General Information On Condominiums

A condominium is a special form of real property. To create a condominium in Hawaii, the requirements of the Condominium Property Act, Chapter 514A, Hawaii Revised Statutes, must be complied with. In addition, certain requirements and approvals of the County in which the project is located must be satisfied and obtained.

Some condominium projects are leasehold. This means that the land or the building(s) and other improvements are leased to the buyer. The lease for the land usually requires that at the end of the lease term, the lessees (apartment owners/tenants) deliver their interest in the land to the lessor (fee property owner). The lease also usually requires that the lessees either (1) convey to the lessor the building(s) and other improvements, including any improvements paid for by the lessees; or (2) remove or dispose of the improvements at the lessee's expense. Leases for individual apartments often require that at the end of the lease term, the lessee deliver to the lessor the apartment, including any improvements placed in the apartment by the lessee.

If you are a typical condominium owner, you will have two kinds of ownership: (1) ownership in your individual apartment; and (2) an undivided interest in the common elements.

"Common elements" are the areas of the condominium project other than the individual apartments. They are owned jointly by all apartment owners and include the land, either in fee simple or leasehold, and those parts of the building or buildings intended for common use such as foundations, columns, roofs, halls, elevators, and the like. Your undivided interest in the common elements cannot be separated from ownership of your apartment.

In some condominium projects, some common elements are reserved for the exclusive use of the owners of certain apartments. These common elements are called "limited common elements" and may include parking stalls, patios, lanais, trash chutes, and the like.

You will be entitled to exclusive ownership and possession of your apartment. Condominium apartments may be individually bought, sold, rented, mortgaged or encumbered, and may be disposed of by will, gift, or operation of law.

Your apartment will, however, be part of the group of apartments that comprise the condominium project. Study the project's Declaration, Bylaws, and House Rules. These documents contain important information on the use and occupancy of apartments and the common elements as well as the rules of conduct for owners, tenants, and guests.

Operation of the Condominium Project

The Association of Apartment Owners is the entity through which apartment owners may take action with regard to the administration, management, and operation of the condominium project. Each apartment owner is automatically a member of the Association.

The Board of Directors is the governing body of the Association. Unless you serve as a board member or an officer, or are on a committee appointed by the board, your participation in the administration and operation of the condominium project will in most cases be limited to your right to vote as an apartment owner. The Board of Directors and officers can take certain actions without the vote of the owners. For example, the board may hire and fire employees, increase or decrease maintenance fees, borrow money for repair and improvements and set a budget. Some of these actions may significantly impact the apartment owners.

Until there is a sufficient number of purchasers of apartments to elect a majority of the Board of Directors, it is likely that the developer will effectively control the affairs of the Association. It is frequently necessary for the developer to do so during the early stages of development and the developer may reserve certain special rights to do so in the Declaration and Bylaws. Prospective buyers should understand that it is important to all apartment owners that the transition of control from the developer to the apartment owners be accomplished in an orderly manner and in a spirit of cooperation.

IMPORTANT INFORMATION ON LEASEHOLD CONDOMINIUM PROJECTS

The information contained in this report is a summary of the terms of the lease. For more detailed information, you should secure a copy of the lease documents and read them thoroughly.

If you have any legal questions about leasehold property, the lease documents or the terms of the lease and the consequences of becoming a lessee, you should seek the advice of an attorney.

There are currently no statutory provisions for the mandatory conversion of leasehold condominiums and there are no assurances that such measures will be enacted in the future.

In leasehold condominium projects, the buyer of an apartment will acquire the right to occupy and use the apartment for the time stated in the lease agreement. The buyer will not acquire outright or absolute fee simple ownership of the land. The land is owned by the lessor or the leased fee owner. The apartment owner or lessee must make lease rent payments and comply with the terms of the lease or be subject to the lessor's enforcement actions. The lease rent payments are usually fixed at specific amounts for fixed periods of time, and are then subject to renegotiation. Renegotiation may be based on a formula, by arbitration set in the lease agreement, by law or by agreement between the lessor and lessee. The renegotiated lease rents may increase significantly. At the end of the lease, the apartment owners may have to surrender the apartments, the improvements and the land back to the lessor without any compensation (surrender clause).

