[] Changes made are as follows:

SPECIAL ATTENTION

This is a CONDOMINIUM PROJECT, not a subdivision. There are County restrictions on the number of residential dwelling units, or other structures, which may be built on the property. Therefore, unless the Purchaser is buying an existing residential dwelling, THERE IS NO ASSURANCE THAT THE PURCHASER WILL BE ABLE TO BUILD A RESIDENTIAL DWELLING UNIT ON THE PROPERTY. THERE IS ALSO NO ASSURANCE THAT THE PURCHASER WILL BE ABLE TO CONVERT AN EXISTING NON-RESIDENTIAL STRUCTURE TO A RESIDENTIAL USE. The Purchaser should consult with the appropriate County agencies to determine whether the Purchaser may build a residential dwelling unit, or any other type of structure on the property.

1. There are presently TWO RESIDENTIAL STRUCTURES ON THIS PROPERTY, each of which may be defined as an "apartment", under the condominium property act.
2. This public report does not constitute an approval of the project by the Real Estate Commission or any other government agency, nor does it warrant that all applicable County codes, ordinances, and subdivision requirements have necessarily been complied with.
3. The land area beneath and immediately appurtenant to each unit is designated a LIMITED COMMON ELEMENT and is not a legally subdivided lot. The dotted lines on the Condominium Map bounding the designated number of square feet in each limited common element land area are for illustrative purposes only and should not be construed to be the property lines of legally subdivided lots.

SPECIAL ATTENTION (CONCLUDED):

4. Facilities and improvements normally associated with County-approved subdivision, such as fire protection devices, County street lighting, electricity, upgraded water facilities, improved access for owners and emergency traffic, drainage facilities, etc. may not be provided, and services such as County street maintenance and trash collection may not be available for interior roads and driveways.

THIS PUBLIC REPORT WAS DONE BY THE DEVELOPER AND NOT AN ATTORNEY. THE PROSPECTIVE PURCHASER IS CAUTIONED TO CAREFULLY REVIEW THE CONDOMINIUM DOCUMENT REFERENCED IN THIS PUBLIC FOR FURTHER INFORMATION WITH REGARD TO THE FOREGOING.

General Information On Condominiums

A condominium is a special form of real property. To create a condominium in Hawaii, the requirements of the Condominium Property Act, Chapter 514A, Hawaii Revised Statutes, must be complied with. In addition, certain requirements and approvals of the County in which the project is located must be satisfied and obtained.

Some condominium projects are leasehold. This means that the land or the building(s) and other improvements are leased to the buyer. The lease for the land usually requires that at the end of the lease term, the lessees (apartment owners/tenants) deliver their interest in the land to the lessor (fee property owner). The lease also usually requires that the lessees either (1) convey to the lessor the building(s) and other improvements, including any improvements paid for by the lessees; or (2) remove or dispose of the improvements at the lessee's expense. Leases for individual apartments often require that at the end of the lease term, the lessee deliver to the lessor the apartment, including any improvements placed in the apartment by the lessee.

If you are a typical condominium apartment owner, you will have two kinds of ownership: (1) ownership in your individual apartment; and (2) an undivided interest in the common elements.

"Common elements" are the areas of the condominium project other than the individual apartments. They are owned jointly by all apartment owners and include the land, either in fee simple or leasehold, and those parts of the building or buildings intended for common use such as foundations, columns, roofs, halls, elevators, and the like. Your undivided interest in the common elements cannot be separated from ownership of your apartment.

In some condominium projects, some common elements are reserved for the exclusive use of the owners of certain apartments. These common elements are called "limited common elements" and may include parking stalls, patios, lanais, trash chutes, and the like.

You will be entitled to exclusive ownership and possession of your apartment. Condominium apartments may be individually bought, sold, rented, mortgaged or encumbered, and may be disposed of by will, gift, or operation of law.

Your apartment will, however, be part of the group of apartments that comprise the condominium project. Study the project's Declaration, Bylaws, and House Rules. These documents contain important information on the use and occupancy of apartments and the common elements as well as the rules of conduct for owners, tenants, and guests.

Operation of the Condominium Project

The Association of Apartment Owners is the entity through which apartment owners may take action with regard to the administration, management, and operation of the condominium project. Each apartment owner is automatically a member of the Association.

