Summary of Changes from Earlier Public Reports:

This summary contains a general description of the changes, if any, made by the Developer since the last public report was issued. It is not necessarily all-inclusive. Prospective buyers should compare this public report with the earlier reports if they wish to know the specific changes that have been made.

No prior reports have been issued by the Developer.

Changes made are as follows:

1. Section II.A reflects the recordation of the Third Amendment to Declaration of Condominium Property Regime of Hali'i Kai and Condominium Map, as corrected by the Correction to Third Amendment to Declaration of Condominium Property Regime of Hali'i Kai and Condominium Map. The Third Amendment:

a. provides for the use of the Recreational Facilities of the Project through membership in the Hali'i Kai Club (a summary of the rights of Residential Apartment Owners to use the Recreational Facilities and membership in the Hali'i Kai Club is set forth in the attached Exhibit "L");

b. reserves to the Developer the right, but not the obligation, to inspect the condition of the Common Elements (a summary of the Developer's reserved rights is attached hereto as Exhibit "A"); and

c. incorporates the revised legal description of the land underlying the Project.

2. Section II.B reflects the recordation of The Third Amendment to Declaration of Condominium Property Regime of Hali'i Kai and Condominium Map and the Correction to Third Amendment to Declaration of Condominium Property Regime of Hali'i Kai and Condominium Map. The Condominium Map was amended to reflect the consolidation of the lots underlying the Project, and the Tax Map Key Number assigned to the Project.

3. Section III.B reflects the Tax Map Key Number assigned to the property and the correct land area underlying the Project.

4. An updated title report was ordered. The date of such report is noted in Section III.E. Exhibit "G" reflects the updated encumbrances on title.

5. Section V.C has been updated to make certain disclosures regarding the Hali'i Kai Club and the proximity of the Project to the Waikoloa Beach Golf Course.

6. A revised budget has been prepared. The revised Estimate of Maintenance Fee Disbursement and Common Expense is set forth in Exhibit "H".

SPECIAL NOTICE

Resale of Apartments. Apartments within the Project are subject to a One-Year Resale Restriction Agreement. If an Apartment is transferred during the one-year restriction period, the violating Apartment Owner shall pay to the Developer, as liquidated damages, fifty percent (50%) of the net proceeds of the sale.

SPECIAL NOTICE

On June 17, 2005, the Commission issued an effective date for a Preliminary Public Report under Registration No. 5671 for Hali'i Kai, consisting of a total of 192 apartments. The Project has subsequently been reconfigured with a separate free-standing building formerly characterized as a common element of the Project being redesignated as an additional apartment. The Project now consists of a total of 193 apartments.

This Supplementary Public Report supplements the Final Public Report (Reg. No. 5723) issued by the Commission on October 28, 2005 covering 56 of the 193 apartments in the Project. Additionally, 32 of the apartments are covered by the Contingent Final Public Report (Reg. No. 5724) issued by the Commission on September 15, 2005. The Developer will continue to take non-binding reservations for those apartments under the Preliminary Public Report (Reg. No. 5671), which apartments will also eventually be filed as separate phases under a single or under multiple Contingent Final or Final Public Report(s) in order to accommodate changing construction and/or marketing strategies as a separate or separate phases. As each separate phase is filed, the number of apartment covered by the Preliminary Public Report will accordingly be reduced.

The completion date for all 193 apartments is estimated to be June 30, 2007.

This Supplementary Public Report covers only the following 56 apartments in the Project:

11A through 11H, 12A through 12H, 13A through 13H, 14A through 14H, 15A through 15H, 16A through 16H and 17A through 17H.

General Information On Condominiums

A condominium is a special form of real property. To create a condominium in Hawaii, the requirements of the Condominium Property Act, Chapter 514A, Hawaii Revised Statutes, must be complied with. In addition, certain requirements and approvals of the County in which the project is located must be satisfied and obtained.

Some condominium projects are leasehold. This means that the land or the building(s) and other improvements are leased to the buyer. The lease for the land usually requires that at the end of the lease term, the lessees (apartment owners/tenants) deliver their interest in the land to the lessor (fee property owner). The lease also usually requires that the lessees either (1) convey to the lessor the building(s) and other improvements, including any improvements paid for by the lessees; or (2) remove or dispose of the improvements at the lessee's expense. Leases for individual apartments often require that at the end of the lease term, the lessee deliver to the lessor the apartment, including any improvements placed in the apartment by the lessee.

If you are a typical condominium owner, you will have two kinds of ownership: (1) ownership in your individual apartment; and (2) an undivided interest in the common elements.

"Common elements" are the areas of the condominium project other than the individual apartments. They are owned jointly by all apartment owners and include the land, either in fee simple or leasehold, and those parts of the building or buildings intended for common use such as foundations, columns, roofs, halls, elevators, and the like. Your undivided interest in the common elements cannot be separated from ownership of your apartment.

In some condominium projects, some common elements are reserved for the exclusive use of the owners of certain apartments. These common elements are called "limited common elements" and may include parking stalls, patios, lanais, trash chutes, and the like.

You will be entitled to exclusive ownership and possession of your apartment. Condominium apartments may be individually bought, sold, rented, mortgaged or encumbered, and may be disposed of by will, gift, or operation of law.

Your apartment will, however, be part of the group of apartments that comprise the condominium project. Study the project's Declaration, Bylaws, and House Rules. These documents contain important information on the use and occupancy of apartments and the common elements as well as the rules of conduct for owners, tenants, and guests.

Operation of the Condominium Project

The Association of Apartment Owners is the entity through which apartment owners may take action with regard to the administration, management, and operation of the condominium project. Each apartment owner is automatically a member of the Association.

The Board of Directors is the governing body of the Association. Unless you serve as a board member or an officer, or are on a committee appointed by the board, your participation in the administration and operation of the condominium project will in most cases be limited to your right to vote as an apartment owner. The Board of Directors and officers can take certain actions without the vote of the owners. For example, the board may hire and fire employees, increase or decrease maintenance fees, borrow money for repair and improvements and set a budget. Some of these actions may significantly impact the apartment owners.

Until there is a sufficient number of purchasers of apartments to elect a majority of the Board of Directors, it is likely that the Developer will effectively control the affairs of the Association. It is frequently necessary for the Developer to do so during the early stages of development and the Developer may reserve certain special rights to do so in the Declaration and Bylaws. Prospective buyers should understand that it is important to all apartment owners that the transition of control from the Developer to the apartment owners be accomplished in an orderly manner and in a spirit of cooperation.

IMPORTANT INFORMATION ON LEASEHOLD CONDOMINIUM PROJECTS

The information contained in this report is a summary of the terms of the lease. For more detailed information, you should secure a copy of the lease documents and read them thoroughly.

