General Information On Condominiums

A condominium is a special form of real property. To create a condominium in Hawaii, the requirements of the Condominium Property Act, Chapter 514A, Hawaii Revised Statutes, must be complied with. In addition, certain requirements and approvals of the County in which the project is located must be satisfied and obtained.

Some condominium projects are leasehold. This means that the land or the building(s) and other improvements are leased to the buyer. The lease for the land usually requires that at the end of the lease term, the lessees (apartment owners/tenants) deliver their interest in the land to the lessor (fee property owner). The lease also usually requires that the lessees either (1) convey to the lessor the building(s) and other improvements, including any improvements paid for by the lessees; or (2) remove or dispose of the improvements at the lessee's expense. Leases for individual apartments often require that at the end of the lease term, the lessee deliver to the lessor the apartment, including any improvements placed in the apartment by the lessee.

If you are a typical condominium apartment owner, you will have two kinds of ownership: (1) ownership in your individual apartment; and (2) an undivided interest in the common elements.

"Common elements" are the areas of the condominium project other than the individual apartments. They are owned jointly by all apartment owners and include the land, either in fee simple or leasehold, and those parts of the building or buildings intended for common use such as foundations, columns, roofs, halls, elevators, and the like. Your undivided interest in the common elements cannot be separated from ownership of your apartment.

In some condominium projects, some common elements are reserved for the exclusive use of the owners of certain apartments. These common elements are called "limited common elements" and may include parking stalls, patios, lanais, trash chutes, and the like.

You will be entitled to exclusive ownership and possession of your apartment. Condominium apartments may be individually bought, sold, rented, mortgaged or encumbered, and may be disposed of by will, gift, or operation of law.

Your apartment will, however, be part of the group of apartments that comprise the condominium project. Study the project's Declaration, Bylaws, and House Rules. These documents contain important information on the use and occupancy of apartments and the common elements as well as the rules of conduct for owners, tenants, and guests.

Operation of the Condominium Project

The Association of Apartment Owners is the entity through which apartment owners may take action with regard to the administration, management, and operation of the condominium project. Each apartment owner is automatically a member of the Association.

The Board of Directors is the governing body of the Association. Unless you serve as a board member or an officer, or are on a committee appointed by the board, your participation in the administration and operation of the condominium project will in most cases be limited to your right to vote as an apartment owner. The Board of Directors and officers can take certain actions without the vote of the owners. For example, the board may hire and fire employees, increase or decrease maintenance fees, borrow money for repair and improvements and set a budget. Some of these actions may significantly impact the apartment owners.

Until there is a sufficient number of purchasers of apartments to elect a majority of the Board of Directors, it is likely that the developer will effectively control the affairs of the Association. It is frequently necessary for the developer to do so during the early stages of development and the developer may reserve certain special rights to do so in the Declaration and Bylaws. Prospective buyers should understand that it is important to all apartment owners that the transition of control from the developer to the apartment owners be accomplished in an orderly manner and in a spirit of cooperation.

**II. CREATION OF THE CONDOMINIUM;
CONDOMINIUM DOCUMENTS**

A condominium is created by recording in the Bureau of Conveyances and/or filing with the Land Court a Declaration of Condominium Property Regime, a Condominium Map (File Plan), and the Bylaws of the Association of Apartment Owners. The Condominium Property Act (Chapter 514A, HRS), the Declaration, Bylaws, and House Rules control the rights and obligations of the apartment owners with respect to the project and the common elements, to each other, and to their respective apartments. The provisions of these documents are intended to be, and in most cases are, enforceable in a court of law.

A. **Declaration of Condominium Property Regime** contains a description of the land, buildings, apartments, common elements, limited common elements, common interests, and other information relating to the condominium project.

The Declaration for this condominium is:

The Bylaws referred to above have been amended by the following instruments [state name of document, date and recording/filing information]:

D. **House Rules.** The Board of Directors may adopt House Rules to govern the use and operation of the common elements and limited common elements. House Rules may cover matters such as parking regulations, hours of operation for common facilities such as recreation areas, use of lanais and requirements for keeping pets. These rules must be followed by owners, tenants, and guests. They do not need to be recorded or filed to be effective. The initial House Rules are usually adopted by the developer.

