Required and attached to this report       Not Required - Disclosures covered in this report.

**Summary of Changes from Earlier Public Reports:**

This summary contains a general description of the changes, if any, made by the developer since the last public report was issued. It is not necessarily all-inclusive. Prospective buyers should compare this public report with the earlier reports if they wish to know the specific changes that have been made.

No prior reports have been issued by the developer.

Changes made are as follows:

**Special Notes**

1. **TIMESHARE, TRANSIENT VACATION RENTAL AND NON-EQUITY CLUB USE PERMITTED.** Purchasers are advised that timeshare, transient vacation rental and non-equity club membership use are expressly permitted in the Project. Accordingly, the Project will be comprised of multiple types of product in addition to the whole apartment ownership.
2. **THE KAPALUA CLUB.** The Kapalua Club is a non-proprietary, non-voting resort membership club located within the Kapalua resort community. The facilities of The Kapalua Club, which include golf, tennis, beach and swimming facilities among others, are owned by Maui Land & Pineapple Company, a Hawaii corporation (the "Kapalua Club Owner"). The Kapalua Club is operated by Kapalua Land Company, Ltd., also a Hawaii corporation (the "Operator"). MEMBERSHIP IN THE KAPALUA CLUB DOES NOT NECESSARILY ENTITLE PURCHASERS TO USE ALL OF THE RESORT FACILITIES OF THE KAPALUA RESORT COMMUNITY. FURTHER, THE RESORT AMENITIES AND BENEFITS AVAILABLE FOR PURCHASER'S USE MAY CHANGE OVER TIME. Various types of memberships are offered in The Kapalua Club. Memberships in The Kapalua Club are offered pursuant to, and are governed by a Membership Plan, Rules and Regulations and Membership Agreements (as any of the same may be amended from time to time, collectively, the "Membership Documents"). Each Owner of a Resort Apartment, excluding Owners of interests in Club Units and the Owner(s) of Apartments initially acquired by Exclusive Resorts ("Exclusive Resorts Apartments"), subject to approval for membership, is required to acquire at least a Premier Resort Membership in The Kapalua Club and maintain a membership in The Kapalua Club for so long as the Kapalua Club Owner owns the Apartment. For initial purchasers of the Resort Apartments in question, the required membership fee is included in the purchase price of the Apartment. Subsequent purchasers of such Apartments are required to acquire and maintain at least a Premier Resort Membership in The Kapalua Club and must pay the membership joining fee established by the Kapalua Club Owner and/or Operator at the time of the acquisition of the Apartment for the type of membership acquired, subject to approval for membership. A portion of such membership fee may be returned to a purchaser at the end of his membership subject to certain conditions. Accordingly, purchasers should refer to the Membership Documents for details as to the return of membership fees, upon membership termination, if any. The annual assessment levied by the Association against Owners of the subject Apartments will include the amount of dues payable for a Premier Resort Membership in The Kapalua Club pursuant to the Membership Documents and will be reflected in the Project's budget. The Association has a lien on the Apartment of an Owner who fails to timely pay any assessment owed to the Association, subject to the rights of any mortgagee as to said Apartment. The Association shall, in the event of an Owner's failure to pay such Common Expenses, have all the remedies set forth in Article IX in the Declaration, including the right to enforce such lien by foreclosure. With respect to owners of interests in the Club Units, the Club Association will acquire and hold Ritz-Carlton Club, Kapalua Bay Memberships on behalf of such Club Unit Owners, who will be designated users thereunder, subject to approval for membership privileges. These memberships will be paid for by the Developer. The assessment payable by Owners of interests in the Club Units will include the dues and annual fees payable for the Ritz-Carlton Club, Kapalua Bay Memberships pursuant to the Membership Documents, which will be paid by the Club Association to The Kapalua Club. A Club Unit Owner's obligation to pay assessments to the Club Association shall be secured by a lien against such Owner's Club Interest in favor of the Club Association subject, however, to the rights of any mortgagee as to said Club Interest. The Club Association shall, in the event of a Club Unit Owner's failure to pay such assessments, have all remedies available by law, including, without limitation, the right to enforce such lien by foreclosure. The initial purchaser(s) of the Exclusive Resorts Apartments is(are) eligible to acquire an Exclusive Resorts Membership for each Apartment so acquired. Pursuant to the Membership Documents, the Kapalua Club Owner and Operator, for themselves, and on behalf of their respective successors and assigns, have reserved the right to modify the Membership Documents, the right to modify, add to, alter or eliminate any of the facilities available for use by members of The Kapalua Club, as well as the right to terminate memberships subject to the terms of the Membership Documents, all as more particularly provided therein. The Kapalua Club Owner and/or Operator has the ability to establish from time to time, the dues, fees and charges payable by members in respect of membership in The Kapalua Club, except that with respect to Premier Golf and Premier Resort Members, the dues for each year cannot be increased by more than fifteen percent (15%) over the prior year's dues. Notwithstanding the foregoing, however, the dues for Premier Golf and Premier Resort Members can be increased by more than fifteen percent (15%) in any year where new "Club Facilities" (as defined in the Membership Documents) are opened for member use or for the year following the year in which new Club Facilities are opened for member use, as determined in the discretion of the Kapalua Club Owner and/or Operator. Dues increases with respect

to the Ritz Carlton Club, Kapalua Bay Memberships are subject to the same limitation as prescribed above with respect to Premier Memberships held by Premier Golf and Premier Resort Members. Each Owner of a Resort Apartment entitled to enjoy membership privileges at The Kapalua Club, may enjoy such privileges subject to the terms of the Condominium Documents, Program Documents (as to Owners of interests in Club Units), Club Documents (as to Owners of interests in Club Units) and the Membership Documents. In the event of any conflict pertaining to membership in The Kapalua Club between the Membership Documents and any of the other documents listed above, the Membership Documents shall control. The covenants in the Declaration are intended to, and shall run with all Resort Apartments in the Project, in perpetuity.

