# **General Information On Condominiums**

A condominium is a special form of real property. To create a condominium in Hawaii, the requirements of the Condominium Property Act, Chapter 514A, Hawaii Revised Statutes, must be complied with. In addition, certain requirements and approvals of the County in which the project is located must be satisfied and obtained.

Some condominium projects are leasehold. This means that the land or the building(s) and other improvements are leased to the buyer. The lease for the land usually requires that at the end of the lease term, the lessees (apartment owners/tenants) deliver their interest in the land to the lessor (fee property owner). The lease also usually requires that the lessees either (1) convey to the lessor the building(s) and other improvements, including any improvements paid for by the lessees; or (2) remove or dispose of the improvements at the lessee's expense. Leases for individual apartments often require that at the end of the lease term, the lessee deliver to the lessor the apartment, including any improvements placed in the apartment by the lessee.

If you are a typical condominium apartment owner, you will have two kinds of ownership: (1) ownership in your individual apartment; and (2) an undivided interest in the common elements.

"Common elements" are the areas of the condominium project other than the individual apartments. They are owned jointly by all apartment owners and include the land, either in fee simple or leasehold, and those parts of the building or buildings intended for common use such as foundations, columns, roofs, halls, elevators, and the like. Your undivided interest in the common elements cannot be separated from ownership of your apartment.

In some condominium projects, some common elements are reserved for the exclusive use of the owners of certain apartments. These common elements are called "limited common elements" and may include parking stalls, patios, lanais, trash chutes, and the like.

You will be entitled to exclusive ownership and possession of your apartment. Condominium apartments may be individually bought, sold, rented, mortgaged or encumbered, and may be disposed of by will, gift, or operation of law.

Your apartment will, however, be part of the group of apartments that comprise the condominium project. Study the project's Declaration, Bylaws, and House Rules. These documents contain important information on the use and occupancy of apartments and the common elements as well as the rules of conduct for owners, tenants, and quests.

#### **Operation of the Condominium Project**

The Association of Apartment Owners is the entity through which apartment owners may take action with regard to the administration, management, and operation of the condominium project. Each apartment owner is automatically a member of the Association.

The Board of Directors is the governing body of the Association. Unless you serve as a board member or an officer, or are on a committee appointed by the board, your participation in the administration and operation of the condominium project will in most cases be limited to your right to vote as an apartment owner. The Board of Directors and officers can take certain actions without the vote of the owners. For example, the board may hire and fire employees, increase or decrease maintenance fees, borrow money for repair and improvements and set a budget. Some of these actions may significantly impact the apartment owners.

Until there is a sufficient number of purchasers of apartments to elect a majority of the Board of Directors, it is likely that the developer will effectively control the affairs of the Association. It is frequently necessary for the developer to do so during the early stages of development and the developer may reserve certain special rights to do so in the Declaration and Bylaws. Prospective buyers should understand that it is important to all apartment owners that the transition of control from the developer to the apartment owners be accomplished in an orderly manner and in a spirit of cooperation.

# II. CREATION OF THE CONDOMINIUM; CONDOMINIUM DOCUMENTS

A condominium is created by recording in the Bureau of Conveyances and/or filing with the Land Court a Declaration of Condominium Property Regime, a Condominium Map (File Plan), and the Bylaws of the Association of Apartment Owners. The Condominium Property Act (Chapter 514A, HRS), the Declaration, Bylaws, and House Rules control the rights and obligations of the apartment owners with respect to the project and the common elements, to each other, and to their respective apartments. The provisions of these documents are intended to be, and in most cases are, enforceable in a court of law.

These rules must be followed by owners, tenants, and guests. They do not need to be recorded or filed to be effective. The initial House Rules are usually adopted by the developer.

