General Information On Condominiums

A condominium is a special form of real property. To create a condominium in Hawaii, the requirements of the Condominium Property Act, Chapter 514A, Hawaii Revised Statutes, must be complied with. In addition, certain requirements and approvals of the County in which the project is located must be satisfied and obtained.

Some condominium projects are leasehold. This means that the land or the building(s) and other improvements are leased to the buyer. The lease for the land usually requires that at the end of the lease term, the lessees (apartment owners/tenants) deliver their interest in the land to the lessor (fee property owner). The lease also usually requires that the lessees either (1) convey to the lessor the building(s) and other improvements, including any improvements paid for by the lessees; or (2) remove or dispose of the improvements at the lessee's expense. Leases for individual apartments often require that at the end of the lease term, the lessee deliver to the lessor the apartment, including any improvements placed in the apartment by the lessee.

If you are a typical condominium owner, you will have two kinds of ownership: (1) ownership in your individual apartment; and (2) an undivided interest in the common elements.

"Common elements" are the areas of the condominium project other than the individual apartments. They are owned jointly by all apartment owners and include the land, either in fee simple or leasehold, and those parts of the building or buildings intended for common use such as foundations, columns, roofs, halls, elevators, and the like. Your undivided interest in the common elements cannot be separated from ownership of your apartment.

In some condominium projects, some common elements are reserved for the exclusive use of the owners of certain apartments. These common elements are called "limited common elements" and may include parking stalls, patios, lanais, trash chutes, and the like.

You will be entitled to exclusive ownership and possession of your apartment. Condominium apartments may be individually bought, sold, rented, mortgaged or encumbered, and may be disposed of by will, gift, or operation of law.

Your apartment will, however, be part of the group of apartments that comprise the condominium project. Study the project's Declaration, Bylaws, and House Rules. These documents contain important information on the use and occupancy of apartments and the common elements as well as the rules of conduct for owners, tenants, and guests.

Operation of the Condominium Project

The Association of Apartment Owners is the entity through which apartment owners may take action with regard to the administration, management, and operation of the condominium project. Each apartment owner is automatically a member of the Association.

The Board of Directors is the governing body of the Association. Unless you serve as a board member or an officer, or are on a committee appointed by the board, your participation in the administration and operation of the condominium project will in most cases be limited to your right to vote as an apartment owner. The Board of Directors and officers can take certain actions without the vote of the owners. For example, the board may hire and fire employees, increase or decrease maintenance fees, borrow money for repair and improvements and set a budget. Some of these actions may significantly impact the apartment owners.

Until there is a sufficient number of purchasers of apartments to elect a majority of the Board of Directors, it is likely that the developer will effectively control the affairs of the Association. It is frequently necessary for the developer to do so during the early stages of development and the developer may reserve certain special rights to do so in the Declaration and Bylaws. Prospective buyers should understand that it is important to all apartment owners that the transition of control from the developer to the apartment owners be accomplished in an orderly manner and in a spirit of cooperation.

A condominium is created by recording in the Bureau of Conveyances and/or filing with the Land Court a Declaration of Condominium Property Regime, a Condominium Map (File Plan), and the Bylaws of the Association of Apartment Owners. The Condominium Property Act (Chapter 514A, HRS), the Declaration, Bylaws, and House Rules control the rights and obligations of the apartment owners with respect to the project and the common elements, to each other, and to their respective apartments. The provisions of these documents are intended to be, and in most cases are, enforceable in a court of law.

- A. **Declaration of Condominium Property Regime** contains a description of the land, buildings, apartments, common elements, limited common elements, common interests, and other information relating to the condominium project.

These rules must be followed by owners, tenants, and guests. They do not need to be recorded or filed to be effective. The initial House Rules are usually adopted by the developer.

IMPORTANT INFORMATION ON LEASEHOLD CONDOMINIUM PROJECTS

The information contained in this report is a summary of the terms of the lease. For more detailed information, you should secure a copy of the lease documents and read them thoroughly.

If you have any legal questions about leasehold property, the lease documents or the terms of the lease and the consequences of becoming a lessee, you should seek the advice of an attorney.

There are currently no statutory provisions for the mandatory conversion of leasehold condominiums and there are no assurances that such measures will be enacted in the future.

In leasehold condominium projects, the buyer of an apartment will acquire the right to occupy and use the apartment for the time stated in the lease agreement. The buyer will not acquire outright or absolute fee simple ownership of the land. The land is owned by the lessor or the leased fee owner. The apartment owner or lessee must make lease rent payments and comply with the terms of the lease or be subject to the lessor's enforcement actions. The lease rent payments are usually fixed at specific amounts for fixed periods of time, and are then subject to renegotiation. Renegotiation may be based on a formula, by arbitration set in the lease agreement, by law or by agreement between the lessor and lessee. The renegotiated lease rents may increase significantly. At the end of the lease, the apartment owners may have to surrender the apartments, the improvements and the land back to the lessor without any compensation (surrender clause).

When leasehold property is sold, title is normally conveyed by means of an assignment of lease, the purpose of which is similar to that of a deed. The legal and practical effect is different because the assignment conveys only the rights and obligations created by the lease, not the property itself.

The developer of this condominium project may have entered into a master ground lease with the fee simple owner of the land in order to develop the project. The developer may have then entered into a sublease or a new lease of the land with the lessee (apartment owner). The developer may lease the improvements to the apartment owner by way of an apartment lease or sublease, or sell the improvements to the apartment owners by way of a condominium conveyance or apartment deed.

11. Conformance to Present Zoning Code

- a. No variances to zoning code have been granted.
- Variance(s) to zoning code was/were granted as follows:

b. Conforming/Non-Conforming Uses, Structures, Lot

In general, a non-conforming use, structure, or lot is a use, structure, or lot which was lawful at one time but which does not now conform to present zoning requirements.

	<u>Conforming</u>	<u>Non-Conforming</u>	<u>Illegal</u>
Uses	<u>X</u>	<u> </u>	<u> </u>
Structures	<u>X</u>	<u> </u>	<u> </u>
Lot	<u>X</u>	<u> </u>	<u> </u>

If a variance has been granted or if uses, improvements or lot are either non-conforming or illegal, buyer should consult with county zoning authorities as to possible limitations which may apply.

Limitations may include restrictions on extending, enlarging, or continuing the non-conformity, and restrictions on altering and repairing structures. In some cases, a non-conforming structure that is destroyed or damaged cannot be reconstructed.

The buyer may not be able to obtain financing or insurance if the condominium project has a non-conforming or illegal use, structure, or lot.

D. Common Elements, Limited Common Elements, Common Interest:

- 1. Common Elements: Common Elements are those parts of the condominium project other than the individual apartments. Although the common elements are owned jointly by all apartment owners, those portions of the common elements which are designated as limited common elements (see paragraph 2 below) may be used only by those apartments to which they are assigned. The common elements for this project, as described in the Declaration, are:

described in Exhibit E . *

as follows:

* Note that all roadways and sidewalks are currently designated as common elements. It is the intent of the developer to dedicate such roadways and sidewalks to the County of Kauai. Further note that such dedication may affect the amount of maintenance fees allocated to the individual unit owners.

2. Limited Common Elements: Limited Common Elements are those common elements which are reserved for the exclusive use of the owners of certain apartments.

There are no limited common elements in this project.

The limited common elements and the apartments which use them, as described in the Declaration, are:

described in Exhibit F.

as follows:

3. Common Interest: Each apartment will have an undivided fractional interest in all of the common elements. This interest is called the "common interest." It is used to determine each apartment's share of the maintenance fees and other common profits and expenses of the condominium project. It may also be used for other purposes, including voting on matters requiring action by apartment owners. The common interests for the apartments in this project, as described in the Declaration, are:

described in Exhibit D.

as follows:

- E. Encumbrances Against Title: An encumbrance is a claim against or a liability on the property or a document affecting the title or use of the property. Encumbrances may have an adverse effect on the property or your purchase and ownership of an apartment in the project.

