General Information On Condominiums

A condominium is a special form of real property. To create a condominium in Hawaii, the requirements of the Condominium Property Act, Chapter 514A, Hawaii Revised Statutes, must be complied with. In addition, certain requirements and approvals of the County in which the project is located must be satisfied and obtained.

Some condominium projects are leasehold. This means that the land or the building(s) and other improvements are leased to the buyer. The lease for the land usually requires that at the end of the lease term, the lessees (apartment owners/tenants) deliver their interest in the land to the lessor (fee property owner). The lease also usually requires that the lessees either (1) convey to the lessor the building(s) and other improvements, including any improvements paid for by the lessees; or (2) remove or dispose of the improvements at the lessee's expense. Leases for individual apartments often require that at the end of the lease term, the lessee deliver to the lessor the apartment, including any improvements placed in the apartment by the lessee.

If you are a typical condominium owner, you will have two kinds of ownership: (1) ownership in your individual apartment; and (2) an undivided interest in the common elements.

"Common elements" are the areas of the condominium project other than the individual apartments. They are owned jointly by all apartment owners and include the land, either in fee simple or leasehold, and those parts of the building or buildings intended for common use such as foundations, columns, roofs, halls, elevators, and the like. Your undivided interest in the common elements cannot be separated from ownership of your apartment.

In some condominium projects, some common elements are reserved for the exclusive use of the owners of certain apartments. These common elements are called "limited common elements" and may include parking stalls, patios, lanais, trash chutes, and the like.

You will be entitled to exclusive ownership and possession of your apartment. Condominium apartments may be individually bought, sold, rented, mortgaged or encumbered, and may be disposed of by will, gift, or operation of law.

Your apartment will, however, be part of the group of apartments that comprise the condominium project. Study the project's Declaration, Bylaws, and House Rules. These documents contain important information on the use and occupancy of apartments and the common elements as well as the rules of conduct for owners, tenants, and guests.

Operation of the Condominium Project

The Association of Apartment Owners is the entity through which apartment owners may take action with regard to the administration, management, and operation of the condominium project. Each apartment owner is automatically a member of the Association.

The Board of Directors is the governing body of the Association. Unless you serve as a board member or an officer, or are on a committee appointed by the board, your participation in the administration and operation of the condominium project will in most cases be limited to your right to vote as an apartment owner. The Board of Directors and officers can take certain actions without the vote of the owners. For example, the board may hire and fire employees, increase or decrease maintenance fees, borrow money for repair and improvements and set a budget. Some of these actions may significantly impact the apartment owners.

Until there is a sufficient number of purchasers of apartments to elect a majority of the Board of Directors, it is likely that the Developer will effectively control the affairs of the Association. It is frequently necessary for the Developer to do so during the early stages of development and the Developer may reserve certain special rights to do so in the Declaration and Bylaws. Prospective buyers should understand that it is important to all apartment owners that the transition of control from the Developer to the apartment owners be accomplished in an orderly manner and in a spirit of cooperation.

**II. CREATION OF THE CONDOMINIUM;
CONDOMINIUM DOCUMENTS**

A condominium is created by recording in the Bureau of Conveyances and/or filing with the Land Court a Declaration of Condominium Property Regime, a Condominium Map (File Plan), and the Bylaws of the Association of Apartment Owners. The Condominium Property Act (Chapter 514A, HRS), the Declaration, Bylaws, and House Rules control the rights and obligations of the apartment owners with respect to the project and the common elements, to each other, and to their respective apartments. The provisions of these documents are intended to be, and in most cases are, enforceable in a court of law.

- A. **Declaration of Condominium Property Regime** contains a description of the land, buildings, apartments, common elements, limited common elements, common interests, and other information relating to the condominium project.

The Declaration for this condominium is: *

Proposed
 Recorded -Bureau of Conveyances: Document No. _____
Book _____ Page _____
 Filed - Land Court: Document No. 3102681

The Declaration referred to above has been amended by the following instruments [state name of document, date and recording/filing information]:

- B. **Condominium Map (File Plan)** shows the floor plan, elevation and layout of the condominium project. It also shows the floor plan, location, apartment number, and dimensions of each apartment.

The Condominium Map for this condominium project is:

 Filed - 1623

The Condominium Map has been amended by the following instruments [state name of document, date and recording/filing information]:

- C. **Bylaws of the Association of Apartment Owners** govern the operation of the condominium project. They provide for the manner in which the Board of Directors of the Association of Apartment Owners is elected, the powers and duties of the Board, the manner in which meetings will be conducted, whether pets are prohibited or allowed and other matters which affect how the condominium project will be governed.