Renegotiation may the lessor and lessowners may have	In leasehold condominium projects, the buyer of an apartment will acquire the right to occupy and use the apartment for the time stated in the lease agreement. The buyer will not acquire outright or absolute fee simple ownership of the land. The land is owned by the lessor or the leased fee owner. The apartment owner or lessee must make lease rent payments and comply with the terms of the lease or be subject to the lessor's enforcement actions. The lease rent payments are usually fixed at specific amounts for fixed periods of time, and are then subject to renegotiation. Renegotiation may be based on a formula, by arbitration set in the lease agreement, by law or by agreement between the lessor and lessee. The renegotiated lease rents may increase significantly. At the end of the lease, the apartment owners may have to surrender the apartments, the improvements and the land back to the lessor without any compensation (surrender clause).					
When leasehold property is sold, title is normally conveyed by means of an assignment of lease, the purpose of which is similar to that of a deed. The legal and practical effect is different because the assignment conveys only the rights and obligations created by the lease, not the property itself.						
The developer of this condominium project may have entered into a master ground lease with the fee simple owner of the land in order to develop the project. The developer may have then entered into a sublease or a new lease of the and with the lessee (apartment owner). The developer may lease the improvements to the apartment owner by way of an apartment lease or sublease, or sell the improvements to the apartment owners by way of a condominium conveyance or apartment deed.

		The buyer may not be able to obtain financing or insurance if the condominium project has a non-conforming or illegal use, structure, or lot.								
Comm	on Elen	nents, Limited Co	mmon Elements, Cor	mmon Interest:						
1.	Common Elements: Common Elements are those parts of the condominium project other than the individual apartments. Although the common elements are owned jointly by all apartment owners, those portions of the common elements which are designated as limited common elements (see paragraph 2 below) may be used only by those apartments to which they are assigned. The common elements for this project, as described in the Declaration, are:									
	$\boxtimes$	described in Exhi	bit <u>E</u> .							
		as follows:								

D.

	2.	<u>Limited Common Elements:</u> Limited Common Elements are those common elements which are reserved for the exclusive use of the owners of certain apartments.
		There are no limited common elements in this project.
	٠	The limited common elements and the apartments which use them, as described in the Declaration, are:
		described in Exhibit <u>E</u> .
		as follows:
	3.	Common Interest: Each apartment will have an undivided fractional interest in all of the common elements. This interest is called the "common interest." It is used to determine each apartment's share of the maintenance fees and other common profits and expenses of the condominium project. It may also be used for other purposes, including voting on matters requiring action by apartment owners. The common interests for the apartments in this project, as described in the Declaration, are:
		described in Exhibit
		as follows:
E.	affecting	brances Against Title: An encumbrance is a claim against or a liability on the property or a document g the title or use of the property. Encumbrances may have an adverse effect on the property or your se and ownership of an apartment in the project.

# Blanket Liens:

A blanket lien is an encumbrance (such as a mortgage) on the entire condominium project that secures some type of monetary debt (such as a loan) or other obligation. A blanket lien is usually released on an apartment-by-apartment basis upon payment of specified sums so that individual apartments can be conveyed to buyers free and clear of the lien.

There are no blanket liens affecting title to the individual apartments.

There are blanket liens which may affect title to the individual apartments.

Blanket liens (except for improvement district or utility assessments) must be released before the developer conveys the apartment to a buyer. The buyer's interest will be affected if the developer defaults and the lien is foreclosed prior to conveying the apartment to buyer.

Type of Lien

Effect on Buyer's Interest and Deposit if Developer Defaults or Lien is Foreclosed Prior to Conveyance

Mortgage

If the Developer defaults before the apartment is conveyed to the Buyer, then the Mortgagee will have the right to decide whether to sell the apartment to the Buyer under the Sales Contract. If the Buyer's interest is terminated by the Mortgagee, then the Buyer's deposit will be refunded to the Buyer, less the escrow cancellation fee.

# F. Construction Warranties:

Warranties for individual apartments and the common elements, including the beginning and ending dates for each warranty, are as follows:

1. Building and Other Improvements:

See Exhibit H

2. Appliances:

See Exhibit H

G. Status of Construction and Date of Completion or Estimated Date of Completion:								
	Construction of the Project is scheduled to commence in January 2005, and is scheduled to be completed in September 2006. The actual date of completion of the Project, however, may vary due to numerous factors, not all of which are within the Developer's control. In addition, the dates of completion of individual apartments in the Project may vary.							
Н.	Project Phases:							
	The developer $\square$ has $\boxtimes$ has not reserved the right to add to, merge, or phase this condominium.

