## **General Information On Condominiums**

A condominium is a special form of real property. To create a condominium in Hawaii, the requirements of the Condominium Property Act, Chapter 514A, Hawaii Revised Statutes, must be complied with. In addition, certain requirements and approvals of the County in which the project is located must be satisfied and obtained.

Some condominium projects are leasehold. This means that the land or the building(s) and other improvements are leased to the buyer. The lease for the land usually requires that at the end of the lease term, the lessees (apartment owners/tenants) deliver their interest in the land to the lessor (fee property owner). The lease also usually requires that the lessees either (1) convey to the lessor the building(s) and other improvements, including any improvements paid for by the lessees; or (2) remove or dispose of the improvements at the lessee's expense. Leases for individual apartments often require that at the end of the lease term, the lessee deliver to the lessor the apartment, including any improvements placed in the apartment by the lessee.

If you are a typical condominium owner, you will have two kinds of ownership: (1) ownership in your individual apartment; and (2) an undivided interest in the common elements.

"Common elements" are the areas of the condominium project other than the individual apartments. They are owned jointly by all apartment owners and include the land, either in fee simple or leasehold, and those parts of the building or buildings intended for common use such as foundations, columns, roofs, halls, elevators, and the like. Your undivided interest in the common elements cannot be separated from ownership of your apartment.

In some condominium projects, some common elements are reserved for the exclusive use of the owners of certain apartments. These common elements are called "limited common elements" and may include parking stalls, patios, lanais, trash chutes, and the like.

You will be entitled to exclusive ownership and possession of your apartment. Condominium apartments may be individually bought, sold, rented, mortgaged or encumbered, and may be disposed of by will, gift, or operation of law.

Your apartment will, however, be part of the group of apartments that comprise the condominium project. Study the project's Declaration, Bylaws, and House Rules. These documents contain important information on the use and occupancy of apartments and the common elements as well as the rules of conduct for owners, tenants, and guests.

## **Operation of the Condominium Project**

The Association of Apartment Owners is the entity through which apartment owners may take action with regard to the administration, management, and operation of the condominium project. Each apartment owner is automatically a member of the Association.

The Board of Directors is the governing body of the Association. Unless you serve as a board member or an officer, or are on a committee appointed by the board, your participation in the administration and operation of the condominium project will in most cases be limited to your right to vote as an apartment owner. The Board of Directors and officers can take certain actions without the vote of the owners. For example, the board may hire and fire employees, increase or decrease maintenance fees, borrow money for repair and improvements and set a budget. Some of these actions may significantly impact the apartment owners.

Until there is a sufficient number of purchasers of apartments to elect a majority of the Board of Directors, it is likely that the developer will effectively control the affairs of the Association. It is frequently necessary for the developer to do so during the early stages of development and the developer may reserve certain special rights to do so in the Declaration and Bylaws. Prospective buyers should understand that it is important to all apartment owners that the transition of control from the developer to the apartment owners be accomplished in an orderly manner and in a spirit of cooperation.

**II. CREATION OF THE CONDOMINIUM;  
CONDOMINIUM DOCUMENTS**

A condominium is created by recording in the Bureau of Conveyances and/or filing with the Land Court a Declaration of Condominium Property Regime, a Condominium Map (File Plan), and the Bylaws of the Association of Apartment Owners. The Condominium Property Act (Chapter 514A, HRS), the Declaration, Bylaws, and House Rules control the rights and obligations of the apartment owners with respect to the project and the common elements, to each other, and to their respective apartments. The provisions of these documents are intended to be, and in most cases are, enforceable in a court of law.

- A. **Declaration of Condominium Property Regime** contains a description of the land, buildings, apartments, common elements, limited common elements, common interests, and other information relating to the condominium project.

The Declaration for this condominium is:

House Rules	---	<u>By majority of the Board of Directors</u>

\* The percentages for individual condominium projects may be more than the minimum set by law for projects with five or fewer apartments.

Pursuant to Section 514B-23 of the Hawaii Revised Statutes, the apartment owners voted to amend the Declaration to provide that the Project will be governed by the provisions of Chapter 514B (which provides for a minimum percentage of 67% to modify the Declaration). That amendment also specifically lowered the percentage required to amend the Declaration to 67%. See the amendment recorded as Document No. 3901600.

**IMPORTANT INFORMATION ON LEASEHOLD CONDOMINIUM PROJECTS**

The information contained in this report is a summary of the terms of the lease. For more detailed information, you should secure a copy of the lease documents and read them thoroughly.

If you have any legal questions about leasehold property, the lease documents or the terms of the lease and the consequences of becoming a lessee, you should seek the advice of an attorney.

There are currently no statutory provisions for the mandatory conversion of leasehold condominiums and there are no assurances that such measures will be enacted in the future.

In leasehold condominium projects, the buyer of an apartment will acquire the right to occupy and use the apartment for the time stated in the lease agreement. The buyer will not acquire outright or absolute fee simple ownership of the land. The land is owned by the lessor or the leased fee owner. The apartment owner or lessee must make lease rent payments and comply with the terms of the lease or be subject to the lessor's enforcement actions. The lease rent payments are usually fixed at specific amounts for fixed periods of time, and are then subject to renegotiation. Renegotiation may be based on a formula, by arbitration set in the lease agreement, by law or by agreement between the lessor and lessee. The renegotiated lease rents may increase significantly. At the end of the lease, the apartment owners may have to surrender the apartments, the improvements and the land back to the lessor without any compensation (surrender clause).

When leasehold property is sold, title is normally conveyed by means of an assignment of lease, the purpose of which is similar to that of a deed. The legal and practical effect is different because the assignment conveys only the rights and obligations created by the lease, not the property itself.

The developer of this condominium project may have entered into a master ground lease with the fee simple owner of the land in order to develop the project. The developer may have then entered into a sublease or a new lease of the land with the lessee (apartment owner). The developer may lease the improvements to the apartment owner by way of an apartment lease or sublease, or sell the improvements to the apartment owners by way of a condominium conveyance or apartment deed.

11. Conformance to Present Zoning Code

a.  No variances to zoning code have been granted.

Variance(s) to zoning code was/were granted as follows:

Special Management Area Use Permit (SMA (U)-2003-1); Project Development Use Permit (U-2002-9),  
 Class W Zoning Permit (Z-IV-2003-8) approved by Kauai Planning Commission at its meeting held on  
 March 25, 2003 pursuant to its letter issued on March 27, 2003.

b. Conforming/Non-Conforming Uses, Structures, Lot

In general, a non-conforming use, structure, or lot is a use, structure, or lot which was lawful at one time but which does not now conform to present zoning requirements.

	<u>Conforming</u>	<u>Non-Conforming</u>	<u>Illegal</u>
Uses	<u>  X  </u>	<u>          </u>	<u>          </u>
Structures	<u>  X  </u>	<u>          </u>	<u>          </u>
Lot	<u>  X  </u>	<u>          </u>	<u>          </u>

If a variance has been granted or if uses, improvements or lot are either non-conforming or illegal, buyer should consult with county zoning authorities as to possible limitations which may apply.

