**Disclosure Abstract:** Separate Disclosure Abstract on this condominium project:

Required and attached to this report As Exhibit "G"       Not required - Disclosures covered in this report.

**Summary of Changes from Earlier Public Reports:**

This summary contains a general description of the changes, if any, made by the developer since the last public report was issued. It is not necessarily all inclusive. Prospective buyers should compare this public report with the earlier reports if they wish to know the specific changes that have been made.

No prior reports have been issued by the developer.

Changes made are as follows:

**SPECIAL NOTICE:**

This is a CONDOMINIUM PROJECT, not a subdivision. THERE ARE COUNTY RESTRICTIONS ON THE NUMBER OF DWELLING UNITS, OR OTHER STRUCTURES, WHICH MAY BE BUILT UPON THE PROPERTY. THEREFORE, UNLESS THE PURCHASER IS PURCHASING THE UNIT WITH THE DWELLING, THERE IS NO ASSURANCE THAT THE PURCHASER WILL BE ABLE TO BUILD A DWELLING UNIT ON THE PROPERTY. THERE ALSO IS NO ASSURANCE THAT THE PURCHASER WILL BE ABLE TO CONVERT AN EXISTING NON-RESIDENTIAL STRUCTURE TO RESIDENTIAL USE. THE PURCHASER SHOULD CONSULT WITH THE APPROPRIATE COUNTY AGENCIES TO DETERMINE WHETHER THE PURCHASER MAY BUILD A DWELLING UNIT, OR ANY OTHER TYPE OF STRUCTURE, UPON THE PROPERTY.

1. There is presently a single story packing shed on Unit 3. The only buildings on Units 1, 2, 4 and 5 are shade structures, each of which may be defined as an "apartment" under the Condominium Property Act.
2. Issuance of an effective date for this Public Report does not constitute an approval of the project by the Real Estate Commission or other agency, nor does it imply that all County codes, ordinances or other requirements have been complied with.
3. This project does not involve the sale of subdivided lots. The land area beneath and adjacent to each unit, as shown on the Condominium Map, is designated as a limited common element for that unit and does not represent a legally subdivided lot. The dotted lines on the Condominium Map merely represent the location of the limited common element assigned to each unit.
4. Facilities and improvements normally associated with County approved subdivisions, such as improved access for owner and emergency traffic, drainage facilities, etc., may not necessarily be provided for and services such as County street maintenance and trash collection will not be available for interior driveways.

---

5. The land may be subject to rollback real property taxes. The failure of an owner to observe restrictions on the use of the land may cancel the County dedication and special real property tax assessment. Please refer to the Director of Finance, County of Kauai for further information.
6. This project is served by a private agricultural water system. No County of Kauai water is available to the Project.

THE PROSPECTIVE PURCHASER IS CAUTIONED TO CAREFULLY REVIEW THE CONDOMINIUM DOCUMENTS REFERENCED IN THIS PUBLIC REPORT FOR FURTHER INFORMATION WITH REGARD TO THE FOREGOING.

### General Information On Condominiums

A condominium is a special form of real property. To create a condominium in Hawaii, the requirements of the Condominium Property Act, Chapter 514A, Hawaii Revised Statutes, must be complied with. In addition, certain requirements and approvals of the County in which the project is located must be satisfied and obtained.

Some condominium projects are leasehold. This means that the land or the building(s) and other improvements are leased to the buyer. The lease for the land usually requires that at the end of the lease term, the lessees (apartment owners/tenants) deliver their interest in the land to the lessor (fee property owner). The lease also usually requires that the lessees either (1) convey to the lessor the building(s) and other improvements, including any improvements paid for by the lessees; or (2) remove or dispose of the improvements at the lessee's expense. Leases for individual apartments often require that at the end of the lease term, the lessee deliver to the lessor the apartment, including any improvements placed in the apartment by the lessee.

If you are a typical condominium apartment owner, you will have two kinds of ownership: (1) ownership in your individual apartment; and (2) an undivided interest in the common elements.