# IV. CONDOMINIUM MANAGEMENT

Α.	Management of the Common Elements: The Association of Apartment Owners is responsible for the management of the common elements and the overall operation of the condominium project. The Association may be permitted, and in some cases may be required, to employ or retain a condominium managing agent to assist the Association in managing the condominium project.									
	Initial Condominium Managing Agent: When the developer or the developer's affiliate is the initial condominium managing agent, the management contract must have a term of one year or less and the parties must be able to terminate the contract on notice of 60 days or less.									
	The initial condominium managing agent for this project, named on page five (5) of this report, is:									
		ated with the Developer paged by the Association of Apartment Owners		the Developer or Developer's affiliate Other:						
B.	Estimate of	Initial Maintenance Fees:

DATED : May 3, 2005

FILED : Land Court Document No. 3268872

- 15. Any unrecorded leases and matters arising from or affecting the same.
- 16. Discrepancies, conflicts in boundary lines, shortage in area, encroachments or any other matters which a correct survey or archaeological study would disclose.
- 17. Any lien (or claim of lien) for services, labor or material arising from an improvement or work related to the land underlying the Project.
- 18. For Real Property Taxes that may be due and owing, reference is made to the Department of Finance, County of Kauai.

#### **CONSTRUCTION WARRANTIES**

- 1. <u>Building and Other Improvements</u>. The construction contract for the Project (the "Construction Contract") contains a clause which provides in pertinent part that:
  - "...if, within one year after the Date of Substantial Completion of the Work or designated portion thereof or after the date for commencement of warranties established under Subparagraph 9.9.1, or by terms of an applicable special warranty required by the Contract Documents, any of the Work is found to be not in accordance with the requirements of the Contract Documents, the Contractor shall correct it promptly after receipt of written notice from the Owner to do so unless the Owner has previously given the Contractor a written acceptance of such condition."

The Developer makes no warranties itself, but the Developer agrees that the closing of the sale of the Apartment shall constitute an assignment by the Developer to the purchaser of any and all warranties given to the Developer by the contractor(s) for the Project in connection with the Apartment, including any contractor's agreement to promptly correct any of its work found to be defective or not in conformance with the Construction Contract following the "Date of Substantial Completion of the Work", as defined in the Construction Contract. The benefit of such an agreement shall accrue to the purchaser on the Date of Closing without further instruments or documents. The Developer shall cooperate with the purchaser during the effective period of such agreement in asserting any claims based on any such warranty. The Developer is not adopting the contractor's warranty or acting as co-warrantor, but is merely attempting to pass through to the purchaser the benefit of such contractor's warranty, if any.

- 2. Chapter 672E Requirements for Filing a Lawsuit or Other Action for Defective Construction Against the Contractor. CHAPTER 672E OF THE HAWAII REVISED STATUTES CONTAINS IMPORTANT REQUIREMENTS YOU MUST FOLLOW BEFORE YOU MAY FILE A LAWSUIT OR OTHER ACTION FOR DEFECTIVE CONSTRUCTION AGAINST THE CONTRACTOR WHO DESIGNED, REPAIRED, OR CONSTRUCTED YOUR HOME OR FACILITY. NINETY DAYS BEFORE YOU FILE YOUR LAWSUIT OR OTHER ACTION, YOU MUST SERVE ON THE CONTRACTOR A WRITTEN NOTICE OF ANY CONSTRUCTION CONDITIONS YOU ALLEGE ARE DEFECTIVE. UNDER THE LAW, A CONTRACTOR HAS THE OPPORTUNITY TO MAKE AN OFFER TO REPAIR AND/OR PAY FOR THE DEFECTS. YOU ARE NOT OBLIGATED TO ACCEPT ANY OFFER MADE BY A CONTRACTOR. THERE ARE STRICT DEADLINES AND PROCEDURES UNDER THE LAW, AND FAILURE TO FOLLOW THEM MAY NEGATIVELY AFFECT YOUR ABILITY TO FILE A LAWSUIT OR OTHER ACTION.
- 3. Assignment of Warranties on Appliances. The closing of the sale of the Apartment shall also constitute the assignment by the Developer to the purchaser, for the unexpired term, if any, of any manufacturer's or dealer's warranties covering any furnishings, fixtures and appliances that are part of the Apartment. The Developer is merely attempting to pass through to the purchaser any such manufacturer's or dealer's warranties; the Developer is not adopting any such warranties or acting as co-warrantor with respect to any furnishings, fixtures or appliances. The terms of the manufacturer's or dealer's written warranties shall be available for the purchaser's examination at the Developer's sales office.

