General Information On Condominiums

A condominium is a special form of real property. To create a condominium in Hawaii, the requirements of the Condominium Property Act, Chapter 514A, Hawaii Revised Statutes, must be complied with. In addition, certain requirements and approvals of the County in which the project is located must be satisfied and obtained.

Some condominium projects are leasehold. This means that the land or the building(s) and other improvements are leased to the buyer. The lease for the land usually requires that at the end of the lease term, the lessees (apartment owners/tenants) deliver their interest in the land to the lessor (fee property owner). The lease also usually requires that the lessees either (1) convey to the lessor the building(s) and other improvements, including any improvements paid for by the lessees; or (2) remove or dispose of the improvements at the lessee's expense. Leases for individual apartments often require that at the end of the lease term, the lessee deliver to the lessor the apartment, including any improvements placed in the apartment by the lessee.

If you are a typical condominium apartment owner, you will have two kinds of ownership: (1) ownership in your individual apartment; and (2) an undivided interest in the common elements.

"Common elements" are the areas of the condominium project other than the individual apartments. They are owned jointly by all apartment owners and include the land, either in fee simple or leasehold, and those parts of the building or buildings intended for common use such as foundations, columns, roofs, halls, elevators, and the like. Your undivided interest in the common elements cannot be separated from ownership of your apartment.

In some condominium projects, some common elements are reserved for the exclusive use of the owners of certain apartments. These common elements are called "limited common elements" and may include parking stalls, patios, lanais, trash chutes, and the like.

You will be entitled to exclusive ownership and possession of your apartment. Condominium apartments may be individually bought, sold, rented, mortgaged or encumbered, and may be disposed of by will, gift, or operation of law.

Your apartment will, however, be part of the group of apartments that comprise the condominium project. Study the project's Declaration, Bylaws, and House Rules. These documents contain important information on the use and occupancy of apartments and the common elements as well as the rules of conduct for owners, tenants, and guests.

Operation of the Condominium Project

The Association of Apartment Owners is the entity through which apartment owners may take action with regard to the administration, management, and operation of the condominium project. Each apartment owner is automatically a member of the Association.

The Board of Directors is the governing body of the Association. Unless you serve as a board member or an officer, or are on a committee appointed by the board, your participation in the administration and operation of the condominium project will in most cases be limited to your right to vote as an apartment owner. The Board of Directors and officers can take certain actions without the vote of the owners. For example, the board may hire and fire employees, increase or decrease maintenance fees, borrow money for repair and improvements and set a budget. Some of these actions may significantly impact the apartment owners.

Until there is a sufficient number of purchasers of apartments to elect a majority of the Board of Directors, it is likely that the developer will effectively control the affairs of the Association. It is frequently necessary for the developer to do so during the early stages of development and the developer may reserve certain special rights to do so in the Declaration and Bylaws. Prospective buyers should understand that it is important to all apartment owners that the transition of control from the developer to the apartment owners be accomplished in an orderly manner and in a spirit of cooperation.

II. CREATION OF THE CONDOMINIUM; CONDOMINIUM DOCUMENTS

A condominium is created by recording in the Bureau of Conveyances and/or filing with the Land Court a Declaration of Condominium Property Regime, a Condominium Map (File Plan), and the Bylaws of the Association of Apartment Owners. The Condominium Property Act (Chapter 514A, HRS), the Declaration, Bylaws, and House Rules control the rights and obligations of the apartment owners with respect to the project and the common elements, to each other, and to their respective apartments. The provisions of these documents are intended to be, and in most cases are, enforceable in a court of law.

A. Declaration of Condominium Property Regime contains a description of the land, buildings, apartments, common elements, limited common elements, common interests, and other information relating to the condominium project.

