## **General Information On Condominiums**

A condominium is a special form of real property. To create a condominium in Hawaii, the requirements of the Condominium Property Act, Chapter 514A, Hawaii Revised Statutes, must be complied with. In addition, certain requirements and approvals of the County in which the project is located must be satisfied and obtained.

Some condominium projects are leasehold. This means that the land or the building(s) and other improvements are leased to the buyer. The lease for the land usually requires that at the end of the lease term, the lessees (apartment owners/tenants) deliver their interest in the land to the lessor (fee property owner). The lease also usually requires that the lessees either (1) convey to the lessor the building(s) and other improvements, including any improvements paid for by the lessees; or (2) remove or dispose of the improvements at the lessee's expense. Leases for individual apartments often require that at the end of the lease term, the lessee deliver to the lessor the apartment, including any improvements placed in the apartment by the lessee.

If you are a typical condominium owner, you will have two kinds of ownership: (1) ownership in your individual apartment; and (2) an undivided interest in the common elements.

"Common elements" are the areas of the condominium project other than the individual apartments. They are owned jointly by all apartment owners and include the land, either in fee simple or leasehold, and those parts of the building or buildings intended for common use such as foundations, columns, roofs, halls, elevators, and the like. Your undivided interest in the common elements cannot be separated from ownership of your apartment.

In some condominium projects, some common elements are reserved for the exclusive use of the owners of certain apartments. These common elements are called "limited common elements" and may include parking stalls, patios, lanais, trash chutes, and the like.

You will be entitled to exclusive ownership and possession of your apartment. Condominium apartments may be individually bought, sold, rented, mortgaged or encumbered, and may be disposed of by will, gift, or operation of law.

Your apartment will, however, be part of the group of apartments that comprise the condominium project. Study the project's Declaration, Bylaws, and House Rules. These documents contain important information on the use and occupancy of apartments and the common elements as well as the rules of conduct for owners, tenants, and guests.

## **Operation of the Condominium Project**

The Association of Apartment Owners is the entity through which apartment owners may take action with regard to the administration, management, and operation of the condominium project. Each apartment owner is automatically a member of the Association.

The Board of Directors is the governing body of the Association. Unless you serve as a board member or an officer, or are on a committee appointed by the board, your participation in the administration and operation of the condominium project will in most cases be limited to your right to vote as an apartment owner. The Board of Directors and officers can take certain actions without the vote of the owners. For example, the board may hire and fire employees, increase or decrease maintenance fees, borrow money for repair and improvements and set a budget. Some of these actions may significantly impact the apartment owners.

Until there is a sufficient number of purchasers of apartments to elect a majority of the Board of Directors, it is likely that the developer will effectively control the affairs of the Association. It is frequently necessary for the developer to do so during the early stages of development and the developer may reserve certain special rights to do so in the Declaration and Bylaws. Prospective buyers should understand that it is important to all apartment owners that the transition of control from the developer to the apartment owners be accomplished in an orderly manner and in a spirit of cooperation.

**IMPORTANT INFORMATION ON LEASEHOLD CONDOMINIUM PROJECTS**

The information contained in this report is a summary of the terms of the lease. For more detailed information, you should secure a copy of the lease documents and read them thoroughly.

If you have any legal questions about leasehold property, the lease documents or the terms of the lease and the consequences of becoming a lessee, you should seek the advice of an attorney.

There are currently no statutory provisions for the mandatory conversion of leasehold condominiums and there are no assurances that such measures will be enacted in the future.

In leasehold condominium projects, the buyer of an apartment will acquire the right to occupy and use the apartment for the time stated in the lease agreement. The buyer will not acquire outright or absolute fee simple ownership of the land. The land is owned by the lessor or the leased fee owner. The apartment owner or lessee must make lease rent payments and comply with the terms of the lease or be subject to the lessor's enforcement actions. The lease rent payments are usually fixed at specific amounts for fixed periods of time, and are then subject to renegotiation. Renegotiation may be based on a formula, by arbitration set in the lease agreement, by law or by agreement between the lessor and lessee. The renegotiated lease rents may increase significantly. At the end of the lease, the apartment owners may have to surrender the apartments, the improvements and the land back to the lessor without any compensation (surrender clause).

When leasehold property is sold, title is normally conveyed by means of an assignment of lease, the purpose of which is similar to that of a deed. The legal and practical effect is different because the assignment conveys only the rights and obligations created by the lease, not the property itself.

The developer of this condominium project may have entered into a master ground lease with the fee simple owner of the land in order to develop the project. The developer may have then entered into a sublease or a new lease of the land with the lessee (apartment owner). The developer may lease the improvements to the apartment owner by way of an apartment lease or sublease, or sell the improvements to the apartment owners by way of a condominium conveyance or apartment deed.

11. Conformance to Present Zoning Code

a.  No variances to zoning code have been granted.

Variance(s) to zoning code was/were granted as follows:

b. Conforming/Non-Conforming Uses, Structures, Lot

In general, a non-conforming use, structure, or lot is a use, structure, or lot which was lawful at one time but which does not now conform to present zoning requirements.

	<u>Conforming</u>	<u>Non-Conforming/Illegal</u>	
Uses	<u>X</u>	_____	_____
Structures	<u>X</u>	_____	_____
Lot	<u>X</u>	_____	_____

If a variance has been granted or if uses, improvements or lot are either non-conforming or illegal, buyer should consult with county zoning authorities as to possible limitations which may apply.

