General Information On Condominiums

A condominium is a special form of real property. To create a condominium in Hawaii, the requirements of the Condominium Property Act, Chapter 514A, Hawaii Revised Statutes, must be complied with. In addition, certain requirements and approvals of the County in which the project is located must be satisfied and obtained.

Some condominium projects are leasehold. This means that the land or the building(s) and other improvements are leased to the buyer. The lease for the land usually requires that at the end of the lease term, the lessees (apartment owners/tenants) deliver their interest in the land to the lessor (fee property owner). The lease also usually requires that the lessees either (1) convey to the lessor the building(s) and other improvements, including any improvements paid for by the lessees; or (2) remove or dispose of the improvements at the lessee's expense. Leases for individual apartments often require that at the end of the lease term, the lessee deliver to the lessor the apartment, including any improvements placed in the apartment by the lessee.

If you are a typical condominium apartment owner, you will have two kinds of ownership: (1) ownership in your individual apartment; and (2) an undivided interest in the common elements.

"Common elements" are the areas of the condominium project other than the individual apartments. They are owned jointly by all apartment owners and include the land, either in fee simple or leasehold, and those parts of the building or buildings intended for common use such as foundations, columns, roofs, halls, elevators, and the like. Your undivided interest in the common elements cannot be separated from ownership of your apartment.

In some condominium projects, some common elements are reserved for the exclusive use of the owners of certain apartments. These common elements are called "limited common elements" and may include parking stalls, patios, lanais, trash chutes, and the like.

You will be entitled to exclusive ownership and possession of your apartment. Condominium apartments may be individually bought, sold, rented, mortgaged or encumbered, and may be disposed of by will, gift, or operation of law.

Your apartment will, however, be part of the group of apartments that comprise the condominium project. Study the project's Declaration, Bylaws, and House Rules. These documents contain important information on the use and occupancy of apartments and the common elements as well as the rules of conduct for owners, tenants, and guests.

Operation of the Condominium Project

The Association of Apartment Owners is the entity through which apartment owners may take action with regard to the administration, management, and operation of the condominium project. Each apartment owner is automatically a member of the Association.

The Board of Directors is the governing body of the Association. Unless you serve as a board member or an officer, or are on a committee appointed by the board, your participation in the administration and operation of the condominium project will in most cases be limited to your right to vote as an apartment owner. The Board of Directors and officers can take certain actions without the vote of the owners. For example, the board may hire and fire employees, increase or decrease maintenance fees, borrow money for repair and improvements and set a budget. Some of these actions may significantly impact the apartment owners.

Until there is a sufficient number of purchasers of apartments to elect a majority of the Board of Directors, it is likely that the developer will effectively control the affairs of the Association. It is frequently necessary for the developer to do so during the early stages of development and the developer may reserve certain special rights to do so in the Declaration and Bylaws. Prospective buyers should understand that it is important to all apartment owners that the transition of control from the developer to the apartment owners be accomplished in an orderly manner and in a spirit of cooperation.

**II. CREATION OF THE CONDOMINIUM;
CONDOMINIUM DOCUMENTS**

A condominium is created by recording in the Bureau of Conveyances and/or filing with the Land Court a Declaration of Condominium Property Regime, a Condominium Map (File Plan), and the Bylaws of the Association of Apartment Owners. The Condominium Property Act (Chapter 514A, HRS), the Declaration, Bylaws, and House Rules control the rights and obligations of the apartment owners with respect to the project and the common elements, to each other, and to their respective apartments. The provisions of these documents are intended to be, and in most cases are, enforceable in a court of law.

- A. **Declaration of Condominium Property Regime** contains a description of the land, buildings, apartments, common elements, limited common elements, common interests, and other information relating to the condominium project.

The Declaration for this condominium is:

Proposed
 Recorded -Bureau of Conveyances: Document No. 2002-043622

They provide for the manner in which the Board of Directors of the Association of Apartment Owners is elected, the powers and duties of the Board, the manner in which meetings will be conducted, whether pets are prohibited or allowed and other matters which affect how the condominium project will be governed.

