General Information On Condominiums

A condominium is a special form of real property. To create a condominium in Hawaii, the requirements of the Condominium Property Act, Chapter 514A, Hawaii Revised Statutes, must be complied with. In addition, certain requirements and approvals of the County in which the project is located must be satisfied and obtained.

Some condominium projects are leasehold. This means that the land or the building(s) and other improvements are leased to the buyer. The lease for the land usually requires that at the end of the lease term, the lessees (apartment owners/tenants) deliver their interest in the land to the lessor (fee property owner). The lease also usually requires that the lessees either (1) convey to the lessor the building(s) and other improvements, including any improvements paid for by the lessees; or (2) remove or dispose of the improvements at the lessee's expense. Leases for individual apartments often require that at the end of the lease term, the lessee deliver to the lessor the apartment, including any improvements placed in the apartment by the lessee.

If you are a typical condominium apartment owner, you will have two kinds of ownership: (1) ownership in your individual apartment; and (2) an undivided interest in the common elements.

"Common elements" are the areas of the condominium project other than the individual apartments. They are owned jointly by all apartment owners and include the land, either in fee simple or leasehold, and those parts of the building or buildings intended for common use such as foundations, columns, roofs, halls, elevators, and the like. Your undivided interest in the common elements cannot be separated from ownership of your apartment.

In some condominium projects, some common elements are reserved for the exclusive use of the owners of certain apartments. These common elements are called "limited common elements" and may include parking stalls, patios, lanais, trash chutes, and the like.

You will be entitled to exclusive ownership and possession of your apartment. Condominium apartments may be individually bought, sold, rented, mortgaged or encumbered, and may be disposed of by will, gift, or operation of law.

Your apartment will, however, be part of the group of apartments that comprise the condominium project. Study the project's Declaration, Bylaws, and House Rules. These documents contain important information on the use and occupancy of apartments and the common elements as well as the rules of conduct for owners, tenants, and guests.

Operation of the Condominium Project

The Association of Apartment Owners is the entity through which apartment owners may take action with regard to the administration, management, and operation of the condominium project. Each apartment owner is automatically a member of the Association.

The Board of Directors is the governing body of the Association. Unless you serve as a board member or an officer, or are on a committee appointed by the board, your participation in the administration and operation of the condominium project will in most cases be limited to your right to vote as an apartment owner. The Board of Directors and officers can take certain actions without the vote of the owners. For example, the board may hire and fire employees, increase or decrease maintenance fees, borrow money for repair and improvements and set a budget. Some of these actions may significantly impact the apartment owners.

Until there is a sufficient number of purchasers of apartments to elect a majority of the Board of Directors, it is likely that the developer will effectively control the affairs of the Association. It is frequently necessary for the developer to do so during the early stages of development and the developer may reserve certain special rights to do so in the Declaration and Bylaws. Prospective buyers should understand that it is important to all apartment owners that the transition of control from the developer to the apartment owners be accomplished in an orderly manner and in a spirit of cooperation.

**II. CREATION OF THE CONDOMINIUM;
CONDOMINIUM DOCUMENTS**

A condominium is created by recording in the Bureau of Conveyances and/or filing with the Land Court a Declaration of Condominium Property Regime, a Condominium Map (File Plan), and the Bylaws of the Association of Apartment Owners. The Condominium Property Act (Chapter 514A, HRS), the Declaration, Bylaws, and House Rules control the rights and obligations of the apartment owners with respect to the project and the common elements, to each other, and to their respective apartments. The provisions of these documents are intended to be, and in most cases are, enforceable in a court of law.

- A. **Declaration of Condominium Property Regime** contains a description of the land, buildings, apartments, common elements, limited common elements, common interest, and other information relating to the condominium project.

The Declaration for this condominium is:

Proposed
 Recorded - Bureau of Conveyances: Document No. 2004-192515
Book _____ Page _____
 Filed - Land Court Document No. _____

The Declaration referred to above has been amended by the following instruments [state name of document, date and recording/filing information]:

- B. **Condominium Map (File Plan)** shows the floor plan, elevation and layout of the condominium project. It also shows the floor plan, location, apartment number, and dimensions of each apartment.

The Condominium Map for this condominium project is:

 Filed - Land Court Condo Map No. _____

The Condominium Map has been amended by the following instruments [state name of document, date and recording/filing information]:

- C. **Bylaws of the Association of Apartment Owners** govern the operation of the condominium project. They provide for the manner in which the Board of Directors of the Association of Apartment Owners is elected, the powers and duties of the Board, the manner in which meetings will be conducted, whether pets are prohibited or allowed and other matters which affect how the condominium project will be governed.

The Bylaws for this condominium are:

Proposed
 Recorded - Bureau of Conveyances: Document No. 2004-192516
Book _____ Page _____
 Filed - Land Court: Document No. _____

The Bylaws referred to above have been amended by the following instruments [state name of document, date and recording/filing information]:

- D. **House Rules.** The Board of Directors may adopt House Rules to govern the use and operation of the common elements and limited common elements. House Rules may cover matters such as parking regulations, hours of operation for common facilities such as recreation areas, use of lanais and requirements for keeping pets. These rules must be followed by owners, tenants, and guests. They do not need to be recorded or filed to be effective. The initial House Rules are usually adopted by the Developer.

