General Information On Condominiums

A condominium is a special form of real property. To create a condominium in Hawaii, the requirements of the Condominium Property Act, Chapter 514A, Hawaii Revised Statutes, must be complied with. In addition, certain requirements and approvals of the County in which the project is located must be satisfied and obtained.

Some condominium projects are leasehold. This means that the land or the building(s) and other improvements are leased to the buyer. The lease for the land usually requires that at the end of the lease term, the lessees (apartment owners/tenants) deliver their interest in the land to the lessor (fee property owner). The lease also usually requires that the lessees either (1) convey to the lessor the building(s) and other improvements, including any improvements paid for by the lessees; or (2) remove or dispose of the improvements at the lessee's expense. Leases for individual apartments often require that at the end of the lease term, the lessee deliver to the lessor the apartment, including any improvements placed in the apartment by the lessee.

If you are a typical condominium owner, you will have two kinds of ownership: (1) ownership in your individual apartment; and (2) an undivided interest in the common elements.

"Common elements" are the areas of the condominium project other than the individual apartments. They are owned jointly by all apartment owners and include the land, either in fee simple or leasehold, and those parts of the building or buildings intended for common use such as foundations, columns, roofs, halls, elevators, and the like. Your undivided interest in the common elements cannot be separated from ownership of your apartment.

In some condominium projects, some common elements are reserved for the exclusive use of the owners of certain apartments. These common elements are called "limited common elements" and may include parking stalls, patios, lanais, trash chutes, and the like.

You will be entitled to exclusive ownership and possession of your apartment. Condominium apartments may be individually bought, sold, rented, mortgaged or encumbered, and may be disposed of by will, gift, or operation of law.

Your apartment will, however, be part of the group of apartments that comprise the condominium project. Study the project's Declaration, Bylaws, and House Rules. These documents contain important information on the use and occupancy of apartments and the common elements as well as the rules of conduct for owners, tenants, and guests.

Operation of the Condominium Project

The Association of Apartment Owners is the entity through which apartment owners may take action with regard to the administration, management, and operation of the condominium project. Each apartment owner is automatically a member of the Association.

The Board of Directors is the governing body of the Association. Unless you serve as a board member or an officer, or are on a committee appointed by the board, your participation in the administration and operation of the condominium project will in most cases be limited to your right to vote as an apartment owner. The Board of Directors and officers can take certain actions without the vote of the owners. For example, the board may hire and fire employees, increase or decrease maintenance fees, borrow money for repair and improvements and set a budget. Some of these actions may significantly impact the apartment owners.

Until there is a sufficient number of purchasers of apartments to elect a majority of the Board of Directors, it is likely that the developer will effectively control the affairs of the Association. It is frequently necessary for the developer to do so during the early stages of development and the developer may reserve certain special rights to do so in the Declaration and Bylaws. Prospective buyers should understand that it is important to all apartment owners that the transition of control from the developer to the apartment owners be accomplished in an orderly manner and in a spirit of cooperation.

The Condominium Property Act (Chapter 514A, HRS), the Declaration, Bylaws, and House Rules control the rights and obligations of the apartment owners with respect to the project and the common elements, to each other, and to their respective apartments. The provisions of these documents are intended to be, and in most cases are, enforceable in a court of law.

House Rules may cover matters such as parking regulations, hours of operation for common facilities such as recreation areas, use of lanais and requirement for keeping pets. These rules must be followed by owners, tenants, and guests. They do not need to be recorded or filed to be effective. The initial House Rules are usually adopted by the developer.

The House Rules for this condominium are:

IMPORTANT INFORMATION ON LEASEHOLD CONDOMINIUM PROJECTS

The information contained in this report is a summary of the terms of the lease. For more detailed information, you should secure a copy of the lease documents and read them thoroughly.

If you have any legal questions about leasehold property, the lease documents or the terms of the lease and the consequences of becoming a lessee, you should seek the advice of an attorney.

There are currently no statutory provisions for the mandatory conversion of leasehold condominiums and there are no assurances that such measures will be enacted in the future.

