Summary of Changes from Earlier Public Reports:

This summary contains a general description of the changes, if any, made by the developer since the last public report was issued. It is not necessarily all inclusive. Prospective buyers should compare this public report with the earlier reports if they wish to know the specific changes that have been made.

[X] No prior reports have been issued by the developer.

[ ] Changes made are as follows:

This is a CONDOMINIUM PROJECT, not a subdivision. THERE ARE COUNTY RESTRICTIONS ON THE NUMBER OF RESIDENTIAL DWELLING UNITS OR OTHER STRUCTURES WHICH MAY BE BUILT UPON THE PROPERTY. THEREFORE, UNLESS THE PURCHASER IS PURCHASING AN EXISTING RESIDENTIAL DWELLING, THERE IS NO ASSURANCE THAT THE PURCHASER WILL BE ABLE TO BUILD A RESIDENTIAL DWELLING UNIT ON THE PROPERTY. THERE IS ALSO NO ASSURANCE THAT THE PURCHASER WILL BE ABLE TO CONVERT AN EXISTING NON-RESIDENTIAL STRUCTURE TO A RESIDENTIAL USE. PRIOR TO PURCHASE, THE PROSPECTIVE PURCHASER IS ADVISED TO REVIEW THIS CONDOMINIUM PROJECT WITH THE RESPECTIVE KAUAI COUNTY PLANNING OFFICE TO RECEIVE THE MOST RECENT DIRECTIVES CONCERNING DEVELOPMENT, REPLACEMENT, EXPANSION OR CONSTRUCTION OF ANY TYPE OF STRUCTURE FOR THIS CONDOMINIUM PROJECT IN THE FUTURE.

1. THERE ARE NO RESIDENTIAL STRUCTURES AND 5 SHADE HOUSES ON THE PROPERTY AT THIS TIME.

2. Issuance of an effective date for this Public Report does not constitute an approval of the project by the Real Estate Commission or any other governmental agency, nor does it imply that all County ordinances have been complied with.

3. This project does not involve the sale of individual subdivided lots. The land area beneath and immediately adjacent to each unit, as shown on the Condominium Map, is designated as a limited common element for that unit and does not represent a legally subdivided lot. The dotted lines on the Condominium Map merely represent the location of the limited common element assigned to each unit.

4. Facilities and improvements normally associated with County approved subdivisions, such as improved access for owner and emergency traffic, drainage facilities, etc., may not necessarily be provided for.

5. The County may require 44' or 56' right of way for access to the units and may also require paving of the road surface. Any roadway improvements will be a common expanse and all units will agree to grant a further easement over the limited common elements to create this roadway right of way.

THE PROSPECTIVE PURCHASER IS CAUTIONED TO CAREFULLY REVIEW THE CONDOMINIUM DOCUMENTS REFERENCED IN THIS PUBLIC REPORT FOR FURTHER INFORMATION WITH REGARD TO THE FOREGOING.

General Information on Condominiums

A condominium is a special form of real property. To create a condominium in Hawaii, the requirements of the Condominium Property Act, Chapter 514A, Hawaii Revised Statutes, must be complied with. In addition, certain requirements and approvals of the County in which the project is located must be satisfied and obtained.

Some condominium projects are leasehold. This means that the land or the building(s) and other improvements are leased to the buyer. The lease for the land usually requires that at the end of the lease term, the lessees (apartment owners/tenants) deliver their interest in the land to the lessor (fee property owner). The lease also usually requires that the lessees either (1) convey to the lessor the building(s) and other improvements, including any improvements paid for by the lessees; or (2) remove or dispose of the improvements at the lessee's expense. Leases for individual apartments often require that at the end of the lease term, the lessee deliver to the lessor the apartment, including any improvements placed in the apartment by the lessee.

If you are a typical condominium apartment owner, you will have two kinds of ownership: (1) ownership in your individual apartment; and (2) an undivided interest in the common elements.

"Common Elements" are the areas of the condominium project other than the individual apartments. They are owned jointly by all apartment owners and include the land, either in fee simple or leasehold, and those parts of the building or buildings intended for common use such as foundations, columns, roofs, halls, elevators, and the like. Your undivided interest in the common elements cannot be separated from ownership of your apartment.

In some condominium projects, some common elements are reserved for the exclusive use of the owners of certain apartments. These common elements are called "limited common elements" and may include parking stalls, patios, lanais, trash chutes, and the like.

