**Summary of Changes from Earlier Public Report:**

This summary contains a general description of the changes, if any, made by the developer since the last public report was issued. It is not necessarily all inclusive. Prospective buyers should compare this public report with the earlier reports if they wish to know the specific changes that have been made.

No prior reports have been issued by the developer

Changes made are as follows:

**SPECIAL ATTENTION**

This is a CONDOMINIUM PROJECT, not a subdivision. The land area beneath and immediately appurtenant to each unit is designated a LIMITED COMMON ELEMENT and does not represent a legally subdivided lot. The lines on the Condominium Map dividing the land into limited common element land areas are for illustration purposes only and should not be construed to be formal subdivision lines.

This Public Report does not constitute an approval of the Project by the Real Estate Commission or any other government agency, nor does it ensure that all County codes, ordinances and subdivision have necessarily been complied with.

1. There are County restrictions on the number of residential dwelling units, or other structures, which may be built on the property. Therefore, unless the Purchaser is buying an existing residential dwelling, THERE IS NO ASSURANCE THAT THE PURCHASER WILL BE ABLE TO BUILD A RESIDENTIAL DWELLING UNIT ON THE PROPERTY. THERE IS ALSO NO ASSURANCE THAT THE PURCHASER WILL BE ABLE TO CONVERT AN EXISTING NON-RESIDENTIAL STRUCTURE TO A RESIDENTIAL USE. The Purchaser should consult with the appropriate County agencies to determine whether the Purchaser may build a residential dwelling unit, or any other type of structure, on the property. Apartment A is an existing farm dwelling, and Apartment B is an existing farm dwelling.
2. Facilities and improvements normally associated with County-approved subdivisions, such as fire protection devices, County street lighting, electricity, upgraded water facilities, improved access for owners and emergency traffic, drainage facilities, etc., may not be provided, and services such as County street maintenance and trash collection may not be available for interior roads and driveways.
3. In a condominium, all of the land included in the condominium remains a single, unsubdivided parcel of land for purposes of zoning and land use regulation. If one unit owner violates a regulation, the violation is attributable to both that owner and the innocent owner of each other unit. For example, if one owner builds or adds to a structure in a manner which violates height limits, size limit, setbacks, building permit requirements, or flood zone rules, or uses the unit for an unauthorized additional dwelling or short term rental, the violation applies to the entire condominium and the innocent unit owner may be subject to fines or may be denied a building permit as long as the violation remains uncured. BUYER SHOULD CONSULT WITH AN ATTORNEY CONCERNING THESE IMPORTANT RISKS.

4. The apartments are served by a private water company, operating under permits issued by the State of Hawaii, Public Utilities Commission. Currently the Property is provided two potable water meters by said private water company. Each apartment will have appurtenant to it the water meter that shall be separately designated by Declarant. Each apartment shall have the exclusive use of its appurtenant potable water meter, and shall be responsible for all communications with said private water company, including payment of water service. Declarant makes no warranties or representations as to the quality or quantity of water service or as to the adequacy of fire protection. Also, irrigation water is available from a separate private water company. Currently there is only one irrigation (non-potable) water meter to the Property, serving Apartment B exclusively. Apartment A will be responsible for obtaining, installing, maintaining and replacing irrigation water service to its appurtenant Limited Common Element A.

There may be restrictions placed on the amount of water available to the condominium, as stated in the Amended and Restated Declaration of Covenants, Conditions and Restrictions for the Mahanalua Nui Subdivision at Launiupoko, dated July 19, 1999, recorded in the Bureau of Conveyances of the State of Hawaii as Document No. 99-114891, as amended. In the event a limit was enforced, the current limit for this condominium is 2500 gallons per day or 75,000 gallons per month. BUYER SHOULD CONSULT WITH HIS OR HER LEGAL COUNSEL, AN ENGINEER AND BUYER'S INSURANCE CARRIER IN ORDER TO EVALUATE THE RISKS AFFECTING THE PROPERTY.

