SPECIAL ATTENTION

This is a **CONDOMINIUM PROJECT**, not a subdivision. It does not involve the sale of individual subdivided lots. The land area beneath and immediately appurtenant to each unit is designated a **LIMITED COMMON ELEMENT** and not a legally subdivided lot. The dotted lines on the Condominium Map bounding the designated number of square feet in each limited common element land area are for illustrative purposes only and should not be construed to be the property lines of legally subdivided lots.

1. This public report does not constitute approval of the Project by the Real Estate Commission, or any other governmental agency, nor does it ensure that all applicable County codes, ordinances and subdivision requirements have been complied with.

2. Facilities and improvements normally associated with County approved subdivisions, such as fire protection devices, County street lighting, electricity, upgraded water facilities, improved access for owner and emergency traffic, drainage facilities, etc., may not necessarily be provided for, and services such as County street maintenance and trash collection will not be available for interior roads and driveways.

3. The land may be subject to rollback real property taxes. The failure of an owner to observe restrictions on the use of the land may cancel the County dedication and special real property tax assessment. Please refer to the Director of Finance, County of Hawaii for further information.

THE PROSPECTIVE PURCHASER IS CAUTIONED TO CAREFULLY REVIEW THE CONDOMINIUM DOCUMENTS REFERENCED IN THIS PUBLIC REPORT FOR FURTHER INFORMATION WITH REGARD TO THE FOREGOING.

General Information on Condominiums

A condominium is a special form of real property. To create a condominium in Hawaii, the requirements of the Condominium Property Act, Chapter 514A, Hawaii Revised Statutes, must be complied with. In addition, certain requirements and approvals of the County in which the project is located must be satisfied and obtained.

Some condominium projects are leasehold. This means that the land or the building(s) and other improvements are leased to the buyer. The lease for the land usually requires that at the end of the lease term, the lessees (apartment owners/tenants) deliver their interest in the land to the lessor (fee property owner). The lease also usually requires that the lessees either (1) convey to the lessor the building(s) and other improvements, including any improvements paid for by the lessees; or (2) remove or dispose of the improvements at the lessee's expense. Leases for individual apartments often require that at the end of the lease term, the lessee deliver to the lessor the apartment, including any improvements placed in the apartment by the lessee.

If you are a typical condominium apartment owner, you will have two kinds of ownership: (1) ownership in your individual apartment; and (2) an undivided interest in the common elements.

"Common elements" are the areas of the condominium project other than the individual apartments. They are owned jointly by all apartment owners and include the land, either in fee simple or leasehold, and those parts of the building or buildings intended for common use such as foundations, columns, roofs, halls, elevators, and the like. Your undivided interest in the common elements cannot be separated from ownership of your apartment.

In some condominium projects, some common elements are reserved for the exclusive use of the owners of certain apartments. These common elements are called "limited common elements" and may include parking stalls, patios, lanais, trash chutes, and the like.

You will be entitled to exclusive ownership and possession of your apartment. Condominium apartments may be individually bought, sold, rented, mortgaged, or encumbered, and may be disposed of by will, gift, or operation of law.

Your apartment will, however, be part of the group of apartments that comprise the condominium project. Study the project's Declaration, Bylaws, and House Rules. These documents contain important information on the use and occupancy of apartments and the common elements as well as the rules of conduct for owners, tenants, and guests.

Operation of the Condominium Project

The Association of Apartment Owners is the entity through which apartment owners may take action with regard to the administration, management, and operation of the condominium project. Each apartment owner is automatically a member of the Association.

The Board of Directors is the governing body of the Association. Unless you serve as a board member or an officer, or are on a committee appointed by the board, your participation in the administration and operation of the condominium project will in most cases be limited to your right to vote as an apartment owner. The Board of Directors and officers can take certain actions without the vote of the owners. For example, the board may hire and fire employees, increase or decrease maintenance fees, borrow money for repair and improvements and set a budget. Some of these actions may significantly impact the apartment owners.

Until there is a sufficient number of purchasers of apartments to elect a majority of the Board of Directors, it is likely that the developer will effectively control the affairs of the Association. It is frequently necessary for the developer to do so during the early stages of development and the developer may reserve certain special rights to do so in the Declaration and Bylaws. Prospective buyers should understand that it is important to all apartment owners that the transition of control from the developer to apartment owners be accomplished in an orderly manner and in a spirit of cooperation.