3. **EASEMENTS.** Certain easements for access to the shoreline and for recreational purposes have been granted in favor of the public and the Kapalua Resort Association. Further, exclusive access in favor of Maui Land & Pineapple Company (“MLP”) has been granted for access to, and recreational use of, the Cliff House located on the Project site, the expense of use and maintenance thereof being the responsibility of MLP. The Project site is also subject to an easement in favor of the Spa Parcel for access and parking purposes and has been granted an easement to utilize a portion of the Spa Parcel for office and machine/utility room purposes. These easements are reflected in Exhibit “H” hereto. Certain other easements and amendments to existing easements affecting the Project will be recorded prior to the conveyance of any Apartment in the Project to a purchaser. Such amendments include, but are not limited to, a Utility Easement by and between Kapalua Bay, LLC, as Grantor, to Maui Electric Company, Limited, and Hawaiian Telcom, as Grantee; amendment to access easement for the Bay Villas condominium property regime; and an easement/declaration for public access to the shoreline and for public parking required under the SMA.
4. **SPA PARCEL.** Located immediately adjacent to the Project is a parcel of property owned by MLP on which MLP intends to develop a spa. It is anticipated that Owners of Apartments in the Project, as members of the Kapalua Club, shall be permitted access to the Spa Parcel and will be entitled to discounts on spa treatments and products.
5. **RESTRICTIONS ON USE OF COMMERCIAL APARTMENTS.** The Developer anticipates recording against all Commercial Apartments in the Project, a Restriction on Use Agreement that further governs the use of Commercial Apartments in the Project. Purchasers of Commercial Apartments will be required to execute such Agreement or a joinder thereto as a condition of closing the acquisition of a Commercial Apartment. It is presently anticipated that the Restriction on Use Agreement will limit the Commercial Apartments from being used for the following purposes: flea market; pawn shop; any establishment that offers illicit services under the guise of therapeutic massage; any establishment featuring explicitly-sexual, adults-only entertainment, including, without limitation, adult bookstore, video store, theater, or nude or semi-nude entertainment facility; a facility for the sale of paraphernalia for use with illicit drugs; pool hall; bars (other than any beverage facilities that may be located at the Beach Club Commercial Apartment or its Limited Common Elements); funeral parlor or mortuary; gambling facility or operation; dry cleaning plant or laundry plant; tattoo or piercing parlor; pest control; sales of automobile parts; sales of or operations related to firearms, explosives or weapons or any kind; any illegal activity or conduct; any conduct or activity creating flooding or other damage to the Condominium; storage or use of dangerous, flammable, explosive, toxic, hazardous, or noxious materials (except as otherwise used incidentally in the conduct of commercial operations such as the use of cleaning products); employment, performance, or operation of or by any person or entity other than Kapalua Bay, LLC, or Kapalua Bay Holdings, LLC, its members, or their affiliates, successors or assigns, for the management, maintenance or operation of any property, except as expressly approved by Kapalua Bay, LLC, its successors or assigns, in writing, prior to such employment, performance or operation; any use that will increase the cost of insurance on the Apartments or any portion of the Kapalua Bay Resorts Condominium Project, unless the Commercial Apartment Owner agrees to bear the amount of the cost increase; or any activity or conduct creating a nuisance that the Board of the Association determines would unreasonably disturb the rights of residential Owners, occupants and guests at the Project. Other restrictions as to the use of Commercial Apartments may ultimately be set forth in the Restriction on Use Agreement in the discretion of the developer.
6. **KAPALUA RESORT ASSOCIATION ENHANCEMENT ASSESSMENT.** Each Apartment in the Project will be subjected to the Kapalua Resort Declaration by means of a Fourth Amendment to Amended and Restated Declaration of Covenants and Restrictions (the “KRA Amended Declaration”) that will be recorded in the Bureau prior to the recording of a purchaser’s deed. The KRA Amended Declaration imposes additional covenants on Apartments in the Project which provide that upon the subsequent sale or transfer of an Apartment after the initial sale by the Developer, the transferor must pay an assessment (“Enhancement Fee”) to the Kapalua Resort Association in the amount of one-half of one percent (0.5%) of the sales price paid for the Apartment (including improvements thereon). Accordingly, if a purchaser subsequently sells or transfers his Apartment, he will be responsible for paying the Enhancement Fee in connection with that sale or transfer. For example, if a purchaser resells his Apartment for two million dollars, as the seller, he will be required to pay the Kapalua Resort Association an Enhancement Fee in the amount of \$10,000. For Apartments purchased by Exclusive Resorts only, the Kapalua Resort Association has agreed to provide a one-time exemption to Exclusive Resorts from such Enhancement Fee on the initial resale of such Apartments. As detailed in the KRA Amended Declaration, certain other transfers are also exempt from the Enhancement Fee, such as a transfer to a spouse or living trust, or to a business entity that is wholly-owned by the transferor. Under the terms of the KRA Amended Declaration, this Enhancement Fee provides the Kapalua Resort Association with funds and reserves for purposes that the Kapalua Resort Association’s board of directors deems appropriate, including without limitation, (a) additions, improvements, renovations, repair and replacement of the amenities and infrastructure within or that benefit Kapalua, (b) preservation and maintenance of natural areas, conservation areas, and the watershed within and surrounding Kapalua, (c) sponsorship of educational and cultural programs and activities, (d) programs and services that protect the environment, including recycling programs, (e) programs and activities that promote a sense of community, including recreational leagues, festivals and holiday celebrations, (f) social services,

