General Information On Condominiums

A condominium is a special form of real property. To create a condominium in Hawaii, the requirements of the Condominium Property Act, Chapter 514A, Hawaii Revised Statutes, must be complied with. In addition, certain requirements and approvals of the County in which the project is located must be satisfied and obtained.

Some condominium projects are leasehold. This means that the land or the building(s) and other improvements are leased to the buyer. The lease for the land usually requires that at the end of the lease term, the lessees (apartment owners/tenants) deliver their interest in the land to the lessor (fee property owner). The lease also usually requires that the lessees either (1) convey to the lessor the building(s) and other improvements, including any improvements paid for by the lessees; or (2) remove or dispose of the improvements at the lessee's expense. Leases for individual apartments often require that at the end of the lease term, the lessee deliver to the lessor the apartment, including any improvements placed in the apartment by the lessee.

If you are a typical condominium apartment owner, you will have two kinds of ownership: (1) ownership in your individual apartment; and (2) an undivided interest in the common elements.

"Common elements" are the areas of the condominium project other than the individual apartments. They are owned jointly by all apartment owners and include the land, either in fee simple or leasehold, and those parts of the building or buildings intended for common use such as foundations, columns, roofs, halls, elevators, and the like. Your undivided interest in the common elements cannot be separated from ownership of your apartment.

In some condominium projects, some common elements are reserved for the exclusive use of the owners of certain apartments. These common elements are called "limited common elements" and may include parking stalls, patios, lanais, trash chutes, and the like.

You will be entitled to exclusive ownership and possession of your apartment. Condominium apartments may be individually bought, sold, rented, mortgaged or encumbered, and may be disposed of by will, gift, or operation of law.

Your apartment will, however, be part of the group of apartments that comprise the condominium project. Study the project's Declaration, Bylaws, and House Rules. These documents contain important information on the use and occupancy of apartments and the common elements as well as the rules of conduct for owners, tenants, and guests.

Operation of the Condominium Project

The Association of Apartment Owners is the entity through which apartment owners may take action with regard to the administration, management, and operation of the condominium project. Each apartment owner is automatically a member of the Association.

The Board of Directors is the governing body of the Association. Unless you serve as a board member or an officer, or are on a committee appointed by the board, your participation in the administration and operation of the condominium project will in most cases be limited to your right to vote as an apartment owner. The Board of Directors and officers can take certain actions without the vote of the owners. For example, the board may hire and fire employees, increase or decrease fees, borrow money for repair and improvements and set a budget. Some of these actions may significantly impact the apartment owners.

Until there is a sufficient number of purchasers of apartments to elect a majority of the Board of Directors, it is likely that the developer will effectively control the affairs of the Association. It is frequently necessary for the developer to do so during the early stages of development and the developer may reserve certain special rights to do so in the Declaration and Bylaws. Prospective buyers should understand that it is important to all apartment owners that the transition of control from the developer to the apartment owners be accomplished in an orderly manner and in a spirit of cooperation.

**II. CREATION OF THE CONDOMINIUM;
CONDOMINIUM DOCUMENTS**

A condominium is created by recording in the Bureau of Conveyances and/or filing with the Land Court a Declaration of Condominium Property Regime, a Condominium Map (File Plan), and the Bylaws of the Association of Apartment Owners. The Condominium Property Act (Chapter 514A, HRS), the Declaration, Bylaws, and House Rules control the rights and obligations of the apartment owners with respect to the project and the common elements, to each other, and to their respective apartments. The provisions of these documents are intended to be, and in most cases are, enforceable in a court of law.

A. **Declaration of Condominium Property Regime** contains a description of the land, buildings, apartments, common elements, limited common elements, common interests, and other information relating to the condominium project.

The Declaration for this condominium is:

Proposed
 Recorded - Bureau of Conveyances: Document No. 2006-120561
Book _____ Page _____
 Filed - Land Court: Document No. _____

The Declaration referred to above has been amended by the following instruments [state name of document, date and recording/filing information]:

B. **Condominium Map (File Plan)** shows the floor plan, elevation and layout of the condominium project. It also shows the floor plan, location, apartment number, and dimensions of each apartment.

The Condominium Map for this condominium project is:

Proposed
 Recorded - Bureau of Conveyances Condo Map No. 4284
 Filed - Land Court Condo Map No. _____

The Condominium Map has been amended by the following instruments [state name of document, date and recording/filing information]:

C. **Bylaws of the Association of Apartment Owners** govern the operation of the condominium project. They provide for the manner in which the Board of Directors of the Association of Apartment Owners is elected, the powers and duties of the Board, the manner in which meetings will be conducted, whether pets are prohibited or allowed and other matters which affect how the condominium project will be governed.

The Bylaws for this condominium are:

Proposed
 Recorded - Bureau of Conveyances: Document No. 2006-120562
Book _____ Page _____
 Filed - Land Court: Document No. _____

The Bylaws referred to above have been amended by the following instruments [state name of document, date and recording/filing information]:

D. **House Rules.** The Board of Directors may adopt House Rules to govern the use and operation of the common elements and limited common elements. House Rules may cover matters such as parking regulations, hours of operation for common facilities such as recreation areas, use of lanais and requirements for keeping pets. These rules must be followed by owners, tenants, and guests. They do not need to be recorded or filed to be effective. The initial House Rules are usually adopted by the developer.

The House Rules for this condominium are:

Proposed Adopted Developer does not plan to adopt House Rules

E. **Changes to Condominium Documents.** Changes to the Declaration, Condominium Map, and Bylaws are effective only if they are duly adopted and recorded and/or filed. Changes to House Rules do not need to be recorded or filed to be effective.

1. **Apartment Owners:** Minimum percentage of common interest which must vote for or give written consent to changes:

IMPORTANT INFORMATION ON LEASEHOLD CONDOMINIUM PROJECTS

The information contained in this report is a summary of the terms of the lease. For more detailed information, you should secure a copy of the lease documents and read them thoroughly.

If you have any legal questions about leasehold property, the lease documents or the terms of the lease and the consequences of becoming a lessee, you should seek the advice of an attorney.

There are currently no statutory provisions for the mandatory conversion of leasehold condominiums and there are no assurances that such measures will be enacted in the future.

