**Preparation of this Report**

The Developer prepared this report to disclose relevant information, including material facts", that are reasonably known to the Developer about the condominium project covered by this report. This report has been prepared pursuant to the Condominium Property Act, Chapter 514B, Hawaii Revised Statutes, as amended from time to time. The law defines material facts" to mean any fact, defect, or condition, past or present that to a reasonable person, would be expected to measurably affect the value of the project, unit, or property being offered or proposed to be offered for sale."

This report has not been prepared or issued by the Real Estate Commission or any other governmental agency. The issuance by the Commission of an effective date for this Developer's Public Report (1) does not mean that the Commission approves or disapproves of the project; (2) does not mean that the Commission thinks that either all material facts or all pertinent changes, or both, about the project have been fully or adequately disclosed; or (3) is not the Commission's judgment of the value or merits of the project.

This report may be used by the Developer for promotional purposes only if it is used in its entirety. No person shall advertise or represent that the Commission has approved or recommended the project, this report or any of the documents submitted with Developer's application for registration of this project.

This report will be amended if, after the effective date of this report, any changes, either material or pertinent changes, or both, occur regarding the information contained in or omitted from this report. In that case, the Developer is required to submit immediately to the Commission an amendment to this report or an amended Developer's Public Report, clearly reflecting the changes, including any omitted material facts, together with such supporting information as may be required by the Commission. In addition, the Developer may choose at any time to change or update the information in this report. Annually, at least thirty days prior to the anniversary date of the Effective Date of this report, the Developer shall file an annual report to update the material contained in this report. If there are no changes, the Developer is required to state that there are no changes. The Developer's obligation to amend this report or to file annual reports ends when the initial sales of all units in the project have been completed.

Purchasers are encouraged to read this report carefully and to seek professional advice before signing a sales contract for the purchase of a unit in the project.

Signing a sales contract may legally bind a purchaser to purchase a unit in the project, though a purchaser may have rights to cancel or rescind a sales contract under particular circumstances that may arise.

## SPECIAL ATTENTION

[Use this page for special or significant matters which should be brought to the purchaser's attention and that are not covered elsewhere in this report.]

Also See Developer's Disclosure Abstract attached to this report as **Exhibit G**.

THIS IS A CONDOMINIUM PROJECT, NOT A SUBDIVISION. THERE ARE COUNTY RESTRICTIONS ON THE NUMBER OF DWELLINGS, OR OTHER STRUCTURES, WHICH MAY BE BUILT UPON THE PROPERTY. THEREFORE, UNLESS THE PURCHASER IS PURCHASING THE UNIT WITH THE EXISTING DWELLING, THERE IS NO ASSURANCE THAT THE PURCHASER WILL BE ABLE TO BUILD A DWELLING UNIT ON THE PROPERTY. THERE ALSO IS NO ASSURANCE THAT THE PURCHASER WILL BE ABLE TO CONVERT AN EXISTING NON-RESIDENTIAL STRUCTURE TO RESIDENTIAL USE. THE PURCHASER SHOULD CONSULT WITH THE APPROPRIATE RESIDENTIAL AGENCIES TO DETERMINE WHETHER THE PURCHASER MAY BUILD A DWELLING UNIT, OR ANY OTHER TYPE OF STRUCTURE, UPON THE PROPERTY.

1. There are presently NO RESIDENTIAL STRUCTURES on Unit 1 of the Project. The only building on this Unit is a shade structure, which may be defined as an "apartment" under the Condominium Act.
2. Issuance of an effective date for this Public Report does not constitute an approval of the project by the Real Estate Commission or other agency, nor does it imply that all County codes, ordinances or other requirements have been complied with.
3. This project does not involve the sale of individual subdivided lots. The land area beneath and immediately adjacent to each unit, as shown on the Condominium Map, is designated as a limited common element for that unit and does not represent a legally subdivided lot. The dotted lines on the Condominium Map merely represent the location of the limited common element assigned to each unit.
4. Facilities and improvements normally associated with County approved subdivisions, such as fire protection devices, County street lighting, electricity, upgraded water facilities, improved access for owner and emergency traffic, drainage facilities, etc., may not necessarily be provided for and services such as County street maintenance and trash collection may not be available for interior roads and driveways.