The House Rules for this condominium are:

Proposed Adopted Developer does not plan to adopt House Rules

E. **Changes to Condominium Documents**

Changes to the Declaration, Condominium Map, and Bylaws are effective only if they are duly adopted and recorded and/or filed. Changes to House Rules do not need to be recorded or filed to be effective.

1. Apartment Owners: Minimum percentage of common interest which must vote for or give written consent to changes:

	<u>Minimum Set by Law</u>	<u>This Condominium</u>
Declaration (and Condo Map)	75%*	<u>75%**</u>
Bylaws	65%	<u>65%</u>
House Rules	_____	<u>Majority of Board of Directors</u>

* The percentages for individual condominium projects may be more than the minimum set by law for projects with five or fewer apartments.

2. Developer:

No rights have been reserved by the developer to change the Declaration, Condominium Map, Bylaws or House rules.

Developer has reserved the following rights to change the Declaration, Condominium Map, Bylaws or House Rules.

1. Developer may amend the documents in certain respects which will not materially and adversely affect the value or use of Buyer's apartment.
2. Under paragraph 16.1 of the Declaration, the Developer reserves the right to amend the Declaration, the Condominium Map and the By-Laws at any time prior to the first recording of a conveyance or transfer (other than for security) of an apartment and its appurtenances to a party who has not signed the Declaration.
3. Paragraph 16.1 of the Declaration also permits the Developer to amend the Declaration and the Condominium Map to file the "as-built" verified statement required by the Condominium Property Act at any time before or after the lease, sale or conveyance of any of the apartments.
4. Under Section 16.2 of the Declaration, for so long as the Developer retains the right to merge the project pursuant to the Declaration, the Developer reserves the right to amend the Declaration, the By-laws and the Condominium Map for the purpose of meeting any requirement imposed by any applicable law, the Real Estate Commission of the State of Hawaii, any title insurance company issuing a title insurance policy on the project or any of the apartments of the project, any institutional lender lending funds on the security of the project or any of the apartments, or any other governmental or quasi-governmental agency; provided, however, that no amendment which would change the common interest appurtenant to an apartment or substantially change the design, location or size of an apartment or the apartment's building shall be made without the consent of all persons having an interest in the apartment.
5. Developer may amend the Rules and Regulations in any manner prior to election of the first Board of Directors of the project.

IMPORTANT INFORMATION ON LEASEHOLD CONDOMINIUM PROJECTS

The information contained in this report is a summary of the terms of the lease. For more detailed information, you should secure a copy of the lease documents and read them thoroughly.

If you have any legal questions about leasehold property, the lease documents or the terms of the lease and the consequences of becoming a lessee, you should seek the advice of an attorney.

There are currently no statutory provisions for the mandatory conversion of leasehold condominiums and there are no assurances that such measures will be enacted in the future.

In leasehold condominium projects, the buyer of an apartment will acquire the right to occupy and use the apartment for the time stated in the lease agreement. The buyer will not acquire outright or absolute fee simple ownership of the land. The land is owned by the lessor or the leased fee owner. The apartment owner or lessee must make lease rent payments and comply with the terms of the lease or be subject to the lessor's enforcement actions. The lease rent payments are usually fixed at specific amounts for fixed periods of time, and are the subject to renegotiation. Renegotiation may be based on a formula by arbitration set in the lease agreement by law or by agreement between the lessor and lessee. The renegotiated lease rents may increase significantly. At the end of the lease, the apartment owners may have to surrender the apartments, the improvements and the land back to the lessor without any compensation (surrender clause).

When leasehold property is sold, title is normally conveyed by means of an assignment of lease, the purpose of which is similar to that of a deed. The legal and practical effect is different because the assignment conveys only the rights and obligations created by the lease, not the property itself.

The developer of this condominium project may have entered into a master ground lease with the fee simple owner of the land in order to develop the project. The developer may have then entered into a sublease or a new lease of the land with the lessee (apartment owner). The developer may lease the improvements to the apartment owner by way of an apartment lease or sublease or sell the improvements to the apartment owners by way of a condominium conveyance or apartment deed.

11. Conformance to Present Zoning Code.

a. No variances to zoning code have been granted.

Variance(s) to zoning code was/were granted as follows:

b. Conforming/Non-Conforming Uses, Structures, Lot

In general, a non-conforming use, structure, or lot is a use, structure, or lot which was lawful at one time but which does not now conform to present zoning requirements.

	<u>Conforming</u>	<u>Non-Conforming</u>	<u>Illegal</u>
Uses	<u>all</u>	_____	_____
Structures	<u>all</u>	_____	_____
Lot	<u>all</u>	_____	_____

If a variance has been granted or if uses, improvements or lot are either non-conforming or illegal, buyer should consult with county zoning authorities as to possible limitations which may apply.

