## **General Information On Condominiums**

A condominium is a special form of real property. To create a condominium in Hawaii, the requirements of the Condominium Property Act, Chapter 514A, Hawaii Revised Statutes, must be complied with. In addition, certain requirements and approvals of the County in which the project is located must be satisfied and obtained.

Some condominium projects are leasehold. This means that the land or the building(s) and other improvements are leased to the buyer. The lease for the land usually requires that at the end of the lease term, the lessees (apartment owners/tenants) deliver their interest in the land to the lessor (fee property owner). The lease also usually requires that the lessees either (1) convey to the lessor the building(s) and other improvements, including any improvements paid for by the lessees; or (2) remove or dispose of the improvements at the lessee's expense. Leases for individual apartments often require that at the end of the lease term, the lessee deliver to the lessor the apartment, including any improvements placed in the apartment by the lessee.

If you are a typical condominium apartment owner, you will have two kinds of ownership: (1) ownership in your individual apartment; and (2) an undivided interest in the common elements.

"Common elements" are the areas of the condominium project other than the individual apartments. They are owned jointly by all apartment owners and include the land, either in fee simple or leasehold, and those parts of the building or buildings intended for common use such as foundations, columns, roofs, halls, elevators, and the like. Your undivided interest in the common elements cannot be separated from ownership of your apartment.

In some condominium projects, some common elements are reserved for the exclusive use of the owners of certain apartments. These common elements are called "limited common elements" and may include parking stalls, patios, lanais, trash chutes, and the like.

You will be entitled to exclusive ownership and possession of your apartment. Condominium apartments may be individually bought, sold, rented, mortgaged or encumbered, and may be disposed of by will, gift, or operation of law.

Your apartment will, however, be part of the group of apartments that comprise the condominium project. Study the project's Declaration, Bylaws, and House Rules. These documents contain important information on the use and occupancy of apartments and the common elements as well as the rules of conduct for owners, tenants, and guests.

## **Operation of the Condominium Project**

The Association of Apartment Owners is the entity through which apartment owners may take action with regard to the administration, management, and operation of the condominium project. Each apartment owner is automatically a member of the Association.

The Board of Directors is the governing body of the Association. Unless you serve as a board member or an officer, or are on a committee appointed by the board, your participation in the administration and operation of the condominium project will in most cases be limited to your right to vote as an apartment owner. The Board of Directors and officers can take certain actions without the vote of the owners. For example, the board may hire and fire employees, increase or decrease maintenance fees, borrow money for repair and improvements and set a budget. Some of these actions may significantly impact the apartment owners.

Until there is a sufficient number of purchasers of apartments to elect a majority of the Board of Directors, it is likely that the developer will effectively control the affairs of the Association. It is frequently necessary for the developer to do so during the early stages of development and the developer may reserve certain special rights to do so in the Declaration and Bylaws. Prospective buyers should understand that it is important to all apartment owners that the transition of control from the developer to the apartment owners be accomplished in an orderly manner and in a spirit of cooperation.

**II. CREATION OF THE CONDOMINIUM;  
CONDOMINIUM DOCUMENTS**

A condominium is created by recording in the Bureau of Conveyances and/or filing with the Land Court a Declaration of Condominium Property Regime, a Condominium Map (File Plan), and the Bylaws of the Association of Apartment Owners. The Condominium Property Act (Chapter 514A, HRS), the Declaration, Bylaws, and House Rules control the rights and obligations of the apartment owners with respect to the project and the common elements, to each other, and to their respective apartments. The provisions of these documents are intended to be, and in most cases are, enforceable in a court of law.

A. **Declaration of Condominium Property Regime** contains a description of the land, buildings, apartments, common elements, limited common elements, common interests, and other information relating to the condominium project.

The Declaration for this condominium is:

The Declaration referred to above has been amended by the following instruments [state name of document, date and recording/filing information]:

B. **Condominium Map (File Plan)** shows the floor plan, elevation and layout of the condominium project. It also shows the floor plan, location, apartment number, and dimensions of each apartment.

The Condominium Map for this condominium project is:

The Condominium Map has been amended by the following instruments [state name of document, date and recording/filing information]:

C. **Bylaws of the Association of Apartment Owners** govern the operation of the condominium project. They provide for the manner in which the Board of Directors of the Association of Apartment Owners is elected, the powers and duties of the Board, the manner in which meetings will be conducted, whether pets are prohibited or allowed and other matters which affect how the condominium project will be governed.