The Board of Directors is the governing body of the Association. Unless you serve as a board member or an officer, or are on a committee appointed by the board, your participation in the administration and operation of the condominium project will in most cases be limited to your right to vote as an apartment owner. The Board of Directors and officers can take certain actions without the vote of the owners. For example, the board may hire and fire employees, increase or decrease maintenance fees, borrow money for repair and improvements and set a budget. Some of these actions may significantly impact the apartment owners.

Until there is a sufficient number of purchasers of apartments to elect a majority of the Board of Directors, it is likely that the developer will effectively control the affairs of the Association. It is frequently necessary for the developer to do so during the early stages of development and the developer may reserve certain special rights to do so in the Declaration and Bylaws. Prospective buyers should understand that it is important to all apartment owners that the transition of control from the developer to the apartment owners be accomplished in an orderly manner and in a spirit of cooperation.

**II. CREATION OF THE CONDOMINIUM;
CONDOMINIUM DOCUMENTS**

A condominium is created by recording in the Bureau of Conveyances and/or filing with the Land Court a Declaration of Condominium Property Regime, a Condominium Map (File Plan), and the Bylaws of the Association of Apartment Owners. The Condominium Property Act (Chapter 514A, HRS), the Declaration, Bylaws, and House Rules control the rights and obligations of the apartment owners with respect to the project and the common elements, to each other, and to their respective apartments. The provisions of these documents are intended to be, and in most cases are, enforceable in a court of law.

A. **Declaration of Condominium Property Regime** contains a description of the land, buildings, apartments, common elements, limited common elements, common interests, and other information relating to the condominium project.

The Declaration for this condominium is:

The Condominium Map has been amended by the following instruments [state name of document, date and recording/filing information]:

C. **Bylaws of the Association of Apartment Owners** govern the operation of the condominium project. They provide for the manner in which the Board of Directors of the Association of Apartment Owners is elected, the powers and duties of the Board, the manner in which meetings will be conducted, whether pets are prohibited or allowed and other matters which affect how the condominium project will be governed.

The Bylaws for this condominium are:

The Bylaws referred to above have been amended by the following instruments [state name of document, date and recording/filing information]:

D. House Rules. The Board of Directors may adopt House Rules to govern the use and operation of the common elements and limited common elements. House Rules may cover matters such as parking regulations, hours of operation for common facilities such as recreation areas, use of lanais and requirements for keeping pets. These rules must be followed by owners, tenants, and guests. They do not need to be recorded or filed to be effective. The initial House Rules are usually adopted by the developer.

The House Rules for this condominium are:

Proposed Adopted Developer does not plan to adopt House Rules

E. Changes to Condominium Documents Changes to the Declaration, Condominium Map, and Bylaws are effective only if they are duly adopted and recorded and/or filed. Changes to House Rules do not need to be recorded or filed to be effective.

2. Developer:

No rights have been reserved by the developer to change the Declaration, Condominium Map, Bylaws or House Rules.

Developer has reserved the following rights to change the Declaration, Condominium Map, Bylaws or House Rules:

The Developer may amend the Declaration (and, when applicable, any exhibits to the Declaration and the Condominium Map) (a) as may be provided in the Declaration and (b) to file the "as built" statement required by Section 514A-12 of the Act (i) so long as such verified statement is a verified statement of a registered architect or professional engineer certifying that the final plans theretofore filed or being filed simultaneously with such amendment, fully and accurately depict the layout, location, apartment numbers and the dimensions of the apartments as built, or (ii) so long as the plans filed therewith involve only minor changes to the layout, location or dimensions on the apartments, as built, or any change in any apartment number.

IMPORTANT INFORMATION ON LEASEHOLD CONDOMINIUM PROJECTS

The information contained in this report is a summary of the terms of the lease. For more detailed information, you should secure a copy of the lease documents and read them thoroughly.

If you have any legal questions about leasehold property, the lease documents or the terms of the lease and the consequences of becoming a lessee, you should seek the advice of an attorney.

There are currently no statutory provisions for the mandatory conversion of leasehold condominiums and there are no assurances that such measures will be enacted in the future.

