## **General Information On Condominiums**

A condominium is a special form of real property. To create a condominium in Hawaii, the requirements of the Condominium Property Act, Chapter 514A, Hawaii Revised Statutes, must be complied with. In addition, certain requirements and approvals of the County in which the project is located must be satisfied and obtained.

Some condominium projects are leasehold. This means that the land or the building(s) and other improvements are leased to the buyer. The lease for the land usually requires that at the end of the lease term, the lessees (apartment owners/tenants) deliver their interest in the land to the lessor (fee property owner). The lease also usually requires that the lessees either (1) convey to the lessor the building(s) and other improvements, including any improvements paid for by the lessees; or (2) remove or dispose of the improvements at the lessee's expense. Leases for individual apartments often require that at the end of the lease term, the lessee deliver to the lessor the apartment, including any improvements placed in the apartment by the lessee.

If you are a typical condominium apartment owner, you will have two kinds of ownership: (1) ownership in your individual apartment; and (2) an undivided interest in the common elements.

"Common elements" are the areas of the condominium project other than the individual apartments. They are owned jointly by all apartment owners and include the land, either in fee simple or leasehold, and those parts of the building or buildings intended for common use such as foundations, columns, roofs, halls, elevators, and the like. Your undivided interest in the common elements cannot be separated from ownership of your apartment.

In some condominium projects, some common elements are reserved for the exclusive use of the owners of certain apartments. These common elements are called "limited common elements" and may include parking stalls, patios, lanais, trash chutes, and the like.

You will be entitled to exclusive ownership and possession of your apartment. Condominium apartments may be individually bought, sold, rented, mortgaged or encumbered, and may be disposed of by will, gift, or operation of law.

Your apartment will, however, be part of the group of apartments that comprise the condominium project. Study the project's Declaration, Bylaws, and House Rules. These documents contain important information on the use and occupancy of apartments and the common elements as well as the rules of conduct for owners, tenants, and guests.

## **Operation of the Condominium Project**

The Association of Apartment Owners is the entity through which apartment owners may take action with regard to the administration, management, and operation of the condominium project. Each apartment owner is automatically a member of the Association.

The Board of Directors is the governing body of the Association. Unless you serve as a board member or an officer, or are on a committee appointed by the board, your participation in the administration and operation of the condominium project will in most cases be limited to your right to vote as an apartment owner. The Board of Directors and officers can take certain actions without the vote of the owners. For example, the board may hire and fire employees, increase or decrease maintenance fees, borrow money for repair and improvements and set a budget. Some of these actions may significantly impact the apartment owners.

Until there is a sufficient number of purchasers of apartments to elect a majority of the Board of Directors, it is likely that the developer will effectively control the affairs of the Association. It is frequently necessary for the developer to do so during the early stages of development and the developer may reserve certain special rights to do so in the Declaration and Bylaws. Prospective buyers should understand that it is important to all apartment owners that the transition of control from the developer to the apartment owners be accomplished in an orderly manner and in a spirit of cooperation.

**II. CREATION OF THE CONDOMINIUM;  
CONDOMINIUM DOCUMENTS**

A condominium is created by recording in the Bureau of Conveyances and/or filing with the Land Court a Declaration of Condominium Property Regime, a Condominium Map (File Plan), and the Bylaws of the Association of Apartment Owners. The Condominium Property Act (Chapter 514A, HRS), the Declaration, Bylaws, and House Rules control the rights and obligations of the apartment owners with respect to the project and the common elements, to each other, and to their respective apartments. The provisions of these documents are intended to be, and in most cases are, enforceable in a court of law.

- A. **Declaration of Condominium Property Regime** contains a description of the land, buildings, apartments, common elements, limited common elements, common interests, and other information relating to the condominium project.

House Rules may cover matters such as parking regulations, hours of operation for common facilities such as recreation areas, use of lanais and requirements for keeping pets. These rules must be followed by owners, tenants, and guests. They do not need to be recorded or filed to be effective. The initial House Rules are usually adopted by the developer.

**IMPORTANT INFORMATION ON LEASEHOLD CONDOMINIUM PROJECTS**

The information contained in this report is a summary of the terms of the lease. For more detailed information, you should secure a copy of the lease documents and read them thoroughly.