Limitations may include restrictions on extending, enlarging, or continuing the non-conformity, and restrictions on altering and repairing structures. In some cases, a non-conforming structure that is destroyed or damaged cannot be reconstructed.

The buyer may not be able to obtain financing or insurance if the condominium project has a non-conforming or illegal use, structure, or lot.

D. Common Elements, Limited Common Elements, Common Interest:

1. Common Elements: Common Elements are those parts of the condominium project other than the individual apartments. Although the common elements are owned jointly by all apartment owners, those portions of the common elements which are designated as limited common elements (see paragraph 2 below) may be used only by those apartments to which they are assigned. The common elements for this project, as described in the Declaration, are:

described in Exhibit "E".

as follows:

2. Limited Common Elements: Limited Common Elements are those common elements which are reserved for the exclusive use of the owners of certain apartments.

There are no limited common elements in this project.

The limited common elements and the apartments which use them, as described in the Declaration, are:

described in Exhibit "F".

as follows:

3. Common Interest: Each apartment will have an undivided percentage interest in all of the common elements. This interest is called the "common interest." It is used to determine each apartment's share of the maintenance fees and other common profits and expenses of the condominium project. It may also be used for other purposes, including voting on matters requiring action by apartment owners. The common interests for the apartments in this project, as described in the Declaration, are:

described in Exhibit "D" \*.

as follows:

\* The Common Interest appurtenant to each Apartment in Building 1 may increase in the event Building 2 is not built.

E. Encumbrances Against Title: An encumbrance is a claim against or a liability on the property or a document affecting the title or use of the property. Encumbrances may have an adverse effect on the property or your purchase and ownership of an apartment in the project.

Exhibit "G" describes the encumbrances against the title contained in the title report dated February 6, 2003 and issued by Island Title Corporation.

**Blanket Liens:**

A blanket lien is an encumbrance (such as a mortgage) on the entire condominium project that secures some type of monetary debt (such as a loan) or other obligation. A blanket lien is usually released on an apartment-by-apartment basis upon payment of specified sums so that individual apartments can be conveyed to buyers free and clear of the lien.

There are no blanket liens affecting title to the individual apartments.

There are blanket liens which may affect title to the individual apartments.

Blanket liens (except for improvement district or utility assessments) must be released before the developer conveys the apartment to a buyer. The buyer's interest will be affected if the developer defaults and the lien is foreclosed prior to conveying the apartment to buyer.

**Type of Lien**

**Effect on Buyer's Interest and Deposit if Developer Defaults  
Or Lien is Foreclosed Prior to Conveyance**

N/A

**F. Construction Warranties:**

Warranties for individual apartments and the common elements, including the beginning and ending dates for each warranty, are as follows:

1. **Building and Other Improvements:**

Developer has entered into an agreement with the general contractor for the Project whereby the general contractor will agree to provide, for the benefit of the Seller, the following:

- (i) A non-transferable limited warranty which warrants the materials utilized for, and the workmanship of, the "site improvements" of the Project ("Site Work Limited Warranty") to be free from defects, subject to exclusions, limitations and other requirements noted in said Site Work Limited Warranty and the "Homeowner's Manual" prepared by Stanford Carr Development, LLC and provided to each purchaser at closing. The one-year warranty period for the Site Work Limited Warranty begins on the date that the site work improvements were completed and accepted by the Seller; and
- (ii) A non-transferable limited warranty ("Building Completion Limited Warranty") which warrants the materials and workmanship in the apartments of the Project to be free from defects for a period of one (1) year, subject to exclusions, limitations and other requirements noted in said Building Completion Limited Warranty and said "Homeowner's Manual." The one-year warranty period for the Building Construction Limited Warranty begins on the date that the apartment deed for an apartment is recorded at the Bureau of Conveyances.

Developer also agrees to provide each Purchaser with a "Ten-Year Limited Warranty" covering construction defects (as such term is defined in the Ten-Year Limited Warranty) in the purchaser's apartment. The term of the Ten-Year Limited Warranty is ten (10) years commencing for each apartment on the date of closing of the apartment. The Ten-Year Limited Warranty requires that all disputes between the Developer and a purchaser concerning the Ten-Year Limited Warranty or the sale or construction of the apartment be resolved by binding arbitration. Developer shall provide each Purchaser with a copy of the Limited Warranty and strongly recommends that each purchaser read the Ten-Year Limited Warranty in its entirety. TO THE EXTENT PERMITTED BY LAW, THE TEN-YEAR LIMITED WARRANTY IS GIVEN IN LIEU OF ALL OTHER EXPRESS OR IMPLIED WARRANTIES, INCLUDING, WITHOUT LIMITATION, IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, HABITABILITY OR OTHERWISE. THE TEN-YEAR LIMITED WARRANTY DOES NOT COVER INCIDENTAL, CONSEQUENTIAL OR SECONDARY DAMAGES, NOR DOES IT COVER DAMAGES FOR BODILY INJURY.

2. **Appliances:**

The Developer will pass on the manufacturers' or other vendors' warranties made to it, if any, on any appliances included as part of the apartment being conveyed.

Note (as to 1 and 2 above): Except as provided above, Developer disclaims any implied warranty of habitability, any implied warranty of merchantability, any implied warranty of fitness for a particular purpose or use, any implied warranty of workmanship and any other express or implied warranties, with respect to the apartments, the project, the common elements thereof, or as to any appliances and furnishings contained within the apartments or the project.

G. **Status of Construction and Date of Completion or Date of Estimated Completion**

The Construction of the Project has already commenced. The Developer estimates, but does not guarantee, that the Project will be completed on December 31, 2005.

