General Information On Condominiums

A condominium is a special form of real property. To create a condominium in Hawaii, the requirements of the Condominium Property Act, Chapter 514A, Hawaii Revised Statutes, must be complied with. In addition, certain requirements and approvals of the County in which the project is located must be satisfied and obtained.

Some condominium projects are leasehold. This means that the land or the building(s) and other improvements are leased to the buyer. The lease for the land usually requires that at the end of the lease term, the lessees (apartment owners/tenants) deliver their interest in the land to the lessor (fee property owner). The lease also usually requires that the lessees either (1) convey to the lessor the building(s) and other improvements, including any improvements paid for by the lessees; or (2) remove or dispose of the improvements at the lessee's expense. Leases for individual apartments often require that at the end of the lease term, the lessee deliver to the lessor the apartment, including any improvements placed in the apartment by the lessee.

If you are a typical condominium apartment owner, you will have two kinds of ownership: (1) ownership in your *individual apartment*; and (2) an *undivided interest in the common elements*.

"Common elements" are the areas of the condominium project other than the individual apartments. They are owned jointly by all apartment owners and include the land, either in fee simple or leasehold, and those parts of the building or buildings intended for common use such as foundations, columns, roofs, halls, elevators, and the like. Your undivided interest in the common elements cannot be separated from ownership of your apartment.

In some condominium projects, some common elements are reserved for the exclusive use of the owners of certain apartments. These common elements are called "limited common elements" and may include parking stalls, patios, lanais, trash chutes, and the like.

You will be entitled to exclusive ownership and possession of your apartment. Condominium apartments may be individually bought, sold, rented, mortgaged or encumbered, and may be disposed of by will, gift, or operation of law.

Your apartment will, however, be part of the group of apartments that comprise the condominium project. Study the project's Declaration, Bylaws, and House Rules. These documents contain important information on the use and occupancy of apartments and the common elements as well as the rules of conduct for owners, tenants, and guests.

Operation of the Condominium Project

The Association of Apartment Owners is the entity through which apartment owners may take action with regard to the *administration, management, and operation of the condominium project*. *Each apartment owner is automatically a member of the Association.*

The Board of Directors is the governing body of the Association. Unless you serve as a board member or an officer, or are on a committee appointed by the board, your participation in the administration and operation of the condominium project will in most cases be limited to your right to vote as an apartment owner. The Board of Directors and officers can take certain actions without the vote of the owners. For example, the board may hire and fire employees, increase or decrease maintenance fees, borrow money for repair and improvements and set a budget. Some of these actions may significantly impact the apartment owners.

Until there is a sufficient number of purchasers of apartments to elect a majority of the Board of Directors, it is likely that the developer will effectively control the affairs of the Association. It is frequently necessary for the developer to do so during the early stages of development and the developer may reserve certain special rights to do so in the Declaration and Bylaws. Prospective buyers should understand that it is important to all apartment owners that the transition of control from the developer to the apartment owners be accomplished in an orderly manner and in a spirit of cooperation.

**II. CREATION OF THE CONDOMINIUM;
CONDOMINIUM DOCUMENTS**

A condominium is created by recording in the Bureau of Conveyances and/or filing with the Land Court a Declaration of Condominium Property Regime, a Condominium Map (File Plan), and the Bylaws of the Association of Apartment Owners. The Condominium Property Act (Chapter 514A, HRS), the Declaration, Bylaws, and House Rules control the rights and obligations of the apartment owners with respect to the project and the common elements, to each other, and to their respective apartments. The provisions of these documents are intended to be, and in most cases are, enforceable in a court of law.

IMPORTANT INFORMATION ON LEASEHOLD CONDOMINIUM PROJECTS

The information contained in this report is a summary of the terms of the lease. For more detailed information, you should secure a copy of the lease documents and read them thoroughly.

If you have any legal questions about leasehold property, the lease documents or the terms of the lease and the consequences of becoming a lessee, you should seek the advice of an attorney.

There are currently no statutory provisions for the mandatory conversion of leasehold condominiums and there are no assurances that such measures will be enacted in the future.