Limitations may include restrictions on extending, enlarging, or continuing the non-conformity, and restrictions on altering and repairing structures. In some cases, a non-conforming structure that is destroyed or damaged cannot be reconstructed.

The buyer may not be able to obtain financing or insurance if the condominium project has a non-conforming or illegal use, structure, or lot.

D. Common Elements, Limited Common Elements, Common Interest:

1. Common Elements: Common Elements are those parts of the condominium project other than the individual apartments. Although the common elements are owned jointly by all apartment owners, those portions of the common elements which are designated as limited common elements (see paragraph 2 below) may be used only by those apartments to which they are assigned. The common elements for this project, as described in the Declaration, are:

described in Exhibit   "E"  .

as follows:

2. **Limited Common Elements:** Limited Common Elements are those common elements which are reserved for the exclusive use of the owners of certain apartments.

There are no limited common elements in this project.

The limited common elements and the apartments which use them, as described in the Declaration, are:

described in Exhibit "F" attached.

as follows:

3. **Common Interest:** Each apartment will have an undivided fractional interest in all of the common elements. This interest is called the "common interest." It is used to determine each apartment's share of the maintenance fees and other common profits and expenses of the condominium project. It may also be used for other purposes, including voting on matters requiring action by apartment owners. The common interests for the apartments in this project, as described in the Declaration, are:

described in Exhibit "D" attached.

as follows:

E. **Encumbrances Against Title:** An encumbrance is a claim against or a liability on the property or a document affecting the title or use of the property. Encumbrances may have an adverse effect on the property or your purchase and ownership of an apartment in the project.

Exhibit "G" describes the encumbrances against title contained in the title report dated April 23, 2010 and issued by First American Title Insurance Co.

Blanket Liens:

A blanket lien is an encumbrance (such as a mortgage) on the entire condominium project that secures some type of monetary debt (such as a loan) or other obligation. A blanket lien is usually released on an apartment-by-apartment basis upon payment of specified sums so that individual apartments can be conveyed to buyers free and clear of the lien.

[ ] There are no blanket liens affecting title to the individual apartments.

[X] There are blanket liens which may affect title to the individual apartments.

Blanket liens (except for improvement district or utility assessments) must be released before the developer conveys the apartment to a buyer. The buyer's interest will be affected if the developer defaults and the lien is foreclosed prior to conveying the apartment to buyer.

<u>Type of Lien</u>	<u>Effect on Buyer's Interest and Deposit if Developer Defaults Or Lien is Foreclosed Prior to Conveyance</u>
Mortgage dated February 9, 2007	<p>The Purchaser's interest is subject and subordinate to the lien of the existing Mortgage encumbering the Project property currently held by iStar FM Loans LLC (the "Mortgage"). If the Developer defaults or the lien is foreclosed before the Unit is conveyed to the Purchaser, then the Mortgagee will have the right to sell the Unit to the Purchaser under the Sales Contract or terminate the Purchaser's interest thereunder. If the Mortgagee terminates the Purchaser's interest, then the Purchaser's deposits will be refunded to the Purchaser, less the escrow cancellation fees.</p> <p>Note: At the time of the first conveyance of each Unit to a Purchaser, the Mortgagee's lien will be paid and satisfied of record, or the Unit being conveyed and its common interest shall be released therefrom.</p>

F. Construction Warranties:

Warranties for individual apartments and the common elements, including the beginning and ending dates for each warranty, are as follows:

1. **Building and Other Improvements:**  
There are no warranties. The one-year warranty provided in the construction contract signed by the Original Developer has expired.
2. **Appliances:**  
  
The Developer will pass on the manufacturer's warranties made to it, if any are still available on any appliances included as part of the apartment being conveyed.

Note as to 1 and 2 above:

Developer acquired its title to the Identified Unit in December 2009, more than three years after completion of construction of the Project. For that reason, the apartment (including but not limited to the roofs, walls, foundations, soils, plumbing, electrical and mechanical systems) and the undivided interest in the common elements and the limited common elements appurtenant to the apartments are being sold to Purchasers in their **Existing "AS IS" Condition, WITHOUT WARRANTY OR REPRESENTATION, EXPRESSED OR IMPLIED.** Without limitation, all warranties, express or implied, with respect to any apartment, the Project, any consumer products or anything else installed in any apartment or in the Project, including, but not limited to, any express or implied warranty of habitability, or merchantability, workmanlike construction or fitness for any particular purpose are, to the fullest extent permitted by law, disclaimed by Developer and waived by the Purchasers. **Purchasers are strongly advised to have a professional home inspection to ascertain the exact condition of the apartment being purchased and to make reasonable inquiry regarding individual concerns before the Purchaser's right to cancel the sales contract executed by the Purchaser expires or is waived by Purchaser.**

G. **Status of Construction and Date of Completion or Date of Estimated Completion**

The Project is completed. Certificates of completion were issued for each building as follows:

- Building A: September 8, 2006
- Building B: September 11, 2006
- Building C: September 14, 2006
- Building D: September 18, 2006
- Building E: October 17, 2006
- Building F: November 1, 2006
- Building G: November 28, 2006
- Building H: November 6, 2006

H. **Project Phases:**

The developer [X] has [ ] has not reserved the right to add to, merge, or phase this condominium.

Summary of Developer's plans or right to perform for future development (such as additions, mergers or phasing):

The Original Developer has exercised the right it reserved in the Declaration to subdivide and withdraw the Cultural Preserve Land Area, the Restaurant Land Area and the Highway Dedication Land Area (as defined in the Declaration) from the Project. The Original Developer also reserved the right in the Declaration, in its sole discretion, to convey the Cultural Preserve Land Area, the Restaurant Land Area and/or the Highway Dedication Land Area to the Association, the State of Hawaii or to a third party.

Additional rights reserved by the Original Developer (including some assigned to the Developer) are described in the summary attached as Exhibit "A".

IV. CONDOMINIUM MANAGEMENT

A. **Management of the Common Elements:** The Association of Apartment Owners is responsible for the management of the common elements and the overall operation of the condominium project. The Association may be permitted, and in some cases may be required, to employ or retain a condominium managing agent to assist the Association in managing the condominium project.

**Initial Condominium Management Agent:** When the developer or the developer's affiliate is the initial condominium managing agent, the management contract must have a term of one year or less and the parties must be able to terminate the contract on notice of 60 days or less.

The initial condominium managing agent for this project, named on page five (5) of this report, is:

not affiliated with the Developer  the Developer or the Developer's affiliate.  
 self-managed by the Association of Apartment Owners  other \_\_\_\_\_

B. **Estimate of Initial Maintenance Fees:**

The Association will make assessments against your apartment to provide funds for the operation and maintenance of the condominium project. If you are delinquent in paying the assessments, a lien may be placed on your apartment and the apartment may be sold through a foreclosure proceeding.

Initial maintenance fees are difficult to estimate and tend to increase as the condominium ages. Maintenance fees may vary depending on the services provided.