When leasehold property is sold, title is normally conveyed by means of an assignment of lease, the purpose of which is similar to that of a deed. The legal and practical effect is different because the assignment conveys only the rights and obligations created by the lease, not the property itself.

The developer of this condominium project may have entered into a master ground lease with the fee simple owner of the land in order to develop the project. The developer may have then entered into a sublease or a new lease of the land with the lessee (apartment owner). The developer may lease the improvements to the apartment owner by way of an apartment lease or sublease, or sell the improvements to the apartment owners by way of a condominium conveyance or apartment deed.

11. Conformance to Present Zoning Code

- a. No variances to zoning code have been granted.
 Variance(s) to zoning code was/were granted as follows:

b. Conforming/Non-Conforming Uses, Structures, Lot

In general, a non-conforming use, structure, or lot is a use, structure, or lot which was lawful at one time but which does not now conform to present zoning requirements.

	<u>Conforming</u>	<u>Non-Conforming/Illegal</u>	
Uses	<u> X </u>	<u> </u>	<u> </u>
Structures	<u> X </u>	<u> </u>	<u> </u>
Lot	<u> X </u>	<u> </u>	<u> </u>

If a variance has been granted or if uses, improvements or lot are either non-conforming or illegal, buyer should consult with county zoning authorities as to possible limitations which may apply.

Limitations may include restrictions on extending, enlarging, or continuing the non-conformity, and restrictions on altering and repairing structures. In some cases, a non-conforming structure that is destroyed or damaged cannot be reconstructed.

The buyer may not be able to obtain financing or insurance if the condominium project has a non-conforming or illegal use, structure, or lot.

D. Common Elements, Limited Common Elements, Common Interest:

1. Common Elements: Common Elements are those parts of the condominium project other than the individual apartments. Although the common elements are owned jointly by all apartment owners, those portions of the common elements which are designated as limited common elements (see paragraph 2 below) may be used only by those apartments to which they are assigned. The common elements for this project, as described in the Declaration, are:

described in Exhibit "E" .

as follows:

2. **Limited Common Elements:** Limited Common Elements are those common elements which are reserved for the exclusive use of the owners of certain apartments.

There are no limited common elements in this project.

The limited common elements and the apartments which use them, as described in the Declaration, are:

described in Exhibit "F" attached.

as follows:

3. **Common Interest:** Each apartment will have an undivided fractional interest in all of the common elements. This interest is called the "common interest." It is used to determine each apartment's share of the maintenance fees and other common profits and expenses of the condominium project. It may also be used for other purposes, including voting on matters requiring action by apartment owners. The common interests for the apartments in this project, as described in the Declaration, are:

described in Exhibit "D" attached.

as follows:

- E. **Encumbrances Against Title:** An encumbrance is a claim against or a liability on the property or a document affecting the title or use of the property. Encumbrances may have an adverse effect on the property or your purchase and ownership of an apartment in the project.

Exhibit "G" attached to this Supplementary Public Report describes the encumbrances against title contained in the title report dated February 19, 2004 and issued by Island Title Corporation.

Blanket Liens:

A blanket lien is an encumbrance (such as a mortgage) on the entire condominium project that secures some type of monetary debt (such as a loan) or other obligation. A blanket lien is usually released on an apartment-by-apartment basis upon payment of specified sums so that individual apartments can be conveyed to buyers free and clear of the lien.

[X] There are no blanket liens affecting title to the individual apartments.

[] There are blanket liens which may affect title to the individual apartments.

Blanket liens (except for improvement district or utility assessments) must be released before the developer conveys the apartment to a buyer. The buyer's interest will be affected if the developer defaults and the lien is foreclosed prior to conveying the apartment to buyer.

Or Lien is Foreclosed Prior to Conveyance

F. Construction Warranties:

Warranties for individual apartments and the common elements, including the beginning and ending dates for each warranty, are as follows:

The Association will make assessments against your apartment to provide funds for the operation and maintenance of the condominium project. If you are delinquent in paying the assessments, your apartment may be liened and sold through a foreclosure proceeding.