The Declaration for this condominium is:

The Bylaws for this condominium are:

The Bylaws referred to above have been amended by the following instruments [state name of document, date and recording/filing information]:

D. **House Rules.** The Board of Directors may adopt House Rules to govern the use and operation of the common elements and limited common elements. House Rules may cover matters such as parking regulations, hours of operation for common facilities such as recreation areas, use of lanais and requirements for keeping pets. These rules must be followed by owners, tenants, and guests. They do not need to be recorded or filed to be effective. The initial House Rules are usually adopted by the developer.

The House Rules for this condominium are:

IMPORTANT INFORMATION ON LEASEHOLD CONDOMINIUM PROJECTS

The information contained in this report is a summary of the terms of the lease. For more detailed information, you should secure a copy of the lease documents and read them thoroughly.

If you have any legal questions about leasehold property, the lease documents or the terms of the lease and the consequences of becoming a lessee, you should seek the advice of an attorney.

There are currently no statutory provisions for the mandatory conversion of leasehold condominiums and there are no assurances that such measures will be enacted in the future.

In leasehold condominium projects, the buyer of an apartment will acquire the right to occupy and use the apartment for the time stated in the lease agreement. The buyer will not acquire outright or absolute fee simple ownership of the land. The land is owned by the lessor or the leased fee owner. The apartment owner or lessee must make lease rent payments and comply with the terms of the lease or be subject to the lessor's enforcement actions. The lease rent payments are usually fixed at specific amounts for fixed periods of time, and are then subject to renegotiation. Renegotiation may be based on a formula, by arbitration set in the lease agreement, by law or by agreement between the lessor and lessee. The renegotiated lease rents may increase significantly. At the end of the lease, the apartment owners may have to surrender the apartments, the improvements and the land back to the lessor without any compensation (surrender clause).

When leasehold property is sold, title is normally conveyed by means of an assignment of lease, the purpose of which is similar to that of a deed. The legal and practical effect is different because the assignment conveys only the rights and obligations created by the lease, not the property itself.

The developer of this condominium project may have entered into a master ground lease with the fee simple owner of the land in order to develop the project. The developer may have then entered into a sublease or a new lease of the land with the lessee (apartment owner). The developer may lease the improvements to the apartment owner by way of an apartment lease or sublease, or sell the improvements to the apartment owners by way of a condominium conveyance or apartment deed.

Limitations may include restrictions on extending, enlarging, or continuing the non-conformity, and restrictions on altering and repairing structures. In some cases, a non-conforming structure that is destroyed or damaged cannot be reconstructed.

The buyer may not be able to obtain financing or insurance if the condominium project has a non-conforming or illegal use, structure, or lot.

D. **Common Elements. Limited Common Elements. Common Interest:**

1. **Common Elements:** Common Elements are those parts of the condominium project other than the individual apartments. Although the common elements are owned jointly by all apartment owners, those portions of the common elements which are designated as limited common elements (see paragraph 2 below) may be used only by those apartments to which they are assigned. The common elements for this project, as described in the Declaration, are:

described in Exhibit B

as follows:

2. Limited Common Elements: Limited Common Elements are those common elements which are reserved for the exclusive use of the owners of certain apartments.

There are no limited common elements in this project.

The limited common elements and the apartments which use them, as described in the Declaration, are:

described in Exhibit C

as follows:

3. Common Interest: Each apartment will have an undivided fractional interest in all of the common elements. This interest is called the "common interest." It is used to determine each apartment's share of the maintenance fees and other common profits and expenses of the condominium project. It may also be used for other purposes, including voting on matters requiring action by apartment owners. The common interests for the apartments in this project, as described in the Declaration, are:

described in Exhibit

as follows: Each unit and its owner(s) shall have appurtenant thereto a one-half (1/2) fractional (50%) interest in the common elements of the Project for all purposes including voting, said interest is referred to as "common interest".

- E. Encumbrances Against Title: An encumbrance is a claim against or a liability on the property or a document affecting the title or use of the property. Encumbrances may have an adverse effect on the property or your purchase and ownership of an apartment in the project.

Exhibit D describes the encumbrances against the title contained in the title report dated January 30, 2003, and issued by First Hawaii Title.