Exhibit "H" contains a schedule of estimated maintenance fees and maintenance fee disbursements (subject to change). Note that the maintenance fee does not include any use fees charged to owners that may be the result of any license between the Developer and the Association for the use of certain facilities.

**THE AMOUNTS SET FORTH IN SAID EXHIBIT H ARE BASED ON A BUDGET ESTABLISHED BY THE BOARD OF DIRECTORS OF THE AOA AND MAY CHANGE FOR REASONS BEYOND THE CONTROL OF THE DEVELOPER. DEVELOPER IS NOT PROVIDING ANY REPRESENTATION OR WARRANTY WITH RESPECT TO THE BUDGET OR FEES ESTABLISHED BY THE BOARD OF DIRECTORS, INCLUDING BUT NOT LIMITED TO ANY REPRESENTATION OR WARRANTY AS TO THE ACCURACY OF SUCH BUDGET.**

C. **Utility Charges for Apartments:**

Each apartment will be billed separately for utilities except for the following checked utilities which are included in the maintenance fees:

None  Electricity ( Common Elements Only  Common Elements and Apartments)  
 Gas ( Common Elements Only  Common Elements and Apartments)  
 Water  Sewer  Television Cable  
 Other: phone system (excluding long distance phone charges)\*; trash collection services

\* The telephone system will be operated under one centralized system. Each owner will be assessed equally for the use of the system through such Owner's maintenance fees. Long distance phone charges will be billed separately to each apartment owner.

V. MISCELLANEOUS

A. **Sales Documents Filed With the Real Estate Commission:**

Sales documents on file with the Real Estate Commission include but are not limited to:

- Notice to Owner Occupants

B. **Buyer's Right to Cancel Sales Contract:**

1. **Rights Under the Condominium Property Act (Chapter 514A, HRS):**

**Preliminary Report:** Sales made by the developer are not binding on the prospective buyer. Sales made by the developer may be binding on the developer unless the developer clearly states in the sales contract that sales are not binding. A prospective buyer who cancels the sales contract is entitled to a refund of all moneys paid, less any escrow cancellation fee up to \$250.00.

**Supplementary Report to a Preliminary Report:** Same as for Preliminary Report

**Final Report or Supplementary Report to a Final Report:** Sales made by the developer are binding if:

- A) The Developer delivers to the buyer a copy of:
  - 1) Either the Final Public Report **OR** the Supplementary Public Report which has superseded the Final Public Report for which an effective date has been issued by the Real Estate Commission; **AND**
  - 2) Any other public report issued by the developer prior to the date of delivery, if the report was not previously delivered to the buyer and if the report has not been superseded;
- B) The buyer is given an opportunity to read the report(s); **AND**
- C) One of the following has occurred:
  - 1) The buyer has signed a receipt for the report(s) and waived the right to cancel; or
  - 2) Thirty (30) days have passed from the time the report(s) were delivered to the buyer; or
  - 3) The apartment is conveyed to the buyer within 30 days from the date the report(s) were delivered to the buyer.

**Material Change:** Binding contracts with the Developer may be rescinded by the buyer if:

- A) There is a material change in the project which directly, substantially, and adversely affects (1) the use or value of the buyer's apartment or its limited common elements; or (2) the amenities available for buyer's use; **AND**
- B) The buyer has not waived the right to rescind.

If the buyer rescinds a binding sales contract because there has been a material change, the buyer is entitled to a full and prompt refund of any moneys the buyer paid.

2. Rights Under the Sales Contract: Before signing the sales contract, prospective buyers should ask to see and carefully review all documents relating to the project. If these documents are not in final form, the buyer should ask to see the most recent draft. These include but are not limited to the:

  - B) Declaration of Condominium Property Regime, as amended.
  - C) Bylaws of the Association of Apartment Owners, as amended.

C. **Additional Information Not Covered Above**

1. **Subdivision and Withdrawal.** The Original Developer has exercised its right to withdraw the Cultural Preserve Land Area, Restaurant Land Area and the Highway Dedication Land Area (collectively, the "Withdrawn Parcels") from the Project. The Original Developer has the reserved right in the Declaration to reconvey, in its sole discretion, all or any portion of the Withdrawn Parcels to the Association or to another third party or governmental agency. If all or any portion of the Withdrawn Parcels is reconveyed to the Association, that portion so reconveyed will likely become a common element of the Project, and consequently, the responsibility for the care and maintenance of such portion would be transferred to the Association and the cost of such care and maintenance would be borne and shared by all Apartment Owners of the Project in proportion to each owner's common interest.

Further, it is likely that, at some point, there will be construction on some or all of the Withdrawn Parcels, which may result in noise, dust and other such nuisances related to construction activity.

2. **Commercial Apartments.** The Association now holds title to the Spa Commercial Apartment, as depicted on the Condominium Map. The Developer owns seven (7) of the Commercial Apartments in the Project, including Commercial Apartments 1 through 5 ("C-1" through "C-5" on the Condominium Map), the Snack Bar Commercial Apartment, and the Pool Bar Commercial Apartment, as further depicted in the Condominium Map. The porte cochere and lobby area (among other areas) are limited common elements appurtenant to Commercial Apartment C-4; however, apartment owners have non-exclusive easements through such areas as necessary for ingress to and egress from such apartments and their appurtenant limited common elements. To the extent such easement is not necessary for apartment owners to access their apartments and appurtenant limited common elements, use of the easement may be subject to a reasonable charge imposed by the owner of Commercial Apartment C-4. The Developer may, at its sole discretion (a) operate the Commercial Apartments it owns to provide services to Owners in the Project, their invitees, guests and tenants for revenue generating purposes and retain any compensation paid to the owner by any vendors operating services in such area; (b) convey the Commercial Apartments to the Association or another third party pursuant to its right to do so in accordance with the Declaration; or (c) lease out the Commercial Apartments. The Developer may assign the rights to successor owners.

Patrons of the Commercial Apartments, as the Owner's invitees, guest and tenants have an easement to access and utilize the Common Elements, including the pools and pool decks and any accompanying services provided thereon.

Commercial Apartment 5 ("C-5") together with all of the Limited Common Elements appurtenant thereto, including the lobby desk, has been leased to Outrigger Hotels Hawaii. Likewise, the Developer has (or currently intends to) lease the other Commercial Apartments that it owns.

3. **Public Access/Easements.** Access, utility, drain, electrical, detector loop and landscape easements affecting the land of the Project have been designated and/or granted. Without limitation, Lots 1-C (commonly known as the Restaurant Land Area) and Lot 1-D (commonly known as the Cultural Preserve Land Area) have access through the Project. Additionally, the Project abuts the beach and public shoreline and cultural access parking is provided on an adjoining Lot 1-C, with access to such beach and parking through the Project. Apartment Owners are aware that the public's exercise of its access rights to the beach, cultural area and parking may produce some noise and nuisance.

The public will also be allowed through the Project to access and patronize the Commercial Apartments on the Project.