Initial maintenance fees are difficult to estimate and tend to increase as the condominium ages. Maintenance fees may vary depending on the services provided. Such maintenance fees may also increase in the event Luna-Kai Marina Park is acquired by the Association or made available for use by the Apartment Owners as described in subsection 2. of the Section entitled "Additional Information Not Covered Above" herein. Maintenance fees may also increase in the event Owners are allowed to use parks and/or other common facilities located in other projects in the overall development of the Peninsula at Hawaii Kai.

Exhibit "H" contains a schedule of estimated initial maintenance fees and maintenance fee disbursements (subject to change). Note that the maintenance fees were as of February 2004 and the product fees as of October 2002. However, the Developer believes the schedules are still reasonably reliable as of the issuance date of this Public Report.

THE AMOUNTS SET FORTH IN SAID EXHIBIT "H" ARE ESTIMATES ONLY AND MAY CHANGE FOR REASONS BEYOND THE CONTROL OF THE DEVELOPER. SUCH ESTIMATES ARE NOT INTENDED TO BE AND DO NOT CONSTITUTE ANY REPRESENTATION OR WARRANTY BY THE DEVELOPER, INCLUDING BUT NOT LIMITED TO ANY REPRESENTATION OR WARRANTY AS TO THE ACCURACY OF SUCH ESTIMATES.

A PRELIMINARY RESERVE STUDY HAS BEEN UNDERTAKEN BY THE DEVELOPER.

C. **Utility Charges for Apartments:***

A. GENERAL PROVISIONS. Except as otherwise expressly provided in the Declaration or in the Master Declaration, restoration or replacement of the Project or any portion thereof or construction of any additional improvement or structural alteration or addition to any improvement, different in any material respect from the Condominium Map of the Project, shall be undertaken by the Association or any Apartment Owner only pursuant to an amendment of the Declaration in accordance with Article XIII of the Declaration, duly executed pursuant to the provisions thereof, accompanied by the written consent of the holders of all mortgage liens affecting any of the Apartments involved, and in accordance with complete plans and specifications therefor first approved in writing by the Design Committee. The estimated maintenance fees that are attributable to each Apartment of the Project are set forth in Exhibit "H-1" attached hereto.

Television cable is included in the maintenance fees for each apartment as of the effective date of this Final Public Report. All buyers are required to utilize basic analog cable and Road Runner internet services with Oceanic Cable for a term of thirty-six months pursuant to the contract (or be subject to a penalty fee for early termination due to the terms of a "bulk rate" negotiation between the Developer and the service provider). Each buyer will have the option to upgrade to digital cable service for an additional charge.

2. **Product Fees**

The Owners of certain "product types" (i.e., Cottages and Villas) shall also be charged, in addition to the above-mentioned maintenance fees, Product Fees (as such term is defined in the Declaration) for expenses attributable only to the Apartments of a particular product type. Accordingly, the expenses attributable to those Limited Common Elements of the Project serving all Cottages or all Villas shall be charged to each Owner of a Cottage and Villa in accordance with said Owner's "Product Fee Share," which shall be calculated by dividing the net square footage of the subject Cottage or Villa (as applicable) by the total square footage of all Cottages or Villas, respectively. The Product Fees attributable to each Cottage and Villa are set forth in Exhibits "H-2" and "H-3," respectively, both of which are attached hereto.

Based upon the foregoing, the total estimated monthly maintenance fees and Product Fees (if applicable) that will be charged to each Apartment of a particular product type are as follows:

Product Type	Total Estimated Maintenance and Product Fees Per Apartment
Cottages (Type 1 Apartment)	\$344.98
Cottages (Type 2 Apartment)	\$333.33
Cottages (Type 3 Apartment)	\$330.61
Cottages (Type 4 Apartment)	\$354.93
Cottages (Type 5 Apartment)	\$360.72

