This summary contains a general description of the changes, if any, made by the developer since the last public report was issued. It is not necessarily all inclusive. Prospective buyers should compare this public report with the earlier reports if they wish to know the specific changes that have been made.

No prior reports have been issued by the developer.

Changes made are as follows:

SPECIAL ATTENTION

The Developer has disclosed the following:

- (a) This is a CONDOMINIUM PROJECT, not a subdivision. The land area beneath and immediately appurtenant to each unit is designated a LIMITED COMMON ELEMENT and does not represent a legally subdivided lot. The dotted lines in the Condominium Map bounding the designated number of square feet in each limited common element land area are for illustration purposes only and should not be construed to be formal subdivision lines.
- (b) Facilities and improvements normally associated with county approved subdivisions, such as fire protection devices, County street lighting, electricity, upgraded water facilities, improved access for owner and emergency traffic, drainage facilities, etc., may not necessarily be provided for, and services such as County street maintenance and trash collection will not be available for interior roads and driveways.
- (c) No warranties are given to the purchaser as to the construction, materials or workmanship of the Project. The Project is being sold in "as is" condition (pages 12 and 15).
- (d) A prospective purchaser of a Unit which is not presently a residence, but which the purchaser may intend to change to residential or other use, should be aware he will be required to comply with the building codes, land use laws (LUO) and other county laws and ordinances. The LUO, for example, contains restrictions relating to the permissible use of the land, the number of dwelling units permitted, and the amount of total development permitted on a lot.

A prospective purchaser should be aware (a) it will be necessary to obtain building and other permits from the County and (b) it may be necessary to obtain and to have installed utilities to service the site. Obtaining such permits will require compliance with building codes, LUO and other County requirements and compliance with any conditions which may be imposed under any such issued permits.

Obtaining utilities and services will require agreements with the providers of such utilities. Developer disclaims all warranties relating to the availability of such utilities, any conditions that may be imposed by the providers, or the cost thereof.

Accordingly, before buying an apartment unit, a prospective purchaser, together with an architect or professional builder, is urged to review the LUO and other applicable County ordinances which may affect the Purchaser's use of his Apartment Unit and to review their intended plans with County officials. Developer disclaims all warranties with respect to Purchaser's being able to use the Apartment unit for his intended purposes.

This public report does not constitute approval of the Project by the Real Estate Commission or any other governmental agencies, nor does it ensure that all applicable County codes, ordinances, and subdivision requirements have necessarily been complied with.
THE PROSPECTIVE PURCHASERS ARE CAUTIONED TO CAREFULLY REVIEW ALL DOCUMENTS REGARDING THIS CONDOMINIUM PROJECT FOR FURTHER INFORMATION WITH REGARD TO THE FOREGOING.

General Information On Condominiums

A condominium is a special form of real property. To create a condominium in Hawaii, the requirements of the Condominium Property Act, Chapter 514A, Hawaii Revised Statutes, must be complied with. In addition, certain requirements and approvals of the County in which the project is located must be satisfied and obtained.

Some condominium projects are leasehold. This means that the land or the building(s) and other improvements are leased to the buyer. The lease for the land usually requires that at the end of the lease term, the lessees (apartment owners/tenants) deliver their interest in the land to the lessor (fee property owner). The lease also usually requires that the lessees either (1) convey to the lessor the building(s) and other improvements, including any improvements paid for by the lessees; or (2) remove or dispose of the improvements at the lessee's expense. Leases for individual apartments often require that at the end of the lease term, the lessee deliver to the lessor the apartment, including any improvements placed in the apartment by the lessee.

If you are a typical condominium apartment owner, you will have two kinds of ownership: (1) ownership in your individual apartment; and (2) an undivided interest in the common elements.

"Common elements" are the areas of the condominium project other than the individual apartments. They are owned jointly by all apartment owners and include the land, either in fee simple or leasehold, and those parts of the building or buildings intended for common use such as foundations, columns, roofs, halls, elevators, and the like. Your undivided interest in the common elements cannot be separated from ownership of your apartment.

In some condominium projects, some common elements are reserved for the exclusive use of the owners of certain apartments. These common elements are called "limited common elements" and may include parking stalls, patios, lanais, trash chutes, and the like.