The House Rules for this condominium are:

IMPORTANT INFORMATION ON LEASEHOLD CONDOMINIUM PROJECTS

The information contained in this report is a summary of the terms of the lease. For more detailed information, you should secure a copy of the lease documents and read them thoroughly.

If you have any legal questions about leasehold property, the lease documents or the terms of the lease and the consequences of becoming a lessee, you should seek the advice of an attorney.

There are currently no statutory provisions for the mandatory conversion of leasehold condominiums and there are no assurances that such measures will be enacted in the future.

In leasehold condominium projects, the buyer of an apartment will acquire the right to occupy and use the apartment for the time stated in the lease agreement. The buyer will not acquire outright or absolute fee simple ownership of the land. The land is owned by the lessor or the leased fee owner. The apartment owner or lessee must make lease rent payments and comply with the terms of the lease or be subject to the lessor's enforcement actions. The lease rent payments are usually fixed at specific amounts for fixed periods of time, and are then subject to renegotiation. Renegotiation may be based on a formula, by arbitration set in the lease agreement, by law or by agreement between the lessor and lessee. The renegotiated lease rents may increase significantly. At the end of the lease, the apartment owners may have to surrender the apartments, the improvements and the land back to the lessor without any compensation (surrender clause).

When leasehold property is sold, title is normally conveyed by means of an assignment of lease, the purpose of which is similar to that of a deed. The legal and practical effect is different because the assignment conveys only the rights and obligations created by the lease, not the property itself.

The developer of this condominium project may have entered into a master ground lease with the fee simple owner of the land in order to develop the project. The developer may have then entered into a sublease or a new lease of the land with the lessee (apartment owner). The developer may lease the improvements to the apartment owner by way of an apartment lease or sublease, or sell the improvements to the apartment owners by way of a condominium conveyance or apartment deed.

Boundaries of Each Apartment: As set forth in Section 3.02(b) of the Declaration, each Apartment consists of the improvements, fixtures and space located within the undecorated or unfinished surfaces of each building's perimeter walls, interior load-bearing walls, floors and ceilings. Purchasers should review the Declaration Section 3.02(b) for a full description of what is and what is not included in each Apartment.

Permitted Alterations to Apartments: Generally, alterations to Apartments are permitted only with the prior approval of the Project's Board of Directors. All purchasers should review the restrictions, requirements and conditions for Apartment alterations which are contained in Section 4.08 of the Declaration and Section 10.04 of the Bylaws.

Apartments Designated for Owner-Occupants Only:
Fifty percent (50%) of **residential** apartments must be so designated; developer has a right to substitute similar apartments for those apartments already designated. Developer must provide this information either in a published announcement or advertisement as required by section 514A-102, HRS; or include the information here in this public report and in the announcement (see attachment 11a). Developer has not elected to provide the information in a published announcement or advertisement because of the Project's intended hotel use.

11. Conformance to Present Zoning Code

- a. No variances to zoning code have been granted.
 Variance(s) to zoning code was/were granted as follows:

b. Conforming/Non-Conforming Uses, Structures, Lot

In general, a non-conforming use, structure, or lot is a use, structure, or lot which was lawful at one time but which does not now conform to present zoning requirements.

	<u>Conforming</u>	<u>Non-Conforming</u>	<u>Illegal</u>
Uses	<u>✓</u>	<u>_____</u>	<u>_____</u>
Structures	<u>✓</u>	<u>_____</u>	<u>_____</u>
Lot	<u>✓</u>	<u>_____</u>	<u>_____</u>

If a variance has been granted or if uses, improvements or lot are either non-conforming or illegal, buyer should consult with county zoning authorities as to possible limitations which may apply.

Limitations may include restrictions on extending, enlarging, or continuing the non-conformity, and restrictions on altering and repairing structures. In some cases, a non-conforming structure that is destroyed or damaged cannot be reconstructed.

