## **General Information On Condominiums**

A condominium is a special form of real property. To create a condominium in Hawaii, the requirements of the Condominium Property Act, Chapter 514A, Hawaii Revised Statutes, must be complied with. In addition, certain requirements and approvals of the County in which the project is located must be satisfied and obtained.

Some condominium projects are leasehold. This means that the land or the building(s) and other improvements are leased to the buyer. The lease for the land usually requires that at the end of the lease term, the lessees (apartment owner/tenants) deliver their interest in the land to the lessor (fee property owner). The lease also usually requires that the lessees either (1) convey to the lessor the building(s) and other improvements, including any improvements paid for by the lessees; or (2) remove or dispose of the improvements at the lessee's expense. Leases for individual apartments often require that at the end of the lease term, the lessee deliver to the lessor the apartment, including any improvements placed in the apartment by the lessee.

If you are a typical condominium apartment owner, you will have two kinds of ownership: (1) ownership in your individual apartment; and (2) an undivided interest in the common elements.

"Common elements" are the areas of the condominium project other than the individual apartments. They are owned jointly by all apartment owners and include the land, either in fee simple or leasehold, and those parts of the building or buildings intended for common use such as foundations, columns, roofs, halls, elevators, and the like. Your undivided interest in the common elements cannot be separated from ownership of your apartment.

In some condominium projects, some common elements are reserved for the exclusive use of the owners of certain apartments. These common elements are called "limited common elements" and may include parking stalls, patios, lanais, trash chutes, and the like.

You will be entitled to exclusive ownership and possession of your apartment. Condominium apartments may be individually bought, sold, rented, mortgaged, or encumbered, and may be disposed of by will, gift, or operation of law.

Your apartment will, however, be part of the group of apartments that comprise the condominium project. Study the project's Declaration, Bylaws, and House Rules. These documents contain important information on the use and occupancy of apartments and the common elements as well as the rules of conduct for owners, tenants, and guests.

## **Operation of the Condominium Project**

The Association of Apartment Owners is the entity through which apartment owners may take action with regard to the administration, management, and operation of the condominium project. Each apartment owner is automatically a member of the Association.

The Board of Directors is the governing body of the Association. Unless you serve as a board member or an officer, or are on a committee appointed by the board, your participation in the administration and operation of the condominium project will in most cases be limited to your right to vote as an apartment owner. The Board of Directors and officers can take certain actions without the vote of the owners. For example, the board may hire and fire employees, increase or decrease maintenance fees, borrow money for repair and improvements and set a budget. Some of these actions may significantly impact the apartment owners.

Until there is sufficient number of purchasers of apartments to elect a majority of the Board of Directors, it is likely that the developer will effectively control the affairs of the Association. It is frequently necessary for the developer to do so during the early stages of development and the developer may reserve certain special rights to do so in the Declaration and Bylaws. Prospective buyers should understand that it is important to all apartment owners that the transition of control from the developer to the apartment owners be accomplished in an orderly manner and in a spirit of cooperation.

**II. CREATION OF THE CONDOMINIUM;  
CONDOMINIUM DOCUMENTS**

A condominium is created by recording in the Bureau of Conveyances and/or filing with the Land Court a Declaration of Condominium Property Regime, a Condominium Map (File Plan), and the Bylaws of the Association of Apartment Owners. The Condominium Property Act (Chapter 514A, HRS), the Declaration, Bylaws, and House Rules control the rights and obligations of the apartment owners with respect to the project and the common elements, to each other, and to their respective apartments. The provisions of these documents are intended to be, and in most cases are, enforceable in a court of law.

- A. **Declaration of Condominium Property Regime** contains a description of the land, buildings, apartments, common elements, limited common elements, common interests, and other information relating to the condominium project.

