General Information On Condominiums

A condominium is a special form of real property. To create a condominium in Hawaii, the requirements of the Condominium Property Act, Chapter 514A, Hawaii Revised Statutes, must be complied with. In addition, certain requirements and approvals of the County in which the project is located must be satisfied and obtained.

Some condominium projects are leasehold. This means that the land or the building(s) and other improvements are leased to the buyer. The lease for the land usually requires that at the end of the lease term, the lessees (apartment owners/tenants) deliver their interest in the land to the lessor (fee property owner). The lease also usually requires that the lessees either (1) convey to the lessor the building(s) and other improvements, including any improvements paid for by the lessees; or (2) remove or dispose of the improvements at the lessee's expense. Leases for individual apartments often require that at the end of the lease term, the lessee deliver to the lessor the apartment, including any improvements placed in the apartment by the lessee.

If you are a typical condominium apartment owner, you will have two kinds of ownership: (1) ownership in your individual apartment; and (2) an undivided interest in the common elements.

"Common elements" are the areas of the condominium project other than the individual apartments. They are owned jointly by all apartment owners and include the land, either in fee simple or leasehold, and those parts of the building or buildings intended for common use such as foundations, columns, roofs, halls, elevators, and the like. Your undivided interest in the common elements cannot be separated from ownership of your apartment.

In some condominium projects, some common elements are reserved for the exclusive use of the owners of certain apartments. These common elements are called "limited common elements" and may include parking stalls, patios, lanais, trash chutes, and the like.

You will be entitled to exclusive ownership and possession of your apartment. Condominium apartments may be individually bought, sold, rented, mortgaged or encumbered, and may be disposed of by will, gift, or operation of law.

Your apartment will, however, be part of the group of apartments that comprise the condominium project. Study the project's Declaration, Bylaws, and House Rules. These documents contain important information on the use and occupancy of apartments and the common elements as well as the rules of conduct for owners, tenants, and guests.

Operation of the Condominium Project

The Association of Apartment Owners is the entity through which apartment owners may take action with regard to the administration, management, and operation of the condominium project. Each apartment owner is automatically a member of the Association.

The Board of Directors is the governing body of the Association. Unless you serve as a board member or an officer, or are on a committee appointed by the board, your participation in the administration and operation of the condominium project will in most cases be limited to your right to vote as an apartment owner. The Board of Directors and officers can take certain actions without the vote of the owners. For example, the board may hire and fire employees, increase or decrease maintenance fees, borrow money for repair and improvements and set a budget. Some of these actions may significantly impact the apartment owners.

Until there is a sufficient number of purchasers of apartments to elect a majority of the Board of Directors, it is likely that the developer will effectively control the affairs of the Association. It is frequently necessary for the developer to do so during the early stages of development and the developer may reserve certain special rights to do so in the Declaration and Bylaws. Prospective buyers should understand that it is important to all apartment owners that the transition of control from the developer to the apartment owners be accomplished in an orderly manner and in a spirit of cooperation.

**II. CREATION OF THE CONDOMINIUM;
CONDOMINIUM DOCUMENTS**

A condominium is created by recording in the Bureau of Conveyances and/or filing with the Land Court a Declaration of Condominium Property Regime, a Condominium Map (File Plan), and the Bylaws of the Association of Apartment Owners. The Condominium Property Act (Chapter 514A, HRS), the Declaration, Bylaws, and House Rules control the rights and obligations of the apartment owners with respect to the project and the common elements, to each other, and to their respective apartments. The provisions of these documents are intended to be, and in most cases are, enforceable in a court of law.

- A. **Declaration of Condominium Property Regime** contains a description of the land, buildings, apartments, common elements, limited common elements, common interests, and other information relating to the condominium project.

The Declaration for this condominium is:

Book _____ Page _____
 Filed - Land Court: Document No. _____

The Dylaws referred to above have been amended by the following instruments [state name of document, date and recording/filing information]:

D. **House Rules.** The Board of Directors may adopt House Rules to govern the use and operation of the common elements and limited common elements. House Rules may cover matters such as parking regulations, hours of operation for common facilities such as recreation areas, use of lanais and requirements for keeping pets. These rules must be followed by owners, tenants, and guests. They do not need to be recorded or filed to be effective. The initial House Rules are usually adopted by the developer.