5. Each apartment has its own septic disposal system, the locations of which are shown on the Condominium Map. County sewer service is not available. The owner of each apartment shall be responsible for the cost of maintaining, operating and/or replacing said apartment's system. No representations or warranties are made as to the quality, useful life, replacement cost, operating cost, or maintenance cost of the system and appurtenances.
6. The County of Maui Planning Department has recently adopted a strict enforcement policy requiring agriculture-zoned land to be used for only those agricultural uses permitted by HRS Section 205-4.5 and Maui County Code, Chapter 19.30A. Also, County approval of farm plans shall be required as well as actual ongoing implementation. Dwellings may only be constructed and used as "farm dwellings". BUYER SHOULD CONSULT WITH AN ATTORNEY OR THE MAUI COUNTY PLANNING DEPARTMENT FOR ADDITIONAL INFORMATION.
7. Recently enacted State law prohibits all restrictions on agricultural uses and activities on agricultural zoned land. Any such restrictions are invalid if created after July, 2003. BUYER UNDERSTANDS THAT ACTIVITIES SUCH AS RAISING ANIMALS OR IRRIGATION AND FERTILIZATION OVERSPRAY ON NEARBY PROPERTIES MAY CAUSE NUISANCES AND INCONVENIENCES TO BUYER.
8. Under the current zoning ordinance, only one full size farm dwelling (which may be limited in size by the rules of the County of Maui) and one farm dwelling with a living area of 1000 square feet or less are permitted, and no other dwellings. Apartment A was designated as the apartment which is subject to the 1000 square feet limitation, and may not be expanded beyond this limitation, and Apartment B was designated as the full size farm dwelling. THE PROSPECTIVE PURCHASER IS CAUTIONED TO CONSULT WITH HIS OR HER LEGAL COUNSEL CONCERNING THE REQUIREMENTS OF A FARM DWELLING AND THE PERMITTED USES OF THE LAND AND DWELLING IN THE AGRICULTURAL ZONE.

THE PROSPECTIVE PURCHASER IS CAUTIONED TO CAREFULLY REVIEW THE CONDOMINIUM DOCUMENTS REFERENCED IN THIS PUBLIC REPORT FOR FURTHER INFORMATION WITH REGARD TO THE FOREGOING.

## **General Information On Condominiums**

A condominium is a special form of real property. To create a condominium in Hawaii, the requirements of the Condominium Property Act, Chapter 514A, Hawaii Revised Statutes, must be complied with. In addition, certain requirements and approvals of the County in which the project is located must be satisfied and obtained.

Some condominium projects are leasehold. This means that the land or the building(s) and other improvements are leased to the buyer. The lease for the land usually requires that at the end of the lease term, the lessees (apartment owners/tenants) deliver their interest in the land to the lessor (fee property owner). The lease also usually requires that the lessees either (1) convey to the lessor the building(s) and other improvements, including any improvements paid for by the lessees; or (2) remove or dispose of the improvements at the lessee's expense. Leases for individual apartments often require that at the end of the lease term, the lessee deliver to the lessor the apartment, including any improvements placed in the apartment by the lessee.

If you are a typical condominium apartment owner, you will have two kinds of ownership: (1) ownership in your individual apartment; and (2) an undivided interest in the common elements.

"Common elements" are the areas of the condominium project other than the individual apartments. They are owned jointly by all apartment owners and include the land, either in fee simple or leasehold, and those parts of the building or buildings intended for common use such as foundations, columns, roofs, halls, elevators, and the like. Your undivided interest in the common elements cannot be separated from ownership of your apartment.

In some condominium projects, some common elements are reserved for the exclusive use of the owners of certain apartments. These common elements are called "limited common elements" and may include parking stalls, patios, lanais, trash chutes, and the like.