H. **Project Phases:**

The developer [X] has [ ] has not reserved the right to add to, merge, or phase this condominium.

Summary of Developer's plans or right to perform for future development (such as additions, mergers or phasing):

The Developer, its successors and permitted assigns, will have the right at any time and from time to time prior to (i) December 31, 2021 to develop additional projects (any such additional projects, including the apartments of such projects, their respective undivided interests in the land underlying each project and the common elements built in connection therewith, shall be referred to herein as a "Subsequent Project") as the Developer may desire, to the extent permitted by applicable law, and (ii) December 31, 2008 (or any subsequent date mutually agreed to in writing by the Developer and the Federal National Mortgage Association) to merge Project I and/or any Subsequent Project with the Project as though they had been developed as a single project. Specifically, but not in limitation of the generality of the foregoing, the Developer has the right to develop the Project, which consists of 208 residential apartments, and up to 423 additional residential apartments on Parcels A, B and D. Said Parcels A, B and D are more particularly depicted on the Condominium Map and the projects to be developed on said Parcels A, B and D shall be referred to as Projects I, II and IV, respectively. No building or other structure built upon Projects I, II and IV shall exceed sixty (60) feet in height.

Developer shall further have the reserved right to execute and record a Declaration of Condominium Regime and condominium map, or an amendment to the Declaration and the Condominium Map to create any Subsequent Project. Developer further reserves the right to modify from time to time any plan of project development by varying the mix and/or number of apartments in any Subsequent Project and/or by modifying, deleting and/or adding types of common elements and/or limited common elements. This right shall include, but shall not be limited to, the right to develop the Project and the project referred to in the Declaration as Project IV as a single project ("Project IIIA"). In the event that the Developer exercises its reserved right to develop Project IIIA, said project shall be developed over the land identified as Parcels C and D on the Condominium Map. Moreover, in furtherance of this reserved right, the Developer shall record an amendment to the Declaration and/or a restatement of the Declaration, an amendment to the Condominium Map, and if necessary, an amendment to the Bylaws, to reflect that the Developer has exercised its reserved right to develop Project IIIA and to clearly describe the plan of development for Project IIIA.

The foregoing reserved right shall be exercised by the Developer pursuant to the terms of and in accordance with Article XXVII of the Declaration.

In the event that the Developer exercises its right to merge Projects I, II and/or IV with the Project (as provided above), the undivided interest in the common elements of the project as then constituted that will be appurtenant to each apartment shall change as set forth in Exhibit "D" attached hereto.

In the event that the Developer exercises its right to merge Projects I and IV with the Project for ownership purposes, the interest in and to the land underlying all three (3) projects shall be increased as set forth in said Exhibit "D."

IV. CONDOMINIUM MANAGEMENT

A. **Management of the Common Elements:** The Association of Apartment Owners is responsible for the management of the common elements and the overall operation of the condominium project. The Association may be permitted, and in some cases may be required, to employ or retain a condominium managing agent to assist the Association in managing the condominium project.

**Initial Condominium Management Agent:** When the developer or the developer's affiliate is the initial condominium managing agent, the management contract must have a term of one year or less and the parties must be able to terminate the contract on notice of 60 days or less.

The initial condominium managing agent for this project, named on page five (5) of this report, is:

not affiliated with the Developer  the Developer or the Developer's affiliate.  
 self-managed by the Association of Apartment Owners  other \_\_\_\_\_

B. **Estimate of Initial Maintenance Fees:**

The Association will make assessments against your apartment to provide funds for the operation and maintenance of the condominium project. If you are delinquent in paying the assessments, your apartment may be liened and sold through a foreclosure proceeding.

Initial maintenance fees are difficult to estimate and tend to increase as the condominium ages. Maintenance fees may vary depending on the services provided. Such maintenance fees may also increase in the event Luna-Kai Marina Park is acquired by the Association or made available for use by the Apartment Owners as described in subsection 2. of the Section entitled "Additional Information Not Covered Above" herein, and in the event the Apartment Owners obtain the right to use Parks D and Park E in The Peninsula at Hawaii Kai - Project II as identified on Condominium Map No. 3507 and as described in subsection 4. of the section entitled "Additional Information Not Covered Above" herein. Such maintenance fees may also increase or decrease depending on the development of Building 2 and the Recreation Area as described in subsection 6. of the Section entitled "Additional Information Not Covered Above" herein.

Exhibit "H" contains a schedule of estimated initial maintenance fees and maintenance fee disbursements (subject to change).

**THE AMOUNTS SET FORTH IN SAID EXHIBIT "H" ARE ESTIMATES ONLY AND MAY CHANGE FOR REASONS BEYOND THE CONTROL OF THE DEVELOPER. SUCH ESTIMATES ARE NOT INTENDED TO BE AND DO NOT CONSTITUTE ANY REPRESENTATION OR WARRANTY BY THE DEVELOPER, INCLUDING BUT NOT LIMITED TO ANY REPRESENTATION OR WARRANTY AS TO THE ACCURACY OF SUCH ESTIMATES.**

A PRELIMINARY RESERVE STUDY HAS BEEN UNDERTAKEN BY THE DEVELOPER.