The buyer may not be able to obtain financing or insurance if the condominium project has a non-conforming or illegal use, structure, or lot.

D. Common Elements, Limited Common Elements, Common Interest:

1. Common Elements: Common Elements are those parts of the condominium project other than the individual apartments. Although the common elements are owned jointly by all apartment owners, those portions of the common elements which are designated as limited common elements (see paragraph 2 below) may be used only by those apartments to which they are assigned. The common elements for this project, as described in the Declaration, are:

described in **Exhibit F**.

as follows:

2. Limited Common Elements: Limited Common Elements are those common elements which are reserved for the exclusive use of the owners of certain apartments.

There are no limited common elements in this project.

The limited common elements and the apartments which use them, as described in the Declaration, are:

described in **Exhibit F**.

as follows:

3. Common Interest: Each apartment will have an undivided fractional interest in all of the common elements. This interest is called the "common interest." It is used to determine each apartment's share of the maintenance fees and other common profits and expenses of the condominium project. It may also be used for other purposes, including voting on matters requiring action by apartment owners. The common interests for the apartments in this project, as described in the Declaration, are:

described in **Exhibit G**.

as follows:

- E. Encumbrances Against Title: An encumbrance is a claim against or a liability on the property or a document affecting the title or use of the property. Encumbrances may have an adverse effect on the property or your purchase and ownership of an apartment in the project.

Exhibit H describes the encumbrances against the title contained in the title report dated effective September 22, 2005 and issued by Fidelity National Title Insurance Company.

Blanket Liens:

A blanket lien is an encumbrance (such as a mortgage) on the entire condominium project that secures some type of monetary debt (such as a loan) or other obligation. A blanket lien is usually released on an apartment-by-apartment basis upon payment of specified sums so that individual apartments can be conveyed to buyers free and clear of the lien.

[] There are no blanket liens affecting title to the individual apartments.

[✓] There are blanket liens which may affect title to the individual apartments.

Blanket liens (except for improvement district or utility assessments) must be released before the developer conveys the apartment to a buyer. The buyer's interest will be affected if the developer defaults and the lien is foreclosed prior to conveying the apartment to buyer.

Type of Lien

Effect on Buyer's Interest and Deposit if Developer Defaults or Lien is Foreclosed Prior to Conveyance

1. The land underlying the Project is presently subject to one mortgage and a financing statement made by the Developer that will be released as to the apartments being offered for sale under this Public Report upon the closing of Developer's construction loan.

1. If the existing mortgage and financing statement are foreclosed upon prior to conveyance to the purchaser, the purchaser will be entitled to a refund of deposits held in escrow, if any, and to exercise the purchaser's rights in the purchase contract against the Developer.

2. Developer intends to record a construction loan during the construction of the apartments being offered for sale under this Public Report. Such construction loan shall be in an amount not to exceed \$65 million.

2. None. The construction loan will be subordinate to the sales contracts.

F. Construction Warranties:

Warranties for individual apartments and the common elements, including the beginning and ending dates for each warranty, are as follows:

1. Building and Other Improvements:

Developer shall provide purchasers a limited one year warranty for the Apartment from the closing date of the sale of such Apartment on the terms and conditions as set forth on **Exhibit L** attached hereto and made a part hereof.

2. Appliances:

Developer shall assign, without recourse, any manufacturer's or dealer's warranties covering the furnishings and appliances in the Apartment on the terms and conditions as set forth on **Exhibit L** attached hereto and made a part hereof.

G. **Status of Construction and Date of Completion or Estimated Date of Completion:**

Site work for the Project has commenced. Construction of the Project's buildings is expected to commence January of 2006 and the Project is currently expected to be completed in December 31, 2008. Please note that these dates are estimates and are subject to change.

H. **Project Phases:**

The developer [] has [] has not reserved the right to add to, merge, or phase this condominium.