In leasehold condominium projects, the buyer of an apartment will acquire the right to occupy and use the apartment for the time stated in the lease agreement. The buyer will not acquire outright or absolute fee simple ownership of the land. The land is owned by the lessor or the leased fee owner. The apartment owner or lessee must make lease rent payments and comply with the terms of the lease or be subject to the lessor's enforcement actions. The lease rent payments are usually fixed at specific amounts for fixed periods of time, and are then subject to renegotiation. Renegotiation may be based on a formula, by arbitration set in the lease agreement, by law or by agreement between the lessor and lessee. The renegotiated lease rents may increase significantly. At the end of the lease, the apartment owners may have to surrender the apartments, the improvements and the land back to the lessor without any compensation (surrender clause).

When leasehold property is sold, title is normally conveyed by means of an assignment of lease, the purpose of which is similar to that of a deed. The legal and practical effect is different because the assignment conveys only the rights and obligations created by the lease, not the property itself.

The developer of this condominium project may have entered into a master ground lease with the fee simple owner of the land in order to develop the project. The developer may have then entered into a sublease or a new lease of the land with the lessee (apartment owner). The developer may lease the improvements to the apartment owner by way of an apartment lease or sublease, or sell the improvements to the apartment owners by way of a condominium conveyance or apartment deed.

11. Conformance to Present Zoning Code

- a. No variances to zoning code have been granted.
 Variance(s) to zoning code was/were granted as follows:

b. Conforming/Non-Conforming Uses, Structures, Lot

In general, a non-conforming use, structure, or lot is a use, structure, or lot which was lawful at one time but which does not now conform to present zoning requirements.

	<u>Conforming</u>	<u>Non-Conforming/Illegal</u>	
Uses	<u>X</u>	<u> </u>	<u> </u>
Structures	<u>X</u>	<u> </u>	<u> </u>
Lot	<u>X</u>	<u> </u>	<u> </u>

If a variance has been granted or if uses, improvements or lot are either non-conforming or illegal, buyer should consult with county zoning authorities as to possible limitations which may apply.

Limitations may include restrictions on extending, enlarging, or continuing the non-conformity, and restrictions on altering and repairing structures. In some cases, a non-conforming structure that is destroyed or damaged cannot be reconstructed.

The buyer may not be able to obtain financing or insurance if the condominium project has a non-conforming or illegal use, structure, or lot.

D. Common Elements, Limited Common Elements, Common Interest:

1. Common Elements: Common Elements are those parts of the condominium project other than the individual apartments. Although the common elements are owned jointly by all apartment owners, those portions of the common elements which are designated as limited common elements (see paragraph 2 below) may be used only by those apartments to which they are assigned. The common elements for this project, as described in the Declaration, are:

described in Exhibit "E".

as follows:

2. **Limited Common Elements:** Limited Common Elements are those common elements which are reserved for the exclusive use of the owners of certain apartments.

There are no limited common elements in this project.

The limited common elements and the apartments which use them, as described in the Declaration, are:

described in Exhibit "F".

as follows:

3. **Common Interest:** Each apartment will have an undivided fractional interest in all of the common elements. This interest is called the "common interest." It is used to determine each apartment's share of the maintenance fees and other common profits and expenses of the condominium project. It may also be used for other purposes, including voting on matters requiring action by apartment owners. The common interests for the apartments in this project, as described in the Declaration, are:

described in Exhibit "D".

as follows:

E. **Encumbrances Against Title:** An encumbrance is a claim against or a liability on the property or a document affecting the title or use of the property. Encumbrances may have an adverse effect on the property or your purchase and ownership of an apartment in the project.

Exhibit "F" describes the encumbrances against the title contained in the title report dated August 10, 2001 and issued by Fidelity National Title Insurance Company.

Blanket Liens:

A blanket lien is an encumbrance (such as a mortgage) on the entire condominium project that secures some type of monetary debt (such as a loan) or other obligation. A blanket lien is usually released on an apartment-by-apartment basis upon payment of specified sums so that individual apartments can be conveyed to buyers free and clear of the lien.

There are no blanket liens affecting title to the individual apartments.

There are blanket liens which may affect title to the individual apartments.