C. **Utility Charges for Apartments:**

Each apartment will be billed separately for utilities except for the following checked utilities which are included in the maintenance fees:

None  Electricity ( Common Elements Only \_\_\_\_\_ Common Elements and Apartments)  
 Gas ( Common Elements Only \_\_\_\_\_ Common Elements and Apartments)  
 Water  Sewer  Television Cable\*  
 Other: Refuse collection

\* Television Cable is not included in the maintenance fees for each apartment as of the effective date of this Contingent Final Public Report. However, the Developer is in the process of negotiating a wholesale "bulk purchase" of cable and roadrunner internet access services with Oceanic Cable. In the event that this purchase is consummated, all buyers will be required to utilize both services for the thirty-six month term of the contract (or be subject to a penalty fee for early termination), and therefore, each buyer's monthly maintenance fees will increase by approximately \$50.00 - \$100.00 for these services. The \$50.00 - \$100.00 charge is for basic analog service. Each buyer will have the option to upgrade to digital cable service for an additional \$3.00 - \$10.00 per month.

Accordingly, the apartments in the Project shall be held, leased, mortgaged, conveyed, used, occupied and improved subject to and with the benefit of the restrictions, covenants, conditions, provisions and easements set forth in the Park Declaration (to and until said Park Declaration expires or otherwise earlier terminates as provided therein), including, without limitation, the following:
  - a. The Luna-Kai Marina Park ("Park") shall constitute a common facility of the owners of real property specified in the Park Declaration (the individual interests of said owners shall be herein referred to collectively as "Apartments"), which include the apartment owners of the Project (all owners of Apartments subject to the Park Declaration, including the apartment owners of the Project, shall collectively be referred to herein as the "Affected Owners").
  - b. Each Apartment shall have a non-exclusive easement to use and enjoy the park and improvements now or hereafter existing or made for park purposes.
  - c. All Affected Owners shall become members of the Luna-Kai Marina Park Association ("Park Association"). The Park Association has the responsibility to maintain and improve the Park, and to supervise and enforce the compliance of all Affected Owners with all applicable protective provisions and covenants.
  - d. All Apartments shall be subject to equal (per Apartment) general assessments by the Park Association to provide adequate working funds and reserves for the improvements, care, maintenance and operation of the Park, taxes and assessments attributable thereto, and its other administrative functions. The foregoing assessment shall be included in the monthly maintenance fee assessed to each apartment owner of the Project.
  - e. The Park Declaration also provides that all Affected Owners shall indemnify and hold the developer, the fee simple owner of said Park ("Park Owner"), harmless against all claims and demands for loss or damage, including property damage, personal injury and wrongful death, arising out of or in connection with the exercise by said owners or their agents, servants, guests and invitees of any easements and rights created pursuant to the Park Declaration, and shall use and permit the use of the Park at said owners' sole risk without any obligation or responsibility whatsoever of the Park Owner for the condition, control or other use thereof. Said Affected Owners shall also jointly and severally reimburse the Park Owner for all costs and expenses, including reasonable attorneys' fees, incurred in connection with the defense of any such claims or demands or with any failure to act by the Park Association or its agents, or in case the Park Owner, without any fault on their part, shall be made a party to any litigation commenced by or against the Park Association or its agents.
  - f. The Park Declaration shall continue in full force and effect for the term of 75 years after March 1, 1971, unless sooner terminated as provided in the Park Declaration.
2. **Development of the Luna-Kai Marina Park.** It is hereby disclosed that the Developer is the fee simple owner of the Park and is currently contemplating development of the Park under one of the following development scenarios: (i) the bifurcation of the Park and the Developer's acquisition of one of the lots resulting from said bifurcation, (ii) the condominiumization of the Park and the Developer's acquisition of a unit or units of the resulting condominium project, or (iii) the development of the Park, together with the owners of the Associations of Apartment Owners of the neighboring "Esplanade" and "Kaimala Marina" condominium projects, as tenants in common, subject to a co-tenancy or other similar agreement entered into by said parties to facilitate the co-ownership of the Park (the real property interest in the Park that is acquired by the Developer, whether it be a newly subdivided lot, a condominium unit together with any limited common element land areas or an undivided interest in the entire lot now comprising the Park shall be referred to herein as the "Park Parcel"). In connection with the Developer's reserved right to develop the Park Parcel under any of the foregoing scenarios, the Developer has the further right to develop any and all improvements on the Park Parcel as it deems appropriate in its sole discretion, including, without limitation, pool facilities and other recreation facilities, and to convey the Park Parcel and said improvements to the Association of Apartment Owners of the Project ("Association") or to the apartment owners (and/or to all apartment owners or the Association of Apartment Owners of the projects as then constituted) (the entity or individuals to whom the Developer shall convey the Park Parcel pursuant to this reserved right shall be referred to herein as the "Intended Owner") by way of a quitclaim deed. The Developer shall not be obligated to develop the Park Parcel (in any manner set forth above), nor shall the Developer be obligated to improve the Park Parcel or convey the Park Parcel to the Intended Owner. If, however, the Developer elects to convey the Park Parcel to the Intended Owner, the Intended Owner shall accept such deed and title to said interest, together with any improvements constructed thereon, and upon such acceptance, shall have the responsibility to maintain that portion of the Park so acquired and said improvements. Depending on the development scenario selected from above, the maintenance fees for the Project may increase accordingly.