Cottages (Type 6 Apartment)	\$359.96
Villas (Type 1 Apartment)	\$397.14
Villas (Type 1A Apartment)	\$397.14
Villas (Type 2 Apartment)	\$419.75
Villas (Type 3 Apartment)	\$416.80
Villas (Type 4 Apartment)	\$460.37
Villas (Type 5 Apartment)	\$484.13
Villas (Type 6 Apartment)	\$506.50
Villas (Type 7 Apartment)	\$509.26

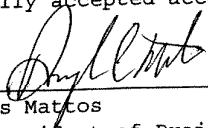

THE AMOUNTS SET FORTH IN SAID EXHIBITS “H-1” THROUGH “H-3” ARE ESTIMATES ONLY AND MAY CHANGE FOR REASONS BEYOND THE CONTROL OF THE DEVELOPER. SUCH ESTIMATES ARE NOT INTENDED TO BE AND DO NOT CONSTITUTE ANY REPRESENTATION OR WARRANTY BY THE DEVELOPER, INCLUDING BUT NOT LIMITED TO ANY REPRESENTATION OR WARRANTY AS TO THE ACCURACY OF SUCH ESTIMATES.

NOTE: AS STATED IN SECTION C.3 ON PAGE 20A OF THE PUBLIC REPORT, THE APARTMENT OWNERS OF THE PROJECT SHALL HAVE NO MAINTENANCE FEE OBLIGATIONS UNTIL THE DEVELOPER FILES A WRITTEN STATEMENT (THE “NOTIFICATION”) WITH THE COMMISSION NOTIFYING ALL OWNERS THAT THEIR MAINTENANCE FEE OBLIGATIONS SHALL BEGIN WITHIN THIRTY (30) DAYS FOLLOWING THE DATE OF THE NOTIFICATION. THE DEVELOPER SHALL ALSO PROVIDE EACH OWNER WITH A COPY OF THE NOTIFICATION. PRIOR TO SUCH TIME, THE DEVELOPER WILL BE PAYING ALL ACTUAL COSTS ASSOCIATED WITH THE PROJECT.

SUMMARY OF PURCHASE AGREEMENT

The specimen The Peninsula at Hawaii Kai – Project II Purchase Agreement ("Agreement") contains, among other things, the following terms and conditions (which may be modified or otherwise limited by provisions which are not summarized hereinbelow):

A. The Seller (Developer) has engaged Island Title Corporation ("Escrow") to handle Purchaser's funds and to close the transaction in accordance with the terms of the Agreement. All payments to be made under the Agreement shall be paid by Purchaser to Escrow pursuant to the Escrow Agreement.

B. The Purchaser specifically acknowledges and agrees that the Declaration contains reservations of certain rights in favor of Seller, the Association and other owners, and contains certain other provisions to which the Purchaser consents.

C. The "Closing Date" shall be the date (following the completion of the structure in which the Apartment is located) upon which Seller certifies to the Purchaser in writing that the Apartment is ready for occupancy. All payments shall be due and payable in full on the Closing Date, and, if not paid on said date due to Purchaser's failure to act in a diligent manner in order for said payment to be made on said date, then such nonpayment shall result in a default under the Agreement. If Purchaser, after the delivery by Seller of a copy of the Contingent Final Public Report for the Project, together with any Supplementary Public Report that may have been issued for the Project (except that if the Supplemental Public Report supersedes all prior reports on the Project, then only the Supplementary Public Report need be delivered to the Purchaser), either personally or by registered or certified mail with return receipt requested, shall fail to execute a form of receipt and notice ("Waiver Form") of Purchaser's right to cancel the Agreement (as such right is set forth in and Section 2(d) of the Agreement), the delivery of which is required by Hawaii Revised Statutes Section 514A-62, as amended (or shall fail to give his written approval or acceptance to any material change to the Project as requested by Seller pursuant to the provisions of Hawaii Revised Statutes Section 514A-63, as amended) within thirty (30) days from the date of delivery of such report(s), Seller may at its option: (i) cancel the Agreement upon ten (10) days' written notice to Purchaser of such cancellation and upon such cancellation Seller shall cause Escrow to refund to Purchaser all payments previously made by Purchaser without interest; or (ii) elect (by its failure to give said written notice of cancellation) to treat such failure as a deemed acceptance ("Deemed Acceptance") of such Public Report(s) and as a waiver of the right to cancel the Agreement (or as a Deemed Acceptance of such material change, as the case may be). The conveyance of the Apartment to the Purchaser within said thirty-day period shall also be treated as a Deemed Acceptance of such Public Report(s) by Purchaser and a waiver of Purchaser's rescission rights as set forth in this paragraph.

