General Information On Condominiums

A condominium is a special form of real property. To create a condominium in Hawaii, the requirements of the Condominium Property Act, Chapter 514A, Hawaii Revised Statutes, must be complied with. In addition, certain requirements and approvals of the County in which the project is located must be satisfied and obtained.

Some condominium projects are leasehold. This means that the land or the building(s) and other improvements are leased to the buyer. The lease for the land usually requires that at the end of the lease term, the lessees (apartment owners/tenants) deliver their interest in the land to the lessor (fee property owner). The lease also usually requires that the lessees either (1) convey to the lessor the building(s) and other improvements, including any improvements paid for by the lessees; or (2) remove or dispose of the improvements at the lessee's expense. Leases for individual apartments often require that at the end of the lease term, the lessee deliver to the lessor the apartment, including any improvements placed in the apartment by the lessee.

If you are a typical condominium apartment owner, you will have two kinds of ownership: (1) ownership in your individual apartment; and (2) an undivided interest in the common elements.

"Common elements" are the areas of the condominium project other than the individual apartments. They are owned jointly by all apartment owners and include the land, either in fee simple or leasehold, and those parts of the building or buildings intended for common use such as foundations, columns, roofs, halls, elevators, and the like. Your undivided interest in the common elements cannot be separated from ownership of your apartment.

In some condominium projects, some common elements are reserved for the exclusive use of the owners of certain apartments. These common elements are called "limited common elements" and may include parking stalls, patios, lanais, trash chutes, and the like.

You will be entitled to exclusive ownership and possession of your apartment. Condominium apartments may be individually bought, sold, rented, mortgaged or encumbered, and may be disposed of by will, gift, or operation of law.

Your apartment will, however, be part of the group of apartments that comprise the condominium project. Study the project's Declaration, Bylaws, and House Rules. These documents contain important information on the use and occupancy of apartments and the common elements as well as the rules of conduct for owners, tenants, and guests.

Operation of the Condominium Project

The Association of Apartment Owners is the entity through which apartment owners may take action with regard to the administration, management, and operation of the condominium project. Each apartment owner is automatically a member of the Association.

The Board of Directors is the governing body of the Association. Unless you serve as a board member or an officer, or are on a committee appointed by the board, your participation in the administration and operation of the condominium project will in most cases be limited to your right to vote as an apartment owner. The Board of Directors and officers can take certain actions without the vote of the owners. For example, the board may hire and fire employees, increase or decrease maintenance fees, borrow money for repair and improvements and set a budget. Some of these actions may significantly impact the apartment owners.

Until there is a sufficient number of purchasers of apartments to elect a majority of the Board of Directors, it is likely that the developer will effectively control the affairs of the Association. It is frequently necessary for the developer to do so during the early stages of development and the developer may reserve certain special rights to do so in the Declaration and Bylaws. Prospective buyers should understand that it is important to all apartment owners that the transition of control from the developer to the apartment owners be accomplished in an orderly manner and in a spirit of cooperation.

**II. CREATION OF THE CONDOMINIUM;
CONDOMINIUM DOCUMENTS**

A condominium is created by recording in the Bureau of Conveyances and/or filing with the Land Court a Declaration of Condominium Property Regime, a Condominium Map (File Plan), and the Bylaws of the Association of Apartment Owners. The Condominium Property Act (Chapter 514A, HRS), the Declaration, Bylaws, and House Rules control the rights and obligations of the apartment owners with respect to the project and the common elements, to each other, and to their respective apartments. The provisions of these documents are intended to be, and in most cases are, enforceable in a court of law.

A. **Declaration of Condominium Property Regime** contains a description of the land, buildings, apartments, common elements, limited common elements, common interests, and other information relating to the condominium project.

The Declaration for this condominium is:

They provide for the manner in which the Board of Directors of the Association of Apartment Owners is elected, the powers and duties of the Board, the manner in which meetings will be conducted, whether pets are prohibited or allowed and other matters which affect how the condominium project will be governed.

The Bylaws for this condominium are:

The Bylaws referred to above have been amended by the following instruments [state name of document, date and recording/filing information]:

D. **House Rules.** The Board of Directors may adopt House Rules to govern the use and operation of the common elements and limited common elements. House Rules may cover matters such as parking regulations, hours of operation for common facilities such as recreation areas, use of lanais and requirements for keeping pets. These rules must be followed by owners, tenants, and guests. They do not need to be recorded or filed to be effective. The initial House Rules are usually adopted by the developer.