Limitations may include restrictions on extending, enlarging, or continuing the non-conformity, and restrictions on altering and repairing structures. In some cases, a non-conforming structure that is destroyed or damaged cannot be reconstructed.

The buyer may not be able to obtain financing or insurance if the condominium project has a non-conforming or illegal use, structure, or lot.

D. Common Elements, Limited Common Elements, Common Interest:

1. Common Elements: Common Elements are those parts of the condominium project other than the individual apartments. Although the common elements are owned jointly by all apartment owners, those portions of the common elements which are designated as limited common elements (see paragraph 2 below) may be used only by those apartments to which they are assigned. The common elements for this project, as described in the Declaration, are:

described in Exhibit _____.

as follows:

The common elements include all other elements of the project, the separate ownership of which is not included within any apartment, including but not limited to:

- (a) The property in fee simple;
- (b) The limited common elements described in Section D.2 below;
- (c) All foundations, columns, girders, beams, supports, perimeter walls, load-bearing walls, elevators, the central mailbox facility, basement storage areas (subject to Section D.2 below), utility rooms, and roof structures (including without limitation, all roof joists, sheathing and roofing materials), which are located outside the apartment, and all pumps, ducts, pipes, wires, conduits or other utility service lines which are utilized for or serve more than one (1) apartment, and generally all equipment, apparatus, installations and personal property existing for common use in the buildings or located on the land;
- (d) All pipes, wires, ducts, conduits or other utility service lines running through any apartment which are utilized by or serve more than one (1) apartment;
- (e) All roads, driveways and other common ways, all parking spaces (subject to Section D.2 below), exterior irrigation systems, fences, gates, retaining walls, trash areas, and accessory equipment areas located on the land or in any building;
- (f) All distribution systems for water, sewer and utility services which serve more than one (1) apartment and which are not owned by the County of Maui or any public utility (and including use meters, if any, whether or not located within the apartment);
- (g) All finished surfaces which the Association shall have the responsibility to maintain as a common expense under the Declaration of Condominium Property Regime.

2. **Limited Common Elements:** Limited Common Elements are those common elements which are reserved for the exclusive use of the owners of certain apartments.

There are no limited common elements in this project.

The limited common elements and the apartments which use them, as described in the Declaration, are:

described in Exhibit ____.

as follows:

Certain of the common elements are hereby set aside and reserved for the exclusive use of certain of the apartments, and such apartments shall have appurtenant thereto exclusive easements for the use of such limited common elements as follows:

- (a) As shown on the Condominium Map, thirty-six (36) parking stalls are provided, which include five (5) stalls located in individual closed garage areas (numbered 23 through 27, inclusive); twenty-two (22) uncovered, paved stalls, fifteen (15) of which are regular sized and seven (7) of which are compact spaces; and nine (9) unpaved, lawn parking stalls, of which seven (7) are full-sized and two (2) are compact, all as shown on the Condominium Map. All parking areas are numbered 1 through 36 as shown on the Condominium Map. Eight (8) spaces are "stacked". Each apartment shall be assigned two (2) parking spaces, by express assignment contained in the Developer's deed of fee simple title to said apartment to the first buyer thereof, and said assigned spaces shall thereafter be limited common elements appurtenant to and for the exclusive use of said apartment to which they are assigned.
- (b) The basement floor plan contained in the Condominium Map is divided into eighteen (18) separate storage areas numbered 1 through 18, consecutively. Each apartment shall be assigned one (1) basement storage room by express assignment contained in the Developer's deed of fee simple title to said apartment to the first buyer thereof as a limited common element for the exclusive use of the apartment to which it is assigned.
- (c) Parking stalls and storage areas may be transferable between apartments, subject to certain limitations set forth in Section 5.2 of the Declaration.
- (d) Any other common element of the property which is rationally related to only one (1) apartment shall be deemed a limited common element appurtenant to and for the exclusive use of such apartment.

3. **Common Interest:** Each apartment will have an undivided fractional interest in all of the common elements. This interest is called the "common interest." It is used to determine each apartment's share of the maintenance fees and other common profits and expenses of the condominium project. It may also be used for other purposes, including voting on matters requiring action by apartment owners. The common interests for the apartments in this project, as described in the Declaration, are:

described in Exhibit D .

as follows: The common interests are determined according to the proportionate net floor area of each apartment, as follows:

- E. **Encumbrances Against Title:** An encumbrance is a claim against or a liability on the property or a document affecting the title or use of the property. Encumbrances may have an adverse effect on the property or your purchase and ownership of an apartment in the project.

Exhibit E describes the encumbrances against the title contained in the title report dated June 30, 2005 and issued by Commonwealth Land Title Insurance Company.

Blanket Liens:

A blanket lien is an encumbrance (such as mortgage) on the entire condominium project that secures some type of monetary debt (such as a loan) or other obligation. A blanket lien is usually released on an apartment-by-apartment basis upon payment of specified sums so that individual apartments can be conveyed to buyers free and clear of the lien.