In leasehold condominium projects, the buyer of an apartment will acquire the right to occupy and use the apartment for the time stated in the lease agreement. The buyer will not acquire outright or absolute fee simple ownership of the land. The land is owned by the lessor or the leased fee owner. The apartment owner or lessee must make lease rent payments and comply with the terms of the lease or be subject to the lessor's enforcement actions. The lease rent payments are usually fixed at specific amounts for fixed periods of time, and are then subject to renegotiation. Renegotiation may be based on a formula, by arbitration set in the lease agreement, by law or by agreement between the lessor and lessee. The renegotiated lease rents may increase significantly. At the end of the lease, the apartment owners may have to surrender the apartments, the improvements and the land back to the lessor without any compensation (surrender clause).

When leasehold property is sold, title is normally conveyed by means of an assignment of lease, the purpose of which is similar to that of a deed. The legal and practical effect is different because the assignment conveys only the rights and obligations created by the lease, not the property itself.

The developer of this condominium project may have entered into a master ground lease with the fee simple owner of the land in order to develop the project. The developer may have then entered into a sublease or a new lease of the land with the lessee (apartment owner). The developer may lease the improvements to the apartment owner by way of an apartment lease or sublease, or sell the improvements to the apartment owners by way of a condominium conveyance or apartment deed.

	<u>Conforming</u>	<u>Non-Conforming</u>	<u>Illegal</u>
Uses	<u> x </u>	<u> </u>	<u> </u>
Structures	<u> x </u>	<u> </u>	<u> </u>
Lot	<u> x </u>	<u> </u>	<u> </u>

If a variance has been granted or if uses, improvements or lot are either non-conforming or illegal, buyer should consult with county zoning authorities as to possible limitations which may apply.

Limitations may include restrictions on extending, enlarging, or continuing the non-conformity, and restrictions on altering and repairing structures. In some cases, a non-conforming structure that is destroyed or damaged cannot be reconstructed.

The buyer may not be able to obtain financing or insurance if the condominium project has a non-conforming or illegal use, structure, or lot.

D. Common Elements, Limited Common Elements, Common Interest:

1. Common Elements: Common Elements are those parts of the condominium project other than the individual apartments. Although the common elements are owned jointly by all apartment owners, those portions of the common elements which are designated as limited common elements (see paragraph 2 below) may be used only by those apartments to which they are assigned. The common elements for this project, as described in the Declaration, are:

- described in Exhibit "D" .
 as follows:

2. Limited Common Elements: Limited Common Elements are those common elements which are reserved for the exclusive use of the owners of certain apartments.

There are no limited common elements in this project.

The limited common elements and the apartments which use them, as described in the Declaration, are:

described in Exhibit "E".

as follows:

3. Common Interest: Each apartment will have an undivided fractional interest in all of the common elements. This interest is called the "common interest." It is used to determine each apartment's share of the fees and other common profits and expenses of the condominium project. It may also be used for other purposes, including voting on matters requiring action by apartment owners. The common interests for the apartments in this project, as described in the Declaration, are:

described in Exhibit _____.

as follows:

Each apartment shall have an undivided 1/94 fractional interest (being equal to an undivided 1.0638+ percentage interest).

E. Encumbrances Against Title: An encumbrance is a claim against or a liability on the property or a document affecting the title or use of the property. Encumbrances may have an adverse effect on the property or your purchase and ownership of an apartment in the project.

Exhibit "F" describes the encumbrances against the title contained in the title report dated June 20, 2006 and issued by Title Guaranty of Hawaii, Incorporated.

See also Section V.C. for information regarding the Declaration of Covenants, Conditions, and Restrictions for Kehalani dated March 17, 1995, recorded in the Bureau of Conveyances as Document No. 95-040251, as it has been or may be amended or supplemented, that also encumbers the Project.

Blanket Liens:

A blanket lien is an encumbrance (such as a mortgage) on the entire condominium project that secures some type of monetary debt (such as a loan) or other obligation. A blanket lien is usually released on an apartment-by-apartment basis upon payment of specified sums so that individual apartments can be conveyed to buyers free and clear of the lien.

[] There are no blanket liens affecting title to the individual apartments.

[x] There are blanket liens which may affect title to the individual apartments.

Blanket liens (except for improvement district or utility assessments) must be released before the developer conveys the apartment to a buyer. The buyer's interest will be affected if the developer defaults and the lien is foreclosed prior to conveying the apartment to buyer.

<u>Type of Lien</u>	<u>Effect on Buyer's Interest and Deposit if Developer Defaults or Lien is Foreclosed Prior to Conveyance</u>
Mortgage	Buyer's contract will be cancelled and Buyer's deposit will be returned, less Escrow cancellation fee. Buyer may lose all rights to acquire the unit.

F. Construction Warranties:

Warranties for individual apartments and the common elements, including the beginning and ending dates for each warranty, are as follows:

1. Building and Other Improvements:

The Developer will convey each apartment by an Apartment Deed with a warranty of title. The Developer will provide a Home Builder's Limited Warranty, which is set forth on PWC Form No. 117 Rev. 05/02, a copy of which will be furnished to each purchaser of an apartment, which will cover construction defects (as defined in the Home Builder's Limited Warranty) for the following periods: (a) for each apartment, a period of ten (10) years from the date title to the apartment is transferred to the initial purchaser, and (b) for common elements in a building, a period of ten (10) years from the date the first apartment in the building is transferred to the initial purchaser. Other than the Home Builder's Limited Warranty, the Developer will make no warranties, expressed or implied, about any apartment, the project or anything installed or contained in them. This includes, but is not limited to, warranties of merchantability, habitability, workmanlike construction, fitness for a particular use or purpose or for sufficiency of design.

Initial Condominium Managing Agent: When the developer or the developer's affiliate is the initial condominium managing agent, the management contract must have a term of one year or less and the parties must be able to terminate the contract on notice of 60 days or less.

C. **Additional Information Not Covered Above**

Kahalani Community Association

Each unit in the Project will be annexed to and will be subject to the terms, provisions, conditions and restrictions of that certain Declaration of Covenants, Conditions and Restrictions for Kehalani dated March 17, 1995, recorded in the Bureau of Conveyances of the State of Hawaii as Document No. 95-040251, as it has been or may be amended and supplemented (the "Kahalani Declaration"). All unit owners, their tenants, families, servants and guests, and any other persons who may in any manner use the Project, shall be bound by and comply strictly with the Kehalani Declaration and the Articles of Incorporation, By-Laws and any duly adopted rules and regulations of the Kehalani Community Association. See Exhibit "J" for a summary of the pertinent provisions of the Kehalani Declaration.

