General Information On Condominiums

A condominium is a special form of real property. To create a condominium in Hawaii, the requirements of the Condominium Property Act, Chapter 514A, Hawaii Revised Statutes, must be complied with. In addition, certain requirements and approvals of the County in which the project is located must be satisfied and obtained.

Some condominium projects are leasehold. This means that the land or the building(s) and other improvements are leased to the buyer. The lease for the land usually requires that at the end of the lease term, the lessees (apartment owners/tenants) deliver their interest in the land to the lessor (fee property owner). The lease also usually requires that the lessees either (1) convey to the lessor the building(s) and other improvements, including any improvements paid for by the lessees; or (2) remove or dispose of the improvements at the lessee's expense. Leases for individual apartments often require that at the end of the lease term, the lessee deliver to the lessor the apartment, including any improvements placed in the apartment by the lessee.

If you are a typical condominium apartment owner, you will have two kinds of ownership: (1) ownership in your individual apartment; and (2) an undivided interest in the common elements.

"Common Elements" are the areas of the condominium project other than the individual apartments. They are owned jointly by all apartment owners and include the land, either in fee simple or leasehold, and those parts of the building or buildings intended for common use such as foundations, columns, roofs, halls, elevators, and the like. Your undivided interest in the common elements cannot be separated from ownership of your apartment.

In some condominium projects, some common elements are reserved for the exclusive use of the owners of certain apartments. These common elements are called "limited common elements" and may include parking stalls, patios, lanais, trash chutes, and the like.

You will be entitled to exclusive ownership and possession of your apartment. Condominium apartments may be individually bought, sold, rented, mortgaged or encumbered, and may be disposed of by will, gift, or operation of law.

Your apartment will, however, be part of the group of apartments that comprise the condominium project. Study the project's Declaration, Bylaws, and House Rules. These documents contain important information on the use and occupancy of apartments and the common elements as well as the rules of conduct for owners, tenants, and guests.

Operation of the Condominium Project

The Association of Apartment Owners is the entity through which apartment owners may take action with regard to the administration, management, and operation of the condominium project. Each apartment owner is automatically a member of the Association.

The Board of Directors is the governing body of the Association. Unless you serve as a board member or an officer, or are on a committee appointed by the board, your participation in the administration and operation of the condominium project will in most cases be limited to your right to vote as an apartment owner. The Board of Directors and officers can take certain actions without the vote of the owners. For example, the board may hire and fire employees, increase or decrease maintenance fees, borrow money for repair and improvements and set a budget. Some of these actions may significantly impact the apartment owners.

Until there is a sufficient number of purchasers of apartments to elect a majority of the Board of Directors, it is likely that the developer will effectively control the affairs of the Association. It is frequently necessary for the developer to do so during the early stages of development and the developer may reserve certain special rights to do so in the Declaration and Bylaws. Prospective buyers should understand that it is important to all apartment owners that the transition of control from the developer to the apartment owners be accomplished in an orderly manner and in a spirit of cooperation.

**II. CREATION OF THE CONDOMINIUM;
CONDOMINIUM DOCUMENTS**

A condominium is created by recording in the Bureau of Conveyances and/or filing with the Land Court a Declaration of Condominium Property Regime, a Condominium Map (File Plan), and the Bylaws of the Association of Apartment Owners. The Condominium Property Act (Chapter 514A, HRS), the Declaration, Bylaws, and House Rules control the rights and obligations of the apartment owners with respect to the project and the common elements, to each other, and to their respective apartments. The provisions of these documents are intended to be, and in most cases are, enforceable in a court of law.

A. **Declaration of Condominium Property Regime** contains a description of the land, buildings, apartments, common elements, limited common elements, common interests, and other information relating to the condominium project.

The Declaration for this condominium is:

They provide for the manner in which the Board of Directors of the Association of Apartment Owners is elected, the powers and duties of the Board, the manner in which meetings will be conducted, whether pets are prohibited or allowed and other matters which affect how the condominium project will be governed.

The Bylaws for this condominium are:

The Bylaws referred to above have been amended by the following instruments [state name of document, date and recording/filing information]:

D. **House Rules.** The Board of Directors may adopt House Rules to govern the use and operation of the common elements and limited common elements. House Rules may cover matters such as parking regulations, hours of operation for common facilities such as recreation areas, use of lanais and requirements for keeping pets. These rules must be followed by owners, tenants, and guests. They do not need to be recorded or filed to be effective. The initial House Rules are usually adopted by the developer.

The House Rules for this condominium are:

IMPORTANT INFORMATION ON LEASEHOLD CONDOMINIUM PROJECTS

The information contained in this report is a summary of the terms of the lease. For more detailed information, you should secure a copy of the lease documents and read them thoroughly.

