General Information On Condominiums

A condominium is a special form of real property. To create a condominium in Hawaii, the requirements of the Condominium Property Act, Chapter 514A, Hawaii Revised Statutes, must be complied with. In addition, certain requirements and approvals of the County in which the project is located must be satisfied and obtained.

Some condominium projects are leasehold. This means that the land or the building(s) and other improvements are leased to the buyer. The lease for the land usually requires that at the end of the lease term, the lessees (apartment owners/tenants) deliver their interest in the land to the lessor (fee property owner). The lease also usually requires that the lessees either (1) convey to the lessor the building(s) and other improvements, including any improvements paid for by the lessees; or (2) remove or dispose of the improvements at the lessee's expense. Leases for individual apartments often require that at the end of the lease term, the lessee deliver to the lessor the apartment, including any improvements placed in the apartment by the lessee.

If you are a typical condominium apartment owner, you will have two kinds of ownership: (1) ownership in your individual apartment; and (2) an undivided interest in the common elements.

"Common elements" are the areas of the condominium project other than the individual apartments. They are owned jointly by all apartment owners and include the land, either in fee simple or leasehold, and those parts of the building or buildings intended for common use such as foundations, columns, roofs, halls, elevators, and the like. Your undivided interest in the common elements cannot be separated from ownership of your apartment.

In some condominium projects, some common elements are reserved for the exclusive use of the owners of certain apartments. These common elements are called "limited common elements" and may include parking stalls, patios, lanais, trash chutes, and the like.

You will be entitled to exclusive ownership and possession of your apartment. Condominium apartments may be individually bought, sold, rented, mortgaged or encumbered, and may be disposed of by will, gift, or operation of law.

Your apartment will, however, be part of the group of apartments that comprise the condominium project. Study the project's Declaration, Bylaws, and House Rules. These documents contain important information on the use and occupancy of apartments and the common elements as well as the rules of conduct for owners, tenants, and guests.

Operation of the Condominium Project

The Association of Apartment Owners is the entity through which apartment owners may take action with regard to the administration, management, and operation of the condominium project. Each apartment owner is automatically a member of the Association.

The Board of Directors is the governing body of the Association. Unless you serve as a board member or an officer, or are on a committee appointed by the board, your participation in the administration and operation of the condominium project will in most cases be limited to your right to vote as an apartment owner. The Board of Directors and officers can take certain actions without the vote of the owners. For example, the board may hire and fire employees, increase or decrease maintenance fees, borrow money for repair and improvements and set a budget. Some of these actions may significantly impact the apartment owners.

Until there is a sufficient number of purchasers of apartments to elect a majority of the Board of Directors, it is likely that the developer will effectively control the affairs of the Association. It is frequently necessary for the developer to do so during the early stages of development and the developer may reserve certain special rights to do so in the Declaration and Bylaws. Prospective buyers should understand that it is important to all apartment owners that the transition of control from the developer to the apartment owners be accomplished in an orderly manner and in a spirit of cooperation.

**II. CREATION OF THE CONDOMINIUM;
CONDOMINIUM DOCUMENTS**

A condominium is created by recording in the Bureau of Conveyances and/or filing with the Land Court a Declaration of Condominium Property Regime, a Condominium Map (File Plan), and the Bylaws of the Association of Apartment Owners. The Condominium Property Act (Chapter 514A, HRS), the Declaration, Bylaws, and House Rules control the rights and obligations of the apartment owners with respect to the project and the common elements, to each other, and to their respective apartments. The provisions of these documents are intended to be, and in most cases are, enforceable in a court of law.

A. **Declaration of Condominium Property Regime** contains a description of the land, buildings, apartments, common elements, limited common elements, common interests, and other information relating to the condominium project.

The Declaration for this condominium is:

They provide for the manner in which the Board of Directors of the Association of Apartment Owners is elected, the powers and duties of the Board, the manner in which meetings will be conducted, whether pets are prohibited or allowed and other matters which affect how the condominium project will be governed.