You will be entitled to exclusive ownership and possession of your apartment. Condominium apartments may be individually bought, sold, rented, mortgaged or encumbered, and may be disposed of by will, gift, or operation of law.

Your apartment will, however, be part of the group of apartments that comprise the condominium project. Study the project's Declaration, Bylaws, and House Rules. These documents contain important information on the use and occupancy of apartments and the common elements as well as the rules of conduct for owners, tenants, and guests.

Operation of the Condominium Project

The Association of Apartment Owners is the entity through which apartment owners may take action with regard to the administration, management, and operation of the condominium project. Each apartment owner is automatically a member of the Association.

The Board of Directors is the governing body of the Association. Unless you serve as a board member or an officer, or are on a committee appointed by the board, your participation in the administration and operation of the condominium project will in most cases be limited to your right to vote as an apartment owner. The Board of Directors and officers can take certain actions without the vote of the owners. For example, the board may hire and fire employees, increase or decrease maintenance fees, borrow money for repair and improvements and set a budget. Some of these actions may significantly impact the apartment owners.

Until there is a sufficient number of purchasers of apartments to elect a majority of the Board of Directors, it is likely that the developer will effectively control the affairs of the Association. It is frequently necessary for the developer to do so during the early stages of development and the developer may reserve certain special rights to do so in the Declaration and Bylaws. Prospective buyers should understand that it is important to all apartment owners that the transition of control from the developer to the apartment owners be accomplished in an orderly manner and in a spirit of cooperation.

II. CREATION OF THE CONDOMINIUM; CONDOMINIUM DOCUMENTS

A condominium is created by recording in the Bureau of Conveyances and/or filing with the Land Court a Declaration of Condominium Property Regime, a Condominium Map (File Plan), and the Bylaws of the Association of Apartment Owners. The Condominium Property Act (Chapter 514A, HRS), the Declaration, Bylaws, and House Rules control the rights and obligations of the apartment owners with respect to the project and the common elements, to each other, and to their respective apartments. The provisions of these documents are intended to be, and in most cases are, enforceable in a court of law.

House Rules may cover matters such as parking regulations, hours of operation for common facilities such as recreation areas, use of lanais and requirements for keeping pets. These rules must be followed by owners, tenants, and guests. They do not need to be recorded or filed to be effective. The initial House Rules are usually adopted by the developer.

IMPORTANT INFORMATION ON LEASEHOLD CONDOMINIUM PROJECTS

The information contained in this report is a summary of the terms of the lease. For more detailed information, you should secure a copy of the lease documents and read them thoroughly.

If you have any legal questions about leasehold property, the lease documents or the terms of the lease and the consequences of becoming a lessee, you should seek the advice of an attorney.

There are currently no statutory provisions for the mandatory conversion of leasehold condominiums and there are no assurances that such measures will be enacted in the future.

In leasehold condominium projects, the buyer of an apartment will acquire the right to occupy and use the apartment for the time stated in the lease agreement. The buyer will not acquire outright or absolute fee simple ownership of the land. The land is owned by the lessor or the leased fee owner. The apartment owner or lessee must make lease rent payments and comply with the terms of the lease or be subject to the lessor's enforcement actions. The lease rent payments are usually fixed at specific amounts for fixed periods of time, and are then subject to renegotiations. Renegotiation may be based on a formula, by arbitration set in the lease agreement, by law or by agreement between the lessor and lessee. The renegotiated lease rents may increase significantly. At the end of the lease, the apartment owners may have to surrender the apartments, the improvements and the land back to the lessor without any compensation (surrender clause).

When leasehold property is sold, title is normally conveyed by means of an assignment of lease, the purpose of which is similar to that of a deed. The legal and practical effect is different because the assignment conveys only the rights and obligations created by the lease, not the property itself.

The developer of this condominium project may have entered into a master ground lease with the fee simple owner of the land in order to develop the project. The developer may have then entered into a sublease or a new lease of the land with the lessee (apartment owner). The developer may lease the improvements to the apartment owner by way of an apartment lease or sublease, or sell the improvements to the apartment owners by way of a condominium conveyance or apartment deed.

	Conforming	Non-Conforming	Illegal
Uses	X		
Structures	X		
Lot	X		

If a variance has been granted or if uses, improvements or lot are either non-conforming or illegal, buyer should consult with county zoning authorities as to possible limitations which may apply.