**II. CREATION OF THE CONDOMINIUM;
CONDOMINIUM DOCUMENTS**

A condominium is created by recording in the Bureau of Conveyances and/or filing with the Land Court a Declaration of Condominium Property Regime, a Condominium Map (File Plan), and the Bylaws of the Association of Apartment Owners. The Condominium Property Act (Chapter 514A, HRS), the Declaration, Bylaws, and House Rules control the rights and obligations of the apartment owners with respect to the project and the common elements, to each other, and to their respective apartments. The provisions of these documents are intended to be, and in most cases are, enforceable in a court of law.

- A. **Declaration of Condominium Property Regime** contains a description of the land, buildings, apartments, common elements, limited common elements, common interests, and other information relating to the condominium project.

The Declaration for this condominium is:

Proposed
 Recorded - Bureau of Conveyances: Document No. 2001-160472
Book _____ Page _____
 Filed - Land Court Document No. _____

The Declaration referred to above has been amended by the following instruments [state name of document date and recording/filing information]:

They provide for the manner in which the Board of Directors of the Association of Apartment Owners is elected, the powers and duties of the Board, the manner in which meetings will be conducted, whether pets are prohibited or allowed and other matters which affect how the condominium project will be governed.

The Bylaws for this condominium are:

Proposed
 Recorded - Bureau of Conveyances: Document No. 2001-160473
Book _____ Page _____
 Filed - Land Court: Document No. _____

The Bylaws referred to above have been amended by the following instruments [state name of document, date and recording/filing information]:

D. **House Rules.** The Board of Directors may adopt House Rules to govern the use and operation of the common elements and limited common elements. House Rules may cover matters such as parking regulations, hours of operation for common facilities such as recreation areas, use of lanais and requirements for keeping pets. These rules must be followed by owners, tenants, and guests. They do not need to be recorded or filed to be effective. The initial House Rules are usually adopted by the developer.

The House Rules for this condominium are:

Proposed Adopted Developer does not plan to adopt house rules.

E. **Changes to Condominium Documents**

Changes to the Declaration, Condominium Map, and Bylaws are effective only if they are duly adopted and recorded and/or filed. Changes to House Rules do not need to be recorded or filed to be effective.

IMPORTANT INFORMATION ON LEASEHOLD CONDOMINIUM PROJECTS

The information contained in this report is a summary of the terms of the lease. For more detailed information, you should secure a copy of the lease documents and read them thoroughly.

If you have any legal questions about leasehold property, the lease documents or the terms of the lease and the consequences of becoming a lessee, you should seek the advice of an attorney.

There are currently no statutory provisions for the mandatory conversion of leasehold condominiums and there are no assurances that such measures will be enacted in the future.

In leasehold condominium projects, the buyer of an apartment will acquire the right to occupy and use the apartment for the time stated in the lease agreement. The buyer will not acquire outright or absolute fee simple ownership of the land. The land is owned by the lessor or the leased fee owner. The apartment owner or lessee must make lease rent payments and comply with the terms of the lease or be subject to the lessor's enforcement actions. The lease rent payments are usually fixed at specific amounts for fixed periods of time, and are then subject to renegotiation. Renegotiation may be based on a formula, by arbitration set in the lease agreement, by law or by agreement between the lessor and lessee. The renegotiated lease rents may increase significantly. At the end of the lease, the apartment owners may have to surrender the apartments, the improvements and the land back to the lessor without any compensation (surrender clause).

When leasehold property is sold, title is normally conveyed by means of an assignment of lease, the purpose of which is similar to that of a deed. The legal and practical effect is different because the assignment conveys only the rights and obligations created by the lease, not the property itself.

The developer of this condominium project may have entered into a master ground lease with the fee simple owner of the land in order to develop the project. The developer may have then entered into a sublease or a new lease of the land with the lessee (apartment owner). The developer may lease the improvements to the apartment owner by way of an apartment lease or sublease, or sell the improvements to the apartment owners by way of a condominium conveyance or apartment deed.

