General Information On Condominiums

A condominium is a special form of real property. To create a condominium in Hawaii, the requirements of the Condominium Property Act, Chapter 514A, Hawaii Revised Statutes, must be complied with. In addition, certain requirements and approvals of the County in which the project is located must be satisfied and obtained.

Some condominium projects are leasehold. This means that the land or the building(s) and other improvements are leased to the buyer. The lease for the land usually requires that at the end of the lease term, the lessees (apartment owner/tenants) deliver their interest in the land to the lessor (fee property owner). The lease also usually requires that the lessees either (1) convey to the lessor the building(s) and other improvements, including any improvements paid for by the lessees; or (2) remove or dispose of the improvements at the lessee's expense. Leases for individual apartments often require that at the end of the lease term, the lessee deliver to the lessor the apartment, including any improvements placed in the apartment by the lessee.

If you are a typical condominium apartment owner, you will have two kinds of ownership: (1) ownership in your individual apartment; and (2) an undivided interest in the common elements.

"Common elements" are the areas of the condominium project other than the individual apartments. They are owned jointly by all apartment owners and include the land, either in fee simple or leasehold, and those parts of the building or buildings intended for common use such as foundations, columns, roofs, halls, elevators, and the like. Your undivided interest in the common elements cannot be separated from ownership of your apartment.

In some condominium projects, some common elements are reserved for the exclusive use of the owners of certain apartments. These common elements are called "limited common elements" and may include parking stalls, patios, lanais, trash chutes, and the like.

You will be entitled to exclusive ownership and possession of your apartment. Condominium apartments may be individually bought, sold, rented, mortgaged, or encumbered, and may be disposed of by will, gift, or operation of law.

Your apartment will, however, be part of the group of apartments that comprise the condominium project. Study the project's Declaration, Bylaws, and House Rules. These documents contain important information on the use and occupancy of apartments and the common elements as well as the rules of conduct for owners, tenants, and guests.

Operation of the Condominium Project

The Association of Apartment Owners is the entity through which apartment owners may take action with regard to the administration, management, and operation of the condominium project. Each apartment owner is automatically a member of the Association.

The Board of Directors is the governing body of the Association. Unless you serve as a board member or an officer, or are on a committee appointed by the board, your participation in the administration and operation of the condominium project will in most cases be limited to your right to vote as an apartment owner. The Board of Directors and officers can take certain actions without the vote of the owners. For example, the board may hire and fire employees, increase or decrease maintenance fees, borrow money for repair and improvements and set a budget. Some of these actions may significantly impact the apartment owners.

Until there is sufficient number of purchasers of apartments to elect a majority of the Board of Directors, it is likely that the developer will effectively control the affairs of the Association. It is frequently necessary for the developer to do so during the early stages of development and the developer may reserve certain special rights to do so in the Declaration and Bylaws. Prospective buyers should understand that it is important to all apartment owners that the transition of control from the developer to the apartment owners be accomplished in an orderly manner and in a spirit of cooperation.

A condominium is created by recording in the Bureau of Conveyances and/or filing with the Land Court a Declaration of Condominium Property Regime, a Condominium Map (File Plan), and the Bylaws of the Association of Apartment Owners. The Condominium Property Act (Chapter 514A, HRS), the Declaration, Bylaws, and House Rules control the rights and obligations of the apartment owners with respect to the project and the common elements, to each other, and to their respective apartments. The provisions of these documents are intended to be, and in most cases are, enforceable in a court of law.

They provide for the manner in which the Board of Directors of the Association of Apartment Owners is elected, the powers and duties of the Board, the manner in which meetings will be conducted, whether pets are prohibited or allowed and other matters which affect how the condominium project will be governed.

The Bylaws for this condominium are:

IMPORTANT INFORMATION ON LEASEHOLD CONDOMINIUM PROJECTS

The information contained in this report is a summary of the terms of the lease. For more detailed information, you should secure a copy of the lease documents and read them thoroughly.

If you have any legal questions about leasehold property, the lease documents or the terms of the lease and the consequences of becoming a lessee, you should seek the advice of an attorney.

There are currently no statutory provisions for the mandatory conversion of leasehold condominiums and there are no assurances that such measures will be enacted in the future.