Any charges assessed by the Kehalani Community Association pursuant to the Kehalani Declaration shall be separate from the fees assessed by the Association of Unit Owners of the Project and shall be payable directly by the unit owners to the Kehalani Community Association. The charges assessed by the Kehalani Community Association are currently estimated to be \$16.00 per month for each unit.

Water Meter and Charges

There is one water meter for the Project. Each unit will have a submeter to measure the amount of water usage by the unit. Each unit owner will be billed monthly by the Association of Unit Owners for water usage and must pay to the Association the water and sewer charges together with the unit's share of common expenses. Water used by the common elements are included in the monthly maintenance fees.

Property Insurance on Units

Each unit owner, at his or her expense, shall maintain property insurance covering his or her unit and the cost of such insurance shall not be included in the monthly maintenance fees. In the event the unit owners are prohibited by law or otherwise from maintaining the insurance covering their units, then such insurance shall be maintained by the Board of Directors on behalf of the Association of Unit Owners and the cost of such insurance shall be included in the monthly maintenance fees.

Maintenance Fees

Pursuant to Section 514A-15(b), Hawaii Revised Statutes, Developer will initially pay the actual common expenses, but not maintenance reserves, for the Project. Buyers will become obligated for the payment of their respective share of the common expenses only after receiving a copy of a disclosure statement filed by Developer with the Real Estate Commission giving the date on which the unit owners shall be obligated to commence paying their respective shares of the common expenses.

Mold and Mildew

Microorganisms, including, but not limited to, mold, mildew, spores, or any other form of fungi or bacteria ("Microorganisms"), occur naturally in the environment and may be present, during or after construction, in the indoor air and/or on the interior surfaces of the units, including, without limitation to, cavities, attics, windows, foundations, floor slabs, and/or on the exterior surfaces of the units, or any part thereof. Concentration of moisture in the units may result from cooking, showering or similar activities inside the units, the outside atmosphere, and/or the design, construction means and methods, and/or the building materials used in the construction of the units. This moisture may cause the growth, release, discharge, dispersal or presence of Microorganisms which, at certain levels, can cause deterioration of building materials, damage to property, health hazards, personal injuries and/or other irritant effects, such as, without limitation to, skin irritation, respiratory problems and/or allergic reactions. Likewise, concentrations of chemicals released from household furnishings, appliances, mechanical equipment, personal possessions or building materials may, at certain levels, create health hazards and/or other irritant effects, such as, without limitation to, skin irritation, respiratory problems and allergic reactions. Because Microorganisms occur naturally in the environment, Developer cannot eliminate the possibility that Microorganisms may grow in, on or about the units. Buyers may minimize these effects by proper utilization and of heating, cooling, dehumidification

or ventilation equipment, interior and cleaning and exterior maintenance, such as, but not limited to, proper grading, landscaping, painting and caulking. Each buyer will acknowledge that the buyer has been informed of the effects of Microorganisms and chemicals, and each buyer will assume all risk of damage, personal injury or destruction of or injury to property that may arise as a result of or be in any way connected with the indoor air quality or the presence of Microorganisms or chemicals in, on or about the units.

Each buyer will also release and discharge, and agree to indemnify and defend, Developer and its successors and assigns, contractors, subcontractors, material suppliers and the officers, employees, agents of each of them, from and against any and all claims, obligations, demands, damages, causes of action, liabilities, losses and expenses, including reasonable attorneys' and expert fees, whether now known or hereafter known, foreseen or unforeseen, that the buyer or any occupant of the unit had, has, or may have in the future, in law or in equity (the "claim"), that are attributable to (1) bodily injury, sickness, emotional distress, disease, death or any other personal injury or adverse health effects, or (2) injury to or destruction of tangible personal property, including loss of the use thereof arising out of or relating to, or in any way connected with, indoor air quality, moisture, or the growth, release, discharge, dispersal or presence of any Microorganisms or chemicals in the air or on the interior surfaces of the unit including, without limitation to, wall cavities, the attic, windows and the basement, or on the exterior surfaces of the unit or on any part thereof, whether or not the claim is caused by, in whole or in part, any act or omission of Developer, its contractors, subcontractors or material suppliers, in the construction of the Project, including, but not limited to, Developer's or its contractors', subcontractors' or material suppliers' construction means and methods, material selection and installation, and/or design services, if any. Developer makes no express or implied warranty of habitability, merchantability, fitness for a particular purpose or good workmanship as to building materials and/or construction means and methods with regard to indoor air quality or the presence of Microorganisms or chemicals in, on or about the units.

Handicap Accessible Parking Spaces

If required by law, the Association may alter the guest parking spaces to create handicap accessible parking spaces, even if the alteration shall reduce the total number of guest parking spaces in the Project; provided that the total number of parking spaces shall not be reduced below the number of parking spaces required by the zoning, land use or building laws applicable to the Project.

Hawaii Contractor Repair Act

The Hawaii Contractor Repair Act, Hawaii Revised Statutes Chapter 672E contains important requirements a buyer must follow before a buyer may file a lawsuit or other action (including but not limited to arbitration) for defective construction against the contractor (defined in the Hawaii Contractor Repair Act to mean any person, firm, partnership, corporation, association or other organization that is engaged in the business of designing, manufacturing, supplying products, developing, constructing or selling a dwelling) who designed, repaired, or constructed the unit, the Project or the common elements of the Project. Ninety days before a buyer files a lawsuit or other action, the buyer must serve on the contractor a written notice of any construction conditions the buyer alleges are defective. Under the Hawaii Contractor Repair Act, a contractor has the opportunity to make an offer to repair and/or pay for the defects. The Buyer is not obligated to accept any offer made by a contractor. There are strict deadlines and procedures under the Hawaii Contractor Repair Act, and failure to follow them may negatively affect the buyer's ability to initiate any arbitration pursuant to the Home Builder's Limited Warranty provided by the Developer.

DEVELOPER'S RESERVED RIGHTS

1. The Developer reserves an easement over and upon the Project as may be reasonably necessary for the completion of the development and construction of the Project and the correction of defects in the Project. (See Section 4.11 of the Declaration.)

2. The Developer reserves the right to conduct extensive sales activities on the Project for the sale of units in the Project, and for the sale of units in other projects developed by Developer on property located near or adjacent to the Project, including without limitation, the use of model units, sales and management offices, and extensive sales displays and activities until the date of the closing of the sale of the last unsold unit in the Project or in such other projects (see Section 4.12 of the Declaration).