THE PROSPECTIVE PURCHASER IS CAUTIONED TO CAREFULLY REVIEW THE CONDOMINIUM DOCUMENTS REFERENCED IN THIS PUBLIC REPORT FOR FURTHER INFORMATION WITH REGARD TO THE FOREGOING.

## **General Information On Condominiums**

A condominium is a special form of ownership of real property. To create a condominium in Hawaii after July 1, 2006, the Condominium Property Act, Chapter 514B, Hawaii Revised Statutes, must be followed. In addition, certain requirements and approvals of the county in which the project is located must be satisfied and obtained.

Some condominium projects are leasehold. This means that the land and/or the building(s) and other improvements are leased to the purchaser. The lease for the land usually requires that at the end of the lease term, the lessees (unit owners) deliver their interest in the land to the lessor (fee property owner).

If you are a typical condominium unit owner, you will have two kinds of ownership: (1) ownership in your individual unit; and (2) a percentage interest in the common elements.

You will be entitled to exclusive ownership and possession of your unit. Subject to the documents governing them, condominium units may be individually bought, sold, rented, mortgaged or encumbered, and may be disposed of by will, gift or operation of law.

Your unit will, however, be part of the group of units that comprise the condominium project. Study the project's Declaration of Condominium Property Regime, Bylaws of the Association of Unit Owners, Condominium Map and House Rules, if any, which are being concurrently delivered to you with this report. These documents contain important information on the use and occupancy of the units and the common elements of the project, as well as the rules and regulations of conduct for unit owners, tenants and guests.

## **Operation of the Condominium Project**

The Association of Unit Owners is the entity through which unit owners may take action with regard to the administration, management and operation of the condominium project. Each unit owner is automatically a member of the Association.

The Board of Directors is the governing body of the Association. Unless you serve as a board member or an officer, or are on a committee appointed by the board, your participation in the administration and operation of the condominium project will in most cases be limited to your right to vote as a unit owner. The Board and officers can take certain actions without the vote of the unit owners. For example, the Board may hire and fire employees, increase or decrease maintenance fees, adopt budgets for revenues, expenses and reserves and regulate the use, maintenance, repair and replacement of common elements. Some of these actions may significantly impact the unit owners.

Until there is a sufficient number of purchasers of units to elect a majority of the Board, it is likely at first that the Developer will effectively control the affairs of the Association. It is frequently necessary for the Developer to do so during the early stages of development and the Developer may reserve certain special rights to do so in the Declaration and Bylaws. Prospective purchasers should understand that it is important to all unit owners that the transition of control from the Developer to the unit owners be accomplished in an orderly manner and in a spirit of cooperation.

### 3. CREATION OF THE CONDOMINIUM AND CONDOMINIUM DOCUMENTS

A condominium is created by recording in the Bureau of Conveyances (Regular System) or filing in the Office of the Assistant Registrar of the Land Court, or both, a Declaration of Condominium Property Regime, a Condominium Map and the Bylaws of the Association of Unit Owners. The Condominium Property Act (Chapter 514B, HRS), the Declaration, Bylaws and House Rules control the rights and obligations of the unit owners with respect to the project and the common elements, to each other, and to their respective units.

#### 3.1 Declaration of Condominium Property Regime

The Declaration of Condominium Property Regime contains a description of the land, buildings, units, common interests, common elements, limited common elements, and other information relating to the condominium project.

	May 3, 2006	2006-188759

#### Amendments to Declaration of Condominium Property Regime

Land Court or Bureau of Conveyances	Date of Document	Document Number
	April 4, 2007	2007-064896

#### 3.2 Bylaws of the Association of Unit Owners

The Bylaws of the Association of Unit Owners govern the operation of the condominium project. They provide for the manner in which the Board of Directors of the Association of Unit Owners is elected, the powers and duties of the Board, the manner in which meetings will be conducted, whether pets are prohibited or allowed and other matters that affect how the condominium project will be governed.