The Bylaws for this condominium are:

Proposed
 Recorded -Bureau of Conveyances: Document No. 2002-043623
Book _____ Page _____
 Filed - Land Court: Document No. _____

The Bylaws referred to above have been amended by the following instruments [state name of document, date and recording/ filing information]:

- D. **House Rules.** The Board of Directors may adopt House Rules to govern the use and operation of the common elements and limited common elements. House Rules may cover matters such as parking regulations, hours of operation for common facilities such as recreation areas, use of lanais and requirements for keeping pets. These rules must be followed by owners, tenants, and guests. They do not need to be recorded or filed to be effective. The initial House Rules are usually adopted by the developer.

The House Rules for this condominium are:

Proposed Adopted Developer does not plan to adopt House Rules

E. **Changes to Condominium Documents**

Changes to the Declaration, Condonunium Map, and Bylaws are effective only if they are duly adopted and recorded and/or filed. Changes to House Rules do not need to be recorded or filed to be effective.

IMPORTANT INFORMATION ON LEASEHOLD CONDOMINIUM PROJECTS

The information contained in this report is a summary of the terms of the lease. For more detailed information, you should secure a copy of the lease documents and read them thoroughly.

If you have any legal questions about leasehold property, the lease documents or the terms of the lease and the consequences of becoming a lessee, you should seek the advice of an attorney.

There are currently no statutory provisions for the mandatory conversion of leasehold condominiums and there are no assurances that such measures will be enacted in the future.

In leasehold condominium projects, the buyer of an apartment will acquire the right to occupy and use the apartment for the time stated in the lease agreement. The buyer will not acquire outright or absolute fee simple ownership of the land. The land is owned by the lessor or the leased fee owner. The apartment owner or lessee must make lease rent payments and comply with the terms of the lease or be subject to the lessor's enforcement actions. The lease rent payments are usually fixed at specific amounts for fixed periods of time, and are then subject to renegotiation. Renegotiation may be based on a formula, by arbitration set in the lease agreement, by law or by agreement between the lessor and lessee. The renegotiated lease rents may increase significantly. At the end of the lease, the apartment owners may have to surrender the apartments, the improvements and the land back to the lessor without any compensation (surrender clause).

When leasehold property is sold, title is normally conveyed by means of an assignment of lease, the purpose of which is similar to that of a deed. The legal and practical effect is different because the assignment conveys only the rights and obligations created by the lease, not the property itself.

The developer of this condominium project may have entered into a master ground lease with the fee simple owner of the land in order to develop the project. The developer may have then entered into a sublease or a new lease of the land with the lessee (apartment owner). The developer may lease the improvements to the apartment owner by way of an apartment lease or sublease, or sell the improvements to the apartment owners by way of a condominium conveyance or apartment deed.

11. Conformance to Present Zoning Code

- a. No variances to zoning code have been granted.
 Variance(s) to zoning code was/were granted as follows:

b. Conforming/Non-Conforming Uses, Structures, Lot

In general, a non-conforming use, structure, or lot is a use, structure, or lot which was lawful at one time but which does not now conform to present zoning requirements.

	<u>Conforming</u>	<u>Non-Conforming</u>	<u>Illegal</u>	
Uses	<u>Yes</u>	<u> </u>	<u> </u>	* The height of Unit B is non-conforming but was permitted when the Unit B built.
Structures	<u> </u>	<u>Yes *</u>	<u> </u>	
Lot	<u>Yes</u>	<u> </u>	<u> </u>	

If a variance has been granted or if uses, improvements or lot are either non-conforming or illegal, buyer should consult with county zoning authorities as to possible limitations which may apply.

Limitations may include restrictions on extending, enlarging, or continuing the non-conformity, and restrictions on altering and repairing structures. In some cases, a non-conforming structure that is destroyed or damaged cannot be reconstructed.

The buyer may not be able to obtain financing or insurance if the condominium project has a non-conforming or illegal use, structure, or lot.