If you have any legal questions about leasehold property, the lease documents or the terms of the lease and the consequences of becoming a lessee, you should seek the advice of an attorney.

There are currently no statutory provisions for the mandatory conversion of leasehold condominiums and there are no assurances that such measures will be enacted in the future.

In leasehold condominium projects, the buyer of an apartment will acquire the right to occupy and use the apartment for the time stated in the lease agreement. The buyer will not acquire outright or absolute fee simple ownership of the land. The land is owned by the lessor or the leased fee owner. The apartment owner or lessee must make lease rent payments and comply with the terms of the lease or be subject to the lessor's enforcement actions. The lease rent payments are usually fixed at specific amounts for fixed periods of time, and are then subject to renegotiation. Renegotiation may be based on a formula, by arbitration set in the lease agreement, by law or by agreement between the lessor and lessee. The renegotiated lease rents may increase significantly. At the end of the lease, the apartment owners may have to surrender the apartments, the improvements and the land back to the lessor without any compensation (surrender clause).

When leasehold property is sold, title is normally conveyed by means of an assignment of lease, the purpose of which is similar to that of a deed. The legal and practical effect is different because the assignment conveys only the rights and obligations created by the lease, not the property itself.

The Developer of this condominium project may have entered into a master ground lease with the fee simple owner of the land in order to develop the project. The Developer may have then entered into a sublease or a new lease of the land with the lessee (apartment owner). The Developer may lease the improvements to the apartment owner by way of an apartment lease or sublease, or sell the improvements to the apartment owners by way of a condominium conveyance or apartment deed.

11. Conformance to Present Zoning Code

- a. No variances to zoning code have been granted.
 Variance(s) to zoning code was/were granted as follows:

b. Conforming/Non-Conforming Uses, Structures, Lot

In general, a non-conforming use, structure, or lot is a use, structure, or lot which was lawful at one time but which does not now conform to present zoning requirements.

	<u>Conforming</u>	<u>Non-Conforming</u>	<u>Illegal</u>
Uses	<u>X</u>	<u> </u>	<u> </u>
Structures	<u>X</u>	<u> </u>	<u> </u>
Lot	<u>X</u>	<u> </u>	<u> </u>

If a variance has been granted or if uses, improvements or lot are either non-conforming or illegal, buyer should consult with county zoning authorities as to possible limitations which may apply.

Limitations may include restrictions on extending, enlarging, or continuing the non-conformity, and restrictions on altering and repairing structures. In some cases, a non-conforming structure that is destroyed or damaged cannot be reconstructed.

The buyer may not be able to obtain financing or insurance if the condominium project has a non-conforming or illegal use, structure, or lot.

D. Common Elements, Limited Common Elements, Common Interest:

1. Common Elements: Common Elements are those parts of the condominium project other than the individual apartments. Although the common elements are owned jointly by all apartment owners, those portions of the common elements which are designated as limited common elements (see paragraph 2 below) may be used only by those apartments to which they are assigned. The common elements for this project, as described in the Declaration, are:

described in Exhibit “E”.

as follows:

2. Limited Common Elements: Limited Common Elements are those common elements which are reserved for the exclusive use of the owners of certain apartments.

There are no limited common elements in this project.

The limited common elements and the apartments which use them, as described in the Declaration, are:

described in Exhibit "F" *.

as follows:

* Note: Land areas referenced herein are not legally subdivided lots.

3. Common Interest: Each apartment will have an undivided percentage interest in all of the common elements. This interest is called the "common interest." It is used to determine each apartment's share of the maintenance fees and other common profits and expenses of the condominium project. It may also be used for other purposes, including voting on matters requiring action by apartment owners. The common interests for the apartments in this project, as described in the Declaration, are:

described in Exhibit "D".

as follows:

- E. Encumbrances Against Title: An encumbrance is a claim against or a liability on the property or a document affecting the title or use of the property. Encumbrances may have an adverse effect on the property or your purchase and ownership of an apartment in the project.

Exhibit "G" describes the encumbrances against the title contained in the title report dated January 12, 2006 and issued by Title Guaranty of Hawaii, Inc.

Blanket Liens:

A blanket lien is an encumbrance (such as a mortgage) on the entire condominium project that secures some type of monetary debt (such as a loan) or other obligation. A blanket lien is usually released on an apartment-by-apartment basis upon payment of specified sums so that individual apartments can be conveyed to buyers free and clear of the lien.

[] There are no blanket liens affecting title to the individual apartments.

[X] There are blanket liens which may affect title to the individual apartments.*

Blanket liens (except for improvement district or utility assessments) must be released before the Developer conveys the apartment to a buyer. The buyer's interest will be affected if the Developer defaults and the lien is foreclosed prior to conveying the apartment to buyer.

Type of Lien

Effect on Buyer's Interest and Deposit if Developer Defaults
Or Lien is Foreclosed **Prior to Conveyance**

* The developer contemplates obtaining a loan to finance construction of the Project. The loan will be secured by a mortgage, which will be released as to the apartments being conveyed. If there is a default and foreclosure of the mortgage prior to conveyance, the buyer may lose the right to buy the Apartment, but will be refunded his/her deposit(s).

F. Construction Warranties:

Warranties for individual apartments and the common elements, including the beginning and ending dates for each warranty, are as follows:

1. Building and Other Improvements:

The Developer will provide to purchaser a two (2) year "fit and finish" warranty and a one (1) year warranty on the common elements to the Association from the date of turnover.

2. Appliances:

The Developer will pass on the manufacturers' or other vendors' warranties made to it, if any, on any appliances included as part of the apartment being conveyed.

Note (as to 1 and 2 above): Except as provided above, Developer disclaims any implied warranty of habitability, any implied warranty of merchantability, any implied warranty of fitness for a particular purpose or use, any implied warranty of workmanship and any other express or implied warranties, with respect to the apartments, the Project, the common elements thereof, or as to any appliances and furnishings contained within the apartments or the Project.

G. **Status of Construction and Date of Completion or Date of Estimated Completion**

The Developer estimates, but does not guarantee, that the Project will be completed on June 30, 2007. Completion of all apartments in the Project is dependent on market demand, construction schedules and other variables.

H. **Project Phases:**

The Developer [X] has [] has not reserved the right to add to, merge, or phase this condominium.

Summary of Developer's plans or right to perform for future development (such as additions, mergers or phasing):

The Developer has separated the apartments covered by the Preliminary Public Report (Reg. No. 5671) for the Project into separate groups, or phases. The first phase covered by this Supplementary Public Report (consisting of 56 apartments) is under the Final Public Report (Reg. No. 5723) issued by the Commission on October 28, 2005. The second phase is covered by the Contingent Final Public Report (Reg. No. 5724) issued by the Commission on September 15, 2005. The remaining apartments covered by the Preliminary Public Report will eventually be covered by a single or multiple Contingent Final or Final Public Report(s) in order to accommodate changing construction and/or marketing strategies as a separate or separate phase(s). As each separate phase is filed, the number of apartments covered by the Preliminary Public Report will be accordingly reduced.