Blanket Liens:

A blanket lien is an encumbrance (such as a mortgage) on the entire condominium project that secures some type of monetary debt (such as a loan) or other obligation. A blanket lien is usually released on an apartment-by-apartment basis upon payment of specified sums so that individual apartments can be conveyed to buyers free and clear of the lien.

[] There are no blanket liens affecting title to the individual apartments.

[X] There are blanket liens which may affect title to the individual apartments.

Blanket liens (except for improvement district or utility assessments) must be released before the developer conveys the apartment to a buyer. The buyer's interest will be affected if the developer defaults and the lien is foreclosed prior to conveying the apartment to buyer.

<u>Type of Lien</u>	<u>Effect on Buyer's Interest and Deposit if Developer Defaults or Lien is Foreclosed Prior to Conveyance</u>
Mortgage	In the event of foreclosure of either mortgage, Buyer's interest may be canceled and Buyer would be entitled to a refund of deposits, less escrow cancellation fees. However, should Buyer's deposit be disbursed by Escrow and the lien be foreclosed prior to conveyance to Buyer, Buyer may not be able to recover any deposits.

F. **Construction Warranties:**

Warranties for individual apartments and the common elements, including the beginning and ending dates for each warranty, are as follows:

1. Building and Other Improvements:

Improvements are sold "AS IS".

2. Appliances:

Appliances are sold "AS IS".

G. Status of Construction and Date of Completion or Estimated Date of Completion:

Unit 1 greenhouse was completed in 2001.
Unit 2 greenhouse was completed in 2001.

H. Project Phases:

The developer [] has [x] has not reserved the right to add to, merge, or phase this condominium.

Summary of Developer's plans or right to perform for future development (such as additions, mergers or phasing):

IV. CONDOMINIUM MANAGEMENT

A. **Management of the Common Elements:** The Association of Apartment Owners is responsible for the management of the common elements and the overall operation of the condominium project. The Association may be permitted, and in some cases may be required, to employ or retain a condominium managing agent to assist the Association in managing the condominium project.

Initial Condominium Managing Agent: When the developer or the developer's affiliate is the initial condominium managing agent, the management contract must have a term of one year or less and the parties must be able to terminate the contract on notice of 60 days or less.

The initial condominium managing agent for this project, named on page five (5) of this report, is:

- not affiliated with the Developer the Developer or Developer's affiliate
 self-managed by the Association of Apartment Owners Other:

B. **Estimate of Initial Maintenance Fees:**

The Association will make assessments against your apartment to provide funds for the operation and maintenance of the condominium project. If you are delinquent in paying the assessments, a lien may be placed on your apartment and the apartment may be sold through a foreclosure proceeding.

Initial maintenance fees are difficult to estimate and tend to increase as the condominium ages. Maintenance fees may vary depending on the services provided.

Exhibit **G** (Disclosure Abstract) contains a schedule of estimated initial maintenance fees and maintenance fee disbursements (subject to change).

C. **Utility Charges for Apartments:**

1. Evidence of title: Seller shall furnish Buyer evidence of Seller's marketable title to the interest which is to be conveyed to Buyer. If Seller fails to deliver title as herein provided Buyer has the option to terminate this agreement and have any of Buyer's deposits returned to Buyer. The foregoing shall not exclude any other remedies available to Buyer. Buyer will receive an Owner's standard coverage policy of title insurance at closing: (a) Seller shall pay 60% of the premium to be charged for an Owner's standard coverage policy of title insurance to be issued to the buyer in the amount of the sales price, and (b) Buyer shall pay 40% of such premium and any additional costs relating to the issuance of any extended coverage policy, including a Lender's policy.

All expenses incurred by escrow shall be deducted from deposited funds prior to any disbursement of the prevailing party.

SUMMARY OF CONDOMINIUM ESCROW AGREEMENT

1. Sales Contracts Deposited in Escrow. As and when Developer shall enter into a sales contract for the sale of a unit, Developer shall deliver an executed copy of such sales contract to Escrow.