community outreach programs or other charitable causes, and (g) costs of administering the programs and activities that the Kapalua Resort Association's board deems appropriate to fund. Under the terms of the KRA Amended Declaration, the seller or transferor is responsible for paying the Enhancement Fee at the time the sale or transfer closes, although the Enhancement Fee may be collected and paid by an escrow agent that is handling the sale or transfer. If the Enhancement Fee is not paid, the KRA Amended Declaration provides that the unpaid Enhancement Fee shall be a lien on the property transferred that may be foreclosed by the Kapalua Resort Association. A copy of the KRA Amended Declaration will be provided to all purchasers upon request.

7. **USE OF MODEL UNIT COMMERCIAL APARTMENT AND SALES GALLERY COMMERCIAL APARTMENT BY ASSOCIATION OF APARTMENT OWNERS OF BAY VILLAS AND FUTURE CONVEYANCE.** The developer anticipates relocating onto the Project certain maintenance operations of the Association of Apartment Owners of Bay Villas ("Bay Villas Association"), currently housed in a building located on the land of the adjacent Bay Villas condominium project. It is anticipated that following the relocation of these operations, the existing Bay Villas' maintenance building will be demolished and replaced by landscaping to be installed by the developer. In conjunction with the installation of the landscaping, it is anticipated that the Bay Villas Association will grant an easement covering the landscaped area in favor of the developer and/or the Association and that the Association will at some point in the future be responsible for maintaining the landscaped area. The developer anticipates moving the Bay Villas Association's maintenance shop operations into the Model Unit Commercial Apartment and initially moving the Bay Villas Association's maintenance garage operations into a temporary building to be located near the Project's tennis courts. At a later time, the developer plans to move the Bay Villas Association's maintenance garage operations into a commercial apartment that will be created by subdividing the Sales Gallery Commercial Apartment into two units. On or before the completion of the sales program at the Project, the developer anticipates conveying the Model Unit Commercial Apartment and the newly created commercial apartment (formerly a part of the Sales Gallery Commercial Apartment) to the Bay Villas Association. Notwithstanding the foregoing, the developer cannot guaranty with any degree of certainty, the precise timeframe within which the conveyance of the Model Unit Commercial Apartment and the newly created commercial apartment (formerly a part of the Sales Gallery Commercial Apartment) to the Bay Villas Association will occur, or whether such conveyance to the Bay Villas Association will ultimately transpire. Purchasers are hereby notified by this disclosure of the developer's anticipated future plans with respect to the relocation of certain maintenance operations of the Bay Villas Association, the proposed landscaping of a portion of the land of the Bay Villas project, and the use of the Sales Gallery Commercial Apartment and the Model Unit Commercial Apartment.

## **General Information On Condominiums**

A condominium is a special form of real property. To create a condominium in Hawaii, the requirements of the Condominium Property Act, Chapter 514A, Hawaii Revised Statutes, must be complied with. In addition, certain requirements and approvals of the County in which the project is located must be satisfied and obtained.

Some condominium projects are leasehold. This means that the land or the building(s) and other improvements are leased to the buyer. The lease for the land usually requires that at the end of the lease term, the lessees (apartment owners/tenants) deliver their interest in the land to the lessor (fee property owner). The lease also usually requires that the lessees either (1) convey to the lessor the building(s) and other improvements, including any improvements paid for by the lessees; or (2) remove or dispose of the improvements at the lessee's expense. Leases for individual apartments often require that at the end of the lease term, the lessee deliver to the lessor the apartment, including any improvements placed in the apartment by the lessee.

If you are a typical condominium owner, you will have two kinds of ownership: (1) ownership in your individual apartment; and (2) an undivided interest in the common elements.

"Common elements" are the areas of the condominium project other than the individual apartments. They are owned jointly by all apartment owners and include the land, either in fee simple or leasehold, and those parts of the building or buildings intended for common use such as foundations, columns, roofs, halls, elevators, and the like. Your undivided interest in the common elements cannot be separated from ownership of your apartment.

In some condominium projects, some common elements are reserved for the exclusive use of the owners of certain apartments. These common elements are called "limited common elements" and may include parking stalls, patios, lanais, trash chutes, and the like.

You will be entitled to exclusive ownership and possession of your apartment. Condominium apartments may be individually bought, sold, rented, mortgaged or encumbered, and may be disposed of by will, gift, or operation of law.

Your apartment will, however, be part of the group of apartments that comprise the condominium project. Study the project's Declaration, Bylaws, and House Rules. These documents contain important information on the use and occupancy of apartments and the common elements as well as the rules of conduct for owners, tenants, and guests.