In leasehold condominium projects, the buyer of an apartment will acquire the right to occupy and use the apartment for the time stated in the lease agreement. The buyer will not acquire outright or absolute fee simple ownership of the land. The land is owned by the lessor or the leased fee owner. The apartment owner or lessee must make lease rent payments and comply with the terms of the lease or be subject to the lessor's enforcement actions. The lease rent payments are usually fixed at specific amounts for fixed periods of time, and are then subject to renegotiation. Renegotiation may be based on a formula, by arbitration set in the lease agreement, by law or by agreement between the lessor and lessee. The renegotiated lease rents may increase significantly. At the end of the lease, the apartment owners may have to surrender the apartments, the improvements and the land back to the lessor without any compensation (surrender clause).

When leasehold property is sold, title is normally conveyed by means of an assignment of lease, the purpose of which is similar to that of a deed. The legal and practical effect is different because the assignment conveys only the rights and obligations created by the lease, not the property itself.

The developer of this condominium project may have entered into a master ground lease with the fee simple owner of the land in order to develop the project. The developer may have then entered into a sublease or a new lease of the land with the lessee (apartment owner). The developer may lease the improvements to the apartment owner by way of an apartment lease or sublease, or sell the improvements to the apartment owners by way of a condominium conveyance or apartment deed.

	<u>Conforming</u>	<u>Non-Conforming</u>	<u>Illegal</u>

If a variance has been granted or if uses, improvements or lot are either non-conforming or illegal, buyer should consult with county zoning authorities as to possible limitations which may apply.

Limitations may include restrictions on extending, enlarging, or continuing the non-conformity, and restrictions on altering and repairing structures. In some cases, a non-conforming structure that is destroyed or damaged cannot be reconstructed.

The buyer may not be able to obtain financing or insurance if the condominium project has a non-conforming or illegal use, structure, or lot.

D. Common Elements, Limited Common Elements, Common Interest:

1. Common Elements: Common Elements are those parts of the condominium project other than the individual apartments. Although the common elements are owned jointly by all apartment owners, those portions of the common elements which are designated as limited common elements (see paragraph 2 below) may be used only by those apartments to which they are assigned. The common elements for this project, as described in the Declaration, are:

described in Exhibit C.

as follows:

2. Limited Common Elements: Limited Common Elements are those common elements which are reserved for the exclusive use of the owners of certain apartments.

There are no limited common elements in this project.

The limited common elements and the apartments which use them, as described in the Declaration, are:

described in Exhibit C.

as follows:

3. Common Interest: Each apartment will have an undivided fractional interest in all of the common elements. This interest is called the "common interest." It is used to determine each apartment's share of the maintenance fees and other common profits and expenses of the condominium project. It may also be used for other purposes, including voting on matters requiring action by apartment owners. The common interests for the apartments in this project, as described in the Declaration, are:

described in Exhibit _____.

as follows:

Unit A: 50% of appurtenant common interest

Unit B: 50% of appurtenant common interest

Common interest is derived by apportionment of the same on a per capita basis.

- E. Encumbrances Against Title: An encumbrance is a claim against or a liability on the property or a document affecting the title or use of the property. Encumbrances may have an adverse effect on the property or your purchase and ownership of an apartment in the project.

Exhibit B describes the encumbrances against the title contained in the title report dated June 5, 2002 and issued by Title Guaranty of Hawaii, Inc.

Blanket Liens:

A blanket lien is an encumbrance (such as a mortgage) on the entire condominium project that secures some type of monetary debt (such as a loan) or other obligation. A blanket lien is usually released on an apartment-by-apartment basis upon payment of specified sums so that individual apartments can be conveyed to buyers free and clear of the lien.

[] There are no blanket liens affecting title to the individual apartments.

[x] There are blanket liens which may affect title to the individual apartments.

Blanket liens (except for improvement district or utility assessments) must be released before the developer conveys the apartment to a buyer. The buyer's interest will be affected if the developer defaults and the lien is foreclosed prior to conveying the apartment to buyer.

<u>Type of Lien</u>	<u>Effect on Buyer's Interest and Deposit if Developer Defaults or Lien is Foreclosed Prior to Conveyance</u>
MORTGAGE	THE UNDERLYING MORTGAGE IS SUPERIOR TO AND TAKES PRECEDENCE OVER THE SALES CONTRACT. IF THE DEVELOPER DEFAULTS BUYER SHALL LOSE HIS OPTION TO CONSUMMATE HIS PURCHASE OF THE PROPERTY AND BUYER'S MONEY SHALL BE REFUNDED, LESS ESCROW CANCELLATION FEE.