Summary of Developer's plans or right to perform for future development (such as additions, mergers or phasing):

1. Under Section 8.07 of the Declaration, Developer has elected to develop and register the Project in phases, the phase covered under this Contingent Final Public Report being comprised of 54 Apartments located in Building SE-C in the Hokulani Enclave. Please see **Exhibit D** for further explanation. Developer has obtained separate preliminary public reports on 195 Apartments in Building SE-A in the Hokulani Enclave and 76 Apartments in Building SE-B in the Hokulani Enclave. Developer has not made a decision whether to proceed with constructing Buildings SE-A and/or SE-B. Developer will not proceed with development of the 54 Apartments in Building SE-C unless it proceeds with development of the 195 Apartments in Building SE-A since construction of Building SE-A is necessary for Building SE-C. The other Apartments and Buildings in the Project will be covered by one or more separate Public Reports (Preliminary, Contingent Final and/or Final). Please be advised that there is no guaranty that the other Apartments or Buildings in the Project will be developed. See Sections 8.07, 8.08, 8.09, 8.12 and 8.13 of the Declaration.

2. Under Section 8.11 of the Declaration, Developer has reserved the right, but is under no obligation, to add certain areas to the Project from time to time.

IV. CONDOMINIUM MANAGEMENT

A. **Management of the Common Elements:** The Association of Apartment Owners is responsible for the management of the common elements and the overall operation of the condominium project. The Association may be permitted, and in some cases may be required, to employ or retain a condominium managing agent to assist the Association in managing the condominium project.

Initial Condominium Managing Agent: When the developer or the developer's affiliate is the initial condominium managing agent, the management contract must have a term of one year or less and the parties must be able to terminate the contract on notice of 60 days or less.

The initial condominium managing agent for this project, named on page five (5) of this report, is:

- | | |
|--|---|
| <input checked="" type="checkbox"/> not affiliated with the Developer* | <input type="checkbox"/> the Developer or Developer's affiliate |
| <input type="checkbox"/> self-managed by the Association of Apartment Owners | <input type="checkbox"/> Other: _____ |

B. **Estimate of Initial Maintenance Fees:**

The Association will make assessments against your apartment to provide funds for the operation and maintenance of the condominium project. If you are delinquent in paying the assessments, a lien may be placed on your apartment and the apartment may be sold through a foreclosure proceeding.

Initial maintenance fees are difficult to estimate and tend to increase as the condominium ages. Maintenance fees may vary depending on the services provided.

Exhibit I contains a schedule of estimated initial maintenance fees and maintenance fee disbursements (subject to change).

Please note that maintenance fees shown on **Exhibit G** have been computed for the Apartments in Building SE-C based upon the assumption that Building SE-A, which is covered by a separate public report, will also be developed. Please refer to **Exhibit D** for further explanation.

C. **Utility Charges for Apartments:**

Each apartment will be billed separately for utilities except for the following checked utilities which are included in the maintenance fees:

- None Electricity (Common Elements only ___ Common Elements & Apartments)
- Gas** (Common Elements only ___ Common Elements & Apartments)
- Water Sewer Television Cable
- Other garbage disposal

*Please note that Developer intends to enter into a Property Management Agreement with an affiliate ("Affiliate Managing Agent"). It is uncertain which affiliate of the Developer will become the Managing Agent. In addition to property management services under this proposed Property Management Agreement, the Affiliate Managing Agent intends to provide valet service, room service (during certain hours of the day) and/or food and beverage service in the swimming pool and lobby areas (during certain hours of the day), subject to necessary liquor license requirements. The Affiliate Managing Agent will assume all of the costs and expenses of providing these services and will retain all income from such services in addition to its base property management fee. Under this proposed Property Management Agreement, the Affiliate Managing Agent will provide Owners in residence and Guests of Owners in residence the license to use the temporary fitness room in the Hokulani Enclave free of charge. The temporary fitness room will be located in Hokulani Commercial Apartment SC 1 until such time as the Konea Enclave is completed. Thereafter, the fitness room will be located in Konea Commercial Apartment NC 5. Under this proposed Property Management Agreement, all Owners and Guests shall have the right to use the spa in the Konea Enclave at published rates once the spa is built.