If you have any legal questions about leasehold property, the lease documents or the terms of the lease and the consequences of becoming a lessee, you should seek the advice of an attorney.

There are currently no statutory provisions for the mandatory conversion of leasehold condominiums and there are no assurances that such measures will be enacted in the future.

In leasehold condominium projects, the buyer of an apartment will acquire the right to occupy and use the apartment for the time stated in the lease agreement. The buyer will not acquire outright or absolute fee simple ownership of the land. The land is owned by the lessor or the leased fee owner. The apartment owner or lessee must make lease rent payments and comply with the terms of the lease or be subject to the lessor's enforcement actions. The lease rent payments are usually fixed at specific amounts for fixed periods of time, and are then subject to renegotiation. Renegotiation may be based on a formula, by arbitration set in the lease agreement, by law or by agreement between the lessor and lessee. The renegotiated lease rents may increase significantly. At the end of the lease, the apartment owners may have to surrender the apartments, the improvements and the land back to the lessor without any compensation (surrender clause).

When leasehold property is sold, title is normally conveyed by means of an assignment of lease, the purpose of which is similar to that of a deed. The legal and practical effect is different because the assignment conveys only the rights and obligations created by the lease, not the property itself.

The developer of this condominium project may have entered into a master ground lease with the fee simple owner of the land in order to develop the project. The developer may have then entered into a sublease or a new lease of the land with the lessee (apartment owner). The developer may lease the improvements to the apartment owner by way of an apartment lease or sublease, or sell the improvements to the apartment owners by way of a condominium conveyance or apartment deed.

11. Conformance to Present Zoning Code

b. Conforming/Non-Conforming Uses, Structures, Lot

In general, a non-conforming use, structure, or lot is a use, structure, or lot which was lawful at one time but which does not now conform to present zoning requirements.

	<u>Conforming</u>	<u>Non-Conforming</u>	<u>Illegal</u>
Uses	<u>  X  </u>	<u>          </u>	<u>          </u>
Structures	<u>  X  </u>	<u>          </u>	<u>          </u>
Lot	<u>  X  </u>	<u>          </u>	<u>          </u>

If a variance has been granted or if uses, improvements or lot are either non-conforming or illegal, buyer should consult with county zoning authorities as to possible limitations which may apply.

Limitations may include restrictions on extending, enlarging, or continuing the non-conformity, and restrictions on altering and repairing structures. In some cases, a non-conforming structure that is destroyed or damaged cannot be reconstructed.

The buyer may not be able to obtain financing or insurance if the condominium project has a non-conforming or illegal use, structure, or lot.

D. Common Elements, Limited Common Elements, Common Interest:

1. Common Elements: Common Elements are those parts of the condominium project other than the individual apartments. Although the common elements are owned jointly by all apartment owners, those portions of the common elements which are designated as limited common elements (see paragraph 2 below) may be used only by those apartments to which they are assigned. The common elements for this project, as described in the Declaration, are:

described in Exhibit   C  .

as follows:

2. **Limited Common Elements:** Limited Common Elements are those common elements which are reserved for the exclusive use of the owners of certain apartments.

There are no limited common elements in this project.

The limited common elements and the apartments which use them, as described in the Declaration, are:

described in Exhibit  D .

as follows:

**NOTE:** Reference to said Exhibit "D" to "Dwelling Areas" does not mean legally subdivided lots.

3. **Common Interest:** Each apartment will have an undivided fractional interest in all of the common elements. This interest is called the "common interest." It is used to determine each apartment's share of the maintenance fees and other common profits and expenses of the condominium project. It may also be used for other purposes, including voting on matters requiring action by apartment owners. The common interests for the apartments in this project, as described in the Declaration, are:

described in Exhibit \_\_\_\_\_.

as follows:

Unit A	-	50%
Unit B	-	50%

- E. **Encumbrances Against Title:** An encumbrance is a claim against or a liability on the property or a document affecting the title or use of the property. Encumbrances may have an adverse effect on the property or your purchase and ownership of an apartment in the project.

Exhibit  E  describes the encumbrances against the title contained in the title report dated  September 8, 2005  and issued by  Hawaii Escrow and Title, Inc. .