You will be entitled to exclusive ownership and possession of your apartment. Condominium apartments may be individually bought, sold, rented, mortgaged or encumbered, and may be disposed of by will, gift, or operation of law.

Your apartment will, however, be part of the group of apartments that comprise the condominium project. Study the project's Declaration, Bylaws, and House Rules. These documents contain important information on the use and occupancy of apartments and the common elements as well as the rules of conduct for owners, tenants, and guests.

## **Operation of the Condominium Project**

The Association of Apartment Owners is the entity through which apartment owners may take action with regard to the administration, management, and operation of the condominium project. Each apartment owner is automatically a member of the Association.

The Board of Directors is the governing body of the Association. Unless you serve as a board member or an officer, or are on a committee appointed by the board, your participation in the administration and operation of the condominium project will in most cases be limited to your right to vote as an apartment owner. The Board of Directors and officers can take certain actions without the vote of the owners. For example, the board may hire and fire employees, increase or decrease maintenance fees, borrow money for repair and improvements and set a budget. Some of these actions may significantly impact the apartment owners.

Until there is a sufficient number of purchasers of apartments to elect a majority of the Board of Directors, it is likely that the developer will effectively control the affairs of the Association. It is frequently necessary for the developer to do so during the early stages of development and the developer may reserve certain special rights to do so in the Declaration and Bylaws. Prospective buyers should understand that it is important to all apartment owners that the transition of control from the developer to the apartment owners be accomplished in an orderly manner and in a spirit of cooperation.

**II. CREATION OF THE CONDOMINIUM:  
CONDOMINIUM DOCUMENTS**

A condominium is created by recording in the Bureau of Conveyances and/or filing with the Land Court a Declaration of Condominium Property Regime, a Condominium Map (File Plan), and the Bylaws of the Association of Apartment Owners. The Condominium Property Act (Chapter 514A, HRS), the Declaration, Bylaws, and House Rules control the rights and obligations of the apartment owners with respect to the project and the common elements, to each other, and to their respective apartments. The provisions of these documents are intended to be, and in most cases are enforceable in a court of law.

A. **Declaration of Condominium Property Regime** contains a description of the land, buildings, apartments, common elements, limited common elements, common interests and other information relating to the condominium project.

The Declaration for this condominium is:

Proposed  
 Recorded - Bureau of Conveyances: Document No. 2006-026532  
Book \_\_\_\_\_ Page \_\_\_\_\_  
 Filed - Land Court: Document No. \_\_\_\_\_

The Declaration referred to above has been amended by the following instrument [state name of document, date and recording/filing information]:

The Condominium Map has been amended by the following instrument [state name of document, date and recording/filing information]:

C. **Bylaws of the Association of Apartment Owners** govern the operation of the condominium project. They provide for the manner in which the Board of Directors of the Association of Apartment Owners is elected, the powers and duties of the Board, the manner in which meetings will be conducted, whether pets are prohibited or allowed and other matters which affect how the condominium project will be governed.

The Bylaws for this condominium are:

Proposed  
 Recorded - Bureau of Conveyances: Document No. 2006-026533  
Book \_\_\_\_\_ Page \_\_\_\_\_  
 Filed - Land Court: Document No. \_\_\_\_\_

The Bylaws referred to above have been amended by the following instruments [state name of document, date and recording/filing information]:

D. **House Rules.** The Board of Directors may adopt House Rules to govern the use and operation of the common elements and limited common elements. House Rules may cover matters such as parking regulations, hours of operation for common facilities such as recreation areas, use of lanais and requirements for keeping pets. These rules must be followed by owners, tenants, and guests. They do not need to be recorded or filed to be effective. The initial House Rules are usually adopted by the developer.

The House Rules for this condominium are:

Proposed             Adopted             Developer does not plan to adopt House Rules

E. **Changes to Condominium Documents** Changes to the Declaration, Condominium Map, and Bylaws are effective only if they are duly adopted and recorded and/or filed. Changes to House Rules do not need to be recorded or filed to be effective.