"Common Elements" are the areas of the condominium project other than the individual apartments. They are owned jointly by all apartment owners and include the land, either in fee simple or leasehold, and those parts of the building or buildings intended for common use such as foundations, columns, roofs, halls, elevators, and the like. Your undivided interest in the common elements cannot be separated from ownership of your apartment.

In some condominium projects, some common elements are reserved for the exclusive use of the owners of certain apartments. These common elements are called "limited common elements" and may include parking stalls, patios, lanais, trash chutes, and the like.

You will be entitled to exclusive ownership and possession of your apartment. Condominium apartments may be individually bought, sold, rented, mortgaged or encumbered, and may be disposed of by will, gift, or operation of law.

Your apartment will, however, be part of the group of apartments that comprise the condominium project. Study the project's Declaration, Bylaws, and House Rules. These documents contain important information on the use and occupancy of apartments and the common elements as well as the rules of conduct for owners, tenants, and guests.

### Operation of the Condominium Project

The Association of Apartment Owners is the entity through which apartment owners may take action with regard to the administration, management, and operation of the condominium project. Each apartment owner is automatically a member of the Association.

The Board of Directors is the governing body of the Association. Unless you serve as a board member or an officer, or are on a committee appointed by the board, your participation in the administration and operation of the condominium project will in most cases be limited to your right to vote as an apartment owner. The Board of Directors and officers can take certain actions without the vote of the owners. For example, the board may hire and fire employees, increase or decrease maintenance fees, borrow money for repair and improvements and set a budget. Some of these actions may significantly impact the apartment owners.

Until there is a sufficient number of purchasers of apartments to elect a majority of the Board of Directors, it is likely that the developer will effectively control the affairs of the Association. It is frequently necessary for the developer to do so during the early stages of development and the developer may reserve certain special rights to do so in the Declaration and Bylaws. Prospective buyers should understand that it is important to all apartment owners that the transition of control from the developer to the apartment owners be accomplished in an orderly manner and in a spirit of cooperation.

**II. CREATION OF THE CONDOMINIUM;  
CONDOMINIUM DOCUMENTS**

A condominium is created by recording in the Bureau of Conveyances and/or filing with the Land Court a Declaration of Condominium Property Regime, a Condominium Map (File Plan), and the Bylaws of the Association of Apartment Owners. The Condominium Property Act (Chapter 514A, HRS), the Declaration, Bylaws, and House Rules control the rights and obligations of the apartment owners with respect to the project and the common elements, to each other, and to their respective apartments. The provisions of these documents are intended to be, and in most cases are, enforceable in a court of law.

A. **Declaration of Condominium Property Regime** contains a description of the land, buildings, apartments, common elements, limited common elements, common interests, and other information relating to the condominium project.

The Declaration for this condominium is:

They provide for the manner in which the Board of Directors of the Association of Apartment Owners is elected, the powers and duties of the Board, the manner in which meetings will be conducted, whether pets are prohibited or allowed and other matters which affect how the condominium project will be governed.

The Bylaws for this condominium are:

The Bylaws referred to above have been amended by the following instruments [state name of document, date and recording/filing information]:

D. **House Rules.** The Board of Directors may adopt House Rules to govern the use and operation of the common elements and limited common elements. House Rules may cover matters such as parking regulations, hours of operation for common facilities such as recreation areas, use of lanais and requirements for keeping pets. These rules must be followed by owners, tenants, and guests. They do not need to be recorded or filed to be effective. The initial House Rules are usually adopted by the developer.

The House Rules for this condominium are:

Proposed                       Adopted                       Developer does not plan to adopt House Rules

E. **Changes to Condominium Documents.** Changes to the Declaration, Condominium Map, and Bylaws are effective only if they are duly adopted and recorded and/or filed. Changes to House Rules do not need to be recorded or filed to be effective.

**IMPORTANT INFORMATION ON LEASEHOLD CONDOMINIUM PROJECTS**

The information contained in this report is a summary of the terms of the lease. For more detailed information, you should secure a copy of the lease documents and read them thoroughly.

If you have any legal questions about leasehold property, the lease documents or the terms of the lease and the consequences of becoming a lessee, you should seek the advice of an attorney.

There are currently no statutory provisions for the mandatory conversion of leasehold condominiums and there are no assurances that such measures will be enacted in the future.