**Blanket Liens:**

A blanket lien is an encumbrance (such as a mortgage) on the entire condominium project that secures some type of monetary debt (such as a loan) or other obligation. A blanket lien is usually released on an apartment-by-apartment basis upon payment of specified sums so that individual apartments can be conveyed to buyers free and clear of the lien.

There are no blanket liens affecting title to the individual apartments.

There are blanket liens which may affect title to the individual apartments.

Blanket liens (except for improvement district or utility assessments) must be released before the developer conveys the apartment to a buyer. The buyer's interest will be affected if the developer defaults and the lien is foreclosed prior to conveying the apartment to buyer.

<u>Type of Lien</u>	<u>Effect on Buyer's Interest and Deposit if Developer Defaults or Lien is Foreclosed <b>Prior to Conveyance</b></u>
Mortgages	Buyer's interest may be terminated by mortgagee but Buyer shall be entitled to return of his deposit, less escrow cancellation fee.

**F. Construction Warranties:**

Warranties for individual apartments and the common elements, including the beginning and ending dates for each warranty, are as follows:

1. Building and Other Improvements:

Developer is giving no warranties to Purchaser on the materials and workmanship of the Units.

Pursuant to federal law, 42, U.S.C 4852(d), the Residential Lead-Based Paint Reduction Act, "Every purchaser of any interest in residential real property on which a residential dwelling was built prior to 1978 is notified that such property may present exposure to lead from lead-based paint that may place young children at risk of developing lead poisoning. Lead poisoning in young children may produce permanent neurological damage, including learning disabilities, reduced intelligence quotient, behavioral problems, and impaired memory. Lead poisoning also poses a particular risk to pregnant women. The seller of any interest in residential real property is required to provide the buyer with any information on lead-based paint hazards from risk assessments or inspections in the seller's possession and notify the buyer of any known lead-based paint hazards. A risk assessment or inspection for possible lead-based paint hazards is recommended prior to purchase."

## EXHIBIT "A"

### DEVELOPER'S RESERVED RIGHTS

The Developer (Declarant) has reserved the following rights to change the Declaration, Condominium Map, By-Laws or House Rules:

Paragraph 20 of the Declaration states:

20.1 Amendments Generally. Except as otherwise expressly provided herein or in the Act, this Declaration and the Condominium Map may be amended only by the affirmative vote or written consent of all of the Apartment Owners, evidenced by an instrument in writing, signed and acknowledged by each of them, which amendment shall be effective upon recordation in the Recording Office; provided, however, that notwithstanding the foregoing provision, at any time prior to the first recording of a conveyance or transfer (other than for security) of an Apartment and its appurtenances to a party not a signatory hereto, the Declarant may amend this Declaration (including all exhibits), the Condominium Map and the Bylaws in any manner, without the consent or joinder of any Apartment purchaser or any other party. Notwithstanding the lease, sale or conveyance of any of the Apartments, Declarant may amend this Declaration (and when applicable, any exhibits to this Declaration and the Condominium Map) to file the "as-built" verified statement required by Section 514A- 12 of the Act (i) so long as such statement is merely a verified statement of a registered architect or professional engineer certifying that the final plans thereto filed fully and accurately depict the layout, location, Apartment numbers, and the dimensions of the Apartments as built, or (ii) so long as the plans filed therewith involve only minor changes to the layout, location, or dimensions of the Apartments as built or any change in the Apartment number.

20.2 Amendments Required by Law, Lenders, Title Insurers, Etc. Any other provision of this Declaration notwithstanding, for so long as the Declarant retains any interest in an Apartment in the Project, the Declarant shall have the right (but not the obligation) to amend this Declaration and the Bylaws (and the Condominium Map, if appropriate) without the consent or joinder of any Apartment Owner, lienholder or other person or entity, for the purpose of meeting any requirement imposed by (i) any applicable law, (ii) the Real Estate Commission of the State of Hawaii, (iii) any title insurance company issuing a title insurance policy on the Project or any of the Apartments, (iv) any institutional lender lending funds on the security of the Project or any of the Apartments, or (v) any other governmental or quasi-governmental agency including, without limitation, the Federal National Mortgage Association, the Federal Home Loan Mortgage Corporation, the U.S. Department of Housing and Urban Development or the Veterans Administration; provided, however, that no amendment which would change the common interest appurtenant to an Apartment or substantially change the design, location or size of an Apartment shall be made without the consent of all persons having an interest in such Apartment. Each and every party acquiring an interest in the Project, by such acquisition, consents to the amendments described in this Paragraph 20.2 and agrees to execute and deliver such documents and instruments and do such other things as may be necessary or convenient to effect the same, and appoints Declarant and its assigns as his or her attorney-in-fact with full power of substitution to execute and deliver such documents and instruments and to do such things on his or her behalf, which grant of such power, being coupled with an interest, is irrevocable for the duration of such reserved rights, and shall not be affected by the disability of such party or parties.