The Declaration for this condominium is:

Proposed  
 Recorded - Bureau of Conveyances Document No. 2004-240914

 Filed - Land Court Condominium Map No. \_\_\_\_\_

The Condominium Map has been amended by the following instruments [state name of document, date and recording/filing information]:

N/A

- C. **Bylaws of the Association of Apartment Owners** govern the operation of the condominium project. They provide for the manner in which the Board of Directors of the Association of Apartment Owners is elected, the powers and duties of the Board, the manner in which meetings will be conducted, whether pets are prohibited or allowed and other matters which affect how the condominium project will be governed.

The Bylaws for this condominium are:

 Recorded - Bureau of Conveyances Document No. 2004-240915  
Book \_\_\_\_\_ Page \_\_\_\_\_  
 Filed - Land Court Document Number \_\_\_\_\_

The Bylaws referred to above have been amended by the following instruments [state name of document, date and recording/filing information]: N/A

- D. **House Rules.** The Board of Directors may adopt House Rules to govern the use and operation of the common elements and limited common elements. House rules may cover matters such as parking regulations, hours of operation for common facilities such as recreation areas, use of lanais and requirements for keeping pets. These rules must be followed by owners, tenants, and guests. They do not need to be recorded or filed to be effective. The initial House Rules are usually adopted by the developer.

The House Rules for this condominium are:

Proposed                       Adopted                       Developer does not plan to adopt House Rules

E. **Changes to Condominium Documents**

Changes to the Declaration, Condominium Map, and Bylaws are effective only if they are duly adopted and recorded and/or filed. Changes to House Rules do not need to be recorded or filed to be effective.

1. Apartment Owners: Minimum percentage of common interest which must vote for or give written consent to changes:

**IMPORTANT INFORMATION ON LEASEHOLD CONDOMINIUM PROJECTS**

The information contained in this report is a summary of the terms of the lease. For more detailed information, you should secure a copy of the lease documents and read them thoroughly.

If you have any legal questions about leasehold property, the lease documents or the terms of the lease and the consequences of becoming a lessee, you should seek the advice of an attorney.

There are currently no statutory provisions for the mandatory conversion of leasehold condominiums and there are no assurances that such measures will be enacted in the future.

In leasehold condominium projects, the buyer of an apartment will acquire the right to occupy and use the apartment for the time stated in the lease agreement. The buyer will not acquire outright or absolute fee simple ownership of the land. The land is owned by the lessor or the leased fee owner. The apartment owner or lessee must make lease rent payments and comply with the terms of the lease or be subject to the lessor's enforcement actions. The lease rent payments are usually fixed at specific amounts for fixed periods of time, and are then subject to renegotiation. Renegotiation may be based on a formula, by arbitration set in the lease agreement, by law or by agreement between the lessor and lessee. The renegotiated lease rents may increase significantly. At the end of the lease, the apartment owners may have to surrender the apartments, the improvements and the land back to the lessor without any compensation (surrender clause).

When leasehold property is sold, title is normally conveyed by means of an assignment of lease, the purpose of which is similar to that of a deed. The legal and practical effect is different because the assignment conveys only the rights and obligations created by the lease, not the property itself.

The developer of this condominium project may have entered into a master ground lease with the fee simple owner of the land in order to develop the project. The developer may have then entered into a sublease or a new lease of the land with the lessee (apartment owner). The developer may lease the improvements to the apartment owner by way of an apartment lease or sublease, or sell the improvements to the apartment owners by way of a condominium conveyance or apartment deed.

11. Conformance to Present Zoning Code

- a.  No variances to zoning code have been granted.

	<u>Conforming</u>	<u>Non-Conforming</u>	<u>Illegal</u>
Uses	<u>Yes</u>	_____	_____
Structures	<u>Yes</u>	_____	_____
Lot	<u>Yes</u>	_____	_____

If a variance has been granted or if uses, improvements or lot are either non-conforming or illegal, buyer should consult with county zoning authorities as to possible limitations which may apply.

Limitations may include restrictions on extending, enlarging, or continuing the non-conformity, and restrictions on altering and repairing structures. In some cases, a non-conforming structure that is destroyed or damaged cannot be reconstructed.