#### 3.3 Condominium Map

The Condominium Map contains a site plan and floor plans, elevations and layout of the condominium project. It also shows the floor plan, unit number and dimensions of each unit.

**3.4 House Rules**

The Board of Directors may adopt rules and regulations (commonly called House Rules") to govern the use and operation of the common elements and limited common elements. House Rules may cover matters such as parking regulations, hours of operation for common facilities such as recreation areas, use of lanais and requirements for keeping pets. These rules must be followed by owners, tenants, and guests. They do not need to be recorded or filed to be effective. The initial House Rules are usually adopted by the Developer. Changes to House Rules do not need to be recorded to be effective.

The House Rules for this project:	
Are Proposed	<input type="checkbox"/>
Have Been Adopted and Date of Adoption	<input type="checkbox"/>
Developer does not plan to adopt House Rules	<input checked="" type="checkbox"/>

**3.5 Changes to the Condominium Documents**

Changes to Condominium Documents: Changes to the Declaration, Bylaws and Condominium Map are effective only if they are duly adopted and recorded. Where permitted, the minimum percentages of the common interest that must vote for or give written consent to changes to the Declaration, Bylaws and Condominium Map are set forth below. The percentages for any individual condominium project may be more than the minimum set by law if the Declaration or Bylaws for the project so provide.

Document	Minimum Set by Law	This Condominium
Declaration	67%	67%
Bylaws	67%	67%

**3.6 Rights Reserved by the Developer to Make Changes to the Condominium Project or Condominium Documents**

<input checked="" type="checkbox"/>	No rights have been reserved to the Developer to change the Declaration, Bylaws, Condominium Map or House Rules (if any).
<input type="checkbox"/>	Developer has reserved the right to change the Declaration, Bylaws, Condominium Map and House rules (if any) and to add to or merge the project or to develop the project in one or more phases, and such rights are summarized as follows:

## 4. CONDOMINIUM MANAGEMENT

### 4.1 Management of the Common Elements

<p><u>Management of the Common Elements:</u> The Association of Unit Owners is responsible for the management of the common elements and the overall operation of the condominium project. The Association may be permitted, and in some cases may be required, to employ or retain a condominium managing agent to assist the Association in managing the condominium project.</p>

Blanket liens (except for improvement district or utility assessments) must be released as to a unit before the developer conveys the unit to a purchaser. Construction Warranties: Warranties for individual units and the common elements, including the beginning and ending dates for each warranty (or the method of calculating them), are as set forth below:

<p>Status of Construction:                  The shed on Unit 1 was constructed in January of 2006 and;                  The residence on Unit 2 was constructed in 1993</p>
<p>Completion Deadline: If a sales contract for a unit is signed before the construction of the unit has been completed, or, in the case of a conversion, completion of any repairs, does not occur by the completion deadline set forth below, one of the remedies available to a purchaser is a cancellation of the purchaser's sales contract. The sales contract may include a right of the Developer to extend the completion deadline for force majeure as defined in the sales contract. The sales contract may also provide additional remedies for the purchaser. N/A</p>
<p>Completion Deadline for any unit not yet constructed, as set forth in the sales contract:  N/A</p>
<p>Completion Deadline for any repairs required for a unit being converted, as set forth in the sales contract:  N/A</p>

**5.6 Developer's Use of Purchaser Deposits to Pay for Project Construction Costs Before Closing or Conveyance**

The Developer is required to deposit all moneys paid by purchasers in trust under a written escrow agreement with a Hawaii licensed escrow depository. Escrow shall not disburse purchaser deposits to the Developer or on behalf of the Developer prior to closing, except if a sales contract is canceled or if Developer has met certain requirements, which are described below.