D. The Purchase Price does not include closing costs which include, among other things, the escrow fee, cost of a preliminary title report, cost of preparation of the Apartment Deed, real property tax and other prorations, all acknowledgment fees, conveyance taxes, dredging fee of approximately \$264.00, title insurance, if requested by Purchaser, cost of any lender's title insurance, appraisal fees, costs for drafting of any notes and mortgages, all recording costs or fees, loan fees, credit report costs and all other applicable mortgage costs, all of which the Purchaser shall be responsible to pay at Closing. Purchaser shall also pay a start-up fee equal to two (2) months of the estimated maintenance fee in advance. Escrow shall also collect the first month of maintenance fees at Closing.

E. Purchaser agrees that it will not assign the Agreement to anyone. Seller may, without any consent of Purchaser, freely assign Seller's interests therein.

F. Purchaser shall not be entitled to possession of the Apartment as the owner thereof until Purchaser has completed all required payments and has executed all documents relating to the purchase, and Purchaser has performed the remaining terms and conditions of the Agreement which are to be performed as of the Closing.

G. Notices to either party may be delivered personally or mailed.

H. The Purchaser acknowledges that Purchaser has entered into the Agreement without any reference or representation by Seller or any salesperson that the Seller, or any managing agent of the Project or anyone else affiliated with the Seller will provide, directly or indirectly, any services relating to the rental or sale or management of the Apartment purchased.

I. The laws of the State of Hawaii shall govern all matters with respect to the Agreement.

J. Purchaser has examined and approved the estimate of monthly maintenance charges for the Property as shown in the Public Report. Purchaser is aware that such amounts are only estimates and may change for reasons beyond the control of Seller, and Purchaser hereby specifically accepts and approves any such changes.

K. Purchaser should be aware that there are additional disclosures set forth in paragraph 39 of the Agreement regarding various Apartment features.

L. Parking Stall Addendum. This addendum advises the Purchaser that the parking stall noted in the addendum will be assigned to the apartment that the Purchaser is purchasing pursuant to the recordation of an assignment instrument at the Bureau of Conveyances a the same time the apartment deed conveying the apartment to the Purchaser is recorded. In this Addendum, both the Seller and Purchaser agree to do all things necessary to complete and record said assignment instrument. Upon the recordation of the assignment instrument, the parking stall will be a limited common element appurtenant to Purchaser's apartment.

EXHIBIT "J"

SUMMARY OF ESCROW AGREEMENT

The Escrow Agreement for the Project dated March 10, 2003 ("Agreement") contains the following provisions (which may be modified or otherwise limited by provisions which are not summarized hereinbelow):

A. When Seller (Developer) shall enter into a purchase agreement for the conveyance of an apartment or other interest in the Project ("Purchase Agreement"), it shall require the payments of deposits due thereunder to be promptly made to Escrow, and shall deliver an executed copy of the Purchase Agreement to Escrow together with the address of the Purchaser. Seller shall also promptly pay over to Escrow all monies (including checks) received by Seller from or on behalf of the Purchasers, including those received on any Purchase Agreement, and all payments made on loan commitments from lending institutions on account of any apartment in the Project, other than funds received from interim financing.

B. Escrow shall receive, deposit and hold in separate escrow accounts and disburse as set forth in the Agreement: (a) all payments received by it under Purchase Agreements, (b) such sums received by it under the Agreement from or for the account of Seller, and (c) all sums received by it from any other source with respect to the Project. Escrow shall not at any time commingle or permit the commingling of any Purchaser's funds with funds belonging to or held for the benefit of Seller. All funds and instruments received from Purchasers or prospective Purchasers shall be held by Escrow in accordance with the provisions contained in Chapter 514A of the Hawaii Revised Statutes. All monies received by Escrow hereunder shall be deposited, within a reasonable time of the receipt by Escrow and in reasonably convenient and practical sums, in an interest bearing account with a federally insured bank, savings and loan or trust company authorized to do business in the State of Hawaii under an escrow arrangement, and shall be held in immediately available funds in accordance with the terms of the Agreement.