The buyer may not be able to obtain financing or insurance if the condominium project has a non-conforming or illegal use, structure, or lot.

**D. Common Elements, Limited Common Elements, Common Interest:**

1. Common Elements: Common Elements are those parts of the condominium project other than the individual apartments. Although the common elements are owned jointly by all apartment owners, those portions of the common elements which are designated as limited common elements (see paragraph 2 below) may be used only by those apartments to which they are assigned. The common elements for this project, as described in the Declaration, are:

described in Exhibit "C".

as follows:

2. Limited Common Elements: Limited Common Elements are those common elements which are reserved for the exclusive use of the owners of certain apartments.

There are no limited common elements in this project.

The limited common elements and the apartments which use them, as described in the Declaration, are:

described in Exhibit "D".

as follows:

Note: Reference in said Exhibit "D" to "Exclusive Use Area" does not mean legally subdivided Lots.

3. Common Interest: Each apartment will have an undivided fractional interest in all of the common elements. This interest is called the "common interest." It is used to determine each apartment's share of the maintenance fees and other common profits and expenses of the condominium project. It may also be used for other purposes, including voting on matters requiring action by apartment owners. The common interests for the apartments in this project, as described in the Declaration, are:

described in Exhibit \_\_\_\_\_.

as follows:

Unit 1 -50%

Unit 2 -50%

- E. Encumbrances Against Title: An encumbrance is a claim against or a liability on the property or a document affecting the title or use of the property. Encumbrances may have an adverse effect on the property or your purchase and ownership of an apartment in the project.

Exhibit E describes the encumbrances against the title contained in the title report dated 1/26/2005 and issued by Island Title Corporation.

Blanket Liens:

A blanket lien is an encumbrance (such as a mortgage) on the entire condominium project that secures some type of monetary debt (such as a loan) or other obligation. A blanket lien is usually released on an apartment-by-apartment basis upon payment of specified sums so that individual apartments can be conveyed to buyers free and clear of the lien.

[ ] There are no blanket liens affecting title to the individual apartments.

[ X ] There are blanket liens which may affect title to the individual apartments.

Blanket liens (except for improvement district or utility assessments) must be released before the developer conveys the apartment to a buyer. The buyer's interest will be affected if the developer defaults and the lien is foreclosed prior to conveying the apartment to buyer.

<u>Type of Lien</u>	<u>Effect on Buyer's Interest and Deposit if Developer Defaults or Lien is Foreclosed <b>Prior to Conveyance</b></u>
Mortgages	Buyer's interest may be terminated by mortgagee but Buyer shall be entitled to return of his deposit, less escrow cancellation fees. However, in the event the Buyer's deposit is disbursed by Escrow and the lien is foreclosed prior to conveyance to Buyer, Buyer may not be able to recover any deposits.

**F. Construction Warranties:**

Warranties for individual apartments and the common elements, including the beginning and ending dates for each warranty, are as follows:

1. Building and Other Improvements:

Developer is not providing any warranties to Purchasers of an Apartment but will pass on any warranties contained in Developer's construction contract with Contractor. Contractor's warranty extends for 1 year after substantial completion of any work not conforming to the contract documents.

2. Appliances:

Developer is not providing any warranties to Purchasers of an Apartment but will pass on any manufacturer's or dealer's warranties covering the appliances in the Apartments. Length of warranties may vary.

**G. Status of Construction and Date of Completion or Estimated Date of Completion:**

Unit 1 was originally built in 1935 and is currently being renovated. The second building was originally built in 1935 but has been torn down. Unit 2, which is a brand new structure, is being built in place of the second building.