**5.6.1 Purchaser Deposits Will Not Be Disbursed Before Closing or Conveyance**

<input checked="" type="checkbox"/>	<p>The Developer hereby declares by checking the box to the left that it shall use its own funds to complete the construction of the condominium project by the date indicated in Section 5.5 of this report, and the Developer, pursuant to its own analysis and calculations, certifies that it has sufficient funds to complete the construction of the condominium project.                  If the box to the left is checked, Sections 5.6.2 and 5.7, which follow below, will not be applicable to the project.</p>
-------------------------------------	--

**5.6.2 Purchaser Deposits Will Be Disbursed Before Closing**

<p>Hawaii law provides that, if certain statutory requirements are met, purchaser deposits in escrow under a binding sales contract may be used before closing to pay for certain project costs. For this project, the Developer indicates that purchaser deposits may be used for the following purposes (check applicable box):</p>	
<input type="checkbox"/>	<p>For new construction: to pay for project construction costs described in the Developer's budget and approved by the Developer's lender or an otherwise qualified, financially disinterested person; or</p>
<input type="checkbox"/>	<p>For conversions: to pay for repairs necessary to cure violations of county zoning and building ordinances and codes, for architectural, engineering, finance and legal fees, and for other incidental expenses.</p>

In connection with the use of purchaser deposits (check Box A or Box B):

<p><b>Box A</b> [ ]</p>	<p>The Developer has submitted all information and documents required by law and the Commission prior to the disbursement of purchaser deposits before closing. This means that the Developer may use such deposits before closing. If the Developer decides not to use purchaser deposits before closing, the Developer does not need to amend this report.</p> <p>If Box A is checked, you should read and carefully consider the following notice, which is required by law:</p> <p><b><u>Important Notice Regarding Your Deposits:</u></b> Deposits that you make under your sales contract for the purchase of the unit may be disbursed before closing of your purchase to pay for project costs, construction costs, project architectural, engineering, finance, and legal fees, and other incidental expenses of the project. While the developer has submitted satisfactory evidence that the project should be completed, it is possible that the project may not be completed. If your deposits are disbursed to pay project costs and the project is not completed, there is a risk that your deposits will not be refunded to you. You should carefully consider this risk in deciding whether to proceed with your purchase.</p>
<p><b>Box B</b> [ ]</p>	<p>The Developer has <b>not</b> submitted all information and documents required by law and the Commission, and, until all such information and documents are submitted, thus, the Developer cannot use purchaser deposits.</p> <p>If the Developer later submits all information and documents required by law and the Commission for the use of purchaser deposits, then the Developer must provide an amendment to this report or an amended developer's public report to each purchaser who has signed a sales contract. At such time, the <b><u>Important Notice Regarding Your Deposits</u></b> set forth immediately above will apply to all purchasers and will be restated in the amendment to this report or an amended developer's public report. When an effective date for such an amendment or an amended developer's public report is issued, <b><u>you will not have the right to rescind or cancel the sales contract by reason of such submission and amendment.</u></b> (This, however, does not affect your right to rescind for material changes or any other right you may have to rescind or cancel the sales contract, as described in Section 5.8 below.) If the Developer decides not to use purchaser deposits before closing, the Developer does not need to amend this report.</p> <p>You should understand that, although the <b><u>Important Notice Regarding Your Deposits</u></b> set forth above does not currently apply to you, it might apply to you in the future, and, therefore, you should read and carefully consider it now to ensure that you understand the risk involved in deciding whether to proceed with your purchase.</p>

**Material House Bond.** If the Developer has submitted to the Commission a completion or performance bond issued by a material house instead of a surety as part of the information provided prior to the use of purchaser deposits prior to closing or conveyance of a unit, the Developer shall disclose the same below and disclose the impact of any restrictions on the Developer's use of purchaser deposits.

Before signing the sales contract, prospective purchasers should carefully review all documents relating to the project. These include but are not limited to the documents listed below. Items 2, 3 and 4 are made a part of this public report, as well as Item 5, if any, and are being delivered to you with this report.