F. Construction Warranties:

Warranties for individual apartments and the common elements, including the beginning and ending dates for each warranty, are as follows:

1. Building and Other Improvements:

None.

2. Appliances:

None.

G. Status of Construction and Date of Completion or Estimated Date of Completion:

Unit A was completed in 1988.

Unit B was completed in 1986.

H. Project Phases:

The developer [] has [] has not reserved the right to add to, merge, or phase this condominium.

Summary of Developer's plans or right to perform for future development (such as additions, mergers or phasing):

IV. CONDOMINIUM MANAGEMENT

A. Management of the Common Elements: The Association of Apartment Owners is responsible for the management of the common elements and the overall operation of the condominium project. The Association may be permitted, and in some cases may be required, to employ or retain a condominium managing agent to assist the Association in managing the condominium project.

Initial Condominium Managing Agent: When the developer or the developer's affiliate is the initial condominium managing agent, the management contract must have a term of one year or less and the parties must be able to terminate the contract on notice of 60 days or less.

The initial condominium managing agent for this project, named on page five (5) of this report, is:

- not affiliated with the Developer

The Association will make assessments against your apartment to provide funds for the operation and maintenance of the condominium project. If you are delinquent in paying the assessments, a lien may be placed on your apartment and the apartment may be sold through a foreclosure proceeding.

Initial maintenance fees are difficult to estimate and tend to increase as the condominium ages. Maintenance fees may vary depending on the services provided.

Exhibit A* contains a schedule of estimated initial maintenance fees and maintenance fee disbursements (subject to change).

*Note: Developer has not conducted a reserve study in accordance with 514A-83.6, HRS and the replacement reserve rules, Subchapter 6, Title 16, Chapter 107,

C. Additional Information Not Covered Above

1. This project is subject to the terms and conditions of the Declaration of Restrictive Covenants and Conditions for Mountain View Half Acres dated May 23, 1985 and recorded as Liber 18696 at Page 603 and amended by instrument dated Oct. 30, 1985 and recorded in Liber 19143 at Page 136. See Exhibit G for a copy of these agreements (with the exhibits omitted).

Section 7 of the Declaration of Restrictive Covenants for Mountain View Half Acres Subdivision requires that “no dwelling shall be erected that shall contain less than eight hundred seventy square feet of living area, exclusive of garage, storage, open lanais, or porches. If the dwelling constructed contains less than one thousand (1,000) square feet of living area, exclusive of garage, storage, open lanais, or porches, a garage or carport must be constructed simultaneously with the construction of the dwelling.” **Developer discloses that Unit A contains only 684 square feet and, therefore is not in compliance with the requirement that a dwelling contain not less than 870 square feet.** Unit A does contain a carport.

The Declaration also provides, regarding enforcement thereof, as follows:

“Except as expressly stated to the contrary, each and all of the foregoing covenants and restrictions shall run with the land and shall be enforceable by Declarant and/or any Owner to the extent herein, provided. Although none of the foregoing persons shall be obligated hereunder to so act, any one or more of the foregoing persons may commence a suit in equity to restrict or to prevent by injunction, mandatory or restraining in nature, any violation of any of the covenants or restrictions by any Owner without prejudice to the right of any other person or persons, should they or any one of them elect, to pursue thereafter any other remedy available hereunder or by law for the same or other breach or failure hereunder. In any action brought by the Declarant or any Owner to enforce the provisions hereof, whether legal or equitable, the prevailing party shall be entitled to recover its costs and reasonable attorney’s fees as is determined by the court.”

The Declaration will expire thirty years after its recordation, on May 23, 2015.

Developer advises any prospective purchaser of Unit A to consult an attorney to discuss any ramifications of this on the purchaser and the future sale of this property by the purchaser.

2. Maintenance fees. All costs of every kind pertaining to each apartment and its respective limited common element, including but not limited to, cost of landscaping, maintenance, repair, replacement and improvement shall be borne entirely by the respective owners. Section 514A-86, Hawaii Revised Statutes, requires the Association of Apartment Owners purchase fire insurance to cover the improvements of the Project, and that premiums be common expenses. Developer anticipates that the Association will elect to permit individual apartment owners to obtain and maintain separate policies of fire insurance and

name the Association as an additional insured. In such case, fire insurance premiums will be the responsibility of individual apartment owners and not common expenses. Developer estimates such annual premium expense to be about \$600.00 per year for Unit A and \$600.00 per year for Unit B. This estimate was prepared in accordance with generally accepted accounting principles.