In leasehold condominium projects, the buyer of an apartment will acquire the right to occupy and use the apartment for the time stated in the lease agreement. The buyer will not acquire outright or absolute fee simple ownership of the land. The land is owned by the lessor or the leased fee owner. The apartment owner or lessee must make lease rent payments and comply with the terms of the lease or be subject to the lessor's enforcement actions. The lease rent payments are usually fixed at specific amounts for fixed periods of time, and are then subject to renegotiation. Renegotiation may be based on a formula, by arbitration set in the lease agreement, by law or by agreement between the lessor and lessee. The renegotiated lease rents may increase significantly. At the end of the lease, the apartment owners may have to surrender the apartments, the improvements and the land back to the lessor without any compensation (surrender clause).

When leasehold property is sold, title is normally conveyed by means of an assignment of lease, the purpose of which is similar to that of a deed. The legal and practical effect is different because the assignment conveys only the rights and obligations created by the lease, not the property itself.

The developer of this condominium project may have entered into a master ground lease with the fee simple owner of the land in order to develop the project. The developer may have then entered into a sublease or a new lease of the land with the lessee (apartment owner). The developer may lease the improvements to the apartment owner by way of an apartment lease or sublease, or sell the improvements to the apartment owners by way of a condominium conveyance or apartment deed.

	<u>Conforming</u>	<u>Non-Conforming</u>	<u>Illegal</u>
Uses	X		
Structures	X		
Lot	X		

If a variance has been granted or if uses, improvements or lot are either non-conforming or illegal, buyer should consult with county zoning authorities as to possible limitations which may apply.

Limitations may include restrictions on extending, enlarging, or continuing the non-conformity, and restrictions on altering and repairing structures. In some cases, a non-conforming structure that is destroyed or damaged cannot be reconstructed.

The buyer may not be able to obtain financing or insurance if the condominium project has a non-conforming or illegal use, structure, or lot.

D. Common Elements, Limited Common Elements, Common Interests:

1. Common Elements. Common Elements are those parts of the condominium project other than the individual apartments. Although the common elements are owned jointly by all apartment owners, those portions of the common elements which are designated as limited common elements (see paragraph 2 below) may be used only by those apartments to which they are assigned. The common elements for this project, as described in the Declaration, are:

described in Exhibit "C".

as follows:

---

2. Limited Common Elements: Limited Common Elements are those common elements which are reserved for the exclusive use of the owners of certain apartments.

There are no limited common elements in this project.

The common interests for the apartments in this project, as described in the Declaration, are:

described in Exhibit "C".

Exhibit "F" describes the encumbrances against the title contained in the title report dated January 15, 2004 and issued by Title Guaranty of Hawaii, Inc.

Developer represents there have been no title or encumbrance changes since said date.

---

**Blanket Liens:**

A blanket lien is an encumbrance (such as a mortgage) on the entire condominium project that secures some type of monetary debt (such as a loan) or other obligation. A blanket lien is usually released on an apartment-by-apartment basis upon payment of specified sums so that individual apartments can be conveyed to buyers free and clear of the lien.

There are no blanket liens affecting title to the individual apartments.

There are blanket liens which may affect title to the individual apartments.

Blanket liens (except for improvement district or utility assessments) must be released before the developer conveys the apartment to a buyer. The buyer's interest will be affected if the developer defaults and the lien is foreclosed prior to conveying the apartment to buyer.

<u>Type of Lien</u>	<u>Effect on Buyer's Interest and Deposit if Developer Defaults or Lien is Foreclosed Prior to Conveyance</u>
---------------------	---

F. **Construction Warranties:**

Initial Condominium Managing Agent: When the developer or the developer's affiliated is the initial condominium managing agent, the management contract must have a term of one year or less and the parties must be able to terminate the contract on notice of 60 days or less.

B. **Buyer's Right to Cancel Sales Contract:**

1. **Rights Under the Condominium Property Act (Chapter 514A, HRS):**

**Preliminary Report:** Sales made by the developer are not binding on the prospective buyer. Sales made by the developer may be binding on the developer unless the developer clearly states in the sales contract that sales are not binding. A prospective buyer who cancels the sales contract is entitled to a refund of all moneys paid, less any escrow cancellation fee up to \$250.00.