2. Receipt of Funds by Escrow. Developer shall pay over to Escrow any monies received by Developer from purchaser under sales contracts covering units in the Project, including all disbursements made on loan commitments, if any, from lending institutions to individual purchasers.

3. Conditions to be Met Prior to Disbursement. No disbursements of funds held in escrow shall be made unless and until the following conditions have been fulfilled:

(a) The Real Estate Commission shall have issued a Final Report on the Project; provided, however, to the extent any sales contracts are entered into and a purchaser's funds are obtained prior to the issuance of a Final Public Report of the Real Estate Commission, no disbursements shall be made from such purchaser's funds until (i) such Final Public Report shall have been issued; and (ii) the purchaser shall have been given a copy of said Final Report and shall have acknowledged receipt of same or shall have been deemed to have acknowledged receipt of same and Developer's attorney shall have delivered a written opinion to Escrow that the purchaser's sales contract has become effective; and

(b) Developer or Developer's attorney shall have delivered a written opinion to Escrow stating that the requirements of Sections 514A-62 and 514A-63, Hawaii Revised Statutes, as amended, have been met; and, if the project is a conversion project, that requirements of Section 521-38, Hawaii Revised Statutes, as amended, have been complied with; and

(c) Developer shall have given Escrow a written waiver of any option reserved in any sales contract to cancel such sales contract; and

(d) Developer shall have delivered to Escrow a certificate from Developer's architect stating that the project is in compliance with the Federal Fair Housing Amendments Act of 1988.

4. Return of Funds and Documents. A purchaser shall be entitled to a return of funds and Escrow shall pay such funds to such purchaser, without interest, if any one of the following has occurred:

(a) Developer and the purchaser shall have requested Escrow in writing to return to the purchaser the funds of the purchaser held hereunder by Escrow; or

(b) Developer shall have notified Escrow of Developer's exercise of the option to cancel or rescind the sales contract pursuant to any right of cancellation or rescission provided therein or otherwise available to Developer; or

(c) With respect to a purchaser whose funds were obtained prior to the issuance of the Final Report, the purchaser has exercised such purchaser's right to cancel the contract pursuant to Section 514A-62, Hawaii Revised Statutes, as amended; or

(d) The purchaser has exercised the purchaser's right to rescind the contract pursuant to Section 514A-63, Hawaii Revised Statutes, as amended.

In any of the foregoing events, Escrow shall, upon the occurrence of the event described in (a) or (b) above or upon receipt of a written request for a refund from the purchaser upon the occurrence of an event described in (c) or (d) above, unless the purchaser has waived or has been deemed to have waived the right to a refund, pay said funds to said purchaser (less a cancellation fee of Escrow of not less than \$25.00 per unit or a cancellation fee commensurate with the work done by Escrow prior to such cancellation, whichever fee is greater, up to a maximum of \$250.00) and thereupon said sales contract and any conveyance document theretofore delivered to Escrow shall be returned to Developer and shall be deemed no longer held hereunder; provided, however, that no refund shall be made to a purchaser at the purchaser's request prior to receipt by Developer of written notice from Escrow of its intent to make such refund.

(e) Notwithstanding any other provision in this Agreement to the contrary, Escrow further agrees to make refunds to purchasers, in accordance with Part VI, Chapter 514A, Hawaii Revised Statutes, out of the funds then on deposit with Escrow, if Developer and the purchaser shall so request in writing and any one of the following events has occurred:

- (i) No sales contract has been offered to the purchaser who has been placed on Developer's reservation list of owner-occupant applicants; or
- (ii) The purchaser has been unable to obtain adequate financing, or a commitment for adequate financing, for the purchaser's reserved unit within thirty (30) calendar days following the end of the ten (10) calendar day period during which Developer is limited to selling to owner-occupants; or
- (iii) The purchaser desires to cancel the contract on account of hardship circumstances such as those set forth in Section 514A-104(1), Hawaii Revised Statutes; or
- (iv) The purchaser indicates an intent not to become an owner-occupant of such unit.