11. Conformance to Present Zoning Code

- a. No variances to zoning code have been granted.
 Variance(s) to zoning code was/were granted as follows:

b. Conforming/Non-Conforming Uses, Structures, Lot

In general, a non-conforming use, structure, or lot is a use, structure, or lot which was lawful at one time but which does not now conform to present zoning requirements.

	<u>Conforming</u>	<u>Non-Conforming</u>	<u>Illegal</u>
Uses	<u>X</u>	_____	_____
Structures	<u>X</u>	_____	_____
Lot	<u>X</u>	_____	_____

If a variance has been granted or if uses, improvements or lot are either non-conforming or illegal, buyer should consult with county zoning authorities as to possible limitations which may apply.

Limitations may include restrictions on extending, enlarging, or continuing the non-conformity, and restrictions on altering and repairing structures. In some cases, a non-conforming structure that is destroyed or damaged cannot be reconstructed.

The buyer may not be able to obtain financing or insurance if the condominium project has a non-conforming or illegal use, structure, or lot.

D. Common Elements, Limited Common Elements, Common Interest:

1. Common Elements: Common Elements are those parts of the condominium project other than the individual apartments. Although the common elements are owned jointly by all apartment owners, those portions of the common elements which are designated as limited common elements (see paragraph 2 below) may be used only by those apartments to which they are assigned. The common elements for this project, as described in the Declaration, are:

described in Exhibit "A" _____.

as follows:

2. Limited Common Elements: Limited Common Elements are those common elements which are reserved for the exclusive use of the owners of certain apartments.

There are no limited common elements in this project.

The limited common elements and the apartments which use them, as described in the Declaration, are:

described in Exhibit "B" _____

as follows:

3. Common Interest: Each apartment will have an undivided fractional interest in all of the common elements. This interest is called the "common interest." It is used to determine each apartment's share of the maintenance fees and other common profits and expenses of the condominium project. It may also be used for other purposes, including voting on matters requiring action by apartment owners. The common interests for the apartments in this project, as described in the Declaration, are:

described in Exhibit _____.

as follows:

<u>UNIT NO.</u>	<u>UNDIVIDED COMMON INTEREST</u>
A	.50 (50%)
B	.50 (50%)

E. Encumbrances Against Title: An encumbrance is a claim against or a liability on the property or a document affecting the title or use of the property. Encumbrances may have an adverse effect on the property or your purchase and ownership of an apartment in the project.

Exhibit "D" describes the encumbrances against the title contained in the title report dated June 10, 2003, and issued by First Hawaii Title Corporation.

Blanket Liens:

A blanket lien is an encumbrance (such as a mortgage) on the entire condominium project that secures some type of monetary debt (such as a loan) or other obligation. A blanket lien is usually released on an apartment-by-apartment basis upon payment of specified sums so that individual apartments can be conveyed to buyers free and clear of the lien.

- There are no blanket liens affecting title to the individual apartments.
- There are blanket liens which may affect title to the individual apartments.

Blanket liens (except for improvement district or utility assessments) must be released before the developer conveys the apartment to a buyer. The Buyer's interest will be affected if the developer defaults and the lien is foreclosed prior to conveying the apartment to buyer.

<u>Type of Lien</u>	<u>Effect on Buyer's Interest and Deposit if Developer Defaults or Lien is Foreclosed Prior to Conveyance</u>
Mortgage in favor of Countrywide Home Loans, Inc., a New York corporation, dated May 21, 1999, and recorded in said Bureau as Document Number 99-087355.	Buyer's interest will be terminated and Buyer's deposit refunded, less escrow cancellation fees. However, if disbursement of Buyer's deposit has been made by escrow prior to foreclosure but before conveyance of title to Buyer, Buyer may lose buyer's deposit.
Mortgage in favor of Countrywide Home Loans, Inc., a New York corporation, dated October 14, 1999, and recorded in said Bureau as Document Number 99-169465.	Buyer's interest will be terminated and Buyer's deposit refunded, less escrow cancellation fees. However, if disbursement of Buyer's deposit has been made by escrow prior to foreclosure but before conveyance of title to Buyer, Buyer may lose buyer's deposit.