D. Common Elements, Limited Common Elements, Common Interest:

1. Common Elements: Common Elements are those parts of the condominium project other than the individual apartments. Although the common elements are owned jointly by all apartment owners, those portions of the common elements which are designated as limited common elements (see paragraph 2 below) may be used only by those apartments to which they are assigned. The common elements for this project, as described in the Declaration, are:

described in Exhibit “C”.

as follows:

2. **Limited Common Elements:** Limited Common Elements are those common elements which are reserved for the exclusive use of the owners of certain apartments.

There are no limited common elements in this project.

The limited common elements and the apartments which use them, as described in the Declaration, are:

described in Exhibit D.

as follows:

Note: Reference in said Exhibit D to "Exclusive Use Area" does not mean legally subdivided Lots.

3. **Common Interest:** Each apartment will have an undivided fractional interest in all of the common elements. This interest is called the "common interest." It is used to determine each apartment's share of the maintenance fees and other common profits and expenses of the condominium project. It may also be used for other purposes, including voting on matters requiring action by apartment owners. The common interests for the apartments in this project, as described in the Declaration, are:

described in Exhibit _____.

as follows:

Unit A - 50%
Unit B - 50%

- E. **Encumbrances Against Title:** An encumbrance is a claim against or a liability on the property or a document affecting the title or use of the property. Encumbrances may have an adverse effect on the property or your purchase and ownership of an apartment in the project.

Exhibit E describes the encumbrances against the title contained in the title report dated April 9, 2002 and issued by Island Title Corporation.

Blanket Liens:

A blanket lien is an encumbrance (such as a mortgage) on the entire condominium project that secures some type of monetary debt (such as a loan) or other obligation. A blanket lien is usually released on an apartment-by-apartment basis upon payment of specified sums so that individual apartments can be conveyed to buyers free and clear of the lien.

[] There are no blanket liens affecting title to the individual apartments.

[X] There are blanket liens which may affect title to the individual apartments.

Blanket liens (except for improvement district or utility assessments) must be released before the developer conveys the apartment to a buyer. The buyer's interest will be affected if the developer defaults and the lien is foreclosed prior to conveying the apartment to buyer.

<u>Type of Lien</u>	<u>Effect on Buyer's Interest and Deposit if Developer Defaults or Lien is Foreclosed Prior to Conveyance</u>
Mortgages	Buyer's interest may be terminated by mortgagee but Buyer shall be entitled to return of his deposit less escrow cancellation fees. However, in the event the Buyer's deposit is disbursed by Escrow and the lien is foreclosed prior to conveyance to Buyer, Buyer may not be able to recover any deposits.

F. Construction Warranties:

Warranties for individual apartments and the common elements, including the beginning and ending dates for each warranty, are as follows:

1. Building and Other Improvements:

Developer is not providing any warranties to Purchasers of an Apartment and the Apartments are being sold AS IS WHERE IS WITH ALL FAULTS AND DEFECTS.

2. Appliances:

Developer is not providing any warranties to Purchasers of an Apartment and appliances are being transferred AS IS WHERE IS WITH ALL FAULTS AND DEFECTS.

G. Status of Construction and Date of Completion or Estimated Date of Completion:

Unit A was constructed in 1998. Unit B was constructed in 1941.

All Units are completed. This is a Conversion of Existing Buildings.

H. Project Phase

The developer [] has [X] has not reserved the right to add to, merge, or phase this condominium.

Summary of Developer's plans or right to perform for future development (such as additions, mergers or phasing):

IV. CONDOMINIUM MANAGEMENT

- A. **Management of the Common Elements:** The Association of Apartment Owners is responsible for the management of the common elements and the overall operation of the condominium project. The Association may be permitted, and in some cases may be required, to employ or retain a condominium managing agent to assist the Association in managing the condominium project.

Initial Condominium Managing Agent: When the developer or the developer's affiliate is the initial condominium managing agent, the management contract must have a term of one year or less and the parties must be able to terminate the contract on notice of 60 days or less.

not affiliated with the Developer the Developer or the Developer's affiliate.
 self-managed by the Association of Apartment Owners Other: _____

B. **Estimate of Initial Maintenance Fees:**

The Association will make assessments against your apartment to provide funds for the operation and maintenance of the condominium project. If you are delinquent in paying the assessments, a lien may be placed on your apartment and the apartment may be sold through a foreclosure proceeding.