## **Operation of the Condominium Project**

The Association of Apartment Owners is the entity through which apartment owners may take action with regard to the administration, management, and operation of the condominium project. Each apartment owner is automatically a member of the Association.

The Board of Directors is the governing body of the Association. Unless you serve as a board member or an officer, or are on a committee appointed by the board, your participation in the administration and operation of the condominium project will in most cases be limited to your right to vote as an apartment owner. The Board of Directors and officers can take certain actions without the vote of the owners. For example, the board may hire and fire employees, increase or decrease maintenance fees, borrow money for repair and improvements and set a budget. Some of these actions may significantly impact the apartment owners.

Until there is a sufficient number of purchasers of apartments to elect a majority of the Board of Directors, it is likely that the developer will effectively control the affairs of the Association. It is frequently necessary for the developer to do so during the early stages of development and the developer may reserve certain special rights to do so in the Declaration and Bylaws. Prospective buyers should understand that it is important to all apartment owners that the transition of control from the developer to the apartment owners be accomplished in an orderly manner and in a spirit of cooperation.

**IMPORTANT INFORMATION ON LEASEHOLD CONDOMINIUM PROJECTS**

The information contained in this report is a summary of the terms of the lease. For more detailed information, you should secure a copy of the lease documents and read them thoroughly.

If you have any legal questions about leasehold property, the lease documents or the terms of the lease and the consequences of becoming a lessee, you should seek the advice of an attorney.

There are currently no statutory provisions for the mandatory conversion of leasehold condominiums and there are no assurances that such measures will be enacted in the future.

In leasehold condominium projects, the buyer of an apartment will acquire the right to occupy and use the apartment for the time stated in the lease agreement. The buyer will not acquire outright or absolute fee simple ownership of the land. The land is owned by the lessor or the leased fee owner. The apartment owner or lessee must make lease rent payments and comply with the terms of the lease or be subject to the lessor's enforcement actions. The lease rent payments are usually fixed at specific amounts for fixed periods of time, and are then subject to renegotiation. Renegotiation may be based on a formula, by arbitration set in the lease agreement, by law or by agreement between the lessor and lessee. The renegotiated lease rents may increase significantly. At the end of the lease, the apartment owners may have to surrender the apartments, the improvements and the land back to the lessor without any compensation (surrender clause).

When leasehold property is sold, title is normally conveyed by means of an assignment of lease, the purpose of which is similar to that of a deed. The legal and practical effect is different because the assignment conveys only the rights and obligations created by the lease, not the property itself.

The developer of this condominium project may have entered into a master ground lease with the fee simple owner of the land in order to develop the project. The developer may have then entered into a sublease or a new lease of the land with the lessee (apartment owner). The developer may lease the improvements to the apartment owner by way of an apartment lease or sublease, or sell the improvements to the apartment owners by way of a condominium conveyance or apartment deed.

Blanket Liens:

A blanket lien is an encumbrance (such as a mortgage) on the entire condominium project that secures some type of monetary debt (such as a loan) or other obligation. The Seller may assign such warranties described herein to future purchasers if such warranties are still in effect at the time the Apartment is conveyed. The Seller, however, makes no representation or warranty whatsoever as to whether such warranties can be further transferred.

Promptly upon completion of such restoration, replacement or construction, the Association or Owner, as the case shall be, shall duly record such amendment, together with a complete set of floor plans of the Project as so altered, certified as built by a registered architect or professional engineer.

B. **ADDITIONS OR ALTERATIONS SOLELY WITHIN AN APARTMENT OR LIMITED COMMON ELEMENT.** Subject to the Declaration, the Bylaws, the House Rules and the Design Committee Rules, an Owner or Owners (if there be more than one Owner of an Apartment) of an Apartment shall have the right at any time and from time to time at such Owner's or Owners' sole cost and expense, and without the necessity of the consent or joinder of any other Apartment Owner but with the prior approval of the Board or Design Committee (except for alterations to the Commercial Apartments which shall not require such approval), to make any of the following alterations solely within the Apartment or Limited Common Element which such Owner or Owners control: to install, maintain, remove and rearrange partitions (including the party wall between two Apartments owned by the same Owner or Owners and other structures from time to time within such Apartment or Limited Common Element, to finish, alter or substitute any plumbing, electrical or other fixtures attached to the ceilings, floors and walls as shall be appropriate for the utilization of such Apartment or Limited Common Element by such Owner or Owners or the tenants or lessees thereof, and to tile, finish, re-carpet, and do or cause to be done such work on the floors of any Apartment or Limited Common Element; provided, however, that nothing contained in this paragraph shall authorize any work or alteration which would be inconsistent with a first-class hotel and resort destination, jeopardize the soundness or safety of any part of the Project, reduce the value thereof, materially adversely affect any other Apartment or Limited Common Element, materially alter the uniform external appearance of the Project, materially affect or impair any easement or rights of any of the other Apartment Owners or materially interfere with or deprive any non-consenting Owner or Owners of the use or enjoyment of any part of the Common Elements subject, however, to the exclusive use of the Limited Common Elements. Further, nothing in this paragraph shall prohibit the Board from effecting such changes within an Apartment or Limited Common Element, or to require same, in order that the buildings of the Property may continue to comply with applicable law, including any fire code requirements.