The Bylaws for this condominium are:

Proposed
 Recorded -Bureau of Conveyances: Document No. _____
Book _____ Page _____
 Filed - Land Court: Document No. 3102682

The Bylaws referred to above have been amended by the following instruments [state name of document, date and recording/filing information].

2) Declaration of Covenants for Ko Olina Community Association dated December 1, 1986, filed in said Office as Document No. 1419773, as the same may be amended and/or supplemented from time to time.

D. **House Rules.** The Board of Directors may adopt House Rules to govern the use and operation of the common elements and limited common elements. House Rules may cover matters such as parking regulations, hours of operation for common facilities such as recreation areas, use of lanais and requirement for keeping pets. These rules must be followed by owners, tenants, and guests. They do not need to be recorded or filed to be effective. The initial House Rules are usually adopted by the Developer.

The House Rules for this condominium are:

Proposed Adopted Developer does not plan to adopt House Rules

* A copy of the House Rules is on file with the Real Estate Commission, and therefore, is available for purchasers to examine.

IMPORTANT INFORMATION ON LEASEHOLD CONDOMINIUM PROJECTS

The information contained in this report is a summary of the terms of the lease. For more detailed information, you should secure a copy of the lease documents and read them thoroughly.

If you have any legal questions about leasehold property, the lease documents or the terms of the lease and the consequences of becoming a lessee, you should seek the advice of an attorney.

There are currently no statutory provisions for the mandatory conversion of leasehold condominiums and there are no assurances that such measures will be enacted in the future.

In leasehold condominium projects, the buyer of an apartment will acquire the right to occupy and use the apartment for the time stated in the lease agreement. The buyer will not acquire outright or absolute fee simple ownership of the land. The land is owned by the lessor or the leased fee owner. The apartment owner or lessee must make lease rent payments and comply with the terms of the lease or be subject to the lessor's enforcement actions. The lease rent payments are usually fixed at specific amounts for fixed periods of time, and are then subject to renegotiation. Renegotiation may be based on a formula, by arbitration set in the lease agreement, by law or by agreement between the lessor and lessee. The renegotiated lease rents may increase significantly. At the end of the lease, the apartment owners may have to surrender the apartments, the improvements and the land back to the lessor without any compensation (surrender clause).

When leasehold property is sold, title is normally conveyed by means of an assignment of lease, the purpose of which is similar to that of a deed. The legal and practical effect is different because the assignment conveys only the rights and obligations created by the lease, not the property itself.

The Developer of this condominium project may have entered into a master ground lease with the fee simple owner of the land in order to develop the project. The Developer may have then entered into a sublease or a new lease of the land with the lessee (apartment owner). The Developer may lease the improvements to the apartment owner by way of an apartment lease or sublease, or sell the improvements to the apartment owners by way of a condominium conveyance or apartment deed.

B. Underlying Land:

Developer has elected to provide the information in a published announcement or advertisement.

11. Conformance to Present Zoning Code

- a. No variances to zoning code have been granted.
 Variance(s) to zoning code was/were granted as follows:

b. Conforming/Non-Conforming Uses, Structures, Lot

In general, a non-conforming use, structure, or lot is a use, structure, or lot which was lawful at one time but which does not now conform to present zoning requirements.

	<u>Conforming</u>	<u>Non-Conforming/Illegal</u>	
Uses	<u> X </u>	<u> </u>	<u> </u>
Structures	<u> X </u>	<u> </u>	<u> </u>
Lot	<u> X </u>	<u> </u>	<u> </u>

If a variance has been granted or if uses, improvements or lot are either non-conforming or illegal, buyer should consult with county zoning authorities as to possible limitations which may apply.

Limitations may include restrictions on extending, enlarging, or continuing the non-conformity, and restrictions on altering and repairing structures. In some cases, a non-conforming structure that is destroyed or damaged cannot be reconstructed.

The buyer may not be able to obtain financing or insurance if the condominium project has a non-conforming or illegal use, structure, or lot.

D. **Common Elements, Limited Common Elements, Common Interest:**

1. Common Elements: Common Elements are those parts of the condominium project other than the individual apartments. Although the common elements are owned jointly by all apartment owners, those portions of the common elements which are designated as limited common elements (see paragraph 2 below) may be used only by those apartments to which they are assigned. The common elements for this project, as described in the Declaration, are:

described in Exhibit "E" .

as follows:

2. Limited Common Elements: Limited Common Elements are those common elements which are reserved for the exclusive use of the owners of certain apartments.

There are no limited common elements in this project.