3. Pursuant to sections 16-99-11(d), Hawaii Administration Rules (“HAR”), prospective purchasers are hereby advised that Developer Carol Surratt, RB-15027, is a current and active Hawaii real estate broker and is associated with Sleeping Giant Realty, Inc. Pursuant to section 16-99-11C, HAR, “no licensee shall be allowed to advertise “For Sale by Owner”, “For Rent by Owner”, “For Lease by Owner”, “For Exchange by Owner”.
4. Unit A is subject to the flood setback line as per survey of Cesar C. Portugal, Registered Professional Surveyor, Certificate No. 2225-SE dated May 28th, 1985 as shown on the Condominium Map.

- D. The developer declares subject to the penalties set forth in section 514A-49(b) that this project is in compliance with all county zoning and building ordinances and codes, and all other county permitting requirements applicable to the project, pursuant to Act 251 (SLH 2000) [Section 514A-] (The developer is required to make this declaration for issuance of an effective date for a final public report.)

- E. The developer hereby certifies that all the information contained in this Report and the Exhibits attached to this Report and all documents to be furnished by the developer to buyers concerning the project have been reviewed by the developer and are, to the best of the developer's knowledge, information and belief, true, correct and complete.

DECLARATION OF RESTRICTIVE COVENANTS FOR
MOUNTAIN VIEW HALF ACRES SUBDIVISION

KNOW ALL MEN BY THESE PRESENTS THAT:

WHEREAS, KAUAI INVESTMENT CORPORATION, a Hawaii corporation (hereinafter referred to sometimes as the "Declarant"), is the owner and developer of the lots hereinafter described; and

WHEREAS, the Declarant intends to cause certain of the lots to be developed as a residential subdivision, and the purpose of this Declaration of Restrictive Covenants For Mountain View Half Acres Subdivision is to create and keep the subdivision desirable and attractive to its residents and owners and for the mutual benefit and protection of owners and others within the community area;

NOW, THEREFORE, Declarant hereby declares that the lots hereinafter described shall be held, sold, conveyed, encumbered, leased, occupied, and improved subject to the limitations, restrictions, covenants, and conditions set forth in this Declaration of Restrictive Covenants For Mountain View Half Acres Subdivision, hereinafter referred to as this "Declaration", all of which are established and declared and agreed to be for the purpose of enhancing and protecting the value, desirability, and attractiveness of the land. These limitations, restrictions, covenants, and conditions shall run with the land and shall be binding upon all persons having or who acquire any right, title or interest in or to the land, herein referred to as "Owner" or "Owners" and shall inure to the benefit of the Declarant, and each Owner.

1. This Declaration and the restrictive covenants herein contained shall apply to Lots 1 through 42, inclusive, and Lots 44 through 51, inclusive, of the Mountain View Half Acres Subdivision (hereinafter these lots are referred to singularly as the "Lot" and sometimes collectively as the "Lots" and/or the "subdivision") each of which is more particularly described in Exhibit "A" hereto. This Declaration shall not apply or burden Lot 43 (hereinafter the "Excluded Lot"), more particularly described in Exhibit "B" hereto.

2. The Lots within the subdivision shall be used only for private, single-family residences not exceeding two stories in height, including private garages. No buildings other than a residence and garage shall be constructed, placed, or maintained upon a Lot, except that an ohana style second residence (but not more than a second residence) may

be constructed on any Lot provided the construction complies with each of the restrictive covenants contained in this Declaration, and provided further that the construction of the same complies with all rules and regulations of any government entity having jurisdiction thereover. In no event may more than two (2) residences (and garages) be constructed on any lot, including specifically, Lot 24 of the subdivision.

3. Plans and specifications for all buildings to be constructed, placed, or maintained on the Lots must be submitted to the Declarant for approval prior to being submitted to the County of Kauai for a building permit. The submittal shall include a plot plan showing the location of the building(s) to be placed on the Lot. No geodesic domes shall be permitted on any Lot.