1. **Apartment Owners:** Minimum percentage of common interest which must vote for or give written consent to changes:

No rights have been reserved by the developer to change the Declaration, Condominium Map, Bylaws or House Rules.

Developer has reserved the following rights to change the Declaration, Condominium Map, Bylaws or House Rules:

Developer has reserved, and has delegated to each apartment owner, the right to amend the Declaration and Condominium Map to alter, expand and relocate the boundaries of each apartment.

III. THE CONDOMINIUM PROJECT

- Leasehold or Subleasehold: Individual apartments and the common elements, which include the underlying land will be leasehold.

**Leases for the individual apartments and the underlying land usually require that at the end of the lease term, the lessee (apartment owner/tenant) deliver to the lessor (fee property owner) possession of the leased premises and all improvements, including improvements paid for by the lessee.**

Exhibit \_\_\_\_\_ contains further explanations regarding the manner in which the renegotiated lease rents will be calculated and a description of the surrender clause provision(s).

### **IMPORTANT INFORMATION ON LEASEHOLD CONDOMINIUM PROJECTS**

The information contained in this report is a summary of the terms of the lease. For more detailed information, you should secure a copy of the lease documents and read them thoroughly.

If you have any legal questions about leasehold property, the lease documents or the terms of the lease and the consequences of becoming a lessee, you should seek the advice of an attorney.

There are currently no statutory provisions for the mandatory conversion of leasehold condominiums and there are no assurances that such measures will be enacted in the future.

In leasehold condominium projects, the buyer of an apartment will acquire the right to occupy and use the apartment for the time stated in the lease agreement. The buyer will not acquire outright or absolute fee simple ownership of the land. The land is owned by the lessor or the leased fee owner. The apartment owner or lessee must make lease rent payments and comply with the terms of the lease or be subject to the lessor's enforcement actions. The lease rent payments are usually fixed at specific amounts for fixed periods of time, and are then subject to renegotiation. Renegotiation may be based on a formula, by arbitration set in the lease agreement by law or by agreement between the lessor and lessee. The renegotiated lease rents may increase significantly. At the end of the lease, the apartment owners may have to surrender the apartments, the improvements and the land back to the lessor without any compensation (surrender clause).

When leasehold property is sold, title is normally conveyed by means of an assignment of lease, the purpose of which is similar to that of a deed. The legal and practical effect is different because the assignment conveys only the rights and obligations created by the lease, not the property itself.

The developer of this condominium project may have entered into a master ground lease with the fee simple owner of the land in order to develop the project. The developer may have then entered into a sublease or a new lease of the land with the lessee (apartment owner). The developer may lease the improvements to the apartment owner by way of an apartment lease or sublease, or sell the improvements to the apartment owners by way of a condominium conveyance or apartment deed.

11. Conformance to Present Zoning Code:

a.  No variances to zoning code have been granted.

Variance(s) to zoning code was/were granted as follows:

b. Conforming/Non-Conforming Uses, Structures, Lot

In general, a non-conforming use, structure, or lot is a use, structure, or lot which was lawful at one time but which does not now conform to present zoning requirements.

	<u>Conforming</u>	<u>Non-Conforming</u>	<u>Illegal</u>
Uses	<u>All</u>	_____	_____
Structures	<u>All</u>	_____	_____
Lot	<u>Yes</u>	_____	_____

If a variance has been granted or if uses, improvements or lot are either non-conforming or illegal, buyer should consult with county zoning authorities as to possible limitations which may apply.

Limitations may include restrictions on extending, enlarging, or continuing the non-conformity, and restrictions on altering and repairing structures. In some cases, a non-conforming structure that is destroyed or damaged cannot be reconstructed.

The buyer may not be able to obtain financing or insurance if the condominium project has a non-conforming or illegal use, structure or lot.