[] There are no blanket liens affecting title to the individual apartments.

[X] There are blanket liens which may affect title to the individual apartments.

Blanket liens (except for improvement district or utility assessments) must be released before the developer conveys the apartment to a buyer. The buyer's interest will be affected if the developer defaults and the lien is foreclosed prior to conveying the apartment to buyer.

<u>Type of Lien</u>	<u>Effect on Buyer's Interest and Deposit if Developer Defaults or Lien is Foreclosed Prior to Conveyance</u>
First Mortgage to First Hawaiian Bank dated March 21, 2005, and recorded in the Bureau of Conveyances of the State of Hawaii as Document No. 2005-055479 in the principal amount of \$3,354,000.00.	Buyer may lose his or her unit but buyer's deposit to be refunded less any escrow cancellation fees. All mortgage liens will be paid out of the proceeds of the sale of each apartment and each apartment will be released from the mortgage at that time.
Additional documents pertaining to this loan are recorded as Documents Nos. 2005-055480, 2005-055481, and 2005-055482	

F. Construction Warranties:

Warranties for individual apartments and the common elements, including the beginning and ending dates for each warranty, are as follows:

1. Building and Other Improvements:

EXHIBIT "A"

RIGHTS RESERVED BY DEVELOPER

Among other rights, the Developer will have the following reserved rights with respect to the Project which are more particularly set forth in the Declaration. Capitalized terms have the same meaning described as such terms in the Declaration.

1. Reserved Rights of Developer to Use the Common Elements and to Grant Easements. Under Section 6 of the Declaration the Developer has reserved several rights to occupy and use the common elements of the Project for various purposes, including the construction of the Project, conducting sales operations, general ingress and egress and utility services. Also, Section 6 provides that the Developer has reserved the right in the future to designate, grant and relocate easements for access, utility services and drainage over the condominium Land as needed in connection with the development of the Project and also to benefit or assist in the development of adjacent and nearby lands, regardless of whether or not they are owned by Developer.

2. Reserved Right to Change Floor Plans and Areas of Apartments. Section 16.1 of the Declaration allows the Developer to amend the condominium documents to reflect the changes in layout and floor area of any apartment or apartments to reflect "as built" conditions, recognizing that during the course of construction changes and deviations are bound to occur. Also, Section 16.2 permits the Developer to amend the condominium documents to comply with lenders requirements and requirements of applicable laws.

THE ABOVE SUMMARY IS NOT INTENDED TO BE A THOROUGH OR EXHAUSTIVE EXPLANATION OF ALL OF THE RIGHTS RESERVED BY THE DEVELOPER UNDER THE CONDOMINIUM DOCUMENTS. WHILE A PURCHASER CAN USE THIS SUMMARY AS A GENERAL GUIDE, THE PURCHASER SHOULD REFER TO THE CONDOMINIUM DECLARATION TO DETERMINE THE ACTUAL RIGHTS RESERVED BY THE DEVELOPER. THE PURCHASER SHOULD CONSULT WITH HIS, HER OR ITS ATTORNEY CONCERNING THESE RIGHTS AND THEIR EXERCISE.

IF ANY CONFLICT OR DIFFERENCE EXISTS BETWEEN THIS SUMMARY AND THE CONDOMINIUM DECLARATION, THE CONDOMINIUM DECLARATION SHALL CONTROL.

EXHIBIT "B"

BOUNDARIES OF EACH APARTMENT

Capitalized terms have the same meaning ascribed to such terms in the Declaration.

The boundaries of each apartment include (i) all the walls, partitions and components thereof which are not load-bearing within its perimeter walls; (ii) all non-load bearing, non-structural interior components of the apartment's perimeter and party walls; (iii) the interior decorated or finished surfaces and all load bearing walls, floors and ceilings, including all plasterboard components and floor coverings; (iv) all doors and windows with associated frames which are located along the perimeters, and the exterior garage doors together with associated hardware; (v) all fixtures originally installed in the apartment; and (vi) all pipes, plumbing, wiring, fixtures, outlets and switches located within or which serve only that apartment. Apartments shall also include each covered lanai attached to the apartment.

Concerning measurements and floor area, the net living areas set forth in the Declaration and Exhibit "D" are based on measurements taken from the interior surface of all perimeter walls, but no reduction is made to account for interior walls, ducts, vents, shafts, and the like located within the perimeter walls. The stated areas of covered lanais are based on measurements taken from the exterior surface of each wall which separates the interior living areas of the apartments from the lanai or porch and the exterior edge of the floor or concrete slab of the lanai.

All stated dimensions and areas are approximate in nature. Actual floor areas and dimensions upon completion of construction may vary as a result of reasonable construction tolerances and changes, which do not materially adversely affect the value of the apartment.