In accordance with Article XXVIII of the Declaration, the Developer intends to register the Project in multiple marketing and construction phases. Also, in accordance with the Developer's reserved rights in the Declaration, of which a summary is attached as Exhibit "A", there is no guaranty that the phases not covered under this Supplementary Public Report, or the Recreational Facilities, or any other improvement in the Project will be developed.

C. Additional Information Not Covered Above

1. Master Declarations. In addition to the Declaration of Condominium Property Regime of Hali'i Kai, purchasers of apartments in the Project will be subject to that certain Declaration of Protective Covenants, Conditions and Restrictions for Waikoloa Beach Resort dated as of April 1, 1980, recorded at the Bureau of Conveyances of the State of Hawaii in Liber 14670 at Page 531, as the same may be amended and/or supplemented from time to time; and that certain Declaration of Protective Covenants, Conditions and Restrictions for Waikoloa Beach Resort Conference dated as of April 1, 1980, recorded in said Bureau in Liber 14670 at Page 631, as the same may be amended and/or supplemented from time to time (collectively "Master Declarations"). Purchasers should pay special attention to additional design restrictions and design review processes imposed by such Master Declarations.

By way of such Master Declarations, purchasers of the Project will be deemed to have membership in the Waikoloa Resort Association and the Waikoloa Beach Resort Conference and, as such, will be subject to certain obligations, including but not limited to, the obligation to pay all assessments imposed by such Master Declarations, which are included in the Project's maintenance fees. All purchasers should review the Master Declarations for any additional obligations.

2. Special Management Area. The Project is located within a Special Management Area under Hawaii Revised Statutes Chapter 205A, Part II, which generally requires that certain types of development may require application and issuance of a Special Management Area use permit. The Planning Commission of the County of Hawaii issued Special Management Area Use Permit No. 25 on March 4, 1977, as amended on January 19, 2001, which permits development of the Project. The Special Management Area permit issued by the County of Hawaii establishes certain conditions for the Project, and will be available for review on request.

3. Affiliates of Developer. Prospective purchasers are hereby advised that Centex Homes, dba Centex Destinations Properties, a member entity of the Developer of the Project, is also licensed to and has been retained to act as the Real Estate Broker and the General Contractor for the Project. See Exhibit "N".

4. Construction and Marketing in Phases. The Developer, for registration purposes, intends to separate the total apartments initially covered in the Preliminary Public Report for the Project into groups covered by multiple Contingent Final or Final Public Reports in order to accommodate changing construction and/or marketing strategies. The first phase covered by this Supplementary Public Report (consisting of 56 apartments) is under the Final Public Report issued by the Commission on October 28, 2005. The second phase consisting of 32 apartments is covered by the Contingent Final Public Report (Reg. No. 5724) issued by the Commission on September 15, 2005. The remaining apartments covered by the Preliminary Public Report will eventually be covered by a single or multiple Contingent Final or Final Public Report(s) in order to accommodate changing construction and/or marketing strategies as a separate or separate phases. As each separate phase is filed, the number of apartments covered by the Preliminary Public Report will be accordingly reduced. The Developer intends to file public report packets in multiple separate phases. The Developer makes no guaranty or warranty that all of the currently-planned buildings or the Recreational Facilities, as defined in the Declaration and as depicted on the Condominium Map, or the improvements in the Project, will be developed at all. Purchasers should thus be aware that all of the apartments in the Project, as described in the Project documents, will be closing at different times (depending on the final number selected by Developer to be constructed), and will be closing in phases over a period of time coinciding with the decision to construct, the obtaining of building permits, financing, bonds and issuance of building permits for each phase.

The Developer hereby discloses that although separate Contingent Final or Final Public Reports will be issued for each phase of the Project, all 193 apartments, or lesser number actually constructed, still legally comprise a single condominium project. In other words, the act of separating the various apartments into different marketing and sales phases does not create separate and distinct condominium projects, but only creates separate "projects" for public report purposes. Accordingly, the common elements described in Exhibit "D" attached hereto will serve all apartments actually constructed.

5. Developer to Pay Actual Costs of Project. The Developer hereby discloses that it shall initially assume the actual common expenses of the Project, pursuant to Section 514A-15 of the Hawaii Revised Statutes, from the date upon which certificates of occupancy are issued for the respective apartments of the Project. Accordingly, no apartment owner shall be obligated to pay his or her respective share of the common expenses until the Developer files a written statement ("Notification") with the Real Estate Commission of the State of Hawaii ("Commission") notifying the Commission and all apartment owners of the Project that, after a date certain ("Transition Date"), each apartment owner shall thereafter be obligated to pay for the respective share of common expenses allocated to said owner's apartment. The Notification shall be filed with the Commission at least thirty (30) days prior to the Transition Date, and a copy of said amendment shall be delivered to each of the apartment owners whose maintenance expenses were assumed by the Developer.

6. Design Committee. The Project will have a Design Committee, as described in the Bylaws, which will be established by the Association to promulgate design rules and regulations and regulate the apartment owners' compliance with such design rules and regulations.

7. Real Property Tax Assessment. Developer shall be responsible for any real property taxes attributable to the property prior to closing. Any real property taxes paid in advance by Developer for the property will be prorated as a closing cost payable by purchaser pursuant to the Sales Contract.

8. Subdivision/consolidation. The County of Hawaii has approved developer's consolidation of lots (3) 6-9-10:1-33, 35 and 36 upon which this Project is situated and has assigned the newly consolidated lot the Tax Map Key No. (3) 6-9-10:001. The developer intends to convey Lot 34 to a third party or to the Association and intends to develop on such lot a management office and additional guest and/or staff parking to service the Project.

9. Use of Recreational Facilities: Club Program. The Recreational Facilities within the Project, including, without limitation, the pool areas and the barbeque areas, are limited common elements appurtenant to the Recreational Apartment, and as such, the use of the Recreational Facilities are exclusively reserved to the Recreational Apartment. The Developer, its affiliate, or a third party will own the Recreational Apartment.

Owners will be permitted to use the Recreational Facilities through a Resort Membership in the Hali'i Kai Club. Resort Memberships shall be mandatory for all Residential Apartment Owners and all Residential Apartment Owners shall be responsible for the payment of associated Club Dues, which shall be tied to the actual maintenance and related expenses for the operation of the Recreational Facilities. The Projected Maintenance Fees in the attached Exhibit "H" includes an estimate of the Club Dues payable by each Residential Apartment. The amounts indicated are estimates only, and are subject to change.