The limited common elements and the apartments which use them, as described in the Declaration, are:

described in Exhibit "F" *.

as follows:

* Note: Land areas referenced herein are not legally subdivided lots.

3. Common Interest: Each apartment will have an undivided percentage interest in all of the common elements. This interest is called the "common interest." It is used to determine each apartment's share of the maintenance fees and other common profits and expenses of the condominium project. It may also be used for other purposes, including voting on matters requiring action by apartment owners. In addition to the maintenance fee determined by the common interest, each apartment will have a Product Fee. The Product Fee is based on the cost of maintaining, repairing and replacing certain common elements that are for the use of only certain types of apartments (i.e., all Estates or all Villas). The common interests and Product Fees for the apartments in this project, as described in the Declaration, are:

described in Exhibit "D".

as follows:

- E. Encumbrances Against Title: An encumbrance is a claim against or a liability on the property or a document affecting the title or use of the property. Encumbrances may have an adverse effect on the property or your purchase and ownership of an apartment in the project.

Exhibit "G" describes the encumbrances against the title contained in the title report dated February 17, 2005 and issued by Island Title Corporation.

Blanket Liens:

A blanket lien is an encumbrance (such as a mortgage) on the entire condominium project that secures some type of monetary debt (such as a loan) or other obligation. A blanket lien is usually released on an apartment-by-apartment basis upon payment of specified sums so that individual apartments can be conveyed to buyers free and clear of the lien.

There are no blanket liens affecting title to the individual apartments.

There are blanket liens which may affect title to the individual apartments.

Blanket liens (except for improvement district or utility assessments) must be released before the Developer conveys the apartment to a buyer. The buyer's interest will be affected if the Developer defaults and the lien is foreclosed prior to conveying the apartment to buyer.

Type of Lien

Effect on Buyer's Interest and Deposit if Developer Defaults
Or Lien is Foreclosed **Prior to Conveyance**

The Developer intends to finance its own construction;
thus, no mortgage liens by the Developer are anticipated.

F. Construction Warranties:

Warranties for individual apartments and the common elements, including the beginning and ending dates for each warranty, are as follows:

1. Building and Other Improvements:

The Developer will provide to purchaser a two (2) year "fit and finish" warranty and a one (1) year warranty on the common elements to the Association from the date of turnover.

2. Appliances:

The Developer will pass on the manufacturers' or other vendors' warranties made to it, if any, on any appliances included as part of the apartment being conveyed.

Note (as to 1 and 2 above): Except as provided above, Developer disclaims any implied warranty of habitability, any implied warranty of merchantability, any implied warranty of fitness for a particular purpose or use, any implied warranty of workmanship and any other express or implied warranties, with respect to the apartments, the Project, the common elements thereof, or as to any appliances and furnishings contained within the apartments or the Project.

G. **Status of Construction and Date of Completion or Date of Estimated Completion**

Purchasers should pay special attention to additional design restrictions and design review processes imposed by such Master Declarations.

By way of such Master Declarations, purchasers of the Project will be deemed to have membership in the Ko Olina Community Association and, as such, will be subject to certain obligations, including but not limited to, the obligation to pay all assessments imposed by such Master Declarations, which are included in the Project's maintenance fees. All purchasers should review the Master Declarations for any additional obligations.

2. **Declaration of Restrictive Covenants (Private Park).** Developer has executed, for and on behalf of the Association of Apartment Owners of the Project, a Declaration of Restrictive Covenants (Private Park) in order to meet City and County of Honolulu park dedication requirements. The declaration basically provides the following: a) that the area designated in Exhibit "B" to the declaration, which generally consists of the land underlying the Recreational Facilities area, be improved, maintained and used exclusively for private park, playground and recreational purposes by the occupants, owners or lessees of such property; b) that the declaration continue in full force and effect in perpetuity and shall not be repealed, amended to altered in any way, except by a majority vote of the Owners with the written approval of the Director of Planning and Permitting; and c) that the Association maintain and pay for the cost of maintenance of the private park.

3. **Affiliates of Developer.** Prospective purchasers are hereby advised that Centex Homes, dba Centex Destinations Properties, the Developer of the Project, is also licensed to act as the Real Estate Broker for the Project, and the General Contractor for the Project.

4. **Ko Olina Golf Course.** The Project abuts Ko Olina Golf Course. Purchasers should review the Declaration for further details regarding the impact of such golf course activities.