Exhibit G describes the encumbrances against the title contained in the title report dated February 13, 2006, and issued by Island Title Corporation.

Blanket Liens:

A blanket lien is an encumbrance (such as a mortgage) on the entire condominium project that secures some type of monetary debt (such as a loan) or other obligation. A blanket lien is usually released on an apartment-by-apartment basis upon payment of specified sums so that individual apartments can be conveyed to buyers free and clear of the lien.

[] There are no blanket liens affecting title to the individual apartments.

[X] There are blanket liens which may affect title to the individual apartments.*

Blanket liens (except for improvement district or utility assessments) must be released before the developer conveys the apartment to a buyer. The buyer's interest will be affected if the developer defaults and the lien is foreclosed prior to conveying the apartment to buyer.

Type of Lien

Effect on Buyer's Interest and Deposit if Developer Defaults
Or Lien is Foreclosed Prior to Conveyance

* The developer has obtained three loans to finance construction of the project.

1) Mortgage dated September 30, 2004, recorded in the Office of the Registrar of the Land Court of the State of Hawaii as Document No. 3175304 in the amount of \$5,200,000.00, as amended; 2) Second Mortgage dated October 5, 2004, recorded in said Office as Document No. 3175306 in the amount of \$2,308,000.00; and 3) Third Mortgage dated September 22, 2005, recorded in said Office as Document No. 3332658 in the amount of \$3,986,000.00.

The loans are secured by a first, second and third mortgage, which will be a "blanket lien" on the entire project, including all apartments. Upon conveyance of an apartment to a buyer, the mortgage will be released as to the apartment being conveyed. If there is a default and foreclosure of the mortgage prior to conveyance, the buyer may lose the right to buy the apartment, but will receive his or her deposit back.

F. Construction Warranties:

Warranties for individual apartments and the common elements, including the beginning and ending dates for each warranty, are as follows:

1. Building and Other Improvements:

The Project shall have the warranties as set forth in the attached Exhibit "H" and that certain Limited Warranty Addendum. Exhibit "H" only provides a general overview of such warranties and the purchaser should carefully read and review the Limited Warranty Addendum accompanying the Purchase Contract.

2. Appliances:

Range, microwave (optional), water heater, dishwasher, and garbage disposals will be warrantied with manufacturer's warranty.

Note (as to 1 and 2 above): Except as provided above, Developer disclaims any implied warranty of habitability, any implied warranty of merchantability, any implied warranty of fitness for a particular purpose or use, any implied warranty of workmanship and any other express or implied warranties, with respect to the apartments, the project, the common elements thereof, or as to any appliances and furnishings contained within the apartments or the project.

G. **Status of Construction and Date of Completion or Date of Estimated Completion**

The Construction of the Project has commenced. The Developer estimates that the Project will be completed on or before November 1, 2006.

H. **Project Phases:**

The Developer [] has [] has not reserved the right to add to, merge, or phase this condominium.

Summary of Developer's plans or right to perform for future development (such as additions, mergers or phasing):

The Developer has separated the apartments covered by the Preliminary Public Report (Reg. No. 5179) for the Project into separate groups, or phases for filing purposes. One group is covered by this Contingent Final Public Report. The remaining apartments under the Preliminary Public Report were covered under Contingent Final Public Report Reg. No. 5637 and subsequently covered under multiple Final Public Reports.

In accordance with Article XXVI of the Declaration, the Developer intends to register the Project in three (3) or more separate marketing and construction phases. However, the Developer may develop more or less than three (3) phases in accordance with its reserved right in the Declaration to do so, or may not phase the Project at all. This report covers the 58 apartments of the 104 total apartments in the entire project. Also, in accordance with the Developer's reserved rights in the Declaration, of which a summary is attached as Exhibit "A", there is no guaranty that the phases not covered under this report or any other improvement in the Project will be developed.

IV. CONDOMINIUM MANAGEMENT

A. **Management of the Common Elements:** The Association of Apartment Owners is responsible for the management of the common elements and the overall operation of the condominium project. The Association may be permitted, and in some cases may be required, to employ or retain a condominium managing agent to assist the Association in managing the condominium project.

Initial Condominium Management Agent: When the developer or the developer's affiliate is the initial condominium managing agent, the management contract must have a term of one year or less and the parties must be able to terminate the contract on notice of 60 days or less.

The initial condominium managing agent for this project, named on page five (5) of this report, is:

not affiliated with the Developer the Developer or the Developer's affiliate.
 self-managed by the Association of Apartment Owners other _____

B. **Estimate of Initial Maintenance Fees:**

The Association will make assessments against your apartment to provide funds for the operation and maintenance of the condominium project. If you are delinquent in paying the assessments, your apartment may be liened and sold through a foreclosure proceeding.

Initial maintenance fees are difficult to estimate and tend to increase as the condominium ages. Maintenance fees may vary depending on the services provided. Maintenance fees may also decrease upon the developer's subdivision of the property and dedication of the roadways and sidewalks to the County of Kauai. Those certain Apartments with shared limited common element driveways, as described in the Declaration, the attached Exhibit F and depicted on the Condominium Map, may also be charged additional fees (which may or may not be considered in the overall maintenance fees) for the maintenance and upkeep of such shared driveways.

Exhibit I contains a schedule of estimated initial maintenance fees and maintenance fee disbursements (subject to change).

THE AMOUNTS SET FORTH IN SAID EXHIBIT I ARE ESTIMATES ONLY AND MAY CHANGE FOR REASONS BEYOND THE CONTROL OF THE DEVELOPER. SUCH ESTIMATES ARE NOT INTENDED TO BE AND DO NOT CONSTITUTE ANY REPRESENTATION OR WARRANTY BY THE DEVELOPER, INCLUDING BUT NOT LIMITED TO ANY REPRESENTATION OR WARRANTY AS TO THE ACCURACY OF SUCH ESTIMATES.

A PRELIMINARY RESERVE STUDY HAS BEEN UNDERTAKEN BY THE DEVELOPER AS SET FORTH IN EXHIBIT I.

C. **Utility Charges for Apartments:**

Each apartment will be billed separately for utilities except for the following checked utilities which are included in the maintenance fees:

None Electricity* (Common Elements Only _____ Common Elements and Apartments)
 Gas (Common Elements Only _____ Common Elements and Apartments)
 Water** (Common Elements Only _____ Common Elements and Apartments)
 Sewer Television Cable
 Other: Refuse Collection

*Each unit will be billed separately for the electricity used within said unit (electricity used for lighting, water heating, cooking and the operation of the various appliances of the unit); each Owner will be responsible for setting up own account.

**Each unit will also be billed separately for the water consumption attributable to that unit; each Owner will be responsible for setting up own account.

C. Additional Information Not Covered Above

1. Subdivision. The developer has received final subdivision approval from the County of Kauai to subdivide the property into fifty-five (55) lots. Fifty-two (52) lots shall contain a total of 104 condominium units, or two (2) units per lot. In addition, the developer will subdivide and withdraw out of the Project several roadway lots which will be dedicated to the County of Kauai, as described in 2. below. The condominium map delineates and demarks the boundaries of the subdivided lots.
2. Dedication of Common Element Roadways and Sidewalks. The developer intends to dedicate the common element roadways and sidewalks to the County of Kauai. **By way of this public report, the Declaration, Deed and Purchase Contract, the Apartment Owner is deemed to have received sufficient notice in accordance with Hawaii Revised Statutes §501-196, as amended, that such common element roadways and sidewalks will be dedicated to the County of Kauai upon final subdivision approval. The Apartment Owner is also aware that in the event further notice to the Apartment Owner is required, the Apartment Owner will, by execution of the Deed, designate the Association as its agent to receive such notices required by §501-196, as amended.** Such dedication may also change the amount of maintenance fees paid by the individual apartment owners.
3. Developer as General Contractor. The developer is also acting as the project's General Contractor and has a current Hawaii contractor's license.
4. Limited Common Element Yard Areas and Private Yard Areas. Each Apartment shall have appurtenant to it as a Limited Common Element the yard area as described on the Condominium Map and in the Declaration. In the Condominium Map, the yard area that is a limited common element appurtenant to the Apartment is that area extending around each Apartment as labeled on the Condominium Map filed concurrently with and as described in the Declaration. The yard area is labeled with the same apartment number to which such yard area is appurtenant. The Association in the manner determined by the Design Committee, shall landscape and maintain the yard area. Each Apartment Owner will be assessed for such maintenance in the manner set forth in the Declaration.