The Bylaws for this condominium are:

The Bylaws referred to above have been amended by the following instruments [state name of document, date and recording/filing information]:

D. **House Rules.** The Board of Directors may adopt House Rules to govern the use and operation of the common elements and limited common elements. House Rules may cover matters such as parking regulations, hours of operation for common facilities such as recreation areas, use of lanais and requirements for keeping pets. These rules must be followed by owners, tenants, and guests. They do not need to be recorded or filed to be effective. The initial House Rules are usually adopted by the developer.

The House Rules for this condominium are:

Proposed       Adopted       Developer does not plan to adopt House Rules

E. **Changes to Condominium Documents** Changes to the Declaration, Condominium Map, and Bylaws are effective only if they are duly adopted and recorded and/or filed. Changes to House Rules do not need to be recorded or filed to be effective.

**IMPORTANT INFORMATION ON LEASEHOLD CONDOMINIUM PROJECTS**

The information contained in this report is a summary of the terms of the lease. For more detailed information, you should secure a copy of the lease documents and read them thoroughly.

If you have any legal questions about leasehold property, the lease documents or the terms of the lease and the consequences of becoming a lessee, you should seek the advice of an attorney.

There are currently no statutory provisions for the mandatory conversion of leasehold condominiums and there are no assurances that such measures will be enacted in the future.

In leasehold condominium projects, the buyer of an apartment will acquire the right to occupy and use the apartment for the time stated in the lease agreement. The buyer will not acquire outright or absolute fee simple ownership of the land. The land is owned by the lessor or the leased fee owner. The apartment owner or lessee must make lease rent payments and comply with the terms of the lease or be subject to the lessor's enforcement actions. The lease rent payments are usually fixed at specific amounts for fixed periods of time, and are then subject to renegotiation. Renegotiation may be based on a formula, by arbitration set in the lease agreement, by law or by agreement between the lessor and lessee. The renegotiated lease rents may increase significantly. At the end of the lease, the apartment owners may have to surrender the apartments, the improvements and the land back to the lessor without any compensation (surrender clause).

When leasehold property is sold, title is normally conveyed by means of an assignment of lease, the purpose of which is similar to that of a deed. The legal and practical effect is different because the assignment conveys only the rights and obligations created by the lease, not the property itself.

The developer of this condominium project may have entered into a master ground lease with the fee simple owner of the land in order to develop the project. The developer may have then entered into a sublease or a new lease of the land with the lessee (apartment owner). The developer may lease the improvements to the apartment owner by way of an apartment lease or sublease, or sell the improvements to the apartment owners by way of a condominium conveyance or apartment deed.

as follows:

2. Limited Common Elements: Limited Common Elements are those common elements which are reserved for the exclusive use of the owners of certain apartments.

There are no limited common elements in this project.

The limited common elements and the apartments which use them, as described in the Declaration, are:

described in **Exhibit D\***

as follows:

\*Note: Land areas referenced herein are not legally subdivided lots.

3. **Common Interest:** Each apartment will have an undivided fractional interest in all of the common elements. This interest is called the "common interest." It is used to determine each apartment's share of the maintenance fees and other common profits and expenses of the condominium project. It may also be used for other purposes, including voting on matters requiring action by apartment owners. The common interests for the apartments in this project, as described in the Declaration, are:

described in Exhibit \_\_\_\_

as follows:

<u>Condominium</u> <u>Villa No.</u>	<u>Common interest (%)</u>
<u>7A</u>	<u>0.916495 %</u>
<u>7B</u>	<u>1.104252 %</u>
<u>7C</u>	<u>1.104252 %</u>
<u>7D</u>	<u>0.916495 %</u>
<u>7E</u>	<u>1.104252 %</u>
<u>7F</u>	<u>1.104252 %</u>

Notwithstanding the foregoing Common Interest percentages, pursuant to Section N.7 of the Declaration, Common Expenses shall be calculated from time to time based on the number of Condominium Villas which have been constructed. Please refer to **Exhibit B** for further explanation.

E. **Encumbrances Against Title:** An encumbrance is a claim against or a liability on the property or a document affecting the title or use of the property. Encumbrances may have an adverse effect on the property or your purchase and ownership of an apartment in the project.

**Exhibit E** describes the encumbrances against the title contained in the title report dated February 18, 2003 and issued by Title Guaranty of Hawaii, Inc.