Initial maintenance fees are difficult to estimate and tend to increase as the condominium ages. Maintenance fees may vary depending on the services provided.

Exhibit H contains a schedule of estimated initial maintenance fees and maintenance fee disbursements (subject to change).

See attached Disclosure Abstract (Exhibit H)

C. **Utility Charges for Apartments:**

Each apartment will be billed separately for utilities except for the following checked utilities which are included in the maintenance fees:

 Gas (_____ Common Elements only _____ Common Elements & Apartments)
***[X] Water** Sewer Television Cable
 Other _____

- * Water for Common Element Swimming Pool only. There will be only one water bill for the entire Project. However, there will be a water submeter to measure the amount of water used by the swimming pool in order to calculate the common element maintenance fee charges for the water used in the swimming pool. In addition, there will be a submeter leading to Unit A in order to measure the amount of water used by Unit A only in order to calculate the amount to be charged to Unit A for its water use.
- ** Electricity to run Swimming Pool. There will be a submeter to measure the electricity to run the Swimming Pool.

C. **Additional Information Not Covered Above**

1. Developer discloses that no reserve study was done in accordance with §514A-83.6, H.R.S., and the replacement reserve rules, Subchapter 6, Title 16, Chapter 107, Hawaii Administrative Rules, as amended.
2. The specimen Sales Contract provides in part that Buyer understands the Apartments are being sold without any warranties. The existence of any defect in the Apartments or anything installed thereon shall not excuse the Purchaser's obligation to perform all of his obligations under his contract as long as the Apartment is livable.
3. There are restrictions on parking, cutting certain plants and placing building and plantings within view planes. There are also setback restrictions and restrictions on where building can take place. The Declaration, Condominium Map and Rules and Regulations should be carefully reviewed.
4. Exhibit B regarding "Permitted Alterations to Apartments" should be carefully reviewed to understand limitations on plant heights, view planes and structural expansion. Also restrictions contained in Exhibit H should be noted.
5. The purchaser of Units A and B also owns an undivided interest in Parcel Second described in Exhibit C to the Declaration. This Parcel Second is a private roadway that provides ingress and egress to the Project and to a public roadway and is owned by Units A and B along with other owners of houses for which Parcel Second provides ingress and egress. There appears to be no recorded document setting forth the maintenance and repair responsibilities for Parcel Second, however, in the absence of such a document, it is assumed that the owners of Parcel Second will be responsible to pay for maintenance and repairs of said Parcel Second in proportion to their ownership interests.
6. Hazardous Materials. The developer neither prepared nor commissioned a Phase 1 Environmental Site Assessment and makes no representations or warranties whatsoever. The developer has made no independent investigation as to asbestos or other hazardous substances in the apartments or in, under or around the Project, including but not limited to, radioactive materials, organic compounds known as polychlorinated biphenyls, chemicals known to cause cancer or reproductive toxicity, pollutants, contaminants, hazardous wastes, toxic substances, and any and all other substances or materials defined as or included in the definition of "hazardous substances", "hazardous wastes", "hazardous materials" or "toxic substances" under, or for the purposes of, hazardous materials laws. Buyer acknowledges that in light of the age of the Project, there may be asbestos and other hazardous substances in the apartments, or in, under or around the Project. Because of the possible presence of such substances, Buyer should have the apartment inspected to determine the extent (if any) of such contamination and any necessary remedial action. The developer will not correct any defects in the apartments or in the Project or anything installed or contained therein and Buyer expressly releases the developer from any liability to Buyer if any hazardous materials are discovered.
7. Lead Warning Statement. Pursuant to federal law, 42, U.S.C. 4852(d), the Residential Lead-Based Paint Reduction Act, "Every purchaser of any interest in residential real property on which a residential dwelling was built prior to 1978 is notified that such property may present exposure to lead from lead-based paint that may place young children at risk of developing lead poisoning. Lead poisoning in young children may produce permanent neurological damage, including learning disabilities, reduced intelligence quotient, behavioral problems, and impaired memory. Lead poisoning also poses a particular risk to pregnant women. The seller of any interest in residential real property is required to provide the buyer with any information on lead-based paint hazards from risk assessments or inspections in the seller's possession and notify the buyer of any known lead-based paint hazards. A risk assessment or inspection for possible lead-based paint hazards is recommended prior to purchase."