If you have any legal questions about leasehold property, the lease documents or the terms of the lease and the consequences of becoming a lessee, you should seek the advice of an attorney.

There are currently no statutory provisions for the mandatory conversion of leasehold condominiums and there are no assurances that such measures will be enacted in the future.

In leasehold condominium projects, the buyer of an apartment will acquire the right to occupy and use the apartment for the time stated in the lease agreement. The buyer will not acquire outright or absolute fee simple ownership of the land. The land is owned by the lessor or the leased fee owner. The apartment owner or lessee must make lease rent payments and comply with the terms of the lease or be subject to the lessor's enforcement actions. The lease rent payments are usually fixed at specific amounts for fixed periods of time, and are then subject to renegotiation. Renegotiation may be based on a formula, by arbitration set in the lease agreement, by law or by agreement between the lessor and lessee. The renegotiated lease rents may increase significantly. At the end of the lease, the apartment owners may have to surrender the apartments, the improvements and the land back to the lessor without any compensation (surrender clause).

When leasehold property is sold, title is normally conveyed by means of an assignment of lease, the purpose of which is similar to that of a deed. The legal and practical effect is different because the assignment conveys only the rights and obligations created by the lease, not the property itself.

The developer of this condominium project may have entered into a master ground lease with the fee simple owner of the land in order to develop the project. The developer may have then entered into a sublease or a new lease of the land with the lessee (apartment owner). The developer may lease the improvements to the apartment owner by way of an apartment lease or sublease, or sell the improvements to the apartment owners by way of a condominium conveyance or apartment deed.

	Conforming	Non-Conforming	Illegal
Uses	<u> X </u>	<u> </u>	<u> </u>
Structures	<u> X </u>	<u> </u>	<u> </u>
Lot	<u> X </u>	<u> </u>	<u> </u>

If a variance has been granted or if uses, improvements or lot are either non-conforming or illegal, buyer should consult with county zoning authorities as to possible limitations which may apply.

Limitations may include restrictions on extending, enlarging, or continuing the non-conformity, and restrictions on altering and repairing structures. In some cases, a non-conforming structure that is destroyed or damaged cannot be reconstructed.

The buyer may not be able to obtain financing or insurance if the condominium project has a non-conforming or illegal use, structure, or lot.

D. Common Elements, Limited Common Elements, Common Interests:

1. Common Elements. Common Elements are those parts of the condominium project other than the individual apartments. Although the common elements are owned jointly by all apartment owners, those portions of the common elements which are designated as limited common elements (see paragraph 2 below) may be used only by those apartments to which they are assigned. The common elements for this project, as described in the Declaration, are:

described in Exhibit "E" .

as follows:

2. **Limited Common Elements:** Limited Common Elements are those common elements which are reserved for the exclusive use of the owners of certain apartments.

There are no limited common elements in this project.

The limited common elements and the apartments which use them, as described in the Declaration, are:

described in Exhibit _____ "E" _____.

as follows:

3. **Common Interests:** Each apartment will have an undivided fractional interest in all of the common elements. This interest is called the "common interest." It is used to determine each apartment's share of the maintenance fees and other common profits and expenses of the condominium project. It may also be used for other purposes, including voting on matters requiring action by apartment owners. The common interests for the apartments in this project, as described in the Declaration, are:

described in Exhibit _____ "F" _____.

as follows:

- E. **Encumbrances Against Title:** An encumbrance is a claim against or a liability on the property or a document affecting the title or use of the property. Encumbrances may have an adverse effect on the property on or your purchase and ownership of an apartment in the project.

Exhibit _____ G _____ describes the encumbrances against the title contained in the title report dated _____ January 12, 2005 _____ and issued by _____ Title Guaranty of Hawaii, Inc. _____.

Blanket Liens:

A blanket lien is an encumbrance (such as a mortgage) on the entire condominium project that secures some type of monetary debt (such as a loan) or other obligation. A blanket lien is usually released on an apartment-by-apartment basis upon payment of specified sums so that individual apartments can be conveyed to buyers free and clear of the lien.

There are no blanket liens affecting title to the individual apartments. *

There are blanket liens which may affect title to the individual apartments.

Blanket liens (except for improvement district or utility assessments) must be released before the developer conveys the apartment to a buyer. The buyer's interest will be affected if the developer defaults and the lien is foreclosed prior to conveying the apartment to buyer.

<u>Type of Lien</u>	<u>Effect on Buyer's Interest and Deposit if Developer Defaults or Lien is Foreclosed Prior to Conveyance</u>
---------------------	--

F. Construction Warranties:

Warranties for individual apartments and the common elements, including the beginning and ending dates for each warranty, are as follows:

1. Building and Other Improvements:

See Exhibit H

2. Appliances:

The Developer has reserved the right to merge one or more additional phases into this Project, as is described in Article S of the Declaration of Condominium Property Regime for the Project.