**Blanket Liens:**

A blanket lien is an encumbrance (such as a mortgage) on the entire condominium project that secures some type of monetary debt (such as a loan) or other obligation. A blanket lien is usually released on an apartment-by-apartment basis upon payment of specified sums so that individual apartments can be conveyed to buyers free and clear of the lien.

There are no blanket liens affecting title to the individual apartments.

There are blanket liens which may affect title to the individual apartments.

Blanket liens (except for improvement district or utility assessments) must be released before the developer conveys the apartment to a buyer. The buyer's interest will be affected if the developer defaults and the lien is foreclosed prior to conveying the apartment to buyer.

**Type of Lien**

**Effect on Buyer's Interest and Deposit if Developer Defaults or Lien is Foreclosed Prior to Conveyance**

The land underlying the Project is presently subject to three (3) mortgages and a financing statement made by the fee owner and the fee owner's predecessor-in-interest that will be released upon the closing of the Developer's purchase of the fee interest.

If the existing mortgages and financing statement are foreclosed upon prior to conveyance to the purchaser, the purchaser will be entitled to a refund of deposits held in escrow, if any, and to exercise the purchaser's rights in the purchase contract against the developer.

**F. Construction Warranties:**

Warranties for individual apartments and the common elements, including the beginning and ending dates for each warranty, are as follows:

1. Building and Other Improvements:

The Developer represents and warrants that the quality of the workmanship and construction of the Condominium Villa shall be at least equivalent to that found in comparable residential condominium projects built in Hawaii as of the date of the Sales Contract ("Seller's Warranty"). The warranty period for Seller's Warranty shall be one (1) year from the Closing Date. Seller shall correct any claims for defective work reported in writing to Seller within the one (1) year warranty period.

2. Appliances:

In addition, Seller shall assign to Purchaser, without recourse, any manufacturer's or dealer's warranties covering the furnishings and appliances in the Condominium Villa.

G. **Status of Construction and Date of Completion or Estimated Date of Completion:**

Site work for the Project has commenced. Construction of the Project's buildings is expected to commence on April 14, 2003 and the Project is currently expected to be completed in April 30, 2004. Please note that these dates are estimates only and the actual dates of completion may vary.

H. **Project Phases:**

The developer [] has [] has not reserved the right to add to, merge, or phase this condominium.

Summary of Developer's plans or right to perform for future development (such as additions, mergers or phasing):

1. Under Section N.7 of the Declaration, the Developer has elected to develop and register the Project in two (2) or more phases, the phase covered under this Preliminary Public Report being comprised of six (6) Condominium Villas contained in Building No. 7. The other Condominium Villas and Buildings in the Project will be covered by one or more separate Public Reports (Preliminary, Contingent Final and/or Final). Please be advised that there is no guaranty that the other Condominium Villas or Buildings in the Project will be developed. See Sections N.7, N.8 and N.9 of the Declaration.

IV. CONDOMINIUM MANAGEMENT

A. **Management of the Common Elements:** The Association of Apartment Owners is responsible for the management of the common elements and the overall operation of the condominium project. The Association may be permitted, and in some cases may be required, to employ or retain a condominium managing agent to assist the Association in managing the condominium project.

Initial Condominium Managing Agent: When the developer or the developer's affiliate is the initial condominium managing agent, the management contract must have a term of one year or less and the parties must be able to terminate the contract on notice of 60 days or less.

The initial condominium managing agent for this project, named on page five (5) of this report, is:

- not affiliated with the Developer  the Developer or Developer's affiliate
- self-managed by the Association of Apartment Owners  Other: Not determined yet

B. **Estimate of Initial Maintenance Fees:**

The Association will make assessments against your apartment to provide funds for the operation and maintenance of the condominium project. If you are delinquent in paying the assessments, a lien may be placed on your apartment and the apartment may be sold through a foreclosure proceeding.

Initial maintenance fees are difficult to estimate and tend to increase as the condominium ages. Maintenance fees may vary depending on the services provided.

**Exhibit F** contains a schedule of estimated initial maintenance fees and maintenance fee disbursements (subject to change).