D. The developer hereby certifies that all the information contained in this Report and the Exhibits attached to this Report and all documents to be furnished by the developer to buyers concerning the project have been reviewed by the developer and are, to the best of the developer's knowledge, information and belief, true, correct and complete.

DEVELOPER'S RESERVED RIGHTS

The Developer (Declarant) has reserved the following rights to change the Declaration, Condominium Map, By-Laws or House Rules:

1. Paragraph 20 of the Declaration states:

“20.1 Except as otherwise provided herein, this Declaration may be amended by vote of seventy-five percent (75%) of the Unit Owners, effective only upon the recording of an instrument setting forth such amendment and vote duly executed by such Owners or by the proper officers of the Association. In addition, the approval of eligible holders of first mortgages on Units to which are appurtenant at least 51% of the common interest of the project shall be required for any material amendment to the Declaration or any amendment of a provision for the express benefit of holders or insurers of first mortgages on Units. An eligible holder is a holder of a first mortgage on a Unit which has made a written request to the Association that it receive notices of proposed changes to the Declaration. A material amendment to the Declaration is one which establishes, provides for, governs or regulates any-of the following: (1) voting; (2) assessments, assessment liens, or subordination of such liens; (3) reserves for maintenance, repair and replacement of the common elements; (4) insurance or fidelity bonds; (5) rights to use of the common elements; (6) responsibility for maintenance and repair of the project; (7) expansion or contraction of the project for the addition, annexational or withdrawal of property to or from the project; (8) boundaries of any Unit; (9) the interest in the common elements; (10) convertibility of Units into common elements or of common elements into Units; (11) leasing of Units; (12) imposition of any right of first refusal or similar restriction on the right of a Dwelling Owner to sell, transfer or otherwise convey his or her interest in the Unit; or (13) establishment of self management by the Association after professional management has previously been required by any of the mortgage holders.

20.2 Notwithstanding any provision to the contrary in this Declaration, (1) at any time prior to the first filing in the Recording Office of a conveyance of a Unit, the Declarant may amend this Declaration (including all exhibits) and the By-Laws in any manner, without the consent of any Unit purchaser; and (2) at any time thereafter, the Declarant may amend this Declaration (and when applicable, the Condominium Map) to file the "As Built" verified statement required by Section 514A-12 of the Act (i) so long as such statement is merely a verified statement of a registered architect or professional engineer certifying that the final plan thereto filed fully and accurately depicts layout, location, apartment numbers, and the dimensions of an improvement or change in a Unit as built; or (ii) so long as the plans filed therewith involve only immaterial changes to the layout, location, or dimensions of the apartments as built or any change in any apartment number.

20.3 Notwithstanding Paragraph 19.2, the Owner of any Unit shall have the right without the consent or joinder of any other person to amend this Declaration and the Condominium Map to reflect the Changes made pursuant to Paragraph 19.1 and the boundaries

of Exclusive Use Areas in accordance with Paragraph 19.3, provided that all terms and conditions of Paragraph 19.1 or 19.3, as the case may be, and other applicable terms of this Declaration have been satisfied. Promptly upon completion of such Changes or changes to the said boundaries, the Owner of the changed Unit or boundary, as the case may be, shall duly record with the Recording Office an amendment to this Declaration and to the Condominium Map, together with a complete set of the floor plans of the Project as so altered, certified as built by a registered architect or professional engineer. All existing Unit Owners and all future Unit Owners and their mortgagees, by accepting an interest in a Unit, shall be deemed to have given each Unit Owner a Power of Attorney to execute an amendment to the Declaration solely for the purpose of describing the changes to his respective Unit on the Declaration so that each Unit Owner shall hereafter have a Power of Attorney from all the other Unit Owners to execute such amendment to the Declaration. This Power of Attorney shall be deemed coupled with each Owner's interest in his Unit (including his common interest) and shall be irrevocable.”