3. The Developer reserves the right, for itself and its successors and assigns, at any time prior to December 31, 2012, to designate and to grant to any public or governmental authority or other entity rights-of-way and other easements which are for the sole benefit of the Project, for the benefit of lands located near or adjacent to the Project, or which do not materially and adversely interfere with the use, nor materially and adversely impair the value of the Project or any unit in it, over, across, under and through the common elements for lines and other transmission facilities and appurtenances for electricity, gas, telephone, water, sewer, drainage, and other public services and utilities, and rights to enter for the purpose of installing, repairing, altering and removing such lines and facilities and of trimming any trees in the way thereof; provided that in connection with the installation, maintenance, repair, alteration or removal of any such lines and facilities pursuant to rights-of-way and other easements granted hereunder, the Developer or its successors or assigns, as applicable, must require that the common elements be restored promptly at the expense of the party owning and exercising such easement right; provided, further, that the Association, through its Board of Directors, and with the consent and agreement of the holders of any then existing easements affected thereby, is authorized to grant, convey, transfer, cancel, relocate and otherwise deal with any and all such public services and utilities easements now or hereafter located on or affecting the Project without requiring any consideration therefor. To the extent that joinder of any unit owner and lien holder or other person who may have any interest in the Project, any unit or the land of the Project may be required in order to validate any act or thing done pursuant to the foregoing reservation, such joinder shall be accomplished by a power of attorney from each of the owners, lien holders or other such parties. The acquiring or acceptance of ownership in a unit or of a lien covering a unit or any other interest in the Project or the land of the Project shall constitute a grant of such power of attorney and the grant, being coupled with an interest, shall be irrevocable and shall not be affected by the disability of the party granting such power. (See Section 4.13 of the Declaration.)

4. The Developer reserves the right to amend the Declaration (see Section 21 of the Declaration), without the consent or joinder of the Association or the persons then owning or leasing the units or their mortgagees, to satisfy any requirement of the Department of Veterans' Affairs ("VA") or the Federal Housing Administration ("FHA") which the Developer deems necessary or convenient, and to such extent and with such language as may be requested by the FHA, VA, the Federal Home Loan Mortgage Corporation, the Federal National Mortgage Association or by any federally chartered lending institution as a condition precedent to lending funds upon the security of a unit in the Project.

5. The Developer reserves the right to amend the Declaration (see Section 22 of the Declaration), without the consent or joinder of the Association or the persons then owning or leasing the units or their mortgagees, as follows:

a. From time to time, after completion of construction of the buildings of the Project, pursuant to the provisions of Section 514A-12, Hawaii Revised Statutes or Section 514B-34, Hawaii Revised Statutes, as applicable, to record verified statements of a registered architect or professional engineer certifying that the final plans of the buildings theretofore filed or being filed simultaneously with such amendments fully and accurately depict the layout, location, unit numbers and dimensions of the units as built.

b. To make changes to the Project and to amend the Declaration and the Condominium Map in any manner, as long as the Developer owns all of the units in the Project.

c. To change the number of each type of unit in the Project; provided, however, that this right shall apply only to units that are not yet built or are owned by the Developer.

d. To make changes to the Project and the Project drawings and/or specifications; provided that such changes do not violate applicable laws and codes and do not constitute a material change to any unit not owned by the Developer.

SUMMARY OF SALES CONTRACT

A copy of the form of Condominium Reservation Agreement, Deposit Receipt and Sales Agreement ("Sales Contract") has been submitted to the Real Estate Commission and is available for inspection at the Developer's office. The following is a summary of some of the provisions of the Sales Contract. ALL BUYERS AND PROSPECTIVE BUYERS SHOULD CAREFULLY READ THE SALES CONTRACT IN FULL SINCE THIS SUMMARY IS NOT INTENDED TO BE A COMPLETE DESCRIPTION OF THE PROVISIONS OF THE SALES CONTRACT.

1. The Sales Contract does not become a binding contract until the Effective Date occurs. Until the Effective Date, the Sales Contract is only a reservation for the unit and is not legally binding on either Buyer or Developer. The Effective Date of the Sales Contract shall be the date on which all of the following conditions are fulfilled:

(a) A copy of the Contingent Final Public Report or the Final Public Report covering the unit is mailed or otherwise delivered to the Buyer;

(b) Buyer has waived or be deemed to have waived Buyer's right to terminate the Sales Contract pursuant to Hawaii Revised Statutes, Section 514A-62, as amended; and

(c) The Sales Contract has been accepted by Developer through execution of the Sales Contract by Developer's officers or designated agents.

2. If the unit covered by a particular Sales Contract is an Owner-Occupant Designated unit, and Buyer has executed an affidavit stating Buyer's intent to become an owner-occupant of the unit, then Buyer agrees when signing the Sales Contract that Buyer will occupy the unit as Buyer's principal residence. Any such Buyer shall be required to reaffirm his or her intent to be an owner-occupant no earlier than the Buyer's receipt of the Final Public Report and no later than the Closing Date. Failure to sign the reaffirmation upon the reasonable request of Developer shall constitute a default under the Sales Contract by such Buyer and Developer shall have the remedies provided in the Sales Contract.