Blanket liens (except for improvement district or utility assessments) must be released before the developer conveys the apartment to a buyer. The buyer's interest will be affected if the developer defaults and the lien is foreclosed prior to conveying the apartment to buyer.

<u>Type of Lien</u>	<u>Effect on Buyer's Interest and Deposit if Developer Defaults Or Lien is Foreclosed Prior to Conveyance</u>
N/A	

F. Construction Warranties:

Warranties for individual apartments and the common elements, including the beginning and ending dates for each warranty, are as follows:

1. **Building and Other Improvements:**

The Developer does not make any warranties for the Project, but merely intends to pass on any warranties made to it by the general contractor (or any other contractor or subcontractors) for the Project to correct any work found to be defective within the applicable warranty period. Typically, a general contractor will provide a warranty for work found to be defective within one-year after the date of substantial completion of the project.

2. **Appliances:**

The Developer will pass on the manufacturer's warranties made to it, if any, on any appliances included as part of the apartment being conveyed.

Note (as to 1 and 2 above): Except as provided above, Developer disclaims any implied warranty of habitability, any implied warranty of merchantability, any implied warranty of fitness for a particular purpose or use, any implied warranty of workmanship and any other express or implied warranties, with respect to the apartments, the project, the common elements thereof, or as to any appliances and furnishings contained within the apartments or the project.

G. **Status of Construction and Date of Completion or Date of Estimated Completion**

The Construction of the Project has already commenced. The Developer estimates, but does not guarantee, that the Project will be completed on August 30, 2003.

H. **Project Phases:**

The developer [X] has [] has not reserved the right to add to, merge, or phase this condominium.

Summary of Developer's plans or right to perform for future development (such as additions, mergers or phasing):

The Developer, its successors and permitted assigns, reserve the right at any time and from time to time prior to December 31, 2021 to develop additional projects (any such additional projects, including the apartments of such projects, their respective undivided interests in the land underlying each project and the common elements built in connection therewith, shall be referred to herein as a "Subsequent Project") as the Developer may desire, to the extent permitted by applicable law. Specifically, but not in limitation of the generality of the foregoing, the Developer has the right to develop up to 412 additional residential apartments on Parcels B, C and D. Said Parcels B, C and D are depicted on the Condominium Map, and the projects to be developed on said Parcels B, C and D shall be referred to as Projects II, III and IV, respectively. No building or other structure built upon Projects II, III and IV shall exceed sixty (60) feet in height.

Developer further reserves the right to modify the present plan of project development by varying the mix and/or number of apartments in any Subsequent Project and/or by modifying, deleting and/or adding types of common elements and/or limited common elements. Developer shall further have the reserved right to execute and record a Declaration of Condominium Property Regime and condominium map, or an amendment to the Declaration and the Condominium Map for this Project to create any Subsequent Project. ²All Apartments of the Project have the number of bedrooms and bathrooms indicated in the table above, one (1) kitchen and one (1) living room. All Apartments of the Project, excluding Cottage Nos. 305, 316, 322, 330, 338, 346, 354 and 361, also have one (1) dining room. All Executive Residence Apartments and the following Carriage Ways Apartments and Cottages also have one (1) family room: Carriage Ways Apartment Nos. 204, 206, 208, 220, 226, 230, 233, 251, 256, 258 and 260 and Cottage Nos. 303, 305, 309, 310, 314, 316, 320, 322, 326 through 328, 330, 334, 338, 342, 344, 346, 350, 352, 354, 358, 361 and 365.

³The approximate net square footage of each Apartment was determined by measuring the area between the interior perimeter walls of each Apartment (excluding both the non-load-bearing and load-bearing walls located between said perimeter walls).

Subject to the Developer's right to change the Common Interest upon an ownership merger of the Project with any future project, each Apartment in the Project shall have appurtenant to it a 1/218th undivided fractional Common Interest in the Common Elements. The Common Interest attributable to each Apartment was calculated by dividing one (1) by the total number of Apartments of the Project.