**Supplementary Report to a Preliminary Report:** Same as for Preliminary Report.

**Final Report or Supplementary Report to a Final Report:** Sales made by the developer are binding if:

- A) The developer delivers to the buyer a copy of:
  - 1) Either the Final Public Report **OR** the Supplementary Public Report which has superseded the Final Public Report for which an effective date has been issued by the Real Estate Commission; **AND**
  - 2) Any other public report issued by the developer prior to the date of delivery, if the report was not previously delivered to the buyer and if the report has not been superseded;
- B) The buyer is given an opportunity to read the report(s); **AND**
- C) One of the following has occurred:
  - 1) The buyer has signed a receipt for the report(s) and waived the right to cancel; or
  - 2) Thirty (30) days have passed from the time the report(s) were delivered to the buyer; or
  - 3) The apartment is conveyed to the buyer within 30 days from the date the report(s) were delivered to the buyer.

---

**Material Change:** Binding contracts with the Developer may be rescinded by the buyer if:

- A) There is a material change in the project which directly, substantially, and adversely affects (1) the use or value of the buyer's apartment or its limited common elements; or (2) the amenities available for buyer's use; **AND**
- B) The buyer has not waived the right to rescind.

If the buyer rescinds a binding sales contract because there has been a material change, the buyer is entitled to a full and prompt refund of any moneys the buyer paid.

2. Rights Under the Sales Contract: Before signing the sales contract, prospective buyers should ask to see and carefully review all the documents relating to the project. If these documents are not in final form, the buyer should ask to see the most recent draft. These include but are not limited to the:
- A) Condominium Public Reports issued by the developer which have been given an effective date by the Hawaii Real Estate Commission.
  - B) Declaration of Condominium Property Regime, as amended.
  - C) Bylaws of the Association of Apartment Owners, as amended.
  - D) House Rules, if any.
  - E) Condominium Map, as amended.
  - F) Escrow Agreement.
  - G) Hawaii's Condominium Property Act (Chapter 514A, HRS, as amended) and Hawaii Administrative Rules, (Chapter 16-107, adopted by the Real Estate Commission, as amended).
  - H) Other: See Exhibit "F"

Copies of the condominium and sales documents and amendments made by the developer are available for review through the developer or through the developer's sales agent, if any. C. **Additional Information Not Covered Above:**

This is a condominium project, not a subdivision. Units purchased are not subdivided lots. To determine whether your expectations can be realized you should carefully review the contents of this Report. You should also conduct your own investigations and ascertain the validity of information provided.

As to all units it is anticipated that the initial improvements on each unit will be replaced by or supplemented with a farm dwelling. The prospective purchaser shall have the right to build such farm dwelling at purchaser's expense. The purchaser shall also, in such event, file the "as-built" certificate within thirty days of completion of the farm dwelling in conformance with Section 514A-12, Hawaii Revised Statutes, and record an amendment of the Declaration of Condominium Property Regime ("Declaration") to describe the farm dwelling. The County of Kauai Planning Department requires in order to process the necessary permits for the construction of a farm dwelling, authorization from at least 75% of the legal and equitable ownership of the entire project, consistent with the Declaration and the Bylaws ("condominium documents"). Except as limited specifically by the condominium documents and house rules, all uses permitted in the agricultural zone are permitted.

A purchaser should understand that all development and use of the property shall be in compliance with County codes and ordinances, that owners in this condominium project will not necessarily receive the same County benefits as owners of approved subdivided lots, and that owners who develop their limited common element later than others may find that land use and zoning changes or insufficient utility capacities may thwart their expectations.

This project is entitled to two farm dwellings and one guest house. Which units shall have the right to construct the two farm dwellings and appurtenant guest house shall be designated by the Developer at a later date.

The land which has been submitted to the Condominium Property Regime has a State Land Classification of "Agricultural" and the provisions of Chapter 205, HRS, becomes applicable. Chapter 205, HRS, does not authorize residential dwellings as a permissible use in the Agricultural District unless the dwelling is related to an agricultural activity or is a "farm dwelling". All property buyers must comply with Chapter 205, HRS.

The term "farm dwelling" is defined in Chapter 205-4.5(a)(4), HRS, as a "single family dwelling located on and used in connection with a farm, including clusters of single-family farm dwellings permitted within agricultural parks developed by the State or where agricultural activity provides income to the family occupying the dwelling."

The penalty for violation of Chapter 205-4.5, HRS, is a fine of not more than \$5,000. If any person who is cited for a violation of the law fails to remove the violation within six months of such citation and the violation continues, such person is subject to a citation for a new and separate violation. There shall be a fine of not more than \$5,000 for any additional violation.

In order for any purchaser to obtain a building permit to construct a single family residential (farm dwelling), the County of Kauai will require the purchaser to sign a Farm Dwelling Agreement in the form attached hereto as Exhibit "J".

---

**County Restrictions**

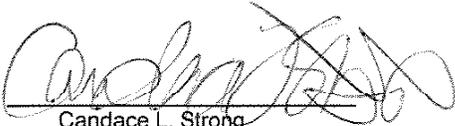

Purchasers should be aware that there is no public sewer system and no public water. The Project must comply with the requirements of Chapter 11-62, HAR, "Wastewater Systems". Purchasers of each apartment or unit would bear the cost of designing and installing the wastewater system as part of their construction costs. The County of Kauai may allow the first apartment/unit applying for such a permit to use a cesspool; the second would require a septic system. Any prospective purchaser should verify requirements with the County of Kauai and seek design and installation estimates prior to proceeding with the wastewater system. Each owner must be concerned about obtaining their own potable water or treating agricultural water to make it suitable for domestic use.

Mail boxes and mail delivery services are not provided for this condominium project. Post office boxes must be obtained for mail delivery. Owners are responsible for the cost of their post office boxes.

**Agricultural Taxes:** Some or all of the land in the Project enjoys Agricultural tax rates. This status may be lost upon sale change of use or implementation of new rules by the County of Kauai. In such case "rollback" or penalty taxes may be assessed against units in the Project.

- D. The developer declares subject to the penalties set forth in Section 514A-49(b) that this project is in compliance with all county zoning and building ordinances and codes, and all other county permitting requirements applicable to the project, pursuant to Act 251 (SLH 2000) [Section 514A-1.6] (The developer is required to make this declaration for issuance of an effective date for a final public report.)
- E. The developer hereby certifies that all the information contained in this Report and the Exhibits attached to this Report and all documents to be furnished by the developer to buyers concerning the project have been reviewed by the developer and are, to the best of the developer's knowledge, information and belief, true, correct and complete.

### SUMMARY OF SALES CONTRACT

If this project engages in sale, it will use a Condominium Addendum to Sales Contract (the "Addendum") to be utilized in conjunction with a standard printed form contract provided by the Hawaii Association of Realtors. The Addendum protects the rights of the Purchasers and the handling of the funds under the Condominium Property Act (the "Act"), as well as the insuring compliance with the Act by all parties. Relevant portions of the Addendum are summarized as follows:

1. The fact that the Act controls over any portion of a contract to sell a condominium unit.
2. That an effective date for a final or supplementary public report must be in place and a receipt for the same signed by the buyer to have an effective date.
3. That all purchaser funds must be held in escrow until the law allows closing and disbursement of the funds.

The conditions precedent to release of the funds are enumerated, including in part:

- (a) That Purchaser will receive a copy of the final public report for the project.
- (b) Purchaser agrees that all payments made will be placed on deposit with escrow pursuant to the terms of the Escrow agreement, and Purchaser is subject to all of the terms of the Escrow Agreement.
- (c) If there is a dual agency by a single broker, it will be disclosed in the contract.