IV. CONDOMINIUM MANAGEMENT

- A. **Management of the Common Elements:** The Association of Apartment Owners is responsible for the management of the common elements and the overall operation of the condominium project. The Association may be permitted, and in some cases may be required, to employ or retain a condominium managing agent to assist the Association in managing the condominium project.

Initial Condominium Managing Agent: When the developer or the developer's affiliate is the initial condominium managing agent, the management contract must have a term of one year or less and the parties must be able to terminate the contract on notice of 60 days or less.

The initial condominium managing agent for this project, named on page five (5) of this report is:

not affiliated with the Developer the Developer or the Developer's affiliate.
 self-managed by the Association of Apartment Owners Other _____

- B. **Estimate of Initial Maintenance Fees:**

The Association will make assessments against your apartment to provide funds for the operation and maintenance of the condominium project. If you are delinquent in paying the assessments, a lien may be placed on your apartment and the apartment may be sold through a foreclosure proceeding.

Initial maintenance fees are difficult to estimate and tend to increase as the condominium ages. Maintenance fees may vary depending on the services provided.

Exhibit _____ contains a schedule of estimated initial maintenance fees and maintenance fee disbursements (subject to change).

- C. **Utility Charges for Apartments:**

Each apartment will be billed separately for utilities except for the following checked utilities which are included in the maintenance fees:

None Electricity (Common Elements only Common Elements & Apartments)

DEVELOPER'S RIGHTS TO CHANGE THE DECLARATION, CONDOMINIUM MAP, BYLAWS OR HOUSE RULES

1. Notwithstanding any other provision in the Declaration to the contrary, prior to (i) the time that all apartments in the Project have been sold and recorded, and (ii) the filing by the Developer of the "as built" verified statement (with plans, if applicable) required by Section 514A-12 of the Hawaii Revised Statutes (but in no event later than December 31, 2025), the Developer shall have the right, without the consent, approval or joinder of any apartment owner, (a) to make alterations in the Project (and to amend the Declaration and the Condominium Map accordingly) which change the configuration of, alter the number of rooms of, decrease or increase the size of, or change the location of any apartment (and the limited common elements appurtenant thereto) in the Project which is not sold and recorded; or (b) to make other alterations in the Project (and to amend the Declaration and the Condominium Map accordingly) which make minor changes in any apartment in the Project or the common elements which do not affect the physical location, design or size of any apartment which has been sold and recorded; PROVIDED, HOWEVER, that as to (a) and (b) hereinabove, any such changes shall be reflected in an amendment to the Declaration as provided in Section 2 of Paragraph T of the Declaration. As used herein the term "sold and recorded" shall mean and refer to the sale of apartments in the Project, and the recording in the Bureau of Conveyances of the State of Hawaii of the apartment deeds transferring said apartments from the Developer to parties not signatory to the Declaration.
2. Notwithstanding the recording in the Bureau of Conveyances of the State of Hawaii of any or all apartment deeds conveying any or all the apartments to any person, the Developer shall have the right to successively amend the Declaration (including the By-Laws and, when applicable, the Condominium Map), without the consent, approval or joinder of the persons then owning or leasing the apartments, to file the "as built" verified statement (with plans, if applicable) required by Section 514A-12, Hawaii Revised Statutes, as amended, (a) so long as such statement is merely a verified statement of a registered architect or professional engineer certifying that the final plans theretofore filed or being filed simultaneously with such amendment fully and accurately depict the layout, location, apartment numbers and dimensions of the apartments as built, or (b) so long as any plans filed therewith involve only changes to the layout, location, apartment numbers, dimensions of or other changes to the apartments and common elements as built which the Developer is permitted to make in accordance with Paragraph R of the Declaration.
3. Notwithstanding any other provision in the Declaration to the contrary, the Declarant reserves the right from time to time, upon completion of construction of any Phase of the Project, to record an amendment of the Declaration that adjusts and recomputes the undivided common interest appurtenant to each completed apartment, which adjustment and recomputation shall be in compliance with the following method of computation: each completed apartment shall have a common interest calculated by dividing the net floor area of the apartment by the total net floor area of all apartments that have been completed (i.e., not including any apartments in future Phases of the Project); PROVIDED, HOWEVER, that the Declarant may add up to 0.01% to, or subtract up to 0.01% from, the percentage common interest of each apartment or any apartment in the Project to ensure that the total common interests of all apartments from time to time is one hundred percent (100%).
4. Until the recording in the Bureau of Conveyances of the State of Hawaii of apartment deeds covering all of the apartments in the Project (including all interests therein) in favor of parties not a signatory to the Declaration and other than to any mortgagee of the Developer, the Developer shall have the right to amend the Declaration, the By-Laws and the Condominium Map, without the consent, approval or joinder of any purchaser of an apartment or any interest therein (including any lessee), and to make such amendments as may be required by law, by the Real Estate Commission of the State of Hawaii, by any title insurance company issuing a title insurance policy of the Project or any of the apartments or any interest therein, by any institutional lender lending funds on the security of the Project or any of the apartments or any interest therein, or by any governmental agency of any state, territory, possession or foreign