THE ABOVE SUMMARY IS NOT INTENDED TO BE A THOROUGH OR EXHAUSTIVE EXPLANATION OF ALL OF THE RIGHTS RESERVED BY THE DEVELOPER UNDER THE CONDOMINIUM DOCUMENTS. WHILE A PURCHASER CAN USE THIS SUMMARY AS A GENERAL GUIDE, THE PURCHASER SHOULD REFER TO THE CONDOMINIUM DECLARATION TO DETERMINE THE ACTUAL RIGHTS RESERVED BY THE DEVELOPER. PERMITTED ALTERATIONS TO APARTMENTS

Capitalized terms have the same meaning ascribed to such terms in the Declaration.

1. General Provisions. Reference is made to Exhibit "A" for a description of certain rights reserved by the Developer to alter apartments. Also the Declaration provides for the restoration and replacement of the Project or any portion thereof, and the construction of additional improvements in certain cases where the Project has been damaged by fire or other casualty or by eminent domain taking. Refer to Articles 13 and 14.

2. Additions or Alterations Solely Within an Apartment or Limited Common Element. Section 8(f) permits each owner to make certain interior, non-structural changes to the apartment provided that such changes do not jeopardize the soundness or safety of any portion of the Project, reduce its value, or adversely affect other apartments or the use and enjoyment of the common elements by others.

3. Alteration of Common Elements. Section 8(c) of the Declaration restricts the Association's power to make material visual changes to the Project without the consent of the Developer and the Developer's architect.

THE ABOVE SUMMARY IS NOT INTENDED TO BE A THOROUGH OR EXHAUSTIVE EXPLANATION OF ALL OF THE RIGHTS RESERVED BY THE DEVELOPER UNDER THE CONDOMINIUM DOCUMENTS. WHILE A PURCHASER CAN USE THIS SUMMARY AS A GENERAL GUIDE, THE PURCHASER SHOULD REFER TO THE CONDOMINIUM DECLARATION TO DETERMINE THE ACTUAL RIGHTS RESERVED BY THE DEVELOPER. SUMMARY OF PURCHASE AGREEMENT

A specimen Deposit Receipt and Sales Contract (the "Sales Agreement", has been submitted to the Real Estate Commission and is available in the Sales Office of the Developer ("Seller"). ALL BUYERS AND PROSPECTIVE BUYERS SHOULD CAREFULLY READ THE SALES AGREEMENT IN FULL, since this summary is NOT A COMPLETE DESCRIPTION of its provisions. The Sales Agreement, among other things, covers in more detail the following items:

1. Lender Priority. Seller has given to and/or may give to one or more lenders a mortgage or mortgages, security agreement or agreements, and other instruments securing repayment of loan(s) and covering Seller's ownership rights in the Project, including the individual apartments. All of the rights and interests which Seller gives to the lender or lenders will have priority over the Buyers' rights and interests under the Sales Agreements. This applies to any changes in the loan or loans or the mortgage or mortgages, security agreement or agreements or other instruments (including, among other things, extensions, renewals and other changes). The Buyers give up and subordinate the priority of their rights and interests under the Sales Agreements in favor of the rights and interests of Seller's lenders until the final closing and delivery of signed apartment deeds to the Buyers. If Seller's lender or lenders ask the Buyers to do so, the Buyers will sign other documents to confirm the promises and agreements mentioned above.

2. Buyer's Failure to Obtain Loan Approval. Seller may (but does not have to) cancel the Sales Agreement (a) if the Buyer's mortgage loan application is rejected or not approved within thirty (30) days after application, or (b) if the Buyer plans to pay the purchase price in cash but Seller is not satisfied for any reason with the Buyer's ability to make the cash payments.

3. Warranties. The limited warranties are set forth. These are described in Exhibit "I" ("Disclosure Abstract") to this Public Report.

4. REPRESENTATIONS. BUYER AGREES THAT NO ONE (INCLUDING THE SELLER OR ANY SALESPERSON) HAS REPRESENTED TO BUYER AT ALL ABOUT ANY RENTAL INCOME OR RENTAL OR SALES SERVICES FOR BUYER'S APARTMENT. IF BUYER WANTS TO RENT OR SELL THE APARTMENT, HOW BUYER DOES IT WILL BE UP TO BUYER SUBJECT TO THE RESTRICTIONS CONTAINED HEREIN AND IN THE DECLARATION, THE BYLAWS, AND ANY OTHER DOCUMENTS AFFECTING THE PROPERTY. BUYER ALSO AGREES THAT NO ONE HAS TALKED TO BUYER AT ALL ABOUT INCOME FROM THE APARTMENT OR ANY OTHER ECONOMIC BENEFIT TO BE DERIVED FROM THE PURCHASE OR OWNERSHIP OF THE APARTMENT OR ABOUT THE TAX EFFECTS OF BUYING THE APARTMENT.

5. Closing Costs. Buyer will pay the following closing costs: 100% of the escrow fee, all of Buyer's notary fees, all appraisal fees, all recording costs (except for documents to clear Seller's title), all charges for Buyer's credit report, all costs of

preparing any mortgages and promissory notes, and Buyer's title insurance premium. Buyer will also pay all mortgage costs. Buyer will also pay a non-refundable start-up fee which will be held and used by the Seller and the first managing agent of the Association as a working capital fund for the benefit of all the apartment owners. Buyer agrees that Seller does not have to pay any start-up fee for any apartment in the Project, but Seller will cause all Buyers to pay the start-up fee when apartments are sold and closed in escrow. Proration of real property taxes will be made as of the scheduled closing date. Proration of maintenance charges will be made as of the scheduled closing date or later at Seller's option.