D. Common Elements, Limited Common Elements, Common Interest:

1. Common Elements: Common Elements are those parts of the condominium project other than the individual apartments. Although the common elements are owned jointly by all apartment owners, those portions of the common elements which are designated as limited common elements (see paragraph 2 below) may be used only by those apartments to which they are assigned. The common elements for this project, as described in the Declaration are:

described in Exhibit A.

as follows:

2. Limited Common Elements: Limited Common Elements are those common elements which are reserved for the exclusive use of the owners of certain apartments.

There are no limited common elements in this project.

The limited common elements and the apartments which use them, as described in the Declaration are:

described in Exhibit A\*.

as follows:

\*Note: Land areas referenced herein are not legally subdivided lots

3. Common Interest: Each apartment will have an undivided fractional interest in all of the common elements. This interest is called the "common interest." It is used to determine each apartment's share of the maintenance fees and other common profits and expenses of the condominium project. It may also be used for other purposes, including voting on matters requiring action by apartment owners. The common interests for the apartments in this project, as described in the Declaration are:

described in Exhibit \_\_\_\_\_.

as follows: Apartment A shall have a 50% undivided interest and Apartment B shall have a 50% undivided interest (referred to as the "common interests") in all common elements of the Project and a said same respective share in all common profits and common expenses of the Project and for all other purposes, including voting.

Notwithstanding the allocation of common interests in the preceding paragraph, the common interests for the sole purpose of the ownership of fee simple title to the underlying land (and, therefore, for the allocation of proceeds from the sale or partition of the land upon termination of the condominium or the taking of the land by eminent domain) shall be allocated between the apartments in proportion to the relative value of the land area included within the limited common elements appurtenant to each apartment (determined as if each limited common element were a separate unimproved parcel of land), and not according to the common interests for financial and voting purposes as stated above.

E. Encumbrances Against Title: An encumbrance is a claim against or a liability on the property or a document affecting the title or use of the property. Encumbrances may have an adverse effect on the property or your purchase and ownership of an apartment in the project.

Exhibit B describes the encumbrances against the title contained in the title report dated February 9, 2006 and issued by Fidelity National Title Insurance Company

Blanket Liens:

A blanket lien is an encumbrance (such as a mortgage) on the entire condominium project that secures some type of monetary debt (such as a loan) or other obligation. A blanket lien is usually released on an apartment-by-apartment basis upon payment of specified sums so that individual apartments can be conveyed to buyers free and clear of the lien.

There are no blanket liens affecting title to the individual apartments.

There are blanket liens which may affect title to the individual apartments.

Blanket liens (except for improvement district or utility assessments) must be released before the developer conveys the apartment to a buyer. The buyer's interest will be affected if the developer defaults and the lien is foreclosed prior to conveying the apartment to buyer.

<u>Type of Lien</u>	<u>Effect on Buyer's Interest and Deposit if Developer Defaults or Lien is Foreclosed <b>Prior to Conveyance</b></u>
	Buyer may lose his or her unit but buyer's deposit to be refunded, less any escrow cancellation fee.
	All mortgage liens will be paid in full out of the proceeds of the sale of the first apartment and the apartments will be released from the liens at that time.

F. Construction Warranties:

Warranties for individual apartments and the common elements, including the beginning and ending dates for each warranty are as follows:

1. Building and Other Improvements

**C. Additional Information Not Covered Above**

1. Water. The apartments are served by a private water company, operating under permits issued by the State of Hawaii, Public Utilities Commission. Currently the Property is provided two potable water meters by said private water company. Each apartment will have appurtenant to it the water meter that shall be separately designated by Declarant. Each apartment shall have the exclusive use of its appurtenant potable water meter, and shall be responsible for all communications with said private water company, including payment of water service. Declarant makes no warranties or representations as to the quality or quantity of water service or as to the adequacy of fire protection. Also, irrigation water is available from a separate private water company. Currently there is only one irrigation (non-potable) water meter to the Property, serving Apartment B exclusively. Apartment A will be responsible for obtaining, installing, maintaining and replacing irrigation water service to its appurtenant Limited Common Element A.