Limitations may include restrictions on extending, enlarging, or continuing the non-conformity, and restrictions on altering and repairing structures. In some cases, a non-conforming structure that is destroyed or damaged cannot be reconstructed.

The buyer may not be able to obtain financing or insurance if the condominium project has a non-conforming or illegal use, structure, or lot.

D. **Common Elements, Limited Common Elements, Common Interests:**

1. Common Elements. Common Elements are those parts of the condominium project other than the individual apartments. Although the common elements are owned jointly by all apartment owners, those portions of the common elements which are designated as limited common elements (see paragraph 2 below) may be used only by those apartments to which they are assigned. The common elements for this project, as described in the Declaration, are:

[x] described in Exhibit "E".

[ ] as follows:

2. Limited Common Elements: Limited Common Elements are those common elements which are reserved for the exclusive use of the owners of certain apartments.

[ ] There are no limited common elements in this project.

[X] The limited common elements and the apartments which use them, as described in the Declaration, are:

[X] described in Exhibit E.

[ ] as follows:

3. Common Interests: Each apartment will have an undivided fractional interests in all of the common elements. This interest is called the "common interests." It is used to determine each apartment's share of the maintenance fees and other common profits and expenses of the condominium project. The common interests for the apartments in this project, as described in the Declaration, are:

[X] described in Exhibit C.

Exhibit "F" describes the encumbrances against the title contained in the title report dated October 1, 2002 and issued by TITLE GUARANTY OF HAWAII, INC.

Blanket Liens:

A blanket lien is an encumbrance (such as a mortgage) on the entire condominium project that secures some type of monetary debt (such as a loan) or other obligation. A blanket lien is usually released on an apartment-by-apartment basis upon payment of specified sums so that individual apartments can be conveyed to buyers free and clear of the lien.

[ ] There are no blanket liens affecting title to the individual apartments.

[X] There are blanket liens which may affect title to the individual apartments.

Blanket liens (except for improvement district or utility assessments) must be released before the developer conveys the apartment to a buyer. The buyer's interest will be affected if the developer defaults and the lien is foreclosed prior to conveying the apartment to buyer.

Type of Lien	Effect on Buyer's Interest and Deposit if Developer Defaults or Lien is Foreclosed Prior to Conveyance
Mortgage	Lender has priority over Buyer's rights under a Sales Contract, and has a right to terminate sales contracts Upon foreclosure of its mortgage before an apartment Sale is closed. **In case of foreclosure**, Buyer shall be entitled to a refund of all deposits, less escrow cancellation fees.

Developer and Fee Owner have reserved the right to amend the Condominium Map to reflect necessary changes arising from the exercise of the aforesaid reserved rights. Further,

IV. CONDOMINIUM MANAGEMENT

A. **Management of the Common Elements:** The Association of Apartment Owners is responsible for the management of the common elements and the overall operation of the condominium project. The Association may be permitted, and in some cases may be required, to employ or retain a condominium-managing agent to assist the Association in managing the condominium project.

Initial Condominium Managing Agent: When the developer or the developer's affiliate is the initial condominium managing agent, the management contract must have a term of one year or less and the parties must be able to terminate the contract on notice of 60 days or less.

C. **Additional Information Not Covered Above:**

This is a condominium project, not a subdivision. Units purchased are not subdivided lots. To determine whether your expectations can be realized, you should carefully review the contents of this Report. You should also conduct your own investigations and ascertain the validity of information provided.

As to all units, it is anticipated that the initial improvements on each unit will be replaced by or supplemented with a farm dwelling. The prospective purchaser shall have the right to build such farm dwelling at purchaser's expense. The purchaser shall also, in such event, file the "as built" certificate within thirty days of completion of the farm dwelling in conformance with Section 514A-12, Hawaii Revised Statutes, and record an amendment of the Declaration of Condominium Property Regime ("Declaration") to describe the farm dwelling. The County of Kauai Planning Department requires, in order to process the necessary permits for the construction of a farm dwelling and the processing of a farm dwelling agreement, authorization from at least 75% of the legal and equitable ownership of the entire project, consistent with the Declaration and the By-laws ("condominium documents"). In most cases a farm dwelling may not be constructed unless a unit owner demonstrates to the County his ability to derive income from his property, established and verified prior to any building permit approval.

Except as limited specifically by the condominium documents and subdivision restrictive covenants, all uses permitted in the agricultural and open zones are permitted. Uses in one zone are not the same as in the other, and the prospective purchaser should consult the appropriate county agency for information on uses and construction in the respective zones.