C. **Utility Charges for Apartments:**

Each apartment will be billed separately for utilities except for the following checked utilities which are included in the maintenance fees:

- None  Electricity (  Common Elements only  Common Elements & Apartments)
- Gas (  Common Elements only  Common Elements & Apartments)
- Water  Sewer  Television Cable
- Other elevator, refuse collection

C. **Additional Information Not Covered Above**

The Project is part of a master-planned community known as Kolea (the "Planned Community"). The Planned Community is intended to be developed and sold in multiple phases. It is currently contemplated that, when fully completed, the Planned Community will encompass residential parcels, a Beach Club and the Project. The Planned Community will also include a public beach access parking area with pedestrian walkway and shoreline pathway. The developer, however, makes no guarantee or warranty that all of the currently planned lots, Buildings and Condominium Villas or recreational amenities will be developed.

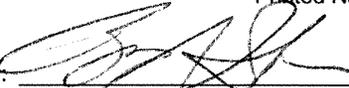

The developer is currently developing and selling subdivided lots in the Planned Community that are designated for single-family residential use and that are located adjacent to or in the general vicinity of the Project. The Developer has not registered those lots with the Subdivision Registration Division of the State of Hawaii Department of Commerce and Consumer Affairs or with the U.S. Department of Housing and Urban Development's Office of Interstate Land Sales Registration. Nevertheless, the Developer has prepared and is providing to lot purchasers a Disclosure Statement that contains extensive information regarding the Planned Community, its physical environment and other items which may be of interest to Condominium Villa purchasers. Accordingly, the Disclosure Statement will be made available to prospective purchasers.

The purchase of a condominium unit in the Kolea Condominium Villas, Building No. 7, does not confer upon the purchaser any rights to the subdivided lots, which are currently being sold independent of the condominium units, nor are the condominium purchasers obligated to buy lots. Likewise, lot sales do not afford lot purchasers any rights to the condominium project. Such lot and condominium unit sales are completely separate.

D. The developer hereby certifies that all the information contained in this Report and the Exhibits attached to this Report and all documents to be furnished by the developer to buyers concerning the project have been reviewed by the developer and are, to the best of the developer's knowledge, information and belief, true, correct and complete.

**EXHIBIT B**

**PHASING OF PROJECT**

Pursuant to Section N.7 of the Declaration, the Developer has reserved the right to develop the Project in phases, with the phase being covered under this Contingent Final Public Report being comprised of Building No. 7. The Developer is under no obligation to construct any Condominium Villas in the Project unless such Condominium Villas are covered under a Final Condominium Public Report and the Developer may amend the description of any Condominium Villa described in the Declaration at any time prior to obtaining a Final Condominium Public Report covering such Condominium Villa. As part of such development in phases:

- (A) The phases are to be developed on three (3) subdivided lots all covered by a single declaration, with a number of phases located on each lot.
- (B) The Developer may file separate Preliminary, Contingent Final and/or Final Public Reports for any phase of the Project with the Real Estate Commission of the State of Hawaii.
- (C) The site work and improvements for the Project may be undertaken in phases. The site improvements in future phases are not integral to those earlier built.
- (D) The Developer does not intend to build any common facilities in future phases for the benefit of owners in all phases.
- (E) Each Condominium Villa's share of the Common Expenses shall be calculated from time to time based on the number of Condominium Villas which have been constructed. Each Condominium Villa's share of the Common Expenses shall be calculated based on a fraction, the numerator of which shall be such Condominium Villa's Common Interest set forth in Exhibit C to the Declaration and the denominator of which shall be the aggregate Common Interest set forth in Exhibit C to the Declaration of all Condominium Villas for which a Certificate of Occupancy has been issued.

For Building No. 7 of the Project, each Condominium Villa's share of the Common Expenses following the issuance of a Certificate of Occupancy for such Condominium Villas shall be as follows:

Condominium Villa No.	Common Interest	Share of Common Expenses
7A	<u>0.916495 %</u>	14.664 %
7B	<u>1.104252 %</u>	17.668 %
7C	<u>1.104252 %</u>	17.668 %
7D	<u>0.916495 %</u>	14.664 %
7E	<u>1.104252 %</u>	17.668 %
7F	<u>1.104252 %</u>	17.668 %

As Certificates of Occupancy are issued for additional Condominium Villas in the Project, the shares of Common Expenses for the foregoing Condominium Villas will be adjusted to reflect the additional Condominium Villas.