Should the Developer exercise its reserved right to merge projects II, III and/or IV into Project I, the common interest of units in Project I will diminish as follows:

Projects Being Merged¹	Common Interest For Each Apartment Upon Merger²
Project I with Projects II, III and IV	1/590
Project I with Project II only	1/311
Project I with Project III only	1/458
Project I with Project IV only	1/257
Project I with Projects II and III only	1/551
Project I with Projects II and IV only	1/350
Project I with Projects III and IV only	1/497

¹ Listed are all of the possible variations of project merger. Some or all of these may occur. The Developer makes no representation that any particular merger of projects will occur, or, if they should occur, when they will occur.

² The Developer presently intends that Project I will consist of 218 apartments, Project II will consist of 93 apartments, Project III will consist of 240 apartments and Project IV will consist of 39 apartments, for a total of 590 apartments. The Developer has the reserved right, however, to change the number of apartments in any project and to develop up to a maximum of 630 apartments in all four (4) projects. In the event that the Developer exercises this right, the undivided interest appurtenant to each apartment may differ from that indicated above.

ESTIMATED MAINTENANCE FEES AND PRODUCT FEES

A description of the maintenance fees and/or Product Fees (as such term is defined in the Declaration) to be charged to each of the Apartments of the Project is set forth in Exhibits "H-1" through "H-4" attached hereto.

1. **Maintenance Fees**

Maintenance fees are intended to cover the Common Expenses of the Project (i.e., the expenses attributable to the maintenance and operation of the "general" Common Elements of the Project). SUMMARY OF PURCHASE AGREEMENT

The specimen The Peninsula at Hawaii Kai – Project I Purchase Agreement ("Agreement") contains, among other things, the following terms and conditions (which may be modified or otherwise limited by provisions which are not summarized hereinbelow):

A. The Seller (Developer) has engaged Fidelity National Title & Escrow of Hawaii, Inc. ("Escrow") to handle Purchaser's funds and to close the transaction in accordance with the terms of the Agreement. All payments to be made under the Agreement shall be paid by Purchaser to Escrow pursuant to the Escrow Agreement.

B. The Purchaser specifically acknowledges and agrees that the Declaration contains reservations of certain rights in favor of Seller, the Association and other owners, and contains certain other provisions to which the Purchaser consents.

C. The "Closing Date" shall be the date (following the completion of the structure in which the Apartment is located) upon which Seller certifies to the Purchaser in writing that the Apartment is ready for occupancy. All payments shall be due and payable in full on the Closing Date, and, if not paid on said date due to Purchaser's failure to act in a diligent manner in order for said payment to be made on said date, then such nonpayment shall result in a default under the Agreement. If Purchaser, after the delivery by Seller of a copy of the Contingent Final Public Report for the Project, together with any Supplementary Public Report that may have been issued for the Project (except that if the Supplemental Public Report supersedes all prior reports on the Project, then only the Supplementary Public Report need be delivered to the Purchaser), either personally or by registered or certified mail with return receipt requested, shall fail to execute a form of receipt and notice ("Waiver Form") of Purchaser's right to cancel the Agreement (as such right is set forth in and Section 2(d) of the Agreement), the delivery of which is required by Hawaii Revised Statutes Section 514A-62, as amended (or shall fail to give his written approval or acceptance to any material change to the Project as requested by Seller pursuant to the provisions of Hawaii Revised Statutes Section 514A-63, as amended) within thirty (30) days from the date of delivery of such report(s), Seller may at its option: (i) cancel the Agreement upon ten (10) days' written notice to Purchaser of such cancellation and upon such cancellation Seller shall cause Escrow to refund to Purchaser all payments previously made by Purchaser without interest; or (ii) elect (by its failure to give said written notice of cancellation) to treat such failure as a deemed acceptance ("Deemed Acceptance") of such Public Report(s) and as a waiver of the right to cancel the Agreement (or as a Deemed Acceptance of such material change, as the case may be). The conveyance of the Apartment to the Purchaser within said thirty-day period shall also be treated as a Deemed Acceptance of such Public Report(s) by Purchaser and a waiver of Purchaser's rescission rights as set forth in this paragraph.