country or other foreign jurisdiction as a condition precedent to the marketing or sale of apartments or any interests therein in any such jurisdiction; provided, however, that no such amendment which would change the common interest appurtenant to an apartment or substantially change the design, location or size of an apartment shall be made without the consent to such amendment by all persons having an interest in such apartment.

The owner of any two (2) adjacent apartments that are separated by a common element that is a wall, with only the approval required hereinbelow, may alter or remove all or portions of the intervening wall, if the structural integrity of the building is not thereby adversely affected and if the finish of the common element then remaining is then restored to a condition substantially comparable to that of the common element prior to such alterations. The owner of any two (2) such adjacent apartments may install a door or doors to such opening or openings in the intervening common element. Alterations or additions within any such adjacent apartment shall require only the written approval thereof, including the apartment owner's plans therefor, by the holders of first mortgage liens affecting such apartments (if the lien holders require such approval), by the appropriate agencies of the State of Hawaii and the County of Kauai (if such agencies so require), by the Board of Directors (which approval shall not be reasonably or arbitrarily withheld or delayed), and by all other apartment owners thereby directly affected (as determined in a reasonable manner by the Board of Directors), and such alterations or additions may be undertaken without an amendment to the Declaration or filing of a complete set of floor plans of the Project as so altered; provided, however, if the alterations or additions are substantial in nature, as reasonably determined by the Board of Directors, the Board of Directors may require that the owner of the apartment provide evidence satisfactory to the Board of Directors of sufficient financing to complete such alterations or additions or, in lieu thereof, require that the owner obtain a performance and labor and materials payment bond, naming as obliges the Board of Directors, the Association and collectively all apartment owners and their respective mortgages of record, as their interests may appear, for a penal sum of not less than one hundred percent (100%) of the estimated cost of such construction. Prior to the termination of the common ownership of any such adjacent apartments, if the intervening wall shall have been altered or removed pursuant to the foregoing provisions and/or any entry to hallways sealed, the owner of such apartments shall be obligated to restore such intervening wall and/or hallway entries to substantially the same condition in which the same existed prior to such alteration or removal.

3. Prior to (i) the time that all apartments in the Project have been sold and recorded, and (ii) the filing by the Developer of the "as built" verified statement (with plans, if applicable) required by Section 514A-12 of the Hawaii Revised Statutes (but in no event later than December 31, 2025), the Developer shall have the right, without the consent, approval or joinder of any apartment owner, to (a) to make alterations in the Project (and/or to amend the Declaration and the Condominium Map accordingly) which change the configuration of, alter the number of rooms of, decrease or increase the size of, or change the location of any apartment (and the limited common elements appurtenant thereto) in the Project which is not sold and recorded; or (b) make other alterations in the Project (and to amend the Declaration and the Condominium Map accordingly) which make minor changes in any apartment in the Project or the common elements which do not affect the physical location, design or size of any apartment which has been sold and recorded; PROVIDED, HOWEVER, that as to (a) and (b) hereinabove, any such changes shall be reflected in an amendment to the Declaration as provided in Section 2 of Paragraph T of the Declaration. As used herein the term "sold and recorded" shall mean and refer to the sale of apartments in the Project, and the filing in the Office of the Assistant Registrar of the Land Court of the State of Hawaii of the apartment deeds transferring said apartments from the Developer to parties not signatory to the Declaration.

CONSTRUCTION WARRANTIES

1. Building and Other Improvements.

The Developer makes no warranties itself, but the Developer agrees that the closing of the sale of any Apartment in the Project shall constitute an assignment by the Developer to the purchaser of the Apartment (the "Purchaser") of any and all warranties given to the Developer by the contractor(s) for the Project in connection with the Apartment, including any contractor's agreement to promptly correct any of its work found to be defective or not in conformance with the Construction Contract following the "Date of Substantial Completion of the Work", as defined in the Construction Contract. The benefit of such agreement shall accrue to the Purchaser on closing without further instruments or documents. The Developer shall cooperate with the Purchaser during the effective period of such agreement in asserting any claims based on any such warranty. The Developer is not adopting the contractor's warranty or acting as co-warrantor, but is merely attempting to pass through to any Purchaser the benefit of such contractor's warranty, if any.