**C. Additional Information Not Covered Above**

1. Developer discloses that no reserve study was done in accordance with § 514A-83.6, H.R.S., and the replacement reserve rules, Subchapter 6, Title 16, Chapter 107, Hawaii Administrative Rules, as amended.
2. The specimen Sales Contract provides in part that Buyer understands the Apartments are being sold without any warranties. The existence of any defect in the Apartments or anything installed thereon shall not excuse the Purchaser's obligation to perform all of his obligations under his contract as long as the Apartment is livable.
3. Pursuant to Sections 16-99-3(g) and 16-99-11(d) Hawaii Administrative Rules ("HAR"), prospective purchasers are hereby advised that Howard Bilkiss, RB 7662, is a managing member of the Developer/Owner and is a current and active Hawaii licensed real estate broker. Further, Mr. Bilkiss is the principal broker of Howard Bilkiss, Ltd., RB 7934. Pursuant to Section 16-99-11(c) HAR, "(n)o licensee shall be allowed to advertise 'For Sale by Owner', 'For Rent by Owner', 'For Lease by Owner', 'For Exchange by Owner'."
4. The Developer is using a performance, materials and mechanic's lien bond issued by a material house, Honsador Lumber Corporation, instead of a bond issued by a surety company. Accordingly, the Developer will not be using purchaser's funds to pay for development or construction costs. Purchaser's funds will be released to the Developer only after the 45-day lien period from notice of completion has run without incident, or all mechanic's and materialmen's liens have been cleared or there are sufficient funds available to cover any such liens that may be filed; or if closing is to occur prior to the expiration of the applicable mechanic's lien period, the Seller shall have provided the purchaser with an owner's title insurance policy with a mechanic's lien endorsement.
5. ACT 119 PASSED BY THE STATE OF HAWAII LEGISLATIVE AND EFFECTIVE JULY 1, 2004, CONTAINS IMPORTANT REQUIREMENTS YOU MUST FOLLOW BEFORE YOU MAY FILE A LAWSUIT OR OTHER ACTION FOR DEFECTIVE CONSTRUCTION AGAINST THE CONTRACTOR WHO DESIGNED, REPAIRED, OR CONSTRUCTED YOUR HOME OR FACILITY. NINETY DAYS BEFORE YOU FILE YOUR LAWSUIT OR OTHER ACTION, YOU MUST SERVE ON THE CONTRACTOR A WRITTEN NOTICE OF ANY CONSTRUCTION CONDITIONS YOU ALLEGE ARE DEFECTIVE. UNDER THE LAW, A CONTRACTOR HAS THE OPPORTUNITY TO MAKE AN OFFER TO REPAIR AND/OR PAY FOR THE DEFECTS. YOU ARE NOT OBLIGATED TO ACCEPT ANY OFFER MADE BY A CONTACTOR. THERE ARE STRICT DEADLINES AND PROCEDURES UNDER THE LAW AND FAILURE TO FOLLOW THEM MAY NEGATIVELY AFFECT YOUR ABILITY TO FILE A LAWSUIT OR OTHER ACTION.
6. The Declaration of Restrictive Covenant recorded as Document No. 2004-250353 restricts the structures on the Lot to be used for a two-family detached dwelling use.
7. The City and County of Honolulu ("City") inspection letter dated November 29, 2004 indicates that "two single-family detached dwellings are considered non-conforming" and the "number of all-weather-surface off-street parking spaces (2) is considered to be non-conforming". However, this inspection took place before new building plans were submitted to the City for renovation of Unit 1 and new construction of Unit 2. The fact that building permits were issued by the City for the Project indicates that after the Project is completed, it will be conforming.

- D. The developer declares subject to the penalties set forth in section 514A-49(b) that this project is in compliance with all county zoning and building ordinances and codes, and all other county permitting requirements applicable to the project, pursuant to Act 251 (SLH 2000) [Section 514A-1.6] (The developer is required to make this declaration for issuance of an effective date for a final public report.)
- E. The developer hereby certifies that all the information contained in this Report and the Exhibits attached to this Report and all documents to be furnished by the developer to buyers concerning the project have been reviewed by the developer and are, to the best of the developer's knowledge, information and belief, true, correct and complete.