**SPECIAL NOTICE:** THE FOREGOING SUMMARY IS NOT INTENDED TO BE A THOROUGH AND EXHAUSTIVE EXPLANATION OF ALL THE TERMS AND PROVISIONS CONTAINED IN THE CONTRACT. WHILE A PURCHASER CAN USE THIS SUMMARY AS A GENERAL SUMMARY OF THE PURCHASER'S RIGHTS AND OBLIGATIONS, THE PURCHASER MUST REFER TO THE PURCHASER'S CONTRACT TO DETERMINE THE BUYER'S ACTUAL RIGHTS AND OBLIGATIONS. IF ANY CONFLICT OR DIFFERENCE EXISTS BETWEEN THIS SUMMARY AND THE CONTRACT, THE CONTRACT WILL CONTROL AND NOT THIS SUMMARY.

**SCHEDULE OF APARTMENTS AND COMMON INTERESTS**

1	1	1.000	0	0 shade structure	20	20%
1	2	1.000	0	0 shade structure	20	20%
1	3	2.000	0	0 packing shed	3,974	20%
1	4	1.000	0	0 shade structure	20	20%
1	5	1.787	0	0 shade structure	20	20%

Pursuant to Section 16-107-5, Hawaii Administrative Rules, reference is hereby made to the method by which common interest has been computed. Units 1 through 5 will each burden the common elements equally. Therefore, the assessment of undivided interest both for common expense and for voting is 20% for each unit.

The common interest appurtenant to each unit shall be permanent. Subject to the zoning requirements and amendments of the Condominium Map and the Declaration of Condominium Property Regime, each unit owner may use the unit, alter or add to it in any manner deemed Law and the Declaration of Protective Covenants and House Rules, if any permit desirable, so long as it. If adjoining unit owners desire to alter and/or transfer portions of their respective units, they can do so by the filing of an amendment to the Condominium Map and the Declaration of Condominium Property Regime together with their respective signatures.

### SUMMARY OF PORTIONS OF ESCROW AGREEMENT KAIILI MAII'AI

2. Escrow will receive payments under the sales contract and sums received from any other source with respect to the project. Funds held under the Agreement will initially be deposited in an account for the project. Interest on all funds will be paid to Seller.
3. Escrow will release from the trust fund and disburse Buyer's funds at closing, unless: (a) Buyer has elected within seven days of signing the sales contract to cancel and receive all funds paid, without deduction; or (b) the Real Estate Commission has not issued a Final Public Report on the project or the requirements of the sales contract have not been met; or (c) Seller has not satisfied Escrow that all other requirements of Hawaii Revised Statutes have been met.
4. Escrow will return deposited sums to the Buyer without interest, if Seller and Buyer give Escrow written notice to return the funds to Buyer, if there is a right to cancellation and refund of monies under the sales contract or otherwise. If there is a cancellation under the seven-day right, no fees will be charged Buyer. Thereafter, in the event of a cancellation as a matter of agreement or right, Buyer's funds shall be returned to Buyer less Escrow's cancellation fee, if any, and all other costs incurred in connection with the Escrow, not less than \$25.00.
5. Escrow will arrange for and supervise the signing of all documents, which are to be signed subsequent to and contemplated by the sales contract.
6. As Escrow's compensation for its performance under this Agreement, Escrow will receive its ~~schedule rate for each apartment for which an apartment deed of the project is handled by Escrow and recorded in the Bureau of Conveyances of the State of Hawaii.~~ Escrow will record all applicable documents. The cost of title insurance will be an additional amount, based upon schedule rate.
7. In the event of default by the Buyer, Buyer may forfeit his or her deposit, which will be paid to the Seller, less any cancellation fees charged by Escrow.

SPECIAL NOTICE: THE ABOVE SUMMARY IS NOT INTENDED TO BE A THOROUGH AND EXHAUSTIVE EXPLANATION OF ALL TERMS AND PROVISIONS CONTAINED IN THE AGREEMENT. WHILE ONE CAN USE THIS SUMMARY AS A GENERAL SUMMARY OF THE AGREEMENT, ONE MUST REFER TO THE ACTUAL AGREEMENT TO DETERMINE THE RIGHTS AND OBLIGATIONS OF THE PARTIES. IF ANY CONFLICT OR DIFFERENCE EXISTS BETWEEN THIS SUMMARY AND THE AGREEMENT, THE AGREEMENT WILL CONTROL AND NOT THIS SUMMARY.