3. **Developer to Pay Actual Costs of Project.** The Developer hereby discloses that it shall initially assume the actual common expenses of the Project, pursuant to Section 514A-15 of the Hawaii Revised Statutes, from the date upon which certificates of occupancy are issued for the respective apartments of the Project. Accordingly, no apartment owner shall be obligated to pay his or her respective share of the common expenses until the Developer files a written statement (“Notification”) with the Real Estate Commission of the State of Hawaii (“Commission”) notifying the Commission and all apartment owners of the Project that, after a date certain (“Transition Date”), each apartment owner shall thereafter be obligated to pay for the respective share of common expenses allocated to said owner’s apartment. The Notification shall be filed with the Commission at least thirty (30) days prior to the Transition Date, and a copy of said amendment shall be delivered to each of the apartment owners whose maintenance expenses were assumed by the Developer.
4. **Use of Private Parks in The Peninsula at Hawaii Kai – Project II.** Subject to the exercise by the Developer of certain reserved rights to grant use and easement rights, Apartment Owners in the Project may use the areas identified by Condominium Map No. 3507, as lawfully amended and/or supplemented from time to time, of The Peninsula at Hawaii Kai – Project II condominium property regime, as “Common Element (Park D)” and “Common Element (Park E).” In return for such use, Apartment Owners may become subject to an increase in maintenance fees.

The Developer does not represent that Building 2 will be developed. In the event the Developer does not execute its right to build Building 2 within the time stated above, Apartment Owners may become subject to an increase in its common interest share and consequently in the accompanying maintenance fees by way of an amendment of the Declaration and other Project documents as necessary. Furthermore, amenities available to Building 1 Apartment Owners such as the Pool, Pool Building 1 and Pool Building 2 (“Pool Buildings”) and the Pavilion, as depicted on said Condominium Map, will be constructed concurrently with Building 2. Thus, owners of Apartments in Building 1 may not have immediate use of such amenities upon purchase and may not have use of such amenities at all in the event Building 2 is not built.
7. **Developer’s Right to Acquire Land for Roadway and Access Purposes.** Developer shall have the reserved right, to and until December 31, 2021, to do all things necessary and proper to acquire and effectuate ownership of certain parcels of land from the City and County of Honolulu for access and roadway purposes (“Roadway Parcel”) and to grant easements in accordance with Article XX of the Declaration in order to access such Roadway Parcel for the construction of necessary improvements and for maintenance purposes. The Developer shall further have the reserved right to convey the fee simple title in and to any such Roadway Parcel and any improvements constructed thereon to the Association or the Apartment Owners (and/or to all apartment owners or the Association of Apartment Owners of the Project then constituted) (the entity or individuals to whom the Developer shall convey the Roadway Parcel to pursuant to this reserved right shall be referred to herein as the “Intended Roadway Owner”) by way of a quitclaim deed. The Developer shall not be obligated to cause the subdivision, condominiumization or acquisition of the Roadway Parcel, nor shall the Developer be obligated to improve the Roadway Parcel, or to convey the same to the Intended Roadway Owner. If the Developer elects to convey the Roadway Parcel to the Intended Roadway Owner, the Intended Roadway Owner shall accept such deed and title to the Roadway Parcel, together with any improvements constructed thereon, and upon such acceptance, shall have the responsibility to maintain the Roadway Parcel and said improvements. Every Apartment Owner and all holders of liens affecting any of the Apartments of the Project and each and every other party acquiring an interest in the Project or any part thereof, by acquiring such Apartment, lien or other interest, consents to and agrees that he shall join in, consent to, execute, deliver and record all instruments and documents, including any deed, necessary or desirable to effect the transfer of title to parcel, and appoints the Developer and its assigns, his attorney-in-fact, with full power of substitution to execute, deliver and record such documents and to do such things on his behalf, which grant of such power, being coupled with an interest, is irrevocable for the term of said reserved rights and shall not be affected by the disability of any such party. Upon any conveyance of Roadway Parcel to the Intended Roadway Owner, the Developer shall be absolved from any further responsibility or liability with respect thereto, and said Intended Roadway Owner shall indemnify and hold Developer harmless from any and all loss, costs and expenses incurred by Developer as a result of the ownership or use of said parcel by any party, including the Apartment Owners, their guests, invitees, agents or licensees
8. **Use of Recreation Area by Project IV Apartment Owners.** Subject to the exercise by the Developer of certain reserved rights to grant use and easement rights, apartment owners of the Peninsula at Hawaii Kai Project IV (“Project IV”) may have the right to use the Project Recreation Area, as defined in the Project Declaration and depicted on said Condominium Map. Project IV apartment owners may be accordingly assessed to share in the cost of maintaining such area on an equitable basis.

All Apartments of the Project are located in Building 1 and Building 2, as follows:

A. Apartment Locations

1. Building 1: Building 1 is comprised of two (2) segments, Segment A and Segment B.

B. Layout of Apartments

All Apartments of the Project have the number of bedrooms and bathrooms indicated in the table above, one (1) kitchen, one (1) living room, one (1) walk-in closet, one (1) dining room and one (1) lanai. All Apartments of the Project, excluding Apartment Nos. 6101, 6109, 6112, 6113, 6116, 6124, 6201, 6209, 6212, 6213, 6216, 6224, 6301, 6309, 6312, 6313, 6316, 6324, 6401, 6409, 6412, 6413, 6416 6424, also have one (1) nook.

C. Approximate Net Square Footage Area

The approximate net square footage of each Apartment was determined by measuring the area between the interior perimeter walls of each Apartment (excluding both the non-load-bearing and load-bearing walls located between said perimeter walls).

D. Common Interests

The common interest attributable to each Apartment in the Project was calculated by dividing the approximate net square footage of each individual apartment by all Apartments within the Project, in both Buildings 1 and 2. In order to permit the common interest attributable to the Apartments in the Project to equal exactly one hundred percent (100%), .000016 percent (.000016%) was added to Apartment No. 7427.