In leasehold condominium projects, the buyer of an apartment will acquire the right to occupy and use the apartment for the time stated in the lease agreement. The buyer will not acquire outright or absolute fee simple ownership of the land. The land is owned by the lessor or the leased fee owner. The apartment owner or lessee must make lease rent payments and comply with the terms of the lease or be subject to the lessor's enforcement actions. The lease rent payments are usually fixed at specific amounts for fixed periods of time, and are then subject to renegotiation. Renegotiation may be based on a formula, by arbitration set in the lease agreement, by law or by agreement between the lessor and lessee. The renegotiated lease rents may increase significantly. At the end of the lease, the apartment owners may have to surrender the apartments, the improvements and the land back to the lessor without any compensation (surrender clause).

When leasehold property is sold, title is normally conveyed by means of an assignment of lease, the purpose of which is similar to that of a deed. The legal and practical effect is different because the assignment conveys only the rights and obligations created by the lease, not the property itself.

The developer of this condominium project may have entered into a master ground lease with the fee simple owner of the land in order to develop the project. The developer may have then entered into a sublease or a new lease of the land with the lessee (apartment owner). The developer may lease the improvements to the apartment owner by way of an apartment lease or sublease, or sell the improvements to the apartment owners by way of a condominium conveyance or apartment deed.

If a variance has been granted or if uses, improvements or lot are either non-conforming or illegal, buyer should consult with county zoning authorities as to possible limitations which may apply.

Exhibit "E" describes the encumbrances against the title contained in the title report dated May 27, 2008 and issued by Island Title Corporation.

Blanket Liens:

A blanket lien is an encumbrance (such as a mortgage) on the entire condominium project that secures some type of monetary debt (such as a loan) or other obligation. A blanket lien is usually released on an apartment-by-apartment basis upon payment of specified sums so that individual apartments can be conveyed to buyers free and clear of the lien.

[] There are no blanket liens affecting title to the individual apartments.

[x] There are blanket liens which may affect title to the individual apartments.

Blanket liens (except for improvement district or utility assessments) must be released before the developer conveys the apartment to a buyer. The buyer's interest will be affected if the developer defaults and the lien is foreclosed prior to conveying the apartment to buyer.

<u>Type of Lien</u>	<u>Effect on Buyer's Interest and Deposit if Developer Defaults or Lien is Foreclosed Prior to Conveyance</u>
Mortgages	Buyer's interest may be terminated by mortgagee but Buyer shall be entitled to return of his deposit, less escrow cancellation fees. However, in the event the Buyer's deposit is disbursed by Escrow and the lien is foreclosed prior to conveyance to Buyer, Buyer may not be able to recover any deposits.

F. Construction Warranties:

Warranties for individual apartments and the common elements, including the beginning and ending dates for each warranty, are as follows:

1. Building and Other Improvements:

Developer is not providing any warranties to Purchasers of an Apartment.

G. Status of Construction and Date of Completion or Estimated Date of Completion:

Units A and B were completed in January 2006.

DEVELOPER'S RESERVED RIGHTS

The Developer (Declarant) has reserved the following rights to change the Declaration, Condominium Map, By-Laws or House Rules:

1. Paragraph 7.5 of Amendment No. 1 and Restatement of Declaration of Condominium Property Regime of 2026 Ninth Avenue and Amendment No. 1 and Replacement of Condominium Map No. 1580 ("Amended Declaration") states:

"7.5 Declarant reserves the right to grant to any public or governmental authority rights-of-way and other easements, which are for the sole benefit of the Project or which do not materially interfere with the use nor materially impair the value of, any Unit, over, across, under and through the common elements and limited common elements for lines and other transmission facilities and appurtenances for electricity, gas, telephone, water, sewer, drainage and other public services and utilities, and rights to enter for the purpose of installing, repairing, altering and removing such lines and facilities and of trimming any trees in the way thereof; provided the Association, through the Board, with the consent or agreement of any holder of any then existing easement affected thereby, is authorized to grant, convey, transfer, cancel, relocate and otherwise deal with any and all such public services and utilities easements now or hereafter located on or affecting the Project."