5. **Construction and Marketing in Phases.** The Developer, for registration purposes, separated the total apartments initially covered in the Preliminary Public Report for the Project into groups covered by multiple Contingent Final or Final Public Reports in order to accommodate changing construction and/or marketing strategies. This Final Public Report covers only those 24 apartments described herein. The Developer has separated the apartments covered by the Preliminary Public Report for the Project into separate groups, or phases. The first two phases are covered by Final Public Reports Reg. Nos. 5528 (consisting of 106 apartments) and 5516 (consisting of 110 apartments) both issued by the Commission on November 26, 2004. The remaining apartments, covered by Preliminary Public Report Reg. No. 5284, as supplemented by a Supplementary Public Report, will eventually be covered by multiple Contingent Final or Final Public Report(s) in order to accommodate changing construction and/or marketing strategies as a separate or separate phases. This Final Public Report covers 24 apartments of the apartments covered by the Preliminary Public Report and Supplementary Public Report. The Developer intends to file public report packets in eight (8) separate phases. The Developer also makes no guaranty or warranty that all of the currently-planned buildings or the Recreational Facilities, as defined in the Declaration and as depicted on the Condominium Map, or the improvements in the Project, will be developed at all. Purchasers should thus be aware that all of the apartments in the Project, as described in the Project documents, will be closing at different times (depending on the final number selected by Developer to be constructed), and will be closing in phases over a period of time coinciding with the decision to construct, the obtaining of building permits, financing, bonds and issuance of building permits for each phase.

The Developer hereby discloses that although separate Contingent Final or Final Public Reports will be issued for each phase of the Project, all 324 apartments, or lesser number actually constructed, still legally comprise a single condominium project. In other words, the act of separating the various apartments into different marketing and sales phases does not create separate and distinct condominium projects, but only creates separate "projects" for public report purposes. Accordingly, the common elements described in Exhibit "D" attached hereto will serve all apartments actually constructed.

6. Developer to Pay Actual Costs of Project. The Developer hereby discloses that it shall initially assume the actual common expenses of the Project, pursuant to Section 514A-15 of the Hawaii Revised Statutes, from the date upon which certificates of occupancy are issued for the respective apartments of the Project. Accordingly, no apartment owner shall be obligated to pay his or her respective share of the common expenses until the Developer files a written statement ("Notification") with the Real Estate Commission of the State of Hawaii ("Commission") notifying the Commission and all apartment owners of the Project that, after a date certain ("Transition Date"), each apartment owner shall thereafter be obligated to pay for the respective share of common expenses allocated to said owner's apartment. The Notification shall be filed with the Commission at least thirty (30) days prior to the Transition Date, and a copy of said amendment shall be delivered to each of the apartment owners whose maintenance expenses were assumed by the Developer.

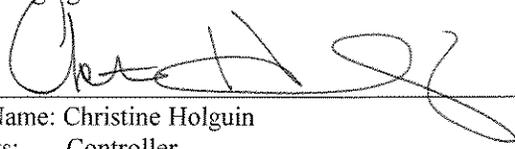

7. Design Committee. The Project will have a Design Committee, as described in the Bylaws, which will be established by the Association to promulgate design rules and regulations and regulate the apartment owners' compliance with such design rules and regulations.

8. Grant of Easement. Centex Homes, as grantee, is currently negotiating a grant of easement with Ko Olina Golf Company, LLC, as grantor, to allow owners in the project to access the Ko Olina Golf Course clubhouse by way of a pedestrian easement through the golf course. Owners in the project will be charged an equitable fee for the maintenance of such easement through their maintenance fees.

- D. The developer declares subject to the penalties set forth in section 514A-49(b) that this project is in compliance with all county zoning and building ordinances and codes, and all other county permitting requirements applicable to the project, pursuant to Act 251 (SLH 2000) [Section 514A-1.6] (The developer is required to make this declaration for issuance of an effective date for a final public report.)
- E. The developer hereby certifies that all the information contained in this Report and the Exhibits attached to this Report and all documents to be furnished by the developer to buyers concerning the project have been reviewed by the developer and are, to the best of the developer's knowledge, information and belief, true, correct and complete.

A. 1. Estate Apartments.

a. Location. Sixty (60) of the Apartments in the Project are Estate Apartments, which are located in sixty (60), separate single-family condominium dwelling unit structures (one Apartment per building) as depicted on the Condominium Map. Estates Unit Types 1A, 1A-R and 1B, 1B-R are one-story apartments and Estate Unit Types 2A, 2A-R, 2B, 2B-R, 3A, 3A-R, 3B and 3B-R are two-story apartments.

b. Layout. All Estate Apartments have the number of bedrooms and bathrooms as indicated in the table above, a foyer, a living/dining room, a kitchen, a laundry room and a two (2) car garage. Estate Unit Types 2A, 2A-R and 2B, 2B-R and Estate Unit Types 3A, 3A-R and 3B, 3B-R each have a study. Estate Unit Types 2A, 2A-R and 2B, 2B-R also have an Optional Lanai, an Optional Balcony and an Optional Bath (and closet). Such optional floor plans are depicted in the Condominium Map. The square footage area of the Optional Lanai and Optional Balcony are noted in the table above and on the Condominium Map.