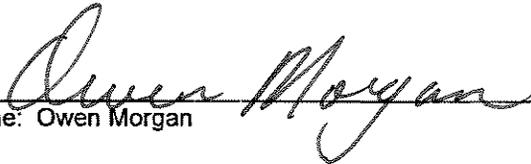

2. Appliances.

The closing of the sale of any Apartment in the Project shall also constitute the assignment by the Developer to the Purchaser, for the unexpired term, if any, of any manufacturer's or dealer's warranties covering any furnishings, fixtures and appliances that are part of the Apartment. The Developer is merely attempting to pass through to the Purchaser any such manufacturer's or dealer's warranties; the Developer is not adopting any such warranties or acting as co-warrantor with respect to any furnishings, fixtures or appliances. The terms of the manufacturer's or dealer's written warranties will be available for the Purchaser's examination at the Developer's sales office.

SUMMARY OF SALES CONTRACT

The specimen Condominium Purchase Agreement, Deposit Receipt and Contract ("Purchase Agreement") contains, among others, the following terms and provisions (which may be modified or otherwise limited by provisions not summarized):

1. The Purchase Price shall be paid in three (3) payments, the last of which shall be paid to the escrow agent, subject to other terms, not less than five (5) days prior to the Date of Closing, except that mortgage proceeds from Buyer's Permanent Loan may be paid one (1) day prior to the Date of Closing.

2. The Purchase Price does not include the Project start-up fee, closing costs, prorations, and additional costs payable by Buyer under the Purchase Agreement.

3. Until (i) the Real Estate Commission of the State of Hawaii ("Real Estate Commission") has issued an effective date for a Contingent Final or Final Public Report for the Project or the Phase of the Project in which the Apartment is located, (ii) Buyer has received for or is deemed to have received for the Contingent Final or Final Public Report, (iii) Buyer has waived or is deemed to have waived Buyer's right to cancel under Hawaii Revised Statutes ("H.R.S.") § 514A-62, and (iv) Seller has not elected to terminate the Purchase Agreement pursuant to paragraph 3(c) of the General Terms and Conditions, the Purchase Agreement does not constitute a binding sales contract and may be terminated by either Buyer or Seller by written notice of such termination delivered to the other party.

4. Buyer has received a copy of the Declaration, By-Laws, House Rules, public report(s) for the Project, form of Apartment Deed, and Escrow Agreement, and Buyer acknowledges that Buyer has had an adequate opportunity to read those documents and to examine the Project plans, and Buyer accepts such documents and plans with such changes and modification as the Project architect may deem necessary.

5. Within thirty (30) days after the date Seller accepts the Purchase Agreement, Buyer must submit to Seller evidence of Buyer's ability to pay the Purchase Price.

6. If Buyer will be utilizing mortgage financing to pay a portion of the Purchase Price, then:

(i) If the Purchase Agreement is executed prior to the issuance of the Contingent Final or Final Public Report on the Project or the Phase of the Project in which the Apartment is located, Buyer must submit to Seller a pre-qualification letter from such financial institution as Seller shall designate as its Pre-Qualification Agent, within thirty (30) days of Seller's acceptance of the Purchase Agreement. If such pre-qualification letter is not obtained by Buyer within the required time, Seller or Buyer shall have the option to terminate the Purchase Agreement.

(ii) Buyer must submit to Seller a firm written commitment for Buyer's Permanent Loan from Buyer's Permanent Lender within thirty (30) days from the date of delivery to Buyer of the Contingent Final or Final Public Report (or within forty-five (45) days if Buyer is not a resident of the State of Hawaii). If said written commitment is issued more than one hundred twenty (120) days prior to the Date of Closing, Buyer agrees to submit all verifications, authorizations, certifications, tax returns, and other documents that may be required by Buyer's Permanent Lender to reconfirm the written commitment for Buyer's Permanent Loan. If Buyer's application for mortgage financing is not approved within thirty (30) days from the date of delivery to Buyer of the Contingent Final or Final Public Report (or within forty-five (45) days if Buyer is not a resident of the State of Hawaii), either Buyer or Seller may terminate the Purchase Agreement, provided that Buyer's option to terminate must be exercised, if at all, within forty-five (45) days after delivery to Buyer of the Final Public Report (or within sixty (60) days if Buyer is not a resident of the State of Hawaii).

7. If Buyer will be paying the entire Purchase Price in cash, then (i) within thirty (30) days after Buyer's receipt for the Contingent Final or Final Public Report, and (ii) if Seller so requires, no later than thirty (30) days, and no earlier than ninety (90) days prior to the Date of Closing, Buyer must submit to Seller written evidence from Buyer's bankers or accountants or other persons reconfirming Buyer's ability to pay the Purchase Price in cash on the Date of Closing. If Seller, in its sole discretion, is not satisfied as to Buyer's continued ability to make such cash payments, then Seller may terminate the Purchase Agreement.