C. **APARTMENT OWNERS TO EXECUTE AMENDMENT DOCUMENTS IN CERTAIN CASES.** In the event that any change or alteration of an Apartment pursuant to and in compliance with Section B above shall alter the depiction of the particular Apartment on the Condominium Map or the description thereof in the Declaration, then the Owner or Owners of such Apartment shall amend the Declaration and/or the Condominium Map to set forth such approved change or alteration, which amendment(s) may be executed by the Owner or Owners of the affected Apartment or Apartments and by no other party, and such shall become effective upon the recordation thereof at said Bureau. The provisions of Article XIII of the Declaration notwithstanding, such amendment shall not require the consent or joinder of the Owner of any other Apartment or any other person or entity, other than any mortgagee of such Apartment or Apartments which are changed or altered. Every Apartment Owner and all holders of liens affecting any of the Apartments of the Project and each and every other party acquiring an interest in the Project or any part thereof, by acquiring such Apartment, lien or other interest, consents to and agrees that he shall, if required by law or by any such Owner or Owners who shall have changed or altered an Apartment as aforesaid, join in, consent to, execute, deliver and record all instruments and documents necessary or desirable to effect the amendment of the Declaration and/or the Condominium Map; and appoints such Owner or Owners and their assigns his attorney-in-fact with full power of substitution to execute, deliver and record such documents and to do such things on his behalf, which grant of such power, being coupled with an interest, is irrevocable and shall not be affected by the disability of any such party.

(a) This budget has been prepared on an accrual basis.

(b) The total cash reserves of the Association as of the date of this Budget is \$0. The total amount of estimated cash reserves, and the total amount to fund such reserves in 2008 is 473,622. The estimated cash reserves have been calculated on a cash flow basis by identifying each reserve component's estimated replacement cost and dividing it by its estimated useful life.

(c) The Association of Apartment Owners will provide services to the Cliff House on an as needed basis. The services provided will be reimbursed by the respective owner of the Cliff House. In addition, certain Common Expenses will be allocated to the Cliff House easement holder.

(d) The annual budget, prepared on an accrual basis, is allocated among Apartment Owners based on methodology adopted by the Managing Agent. Expense expenses associated with Limited Common Elements (LCEs) are assessed against only the Apartments to which the LCEs are appurtenant. Each Apartment's assessment cannot be computed simply by multiplying its percentage Common Interest by the total annual budget. Rather, the total assessments shown in columns two & three have been derived from allocation formulas for each line item. The Total from the second column is carried forward to the Vacation Ownership Budget under the line item "Condominium Association Assessment", and ultimately assessed against Owners of Resort Apartments that have been submitted to the plan of vacation ownership. The Total from the third column is payable by Kapalua Bay, LLC as Owner of certain Resort and Commercial Apartments.

Note Regarding Insurance Premium. The cost of insurance reflected above includes the premium for flood insurance coverage for the project.

Note Regarding Allocation of Maintenance Fees. Pursuant to Hawaii Revised Statutes Section 514A-15, as amended, or any successor provision, due to the mixed-use nature of this Project, charges and distributions may be apportioned in a fair and equitable manner as authorized by the Declaration. Accordingly, it is presently contemplated that the following methods of allocation will be used to distribute the expenses of the Project among the apartments: (1) Allocation on the basis of the common interest of each apartment in the Project; (2) Allocation on the basis of the general type of use of an apartment based on the following four categories (i) the whole ownership residence apartments ("Residences") (41.3% allocation); (ii) the fractional apartments ("Fractionals") (57.3% allocation); (iii) the whole ownership apartments owned by Exclusive Resorts, LLC or an affiliate thereof ("ER Apartments") (16.7% allocation); and (iv) the commercial apartments (2.7% allocation); and (3) Allocation on the basis of the anticipated occupancy within apartments in the following three (3) categories: (i) Residences (69.6% allocation); (ii) the Fractionals (13.5% allocation); and (iii) the ER Apartments (20.9% allocation). The foregoing allocation methodologies as well as the indicated percentages may change over time to ensure that charges and distributions of the Project continue to be apportioned in a fair and equitable manner.

### SUMMARY OF PURCHASE AGREEMENT

Capitalized terms have the same meaning as ascribed to such terms in the Kapalua Bay Condominium Residence Apartments Purchase Agreement ("Purchase Agreement").

The specimen Purchase Agreement, filed with the State of Hawaii Real Estate Commission, provides for, among other things, a description of the Apartment to be sold, the purchase price, the closing costs, the time, manner and place of payment, the Purchaser's obligations regarding financing, the Seller's warranties and disclaimers regarding the Condominium Map and the Project, and the remedies of the Seller and of the Purchaser in the event of a default under the Purchase Agreement. The Purchase Agreement further provides that any form of reservation agreement entered into between Purchaser and Seller prior to execution of the Purchase Agreement shall be automatically terminated upon execution of the Purchase Agreement and all deposits held under such reservation agreement shall be applied to the Purchase Agreement, in the manner set forth in the Purchase Agreement.

Among other provisions the specimen Purchase Agreement provides:

1. Prior to execution of the Purchase Agreement, Purchaser shall receive: (i) a copy of the Contingent Final Public Report or Final Public Report for the Project (if any), either personally or by registered or certified mail with return receipt requested, and the receipt and notice ("Receipt and Notice Form") advising Purchaser of Purchaser's right to cancel the Purchase Agreement, the delivery of which is required by Hawaii Revised Statutes, Section 514A-62, and (ii) a copy of the Federal Property Report. Purchaser shall also have been given an opportunity to read said report(s).