You will be entitled to exclusive ownership and possession of your apartment. Condominium apartments may be individually bought, sold, rented, mortgaged or encumbered, and may be disposed of by will, gift, or operation of law.

Your apartment will, however, be part of the group of apartments that comprise the condominium project. Study the project's Declaration, Bylaws, and House Rules. These documents contain important information on the use and occupancy of apartments and the common elements as well as the rules of conduct for owners, tenants, and guests.

Operation of the Condominium Project

The Association of Apartment Owners is the entity through which apartment owners may take action with regard to the administration, management, and operation of the condominium project. Each apartment owner is automatically a member of the Association.

The Board of Directors is the governing body of the Association. Unless you serve as a board member or an officer, or are on a committee appointed by the board, your participation in the administration and operation of the condominium project will in most cases be limited to your right to vote as an apartment owner. The Board of Directors and officers can take certain actions without the vote of the owners. For example, the board may hire and fire employees, increase or decrease maintenance fees, borrow money for repair and improvements and set a budget. Some of these actions may significantly impact the apartment owners.

Until there is a sufficient number of purchasers of apartments to elect a majority of the Board of Directors, it is likely that the developer will effectively control the affairs of the Association. It is frequently necessary for the developer to do so during the early stages of development and the developer may reserve certain special rights to do so in the Declaration and Bylaws. Prospective buyers should understand that it is important to all apartment owners that the transition of control from the developer to the apartment owners be accomplished in an orderly manner and in a spirit of cooperation.

**II. CREATION OF THE CONDOMINIUM;
CONDOMINIUM DOCUMENTS**

A condominium is created by recording in the Bureau of Conveyances and/or filing with the Land Court a Declaration of Condominium Property Regime, a Condominium Map (File Plan), and the Bylaws of the Association of Apartment Owners. The Condominium Property Act (Chapter 514A, HRS), the Declaration, Bylaws, and House Rules control the rights and obligations of the apartment owners with respect to the project and the common elements, to each other, and to their respective apartments. The provisions of these documents are intended to be, and in most cases are, enforceable in a court of law.

- A. **Declaration of Condominium Property Regime** contains a description of the land, buildings, apartments, common elements, limited common elements, common interests, and other information relating to the condominium project.

The Declaration for this condominium is:

<input type="checkbox"/> Proposed			Document No. _____
<input type="checkbox"/> Recorded -	Bureau of Conveyances:		Book _____ Page _____
<input checked="" type="checkbox"/> Filed -	Land Court:		Document No. <u>3118936</u>

The Declaration referred to above has been amended by the following instruments [state name of document, date and recording/filing information]:

- B. **Condominium Map (File Plan)** shows the floor plan, elevation and layout of the condominium project. It also shows the floor plan, location, apartment number, and dimensions of each apartment.

The Condominium Map has been amended by the following instruments [state name of document, date and recording/filing information]:

- C. **Bylaws of the Association of Apartment Owners** govern the operation of the condominium project. They provide for the manner in which the Board of Directors of the Association of Apartment Owners is elected, the powers and duties of the Board, the manner in which meetings will be conducted, whether pets are prohibited or allowed and other matters which affect how the condominium project will be governed.

The Bylaws for this condominium are:

<input type="checkbox"/> Recorded -	Bureau of Conveyances:		Book _____ Page _____
<input checked="" type="checkbox"/> Filed -	Land Court:		Document No. <u>3118937</u>

The Bylaws referred to above have been amended by the following instruments [state name of document, date and recording/filing information]:

D. **House Rules.** The Board of Directors may adopt House Rules to govern the use and operation of the common elements and limited common elements. House Rules may cover matters such as parking regulations, hours of operation for common facilities such as recreation areas, use of lanais and requirements for keeping pets. These rules must be followed by owners, tenants, and guests. They do not need to be recorded or filed to be effective. The initial House Rules are usually adopted by the developer.

The House Rules for this condominium are:

Proposed Adopted Developer does not plan to adopt House Rules

E. **Changes to Condominium Documents**

Changes to the Declaration, Condominium Map, and Bylaws are effective only if they are duly adopted and recorded and/or filed. Changes to House Rules do not need to be recorded or filed to be effective.