The House Rules for this condominium are:

Proposed Adopted Developer does not plan to adopt House Rules

E. **Changes to Condominium Documents** Changes to the Declaration, Condominium Map, and Bylaws are effective only if they are duly adopted and recorded and/or filed. Changes to House Rules do not need to be recorded or filed to be effective.

IMPORTANT INFORMATION ON LEASEHOLD CONDOMINIUM PROJECTS

The information contained in this report is a summary of the terms of the lease. For more detailed information, you should secure a copy of the lease documents and read them thoroughly.

If you have any legal questions about leasehold property, the lease documents or the terms of the lease and the consequences of becoming a lessee, you should seek the advice of an attorney.

There are currently no statutory provisions for the mandatory conversion of leasehold condominiums and there are no assurances that such measures will be enacted in the future.

In leasehold condominium projects, the buyer of an apartment will acquire the right to occupy and use the apartment for the time stated in the lease agreement. The buyer will not acquire outright or absolute fee simple ownership of the land. The land is owned by the lessor or the leased fee owner. The apartment owner or lessee must make lease rent payments and comply with the terms of the lease or be subject to the lessor's enforcement actions. The lease rent payments are usually fixed at specific amounts for fixed periods of time, and are then subject to renegotiation. Renegotiation may be based on a formula, by arbitration set in the lease agreement, by law or by agreement between the lessor and lessee. The renegotiated lease rents may increase significantly. At the end of the lease, the apartment owners may have to surrender the apartments, the improvements and the land back to the lessor without any compensation (surrender clause).

When leasehold property is sold, title is normally conveyed by means of an assignment of lease, the purpose of which is similar to that of a deed. The legal and practical effect is different because the assignment conveys only the rights and obligations created by the lease, not the property itself.

The developer of this condominium project may have entered into a master ground lease with the fee simple owner of the land in order to develop the project. The developer may have then entered into a sublease or a new lease of the land with the lessee (apartment owner). The developer may lease the improvements to the apartment owner by way of an apartment lease or sublease, or sell the improvements to the apartment owners by way of a condominium conveyance or apartment deed.

11. Conformance to Present Zoning Code

- a. No variances to zoning code have been granted.
 Variance(s) to zoning code was/were granted as follows:

b. Conforming/Non-Conforming Uses, Structures, Lot

In general, a non-conforming use, structure, or lot is a use, structure, or lot which was lawful at one time but which does not now conform to present zoning requirements.

	<u>Conforming</u>	<u>Non-Conforming</u>	<u>Illegal</u>
Uses	<u> X </u>	<u> </u>	<u> </u>
Structures	<u> X </u>	<u> </u>	<u> </u>
Lot	<u> X </u>	<u> </u>	<u> </u>

If a variance has been granted or if uses, improvements or lot are either non-conforming or illegal, buyer should consult with county zoning authorities as to possible limitations which may apply.

Limitations may include restrictions on extending, enlarging, or continuing the non-conformity, and restrictions on altering and repairing structures. In some cases, a non-conforming structure that is destroyed or damaged cannot be reconstructed.

The buyer may not be able to obtain financing or insurance if the condominium project has a non-conforming or illegal use, structure, or lot.

D. Common Elements, Limited Common Elements, Common Interest:

1. Common Elements: Common Elements are those parts of the condominium project other than the individual apartments. Although the common elements are owned jointly by all apartment owners, those portions of the common elements which are designated as limited common elements (see paragraph 2 below) may be used only by those apartments to which they are assigned. The common elements for this project, as described in the Declaration, are:

described in Exhibit "E".

as follows:

2. Limited Common Elements: Limited Common Elements are those common elements which are reserved for the exclusive use of the owners of certain apartments.

There are no limited common elements in this project.

The limited common elements and the apartments which use them, as described in the Declaration, are:

described in Exhibit "F".

as follows:

3. Common Interest: Each apartment will have an undivided fractional interest in all of the common elements. This interest is called the "common interest." It is used to determine each apartment's share of the maintenance fees and other common profits and expenses of the condominium project. It may also be used for other purposes, including voting on matters requiring action by apartment owners. The common interests for the apartments in this project, as described in the Declaration, are:

described in Exhibit "G".

as follows:

- E. Encumbrances Against Title: An encumbrance is a claim against or a liability on the property or a document affecting the title or use of the property. Encumbrances may have an adverse effect on the property or your purchase and ownership of an apartment in the project.

Exhibit "H" describes the encumbrances against the title contained in the title report dated May 19, 2006 and issued by Island Title Corporation.