2. Paragraph 20 of the Amended Declaration states:

"20.1 Except as otherwise provided in this Declaration or by law, this Declaration may be amended by vote of seventy-five percent (75%) of the Unit Owners, effective only upon the recording of an instrument setting forth such amendment and vote duly executed by such Owners or by the proper officers of the Association. In addition, except as provided in this Declaration or by law, the approval of eligible holders of first mortgages on Units to which are appurtenant at least 51% of the common interest of the project shall be required for any material amendment to the Declaration or any amendment of a provision for the express benefit of holders or insurers of first mortgages on Units. An eligible holder is a holder of a first mortgage on a Unit which has made a written request to the Association that it receive notices of proposed changes to the Declaration. A material amendment to the Declaration is one which establishes, provides for, governs or regulates any-of the following: (1) voting; (2) assessments, assessment liens, or subordination of such liens; (3) reserves for maintenance, repair and replacement of the common elements; (4) insurance or fidelity bonds; (5) rights to use of the common elements; (6) responsibility for maintenance and repair of the project; (7) expansion or contraction of the project for the addition, annexational or withdrawal of property to or from the project; (8) boundaries of any Unit; (9)

the interest in the common elements; (10) convertibility of Units into common elements or of common elements into Units; (11) leasing of Units; (12) imposition of any right of first refusal or similar restriction on the right of a Dwelling Owner to sell, transfer or otherwise convey his or her interest in the Unit; or (13) establishment of self management by the Association after professional management has previously been required by any of the mortgage holders.

20.2 Notwithstanding any provision to the contrary in this Declaration, (1) at any time prior to the first filing in the Recording Office of a conveyance of a Unit, the Declarant may amend this Declaration (including all exhibits) and the By-Laws in any manner, without the consent of any Unit purchaser; and (2) at any time thereafter, the Declarant may amend this Declaration (and when applicable, the Condominium Map) to file the "As Built" verified statement required by Section 514A-12 of the Act (i) so long as such statement is merely a verified statement of a registered architect or professional engineer certifying that the final plan thereto filed fully and accurately depicts layout, location, apartment numbers, and the dimensions of an improvement or change in a Unit as built; or (ii) so long as the plans filed therewith involve only immaterial changes to the layout, location, or dimensions of the apartments as built or any change in any apartment number.

20.3 Notwithstanding any provision to the contrary in this Declaration, the Owner of any Unit shall have the right without the consent or joinder of any other person to amend this Declaration and the Condominium Map to reflect the Changes made to the Unit and changes to the boundaries of Dwelling Areas in accordance with Paragraphs 19.1 and 19.3 provided all the applicable requirements of Paragraph 19 have been satisfied. Promptly upon completion of such Changes or changes to said boundaries, the Owner of the changed Unit or boundary, as the case may be, shall duly record with the Recording Office an amendment to this Declaration and to the Condominium Map, together with a complete set of the floor plans of the Project as so altered, certified as built by a registered architect or professional engineer. All existing Unit Owners and all future Unit Owners and their mortgagees, by accepting an interest in a Unit, shall be deemed to have given each Unit Owner a Power of Attorney to execute an amendment to the Declaration solely for the purpose of describing the changes to his respective Unit on the Declaration so that each Unit Owner shall hereafter have a Power of Attorney from all the other Unit Owners to execute such amendment to the Declaration. This Power of Attorney shall be deemed coupled with each Owner's interest in his Unit (including his common interest) and shall be irrevocable.

20.4 Notwithstanding any provision to the contrary in the Declaration including but not limited to paragraphs 20.1 and 20.2, this Declaration and the Condominium Map may be amended solely by the Declarant or its assignee or transferee, without the need to obtain consent or joinder of any other Unit Owner, the Association, the Board, any lien holder or person, in order

to implement additions, deletions, modifications and reservations that are set forth in Paragraph 7.5 or in other paragraphs of this Declaration. Promptly upon completion of such changes, the Declarant or its assignee shall duly record with the Recording Office an amendment to this Declaration and to the Condominium Map, together with a complete set of the floor plans of the Project as so altered, certified as built by a registered architect or professional engineer. All existing Owners and all future Owners and their mortgagees, by accepting an interest in a Unit, shall be deemed to have given the Declarant or its assignee a Power of Attorney to execute amendments to the Declaration and the Condominium Map solely for the purpose of describing the changes in the Declaration and in the Condominium Map reflecting the additions, deletions, modifications and reservations reserved to Declarant as set forth in Paragraph 7.5 or in other paragraphs of this Declaration so that the Declarant or its assignee or transferee shall hereafter have a Power of Attorney from all the other Owners to execute such amendments to the Declaration and the Condominium Map. This Power of Attorney shall be deemed coupled with each Owner's interest in his Unit (including his common interest) and shall be irrevocable.”