4. No Other Warranties, Express or Implied, are Given. Except for the agreements expressly set forth in Paragraphs 1 and 3 hereinabove, THE DEVELOPER MAKES NO WARRANTIES, EXPRESS OR IMPLIED, WITH RESPECT TO THE APARTMENT, THE PROJECT, ANY CONSUMER PRODUCTS OR ANYTHING ELSE INSTALLED IN THE APARTMENT OR IN THE PROJECT, INCLUDING BUT NOT LIMITED TO ANY IMPLIED WARRANTY OF MERCHANTABILITY, HABITABILITY, WORKMANLIKE CONSTRUCTION OR FITNESS OF THE APARTMENT FOR A PARTICULAR PURPOSE.

## SUMMARY OF SALES CONTRACT

The specimen Condominium Purchase Agreement, Deposit Receipt and Contract ("Purchase Agreement") contains, among others, the following terms and provisions (which may be modified or otherwise limited by provisions not summarized):

- 1. The Purchase Price shall be paid in three (3) payments, the last of which shall be paid to Escrow, subject to other terms, on the earlier of (a) the Date of Pre-closing, or (b) three (3) days prior to the Date of Closing, except that mortgage proceeds from Buyer's Permanent Loan may be paid one (1) day prior to the Scheduled Closing Date.
- 2. The Purchase Price does not include the Project start-up fee, closing costs, prorations, and additional costs payable by Buyer under the Purchase Agreement.
- 3. Until (i) the Real Estate Commission of the State of Hawaii ("Commission") has issued an effective date for a Final Public Report for the Project, (ii) Buyer has receipted for or is deemed to have receipted for the Final Public Report, and (iii) Buyer has waived or is deemed to have waived Buyer's right to cancel under Hawaii Revised Statutes §514A-62, the Purchase Agreement will not become a binding sales contract and may be terminated by either Buyer or Seller by written notice of such termination delivered to the other party.
- 4. When the Final Condominium Public Report is issued by the Commission, a copy thereof will be delivered to Buyer along with a receipt for the report and a notice of right to cancel. If Buyer fails to execute and return the receipt and notice of right to cancel within thirty (30) calendar days after the delivery to Buyer of a copy of the Final Condominium Public Report, then Seller may at its sole option terminate this Agreement. Upon such termination, Seller shall cause Escrow to refund to Buyer all payments previously made by Buyer, with interest as and to the extent described in summary item 11 hereinbelow and less Escrow's cancellation fee, and Seller shall have no further liability under this Agreement. If Seller does not exercise this option to terminate the Purchase Agreement and Buyer does not sign and return the receipt and waiver of the and notice of right to cancel within said thirty (30) calendar day period, or if the Apartment is conveyed to Buyer prior to expiration of such thirty (30) calendar day period, then Buyer shall be deemed to have receipted for the Final Condominium Public Report and to have waived Buyer's right to cancel, and the Purchase Agreement shall continue as a binding obligation on both parties.
- 5. Buyer has received a copy of the Declaration, By-Laws, House Rules, public report(s) for the Project, form of Apartment Deed, and Escrow Agreement, and Buyer acknowledges that Buyer has had an adequate opportunity to read those documents and to examine the Project plans, and Buyer accepts such documents and plans with such changes and modifications as the Project architect may deem necessary.
- 6. Within thirty (30) days after the date Seller accepts the Purchase Agreement, Buyer must submit to Seller a Pre-Qualification Letter in form and content acceptable to Seller from the Pre-Qualification Agent, confirming Buyer's ability to pay the Purchase Price.
- 7. If Buyer shall have applied for a Pre-Qualification Letter and diligently pursued such application as herein provided, and Buyer does not obtain a Pre-Qualification Letter in form and content acceptable to Seller (in Seller's sole discretion) within thirty (30) calendar days of Seller's acceptance of this Agreement, then Seller or Buyer shall have the right and option to terminate the Purchase Agreement and cause Escrow to refund to Buyer all monies previously paid by Buyer, with interest to the extent provided in the Purchase Agreement, less Escrow's cancellation

fee and any other actual expenses incurred by reason of Buyer having signed the Purchase Agreement.