4. Floor and foundations must be of concrete slab construction or of termite-treated lumber in which all foundation posts, joists, girders, subflooring, studs, etc., are of treated material. If the building foundation structure is of timber, it shall be enclosed by masonry or wooden siding. All construction shall be of new materials which is free of dry rot and termites. No existing structure shall be moved to the premises. No corrugated metal roofs, rolled roofing, or flat metal roofs will be permitted within the subdivision. No roofing material which has a finished surface which will produce glare or has a high gloss reflective quality shall be permitted within the subdivision; provided, however, glazed clay or concrete tiles will be permitted. With respect to construction on individual Lots, all roofing materials utilized shall be of the same type and quality, although such materials may differ from Lot to Lot.

5. No structure of a temporary character shall be used on any Lot at any time as a residence, either temporarily or permanently. No out buildings of metal will be permitted on any Lot at any time.

6. Each Owner of a vacant Lot shall be responsible for installing and maintaining his own sewage disposal systems/cesspools at such time as a residence is constructed. Each Owner of a house and Lot within the subdivision shall be responsible for maintaining his own sewage disposal systems/cesspools.

7. No dwelling shall be erected that shall contain less than eight hundred seventy (870) square feet of living area, exclusive of garage, storage, open lanais, or porches. If the dwelling constructed contains less than one thousand (1,000) square feet of living area, exclusive of garage, storage, open lanais, or porches, a garage or carport must be constructed simultaneously with the construction of the dwelling. If a garage or carport is constructed, only the entry wall and/or rear wall may be open. In all cases where a garage or carport is constructed, whether attached or detached, its style of roof shall match the style of the dwelling's roof. All utilities and home appliances shall be enclosed and none left exposed to the street. Rubbish cans shall be screened from the street.

8. All structures shall be finished with paint, stain, siding, etc. Residence exteriors, including roofing, should be finished with earth tone colors whenever possible to compliment the surrounding hillsides and terrain.

9. All buildings or structures must be located on each Lot in a manner that will allow drainage, in the form of surface runoff, to be diverted toward the street or existing storm structures, if any. Any extra fill required or boundary walls constructed must be placed on the Lot in a manner which will not obstruct the drainage of adjacent Lots.

10. No Lot shall be used as a dumping ground for rubbish, trash, garbage, or other waste. The Owner of each Lot shall keep the Lot free from weeds, high grass, and other debris. Failure to keep the Lot free of weeds, high grass, and debris will allow the Declarant to clean the Lot at the expense of its Owner.

11. No noxious or offensive activity shall be carried on upon any Lot nor shall anything be done thereon which may be or may become an annoyance or nuisance to the neighborhood or other Owners. No animals, livestock, or poultry of any kind (including specifically, chickens, pigs, and bees) shall be raised, bred, or kept on a Lot, except that a reasonable number of dogs, cats, or other common household pets, not exceeding two (2) of each, may be kept; provided, however, that they are not kept, bred, or maintained for any commercial purpose.

12. Easements for the installation and maintenance of utilities, such as transformer pads and utility pole guy wires and drainage swales affect certain Lots as shown on the subdivision map for the Mountain View Half Acres Subdivision, which by this reference is incorporated in this Declaration. Within these easements and swale areas no structure, special plantings, or other material shall be placed or permitted to remain which may obstruct access to the easement areas or retard the flow of water through the designated swale areas, which swale areas on such Lots shall be maintained by the Owners thereof.

13. No sign of any kind shall be displayed to the public view on any Lot, except one professional sign not more than five (5) square feet advertising the property for sale or for rent, or for a sign used by a builder or landscaping contractor to advertise during construction of improvements on the Lot.

14. Except as expressly stated to the contrary, each and all of the foregoing covenants and restrictions shall run with the land and shall be enforceable by Declarant and/or any Owner to the extent herein provided. Although none of the foregoing persons shall be obligated hereunder to so act, any one or more of the foregoing persons may commence a suit in equity to restrict or to prevent by injunction, mandatory or restraining in nature, any violation of any of the covenants or restrictions by any Owner without prejudice to the right of any other person or persons, should they or any one of them so elect, to pursue thereafter any other

remedy available hereunder or by law for the same or other breach or failure hereunder. In any action brought by the Declarant or any Owner to enforce the provisions hereof, whether legal or equitable, the prevailing party shall be entitled to recover its costs and reasonable attorneys' fees as is determined by the court.

15.