3. Section G.4of the Sales Contract provides as follows:

4. Home Builder's Limited Warranty. THE TEN YEAR HOME BUILDER'S LIMITED WARRANTY (THE "HOME BUILDER'S LIMITED WARRANTY"), THE FORM OF WHICH IS ATTACHED TO THIS AGREEMENT, IS THE SOLE AND ONLY WARRANTY, EITHER EXPRESS OR IMPLIED, THAT BUYER SHALL RECEIVE FROM SELLER WITH RESPECT TO THE UNIT OR THE PROJECT. THERE ARE NO OTHER EXPRESS OR IMPLIED WARRANTIES BEING GIVEN BY SELLER TO BUYER, AND BUYER SPECIFICALLY WAIVES TO THE FULL EXTENT ALLOWED BY LAW ANY IMPLIED WARRANTIES OF HABITABILITY, MERCHANTABILITY OR FITNESS FOR ANY PARTICULAR PURPOSE WITH RESPECT TO THE UNIT AND BUYER'S INTEREST IN ALL COMMON ELEMENTS OR ANY PERSONAL PROPERTY OR FIXTURES BEING PROVIDED TO BUYER BY SELLER AS PART OF THE UNIT AND BUYER'S INTEREST IN ALL COMMON ELEMENTS. BUYER HAS BEEN GIVEN A COPY OF THE HOME BUILDER'S LIMITED WARRANTY, PWC FORM NO. 117 REV. 05/02. BUYER HAS ALSO BEEN GIVEN THE HOME BUILDER'S LIMITED WARRANTY ACKNOWLEDGMENT OF RECEIPT AND AGREEMENT TO READ AND UNDERSTAND ("ACKNOWLEDGMENT"), WHICH ACKNOWLEDGMENT BUYER HAS EXECUTED CONTEMPORANEOUSLY WITH THIS AGREEMENT. AT CLOSING, BUYER SHALL RECEIVE FROM SELLER A HOMEOWNER'S MANUAL WHICH SHALL FURTHER EXPLAIN THE HOME BUILDER'S LIMITED WARRANTY PROGRAM. IN ADDITION TO SELLER'S OBLIGATION TO CORRECT CONSTRUCTION DEFECTS IN ACCORDANCE WITH THE HOME BUILDER'S LIMITED WARRANTY, THE HOMEOWNER'S MANUAL SHALL CONTAIN SELLER'S CUSTOMER SERVICE PROGRAM. THIS

CUSTOMER SERVICE PROGRAM PROVIDES FOR THE REPAIR, IF APPLICABLE, BY SELLER DURING THE FIRST YEAR OF THE HOME BUILDER'S LIMITED WARRANTY OF MINOR PROBLEMS IN THE UNIT THAT MIGHT NOT RISE TO THE LEVEL OF A CONSTRUCTION DEFECT UNDER THE HOME BUILDER'S LIMITED WARRANTY.

4. Buyer agrees that all payments required by the Sales Contract will be deposited with Escrow and that all checks will be made payable to Escrow. Buyer also agrees that any money that Buyer deposits with Escrow may be deposited together with other buyers' money in a federally insured interest bearing account, and that Escrow may distribute the money in this account according to an Escrow Agreement between Developer and Escrow. Buyer also agrees that all the interest earned from the funds deposited by buyers will be credited to Developer. In case Buyer is late in making payments to Escrow, the late payment will bear interest at the rate of one percent (1%) per month until paid.

5. All taxes, assessments, and charges of any kind assessable against the unit or the land of the Project will be prorated as of the Closing Date. This means that Buyer will have to pay Buyer's share of these taxes and assessments at the Closing Date. In addition, Buyer will be responsible for paying all closing costs in connection with the purchase of the unit, including all costs related to any mortgages, all notary fees, recording fees, escrow fees, title insurance, conveyance taxes and fees, and preparation of the unit Deed to Buyer.

6. In addition to all other funds due, Buyer must deposit with Escrow at Preclosing a nonrefundable "start-up" fee for the Condominium Association. This start-up fee is an initial contribution to the Association common expenses reserve. The minimum amount of the start-up fee will be equal to two (2) months of estimated assessments for common expenses. This amount is separate from the purchase price and closing costs for the unit.

7. Buyer may not assign Buyer's rights under the Sales Contract without the prior written consent of Developer. Under no circumstances may Buyer assign Buyer's rights to the agreement after the Preclosing or the Closing Date. If Buyer attempts to assign the agreement without Developer's written consent, Buyer shall be in default under the Sales Contract.

8. The Developer may, at its option, preclose the sale of units by requiring the Buyer to deliver all documents necessary for closing and certain funds to Escrow up to sixty (60) days prior to the closing date. Buyer will have ten (10) days notice of such preclosing. Buyer must deposit all funds other than the proceeds of Buyer's first mortgage loan or the balance of the purchase price for a cash sale with Escrow, including the advanced payment for a maintenance assessment fund. Buyer must also sign all documents required for closing.

9. Buyer shall not be able to occupy the unit until the Closing Date for the sale of the unit. Buyer shall not be able to enter the unit until the Closing Date, except with the prior consent of Developer. Developer, at its sole discretion, shall determine the Closing Date. Developer or Escrow will notify Buyer of when the Closing Date will take place. Buyer will not be able to take occupancy until all payments required by the Sales Contract have been made. Keys will not be issued for the unit unless all payments have been made. If Buyer attempts to take occupancy of or enter the unit prior to the Closing Date without the consent of Developer, then Buyer will be in default of the Sales Contract, and Developer has the right to remove Buyer from the unit using any lawful means and at Buyer's expense.

10. Buyer agrees to accept a unit as suitable for occupancy even if there are defects or damage to the unit, as long as Developer promises to repair these defects within a reasonable time after Buyer takes occupancy. If Buyer wrongfully refuses to take occupancy of a defective unit, Buyer may have to bear the cost of Developer's costs in any resulting legal action. Developer will notify Buyer that the unit is ready for inspection prior to occupancy. Buyer then has fifteen (15) days from the date Buyer receives notification to inspect the unit. If Buyer does not inspect the unit within this time, Developer may appoint an appropriate person to inspect the unit on Buyer's behalf and decide if it is acceptable.

11. The Developer reserves the right to change the Project and modify the condominium map and any other condominium documents for any reason provided that the changes (a) are not a material change, (b) do not render unenforceable Buyer's mortgage loan commitment, (c) increase Buyer's percentage share of common expenses, or (d) increase the purchase price of the unit.

12. Developer will complete construction so that Buyer may occupy the unit within two (2) years of the Effective Date of the Sales Contract. However, this two (2) year period may be extended if construction is delayed by any matters beyond Developer's control.

13. By signing the Sales Contract, Buyer represents that Buyer is financially capable of paying the purchase price for the unit. Buyer also represents that any financial data Buyer has given Developer is accurate. If Buyer does not notify Developer that Buyer's financial situation has changed as of the Closing Date, Developer will assume that the information Developer has is accurate. If Developer discovers that any important financial data provided to Developer is not accurate and Buyer failed to notify Developer of this inaccuracy, Developer has the right to cancel the Sales Contract.