20.3 Mortgagee Approval. Any other provision of this Declaration notwithstanding, the approval of eligible holders of first mortgages (as defined below) on Apartments to which at least fifty-one percent (51%) of the votes of Units subject to mortgages held by such eligible holders are allocated shall be required to materially amend any provision herein, or to add any material provisions hereto, which establish, provide for, govern or regulate any of the following: (a) voting; (b) assessments, assessment liens or subordination of such liens; (c) reserves for maintenance, repair and replacement of the common elements; (d) insurance or fidelity bonds; (e) right to use of the common elements; (f) responsibility for maintenance and repair of the several portions of the Project; (g) expansion or contraction of the Project or the addition, annexation or withdrawal of property to or from the Project; (h) boundaries of any Unit (except where the amendment merely reflects that a Unit has been constructed according to alternate plans shown on the Condominium Map); (i) the interests in the common elements or limited common elements; (j) convertibility of Units into common elements or of common elements into Units; (k) leasing of Units; (l) imposition of any right of first refusal or similar restriction on the right of a Unit Owner to sell, transfer, or otherwise convey his Unit; (m) establishment of self-management of the Project by the Association where professional management has been required by any agency or corporation which has an interest or prospective interest in the Project; and (n) any provision that expressly benefits holders, insurers, or guarantors of first mortgages on apartments in the Project. To qualify as an "eligible holder of a first mortgage", a holder, insurer or guarantor of a first mortgage on a Unit in the Project must have made a written request to the Association for timely written notice of proposed amendments to the condominium instruments. The request must state the name and address of the holder, insurer or guarantor and the

number of the Unit covered by the mortgage. In the event that an eligible holder of a first mortgage fails to appear at a meeting of the Association at which amendments of a material nature to this Declaration are proposed and considered, or fails to file a written response with the Association within thirty (30) days after it receives proper notice of the proposed amendment, delivered by certified or registered mail, with a "return receipt" requested, then and in any such event such amendments shall conclusively be deemed approved by such eligible holder of a first mortgage.

In addition to the foregoing, no amendment to this Declaration which would allow any action to terminate the condominium property regime created hereby for reasons other than substantial destruction or condemnation shall be made without the prior written approval of not less than sixty-seven percent (67%) of the eligible holders of first mortgages.

20.4 Notwithstanding the foregoing, an Owner shall have the right without the consent or joinder of any other person to amend this Declaration and the Condominium Map to reflect the changes made to his Unit in accordance with Paragraph 19.1 of this Declaration. Promptly upon completion of such changes, the Unit Owner shall duly record with the Recording Office an amendment to his Declaration and to the Condominium Map, together with a complete set of the floor plans of the Project as so altered, certified as build by a registered architect or professional engineer. All existing Unit Owners and all future Unit Owners and their mortgagees, by accepting an interest in a Unit, shall be deemed to have given each Unit Owner a Power of Attorney to execute an amendment to the Declaration solely for the purpose of describing the changes to his respective Unit on the Declaration so that each Unit Owner shall hereafter have a Power of Attorney from all the other Unit Owners to execute such amendment to the Declaration. This Power of Attorney shall be deemed coupled with each Owner's interest in his Unit (including its appurtenant common interest) and shall be irrevocable.

20.5 Restatement. Any other provision of this Declaration notwithstanding, the Board, upon resolution duly adopted, shall have the authority as set forth in the Act to restate this Declaration from time to time to set forth any prior amendments hereto, or to amend this Declaration as required to conform with the provisions of the Act or any other statute, ordinance, rule or regulation enacted by any governmental authority.

EXHIBIT "B"

PERMITTED ALTERATIONS TO APARTMENTS.