D. The Purchase Price does not include closing costs which include, among other things, the escrow fee, cost of a preliminary title report, cost of preparation of the Apartment Deed, real property tax and other prorations, all acknowledgment fees, conveyance taxes, title insurance, if requested by Purchaser, cost of any lender's title insurance, appraisal fees, costs for drafting of any notes and mortgages, all recording costs or fees, loan fees, credit report costs and all other applicable mortgage costs, all of which the Purchaser shall be responsible to pay at Closing. Purchaser shall also pay a start-up fee equal to two (2) months of the estimated maintenance fee in advance and an additional fee equal to two (2) months of estimated reserves at Closing.

E. Purchaser agrees that it will not assign the Agreement to anyone. Seller may, without any consent of Purchaser, freely assign Seller's interests therein.

F. Purchaser shall not be entitled to possession of the Apartment as the owner thereof until Purchaser has completed all required payments and has executed all documents relating to the purchase, and Purchaser has performed the remaining terms and conditions of the Agreement which are to be performed as of the Closing.

G. Notices to either party may be delivered personally or mailed.

H. The Purchaser acknowledges that Purchaser has entered into the Agreement without any reference or representation by Seller or any salesperson that the Seller, or any managing agent of the Project or anyone else affiliated with the Seller will provide, directly or indirectly, any services relating to the rental or sale or management of the Apartment purchased.

I. The laws of the State of Hawaii shall govern all matters with respect to the Agreement.

J. Purchaser has examined and approved the estimate of monthly maintenance charges for the Property as shown in the Public Report. Purchaser is aware that such amounts are only estimates and may change for reasons beyond the control of Seller, and Purchaser hereby specifically accepts and approves any such changes.

THE ABOVE SUMMARY IS NOT INTENDED TO BE A THOROUGH AND EXHAUSTIVE EXPLANATION OF ALL TERMS AND PROVISIONS CONTAINED IN THE PURCHASE AGREEMENT. WHILE A PURCHASER CAN USE THIS SUMMARY AS A GENERAL SUMMARY OF PURCHASER'S RIGHTS AND OBLIGATIONS UNDER THE PURCHASE AGREEMENT, PURCHASER MUST REFER TO THE PURCHASE AGREEMENT TO DETERMINE PURCHASER'S ACTUAL RIGHTS AND OBLIGATIONS. IF ANY CONFLICT OR DIFFERENCE EXISTS BETWEEN THIS SUMMARY AND THE PURCHASE AGREEMENT, THE PURCHASE AGREEMENT WILL CONTROL.

SUMMARY OF ESCROW AGREEMENT

The Escrow Agreement for the Project dated May 25, 2001 ("Agreement") contains the following provisions (which may be modified or otherwise limited by provisions which are not summarized hereinbelow):

A. When Seller (Developer) shall enter into a purchase agreement for the conveyance of an apartment or other interest in the Project ("Purchase Agreement"), it shall require the payments of deposits due thereunder to be promptly made to Escrow, and shall deliver an executed copy of the Purchase Agreement to Escrow together with the address of the Purchaser. Seller shall also promptly pay over to Escrow all monies (including checks) received by Seller from or on behalf of the Purchasers, including those received on any Purchase Agreement, and all payments made on loan commitments from lending institutions on account of any apartment in the Project, other than funds received from interim financing.

B. Escrow shall receive, deposit and hold in separate escrow accounts and disburse as set forth in the Agreement: (a) all payments received by it under Purchase Agreements, (b) such sums received by it under the Agreement from or for the account of Seller, and (c) all sums received by it from any other source with respect to the Project. Escrow shall not at any time commingle or permit the commingling of any Purchaser's funds with funds belonging to or held for the benefit of Seller. All funds and instruments received from Purchasers or prospective Purchasers shall be held by Escrow in accordance with the provisions contained in Chapter 514A of the Hawaii Revised Statutes. All monies received by Escrow hereunder shall be deposited, within a reasonable time of the receipt by Escrow and in reasonably convenient and practical sums, in an interest bearing account with a federally insured bank, savings and loan or trust company authorized to do business in the State of Hawaii under an escrow arrangement, and shall be held in immediately available funds in accordance with the terms of the Agreement.