If Buyer intends to finance the purchase of the unit, then (i) Buyer must obtain from Towne Island Mortgage LLC or any other preferred lender which Developer, in its sole discretion, may designate preliminary approval of Buyer for a loan in the requirement amount within five (5) calendar days from the Effective Date of the Sales Contract, and (ii) Buyer must apply for financing and inform Developer of the name and address of the lending institution and the loan officer handling the loan application within five (5) days of the Effective Date of the Sales Contract. Buyer agrees to do everything possible and/or necessary to successfully obtain the loan. If Buyer makes a bona fide effort to obtain financing but is unsuccessful in doing so, then Buyer may cancel the Sales Contract upon written notice to Seller on or before sixty (60) days from the Effective Date of the Sales Contract. If the Sales Contract is cancelled in this manner, Buyer is entitled to a refund from Escrow of Buyer's money, without interest and minus any costs incurred by Developer, Escrow, or any lending institution in processing the Sales Contract or Buyer's loan application. If Buyer does not cancel the Sales Contract, then within five (5) days of Seller's request, Buyer shall obtain and provide Seller reasonable evidence that Buyer has obtained the necessary financing or Buyer's ability to pay the purchase price in cash. If Buyer does not provide such evidence, at Seller's sole option, Buyer shall be in default under the Sales Contract.

If Buyer chooses to use a lender other than Towne Island Mortgage LLC or any other preferred lender which Developer may designate in its sole discretion, then Buyer shall pay to Developer at closing a processing fee in the amount of \$500.00 to cover the increased costs of communicating and coordinating with such other lender. If Buyer chooses to use a lender that does not have an office or other physical presence in the State of Hawaii, then Buyer shall pay to Developer at closing a processing fee in the amount of \$1,000.00 to cover the increased costs of communicating and coordinating with such a lender, which \$1,000.00 processing fee shall be in addition to the \$500.00 processing fee described in the preceding sentence.

If Buyer does not apply for and do everything possible and/or necessary to successfully obtain the loan, then Developer may cancel the Sales Contract upon written notice to Buyer and Developer may keep all money previously paid by Buyer and any interest earned as liquidated damages.

If Buyer is making a cash purchase of a unit, Buyer must provide proof to Developer within ten (10) days after Developer accepts the Sales Contract that Buyer is financially capable of making all payments under the Sales Contract. Developer has the option to terminate the Sales Contract if Developer determines at any time that Buyer is unable to make the required payments. If the Sales Contract is cancelled in this manner, Buyer is entitled to a refund from Escrow of Buyer's money, without interest and less escrow charges, the cost of any credit reports and all other costs incurred by Developer. Developer will give Buyer notice of any such cancellation.

14. As long as the Sales Contract is only a reservation, it may be terminated for any reason and at any time at the option of either Buyer or Developer, by giving written notice of termination to the other party. In the event of a termination, the Developer will instruct Escrow to refund all payments previously made by Buyer, without interest. Additionally, if the Buyer is terminating the Sales Contract pursuant to Hawaii Revised Statutes, Section 514A-63, as amended, then Escrow shall deduct an escrow cancellation fee and all costs incurred by Developer, escrow, or any lending institution in processing the Sales Contract or loan application.

15. If Buyer defaults, Developer may cancel the Sales Contract by notifying Buyer in writing. If the cancellation occurs after the Effective Date of the Sales Contract, the Developer may keep any amounts previously

paid by Buyer as liquidated damages to compensate Developer for its damages. In addition, Developer may also pursue any other legal remedy for Buyer's default.

If Developer defaults after the Effective Date of the Sales Contract, Buyer's only remedy is to cancel the Sales Contract and have all of Buyer's money refunded, except that if and only if Developer's default is because Developer has not completed construction within the time period set forth in paragraph 12 above, Buyer shall have all remedies allowed by law.

17. If less than twenty (20) units have been sold within one hundred eighty (180) days after the date a buyer signs the first Sales Contract for a unit in the Project, Developer has the option to cancel the Sales Contract. If Developer cancels the Sales Contract, Buyer will be entitled to a refund of any money Buyer has deposited with Escrow, without interest and minus an escrow cancellation fee. When Buyer has received this refund, Buyer and Developer will no longer have any obligations under the Sales Contract.

18. Developer has the option to cancel the Sales Contract if unanticipated delays in construction cause the cost of development to increase to the point where the Project is no longer economically feasible for the Developer. In this case, Developer may cancel the Sales Contract and refund Buyer's money in the same way as for a cancellation due to lack of sales described above.

19. By entering into the Sales Contract, Buyer acknowledges that Buyer has never received any information of representations from Developer or any of Developer's agents regarding rental income from the unit or other economic or tax benefits that Buyer may receive from ownership of the unit. The Buyer further agrees that he or she will not participate in any rental pool for the renting of the unit. Buyer may be required to sign documents which satisfy the Developer that no such representations have been made.

20. The Developer may have made one or more construction loans to finance construction of the Project. Any rights which a Buyer may possess under a Sales Contract for one of the units in the Project are subject to and subordinate to the rights of the lender(s) of the construction loan(s).

21. Subject to the requirements of the Hawaii Contractor Repair Act (Hawaii Revised Statutes Chapter 672E), if applicable, any dispute between Developer and Buyer arising out of or relating to the Sales Contract or the unit, or the construction, development or management of the Project or the sale of any unit or the use or occupancy of any unit, or any other aspect of the relationship between Developer and Buyer regarding the Project shall be resolved by mandatory arbitration.

22. Buyer accepts the following conditions as well as any inconvenience or annoyance which Buyer may experience as a result of such conditions and expressly waives any rights, claims or actions which he might otherwise have against Developer or third parties as a result of such circumstances:

(a) Construction activity by Developer or other unit owners may continue at the Project after Buyer has occupied the unit and this activity may result in noise, dust, surface water run off, vapors, odors, vibration, traffic congestion, or other nuisances or annoyances to Buyer and may limit Buyer's access to portions of the Project.

(b) Sales activities, including the use of model units, sign and extensive sales displays and other activities for the sale of units developed in the Project, and for the sale of units in projects developed by Developer on property near or adjacent to the Project, will continue in the Project, and the parking spaces in the Project may be used for parking for prospective purchasers and other business invitees of Seller until the earlier to occur of (i) December 31, 2012, or (ii) the sale of the last unsold unit in the Project or in such other projects. If Developer's mortgage lender shall acquire any portion of the Project, the lender may continue such use until all the units have been sold and closed.

(c) Developer reserves the right for itself, its employees, agents, sales representatives, business invitees and prospective purchasers to utilize the common elements for ingress and egress to such parking spaces and model units and in order to show the common elements to prospective purchasers.