There may be restrictions placed on the amount of water available to the condominium, as stated in the Amended and Restated Declaration of Covenants, Conditions and Restrictions for the Mahanalua Nui Subdivision at Launiupoko, dated July 19, 1999, recorded in the Bureau of Conveyances of the State of Hawaii as Document No. 99-114891, as amended. In the event a limit was enforced, the current limit for this condominium is 2500 gallons per day or 75,000 gallons per month. BUYER SHOULD CONSULT WITH HIS OR HER LEGAL COUNSEL, AN ENGINEER AND BUYER'S INSURANCE CARRIER IN ORDER TO EVALUATE THE RISKS AFFECTING THE PROPERTY.

2. Mailboxes. Each apartment has its own separate mailbox.

3. Septic. Each apartment has its own septic disposal system, the locations of which are shown on the Condominium Map. County sewer service is not available. The owner of each apartment shall be responsible for the cost of maintaining, operating and/or replacing said apartment's system. No representations or warranties are made as to the quality, useful life, replacement cost, operating cost, or maintenance cost of the system and appurtenances.

4. Mahanalua Nui Subdivision. Lot 20 of Mahanalua Nui Subdivision, Phase IV is a member of Mahanalua Nui Homeowners Association, Inc., which is the association formed for the Mahanalua Nui Subdivision as a whole for the purpose of holding, maintaining, operating and managing all of the common areas and facilities of the subdivision. These consist of paved, private roadways (including Kai Hele Ku Street and Wailau Place), a drainage system, and archaeological recreational sites and trails as easements, and public and private parks. The subdivision has been registered with the State of Hawaii Department of Commerce and Consumer Affairs under Hawaii Revised Statutes Chapter 484, and a Public Offering Statement for the subdivision has been issued. IT IS RECOMMENDED THAT THE BUYER OF EACH CONDOMINIUM UNIT OBTAIN A COPY OF THE MOST RECENT PUBLIC OFFERING STATEMENT FOR THE SUBDIVISION. THE STATEMENT CONTAINS MANY IMPORTANT DESCRIPTIONS ABOUT THE SUBDIVISION AS A WHOLE, AS WELL AS THE OPERATIONS AND MANAGEMENT OF THE HOMEOWNERS ASSOCIATION, ITS BUDGETS AND RESERVES.

Each condominium owner will be a separate member of said Association and will pay its share of Association assessments as provided in the Mahanalua Nui Declaration of Covenants, Conditions and Restrictions, as amended.

5. Limitations. Under the current zoning ordinance, only one full size farm dwelling (which may be limited in size by the rules of the County of Maui) and one farm dwelling with a living area of 1000 square feet or less are permitted, and no other dwellings. Apartment A was designated as the apartment which is subject to the 1000 square feet limitation, and may not be expanded beyond this limitation, and Apartment B was designated as the full size farm dwelling. THE PROSPECTIVE PURCHASER IS CAUTIONED TO CONSULT WITH HIS OR HER LEGAL COUNSEL CONCERNING THE REQUIREMENTS OF A FARM DWELLING AND THE PERMITTED USES OF THE LAND AND DWELLING IN THE AGRICULTURAL ZONE.

6. Licensed Real Estate Salesperson. Pursuant to Sections 16-99-3(g) and 16-99-11(d), Hawaii Administrative Rules ("HAR"), prospective purchasers are hereby advised that Gregory E. Brown, the sole member of Brown Realty, LLC which is both a member of GBH, LLC (the Developer of the project) and also the contractor for the project, is a current and active Hawaii-licensed Real Estate Salesperson, RS-61267. Further that Gregory E. Brown is licensed with The Prudential Maui Realtors, Inc., the project broker. Pursuant to Section 16-99-11(c), HAR "no license shall be allowed to advertise 'For Sale by Owner', 'For Rent by Owner', 'For Lease by Owner', 'For Exchange by Owner'."