- 8. If Buyer will be utilizing mortgage financing to pay a portion of the Purchase Price, then Buyer shall be solely responsible for applying for and obtaining the Buyer's Permanent Loan from the Pre-Qualification Agent or Buyer's Permanent Lender. All financing and the terms and conditions thereof, shall be a matter of concern solely between Buyer and the Pre-Qualification Agent or Buyer's Permanent Lender and shall not affect the rights or obligations of Seller or Buyer. The sale and purchase of the Apartment shall not be contingent upon Buyer's ability to retain the interest rate quoted at the time of approval of the pre-qualification letter or Buyer's Permanent Loan. Buyer shall be solely responsible for any loan fees or other charges payable to Buyer's Permanent Lender in processing, issuing or canceling Buyer's Permanent Loan.
- 9. If Buyer will be paying the entire Purchase Price in cash and Seller so requires, then no later than sixty (60) days, and no earlier than ninety (90) days prior to the Scheduled Closing Date, Buyer must submit to Seller written evidence from Buyer's bankers or accountants or other persons reconfirming Buyer's ability to pay the Purchase Price in cash on the Date of Closing. If Seller, in its sole discretion, and/or is not satisfied as to Buyer's continued ability to make such cash payments, then Buyer shall be in default under the Purchase Agreement.
- 10. All payments made by Buyer under the Purchase Agreement will be deposited with Escrow under the terms of the Escrow Agreement.
- 11. If Buyer so elects, all funds received by Escrow from or at the direction of Buyer may be deposited into an interest bearing account or accounts in a federally insured bank or savings and loan institution selected by Seller. Buyer shall pay all costs and expenses incurred or charged by Escrow for the purpose of setting up, maintaining and closing such interest bearing account(s). Except in the event of a default by Buyer (in which case the default provisions summarized hereinbelow shall govern), all interest earned from such account(s) from the date of Seller's acceptance of this Agreement shall be credited to Buyer's account; provided that no interest shall be credited to Buyer (i) for the period prior to Seller's acceptance of this Agreement; or (ii) on funds held by Escrow for less than sixty (60) calendar days after Seller's acceptance of this Agreement. Any interest earned on funds in escrow which is not required by the terms of the Purchase Agreement to be credited to the account of Buyer shall be paid to Seller.
- 12. After the Commission's issuance of an effective date for the Final Condominium Public Report, Payments A and B under the Purchase Agreement may be disbursed by Escrow subject to the terms of the Escrow Agreement prior to the date of completion of the Project as permitted by §514A-40(a) (6) and §514A-67, Hawaii Revised Statutes, as amended, to pay for the costs of constructing the Project.
- 13. Seller has reserved the right to make certain modifications to the Declaration, By-Laws, House Rules, Apartment Deed, and other documents as may be required by law, any title insurance company, any institutional mortgagee, or any governmental agency, or as Seller otherwise deems appropriate; provided that no such modification shall (i) materially increase Buyer's share of common expenses without Buyer's consent; or (ii) reduce the obligations of Seller for common expenses on unsold apartments; or (iii) require a substantial physical change of the Apartment or of the building in which the Apartment is located.
- 14. Seller has reserved the right to require alterations of the Project (and to modify any of such documents accordingly) to change the configuration of, to alter the number of rooms of, to decrease or increase the size of, or to change the location of any other apartment and/or parking area, and to make other minor changes in the Apartment, any of the other apartments or the common elements of the Project.