EXHIBIT "B"

PERMITTED ALTERATIONS TO APARTMENTS

1. Paragraph 19.1 of the Amended Declaration states:

“19.1 Changes to Units. Notwithstanding anything to the contrary contained in this Declaration, each Unit Owner shall have the right at his sole option at any time and from time to time without the consent of anyone other than the holders of all mortgage liens affecting his unit, to improve, renovate, remodel, make additions to, enlarge, remove, replace or restore the improvements to or in his Unit or portions thereof or to make additional improvements upon the Dwelling Area appurtenant to the Unit (the foregoing are referred to collectively as “Changes” and singly, as a “Change”) subject to the following conditions:

(a) Building plans for any Change shall be prepared by a licensed architect or professional engineer and all construction shall be undertaken in accordance with such plans and shall comply with all governmental laws, ordinances, rules and regulations.

(b) If required by County Building Laws, then the Owner making the change shall first obtain any requisite building permit.

(c) Any Change to a Unit cannot extend beyond the Dwelling Area which is appurtenant to the Unit.

(d) No Change to a Unit will be made if the effect of such Change would be to exceed the Unit's “proportionate share of the total allowable lot area coverage” or the number of dwelling units permitted on the Land, as permitted under the zoning and building codes applicable to the Land in effect when the Change is to be made (collectively, the “Land Use Ordinance”). Pursuant to the Existing Use Permit, as modified, and referenced in Section 19.1(j) below, Unit's “proportionate share of the total allowable lot area coverage” shall be calculated by multiplying the Unit's Dwelling Area by .40. For example, Unit D's Dwelling Area is 5,468 square feet, therefore Unit D's proportionate share of the total allowable lot area coverage is 2,187 square feet (5,468 square feet x .40) and therefore Unit D shall be allowed a lot area coverage of no more than 2,187 square feet.

(e) Any such Change shall be at the expense of the Unit Owner making the Change (herein referred to as “Change Unit Owner”) and shall be expeditiously made and in a manner that will not unreasonably interfere with the other Unit Owners' use or enjoyment of his Unit, the common elements or the Unit's appurtenant limited common elements.

(f) During the entire course of such construction, the Change Unit Owner will cause to be maintained at his expense builder's all-risk insurance in an amount not less than the estimated cost of construction. At the request of the Association, the Association shall be named as an additional insured and, evidence of such insurance shall be deposited with the Association.

(g) The Change Unit Owner shall have the right to utilize, relocate and realign existing and/or to develop additional, central and appurtenant installations for services to the Unit affected by such Change for electricity, sewer, gas and other utilities and services and when applicable, to add, delete, relocate, realign, designate and grant easement and rights-of-way over, under and on the common elements as necessary or desirable in connection therewith; provided that the same shall not cause any substantial interruption in the service of such utilities to any other Unit Owner.

(h) If the consent or joinder of another Unit Owner to any Change, including obtaining building permits is required by the Act, then each Unit Owner hereby consents in advance to give such consent or join any such application for such Change, provided that all such expenses relating to the change shall be borne by the Owner making the Change.

(i) Each and every conveyance, lease and mortgage or other lien made or created on any Unit and all common interests and other appurtenances thereto shall be subject to the provisions of this paragraph and any lease of an Dwelling Area shall reserve to all Owners the rights set forth in this paragraph.

(j) Any change to a Unit shall comply with the Existing Use Permit 2003/EU-6 dated March 7, 2003 issued by the Department of Planning and Permitting of the City and County of Honolulu ("DPP") attached hereto and incorporated herein as Exhibit "C" as modified by that letter dated May 9, 2003 issued by the DPP attached hereto and incorporated herein as Exhibit "D" and as may be further modified in the future (collectively "Existing Use Permit")."

EXHIBIT F

SUMMARY OF THE PERTINENT PROVISIONS OF SALES CONTRACT

Developer has filed a specimen Deposit Receipt and Sales Contract (“Sales Contract”) with the Hawaii Real Estate Commission, which contains certain pertinent provisions summarized as follows:

I.4.a & I.5.c. CONDOMINIUM DOCUMENTS. By closing the purchase of the Apartment, Buyer acknowledges that it has examined and approved the form of the Apartment Deed, Declaration of Condominium Property Regime of 2026 Ninth Avenue (“Declaration”), By-Laws, Escrow Agreement, Final Public Report, Rules and Regulations, Condominium Map, and any amendments to such documents or plan. The Condominium Map is intended to show only the layout, location, apartment numbers and dimensions of the apartments and is not intended to be and is not a representation, warranty or promise to Buyer.