The House Rules for this condominium are:

Proposed Adopted Developer does not plan to adopt House Rules

E. **Changes to Condominium Documents**

Changes to the Declaration, Condominium Map, and Bylaws are effective only if they are duly adopted and recorded and/or filed. Changes to House Rules do not need to be recorded or filed to be effective.

IMPORTANT INFORMATION ON LEASEHOLD CONDOMINIUM PROJECTS

The information contained in this report is a summary of the terms of the lease. For more detailed information, you should secure a copy of the lease documents and read them thoroughly.

If you have any legal questions about leasehold property, the lease documents or the terms of the lease and the consequences of becoming a lessee, you should seek the advice of an attorney.

There are currently no statutory provisions for the mandatory conversion of leasehold condominiums and there are no assurances that such measures will be enacted in the future.

In leasehold condominium projects, the buyer of an apartment will acquire the right to occupy and use the apartment for the time stated in the lease agreement. The buyer will not acquire outright or absolute fee simple ownership of the land. The land is owned by the lessor or the leased fee owner. The apartment owner or lessee must make lease rent payments and comply with the terms of the lease or be subject to the lessor's enforcement actions. The lease rent payments are usually fixed at specific amounts for fixed periods of time, and are then subject to renegotiation. Renegotiation may be based on a formula, by arbitration set in the lease agreement, by law or by agreement between the lessor and lessee. The renegotiated lease rents may increase significantly. At the end of the lease, the apartment owners may have to surrender the apartments, the improvements and the land back to the lessor without any compensation (surrender clause).

When leasehold property is sold, title is normally conveyed by means of an assignment of lease, the purpose of which is similar to that of a deed. The legal and practical effect is different because the assignment conveys only the rights and obligations created by the lease, not the property itself.

The developer of this condominium project may have entered into a master ground lease with the fee simple owner of the land in order to develop the project. The developer may have then entered into a sublease or a new lease of the land with the lessee (apartment owner). The developer may lease the improvements to the apartment owner by way of an apartment lease or sublease, or sell the improvements to the apartment owners by way of a condominium conveyance or apartment deed.

11. Conformance to Present Zoning Code

a. No variances to zoning code have been granted.

Variance(s) to zoning code was/were granted as follows:

b. Conforming/Non-Conforming Uses, Structures, Lot

In general, a non-conforming use, structure, or lot is a use, structure, or lot which was lawful at one time but which does not now conform to present zoning requirements.

	<u>Conforming</u>	<u>Non-Conforming</u>	<u>Illegal</u>
Uses	<u> X </u>	<u> </u>	<u> </u>
Structures	<u> X </u>	<u> </u>	<u> </u>
Lot	<u> X </u>	<u> </u>	<u> </u>

If a variance has been granted or if uses, improvements or lot are either non-conforming or illegal, buyer should consult with county zoning authorities as to possible limitations which may apply.

Limitations may include restrictions on extending, enlarging, or continuing the non-conformity, and restrictions on altering and repairing structures. In some cases, a non-conforming structure that is destroyed or damaged cannot be reconstructed.

The buyer may not be able to obtain financing or insurance if the condominium project has a non-conforming or illegal use, structure, or lot.

D. Common Elements, Limited Common Elements, Common Interest:

1. Common Elements: Common Elements are those parts of the condominium project other than the individual apartments. Although the common elements are owned jointly by all apartment owners, those portions of the common elements which are designated as limited common elements (see paragraph 2 below) may be used only by those apartments to which they are assigned. The common elements for this project, as described in the Declaration, are:

described in Exhibit C .

as follows:

2. Limited Common Elements: Limited Common Elements are those common elements which are reserved for the exclusive use of the owners of certain apartments.

There are no limited common elements in this project.

The limited common elements and the apartments which use them, as described in the Declaration, are:

described in Exhibit D.

as follows:

NOTE: Reference to said Exhibit "D" to "Dwelling Areas" does not mean legally subdivided lots.

3. Common Interest: Each apartment will have an undivided fractional interest in all of the common elements. This interest is called the "common interest." It is used to determine each apartment's share of the maintenance fees and other common profits and expenses of the condominium project. It may also be used for other purposes, including voting on matters requiring action by apartment owners. The common interests for the apartments in this project, as described in the Declaration, are:

described in Exhibit _____.

as follows:

Unit 140A - 50%

Unit 140C - 50%

- E. Encumbrances Against Title: An encumbrance is a claim against or a liability on the property or a document affecting the title or use of the property. Encumbrances may have an adverse effect on the property or your purchase and ownership of an apartment in the project.