DEVELOPER'S RESERVED RIGHTS

The Developer (Declarant) has reserved the following rights to change the Declaration, Condominium Map, By-Laws or House Rules:

1. Paragraph 7.5 of the Declaration states:

“7.5 Declarant reserves the right to grant to any public or governmental authority rights-of-way and other easements, which are for the sole benefit of the Project or which do not materially interfere with the use nor materially impair the value of, any Unit, over, across, under and through the common elements and limited common elements for lines and other transmission facilities and appurtenances for electricity, gas, telephone, water, sewer, drainage and other public services and utilities, and rights to enter for the purpose of installing, repairing, altering and removing such lines and facilities and of trimming any trees in the way thereof; provided the Association, through the Board, with the consent or agreement of any holder of any then existing easement affected thereby, is authorized to grant, convey, transfer, cancel, relocate and otherwise deal with any and all such public services and utilities easements now or hereafter located on or affecting the Project.”

2. Paragraph 20 of the Declaration states:

“20.1 Except as otherwise provided in this Declaration or by law, this Declaration may be amended by vote of seventy-five percent (75%) of the Unit Owners, effective only upon the recording of an instrument setting forth such amendment and vote duly executed by such Owners or by the proper officers of the Association. In addition, except as provided in this Declaration or by law, the approval of eligible holders of first mortgages on Units to which are appurtenant at least 51% of the common interest of the Project shall be required for any material amendment to the Declaration or any amendment of a provision for the express benefit of holders or insurers of first mortgages on Units. An eligible holder is a holder of a first mortgage on a Unit which has made a written request to the Association that it receive notices of proposed changes to the Declaration. A material amendment to the Declaration is one which establishes, provides for, governs or regulates any-of the following: (1) voting; (2) assessments, assessment liens, or subordination of such liens; (3) reserves for maintenance, repair and replacement of the common elements; (4) insurance or fidelity bonds; (5) rights to use of the common elements; (6) responsibility for maintenance and repair of the project; (7) expansion or contraction of the project for the addition, annexational or withdrawal of property to or from the project; (8) boundaries of any Unit; (9) the interest in the common elements; (10) convertibility of Units into common elements or of common elements into Units; (11) leasing of Units; (12) imposition of any right of first refusal or similar restriction on the right of a Dwelling Owner to sell, transfer or otherwise convey his or her interest in the Unit; or (13) establishment of self management by the Association after professional management has previously been required by any of the mortgage holders.

20.2 Notwithstanding any provision to the contrary in this Declaration, (1) at any time prior to the first filing in the Recording Office of a conveyance of a Unit, the Declarant may amend this Declaration (including all exhibits) and the By-Laws in any manner, without the consent of any Unit purchaser; and (2) at any time thereafter, the Declarant may amend this Declaration (and when applicable, the Condominium Map) to file the "As Built" verified statement required by Section 514A-12 of the Act (i) so long as such statement is merely a verified statement of a registered architect or professional engineer certifying that the final plan thereto filed fully and accurately depicts layout, location, apartment numbers, and the dimensions of an improvement or change in a Unit as built; or (ii) so long as the plans filed therewith involve only immaterial changes to the layout, location, or dimensions of the apartments as built or any change in any apartment number.

20.3 Notwithstanding any provision to the contrary in this Declaration, the Owner of any Unit shall have the right without the consent or joinder of any other person to amend this Declaration and the Condominium Map to reflect the Changes made to the Unit and changes to the boundaries of Exclusive Use Areas in accordance with Paragraphs 19.1 and 19.3 provided all the applicable requirements of Paragraph 19 have been satisfied. Promptly upon completion of such Changes or changes to said boundaries, the Owner of the changed Unit or boundary, as the case may be, shall duly record with the Recording Office an amendment to this Declaration and to the Condominium Map, together with a complete set of the floor plans of the Project as so altered, certified as built by a registered architect or professional engineer. All existing Unit Owners and all future Unit Owners and their mortgagees, by accepting an interest in a Unit, shall be deemed to have given each Unit Owner a Power of Attorney to execute an amendment to the Declaration solely for the purpose of describing the changes to his respective Unit on the Declaration so that each Unit Owner shall hereafter have a Power of Attorney from all the other Unit Owners to execute such amendment to the Declaration. This Power of Attorney shall be deemed coupled with each Owner's interest in his Unit (including his common interest) and shall be irrevocable. )h