C. Escrow shall make no disbursements of Purchasers' funds or proceeds from the sale of apartments in the Project (including any payments made on loan commitments from lending institutions), except by way of refunds thereof as provided in the Agreement, until Escrow has received a letter from Seller stating that the Purchasers have signed the required Receipt and Notice of Right to Cancel or are deemed to have accepted for the public reports and to have waived their right to cancel, and stating further that no subsequent events have occurred which would give the Purchasers the right to rescind, the Purchase Agreements have "become binding" and "the requirements of Sections 514A-40, 514A-39.5 and 514A-63" of the Hawaii Revised Statutes have been met, as said phrases are used in Section 514A-65, Hawaii Revised Statutes, and further that the requirements of Section 514A-62 of the Hawaii Revised Statutes have been met, as each of the foregoing sections may be amended on the date the Purchase Agreement becomes binding and effective.

D. Each Purchaser shall be entitled to a return of his or her funds, without interest, and Escrow shall pay such funds to such Purchaser, promptly after request for return by the Purchaser if one of the following has occurred:

(1) Escrow receives a written request from Seller to return to the Purchaser the funds of the Purchaser then being held pursuant to the Agreement by Escrow;

(2) Seller notifies Escrow in writing of Seller's exercise of the option to rescind the Purchase Agreement pursuant to any right of rescission stated therein or otherwise available to Seller;

(3) The conditions providing for a refund under Section 514A-62 or under Section 514A-63 of the Hawaii Revised Statutes (as amended on the date upon which the Purchase Agreement becomes binding and effective) have been met, and written notice thereof has been provided to Seller.

Upon the cancellation of the Purchase Agreement as specified above, Escrow shall be entitled to a cancellation fee commensurate with the work done by Escrow prior to such cancellation, up to a maximum of \$250.00. Notwithstanding anything in the Agreement or the Purchase Agreement to the contrary, said compensation to Escrow shall be the sole expense of the individual purchaser and shall not in any way be the obligation of the

Seller, unless cancellation is made pursuant to either Sections 514A-62 or 514A-63 of the Hawaii Revised Statutes, whereupon Seller shall pay such fee.

E. If the Purchaser fails to make any payment on or before the due date thereof or if the Purchaser does or fails to do any act, which would constitute an event of default under the Purchase Agreement, Seller shall promptly give to such Purchaser and to Escrow, written notice of default. If Purchaser has failed to cure the default after the delivery of notice by Escrow and such default continues after the expiration of any grace period, Escrow shall so advise Seller. If Seller shall thereafter certify in writing to Escrow: (1) that Seller has elected to terminate the Purchase Agreement and has notified the Purchaser, or (2) that Purchaser is otherwise in default, then, and in either event, Escrow, subject to the provisions relating to dispute and conflicting demands set forth in paragraph 14 of the Agreement, shall thereafter treat all funds of the Purchaser paid under such Purchase Agreement, less Escrow's cancellation fee, as funds of Seller and not of the Purchaser. Thereafter, such funds shall be held free of the escrow established by the Agreement and shall be held by Escrow for the account of Seller. Upon written request by Seller, Escrow shall pay such funds to Seller or order and shall return to Seller the Purchase Agreement of such Purchaser and any other documents theretofore delivered to Escrow in connection with the purchase of the apartment specified in such Purchase Agreement shall be returned to the person from whom or entity from which such documents were received.