Blanket Liens:

A blanket lien is an encumbrance (such as a mortgage) on the entire condominium project that secures some type of monetary debt (such as a loan) or other obligation. A blanket lien is usually released on an apartment-by-apartment basis upon payment of specified sums so that individual apartments can be conveyed to buyers free and clear of the lien.

[] There are no blanket liens affecting title to the individual apartments.

[X] There are blanket liens which may affect title to the individual apartments.

Blanket liens (except for improvement district or utility assessments) must be released before the developer conveys the apartment to a buyer. The buyer's interest will be affected if the developer defaults and the lien is foreclosed prior to conveying the apartment to buyer.

<u>Type of Lien</u>	<u>Effect on Buyer's Interest and Deposit if Developer Defaults or Lien is Foreclosed Prior to Conveyance</u>
Mortgage	Buyer's interest will be terminated and Buyer may be entitled to a refund of deposit, less escrow cancellation fees.

F. Construction Warranties:

Warranties for individual apartments and the common elements, including the beginning and ending dates for each warranty, are as follows:

- Building and Other Improvements:**
Developer does not make any warranties for the Project, but merely intends to pass on any warranties made to it by the general contractor (or any other contractor, subcontracts or parties) for the Project to correct work found to be defective within the applicable period. Typically, a general contractor will provide a warranty for work to be found defective within one year after the date of substantial completion. Additionally, a 10-year limited warranty regarding the structural element (as defined in the policy) and other additional warranties are being provided, subject to limitations as set forth in the warranty. Buyers are encouraged to review and learn about these warranties.
- Appliances:**
Developer will pass on the manufacturer's warranties made to it, if any, on the appliances included as part of the Apartment being conveyed.

G. **Status of Construction and Date of Completion or Estimated Date of Completion:**

Construction of the Project commenced around June 2005. Developer estimates, but does not guarantee, that the Project, in its entirety, will be completed by December 31, 2008. Developer estimated this completion date using reasonable methods and current information. However, as is typical in construction projects, there are a number of circumstances which may require the extension of this estimated completion date, including but not limited to fire, earthquake, other acts of God, war or civil disturbance, litigation or threats of litigation, strikes or labor trouble, the unavailability or delay in obtaining necessary labor or materials, and other circumstances.

The Project will have access from North Kaniku Drive.

H. **Project Phases:**

The developer has has not reserved the right to add to, merge, or phase this condominium.

Summary of Developer's plans or right to perform for future development (such as additions, mergers or phasing):

N/A.

IV. CONDOMINIUM MANAGEMENT

A. **Management of the Common Elements:** The Association of Apartment Owners is responsible for the management of the common elements and the overall operation of the condominium project. The Association may be permitted, and in some cases may be required, to employ or retain a condominium managing agent to assist the Association in managing the condominium project.

Initial Condominium Managing Agent: When the developer or the developer's affiliate is the initial condominium managing agent, the management contract must have a term of one year or less and the parties must be able to terminate the contract on notice of 60 days or less.

The initial condominium managing agent for this project, named on page five (5) of this report, is:

not affiliated with the Developer the Developer or Developer's affiliate
 self-managed by the Association of Apartment Owners Other: _____

B. **Estimate of Initial Maintenance Fees:**

The Association will make assessments against your apartment to provide funds for the operation and maintenance of the condominium project. If you are delinquent in paying the assessments, a lien may be placed on your apartment and the apartment may be sold through a foreclosure proceeding.

Initial maintenance fees are difficult to estimate and tend to increase as the condominium ages. Maintenance fees may vary depending on the services provided.

Exhibit "I" contains a schedule of estimated initial maintenance fees and maintenance fee disbursements (subject to change).

C. **Utility Charges for Apartments:**

Each apartment will be billed separately for utilities except for the following checked utilities which are included in the maintenance fees:

None Electricity (Common Elements only ___ Common Elements & Apartments)
 Gas (___ Common Elements only ___ Common Elements & Apartments)
 Water Sewer Television Cable
 Other refuse

* THE AMOUNTS SET FORTH IN EXHIBIT "I" ARE ESTIMATES ONLY AND MAY CHANGE FOR REASONS BEYOND THE CONTROL OF THE DEVELOPER. SUCH ESTIMATES ARE NOT INTENDED TO BE AND DO NOT CONSTITUTE ANY REPRESENTATION OR WARRANTY BY THE DEVELOPER, INCLUDING BUT NOT LIMITED TO THE REPRESENTATION OR WARRANTY AS TO THE ACCURACY OF SUCH ESTIMATES.