Resort Memberships shall be transferable only to subsequent owners of the Residential Apartments. Residential Apartment Owners shall not be relieved of their obligation to pay Club dues through waiver of the use of the Recreational Facilities or suspension from the Hali'i Kai Club.

The Hali'i Kai Club shall be governed by the rules and regulations promulgated by the Owner of the Recreational Apartment, which rules and regulations shall be subject to the Declaration and Master Declarations. Prospective purchasers should carefully review the Hali'i Kai Club Membership Plan, Resort Membership Agreement and Rules and Regulations to familiarize themselves with the Hali'i Kai Club.

10. Waikoloa Beach Golf Course. Prospective purchasers are hereby advised that the Project is adjacent to the Waikoloa Resort Beach Golf Course, a privately-owned public golf course ("Golf Course"). Each Owner, by accepting or acquiring title or interest in the Project shall be deemed to acknowledge and accept the fact that (i) while such closeness to the Golf Course can be beneficial, it also involves certain risks; (ii) activities related to the Golf Course, including but not limited to, tournaments, parties, luaus, concerts and other social activities, may be held on the Golf Course; (iii) the Golf Course is a private facility that is open to the public and that Grantee will not automatically be entitled to any membership or other special privileges as a result of acquiring an apartment in the Project; and (iv) the proximity of the Golf Course to the Project may result in nuisances or hazard to persons, including tenants and guests of the purchaser, as a result of such Golf Course operations and activities. By accepting an apartment deed assumes any and all risks associated with the foregoing and the location of the Project in relation to the Golf Course.

- D. The developer declares subject to the penalties set forth in section 514A-49(b) that this project is in compliance with all county zoning and building ordinances and codes, and all other county permitting requirements applicable to the project, pursuant to Act 251 (SLH 2000) [Section 514A-1.6] (The developer is required to make this declaration for issuance of an effective date for a final public report.)
- E. The developer hereby certifies that all the information contained in this Report and the Exhibits attached to this Report and all documents to be furnished by the developer to buyers concerning the project have been reviewed by the developer and are, to the best of the developer's knowledge, information and belief, true, correct and complete.

Furthermore, if Developer is the Owner of any two (2) or more Apartments separated by a party wall, floor, or ceiling, Developer shall have the right, without obtaining the approval of any party with an interest in the Project, including, without limitation, any other Owner and/or mortgagee, to consolidate such Apartments that are separated and to alter or remove all or portions of the intervening wall, floor, or ceiling at the Developer's expense, provided that the structural integrity of the Project is not affected; the finish of the Common Element remaining is restored to a condition substantially compatible to the Common Element prior to such alteration; and all necessary construction activity shall be completed within a reasonable amount of time, subject to delays beyond the reasonable control of Developer. The Developer shall further have the right to convert that area between Apartments to an Apartment for so long as such Apartments shall remain consolidated or shall continue to be commonly used or owned.

C. RESERVED RIGHT TO RECHARACTERIZE LIMITED COMMON ELEMENTS. Developer does hereby further reserve the right unto itself, its successors and assigns, to and until December 31, 2026, to amend the Declaration to recharacterize certain Limited Common Elements as may be appurtenant to an Apartment owned by Developer as being Common Elements of the Project. The right to amend the aforesaid Declaration, and to effect the recharacterization of any Limited Common Element as provided in this paragraph shall be exercised in accordance with Article XXIII of the Declaration.

D. RESERVED RIGHT TO MODIFY PROJECT. Developer does hereby further reserve the right unto itself, its successors and assigns, to and until December 31, 2026, to effect such modifications to Apartments and Common Elements in the Project and/or to execute, record and deliver any amendments to the Declaration and the Condominium Map, Bylaws, House Rules and/or Design Committee Rules (if any) for the Project, as may be necessary or required by Developer, in its sole discretion, to effect compliance by the Project, the Association or Developer, with laws which apply to the Project, including, without limitation, the Fair Housing Act, as amended, 42 U.S.C. §§3601 *et seq.*, including any and all rules and regulations promulgated thereunder. 1. Location of Apartments.

a. Residential Apartments. The Residential Apartments are located in twenty-four (24) separate 8-plex three-story, multi-family condominium dwelling unit buildings as depicted on the Condominium Map (numbered 1 through 24). Each building contains Apartment Types A, AR, B, BR, C, CR, D and DR.

b. Recreational Apartment. One Recreational Apartment contained within one (1) one-story building as depicted on the Condominium Map.

2. Layout of Apartments.

a. Residential Apartments. All Residential Apartments have the number of bedrooms and bathrooms as indicated in the table above, a living/dining room, a foyer, a laundry room, a kitchen and a lanai and/or balcony. Apartment Types A, AR, B, BR, C and CR have one (1) floor. Apartment Types D and DR have two (2) floors.

b. Recreational Apartment. The Recreational Apartment has men's and women's restrooms, a kitchen, a storage area, a hall and two (2) offices as depicted on the Condominium Map.

3. Common Interest.

The percentage *Common Interest* attributable to each Apartment in the Project was calculated by dividing the approximate Net Living Area square footage of each individual Apartment by the total Net Living Area square footage of all Apartments within the Project. The approximate Net Living Area square footage of each Apartment in the Project was determined by measuring the area between the perimeter walls of each Apartment.

Note that the Common Interest percentages reflected in the chart above have been rounded to the sixth decimal place. Thus, the calculations herein are estimates and not exact figures. In order to permit the Common Interest for all Apartments in the Project to equal exactly one hundred percent (100%), the Common Interest attributable to Recreational Apartment 1 was decreased by .000027%.

4. Parking Stalls.

Each Residential Apartment will have for its exclusive use of two (2) numbered parking stalls located in their Limited Common Element covered garage or covered carport, and an uncovered stall located either directly in front of their Limited Common Element covered garage or covered carport or on the roadways within the Project, as assigned in the chart above. The Recreational Apartment will have for its exclusive use the seventeen (17) numbered parking stalls, three (3) of which are handicap accessible, located in its Limited Common Element parking area adjacent to the Ocean Club. Additional, unassigned guest parking is available throughout designated areas in the Project for use by guests of Owners of the Apartments. There are also seven (7) unassigned handicap stalls located within the Project.

Re: **Hali'i Kai Reserve Study Summary**

Dear Ms. Sorum:

Enclosed is the reserve study conducted on Hali'i Kai. This project will contain twenty-four 8-plex buildings with a total of 192 residential units. This study considers the replacement, repairs and/or refurbishment of the project's proposed common area improvements. The total current cost of the components included in this analysis as of January 1, 2006 is \$4,260,255, and the total future cost is \$8,524,055. The largest proportion of these expenses that are within the 20-year analysis period involves building exterior renovations.