- 15. Any model shown to Buyer is displayed only for illustration and Seller shall not thereby be required to deliver the Apartment in exact accordance therewith. None of the appurtenances and furnishings shown in any model is included in the Purchase Agreement, unless Seller agrees in writing to deliver the same for part of the Purchase Price. The usable or living area, location and configuration of the Apartment and all improvements of the Project may fluctuate from that shown or displayed to Buyer in any drawings, plans or models when Seller finally places final improvements, in Seller's sole and absolute discretion. The location, size, height and composition of all improvements to be constructed as a part of the Project or adjacent thereto shall be determined by Seller in its sole and absolute discretion. Despite models or drawings displayed to Buyer, Seller has made no representations, warranties or assurances to Buyer regarding the size, height, location or composition of any improvement to be constructed on or adjacent to the Project. Seller may substitute the materials, appliances and other items in the Apartment and the Project with materials, appliances and other items of substantially equal quality and utility (and acceptable to Buyer's Permanent Lender).
- 16. BUYER INTENTIONALLY WAIVES, RELINQUISHES AND SUBORDINATES THE PRIORITY OR SUPERIORITY OF ANY LIEN OR OTHER LEGAL OR EQUITABLE INTEREST ARISING UNDER THE PURCHASE AGREEMENT IN FAVOR OF THE LIEN OR CHARGE ON THE PROJECT OR THE SECURITY INTERESTS OF SELLER'S LENDER, INCLUDING BUT NOT LIMITED TO ANY LIEN, MORTGAGE OR OTHER CHARGE SECURING A LOAN MADE TO FINANCE THE ACQUISITION OF THE LAND AND THE COSTS OF CONSTRUCTION AND OTHER COSTS DURING SUCH CONSTRUCTION AND ANY AND ALL ADVANCES THEREFOR, WHETHER CONTRACTUAL OR VOLUNTARY, UNTIL THE FINAL CLOSING AND DELIVERY BY SELLER OF AN APARTMENT DEED TO BUYER. Buyer consents to Seller's assignment to Lender, as security, of Seller's interests in the Purchase Agreement and Buyer's deposits with Escrow. In the event Lender acquires Seller's interest in the Purchase Agreement pursuant to said assignment, Buyer shall, at Lender's option, perform to, attorn to, and recognize Lender as the Seller under the Purchase Agreement.
- 17. Issuance by the County of Kauai of a Certificate of Occupancy with respect to the Apartment shall constitute conclusive evidence of Seller's completion of the Apartment. If Seller is unable to complete or install in the Apartment any optional item, decorator item, fixture, furnishing or other improvement, and such failure is caused by circumstances beyond Seller's reasonable control, the Close of Escrow shall not be delayed so long as the County of Kauai has issued a Certificate of Occupancy with respect to the Apartment.
- 18. Buyer acknowledges that construction may continue on the site after Buyer has occupied the Apartment, and sales activities will continue until the last unsold apartment in the Project has been sold.
- 19. Seller reserves the right to exercise all of the powers as a member of the Association as to all unsold apartments in the Project. Until the election of the Board of Directors and officers of the Association of Apartment Owners, Seller may exercise all of the powers of the Board of Directors and officers.
- 20. The estimate of monthly maintenance charges and assessments for the Apartment as shown in the condominium public report(s) for the Project are only estimates, and are subject to change for various reasons.
- 21. Until Seller has closed out the sale of all the apartments in the Project or until December 31, 2010, whichever shall first occur, that Buyer will not enter into any "rental pool" or similar agreement with any purchaser, lessee or owner of another apartment in the Project and/or any

third party under which Buyer agrees to share expenses and/or rentals of apartments in the Project unless specifically agreed to in writing by Seller.