B. 2. Villa Apartments.

a. Location. Two hundred sixty-four (264) of the Apartments in the Project are Villa Apartments, which are located in forty-four (44) separate, two-story, multi-family condominium dwelling unit buildings as depicted on the Condominium Map (numbered M1 through M44). There are six (6) Apartments per building and six (6) unit types per building. Each Villa building contains Villa Unit Types A, AR, B, BR, C and CR.

b. Layout. All Villa Apartments have the number of bedrooms and bathrooms as indicated in the table above, a living/dining room, a kitchen and a one (1) car garage. Each Villa Unit Type B and BR have balconies. Each Villa Unit Type A and AR have lanais and each Villa Unit Type C and CR have both a lanai and a balcony. Villa Unit Types A and AR are on the first floor of Villa Unit Types B and BR. All Villas Unit Types C and CR have two (2) floors.

1) 3. Common Interest and Product Fees.

The percentage *Common Interest* attributable to each Apartment in the Project was calculated by dividing the approximate net square footage of each individual Apartment by the total net square footage of all Apartments within the Project (from both the Estates and the Villas). The approximate net square footage of each individual Apartment is calculated as the sum of the Approximate Net Living Area and

the Approximate Garage Area. The approximate net square footage of each Apartment in the Project was determined by measuring the area between the perimeter walls of each Apartment.

Note that the Common Interest percentages reflected in the chart above have been rounded to the sixth decimal place. Thus, the calculations herein are estimates and not exact figures. In order to permit the Common Interest for all Apartments in the Project to equal exactly one hundred percent (100%), the Common Interest attributable to Estate Apartment No. S-60 was increased by 0.000052%.

The *Product Fees*, as defined Article II, Section C of the Declaration, is calculated as a fractional interest of 1/60 for the Estates and 1/264 for the Villas. Thus, each Owner shares equally in the common expenses attributable to their certain product type.

4. Parking Stalls.

Each Apartment will have for its exclusive use the number of parking stalls located in their Limited Common Element garage and in the driveways located directly in front of their Apartment. Additional, unassigned guest parking is available throughout the Project for use by guests of Owners of both Villa Apartments and Estate Apartments. There are a total of seventy-two (72) shared guest stalls, which include ten (10) handicap accessible stalls and two (2) van accessible stalls.

SUMMARY OF SALES CONTRACT

Capitalized terms have the same meaning as ascribed to such terms in the Sales Contract.

The specimen Sales Contract, filed with the State of Hawaii Real Estate Commission, provides for, among other things, a description of the Apartment to be sold, the purchase price, the closing costs, the time, manner and place of payment, the Purchaser's obligations regarding financing, the Seller's warranties and disclaimers regarding the Condominium Map and the Project, and the remedies of the Seller and of the Purchaser in the event of a default under the Sales Contract.

Among other provisions the specimen Sales Contract provides:

1. That the Sales Contract shall become binding when (i) a true copy of the Contingent Final Public Report (or Final Public Report, if applicable) together with a Receipt Form required by Hawaii Revised Statutes Section 514A-62, as amended, is delivered to the Purchaser, (ii) the Purchaser has an opportunity to read the report(s), and (iii) a Deemed Acceptance of such report(s) by the Purchaser shall have occurred.

2. The Seller has entered into an Escrow Agreement, summarized in Exhibit J herein, with Island Title Corporation ("Escrow"), covering the deposit with Escrow of all funds paid by the Purchaser under the Sales Contract and the disbursement of the funds by Escrow. In the event a purchase is cancelled, Escrow may charge a cancellation fee on account of escrow services performed not to exceed \$250.00.

3. The Sales Contract requires the Purchaser to pay the Total Purchase Price by a series of payments prior to Closing. Such payments include the Reservation Deposit due upon execution of the Deposit and Reservation Agreement, and the initial payment when Purchaser signs the Sales Contract. Purchaser shall then deposit at or prior to Closing, the remaining balance due.

4. The Sales Contract provides that Purchaser will not receive any interest on Purchaser's Deposits. All interest on Purchaser's Deposits, if any, shall accrue to Seller.