Analysis 1 indicates our recommended 2006 contributions into reserves. The subject property is currently under development with improvements that are projected for completion between mid 2005 and 2008. Because this is a new development, the beginning reserve balance for January 1, 2006 is projected at \$0. Our recommended annual contribution to reserves is \$230,000 for the duration of this study.

Exterior painting cost is currently estimated at \$5,000 per unit for a total cost of \$960,000 for the association's planned 192 units. It appears that the demand for exterior painting has far exceeded the supply of painting contractors for the Big Island in recent years resulting in rapid and extreme increases in costs. Increases in exterior painting cost could diminish or even decrease if the rate of construction slows or the supply of painting contractors increase. For budgeting purposes, current market cost estimates for exterior painting are used in this analysis.

It should be noted that the derivation of our recommended annual reserve contributions are based on components calculated from the project's proposed conceptual illustrations, floor plans and site layout figures provided by Centex Properties. Upon completion of the development, a new reserve study is recommended with a review of actual improvements in-place as well as analysis of "as built" construction drawings. Analysis of completed improvements could change our recommended annual reserve contributions.

Please feel free to call us if you have any concerns or questions. We appreciate the opportunity to be of service.

Sincerely,

Robert Wilder
Reserve Specialist

EXHIBIT "I"

SUMMARY OF DEPOSIT RECEIPT, RESERVATION AGREEMENT AND/OR SALES CONTRACT

Capitalized terms have the same meaning as ascribed to such terms in the Deposit Receipt, Reservation Agreement and/or Sales Contract ("Sales Contract").

The specimen Sales Contract, filed with the State of Hawaii Real Estate Commission, provides for, among other things, a description of the Apartment to be sold, the purchase price, the closing costs, the time, manner and place of payment, the Purchaser's obligations regarding financing, the Seller's warranties and disclaimers regarding the Condominium Map and the Project, and the remedies of the Seller and of the Purchaser in the event of a default under the Sales Contract.

Among other provisions the specimen Sales Contract provides:

1. Notwithstanding any other provision of the Sales Contract to the contrary, the Sales Contract shall become binding upon (i) delivery by Seller of a copy of the Contingent Final Public Report or Final Public Report for the Project (if any), either personally or by registered or certified mail with return receipt requested, and the receipt and notice ("Receipt and Notice Form") advising Purchaser of Purchaser's right to cancel the Sales Contract, the delivery of which is required by Hawaii Revised Statutes, Section 514A-62, (ii) Purchaser having been given an opportunity to read said report(s), (iii) Purchaser's waiver of Purchaser's right to cancel the Sales Contract pursuant to the terms of the Receipt and Notice Form, and (iv) if the Sales Contract is entered into prior to the effective date of the Contingent Final Public Report, or if there is no Contingent Final Public Report, prior to the effective date of the Final Public Report, then, upon delivery of the Contingent Final Public Report or Final Public Report, as applicable, Purchaser's and Seller's execution of an Affirmation Instrument agreeing to render the Sales Contract a binding contract. **IF PURCHASER FAILS TO EXECUTE SAID AFFIRMATION INSTRUMENT AND RETURN THE AFFIRMATION INSTRUMENT TO SELLER WITHIN THIRTY (30) DAYS OF PURCHASER'S RECEIPT THEREOF, THE SALES CONTRACT SHALL AT SELLER'S OPTION, BE CANCELLED, AND SELLER SHALL THEREUPON CAUSE ESCROW TO REFUND PAYMENTS PREVIOUSLY MADE BY PURCHASER WITHOUT INTEREST, LESS ANY ESCROW CANCELLATION FEES.**

Purchaser may cancel the Sales Contract within thirty (30) days of Purchaser's receipt of the Contingent Final Public Report or, if no Contingent Final Public Report has been issued, the Final Public Report. It is understood that Purchaser may, at any time after Purchaser's receipt of the Receipt and Notice Form, waive Purchaser's right to cancel the Sales Contract. If Purchaser shall fail to execute the Receipt and Notice Form within thirty (30) days of Purchaser's receipt of the Receipt and Notice Form, Purchaser shall be deemed to have received the Contingent Final Public Report or Final Public Report ("Deemed Receipt") and waived Purchaser's right to cancel the Sales Contract (by Purchaser's failure to give said written notice of cancellation). The conveyance of the Apartment to the Purchaser within the thirty (30)-day period referenced above shall also be treated as a Deemed Receipt of the Contingent Final Public Report or Final Public Report and as a waiver by Purchaser of Purchaser's right to cancel the Sales Contract.

If the Sales Contract shall become binding prior to the issuance of an effective date for a Final Public Report, the issuance of an effective date for a Final Public Report for the Project by the Real Estate Commission prior to the expiration of the Contingent Final Public Report (and/or any Supplementary Public Report) shall not affect the enforceability of Purchaser's obligations under the Sales Contract. The Sales Contract will continue to be binding on Purchaser. Moreover, upon the issuance of said Final Public Report, Seller shall not be required to deliver to the Purchaser the Final Public Report, together with a Receipt and Notice Form, but may instead promptly deliver to Purchaser a disclosure statement, informing Purchaser that the Real Estate Commission has issued an effective date for the Final Public Report. The disclosure statement shall also contain all information contained in the Final Public Report that is not contained in the Contingent Final Public Report.

If an effective date for a Final Public Report is not issued by the Real Estate Commission prior to the expiration of the Contingent Final Public Report and/or any Supplementary Public Report, as the case may be, then Seller shall notify the Purchaser by certified mail, and the Seller or the Purchaser may rescind the Sales Contract

and, in such event, the Purchaser shall be entitled to a prompt refund of the Purchaser's entire deposit plus any escrow fees that Purchaser may have paid less any escrow cancellation fees.

2. The Seller has entered into an Escrow Agreement, summarized in Exhibit J herein, with Title Guaranty Escrow Services, Inc. ("Escrow"), covering the deposit with Escrow of all funds paid by the Purchaser under the Sales Contract and the disbursement of the funds by Escrow. In the event a purchase is cancelled, Escrow may charge a cancellation fee on account of escrow services performed not to exceed \$250.00.

3. The Sales Contract requires the Purchaser to pay the Total Purchase Price by a series of payments prior to Closing. Such payments include the Reservation Deposit due upon execution of the Deposit and Reservation Agreement, and the initial payment when Purchaser signs the Sales Contract. Purchaser shall then deposit at or prior to Closing, the remaining balance due.