B. Buyer's Right to Cancel Sales Contract:

1. Rights Under the Condominium Property Act (Chapter 514A, HRS):

Preliminary Report: Sales made by the developer are not binding on the prospective buyer. Sales made by the developer may be binding on the developer unless the developer clearly states in the sales contract that sales are not binding. A prospective buyer who cancels the sales contract is entitled to a refund of all moneys paid, less any escrow cancellation fee up to \$250.00.

Supplementary Report to a Preliminary Report: Same as for Preliminary Report.

Final Report or Supplementary Report to a Final Report: Sales made by the developer are binding if:

- A) The Developer delivers to the buyer a copy of:
 - 1) Either the Final Public Report **OR** the Supplementary Public Report which has superseded the Final Public Report for which an effective date has been issued by the Real Estate Commission; **AND**
 - 2) Any other public report issued by the developer prior to the date of delivery, if the report was not previously delivered to the buyer and if the report has not been superseded;
- B) The buyer is given an opportunity to read the report(s); **AND**
- C) One of the following has occurred:
 - 1) The buyer has signed a receipt for the report(s) and waived the right to cancel; or
 - 2) Thirty (30) days have passed from the time the report(s) were delivered to the buyer; or
 - 3) The apartment is conveyed to the buyer within 30 days from the date the report(s) were delivered to the buyer.

Material Change: Binding contracts with the Developer may be rescinded by the buyer if:

- A) There is a material change in the project which directly, substantially, and adversely affects (1) the use or value of the buyer's apartment or its limited common elements; or (2) the amenities available for buyer's use; **AND**
- B) The buyer has not waived the right to rescind.

If the buyer rescinds a binding sales contract because there has been a material change, the buyer is entitled to a full and prompt refund of any moneys the buyer paid.

2. Rights Under the Sales Contract: Before signing the sales contract, prospective buyers should ask to see and carefully review all documents relating to the project. If these documents are not in final form, the buyer should ask to see the most recent draft. These include but are not limited to the:
- A) Condominium Public Reports issued by the developer which have been issued an effective date by the Hawaii Real Estate Commission.
 - B) Declaration of Condominium Property Regime, as amended.
 - C) Bylaws of the Association of Apartment Owners, as amended.
 - D) House Rules, if any.

Copies of the condominium and sales documents and amendments made by the developer are available for review through the developer or through the developer's sales agent, if any. C. Additional Information Not Covered Above

Mauna Lani Resort Association

Through the homeowners association, Purchasers are responsible for their share of assessments by the Mauna Lani Resort Association. The estimated assessments, levied monthly (and is included in the estimated maintenance fees in Exhibit I), are approximately \$102 per Apartment.

Recreation Complex Association

Purchasers are responsible for their share of assessments by the Recreation Complex Association. The estimated monthly expense is \$85 per Apartment.

Pets

As stated in the Bylaws and House Rules, certain pets are allowed to be kept in an Apartment and may be on the Project. However, pets may be prohibited in certain areas governed by the Mauna Lani Resort Association outside of the Project, which may change from time to time. Owners who have pets and have questions as to the location of these prohibited areas should contact the Mauna Lani Resort Association at 68-1310 Mauna Lani Drive, Suite 101, Kohala Coast, Hawaii 96743-9704, telephone (808) 885-6677 and review the Association's documents concerning the subject.

Separate Final Public Reports

As indicated on Page 1 hereof, this Final Public Report only covers 48 of the 126 apartments that comprise the Project. In other words, as a sales strategy, the Developer has opted to obtain one or more separate Final Public Reports for the remaining apartments of the Project. Each group of apartments subject to a separate Final Public Report shall be referred to in this paragraph as a "Sales Phase." Phase II, consisting of the remaining 78 apartments, has been issued a Contingent Final Public Report (Reg. No. 6052 07/25/06).

Purchasers shall therefore be aware that not all 126 apartments in the Project as described in the Contingent Final Report will be closing at or about the same time, but rather in phases over a period of time. Further, the Developer shall obtain one or more separate Final Public Reports for all of the apartments in the Project.

The Developer hereby discloses that although separate Final Condominium Public Reports will be issued for each Sales Phase of the Project, all 126 apartments shall comprise a single condominium project. In other words, the art of separating the various apartments into different Sales Phases does not create separate and distinct condominium projects. Accordingly, the common elements described in Exhibit "E" of this Condominium Public Report serve each of the 126 apartments. Purchasers should be aware, therefore, that a blanket lien which arises against the common elements will affect all of the apartments of the Project notwithstanding the fact that separate Final Condominium Public Reports have been obtain for each Sales Phase.