6. Buyer's Default. If Buyer fails to make any payment when it is due or fails to keep any of Buyer's other promises or agreements contained in the Sales Agreement, then Seller will have the right, at Seller's sole option and in addition to any other rights contained in the Sales Agreement, to do any one or more of the following:

(a) Seller may cancel the Sales Agreement by giving to Buyer written notice of cancellation and Seller may keep all sums paid by Buyer under the Sales Agreement as liquidated damages. If Seller cancels the Sales Agreement, Buyer agrees that it will be difficult and expensive to determine the amount of loss or damage Seller will suffer. This is because of, among other things, Seller's commitments relating to the financing of the Project, the effect of default and cancellation of one sale on other apartment sales, and the nature of the real estate market in Hawaii. Buyer agrees that the sums paid by Buyer under the Sales Agreement are a reasonable estimate of a fair payment to Seller for Seller's loss or damage resulting from Buyer's default.

(b) Seller may file a lawsuit for damages.

(c) Seller may file a lawsuit for "specific performance" (in other words, a lawsuit to make Buyer keep all of Buyer's promises and agreements, including, without limitation, closing the purchase of the property).

(d) Seller may take advantage of any other rights which the law allows or which Seller may have under the Sales Agreement.

Buyer also agrees to pay for all costs, including Seller's reasonable lawyers' fees (for both in-house and outside counsel) and the escrow cancellation fee, which are incurred because of Buyer's default.

7. Seller's Default. If Seller fails to keep any of Seller's promises or agreements contained in the Sales Agreement, Buyer may require Seller to go through with the Sales Agreement, or Buyer may cancel the Sales Agreement. If Buyer cancels the Sales Agreement because of Seller's default, Seller will repay to Buyer all sums paid by Buyer to Seller or escrow under the Sales Agreement, without interest (unless Buyer is entitled to the interest pursuant to Section 2.2 or 8.3 of Exhibit "A" of the Sales Agreement).

BUYER AGREES THAT IF SELLER DEFAULTS UNDER THE SALES AGREEMENT AT ANY TIME, BUYER WILL ONLY HAVE THE RIGHTS MENTIONED IN THIS SECTION. BUYER GIVES UP ANY OTHER RIGHTS BUYER MIGHT OTHERWISE HAVE.

8. Certain Acknowledgments and Waivers by Buyer Concerning "Property Conditions". The Buyer acknowledges and agrees to the following (which are hereafter referred to as the "Property Conditions"):

(a) Neighborhood Development. All owners and occupants of apartments are hereby notified that certain lands nearby or abutting the Project are zoned to permit the development and operation of public and commercial uses and that owners and occupants of the Project may be subject to noise, dust, odors, emissions, traffic and other nuisances in connection with such operations or the development, construction and operation of such facilities. Declarant (and its respective officers, directors, employees and agents of each) shall not have any liability or responsibility for any such noise, dust, odors, emissions and nuisances. Each owner of an apartment, by taking title to said apartment, thereby waives all such rights and claims against Declarant and others whose activities shall be creating or exacerbating such conditions.

(b) Project Operations. All owners and occupants of the Project are hereby notified that any or all of the apartments may be subject to noise, dust, emissions, traffic and other nuisances resulting from site grading, road building and construction of the Project, in the roads or common areas or on adjacent or nearby lands. The Declarant and others performing such work shall not have any liability to the owners and occupants of any apartment for damages and inconvenience resulting from said operations. Each owner of an apartment, by taking title to said apartment, thereby waives all such rights and claims.

(c) Construction Deflection, Defects and Changes. During the course of construction of each building, certain apartment or garage floors may be subject to a small degree of "deflection" from construction and settling. Deflection is a condition whereby a floor is not perfectly flat. Deflection is typical in concrete construction. In this instance, such deflection, if not treated, might be noticeable to some people. Much of the practical effect of deflection can be mitigated through the use of floor coverings. Given the nature of the soil upon which the building is constructed, it is possible some further settling may occur. Deflection (and any anticipated additional settling) typically does not detract from the structural integrity of the building, and Seller is not responsible to correct such deficiencies.

Minor cracking, flaking or discoloration of concrete or drywall within the building floors, walls, ceilings and/or soffits and the garage, driveways and walkways are not covered by warranty, and Seller is not responsible to correct such deficiencies.

Seller reserves the right in its sole discretion to make non-substantial changes to the area, layout, materials or configuration of each apartment including but not limited to adjustments to meet construction tolerances and conditions, substitution of materials, equipment, appliances or details, and variations in color, brand, grade and dimensions. All such non-substantial changes shall be in compliance with applicable building standards and codes and shall be of equal or better quality and value.