4. The Sales Contract provides that Purchaser will not receive any interest on Purchaser's Deposits. All interest on Purchaser's Deposits, if any, shall accrue to Seller.

5. Purchaser's obligations under the Sales Contract are not contingent or conditional on Purchaser's ability to secure financing from a mortgage lender or on Purchaser's ability to sell Purchaser's current residence or any other property. Financing by Seller of any portion of the Total Purchase Price is not available.

6. The Sales Contract provides that closing costs and expenses shall be allocated as follows: Seller shall pay 60% of the premium for the Title Policy, the cost of drafting of conveyance documents, Seller's notary fees, conveyance tax, and 50% of escrow fees. Purchaser shall pay 40% of the premium for the Title Policy, and any additional costs relating to the issuance of extended coverage policy (including a lender's policy), the cost of drafting of any revisions or addenda to the Sales Contract in addition to those listed in Section C.4 of the Sales Contract, if any, the cost of obtaining Purchaser's consents, if any, Purchaser's notary fees, all recording fees, 50% of escrow fees, any mortgage fees, and Hawaii General Excise Tax. The Sales Contract also provides that at Closing Purchaser shall pay (a) one (1) month's maintenance fee for the Condominium Association, and (b) a non-refundable, non-transferable start-up fee to the Condominium Association in the amount equal to two (2) months' maintenance fee assessments. These start-up fees are one-time assessments at Closing and are not advance payments of common expenses or assessments, and shall be in addition to the normal monthly assessments.

7. The Sales Contract provides that Purchaser may purchase upgrades, including modifications or additions to, or upgrades of, the standard fixtures, appliances and/or layout of the Apartment to be made by Seller, pursuant to an upgrade addendum attached to the Sales Contract upon Purchaser's execution of the Sales Contract. Purchaser must deposit one hundred percent (100%) of the purchase price of the upgrades upon Purchaser's execution of the upgrade addendum.

8. The Sales Contract provides that it shall not be construed as a present transfer of any rights or of any interest in the Apartment, but rather states that it is an agreement to transfer in the future. By execution of the Sales Contract, the Purchaser agrees to waive, relinquish and subordinate the priority or superiority of any lien or other legal or equitable interest arising under the Sales Contract in favor of the lien or charge on the Project of the security interests of the Lender, including but not limited to any lien, mortgage or charge securing a loan made to finance the acquisition of the land and the costs of construction (if applicable) and any and all advances therefore until the filing of the Apartment Deed.

9. The Sales Contract provides that it may not be assigned by Purchaser. Any assignment of the Sales Contract is void and of no legal effect. Notwithstanding the foregoing, Purchaser may assign its rights under the Sales Contract to affiliated entities for estate planning purposes without the consent of Seller, provided that any such assignment shall not release Purchaser from its obligations under the Sales Contract. In the event that Purchaser decides to make such an assignment for estate planning purposes, Purchaser shall provide written notice thereof to Seller at least fifteen (15) days prior to the Closing Date, as defined in the Sales Contract, and shall provide to Seller copies of such documents as Seller, in its sole and absolute discretion, deems necessary to complete Closing.

10. The Sales Contract provides that any dispute by or between Seller and Purchaser arising out of or incident to the Sales Contract, or the development or management of the Project, the sale of the Apartment or the use or occupancy thereof, or any other aspect of the relationship between Seller and Purchaser regarding the Project which is raised or otherwise asserted after Closing shall be submitted to mediation and, if necessary, to arbitration in accordance with the terms, conditions and procedures set forth in the Sales Contract. The Sales Contract also provides that any dispute by or between Seller and Purchaser arising out of or incident to the Sales Contract that is raised or otherwise asserted before Closing need not be submitted to arbitration, and Seller and Purchaser shall be free to pursue such dispute, as otherwise provided herein, in proceedings in a court of competent jurisdiction, provided that any judicial proceedings initiated shall be conducted in Honolulu, Hawaii.

11. The Sales Contract provides that the Apartments shall be sold subject to the Hali'i Kai One-Year Resale Restriction Agreement which shall be executed by Purchaser at Closing. Should Purchaser transfer Purchaser's Apartment during the Restriction Period, Purchaser shall be required to compensate Seller for Purchaser's default by payment of Liquidated Damages as further explained in the Sales Contract.

SUMMARY OF ESCROW AGREEMENT

The Escrow Agreement for the Project dated April 27, 2005 ("Agreement") contains the following provisions (which may be modified or otherwise limited by provisions which are not summarized hereinbelow):

A. As and when Seller and prospective Purchaser enters into a Deposit and Reservation Agreement for the right to participate in a lottery for the reservation and purchase of an Apartment in the Project ("Reservation Agreement"), it shall require payment of deposit due thereunder to be promptly made to Escrow, and shall deliver an executed copy of the Reservation Agreement to Escrow together with the address of prospective Purchaser. Seller shall also promptly pay over to Escrow all monies (including checks) received by Seller from or on behalf of the prospective Purchaser.

B. As and when Seller shall enter into a Sales Contract for the conveyance of an Apartment or other interest in the Project ("Sales Contract"), it shall require the payment of deposit due thereunder to be promptly made to Escrow, and shall deliver an executed copy of the Sales Contract to Escrow together with the address of the Purchaser. Seller shall also promptly pay over to Escrow all monies (including checks) received by Seller from or on behalf of the Purchasers, including those received on any Sales Contract, and all payments made on loan commitments from lending institutions on account of any Apartment in the Project, other than funds received from interim financing.

C. Escrow shall receive, deposit and hold in separate escrow accounts and disburse as set forth in the Agreement: (a) all payments received by it under Reservation Agreements and Sales Contracts, (b) such sums received by it under the Agreement from or for the account of Seller, and (c) all sums received by it from any other source with respect to the Project. Escrow shall not at any time commingle or permit the commingling of any Purchaser's funds with funds belonging to or held for the benefit of Seller. All funds and instruments received from Purchasers or prospective Purchasers shall be held by Escrow in accordance with the provisions contained in Chapter 514A of the Hawaii Revised Statutes. All monies received by Escrow hereunder shall be deposited, within a reasonable time of the receipt by Escrow and in reasonably convenient and practical sums, in an interest-bearing account with a federally insured bank, savings and loan or trust company authorized to do business in the State of Hawaii under an escrow arrangement, and shall be held in immediately available funds in accordance with the terms of the Agreement. All income derived from said account, and all interest paid thereon, shall be credited to the account of Seller unless otherwise directed by a Seller.