F. Construction Warranties:

Warranties for individual apartments and the common elements, including the beginning and ending dates for each warranty, are as follows:

1. **Building and Other Improvements:**

None.

2. **Appliances:**

The Developer makes no warranty as to appliances or other consumer products installed in any unit or in the common elements. If there are any applicable manufacturer's or dealer's warranties relating to such appliances or other consumer products, the Developer will cooperate as necessary to assign and pass on to each unit owner the benefit of such warranties.

G. Status of Construction and Date of Completion or Estimated Date of Completion:

Unit A was completed in approximately 1994. Unit B shed was completed in approximately 2001.

H. Project Phases:

The developer [] has [X] has not reserved the right to add to, merge, or phase this condominium.

Residential Dwellings Within Sate Land Use Agricultural District

Purchasers should be aware that the State Land Use commission issued a Declaratory Ruling in December 1994, regarding the construction of residential dwellings on properties located within the State Land Use Agricultural District. In response to said ruling, the Hawaii County Planning Department is requiring applicants for building permits on such lands to acknowledge receipt of a "Farm Dwelling Notice." This Farm Dwelling Notice reads as follows:

FARM DWELLING NOTICE

TO: Applicants for Building Permits on Land in State Land Use Agricultural District.

This is to inform you that Chapter 205, Hawaii Revised Statutes, does not authorize residential dwellings as a permissible use in an agricultural use district, unless the dwelling is related to an agricultural activity or is a "farm dwelling".

Farm Dwelling is defined in Chapter 205-4.5(a)(4) as "a single family dwelling located on and used in connection with a farm, including clusters of single-family farm dwellings permitted within agricultural parks developed by the State, or where agricultural activity provides income to the family occupying the dwelling."

Penalty for violation of Section 205-4.5, Hawaii Revised Statutes, is a fine of not more than \$5,000. If any person who is cited for a violation of the law fails to remove the violation within six months of such citation and the violation continues, such person is subject to a citation for a new and separate violation. There shall be a fine of not more than \$5,000 for any additional violation.

I acknowledge that I have read the above and have been given a copy.

Disclosure regarding selection of Real Estate Broker

The Developer(s) have not selected a real estate broker for the sale of condominium apartments in the project at this time.

In the event the Developer(s) chooses to use a real estate broker for the sale of a condominium apartment, prior to entering into a binding contract for such sale the Developer(s) shall (1) submit to the Real Estate Commission a duly executed copy of a broker listing agreement with a Hawaii-licensed real estate broker, together with a duly executed Disclosure Abstract identifying the designated broker and (2) provide a copy of the Disclosure Abstract to the purchaser together with a copy of this Public Report.

**ADDITIONAL DISCLOSURE AND INFORMATION REGARDING
OUTSTANDING BUILDING PERMIT**

As indicated in a letter dated April 28, 2003 from the Planning Department of the County of Hawaii, the County of Hawaii issued Building Permit No. 026547 on November 19, 2002 to the Developer for the construction of a new 1-bedroom/1-bathroom 2-story farm dwelling with garage and laundry area (the "additional farm dwelling"), which permit remains open. The building permit was issued to the developer as "owner-builder".

Construction has commenced on the additional farm dwelling, and the Developer estimates that construction will be completed in approximately December 2003. The additional farm dwelling is being constructed within the limited common element land area appurtenant to Unit B of the project. Upon completion of construction, the Developer intends to amend the condominium declaration, bylaws and map to change the designation of Unit B from the existing shed shown on the current condominium map to the additional farm dwelling. The Developer will also amend and/or supplement this Public Report to reflect such change in the designation of Unit B.

Section 514A-31 et seq. of the Hawaii Revised Statutes, as amended, prohibits the sale or offer of sale of any condominium apartment or unit prior to issuance of an effective date by the Real Estate Commission of the State of Hawaii for a project's preliminary, contingent final or final public report. Accordingly, no offer of sale or sale of Unit B can or will take place until construction of the additional farm dwelling has been completed, the project declaration, bylaws and map have been appropriately amended, and the Real Estate Commission has issued an effective date for an amended or supplementary final Public Report for the project.