Gas service will not be available in any other Apartment in Building SE-C. A total of fifty two (52) Apartments in the Hokulani Enclave receive gas service. The cost of the gas service and repair and maintenance of the gas lines and other related facilities that are owned by the Association shall be a limited common expense of these Apartments. The Bylaws will be amended to include gas service as a limited common expense of such Apartments. The cost of gas service shall be prorated equally among all Apartments in the Hokulani Enclave that have gas service available. The total cost of the gas service for all Apartments will be determined each billing period, and will then be divided by fifty two (52) and billed to each such Apartment by the Association as a limited common expense. Gas service for the Apartments in Building SE-C will be provided in the kitchen and lanai.

SUMMARY OF SALES CONTRACTS

There are two types of specimen Sales Contracts: one for Residences and one for Suites. The type of Sales Contract to be executed by Purchasers depends on whether a Residence or Suite Apartment is purchased. The Residence Sales Contract and the Suite Sales Contract are almost identical, except that the Residence Sales Contract gives the Purchaser the option to purchase a furniture package. The Suite Sales Contract includes a furniture package in the Purchase Price of the Suite Apartment.

Residence Sales Contract

The specimen Residence Sales Contract, filed with the Commission, provides for, among other things, a description of the Apartment to be sold, the purchase price, the closing costs, the time, manner and place of payment, the Purchaser's obligations regarding financing, the Seller's warranties and disclaimers regarding the Condominium Map and the Project, and the remedies of the Seller and of the Purchaser in the event of a default under the Residence Sales Contract.

Among other provisions the specimen Residence Sales Contract provides:

1. That the Residence Sales Contract shall be binding when (i) a true copy of the Contingent Final Public Report (or Final Public Report, if applicable) together with a Receipt Form required by Hawaii Revised Statutes Section 514A-62 is delivered to the Purchaser, (ii) the Purchaser has an opportunity to read the report(s), and (iii) a Deemed Acceptance of such report(s) by the Purchaser shall have occurred.
2. The Seller has entered into an Escrow Agreement with Fidelity National Title & Escrow of Hawaii, Inc. ("Escrow"), covering the deposit with the Escrow of all funds paid by the Purchaser under the Residence Sales Contract and the disbursement of the funds by Escrow.
3. The Residence Sales Contract requires the Purchaser to pay the Total Purchase Price by a series of payments prior to Closing, as follows: Purchaser shall make an initial payment when Purchaser signs the Residence Sales Contract. Purchaser shall make a second deposit by June 30, 2006 with the balance due four (4) days prior to closing.
4. The Residence Sales Contract provides that all deposits will be held in Escrow in interest bearing accounts with all income derived from said account, and all interest paid thereon, credited to the account of Developer; provided however, if the Real Estate Commission does not issue an effective date for a final public report for the Project by the date on which the Project's contingent final report expires and the Purchaser rescinds the Residence Sales Contract, Developer shall refund Purchaser's deposit and any interest earned thereon, escrow fees and other related charges. Purchaser understands that the Escrow Agreement provides that Purchaser's Deposits may be disbursed to Developer prior to closing to pay costs of developing and constructing the Apartment and the Project.
5. The Residence Sales Contract provides that closing costs and expenses shall be allocated as follows: Purchaser shall pay the premium for the Title Policy, and any additional costs relating to the issuance of an extended coverage policy (including a lender's policy), the cost of drafting of any revisions or addenda to the Residence Sales Contract in addition to those addenda listed in Section C.3 of the Residence Sales Contract, if any, the cost of obtaining Purchaser's consents, if any, Purchaser's notary fees, all recording fees, Escrow fees, any mortgage fees, conveyance taxes, and Hawaii General Excise Tax. Seller shall pay the cost of drafting of conveyance documents and Seller's notary fees. The Residence Sales Contract also provides that at Closing Purchaser shall pay (a) one (1) month's maintenance fee for the Project's Owner's Association, and (b) a non-refundable, non-transferable start-up fee to the Project's Owner's Association in the amount equal to three (3) months' maintenance fee assessments. These start-up fees are one-time assessments at Closing and are not advance payments of common expenses or assessments, and shall be in addition to the normal monthly assessments.
6. The Residence Sales Contract provides that Seller shall complete construction of the Project so as to permit normal occupancy of the Apartment covered by the Residence Sales Contract within thirty six (36)