5. Purchaser's obligations under the Sales Contract are not contingent or conditional on Purchaser's ability to secure financing from a mortgage lender or on Purchaser's ability to sell Purchaser's current residence or any other property. Financing by Seller of any portion of the Total Purchase Price is not available.

6. The Sales Contract provides that closing costs and expenses shall be allocated as follows: Seller shall pay 60% of the premium for the Title Policy, the cost of drafting of conveyance documents, Seller's notary fees, conveyance tax, and 50% of escrow fees. Purchaser shall pay 40% of the premium for the Title Policy, and any additional costs relating to the issuance of extended coverage policy (including a lender's policy), the cost of drafting of any revisions or addenda to the Sales Contract in addition to those listed in Section C.1 of the Sales Contract, if any, the cost of obtaining Purchaser's consents, if any, Purchaser's notary fees, all recording fees, 50% of escrow fees, any mortgage fees, and Hawaii General Excise Tax. The Sales Contract also provides that at Closing Purchaser shall pay (a) one (1) month's maintenance fee for the Condominium Association, and (b) a non-refundable, non-transferable start-up fee to the Condominium Association in the amount equal to two (2) months' maintenance fee assessments. These start-up fees are one-time assessments at Closing and are not advance payments of common expenses or assessments, and shall be in addition to the normal monthly assessments.

7. The Sales Contract provides that Seller shall complete construction of the building constituting the Apartment or the building in which the Apartment is located so as to permit normal occupancy of the Apartment covered by the Sales Contract within two (2) years from the Effective Date, as defined in the Sales Contract; provided, however, that such two (2) year period shall be extended for any period of time during which Seller is actually and necessarily delayed in beginning or completing construction if such delay is caused by legal defenses for impossibility of performance available under Hawaii law, including, but not limited to, fire, earthquake, act of God, the elements, war or civil disturbances, litigation, strikes or other labor disturbances, or economic controls

making it impossible to obtain the necessary labor or materials, or any other matter or condition beyond Seller's control.

8. The Sales Contract provides that Purchaser may purchase upgrades, including modifications or additions to, or upgrades of, the standard fixtures, appliances and/or layout of the Apartment to be made by Seller, pursuant to an upgrade addendum attached to the Sales Contract upon Purchaser's execution of the Sales Contract. Purchaser must deposit one hundred percent (100%) of the purchase price of the upgrades upon Purchaser's execution of the upgrade addendum.

9. The Sales Contract provides that it shall not be construed as a present transfer of any rights or of any interest in the Apartment, but rather states that it is an agreement to transfer in the future. By execution of the Sales Contract, the Purchaser agrees to relinquish and subordinate the priority or superiority of any lien or other legal or equitable interest arising under the Sales Contract in favor of the lien or charge on the Project of the security interests of the Lender, including but not limited to a loan made to finance the acquisition of the land and the costs of construction (if applicable) and any and all advances therefore until the filing of the Apartment Deed.

10. The Sales Contract provides that it may not be assigned by Purchaser. Any assignment of the Sales Contract is void and of no legal effect. Notwithstanding the foregoing, Purchaser may assign its rights under the Sales Contract to affiliated entities for estate planning purposes without the consent of Seller, provided that any such assignment shall not release Purchaser from its obligations under the Sales Contract. In the event that Purchaser decides to make such an assignment for estate planning purposes, Purchaser shall provide written notice thereof to Seller at least fifteen (15) days prior to the Closing Date, as defined in the Sales Contract, and shall provide to Seller copies of such documents as Seller, in its sole and absolute discretion, deems necessary to complete Closing.

11. The Sales Contract provides that any dispute by or between Seller and Purchaser arising out of or incident to the Sales Contract, or the development or management of the Project, the sale of the Apartment or the use or occupancy thereof, or any other aspect of the relationship between Seller and Purchaser regarding the Project which is raised or otherwise asserted after Closing shall be submitted to mediation and, if necessary, to arbitration in accordance with the terms, conditions and procedures set forth in the Sales Contract. The Sales Contract also provides that any dispute by or between Seller and Purchaser arising out of or incident to the Sales Contract that is raised or otherwise asserted before Closing need not be submitted to arbitration, and Seller and Purchaser shall be free to pursue such dispute, as otherwise provided herein, in proceedings in a court of competent jurisdiction, provided that any judicial proceedings initiated shall be conducted in Honolulu, Hawaii.