E. Parking Stall Assignment

Each Apartment will be assigned to it, for its exclusive use, the parking stall or stalls (as applicable) bearing the number of the Apartment, as shown on the Condominium Map and as shown on pages 1 through 8 of this Exhibit "D." Note that the parking stall numbers set forth in Exhibit "D" identify those stalls located within the building in which the apartment to which such stall is appurtenant is located, except for Apartment No. 7122 whose assigned parking stalls shall be reassigned to certain Apartments in Building 1 and Building 2 upon the sale of the Apartments in the Project.

Although the Declaration provides that the Common Expenses of this Project are to be charged to the Apartment Owners in proportion to the Common Interest appurtenant to their respective Apartments as set forth above in this Exhibit "D" (which is an undivided percentage interest calculated by dividing the square footage of each individual Apartment by the total square footage of all Apartments within the Project), upon the filing the declaration amendment(s) or Certificate of Merger effecting the ownership merger, the Common Interest appurtenant to said Apartments shall automatically be converted to a fractional undivided interest (to be calculated by dividing one (1) by the total number of apartments in the Merged Project). More particularly, the undivided fractional interest that the Developer anticipates will be appurtenant to each apartment upon the merger of Projects I, II and/or IV with this Project is as follows:

<b>Projects Being Merged<sup>1</sup></b>	<b>Common Interest Upon Merger<sup>2</sup></b>
Project I with Projects II, III* and IV	1/631
Project I with Project III only	1/426
Project II with Project III only	1/301
Project III with Project IV only	1/320
Project I with Projects II and III only	1/519
Project I with Projects III and IV only	1/538
Project II with Project III and IV only	1/413

**NOTE REGARDING LAND UNDERLYING PROJECTS I, III AND IV:** As noted in Article XXVII of the Declaration, as of the date of this public report, Project I, Project III and the project which the Developer may, but is not obligated to, develop as “Project IV” are all situate upon a single lot (i.e., the “Property”, as such term is defined herein). As such, the land being submitted to the Declaration of Condominium Property Regime for each such project is (or will be, in the case of Project IV) an undivided interest in and to the Property, which is calculated by dividing the number of units within each project by the total number of units in all three (3) projects. Based on the current plan of development, the undivided interest in and to the Property submitted to the Declaration of Condominium Property Regime for each project is as follows: 38.246% for Project I, 42.105% for Project III and 19.649% for Project IV. Accordingly, if one or more of said projects are merged for ownership purposes, each owners’ ownership interest in and to the Property shall be increased as follows:

1. If the all three projects are merged for ownership purposes, the owners of the Merged Project will each have an undivided interest in and to the common elements of the Merged Project, which will include the entire Property.

<sup>1</sup> Listed are all of the possible variations of project merger. Some or all of these may occur. The Developer makes no representation that any particular merger of projects will occur, or, if they should occur when they will occur.

<sup>2</sup> The Developer presently intends that Project I will consist of 218 apartments, Project II will consist of 93 apartments, Project III will consist of 208 apartments and Project IV will consist of 112 apartments, for a total of 631 apartments. The Developer has the reserved right, however, to change the number of apartments in any project and to develop up to a maximum of 631 apartments over Parcels A, B, C and D, as shown on the Condominium Map. In the event that the Developer exercises this right, the undivided interest appurtenant to each apartment may differ from that indicated above.

2. If Projects I and III are merged for ownership purposes, the owners of the Merged Project will each have an undivided interest in and to the common elements of the Merged Project, which will include a 80.351% undivided interest in and to the Property.

3. If Projects I and IV are merged for ownership purposes, the owners of the Merged Project will each have an undivided interest in and to the common elements of the Merged Project, which will include a 57.895% undivided interest in and to the Property.

4. If Projects III and IV are merged for ownership purposes, the owners of the Merged Project will each have an undivided interest in and to the common elements of the Merged Project, which will include a 61.754% undivided interest in and to the Property.

As more particularly described in Section C of Article XXVII of the Declaration, if Developer elects not to develop Project IV, or elects not to develop all of the apartments currently scheduled for Project IV, Developer may convey the Reserved Interest to the Owners of Projects I and III, and to thereafter recalculate the undivided interest attributable to each such project by dividing the number of projects in each project by the total number of apartments in Projects I and Project III.

### LIMITED COMMON ELEMENTS

B. The Purchaser specifically acknowledges and agrees that the Declaration contains reservations of certain rights in favor of Seller, the Association and other owners, and contains certain other provisions to which the Purchaser consents.