The Bylaws for this condominium are:

Proposed
 Recorded - Bureau of Conveyances: Document No. _____
Book _____ Page _____
 Filed - Land Court: Document No. _____

The Bylaws referred to above have been amended by the following instruments [state name of document, date and recording/filing information]:

D. **House Rules.** The Board of Directors may adopt House Rules to govern the use and operation of the common elements and limited common elements. House Rules may cover matters such as parking regulations, hours of operation for common facilities such as recreation areas, use of lanais and requirements for keeping pets. These rules must be followed by owners, tenants, and guests. They do not need to be recorded or filed to be effective. The initial House Rules are usually adopted by the developer.

The House Rules for this condominium are:

Proposed Adopted Developer does not plan to adopt House Rules

E. **Changes to Condominium Documents.** Changes to the Declaration, Condominium Map, and Bylaws are effective only if they are duly adopted and recorded and/or filed. Changes to House Rules do not need to be recorded or filed to be effective.

IMPORTANT INFORMATION ON LEASEHOLD CONDOMINIUM PROJECTS

The information contained in this report is a summary of the terms of the lease. For more detailed information, you should secure a copy of the lease documents and read them thoroughly.

If you have any legal questions about leasehold property, the lease documents or the terms of the lease and the consequences of becoming a lessee, you should seek the advice of an attorney.

There are currently no statutory provisions for the mandatory conversion of leasehold condominiums and there are no assurances that such measures will be enacted in the future.

In leasehold condominium projects, the buyer of an apartment will acquire the right to occupy and use the apartment for the time stated in the lease agreement. The buyer will not acquire outright or absolute fee simple ownership of the land. The land is owned by the lessor or the leased fee owner. The apartment owner or lessee must make lease rent payments and comply with the terms of the lease or be subject to the lessor's enforcement actions. The lease rent payments are usually fixed at specific amounts for fixed periods of time, and are then subject to renegotiation. Renegotiation may be based on a formula, by arbitration set in the lease agreement, by law or by agreement between the lessor and lessee. The renegotiated lease rents may increase significantly. At the end of the lease, the apartment owners may have to surrender the apartments, the improvements and the land back to the lessor without any compensation (surrender clause).

When leasehold property is sold, title is normally conveyed by means of an assignment of lease, the purpose of which is similar to that of a deed. The legal and practical effect is different because the assignment conveys only the rights and obligations created by the lease, not the property itself.

The developer of this condominium project may have entered into a master ground lease with the fee simple owner of the land in order to develop the project. The developer may have then entered into a sublease or a new lease of the land with the lessee (apartment owner). The developer may lease the improvements to the apartment owner by way of an apartment lease or sublease, or sell the improvements to the apartment owners by way of a condominium conveyance or apartment deed.

11. Conformance to Present Zoning Code

- a. No variances to zoning code have been granted.
 Variance(s) to zoning code was/were granted as follows:

b. Conforming/Non-Conforming Uses, Structures, Lot

In general, a non-conforming use, structure, or lot is a use, structure, or lot which was lawful at one time but which does not now conform to present zoning requirements.

	<u>Conforming</u>	<u>Non-Conforming</u>	<u>Illegal</u>
Uses	<u> X </u>	<u> </u>	<u> </u>
Structures	<u> X </u>	<u> </u>	<u> </u>
Lot	<u> X </u>	<u> </u>	<u> </u>

If a variance has been granted or if uses, improvements or lot are either non-conforming or illegal, buyer should consult with county zoning authorities as to possible limitations which may apply.

Limitations may include restrictions on extending, enlarging, or continuing the non-conformity, and restrictions on altering and repairing structures. In some cases, a non-conforming structure that is destroyed or damaged cannot be reconstructed.

The buyer may not be able to obtain financing or insurance if the condominium project has a non-conforming or illegal use, structure, or lot.