1. **Developer's Public Report**

## 5.8 Purchaser's Right to Cancel or Rescind a Sales Contract

A purchaser's right to cancel a sales contract or to rescind a sales contract may arise under varying circumstances. In the sections below, some circumstances that will give rise to a purchaser's right to cancel or rescind are described, together with what a purchaser must do if the purchaser wishes to exercise any of the rights.

### 5.8.1 When a Sales Contract becomes Binding and Purchaser's 30-Day Right to Cancel a Sales Contract

A sales contract signed by a purchaser and the developer will not become binding on a purchaser or the Developer until the following events have taken place:

- (1) The purchaser has signed the sales contract.
- (2) The Developer has delivered to the purchaser a true copy of the developer's public report with an effective date issued by the Commission, together with all amendments to the report as of the date of delivery, and the project's recorded Declaration and Bylaws, House Rules (if any), the Condominium Map and any amendments to them to date (all of which are a part of the developer's public report). If it is impracticable to include a letter-sized Condominium Map, the Developer must provide written notice of an opportunity to examine the Condominium Map;
- (3) The Developer has delivered to the purchaser a notice of the purchaser's 30-day cancellation right on a form prescribed by the Commission;
- (4) The purchaser does at least one of the following:
  - (a) Waives the purchaser's right to cancel the sales contract within 30 days from receipt of the notice of the purchaser's 30-day cancellation right; or

- (b) Allows the 30-day cancellation period to expire without exercising the right to cancel; or
- (c) Closes the purchase of the unit before the 30-day cancellation period expires.

The purchaser or the Developer may cancel the sales contract at any time during the 30-day cancellation period, and the sales contract will be canceled and the purchaser's deposits returned to the purchaser, less any escrow cancellation fee and other costs associated with the purchase, up to a maximum of \$250.

### **5.8.2 Right to Cancel a Sales Contract if Completion Deadline Is Missed**

In addition to the purchaser's 30-day cancellation right described in Section 5.8.1 above, when a sales contract is signed before completion of construction of a project, the purchaser will have the right to cancel if the unit is not completed by certain deadlines. In conversion projects, there must be a deadline for completion of any required repairs. Every sales contract shall contain an agreement of the Developer that the completion of construction shall occur on or before the completion deadline, and that completion deadline is set forth in this report in Section 5.5. The sales contract shall provide that the purchaser may cancel the sales contract at any time after the specified completion deadline, if completion of construction does not occur on or before the completion deadline, as the same may have been extended. Upon a cancellation, the purchaser's deposits shall be refunded, less any escrow cancellation fee and other costs associated with the purchase, up to a maximum of \$250.00.

### **5.8.3 Purchaser's Right to Rescind a Binding Sales Contract After a Material Change**

If a "material change" in a project occurs after a purchaser has signed a sales contract that has become binding, the purchaser will have a 30-day right to rescind after notification and description of the material change. A material change is defined in the Condominium Property Act to be any change that "directly, substantially and adversely affects the use or value of (1) a purchaser's unit or appurtenant limited common elements; or (2) those amenities of the project available for the purchaser's use."

The purchaser will be informed of the material change by the developer on a form prescribed by the Commission containing a description of the material change.

After notice of the material change, the purchaser may waive the right to rescind by:

- (1) Checking the waiver box on the rescission form; or
- (2) Letting the 30-day rescission period expire, without taking any action to rescind; or
- (3) Closing the purchase of the unit before the 30-day rescission period expires.

The rescission form must be signed by all purchasers of the affected unit and delivered to the developer no later than midnight of the 30 calendar day after the purchasers received the rescission form from the developer. Purchasers who validly exercise the right of rescission shall be entitled to a prompt and full refund of any moneys paid.

A rescission right shall not apply in the event of any additions, deletions, modifications and reservations including, without limitation, the merger or addition or phasing of a project, made pursuant to the terms of the project's Declaration.

These provisions shall not preclude a purchaser from exercising any rescission rights pursuant to a contract for the sale of a unit or any applicable common law remedies.