The Private Yard area ("Private Yard") is that certain area adjacent each Apartment as described in Exhibit "A" to the Design Guidelines. The purpose of the Private Yard is to allow each Apartment Owner the opportunity to install and maintain his/her own personal garden area. Gardens may be ornamental, and/or consist of fruit or vegetable plants. Owners may establish their yard areas by notifying the Design Committee in writing of their intention to do so. After so notifying the Design Committee as provided for in the House Rules, maintenance within the yard area shall be the responsibility of the Apartment Owner. Weeds shall be prevented and the area shall be maintained in a neat and well kept fashion. In the event an Apartment Owner has declared a Private Yard and neglects, in the sole opinion of the Design Committee, to maintain the yard area in the manner provided for herein, the Association shall have the right, at the direction of the Design Committee, to maintain the yard area and the Apartment Owner shall pay the cost of said maintenance. An Apartment Owner may return a Private Yard to the care of the Association upon written notice. The Association shall have the right to return the Private Yard to compliance with the general landscaping scheme of The Villas, which cost shall be paid by the Apartment Owner. Privacy fences may be installed around the Private Yard, but are not required. Privacy fences shall be no more than three feet tall and shall be a two rail mortise and tenon construction painted to match the exterior color of the Apartment. The Design Committee reserves the right to establish more particular specifications from time to time.

5. Developer to Pay Actual Costs of Project. The Developer hereby discloses that it shall initially assume the actual common expenses of the Project, pursuant to Section 514A-15 of the Hawaii Revised Statutes, from the date upon which certificates of occupancy are issued for the respective apartments of the Project. Accordingly, no apartment owner shall be obligated to pay his or her respective share of the common expenses until the Developer files a written statement ("Notification") with the Real Estate Commission of the State of Hawaii ("Commission") notifying the Commission and all apartment owners of the Project that, after a date certain ("Transition Date"), each apartment owner shall thereafter be obligated to pay for the respective share of common expenses allocated to said owner's apartment. The Notification shall be filed with the Commission at least thirty (30) days prior to the Transition Date, and a copy of said amendment shall be delivered to each of the apartment owners whose maintenance expenses were assumed by the Developer.

6. Construction and Marketing in Phases. The Developer, for registration purposes, will be separating the total apartments in the Project, which were filed under Preliminary Public Report (Reg. No. 5179), issued on September 24, 2003, into groups covered by multiple Contingent Final or Final Public Reports in order to accommodate changing construction and/or marketing strategies. This report covers only those 58 apartments enumerated on page 1. The Developer intends to file public report packets in three (3) separate phases. However, the Developer may develop more or less than three (3) phases in accordance with its reserved right in the Declaration to do so, or may not phase the Project at all. The Developer also makes no guaranty or warranty that all of the currently-planned buildings as depicted on the Condominium Map, or the improvements in the Project, will be developed at all. Purchasers should thus be aware that all of the apartments in the Project, as described in the Project documents, will be closing at different times (depending on the final number selected by Developer to be constructed), but rather, will be closing in phases over a period of time coinciding with the decision to construct, the obtaining of building permits, financing, bonds and issuance of building permits for each phase.

The Developer hereby discloses that although separate Contingent Final or Final Public Reports will be issued for each phase of the Project, all 104 apartments, or lesser number actually constructed, still legally comprise a single condominium project. In other words, the act of separating the various apartments into different marketing and sales phases does not create separate and distinct condominium projects, but only creates separate "phases" for public report purposes. Accordingly, the common elements described in Exhibit "D" attached serve each of the 104 apartments.

7. County of Kauai's First Option to Purchase and Use and Developer's Shared Appreciation Program. As a condition of rezoning, the County of Kauai ("County") has imposed anti-speculation covenants as to ninety (90) Apartments in the Project, specifically a seven (7) year right of first option to purchase in favor of the County. In support of the County's intent to prevent speculation as to apartments in the Project, the developer has also implemented a shared appreciation program affecting these ninety (90) apartments. THE APARTMENT DEED AND PURCHASE CONTRACT, AS AMENDED, PROVIDE THAT IF PURCHASER SELLS OR TRANSFERS AN APARTMENT WITHIN SEVEN (7) YEARS FROM THE DATE OF CLOSING, THE COUNTY WILL HAVE A FIRST OPTION TO PURCHASE THE APARTMENT AT THE PURCHASE PRICE ESTABLISHED BY THE COUNTY IN THE MANNER DESCRIBED ON EXHIBIT "N" ATTACHED HERETO. PURCHASERS ARE FURTHER ADVISED THAT THE COUNTY MAY INTERPRET THE RENTAL OF AN APARTMENT TO BE A SALE OR TRANSFER TRIGGERING THE COUNTY'S FIRST OPTION TO PURCHASE. THE COUNTY'S FIRST OPTION TO PURCHASE IS GOVERNED BY COUNTY OF KAUAI ORDINANCE NO. PM-2005-372 SET FORTH IN EXHIBIT "N" ATTACHED HERETO. IF THE COUNTY DOES NOT EXERCISE SUCH FIRST OPTION TO PURCHASE RIGHT, DP HOMES WILL BE ENTITLED TO SHARED APPRECIATION INTEREST FOR A PERIOD OF SEVEN (7) YEARS FOLLOWING INITIAL CLOSING OF THE APARTMENT, AS DETERMINED BY THE SHARED APPRECIATION SCHEDULE SET FORTH ON EXHIBIT "N" ATTACHED HERETO. PURCHASER ALSO AGREES IN HIS PURCHASE CONTRACT TO EXECUTE ANY NECESSARY AGREEMENTS RELATED TO PURCHASER'S PARTICIPATION IN THE COUNTY'S RIGHT OF FIRST OPTION TO PURCHASE AND THE DEVELOPER'S SHARED APPRECIATION PROGRAMS AS PART OF CONSIDERATION FOR THE PURCHASE OF THE APARTMENT AND AS A CONDITION OF CLOSING IN ACCORDANCE WITH SECTION 26 OF THE PURCHASE CONTRACT. PURCHASER SHOULD INQUIRE AS TO WHETHER THE APARTMENT PURCHASER INTENDS TO PURCHASE IS SUBJECT TO THE COUNTY'S RIGHT OF FIRST OPTION TO PURCHASE AND/OR THE DEVELOPER'S SHARED APPRECIATION PROGRAM PRIOR TO EXECUTION OF THE PURCHASE CONTRACT. THE ATTACHED EXHIBIT "N" SUMMARIZES THE DETAILS OF EACH PROGRAM. PURCHASERS SHOULD MAKE CAREFUL REVIEW OF THEIR PURCHASE CONTRACT TO DETERMINE WHETHER THEIR APARTMENT IS SUBJECT TO THESE PROGRAMS.

D. The developer hereby certifies that all the information contained in this Report and the Exhibits attached to this Report and all documents to be furnished by the developer to buyers concerning the project have been reviewed by the developer and are, to the best of the developer's knowledge, information and belief, true, correct and complete.

PERMITTED ALTERATIONS TO APARTMENTS

Capitalized terms have the same meaning ascribed to such terms in the Declaration.