In leasehold condominium projects, the buyer of an apartment will acquire the right to occupy and use the apartment for the time stated in the lease agreement. The buyer will not acquire outright or absolute fee simple ownership of the land. The land is owned by the lessor or the leased fee owner. The apartment owner or lessee must make lease rent payments and comply with the terms of the lease or be subject to the lessor's enforcement actions. The lease rent payments are usually fixed at specific amounts for fixed periods of time, and are then subject to renegotiation. Renegotiation may be based on a formula, by arbitration set in the lease agreement, by law or by agreement between the lessor and lessee. The renegotiated lease rents may increase significantly. At the end of the lease, the apartment owners may have to surrender the apartments, the improvements and the land back to the lessor without any compensation (surrender clause).

When leasehold property is sold, title is normally conveyed by means of an assignment of lease, the purpose of which is similar to that of a deed. The legal and practical effect is different because the assignment conveys only the rights and obligations created by the lease, not the property itself.

The developer of this condominium project may have entered into a master ground lease with the fee simple owner of the land in order to develop the project. The developer may have then entered into a sublease or a new lease of the land with the lessee (apartment owner). The developer may lease the improvements to the apartment owner by way of an apartment lease or sublease, or sell the improvements to the apartment owners by way of a condominium conveyance or apartment deed.

D. Common Elements, Limited Common Elements, Common Interest:

1. Common Elements: Common Elements are those parts of the condominium project other than the individual apartments. Although the common elements are owned jointly by all apartment owners, those portions of the common elements which are designated as limited common elements (see paragraph 2 below) may be used only by those apartments to which they are assigned. The common elements for this project, as described in the Declaration, are:

3. Common Interest: Each apartment will have an undivided fractional interest in all of the common elements. This interest is called the "common interest." It is used to determine each apartment's share of the maintenance fees and other common profits and expenses of the condominium project. It may also be used for other purposes, including voting on matters requiring action by apartment owners. The common interests for the apartments in this project, as described in the Declaration, are:

Exhibit C describes the encumbrances against the title contained in the title report dated June 24, 2002 and issued by First American Title Insurance Co., by its issuing agent Island Title Corporation.

Blanket Liens:

A blanket lien is an encumbrance (such as a mortgage) on the entire condominium project that secures some type of monetary debt (such as a loan) or other obligation. A blanket lien is usually released on an apartment-by-apartment basis upon payment of specified sums so that individual apartments can be conveyed to buyers free and clear of the lien.

There are no blanket liens affecting title to the individual apartments.

There are blanket liens which may affect title to the individual apartments.

Blanket liens (except for improvement district or utility assessments) must be released before the developer conveys the apartment to a buyer. The buyer's interest will be affected if the developer defaults and the lien is foreclosed prior to conveying the apartment to buyer.

<u>Type of Lien</u>	<u>Effect on Buyer's Interest and Deposit if Developer Defaults or Lien is Foreclosed Prior to Conveyance</u>
Mortgage	Lender has priority over Buyer's rights under a sales contract, and has a right to terminate sales contracts upon foreclosure of its mortgage before an apartment sale is closed. Should the Lender terminate Buyer's sales contract, Buyer shall be entitled to a refund of all deposits, less escrow cancellation fee.

The land of the project is a common element which is owned jointly by all apartment owners in the project. **The land area under and adjacent to each dwelling unit is designated as the limited common element for that unit and does not represent a legally subdivided lot.** The dashed lines on the Condominium Map are for illustration purposes only.

4. All costs pertaining to the maintenance of each apartment and its respective limited common element, including the cost of landscaping, maintenance, repair, replacement and improvement shall be borne by the respective apartment owner. Section 514A-86, Hawaii Revised Statutes, requires the Association of Apartment Owners to purchase certain hazard insurance to cover the improvements of the project. Premiums shall be common expenses. The Developer anticipates that the Association will elect to permit individual apartment owners to obtain separate policies of hazard insurance and name the Association as an additional insured. In such case, the premiums will be the responsibility of the individual apartment owners and not a common expense.

- D. The developer declares subject to the penalties set forth in section 514A-49(b) that this project is in compliance with all county zoning and building ordinances and codes, and all other county permitting requirements applicable to the project, pursuant to Act 251 (SLH 2000) [Section 514A-] (The developer is required to make this declaration for issuance of an effective date for a final public report.)
- E. The developer hereby certifies that all the information contained in this Report and the Exhibits attached to this Report and all documents to be furnished by the developer to buyers concerning the project have been reviewed by the developer and are, to the best of the developer's knowledge, information and belief, true, correct and complete.