Maintenance and Start Up Fees

Exhibit "I" is for the Estimated Maintenance of all 126 apartments, including the 48 designated herein.

HRS 514B - New Condominium Law Codification

A new condominium law for the State of Hawaii will take effect as of July 1, 2006 and is codified as Hawaii Revised Statutes Chapter 514B ("HRS 514B"). The existing condominium law, found at Hawaii Revised Statutes Chapter 514A, will continue to be applicable to this Project, subject to certain sections being superceded by HRS 514B. Buyers should retain counsel to answer any questions they may have with regard to the affect HRS 514B will have on this Project.

B1 (reverse)	.6154%
B2	.8845%
B2 (reverse)	.8845%
B3	.7541%
B3 (reverse)	.7541%

- * Note: Apartment 102's common interest is slightly more by a de minimus amount (.9401% instead of .9349%) in order for the common interest to equal 100% in the aggregate.

EXHIBIT "I"

Estimate of Initial Maintenance Fees AND Estimate of Maintenance Fee Disbursements

Estimate of Initial Maintenance Fees for Each Apartment Type (not aggregate):

<u>Apartment</u>	<u>Monthly Fee x 12 months = Yearly Total</u>	
Type A1 & A1 (reverse)	\$ 970	\$11,645
Type A2 & A2 (reverse)*	\$ 1,050	\$12,604
Type B1 & B1 (reverse)	\$ 691	\$ 8,297
Type B2 & B2 (reverse)	\$ 994	\$11,925
Type B3 & B3 (reverse)	\$ 847	\$10,167

Maintenance fees are intended to cover the Common Expenses of the Project (i.e., the expenses attributable to the maintenance and operation of the "general" Common Elements of the Project). Maintenance fees shall be charged to each Apartment Owner based upon said Owner's Common Interest.**

* Due to Apartment 102's slightly larger common interest (as described in Exhibit "G"), Apartment 102's estimated maintenance fees are \$1,056 per month (or \$12,675 annually).

** Except for those maintenance fees paid as part of the closing costs, the Apartment owner shall not be obligated for the payment of his respective share of the common expenses until such time the developer files an amended abstract with the Commission which shall provide, that after a date certain, the respective Apartment owner shall thereafter be obligated to pay for his respective share of common expenses that is allocated to his Apartment.

Recreation Complex Assessment

The estimates of the initial maintenance fees do not include each Apartment's share of the Recreation Complex Association expenses and assessments. As set forth in this Exhibit "I", the estimate of the initial expenses and assessment from the Recreation Complex Association is \$85 per Apartment. This amount does not include assessments for capital reserves.

The amounts set forth in this Exhibit "I" are estimates only. Such estimates are not intended to be and do not constitute any representation or warranty by the Developer, including but not limited to any representation or warranty as to the accuracy of the estimates. The estimated initial maintenance fees for each Apartment by Apartment type does not include assessments for capital reserves. Reasonable efforts to consider current information were used to determine these estimates. However, as is typical, these estimates may change for any number of reasons, including but not limited to changes in the economy, amounts charged by service providers or Acts of God (such as the affect Hurricane Katrina which has resulted in an increase in insurance premiums).

Reserve Assessment:

The Developer has not completed an independent, third party reserve study as contemplated by §514A-83.6, HRS, and the replacement reserve rules, subchapter 6, Title 16, Chapter 107, Hawaii Administrative Rules, as amended (collectively, the "Reserves Law"), at this time for either the Project or the Recreation Complex.

For both the Project and the Recreation Complex, "Start-up fees" in an amount equal to two (2) months of the estimated maintenance fees will be collected from each purchaser at closing to start funding the maintenance fees and one (1) month of maintenance fees will be collected from each purchaser at closing to start funding the reserves. This one-time reserves payment is to be made by each purchaser and will be supplemented by an assessment to be determined by the Association in accordance with the Reserves Law.

The Real Estate Commission has not reviewed the estimates of maintenance fee assessments and disbursements for their accuracy or sufficiency

DATE

* Mandatory reserves assessment and collection in effect beginning 1994 budget year. The Developer is to attach to this exhibit an explanation whether in arriving at the figure for "Reserves", the Developer conducted a reserve study in accordance with 514A-83.6, HRS, and the replacement reserve rules, Subchapter 6, Title 16, Chapter 107, Hawaii Administrative Rules, as amended.