(F) In order to carry out the provisions of, or exercise the rights, powers or privileges reserved in, Section N.7 of the Declaration, the Developer may file amendments to the Declaration, Bylaws and/or Condominium Map for the Project to describe any changes to the Condominium Villas or Buildings or Common Elements therein described at any time, notwithstanding the lease, sale or conveyance of any or all of the Condominium Villas in the Project, and the Developer may execute, file and deliver any such amendment to the Declaration, Bylaws and/or the Condominium Map for the Project and to such Condominium Villa Deeds as may have been issued, and any and all other instruments necessary or desirable.

EXHIBIT C

**RIGHTS RESERVED BY DEVELOPER**

The Developer has reserved the following rights to change the Declaration, Condominium Map, Bylaws or House Rules:

(A) As set forth in Section N.1 (Reservation of Power to Grant Easements) of the Declaration, the Developer may exercise its reserved right to grant from time to time within the Common Elements, including without limitation the roadways, parking areas, parking stalls and walkways in the Project, (a) easements and right-of-ways over, under and across the Common Elements for pedestrian and vehicular access, parking, utilities, sanitary and storm sewers, drains, cable television and other utility services, (b) in its capacity as Declarant under the Kolea Declaration, easements as provided in Section X of the Kolea Declaration, and (c) the right to relocate, realign or cancel the same, provided that such easements, their use, relocation, realignment or cancellation shall not materially impair or interfere with the use of any Condominium Villa.

(B) As set forth in Section N.3 (Required Amendments) of the Declaration, the Developer may exercise its reserved right to make, at any time prior to the recordation of a Condominium Villa Deed for the last Condominium Villa in the Project, amendments to the Declaration, the Bylaws, or the Condominium Map that are required by law, by the Real Estate Commission, by a title insurance company, by a mortgage lender, or by any governmental agency (including the VA, HUD, FNMA and/or FHLMC), provided that such amendments shall not change the Common Interest appurtenant to a Condominium Villa or substantially change the design, location or size of any Condominium Villa for which a Condominium Villa Deed has been recorded.

(C) As set forth in Section N.4 (Reconfiguration of Condominium Villas) of the Declaration, the Developer may amend the Declaration, Bylaws and Condominium Map, at any time prior to the recordation of a Condominium Villa Deed for such Condominium Villa, to reconfigure the interior space of any of the Condominium Villas as shown on the Condominium Map to, among other things, increase or decrease the interior square footage of a Condominium Villa, or install, remove, alter, relocate or rearrange floors, interior walls, partitions, ceilings, structures, exterior doors, fixtures, pipes, wiring, ducts, valves, conduits, controls, cables and other equipment serving such Condominium Villa, regardless of whether such equipment is located outside of such Condominium Villa. In no event, however, shall such amendments affect the Common Interest appurtenant to any Condominium Villa.

(D) As set forth in Section N.5 (Reserved Right to Combine Adjoining Condominium Villas) of the Declaration, the Developer, as an Owner of adjoining Condominium Villas, may exercise its reserved right to alter or remove all or portions of the non-structural or load-bearing portion of the intervening wall which separates such Condominium Villas if the structural integrity of the Project is not thereby affected and if any Common Elements affected are restored to a condition comparable to that of the Common Elements prior to such alteration of such Common Elements. The Declarant may install in and attach to such opening or openings in such wall, doors and other service devices and may remove and retain ownership of the items so installed. Upon termination of the common ownership of such adjoining Condominium Villas, any intervening wall which has been altered or removed pursuant to the foregoing provisions shall be restored at the Declarant's sole expense to substantially the condition which existed prior to such alteration or removal, if the new Owner or Owners do not consent to such alteration.

(E) As set forth in Section N.6 (Amendment and Supplement of Kolea Declaration and Design Guidelines) of the Declaration, the Developer, as the Declarant and Successor Declarant under the Kolea Declaration, reserves the right to amend and/or supplement the Kolea Declaration and the Design Guidelines in accordance with Articles XVI and V of the Kolea Declaration, respectively.

(G) As set forth in Section N.8 (Reserved Right to Reduce or Increase the Total Number of Buildings and/or Condominium Villas in the Project) of the Declaration, the Developer reserves the right at any time prior to December 31, 2012 to reduce or increase the total number of buildings and/or Condominium Villas comprising the Project. As part of such reserved right the Developer may make adjustments to the Common Interest and amend the Declaration, Bylaws and Condominium Map in the exercise of its reserved rights under Section N.8.