## 6. MISCELLANEOUS INFORMATION NOT COVERED ELSEWHERE IN THIS REPORT

This is a condominium project, not a subdivision. Units purchased are not subdivided lots. To determine whether your expectations can be realized, you should carefully review the contents of this Report, especially the recorded restrictive covenants (if any) for the subdivision within which this project is located. You should also conduct your own investigations and ascertain the validity of information provided.

It is anticipated that the initial improvement on Unit 1 will be replaced by or supplemented with a residence. The prospective purchaser shall have the right to build such residence at purchaser's expense. The purchaser shall also, in such event, file the "as-built" certificate within thirty days of completion of the residence in conformance with Section 514B-34, Hawaii Revised Statutes, and record an amendment of the Declaration of Condominium Property Regime ("Declaration") to describe the residence. The County of Kauai Planning Department requires, in order to process the necessary permits for the construction of a residence, authorization from at least 67% of the legal and equitable ownership of the entire project, consistent with the Declaration and the Bylaws ("condominium documents").

Except as limited specifically by the condominium documents, all uses permitted in an agricultural zoning district are permitted. Uses in one zone are not the same as in the other, and the prospective purchaser should consult the appropriate county agency for information on uses and construction in the respective zones.

A buyer should understand that all development and use of the property shall be in compliance with County codes and ordinances, that owners in this condominium project will not necessarily receive the same County benefits as owners of approved subdivided lots and that owners who develop their limited common element later than others may find that land use and zoning changes or insufficient utility capacities may thwart their expectations.

This Project is entitled to the construction of an "Additional Dwelling Unit," as defined by, described in and limited by the Revised Code of the County of Kauai, Section 2, Chapter 8, Article 26, and Section 8-3.3(d) of the same code. This means that only one residence can be constructed as a matter of right. The other residence anticipated to be constructed on Unit 1 must be constructed by compliance with the referenced sections of the Revised Code of the County of Kauai. Any owner of an Additional Dwelling Unit will be subject to all provisions of the Comprehensive Zoning Ordinance ("CZO") of the County of Kauai. The County of Kauai has amended portions of Section 8-26.1 of the CZO in respect to Additional Dwelling Unit located on non-residential zoned lots (i.e. agricultural and open zoned lots) and will only issue a building permit for additional dwelling units that received an Additional Dwelling Unit Facilities Clearance Form by June 15, 2007. **The Buyer is hereby advised that pursuant to said ordinance, no building permit for an additional dwelling unit will be issued after December 15, 2009.**

The Developer plans to sell the apartment in the project, but is not prepared to make any current offerings of sale. When the Developer begins selling or offers to sell, the Developer will use a real estate broker for the sale of an apartment. Prior to entering into a binding contract for such sale, the Developer shall (1) submit to the Real Estate Commission a duly executed copy of a broker listing agreement with a Hawaii-licensed real estate broker, together with a duly executed disclosure abstract identifying the designated broker, and (2) provide a copy of the disclosure abstract to the purchaser together with a copy of the public report.

The Developer declares subject to the penalties set forth in Section 514B-69, HRS, that this project conforms to the existing underlying county zoning for the project, zoning and building ordinances and codes and all applicable permitting requirements adopted by the county in which the project is located, all in accordance with Sections 514B-5 and 32(a)(13), HRS.

For any conversion, if any variances have been granted, they are specified in Section 1.14 of this report, and, if purchaser deposits are to be used by the Developer to cure any violations of zoning, permitting requirements or rules of the county in which the project is located, the violation is specified in Section 1.15 of this report, along with the requirements to cure any violation, and Section 5.5 specifies the date by which the cure will be completed.

The Developer hereby certifies that all the information contained in this report and the exhibits attached to this report and all documents to be furnished by the Developer to purchasers concerning the project have been reviewed by the Developer and are, to the best of the Developer's knowledge, information and belief, true, correct and complete. The Developer hereby agrees promptly to amend this report to report any pertinent or material change or both in any information contained in this report and to file annually a report to update the material contained in this report at least 30 days prior to the anniversary date of the effective date of this report.