Pursuant to 514A-83.6, HRS, a new association created after January 1, 1993, need not collect estimated replacement reserves until the fiscal year which begins after the association's first annual meeting.

¹ Kulalani at Mauna Lani has 126 Apartments. Developer understands that the condominium project at Tax Map Key No. (3) 6-8-22-41 may have, in the aggregate, approximately 137 Apartments. The two projects will be sharing the Recreation Complex and entrance to the Project. Each Apartment will bear an equal share of the expenses for these areas, e.g. 1/263rd of the expenses. Excludes pro rata share of Reserves.

EXHIBIT "J"

Summary of Purchase Agreement

The specimen Purchase Agreement for Kulalani at Mauna Lani ("Agreement") contains, among other things, the following terms and conditions (which may be modified or otherwise limited by provisions which are not summarized hereinbelow):

- A. The Seller (Developer) has engaged Island Title Corporation ("Escrow") to handle Purchaser's funds and to close the transaction in accordance with the terms of the Agreement. All payments to be made under the Agreement shall be paid by Purchaser to Escrow pursuant to the Escrow Agreement.
- B. The Purchaser specifically acknowledges and agrees that the Declaration contains reservations of certain rights in favor of Seller, the Association and other owners, and contains certain other provisions to which the Purchaser consents.
- C. The "Closing Date" shall be that date (following the completion of the structure in which the Apartment is located) upon which the Seller certifies to the Purchaser in writing that the Apartment is ready for occupancy. On the Closing Date, Seller and Purchaser shall be required to perform their respective obligations to purchase and sell the Apartment under the Agreement; provided, however, that the Seller may extend the Closing Date in the event that Purchaser's Apartment is not ready for occupancy to Purchaser due to any delay caused by the factors set forth in Section C.19. below. Except as set forth in the preceding sentence, the Closing Date may be extended only by the mutual agreement of the parties. All payments shall be due and payable in full on the Closing Date, and, if not paid on said date due to Purchaser's failure to act in a diligent manner in order for said payment to be made on said date, then such nonpayment shall result in a default under the Agreement. In the event of failure of Purchaser to actually close on the Closing Date scheduled by Seller, and in the event Seller waives its right to claim a default as provided in Section C.8 and in Section C.1.d, Purchaser agrees to pay, in addition to all other amounts due, a late charge of one and one-half percent (1-1/2%) per month (based on the amount of the total Purchase Price) for each month or portion thereof on a 30-day month prorated basis, until the date on which the actual closing date occurs. Seller's failure to exercise any right or remedy under the Agreement shall not constitute a waiver of any of such defaults or of any of such rights, including without limitation, the right to cancel the Agreement, and will not constitute a modification of the Agreement. Escrow shall not record Purchaser's Apartment Deed until Escrow has received a certificate from a title company authorized to do business in Hawaii and approved by Seller, stating that, upon filing of such Apartment Deed, the Apartment and appurtenant common interest thereby conveyed are free and clear of all liens, encumbrances and assessments whatsoever other than those permitted by law and the Agreement. Real property taxes, maintenance costs, and other prorations shall be made, and risk of loss shall transfer from Seller to Purchaser on the Closing Date. Purchaser expressly acknowledges that on the Closing Date, the construction of the other Apartments and portions of the common elements of the Project may not be fully completed and that such circumstances shall not in any way affect Purchaser's obligations to make the required payments and close the sale.
- D. The Purchase Price does not include closing costs which include, among other things, the escrow fee, cost of a preliminary title report, cost of preparation of the Apartment Deed, cost of preparing an amendment to the Declaration in the event that Purchaser wishes to buy an additional parking stall, real property tax and other prorations, all acknowledgment fees, conveyance taxes, title insurance, if requested by Purchaser, cost of any lender's title insurance, appraisal fees, costs for drafting of any notes and mortgages, all recording costs or fees, loan fees, credit report costs and all other applicable mortgage costs, all of which the Purchaser shall be responsible

to pay at Closing. Purchaser shall also pay a start-up fee equal to two (2) months of estimated maintenance fees in advance and an additional fee equal to one (1) month estimated maintenance fees for the reserves assessment at Closing.

E. Purchaser agrees that it will not assign the Agreement to anyone. Seller may, without any consent of Purchaser, freely assign Seller's interests therein.

F. Purchaser shall not be entitled to possession of the Apartment as the owner thereof until Purchaser has completed all required payments and has executed all documents relating to the purchase, and Purchaser has performed the remaining terms and conditions of the Agreement which are to be performed as of the Closing.