D. Common Elements, Limited Common Elements, Common Interest:

- 1 Common Elements: Common Elements are those parts of the condominium project other than the individual apartments. Although the common elements are owned jointly by all apartment owners, those portions of the common elements which are designated as limited common elements (see paragraph 2 below) may be used only by those apartments to which they are assigned. The common elements for this project, as described in the Declaration, are:

- described in Exhibit C .
 as follows:

2. Limited Common Elements: Limited Common Elements are those common elements which are reserved for the exclusive use of the owners of certain apartments.

There are no limited common elements in this project.

The limited common elements and the apartments which use them, as described in the Declaration, are:

described in Exhibit D* .

as follows:

*Note: Land areas referenced herein are not legally subdivided lots.

3. Common Interest: Each apartment will have an undivided fractional interest in all of the common elements. *This interest is called the "common interest." It is used to determine each apartment's share of the maintenance fees and other common profits and expenses of the condominium project. It may also be used for other purposes, including voting on matters requiring action by apartment owners. The common interests for the apartments in this project, as described in the Declaration, are:*

described in Exhibit E .

as follows:

E. Encumbrances Against Title: An encumbrance is a claim against or a liability on the property or a document affecting the title or use of the property. Encumbrances may have an adverse effect on the property or your purchase and ownership of an apartment in the project.

Exhibit F describes the encumbrances against the title contained in the title report dated May 26, 2004, and issued by Title Guaranty of Hawaii, Incorporated .

Blanket Liens:

A blanket lien is an encumbrance (such as a mortgage) on the entire condominium project that secures some type of monetary debt (such as a loan) or other obligation. A blanket lien is usually released on an apartment-by-apartment basis upon payment of specified sums so that individual apartments can be conveyed to buyers free and clear of the lien.

[] There are no blanket liens affecting title to the individual apartments.

[X] There are blanket liens which may affect title to the individual apartments.

Blanket liens (except for improvement district or utility assessments) must be released before the developer conveys the apartment to a buyer. The buyer's interest will be affected if the developer defaults and the lien is foreclosed prior to conveying the apartment to buyer.

<u>Type of Lien</u>	<u>Effect on Buyer's Interest and Deposit if Developer Defaults or Lien is Foreclosed Prior to Conveyance</u>
Mortgage lien(s) of Developer lender(s)	Buyer's interest is specifically made subject and subordinate to such liens.

NOTE: The Developer has notified the Commission that at the time of the first conveyance of each apartment, each of the Developer's lender(s)' lien(s) will be paid and satisfied of record, or the apartment being conveyed and its common interests shall be released therefrom.

F. **Construction Warranties:**

Warranties for individual apartments and the common elements, including the beginning and ending dates for each warranty, are as follows:

1. **Building and Other Improvements:**
SEE SECTION 3 OF EXHIBIT G (THE DISCLOSURE ABSTRACT).

2. **Appliances:**
SEE SECTION 3 OF EXHIBIT G (THE DISCLOSURE ABSTRACT).

G. **Status of Construction and Date of Completion or Estimated Date of Completion:**

The Developer estimates that construction of the Project will commence in July 2004 and will be completed in or before December 2005.

H. **Project Phases:**

The developer [X] has [] has not reserved the right to add to, merge, or phase this condominium.

Summary of Developer's plans or right to perform for future development (such as additions, mergers or phasing):

The Developer, at its option, has the right, but not the obligation, to expand the Project by merging, through an administrative merger or mergers, the Project with one or more condominium projects located or to be located on lands (or a portion or portions thereof) in the vicinity of the Project site, and to amend the Declaration to provide for such merger or mergers without obtaining the approval, consent or joinder of any owner, mortgagee or purchaser of any apartment, all as set forth in that certain Declaration of Merger of Condominium Phases referred to in Section S of the Declaration.

("HDC") will correct any defect in the appliances, equipment and other items that are "consumer products" for the purposes of the Magnuson-Moss Warranty Act (15 U.S.C., Sections 2301-2312) as well as the plumbing, electrical and air-conditioning systems, and the floors, ceilings, walls and other structural components of the apartment due to defective materials or workmanship of which HDC receives written notice during such one-year period following the date of Closing.