Sections 444-2(7) and 444-9.1 of the Hawaii Revised Statutes, as amended, require in connection with the issuance of a building permit to an "owner-builder" that the applicant certify in writing that the building or structure is for the applicant's personal use and not for use or occupancy by the general public. Proof of the sale or offering for sale or lease of such building or structure not more than one (1) year after completion of construction is prima facie evidence that the construction was undertaken for the purpose of sale or lease and may subject the applicant to prosecution and/or fine.

THE DEVELOPER REPRESENTS AND WARRANTS THAT NO SALE OR OFFER OF SALE OF UNIT B WILL TAKE PLACE PRIOR TO THE COMPLETION OF CONSTRUCTION OF THE ADDITIONAL FARM DWELLING, AMENDMENT OF THE PROJECT DECLARATION, BYLAWS AND MAP TO REFLECT THE CHANGE IN THE DESIGNATION OF UNIT B TO THE ADDITIONAL FARM DWELLING, THE ISSUANCE OF AN EFFECTIVE DATE FOR AN AMENDED OR SUPPLEMENTARY FINAL PUBLIC REPORT FOR THE PROJECT BY THE REAL ESTATE COMMISSION AND FULL COMPLIANCE WITH THE REQUIREMENTS OF CHAPTER 444 OF THE HAWAII REVISED STATUTES, AS AMENDED.

The common elements of the project shall specifically include, but are not limited to, the following:

1. The land described in Exhibit "A" attached to the Declaration, in fee simple.
2. All yards, grounds, landscaped areas, parking areas and driveways around and between the units.
3. All sewer lines, drainage facilities, electrical equipment, wiring, pipes and other central and appurtenant facilities and installations over, under and across the project which serve more than one unit for services such as power, light, water, gas, telephone, sewer and radio and television signal distribution, if any.
4. Any and all apparatus and installations of common use and all other parts of the project necessary or convenient to its existence, maintenance and safety, or normally in common use.
5. The common access area denoted on the Condominium Map by diagonal slash lines, serving both units for 12-foot wide common access and/or utility purposes, and containing an area of approximately 7,156 square feet.

EXHIBIT "B"

LIMITED COMMON ELEMENTS

The units shall have appurtenant thereto easements for the exclusive use of certain limited common elements as follows:

1. **PRIVATE LAND AREA OR YARD.** Certain land area of the project, located as shown on the condominium map and designated thereon as limited common element, is appurtenant to and for the exclusive use of each unit as designated on the condominium map.

<u>Unit No.</u>	<u>Private land area (approx. land area)</u>
A	7.64 acres
B	1.50 acres

NOTE: The boundaries of the private land area or yard appurtenant to each unit, as shown on the condominium map, do not represent County-approved subdivided lots. Such boundaries serve only to delineate the limited common element private land area or yard appurtenant to each unit.

EXHIBIT "C"

ALTERATION OF PROJECT

The dimensions, area and location of each unit are shown graphically on the Condominium Map. Each unit shall include and contain all space, including but not limited to the residential building(s), if any, and other improvements within the area bounded by the perimeter boundaries of such unit, as follows:

Paragraph L of the declaration provides as follows:

1. Each unit owner shall have the right at his sole option at any time and from time to time, as hereinafter set forth, without the consent and/or approval of the owner of the other unit or any other persons or entity, to improve, renovate, remodel, make additions to, enlarge, remove, replace, alter or restore the improvements to or in his unit or portions thereof or upon the yard appurtenant to his unit (collectively, the foregoing are referred to as "alterations"). Each unit owner shall have the right without the consent or joinder of any other person to amend this declaration and the condominium map to accomplish any such alterations. If required by the Act, promptly upon completion of such alterations the owner of the altered unit shall duly record such amendment to this declaration in the Bureau of Conveyances together with a complete set of the floor plans of such unit as so altered, certified by a registered architect or professional engineer to fully and accurately depict the altered portions of the property as built. If required by the Act, the board shall be deemed to approve of all such alterations. All existing unit owners and all future unit owners and their mortgagees, by accepting an interest in a unit, consent to all such alterations and agree to give and shall be deemed to have given the owner of the altered unit a power of attorney to execute an amendment to the declaration solely for the purpose of describing the alterations to such unit in the declaration so that the owner of the altered unit shall hereafter have a power of attorney from all the other unit owners to execute such amendment to the declaration. This power of attorney shall be deemed coupled with each owner's interest in his unit (including his common interest) and shall be irrevocable.
2. Any alterations to a unit pursuant to this paragraph L shall be subject to the following conditions:
 - (a) All buildings plans for any such alterations shall conform with State and County land use, building and zoning laws and other applicable County ordinances and regulations.
 - (b) Such alterations may decrease or increase the size of the affected unit, provided that no alteration shall extend or place the unit outside of the limits of the yard appurtenant to such unit.
 - (c) All such alterations shall be at the sole expense of the unit owner making the change and shall be made within one year of the commencement thereof and in a manner that will not unreasonably interfere with the other unit owner's use of his unit or yard.
 - (d) The owner of the altered unit shall have the right to utilize, relocate and realign existing and/or to develop additional, central and appurtenant installations for services to the unit affected by such alteration for electricity, sewer and other utilities and services and when applicable, to add, delete, relocate, realign, designate and grant easement and rights-of-way over, under and on the common elements as necessary or desirable in connection therewith; provided that the same shall not cause any interruption in the service of such utilities to any other part of the project, nor shall it unreasonably interfere with the other unit owner's use or enjoyment of his unit or yard.
 - (e) Each and every conveyance, lease and mortgage or other lien made or created on any unit and all common interests and other appurtenances thereto shall be subject to the provisions of this paragraph and any lease of a unit shall reserve to all unit owners the rights set forth in this paragraph.
 - (f) Before commencing or permitting construction on any alteration of a unit pursuant to this paragraph L, the costs of which will exceed \$10,000, the unit owner thereof, at his sole expense, shall obtain and provide the other unit owner with evidence of a bond or certificate, or an irrevocable letter of credit issued by a bank authorized to do business in the State of Hawaii, in an amount of not less than one hundred percent (100%) of the cost of such construction, or, in lieu thereof, a guarantee against mechanics' and materialmen's liens satisfactory to the other unit owner.

ESTIMATED MAINTENANCE FEES
and
ESTIMATE OF MAINTENANCE FEE DISBURSEMENTS

The regular maintenance and repair of each unit and appurtenant limited common elements shall be the sole responsibility of each respective unit owner. Article 7 of the Bylaws requires that the Association shall purchase and maintain casualty and liability insurance covering the project. The Developer anticipates that the cost of such policies will be the principal, if not the only common expense of the project for which maintenance fees will be assessed. The Developer estimates that the annual premiums for such insurance policies will be approximately \$1,500.00. However, Article 7 of the Bylaws further provides that the Association may elect to satisfy the insurance requirement by obligating each unit owner, at such owner's sole expense, to procure and maintain separate policies covering his or her respective unit and appurtenant limited common elements, with such policies meeting each of the requirements set forth in Article 7.

There are presently no common elements which will require maintenance and repair by the Association. In the future, the utility facilities and portion of the concrete driveway which serve more than one unit will be the only common elements of the project to require maintenance and repair by the Association. The utility facilities and portion of the concrete driveway that serve more than one unit are not expected to require maintenance or repair on a regular basis. The payment for all utility services to each unit is the sole responsibility of the unit owner. As a result, the Developer anticipates that there will be no annual assessments for maintenance fees. Instead, assessments for maintenance and repair of the common elements will be made as needed and assessments for utilities will be made directly to the unit by the utility provider for payment by the unit owner.

There is no non-exempt Association property requiring the establishment of any replacement reserves pursuant to HRS § 514A-83.6 or Subchapter 6 of Chapter 16-107 of the Hawaii Administrative Rules. Thus, it will not be necessary to assess any maintenance fees for the project.

(*) Mandatory reserves assessment and collection in effect beginning 1994 budget year. The Developer is to attach to this exhibit an explanation whether, in arriving at the figure for "Reserves", the Developer has conducted a reserve study in accordance with § 514A-83.6, HRS, and the replacement reserve rules, Subchapter 6, Title 16, Chapter 107, Hawaii Administrative Rules, as amended. Developer discloses that the reserve study was not done.