Except for cancellations under subparagraph (i) above, Escrow may deduct from any such refund made to a purchaser a cancellation fee as set forth above.

5. Purchaser's Default. If the purchaser fails to make any payment to Escrow which is required pursuant to the sales contract on or before the due date thereof or if the purchaser fails to perform in any matter that is being handled by Escrow, Escrow shall promptly notify Developer of any such failure on the part of the purchaser. If Developer subsequently certifies in writing to Escrow that Owner has terminated the sales contract in accordance with the terms thereof and provides to Escrow copies of such notices of termination sent to the purchaser, Escrow shall thereafter treat all funds of the purchaser paid on account of such purchaser's sales contract as funds of Developer and not as funds of the purchaser. Upon written request by Developer, Escrow shall pay such sums to Developer, less any escrow cancellation fee, shall return to Developer any documents that had been theretofore delivered to Escrow by Developer and shall hold all other documents theretofore delivered to Escrow in connection with the purchase of the unit for the statutory period; and, Escrow shall thereupon be released from any further duties or liability hereunder with respect to such funds and such purchaser.

Note: Section 514A-63, Hawaii Revised Statutes, provides, rescission rights to a purchaser under a bidding contract if there is a material change in the project which directly, substantially and adversely affects the use or value of (1) such purchaser's apartment or appurtenant limited common elements, or (2) those amenities of the projects for such purchaser's use.

DISCLOSURE ABSTRACT KOHALA COAST VIEW II CONDOMINIUM PROJECT

Pursuant to the Section 514A-61, Hawaii Revised Statutes
Condominium Property Act

DEVELOPER/PROJECT MANAGER

Philip Ronald Delmer and Diane Corrine Delmer, 328 Bigbee Street, Pittsburgh, Pennsylvania 15211.

ESTIMATED MAINTENANCE FEES/COSTS PER CONDOMINIUM UNIT

MAINTENANCE FEES: The regular maintenance and repair of each condominium unit is the sole responsibility of each respective unit owner. There are no common services and/or expenses which will require regular monthly assessments. Developers disclose that no reserve study was done in accordance with Chapter 514A-83.6, HRS, and replacement reserves rules, Subchapter 6, Title 16, Chapter 107, Hawaii Administrative Rules, as amended.

WATER SERVICE: The Project consists of one "Lot" as the same is defined by the Zoning Code of the County of Hawaii, as amended, and, as such, the entire Project is allotted 600 gallons of water per day by Kohala Ranch Water Company via a 5/8" water meter which is a common element of the Project. A private sub-meter installed on Unit "2" will determine the usage of Unit "2" and, by deduction, the usage of Unit "1". The unit owners will pay Kohala Ranch Water Company their proportionate amount of water bills based upon the usage indicated by these water meters. Each unit owner shall be solely responsible and liable for their water usage; and the unit owners shall indemnify, defend, and hold all others harmless from and against any and all claims arising out of their water usage, including without limitation part of the costs and fees related to their water usage.

INDIVIDUAL INSURANCE: Section 514A-86, Hawaii Revised Statutes, requires that fire insurance be purchased to cover the improvements portion of the Project and that premiums be common expenses. Developer anticipates that the Association will elect to permit unit owners to obtain separate policies and name the Association as additional insured. In such case, insurance premiums will be the individual's responsibility of each owner unit rather than common expenses of the Project. Developer estimates such annual premium expense to be \$250.00 per apartment. This estimate was prepared in accordance with generally accepted accounting principles.

WARRANTIES

"Unit 1" is a one (1) room, single story, wood frame and shade cloth greenhouse with a dirt floor.
"Unit 2" is a one (1) room, single story, wood frame and shade cloth greenhouse with a dirt floor.
Potential buyers of said Units are advised that they are being sold "AS IS" without any building warranties.