PERMITTED ALTERATIONS TO APARTMENTS.

1. Paragraph 19.1 of the Declaration states:

"Changes to Units. Notwithstanding anything to the contrary contained in this Declaration, each Unit Owner shall have the right at his sole option at any time and from time to time without the consent of anyone other than the holders of all mortgage liens affecting his unit, to improve, renovate, remodel, make additions to, enlarge, remove, replace or restore the improvements to or in his Unit or portions thereof or to make additional improvements upon the Dwelling Area appurtenant to the Unit (the foregoing are referred to collectively as "Changes" and singly, as a "Change"), subject however, to the following conditions:

(a) Building plans for any Change shall be prepared by a licensed architect or professional engineer and all construction shall be undertaken in accordance with such plans and shall comply with all governmental laws, ordinances, rules and regulations.

(b) If required by County Building Laws, then the Owner making the change shall first obtain any requisite building permit.

(c) Any Change to a Unit cannot extend beyond the Exclusive Use Area which is appurtenant to the Unit.

(d) No Change to a Unit shall be allowed if the effect of such Change would be to exceed the Unit's "proportionate share of the total allowable lot area coverage for the Land" or the number of dwelling units permitted on the Land, as permitted under the zoning and building codes applicable to the Land in effect when the Change is to be made (collectively, the "Land Use Ordinance"). A Unit's proportionate share of the total allowable lot area coverage for the Land shall be calculated by multiplying the Unit's common interest by the total allowable lot area coverage for the entire Land in the Project. For example, if the total lot area coverage for the entire Land in the Project is 5,000 square feet and the common interest for Unit A is 60%, then Unit A's proportionate share of the total allowable lot area coverage for the Land in the Project is 3,000 square feet (5,000 square feet x .60).

(e) Any such Change shall be at the expense of the Unit Owner making the Change and shall be expeditiously made and in a manner that will not unreasonably interfere with the other Unit Owner's use or enjoyment of his Unit, the common elements or the Unit's appurtenant limited common elements.

(f) During the entire course of such construction, the Unit Owner making such Change will cause to be maintained at his expense builder's all-risk insurance in an amount not less than the estimated cost of construction. At the request of the Association, the Association shall be named as an additional insured and, evidence of such insurance shall be deposited with the Association.

(g) The Unit Owner making the Change shall have the right to utilize, relocate and realign existing and/or to develop additional, central and appurtenant installations for services to the Unit affected by such Change for electricity, sewer and other utilities and services and when applicable, to add, delete, relocate, realign, designate and grant easement and rights-of-way over, under and on the common elements as necessary or desirable in connection therewith; provided that the same shall not cause any substantial interruption in the service of such utilities to any other Unit Owner.

(h) If the consent or joinder of another Unit Owner to any Change, including obtaining building permits is required by the Act, then each Unit Owner hereby consents in advance to give such consent or join any such application for such Change, provided that all conditions to making the Change have been met and all such expenses relating to the Change shall be borne by the Owner making the Change.

(i) Each and every conveyance, lease and mortgage or other lien made or created on any Unit and all common interests and other appurtenances thereto shall be subject to the provisions of this paragraph and any lease of an Exclusive Use Area shall reserve to all Owners the rights set forth in this paragraph.

(j) All changes shall be consistent with the architectural ambiance of the Project, and the protection of View Planes and any dispute shall be arbitrated by an architect pursuant to Section 25 of this Declaration.

(k) So as to protect Unit A's view planes, in the area labeled "View Planes" as shown on the Condominium Map with diagonal lines, Unit B shall also be subject to the following restrictions:

(i) No structures or buildings shall be built in the View Planes area. What is currently existing as of the date of this Declaration shall be allowed to remain and be repaired and maintained.