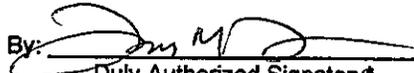

4. **Special Management Area Permit.** The project is located within a Special Management Area under Hawaii Revised Statutes, Chapter 205A, Part II, which generally provides that certain types of development may require application and issuance of a Special Management Area use permit. The County of Kauai issued such permit (SMA(U)-2003-1) for construction of the Project. Such permit will be available for review upon request.
5. **Department of Transportation Encroachment.** There is a Department of Transportation ("DOT") easement abutting Uhelekawawa Stream a lot located on the South side of the Project for maintenance of the stream. The easement may encroach onto the Project and the DOT's use of such easement may produce some noise and nuisance at the Project.
6. **Suit Filed by Association.** The Association filed suit against the Original Developer in February 2009 to preserve the Association's rights under the statute of limitations for construction defects. According to the Association, the primary issues are: (1) EFS failure at the soffits, (2) lanai sliding glass door handles, (3) screen door rollers, and (4) ADA required signage. Pending suits of this nature may impact the ability to obtain financing secured by an Apartment. Periodic updates on the litigation may be found in the "Letters from the President" on the Association website, [https://new.certifiedhawaii.com/certifiednetwork/page\\_custom.jsp?property=waipouli](https://new.certifiedhawaii.com/certifiednetwork/page_custom.jsp?property=waipouli)

7. One Project. The Developer hereby discloses that although separate Supplementary Public Reports are issued for each phase of the Project, all 204 apartments still legally comprise a single condominium project. In other words, the act of separating the various apartments into different marketing and sales phases does not create separate and distinct condominium projects, but only creates separate "projects" for marketing and public report purposes. Construction is completed on all phases. Accordingly, the common elements described in Exhibit "D" attached serve each of the 204 apartments..
8. Common Element Parking Stalls. Parking stalls are Common Elements. Each Apartment will have the right to utilize one (1) unassigned parking stall. The Managing Agent will be responsible for the management and administration of the parking stalls and the maintenance for such stalls.
9. Leases. The Original Developer, on behalf of the Association entered into certain leases with various vendors for maintenance and refuse collection, use and maintenance of a PBX phone system, pool furniture, and lobby furniture. The lease fees are incorporated into the project budget. The condominium managing agent has available copies of such leases, to the extent still applicable, in its office for review by owners.

- D. The developer declares subject to the penalties set forth in section 514A-49(b) that this project is in compliance with all county zoning and building ordinances and codes, and all other county permitting requirements applicable to the project, pursuant to Act 251 (SLH 2000) [Section 514A-1.6] (The developer is required to make this declaration for issuance of an effective date for a final public report.)
- E. The developer hereby certifies that all the information contained in this Report and the Exhibits attached to this Report and all documents to be furnished by the developer to buyers concerning the project have been reviewed by the developer and are, to the best of the developer's knowledge, information and belief, true, correct and complete.

**B. RESERVED RIGHT TO ALTER, SUBDIVIDE AND CONSOLIDATE APARTMENTS.** Developer does hereby reserve the right unto itself, its successors and assigns, to and until December 31, 2023, as provided in Article XIX of the Declaration, without obtaining the approval of any party with an interest in the Project, including any other owner and/or mortgagee, to alter the floor plan of any apartment which it owns at any time provided that the common interest appurtenant to the apartment shall not change; cause the subdivision of any apartment which it owns at any time to create two (2) or more apartments provided that the total common interest appurtenant to the newly-created apartments shall equal the common interest appurtenant to the original apartment; and convert certain portions of any existing apartment to common element status to facilitate any subdivision, provided that the total common interest appurtenant to the newly-created apartments shall equal the common interest appurtenant to the original apartment. The Developer shall further have the right to convert that area between apartments to an apartment for so long as such apartments shall remain consolidated or shall continue to be commonly used or owned.

Developer does hereby further reserve unto itself the right to amend the Declaration and Condominium Map to effect any subdivision or consolidation of apartments and/or alteration to the floor plans of any apartments which Developer owns at any time or times prior to December 31, 2023, as provided in Article XIX of the Declaration, and Developer may, without being required to obtain the consent or joinder of any apartment owner, lienholder or other persons, execute and file amendments to the Declaration and Condominium Map and any and all other instruments necessary or appropriate for the purpose of carrying out the provisions or exercising the rights, powers or privileges herein reserved to Developer.

RESERVED RIGHT TO MODIFY PROJECT TO COMPLY WITH LAW.** Developer does hereby further reserve the right unto itself, to and until December 31, 2023, to effect such modifications to apartments and common elements in the Project and/or to execute, file and deliver any amendments to the Declaration, the Condominium Map, the Bylaws and/or House Rules, as may be necessary or required by

Developer, in its sole discretion, to effect compliance by the Project, the Association or by the Developer, with laws which apply to the Project, including, without limitation, the Fair Housing Act, as amended, 42 U.S.C. §§3601 et seq. (“FHA”) and the Americans with Disabilities Act, as amended, § 2 U.S.C. §§ 12101 et seq., including any and all rules and regulations promulgated thereunder (“ADA”). The right to effect modifications to apartments and common elements in the Project as provided in this paragraph shall be exercised in accordance with Article XX of the Declaration.

**D. RESERVED RIGHT TO CONVERT LIMITED COMMON ELEMENTS TO APARTMENTS.** Developer does hereby further reserve the right to and unto itself, to and until December 31, 2023, to convert the limited common elements appurtenant to an apartment or apartments owned by the Developer, or any portion thereof, into a separate apartment of the Project without obtaining the approval of any party with an interest in the Project, including any other Owner and/or mortgagee. Such right shall also be accompanied by the right of the Developer or designate certain common elements or limited common elements of the Project as limited common elements appurtenant to the newly-created apartment; provided that there is no material adverse affect on the remainder of the Project and by the right to execute, file and deliver any amendments to the Declaration and to the Condominium Map, as may be required to effect the same. Said reserved right shall be exercised in accordance with Article XXI of the Declaration.

**E. RESERVED RIGHT TO RECHARACTERIZE AND REDESIGNATE LIMITED COMMON ELEMENTS.** Developer does hereby further reserve the right unto itself, to and until December 31, 2023, to amend the Declaration to redesignate and recharacterize all or a portion of certain limited common elements as may be appurtenant to certain apartments owned by Developer, to another Apartment or Apartments owned by the Developer, and to execute, file and deliver any amendments to the Declaration and to the Condominium Map, as may be required to effect the same. **F. RESERVED RIGHT TO UTILIZE COMMERCIAL APARTMENTS AND LIMITED COMMON ELEMENTS APPURTENANT THERETO.** The owner of the Commercial Apartments shall have the reserved right, but shall have no obligation, to operate, convey, sell, lease and/or utilize all or any part of the limited common elements that are appurtenant to such apartment, for any purpose permitted by law, including, without limitation, providing services and amenities conducive to a first-class resort destination and to contract with various providers of goods and services to provide such goods and services to the Project, and may retain any compensation paid to the Developer in consideration of the Developer permitting any such vendor to utilize space in the Project. **PERMITTED ALTERATIONS TO APARTMENTS**

Capitalized terms have the same meaning ascribed to such terms in the Declaration.

