project in accordance with H.R.S. Chapter 205. Each unit owner in the Project, therefore, shall bear an equal burden proportionate to the unit owner's respective appurtenant interest in the common area, for the cost of maintaining agricultural activities on the Project that are satisfactory to the Planning Department of the County of Kauai and that will allow the issuance of a Farm Dwelling Agreement and corresponding building permit to all of the units within the Project. Any assessment that may be necessary to maintain agricultural activities pursuant to this paragraph may be imposed upon each unit in accordance with the Bylaws as a common expense of the association in connection with the operation of the Project.

3. Any alteration of a unit pursuant to this paragraph K shall be subject to the following conditions:

(a) All such alterations shall conform with all applicable governmental regulations, laws and ordinances.

(b) Such alterations may decrease or increase the size of the affected unit, provided that no alteration shall extend or place the unit outside of the limits of the Yard Area appurtenant to such unit.

(c) All such alterations shall be at the sole expense of the unit owner making the change and shall be made within one (1) year of the commencement thereof and in a manner that will not unreasonably interfere with the other unit owner's use of his unit or Yard Area.

(d) The owner of the altered unit, at such owner's sole expense, shall have the right to utilize, relocate, construct, reconstruct, realign and/or develop additional, central and appurtenant installations for services to the unit affected by such alteration for electricity, sewer and other utilities and services. When necessary, the owner of the altered unit may add, delete, relocate, realign, designate and grant easements and rights-of-way over, under and on the common elements as necessary or desirable in connection therewith. Provided, however, that no work done pursuant to this paragraph shall cause any unreasonable interruption in the service of such utilities to any other part of the Project, nor shall it unreasonably interfere with any other unit owner's use or enjoyment of his unit or Yard Area.

4. Under current laws, the Project is entitled to construct one (1) Guest House. The right to construct said Guest House is reserved to the owner of Unit C. Said right may be assigned by the owner of Unit C to any other unit owner within the Project at any time. All provisions of the Comprehensive Zoning Ordinance and any other laws, ordinances or regulations which are applicable shall be observed by the unit owner to which the right to build a Guest House applies.

The unit owner shall also consult with the appropriate County and/or State agencies regarding all applicable laws or regulations prior to construction.

5. Each and every conveyance, lease and mortgage or other lien made or created on any unit and all common interests, limited common elements, and other appurtenances thereto shall be subject to the provisions of this paragraph and any lease of a unit shall reserve to all unit owners the rights set forth in this paragraph.

\* SPECIAL NOTATION: When applying for building permits, use permits, zoning permits or any other land use permits with governmental agencies, 75% of the owners of the Project maybe required to sign the permit forms. In such case, all unit owners shall be required to sign such permit applications and related documents as may be necessary for any unit owner to obtain such permits.

The issuance of an effective date for the Condominium Public Report should not be construed to mean that all governmental laws, ordinances and regulations have been complied with and all subsequent development and use shall comply with applicable governmental laws, ordinances and regulations.

Additionally, the creation of the Condominium Property Regime does not mean that the land has met the subdivision requirements of the County. As such, certain facilities and improvements normally associated with County approved subdivisions may not be necessarily included as part of this Project.

**EXHIBIT "C"**

**COMMON ELEMENTS**

The common elements of the project shall specifically include, but are not limited to, the following:

1. The land described in Exhibit "A", attached to the Declaration, in fee simple.

The Deposit Receipt and Sales Contract, including the terms and conditions attached thereto as Article IV (hereinafter collectively called the "Sales Contract") contain the price and other terms and conditions under which a purchaser will agree to buy a unit in the Project. Among other things, the Sales Contract states:

(a) The total purchase price, method of payment and additional sums which must be paid in connection with the purchase of a unit.

(b) That the purchaser acknowledges having received and read a public report (either preliminary or final) for the Project prior to signing the Sales Contract.

(c) That the Developer makes no representations concerning rental of a unit, income or profit from a unit, or any other economic benefit to be derived from the purchase of a unit.

(d) That the purchaser's money will be held in escrow, under the terms of the Escrow Agreement.

(e) Requirements relating to the purchaser's financing of the purchase of a unit.

(f) That the unit and the Project will be subject to various other legal documents which the purchaser should examine, and that the Developer may change these documents under certain circumstances.

(g) That the Developer makes no warranties regarding the unit, the Project or anything installed or contained in the unit or the Project.

(h) That the purchaser must close the purchase at a certain date and pay closing costs, in addition to the purchase price.

(i) That the purchaser will not receive interest on deposits made under the Sales Contract.

(j) If the buyer shall default:

(1) The contract may, at the seller's option, be terminated by written notice to the buyer; and

(2) Any sums paid by the buyer shall belong to the seller as liquidated damages (up to a maximum of 20% of the total purchase price); and

(3) The seller may pursue any other remedy, including specific performance, permitted by law or equity. All costs, including reasonable attorneys' fees, incurred by reason of default by the buyer shall be borne by the buyer.

Further, if the buyer shall default in making any payment when due, a late charge of one percent (1%) per month shall accrue from the due date until such payment, together with such late charge, is paid, or at any time prior to the time that such payment and late charge is paid in full, the seller may, at its option, terminate this contract as provided in paragraphs (1) through (3) above.

The Sales Contract contains various other important provisions relating to the purchase of a unit in the Project. It is incumbent upon purchasers and prospective purchasers to read with care the specimen sales Contract on file with the Real Estate Commission.

## EXHIBIT "H"

### SUMMARY OF ESCROW AGREEMENT

The Escrow Agreement sets up an arrangement under which the deposits a purchaser makes pursuant to a Sales Contract will be held by a neutral party ("Escrow"). Under the Escrow Agreement, these things will or may happen:

- (a) Escrow will let the purchaser know when payments are due.
- (b) Escrow will arrange for the purchaser to sign all necessary documents.
- (c) The purchaser is entitled to a refund if the purchaser or seller cancels the Sales Contract in accordance with its cancellation provisions, or if the purchaser terminates its reservation before the Sales Contract is binding. However, Escrow may deduct from the refund cancellation fees in accordance with the Sales Contract.

In the event of a default by the purchaser, the funds paid by the purchaser shall belong to the seller as liquidated damages (up to a maximum of twenty percent (20%) of the total purchase price).

The Escrow Agreement contains various other important provisions and establishes certain charges with which a purchaser should be familiar. It is incumbent upon purchasers and prospective purchasers to read with care the executed Escrow Agreement on file with the Real Estate Commission.

(d) The purchaser's funds that are placed in trust prior to closing may be used by the seller after (1) the purchaser has (i) been provided with a final public report; (ii) executed a receipt and notice and has waived his right to cancel or thirty (30) days have elapsed since the purchaser has been provided with the final public report and receipt and notice of right to cancel; and (2) the seller notifies escrow in writing that since (i) and (ii) have happened, the Sales Contract is binding; and (3) the seller's attorney advises escrow that the Sales Contract is binding and the requirements of Hawaii Revised Statutes, Sections 514A-63 and -65 have been met.

(e) Escrow may not disburse any buyer's funds in the construction of the project until completion of the project and the expiration of the mechanic's and materialmen's lien period. Escrow may disburse prior to completion of the project and expiration of the applicable lien period if the Developers would furnish each purchaser an Owners Title Insurance with an endorsement against any future liens placed on the apartments or project as a result of the development, plus providing the Real Estate Commission a release of the General Contractor's lien rights.