4. **BREAKDOWN OF ANNUAL MAINTENANCE CHARGES AND ESTIMATED COSTS FOR EACH APARTMENT:**

Attached to this Disclosure Abstract as Exhibit "A" is a breakdown of the annual maintenance charges and the monthly estimated cost for each apartment in the Project, prepared by Augustine Realty, a Hawaii general partnership, for the one-year period commencing July 1, 2004. The attached breakdown of annual maintenance charges and the estimated cost for each apartment are subject to change based on actual costs of the items listed. The Developer can make no assurances regarding the estimated maintenance assessments. Variables such as inflation, uninsured casualty loss or damage, increased or decreased services from those contemplated by the Developer, apartment owner delinquencies and other factors may cause the maintenance assessments to be greater or less than the estimated maintenance assessments. The breakdown of the estimated cost for each apartment contained in this Disclosure Abstract does not include the Buyer's obligation for the payment of the Hualalai Community Association dues (anticipated to be \$2,862.00 per year) or real property taxes, and does not include or otherwise take into account the one-time "start-up" fee required to be paid in addition to the normal maintenance charges. Estimates of the real property taxes will be provided by the Developer upon request.

NOTE: THE DEVELOPER ADVISES THAT COSTS AND EXPENSES OF MAINTENANCE AND OPERATION OF A CONDOMINIUM PROJECT ARE VERY DIFFICULT TO ESTIMATE INITIALLY AND EVEN IF SUCH MAINTENANCE CHARGES HAVE BEEN ACCURATELY ESTIMATED, SUCH CHARGES WILL TEND TO INCREASE IN AN INFLATIONARY ECONOMY AND AS THE IMPROVEMENTS AGE. MAINTENANCE CHARGES CAN VARY DEPENDING ON SERVICES DESIRED BY APARTMENT OWNERS. THE BUYER SHOULD EXAMINE THE MAINTENANCE CHARGE SCHEDULE TO SEE WHAT SERVICES ARE INCLUDED IN THE SCHEDULE.

5. TEMPORARY ASSUMPTION BY DEVELOPER OF ACTUAL COMMON EXPENSES:

The Developer will assume all the actual common expenses of the Project (and therefore an apartment owner will not be obligated for the payment of his respective share of the common expenses) until such time as the Developer files with the Real Estate Commission of the State of Hawaii an amended Disclosure Abstract which states that after a date certain, the respective apartment owner shall thereafter be obligated to pay for his respective share of common expenses that is allocated to his apartment; provided, however, that such amended Disclosure Abstract shall be filed at least 30 days in advance with the Real Estate Commission, with a copy thereof being delivered either by mail or personal delivery after the filing to each of the apartment owners whose maintenance expenses were assumed by the Developer. The Developer shall have no obligation to pay for any cash reserves or any other reserve amounts with respect to or attributable to the period during which the Developer assumes the actual common expenses of the Project.

6. HUALALAI COMMUNITY ASSOCIATION DUES:

Each apartment owner will be required to be a member of the Hualalai Community Association. As such member, each apartment owner will be required to pay Hualalai Community Association annual dues. The Hualalai Community Association dues are anticipated to be \$2,862.00 per year.

SUMMARY OF SALES AGREEMENT

A specimen Condominium Purchase and Sales Agreement (the "Sales Agreement"), has been submitted to the Real Estate Commission and is available in the Sales Office of the Seller. ALL BUYERS AND PROSPECTIVE BUYERS SHOULD CAREFULLY READ THE SALES AGREEMENT IN FULL, since this summary is NOT A COMPLETE DESCRIPTION of its provisions. The Sales Agreement, among other things, covers in more detail the following items:

1. Seller agrees to provide Buyer with a one-year limited construction warranty pursuant to the terms and conditions set forth in the Limited Warranty to be provided to buyer prior to the Final Closing.

2. If the buyer's mortgage loan application is rejected or not approved within 45 days after application, then Seller may elect to terminate the Sales Agreement upon written notice to buyer.