months from the date that the Purchaser executes the Residence Sales Contract and no later than December 31, 2009; provided, however, that such thirty six (36) month period shall be extended for any period of time during which Seller is actually and necessarily delayed in beginning or completing construction if such delay is caused by fire, earthquake, act of God, the elements, war or civil disturbances, litigation, strikes or other labor disturbances, or economic controls making it impossible to obtain the necessary labor or materials, or any other matter or condition beyond Seller's control.

7. The Residence Sales Contract gives the Purchaser the option to purchase a furniture package.

8. The Residence Sales Contract provides that it may not be assigned by Purchaser, in whole or in part, and any attempted assignment of the Residence Sales Contract is void and of no legal effect.

9. The Residence Sales Contract provides that any dispute by or between Seller and Purchaser arising out of or incident to the Residence Sales Contract, or the development or management of the Project, the sale of the Apartment or the use or occupancy thereof, or any other aspect of the relationship between Seller and Purchaser regarding the Project which is raised or otherwise asserted after Closing shall be submitted to mediation and, if necessary, to arbitration in accordance with the terms, conditions and procedures set forth in the Residence Sales Contract. The Residence Sales Contract also provides that any dispute by or between Seller and Purchaser arising out of or incident to the Residence Sales Contract that is raised or otherwise asserted before Closing need not be submitted to arbitration, and Seller and Purchaser shall be free to pursue such dispute, as otherwise provided herein, in proceedings in a court of competent jurisdiction, provided that any judicial proceedings initiated shall be conducted in Honolulu, Hawaii.

The foregoing is only a summary of some of the key terms of the Residence Sales Contract. It is incumbent upon a prospective Purchaser to read the full text of the Residence Sales Contract with care.

Suite Sales Contract

The specimen Suite Sales Contract, filed with the Commission, provides for, among other things, a description of the Apartment to be sold, the purchase price, the closing costs, the time, manner and place of payment, the Purchaser's obligations regarding financing, the Seller's warranties and disclaimers regarding the Condominium Map and the Project, and the remedies of the Seller and of the Purchaser in the event of a default under the Suite Sales Contract.

Among other provisions the specimen Suite Sales Contract provides:

1. That the Suite Sales Contract shall be binding when (i) a true copy of the Contingent Final Public Report (or Final Public Report, if applicable) together with a Receipt Form required by Hawaii Revised Statutes Section 514A-62 is delivered to the Purchaser, (ii) the Purchaser has an opportunity to read the report(s), and (iii) a Deemed Acceptance of such report(s) by the Purchaser shall have occurred.

2. The Seller has entered into an Escrow Agreement with Fidelity National Title & Escrow of Hawaii, Inc. ("Escrow"), covering the deposit with the Escrow of all funds paid by the Purchaser under the Suite Sales Contract and the disbursement of the funds by Escrow.

3. The Suite Sales Contract requires the Purchaser to pay the Total Purchase Price by a series of payments prior to Closing, as follows: Purchaser shall make an initial payment when Purchaser signs the Suite Sales Contract. Purchaser shall make a second deposit by June 30, 2006 with the balance due four (4) days prior to closing.

4. The Suite Sales Contract provides that all deposits will be held in Escrow in interest bearing accounts with all income derived from said account, and all interest paid thereon, credited to the account of Developer; provided however, if the Real Estate Commission does not issue an effective date for a final public report for the Project by the date on which the Project's contingent final report expires and the Purchaser rescinds the Suite Sales Contract, Developer shall refund Purchaser's deposit and any interest earned thereon, escrow fees and other related charges. Purchaser understands that the Escrow Agreement provides that Purchaser's Deposits may be disbursed to Developer prior to closing to pay costs of developing and constructing the Apartment and the Project.