Purchaser may cancel the Purchase Agreement within thirty (30) days of Purchaser's receipt of the Contingent Final Public Report or, if no Contingent Final Public Report has been issued, the Final Public Report. It is understood that Purchaser may, at any time after Purchaser's receipt of the Receipt and Notice Form, waive Purchaser's right to cancel the Purchase Agreement. If Purchaser shall fail to execute the Receipt and Notice Form within thirty (30) days of Purchaser's receipt of the Receipt and Notice Form, Purchaser shall be deemed to have received the Contingent Final Public Report or Final Public Report ("Deemed Receipt") and waived Purchaser's right to cancel the Purchase Agreement (by Purchaser's failure to give said written notice of cancellation). The conveyance of the Apartment to the Purchaser within the thirty (30)-day period referenced above shall also be treated as a Deemed Receipt of the Contingent Final Public Report or Final Public Report and as a waiver by Purchaser of Purchaser's right to cancel the Purchase Agreement.

Notwithstanding the foregoing pursuant to the Federal Interstate Land Sales Full Disclosure Act Purchaser shall have the option to cancel the Purchase Agreement by notice to the Seller until midnight of the seventh (7<sup>th</sup>) day following the signing of the Purchase Agreement by Purchaser. If Purchaser does not receive a Federal Property Report prepared pursuant to the rules and regulations of the Office of Interstate Land Sales Registration, US Department of Housing and Urban Development, in advance of Purchaser signing the Purchase Agreement, the Purchase Agreement may be cancelled by Purchaser for two-years from the date of signing by Purchaser. The foregoing seven (7) day rescission period provided pursuant to the Federal Interstate Land Sales Full Disclosure Act shall commence upon Purchaser's execution of this Purchase Agreement may run concurrent with the thirty (30)-day rescission period provided pursuant to Hawaii law as discussed above.

If the Purchase Agreement shall become binding prior to the issuance of an effective date for a Final Public Report, the issuance of an effective date for a Final Public Report for the Project by the Real Estate Commission prior to the expiration of the Contingent Final Public Report (and/or any Supplementary Public Report) shall not affect the enforceability of Purchaser's obligations under the Purchase Agreement. The Purchase Agreement will continue to be binding on Purchaser. Moreover, upon the issuance of said Final Public Report, Seller shall not be required to deliver to the Purchaser the Final Public Report, together with a Receipt and Notice Form, but may instead promptly deliver to Purchaser a disclosure statement, informing Purchaser that the Real Estate Commission

has issued an effective date for the Final Public Report. The disclosure statement shall also contain all information contained in the Final Public Report that is not contained in the Contingent Final Public Report.

If an effective date for a Final Public Report is not issued by the Real Estate Commission prior to the expiration of the Contingent Final Public Report, as may be supplemented by a Supplementary Public Report (if any), as the case may be, then Seller shall notify the Purchaser by certified mail, and the Seller or the Purchaser may rescind the Purchase Agreement and, in such event, the Purchaser shall be entitled to a prompt refund of the Purchaser's entire deposit plus any escrow fees that Purchaser may have paid less any escrow cancellation fees.

2. The Seller has entered into an Escrow Agreement with First American Title Company ("Escrow"), covering the deposit with Escrow of all funds paid by the Purchaser under the Purchase Agreement and the disbursement of the funds by Escrow. Escrow may charge a cancellation fee on account of escrow services performed not to exceed \$250.00.

3. The Purchase Agreement requires the Purchaser to pay the Total Purchase Price by a series of payments prior to Closing. Such payments include any Reservation Deposit due upon execution of the Deposit and Reservation Agreement, if any, and the initial payment when Purchaser signs the Purchase Agreement. Purchaser shall then deposit at or prior to Closing, the remaining balance due.

4. The Purchase Agreement provides that Purchaser will not receive interest on Purchaser's Deposits as set forth in the Purchase Agreement.

5. Purchaser's obligations under the Purchase Agreement are not contingent or conditional on Purchaser's ability to secure financing from a mortgage lender or on Purchaser's ability to sell Purchaser's current residence or any other property. Financing by Seller of any portion of the Total Purchase Price is not available.

6. The Purchase Agreement provides that Purchaser shall pay for closing costs and expenses.

7. The Purchase Agreement provides that it shall not be construed as a present transfer of any rights or of any interest in the Apartment, but rather states that it is an agreement to transfer in the future. By execution of the Purchase Agreement, the Purchaser agrees to waive, relinquish and subordinate the priority or superiority of any lien or other legal or equitable interest arising under the Purchase Agreement in favor of the lien or charge on the Project of the security interests of the Lender, including but not limited to any lien, mortgage or charge securing a loan made to finance the acquisition of the land and the costs of construction (if applicable) and any and all advances therefore until the filing of the Apartment Deed.

8. The Purchase Agreement provides that it may not be assigned by Purchaser. Any assignment of the Purchase Agreement is void and of no legal effect. Notwithstanding the foregoing, Purchaser may assign its rights under the Purchase Agreement to affiliated entities for estate planning purposes without the consent of Seller, provided that any such assignment shall not release Purchaser from its obligations under the Purchase Agreement. In the event that Purchaser decides to make such an assignment for estate planning purposes, Purchaser shall provide written notice thereof to Seller at least fifteen (15) days prior to the Closing Date, as defined in the Purchase Agreement, and shall provide to Seller copies of such documents as Seller, in its sole and absolute discretion, deems necessary to complete Closing.