3. Buyer agrees that Seller, its officers, employees, agents or real estate brokers or real estate sales persons have made no representations regarding the possibility or probability of rental or other income from the purchase and ownership of an apartment in the Project or other economic benefit to be derived from the rental of the apartment or the tax treatment of buyer.

4. Buyer will pay for the following closing costs: 50% of the escrow fee, 100% of the costs to be charged by the Title Company for the preliminary title report and the Title Policy, any costs of drafting a mortgage and note, all of buyer's notary fees, all recording fees, all other costs customarily charged to buyers in residential real estate transactions in the State of Hawaii, and all other costs and fees to be paid by buyer under the terms of the Sales Agreement. Proration of Hualalai Community Association assessments, maintenance assessments and other taxes and assessments and any other expenses will be made as of the date of Final Closing.

5. The Sales Agreement shall not be assigned by buyer without the prior written consent of Seller, which consent may be withheld by Seller for any reason at Seller's sole discretion.

6. Buyer agrees that Seller shall have the right to record a Declaration of Merger of Condominium Phases (hereinafter called the "Declaration of Merger")

against the Property if the merger of additional real property improved with condominium units is authorized pursuant to the Declaration. The Declaration of Merger, among other things, gives Seller the right, in its sole and absolute discretion, to cause and effect an administrative merger of the Project with a condominium project located or to be located on land (or a portion or portions thereof) in the vicinity of the real property on which the Project is located, as part of the same incremental plan of development of the Project, such that the use of the respective common elements, the respective common expenses and the management of the respective affairs of the Project and the additional phase(s) are shared, and the administration of the Project and the additional phase(s) is unified under one association of apartment owners, but the ownership interests of the apartment owners of the Project and the additional phase(s) are not altered or affected. Nothing herein will be deemed to require Seller to develop the additional phase(s) or to merge the additional phase(s) into the Project, or to prohibit Seller from dealing with any lands in the vicinity of the Project not merged with the Project, including without limitation, developing all or any part of such lands for purposes inconsistent with the merger of such lands into the Project.

7. Buyer's rights to use of the golf courses, tennis/spa facility, Canoe Club and beach house outside of the Project but within Hualalai (the "Recreational Facilities") and buyer's rights to certain privileges in the Four Seasons Hotel at Hualalai (the "Four Seasons Privileges") shall be subject to buyer and Seller's execution of one or more agreements separate from the Sales Agreement. (Use of the Recreational Facilities and the Four Seasons Privileges shall be collectively referred to herein as the "Recreational Use Privileges"). Buyer shall not acquire Recreational Use Privileges merely by execution of the Sales Agreement and the purchase of an Apartment. In order to obtain Recreational Use Privileges, buyer must comply with the terms and conditions established by Seller for the use thereof, including, without limitation, the execution of one or more separate agreements, payment of an initiation fee and periodic use or membership fees established by Seller, and compliance with the rules and regulations established by Seller. Buyer shall have no ownership interest in the Recreational Facilities; the Recreational Facilities are owned by Seller.

8. If buyer shall default in any payment when required, or fail to perform any other obligation required of the buyer, including the obligation to execute promptly all documents necessary to close the transaction, and upon giving notice and opportunity to cure as provided in the Sales Agreement, the Sales Agreement may, at Seller's option, be terminated by written notice to buyer and the total sums paid by buyer under the Sales Agreement, and all accrued interest, shall constitute liquidated damages payable to Seller, or, at Seller's option, Seller may pursue any other remedy at law or equity for specific performance or otherwise, and all costs and expenses incurred by reason of default of buyer shall be borne by buyer, including but not limited to, reasonable attorneys' fees, costs incurred by any lending institution in processing buyer's loan application, and the escrow cancellation fee. Seller and buyer acknowledge that

they understand and have agreed that in such event the injury to Seller will be difficult and expensive to measure in view of Seller's financial commitments with respect to the Project, the connection between sale, cancellation or default with respect to one unit and sale, cancellation or default with respect to other units in the Project, and the nature of the real estate market in Hawaii. As a reasonable estimate of Seller's fair compensation for any damages resulting from such default, the parties agree that the total sums paid by buyer under the Sales Agreement and all accrued interest shall belong to Seller as liquidated damages.