THE ABOVE SUMMARY IS NOT INTENDED TO BE A THOROUGH AND EXHAUSTIVE EXPLANATION OF ALL TERMS AND PROVISIONS CONTAINED IN THE SALES CONTRACT. WHILE A PURCHASER CAN USE THIS SUMMARY AS A GENERAL SUMMARY OF THE PURCHASER'S RIGHTS AND OBLIGATIONS UNDER THE SALES CONTRACT, PURCHASER MUST REFER TO THE SALES CONTRACT TO DETERMINE PURCHASER'S ACTUAL RIGHTS AND OBLIGATIONS. IF ANY CONFLICT OR DIFFERENCE EXISTS BETWEEN THIS SUMMARY AND THE SALES CONTRACT, THE SALES CONTRACT WILL CONTROL.

SUMMARY OF AMENDED AND RESTATED ESCROW AGREEMENT

AND FIRST AMENDMENT

The Amended and Restated Escrow Agreement for the Project dated March 22, 2004, as amended by that certain First Amendment to Amended and Restated Escrow Agreement dated May 4, 2004 (collectively, "Agreement") contains the following provisions (which may be modified or otherwise limited by provisions which are not summarized hereinbelow):

A. As and when Seller and prospective Purchaser enters into a Deposit and Reservation Agreement for the right to participate in a lottery for the reservation and purchase of an Apartment in the Project ("Reservation Agreement"), it shall require payment of deposit due thereunder to be promptly made to Escrow, and shall deliver an executed copy of the Reservation Agreement to Escrow together with the address of prospective Purchaser. Seller shall also promptly pay over to Escrow all monies (including checks) received by Seller from or on behalf of the prospective Purchaser.

B. As and when Seller shall enter into a Sales Contract for the conveyance of an Apartment or other interest in the Project ("Sales Contract"), it shall require the payment of deposit due thereunder to be promptly made to Escrow, and shall deliver an executed copy of the Sales Contract to Escrow together with the address of the Purchaser. Seller shall also promptly pay over to Escrow all monies (including checks) received by Seller from or on behalf of the Purchasers, including those received on any Sales Contract, and all payments made on loan commitments from lending institutions on account of any Apartment in the Project, other than funds received from interim financing.

C. Escrow shall receive, deposit and hold in separate escrow accounts and disburse as set forth in the Agreement: (a) all payments received by it under Reservation Agreements and Sales Contracts, (b) such sums received by it under the Agreement from or for the account of Seller, and (c) all sums received by it from any other source with respect to the Project. Escrow shall not at any time commingle or permit the commingling of any Purchaser's funds with funds belonging to or held for the benefit of Seller. All funds and instruments received from Purchasers or prospective Purchasers shall be held by Escrow in accordance with the provisions contained in Chapter 514A of the Hawaii Revised Statutes. All monies received by Escrow hereunder shall be deposited, within a reasonable time of the receipt by Escrow and in reasonably convenient and practical sums, in an interest-bearing account with a federally insured bank, savings and loan or trust company authorized to do business in the State of Hawaii under an escrow arrangement, and shall be held in immediately available funds in accordance with the terms of the Agreement. All income derived from said account, and all interest paid thereon, shall be credited to the account of Seller unless otherwise directed by a Seller.

D. Notwithstanding anything in the Agreement to the contrary, Escrow shall make no disbursements of Purchasers' funds or proceeds from the sale of Apartments in the Project (including any payments made on loan commitments from lending institutions), except by way of refunds thereof as provided in the Agreement, until the Final Public Report for the particular phase of the Project under which such disbursement is requested, has been issued and Escrow has received a letter from Seller stating that the Purchasers have signed the required Receipt and Notice of Right to Cancel or are deemed to have receipted for the public reports and to have waived their right to cancel, and stating further that no subsequent events have occurred which would give the Purchasers the right to rescind, the Sales Contracts have "become binding" and "the requirements of Sections 514A-40, 514A-39.5 and 514A-63" of the Hawaii Revised Statutes have been met, as said phrases are used in Section 514A-65, Hawaii Revised Statutes, and further that the requirements of Section 514A-62 of the Hawaii Revised Statutes have been met.

E. Purchaser's funds may be used for construction and other allowable expenses in accordance with Section 514A-67 of the Condominium Property Act, as amended, and as enumerated in the Agreement and defined below prior to closing, provided that all the requirements in provision D. above have been met. If funds are to be used for construction prior to closing, the funds shall be distributed by Escrow upon the submission of bills and upon direction to do so from Seller and a qualified financially disinterested person from time to time to pay for: (a) construction costs of the buildings and improvements in proportion to the valuation of the work completed by the