C. The "Closing Date" shall be the date (following the completion of the structure in which the Apartment is located) upon which Seller certifies to the Purchaser in writing that the Apartment is ready for occupancy. All payments shall be due and payable in full on the Closing Date, and, if not paid on said date due to Purchaser's failure to act in a diligent manner in order for said payment to be made on said date, then such nonpayment shall result in a default under the Agreement. If Purchaser, after the delivery by Seller of a copy of the Contingent Final Public Report for the Project, together with any Supplementary Public Report that may have been issued for the Project (except that if the Supplemental Public Report supersedes all prior reports on the Project, then only the Supplementary Public Report need be delivered to the Purchaser), either personally or by registered or certified mail with return receipt requested, shall fail to execute a form of receipt and notice ("Waiver Form") of Purchaser's right to cancel the Agreement (as such right is set forth in and Section 2(d) of the Agreement), the delivery of which is required by Hawaii Revised Statutes Section 514A-62, as amended (or shall fail to give his written approval or acceptance to any material change to the Project as requested by Seller pursuant to the provisions of Hawaii Revised Statutes Section 514A-63, as amended) within thirty (30) days from the date of delivery of such report(s), Seller may at its option: (i) cancel the Agreement upon ten (10) days' written notice to Purchaser of such cancellation and upon such cancellation Seller shall cause Escrow to refund to Purchaser all payments previously made by Purchaser without interest; or (ii) elect (by its failure to give said written notice of cancellation) to treat such failure as a deemed acceptance ("Deemed Acceptance") of such Public Report(s) and as a waiver of the right to cancel the Agreement (or as a Deemed Acceptance of such material change, as the case may be). The conveyance of the Apartment to the Purchaser within said thirty-day period shall also be treated as a Deemed Acceptance of such Public Report(s) by Purchaser and a waiver of Purchaser's rescission rights as set forth in this paragraph.

E. Purchaser agrees that it will not assign the Agreement to anyone. Seller may, without any consent of Purchaser, freely assign Seller's interests therein.

F. Purchaser shall not be entitled to possession of the Apartment as the owner thereof until Purchaser has completed all required payments and has executed all documents relating to the purchase, and Purchaser has performed the remaining terms and conditions of the Agreement which are to be performed as of the Closing.

G. Notices to either party may be delivered personally or mailed.

H. The Purchaser acknowledges that Purchaser has entered into the Agreement without any reference or representation by Seller or any salesperson that the Seller, or any managing agent of the Project or anyone else affiliated with the Seller will provide, directly or indirectly, any services relating to the rental or sale or management of the Apartment purchased.

I. The laws of the State of Hawaii shall govern all matters with respect to the Agreement.

J. Purchaser has examined and approved the estimate of monthly maintenance charges for the Property as shown in the Public Report. Purchaser is aware that such amounts are only estimates and may change for reasons beyond the control of Seller, and Purchaser hereby specifically accepts and approves any such changes.

K. Purchaser should be aware that there are additional disclosures set forth in paragraph 39 of the Agreement regarding the various Apartment features.

L. Parking Stall Addendum. This addendum advises the Purchaser that the parking stall noted in the addendum will be assigned to the apartment that the Purchaser is purchasing pursuant to the recordation of an assignment instrument at the Bureau of Conveyances a the same time the apartment deed conveying the apartment to the Purchaser is recorded. **SUMMARY OF ESCROW AGREEMENT**

The Escrow Agreement for the Project dated March 10, 2003 ("Agreement") contains the following provisions (which may be modified or otherwise limited by provisions which are not summarized hereinbelow):

A. When Seller (Developer) shall enter into a purchase agreement for the conveyance of an apartment or other interest in the Project ("Purchase Agreement"), it shall require the payments of deposits due thereunder to be promptly made to Escrow, and shall deliver an executed copy of the Purchase Agreement to Escrow together with the address of the Purchaser. Seller shall also promptly pay over to Escrow all monies (including checks) received by Seller from or on behalf of the Purchasers, including those received on any Purchase Agreement, and all payments made on loan commitments from lending institutions on account of any apartment in the Project, other than funds received from interim financing.

B. Escrow shall receive, deposit and hold in separate escrow accounts and disburse as set forth in the Agreement: (a) all payments received by it under Purchase Agreements, (b) such sums received by it under the Agreement from or for the account of Seller, and (c) all sums received by it from any other source with respect to the Project. Escrow shall not at any time commingle or permit the commingling of any Purchaser's funds with funds belonging to or held for the benefit of Seller. All funds and instruments received from Purchasers or prospective Purchasers shall be held by Escrow in accordance with the provisions contained in Chapter 514A of the Hawaii Revised Statutes. All monies received by Escrow hereunder shall be deposited, within a reasonable time of the receipt by Escrow and in reasonably convenient and practical sums, in an interest bearing account with a federally insured bank, savings and loan or trust company authorized to do business in the State of Hawaii under an escrow arrangement, and shall be held in immediately available funds in accordance with the terms of the Agreement.

C. Escrow shall make no disbursements of Purchasers' funds or proceeds from the sale of apartments in the Project (including any payments made on loan commitments from lending institutions), except by way of refunds thereof as provided in the Agreement, until Escrow has received a letter from Seller stating that the Purchasers have signed the required Receipt and Notice of Right to Cancel or are deemed to have accepted for the public reports and to have waived their right to cancel, and stating further that no subsequent events have occurred which would give the Purchasers the right to rescind, the Purchase Agreements have "become binding" and "the requirements of Sections 514A-40, 514A-39.5 and 514A-63" of the Hawaii Revised Statutes have been met, as said phrases are used in Section 514A-65, Hawaii Revised Statutes, and further that the requirements of Section 514A-62 of the Hawaii Revised Statutes have been met, as each of the foregoing sections may be amended on the date the Purchase Agreement becomes binding and effective.

D. Each Purchaser shall be entitled to a return of his or her funds, without interest, and Escrow shall pay such funds to such Purchaser, promptly after request for return by the Purchaser if one of the following has occurred:

(1) Escrow receives a written request from Seller to return to the Purchaser the funds of the Purchaser then being held pursuant to the Agreement by Escrow;

(2) Seller notifies Escrow in writing of Seller's exercise of the option to rescind the Purchase Agreement pursuant to any right of rescission stated therein or otherwise available to Seller;

(3) The conditions providing for a refund under Section 514A-62 or under Section 514A-63 of the Hawaii Revised Statutes (as amended on the date upon which the Purchase Agreement becomes binding and effective) have been met, and written notice thereof has been provided to Seller.