9. (a) In order to ensure the proper development of the Hualalai Resort, Seller has established the "Design and Construction Guidelines for Hualalai" (the "Design Regulations") within the Master Declaration of Protective Covenants, Conditions and Restrictions and Reservations of Easements for Hualalai at Historic Ka'upulehu (the "Master CC&Rs"), as well as a plan approval process. The Design Regulations directly control the nature and scope of any improvements which may be made to the apartment, as well as the entire Project and certain other areas of the Hualalai community. The Design Regulations and the plan approval process are administered by the Hualalai Development Review Board which has been or will be established pursuant to the Master CC&Rs. Buyer acknowledges that all improvements may only be undertaken or constructed after specific approval thereof by the Hualalai Development Review Board. Buyer acknowledges and understands that the Design Regulations are subject to change in the sole discretion of the Hualalai Development Review Board and that the plans and specifications for any improvements to any apartment must be approved in advance by the Hualalai Development Review Board and must be in accordance with the Master CC&Rs and the Design Regulations.

(b) Buyer acknowledges that no representations have been made to Buyer by Seller respecting Buyer's ability to obtain any approval of any kind required from the Hualalai Development Board or otherwise. Buyer also agrees, acknowledges and understands that Buyer will be required to pay processing and deposit fees to the Hualalai Development Review Board in connection with the review of plans and specifications for any improvements Buyer proposes to make to an apartment as set forth in the Design Regulations.

(c) Buyer shall maintain his apartment in accordance with the Master CC&Rs, the Declaration, the By-Laws and the Design Regulations. If buyer fails to comply with the Master CC&Rs, the Declaration, the By-Laws and the Design Regulations, the Hualalai Community Association, the Association and the Hualalai Development Review Board shall have the right to enter into the apartment for the purpose of making the apartment comply with such documents, all at buyer's sole cost and expense.

10. The costs of all of the water system and related facilities and appurtenances (the "Water System") and the sewer system and related facilities and appurtenances (the "Sewer System"), serving the Project and the Hualalai community are not included in the purchase price of the apartment, and have been or will be paid for, constructed and installed by Seller or its affiliates, except for specific contributions in aid of construction which are memorialized in documents and agreements concerning adjacent properties outside of the Hualalai community. Unless evidenced in writing, the entire Water System and Sewer System serving the Project and the Hualalai community, including all wells, lines, pumps, machinery, reservoirs, water towers or tanks, and other systems, facilities and appurtenances related thereto and the land or sites and easements therefor which are located within the Hualalai community have not been paid for, in whole or in part, by buyer or any person or entity other than Seller or its affiliated companies. Water service shall be provided to owners of apartments in the Project and other properties within Hualalai by the Kaupulehu Water Company pursuant to terms and conditions established by the Public Utilities Commission of the State of Hawaii. Sewer service shall be provided to owners of apartments in the Project and other properties within Hualalai by the Kaupulehu Waste Water Company pursuant to terms established by the Public Utilities Commission of the State of Hawaii. As a result of the anticipated improvement and construction of Hualalai in phases, initial water and sewer service charges may be less than the cost of providing water and sewer services and may increase at rates higher than the rate of increase in operating expenses and capital costs as the number of customers in Hualalai increases, until water and sewage service charge reach a level where they fully reimburse the Kaupulehu Water Company and the Kaupulehu Waste Water Company, respectfully, for operating expenses plus (i) with respect to the Kaupulehu Water Company, a fair and reasonable return on capital improvements costs for the Water System and all other property of Kaupulehu Water Company used or useful in providing water services; and (ii) with respect to the Kaupulehu Waste Water Company, fair and reasonable return on capital improvement costs for the Sewer System and all other property of the Kaupulehu Waste Water Company used or useful in providing sewer services.