A. **GENERAL PROVISIONS.** Except as otherwise expressly provided in the Declaration to the contrary, restoration or replacement of the Project or any portion thereof or construction of any additional improvement or structural alteration or addition to any improvement, different in any material respect from the Condominium Map of the Project, shall be undertaken by the Association or any Apartment Owner only pursuant to an amendment of the Declaration in accordance with Article XIII of the Declaration, duly executed pursuant to the provisions thereof, accompanied by the written consent of the holders of all mortgage liens affecting any of the Apartments involved, and in accordance with complete plans and specifications therefor first approved in writing by the Board. Promptly upon completion of such restoration, replacement or construction, the Association or Owner, as the case shall be, shall duly record such amendment at said Office, together with a complete set of floor plans of the Project as so altered, certified as built by a registered architect or professional engineer.

B. **ADDITIONS OR ALTERATIONS SOLELY WITHIN AN APARTMENT** Notwithstanding anything to the contrary contained herein, each Owner of an Apartment shall have the right at any time and from time to time at such Owner's sole cost and expense, and without the necessity of the consent or joinder of any other Apartment Owner, to make any of the following alterations solely within the Owner's Apartment: to install, maintain, remove and rearrange partitions (including the party wall between two Apartments owned by the same Owner) and other structures from time to time within such Apartment, to finish, alter or substitute any plumbing, electrical or other fixtures attached to the ceilings, floors and walls as shall be appropriate for the utilization of such Apartment by such Owner or the tenants or lessees thereof, and to tile, finish, re-carpet, and do or cause to be done such work on the floors of any Apartment; provided, however, that nothing contained in this paragraph shall jeopardize the soundness or safety of any part of the Project, reduce the value thereof, materially adversely affect any other Apartment, materially alter the uniform external appearance of the Project, materially affect or impair any easement or rights of any of the other Apartment Owners or materially interfere with or deprive any non-consenting Owner of the use or enjoyment of any part of the Common Elements subject, however, to the exclusive use of the Limited Common Elements. Further, nothing in this paragraph shall prohibit the Board from effecting or prohibiting such changes within an Apartment, or to require the same, in order that the buildings of the Project may continue to comply with applicable law, including any fire code requirements.

In addition, notwithstanding anything to the contrary contained herein, each Owner of an Apartment shall have the right at any time and from time to time at such Owner's sole cost and expense, and without the necessity of the consent or joinder of any other Apartment Owner, to reconfigure the interior of an Apartment to conform with one of the various interior apartment layouts ("Option Area") as identified on and depicted on the Map.

C. **APARTMENT OWNERS TO EXECUTE AMENDMENT DOCUMENTS IN CERTAIN CASES.** In the event that any change or alteration of an Apartment, including, but not limited to, any change or alteration pursuant to and in compliance with Article XII, Section B of the Declaration, alters the depiction of the particular Apartment on the Condominium Map, then the Owner of such Apartment shall amend the Declaration and/or the Condominium Map to set forth such approved change or alteration, which amendment(s) may be executed by the Owner of the affected Apartment or Apartments and by no other party, and such shall become effective upon the recordation thereof at said Office. The provisions of Article XIII of the Declaration notwithstanding, such amendment shall not require the consent or joinder of the Owner of any other Apartment or any other person or entity, other than any mortgagee of such Apartment or Apartments which are changed or altered. Every Apartment Owner and all holders of liens affecting any of the Apartments of the Project and each and every other party acquiring an interest in the Project or any part thereof, by acquiring such Apartment, lien or other interest, consents to and agrees that he shall, if required by law or by any such Owner who shall have changed or altered an Apartment as aforesaid, join in, consent to, execute, deliver and record all instruments and documents necessary or desirable to effect the amendment of the Declaration and/or the Condominium Map; and appoints such Owner and his assigns his attorney-in-fact with full power of substitution to execute, deliver and record such documents and to do such things on his behalf, which grant of such power, being coupled with an interest, is irrevocable and shall not be affected by the disability of any such party.

THE ABOVE SUMMARY IS NOT INTENDED TO BE A THOROUGH AND EXHAUSTIVE EXPLANATION OF ALL RESTRICTIONS ON ALTERATIONS TO APARTMENTS CONTAINED IN THE PROJECT DOCUMENTS. WHILE A PURCHASER CAN USE THIS SUMMARY AS A GENERAL SUMMARY OF RIGHTS AND OBLIGATIONS UNDER THE PROJECT DOCUMENTS, PURCHASER MUST REFER TO THE DECLARATION, BYLAWS AND HOUSE RULES TO DETERMINE THE PURCHASER'S ACTUAL RIGHTS AND OBLIGATIONS. IF ANY CONFLICT OR DIFFERENCE EXISTS BETWEEN THIS SUMMARY AND THE PROJECT DOCUMENTS, THE PROJECT DOCUMENTS WILL CONTROL.

¹ The Developer is offering various optional layouts for Apartment types A, AR, A2, A2R. Such layouts include two (2) bedrooms and area increases in the master bath and/or living area. Some options also include replacing the dining room with a den. All of the various layouts are depicted in the Condominium Map.

Currently, all Apartment Types have a kitchen, living room, a two-car garage, one (1) covered porch, one (1) lanai and three (3) bedrooms. Apartment Types A, AR, A2 and A2R each also have a dining room and two (2) bathrooms and Apartment Types B and BR have two and one-half (2.5) bathrooms. Apartment Types B and BR also have nooks. Apartment Types A, AR, A2 and A2R are all one-story apartments and Apartment Types B and BR are all two-story apartments.

² The Approximate Net Living Square Footage of the Apartment is calculated based on the area from the exterior surface of the perimeter walls and the foundation and the exterior surface of the roof of the Apartment, including the wall and space between the walls connected to the Apartment located on such Apartment's side of the four inch air space between two (2) Apartments, inward. Such area, however, does not include the four (4) inch airspace located between two Apartments. The Approximate Net Square Footage of the Apartment, as defined in the Declaration, is the total of the Approximate Net Garage Square Footage, Approximate Net Covered Porch Square Footage, Approximate Net Lanai Square Footage and the Approximate Net Living Square Footage.

³ The common interest of each Apartment is calculated as a fractional interest of one (1) Apartment over the total number of Apartments, or one-hundred four (104), as to 1/104th interest. Such fractional interest calculates to approximately .96153 percent (.96153%+). Note that the maintenance fees will be calculated based on a common interest of 1/104.

SUMMARY OF PURCHASE CONTRACT AND AMENDMENT

The specimen Villas at Pualu Purchase Contract and Amendment, as applicable, ("Agreement") contains, among other things, the following terms and conditions (which may be modified or otherwise limited by provisions which are not summarized hereinbelow):