contractor in accordance with the contract documents, as certified by a registered architect or engineer and approved for payment by a qualified financially disinterested person; (b) architectural, engineering, and interior design service fees in proportion to the services performed within each phase of services, as approved by a qualified financially disinterested person; (c) the costs of purchasing furnishings and fixtures for the Apartments, as approved by a qualified financially disinterested person; (d) finance and legal fees, and other incidental expenses of constructing the Apartments or developing the Project, as approved by a qualified financially disinterested person; and (e) such other costs incurred in connection with the construction of the improvements of the Project as a qualified financially disinterested person may approve. Any funds remaining shall not be disbursed until construction of the Project has been completed (or until construction of the particular Apartment being conveyed has been completed to the extent that the Condominium Property Act permits such disbursement) and Escrow receives satisfactory evidence that all mechanics' and materialmen's liens have been cleared (or, to the extent permitted by the Condominium Property Act, have been dealt with in such a fashion as to avoid non-compliance with Section 514A-18 of the Condominium Property Act), unless sufficient funds have been set aside for any bonafide dispute.

F. Each Purchaser shall be entitled to a return of his or her funds, without interest, and Escrow shall pay such funds to such Purchaser, promptly after request for return by the Purchaser if one of the following has occurred:

(1) Escrow receives a written request from Seller to return to the Purchaser the funds of the Purchaser then being held by Escrow;

(2) Seller notifies Escrow in writing of Seller's exercise of the option to rescind the Sales Contract pursuant to any right of rescission stated therein or otherwise available to Seller;

(3) The conditions providing for a refund under Section 514A-62 or under Section 514A-63 of the Hawaii Revised Statutes (as amended on the date upon which the Sales Contract becomes binding and effective) have been met, and written notice thereof has been provided by Seller.

(4) The conditions providing for refund under Section 514A-62 or under Section 514A-63 of the Hawaii Revised Statutes, as amended, have been met and which notice thereof has been provided by Seller.

Upon the cancellation of any Sales Contract as specified above, Escrow shall be entitled to a cancellation fee commensurate with the services rendered by Escrow prior to such cancellation, up to a maximum of \$250.00, as described in Exhibit "A" of the Agreement, plus all costs incurred by Escrow, which shall be paid by the Purchaser.

G. Except as otherwise provided by law, Escrow shall give each purchaser entitled to a return of his or her funds notice thereof by certified or registered mail, addressed to such purchaser at his address shown on the Sales Contract or any address later made known to Escrow by such purchaser. If such purchaser shall not have claimed such refund within one hundred twenty (120) days from the date said notice is mailed, Escrow shall deposit such funds into a special account in a bank or other depository selected by Escrow in the name of Seller, as trustee for the benefit of such purchaser. After having sent Seller written notice of the foregoing acts, Escrow shall thereupon be released from further liability hereunder with respect to such funds and such purchaser.

H. If Purchaser has failed to cure the default after the delivery of notice by Escrow and such default continues after the expiration of any grace period, Escrow shall so advise Seller. If Seller shall thereafter certify in writing to Escrow: (1) that Seller has elected to terminate the Sales Contract and has notified the Purchaser, or (2) that Purchaser is otherwise in default, then, and in either event, Escrow, subject to the provisions relating to dispute and conflicting demands set forth in paragraph 15 of the Agreement, shall thereafter treat all funds of the Purchaser paid under such Sales Contract, less Escrow's cancellation fee, as funds of Seller and not of the Purchaser. Thereafter, such funds shall be held free of the escrow established by the Agreement and shall be held by Escrow for the account of Seller. Upon written request by Seller, Escrow shall pay such funds to Seller or order and shall return to Seller the Sales Contract of such Purchaser and any other documents theretofore delivered to Escrow in connection with the purchase of the Apartment specified in such Sales Contract shall be returned to the person from whom or entity from which such documents were received.

The terms "business" and "trade," as used in this Section, shall be construed to have their ordinary generally accepted meaning and shall include, without limitation, any work or activity undertaken on an ongoing basis which involves the provision of goods or services to persons other than the provider's family and for which the provider receives a fee, compensation, or other form of consideration, regardless of whether (i) such activity is engaged in full-or part-time; (ii) such activity is intended to or does generate a profit; and (iii) a license is required therefor.

F. PROHIBITION ON UNAUTHORIZED CHANGES TO THE EXTERIOR OF CERTAIN APARTMENTS OR COMMON AREAS. 4. The exclusive use of the Limited Common Elements as provided herein.

I. DEVELOPER'S RIGHT TO USE. Notwithstanding anything provided to the contrary, as long as there are unsold Apartments in the Project, Developer shall have the right to use any Apartment which it owns for promotional purposes, and shall have the right to have guests stay in such Apartments for any length of time; provided that such guests shall abide by and be subject to all of the provisions of the Declaration, Bylaws and House Rules.