I.4.b. MODIFICATION OF DOCUMENTS. Developer can make certain modifications to the Declaration, By-Laws, Condominium Map and Apartment Deed provided no modification shall (1) increase Buyer’s share of the common expenses, (2) increase the cost of the property covered thereby, (3) require a substantial physical change of the building in which the Apartment is situated, (4) reduce the obligations of Seller for common expense on unsold apartments; or (5) substantially impair or modify any of the obligations given or undertaken by Seller.

I.5.a. NO WARRANTIES. Seller is making no warranties, express or implied (including warranties of merchantability, habitability, workmanlike construction or fitness for a particular purpose), regarding the Apartments, common elements, or Project, fixtures, appliances, furnishings, consumer items in the Apartments or anything connected with the Project.

Developer will transfer to Buyer any manufacturer’s or dealer’s warranties that can be transferred covering any furnishings, fixtures, appliances or consumer products in the Apartment.

Developer is not acting as a warrantor or co-warrantor but is only attempting to pass on the benefits of manufacturer’s or dealer’s warranties.

I.5.b. ACCEPTANCE OF APARTMENT. Developer or contractor may ask Buyer to inspect the Apartment before Closing. Buyer agrees to accept possession of the Apartment even if Buyer has not inspected the Apartment prior to Closing.

I.5.e. SELLER’S STATEMENT. Seller’s disclosures in the Contract and the Project Documents about the Apartment and the Project are based on observations of visible, accessible areas and information within the knowledge and control of Seller. Buyer should hire his own experts to inspect the Apartment and Project.

I.5.f.(6). LIQUIDATED DAMAGES. In the event Buyer alleges that Seller violated any federal or state disclosure laws or regulations (including the Hawaii Condominium Act and federal and state securities law), Buyer’s only remedy will be to sue for a refund of the purchase price and closing costs actually paid plus interest at 6% per annum from the date of closing until the date of repayment. If Buyer is successful, this remedy will constitute liquidated damages and Buyer cannot claim damage for changes to the Apartment, maintenance fees, real property taxes, mortgage fees and interest on the mortgage or any other damages.

I.3; I.6.; I.9. SELLER'S RIGHT TO CANCEL In addition to any other rights of cancellation reserved to Seller, if (a) Buyer's deposit check is returned for insufficient funds, (b) Buyer intends to obtain financing and fails to meet the deadlines regarding applying for financing or to obtain an irrevocable written commitment for an adequate loan within 20 days of the acceptance of the Sales Contract by Seller, (c) Buyer intends to pay all cash and fails to provide proof of ability to pay within 5 days after Seller accepts the Sales Contract, or (d) Buyer should die prior to Closing, or (e) Buyer shall default or fail to perform other obligations under the Contract and is not cured within 5 days of Seller's notice to Buyer, Seller reserves the right to cancel the Sales Contract and return Buyer's check or payments, without interest and less the processing and cancellation fee imposed by Escrow Agent and any other actual expenses incurred by reason of Buyer's execution of the Sales Contract.

I.6.d. Mr. Roy Yamamoto
Roy K. Yamamoto, Architect, AIA, Inc.
1580 Makaloa Street, Suite 788
Honolulu, Hawaii 96814

Dear Mr. Yamamoto:

Request to Modify 2003/EU-6
9th Avenue Existing Use Permit,
2026 - 9th Avenue, Palolo; Tax Map Key: 3-4-1: 36

This responds to your request dated April 28, 2003, for a modification to the above Existing Use permit. 2003/EU-6 granted approval to retain and repair two (2) existing single-family dwelling units and relocate one carport, and demolish and reconstruct one two-family detached dwelling (two dwelling units), subject to certain conditions. Your modification request is to allow the two-family detached dwelling to be reconstructed as two (2) single-family dwelling units.

Upon review of your revised plans and calculations (date-stamped May 1, 2003), the Department of Planning and Permitting (DPP) concurs that two smaller scale structures would be more compatible to the surrounding neighborhood than one large duplex. Further, your proposed plan appears to comply with the requirements of Condition 8. (1)-(2), regarding minimum required setbacks, access width and distances between structures, and maximum building area.

Therefore, the DPP hereby **APPROVES** the requested modification to replace the two-family detached dwelling with two single-family dwelling units. Please be advised that all conditions of 2003/EU-6 remain in effect.

Mr. Roy Yamamoto