A buyer should understand that all development and use of the property shall be in compliance with County codes and ordinances, that owners in this condominium project will not necessarily receive the same County benefits as owners of approved subdivided lots and that owners who develop their limited common element later than others may find that land use and zoning changes or insufficient utility capacities may thwart their expectations.

This project is entitled to one guest house. The right to construct the guest house is Assigned to Unit 1 This right may be assigned to Unit B by written agreement which is recorded in the Bureau of Conveyances, State of Hawaii.

The Developer is currently in process of obtaining water meters from the Water Department for installation at the five units in the Project. There will be no restrictions or limitations on the water meters.

Portions of the Project are subject to drainage concerns that may impact the location of homesites permitted by the County of Kauai. A formal drainage study may be required prior to issuance of building permits for structures located on various parts of the Project.

Esaki Surveying and Mapping Inc. is also the Engineer and Surveyor for the project, and has prepared the condominium map and all property descriptions for the Project.

D. The developer declares subject to the penalties set forth in section 514A-49(b) that this project is in compliance with all county zoning and building ordinances and codes, and all other county permitting requirements applicable to the project, pursuant to Act 251 (SLH 2000) [Section 514A-] (The developer is required to make this declaration for issuance of an effective date for a final public report.

E. The developer hereby certifies that all the information contained in this Report and the Exhibits attached to this Report and all documents to be furnished by the developer to buyers concerning the project have been reviewed by the developer and are, to the best of the developer's knowledge, information and belief, true, correct and complete.

SUMMARY OF SALES CONTRACT

This Project utilized a Condominium Addendum to Sales Contract (the "Addendum") to be used in conjunction with a standard printed form contract provided by the Hawaii Association of Realtors. The Addendum protects the rights of the Purchasers and the handling of funds under the Condominium Property Act (the "Act"), as well as insuring compliance with the Act by all parties. Relevant portions of the Addendum are summarized as follows:

1. The fact that the Act controls over any provision of a contract to sell a condominium unit.

2. That an effective date for a final or supplementary public report must be in place and a receipt for same signed by the buyer to have an effective sale.

3. That all purchaser funds must be held in escrow until the law allows closing and disbursement of the funds.

4. The conditions precedent to release of funds are enumerated, including, in part:

(a) That Purchaser will receive a copy of the final public report for the project.

(b) Purchaser agrees that all payments made will be placed on deposit with escrow pursuant to the terms of the Escrow Agreement, and Purchaser is subject to all of the terms of the Escrow Agreement.

(c) If there is dual agency by a single broker, it will be disclosed in the contract.

SPECIAL NOTICE: THE FOREGOING SUMMARY IS NOT INTENDED TO BE A THOROUGH AND EXHAUSTIVE EXPLANATION OF ALL TERMS AND PROVISIONS CONTAINED IN THE CONTRACT. WHILE A PURCHASER CAN USE THIS SUMMARY AS A GENERAL SUMMARY OF THE PURCHASER'S RIGHTS AND OBLIGATIONS, THE PURCHASER MUST REFER TO THE PURCHASER'S CONTRACT TO DETERMINE THE BUYER'S ACTUAL RIGHTS AND OBLIGATIONS. IF ANY CONFLICT OR DIFFERENCE EXISTS BETWEEN THIS SUMMARY AND THE CONTRACT, THE CONTRACT WILL CONTROL NOT THIS SUMMARY.

SUMMARY OF PORTIONS OF ESCROW AGREEMENT

The Escrow Agreement ("Agreement") between FIRST HAWAII TITLE CORPORATION (the "Escrow"), and ESAKI SURVEYING AND MAPPING, INC. (the "Seller"), contains, among other provisions, the following (which may be modified or otherwise limited by provisions not summarized):

3. Escrow will release from the trust fund and disburse Buyer's funds at closing, unless: (a) Buyer has elected to cancel the contract as provided by HRS Sec. 514-A: 62 or 63 and receive all funds paid, with an Escrow cancellation fee of $25.00 to $250.00; or (b) the Real Estate Commission has not issued an effective date for a Final Public Report on the project or the Seller's requirements of the sales contract have not been met; or (c) Seller has not satisfied Escrow that all other requirements of Hawaii Revised Statutes have been met, in which case there shall be no escrow cancellation fee.