USE OF CONDOMINIUM UNITS

The units of the Project and their appurtenant land areas shall be occupied and used only by the respective owners thereof, their families, domestic servants, personal guests, tenants, and employees, and only for those purposes permitted by applicable zoning ordinances. The unit owners shall have the absolute right to lease or rent their units subject to the limitations, restrictions, covenants and conditions contained in the Declaration or in the By-Laws of the Association of Condominium Owners. Subject also to said Declaration and By-Laws, maximum allowance and freedom shall be given so as to accommodate the individual unit owner's artistic, creative and life-style requirements.

STRUCTURAL COMPONENTS AND MECHANICAL & ELECTRICAL INSTALLATIONS

It is the developer's opinion that all structural components to the use and enjoyment of the individual condominium units appear to be in sound and satisfactory condition. HOWEVER, NO REPRESENTATIONS OF ANY KIND ARE MADE AS TO THE EXPECTED USEFUL LIFE, IF ANY, OF THE STRUCTURAL COMPONENTS AND MECHANICAL AND ELECTRICAL INSTALLATIONS MATERIAL TO THE USE AND ENJOYMENT OF THE CONDOMINIUM UNITS.

CODE VIOLATIONS

To the best of the knowledge, information and belief of the undersigned, there are no outstanding notices of uncured violations of the building code or other municipal regulations of the County of Hawaii.

Dear Ms. Campbell:

Condominium Registration Information

**Project: Kohala Coast View II Condominium Project
Philip Ronald Delmer and Dianne Corrine Delmer**

Tax Map Key: (3) 5-9-006:017

This is in response to your letter dated, August 6, 2002, in which you requested the issuance of a written statement, pursuant to the requirements of Hawaii Revised Statutes §514A-40(b)(1), regarding the referenced condominium project. Our research has resulted in the following:

1. The subject 5.171-acre property is zoned Agricultural (A-5a) by the County and is situated within the State Land Use Agricultural district;
2. Planning Department records include the following:
 - a. No variances were granted to achieve compliance with zoning or building ordinances and codes; and
 - b. No non-conforming uses or structures are identified on the subject property;

3. Building Division-Department of Public Works (BD-DPW) records indicate the following development of the subject property:
 - a. BP #001739 was issued on December 29, 2000 to construct a 48-square foot shade cloth structure. This permit remains open; and
 - b. BP #001740 was issued on December 29, 2000 to construct a 48-square foot shade cloth structure. This permit remains open.
4. Pursuant to §23A-20(a)(1), Ordinance 02-111, the subject CPR project in compliance with the Hawaii County Subdivision Code;
5. Chapter 205, HRS does not authorize residential dwellings as a permissible use in the Agricultural District as classified by the State Land Use Commission, unless the dwelling is related to an agricultural activity or is a "farm dwelling." A "farm dwelling" is defined in Section 205-4.5(a)(4) as "a single family dwelling located on and used in conjunction with a farm, including clusters of single-family farm dwellings permitted within agricultural parks developed by the State, or where agricultural activity provides income to the family occupying the dwelling." All property buyers must comply with Chapter 205, HRS.
6. The Hawaii County Code, Chapter 25, Zoning, Sections 25-5-77(b), (c) and (1) state the following:
 - (a) One (1) single-family dwelling or one (1) farm dwelling shall be permitted on any building site in the "A" district. A farm dwelling is a single-family dwelling that is located on or used in connection with a farm or if the agricultural activity provides income to the family occupying the dwelling.
 - (b) Additional farm dwellings may be permitted in the "A" district only upon the following conditions:
 - (1) A farm dwelling agreement for each additional farm dwelling, on a form prepared by the director, shall be executed between the owner of the building site, any lessee having a lease on the building site with a term exceeding one (1) year from the date of the farm dwelling agreement, and the County. The agreement shall require the dwelling to be used for farm-related purposes.

It should be clearly understood that the mere submittal of an application for an additional farm dwelling agreement does not guarantee approval.

All property buyers must comply with Chapter 25 of the Hawaii County Code.