### PERMITTED ALTERATIONS TO APARTMENTS.

1. Paragraph 19.1 of the Declaration states:

“19.1. Changes to Units. Notwithstanding anything to the contrary contained in this Declaration, each Unit Owner shall have the right at his sole option at any time and from time to time without the consent of anyone other than the holders of all mortgage liens affecting his unit, to improve, renovate, remodel, make additions to, enlarge, remove, replace or restore the improvements to or in his Unit or portions thereof or to make additional improvements upon the Dwelling Area appurtenant to the Unit (the foregoing are referred to collectively as "Changes" and singly, as a "Change") subject to the following conditions:

(a) Building plans for any Change shall be prepared by a licensed architect or professional engineer and all construction shall be undertaken in accordance with such plans and shall comply with all governmental laws, ordinances, rules and regulations.

(b) If required by County Building Laws, then the Owner making the change shall first obtain any requisite building permit.

(c) Any Change to a Unit cannot extend beyond the Dwelling Area which is appurtenant to the Unit.

(d) No Change to a Unit will be made if the effect of such Change would be to exceed the Unit's "proportionate share of the total allowable lot area coverage for the Land" or the number of dwelling units permitted on the Land, as permitted under the zoning and building codes applicable to the Land in effect when the Change is to be made (collectively, the "Land Use Ordinance"). A Unit's proportionate share of the total allowable lot area coverage for the Land shall be calculated by multiplying the Unit's common interest by the total allowable lot area coverage for the entire Land in the Project, provided however, that this formula does not apply to Units originally built by Developer, but only to Changes to a unit after it is sold by the Developer. For example, if the total allowable lot area coverage for the entire Land in the Project is 2,000 square feet and the common interest for Unit 1 is 50%, then Unit 1's proportionate share of the total allowable lot area coverage for the Land in the Project is 1,000 square feet (2,000 square feet x .50).

(e) Any such Change shall be at the expense of the Unit Owner making the Change and shall be expeditiously made and in a manner that will not unreasonably interfere with the other Unit Owner's use or enjoyment of his Unit, the common elements or the Unit's appurtenant limited common elements.

(f) During the entire course of such construction, the Unit Owner making such Change will cause to be maintained at his expense builder's all-risk insurance in an amount not less than the estimated cost of construction. At the request of the Association, the Association shall be named as an additional insured and, evidence of such insurance shall be deposited with the Association.

(g) The Unit Owner making the Change shall have the right to utilize, relocate and realign existing and/or to develop additional, central and appurtenant installations for services to the Unit affected by such Change for electricity, sewer and other utilities and services and when applicable, to add, delete, relocate, realign, designate and grant easement and rights-of-way over, under and on the common elements as necessary or desirable in connection therewith; provided that the same shall not cause any substantial interruption in the service of such utilities to any other Unit Owner.

(h) If the consent or joinder of another Unit Owner to any Change, including obtaining building permits is required by the Act, then each Unit Owner hereby consents in advance to give such consent or join any such application for such Change, provided that all such expenses relating to the change shall be borne by the Owner making the Change.

(i) Each and every conveyance, lease and mortgage or other lien made or created on any Unit and all common interests and other appurtenances thereto shall be subject to the provisions of this paragraph 19 and any lease of an Exclusive Use Area shall reserve to all Owners the rights set forth in this paragraph 19. <sup>11</sup>

### SUMMARY OF PERTINENT PROVISIONS OF SALES CONTRACT

Developer has filed a specimen Deposit Receipt and Sales Contract (“Sales Contract”) with the Hawaii Real Estate Commission, which contains certain pertinent provisions summarized as follows:

I.4.a & I.5.c. CONDOMINIUM DOCUMENTS. By closing the purchase of the Apartment, Buyer acknowledges that it has examined and approved the form of the Apartment Deed, Declaration of Condominium Property Regime of 846 & 848 Twentieth Avenue (“Declaration”), By-Laws, Escrow Agreement, Final Public Report, Rules and Regulations, Condominium Map, and any amendments to such documents or plan. The Condominium Map is intended to show only the layout, location, apartment numbers and dimensions of the apartments and is not intended to be and is not a representation, warranty or promise to Buyer.