* * * * *

THE ABOVE SUMMARY IS NOT INTENDED TO BE A THOROUGH AND EXHAUSTIVE EXPLANATION OF ALL TERMS AND PROVISIONS CONTAINED IN THE ESCROW AGREEMENT. WHILE A PURCHASER CAN USE THIS SUMMARY AS A GENERAL SUMMARY OF THE ESCROW AGREEMENT, PURCHASER MUST REFER TO THE ESCROW AGREEMENT TO DETERMINE PURCHASER'S ACTUAL RIGHTS AND OBLIGATIONS. IF ANY CONFLICT OR DIFFERENCE EXISTS BETWEEN THIS SUMMARY AND THE ESCROW AGREEMENT, THE ESCROW AGREEMENT WILL CONTROL.

SUMMARY OF OPTIONS AGREEMENT

The Options Agreement for The Peninsula at Hawaii Kai ("Options Agreement") contains, among other things, the following terms and conditions (which may be modified or otherwise limited by the provisions not summarized below. Capitalized terms shall have the meanings ascribed to such terms in the Options Agreement.

A. Provided that Purchaser is not in default hereunder or under any other agreement which Purchaser may have with Seller, Seller agrees to construct and/or install the Options (i.e., upgrades that Purchaser has elected for his or her apartment). Said Options shall be installed on or before that date upon which Seller closes the sale of the Apartment to Purchaser.

B. Purchaser will pay the amount indicated in the Options Agreement for said Options to Fidelity National and Title and Escrow Company ("Escrow"). Fifty percent (50%) of the total price of all Options selected by Purchaser shall be paid upon Purchaser signing the Options Agreement. For special requests, one hundred percent (100%) of the total price of all Options selected by Purchaser shall be paid upon Purchaser signing the Options Agreement. Such sums shall be non-refundable, and shall be disbursed to Seller immediately upon either (i) closing of the sale of the Apartment; or (ii) cancellation of the Options Agreement or cancellation of the Purchase and Sale Agreement for the Apartment (whether cancelled by Seller or Purchaser). Any balance due (if 100% of the total price has not been paid) shall be paid at closing of the sale of the Apartment unless Seller requests an earlier payment, in which event payment will be made within ten (10) days after any such request by Seller.

C. In any event that Purchaser decides not to go through with the installation of said Options, or in the event that the Options Agreement or the Purchase and Sale Agreement for the Apartment is cancelled, it is understood and agreed that all deposits held by Escrow will be forwarded to Seller immediately upon notice by Seller to Escrow to release said deposits. No additional instruction from Purchaser will be necessary in connection with such release of deposits, and Purchaser does hereby waive any and all rights which it may have to retain or make a claim as to such deposits in such event. Purchaser irrevocably instructs Escrow to disburse said deposits to Seller in the event that Purchaser shall elect not to pursue the installation of the Options or in the event that the Options Agreement or the Purchase and Sale Agreement for the Apartment is cancelled. Purchaser further agrees to pay the balance due for the Options to Seller as indicated below immediately upon any cancellation.

D. It is understood and agreed that the Options Agreement is wholly separate and independent of the transaction and obligations pertaining to the purchase and sale of the Apartment. Purchaser has requested that Seller install the Options, and, while Seller would not ordinarily do so, Seller has agreed to do so notwithstanding that closing of the sale of the Apartment has not yet occurred. Accordingly, Seller will be incurring substantial costs in connection with such installation, and will, by installing such Options, be tailoring the Apartment to the individual tastes of Purchaser. Because Seller is accommodating Purchaser in this way, Purchaser agrees that Purchaser shall pay for the costs of installation whether or not Purchaser closes on the purchase of the Apartment from Seller, and Purchaser acknowledges and agrees that the payment to Seller of the price of the Options is fair compensation given Seller's accommodation, and that such price includes not only Seller's cost for the Options and the installation thereof, but shall also be deemed consideration to Seller to cover the accommodation to Purchaser in installing said Options.

E. Any dispute arising under the Options Agreement shall first be resolved by binding arbitration in accordance with the terms of paragraph 9 of the Options Agreement.

F. The Options chosen by Purchaser are final and absolute, and, except as set forth below in paragraph 6 of the Options Agreement, no changes, additions or deletions may be made to such Options.

G. Purchaser should be aware that there are additional disclosures set forth in paragraph 11 of the Agreement regarding various Apartment features.