G. Notices to either party may be delivered personally or mailed.

H. The Purchaser acknowledges that Purchaser has entered into the Agreement without any reference or representation by Seller or any salesperson that the Seller, or any managing agent of the Project or anyone else affiliated with the Seller will provide, directly or indirectly, any services relating to the rental or sale or management of the Apartment purchased.

I. The laws of the State of Hawaii shall govern all matters with respect to the Agreement.

J. Purchaser has examined and approved the estimate of monthly maintenance charges for the Property as shown in the Public Report. Purchaser is aware that such amounts are only estimates and may change for reasons beyond the control of Seller, and Purchaser hereby specifically accepts and approves any such changes.

THE ABOVE SUMMARY IS NOT INTENDED TO BE A THOROUGH AND EXHAUSTIVE EXPLANATION OF ALL TERMS AND PROVISIONS CONTAINED IN THE PURCHASE AGREEMENT. WHILE A PURCHASER CAN USE THIS SUMMARY AS A GENERAL SUMMARY OF PURCHASER'S RIGHTS AND OBLIGATIONS UNDER THE PURCHASE AGREEMENT, PURCHASER MUST REFER TO THE PURCHASE AGREEMENT TO DETERMINE PURCHASER'S ACTUAL RIGHTS AND OBLIGATIONS. IF ANY CONFLICT OR DIFFERENCE EXISTS BETWEEN THIS SUMMARY AND THE PURCHASE AGREEMENT, THE PURCHASE AGREEMENT WILL CONTROL.

Summary of Escrow Agreement

The Escrow Agreement for the Project dated January 10, 2005 ("Agreement") contains the following provisions (which may be modified or otherwise limited by provisions which are not summarized hereinbelow):

A. When Seller (Developer) enters into a purchase agreement for the sale of an apartment or other interest in the Project ("Purchase Agreement"), Seller shall deliver an executed copy of the Purchase Agreement to Escrow together with the address of the Purchaser and pay over to Escrow all monies (including checks) received by Seller from or on behalf of the Purchaser, including those received relating to up-grades to the apartment and all payments made on loan commitments from lending institutions on account of any apartments in said Project, other than funds received from interim financing.

B. Escrow shall receive, deposit and hold in separate escrow accounts and disburse as set forth in the Agreement: (a) all payments received by it under Purchase Agreements, (b) such sums received by it under the Agreement from or for the account of Seller, and (c) all sums received by it from any other source with respect to the Project, including sums received by Seller for up-grades to the apartment. Escrow shall not at any time commingle or permit the commingling of any Purchaser's funds with funds belonging to or held for the benefit of Seller.

All funds and instruments received from Purchasers or prospective Purchasers shall be held by Escrow in accordance with the provisions contained in Chapter 514A of the Hawaii Revised Statutes. All monies received by Escrow hereunder shall be deposited, within a reasonable time of the receipt by Escrow, in an interest bearing account with a federally insured financial institution authorized to do business in the State of Hawaii under an escrow arrangement, and shall be held in immediately available funds in accordance with the terms of the Agreement. All income therefrom and interest paid thereon shall be credited to the account of Seller.

C. Escrow shall make no disbursements of Purchaser's funds or proceeds from the sale of apartments in the Project (including any payments made on loan commitments from lending institutions), except by way of refunds thereof as provided in the Agreement, until Escrow has been instructed by Seller. In addition, no disbursements of Purchaser's funds shall be made from the balance of the escrow fund until Escrow receives satisfactory evidence that all mechanics' and materialmen's liens have been cleared, unless sufficient funds are set aside for any bona fide dispute.

D. Each Purchaser shall be entitled to a return of his or her funds, without interest, and Escrow shall pay such funds to such Purchaser, promptly after request for return by the Purchaser if one of the following has occurred:

(1) Escrow receives a written request from Seller to return to the Purchaser the funds of the Purchaser then being held pursuant to the Agreement by Escrow; or

(2) Seller notifies Escrow in writing of Seller's exercise of the option to rescind the Purchase Agreement pursuant to any right of rescission stated therein or otherwise available to Seller.

Upon the cancellation of the Purchase Agreement as specified above, Escrow may be entitled to a cancellation fee. Notwithstanding anything in the Agreement or the Purchase Agreement to the contrary, said

compensation to Escrow shall be the sole expense of the individual purchaser and shall not in any way be the obligation of the Seller.