- A. The Seller (Developer) has engaged Island Title Corporation ("Escrow") to handle Purchaser's funds and to close the transaction in accordance with the terms of the Agreement. All payments to be made under the Agreement shall be paid by Purchaser to Escrow pursuant to the Escrow Agreement.
- B. The Purchaser specifically acknowledges and agrees that the Condominium Declaration contains reservations of certain rights in favor of Seller, the Association and other owners and contains certain other provisions to which the Purchaser consents.
- C. The "Closing Date" shall be the date (following the completion of the structure in which the Apartment is located) upon which Seller certifies to the Purchaser in writing that the Apartment is ready for occupancy. All payments shall be due and payable in full on the Closing Date, and, if not paid on said date due to Purchaser's failure to act in a diligent manner in order for said payment to be made on said date, then such nonpayment shall result in a default under the Agreement. If Purchaser, after the delivery by Seller of a copy of the Contingent Final Public Report for the Project, either personally or by registered or certified mail with return receipt requested, shall fail to execute an acknowledgement of receipt and waiver of Purchaser's right to cancel the Agreement (or shall fail to give his written approval or acceptance to any material change to the Project as requested by Seller pursuant to the provisions of Hawaii Revised Statutes Section 514A-63, as amended) within thirty (30) days of such receipt, Seller may at its option: (i) cancel the Agreement upon ten (10) days' written notice to Purchaser of such cancellation and upon such cancellation Seller shall cause Escrow to refund to Purchaser all payments previously made by Purchaser without interest; or (ii) elect (by its failure to give said written notice of cancellation) to treat such failure as a deemed acceptance ("Deemed Acceptance") of such Public Report and as a waiver of the right to cancel the Agreement (or as a Deemed Acceptance of such material change, as the case may be).
- D. The Purchase Price does not include closing costs which include, among other things, the escrow fee, cost of a preliminary title report, cost of preparation of the Apartment Deed, real property tax and other prorations, all acknowledgment fees, conveyance taxes, title insurance, if requested by Purchaser, cost of any lender's title insurance, appraisal fees, costs for drafting of any notes and mortgages, all recording costs or fees, loan fees, credit report costs and all other applicable mortgage costs. Purchaser shall pay a start-up fee equal to two (2) months' of the estimated maintenance fee in advance. Purchasers should be aware that the purchase price for the Apartment may have increased since purchaser's execution of the Purchase Contract. Purchaser may be asked to sign an amendment to Purchase Contract reflecting such increase at the time their Purchase Contract becomes binding.
- E. Purchaser agrees that it will not assign the Agreement to anyone. Seller may, without any consent of Purchaser, freely assign Seller's interests therein.
- F. Purchaser shall not be entitled to possession of the Apartment as the owner thereof until Purchaser has completed all required payments and has executed all documents relating to the purchase, and Purchaser has performed the remaining terms and conditions of the Agreement which are to be performed as of the Closing.
- G. Notices to either party may be delivered personally or mailed.
- H. The Purchaser acknowledges that Purchaser has entered into the Agreement without any reference or representation by Seller or any sales person that the Seller, or any managing agent of the Project or anyone else affiliated with the Seller will provide, directly or indirectly, any services relating to the rental or sale or management of the Apartment purchased.

I. The laws of the State of Hawaii shall govern all matters with respect to the Agreement.

J. Purchaser has examined and approved the estimate of monthly maintenance charges for the Property as shown in the Public Report. Purchaser is aware that such amounts are only estimates and may change for reasons beyond the control of Seller, and Purchaser hereby specifically accepts and approves any such changes.

K. If Purchaser is purchasing an Apartment that has been designated by the Seller as an owner-occupant apartment pursuant to Part VI of Chapter 514A of the Hawaii Revised Statutes, as amended, pertaining to sales to owner-occupants, Purchaser shall, upon receiving the disclosure statement informing the Purchaser that the Real Estate Commission has issued an effective date for the Final Public Report for the Project, reaffirm Purchaser's intent to be an owner-occupant. Purchaser's failure to execute the reaffirmation shall constitute a default under the Purchase Contract.

L. The Agreement, in accordance with Hawaii law, contains important notice and cure requirements Purchasers must follow before Purchasers file a lawsuit or other action for defective construction against the Contractor who designed, repaired or constructed the apartment. Purchaser should accordingly make careful review of Section 28(e) of the Agreement.

M. Purchaser should also make careful review of the warranties in that certain Limited Warranty Addendum and the loan and subordination provisions in that certain Lender's Required Addendum.

N. IF PURCHASER SELLS OR TRANSFERS AN APARTMENT WITHIN SEVEN (7) YEARS FROM THE DATE OF CLOSING, THE COUNTY OF KAUAI WILL HAVE A RIGHT OF FIRST OPTION TO PURCHASE THE APARTMENT PURSUANT TO KAUAI ORDINANCE NO. PM-2005-372 ("ORDINANCE") AT THE PURCHASE PRICE ESTABLISHED BY THE COUNTY IN ACCORDANCE WITH SUCH ORDINANCE. PURCHASERS ARE FURTHER ADVISED THAT THE COUNTY MAY INTERPRET THE RENTAL OF AN APARTMENT TO BE A SALE OR TRANSFER TRIGGERING THE COUNTY'S FIRST OPTION TO PURCHASE. IF THE COUNTY DOES NOT EXERCISE SUCH RIGHT, DP HOMES WILL BE ENTITLED TO SHARED APPRECIATION INTEREST FOR A PERIOD OF SEVEN (7) YEARS FOLLOWING INITIAL CLOSING OF THE APARTMENT, AS DETERMINED BY THE SHARED APPRECIATION SCHEDULE IN EXHIBIT "N" HEREIN. PURCHASER ALSO AGREES TO EXECUTE ANY NECESSARY AGREEMENTS RELATED TO PURCHASER'S PARTICIPATION IN THE COUNTY'S RIGHT OF FIRST OPTION TO PURCHASE AND THE DEVELOPER'S SHARED APPRECIATION PROGRAMS AS PART OF CONSIDERATION FOR THE PURCHASE OF THE APARTMENT AND AS A CONDITION OF CLOSING IN ACCORDANCE WITH SECTION 26 OF THE AGREEMENT. THIS PROVISION SHALL SURVIVE CLOSING OF THE SALE OF THE APARTMENT. PURCHASER SHOULD INQUIRE AS TO WHETHER THE APARTMENT PURCHASER INTENDS TO PURCHASE IS SUBJECT TO THE COUNTY'S RIGHT OF FIRST OPTION TO PURCHASE AND/OR THE DEVELOPER'S SHARED APPRECIATION PROGRAM PRIOR TO EXECUTION OF THE AGREEMENT.

B. Escrow shall receive, deposit and hold in separate escrow accounts and disburse as set forth in the Agreement: (a) all payments received by it under Purchase Agreements, (b) such sums received by it under the Agreement from or for the account of Seller, and (c) all sums received by it from any other source with respect to the Project. All funds and instruments received from Purchasers or prospective Purchasers shall be held by Escrow in accordance with the provisions contained in Chapter 514A of the Hawaii Revised Statutes. All monies received by Escrow hereunder shall be deposited, within a reasonable time of the receipt by Escrow and in reasonably convenient and practical sums, in a trust fund with a bank, savings and loan or trust company authorized to do business in the State of Hawaii under an escrow arrangement, and shall be held in immediately available funds in accordance with the terms the Agreement. All income derived from such accounts, and all interest paid thereon, shall be credited to the account of Developer, unless otherwise directed by Developer.

C. D. Each Purchaser shall be entitled to a return of his or her funds, without interest, and Escrow shall pay such funds to such Purchaser, promptly after request for return by the Purchaser if one of the following has occurred:

Upon the return of said funds to the Purchaser as aforesaid, Escrow shall return to Seller such Purchaser's Purchase Agreement and any conveyancing documents theretofore delivered to Escrow pursuant to such Purchase Agreement; and thereupon the Purchaser shall no longer be obligated under the Purchase Agreement. Other documents delivered to Escrow relating to the sale of the apartment identified in such Purchase Agreement will be returned to the person from whom or entity from which they were received.

Upon the cancellation of any Purchase Agreement as specified above, Escrow shall be entitled to a \$25.00 cancellation fee.

E. If the Purchaser fails to make any payment on or before the due date thereof or if the Purchaser does or fails to do any act which would constitute an event of default under the Purchase Agreement, Seller shall promptly give to such Purchaser and to Escrow, written notice of default. If Purchaser has failed to cure the default after the delivery of notice by Escrow and such default continues after the expiration of any grace period, Escrow shall so advise Seller. If Seller shall thereafter certify in writing to Escrow: (1) that Seller has elected to terminate the Purchase Agreement and has notified the Purchaser, or (2) that Purchaser is otherwise in default, then, and in either event, Escrow, subject to the provisions relating to dispute and conflicting demands set forth in paragraph 14 of the Agreement, shall thereafter treat all funds of the Purchaser paid under such Purchase Agreement, less Escrow's cancellation fee, as funds of Seller and not of the Purchaser. Thereafter, such funds shall be held free of the escrow established by the Agreement and shall be held by Escrow for the account of Seller. Upon written request by Seller, Escrow shall pay such funds to Seller or order and shall return to Seller the Purchase Agreement of such Purchaser and any other documents theretofore delivered to Escrow in connection with the purchase of the apartment specified in such Purchase Agreement shall be returned to the person from whom or entity from which such documents were received.