SUMMARY OF PROVISIONS OF SPECIMEN SALES CONTRACT

Developer intends to use the most recent edition of the Hawaii Association of Realtors' form of Deposit Receipt, Offer and Acceptance (DROA) as the sales contract. The specimen sales contract contains, among other things, the following additional provisions:

1. The Seller makes no warranties express or implied with respect to the apartment.
2. All of the rights of Buyer under the sales contract are and shall be subject and subordinate to the lien of any mortgage securing the repayment of the interim loan made to finance the project.
3. (a) All payments to be made by Buyer shall be placed on deposit with Escrow and all checks shall be made payable to Escrow.

(b) All funds received by Escrow may be deposited in an interest bearing account or accounts in a federally insured bank or savings and loan institution, and all interest earned from such account or accounts shall be credited to Seller's account, except as otherwise set forth in the sales contract.
4. If Buyer, within thirty (30) days from the mailing or delivery to Buyer by the Seller of a copy of any Supplementary Public Report, shall fail to acknowledge receipt thereof, or shall fail to give his written approval or acceptance of any said Supplementary Public Report, if the same differs from the Final Public Report in any material respect, then Seller in any such case may, at its sole option, terminate the sales contract and upon such termination, Seller shall cause Escrow to refund to Buyer all payments previously made by Buyer, without interest, and less Escrow's cancellation fee, and Seller shall have no further liability; provided, however, that if Seller shall not exercise this option and Buyer shall have failed to notify Seller in writing within said thirty (30) day period of Buyer's refusal to approve or accept any material changes set forth in such Supplementary Public Report, then and in such event, Buyer's approval and acceptance of any such material changes shall be conclusively presumed to have been given, and the sales contract shall continue as a binding obligation on both parties.
5. *Buyer shall be entitled to a refund of all payments to be made pursuant to the sales contract without interest, if there is any material change in the project subsequent to the execution of the sales contract, which directly, substantially, and adversely affects the use or value of (1) Buyer's apartment or appurtenant limited common elements, or (2) those amenities of the project available for Buyer's use. This right of rescission may be waived according to the terms set forth in Hawaii Revised Statutes Section 514A-63.*
6. (a) Should Buyer fail to perform any of Buyer's obligations under the sales contract, Seller may (1) bring an action against Buyer for breach of contract and (2) retain Buyer's initial deposit and any additional deposits as liquidated damages. Buyer shall be responsible for expenses incurred.

(b) Should Seller fail to perform any of Seller's obligations under the sales contract, Buyer may (1) bring an action against Seller for breach of contract, or (2) bring an action compelling Seller to perform under contract. Seller shall be responsible for expenses incurred.

THE ABOVE SUMMARY IS NOT INTENDED TO BE A THOROUGH AND EXHAUSTIVE EXPLANATION OF ALL TERMS AND PROVISIONS CONTAINED IN THE CONTRACT. WHILE A BUYER CAN USE THIS SUMMARY AS A GENERAL SUMMARY OF THE BUYER'S RIGHTS AND OBLIGATIONS, THE BUYER MUST REFER TO THE BUYER'S CONTRACT TO DETERMINE THE BUYER'S ACTUAL RIGHTS AND OBLIGATIONS. IF ANY CONFLICT OR DIFFERENCE EXISTS BETWEEN THIS SUMMARY AND THE CONTRACT, THE CONTRACT WILL CONTROL NOT THIS SUMMARY.

SUMMARY OF PROVISIONS OF ESCROW AGREEMENT

1. All monies received by Escrow shall be deposited, within a reasonable time of their receipt by Escrow and in reasonably convenient and practical sums in a special account or accounts with a financial institution or institutions in Hawaii, at the prevailing interest rate, and all interest paid thereon shall be credited to the account of the Seller.

2. Upon receipt of notice in writing from Seller that any payments are due under any sales contracts, Escrow shall give notice in writing to each Purchaser under a sales contract held by Escrow and shall call for such payment to be made to Escrow.