Exhibit F describes the encumbrances against the title contained in the title report dated August 15, 2001 and issued by Hawaii Escrow & Title, Inc.

Blanket Liens:

A blanket lien is an encumbrance (such as a mortgage) on the entire condominium project that secures some type of monetary debt (such as a loan) or other obligation. A blanket lien is usually released on an apartment-by-apartment basis upon payment of specified sums so that individual apartments can be conveyed to buyers free and clear of the lien.

[X] There are no blanket liens affecting title to the individual apartments.

[] There are blanket liens which may affect title to the individual apartments.

Blanket liens (except for improvement district or utility assessments) must be released before the developer conveys the apartment to a buyer. The buyer's interest will be affected if the developer defaults and the lien is foreclosed prior to conveying the apartment to buyer.

<u>Type of Lien</u>	<u>Effect on Buyer's Interest and Deposit if Developer Defaults or Lien is Foreclosed Prior to Conveyance</u>
Mortgages	Buyer's interest may be terminated by mortgagee but Buyer shall be entitled to return of his deposit, less escrow cancellation fee.

The Association may be permitted, and in some cases may be required, to employ or retain a condominium managing agent to assist the Association in managing the condominium project.

Initial Condominium Managing Agent: When the developer or the developer's affiliate is the initial condominium managing agent, the management contract must have a term of one year or less and the parties must be able to terminate the contract on notice of 60 days or less.

The initial condominium managing agent for this project, named on page five (5) of this report, is:

- not affiliated with the Developer
 self-managed by the Association of Apartment Owners

Initial maintenance fees are difficult to estimate and tend to increase as the condominium ages. Maintenance fees may vary depending on the services provided.

Exhibit H contains a schedule of estimated initial maintenance fees and maintenance fee disbursements (subject to change).

- C. **Utility Charges for Apartments:**

Each apartment will be billed separately for utilities except for the following checked utilities which are included in the maintenance fees:

DEVELOPER'S RESERVED RIGHTS

The Developer (Declarant) has reserved the following rights to change the Declaration, Condominium Map, By-Laws or House Rules:

Paragraph 20 of the Declaration states:

"Except as otherwise provided herein, this Declaration may be amended by vote of seventy-five percent (75%) of the Unit Owners, effective only upon the recording of an instrument setting forth such amendment and vote duly executed by such Owners or by the proper officers of the Association.

In addition, the approval of eligible holders of first mortgages on Units to which are appurtenant at least 51% of the common interest of the project shall be required for any material amendment to the Declaration or any amendment of a provision for the express benefit of holders or insurers of first mortgages on Units. An eligible holder is a holder of a first mortgage on a Unit which has made a written request to the Association that it receive notices of proposed changes to the Declaration. A material amendment to the Declaration is one which establishes, provides for, governs or regulates any of the following: (1) voting; (2) assessments, assessment liens, or subordination of such liens; (3) reserves for maintenance, repair and replacement of the common elements; (4) insurance or fidelity bonds; (5) rights to use of the common elements; (6) responsibility for maintenance and repair of the project; (7) expansion or contraction of the project for the addition, annexational or withdrawal of property to or from the project; (8) boundaries of any Unit; (9) the interest in the common elements; (10) convertibility of Units into common elements or of common elements into Units; (11) leasing of Units; (12) imposition of any right of first refusal or similar restriction on the right of a Unit Owner to sell, transfer or otherwise convey his or her interest in the Unit; or (13) establishment of self management by the Association after professional management has previously been required by any of the mortgage holders.

Notwithstanding the foregoing, however, if (1) at any time prior to the first filing in the Recording Office of a conveyance of a Unit, the Declarant may amend this Declaration (including all exhibits) and the By-Laws in any manner, without the consent of any Unit purchaser; and (2) at any time thereafter, the Declarant may amend this Declaration (and when applicable, the Condominium Map) to file the "As Built" verified statement required by Section 514A-12 of the Act (i) so long as such statement is merely a verified statement of a registered architect or professional engineer certifying that the final plan thereto filed fully and accurately depicts layout, location, apartment numbers, and the dimensions of an improvement or change in a Unit as built; or (ii) so long as the plans filed therewith involve only immaterial changes to the layout, location, or dimensions of the apartments as built or any change in any apartment number.

Notwithstanding the foregoing, a Unit Owner shall have the right without the consent or joinder of any other person to amend this Declaration and the Condominium Map to reflect the changes made to his Unit in accordance with Paragraph 19.1 of this Declaration. Promptly upon completion of such changes, the Unit Owner shall duly record with the Recording Office an amendment to this Declaration and to the Condominium Map, together with a complete set of the floor plans of the Project as so altered, certified as built by a registered architect or professional engineer. All existing Unit Owners and all future Unit Owners and their mortgagees, by accepting an interest in a Unit, shall be deemed to have given each Unit Owner a Power of Attorney to execute an amendment to the Declaration solely for the purpose of describing the changes to his respective Unit on the Declaration so that each Unit Owner shall hereafter have a Power of Attorney from all the other Unit Owners to execute such amendment to the Declaration. This Power of Attorney shall be deemed coupled with each Owner's interest in his Unit (including his common interest) and shall be irrevocable."

PERMITTED ALTERATIONS TO APARTMENTS.

1. Sub-paragraph 19.1 of the Declaration states:

"Changes to Units. Notwithstanding anything to the contrary contained in this Declaration, each Unit Owner shall have the right at his sole option at any time and from time to time without the consent of anyone other than the holder of all liens affecting his Unit (if any such lien requires such consent by the holder,) to improve, renovate, remodel, make additions to, enlarge, remove, replace or restore the improvements to or in his Unit or portions thereof or to make improvements upon the Dwelling Area appurtenant to the Unit (collectively, the foregoing are referred to "changes") subject to the following conditions:

(i) All building plans and all such changes shall conform with City and County building and zoning laws, LUO and other applicable City and County ordinances.

(ii) Any change to a Unit (a) shall be made within the Dwelling Area which is appurtenant to such Unit; and (b) shall not materially interfere with the other Owner's use or enjoyment of his Unit, the common elements or the limited common elements appurtenant to such other Unit.

(iii) No change to a Unit will be made if the effect of such change would be to exceed the Unit's proportionate share of the allowable floor area or Lot area coverage for the Land, or number of dwelling units, as defined by the zoning and building codes applicable to the Land in effect when the change is to be made. The proportionate share for each Unit shall be the same as its percentage of undivided interest in the common elements.

(iv) All such changes shall be at the expense of the Unit Owner making the change and shall be expeditiously made and in a manner that will not unreasonably interfere with the other Unit Owner's use of his Unit or the Dwelling Area appurtenant to such Unit.

(v) During the entire course of such construction, the Unit Owner making such change will cause to be maintained at his expense builder's all-risk insurance in an amount not less than the estimated cost of construction. The Association shall be named as an additional insured and, upon the request of the Association, evidence of such insurance shall be deposited with the Association or its Managing Agent, if any;

(vi) The Owner of the changed Unit shall have the right to utilize, relocate and realign existing and/or to develop additional, central and appurtenant installations for services to the Unit affected by such change for electricity, sewer and other utilities and services and when applicable, to add, delete, relocate, realign, designate and grant easement and rights-of-way over, under and on the common elements as necessary or desirable in connection therewith; provided that the same shall not cause any interruption in the service of such utilities to any other part of the project;

(vii) If the consent or joinder of another Owner is required by the Act, then each Owner hereby consents in advance to such change.

(viii) Each and every conveyance, lease and mortgage or other lien made or created on any Unit and all common interests and other appurtenances thereto shall be subject to the provisions of this paragraph and any lease of a Dwelling Area shall reserve to all Owners the rights set forth in this paragraph.

(ix) This Declaration is being imposed on the Land before completion of the contemplated construction on each Dwelling Area of a residence. Consequently, each Owner ("Non-Building Owner") shall cooperate with the other Owner ("Building Owner") with respect to the Building Owner's construction of such residence, obtaining building, utility and other governmental permits, and obtaining utility services into his Dwelling Area which may be necessary or desirable for the residence to be built by Building Owner. Notwithstanding the foregoing, the Non-Building Owner shall not be required to incur any cost or expense hereunder without being reimbursed by the Building Owner. All costs incurred in the building of the residence (or making of any change) shall be borne by the Building Owner, who shall indemnify and hold the Non-Building Owner harmless from any loss, liability, damage or expense incurred or suffered by the Non-Building Owner on account of such building or making such change by the Building Owner."