### SUMMARY OF ESCROW AGREEMENT

The Escrow Agreement for the Project dated January 27, 2006, as amended ("Agreement") contains the following provisions (which may be modified or otherwise limited by provisions which are not summarized hereinbelow):

A. Should Seller and prospective Purchaser enter into a form of reservation agreement for the right to purchase of an Apartment in the Project ("Reservation Agreement"), it shall require payment of deposit due thereunder to be promptly made to Escrow, and shall deliver an executed copy of the Reservation Agreement to Escrow together with the address of prospective Purchaser. Seller shall also promptly pay over to Escrow all monies (including checks) received by Seller from or on behalf of the prospective Purchaser.

B. As and when Seller shall enter into a Purchase Agreement for the conveyance of an Apartment or other interest in the Project ("Purchase Agreement"), it shall require the payment of deposit due thereunder to be promptly made to Escrow, and shall deliver an executed copy of the Purchase Agreement to Escrow together with the address of the Purchaser. Seller shall also promptly pay over to Escrow all monies (including checks) received by Seller from or on behalf of the Purchasers, including those received on any Purchase Agreement, and all payments made on loan commitments from lending institutions on account of any Apartment in the Project, other than funds received from interim financing. Any monies held under the Reservation Agreement shall be applicable to deposits required under the Purchase Agreement, as set forth in the Purchase Agreement.

C. Escrow shall receive, deposit and hold in separate escrow accounts and disburse as set forth in the Agreement: (a) all payments received by it under Reservation Agreements and Purchase Agreements, (b) such sums received by it under the Agreement from or for the account of Seller, and (c) all sums received by it from any other source with respect to the Project. Escrow shall not at any time commingle or permit the commingling of any Purchaser's funds with funds belonging to or held for the benefit of Seller. All funds and instruments received from Purchasers or prospective Purchasers shall be held by Escrow in accordance with the provisions contained in Chapter 514A of the Hawaii Revised Statutes. All monies received by Escrow hereunder shall be deposited, within a reasonable time of the receipt by Escrow and in reasonably convenient and practical sums, in an interest-bearing account with a federally insured bank, savings and loan or trust company authorized to do business in the State of Hawaii under an escrow arrangement, and shall be held in immediately available funds in accordance with the terms of the Agreement. All income derived from said account, and all interest paid thereon from the date of execution of the Purchase Agreement, shall be credited to the account of Seller, unless otherwise directed by a Seller or as otherwise set forth in the Purchase Agreement.

D. Notwithstanding anything in the Agreement to the contrary, Escrow shall make no disbursements of Purchasers' funds or proceeds from the sale of Apartments in the Project (including any payments made on loan commitments from lending institutions), except by way of refunds thereof as provided in the Agreement, until the Final Public Report for the particular phase of the Project under which such disbursement is requested, has been issued and Escrow has received a letter from Seller stating that the Purchasers have signed the required Receipt and Notice of Right to Cancel or are deemed to have receipted for the public reports and to have waived their right to cancel, and stating further that no subsequent events have occurred which would give the Purchasers the right to rescind, the Purchase Agreements have "become binding" and "the requirements of Sections 514A-40, 514A-39.5 and 514A-63" of the Hawaii Revised Statutes have been met, as said phrases are used in Section 514A-65, Hawaii Revised Statutes, and further that the requirements of Section 514A-62 of the Hawaii Revised Statutes have been met.

E. Purchaser's funds may be used for construction and other allowable expenses in accordance with Section 514A-67 of the Condominium Property Act, as amended, and as enumerated in the Agreement and defined below prior to closing, provided that all the requirements in provision D. above have been met. If funds are to be used for construction prior to closing, the funds shall be distributed by Escrow upon the submission of bills and upon direction to do so from Seller and a qualified financially disinterested person from time to time to pay for: (a)

construction costs of the buildings and improvements in proportion to the valuation of the work completed by the contractor in accordance with the contract documents, as certified by a registered architect or engineer and approved for payment by a qualified financially disinterested person; (b) architectural, engineering, and interior design service fees in proportion to the services performed within each phase of services, as approved by a qualified financially disinterested person; (c) the costs of purchasing furnishings and fixtures for the Apartments, as approved by a qualified financially disinterested person; (d) finance and legal fees, and other incidental expenses of constructing the Apartments or developing the Project, as approved by a qualified financially disinterested person; and (e) such other costs incurred in connection with the construction of the improvements of the Project as a qualified financially disinterested person may approve. Any funds remaining shall not be disbursed until construction of the Project has been completed (or until construction of the particular Apartment being conveyed has been completed to the extent that the Condominium Property Act permits such disbursement) and Escrow receives satisfactory evidence that all mechanics' and materialmen's liens have been cleared (or, to the extent permitted by the Condominium Property Act, have been dealt with in such a fashion as to avoid non-compliance with Section 514A-18 of the Condominium Property Act), unless sufficient funds have been set aside for any bonafide dispute.