8. All payments made by Borrower under the Purchase Agreement will be deposited with Escrow under the terms of the Escrow Agreement.

9. Seller has reserved the right to make certain modifications to the Declaration, By-Laws, House Rules, Apartment Deed, and other documents as may be required by law, any title insurance company, any institutional mortgagee, or any governmental agency, or as Seller otherwise deems appropriate.

10. Buyer acknowledges that construction may continue on the site after Buyer has occupied the Apartment, and sales activities will continue until the last unsold Apartment in the Project has been sold.

11. Seller has reserved the right to develop the Project in two or more Phases, as described in the Declaration.

12. The Purchase Agreement shall not be construed as a present transfer of any interest in the Apartment, but is an agreement to transfer in the future.

13. Buyer waives, relinquishes, subordinates the priority or superiority of any lien or any other legal or equitable interest arising under the Purchase Agreement in favor of the lien or charge on the Project or the security interests of the Lender, including but not limited to any lien, mortgage, or other charge securing a loan made to finance the acquisition of the land and the costs of construction and other costs during such construction and any and all advances therefor, whether contractual or voluntary, until the final closing and delivery by Seller of an Apartment deed to Buyer.

14. Buyer consents to Seller's assignment to Lender, as security, of Seller's interests in the Purchase Agreement and Buyer's deposits with Escrow. In the event Lender acquires Seller's interest in the Purchase Agreement pursuant to said assignment, Buyer will, at Lender's option, perform to, attorn to, and recognize Lender as the Seller under the Purchase Agreement.

15. The estimated completion date of the Project, August 2004, is an approximate date given to the best of Seller's information and belief. If the Project is not completed and ready for occupancy within twelve (12) months after the estimated completion date, then at the sole option of Seller, the obligations of both Buyer and Seller under the Purchase Agreement shall terminate.

16. So long as Seller owns an interest in any Apartment in the Project, and until the election of the Board of Directors and officers of the Association of Apartment Owners, Seller may exercise all of the powers of the Board of Directors and officers.

17. After Buyer has receipted for or is deemed to have receipted for the Contingent Final or Final Public Report, and Buyer has waived or is deemed to have waived Buyer's right to cancel under H.R.S. § 514A-62, Buyer may terminate the Purchase Agreement only if there is a material change in the Project (other than a change made pursuant to the Declaration) which directly, substantially, and adversely affects the use or value of the Apartment or appurtenant limited common elements or the amenities of the Project available for Buyer's use. The foregoing rescission right may be waived as provided in H.R.S. § 514A-63.

18. Seller may terminate the Purchase Agreement if (i) Buyer is in default under the Agreement; or (ii) the Project is not completed and ready for occupancy within twelve (12) months after the estimated completion date for the Phase of the Project in which the Apartment is located; or (iii) Buyer (or one of them) should die prior to the performance of all of Buyer's obligations under this Agreement; or (iv) if Buyer is not a natural person, Buyer fails to have its obligations under the Purchase Agreement guaranteed by a person acceptable to Seller.

19. Neither Seller nor any of Seller's representatives has made any representations or references as to rental of the Apartment, or the income, or any other economic benefit to be derived from the rental of the Apartment. Buyer will not enter into any rental pool or similar arrangement until Seller has closed the sale of all the Apartments in the Project or until December 31, 2006, whichever shall first occur.

20. Seller makes only those warranties regarding construction and appliances which are set forth in the Purchase Agreement.

21. If Buyer is purchasing the Apartment as a prospective owner-occupant pursuant to H.R.S. § 514A-101 et seq., Buyer must reaffirm the owner-occupant affidavit no earlier than the date of Buyer's receipt for the Final Public Report and no later than the Date of Closing.

22. Buyer will not take possession of the Apartment prior to the Date of Closing and full satisfaction by Buyer of all terms and conditions of the Purchase Agreement.

23. Buyer will inspect the Apartment and will sign an inspection sheet or certificate of satisfaction to be furnished by Seller to the contractor, or Buyer will appoint the inspecting architect or engineer for the Project, or Seller or any agent of Seller to inspect the Apartment and execute the inspection sheet or certificate of satisfaction on behalf of Buyer. Buyer agrees to accept possession of the Apartment despite the existence of damages and defects as long as Seller agrees to repair such defects or damage within a reasonable time. Buyer agrees to indemnify Seller for any damages resulting from any wrongful refusal to accept possession of the Apartment.