IMPORTANT INFORMATION ON LEASEHOLD CONDOMINIUM PROJECTS

The information contained in this report is a summary of the terms of the lease. For more detailed information, you should secure a copy of the lease documents and read them thoroughly.

If you have any legal questions about leasehold property, the lease documents or the terms of the lease and the consequences of becoming a lessee, you should seek the advice of an attorney.

There are currently no statutory provisions for the mandatory conversion of leasehold condominiums and there are no assurances that such measures will be enacted in the future.

In leasehold condominium projects, the buyer of an apartment will acquire the right to occupy and use the apartment for the time stated in the lease agreement. The buyer will not acquire outright or absolute fee simple ownership of the land. The land is owned by the lessor or the leased fee owner. The apartment owner or lessee must make lease rent payments and comply with the terms of the lease or be subject to the lessor's enforcement actions. The lease rent payments are usually fixed at specific amounts for fixed periods of time, and are then subject to renegotiation. Renegotiation may be based on a formula, by arbitration set in the lease agreement, by law or by agreement between the lessor and lessee. The renegotiated lease rents may increase significantly. At the end of the lease, the apartment owners may have to surrender the apartments, the improvements and the land back to the lessor without any compensation (surrender clause).

When leasehold property is sold, title is normally conveyed by means of an assignment of lease, the purpose of which is similar to that of a deed. The legal and practical effect is different because the assignment conveys only the rights and obligations created by the lease, not the property itself.

The developer of this condominium project may have entered into a master ground lease with the fee simple owner of the land in order to develop the project. The developer may have then entered into a sublease or a new lease of the land with the lessee (apartment owner). The developer may lease the improvements to the apartment owner by way of an apartment lease or sublease, or sell the improvements to the apartment owners by way of a condominium conveyance or apartment deed.

If a variance has been granted or if uses, improvements or lot are either non-conforming or illegal, buyer should consult with county zoning authorities as to possible limitations which may apply.

Limitations may include restrictions on extending, enlarging, or continuing the non-conformity, and restrictions on altering and repairing structures. In some cases, a non-conforming structure that is destroyed or damaged cannot be reconstructed.

The buyer may not be able to obtain financing or insurance if the condominium project has a non-conforming or illegal use, structure, or lot.

D. Common Elements, Limited Common Elements, Common Interest:

1. Common Elements: Common Elements are those parts of the condominium project other than the individual apartments. Although the common elements are owned jointly by all apartment owners, those portions of the common elements which are designated as limited common elements (see paragraph 2 below) may be used only by those apartments to which they are assigned. The common elements for this project, as described in the Declaration, are:

described in Exhibit C .

NOTE: Reference to said Exhibit "D" to "Dwelling Areas" does not mean legally subdivided lots.

3. **Common Interest:** Each apartment will have an undivided fractional interest in all of the common elements. This interest is called the "common interest." It is used to determine each apartment's share of the maintenance fees and other common profits and expenses of the condominium project. It may also be used for other purposes, including voting on matters requiring action by apartment owners. The common interests for the apartments in this project, as described in the Declaration, are:

described in Exhibit _____.

as follows:

Unit A	-	50%
Unit B	-	50%

(Subject to change per Par. 6 of Declaration)

- E. **Encumbrances Against Title:** An encumbrance is a claim against or a liability on the property or a document affecting the title or use of the property. Encumbrances may have an adverse effect on the property or your purchase and ownership of an apartment in the project.

Exhibit E describes the encumbrances against the title contained in the title report dated June 8, 2004 and issued by Hawaii Escrow and Title, Inc. .

Blanket Liens:

A blanket lien is an encumbrance (such as a mortgage) on the entire condominium project that secures some type of monetary debt (such as a loan) or other obligation. A blanket lien is usually released on an apartment-by-apartment basis upon payment of specified sums so that individual apartments can be conveyed to buyers free and clear of the lien.

There are no blanket liens affecting title to the individual apartments.

There are blanket liens which may affect title to the individual apartments.

Blanket liens (except for improvement district or utility assessments) must be released before the developer conveys the apartment to a buyer. The buyer's interest will be affected if the developer defaults and the lien is foreclosed prior to conveying the apartment to buyer.