F. Each Purchaser shall be entitled to a return of his or her funds, without interest, and Escrow shall pay such funds to such Purchaser, promptly after request for return by the Purchaser if one of the following has occurred:

(1) Escrow receives a written request from Seller to return to the Purchaser the funds of the Purchaser then being held by Escrow;

(2) Seller notifies Escrow in writing of Seller's exercise of the option to rescind the Purchase Agreement pursuant to any right of rescission stated therein or otherwise available to Seller;

(3) The conditions providing for a refund under Section 514A-62 or under Section 514A-63 of the Hawaii Revised Statutes (as amended on the date upon which the Purchase Agreement becomes binding and effective) have been met, and written notice thereof has been provided by Seller.

(4) The conditions providing for refund under Section 514A-62 or under Section 514A-63 of the Hawaii Revised Statutes, as amended, have been met and which notice thereof has been provided by Seller.

Upon the cancellation of any Purchase Agreement as specified above, Escrow shall be entitled to a cancellation fee commensurate with the services rendered by Escrow prior to such cancellation, up to a maximum of \$250.00, as described in Exhibit "A" of the Agreement, plus all costs incurred by Escrow, which shall be paid by the Seller or Purchaser.

G. Except as otherwise provided by law, Escrow shall give each purchaser entitled to a return of his or her funds notice thereof by certified or registered mail, addressed to such purchaser at his address shown on the Purchase Agreement or any address later made known to Escrow by such purchaser. If such purchaser shall not have claimed such refund within sixty (60) days from the date said notice is mailed, Escrow shall deposit such funds into a special account in a bank or other depository selected by Escrow in the name of Seller, as trustee for the benefit of such purchaser. After having sent Seller written notice of the foregoing acts, Escrow shall thereupon be released from further liability hereunder with respect to such funds and such purchaser.

H. If the Purchaser fails to make any payment on or before the due date thereof or if the Purchaser does or fails to do any act which would constitute an event of default under the Purchase Agreement, Seller shall promptly give to such Purchaser and to Escrow, written notice of default. If Purchaser has failed to cure the default after the delivery of notice by Escrow and such default continues after the expiration of any grace period, Escrow shall so advise Seller. If Seller shall thereafter certify in writing to Escrow: (1) that Seller has elected to terminate the Purchase Agreement and has notified the Purchaser, or (2) that Purchaser is otherwise in default, then, and in either event, Escrow, subject to the provisions relating to dispute and conflicting demands set forth in the Agreement, shall thereafter treat all funds of the Purchaser paid under such Purchase Agreement, less Escrow's cancellation fee, as funds of Seller and not of the Purchaser. Thereafter, such funds shall be held free of the escrow established by the

Agreement and shall be held by Escrow for the account of Seller. Upon written request by Seller, Escrow shall pay such funds to Seller or order and shall return to Seller the Purchase Agreement of such Purchaser and any other documents theretofore delivered to Escrow in connection with the purchase of the Apartment specified in such Purchase Agreement shall be returned to the person from whom or entity from which such documents were received.

**SUMMARY OF DEED FORM**

Capitalized terms have the same meaning ascribed to such terms in the Apartment Deed.

The specimen Apartment Deed, Encumbrances, Reservations of Rights and Power of Attorney for Kapalua Bay Condominium ("Deed" or "Apartment Deed") contains, among others, the following provisions (which may be modified or otherwise limited by provisions which are not summarized hereinbelow):

A. The premises conveyed comprise a portion of the Kapalua Bay Condominium ("Project") situate at Kapalua, Maui, State of Hawaii.

B. The Developer ("Grantor") is the lawful Owner of the fee simple interest in the real property and the rights to be transferred to the Grantee ("Purchaser"); the same are free and clear of and from all encumbrances except as identified in the Deed and except for the lien of real property taxes not yet by law required to be paid; the Grantor has good right and title to sell and convey said real property in the manner set forth in the Deed; and the Grantor will WARRANT AND DEFEND the same unto the Purchaser forever against the lawful claims and demands of all persons, except as mentioned in the Deed.

C. Purchaser agrees and consents to the exercise by Grantor of any of its reserved rights set forth in the Deed and in the Declaration, and Purchaser agrees to sign such documents and do such things as may be required to permit Grantor to exercise those reserved rights, including the signing, delivering and filing of all documents which may be necessary. Purchaser appoints Grantor as Purchaser's "attorney-in-fact" which means that Grantor can act for Purchaser or on Purchaser's behalf, with "full power of substitution," which means that someone else may take Grantor's place to sign, deliver and file all documents and to do all things on Purchaser's behalf, which grant of authority, being coupled with an interest, which means that the Grantor has an interest beyond just in the power Purchaser is giving, the power of attorney cannot be revoked by Purchaser for the term of the reserved rights, and the power of attorney will not be affected by Purchaser's disability.

D. Purchaser agrees, for the benefit of all other Owners of the other Apartments in the Project, to at all times observe, perform, comply with and abide by all of the covenants, agreements, obligations, conditions and other provisions set forth in the Declaration, the Bylaws, the House Rules, the Design Committee Guidelines, the Amended and Restated Declaration of Covenants and Restrictions dated September 30, 1987, recorded at said Bureau in Book 21185, Page 173, and the Declaration of Covenants, Conditions and Restrictions with Authorization of Time Share and Transient Vacation Rentals dated August 31, 2004, recorded at said Bureau as Document No. 2004-17883, as any of the same exist or may hereafter be amended.