- b. The gross sale price on the resale, as estimated by a residential real estate appraiser licensed in the State of Hawaii, selected by the Purchaser from a list of qualified appraisers maintained by County, assigned by and paid by the County, less customary closing costs and sales commission.

B. Shared Appreciation Program.

If the County declines to exercise its first option to purchase during the requisite seven (7) year period, the Purchaser may transfer his apartment to another third party, provided that any *Net Appreciation* from such sale shall be shared with DP Homes on a progressive basis for a period of seven (7) years from Closing based on the following Shared Appreciation Schedule:

Shared Appreciation Schedule

Years from Date of Closing to Date of Transfer	Shared Appreciation Percentage to be Paid to Purchaser	Shared Appreciation Percentage to be Paid to DP Homes
0 to less than 1 year	0.00%	100.0%
1 to less than 2 years	10.0%	90.0%
2 to less than 3 years	20.0%	80.0%
3 to less than 4 years	35.0%	65.0%
4 to less than 5 years	50.0%	50.0%
5 to less than 6 years	80.0%	20.0%
6 to less than 7 years	100.0%	0.0%

The *Net Appreciation* shall be the difference between the *Adjusted Sales Price* (the fair market value at the time of transfer, less any broker's commissions and closing costs incurred) and the *Initial Purchase Price* (the Total Purchase Price as set forth in Section 2 of the Purchase Contract, plus closing costs (excluding the start up fee and any prepaid maintenance fee), but not loan fees or costs, plus the actual documented costs of capital improvements made to the Apartment by Buyer after closing (as defined in Section 263 of the Internal Revenue Code of 1986, as amended).

DP Homes' *Shared Appreciation Interest*, shall be the product reached by multiplying the *Net Appreciation* by the *Shared Appreciation Percentage* to be paid to DP Homes as set forth in the Shared Appreciation Schedule above. By way of illustration, but not by way of limitation, if the Purchaser sells the Apartment within two and one half (2-1/2) years following Closing, DP Homes' Shared Appreciation Percentage is eighty percent (80%). If the Adjusted Sales Price of the Apartment is \$400,000 and the Initial Purchase Price was \$300,000, including closing costs, then the Net Appreciation is \$100,000 and DP Homes' Shared Appreciation Interest is \$80,000 and the Purchaser's Shared Appreciation Interest is \$20,000.

A transfer shall include any transfer by way of sale, gift, exchange or otherwise (except a transfer or assignment of an interest in the Apartment as security for repayment of a debt), whether for fair and adequate consideration or not. A transfer of the Apartment shall also be deemed to have taken place upon any of the following occurrences:

- i) When Purchaser sells or transfers the Apartment or any legal or beneficial right, title or ownership interest in the Apartment, including by way of an agreement of sale or lease with an option to purchase the Apartment;
- ii) In the event Purchaser is divested of title or any interest in the Apartment, in any manner, voluntarily or involuntarily, including a judicial or non-judicial foreclosure sale.

The following actions shall not be deemed a transfer for shared appreciation purposes:

- i) A transfer to the surviving joint tenant or tenant by the entirety by devise, through the laws of descent or by operation of law on the death of a joint tenant or a spouse;
- ii) A transfer by devise or through the laws of descent to a family member;
- iii) A transfer resulting from a decree of dissolution of marriage, legal separation agreement, or from an incidental property settlement agreement, by which the Purchaser's spouse or reciprocal beneficiary, as defined under Hawaii law, becomes an owner of the Apartment; or
- iv) A transfer into an inter vivos trust in which the Purchaser is and remains the primary beneficiary and the Purchaser continues to occupy and use the Apartment.
- v) A transfer including a provision for Purchaser to participate in any appreciation or gain on a subsequent transfer or sale of the Apartment.

IF WITHIN THE MEANING OF THE ORDINANCE, PURCHASER SELLS OR TRANSFERS HIS APARTMENT WITHIN SEVEN (7) YEARS FROM THE DATE OF CLOSING, THE COUNTY OF KAUAI WILL HAVE A RIGHT OF FIRST OPTION TO PURCHASE THE APARTMENT AT THE PURCHASE PRICE ESTABLISHED BY THE COUNTY IN THE MANNER DESCRIBED HEREIN. IF THE COUNTY DOES NOT EXERCISE SUCH RIGHT, DP HOMES WILL BE ENTITLED TO SHARED APPRECIATION INTEREST FOR A PERIOD OF SEVEN (7) YEARS FOLLOWING INITIAL CLOSING OF THE APARTMENT, AS DETERMINED BY THE SHARED APPRECIATION SCHEDULE ABOVE. PURCHASER SHALL ALSO EXECUTE ANY NECESSARY AGREEMENTS RELATED TO PURCHASER'S PARTICIPATION IN THE COUNTY'S RIGHT OF FIRST OPTION TO PURCHASE AND THE DEVELOPER'S SHARED APPRECIATION PROGRAMS AS PART OF CONSIDERATION FOR THE PURCHASE OF THE APARTMENT AND AS A CONDITION OF CLOSING IN ACCORDANCE WITH SECTION 26 OF THE PURCHASE CONTRACT. THIS PROVISION SHALL SURVIVE CLOSING OF THE SALE OF THE APARTMENT. PURCHASER SHOULD INQUIRE AS TO WHETHER THE APARTMENT PURCHASER INTENDS TO PURCHASE IS SUBJECT TO THE COUNTY'S RIGHT OF FIRST OPTION TO PURCHASE AND/OR THE DEVELOPER'S SHARED APPRECIATION PROGRAM PRIOR TO EXECUTION OF THE PURCHASE CONTRACT.

In such event, the increase in price, if any, shall be based on the actual additional cost resulting from the delay or extraordinary circumstances. 2. Except for the 14 residences to be conveyed to participants in Diamond Pacific Homes, L.L.C, the remaining residences shall be sold subject to anti-speculation covenants that for seven years the Kauai County Housing Agency shall have an option to purchase any unit offered for sale by the original purchaser. The purchase price to the Kauai County Housing Agency shall be calculated as follows: the lesser of (1) the owner's purchase price (including customary closing costs, but not including any costs relating to financing of the purchase) plus the greater of 3% per annum thereon from the original date of closing or the percentage change in the Consumer Price Index for the Metropolitan Honolulu area from the date of original sale to the time of

resale, plus the actual cost of capital improvements made to the residence by the owner plus the greater of 3% per annum thereon from the date of completion of such capital improvements or the percentage change in the Consumer Price Index for the Metropolitan Honolulu area from the date of completion of the capital improvements to the time of resale, or (2) the gross sales price on the resale less customary closing costs and commissions. If the Kauai County Housing Agency declines to exercise its option, then during the said seven year period, the owner may sell his residence, with any appreciation to be shared with the developer on a progressive basis as follows:

<u>Years Owned</u>	<u>% Of Gain To Owner</u>
less than 1	0%
1 to less than 2	10%
2 to less than 3	20%
3 to less than 4	35%
4 to less than 5	50%
5 to less than 6	80%
6 to less than 7	100%

3. The applicant shall consult and resolve all applicable conditions as recommended by the State Health Department, Fire Department, Water Department, Public Works Department, and the Office of State Planning.
4. The applicant is advised that additional government agency conditions may be imposed. It shall be the applicant's responsibility to resolve those conditions with the respective agency(ies)."

SECTION 2. If any provision of this ordinance, or the application thereof to any person or circumstances is held invalid, the invalidity does not affect other provisions or applications of the Ordinance which can be given effect without the invalid provision or application, and to this end the provisions of this Ordinance are severable.