**A. <sup>1</sup> The letter in each Resort Apartment and Hotel Apartment Number indicates the building in which such Apartment is located (i.e. Buildings A, B, C, D, E, F, G and H). The first number in each Resort Apartment and Hotel Apartment Number indicates the floor on which such Apartment is located. All Apartments described in this Exhibit are Resort Apartments, except for Apartments E101, E102, E201, E202, E302 and E402 which are all Hotel Apartments and which are all identified as such with an "\*" after the Apartment Number, and except for Apartments C-1, C-2, C-3, C-4, C-5, Snack Bar, Pool Bar, and Spa which are all Commercial Apartments and which are all identified as such with an "\*\*\*" after the Apartment Number. The Commercial Apartments are depicted on the Condominium Map.

<sup>2</sup> The approximate net square footage of each Resort Apartment and Hotel Apartment in the Project was determined by measuring the area between the interior surface of the perimeter walls of each Apartment.

<sup>3</sup> Each Resort Apartment and Hotel Apartment has adjacent to it lanai area(s) in approximately the aggregate size described in this Exhibit. The lanais are limited common elements appurtenant to the Resort Apartment or Hotel Apartment to which they abut. Specifics on use and control of the lanais are set forth in the Declaration, Bylaws, House Rules, and other Project documents.

<sup>4</sup> The percentage common interest attributable to each Apartment was calculated by dividing the net living square footage of each such Apartment by the total net living square footage of all Resort, Hotel and Commercial Apartments within the Project, rounding the quotient to the nearest 8th decimal place, and multiplying the result by 100. In order to permit the common interest for all Apartments to equal exactly hundred percent (100%), the common interest attributable to C-1 was decreased by 0.000031%.

**SUMMARY OF PURCHASE AGREEMENT**

The specimen Waipouli Beach Resort A Fee Simple Condominium Project Purchase Agreement ("Agreement") contains, among other things, the following terms and conditions (which may be modified or otherwise limited by provisions which are not summarized hereinbelow):

A. The Seller (Developer) has engaged Title Guaranty Escrow Services, Inc. ("Escrow") to handle Purchaser's funds and to close the transaction in accordance with the terms of the Agreement. All payments to be made under the Agreement shall be paid by Purchaser to Escrow pursuant to the Escrow Agreement.

B. The Purchaser specifically acknowledges and agrees that the Declaration contains reservations of certain rights in favor of the Original Developer, some of which have been assigned to Seller.

C. Closing shall occur on a date as agreed by Seller and Purchaser. On the Closing Date, Seller and Purchaser shall be required to perform their respective obligations to purchase and sell the Apartment under the Agreement. Purchaser's failure to make payments and perform Purchaser's obligations shall result in a default under the Agreement. In the event of failure of Purchaser to actually close on the Closing Date scheduled by Seller, and in the event Seller waives its right to claim a default as provided in Section D.7 and/or in Section C.1.d. of the Agreement, Purchaser agrees to pay, in addition to all other amounts due, a late charge of eight percent (8%) per annum, based on the amount of the total Purchase Price, prorated on a daily basis, to accrue commencing on the Closing Date and continuing until all payments required under the Agreement, together with such late charges, are paid. Seller's failure to exercise any right or remedy under the Agreement shall not constitute a waiver of any of such defaults or of any of such rights, including, without limitation, the right to cancel the Agreement, and will not constitute a modification of the Agreement. Escrow shall not file Purchaser's Apartment Deed until Escrow has received a certificate from a title company authorized to do business in the State of Hawaii stating that, upon filing of such Apartment Deed, the Apartment is free and clear of all liens, encumbrances and assessments whatsoever other than those permitted by law and the Agreement. Real property taxes, maintenance fees, and other prorations shall be made, and risk of loss shall transfer from Seller to Purchaser on the Closing Date.

D. If so indicated in Section B.9 of the Agreement, the Apartment is subject to an existing rental agreement with Outrigger Hotels Hawaii ("Outrigger") that will be canceled as of Closing, subject to all confirmed reservations made by Outrigger on or before the date that Outrigger receives notice that the Agreement has been accepted ("Notice Date"), so long as such reservations are for dates no more than 180 days following the Notice Date and provided Outrigger cannot, with reasonable effort, transfer such confirmed reservations to another unit.

E. Purchaser will pay all closing costs associated with the purchase and sale, including without limitation: escrow fees, cost of a preliminary title report, cost of preparation of the Apartment Deed, real property tax prorations and other customary prorations, all acknowledgment fees, conveyance taxes, title insurance, if requested by Purchaser, cost of any lender's title insurance, appraisal fees, costs for drafting of any notes and mortgages, all filing costs or fees, loan fees, credit report costs and all other applicable mortgage costs. Purchaser shall also pay a start-up fee equal to two (2) months of the estimated maintenance fee and two (2) months of estimated reserves. All such additional sums are due and payable to escrow in cash or by cashier's check during the preclosing period, which is the 30-day period prior to the scheduled Closing Date, along with the balance of the Purchase Price.

F. If Purchaser, after the delivery by Seller of a copy of the Contingent Final Public Report, Final Public Report and/or any Supplementary Public Report for the Project, either personally or by registered or certified mail with return receipt requested, shall fail to execute and return to Seller the receipt and notice ("Receipt and Notice Form") advising Purchaser of Purchaser's right to cancel the Agreement,

the delivery of which is required by Hawaii Revised Statutes Section 514A-62, as amended, within thirty (30) days of Purchaser's receipt of the Receipt and Notice Form, Seller may, at its option: (i) cancel the Agreement upon ten (10) days' written notice to Purchaser of such cancellation, and, upon such cancellation, Seller shall cause Escrow to refund to Purchaser all payments previously made by Purchaser without interest; or (ii) elect (by reason of Purchaser's failure to give said written notice of cancellation) to treat such failure as a deemed receipt ("Deemed Receipt") for such Public Report(s), and as a waiver by Purchaser of Purchaser's right to cancel the Agreement. The conveyance of the Apartment to the Purchaser within the 30-day period referenced above shall also be treated as a Deemed Receipt for the Public Report(s) and as a waiver by Purchaser of Purchaser's right to cancel the Agreement.