Paragraph 19 of the Declaration states:

19.1. Changes to Units. Notwithstanding anything to the contrary contained in this Declaration, a Unit Owner, with the consent by the holder of any mortgage affecting the Owner's Unit (if required by such mortgage), shall have the right at his sole option at any time and from time to time without the consent of any other person, to improve, renovate, remodel, make additions to, enlarge, remove, replace or restore the improvements to or in his Unit or portions thereof or to make or build improvements upon the Limited Common Element appurtenant to his Unit (collectively, the foregoing are referred to "changes") subject to the following conditions:

(a) All changes shall conform with applicable City and County building, land use and other applicable laws and ordinances ("County Rules") and applicable State of Hawaii laws and regulations ("State Laws").

(b) All changes to a Unit must be made within the Dwelling Area which is appurtenant to the Unit, provided however, that

(i) no structure as defined under the LUO shall be constructed or placed within five (5) feet of any boundary line separating two Unit Limited Common Elements;

(ii) So long as the Project or any Unit is serviced by private septic systems, all changes shall conform with the State Department of Health rules, including the rule limiting to five bedrooms the number of bedrooms which may be serviced by a single septic system.

(c) No change to a Unit will be made if the effect of such change would be to exceed the Unit's proportionate share of the allowable floor area or building area coverage for the Land, or number of Units, as defined by the LUO in effect when the change is to be made; provided, however, for purposes hereof, the "proportionate share" for each Unit shall be a fraction having as its numerator the land area of the Unit's Limited Common Element and having as its denominator the total land area of all of the Unit Limited Common Elements.

(d) All such changes shall be at the expense of the Owner making the change, shall be expeditiously made and completed in a manner that will not unreasonably interfere with or cause damage to any other Unit, its appurtenant Limited Common Element, or the use thereof by an Owner of another Unit.

(e) During the entire course of such construction, the Owner making such change will cause to be maintained at his expense builder's all-risk insurance in an amount not less than the estimated cost of construction. The Association shall be named as an additional insured and, upon the request of the Association, evidence of such insurance shall be deposited with the Association or its Managing Agent, if any;

(f) The Unit Owner seeking to make a change to his Unit shall have the right (aa) to seek on his own behalf and on behalf of the Association, if required, building permits and other types of approvals and permits from governmental authorities and from utility companies, in order to allow such Unit Owner to make changes to his Unit; and (bb) to utilize, relocate and realign existing and/or to develop additional, central and appurtenant installations for services to the Unit affected by such change for electricity, sewer and other utilities and services and when applicable, to add, delete, relocate, realign, designate and grant easement and rights-of-way over, under and on the common elements as necessary or desirable in connection therewith; provided that the same shall not cause any interruption in the service of such utilities to any other part of the Project or otherwise materially interfere with their use by the other Owner;

(g) If the consent to the change or joinder of another Owner is required by the Act, then each Owner hereby consents in advance to such change.

(h) Each and every conveyance, lease and mortgage or other lien made or created on any Unit and all common interests and other appurtenances thereto shall be subject to the provisions of this paragraph and any lease of a Dwelling Area shall reserve to each Owner the rights set forth in this paragraph.

(i) If required by the Act or under other law, by the Owner making the change to his Unit or the Permitting Agencies, then upon the request of the Owner making the change to his Unit, each other Owner, lien

holder or other person having any interest in the Project hereby agrees in advance to join in, consent to, or execute all instruments or documents necessary or desirable so that the Owner making the change to his Unit may effectuate his right to change his Unit.

If such Owner, lien holder or other person having any interest in the Project fails to provide such requested written joinder, consent, or take such action, as the case may be, such shall be accomplished by the Owner making the change to his Unit under an irrevocable power-of-attorney in favor of the Owner making the change to his Unit from each of the other Owners, lien holders or such other parties, the acquiring or acceptance of ownership in a Unit or of a lien covering a Unit or of any other interest in the Project being a grant of such power, and the grant being coupled with an interest, being irrevocable.

(j) Each and every conveyance, lease and mortgage or other lien made or created on any Unit and all common interests and other appurtenances thereto shall be subject to the provisions of this paragraph and any lease of a Dwelling Area shall reserve to each Owner the rights set forth in this paragraph.