24. Risk of loss to the Apartment shall be borne by Seller until the Date of Closing.

25. Time is of the essence of the obligations of Buyer under the Purchase Agreement.

26. In the event of any default under the Purchase Agreement by Buyer which occurs before the Purchase Agreement becomes a binding contract, Seller may cancel the Purchase Agreement and (a) all moneys paid under the Purchase Agreement shall be refunded or the check returned to Buyer, with interest to the extent provided in the Purchase Agreement, less any cancellation fee imposed by Escrow and any other actual expenses incurred by reason of Buyer having signed the Purchase Agreement; and (b) all costs, including reasonable attorneys' fees, incurred by reason of the default by Buyer shall be paid by Buyer promptly upon Seller's demand therefor. In the event of any default under the Purchase Agreement by Buyer which occurs after the Purchase Agreement becomes a binding contract, Seller may cancel the Purchase Agreement and thereupon, at Seller's option, all sums previously paid by Buyer, together with all accrued interest thereon, shall belong to Seller as liquidated damages.

Unless otherwise defined herein, all capitalized terms used herein shall have the same meanings given them under the Purchase Agreement.

THE ABOVE SUMMARY IS NOT INTENDED TO BE A THOROUGH AND EXHAUSTIVE EXPLANATION OF ALL TERMS AND PROVISIONS CONTAINED IN THE PURCHASE AGREEMENT. WHILE A BUYER CAN USE THIS SUMMARY AS A GENERAL SUMMARY OF BUYER'S RIGHTS AND OBLIGATIONS UNDER THE PURCHASE AGREEMENT, BUYER MUST REFER TO THE PURCHASE AGREEMENT TO DETERMINE BUYER'S ACTUAL RIGHTS AND OBLIGATIONS. IF ANY CONFLICT OR DIFFERENCE EXISTS BETWEEN THIS SUMMARY AND THE PURCHASE AGREEMENT, THE PURCHASE AGREEMENT WILL CONTROL.

SUMMARY OF CONDOMINIUM ESCROW AGREEMENT

The Condominium Escrow Agreement ("Escrow Agreement") dated as of December 30, 2004, made by and between Title Guaranty Escrow Services, Inc. ("Escrow Agent"), and Regency Development, LLC ("Developer"), contains among other provisions the following (which may be modified or otherwise limited by provisions not summarized herein):

1. Sales Contracts Deposited in Escrow. Whenever Developer enters into a sales contract with a purchaser for the sale of an Apartment in The Regency Villas at Poipu Kai (the "Project"), Developer shall deliver an executed copy of said contract to Escrow Agent. The sales contract shall require that all payments due thereunder be made directly to Escrow Agent to be held and disbursed in accordance with the Escrow Agreement. If the purchaser intends to purchase the Apartment as an "owner-occupant" pursuant to Chapter 514A, Part VI, Hawaii Revised Statutes ("H.R.S."), said purchaser shall deliver an owner-occupant affidavit to Escrow Agent in the form and content required by H.R.S. § 514A-104.5.

2. Receipt of Funds by Escrow Agent. Escrow Agent will receive payments under the sales contracts and from any other source relating to the Project. Escrow Agent will deposit all funds within a reasonable time after receipt in an interest-bearing account or accounts at a federally insured bank, savings and loan association, or other financial institution. Any interest earned on such deposits shall accrue to the credit of Developer unless Escrow Agent is asked to establish a separate account for a purchaser, in which case interest on such account shall accrue to the credit of said purchaser (Pursuant to the sales contract, Purchaser and Developer will instruct Escrow Agent to credit to Purchaser all interest earned on deposits made by Purchaser, except as otherwise specifically provided for in the sales contract.)

3. Conditions to be Met Prior to Disbursement. Escrow Agent shall make no disbursement of funds deposited with it unless: (a) the Real Estate Commission has issued a Final Public Report on the Project; (b) Developer or Developer's attorney has notified Escrow Agent that the requirements of H.R.S. § 514A-62 and § 514A-63 have been met; and (c) Developer has given Escrow Agent a written waiver of any reserved option to cancel the sales.

4. Return of Funds and Documents. Escrow Agent will return deposited sums, without interest and less Escrow Agent's cancellation fee and other costs up to a maximum of \$250.00, to a purchaser if:

(a) Developer and such purchaser shall instruct Escrow Agent in writing to return such funds to such purchaser; or

(b) Developer shall notify Escrow Agent of Developer's exercise of the option to cancel or rescind the Sale Contract entered into by such purchaser pursuant to any right of cancellation or rescission provided for therein or otherwise available to Developer with respect to which, in accordance with the sales contract, Purchaser is entitled to a return of funds deposited by it with Escrow Agent; or

(c) With respect to any purchaser whose funds were obtained prior to the issuance of the Final Public Report, such purchaser has exercised such purchaser's right to cancel the sales contract entered into by such purchaser pursuant to HRS Section 514A-62; or

(d) Such purchaser has exercised such purchaser's right to rescind the sales contract pursuant to HRS Section 514A-63.