D. Notwithstanding anything in the Agreement to the contrary, Escrow shall make no disbursements of Purchasers' funds or proceeds from the sale of Apartments in the Project (including any payments made on loan commitments from lending institutions), except by way of refunds thereof as provided in the Agreement, until the Final Public Report for the particular phase of the Project under which such disbursement is requested, has been issued and Escrow has received a letter from Seller stating that the Purchasers have signed the required Receipt and Notice of Right to Cancel or are deemed to have receipted for the public reports and to have waived their right to cancel, and stating further that no subsequent events have occurred which would give the Purchasers the right to rescind, the Sales Contracts have "become binding" and "the requirements of Sections 514A-40, 514A-39.5 and 514A-63" of the Hawaii Revised Statutes have been met, as said phrases are used in Section 514A-65, Hawaii Revised Statutes, and further that the requirements of Section 514A-62 of the Hawaii Revised Statutes have been met.

E. Purchaser's funds may be used for construction and other allowable expenses in accordance with Section 514A-67 of the Condominium Property Act, as amended, and as enumerated in the Agreement and defined below prior to closing, provided that all the requirements in provision D. above have been met. If funds are to be used for construction prior to closing, the funds shall be distributed by Escrow upon the submission of bills and upon direction to do so from Seller and a qualified financially disinterested person from time to time to pay for: (a) construction costs of the buildings and improvements in proportion to the valuation of the work completed by the contractor in accordance with the contract documents, as certified by a registered architect or engineer and approved for payment by a qualified financially disinterested person; (b) architectural, engineering, and interior design service fees in proportion to the services performed within each phase of services, as approved by a qualified financially disinterested person; (c) the costs of purchasing furnishings and fixtures for the Apartments, as approved by a

qualified financially disinterested person; (d) finance and legal fees, and other incidental expenses of constructing the Apartments or developing the Project, as approved by a qualified financially disinterested person; and (e) such other costs incurred in connection with the construction of the improvements of the Project as a qualified financially disinterested person may approve. Any funds remaining shall not be disbursed until construction of the Project has been completed (or until construction of the particular Apartment being conveyed has been completed to the extent that the Condominium Property Act permits such disbursement) and Escrow receives satisfactory evidence that all mechanics' and materialmen's liens have been cleared (or, to the extent permitted by the Condominium Property Act, have been dealt with in such a fashion as to avoid non-compliance with Section 514A-18 of the Condominium Property Act), unless sufficient funds have been set aside for any bonafide dispute.

F. Each Purchaser shall be entitled to a return of his or her funds, without interest, and Escrow shall pay such funds to such Purchaser, promptly after request for return by the Purchaser if one of the following has occurred:

(1) Escrow receives a written request from Seller to return to the Purchaser the funds of the Purchaser then being held by Escrow;

(2) Seller notifies Escrow in writing of Seller's exercise of the option to rescind the Sales Contract pursuant to any right of rescission stated therein or otherwise available to Seller;

(3) The conditions providing for a refund under Section 514A-62 or under Section 514A-63 of the Hawaii Revised Statutes (as amended on the date upon which the Sales Contract becomes binding and effective) have been met, and written notice thereof has been provided by Seller.

(4) The conditions providing for refund under Section 514A-62 or under Section 514A-63 of the Hawaii Revised Statutes, as amended, have been met and which notice thereof has been provided by Seller.

Upon the cancellation of any Sales Contract as specified above, Escrow shall be entitled to a cancellation fee commensurate with the services rendered by Escrow prior to such cancellation, up to a maximum of \$250.00, as described in Exhibit "A" of the Agreement, plus all costs incurred by Escrow, which shall be paid by the Purchaser.

G. Except as otherwise provided by law, Escrow shall give each purchaser entitled to a return of his or her funds notice thereof by certified or registered mail, addressed to such purchaser at his address shown on the Sales Contract or any address later made known to Escrow by such purchaser. If such purchaser shall not have claimed such refund within one hundred twenty (120) days from the date said notice is mailed, Escrow shall deposit such funds into a special account in a bank or other depository selected by Escrow in the name of Seller, as trustee for the benefit of such purchaser. After having sent Seller written notice of the foregoing acts, Escrow shall thereupon be released from further liability hereunder with respect to such funds and such purchaser.

H. If the Purchaser fails to make any payment on or before the due date thereof or if the Purchaser does or fails to do any act which would constitute an event of default under the Sales Contract, Seller shall promptly give to such Purchaser and to Escrow, written notice of default. If Purchaser has failed to cure the default after the delivery of notice by Escrow and such default continues after the expiration of any grace period, Escrow shall so advise Seller. If Seller shall thereafter certify in writing to Escrow: (1) that Seller has elected to terminate the Sales Contract and has notified the Purchaser, or (2) that Purchaser is otherwise in default, then, and in either event, Escrow, subject to the provisions relating to dispute and conflicting demands set forth in paragraph 15 of the Agreement, shall thereafter treat all funds of the Purchaser paid under such Sales Contract, less Escrow's cancellation fee, as funds of Seller and not of the Purchaser. Thereafter, such funds shall be held free of the escrow established by the Agreement and shall be held by Escrow for the account of Seller. Upon written request by Seller, Escrow shall pay such funds to Seller or order and shall return to Seller the Sales Contract of such Purchaser and any other documents theretofore delivered to Escrow in connection with the purchase of the Apartment specified in such Sales Contract shall be returned to the person from whom or entity from which such documents were received.

A. **RESIDENTIAL APARTMENTS.** Except as provided herein, the Residential Apartments shall be occupied and used only as private dwellings by the respective Owners thereof, their tenants, families, domestic servants and social guests, and for no other purpose. Notwithstanding anything contained herein or in law to the contrary, the Residential Apartments in the Project or any interest therein shall not be the subject of or sold, transferred, conveyed, leased, occupied, rented or used at any time under a time share plan (as defined in Hawaii Revised Statutes, Chapter 514E, as amended) or similar arrangement or program whether covered by Chapter 514E or not, or under any so-called "fractional ownership", "fractional interest ownership", "rental pool", "vacation license", "travel club membership", "club membership", "membership club" or "time-interval ownership" or "interval ownership" as offered and established through a third party vacation membership service provider who is in the business of providing such programs; provided, however, that any Residential Apartment owned by the Developer shall be free of the restriction on use set forth in this sentence. This Section VI.A shall not be amended without the prior written consent of the Developer.

The terms "business" and "trade" as used in this Section, shall be construed to have their ordinary generally accepted meaning and shall include, without limitation, any work or activity undertaken on an ongoing basis which involves the provision of goods or services to persons other than the provider's family and for which the provider receives a fee, compensation, or other form of consideration, regardless of whether (i) such activity is engaged in full-or part-time; (ii) such activity is intended to or does generate a profit; and (iii) a license is required therefor.