I.4.b. MODIFICATION OF DOCUMENTS. Developer can make certain modifications to the Declaration, By-Laws, Condominium Map and Apartment Deed provided no modification shall (1) increase Buyer’s share of the common expenses, (2) increase the cost of the property covered thereby, (3) require a substantial physical change of the building in which the Apartment is situated, (4) reduce the obligations of Seller for common expense on unsold apartments; or (5) substantially impair or modify any of the obligations given or undertaken by Seller.

I.5.a. NO WARRANTIES. Seller is making no warranties, express or implied (including warranties of merchantability, habitability, workmanlike construction or fitness for a particular purpose), regarding the Apartments, common elements, or Project, fixtures, appliances, furnishings, consumer items in the Apartments or anything connected with the Project. Developer’s construction contract with the contractor for the Project contains a provision that for a period of one year after the date of substantial completion of work or any designated portion thereof, contractor shall correct any work not conforming to the contract documents.

Ninety days before filing a lawsuit against a contractor who designed, repaired or constructed Buyer’s house, Buyer must file a written notice with the contractor alleging the defective construction conditions. Contractor has an opportunity to offer to repair and/or pay for defects but Buyer is not obligated to accept the offer. Under law, there are strict deadlines that, if not followed, may negatively affect Buyer’s ability to file a lawsuit or other action.

Developer will transfer to Buyer any manufacturer’s or dealer’s warranties that can be transferred covering any furnishings, fixtures, appliances or consumer products in the Apartment.

Developer is not acting as a warrantor or co-warrantor but is only attempting to pass on the benefits of manufacturer’s or dealer’s warranties.

I.5.b. ACCEPTANCE OF APARTMENT. Developer or contractor may ask Buyer to inspect the Apartment before Closing. Buyer agrees to accept possession of the Apartment even if Buyer has not inspected the Apartment prior to Closing.

I.5.e. SELLER'S STATEMENT. Seller's disclosures in the Contract and the Project Documents about the Apartment and the Project are based on observations of visible, accessible areas and information within the knowledge and control of Seller. Buyer should hire his own experts to inspect the Apartment and Project.

I.5.f.(6). LIQUIDATED DAMAGES. In the event Buyer alleges that Seller violated any federal or state disclosure laws or regulations (including the Hawaii Condominium Act and federal and state securities law), Buyer's only remedy will be to sue for a refund of the purchase price and closing costs actually paid plus interest at 6% per annum from the date of closing until the date of repayment. If Buyer is successful, this remedy will constitute liquidated damages and Buyer cannot claim damage for changes to the Apartment, maintenance fees, real property taxes, mortgage fees and interest on the mortgage or any other damages.

I.3; I.6.;I.9. SELLER'S RIGHT TO CANCEL In addition to any other rights of cancellation reserved to Seller, if (a) Buyer's deposit check is returned for insufficient funds, (b) Buyer intends to obtain financing and fails to meet the deadlines regarding applying for financing or to obtain an irrevocable written commitment for an adequate loan within 20 days of the acceptance of the Sales Contract by Seller, (c) Buyer intends to pay all cash and fails to provide proof of ability to pay within 5 days after Seller accepts the Sales Contract, or (d) Buyer should die prior to Closing, or (e) Buyer shall default or fail to perform other obligations under the Contract and is not cured within 5 days of Seller's notice to Buyer, Seller reserves the right to cancel the Sales Contract and return Buyer's check or payments, without interest and less the processing and cancellation fee imposed by Escrow Agent and any other actual expenses incurred by reason of Buyer's execution of the Sales Contract.