G. Seller and Purchaser may agree to a financing contingency pursuant to terms set forth in Section C.1.d of the Agreement. Upon any termination in accordance with the Agreement, Seller shall cause Escrow to refund to Purchaser the amounts already paid, less the cost of any credit report, escrow cancellation fees, if any, and other costs actually incurred by Seller or lending institution in processing the loan application. Notwithstanding the foregoing, if Seller ascertains that Purchaser has failed to qualify for the mortgage loan or has failed to satisfy the conditions contained in a loan commitment due to the failure to use Purchaser's best efforts to obtain a mortgage loan in good faith or to do or perform all acts necessary to obtain such loan, then such failure shall constitute a default by Purchaser. **If Purchaser fails to cancel this Agreement within the time frames set forth in Section C.1.d, then Purchaser shall be deemed to have waived the financing contingency and shall thereafter be obligated to complete the purchase regardless of whether Purchaser obtains financing, and if Purchaser does not thereafter timely close the purchase in accordance with the Agreement, Purchaser will be in default.** Alternately, Seller and Purchaser may agree in Section C.1.d of the Agreement that the purchase and sale of the Apartment under the Agreement is not subject to Purchaser obtaining a loan to fund any part or all of the Purchase Price. Under this alternative, **Purchaser understands that Purchaser is responsible to pay the full amount of the Purchase Price and all other amounts due by the terms of the Agreement when due whether or not purchaser obtains a loan.**

H. Purchaser agrees that it will not assign the Agreement, or sell the Apartment, or advertise the Apartment for sale prior to closing under the Agreement, and any assignment or sale attempted by purchaser prior to closing without Seller's prior written consent is void. Notwithstanding the foregoing, Purchaser may with the prior approval of Seller, assign the Agreement for estate planning purposes; provided that upon any such assignment, Purchaser shall remain liable under the Agreement, and shall be responsible to perform all of the obligations of the "Purchaser" under the Agreement.

I. Seller acquired its title to the Apartment in December 2009, more than three years after completion of construction of the Project. For that reason, the Apartment (including but not limited to the roof, walls, foundations, soils, plumbing, electrical and mechanical systems, etc.) and including the undivided interest in the common elements and the limited common elements are being sold to Purchaser in their **Existing "AS IS" Condition, WITHOUT WARRANTY OR REPRESENTATION, EXPRESSED OR IMPLIED.** Without limitation, all warranties, express or implied, with respect to any Apartment, the Project, any consumer products or anything else installed in any Apartment or in the Project, including, but not limited to, any express or implied warranty of habitability, or merchantability, workmanlike construction or fitness for any particular purpose are, to the fullest extent permitted by law, disclaimed by Seller and waived by Purchaser. **Purchaser is strongly advised to have a professional home inspection to ascertain the exact condition of the Apartment and to make reasonable inquiry regarding individual concerns before Purchaser's right to cancel this Agreement expires or is waived by Purchaser.**

J. Purchaser shall not be entitled to possession of the Apartment until Purchaser has completed all required payments, has executed all documents relating to the purchase, and has performed the remaining terms and conditions of the Agreement which are to be performed as of the Closing.

K. Notices to either party may be delivered personally or mailed by certified mail, or express mail, return receipt requested.

L. Purchaser declares Purchaser is purchasing the Apartment based on Purchaser's own examination and judgment and not through any representations made to Purchaser by Seller or its agents as to its location, value, future value, income therefrom. Purchaser acknowledges that Seller, its officers, employees, agents or real estate brokers or real estate sales persons have made no representations regarding the possibility or probability of rental or other income from the purchase and ownership of an apartment in the Project or other economic benefit to be derived from the rental of the Apartment, including but not limited to, any representations to the effect that Seller or the managing agent of the Project or any other third party will provide services relating to the rental or sale of the Apartment nor representations as to the possible advantages from the rental of the Apartment under Federal and/or State tax laws. If Purchaser wishes to rent the Apartment to a third person(s), Purchaser shall be responsible for making its own arrangements for such rental. Neither Seller nor its agent makes any representation regarding either economic benefits to be derived from rentals or tax treatment of any Purchaser of an Apartment. The tax treatment and economic benefits may vary with individual circumstances, and Seller and its agents recommend that Purchaser consult Purchaser's own attorney, accountant or other tax counsel for advice regarding tax treatment. Purchaser further agrees and acknowledges that Purchaser has not been induced nor solicited by the Seller or its agents to purchase a Apartment or Apartments at the Project as a security as defined under Federal or State securities laws and regulations. The terms of this Section shall survive the Closing and occupancy of the Apartment by Purchaser.

M. The laws of the State of Hawaii shall govern all matters with respect to the Agreement.

N. Purchaser will examine the monthly maintenance charges for the Apartment as shown in the Supplemental Public Report. Purchaser is aware that such amounts are based on a budget established by the Board of Directors of the Association and may change for reasons beyond the control of Seller, and Purchaser hereby specifically accepts and approves any such changes. Purchaser has also been advised and understands that the Seller is questioning the appropriateness of the special assessment to Commercial Apartment C-5, as reflected in the budget established by the Board of Directors. **PURCHASER AGREES THAT SELLER IS NOT PROVIDING ANY REPRESENTATION OR WARRANTY WITH RESPECT TO THE BUDGET OR FEES ESTABLISHED BY THE BOARD OF DIRECTORS, INCLUDING BUT NOT LIMITED TO ANY REPRESENTATION OR WARRANTY AS TO THE ACCURACY OF SUCH BUDGET.**

O. Purchaser understands that the Association and/or the Board of Director of the Association may vote or elect to make modifications to the Condominium Documents as provided by law and/or the Condominium Documents. Without limitation, Purchaser understands that, pursuant to an existing amendment of the Declaration, the Board of Directors is in the process of restating (or has restated) the Bylaws to incorporate prior amendments and to conform to Chapter 514B, Hawaii Revised Statutes. Purchaser hereby approves any and all such modifications and restatements,

### SUMMARY OF THE CONDOMINIUM ESCROW AGREEMENT

The Condominium Escrow Agreement dated as of April 13, 2010 made by and between Title Guaranty Escrow Services, Inc. ("Escrow Agent") and SFI Waipouli LLC ("Developer") (the "Escrow Agreement"). 1. Sales Contracts Deposited in Escrow. Whenever Developer enters into a sales contract with a purchaser for the sale of a unit in the Waipouli Beach Resort condominium project (the "Project") or any amendment to any such sales contract, Developer shall deliver an executed copy of the sales contract or amendment, as the case may be, to Escrow Agent. The sales contract shall require that all payments made thereunder be made directly to Escrow Agent to be held and disbursed in accordance with the Escrow Agreement.

2. Receipt of Funds by Escrow Agent. Escrow Agent shall receive and hold in escrow and disburse in accordance with the Escrow Agreement (a) all payments received by Escrow Agent under sales contracts made by Developer for units in the Project; (b) all sums received by Escrow Agent from or for the account of Developer; (c) all funds from any lending institution pursuant to a mortgage loan for the purchase of any unit by individual purchasers; and (d) all sums received by Escrow from any other source on account of the Project. Within a reasonable time after receiving any such funds, Escrow Agent shall deposit the same in an interest-bearing account or accounts at a federally insured bank, savings and loan association, financial services loan company or credit union authorized to do business in the State of Hawaii. Any interest earned on such deposits shall accrue as specified in the sales contract. If the sales contract does not specify to whom interest is to accrue, any interest earned on funds deposited in escrow under the Escrow Agreement shall accrue to the credit of the purchaser.

