<sup>1</sup> The letter in each Resort Apartment and Hotel Apartment Number indicates the building in which such Apartment is located (i.e. Buildings A, B, C, D, E, F, G and H). The first number in each Resort Apartment and Hotel Apartment Number indicates the floor on which such Apartment is located. All Apartments described in this Exhibit are Resort Apartments, except for Apartments E101, E102, E201, E202, E302 and E402 which are all Hotel Apartments and which are all identified as such with an "\*" after the Apartment Number, and except for Apartments C-1, C-2, C-3, C-4, C-5, Snack Bar, Pool Bar, and Spa which are all Commercial Apartments and which are all identified as such with an "\*\*\*" after the Apartment Number. The Commercial Apartments are depicted on the Condominium Map.

<sup>2</sup> The approximate net square footage of each Resort Apartment and Hotel Apartment in the Project was determined by measuring the area between the interior surface of the perimeter walls of each Apartment.

<sup>3</sup> Each Resort Apartment and Hotel Apartment has adjacent to it lanai area(s) in approximately the aggregate size described in this Exhibit. The lanais are limited common elements appurtenant to the Resort Apartment or Hotel Apartment to which they abut. Specifics on use and control of the lanais are set forth in the Declaration, Bylaws, House Rules, and other Project documents.

<sup>4</sup> The percentage common interest attributable to each Apartment was calculated by dividing the net living square footage of each such Apartment by the total net living square footage of all Resort, Hotel and Commercial Apartments within the Project, rounding the quotient to the nearest 8th decimal place, and multiplying the result by 100. In order to permit the common interest for all Apartments to equal exactly hundred percent (100%), the common interest attributable to C-1 was decreased by 0.000031%.