- 22. After the Purchase Agreement has become binding, Buyer shall have the right to rescind the Purchase Agreement only if there is a material change in the Project which directly, substantially and adversely affects the use or value of (i) the Apartment or appurtenant limited common elements, or (ii) amenities of the Project available for Buyer's use.
- 23. The closing of the sale of the Apartment shall constitute an assignment by Seller to Buyer f any and all warranties given to Seller by the contractor for the Project in connection with the Apartment, including any contractor's to promptly correct any of its work found to be defective or not in conformance with the construction contract following the date of substantial completion of the work. The benefit of such an agreement shall accrue to Buyer on the Date of closing without further instruments or documents. Seller shall cooperate with Buyer in asserting any claims based on any such warranty.
- 24. Chapter 672E of the Hawaii Revised Statutes contains important requirements Buyer must follow before Buyer can file a lawsuit or other action for defective construction against the contractor who designed, repaired, or constructed the Apartment or Project. Ninety days before Buyer can file a lawsuit or other action against the contractor, Buyer must serve on the contractor a written notice of any construction conditions Buyer alleges are defective. Under the law, a contractor has the opportunity to make an offer to repair and/or pay for the defects. Buyer is not obligated to accept any offer made by a contractor. There are strict deadlines and procedures under the law, and failure to follow them may negatively affect Buyer's ability to file a lawsuit or other action.
- 25. Seller makes no warranties with respect to the Apartment, the Project, any consumer products or anything else installed in the Apartment or in the Project, including but not limited to any implied warranty of merchantability, habitability, workmanlike construction or fitness of the Apartment for a particular purpose.
- 27. If Buyer is purchasing the apartment pursuant to Part VI of the Condominium Property Regime Act, Hawaii Revised Statutes § 514A-101 et seq., governing sales to prospective owner-occupants, then Buyer may not sell or offer to sell, lease or offer to lease, rent or offer to rent, assign or offer to assign, convey or otherwise transfer any interest in the Apartment until at least three hundred sixty five (365) consecutive calendar days have elapsed since the recordation of the Apartment Deed. At any time after obtaining Buyer's Permanent Loan, or a firm written commitment for Buyer's Permanent Loan, up until the expiration of the Owner-Occupant Affidavit executed by Buyer pursuant to § 514A-104.5, Hawaii Revised Statutes, Buyer shall notify the Commission immediately upon any decision to cease being an owner-occupant of the Apartment.
- 28. The Date of Occupancy shall be the date upon which the County of Kauai issues a Certificate of Occupancy with respect to the Apartment. ## SUMMARY OF CONDOMINIUM ESCROW AGREEMENT

The Condominium Escrow Agreement ("Escrow Agreement") dated as of December 30, 2004, made by and between Title Guaranty Escrow Services, Inc. ("Escrow Agent"), and Regency Hule ia LLC ("Developer"), contains among other provisions the following (which may be modified or otherwise limited by provisions not summarized herein):

- 1. <u>Sales Contracts Deposited in Escrow.</u> Whenever Developer enters into a sales contract with a purchaser for the sale of an apartment in Regency Hule`iai (the "Project"), Developer shall deliver an executed copy of said contract to Escrow Agent. The sales contract shall require that all payments due thereunder be made directly to Escrow Agent to be held and disbursed in accordance with the Escrow Agreement. If the purchaser intends to purchase the apartment as an "owner-occupant" pursuant to Chapter 514A, Part VI, Hawaii Revised Statutes ("H.R.S."), said purchaser shall deliver an owner-occupant affidavit to Escrow Agent in the form and content required by H.R.S. §514A-104.5.
- 2. Receipt of Funds by Escrow Agent. Escrow Agent shall receive and hold in escrow and disburse in accordance with the Escrow Agreement all payments under sales contracts for apartments in the Project and all sums of money from any other source relating to the Project. Within a reasonable time after receiving any such funds, Escrow Agent will deposit the same in an interest-bearing account or accounts at a federally insured bank, savings and loan association, or trust company authorized to do business in the State of Hawaii. Any interest earned on such deposits shall accrue as specified in the sales contract.
- 3. Conditions to be Met Prior to Disbursement. Escrow Agent shall make no disbursement of funds deposited with it unless: (a) the Real Estate Commission has issued a Final Public Report on the Project; (b) Developer or Developer's attorney has notified Escrow Agent that the requirements of H.R.S. §514A-62, §514A-63 and §514A-64.5 have been met; (c) Developer has given Escrow Agent a written waiver of any reserved option to cancel the sales; and (d) Developer has delivered to Escrow Agent a statement from Developer's architect that the Project is in compliance with the Federal Fair Housing Amendments Act of 1988.
- 4. Return of Funds and Documents. Escrow Agent shall return deposited sums, with interest to the extent provided in the sales contract, less Agent's cancellation fee and other costs up to a maximum of \$250.00, to a purchaser if:

Developer and such purchaser instruct Escrow Agent in writing to return such funds to such purchaser; or

Developer notifies Escrow Agent of Developer's exercise of the option to cancel or rescind the sales contract entered into by such purchaser pursuant to any right of cancellation or rescission provided for therein or otherwise available to Developer with respect to which, in accordance with the sales contract, the purchaser is entitled to a return of funds deposited by it with Escrow Agent; or

With respect to any purchaser whose funds were obtained prior to the issuance of the Final Condominium Public Report, the purchaser exercises its right to cancel the sales contract pursuant to HRS Section 514A-62; or

Such purchaser exercises its right to rescind the sales contract pursuant to HRS Section 514A-63.