5. Unclaimed Funds. Escrow Agent shall notify each purchaser entitled to a return of funds by registered or certified mail. If any purchaser does not claim the refund within sixty (60) days, Escrow Agent shall deposit the funds with a bank or depository selected by Escrow Agent in the name of Developer as trustee for the purchaser. Thereafter, Escrow Agent shall have no further obligation or liability with respect to such funds or purchaser.

6. Closing. Except for the sales contract and any note and mortgage, Escrow Agent shall arrange for and supervise the execution, recording, and delivery of all documents, as necessary, related to the Project.

7. Partial Closings. In the event Developer desires partial closings (i.e. closings for some but not all of the Apartments); Escrow Agent agrees to cooperate and facilitate such partial closings.

8. Defects in Documents. Escrow Agent shall record all documents within five (5) business days of the date of closing, provided said documents are not defective in any way. If any documents are defective, Escrow Agent will notify Developer thereof and correct such defects if they are within Escrow Agent's capacity to correct.

9. Purchaser's Default. Developer shall notify Escrow Agent when payments are due from a purchaser, who shall then be notified by Escrow Agent. Escrow Agent shall notify Developer of any defaults by a purchaser. If Developer certifies to Escrow Agent in writing that Developer has terminated the sales contract, Escrow Agent shall thereafter treat all funds of the purchaser paid on account of said sales contract as funds of Developer. Upon the written request of Developer, Escrow Agent shall pay such funds to Developer, less any cancellation fee, and shall return any partially executed conveyance documents. Escrow Agent shall retain all other documents for the statutory period. Thereafter, Escrow Agent shall have no further obligation or liability with respect to such funds or purchaser.

10. Protection of Escrow Agent. Escrow Agent shall have no liability for acting in accordance with the terms of the Escrow Agreement, notwithstanding a notice to the contrary from Developer, any purchaser, or any third person. Escrow Agent shall not be responsible for the validity or sufficiency of any documents received by it, shall assume that said documents have been properly executed, and shall assume that any written certification or instrument from Developer is true and accurate. In the event of any dispute, difference, or conflicting demand upon Escrow Agent, Escrow Agent shall not be required to determine the same or take any action in the premises, but may await settlement of the controversy by appropriate legal proceedings or otherwise, including the resolution of any interpleader action initiated by Escrow Agent. Developer and each purchaser agree to pay Escrow Agent on demand and to indemnify and hold harmless Escrow Agent against all costs and damages arising out of this Agreement, except for any act or omission of Escrow Agent that constitutes negligence or gross negligence on its part. Escrow Agent shall not be required to mail any notice or keep any records required under H.R.S. Chapter 514A.

11. Miscellaneous. The Escrow Agreement is binding upon and inures to the benefit of the parties hereto and their successors and assigns. The Escrow Agreement may be terminated on fifteen (15) days' written notice to either party. In the event of any conflict between the Escrow Agreement and H.R.S. Chapter 514A, the statutory provisions shall control. Escrow Agent shall furnish Developer with semi-monthly reports that cover the status of each sales contract in escrow.

12. Compensation. For each Apartment sale closed by Escrow Agent, Escrow Agent shall be paid a fee in the amount of \$1,285.00. The premium for the standard owner's title insurance policy and ALTA lender's title insurance policy issued with respect to each Apartment shall be \$1,765.00. The compensation to Escrow Agent with respect to the closing of the sale of any Apartment shall be due and payable upon the earlier of: (1) transfer to a purchaser of legal title to such Apartment; and (ii) final disbursement of the purchase price of such Apartment and other sums held by Escrow Agent with respect hereto. Developer agrees to pay an additional charge for any changes to any closing statement or other document that are necessary after the commencement of preclosing or closing proceedings, unless said changes are necessary due to the fault of Escrow Agent.

THE ABOVE SUMMARY IS NOT INTENDED TO BE A THOROUGH AND EXHAUSTIVE EXPLANATION OF ALL TERMS AND PROVISIONS CONTAINED IN THE ESCROW AGREEMENT. WHILE ONE CAN USE THIS SUMMARY AS A GENERAL SUMMARY OF THE ESCROW AGREEMENT, ONE MUST REFER TO THE ACTUAL ESCROW AGREEMENT TO DETERMINE THE RIGHTS AND OBLIGATIONS OF THE PARTIES. IF ANY CONFLICT OR DIFFERENCE EXISTS BETWEEN THIS SUMMARY AND THE ESCROW AGREEMENT, THE ESCROW AGREEMENT WILL CONTROL AND NOT THIS SUMMARY.