Seller shall also have the right to make substantial changes, to the apartment in Seller's discretion and if any such change shall have been made without Buyer's consent, and if Buyer shall object to such changes, Buyer's sole remedy shall be to cancel this contract by written notice to Seller in which event all deposits shall be refunded to Buyer and Buyer and Seller shall have no further obligations or liabilities to each other under the sales contract.

(d) Other Rights. Seller has also reserved certain easement rights affecting the Project land and common elements for access and utility services in connection with the future development of lands in the vicinity of the Project.

(e) Waiver, Release and Indemnity. Buyer represents and warrants to Seller that Buyer, in Buyer's sole discretion, has determined that the benefits of owning and enjoying the apartment outweigh the risks of the "Property Conditions". Buyer hereby irrevocably agrees to suffer and permit all actions and consequences incidental to the Property Conditions. Buyer hereby covenants and agrees to assume all risks of impairment of Buyer's use and enjoyment of the apartment and the Project, loss of market value of the apartment, and property damage or personal injury resulting from the Property Conditions, and Buyer, for the Buyer and Buyer's tenants, lessees, family, servants, guests, invitees, licensees, agents, employees, and those who use the Project through the Buyer for any period of time (collectively, the "Occupants"), hereby waives any claims or rights of action or suits against Seller, its successors and assigns, arising from such impairment of the Occupants' use and enjoyment of the apartment or the Project, loss of market value of said property, and property damage or personal injury arising from one or more of the Property Conditions. Buyer further covenants that Buyer will notify all Occupants and transferees of the apartment of the risks of the Property Conditions.

9. Common Area Landscaping. Buyer understands and agrees that (i) Seller's obligation to provide landscaping within the common elements of the Project will be deemed fully satisfied upon planting of the plant materials (which need not be in full coverage and maturity); (ii) installation of the plant materials and irrigation system may be completed after the closing date; (iii) full maturity of the plant materials will only be reached over an extended period of time and Seller is not responsible for providing landscaping maintenance to reach full coverage and maturity; (iv) the Association of apartment owners of the Project will be responsible for maintaining the landscaping after installation thereof, even if the landscaping has not reached full coverage or maturity.

10. Project Termination and Changes. Developer reserves the right to terminate the Project and terminate all Sales Agreements prior to the transfer of a apartment title to a Buyer. Buyer shall be entitled to a refund of all moneys paid hereunder together with any interest as provided in Section 2.2 of the Sales Agreement. The parties shall then be released from all obligations and liabilities hereunder.

11. Contract Not Transferable. The Buyer agrees that Buyer may not transfer the Sales Agreement or any of Buyer's rights or interests under the Sales Agreement without first getting Seller's written consent (which Seller may withhold in its sole and absolute discretion).

12. Conclusions and Summary. NOTE: ALL BUYERS SHOULD READ THE SALES AGREEMENT IN FULL AS THIS SUMMARY IS NOT ALL-INCLUSIVE AND DOES NOT CONTAIN A COMPLETE DESCRIPTION OF ALL PROVISIONS OF THE SALES AGREEMENT. THIS SUMMARY IS INTENDED ONLY TO GIVE A BRIEF DESCRIPTION OF THE ITEMS CONTAINED IN THE SALES AGREEMENT, AND DOES NOT ALTER OR AMEND THE SALES AGREEMENT IN ANY MANNER.

The Deposit Receipt and Sales Contract contains the price and other terms and conditions under which a purchaser will agree to buy an apartment in the Project. Among other things, the Deposit Receipt and Sales Contract states:

- (a) The total purchase price, method of payment and additional sums which must be paid in connection with the purchase of an apartment.
- (b) That the purchaser acknowledges having received and read a Public Report (either Preliminary or Final) for the Project prior to signing the Deposit, Receipt and Sales Contract.
- (c) That the purchaser's money will be held in escrow, under the terms of the Escrow Agreement.
- (d) Requirements relating to the purchaser's financing of the purchase of an apartment.
- (e) That the apartment and the Project will be subject to various other legal documents which the purchaser should examine, and that the Developer may change these documents under certain circumstances.
- (f) That the Developer makes no warranties regarding the apartment, the Project or anything installed or contained in the apartment or the Project. Only the Developer's contractor makes construction warranties.
- (g) That the purchaser must close the purchase at a certain date and pay closing costs, in addition to the sales price.

The Deposit Receipt and Sales Contract contains various other important provisions relating to the purchase of an apartment in the Project. It is incumbent upon purchasers and prospective purchasers to read with care the specimen Deposit Receipt and Sales Contract on file with the Real Estate Commission.

Developer is referred to herein as "Seller".

(a) Inspection. Inspection of apartments for building defects and deficiencies will take place on dates and at times as determined by Seller upon the phased completion of construction. Buyer will receive written notice of the date and time of the inspection of Buyer's apartment prior to such inspection.