(H) As set forth in Section N.9 (Developer's Options to Subdivide and Withdraw Areas) of the Declaration, the Developer shall have the right, at any time up to but not later than December 31, 2012, to amend the Declaration, Bylaws and Condominium Map in connection with the subdivision of the Land and withdrawal therefrom of all or a portion of the Project which has not been improved with any of the improvements described in the Declaration or shown on the Condominium Map and which improvements shall not be then described in a final public report, for which an effective date has been issued by the Real Estate Commission.

(I) As set forth in Section O (Amendment of Declaration) of the Declaration, the Developer has reserved the right to amend the Declaration to file the "as built" verified statement (with plans, if applicable) required by Section 514A-12 of the Act, so long as such statement is merely a verified statement of a registered architect or professional engineer certifying that the final plans theretofore filed fully and accurately depict the layout, location, Condominium Villa numbers and dimensions of the Condominium Villas as built, or so long as any plans filed therewith involve only non-material changes to the layout, location, Condominium Villa numbers and dimensions of the Condominium Villas as built.

(J) As set forth in Section O (Amendment of Declaration) of the Declaration, the Developer has reserved the right to amend the Declaration to assign or change, from time to time, the assignments of individual parking garages and connected storage closets to individual Condominium Villas for which a Condominium Villa Deed has not been recorded, which assignments or changes in assignments shall be accomplished by an amendment to the Declaration.

**SUMMARY OF SALES CONTRACT**

The specimen Sales Contract, filed with the Commission, provides for, among other things, a description of the Condominium Villa to be sold, the purchase price, the closing costs, the time, manner and place of payment, the Purchaser's obligations regarding financing, the Seller's warranties and disclaimers regarding the Condominium Map and the Project, and the remedies of the Seller and of the Purchaser in the event of a default under the Sales Contract.

Among other provisions the specimen Sales Contract provides:

1. That the Sales Contract shall be binding when (i) a true copy of the Contingent Final Public Report (or Final Public Report, if applicable) together with a Receipt Form required by Hawaii Revised Statutes Section 514A-62 is delivered to the Purchaser, (ii) the Purchaser has an opportunity to read the report(s), and (iii) a Deemed Acceptance of such report(s) by the Purchaser shall have occurred.
2. The Seller has entered into an Escrow Agreement with Title Guaranty Escrow Services, Inc. ("Escrow"), covering the deposit with the Escrow of all funds paid by the Purchaser under the Sales Contract and the disbursement of the funds by Escrow. In the event of a purchase is cancelled, Escrow may charge a cancellation fee on account of escrow services performed not to exceed \$250.00.
3. The Sales Contract requires the Purchaser to pay the Total Purchase Price by a series of payments prior to Closing, as follows: Purchaser shall make an initial payment by check when Purchaser signs the Sales Contract. Purchaser shall make additional deposits upon completion of Framing, as such term is defined in the Sales Contract, of the Building and Condominium Villa with the balance due on or before closing.
4. The Sales Contract provides that Purchaser will not receive any interest on Purchaser's Deposits. All interest on Purchaser's Deposits shall accrue to Seller.
5. The Sales Contract provides that closing costs and expenses shall be allocated as follows: Seller shall pay 60% of the premium for the Title Policy, the cost of drafting of conveyance documents, Seller's notary fees, conveyance tax, and 50% of escrow fees. Purchaser shall pay 40% of the premium for the Title Policy, and any additional costs relating to the issuance of extended coverage policy (including a lender's policy), the cost of drafting of any revisions or addenda to the Sales Contract in addition to those listed in Section C.1 of the Sales Contract, if any, the cost of obtaining Purchaser's consents, if any, Purchaser's notary fees, all recording fees, 50% of escrow fees, any mortgage fees, and Hawaii General Excise Tax. The Sales Contract also provides that at Closing Purchaser shall pay (a) one (1) month's maintenance fee for the Project's Owner's Association, (b) a non-refundable, non-transferable start-up fee to the Project's Owner's Association in the amount equal to two (2) months' maintenance fee assessments, and (c) a \$1,000.00 start-up fee to the Kolea Owners' Association, the master community association for the Kolea master-planned community in which the Project is located. These start-up fees are one-time assessments at Closing and are not advance payments of common expenses or assessments, and shall be in addition to the normal monthly assessments.
6. The Sales Contract provides that Seller shall complete construction of the Project so as to permit normal occupancy of the Condominium Villa covered by the Sales Contract within two (2) years from the date that the Purchaser executes the Sales Contract; provided, however, that such two (2) year period shall be extended for any period of time during which Seller is actually and necessarily delayed in beginning or completing construction if such delay is caused by fire, earthquake, act of God, the elements, war or civil disturbances, litigation, strikes or other labor disturbances, or economic controls making it impossible to obtain the necessary labor or materials, or any other matter or condition beyond Seller's control.
7. The Sales Contract provides that Purchaser may purchase upgrades, including modifications or additions to, or upgrades of, the standard fixtures, appliances and/or layout of the Condominium Villa to be made by Seller, pursuant to an upgrade addendum attached to the Sales Contract upon Purchaser's execution of the Sales Contract. Purchaser must deposit one hundred percent (100%) of the purchase price of the upgrades upon Purchaser's execution of the upgrade addendum.
8. The Sales Contract provides that it may not be assigned by Purchaser, in whole or in part, without the prior written consent of Seller which consent may be withheld by Seller in its sole and absolute discretion. Any assignment of the Sales Contract made without Seller's written consent is void and of no legal effect. Notwithstanding the foregoing, Purchaser may assign its rights under the Sales Contract to affiliated entities for estate planning purposes without the consent of Seller, provided that any such assignment shall not release Purchaser from its obligations under the Sales Contract. In the event that Purchaser decides to make such an assignment for estate planning purposes, Purchaser shall provide written notice thereof to Seller at least fifteen (15) days prior to the Closing Date, as defined in the Sales Contract, and shall provide to Seller copies of such documents as Seller, in its sole and absolute discretion, deems necessary to complete Closing.