(ii) The Panax Hedge, as shown on the Condominium Map, or any future replacement hedge shall be no higher than nine (9) feet as measured from the surface of the West Concrete Walkway next to Unit A, as shown on the Condominium Map, as such Walkway exists as of the date of this Declaration. In addition, said Panax Hedge (or any future replacement hedge) provides a welcome, valuable ambiance of privacy to Units A and B and therefore shall not be cut back to lower than seven (7) feet as measured from the surface of said West Concrete Walkway as such Walkway exists as of the date of this Declaration unless required to prevent damage to the Units or other parts of the Project or in order to maintain the health of said hedge. Any replacement hedge must be able to provide within approximately two years of planting, similar privacy and height as the current mature Panax Hedge.

(iii) Except for the Panax Hedge or its future replacement hedge, no trees or plants in the View Planes Area shall be higher than ten (10) feet as measured from the surface of the Swimming Pool Deck as such Deck exists as of the date of this Declaration.

(1) In order to protect views of Unit A from its Exclusive Use Area, no structure shall be built in the area delineated "10'-0" Set Back Line" on Exclusive Use Area B as shown on the Condominium Map.

SUMMARY OF PERTINENT PROVISIONS OF SALES CONTRACT

Developer has filed a specimen Deposit Receipt and Sales Contract ("Sales Contract") with the Hawaii Real Estate Commission, which contains certain pertinent provisions summarized as follows:

H.2. PURCHASE PRICE AND PAYMENTS; RESERVATION AND SALES.

If the Sales Contract is signed before the issuance of a Final Public Report, this Sales Contract will be a reservation and not a binding contract. The Sales Contract becomes binding after the Final Public Report is issued and other requirements referred to in paragraph 24 below are met.

H.7. CLOSING COSTS. Buyer shall pay all closing costs, the first month's maintenance fee and a start up fee equal to 2 month's maintenance fees. Real property taxes, assessments paid and insurance shall be prorated as of the Closing Date or the date of actual possession, whichever sooner occurs.

H.8. CONDOMINIUM DOCUMENTS. Buyer has examined and approves the form of the Apartment Deed, Declaration, By-Laws, Condominium Escrow Agreement, Final Public Report, Condominium Maps, and any amendments to such documents or plan. The Condominium Maps are intended to show only the layout, location, apartment numbers and dimensions of the apartments and are not intended to be any other representation or warranty.

H.12. MODIFICATION OF DOCUMENTS. As long as the Sales Contract is a reservation, Developer can make any changes to the Project and the Project documents. Even if the Sales Contract becomes binding, Developer can make certain modifications to the Declaration, By-Laws and Apartment Deed.

H.14. ACCEPTANCE OF APARTMENT; BUILDING NOT NEW; NO WARRANTIES. Buyer is accepting the Apartments and the common elements in "AS IS" condition with "ALL FAULTS AND DEFECTS." Apartment A was constructed around 1998 and Apartment B was constructed around 1941. Seller is making no warranties, express or implied (including warranties of merchantability, habitability, workmanlike construction or fitness for a particular purpose), regarding the apartments, common elements (including but not limited to swimming pool and deck), limited common elements, appliances, furnishings, or anything connected with the Project.

Seller has not inspected the Project or the Apartments for the presence of hazardous materials including asbestos; because of the age of the buildings, there may be asbestos or other hazardous materials present in the buildings and Buyer should conduct an inspection for hazardous materials before purchasing an Apartment. Seller will not correct any defects in the Apartments or Project and Buyer is releasing Seller from any liability if hazardous materials are discovered. Seller shall not be responsible to ensure that nor make any alteration so that the Project and Apartments are in compliance with the Americans with Disabilities Act.

H.15. SUBORDINATION. Buyer acknowledges that Seller may obtain a loan and grant a mortgage covering Seller's interest in the Project land and the Project, including the Sales Contract. Buyer acknowledges and agrees that all security interests obtained by a lender in connection with such loan as well as any extensions, renewals and modifications thereof, shall be and remain at all times a lien or charge on the Project, including the Apartment covered by the Sales Contract, prior to and superior to any and all liens or charges on the Project arising from the Sales Contract. Buyer hereby expressly waives, relinquishes and subordinates the priority or superiority of any lien under the Sales Contract in favor of the lien or charge on the Project of the security interests of lender.