(b) Limited Warranty by Seller and Procedure For Inspection. If Buyer cooperates in the inspection program to be instituted by Seller and Buyer's apartment is inspected on the date and at the time specified by Seller, Seller warrants to Buyer that Seller shall exercise its best efforts to have all legitimate defects or damages listed by Buyer on the inspection sheet furnished by Seller corrected by the Seller's general contractor within a reasonable time thereafter. This warranty (called "Seller's Limited Warranty") shall survive the closing. Seller's Limited Warranty is conditioned on Buyer's full cooperation in making the inspection pursuant to Seller's inspection program. See Section 4.2 of Exhibit "A" of the Deposit Receipt and Sales Contract.

(c) Contractor's Warranty. The Seller will enter into an agreement with the general contractor for the Project whereby the general contractor will agree to provide, for the benefit of the Seller, the Buyer and the Association, the customary AIA warranty to correct any defects in workmanship or materials of which general contractor or Seller shall have received notice from Buyer within one (1) year after the date of substantial completion of each apartment (as such terms are defined in the construction contract) (called the "Contractor's Warranty"). The Seller does not make this warranty but merely passes on the Contractor's Warranty to the Buyer and the Association. The Seller's obligations with respect to any defects (other than those listed on the inspection sheet described in Section (b) above) will be limited to assisting the Association or Buyer in presenting to the general contractor any claims based on such warranty; it being understood that such Contractor's Warranty is limited to defects reported in writing to the Seller or contractor within the first year following the phased dates of substantial completion of the work. In the event of the breach of any of the subcontractors', suppliers' or manufacturers' warranties, Buyer shall have no claim against Seller on account of such breach, but Buyer's sole remedy shall be against such subcontractors, suppliers and manufacturers.

(d) The Condominium Map is Not a Warranty. The Condominium Map for the Project is intended to show only the layout, location, apartment numbers and dimensions of the apartments in the Project. BUYER AGREES THAT THE CONDOMINIUM MAP IS NOT INTENDED TO BE AND IS NOT A WARRANTY OR PROMISE OF ANY KIND BY SELLER.

4. BREAKDOWN OF ANNUAL MAINTENANCE CHARGES AND ESTIMATED COSTS FOR EACH APARTMENT:

Attached to this Public Report as Exhibit "1" is a breakdown of the annual maintenance charges and the monthly estimated cost for each apartment in the Project, prepared by the Project Manager for the one-year period commencing January 1, 2006 and certified to have been based on generally accepted accounting principles. The attached breakdown of annual maintenance charges and the estimated cost for each apartment is subject to change based on actual costs of the items listed. The Developer can make no assurances regarding the estimated maintenance assessments. Variables such as inflation, uninsured casualty loss or damage, increased or decreased services from those contemplated by the Project Manager, apartment owner delinquencies and other factors may cause the maintenance assessments to be greater or less than the estimated maintenance assessments.

The breakdown of the estimated maintenance cost for each apartment contained in the Public Report does not include individual charges for sewer fees, trash removal, cable TV or any metered utilities or the Buyer's obligation for real property taxes and does not include or otherwise take into account the one-time "start-up" fee required to be paid in addition to the normal maintenance charges. Estimates of the real property taxes will be provided by the Developer upon request.

 * NOTE: THE DEVELOPER ADVISES THAT COSTS AND *

5. TEMPORARY ASSUMPTION BY DEVELOPER OF ACTUAL COMMON EXPENSES:

The Developer may assume all the actual common expenses of the Project (and therefore an apartment owner will not be obligated for the payment of his respective share of the common expenses) until such time as the Developer files with the Real Estate Commission of the State of Hawaii an amended Disclosure Abstract which states that after a date certain, the respective apartment owner shall thereafter be obligated to pay for his respective share of common expenses that is allocated to his apartment; provided, however, that such amended Disclosure Abstract shall be filed at least thirty (30) days in advance with the Real Estate Commission, with a copy thereof being delivered either by mail or personal delivery after the filing to each of the apartment owners whose maintenance expenses were assumed by the Developer. The Developer shall have no obligation to pay any start-up fees or to pay for any cash reserves or other reserve amounts with respect to or attributable to the period during which the Developer assumes the actual common expenses of the Project.

SUMMARY OF ESCROW AGREEMENT

The Escrow Agreement sets up an arrangement under which the deposits a purchaser makes pursuant to a Sales Agreement will be held up by a neutral party ("Escrow"). Under the Escrow Agreement, these things will or may happen:

- (a) Escrow will let the purchaser know when payments are due.
- (b) Escrow will arrange for the purchaser to sign all necessary documents.
- (c) The purchaser will be entitled to a refund of his or her funds only under certain circumstances as set forth in the Sales Agreement.
- (d) After a Sales Agreement becomes final and binding after the issuance of the Final Public Report for the Project, Developer may withdraw Buyer's deposits to pay for Project construction costs.

The Escrow Agreement also establishes the procedures for the retention and disbursement of a purchaser's funds and says what will happen to the funds upon a default under the Sales Agreement. The Escrow Agreement contains various other important provisions and establishes certain charges with which a purchaser should be familiar. It is incumbent upon purchasers and prospective purchasers to read with care the executed Escrow Agreement on file with the Real Estate Commission.