Pursuant to § 514A-83.6, HRS, a new association created after January 1, 1993, need not collect estimated replacement reserves until the fiscal year which begins after the association's first annual meeting.

SUMMARY OF
DEPOSIT RECEIPT, OFFER AND ACCEPTANCE CONTRACT

- (b) That the purchaser acknowledges having received and read a public report (either preliminary or final) for the Project prior to signing the DROA.

- (d) That the purchaser's money will be held in escrow.
- (e) Requirements relating to the purchaser's financing of the purchase of a unit.
- (f) That the Developer makes no warranties regarding the unit, the Project or anything installed or contained in the unit or the Project.
- (g) That the purchaser must close the purchase at a certain date and pay closing costs, in addition to the purchase price.
- (h) Whether the purchaser will receive interest on deposits made under the DROA.
- (i) In the event of a default by the purchaser under the DROA, the Developer may, in addition to other remedies, be entitled to all deposits paid by the purchaser as liquidated damages.

The DROA contains various other important provisions relating to the purchase of a unit in the Project. It is incumbent upon purchasers and prospective purchasers to read with care the specimen DROA provided by the Developer or their agent, if any.

EXHIBIT "G"

SUMMARY OF ESCROW AGREEMENT

The Escrow Agreement sets up an arrangement under which the deposits a purchaser makes pursuant to a DROA will be held by a neutral party ("Escrow"). Under the Escrow Agreement, these things will or may happen:

- (a) Escrow will let the purchaser know when payments are due.
- (b) Escrow will arrange for the purchaser to sign all necessary documents.
- (c) The purchaser will be entitled to a refund of his or her funds only under certain circumstances as set forth in the DROA, including:
 - (1) Upon the written request of both parties to Escrow to return the purchaser's funds;
 - (2) Upon the exercise by the Developer of any right to cancel the DROA;
 - (3) Upon the exercise by the purchaser of a right to cancel the DROA if the purchaser's funds were obtained prior to the issuance of a Final Public Report, pursuant to HRS § 514A-62; or
 - (4) Upon the exercise by the purchaser of a right to cancel the DROA pursuant to HRS § 514A-63.
- (d) The purchaser's funds deposited to Escrow may be disbursed to or otherwise used by the Developer only after:
 - (1) The Real Estate Commission has issued a final Public Report (the "Final Report") on the project;
 - (2) The purchaser has been given a copy of the Final Report together with a receipt and notice form which complies with Section 514A-62 of the condominium law;
 - (3) The purchaser has signed the receipt and notice form and waived his right to cancel or thirty days have elapsed since the purchaser received a copy of the Final Report and receipt and notice form;
 - (4) The Developer notifies Escrow in writing that, since the things described in (1), (2) and (3) above have happened, neither the purchaser nor the Developer may back out of the agreements they made in the DROA. In the same written notice, the Developer shall notify Escrow either that the time in which the Developer or the purchaser could back out of the agreements in the DROA has passed, or that the Developer and the purchaser have said that they will not back out of the agreements in the DROA;
 - (5) The Developer's attorney advises Escrow that the DROA has become effective and the requirements of Sections 514A-39.5, 514A-40 and 514A-63 of the condominium law have been met, as provided for in Section 514A-65 of the condominium law;
 - (6) Construction of the unit has been completed and the deed of the unit to the purchaser has been recorded; and
 - (7) If Closing is to occur prior to expiration of the applicable mechanic's lien period, Escrow shall have received satisfactory assurances that the purchaser will be provided an owner's title insurance policy with a mechanics' lien endorsement, protecting the purchaser from mechanics' and materialmen's liens.
- (e) Unless otherwise agreed by the parties and Escrow, the purchaser shall not be entitled to any interest earned on any deposits made to Escrow by the purchaser, which interest will be credited to the Developer.
- (f) In the event of a default by the purchaser under the DROA, the Developer may, in addition to any other remedies provided in the DROA, be entitled to all deposits paid to Escrow by the purchaser.

The Escrow Agreement contains various other important provisions and establishes certain charges with which a purchaser should be familiar. It is incumbent upon purchasers and prospective purchasers to read with care the executed Escrow Agreement on file with the Real Estate Commission.