#### 19.2 PRIVATE SEPTIC SYSTEM OR CESSPOOL.

(a) Definition. "Private Septic System" shall mean any private wastewater disposal or treatment and disposal system (including without limitation septic tanks and injection fields or cesspools) now or hereafter located on or under the Land or any portion thereof and which is not hooked into a public sewer or septic system.

(b) Designation of Common Element. If a Private Septic System is utilized by both Unit Owners, then such System shall be considered to be a common element.

In such event, the portion of the Dwelling Area on which the system is now or hereafter located (together with reasonable rights of access to and from the System) shall constitute a common element, available for use as a Private Septic System; provided, however, that except for such use as a Private Septic System of that portion of the Dwelling Area under which the System is located or across which access is required, all other uses of such affected Dwelling Area are exclusively reserved for the benefit of the Unit to which the Dwelling Area is appurtenant.

(c) Sharing of Costs. Notwithstanding Paragraph 15 of the Declaration, the costs and expenses (including any replacement thereof) relating to a Private Septic System which is a common element be treated as a common expense to be shared equally by each Unit Owner.

(d) Future Expansion or Installation. As of the date hereof, each of the Units utilizes a cesspool which does not meet the current requirements for septic systems under State Laws. Such cesspool is considered to be legally nonconforming under the State Laws and may continue to be utilized. However, if a material change is proposed with respect to a Unit which is serviced by a Private Septic System, the State Department of Health may require that an Owner seeking such change to expand the Owner's existing Private Septic System or replace an existing system by installing a new system on his or the adjoining Unit Limited Common Element. Unless both Unit Owners agree to share in the installation or expansion or sharing of future costs relating thereto, then the Owner who desires to expand the Private Septic System or install a new System ("Expanding Owner") may do so on the following terms and conditions:

(i) All costs and expenses (including without limitation the costs of design, permitting, engineering, construction, and landscaping, and costs of any temporary treatment facility if required during such expansion) shall be paid for by the Expanding Owner;

(ii) The expansion shall be made by the Expanding Owner in such a manner as to cause minimum disruption of service of each Unit's existing Private Septic System and shall allow if practicable and desirable for the future hook-up of the other Unit in the Project (the Owner of such other Unit may be referred to as "Non-Expanding Owner");

(iii) The Expanding Owner shall indemnify and hold the Non-Expanding Owner harmless against any loss, liability, damage or expense incurred or suffered by the Non-Expanding Owner on account of such enlargement or installation of the Private Septic System;

(iv) The expansion or installation shall be in compliance with all applicable County Rules, and shall be performed by licensed professionals;

(v) The Expanding Owner shall return the Dwelling Area in which the current Private Septic System is located to the same condition (including landscaping) as it was in prior to such expansion or installation;

(vi) The Expanding Owner shall provide reasonable assurance to the Non-Expanding Owner that the Expanding Owner has the financial ability to pay for all costs and expenses relating to such expansion or installation;

(vii) Any installation of a new Private Septic System shall be on and under the same Dwelling Area, if any, where the prior system being replaced or expanded was located.

(viii) If after the Expanding Owner expands the Private Septic System or installs a new septic system and pays the cost and expense of such expansion or installation, the Non-Expanding Owner wishes to make a change to his Unit which would require an expansion of the current Private Septic System or installation of a new System, then if the Expanding Owner shall have provided for the future hook-up of such other Unit, the Non-Expanding Owner shall have the right to hook into and utilize the expanded or newly installed Private Septic System made by the Expanding Owner (subject to any legal restrictions imposed on such System by the County or State), provided the Non-Expanding Owner shall reimburse the Expanding Owner for the Non-Expanding Owner's proportionate share of such costs of original expansion or installation made by the Expanding Owner; and provided, further, that the Expanding Owner shall not otherwise be affected in his use of his Unit and its Dwelling Area.

(e) Cooperation. The Owner of each Unit shall cooperate with the Owner of the other Unit with respect to the changes to a Unit and with respect to the expansion, installation and hooking into the Private Septic System.

(f) Termination if Public Sewer System. In the event that a governmental entity or public utility makes available to the Unit Owners the right to hook into a county or other public entity's common septic system ("Public Sewer System") which could replace the Private Septic System, then at the request of the Unit Owners, the Owners of the Units shall hook up to the Public Common Sewer Facility and shall abandon the Private Septic System. All costs and expenses associated with the hook up to the Public Common Sewer Facility shall be allocated in a reasonable and fair manner, and the costs associated with the abandonment and removal of the Private Septic System shall be shared according to the sharing of other common expenses.