5. The Suite Sales Contract provides that closing costs and expenses shall be allocated as follows: Purchaser shall pay the premium for the Title Policy, and any additional costs relating to the issuance of an extended coverage policy (including a lender's policy), the cost of drafting of any revisions or addenda to the Suite Sales Contract in addition to those addenda listed in Section C.3 of the Suite Sales Contract, if any, the cost of obtaining Purchaser's consents, if any, Purchaser's notary fees, all recording fees, Escrow fees, any mortgage fees, conveyance taxes, and Hawaii General Excise Tax. Seller shall pay the cost of drafting of conveyance documents and Seller's notary fees. The Suite Sales Contract also provides that at Closing Purchaser shall pay (a) one (1) month's maintenance fee for the Project's Owner's Association, and (b) a non-refundable, non-transferable start-up fee to the Project's Owner's Association in the amount equal to three (3) months' maintenance fee assessments. 7. The Suite Apartments include a furniture package in the purchase price of a Suite Apartment.

8. The Suite Sales Contract provides that it may not be assigned by Purchaser, in whole or in part, and any attempted assignment of the Suite Sales Contract is void and of no legal effect.

9. The Suite Sales Contract provides that any dispute by or between Seller and Purchaser arising out of or incident to the Suite Sales Contract, or the development or management of the Project, the sale of the Apartment or the use or occupancy thereof, or any other aspect of the relationship between Seller and Purchaser regarding the Project which is raised or otherwise asserted after Closing shall be submitted to mediation and, if necessary, to arbitration in accordance with the terms, conditions and procedures set forth in the Suite Sales Contract. SUMMARY OF ESCROW AGREEMENT

A copy of the executed Escrow Agreement for the Project between Fidelity National Title & Escrow of Hawaii, Inc. ("Escrow") and Developer has been filed with the Commission. The Escrow Agreement provides for the deposit of the funds of a purchaser of an Apartment (a "Purchaser") pursuant to the Reservation Agreement or Sales Contract and also provides for the retention or disbursement of the funds. The Escrow Agreement specifically permits the disbursement of Purchaser's funds under a Sales Contract prior to closing, subject to certain conditions, to pay for certain Project costs, including costs of constructing the Project's buildings, fixtures and other improvements, Developer's architectural, engineering, finance and legal fees, and other incidental expenses of the Project (excluding marketing expenses and brokerage fees relating to the sales of Apartments).

In the event that the Reservation Agreement or Hawaii Revised Statutes Chapter 514A entitle a Purchaser to a refund of Purchaser's Deposits held by Escrow, Escrow, upon instruction from Purchaser, will refund Purchaser's deposits.

Purchasers will compensate Escrow based on each unit bought in the Project. Escrow can arrange for the issuance of title insurance policies. A fee schedule is contained in the Escrow Agreement which purchasers may review.

By law the total amount of such cancellation fees shall not exceed Two Hundred Fifty and No/100 Dollars (\$250.00) so long as the cancellation occurs prior to the time the Sales Contract becomes effective (following issuance of the Final Public Report). Under the Escrow Agreement no disbursement of funds can be made to Developer until the Sales Contract becomes effective under the provisions of Chapter 514A, Hawaii Revised Statutes.

It is incumbent upon a prospective Purchaser to read the executed Escrow Agreement with care.

EXHIBIT L

TERMS OF LIMITED WARRANTY

(a) Developer warrants that all material incorporated in and made a part of the Apartment shall be new as of the date of installation and shall remain free from defect in workmanship or quality for a period of one year from the date of closing of the sale of an Apartment to a Purchaser. Developer represents that Developer will cause to be remedied, by repair or replacement, any structural defects in the Apartment which appear within one year after the date of closing of the sale of an Apartment and which result from faulty material or workmanship, provided that Purchaser gives Developer written notice of any such defect within 10 days after Purchaser's discovery of the defect. Any such notice shall be addressed to Developer at the address set forth in the warranty claim forms. Purchaser's sole remedy (in lieu of all remedies implied by law or otherwise) against Developer in connection with such defects shall be to require Developer to correct the defect in material or workmanship.