E. If the Purchaser fails to make any payment on or before the due date thereof or if the Purchaser does or fails to do any act, which would constitute an event of default under the Purchase Agreement, Seller shall promptly give to such Purchaser and to Escrow, written notice of default. If Purchaser has failed to cure the default after the delivery of notice by Escrow and such default continues after the expiration of any grace period, Escrow shall so advise Seller. If Seller shall thereafter certify in writing to Escrow: (1) that Seller has elected to terminate the Purchase Agreement and has notified the Purchaser, or (2) that Purchaser is otherwise in default, then, and in either event, Escrow, subject to the provisions relating to dispute and conflicting demands set forth in paragraph 16 of the Agreement, shall thereafter treat all funds of the Purchaser paid under such Purchase Agreement, or any portion thereof as may be allowed by said Purchase Agreement, less Escrow's cancellation fee, as funds of Seller and not of the Purchaser. Thereafter, such funds shall be held free of the escrow established by the Agreement and shall be held by Escrow for the account of Seller. Upon written request by Seller, Escrow shall pay such funds to Seller or order and shall return to Seller the Purchase Agreement of such Purchaser and any other documents theretofore delivered to Escrow in connection with the purchase of the apartment specified in such Purchase Agreement shall be returned to the person from whom or entity from which such documents were received.

THE ABOVE SUMMARY IS NOT INTENDED TO BE A THOROUGH AND EXHAUSTIVE EXPLANATION OF ALL TERMS AND PROVISIONS CONTAINED IN THE ESCROW AGREEMENT. WHILE A PURCHASER CAN USE THIS SUMMARY AS A GENERAL SUMMARY OF THE ESCROW AGREEMENT, PURCHASER MUST REFER TO THE ESCROW AGREEMENT TO DETERMINE PURCHASER'S ACTUAL RIGHTS AND OBLIGATIONS. IF ANY CONFLICT OR DIFFERENCE EXISTS BETWEEN THIS SUMMARY AND THE ESCROW AGREEMENT, THE ESCROW AGREEMENT WILL CONTROL.

Summary of Mauna Lani Resort Association Declaration of Covenants and Restrictions

Capitalized terms shall have the same meaning ascribed to such terms in the Mauna Lani Resort Association Declaration of Covenants and Restrictions.

The Mauna Lani Resort Association Declaration of Covenants and Restrictions dated June 3, 1982, as amended and restated ("Resort Declaration") contains, among others, the following provisions (which may be modified or otherwise limited by provisions which are not summarized hereinbelow):

- A. A portion of the Kohala Coast of the Island of Hawaii, State of Hawaii, including the land underlying the Condominium Project (all of which is the "Covered Property") and thus each Apartment, is subject to the certain Resort Declaration. The Resort Declaration was created to keep the Covered Property desirable, attractive, beneficial and suitable in architectural design, materials, and appearance, and to enhance the natural beauty and protection of owners within the Covered Property. Under the Resort Declaration, an organization called the Mauna Lani Resort Association ("Resort Association") was established to develop to promote these and other objectives.
- B. The Resort Association is a nonprofit corporation. Every Owner, which includes the record owner, whether one or more persons or entities, of fee simple title to the real property or real property improvements which is part of the Covered Property, is a member of the Resort Association. Each Condominium Unit shall have one (1) vote in a vote of the membership. The voting rights of other classes of Owners are set forth in the Bylaws of the Mauna Lani Resort Association.
- C. Each member is responsible for a portion of the Resort Association's expenses. Each Condominium Unit Owner shall be responsible for its proportionate share of these expenses. In the case of the Condominium Project, the general assessments due from the Condominium Project's Owners shall be levied by the Resort Association to the Condominium Association in equal quarterly or monthly installments (or in such other reasonable manner) which shall then assess and collect such amounts from the Owners. With respect to Residential Owners, the annual assessment may not, without the vote or written assent of a majority of the voting power of the Association residing in the Residential Owners, impose a general annual assessment which is more than ten percent (10%) greater than the general assessment for the immediately preceding fiscal year. There may be additional assessments (e.g. additional general assessments, supplemental general assessments, and/or special assessments) as determined by the Resort Association. Each member's interest in or rights to its respective portion of the Covered Property may be subject to a lien in order to secure the member's payment of its share of the Resort Association's assessments.
- D. The Restrictive Covenants regarding the use of the Covered Property is set forth in Article V. of the Resort Declaration.

E. Generally, the Resort Association's Declaration may be amended as follows:

- 1. By the Declarant, Mauna Lani Resort , Inc., designated Declarant Mauna Lani Service, Inc., and designated Co-Declarant Mauna Lani Resort (Operation), Inc.