19.3 Changes to Other Than Units. Except as to changes referred to in each of Paragraphs 19.1 through 19.5 inclusive, any changes to the Project different in any material respect from the Condominium Map of the Project, shall be undertaken by the Association of Unit Owners only pursuant to an amendment of this Declaration, duly executed by or pursuant to vote of all the Unit Owners and accompanied by the written consent of the holders of all liens affecting any of the Units, and in accordance with complete plans and specifications therefor first approved in writing by the Board, and promptly upon completion of such restoration, replacement or construction, the Association shall duly file such amendment in said Office, together with a complete set of the floor plans of the Project as so altered, certified as built by a registered architect or professional engineer.

19.4 General Provisions applicable to Section 19. The following provisions shall apply to each of the paragraphs within Section 19 unless the context and usage would clearly indicate to the contrary:

(a) The rights set forth in each of the Paragraphs within Section 19 for the benefit of a Unit Owner (including without limitation, the Declarant) may not be amended without the consent of such Owner.

(b) If notwithstanding that a paragraph within this Section 19 does not require the consent or joinder of an Owner, lien holder or other person having any interest in the Project ("Third Party") to the action or change by another Owner benefitted by a paragraph within this Section 19 ("Benefitted Owner"), but the Act, County Rules, State Laws, title companies, permitting entities or public utility companies nonetheless do require the consent or joinder by the Third Party, then upon the request of the Benefitted Owner, each such Third Party hereby consents in advance to such action or change being made by the benefitted Owner and agrees to consent to and join in, as aforesaid, and to execute all instruments or documents necessary or desirable so that the Benefitted Owner may effectuate his change or otherwise do as permitted under the respective paragraph within this Section 19.

If the Third Party fails to provide such requested written joinder, consent, or take such action, as the case may be, such shall be accomplished by signature of the Benefitted Owner acting under an irrevocable power-of-attorney in favor of the Benefitted Owner from each of the other Owners and Third Parties, the acquiring or acceptance of ownership in a Unit or of a lien covering a Unit or of any other interest in the Project being a grant of such power, and the grant being coupled with an interest, being irrevocable.

(c) The rights of a Unit Owner (including, without limitation, the Declarant) granted under each of the Paragraphs within Section 19 may be assigned, mortgaged or otherwise be transferred by such benefitted Owner only in connection with the assignment, mortgage or other transfer of the Unit owned by the Benefitted Owner.

(d) Each and every conveyance, lease and mortgage or other lien made or created on any Unit and all common interests and other appurtenances thereto shall be subject to the provisions of each of the Paragraphs within Section 19 and any lease of a Limited Common Element shall reserve to each Owner the rights set forth in each of these paragraphs.

(a) The Sales Contract may be subject to existing blanket loans, and any security interest now or hereafter obtained by a lender of Seller is or will be prior and senior to any rights of the Buyer arising under the Sales Contract. This obligation to subordinate the purchaser's right under the Sales Contract to loans now or hereafter made by the Seller is set forth in Paragraph 4 of the Special Provisions.

(b) Seller may also assign by way of security all of its interest in the Sales Contract, as collateral for the repayment of the loan and if the Lender acquires the Seller's interest in the Sales Contract, then the Buyer is obligated to perform the Sales Contract, and to attorn to and recognize the Lender as the seller under the Sales Contract.

(c) Notwithstanding that the Sales Contract may be subordinate to a blanket lien, if the Buyer performs his obligations under the Sales Contract, then Seller is required to convey the Apartment to Buyer at closing free and clear of any blanket lien.

7. Seller's Rights to Cancel Sales Contract. The Seller may cancel the Sales Contract with the Buyer if (a) Buyer fails to qualify for a permanent loan (if Paragraph C-24 of the DROA is selected; (b) Buyer defaults under the Sales Contract (paragraph 5(b) of the Special Provisions); or (c) Buyer dies prior to Closing Date (paragraph 5(a) of the Special Provisions). Pursuant to Paragraph 5(b) of the Special Provisions, if Buyer fails to close as required, then after ten (10) days following Seller's notice of Buyer's default, if Buyer has not cured his default under the Sales Contract, the Seller may cancel the Sales Contract and all sums previously paid by Buyer will belong absolutely to the Seller as liquidated damages. Additionally, Seller may pursue any other remedy, and all costs, including reasonable attorney's fees, incurred by reason of default by the Buyer shall be borne by the Buyer. Time is the essence of the Sales Agreement.