3. Conditions to be Met Prior to Disbursement. With the exception of refunds issued in accordance with the Escrow Agreement, Escrow Agent shall make no disbursement of funds deposited with it unless: (a) Developer shall have delivered to the purchaser a true copy of the Developer's Public Report(s) with effective date(s) issued by the Real Estate Commission; (b) Developer shall have delivered to the purchaser notice of the purchaser's thirty-day right of cancellation and the purchaser shall have waived the right to cancel or shall be deemed to have waived the right to cancel in accordance with HRS §514A-62(a)(3); (c) Developer shall have affirmed to Escrow Agent that there has been no material change in the Project after the sales contract became binding, or in the event of a material change in the Project after the sales contract becomes binding, Developer shall have affirmed that Developer has delivered to the purchaser a description of the material change as required by HRS §514A-63(b); and (d) Developer shall have given Escrow Agent a written waiver of any reserved option to cancel the sales contract.

4. Return of Funds and Documents. Escrow Agent shall return to a purchaser deposited sums less Escrow Agent's cancellation fee and other costs up to a maximum of \$250.00 (except in the case described in clause (d) hereinbelow), if:

(a) Developer and such purchaser instruct Escrow Agent in writing to return such funds to such purchaser; or

(b) Purchaser notifies Escrow Agent of the purchaser's exercise its right to cancel the sales contract entered into by such purchaser pursuant to HRS §514A-62; or

(c) Developer notifies Escrow Agent of Developer's exercise of the option to cancel or rescind the sales contract entered into by such purchaser pursuant to any right of cancellation or rescission provided for therein or otherwise available to Developer; or

(d) Purchaser notifies Escrow Agent of the purchaser's exercise of its right to rescind the sales contract entered into by such purchaser pursuant to HRS Section 514A-63.

5. Unclaimed Funds. Escrow Agent shall notify each purchaser entitled to a return of funds by registered, certified or regular mail. If any purchaser does not claim the refund within sixty (60) days, Escrow Agent shall deposit the funds with a bank or depository selected by Escrow Agent in the name of Developer as trustee for the purchaser. After notifying the purchaser of such deposit, Escrow Agent shall have no further obligation or liability with respect to such funds and purchaser.

6. Closing. Except for the sales contract and any note and mortgage, Escrow Agent shall arrange for and supervise the execution, recording, and delivery of all documents, as necessary, related to the Project.

7. Defects in Documents. Within five (5) business days of the date of closing, Escrow Agent shall record all documents necessary to effect the transfer of legal title to the purchaser, provided said documents are not defective in any way. If any documents are defective, Escrow Agent shall notify Developer thereof and correct such defects if they are within Escrow Agent's capacity as an escrow depository to correct. If, for any cause beyond Escrow Agent's control, the necessary documents cannot be recorded within said five (5) day period after closing, Escrow Agent shall record the same within five (5) days after learning that the reason that prevented their recording no longer exists.

8. Purchaser's Default. If a purchaser fails to make any payment to Escrow Agent when due or if a purchaser fails to perform in a matter that is being handled by Escrow Agent, Escrow Agent shall notify Developer of such failure on the part of the purchaser. If Developer certifies to Escrow Agent in writing that Developer has terminated the sales contract in accordance with the terms thereof, then Escrow Agent shall thereafter treat all funds of the purchaser paid on account of such sales contract as funds of Developer. Upon the written request of Developer, Escrow Agent shall pay such funds to Developer, less any cancellation fee. Thereafter, provided that upon written request from the party from whom documents were received, Escrow Agent returns the documents to the requesting party, Escrow Agent shall have no further obligation or liability with respect to such funds or purchaser.

9. Protection of Escrow Agent. Escrow Agent shall have no liability for acting in accordance with the terms of the Escrow Agreement, notwithstanding a notice to the contrary from Developer, any purchaser, or any third person. Escrow Agent shall not be responsible for the validity or sufficiency of any documents received by it, shall be entitled to assume that said documents have been properly executed and that any written certification or instrument from Developer is true and accurate. In the event of any dispute, difference, or conflicting demand upon Escrow Agent, Escrow Agent shall not be required to determine the same or take any action in the premises, but may await settlement of the controversy by appropriate legal proceedings or otherwise, including the resolution of an interpleader action initiated by Escrow Agent. Developer and each purchaser shall pay to Escrow Agent on demand, and indemnify and hold harmless Escrow Agent against, all costs and damages arising out of the Escrow Agreement, except for any act or omission of Escrow Agent that is not generally accepted as a reasonable business practice. Escrow Agent shall not be required to mail any notice or keep any records required under H.R.S. Chapter 514A.

10. Termination. The Escrow Agreement may be terminated by either party on fifteen (15) days' written notice to the other party.

11. Statutory Provisions Control. In the event of any conflict between the Escrow Agreement and H.R.S. Chapter 514A, the statutory provisions shall control.

12. Compensation. For each sale of a Unit closed by Escrow Agent, Escrow Agent shall be paid an escrow fee. The escrow fee shall be 50% of Escrow Agent's scheduled rate, plus the applicable Hawaii general excise tax thereon for the Unit. The premium for the standard owner's title insurance policy and ALTA lender's title insurance policy issued with respect to each Unit shall be 50% of Title Guaranty of Hawaii, Inc.'s scheduled rate for the Unit. An additional fee of \$250.00 shall be charged to the purchaser for each mortgage loan obtained by the purchaser from a lender not designated by Developer. Should the purchaser obtain a mortgage loan from any out-of-state lender, a fee of \$500.00 shall be charged to the purchaser for such mortgage. Escrow Agent shall be entitled to charge an additional amount if an escrow involves a 1031 Exchange and for any changes to any

closing statement or other document previously approved by Developer that are necessary after the commencement of preclosing or closing proceedings, unless said changes are necessary due to the fault of Escrow Agent.

The compensation to Escrow Agent with respect to the closing of the sale of any unit shall be due and payable upon the earlier of: (i) transfer to a purchaser of legal title to such unit; and (ii) final disbursement of the purchase price of such unit and other sums held by Escrow Agent with respect hereto.

\* \* \* \* \*

THE ABOVE SUMMARY IS NOT INTENDED TO BE A THOROUGH AND EXHAUSTIVE EXPLANATION OF ALL TERMS AND PROVISIONS CONTAINED IN THE ESCROW AGREEMENT. WHILE ONE CAN USE THIS SUMMARY AS A GENERAL SUMMARY OF THE ESCROW AGREEMENT, ONE MUST REFER TO THE ACTUAL ESCROW AGREEMENT TO DETERMINE THE RIGHTS AND OBLIGATIONS OF THE PARTIES. IF ANY CONFLICT OR DIFFERENCE EXISTS BETWEEN THIS SUMMARY AND THE ESCROW AGREEMENT, THE ESCROW AGREEMENT WILL CONTROL AND NOT THIS SUMMARY.

### ADDITIONAL DISCLOSURES IN PURCHASE AGREEMENT

The following are some items that should be considered by a purchaser or that a purchaser may have objections to, which are included in the Purchase Agreement. Purchaser should carefully consider each of the following items before submitting an offer to purchase the Apartment.

1. Airflow and Wind. Air flow in, around and through the building in which the Apartment is located, the Project, and the Apartment resulting in smoke (from tobacco or other smoking substances), barbeque odors, other cooking odors, perfumes, and other odors being transmitted to the Apartment or the Project and wind or wind-related noises or nuisances that may result therefrom.
2. Building Operations. Noises, odors, chemical odors or fumes from building operations, including janitorial, maid, elevator and mechanical equipment operations, and landscape maintenance, repair and replacement activity.
3. Neighbors. Neighbors, including adjacent apartment owners, their guests and invitees, whether existing below, above or on the side of the Apartment and their respective behaviors and idiosyncrasies, whether occurring in an apartment or the common areas of the Project.
4. Adjacent Properties. Nuisances arising from adjacent commercial properties, retail and/or resort and their respective operational issues, such as trash pickup, deliveries, guests, tenants, clients and invitees, and any construction work they may perform from time to time.
5. Traffic. Nuisances arising from traffic, including noise, dust, sounds (alarms, engines, screeching tires, etc.), and exhaust fumes. The Project is located across the street from a one-story shopping center. Purchasers should be aware that as such, there may times when there may be higher traffic near the entrance of the Project.
6. Natural Occurrences. Earthquakes, tsunamis, volcanic ash or haze, whales and other animals, insects, pestilence, drought, and other natural occurrences.
7. Salt Air. Purchaser should be aware that the Project is located on the oceanfront. As such, the salt air may cause premature rusting and/or corroding of fixtures and/or personal property located in the Project. Such exposure to salt, water and sand from the ocean may also increase the amount of maintenance required in future years.
8. Public Easements and Beach. Purchaser acknowledges that the Apartment is in a building abutting a public beach. As such, the building is exposed to salt, water and sand from the ocean, which may increase the amount and nature of maintenance required in future years. Although security systems exist within the Project, the beach area is not covered by such systems, and is subject to patrol by local law enforcement agencies, and not by the Seller, the Association or any private security service. Access to the beach from adjoining beach areas cannot be physically restricted by law. Based upon these factors, there can be no guarantee of security with respect to activities on the beach, and Seller has no control over noise emanating from the public's usage of the beach. Purchaser also acknowledges that there is, or will be, a paved pedestrian public access path located along the perimeter of the Project to provide for such beach access for the public, as required by law.
9. Subdivision and Withdrawal. The Original Developer of the Project has exercised the right it reserved in the Declaration to subdivide and withdraw the Cultural Preserve Land Area, the Restaurant Land Area and the Highway Dedication Land Area (as defined in the Declaration) from the Project. The Original Developer also reserved the right in the Declaration, in its sole

discretion, to convey the Cultural Preserve Land Area, the Restaurant Area and/or the Highway Dedication Land Area to the Association, the State of Hawaii or to a third party.

10. Condominium Living. All of the resort/hotel apartment buildings of the Project are multi-storied. As such, there are other apartments located adjacent to, above and/or below the Apartment. While the apartments are insulated, there is some possibility of sound transmission, smells, smoke, and other possible nuisances between apartments.
11. Construction Deflection. During the course of construction of the building, certain floors may have been subject to a small degree of “deflection” from construction and settling. Deflection is a condition whereby a floor is not perfectly flat. Deflection is typical in concrete construction. In this instance, such deflection, if not treated, might be noticeable to some people. Much of the practical effect of deflection can be mitigated through the use of floor coverings.
12. Restrictions on Use. The Project is subject to the Declaration of Condominium Property Regime of Waipouli Beach Resort, the Bylaws of the Association of Apartment Owners of Waipouli Beach Resort, and the House Rules, as amended (collectively the “Restrictions”). FOR INFORMATION REGARDING YOUR RIGHTS AND OBLIGATIONS REGARDING, AMONG OTHER THINGS, THE USE, DECORATION AND OWNERSHIP OF YOUR APARTMENT, YOU SHOULD READ THE RESTRICTIONS. There are also other restrictions that may apply. Please refer to the Public Report(s) for particulars.
13. Accuracy of Information. The information in this Agreement and in the documents for the Project was collected from sources deemed to be reliable. Seller has made every effort to obtain the most recent and accurate information; however, Seller cannot be responsible for changes brought about by third parties, including changes by the Association or its Board of Directors, neither of which is controlled by the Seller.
14. Insurance. It is the Purchaser’s responsibility to determine if any type of insurance is required for the Apartment, and it is the Association’s responsibility to determine if any type of insurance is required for the common elements of the Project. If any insurance is required, the Purchaser and/or the Association is responsible for obtaining same.
15. Dimensions. Purchaser is aware that dimensions and locations in the Apartment and the building and common areas are approximate only, and there may be minor adjustments to those dimensions and locations.
16. Potential Future Development. No representation or warranty is made by Seller or its representatives or agents regarding the presence or absence of any view or scene from any portion of the building in which the Apartment is located. Any such view or scene may be changed, blocked or interfered with. Among other things, the parcels subdivided and withdrawn by the Original Developer, including in particular the Restaurant Parcel, may be further developed.
17. Cultural Preserve Land Area. Purchaser acknowledges that there is a historical/cultural preserve located adjacent to the Project, which is to be maintained in accordance with the guidelines provided to the Original Developer from the State Historic Preservation Division, the Kauai Island Burial Counsel, and Kauai Historic Preservation Review Commission.
18. Stream Maintenance. The State of Hawaii Department of Transportation (“DOT”) currently has an easement over a lot on the south side of the Project to maintain Uhelekawawa Stream. Such easement, however, may encroach onto the Project. Purchasers acknowledge that the DOT’s use of the maintenance easement may cause possible noise and nuisance at the Project.

19. Reserved Rights. The Original Developer reserved certain rights under the Declaration, which the Purchaser should read carefully. Some of those reserved rights were assigned to Seller by way of Partial Assignment of Developer Rights recorded as Document No. 3925211.
20. Suit Filed by Association. The Association filed suit against the Original Developer in February 2009 to preserve the Association's rights under the statute of limitations for construction defects. According to the Association, the primary issues are: (1) EFS failure at the soffits, (2) lanai sliding glass door handles, (3) screen door rollers, and (4) ADA required signage. Pending suits of this nature may impact the ability to obtain financing secured by a Unit. Periodic updates on the litigation may be found in the "Letters from the President" on the Association website [https://new.certifiedhawaii.com/certifiednetwork/page\\_custom.jsp?property=waipouli](https://new.certifiedhawaii.com/certifiednetwork/page_custom.jsp?property=waipouli)
21. Easements. Access, utility, drain, electrical, detector loop and landscape easements affecting the land of the Project have been designated and/or granted. Without limitation, Lots 1-C (commonly known as the Restaurant Land Area) and Lot 1-D (commonly known as the Cultural Preserve Land Area) have access through the project. Additionally, the Project abuts the beach and public shoreline and cultural access parking is provided on an adjoining Lot 1-C, with access to such parking through the Project.
22. SMA/Tsunami. The project is in a special management area and within the tsunami zone.
23. Price. Purchaser acknowledges that the price of the Apartment has taken into account the disclosures contained herein.
24. Representations or Warranties. Purchaser acknowledges that no broker or salesperson has the authority to make any representation or warranty regarding the Apartment, the building or this transaction, other than as set forth in this Agreement. No other representations or warranties have been made, except as follows (if none, write "None"):