9. The Sales Contract provides that any dispute by or between Seller and Purchaser arising out of or incident to the Sales Contract, or the development or management of the Project, the sale of the Condominium Villa or the use or occupancy thereof, or any other aspect of the relationship between Seller and Purchaser regarding the Project which is raised or otherwise asserted after Closing shall be submitted to mediation and, if necessary, to arbitration in accordance with the terms, conditions and procedures set forth in the Sales Contract. The Sales Contract also provides that any dispute by or between Seller and Purchaser arising out of or incident to the Sales Contract that is raised or otherwise asserted before Closing need not be submitted to arbitration, and Seller and Purchaser shall be free to pursue such dispute, as otherwise provided herein, in proceedings in a court of competent jurisdiction, provided that any judicial proceedings initiated shall be conducted in Honolulu, Hawaii.

The foregoing is only a summary of some of the key terms of the Sales Contract. It is incumbent upon a prospective Purchaser to read the full text of the Sales Contract with care.

**EXHIBIT H**

**SUMMARY OF ESCROW AGREEMENT**

A copy of the executed Escrow Agreement for the Project between Title Guaranty Escrow Services, Inc. ("Escrow") and Developer has been filed with the Commission. The Escrow Agreement provides for the deposit of the funds of a purchaser of a Condominium Villa (a "Purchaser") pursuant to the Sales Contract and also provides for the retention or disbursement of the funds. The Escrow Agreement specifically permits the disbursement of Purchaser's funds under a Sales Contract prior to closing, subject to certain conditions, to pay for certain Project costs, including costs of constructing the Project's buildings, fixtures and other improvements, Developer's architectural, engineering, finance and legal fees, and other incidental expenses of the Project (excluding marketing expenses and brokerage fees relating to the sales of Condominium Villas).

The Escrow Agreement provides in part that any interest earned on money on deposit shall be paid to the parties in accordance with the terms of the Sales Contract. In the event that the Sales Contract or Hawaii Revised Statutes Chapter 514A entitle a Purchaser to a refund of Purchaser's Deposits held by Escrow, then Escrow, upon instruction from Developer, will refund Purchaser's deposits, less certain cancellation fees and costs (e.g., escrow cancellation fees, loan processing fees, cost of credit reports, etc.) as provided in the Sales Contract and Chapter 514A, Hawaii Revised Statutes, as amended.

By law, the total amount of such cancellation fees shall not exceed Two Hundred Fifty and No/100 Dollars (\$250.00) so long as the cancellation occurs prior to the time the Sales Contract becomes effective (following issuance of the Final Public Report). Under the Escrow Agreement no disbursement of funds can be made to the Developer until the Sales Contract becomes effective under the provisions of Chapter 514A, Hawaii Revised Statutes.

The foregoing is only a summary of some of the key terms of the Escrow Agreement. It is incumbent upon a prospective Purchaser to read the executed Escrow Agreement with care.