Upon the cancellation of the Purchase Agreement as specified above, Escrow shall be entitled to a cancellation fee commensurate with the work done by Escrow prior to such cancellation, up to a maximum of \$250.00. Notwithstanding anything in the Agreement or the Purchase Agreement to the contrary, said compensation to Escrow shall be the sole expense of the individual purchaser and shall not in any way be the obligation of the

Seller, unless cancellation is made pursuant to either Sections 514A-62 or 514A-63 of the Hawaii Revised Statutes, whereupon Seller shall pay such fee.

E. If the Purchaser fails to make any payment on or before the due date thereof or if the Purchaser does or fails to do any act, which would constitute an event of default under the Purchase Agreement, Seller shall promptly give to such Purchaser and to Escrow, written notice of default. If Purchaser has failed to cure the default after the delivery of notice by Escrow and such default continues after the expiration of any grace period, Escrow shall so advise Seller. If Seller shall thereafter certify in writing to Escrow: (1) that Seller has elected to terminate the Purchase Agreement and has notified the Purchaser, or (2) that Purchaser is otherwise in default, then, and in either event, Escrow, subject to the provisions relating to dispute and conflicting demands set forth in paragraph 14 of the Agreement, shall thereafter treat all funds of the Purchaser paid under such Purchase Agreement, less Escrow's cancellation fee, as funds of Seller and not of the Purchaser. Thereafter, such funds shall be held free of the escrow established by the Agreement and shall be held by Escrow for the account of Seller. Upon written request by Seller, Escrow shall pay such funds to Seller or order and shall return to Seller the Purchase Agreement of such Purchaser and any other documents theretofore delivered to Escrow in connection with the purchase of the apartment specified in such Purchase Agreement shall be returned to the person from whom or entity from which such documents were received.

**SUMMARY OF OPTIONS AGREEMENT**

The Options Agreement for Peninsula at Hawaii Kai ("Options Agreement") contains, among other things, the following terms and conditions (which may be modified or otherwise limited by the provisions not summarized below. Capitalized terms shall have the meanings ascribed to such terms in the Options Agreement.

A. Provided that Purchaser is not in default hereunder or under any other agreement which Purchaser may have with Seller, Seller agrees to construct and/or install the Options (i.e., upgrades that Purchaser has elected for his or her apartment). Said Options shall be installed on or before that date upon which Seller closes the sale of the Apartment to Purchaser.

B. Purchaser will pay the amount indicated in the Options Agreement for said Options to Island Title Corporation ("Escrow"). Fifty percent (50%) of the total price of all Options selected by Purchaser shall be paid upon Purchaser signing the Options Agreement. For special requests, one hundred percent (100%) of the total price of all Options selected by Purchaser shall be paid upon Purchaser signing the Options Agreement. Such sums shall be non-refundable, and shall be disbursed to Seller immediately upon either (i) closing of the sale of the Apartment; or (ii) cancellation of the Options Agreement or cancellation of the Purchase and Sale Agreement for the Apartment (whether cancelled by Seller or Purchaser). Any balance due (if 100% of the total price has not been paid) shall be paid at closing of the sale of the Apartment unless Seller requests an earlier payment, in which event payment will be made within ten (10) days after any such request by Seller.

C. In any event that Purchaser decides not to go through with the installation of said Options, or in the event that the Options Agreement or the Purchase and Sale Agreement for the Apartment is cancelled, it is understood and agreed that all deposits held by Escrow will be forwarded to Seller immediately upon notice by Seller to Escrow to release said deposits. No additional instruction from Purchaser will be necessary in connection with such release of deposits, and Purchaser does hereby waive any and all rights which it may have to retain or make a claim as to such deposits in such event. Purchaser irrevocably instructs Escrow to disburse said deposits to Seller in the event that Purchaser shall elect not to pursue the installation of the Options or in the event that the Options Agreement or the Purchase and Sale Agreement for the Apartment is cancelled. Purchaser further agrees to pay the balance due for the Options to Seller as indicated below immediately upon any cancellation.

D. It is understood and agreed that the Options Agreement is wholly separate and independent of the transaction and obligations pertaining to the purchase and sale of the Apartment. Purchaser has requested that Seller install the Options, and, while Seller would not ordinarily do so, Seller has agreed to do so notwithstanding that closing of the sale of the Apartment has not yet occurred. Accordingly, Seller will be incurring substantial costs in connection with such installation, and will, by installing such Options, be tailoring the Apartment to the individual tastes of Purchaser. Because Seller is accommodating Purchaser in this way, Purchaser agrees that Purchaser shall pay for the costs of installation whether or not Purchaser closes on the purchase of the Apartment from Seller, and Purchaser acknowledges and agrees that the payment to Seller of the price of the Options is fair compensation given Seller's accommodation, and that such price includes not only Seller's cost for the Options and the installation thereof, but shall also be deemed consideration to Seller to cover the accommodation to Purchaser in installing said Options.

E. Any dispute arising under the Options Agreement shall first be resolved by binding arbitration in accordance with the terms of paragraph 9 of the Options Agreement.

F. The Options chosen by Purchaser are final and absolute, and, except as set forth below in paragraph 6 of the Options Agreement, no changes, additions or deletions may be made to such Options.

G. Purchaser should be aware that there are additional disclosures set forth in paragraph 11 of the Agreement regarding the various Apartment features.