8. Rights of Buyer to Cancel the Sales Contract. The Buyer has the right to cancel the Sales Contract under the following conditions:

a. At any time within thirty (30) days following the date the Final Public Report is delivered to Buyer. If Buyer so cancels, Buyer will be entitled to receive refund of any deposits, less any escrow cancellation fees and

other costs up to \$250. If Buyer does not act within the thirty (30) day period, or if the Apartment is conveyed to the Buyer, Buyer will be deemed to have executed the receipt for the Final Public Report and to have waived his right to cancel (paragraphs 6.1 and 6.3 of the Special Provisions).

b. The Buyer may cancel his purchase if there is a material change in the Project which directly, substantially and adversely affects the use or value of the Buyer's Apartment or the amenities available for the Buyer's use (paragraph 7(a) of the Special Provisions).

c. Buyer fails to qualify for permanent financing if Paragraph C-24 of the DROA has been selected.

9. Paragraph 11 of the Special Provisions provides that the Buyer acknowledges that he or she has examined (and agrees to be bound) by the following:

- (a) The Condominium Map (including floor plans, exterior elevations and site map for the Project;)
- (b) Escrow Agreement;
- (c) The Declaration of Condominium Property Regime and the By-Laws of the Association of Apartment Owners;

Buyer is cautioned to have his own inspection of the property and the Apartment. If construction of the Project was completed within one year of the date of the Sales Contract, then in accordance with subparagraph (a) the Seller may be giving a limited one year warranty as provided in such Subparagraph 11(a), which Buyer should review closely.

The Summary contained in this Exhibit is merely a summary and is not intended to be a substitute for the Buyer's careful review of the Sales Contract.

Mr. Jeffery S. Grad  
Attorney at Law  
A Law Corporation  
Davies Pacific Center, Suite 1800

Honolulu, Hawaii 96813

Dear Mr. Grad:

Subject: Condominium Conversion Project  
59-630 and 59-630A Kamehameha Highway  
Tax Map Key: 5-9-010: 014

This is in response to your letter dated December 1, 2004 requesting verification that the structures on the above-mentioned property met all applicable code requirements at the time of construction.

Investigation revealed that two one-story single-family detached dwellings were constructed in 1948 and 1949 on this 11,914 square feet R-5 Residential District zoned lot.

Investigation also revealed the following deficiencies:

- 1) Three of the four required off-street parking spaces lack the required all-weather surface.
- 2) The 112 square foot storage shed at the Kam Hwy./Kumupali Street corner of the property encroaches into the front and side yard setbacks (one-story storage sheds with an aggregate floor area not exceeding 120 square feet and meeting zoning code requirements does not require a building permit).

Mr. Jeffery S. Grad

Follow-up inspection on June 24, 2005 revealed that the deficiencies were corrected as follows:

- 1) The three off-street parking spaces now have the required all-weather surface.
- 2) The storage shed has been removed from the setback area.

There is an active building permit #573197 issued November 16, 2004 for 59-630A Kam Hwy to alter a portion of the living room to a new kitchen and convert the existing kitchen to a bar area.

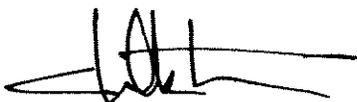

No variance or special permit were granted to allow deviation from any applicable codes.

For your information, the Department of Planning and Permitting cannot determine all nonconforming uses or structures as a result of the adoption or amendment of any ordinances or codes.

Conversion to a condominium property regime (CPR) is not recognized by the City and County as an approved subdivision. CPR delineates ownership; and does not create separate lots of record for subdivision and zoning purposes.

If you have any questions regarding this matter, please contact Mr. Ivan Matsumoto of our Commercial & Multi-Family Code Enforcement Branch at 527-6341.

Sincerely yours,

  
for HENRY ENG, FAICP  
Director of Planning and Permitting