## EXHIBIT "B"

### SUMMARY OF SALES CONTRACT

This Project includes an Addendum to Sales Contract (the "Addendum") to be utilized in conjunction with a standard printed form contract provided by the Hawaii Association of Realtors. The Addendum protects the rights of the Purchasers and the handling of the funds under the Condominium Property Act (the "Act"), as well as the insuring compliance with the Act by all parties. Relevant portions of the Addendum are summarized as follows:

1. The fact that the Act controls over any portion of a contract to sell a condominium unit.
2. That an effective date for a final or supplementary public report must be in place and a receipt for the same signed by the buyer to have an effective date.
3. That all purchaser funds must be held in escrow until the law allows closing and disbursement of the funds.  
The conditions precedent to release of the funds are enumerated, including in part:
  - (a) That Purchaser will receive a copy of the final public report for the project.
  - (b) Purchaser agrees that all payments made will be placed on deposit with escrow pursuant to the terms of the Escrow agreement, and Purchaser is subject to all of the terms of the Escrow Agreement.
  - (c) If there is a dual agency by a single broker, it will be disclosed in the contract.
4. In the event the Project includes the new construction or substantial remodeling of a premise, Hawaii law mandates that the Seller provide a specific notice to the Buyer in respect to filing lawsuits or other actions for defective construction against the contractor.

**SPECIAL NOTICE:** THE FOREGOING SUMMARY IS NOT INTENDED TO BE A THOROUGH AND EXHAUSTIVE EXPLANATION OF ALL THE TERMS AND PROVISIONS CONTAINED IN THE CONTRACT. WHILE A PURCHASER CAN USE THIS SUMMARY AS A GENERAL SUMMARY OF THE PURCHASER'S RIGHTS AND OBLIGATIONS, THE PURCHASER MUST REFER TO THE PURCHASER'S CONTRACT TO DETERMINE THE BUYER'S ACTUAL RIGHTS AND OBLIGATIONS. IF ANY CONFLICT OR DIFFERENCE EXISTS BETWEEN THIS SUMMARY AND THE CONTRACT, THE CONTRACT WILL CONTROL AND NOT THIS SUMMARY.

The common interest appurtenant to each unit shall be permanent. Subject to the zoning requirements and amendments of the Condominium Map and the Declaration of Condominium Property Regime, each unit owner may use the unit, alter or add to it in any manner deemed desirable, so long as it is permitted by law and the Declaration of Protective Covenants and House Rules, if any. If adjoining unit owners desire to alter and/or transfer portions of their respective units, they can do so by the filing of an amendment to the Condominium Map and the Declaration of Condominium Property Regime together with their respective signatures.

1. Whenever Seller enters into a sales contract for the sale of an apartment, Seller will require that payments due under the sales contract be made to Escrow and will deliver an executed copy of the sales contract to Escrow.
2. Escrow will receive payments under the sales contract and sums received from any other source with respect to the project. Funds held under the Agreement will initially be deposited in an account for the project. Interest on all funds will be paid to Seller.

If there is a cancellation under the seven-day right, no fees will be charged Buyer. Thereafter, in the event of a cancellation as a matter of agreement or right, Buyer's funds shall be returned to Buyer less Escrow's cancellation fee, if any, and all other costs incurred in connection with the Escrow, not less than \$25.00.
5. Escrow will arrange for and supervise the signing of all documents, which are to be signed subsequent to and contemplated by the sales contract.
6. As Escrow's compensation for its performance under this Agreement, Escrow will receive its schedule rate for each apartment for which an apartment deed of the project is handled by Escrow and recorded in the Bureau of Conveyances of the State of Hawaii. Escrow will record all applicable documents. The cost of title insurance will be an additional amount, based upon schedule rate.
7. In the event of default by the Buyer, Buyer may forfeit his or her deposit, which will be paid to the Seller, less any cancellation fees charged by Escrow.