C. Escrow shall make no disbursements of Purchasers' funds or proceeds from the sale of apartments in the Project (including any payments made on loan commitments from lending institutions), except by way of refunds thereof as provided in the Agreement, until Escrow has received a letter from Seller stating that the Purchasers have signed the required Receipt and Notice of Right to Cancel or are deemed to have receipted for the public reports and to have waived their right to cancel, and stating further that no subsequent events have occurred which would give the Purchasers the right to rescind, the Purchase Agreements have "become binding" and "the requirements of Sections 514A-40, 514A-39.5 and 514A-63" of the Hawaii Revised Statutes have been met, as said phrases are used in Section 514A-65, Hawaii Revised Statutes, and further that the requirements of Section 514A-62 of the Hawaii Revised Statutes have been met, as each of the foregoing sections may be amended on the date the Purchase Agreement becomes binding and effective.

D. Each Purchaser shall be entitled to a return of his or her funds, without interest, and Escrow shall pay such funds to such Purchaser, promptly after request for return by the Purchaser if one of the following has occurred:

(1) Escrow receives a written request from Seller to return to the Purchaser the funds of the Purchaser then being held pursuant to the Agreement by Escrow;

(2) Seller notifies Escrow in writing of Seller's exercise of the option to rescind the Purchase Agreement pursuant to any right of rescission stated therein or otherwise available to Seller;

(3) The conditions providing for a refund under Section 514A-62 or under Section 514A-63 of the Hawaii Revised Statutes (as amended on the date upon which the Purchase Agreement becomes binding and effective) have been met, and written notice thereof has been provided to Seller.

Upon the cancellation of the Purchase Agreement as specified above, Escrow shall be entitled to a cancellation fee commensurate with the work done by Escrow prior to such cancellation, up to a maximum of \$250.00. Notwithstanding anything in the Agreement or the Purchase Agreement to the contrary, said compensation to Escrow shall be the sole expense of the individual purchaser and shall not in any way be the obligation of the

Seller, unless cancellation is made pursuant to either Sections 514A-62 or 514A-63 of the Hawaii Revised Statutes, whereupon Seller shall pay such fee.

E. If the Purchaser fails to make any payment on or before the due date thereof or if the Purchaser does or fails to do any act, which would constitute an event of default under the Purchase Agreement, Seller shall promptly give to such Purchaser and to Escrow, written notice of default. If Purchaser has failed to cure the default after the delivery of notice by Escrow and such default continues after the expiration of any grace period, Escrow shall so advise Seller. If Seller shall thereafter certify in writing to Escrow: (1) that Seller has elected to terminate the Purchase Agreement and has notified the Purchaser, or (2) that Purchaser is otherwise in default, then, and in either event, Escrow, subject to the provisions relating to dispute and conflicting demands set forth in paragraph 14 of the Agreement, shall thereafter treat all funds of the Purchaser paid under such Purchase Agreement, less Escrow's cancellation fee, as funds of Seller and not of the Purchaser. Thereafter, such funds shall be held free of the escrow established by the Agreement and shall be held by Escrow for the account of Seller. Upon written request by Seller, Escrow shall pay such funds to Seller or order and shall return to Seller the Purchase Agreement of such Purchaser and any other documents theretofore delivered to Escrow in connection with the purchase of the apartment specified in such Purchase Agreement shall be returned to the person from whom or entity from which such documents were received.

* * * * *

THE ABOVE SUMMARY IS NOT INTENDED TO BE A THOROUGH AND EXHAUSTIVE EXPLANATION OF ALL TERMS AND PROVISIONS CONTAINED IN THE ESCROW AGREEMENT. WHILE A PURCHASER CAN USE THIS SUMMARY AS A GENERAL SUMMARY OF THE ESCROW AGREEMENT, PURCHASER MUST REFER TO THE ESCROW AGREEMENT TO DETERMINE PURCHASER'S ACTUAL RIGHTS AND OBLIGATIONS. IF ANY CONFLICT OR DIFFERENCE EXISTS BETWEEN THIS SUMMARY AND THE ESCROW AGREEMENT, THE ESCROW AGREEMENT WILL CONTROL.