<u>Type of Lien</u>	<u>Effect on Buyer's Interest and Deposit if Developer Defaults or Lien is Foreclosed Prior to Conveyance</u>
Mortgages	Buyer's interest may be terminated by mortgagee but Buyer shall be entitled to return of his deposit, less escrow cancellation fee.

F. Construction Warranties:

Warranties for individual apartments and the common elements, including the beginning and ending dates for each warranty, are as follows:

1. Building and Other Improvements:

Developer is giving no warranties to Purchaser on the materials and workmanship of the Units.

LEAD WARNING STATEMENT

Pursuant to federal law, 42, U.S.C 4852(d), the Residential Lead-Based Paint Reduction Act, "Every purchaser of any interest in residential real property on which a residential dwelling was built prior to 1978 is notified that such property may present exposure to lead from lead-based paint that may place young children at risk of developing lead poisoning. Lead poisoning in young children may produce permanent neurological damage, including learning disabilities, reduced intelligence quotient, behavioral problems, and impaired memory. Lead poisoning also poses a particular risk to pregnant women. The seller of any interest in residential real property is required to provide the buyer with any information on lead-based paint hazards from risk assessments or inspections in the seller's possession and notify the buyer of any known lead-based paint hazards. A risk assessment or inspection for possible lead-based paint hazards is recommended prior to purchase."

The developer has made no independent investigation as to asbestos or other hazardous substances in the apartments or in, under or around the Project, including but not limited to, radioactive materials, organic compounds known as polychlorinated biphenyls, chemicals known to cause cancer or reproductive toxicity, pollutants, contaminants, hazardous wastes, toxic substances, and any and all other substances or materials defined as or included in the definition of "hazardous substances", "hazardous wastes", "hazardous materials" or "toxic substances" under, or for the purposes of, hazardous materials laws. Buyer acknowledges that in light of the age of the Project, there may be asbestos and other hazardous substances in the apartments, or in, under or around the Project. Because of the possible presence of such substances, Buyer should have the apartment inspected to determine the extent (if any) of such contamination and any necessary remedial action. The developer will not correct any defects in the apartments or in the Project or anything installed or contained therein and Buyer expressly releases the developer from any liability to Buyer if any hazardous materials are discovered.

- D. The developer declares subject to the penalties set forth in section 514A-49(b) that this project is in compliance with all county zoning and building ordinances and codes, and all other county permitting requirements applicable to the project, pursuant to Act 251 (SHL 2000) [Section 514A-1.6] (The developer is required to make this declaration for issuance of an effective date for a final public report.)

DEVELOPER'S RESERVED RIGHTS

The Developer (Declarant) has reserved certain rights as "Declarant" to change the Declaration and the Condominium Map . Paragraph 20 of the Declaration governs amendments and it states:

"20.1 Amendments Generally. Except as otherwise expressly provided herein or in the Act, this Declaration and the Condominium Map may be amended only by the affirmative vote or written consent of all of the Apartment Owners, evidenced by an instrument in writing, signed and acknowledged by each of them, which amendment shall be effective upon recordation in the Recording Office; provided, however, that notwithstanding the foregoing provision, at any time prior to the first recording of a conveyance or transfer (other than for security) of an Apartment and its appurtenances to a party not a signatory. hereto, the Declarant may amend this Declaration (including all exhibits), the Condominium Map and the Bylaws in any manner, without the consent or joinder of any Apartment purchaser or any other party. Notwithstanding the lease, sale or conveyance of any of the Apartments, Declarant may amend this Declaration (and when applicable, any exhibits to this Declaration and the Condominium Map) to file the "as-built" verified statement required by Section 514A-12 of the Act (i) so long as such statement is merely a verified statement of a registered architect or professional engineer certifying that the final plans thereto filed fully and accurately depict the layout, location, Apartment numbers, and the dimensions of the Apartments as built, or (ii) so long as the plans filed therewith involve only minor changes to the layout, location, or dimensions of the Apartments as built or any change in the Apartment number.