THE VILLAS AT PUALI
SHARED APPRECIATION AGREEMENT

THIS AGREEMENT made this ____ day of _____, 20____, by and between **DIAMOND PACIFIC HOMES, LLC**, a Hawaii limited liability company, whose principal place of business and mailing address is 1600 Specht Point Drive, Suite F, Fort Collins, Colorado 80527 ("Seller"), and _____ whose address is _____

("Buyer").

WITNESSETH:

WHEREAS, Seller and Buyer entered into that certain The Villas at Puali New Home Purchase Contract, attached hereto as Exhibit "A" and incorporated herein by reference, as may be amended from time to time ("Purchase Contract") for Apartment No. _____ (the "Apartment") in The Villas at Puali condominium project ("Project");

WHEREAS, to be consistent with and enforce the County of Kauai ("County") Ordinance No. PM-303-94, as amended by Ordinance No. PM-2005-372 ("Ordinance"), enacted with the intent of preventing speculation of apartments in the Project and keeping the Project affordable, Seller has enabled the Buyer to purchase the Apartment for a purchase price below current fair market value, provided that the Buyer grant a first option to purchase the Apartment to the County of Kauai, pursuant to the Ordinance and participates in Seller's shared appreciation program ("Shared Appreciation Program") as set forth herein;

WHEREAS, the parties desire to carry out that portion of the First Amendment to the Purchase Contract which provides that as part of the consideration for the purchase of the Apartment and as a condition of Closing, the Buyer shall execute this Shared Appreciation Agreement ("Agreement) in favor of the Seller at or prior to Closing, as set forth in the Purchase Contract;

NOW, THEREFORE, in consideration of the premises and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties mutually agree as follows:

1. **DEFINITIONS.** For the purpose of this Agreement, the parties agree that the following definitions shall apply:

a. "Adjusted Sales Price" shall mean the amount set forth, or which would be set forth, at line 401 "Contract Sales Price" on the HUD-1 Settlement Statement of the Apartment at the time of Transfer, less any broker's commissions and closing costs. In the event that the Apartment is Transferred in a transaction for less than fair market value, then the "Adjusted Sales Price" shall mean the fair market value of the Apartment, as determined by mutual agreement of the Buyer and Seller, or by appraisal in the event that the Buyer and Seller fail to agree as set forth in paragraph 5 herein, less any broker's commissions and closing costs actually incurred in the Transfer, as defined below.

b. "Initial Purchase Price" shall mean the Total Purchase Price as set forth in Section 2 of the Purchase Contract, plus closing costs (excluding the start up fee and any prepaid maintenance fee), but not loan fees or costs, plus the actual documented costs of capital improvements made to the Apartment by Buyer after closing (as defined in Section 263 of the Internal Revenue Code of 1986, as amended (the "Code")).

c. "Net Appreciation" shall mean the difference between the Adjusted Sales Price and the Initial Purchase Price. In computing Net Appreciation, fix-up or improvement expenses in connection with the sale of the Apartment, or any other or similar expenditures shall not be included in the Initial Purchase Price. By way of illustration, but not limitation, if the Adjusted Sales Price were \$400,000.00 and the Initial Purchase Price were \$300,000.00, the Net Appreciation would be \$100,000.00.

d. "Shared Appreciation Interest" shall mean the product reached by multiplying the Net Appreciation by the Shared Appreciation Percentage, as set forth in the Shared Appreciation Schedule in Section 2 below. By way of illustration, but not by way of limitation, if the Buyer sells the Apartment within two and one-half (2-1/2) years following Closing, Seller's Shared Appreciation Percentage is eighty percent (80%). Thus, if the Adjusted Sales Price of the Apartment is \$400,000.00 and the Initial Purchase Price was \$300,000.00, then the Seller's Shared Appreciation Interest is \$80,000.00 and the Buyer's Shared Appreciation Interest is \$20,000.00.

e. "Shared Appreciation Term" shall mean that period of time commencing upon the date of recordation of the original transfer deed (the "Deed" conveying title from Seller to Buyer) until midnight of the day seven (7) years from said date.

f. "Transfer" shall include any transfer by way of sale, gift, exchange or otherwise (except a transfer or assignment of an interest in the Apartment as security for repayment of a debt), whether for fair and adequate consideration or not. A Transfer of the Apartment shall also be deemed to have taken place upon any of the following occurrences:

i) When Buyer sells or transfers the Apartment or any legal or beneficial right, title or ownership interest in the Apartment, including by way of an agreement of sale or lease with an option to purchase the Apartment;

ii) In the event Buyer is divested of title or any interest in the Apartment, in any manner, voluntarily or involuntarily, including a judicial or non-judicial foreclosure sale.

The following actions shall not be deemed a "Transfer" for shared appreciation purposes:

A. A transfer to the surviving joint tenant or tenant by the entirety by devise, through the laws of descent or by operation of law on the death of a joint tenant or a spouse;

B. A transfer by devise or through the laws of descent to a family member;

C. A transfer resulting from a decree of dissolution of marriage, legal separation agreement, or from an incidental property settlement agreement, by which the Buyer's spouse or reciprocal beneficiary, as defined under Hawaii law, becomes an owner of the Apartment; or

D. A transfer into an inter vivos trust in which the Buyer is and remains the primary beneficiary and the Buyer continues to occupy and use the Apartment; or

E. A transfer including a provision for Buyer to participate in any appreciation or gain on a subsequent transfer or sale of the Apartment.

In the event that a transfer pursuant to items i) through v) directly above occurs, the terms of this Agreement shall be binding upon the transferee and their successors, permitted assigns, heirs and legal representatives.

2. **BUYER'S AND SELLER'S SHARED APPRECIATION PERCENTAGE.** Buyer agrees to pay, without demand or notice, on the date of Transfer, Seller's Shared Appreciation Interest to be paid to Seller based on the Shared Appreciation Schedule below:

Shared Appreciation Schedule

Years from Date of Closing to Date of Transfer	Shared Appreciation Percentage to be Paid to Buyer	Shared Appreciation Percentage to be Paid to Seller
0 to less than 1 year	0.00%	100.0%

1 to less than 2 years	10.0%	90.0%
2 to less than 3 years	20.0%	80.0%
3 to less than 4 years	35.0%	65.0%
4 to less than 5 years	50.0%	50.0%
5 to less than 6 years	80.0%	20.0%
6 to less than 7 years	100.0%	0.0%

Nothing herein shall be construed as creating any partnership or agency relationship between the parties hereto.

3. **MORTGAGE PROTECTION.** The obligations under this Agreement are secured by a Mortgage, Security Agreement and Financing Statement; Fixture Filing of even date herewith (the "Mortgage"). Seller agrees that the Mortgage securing the obligations of Buyer under this Agreement shall be subordinate to the following:

- a. The first mortgage, if any, which is being placed on the Apartment to enable the Buyer to finance the purchase of the Apartment ("First Mortgage");
- b. Any mortgage in favor of a government entity;
- c. Any mortgage recorded after the Mortgage, but only to the extent that such mortgage (in the aggregate with any prior recorded mortgages or other liens having priority over the Mortgage) secures an amount which is less than the Initial Purchase Price. Seller shall, upon any such Mortgagee's request, execute a Subordination Agreement in accordance with this Section.

Buyer promises and agrees to provide notice to Seller of the First Mortgage and to cause the holder of the First Mortgage to provide written notice to Seller of any default under the First Mortgage; provided further, however, if the First Mortgage is insured or held by FHA or FmHA, or guaranteed or held by Fannie Mae (FNMA) or Freddie Mac (FHLMC), the Buyer's failure to cause the holder of the First Mortgage to provide written notice to Seller of any default under the First Mortgage or any failure of the holder of the First Mortgage to provide such written notice shall not affect such holder's right under this Section.

Seller specifically subordinates any lien or contingent lien rights that Seller may have under this Agreement and accompanying Mortgage to the lien of the First Mortgage. Any holder of the First Mortgage or any person who acquired legal title to the Apartment as a result of a foreclosure or a deed in lieu of foreclosure of the First Mortgage shall acquire legal title free of such lien or contingent lien rights that the Seller may have under this Agreement or accompanying Mortgage.