7. Agreements/Easements on Record. The title is encumbered by several agreements and easements described as items 3-25 on Exhibit B. BUYER SHOULD CONSULT WITH HIS OR HER LEGAL COUNSEL FOR ADDITIONAL INFORMATION.

8. Fire Protection. The property is subject to agreements with the County of Maui acknowledging that the County has no water system servicing the property and further that the County is not responsible for providing water service or fire protection. BUYER SHOULD CONSULT AN ENGINEER AND BUYER'S INSURANCE CARRIER IN ORDER TO EVALUATE THE RISKS AFFECTING THIS PROPERTY.

9. Rollback Taxes. The land may be subject to rollback real property taxes. The failure of an owner to observe restrictions on the use of the land may cancel the County dedication and special real property tax assessment. Please refer to the Director of Finance, County of Maui, for further information.

10. Agricultural Uses. The County of Maui Planning Department has recently adopted a strict enforcement policy requiring agriculture-zoned land to be used for only those agricultural uses permitted by HRS Section 205-4.5 and Maui County Code, Chapter 19.30A. Also, County approval of farm plans shall be required as well as actual ongoing implementation. Dwellings may only be constructed and used as "farm dwellings". BUYER SHOULD CONSULT WITH AN ATTORNEY OR THE MAUI COUNTY PLANNING DEPARTMENT FOR ADDITIONAL INFORMATION.

11. Insurance. Hawaii Law requires that the Association of Apartment Owners carry liability insurance on the entire condominium as a common expense. Buyers are urged to review this requirement with their insurance advisors.

12. Agricultural Restrictions. Recently enacted State law prohibits all restrictions on agricultural uses and activities on agricultural zoned land. Any such restrictions are invalid if created after July, 2003. BUYER UNDERSTANDS THAT ACTIVITIES SUCH AS RAISING ANIMALS OR IRRIGATION AND FERTILIZATION OVERSPRAY ON NEARBY PROPERTIES MAY CAUSE NUISANCES AND INCONVENIENCES TO BUYER.

13. Zoning and Land Use Violations. In a condominium, all of the land included in the condominium remains a single, unsubdivided parcel of land for purposes of zoning and land use regulation. If one unit owner violates a regulation, the violation is attributable to both that owner and the innocent owner of each other unit. For example, if one owner builds or adds to a structure in a manner which violates height limits, size limit, setbacks, building permit requirements, or flood zone rules, or uses the unit for an unauthorized additional dwelling or short term rental, the violation applies to the entire condominium and the innocent unit owner may be subject to fines or may be denied a building permit as long as the violation remains uncured. BUYER SHOULD CONSULT WITH AN ATTORNEY CONCERNING THESE IMPORTANT RISKS.

EACH BUYER IS ADVISED TO CONTACT THE APPROPRIATE GOVERNMENT AGENCIES TO DETERMINE SPECIFIC REQUIREMENTS FOR THIS PROPERTY, AND TO CONSULT WITH AN ATTORNEY AND OTHER APPROPRIATE PROFESSIONALS.

- D. The developer declares subject to the penalties set forth in section 514A-49(b) that this project is in compliance with all county zoning and building ordinances and codes, and all other county permitting requirements applicable to the project, pursuant to Act 251 (SLH 2000) [Section 514A-1.6] (The developer is required to make this declaration for issuance of an effective date for a final public report)
- E. The developer hereby certifies that all the information contained in this Report and the Exhibits attached to this Report and all documents to be furnished by the developer to buyers concerning the project have been reviewed by the developer and are, to the best of the developer's knowledge, information and belief, true, correct and complete.

Buyers are urged to consult the County of Maui and their legal counsel regarding the further granting of roadway access.