3. Purchaser is entitled to a refund of his funds, without interest, if:

(a) Escrow receives a written request from Seller to return to Purchaser the funds; or

(b) There is any material change in the project subsequent to the execution of Purchaser's contract, which directly, substantially, and adversely affects the use or value of (1) Purchaser's apartment or appurtenant limited common elements, or (2) those amenities of the project available for Purchaser's use. The Purchaser's right of rescission under this subsection (b) shall be waived upon (1) delivery to the Purchaser, either personally or by registered or certified mail, return receipt requested, of a disclosure document which describes the material change and contains a provision for the Purchaser's written approval or acceptance of the change, and (2) the Purchaser's written approval or acceptance of the material change, or the lapse of ninety (90) days since the Purchaser has accepted the apartment, or the occupancy of the apartment by the Purchaser; provided that if the Purchaser does not rescind the contract or execute and return the written approval or acceptance of the change as provided in the disclosure document within thirty (30) days from the date of delivery of the disclosure document, the Purchaser shall be deemed to have approved and accepted the change; provided further that the deemed approval and acceptance shall be effective only if at the time of delivery of the disclosure document, the Purchaser is notified in writing of the fact that the Purchaser will be deemed to have approved and accepted the change upon the Purchaser's failure to act within the thirty (30) day period; provided further that if, prior to delivery of the disclosure document, ninety (90) days have lapsed since the Purchaser has accepted the apartment, or the Purchaser has occupied the apartment, then the Purchaser's right of rescission under subsection (b) shall not be waived unless the Purchaser shall execute the written approval or acceptance of the change as provided in the disclosure document within thirty (30) days from the date of delivery of the disclosure document or the Purchaser is deemed to have approved and accepted the change as set forth above.

Upon refund of said funds to Purchaser as aforesaid, Escrow shall return to Seller such Purchaser's sales contract and any conveyance document theretofore delivered to Escrow, and thereupon neither the Purchaser nor Seller shall be deemed obligated thereunder.

4. If Seller certifies in writing to Escrow that a Purchaser, whose funds are being held by Escrow, has defaulted under the terms of his sales contract and that Seller has terminated said sales contract pursuant to the terms thereof, Escrow shall notify said Purchaser by registered mail of such default and shall thereafter treat all funds of such Purchaser paid under such contract, as the escrowed funds of Seller and not of Purchaser.

5. Escrow shall arrange for and supervise the signing of all documents relating to the condominium project to be signed subsequent to the sales contracts including, among others, the applicable conveyance document.

THE ABOVE SUMMARY IS NOT INTENDED TO BE A THOROUGH AND EXHAUSTIVE EXPLANATION OF ALL TERMS AND PROVISIONS CONTAINED IN THE AGREEMENT. WHILE ONE CAN USE THIS SUMMARY AS A GENERAL SUMMARY OF THE AGREEMENT, HE MUST REFER TO THE ACTUAL AGREEMENT TO DETERMINE THE RIGHTS AND OBLIGATIONS OF THE PARTIES. IF ANY CONFLICT OR DIFFERENCE EXISTS BETWEEN THIS SUMMARY AND THE AGREEMENT, THE AGREEMENT WILL CONTROL AND NOT THIS SUMMARY.

Note: Section 514A-63, Hawaii Revised Statutes, provides for Recission Rights to a purchaser under a binding contract if there is a material change in the project which directly, substantially and adversely affects the use or value of (1) such purchaser's apartment or appurtenant limited common elements, or (2) those amenities of the project available for such purchaser's use.

PERMITTED ALTERATIONS TO APARTMENTS

No apartment owner shall do any work which could jeopardize the soundness or safety of the project, reduce the value thereof, or impair any easement or hereditament, without in every such case the consent of seventy-five percent (75%) of the apartment owners being first obtained. All other construction, restoration, replacement, addition to or alteration of either apartment or its appurtenant limited common elements by the owner of such apartment shall be permitted without restriction, except that the approval of the holder of a first lien affecting such apartment shall be obtained if the lienholder requires such approval and provided that the apartment owner constructing such improvements or making such additions or alterations strictly comply with all applicable laws, ordinances and regulations of any governmental entity, and also obtains any necessary building permits, at the apartment owner's sole expense. Any apartment owner who constructs, alters or renovates his respective apartment unit shall if required by the Condominium Property Act or this Declaration, file an amendment to this Declaration and the Condominium Map reflecting said alterations and/or renovations. All costs of such amendment shall be borne by said apartment owner.

The Association, through its Board of Directors, shall join in such Amendment if such Amendment is required by this Declaration and to cause such amendment to be filed in the Office of the Assistant Registrar of the Land Court of the State of Hawaii.

Notwithstanding anything to the contrary contained herein, no apartment owner shall be permitted to construct or erect any improvement or addition of any type whatsoever within five (5) feet of any portion of the real property of the project which has been designated as the limited common element appurtenant to the other apartment in the project, without the prior written consent of the owner of such apartment, which consent may be withheld with or without cause.