B. **RECREATIONAL APARTMENT.** The Recreational Apartment may be used for any purpose permissible by law, the Master Declarations, the Declaration and the Bylaws, including, but not limited to, administrative offices, management offices, concierge services, storage, sales and marketing offices and activity desks or offices. Any income derived from such services shall belong solely to the Owner of the Recreational Apartment.

C. **OWNERS' RIGHT TO LEASE APARTMENTS.** Subject to those certain prohibitions on uses set forth in Article VI, Section A of the Declaration, the Owners of the respective Apartments shall have the absolute right to lease such Apartments subject to all provisions of the Declaration, the Master Declarations, the Bylaws and the House Rules; provided, however, that (i) all leases shall be in writing, signed by the Owner or Owner's representative and the tenant, (ii) all leases shall have a term of not less than thirty (30) days, (iii) no leasing of less than an entire Apartment shall be allowed, and (iv) Owner gives notice in writing to the Association that such Owner's Apartment is being leased out. Such Owner's right to lease is subject to any owner-occupant requirements under Sections 514A-101 through 514A-108 of the Act, as amended.

D. **OWNERS' RIGHT TO SELL APARTMENTS.** The Owners of the respective Apartments shall have the absolute right to sell or otherwise transfer such Apartments subject to all provisions of the Act, the Declaration, the Bylaws, the House Rules, the Design Committee Rules (if any), the Apartment Deed, any agreements regarding the Owner's right to resell Apartments and the Master Declarations.

E. **OWNERS' RIGHT TO MORTGAGE.** The Owners of the respective Apartments shall have the right to mortgage or otherwise transfer an interest in their respective Apartments as security for the repayment of a loan.

F. **PROHIBITION ON ACTIVITIES WHICH JEOPARDIZE THE PROJECT.** No Apartment Owner shall do or suffer or permit to be done anything on any Apartment or appurtenant Limited Common Element or elsewhere on the Project which will (i) injure the reputation of the Project, (ii) jeopardize the safety or soundness of the Project, (iii) create a nuisance or interfere with or unreasonably disturb the rights of other Owners and occupants, (iv) reduce the value of the Project, (v) result in the cancellation of insurance applicable to the Project, or adversely affect the right of recovery thereunder or result in reputable companies refusing to provide insurance as required or permitted by the Bylaws, or (vi) increase the rate of insurance applicable to the Apartments or the contents thereof, or to the Project.

G. **PROHIBITION ON UNAUTHORIZED CHANGES TO THE EXTERIOR OF CERTAIN APARTMENTS OR COMMON AREAS.** No Owner shall, without the written approval and continuing consent of the Design Committee and the Resort Association Architectural Committee, as more specifically provided in the Bylaws, change the exterior appearance of said Apartment or any Common Element in any manner, and any and all changes made to any Apartment or to the Common Element of the Project shall strictly comply with the Design Committee Rules promulgated by the Design Committee, or other applicable rules.

1. The right of the Board, upon the approval of the Owners of seventy-five percent (75%) of the Common Interest, to change the use of the Common Elements;

2. The right of the Board, on behalf of the Association, to lease or otherwise use for the benefit of the Association those Common Elements which are not actually used by any of the Apartment Owners for an originally intended special purpose, as determined by the Board; provided that unless the approval of the Owners of seventy-five percent (75%) of the Common Interest is obtained, any such lease shall not have a term exceeding five (5) years and shall contain a provision that the lease or agreement for use may be terminated by either party thereto on not more than sixty (60) days written notice;

3. The right of the Board to lease or otherwise use for the benefit of the Association those Common Elements not falling within Article VI, Section H of the Declaration, upon obtaining: (i) the approval of the Owners of seventy-five percent (75%) of the Common Interest, including all directly affected Owners and all Owners of Apartments to which such Common Elements are appurtenant in the case of Limited Common Elements, and (ii) the approval of all mortgagees of record which hold mortgages on Apartments with respect to which owner approval is required by (i) above, if such lease or use would be in derogation of the interest of such mortgagees; and

4. The exclusive use of the Limited Common Elements as provided herein.

J. **DEVELOPER'S RIGHT TO USE.** Notwithstanding anything provided to the contrary, as long as there are unsold Apartments in the Project, Developer shall have the right to use any Apartment which it owns for promotional purposes, and shall have the right to have guests stay in such Apartments for any length of time; provided that such guests shall abide by and be subject to all of the provisions of the Declaration, Bylaws and House Rules. Additionally, the Developer will have the right to utilize Apartments as sales offices or as a place which is utilized to provide services to the Owners or other occupants of the Project, to the extent such use or uses are permitted under applicable law.

K. **PROHIBITION AGAINST INCREASING ENCLOSED LIVING AREA OF ANY RESIDENTIAL APARTMENT.** The enclosed living area of a Residential Apartment of the Project (as such living area is depicted on the Condominium Map on the date the Apartment is conveyed to an Owner by the Developer) may not be increased. Notwithstanding the foregoing, the Owner of the Recreational Apartment may alter the floor plan of the Recreational Apartment in accordance with Article XXII.B of the Declaration.

L. **SPECIAL MANAGEMENT AREA PERMIT REQUIREMENTS.** The use of the Common Elements will be subject to any conditions imposed by the SMA Permit. Each Owner's ownership, use and occupancy is subject to, limited by and must conform and comply with Chapter 205A of the Hawaii Revised Statutes, as amended, Rule 9 of the Hawaii County Planning Commission and the terms, conditions, obligations and other provisions set forth in the SMA Permit. Each Owner is deemed to acknowledge that (i) Owners may be prohibited from entering onto or disturbing the archaeological sites, (ii) there may be risks, disturbances, liability, nuisances, hazards and damages associated with the location of the archaeological sites and the easements related thereto, and (iii) the Association shall maintain, preserve and not disturb, and take affirmative action to prevent any person or thing from destroying, damaging or otherwise disturbing such archaeological sites and shall comply with all requirements imposed by Developer, the State of Hawaii, County of Hawaii or any other governmental agency, and any other law, ordinance, rule or regulation.

N. **USE OF RECREATIONAL FACILITIES; HALI'I KAI CLUB.** Each Residential Apartment Owner, by virtue of the Owner's acceptance of an Apartment Deed, shall be required to maintain a Resort Membership in the Hali'i Kai Club, and shall be subject to the Club Documents, including, but not limited to, the Membership Plan, Resort Membership Agreement and the Rules and Regulations. The Resort Membership shall entitle the Residential Apartment Owner to use the Club Facilities, including the Recreational Apartment and the Recreational Facilities, subject to the terms and conditions of the Club Documents. Each Resort Member will be required to pay Club Dues for such usage, and no Owner shall be relieved of the obligation to pay the Club Dues by waiving the Owner's rights to the Resort Membership or the use of the Club Facilities or any part thereof.