H.22(f). LIQUIDATED DAMAGES. In the event Buyer alleges that Seller violated any federal or state disclosure laws or regulations (including the Hawaii Condominium Act), Buyer's only remedy will be to sue for a refund of the purchase price and closing costs actually paid plus interest at 12% per annum from the date of closing until the date of repayment. If Buyer is successful, this remedy will constitute liquidated damages and Buyer cannot claim damage for changes to the Apartment, maintenance fees, real property taxes, mortgage fees and interest on the mortgage or any other damages.

H.24. RESERVATIONS, BINDING AGREEMENTS; SELLER'S CANCELLATION RIGHTS The Sales Contract will only be a reservation and not a binding contract if it has been signed before the issuance of a Final Public Report. Before it becomes a binding contract, a reservation can be cancelled at any time by buyer or Developer. As long as the Sales Contract remains a reservation, Developer will have the absolute right to change the Project, Declaration, ByLaws, Condominium Map, and any other documents dealing with the Project, including the Sales Contract and the Purchase Price for the Property.

A reservation will become a binding contract only when a Final Public Report is issued on the Project, Buyer signs a receipt for the Final Public Report and each of the conditions in Hawaii Revised Statutes § 514A-62(a)(1), (2) and (3) has been satisfied.

In addition to any other rights of cancellation reserved to Seller, if (a) Buyer's deposit check is returned for insufficient funds, (b) Buyer intends to obtain financing and fails to (i) apply for loan within 5 working days of acceptance of the Sales Contract by Seller, or (ii) obtain a written preliminary loan approval from a lender within 10 days after acceptance of the Sales Contract by Seller or (iii) obtain an irrevocable written commitment for an adequate loan from a lender within 20 days of the acceptance of the Sales Contract by Seller, (c) Buyer intends to pay all cash and fails to provide written proof of ability to pay within 5 days after Seller accepts the Sales Contract, or (d) Buyer should die prior to Closing, Seller reserves the right to cancel the Sales Contract and return Buyer's check or payments (except in the case when Buyer fails to apply for a loan within the required period in which event Seller can keep the deposit), without interest and less the processing and cancellation fee imposed by Escrow Agent and any other actual expenses incurred by reason of Buyer's execution of the Sales Contract.

H.24. BUYER'S RIGHT TO RESCIND Buyer has the right to cancel a binding Sales Contract at any time prior to the earlier of (1) the conveyance of an apartment to Buyer or (2)

midnight of the thirtieth (30th) day following the receipt of the Final Public Report unless Buyer waives his right to cancel in writing prior to such time. Buyer also has the right to rescind the Sales Contract pursuant to HRS §514A-63.

H.29. & 30. DEFAULT. Time is of the essence of the Sales Contract, and if the Sales Contract is binding and Buyer shall default in any payment when required or fail to perform any other obligations required of Buyer and shall fail to cure such default within five (5) days after receipt of written notice thereof from Seller, Seller may, at Seller's option, terminate the Sales Contract by written notice to Buyer. In the event of such default, the parties hereto understand and agree that the sums paid by Buyer prior to such default shall belong to Seller as liquidated damages. In addition, Buyer shall pay all fees for the preparation of documents in connection with Buyer's proposed purchase of the Apartment. Seller may also pursue any other remedy at law or in equity for specific performance or damages, and all costs, including attorneys' fees, incurred by reason of default by Buyer shall be borne by Buyer.

ADDENDUM Seller has not inspected the Project or the Apartments for the presence of lead-based paint; because of the age of the buildings, there may be lead-based paint present in the buildings and Buyer should conduct an inspection for lead-based paint before purchasing an Apartment.

THIS EXHIBIT CONTAINS ONLY SUMMARIES OF CERTAIN PERTINENT PROVISIONS CONTAINED IN THE DEPOSIT RECEIPT AND SALES CONTRACT. PROSPECTIVE OWNERS SHOULD READ AND UNDERSTAND ALL OF THE PROVISIONS IN THEIR ENTIRETY CONTAINED IN THE AFORESAID DOCUMENT.