20.2 Amendments Required by Law, Lenders, Title Insurers, Etc. Any other provision of this Declaration notwithstanding, for so long as the Declarant retains any interest in an Apartment in the Project, the Declarant shall have the right (but not the obligation) to amend this Declaration and the Bylaws (and the Condominium Map, if appropriate) without the consent or joinder of any Apartment Owner, lienholder or other person or entity, for the purpose of meeting any requirement imposed by (i) any applicable law, (ii) the Real Estate Commission of the State of Hawaii, (iii) any title insurance company issuing a title insurance policy on the Project or any of the Apartments, (iv) any institutional lender lending funds on the security of the Project or any of the Apartments, or (v) any other governmental or quasi-governmental agency including, without limitation, the Federal National Mortgage Association, the Federal Home Loan Mortgage Corporation, the U.S. Department of Housing and Urban Development or the Veterans Administration; provided, however, that no amendment which would change the common interest appurtenant to an Apartment or substantially change the design, location or size of an Apartment shall be made without the consent of all persons having an interest in such Apartment. Each and every party acquiring an interest in the Project, by such acquisition, consents to the amendments described in this Paragraph 20.2 and agrees to execute and deliver such documents and instruments and do such other things as may be necessary or convenient to effect the same, and appoints Declarant and its assigns as his or her attorney-in-fact with full power of substitution to execute and deliver such documents and instruments and to do such things on his or her behalf, which grant of such power, being coupled with an, interest, is irrevocable for the duration of such reserved rights, and shall not be affected by the disability of such party or parties.

20.3 Mortgagee Approval. Any other provision of this Declaration notwithstanding, the approval of eligible holders of first mortgages (as defined below) on Apartments to which at least fifty-one percent (51%) of the votes of Units subject to mortgages held by such eligible holders are allocated shall be required to materially amend any provision herein, or to add any material provisions hereto, which establish, provide for, govern or regulate any of the following: (a) voting; (b) assessments, assessment liens or subordination of such liens; (c) reserves for maintenance, repair and replacement of the common elements; (d) insurance or fidelity bonds; (e) right to use of the common elements; (f) responsibility for maintenance and repair of the several portions of the Project; (g) expansion or contraction of the Project or the addition, annexation or withdrawal of property to or from the Project; (h) boundaries of any Unit (except where the amendment merely reflects that a Unit has been constructed according to alternate plans shown on the Condominium Map); (i) the interests in the common elements or limited common elements; (j) convertibility of Units into common elements or of common elements into Units; (k) leasing of Units; (l) imposition of any right of first refusal or similar restriction on the right of a Unit Owner to sell, transfer, or otherwise convey his Unit; (m) establishment of self-management of the Project by the Association where professional management has been required by any agency or corporation which has an interest or prospective interest in the Project; and (n) any provision that expressly benefits holders, insurers, or guarantors of first mortgages on apartments in the Project. To qualify as an "eligible holder of a first mortgage", a holder, insurer or guarantor of a first mortgage on a Unit in the Project must have made a written request to the Association for timely written notice of proposed amendments to the condominium instruments. The request must state the name and address of the holder, insurer or guarantor and the number of the Unit covered by the mortgage. In the event that an eligible holder of a first mortgage fails to appear at a meeting of the Association at which amendments of a material nature to this Declaration are proposed and considered, or fails to file a written response with the Association within thirty (30) days after it receives proper notice of the proposed amendment, delivered by certified or registered mail, with a "return receipt" requested, then and in any such event such amendments shall conclusively be deemed approved by such eligible holder of a first mortgage.

In addition to the foregoing, no amendment to this Declaration which would allow any action to terminate the condominium property regime created hereby for reasons other than substantial destruction or condemnation shall be made without the prior written approval of not less than sixty-seven percent (67%) of the eligible holders of first mortgages.

20.4 Notwithstanding the foregoing, an Owner shall have the right without the consent or joinder of any other person to amend this Declaration and the Condominium Map to reflect the changes made to his Unit in accordance with Paragraph 19.1 of this Declaration. Promptly upon completion of such changes, the Unit Owner shall duly record with the Recording Office an amendment to his Declaration and to the Condominium Map, together with a complete set of the floor plans of the Project as so altered, certified as built by a registered architect or professional engineer. All existing Unit Owners and all future Unit Owners and their mortgagees, by accepting an interest in a Unit, shall be deemed to have given each Unit Owner a Power of Attorney to execute an amendment to the Declaration solely for the purpose of describing the changes to his respective Unit on the Declaration so that each Unit Owner shall hereafter have a Power of Attorney from all the other Unit Owners to execute such amendment to the Declaration. This Power of Attorney shall be deemed coupled with each Owner's interest in his Unit (including its appurtenant common interest) and shall be irrevocable.

20.5 Restatement. Any other provision of this Declaration notwithstanding, the Board, upon resolution duly adopted, shall have the authority as set forth in the Act to restate this Declaration from time to time to set forth any prior amendments hereto, or to amend this Declaration as required to conform with the provisions of the Act or any other statute, ordinance, rule or regulation enacted by any governmental authority . Closing costs and escrow fees are to be shared in accordance with the DROA, except that Seller does have the option to require two months' advance payment of Association maintenance fees and a start up expense for the Association of Apartment Owners equal to two months' of Association maintenance fees. Buyer's proportionate share of any liability insurance premium, real property taxes, maintenance fees and any other charges with respect to the Property shall be pro-rated between Seller and Buyer as of the date of closing.

6. No Present Transfer and Subordination to Construction Loan.

(a) The Sales Contract may be subject to existing blanket loans, and any security interest now or hereafter obtained by a lender of Seller is or will be prior and senior to any rights of the Buyer arising under the Sales Contract. This obligation to subordinate the purchaser's right under the Sales Contract to loans now or hereafter made by the Seller is set forth in Paragraph 4 of the Special Provisions.

(b) Seller may also assign by way of security all of its interest in the Sales Contract, as collateral for the repayment of the loan and if the Lender acquires the Seller's interest in the Sales Contract, then the Buyer is obligated to perform the Sales Contract, and to attorn to and recognize the Lender as the seller under the Sales Contract.

(c) Notwithstanding that the Sales Contract may be subordinate to a blanket lien, if the Buyer performs his obligations under the Sales Contract, then Seller is required to convey the Apartment to Buyer at closing free and clear of any blanket lien.

7. Seller's Rights to Cancel Sales Contract. The Seller may cancel the Sales Contract with the Buyer if (a) Buyer fails to qualify for a permanent loan (if Paragraph C-24 of the DROA is selected; (b) Buyer defaults under the Sales Contract (paragraph 5(b) of the Special Provisions); or (c) Buyer dies prior to Closing Date (paragraph 5(a) of the Special Provisions). Pursuant to Paragraph 5(b) of the Special Provisions, if Buyer fails to close as required, then after ten (10) days following Seller's notice of Buyer's default, if Buyer has not cured his default under the Sales Contract, the Seller may cancel the Sales Contract and all sums previously paid by Buyer will belong absolutely to the Seller as liquidated damages. Additionally, Seller may pursue any other remedy, and all costs, including reasonable attorney's fees, incurred by reason of default by the Buyer shall be borne by the Buyer. Time is the essence of the Sales Agreement.

8. Rights of Buyer to Cancel the Sales Contract. The Buyer has the right to cancel the Sales Contract under the following conditions:

a. At any time within thirty (30) days following the date the Final Public Report is delivered to Buyer. If Buyer so cancels, Buyer will be entitled to receive refund of any deposits, less any escrow cancellation fees and other costs up to \$250. If Buyer does not act within the thirty (30) day period, or if the Apartment is conveyed to the Buyer, Buyer will be deemed to have executed the receipt for the Final Public Report and to have waived his right to cancel (paragraphs 6.1 and 6.3 of the Special Provisions).

b. The Buyer may cancel his purchase if there is a material change in the Project which directly, substantially and adversely affects the use or value of the Buyer's Apartment or the amenities available for the Buyer's use (paragraph 7(a) of the Special Provisions).

c. Buyer fails to qualify for permanent financing if Paragraph C-24 of the DROA has been selected.

9. Paragraph 11 of the Special Provisions provides that the Buyer acknowledges that he or she has examined (and agrees to be bound) by the following:

Buyer is cautioned to have his own inspection of the property and the Apartment. If construction of the Project was completed within one year of the date of the Sales Contract, then in accordance with subparagraph (a) the Seller may be giving a limited one year warranty as provided in such Subparagraph 12(a), which Buyer should review closely.

The Summary contained in this Exhibit is merely a summary and is not intended to be a substitute for the Buyer's careful review of the Sales Contract.