(b) The limited warranty does not extend or relate to any items of tangible personal property in the Apartment (whether or not such property is attached to or installed in the Apartment) including, without limitation, any oven, cooktop, oven hood and fan, trash compactor, garbage disposal, microwave, dishwasher, refrigerator, garage door openers, jet tubs, sprinkler systems, security system and alarm, hot water heaters and components of the heating system. Developer will assign to Purchaser at the closing of the sale of an Apartment any unexpired warranties Developer has received from the manufacturers of such tangible personal property, to the extent such warranties are assignable. Developer shall not be responsible for the performance of any such manufacturer under the manufacturer's warranties.

(c) WITH RESPECT TO ANY FIRE, ALARM, OR OTHER LIFE SAFETY OR SECURITY SYSTEM INSTALLED IN OR SERVICING THE BUILDINGS OR THE APARTMENT, DEVELOPER'S LIABILITY UNDER THIS LIMITED WARRANTY SHALL BE LIMITED TO THE COST OF CORRECTING ANY DEFECTIVE WORKMANSHIP OR REPLACING ANY DEFECTIVE MATERIALS IN SUCH SYSTEMS.

(d) WITH REGARD TO ANY APPLIANCES OR OTHER ITEMS OF TANGIBLE PERSONAL PROPERTY, DEVELOPER DISCLAIMS ALL WARRANTIES INCLUDING, BUT NOT LIMITED TO, THOSE OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.

(e) EXCEPT AS STATED IN SECTION (a) OF THIS LIMITED WARRANTY, DEVELOPER MAKES NO WARRANTY OR REPRESENTATION OF ANY NATURE, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, THOSE OF WORKMANLIKE CONSTRUCTION, HABITABILITY, DESIGN, CONDITION, OR THE PROPERTY UNDERLYING THE PROJECT OR THE APARTMENT OR OTHER IMPROVEMENTS CONSTITUTING THE PROJECT, AND DEVELOPER HEREBY EXPRESSLY DISCLAIMS ANY SUCH REPRESENTATIONS OR WARRANTIES.

(f) DEVELOPER SPECIFICALLY DISCLAIMS, AND PURCHASER SPECIFICALLY RELEASES DEVELOPER FROM, ANY LIABILITY FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES TO ANY PERSON IN THE APARTMENT OR ANY OTHER REAL OR PERSONAL PROPERTY RESULTING FROM A DEFECT. SOME STATES DO NOT ALLOW THE EXCLUSION OR LIMITATION OF INCIDENTAL OR CONSEQUENTIAL DAMAGES, SO THE ABOVE LIMITATION OR EXCLUSION MAY NOT APPLY TO PURCHASER.*

(g) Purchaser hereby acknowledges and accepts such disclaimers and agrees to waive any and all rights Purchaser may have by virtue of the representations and warranties disclaimed. Except as otherwise provided in this limited warranty, Purchaser assumes the risk of damage occurring within the Apartment after the closing of the sale of an Apartment regardless of the cause.

(h) With respect to any appliances finally determined by a court to be within this limited warranty described herein, all implied warranties are limited in duration to the period of this written warranty. This includes, without limitation, the implied warranties of merchantability and fitness and habitability if created or recognized in Hawaii. Some states do not allow limitations on how long an implied warranty lasts, so the above limitation may not apply to Purchaser.*

(i) On all other appliances, whether or not warranted by manufacturers, all implied warranties are expressly disclaimed and do not apply, including, without limitation, the implied warranties of merchantability and fitness and habitability as created and recognized under Hawaii law.

(j) This limited warranty gives you specific legal rights, and you may have other rights which vary from state to state.*

(k) The provisions of this Limited Warranty shall survive the closing of the sale of an Apartment.

*NOTE: This limited warranty has been prepared to comply with the disclosure requirements of the Federal Magnuson-Moss Warranty -- Federal Trade Improvement Act (15 U.S.C.S. § 2301-2312, as amended). The sentences indicated by asterisks are required by regulations promulgated by the Federal Trade Commission (16 CFR § 700.1-703.8).