4. **NOTICE OF TRANSFER.** Buyer agrees to give Seller fourteen (14) calendar days advance prior written notice at the address set forth above of any intended Transfer from the date Buyer has reached an agreement or understanding for the Transfer of the Apartment, together with the specific terms of such Transfer. The Buyer shall pay the Seller's Shared Appreciation Interest on the date of such Transfer. If the Seller's Shared Appreciation Interest is not paid when due, interest on the Seller's Shared Appreciation Interest will accrue at the simple annual rate of twelve percent (12%) until paid. In addition, the Buyer will be entitled to reasonable attorney's fees and costs to enforce its rights hereunder.

5. **APPRAISAL.** In the event the fair market value must be determined by an appraisal or either party elects to determine the fair market value of the Apartment by appraisal, Seller shall select a panel of not less than three (3) appraisers, each of whom shall be licensed by the State of Hawaii as a residential real estate appraiser. The Buyer shall then have ten (10) calendar days from the receipt of the list to select an appraiser from the list. If the Buyer fails to select an appraiser within the ten (10) days, the Seller shall have the right to select an appraiser. The decision of the appraiser as to fair market value on the date of Transfer shall be final and binding on the parties. The fees of the appraiser shall be divided equally between the parties.

6. **TERMINATION.** The Seller's right to be paid a Shared Appreciation Interest will continue in full force and effect and will constitute a lien on the Apartment for the duration of the Shared Appreciation Term, subject to the provisions of Section 3 above, unless the following has been satisfied:

- a. The Buyer has sold or transferred the Apartment; and
- b. The Seller has been fully paid the Seller's Shared Appreciation and other amounts which the Buyer is obligated to pay Seller;

upon the occurrence of which Seller will sign and cause to be recorded a document which need only be signed by Seller and which acknowledges that the Buyer's obligation to pay the Seller's Shared Appreciation Interest has been fully satisfied and that this Agreement is being cancelled and the accompanying Mortgage is being released.

On the day immediately following the end of the Shared Appreciation Term the Buyer's obligation to pay the Seller's Shared Appreciation Interest shall automatically extinguish.

7. **DISPUTE RESOLUTION.** Any dispute by or between Seller and Buyer arising out of or incident to this Agreement shall be resolved in the following manner:

- a. In the event of a dispute which the parties are unable to resolve between themselves, then, the parties shall agree:

- (i) First, to participate in a mediation conducted by a mutually acceptable third party. Either, or both parties, may submit a list of possible mediators to the other party, from which list, or lists, the parties shall agree to a mediator. The mediator shall then convene a mediation wherein the parties shall attempt to resolve their differences. In the event the parties reach a successful conclusion, in whole or in part, the agreement thereby reached shall be reduced to writing by the mediator and the parties shall each sign it and it shall be binding upon the parties. Either party may enter the agreement with a court of competent jurisdiction for enforcement if necessary; or

- (ii) Second, in the event mediation is unsuccessful or is not commenced within thirty days of the first request by a party, or is not completed within forty-five days of commencement, then to submit to arbitration conducted by the Dispute Prevention & Resolution, Inc., 1001 Bishop Street, Suite 1155, Honolulu, Hawaii 96813, modified as follows: (i) discovery shall be allowed in accordance with the Hawaii Revised Statutes for civil procedure; (ii) the prevailing side shall receive its reasonable attorneys' fees and expense of expert testimony. Damages shall be limited to actual damages and each party hereby irrevocably waives any right and claim to exemplary or punitive damages in any jurisdiction. The decision of the arbitrator(s) shall be final and binding as to all claims that were or could have been raised in the arbitration and may be enforced by appropriate action in a court of law and shall be subject to the appropriate provisions of the Hawaii Revised Statutes, as the same may be amended from time to time. Any dispute involving an amount greater than \$25,000.00 shall be heard by a panel of three arbitrators, the decision of a majority of whom shall be final.

- b. Any documents of assignment, lease or conveyance of any Apartment or other interest in the Project shall be deemed to incorporate those provisions for arbitration of disputes set forth in this Section, as if the same were fully set forth in any such document. Any person who is injured by reason of the fact that a dispute subject to the provisions of this arbitration provision is resolved other than by arbitration may recover as damages the cost and expense incurred by reason of the fact that the dispute was not submitted to arbitration for resolution.

- c. Buyer acknowledges and agrees that this clause waives his/her right to pursue claims in a court of law, and the right to a jury trial. The arbitrator(s) shall include factual findings or legal reasoning. Your right to appeal is strictly limited.

8. **COUNTY OF KAUAI FIRST OPTION TO PURCHASE.** In a separate restriction, buyers of all apartments subject to this Agreement shall be subject to the Ordinance. If the County declines to exercise its rights under such Ordinance during the seven (7) year restriction period, Seller shall be entitled to a share of any appreciation from the resale of the Apartment. In the event there are any discrepancies between this Agreement and the Ordinance, the Ordinance shall control.

9. **GOVERNING LAW.** This Agreement shall be governed by the laws of the State of Hawaii.

10. **ASSIGNMENT.** Buyer shall not assign any of its rights or obligations under this Agreement without the prior written consent of Seller, which consent may be withheld in Seller's sole and absolute discretion. Seller may, at its sole discretion, assign its interest under this Agreement by an instrument in writing. No such assignment shall become effective unless accompanied by an assignment of Seller's interest in the Mortgage, duly filed in the Office of the Assistant Registrar of the Land Court of the State of Hawaii.

11. **ENTIRE AGREEMENT.** This Agreement constitutes the entire agreement of the parties with respect to the subject matter hereof and supersedes any prior oral or written agreements.

12. **COUNTERPARTS.** The parties hereto agree that this instrument may be executed in counterparts, each of which shall be deemed an original, and said counterparts shall together constitute one and the same instrument, binding all of the parties hereto, notwithstanding that all of the parties are not signatories to the original or the same counterparts. For all purposes, including, without limitation, recordation, filing and delivery of this instrument, duplicate, unexecuted and unacknowledged pages of the counterparts may be discarded and the remaining pages assembled as one document.

13. **SEVERABILITY.** If any provision of this Agreement or the application thereof to any person or circumstance shall be invalid or unenforceable to any extent, the remainder of this Agreement and the application of such provision to other persons or circumstances shall not be thereby affected.

14. **SECTION HEADINGS.** Section headings are inserted only for convenience and reference and in no way define, limit, extend or describe the scope of intent of this Agreement or any provision hereof.

15. **NO PARTY DEEMED DRAFTER.** No party shall be deemed the drafter of this Agreement. If this Agreement is ever construed by a court of law, such court shall not construe this Agreement or any provision hereof against any party as drafter.

16. **AMENDMENTS.** No amendment to this Agreement shall be effective unless evidenced by a writing executed and acknowledged by both parties hereto.

17. **NOTICE TO BUYERS.** THIS AGREEMENT PROVIDES THAT IF BUYER SELLS OR TRANSFERS THE APARTMENT WITHIN SEVEN (7) YEARS AFTER CLOSING, THE SELLER WILL BE ENTITLED TO BE PAID IMMEDIATELY A PERCENTAGE SHARE OF THE NET APPRECIATION IN THE APARTMENT. BUYER SHOULD CAREFULLY REVIEW THIS AGREEMENT TO DETERMINE WHEN A SALE OR TRANSFER OF THE APARTMENT HAS OR WILL BE DEEMED TO HAVE TAKEN PLACE. IF THE APARTMENT IS TRANSFERRED AND THE BUYER DOES NOT PAY THE SELLER'S SHARED APPRECIATION INTEREST AS SET FORTH HEREIN, THEN THE SELLER MAY TAKE LEGAL ACTION WHICH MAY RESULT IN THE FORECLOSURE SALE OF THE APARTMENT.

IN WITNESS WHEREOF, the parties have executed this Agreement on the day and year first above written.