- 5. <u>Unclaimed Funds.</u> Escrow Agent shall notify each purchaser entitled to a return of funds by registered, certified mail or regular. If any purchaser does not claim the refund within sixty (60) days, Escrow Agent shall deposit the funds with a bank or depository selected by Escrow Agent in the name of Developer as trustee for the purchaser. Thereafter, Escrow Agent shall have no further obligation or liability with respect to such funds and purchaser.
- 6. <u>Closing.</u> Except for the sales contract and any note and mortgage, Escrow Agent shall arrange for and supervise the execution, recording, and delivery of all documents, as necessary, related to the Project.
- 7. <u>Partial Closings.</u> In the event Developer desires partial closings (i.e. closings for some but not all of the apartments), Escrow Agent agrees to cooperate with Developer and facilitate such partial closings.
- 8. <u>Defects in Documents.</u> Within five (5) business days of the date of closing, Escrow Agent shall record all documents necessary to effect the transfer of legal title to the purchaser, provided said documents are not defective in any way. If any documents are defective, Escrow Agent will notify Developer thereof and correct such defects if they are within Escrow Agent's capacity to correct.
- 9. Purchaser's Default. Developer shall notify Escrow Agent when payments are due from a purchaser, who shall then be notified by Escrow Agent. Escrow Agent shall notify Developer of any defaults by a purchaser. If Developer certifies to Escrow Agent in writing that Developer has terminated the sales contract, Escrow Agent shall thereafter treat all funds of the purchaser paid on account of the subject sales contract in accordance with the terms thereof as funds of Developer. Upon the written request of Developer, Escrow Agent shall pay such funds to Developer, less any cancellation fee. Thereafter, Escrow Agent shall have no further obligation or liability with respect to such funds or purchaser.
- 10. Protection of Escrow Agent. Escrow Agent shall have no liability for acting in accordance with the terms of the Escrow Agreement, notwithstanding a notice to the contrary from Developer, any purchaser, or any third person. Escrow Agent shall not be responsible for the validity or sufficiency of any documents received by it, shall be entitled to assume that said documents have been properly executed and that any written certification or instrument from Developer is true and accurate. In the event of any dispute, difference, or conflicting demand upon Escrow Agent, Escrow Agent shall not be required to determine the same or take any action in the premises, but may await settlement of the controversy by appropriate legal proceedings or otherwise, including the resolution of an interpleader action initiated by Escrow Agent. Developer and each purchaser shall pay Escrow Agent on demand and indemnify and hold harmless Escrow Agent against all costs and damages arising out of this Agreement, except for any act or omission of Escrow Agent that is not generally accepted as a reasonable business practice. Escrow Agent shall not be required to mail any notice or keep any records required under H.R.S. Chapter 514A.
- 11. <u>Miscellaneous.</u> The Escrow Agreement is binding upon and inures to the benefit of the parties thereto and their respective successors and assigns. The Escrow Agreement may be terminated on fifteen (15) days' written notice to either party. In the event of any conflict between the Escrow Agreement and H.R.S. Chapter 514A, the statutory provisions shall control. Escrow Agent shall furnish Developer with semi-monthly reports that cover the status of each sales contract in escrow.
- 12. <u>Compensation.</u> For each Apartment sale closed by Escrow Agent, Escrow Agent shall be paid a fee in the amount of \$780.00. The premium for the standard owner's title insurance policy and ALTA lender's title insurance policy issued with respect to each Apartment shall be \$900.00. An additional fee of \$250.00 shall be charged to the purchaser for each mortgage loan obtained by the purchaser from a lender not designated by Developer. Should the purchaser obtain a

mortgage loan from any out-of-state lender, a fee of \$500.00 shall be charged to the purchaser for such mortgage. Developer shall pay an additional charge for any changes to any closing statement or other document that are necessary after the commencement of preclosing or closing proceedings, unless said changes are necessary due to the fault of Escrow Agent. The compensation to Escrow Agent with respect to the closing of the sale of any apartment shall be due and payable upon the earlier of: (i) transfer to a purchaser of legal title to such apartment; and (ii) final disbursement of the purchase price of such apartment and other sums held by Escrow Agent with respect hereto.