23. Buyer acknowledges that it has been informed that microorganisms, including, but not limited to, mold, mildew, spores, or any other form of fungi or bacteria ("Microorganisms"), may be present in the unit and that Microorganisms, at certain levels, can cause deterioration of building materials, damage to property, health hazards, personal injuries and/or other irritant effects, such as, without limitation to, skin irritation, respiratory problems and/or allergic reactions. Concentrations of chemicals released from household furnishings, appliances, mechanical equipment, personal possessions or building materials may, at certain levels, create health hazards and/or other irritant effects, such as, without limitation to, skin irritation, respiratory problems and allergic reactions. Because Microorganisms occur naturally in the environment, Developer cannot eliminate the possibility that Microorganisms may grow in, on or about the unit. Buyer releases and agrees to indemnify and defend Developer and its successors and assigns, construction manager, contractors, subcontractors, material suppliers and the officers, employees, agents of each of them, from and against any and all claims, obligations, demands, damages, causes of action, liabilities, losses and expenses, including reasonable attorneys' and expert fees, whether now known or hereafter known, foreseen or unforeseen, that Buyer or any occupant of the unit had, has, or may have in the future, in law or in equity (the "claim"), that are attributable to (1) bodily injury, sickness, emotional distress, disease, death or any other personal injury or adverse health effects, or (2) injury to or destruction of tangible personal property, including loss of the use thereof arising out of or relating to, or in any way connected with, indoor air quality, moisture, or the growth, release, discharge, dispersal or presence of any Microorganisms or any chemicals in the indoor air or on the interior surfaces of the unit including, without limitation to, wall cavities, the attic, windows and the basement, or on the exterior surfaces of the unit or on any part thereof.

SUMMARY OF ESCROW AGREEMENT

A copy of the Condominium Escrow Agreement dated June 29, 2006, between the Developer and Title Guaranty Escrow Services, Inc. ("Escrow"), has been submitted to the Real Estate Commission and is available for inspection at the Developer's office. The following is a summary of some of the provisions of the Escrow Agreement.

NOTE: ALL BUYERS AND PROSPECTIVE BUYERS SHOULD READ THE ESCROW AGREEMENT AND ALL AMENDMENTS, IF ANY, IN FULL AS THIS SUMMARY DOES NOT CONTAIN A COMPLETE DESCRIPTION OF ALL PROVISIONS IN THE ESCROW AGREEMENT. THIS SUMMARY IS INTENDED ONLY TO GIVE A BRIEF DESCRIPTION OF SOME OF THE ITEMS CONTAINED IN THE ESCROW AGREEMENT, AND DOES NOT ALTER OR AMEND THE ESCROW AGREEMENT IN ANY MANNER.

1. A signed copy of each sales contract for a unit in the Project must be given to Escrow.
2. All money received by the Developer from buyers under sales contracts for units in the Project must be given to Escrow. Escrow, in accordance with written instructions from the Developer, shall deposit all money so received in an interest-bearing account at a federally insured bank, savings and loan association or other financial institution. Any interest earned on funds deposited into Escrow will accrue as set forth in the sales contract unless otherwise provided.
3. Escrow may not make any disbursements of funds until certain conditions, including the issuance of an effective date for the Final Public Report for the Project by the Real Estate Commission, have been met.
4. Under certain conditions, a buyer shall be entitled to a refund. Escrow shall pay this refund to the buyer with interest which may have accrued to the credit of the buyer and less a reasonable escrow cancellation fee.
5. If a buyer fails to claim a refund for a cancelled sales contract, Escrow shall deposit the refund in a special account in a bank or other depository selected by Escrow, in the name of the Developer as trustee for the benefit of the buyer. Escrow will then notify the buyer about the refund.
6. If a buyer fails to make a payment to Escrow in a timely manner, Escrow will notify Developer. If the Developer subsequently notifies Escrow in writing that Developer has terminated the sales contract and provides Escrow with copies of all notices of termination sent to the buyer, Escrow will then treat any funds the buyer has already paid as though they belong to the Developer. Upon written request by the Developer, Escrow will pay all such sums to Developer minus any escrow cancellation fee.
7. The Escrow Agreement is subject to the provisions of Hawaii Revised Statutes, Chapter 514A, as it may be amended.

SUMMARY OF KEHALANI DECLARATION

The land of the Project will be annexed to and the Project will be subject to the Declaration of Covenants, Conditions and Restrictions for Kehalani dated March 17, 1995, made by C. Brewer Homes, Inc., as Declarant, recorded in the Bureau of Conveyances of the State of Hawaii in Liber 95-040251, as it has been or may be amended and supplemented (the "Kehalani Declaration"), governing the Kehalani development. The Kehalani Declaration imposes mutually beneficial restrictions under a general plan of improvement for the benefit of the owners and establishes a procedure for the overall development, administration, maintenance and preservation of the properties subject to it.

NOTE: ALL BUYERS AND PROSPECTIVE BUYERS SHOULD CAREFULLY READ THE KEHALANI DECLARATION IN FULL SINCE THIS SUMMARY IS NOT INTENDED TO BE A COMPLETE DESCRIPTION OF THE PROVISIONS OF THE KEHALANI DECLARATION. CAPITALIZED TERMS USED AND NOT OTHERWISE DEFINED IN THIS SUMMARY SHALL HAVE THE MEANINGS SET FORTH IN THE KEHALANI DECLARATION.

The Kehalani Declaration established the Kehalani Community Association, a Hawaii nonprofit corporation, which is responsible for the management, maintenance, operation and control of the Common Areas and other areas, if any, for which it assumes responsibility pursuant to the Kehalani Declaration (the "Area of Common Responsibility"). The Kehalani Community Association also administers and enforces the architectural standards and controls in the Kehalani Declaration and the Design Guidelines.

Each owner of a unit in the Project will be a Class A member of the Kehalani Community Association. The Declarant will be the sole Class B member until the Class B membership is terminated at which time it will become a Class A member as to the units it owns.

Each unit subject to the Kehalani Declaration shall be located in a Neighborhood. The unit owners may be members of a Neighborhood Association and may be subject to additional covenants of the Neighborhood Association.

