General Information on Condominiums

A condominium is a special form of real property. To create a condominium in Hawaii, the requirements of the Condominium Property Act, Chapter 514A, Hawaii Revised Statutes, must be complied with. In addition, certain requirements and approvals of the County in which the project is located must be satisfied and obtained.

Some condominium projects are leasehold. This means that the land or the building(s) and other improvements are leased to the buyer. The lease for the land usually requires that at the end of the lease term, the lessees (apartment owner/tenants) deliver their interest in the land to the lessor (fee property owner). The lease also usually requires that the lessees either (1) convey to the lessor the building(s) and other improvements, including any improvements paid for by the lessees; or (2) remove or dispose of the improvements at the lessee's expense. Leases for individual apartments often require that at the end of the lease term, the lessee deliver to the lessor the apartment, including any improvements placed in the apartment by the lessee.

If you are a typical condominium apartment owner, you will have two kinds of ownership: (1) ownership in your individual apartment; and (2) an undivided interest in the common elements.

"Common elements" are the areas of the condominium project other than the individual apartments. They are owned jointly by all apartment owners and include the land, either in fee simple or leasehold, and those parts of the building or buildings intended for common use such as foundations, columns, roofs, halls, elevators, and the like. Your undivided interest in the common elements cannot be separated from ownership of your apartment.

In some condominium projects, some common elements are reserved for the exclusive use of the owners of certain apartments. These common elements are called "limited common elements" and may include parking stalls, patios, lanais, trash chutes, and the like.

You will be entitled to exclusive ownership and possession of your apartment. Condominium apartments may be individually bought, sold, rented, mortgaged, or encumbered, and may be disposed of by will, gift, or operation of law.

Your apartment will, however, be part of the group of apartments that comprise the condominium project. Study the project's Declaration, Bylaws, and House Rules. These documents contain important information on the use and occupancy of apartments and the common elements as well as the rules of conduct for owners, tenants, and guests.

Operation of the Condominium Project

The Association of Apartment Owners is the entity through which apartment owners may take action with regard to the administration, management, and operation of the condominium project. Each apartment owner is automatically a member of the Association.

The Board of Directors is the governing body of the Association. Unless you serve as a board member or an officer, or are on a committee appointed by the board, your participation in the administration and operation of the condominium project will in most cases be limited to your right to vote as an apartment owner. The Board of Directors and officers can take certain actions without the vote of the owners. For example, the board may hire and fire employees, increase or decrease maintenance fees, borrow money for repair and improvements and set a budget. Some of these actions may significantly impact the apartment owners.

Until there is a sufficient number of purchasers of apartments to elect a majority of the Board of Directors, it is likely that the developer will effectively control the affairs of the Association. It is frequently necessary for the developer to do so during the early stages of development and the developer may reserve certain special rights to do so in the Declaration and Bylaws. Prospective buyers should understand that it is important to all apartment owners that the transition of control from the developer to the apartment owners be accomplished in an orderly manner and in a spirit of cooperation.

**II. CREATION OF THE CONDOMINIUM
CONDOMINIUM DOCUMENTS**

A condominium is created by recording in the Bureau of Conveyances and/or filing with the Land Court a Declaration of Condominium Property Regime, a Condominium Map (File Plan), and the Bylaws of the Association of Apartment Owners. The Condominium Property Act (Chapter 514A, HRS), the Declaration, Bylaws and House Rules control the rights and obligations of the apartment owners with respect to the project and the common elements, to each other, and to their respective apartments. The provisions of these documents are intended to be, and in most cases are, enforceable in a court of law.

A. **Declaration of Condominium Property Regime** contains a description of the land, buildings, apartments, common elements, limited common elements, common interests, and other information relating to the condominium project.

The Declaration for this condominium is:

House Rules may cover matters such as parking regulations, hours of operation for common facilities such as recreation areas, use of lanais and requirements for keeping pets. These rules must be followed by owners, tenants, and guests. They do not need to be recorded or filed to be effective. The initial House Rules are usually adopted by the developer.

The House Rules for this condominium are:

Proposed Adopted Developer does not plan to adopt House Rules

E. **Changes to Condominium Documents** Changes to the Declaration, Condominium Map, and Bylaws are effective only if they are duly adopted and recorded and/or filed. Changes to House Rules do not need to be recorded or filed to be effective.

Developer also reserves the right to file the as-built verified statement required by Section 514A-12, Hawaii Revised Statutes, as amended, and also to make any changes to the documents necessary in connection with the merger of this Project as set forth in paragraph H, page 16 of this report.

IMPORTANT INFORMATION ON LEASEHOLD CONDOMINIUM PROJECTS

The information contained in this report is a summary of the terms of the lease. For more detailed information, you should secure a copy of the lease documents and read them thoroughly.

If you have any legal questions about leasehold property, the lease documents or the terms of the lease and the consequences of becoming a lessee, you should seek the advice of an attorney.

There are currently no statutory provisions for the mandatory conversion of leasehold condominiums and there are no assurances that such measures will be enacted in the future.

In leasehold condominium projects, the buyer of an apartment will acquire the right to occupy and use the apartment for the time stated in the lease agreement. The buyer will not acquire outright or absolute fee simple ownership of the land. The land is owned by the lessor or the leased fee owner. The apartment owner or lessee must make lease rent payments and comply with the terms of the lease or be subject to the lessor's enforcement actions. The lease rent payments are usually fixed at specific amounts for fixed periods of time, and are then subject to renegotiation. Renegotiation may be based on a formula, by arbitration set in the lease agreement, by law or by agreement between the lessor and lessee. The renegotiated lease rents may increase significantly. At the end of the lease, the apartment owners may have to surrender the apartments, the improvements and the land back to the lessor without any compensation (surrender clause).

When leasehold property is sold, title is normally conveyed by means of an assignment of lease, the purpose of which is similar to that of a deed. The legal and practical effect is different because the assignment conveys only the rights and obligations created by the lease, not the property itself.

The developer of this condominium project may have entered into a master ground lease with the fee simple owner of the land in order to develop the project. The developer may have then entered into a sublease or a new lease of the land with the lessee (apartment owner). The developer may lease the improvements to the apartment owner by way of an apartment lease or sublease, or sell the improvements to the apartment owners by way of a condominium conveyance or apartment deed.

11. Conformance to Present Zoning Code

- a. No variances to zoning code have been granted.
 Variance(s) to zoning code was/were granted as follows:

b. Conforming/Non-Conforming Uses, Structures, Lot

In general, a non-conforming use, structure, or lot is a use, structure, or lot which was lawful at one time but which does not now conform to present zoning requirements.

	<u>Conforming</u>	<u>Non-Conforming</u>	<u>Illegal</u>
Uses	X	_____	_____
Structures	X	_____	_____
Lot	X	_____	_____

If a variance has been granted or if uses, improvements or lot are either non-conforming or illegal, buyer should consult with county zoning authorities as to possible limitations which may apply.

Limitations may include restrictions on extending, enlarging, or continuing the non-conformity, and restrictions on altering and repairing structures. In some cases, a non-conforming structure that is destroyed or damaged cannot be reconstructed.

The buyer may not be able to obtain financing or insurance if the condominium project has a non-conforming or illegal use, structure, or lot.

D. Common Elements, Limited Common Elements, Common Interest:

1. Common Elements: Common Elements are those parts of the condominium project other than the individual apartments. Although the common elements are owned jointly by all apartment owners, those portions of the common elements which are designated as limited common elements (see paragraph 2 below) may be used only by those apartments to which they are assigned. The common elements for this project, as described in the Declaration are:

described in Exhibit B

as follows:

2. Limited Common Elements: Limited Common Elements are those common elements which are reserved for the exclusive use of the owners of certain apartments.

There are no limited common elements in this project.

The limited common elements and the apartments which use them, as described in the Declaration, are:

described in Exhibit _____ .

as follows:

- (a) Mailbox bearing the same designations as the apartment;
- (b) Yard areas and adjoining concrete driveway and walkway as shown on the Condominium Map;
- (c) All other common elements which are rationally related to less than all of the apartments in the Project.

NOTE: Each apartment and the limited common elements referenced above do not comprise a legally subdivided individual lot.

3. Common Interest: Each apartment will have an undivided fractional interest in all of the common elements. This interest is called the "common interest". It is used to determine each apartment's share of the maintenance fees and other common profits and expenses of the condominium project. It may also be used for other purposes, including voting on matters requiring action by apartment owners. The common interest for the apartments in this project as described in the Declaration, are:

described in Exhibit A

as follows:

- E. Encumbrance Against Title: An encumbrance is a claim against or a liability on the property or a document affecting the title or use of the property. Encumbrances may have an adverse effect on the property or your purchase and ownership of an apartment in the project.

Exhibit C describes the encumbrances against the title contained in the title report dated September 14, 2001 and issued by Island Title Corporation.

Blanket Liens:

A blanket lien is an encumbrance (such as a mortgage) on the entire condominium project that secures some type of monetary debt (such as a loan) or other obligation. A blanket lien is usually released on an apartment-by-apartment basis upon payment of specified sums so that individual apartments can be conveyed to buyers free and clear of the lien.

- [] There are no blanket liens affecting title to the individual apartments.
- [X] There are blanket liens which may affect title to the individual apartments.

Blanket liens (except for improvement district or utility assessments) must be released before the developer conveys the apartment to a buyer. The buyer's interest will be affected if the developer defaults and the lien is foreclosed prior to conveying the apartment to buyer.

<u>Type of Lien</u>	<u>Effect on Buyer's Interest and Deposit if Developer Defaults or Lien is Foreclosed Prior to Conveyance</u>
Mortgage	Lender has priority over Buyer's rights under a sales contract, and has a right to terminate sales contracts upon foreclosure of its mortgage before an apartment sale is closed. Should the lender terminate Buyer's sales contract, Buyer shall be entitled to a refund of all deposits, less escrow cancellation fee.

F Construction Warranties:

Warranties for individual apartments and the common elements, including the beginning and ending dates for each warranty, are as follows:

1. **Building and Other Improvements:** The Developer warrants against defects in the apartment due to faulty material or workmanship which are discovered and brought to the attention of Developer within one year from the date of conveyance of title to the Buyer or the date of occupancy, whichever occurs first. In addition, the Developer warrants the common elements against all defects for a period of two years from the date of completion of the common elements or two years from the date the first apartment in the Project is conveyed to a Buyer other than the Developer, whichever is later. For purposes of this warranty, the Developer agrees to repair, renovate, restore or replace any defective material or workmanship within the respective warranty periods. **ROUTINE MAINTENANCE WORK IS NOT COVERED BY ANY WARRANTY.**
2. **Appliances:** Warranties on appliances furnished with an apartment are not provided by the Developer. The execution and delivery of the apartment deed will operate as an assignment from the Developer to the Buyer of the respective manufacturers' or dealers' warranties, if any.

G. **Status of Construction and Date of Completion or Estimated Date of Completion:**

Construction is expected to commence in October, 2001. The estimated date of completion is February, 2002.

H. **Project Phases:**

The developer [X] has has not reserved the right to add to, merge, or phase this condominium.

Summary of Developer's plans or right to perform for future development (such as additions, mergers or phasing):

Should Developer develop more than one phase of HU'ELANI, each phase will be a separate condominium community. Developer may decide to "merge" some or all of the phases. Developer may also merge some or all of the phases of HU'ELANI with other condominium communities on the property covered by the same Joint Development Agreement(see page 20B, paragraph 5) for the purposes of sharing common area costs shared by the various communities (such as roadways, street lighting and landscaping). This means that the owners and occupants of the merged phases will share the use of the common elements and the common expenses of those phases. Upon merger Buyer will have a new percentage interest for voting and maintenance fee purposes only. Buyer's ownership interest will not be affected. Developer will record a certificate of administrative merger which will state the effective date of the new percentage interest. Developer is not obligated to merge all phases of HU'ELANI. Developer may merge other phases into already merged phases of HU'ELANI at a later time.

C. ADDITIONAL INFORMATION NOT COVERED ABOVE

1. Developer must report certain information to the City and County of Honolulu (the "City") pursuant to affordable housing requirements imposed by the City. We will require information from you regarding income and household size to provide to the City for information purposes.

2. Construction of HU'ELANI, PHASE 6 and other phases of HU'ELANI (together "HU'ELANI") will be ongoing for several months while units are being occupied. This ongoing construction will create dust, noise and increased traffic in the vicinity of occupied units. Certain hazardous conditions relating to the construction may also exist for a period of time. Additionally development of the areas around HU'ELANI will cause dust in and around the Project for several years as development in Ewa by Gentry continues. Buyer understands that Developer will make efforts to minimize the dust but that it is an inevitable result of the ongoing construction.

3. Sales activities for HU'ELANI and neighboring communities will be ongoing for several months. This may result in increased traffic and noise in the vicinity of the sales office. Portions of the common areas may be used for signage and other sales activities for a period of time while sales are ongoing.

4. Buyer understands and acknowledges that certain activities will occur on and about HU'ELANI ("Activities Affecting HU'ELANI") as follows:

(a) HU'ELANI is bordered on the Diamond Head side by Kapolei Parkway, which will be a public roadway. The ewa side of HU'ELANI is bordered by the Coral Creek Golf Course. The makai side borders on a future single family development and the mauka side borders on Geiger Road, a public roadway. Because the makai area is undeveloped, there may also be pests such as cockroaches and other insects for a period of time.

(b) HU'ELANI is located in the vicinity of the West Loch Branch of the Lualualei Naval Magazine ("West Loch") which in the event of military action may be a sensitive area. The Navy has denoted an area east of HU'ELANI as an Explosive Safety Hazard Zone in connection with munitions which may be loaded onto ships at West Loch. The Navy has represented that the boundary of said area represents the probable limit of any impact on the adjacent community. This area, which extends to West Loch, will have restricted development required by the Navy. The Navy has leased portions of this area for agricultural use, which may create dust and noise. Because this area is undeveloped, there may also be pests such as cockroaches and other insects for a period of time.

(c) HU'ELANI is located upon land previously used for the cultivation of sugar cane. Land near or adjacent to HU'ELANI may continue to be used for the cultivation and harvesting of agricultural products, which may cause dust and noise. Crops may be burned when seasonally appropriate. The Hawaii Right-to-Farm Act (H.R.S. Ch. 165) and Hawaii law limit the types of farm activities that may be deemed a nuisance.

(d) HU'ELANI is located in the vicinity of a commercial airport (Honolulu International Airport) and a possible future airport at the former Barber's Point Naval Air Station and Buyer is aware that there is a likelihood of noise from planes passing overhead or nearby. The 1987 Noise Contour Map of the Honolulu International Airport Master Plan shows HU'ELANI located in an area subject to the noise levels of 55 Ldn.

(e) HU'ELANI is located near the Honouliuli Wastewater Treatment Plant, which generates odors and which will be expanded in the future to accommodate increased usage.

(f) The Federal Emergency Management Agency ("FEMA") has not yet reviewed HU'ELANI area to determine whether the Property is within a flood hazard zone. If FEMA later determines that the Property is within a flood hazard area, then your lender may require you to obtain flood insurance.

(g) Coral Creek Golf Course is located on the ewa side of HU'ELANI. The property is also a designated flowage easement for drainage purposes which will be dedicated to the City and County of Honolulu.

There will be hazards such as errant golf balls; periodic spraying or other treatment of the area with pesticides, insecticides, herbicides, fungicides and fertilizers. Irrigation of the golf course may be with water from storm retention basins or reclaimed water from the Honouliuli Wastewater Treatment Plant (used in accordance with Department of Health guidelines). There may also be noise from the golf course in connection with play, irrigation, mowing and other maintenance and operation. Tournaments and other special events held on the golf course may also impact the community.

Special privileges at Coral Creek Golf Course and Hawaii Prince Golf Course may be extended to the apartment owners, the terms of which are specified in a separate agreement. If such special privileges are granted to apartment owners in Hu'elani, the apartment owners understand and acknowledge that these privileges are extended to Association owners and shall be terminated when ownership in the Project terminates.

All apartment owners shall also have an easement to use portions of the adjacent Coral Creek Golf Course for landscaping and incidental hardscape purposes (the "Golf Course Easement"). Portions of the Golf Course Easement may be allocated to individual apartments as part of their limited common element enclosed yard area. This interest is dependent on obtaining the easement from Coral Creek (See paragraph (h) below).

The Association of Apartment Owners shall further have a non-exclusive right of entry over and across other areas of the Golf Course (the "Landscape Area") for the purposes of maintaining landscaping and irrigation systems adjacent to Hu'elani. This right of entry shall be restricted to maintenance only and shall not extend to any other use. This interest is dependent on obtaining a right of entry from Coral Creek (see paragraph (h) below).

(h) Developer has reserved the right to add the Golf Course Easement and the Landscape Area to the common elements of the Project and is working with Coral Creek to effect such addition of land. Developer makes no assurances or representations that the Golf Course Easement and Landscape Area will in fact become part of the common area of the Project. An agreement between the Developer and Coral Creek has been executed and preparation of the necessary paperwork to effect the addition of such land is underway.

(i) Water used to irrigate the common area landscaping in the community will come from either a nonpotable well service or may be from reclaimed water from the Honouliuli Wastewater Treatment Plant. Any reclaimed water has been treated according to Department of Health guidelines.

(j) Coronado and Palm Villas multi-family communities have been developed as a combination of sale/rental units to meet the City affordable housing requirements. At this time, the locations of additional affordable housing communities have not been finally determined.

These Activities Affecting HU'ELANI may cause some unpleasant odors, surface water runoff, noise, dust, smoke and other unpleasant effects that may bother or be a nuisance to Buyer and other occupants and invitees of the Project. In the Apartment Deed, each Buyer, for himself, his heirs, personal and legal representatives and assigns, will release, indemnify, defend and hold harmless Developer, the Thomas H.

Gentry Trust, a California Trust dated February 11, 1986, as amended, and related entities, the Trustees of the Estate of James Campbell, Deceased, and Oahu Sugar Company, Limited, Coral Creek Golf, Inc. and any future owner and/or operator of the areas planned for golf course use, and their respective officers, directors, employees, agents, successors, successors-in-trust, and assigns from any and all liability, claims, losses, damages, or expenses, including attorneys' fees, arising from any such impairment of the use and enjoyment of the Property, loss of market value of the Property, or property damage or personal injury to the property or person of Buyer, or Buyer's tenants, lessees, family, servants, guests, invitees, licensees, agents, employees, or other persons who may use the Property. However, the person or entity whose actions or omissions are the direct cause of any damage to Buyer shall be responsible for the consequences or results of its own gross negligence, willful misconduct or violation of applicable law. Buyer hereby irrevocably agrees to suffer and permit all actions and consequences incident to the Activities affecting HU'ELANI described above.

5. HU'ELANI, PHASE 6 is part of an area covered by the Agreement for Issuance of Conditional Use Permit Under Section 4.40-21 of the Land Use Ordinance (LUO) dated December 2, 1999 and recorded in the Office of the Assistant Registrar of the Land Court of the State of Hawaii as Document No. 2593887 (the "Joint Development Agreement"). Should Developer develop other condominium communities within the Joint Development Area, each of the communities shall be a separate and distinct condominium project as defined in Chapter 514A of the Hawaii Revised Statutes, as amended. Developer reserves the right to administratively merge some or all of the condominium communities within the area covered by the Joint Development Agreement for the purposes of sharing common area costs shared by the various communities (such as roadways, street lighting and landscaping).

6. Lot 13415, Map 1018, Land Court Application No. 1069 has been set aside for the development of a Recreation Center ("Recreation Center") for the use of all residents living in the Joint Development Area. Developer intends to convey the Recreation Center to the several associations of apartment owners within the Joint Development Area as tenants in common or it may be added to a future phase of development in the Joint Development Area. Each association's share of the Recreation Center shall be based upon the association's proportionate share of the total number of apartments in the Joint Development Area. The several associations of apartment owners within the Joint Development Area shall have the duty and obligation to accept and maintain the Recreation Center at the common expense of all of the owners of apartments within the Joint Development Area.

7. All apartment owners in HU'ELANI are automatically members of the Ewa by Gentry Community Association, a non-profit Hawaii corporation. All owners are therefore subject to the restrictions, covenants and conditions of the Ewa by Gentry Community Area Declaration of Covenants, Conditions and Restrictions which govern the entire Ewa by Gentry community. The Community Association enforces the provisions of the Declaration of Covenants, Conditions and Restrictions to ensure a well maintained, safe and aesthetically pleasing community. Each owner pays dues to the Community Association in the amount of approximately \$45 per quarter for a total of \$180 a year. The maintenance fees reflected in Exhibit "D" of this public report do not include the dues payable to the Ewa by Gentry Community Association.

8. The sizes and configurations of the limited common areas and common areas reflected on the Condominium Map are approximations only. Actual sizes and configurations may vary due to the placement and location of utilities and due to varying terrain surrounding each building.

9. Not all homes in HU'ELANI will have curbside trash collection. If an owner's home is located on a street ending in a cul de sac, the owner must take his trash cans to the designated trash collection areas. Trash cans can be taken to the trash collection the night before trash is collected and must be removed by the end of the day.

10. Each HU'ELANI home includes a garage. The garage meets City and County of Honolulu standards to accommodate one full sized and one compact sized parking stall. Buyers who have an oversized vehicle (a van, a truck) or who have more than one full sized vehicle should inspect the garage thoroughly to ensure that the garage can accommodate their vehicles. Vehicles may be parked on the driveways so long as the vehicle does not extend into the roadway. The driveways are for guest vehicles only. Two of the apartment owners' cars must be parked within the garage.

11. Parking on the common area roadways is strictly prohibited for safety reasons. Violators will be towed. Owners may park in their limited common element area driveways.

12. The maintenance fees reflected in Exhibit "D" of this public report reflect the Developer's decision to pay for portion of the cost of administering the Association until enough units have been closed to independently support all costs associated with the Project. The maintenance fees do not include the dues payable to the Ewa by Gentry Community Association. At the present time those dues are \$45 per quarter for a total of \$180 a year.

13. The control center for the entry gate will be based in the recreation center. After the gate is operational, the entry gate will be kept open during the hours of operation of the sales center (approximately 10:00 a.m. to 5:00 p.m. daily). Depending on the traffic flow, the gate may also be left open during selected peak usage hours.

14. An apartment for a resident manager is planned in the recreation center building. However, the HU'ELANI sales center will be located in the resident manager's unit until such time as substantially all sales activities have ceased.

- D. The developer declares subject to the penalties set forth in section 514A-49(b) that his project is in compliance with all county zoning and building ordinances and codes, and all other county permitting requirements applicable to the project, pursuant to Act 251 (SLH 2000) [Section 514A-] (The developer is required to make this declaration for issuance of an effective date for a final public report.)
- E. The developer hereby certifies that all the information contained in this Report and the Exhibits attached to this Report and all documents to be furnished by the developer to buyers concerning the project have been reviewed by the developer and are, to the best of the developer's knowledge, information and belief, true, correct and complete.

As nearly as practicable, the common interest for each residential apartment was determined by dividing the net floor area of the particular apartment by the total net interior floor area of all apartments in the Project and multiplying that amount by 100%.

ADMINISTRATIVE MERGER ADMINISTRATIVE MERGER

The Developer may administratively merge phases of HU'ELANI with other condominium communities within the Joint Development Area. The Developer may also merge other condominium communities within the Joint Development Area into the already merged phases of HU'ELANI at a later date. Upon administrative merger, the apartment owners in each of the merged condominium communities will have a new common interest which will be the apartment owners' new interest for voting and maintenance fee allocation purposes only in the merged project. The apartment owners' ownership interest will not be altered or affected in any way. The Developer will record a certificate of administrative merger which will state the new administrative common interest and its effective date. Each apartment owner's new administrative common interest will be computed by dividing the square footage for each apartment by the total square footage of the sum of all apartments in the entire merged project.