I.6.d. BUYER'S RIGHT TO CANCEL Buyer has the right to cancel a binding Sales Contract at any time prior to the earlier of (1) the conveyance of an apartment to Buyer or (2) midnight of the thirtieth (30<sup>th</sup>) day following the receipt of the Final Public Report unless Buyer waives his right to cancel in writing prior to such time. Buyer also has the right to rescind the Sales Contract pursuant to HRS §514A-63.

I.7.d. CLOSING COSTS. Buyer shall pay all closing costs. Real property taxes, assessments paid and insurance shall be prorated as of the Closing.

I.8. SUBORDINATION. Buyer acknowledges that Seller may obtain a loan and grant a mortgage covering Seller's interest in the Project land and the Project, including the Sales Contract. Buyer acknowledges and agrees that all security interests obtained by a lender in connection with such loan as well as any extensions, renewals and modifications thereof, shall be and remain at all times a lien or charge on the Project, including the Apartment covered by the Sales Contract, prior to and superior to any and all liens or charges on the Project arising from the Sales Contract. Buyer hereby expressly waives, relinquishes and subordinates the priority or superiority of any lien under the Sales Contract in favor of the lien or charge on the Project of the security interests of lender.

I.9. & I.5.b. DEFAULT. Time is of the essence of the Sales Contract, and if the Sales Contract is binding and Buyer shall default in any payment when required or fail to perform any other obligations required of Buyer and shall fail to cure such default within five (5) days after receipt of written notice thereof from Seller, Seller may, at Seller's option, terminate the Sales Contract by written notice to Buyer. In the event of such default, the parties hereto understand and agree that the sums paid by Buyer prior to such default shall belong to Seller as liquidated damages. In addition, Buyer shall pay all fees for documents that have been prepared in connection with Buyer's proposed purchase of the Apartment. Seller may also pursue any other remedy at law or in equity for specific performance or damages, and all costs, including attorneys' fees, incurred by reason of default by Buyer shall be borne by Buyer.

THIS EXHIBIT CONTAINS ONLY SUMMARIES OF CERTAIN PERTINENT PROVISIONS CONTAINED IN THE DEPOSIT RECEIPT AND SALES CONTRACT. PROSPECTIVE OWNERS SHOULD READ AND UNDERSTAND ALL OF THE PROVISIONS IN THEIR ENTIRETY CONTAINED IN THE AFORESAID DOCUMENT.

Dear Mr. Wong:

Subject: Condominium Conversion Project  
846 20<sup>th</sup> Avenue  
Tax Map Key: 3-2-053: 050

This is in response to your letter dated August 23, 2004 requesting verification that the structures on the above-mentioned property met all applicable code requirements at the time of construction.

Investigation revealed that the two one-story single-family detached dwellings with two all-weather-surface off-street parking spaces met all applicable code requirements when they were constructed prior to 1935 on this 9,375-square foot R-5 Residential District zoned lot.

Investigation also revealed the following:

- 1) The number of all-weather-surface off-street parking spaces (2) is considered to be nonconforming.
- 2) The two single-family detached dwellings are considered nonconforming dwelling units. For your information, if any dwelling is destroyed by any means to an extent of more than 50 percent of its replacement cost at the time of destruction, it shall not be reconstructed except in conformity with Article 4 and other provisions of the Land Use Ordinance.

No variances or special permits were granted to allow deviations from any applicable codes.

For your information, the Department of Planning and Permitting cannot determine all other legal nonconforming uses or structures as a result of the adoption or amendment of any ordinances or codes.

Conversion to a condominium property regime (CPR) is not recognized by the City and County as an approved subdivision. CPR delineates ownership; it does not create separate lots of record for subdivision and zoning purposes.

If you have any questions regarding this matter, please contact Mr. Ivan Matsumoto of our Commercial & Multi-family Code Enforcement Branch at 527-6341.

Sincerely yours,