The Kehalani Community Association may impose four types of assessments: (a) Bases Assessment, (b) Neighborhood Assessments, (c) Special Assessments, and (d) Special Assessments against a particular unit. If any assessments are not paid, the Kehalani Community Association shall have a lien upon the condominium unit for any unpaid assessments, interest, late charges and costs of collection. The lien may be enforced by suit, judgment and judicial foreclosure. The lien shall be junior to (a) taxes, bonds, assessments and other levies which by law are superior, and (b) any recorded first mortgage made in good faith and for value. If a unit is transferred, the grantee shall be jointly and severally liable for any assessments and other charges due at the time of conveyance, except that a first mortgagee or other purchaser who acquires title pursuant to the foreclosure of a first mortgage shall not be personally liable for any assessments due prior to its acquisition of title.

The Kehalani Community Association may impose sanctions for violations of the Kehalani Declaration or the By-Laws rules of the Kehalani Community Association, including the imposition of fines and suspension of voting rights and use of any facilities within the Common Areas.

The Kehalani Declaration contains provisions regarding use of the property that is a part of the Kehalani development. By accepting a deed of any property, each Owner acknowledges and agrees that the use and enjoyment and marketability of the unit can be affected and that the Use Restrictions and Rules may change from time to time. All structures and improvements must comply with the provisions of the Kehalani Declaration and must be approved by the Declarant until it is no longer the Class B Member or it notifies the Board of Directors of the Kehalani Community Association that its responsibility shall be handled by the New Construction Committee and the Modifications Committee. The New Construction Committee shall consist of at least three, but not more than five, members which shall have jurisdiction over all original construction. Until all of the property has been developed and conveyed to Owners, the Declarant shall appoint all members of the New Construction Committee.

The Board of Directors may establish the Modifications Committee consisting of at least three, but not more than five, members which shall have jurisdiction over modifications, additions or alterations made to existing structures on or in units and the adjacent open space. The Modifications Committee may delegate its authority to a particular Neighborhood Association. The New Construction Committee may veto any action taken by the Modifications Committee or a Neighborhood Association which is inconsistent with the guidelines promulgated by the New Construction Committee. Not later than the date on which the Declarant is no longer responsible for the review of all applications for construction and modifications, the Declarant shall prepare design and development guidelines and application and review procedures.

The Declarant (until all the property described in Exhibit "B" to the Kehalani Declaration or 20 years after the recording of the Kehalani Declaration, which is earlier) or the Kehalani Community Association may annex additional property to the Kehalani Declaration and the Declarant may withdraw property from the Kehalani Declaration. The Kehalani Declaration reserve to the Declarant (i) the right to grant easements for utilities, access and other purposes, (ii) the right to subject any portion of the Properties to additional covenants and easements and to create exceptions for any portion of the Properties, (iii) all water and water rights, (iv) the right to engage in farming operations on other lands adjacent or in the vicinity of the Properties, (v) to transfer its rights to other parties, and (vi) to use and improve the Common Areas.

The provisions of the Kehalani Declaration shall be perpetual, except that the Declarant may terminate the Kehalani Declaration within 20 years of the date of recording and if Hawaii law limits the period during which the covenants may run with the land, then the Kehalani Declaration shall be automatically extended for periods of 20 years each unless they are terminated. The Declarant may amend the Kehalani Declaration (i) to bring any provision into compliance with any statute, rule, regulation or judicial determination, (ii) to enable any reputable title company to issue title insurance coverage on the units, (iii) to enable any institutional or governmental lender, purchaser, insurer or guarantor of mortgage loans to make, purchase, insure or guarantee mortgage loans on the units, (iv) to enable any reputable private insurance company to insure mortgage loans on the units, or (v) to satisfy the requirements of any local, state or federal governmental agency. The Kehalani Declaration may also be amended by 75% of the Class A votes and the consent of the Declarant, so long as it has an option to subject additional property to the Kehalani Declaration.

4. Maintenance Fees:

Attached hereto as Exhibit "1" is a breakdown of the estimated annual maintenance fees and the estimated annual costs for the Project, which is hereby certified to be based on generally accepted accounting principles. The Developer advises that the maintenance fees of a condominium project are difficult to estimate prior to actual operation of the Project and even if the maintenance fees have been accurately estimated, the maintenance fees will tend to increase over time because of price increases and aging of the Project. The estimated maintenance fees and estimated costs are based on the latest information available to the Developer [and the Managing Agent] and are subject to revision based on actual costs and new information that may become available. Maintenance fees can vary depending upon the services desired by the apartment owners. Each buyer should review the attached Exhibit "A" to see what services are included.

5. Warranties:

The Developer will convey each apartment by an Apartment Deed with a warranty of title. The Developer will provide each buyer with a ten year Home Builder's Limited Warranty, PWC FORM NO. 117 Rev. 05/02, a copy of which will be provided to each buyer upon the execution of a sales contract for an apartment in the condominium project. Other than the foregoing, the Developer will make no other warranties, express or implied, about any apartment, the condominium project or anything installed or contained in them. This includes,

but is not limited to, warranties of merchantability, habitability, workmanlike construction, fitness for a particular use or purpose or for sufficiency of design.

6. Number of Residential Units:

There are 94 residential units in the Project. Section 6.1 of the Declaration of Condominium Property Regime provides:

The Units shall be occupied and used only as private dwellings by the respective Owners, their tenants, families, domestic servants and social guests, and for no other purpose. The Units shall not be rented for transient or hotel purposes, which are defined as (a) rental for any period less than one hundred eighty (180) days, or (b) any rental in which the occupants of the Units are provided customary hotel services such as room service for food and beverage, maid service, laundry and linen service, or bellboy service. Except for such transient or hotel purposes, the Owners shall have the absolute right to rent or lease their Units subject to all provisions of this Declaration and the Bylaws; provided, however, that (i) no Owner may rent or lease less than the entire Unit, and (ii) any lease or rental agreement shall be in writing.

Section 6.2 of the Declaration of Condominium Property Regime provides:

The Units in the Project or any interest therein shall not be sold, transferred, conveyed, leased, occupied, rented or used for or in connection with any time-sharing purpose or under any time-sharing plan, arrangement or program, including without limitation any so-called "vacation license", "travel club membership", or "time-interval ownership" arrangement. The term "time-sharing" as used herein shall be deemed to include, but is not limited to, any plan, program or arrangement under which the right to use, occupy, own or possess a Unit or Units in the Project rotates among various persons on a periodically recurring basis according to a fixed or floating interval or period of time, whether by way of deed, lease, association or club membership, license, rental or use agreement, co-tenancy agreement, partnership or otherwise.

7. Commercial or Non-Residential Development:
