Preparation of this Report

The Developer prepared this report to disclose relevant information, including "material facts", that are reasonably known to the Developer about the condominium project covered by this report. This report has been prepared pursuant to the Condominium Property Act, Chapter 514B, Hawaii Revised Statutes, as amended from time to time. The law defines "material facts" to mean "any fact, defect, or condition, past or present that to a reasonable person, would be expected to measurably affect the value of the project, unit, or property being offered or proposed to be offered for sale."

This report has not been prepared or issued by the Real Estate Commission or any other governmental agency. The issuance by the Commission of an effective date for this Developer's Public Report (1) does not mean that the Commission approves or disapproves of the project; (2) does not mean that the Commission thinks that either all material facts or all pertinent changes, or both, about the project have been fully or adequately disclosed; and (3) is not the Commission's judgment of the value or merits of the project.

This report may be used by the Developer for promotional purposes only if it is used in its entirety. No person shall advertise or represent that the Commission has approved or recommended the project, this report or any of the documents submitted with Developer's application for registration of this project.

This report will be amended if, after the effective date of this report, any changes, either material or pertinent changes, or both, occur regarding the information contained in or omitted from this report. In that case, the Developer is required to submit immediately to the Commission an amendment to this report or an amended Developer's Public Report, clearly reflecting the changes, including any omitted material facts, together with such supporting information as may be required by the Commission. In addition, the Developer may choose at any time to change or update the information in this report. Annually, at least thirty days prior to the anniversary date of the Effective Date of this report, the Developer shall file an annual report to update the material contained in this report. If there are no changes, the Developer is required to state that there are no changes. The Developer's obligation to amend this report or to file annual reports ends when the initial sales of all units in the project have been completed.

Purchasers are encouraged to read this report carefully and to seek professional advice before signing a sales contract for the purchase of a unit in the project.

Signing a sales contract may legally bind a purchaser to purchase a unit in the project, though a purchaser may have rights to cancel or rescind a sales contract under particular circumstances that may arise.

This material can be made available for individuals with special needs. Please call the Senior Condominium Specialist at 586-2643 to submit your request.

*Only these units are currently listed for sale with a broker. Developer intends to offer the other units for sale as the owner or to list them for sale with a broker. Listing agreements for such units will be submitted to the Real Estate Commission. 0107.REC DPR

SPECIAL ATTENTION

[Use this page for special or significant matters which should be brought to the purchaser's attention and that are not covered elsewhere in this report.]

This is a condominium project, not a subdivision. There are county restrictions on the number of dwellings, or other structures, which may be built upon the property. Therefore, unless the purchaser is purchasing an existing dwelling, there is no assurance that the purchaser will be able to build on the property. There also is no assurance that the purchaser will be able to convert an existing non-residential structure to residential use. Any potential purchaser for Unit 59-036 should consult with the appropriate county agency to determine whether the purchaser may build a dwelling unit, or another type of structure upon the property.

General Information On Condominiums

A condominium is a special form of ownership of real property. To create a condominium in Hawaii after July 1, 2006, the Condominium Property Act, Chapter 514B, Hawaii Revised Statutes, must be followed. In addition, certain requirements and approvals of the county in which the project is located must be satisfied and obtained.

Some condominium projects are leasehold. This means that the land and/or the building(s) and other improvements are leased to the purchaser. The lease for the land usually requires that at the end of the lease term, the lessees (unit owners) deliver their interest in the land to the lessor (fee property owner).

If you are a typical condominium unit owner, you will have two kinds of ownership: (1) ownership in your individual unit; and (2) a percentage interest in the common elements.

You will be entitled to exclusive ownership and possession of your unit. Subject to the documents governing them, condominium units may be individually bought, sold, rented, mortgaged or encumbered, and may be disposed of by will, gift or operation of law.

Your unit will, however, be part of the group of units that comprise the condominium project. Study the project's Declaration of Condominium Property Regime, Bylaws of the Association of Unit Owners, Condominium Map and House Rules, if any, which are being concurrently delivered to you with this report. These documents contain important information on the use and occupancy of the units and the common elements of the project, as well as the rules and regulations of conduct for unit owners, tenants and guests.

Operation of the Condominium Project

The Association of Unit Owners is the entity through which unit owners may take action with regard to the administration, management and operation of the condominium project. Each unit owner is automatically a member of the Association.

The Board of Directors is the governing body of the Association. Unless you serve as a board member or an officer, or are on a committee appointed by the board, your participation in the administration and operation of the condominium project will in most cases be limited to your right to vote as a unit owner. The Board and officers can take certain actions without the vote of the unit owners. For example, the Board may hire and fire employees, increase or decrease maintenance fees, adopt budgets for revenues, expenses and reserves and regulate the use, maintenance, repair and replacement of common elements. Some of these actions may significantly impact the unit owners.

Until there is a sufficient number of purchasers of units to elect a majority of the Board, it is likely at first that the Developer will effectively control the affairs of the Association. It is frequently necessary for the Developer to do so during the early stages of development and the Developer may reserve certain special rights to do so in the Declaration and Bylaws. Prospective purchasers should understand that it is important to all unit owners that the transition of control from the Developer to the unit owners be accomplished in an orderly manner and in a spirit of cooperation.

3. CREATION OF THE CONDOMINIUM AND CONDOMINIUM DOCUMENTS

A condominium is created by recording in the Bureau of Conveyances (Regular System) or filing in the Office of the Assistant Registrar of the Land Court, or both, a Declaration of Condominium Property Regime, a Condominium Map and the Bylaws of the Association of Unit Owners. The Condominium Property Act (Chapter 514B, HRS), the Declaration, Bylaws and House Rules control the rights and obligations of the unit owners with respect to the project and the common elements, to each other, and to their respective units.

3.1 Declaration of Condominium Property Regime

The Declaration of Condominium Property Regime contains a description of the land, buildings, units, common interests, common elements, limited common elements, and other information relating to the condominium project.

3.2 Bylaws of the Association of Unit Owners

The Bylaws of the Association of Unit Owners govern the operation of the condominium project. They provide for the manner in which the Board of Directors of the Association of Unit Owners is elected, the powers and duties of the Board, the manner in which meetings will be conducted, whether pets are prohibited or allowed and other matters that affect how the condominium project will be governed.

3.3 Condominium Map

The Condominium Map contains a site plan and floor plans, elevations and layout of the condominium project. It also shows the floor plan, unit number and dimensions of each unit.

Dates of Recordation of Amendments to the Condominium Map:	

3.4 House Rules

The Board of Directors may adopt rules and regulations (commonly called "House Rules") to govern the use and operation of the common elements and limited common elements. House Rules may cover matters such as parking regulations, hours of operation for common facilities such as recreation areas, use of lanais and requirements for keeping pets. These rules must be followed by owners, tenants, and guests. They do not need to be recorded or filed to be effective. The initial House Rules are usually adopted by the Developer. Changes to House Rules do not need to be recorded to be effective.		
The House Rules for this project:		
Are Proposed	<input type="checkbox"/>	
Have Been Adopted and Date of Adoption	<input type="checkbox"/>	
Developer does not plan to adopt House Rules	<input checked="" type="checkbox"/>	

3.5 Changes to the Condominium Documents

Changes to Condominium Documents: Changes to the Declaration, Bylaws and Condominium Map are effective only if they are duly adopted and recorded. Where permitted, the minimum percentages of the common interest that must vote for or give written consent to changes to the Declaration, Bylaws and Condominium Map are set forth below. The percentages for any individual condominium project may be more than the minimum set by law if the Declaration or Bylaws for the project so provide.		
Document	Minimum Set by Law	This Condominium
Declaration	67%	100%
Bylaws	67%	67%

3.6 Rights Reserved by the Developer to Make Changes to the Condominium Project or Condominium Documents

<input type="checkbox"/>	No rights have been reserved to the Developer to change the Declaration, Bylaws, Condominium Map or House Rules (if any).
<input type="checkbox"/>	Developer has reserved the right to change the Declaration, Bylaws, Condominium Map and House rules (if any) and to add to or merge the project or to develop the project in one or more phases, and such rights are summarized as follows:

4. CONDOMINIUM MANAGEMENT

4.1 Management of the Common Elements

<p><u>Management of the Common Elements:</u> The Association of Unit Owners is responsible for the management of the common elements and the overall operation of the condominium project. The Association may be permitted, and in some cases may be required, to employ or retain a condominium managing agent to assist the Association in managing the condominium project.</p>		
<p>The Initial Condominium Managing Agent for this project is (check one):</p>

<input type="checkbox"/>	<input type="checkbox"/>	Other (explain)

4.2 Estimate of the Initial Maintenance Fees

<p><u>Estimate of the Initial Maintenance Fees:</u> The Association will make assessments against your unit to provide funds for the operation and maintenance of the condominium project. If you are delinquent in paying the assessments, a lien may be placed on your unit and the unit may be sold through a foreclosure proceeding. Initial maintenance fees are difficult to estimate and tend to increase as the condominium ages. Maintenance fees may vary depending on the services provided.</p>	
<p>Exhibit 1 contains a breakdown of the estimated annual maintenance fees and the monthly estimated maintenance fee for each unit, certified to have been based on generally accepted accounting principles, with the Developer's statement as to when a unit owner shall become obligated to start paying the unit owner's share of the common expenses.</p>	

4.3 Utility Charges to be Included in the Maintenance Fee

<p>If checked, the following utilities are included in the maintenance fee:</p>

5.6 Developer's Use of Purchaser Deposits to Pay for Project Construction Costs Before Closing or Conveyance

The Developer is required to deposit all moneys paid by purchasers in trust under a written escrow agreement with a Hawaii licensed escrow depository. Escrow shall not disburse purchaser deposits to the Developer or on behalf of the Developer prior to closing, except if a sales contract is canceled or if Developer has met certain requirements, which are described below.

5.6.1 Purchaser Deposits Will Not Be Disbursed Before Closing or Conveyance

<input checked="" type="checkbox"/>	The Developer hereby declares by checking the box to the left that it shall use its own funds to complete the construction of the condominium project by the date indicated in Section 5.5 of this report, and the Developer, pursuant to its own analysis and calculations, certifies that it has sufficient funds to complete the construction of the condominium project. If the box to the left is checked, Sections 5.6.2 and 5.7, which follow below, will not be applicable to the project.
-------------------------------------	---

5.6.2 Purchaser Deposits Will Be Disbursed Before Closing

Hawaii law provides that, if certain statutory requirements are met, purchaser deposits in escrow under a binding sales contract may be used before closing to pay for certain project costs. For this project, the Developer indicates that purchaser deposits may be used for the following purposes (check applicable box):	
<input type="checkbox"/>	For new construction: to pay for project construction costs described in the Developer's budget and approved by the Developer's lender or an otherwise qualified, financially disinterested person; or
<input type="checkbox"/>	For conversions: to pay for repairs necessary to cure violations of county zoning and building ordinances and codes, for architectural, engineering, finance and legal fees, and for other incidental expenses.

In connection with the use of purchaser deposits (check Box A or Box B):

<p>Box A <input type="checkbox"/></p>	<p>The Developer has submitted all information and documents required by law and the Commission prior to the disbursement of purchaser deposits before closing. This means that the Developer may use such deposits before closing. If the Developer decides not to use purchaser deposits before closing, the Developer does not need to amend this report.</p> <p>If Box A is checked, you should read and carefully consider the following notice, which is required by law:</p> <p><u>Important Notice Regarding Your Deposits:</u> Deposits that you make under your sales contract for the purchase of the unit may be disbursed before closing of your purchase to pay for project costs, construction costs, project architectural, engineering, finance, and legal fees, and other incidental expenses of the project. While the developer has submitted satisfactory evidence that the project should be completed, it is possible that the project may not be completed. If your deposits are disbursed to pay project costs and the project is not completed, there is a risk that your deposits will not be refunded to you. You should carefully consider this risk in deciding whether to proceed with your purchase.</p>
<p>Box B <input type="checkbox"/></p>	<p>The Developer has not submitted all information and documents required by law and the Commission, and, until all such information and documents are submitted, thus, the Developer cannot use purchaser deposits.</p> <p>If the Developer later submits all information and documents required by law and the Commission for the use of purchaser deposits, then the Developer must provide an amendment to this report or an amended developer's public report to each purchaser who has signed a sales contract. At such time, the <u>Important Notice Regarding Your Deposits</u> set forth immediately above will apply to all purchasers and will be restated in the amendment to this report or an amended developer's public report. When an effective date for such an amendment or an amended developer's public report is issued, <u>you will not have the right to rescind or cancel the sales contract by reason of such submission and amendment.</u> (This, however, does not affect your right to rescind for material changes or any other right you may have to rescind or cancel the sales contract, as described in Section 5.8 below.) If the Developer decides not to use purchaser deposits before closing, the Developer does not need to amend this report.</p> <p>You should understand that, although the <u>Important Notice Regarding Your Deposits</u> set forth above does not currently apply to you, it might apply to you in the future, and, therefore, you should read and carefully consider it now to ensure that you understand the risk involved in deciding whether to proceed with your purchase.</p>

Material House Bond. If the Developer has submitted to the Commission a completion or performance bond issued by a material house instead of a surety as part of the information provided prior to the use of purchaser deposits prior to closing or conveyance of a unit, the Developer shall disclose the same below and disclose the impact of any restrictions on the Developer's use of purchaser deposits.

5.7 Rights Under the Sales Contract

Before signing the sales contract, prospective purchasers should carefully review all documents relating to the project. These include but are not limited to the documents listed below. 5.8 Purchaser's Right to Cancel or Rescind a Sales Contract

A purchaser's right to cancel a sales contract or to rescind a sales contract may arise under varying circumstances. In the sections below, some circumstances that will give rise to a purchaser's right to cancel or rescind are described, together with what a purchaser must do if the purchaser wishes to exercise any of the rights.

5.8.1 When a Sales Contract becomes Binding and Purchaser's 30-Day Right to Cancel a Sales Contract

A sales contract signed by a purchaser and the developer will not become binding on a purchaser or the Developer until the following events have taken place:

(1) The purchaser has signed the sales contract.

(2) The Developer has delivered to the purchaser a true copy of the developer's public report with an effective date issued by the Commission, together with all amendments to the report as of the date of delivery, and the project's recorded Declaration and Bylaws, House Rules (if any), the Condominium Map and any amendments to them to date (all of which are a part of the developer's public report). If it is impracticable to include a letter-sized Condominium Map, the Developer must provide written notice of an opportunity to examine the Condominium Map.

(3) The Developer has delivered to the purchaser a notice of the purchaser's 30-day cancellation right on a form prescribed by the Commission.

(4) The purchaser does at least one of the following:

(a) Waives the purchaser's right to cancel the sales contract within 30 days from receipt of the notice of the purchaser's 30-day cancellation right; or

- (b) Allows the 30-day cancellation period to expire without exercising the right to cancel; or
- (c) Closes the purchase of the unit before the 30-day cancellation period expires.

The purchaser or the Developer may cancel the sales contract at any time during the 30-day cancellation period, and the sales contract will be canceled and the purchaser's deposits returned to the purchaser, less any escrow cancellation fee and other costs associated with the purchase, up to a maximum of \$250.

5.8.2 Right to Cancel a Sales Contract if Completion Deadline Is Missed

In addition to the purchaser's 30-day cancellation right described in Section 5.8.1 above, when a sales contract is signed before completion of construction of a project, the purchaser will have the right to cancel if the unit is not completed by certain deadlines. In conversion projects, there must be a deadline for completion of any required repairs. Every sales contract shall contain an agreement of the Developer that the completion of construction shall occur on or before the completion deadline, and that completion deadline is set forth in this report in Section 5.5. The sales contract shall provide that the purchaser may cancel the sales contract at any time after the specified completion deadline, if completion of construction does not occur on or before the completion deadline, as the same may have been extended. Upon a cancellation, the purchaser's deposits shall be refunded, less any escrow cancellation fee and other costs associated with the purchase, up to a maximum of \$250.00.

5.8.3 Purchaser's Right to Rescind a Binding Sales Contract After a Material Change

If a "material change" in a project occurs after a purchaser has signed a sales contract that has become binding, the purchaser will have a 30-day right to rescind after notification and description of the material change. A material change is defined in the Condominium Property Act to be any change that "directly, substantially and adversely affects the use or value of (1) a purchaser's unit or appurtenant limited common elements; or (2) those amenities of the project available for the purchaser's use."

The purchaser will be informed of the material change by the developer on a form prescribed by the Commission containing a description of the material change.

After notice of the material change, the purchaser may waive the right to rescind by:

- (1) Checking the waiver box on the rescission form; or
- (2) Letting the 30-day rescission period expire, without taking any action to rescind; or
- (3) Closing the purchase of the unit before the 30-day rescission period expires.

The rescission form must be signed by all purchasers of the affected unit and delivered to the developer no later than midnight of the 30th calendar day after the purchasers received the rescission form from the developer. Purchasers who validly exercise the right of rescission shall be entitled to a prompt and full refund of any moneys paid.

A rescission right shall not apply in the event of any additions, deletions, modifications and reservations including, without limitation, the merger or addition or phasing of a project, made pursuant to the terms of the project's Declaration.

These provisions shall not preclude a purchaser from exercising any rescission rights pursuant to a contract for the sale of a unit or any applicable common law remedies.

6. MISCELLANEOUS INFORMATION NOT COVERED ELSEWHERE IN THIS REPORT

HAZARDOUS MATERIALS

The Developer neither prepared nor commissioned a Phase 1 Environmental Site Assessment and makes no representations or warranties whatsoever. The developer has made no independent investigation as to asbestos or other hazardous substances in the apartments or in, under or around the Project, including but not limited to, radioactive materials, organic compounds known as polychlorinated biphenyls, chemicals known to cause cancer or reproductive toxicity, pollutants, contaminants, hazardous wastes, toxic substances, and any and all other substances or materials defined as or included in the definition of "hazardous substances", "hazardous wastes", "hazardous materials" or "toxic substances" under, or for the purposes of, hazardous materials laws. Buyer acknowledges that in light of the age of the Project, there may be asbestos and other hazardous substances in the apartments, or in, under or around the Project. Because of the possible presence of such substances, Buyer should have the apartment inspected to determine the extent (if any) of such contamination and any necessary remedial action. The developer will not correct any defects in the apartments or in the Project or anything installed or contained therein and Buyer expressly releases the developer from any liability to Buyer if any hazardous materials are discovered.

LEAD WARNING STATEMENT

Pursuant to federal law, 42, U.S.C 4852(d), the Residential Lead-Based Paint Reduction Act, "Every purchaser of any interest in residential real property on which a residential dwelling was built prior to 1978 is notified that such property may present exposure to lead from lead-based paint that may place young children at risk of developing lead poisoning. Lead poisoning in young children may produce permanent neurological damage, including learning disabilities, reduced intelligence quotient, behavioral problems, and impaired memory. Lead poisoning also poses a particular risk to pregnant women. The seller of any interest in residential real property is required to provide the buyer with any information on lead-based paint hazards from risk assessments or inspections in the seller's possession and notify the buyer of any known lead-based paint hazards. A risk assessment or inspection for possible lead-based paint hazards is recommended prior to purchase."

DISCLOSURE REGARDING SELECTION OF REAL ESTATE BROKER

The Broker's Listing Agreement does not include Units 59-034 and 59-036 Holawa Street. The Developer will have to submit a Broker's Listing Agreement prior to marketing these two units not covered in the present listing.

An amendment to the developer's public report will be filed when the remaining two units are offered for sale.

For any conversion, if any variances have been granted, they are specified in Section 1.14 of this report, and, if purchaser deposits are to be used by the Developer to cure any violations of zoning, permitting requirements or rules of the county in which the project is located, the violation is specified in Section 1.15 of this report, along with the requirements to cure any violation, and Section 5.5 specifies the date by which the cure will be completed.

The Developer hereby certifies that all the information contained in this report and the exhibits attached to this report and all documents to be furnished by the Developer to purchasers concerning the project have been reviewed by the Developer and are, to the best of the Developer's knowledge, information and belief, true, correct and complete. Permitted Alterations to the Units

Paragraph 19.1 of the Declaration allows for changes to Units. It reads in pertinent part as follows:

19.1. Changes to Units. Notwithstanding anything to the contrary contained in this Declaration, a Unit Owner, with the consent by the holder of any mortgage affecting the Owner's Unit (if required by such mortgage), shall have the right at his sole option at any time and from time to time without the consent of any other person, to improve, renovate, remodel, make additions to, enlarge, remove, replace or restore the improvements to or in his Unit or portions thereof or to make or build improvements upon the Limited Common Element appurtenant to his Unit (collectively, the foregoing are referred to "changes") subject to the following conditions:

EXHIBIT H

Verified Statements from a County Official

Letters from the City and County of Honolulu dated January 27, 2005 and April 19, 2005, respectively.

Note, Letter dated January 27, 2005 indicated two deficiencies: three dwelling units located on a single zoning lot; and lack of all weather surfacing on parking spaces. Those deficiencies were discussed in greater detail in the letter dated April 19, 2005.

To correct such deficiencies, the Developer caused the land on which the three dwelling units was located to be subdivided into two zoning lots. That subdivision was recently granted pursuant to Department of Planning and Permitting (File No. 2005/SUB126). The land area for each lot is 12,500 Square Feet. There are presently three single family dwellings on the lots - one dwelling unit on one lot, and two dwelling units on the other lot. All of the parking spaces are covered with all weather surfacing.

Thus, the deficiencies referred to in the letters have now been corrected.

Dear Mr. Grad:

Subject: Condominium Conversion Letter
59-032 Holawa Street, Haleiwa, Hawaii
Tax Map Key: 5-9-001: 016

This is in response to your letter dated April 13, 2005 regarding two "deficiencies" referred to on page 2 of our previous letter referencing the above-mentioned property.

Paragraph No. 1 under deficiencies for Lot 110 did indicate that "the third dwelling is not permitted." Therefore, the third dwelling is not to be confused as nonconforming. From 1969, the Comprehensive Zoning Code permitted a maximum of two dwelling units per residential zoned lot provided lot size requirements were met. Two dwellings were constructed in 1971 and a third was relocated in 1973. Unfortunately, relocation permit R-1570 was issued in error for the third dwelling.

Paragraph No. 2 under deficiencies for Lot 111 stated "that the two off-street parking spaces for 59-032 Holawa Street lack the required all-weather surface." Ordinance 32-34 of the Comprehensive Zoning Code, January 2, 1969, required all-weather surface for off-street parking spaces. However, driveways did not require all-weather surface until Ordinance 78-54 of the Comprehensive Zoning Code, June 13, 1978, was adopted. Since the two dwellings, 59-029 Huelo Street and 59-032 Holawa Street, were relocated to the property in 1973, the unimproved off-street parking spaces for 59-032 Holawa Street are required presently to be provided with an all-weather surface. The unpaved driveway to 59-032 Holawa is considered nonconforming.

Dear Mr. Grad:

Subject: Condominium Conversion Project
59-032 Holawa Street
Tax Map Key: 5-9-01: 16, Lot 110 & Lot 111

This is in response to your letter dated July 16, 2004 requesting verification that the structures on the above-mentioned property met all applicable code requirements at the time of construction.

Investigation revealed that the above-mentioned Tax Map Key 5-9-01: 16 consists of the following two zoning lots on this 37,500-square foot R-5 Residential District zoned parcel:

1. Lot 110 has a lot area of 25,000 square feet. The two one-story single-family detached dwellings (59-031 and 59-033 Huelo Street) with four all-weather-surface off-street parking spaces were constructed in 1971. Relocation permit #R-1570 was issued for a third one-story single-family detached dwelling (59-034 Holawa Street) that was relocated in 1973.
2. Lot 111 has a lot area of 12,500 square feet. The two one-story single-family detached dwellings (59-029 Huelo Street and 59-032 Holawa Street) were relocated to this lot by relocation permits #R-1569 and #R-1568, respectively, in 1973. There are two all-weather-surface and two unimproved off-street parking spaces and unimproved driveway. There is also a one-story 96-square foot accessory storage shed. One-story storage sheds with an aggregate floor area not exceeding 120 square feet and meeting zoning code requirements do not require building permits.

Mr. Jeffrey S. Grad
Page 2
January 27, 2005

Investigation also revealed the following deficiencies:

1. Lot 110 - Maximum zoning lot usage allowed for only two one-family detached dwellings per lot. Therefore, the third dwelling is not permitted.
2. Lot 111 - Two off-street parking spaces for 59-032 Holawa Street lack the required all-weather surface. The unpaved driveway to 59-032 Holawa Street is considered nonconforming.

No variances or special permits were granted to allow deviations from any applicable codes.

For your information, the Department of Planning and Permitting cannot determine all other nonconforming uses or structures as a result of the adoption or amendment of any ordinances or codes.

Conversion to a condominium property regime (CPR) is not recognized by the City and County as an approved subdivision. CPR delineates ownership; it does not create separate lots of record for subdivision and zoning purposes.

EXHIBIT I

Summary of Sale Contract Provisions

The Sales Contract consists of two documents: a Hawaii Association of Realtors Standard form "Deposit Receipt Offer and Acceptance" ("DROA") and a document attached to the DROA which is entitled "Special CPR Provisions to the DROA" ("Special Provisions.")

The Special Provisions are intended to amend the DROA, and unless the context would indicate clearly to the contrary, then in the event of any conflict between a provision contained in the Special Provisions and a provision contained in the DROA, the provision contained in the Special Provisions will prevail.

1. Description of the Property to be Conveyed: Fee simple title to the Apartment, together with the furnishings and appliances, if any, and the undivided interest in the common elements set forth in the DROA.. Title will be conveyed subject to the encumbrances of record.
2. Purchase Price and Terms. The purchase price for the Apartment is set forth on page 2 of the DROA is to be paid in the method and at the times set forth in the DROA. This may include payment of (a). An initial deposit; (b). An additional cash deposit, if set forth in the DROA ; and (c) the balance of the purchase price is to be paid to escrow by purchaser on or before closing.
3. Financing of Purchase. Paragraph C-24 of the DROA Form (if elected) provides if Buyer desires financing, a loan application must be made within a certain number of days and if Buyer's application is not approved within a certain number of days after the application, then either Seller or Buyer may cancel the Sales Contract. Upon such cancellation, Buyer's deposits will be refunded by escrow without interest.
4. Closing Costs. Closing costs and escrow fees are to be shared in accordance with the DROA, except that Seller does have the option to require two months' advance payment of Association maintenance fees and a start up expense for the Association of Apartment Owners equal to two months' of Association maintenance fees. Buyer's proportionate share of any liability insurance premium, real property taxes, maintenance fees and any other charges with respect to the Property shall be pro-rated between Seller and Buyer as of the date of closing.
5. Closing. Seller has agreed to cause the Apartment to be sold to the Buyer within the time period set forth on page 3 of the DROA .
6. No Present Transfer and Subordination to Construction Loan.
 - (a) The Sales Contract may be subject to existing and future blanket loans, and any security interest now or hereafter obtained by a lender of Seller is or will be prior and senior to any rights of the Buyer arising under the Sales Contract. This obligation to subordinate the purchaser's right under the Sales Contract to loans now or hereafter made by the Seller is set forth in Paragraph 4 of the Special Provisions.
 - (b) Seller may also assign by way of security all of its interest in the Sales Contract, as collateral for the repayment of the loan and if the Lender acquires the Seller's interest in the Sales Contract, then the Buyer is obligated to perform the Sales Contract, and to attorn to and recognize the Lender as the seller under the Sales Contract.
 - (c) Notwithstanding that the Sales Contract may be subordinate to a blanket lien, if the Buyer performs his obligations under the Sales Contract, then Seller is required to convey the Apartment to Buyer at closing free and clear of any blanket lien.
7. Seller's Rights to Cancel Sales Contract. The Seller may cancel the Sales Contract with the Buyer if (a) Buyer fails to qualify for a permanent loan (if Paragraph C-24 of the DROA is selected; (b) Buyer defaults under the Sales Contract (paragraph 6(b) of the Special Provisions); (c) Buyer dies prior to Closing Date (paragraph 6(a) of the Special Provisions) or (d) the Final Public Report shall not have been issued and Buyer shall not have waived his right to cancel (called the "Effective Date"). Pursuant to Paragraph 6(b) of the Special Provisions, if Buyer fails to close as required, then in the case only of non-monetary default after ten (10) days following Seller's notice of Buyer's default or otherwise without notice as to monetary defaults, the Seller may cancel the Sales Contract and all sums previously paid by Buyer will belong absolutely to the Seller as liquidated damages. Additionally, Seller may pursue any other remedy, and all costs, including reasonable attorney's fees, incurred by reason of default by the Buyer shall

be borne by the Buyer. Time is the essence of the Sales Agreement.

8. Rights of Buyer to Cancel the Sales Contract.

(A) Paragraph 6 of the Sales Addendum gives the Buyer the right to cancel the Sales Contract for any reason subject to the conditions set forth therein. Pertinent provisions within Paragraph 6 are as follows:

"(a) The Buyer may cancel the Sales Contract at any time up to midnight of the thirtieth day after:

- (i) The date that the Buyer signs the Sales Contract; and
- (ii) All of the items specified in subsection (a)(1) of ~~§514B-86 HRS~~ (which are listed in Paragraph 11(b) [of the Sales Contract]) have been delivered to the Buyer.

(b) If the Buyer cancels, then the Buyer will be entitled to receive the refund of any down payment or deposit, less any escrow cancellation fees and other costs associated with the purchase, which cost and fees shall not exceed \$250.

(c) The Buyer may waive the right to cancel, or shall be deemed to have waived the right to cancel, by:

- (i) Checking the waiver box on the cancellation notice and delivering it to the Seller.
- (ii) Letting the thirty-day cancellation period expire without taking any action to cancel; or

(iii) Closing the purchase of the unit before the cancellation period expires.

(B) Paragraph 7 of the Sales Addendum gives the Buyer the right to cancel the Sales Contract if there are material changes in the Property or the Project, subject to the conditions set forth therein. Pertinent provisions within Paragraph 7 are as follows:

"(a) Rescission Right. Except for any additions, deletions, modifications and exercise by Seller of reservations made pursuant to the terms of the Declaration of Condominium Property Regime for the Project, the Buyer may rescind his purchase of the Property even though this sales contract is binding upon him if there is a material change in the Project which directly, substantially, and adversely affects the use or value of (1) the Buyer's Property or appurtenant limited common elements, or (2) those amenities of the Project available for the Buyer's use.

(b) Waiver of Rescission Right. Upon delivery to the Buyer of a description of the material change on a form prescribed by the Real Estate Commission, the Buyer may waive the buyer's rescission right provided in subsection (a) by:

- (i) Checking the waiver box on the option to rescind sales contract instrument, signing it, and delivering it to the Seller;
- (ii) Letting the thirty-day rescission period expire without taking any action to rescind; or

(iii) Closing the purchase of the unit before the thirty-day rescission period expires.

(c) In the event of rescission pursuant to the provisions of this section, the Buyer shall be entitled to a prompt and full refund of any moneys paid."

(C) Buyer may also cancel the Sales Contract if Buyer fails to qualify for permanent financing if Paragraph C-24 of the DROA has been selected.

9. Paragraph 11 of the Special Provisions provides that the Buyer acknowledges Buyer having received (a) a true copy of the Developer's Public Report including all amendments with an effective date issued by the Real Estate Commission, and that the Developer's Public Report includes the report itself, the Project's recorded

declaration and bylaws, house rules if any, a letter-sized condominium project map, and all amendments. (Provided, that where it is impractical to include a letter-sized condominium project map, the prospective purchaser or purchaser shall have an opportunity to examine the map.) and (b) a notice of the buyer's thirty-day cancellation right on a form prescribed by the Real Estate Commission.

Seller reserves the right to modify the above documents as may be required by law, any title insurance company, or any institutional mortgagee.

10. Paragraph 12 provides that Seller will convey the property in "as is" condition.

THE SUMMARY CONTAINED IN THIS EXHIBIT IS MERELY A SUMMARY AND IS NOT INTENDED TO BE A SUBSTITUTE FOR THE BUYER'S CAREFUL REVIEW OF THE SALES CONTRACT.

EXHIBIT "J"

SUMMARY OF THE MATERIAL PROVISIONS OF THE ESCROW AGREEMENT.

Summary of the Condominium Escrow Agreement between the Developer and HAWAII ESCROW & TILE, INC.

1. All deposits will be paid to Escrow. A copy of each Sales Contract and all payments made to purchase a Unit shall be turned over to the Escrow Agent. Any interest earned on funds deposited in escrow shall accrue to the credit of the Developer; except that, if Escrow is requested to establish a separate account for a purchaser, the purchaser shall pay Escrow a fee of \$25.00 for each such separate account and shall furnish Escrow the purchaser's social security or federal identification number, and any interest earned on funds deposited in such account shall accrue to the credit of the purchaser.

2. Conditions to be Met Prior to Disbursement. No disbursements of funds held in escrow with respect to a sales contract shall be made unless and until the following conditions have been fulfilled:

(a) The Real Estate Commission shall have issued an effective date of the Developer's Public Report on the Project;

(b) The purchaser shall have been given and shall have acknowledged receipt of (i) a copy of said Public Report and (ii) notice of purchaser's thirty-day cancellation right upon a form prescribed by the Real Estate Commission; and

(c) The purchaser shall have waived the right to cancel or be deemed to have the right to cancel, in accordance with Section 514B-86 of the Act; and

(d) The Developer shall have given Escrow a written waiver of any option reserved in any sales contract to cancel such sales contract.

At the request of Escrow, Developer's attorney shall delivered a written opinion to Escrow that the foregoing conditions shall have been complied with and the purchaser's sales contract has become effective.

3. Return of Funds and Documents. A purchaser shall be entitled to a return of funds and Escrow shall pay such funds to such purchaser, without interest, if any one of the following has occurred:

(a) Developer and the purchaser shall have requested Escrow in writing to return to purchaser the funds of purchaser held hereunder by Escrow; or

(b) Developer shall have notified Escrow of Developer's exercise of any option to cancel or rescind the sales contract pursuant to any right of cancellation or rescission provided therein or otherwise available to Developer; or

(c) A purchaser shall have exercised his thirty-day cancellation right to rescind the sales contract pursuant to Section 514B-86 of the Act; or

(d) In the event of a material change in the Project, a purchaser shall have exercised his thirty-day cancellation right to rescind the contract pursuant to Section 514B-87 of the Act.

In any of the foregoing events, Escrow shall, upon the occurrence of the event described in (a) or (b) above or upon receipt of a written request for a refund from purchaser upon the occurrence of an event described in (c) or (d) above, unless the purchaser has waived or has been deemed to have waived the right to a refund, pay said funds to said purchaser (less a cancellation fee commensurate with the work done by Escrow prior to such cancellation) and thereupon said sales contract and any conveyance document theretofore delivered to Escrow shall be returned to Developer and shall be deemed no longer held hereunder; provided, however, that no refund shall be made to a purchaser at purchaser's request prior to receipt by Developer of written notice from Escrow of its intent to make such refund.

(e) If the purchaser indicated the purchaser's intention to be an owner-occupant of a Unit under Section 514B-95 et. seq. of the Act by signing a document entitled "Affidavit of Intent to Purchase and Reside in an Owner-Occupant Designated Condominium Residential Unit," and if the purchaser and the Developer so request in writing, Escrow will refund the purchaser's deposits upon the occurrence of any of the following events:

(i) No sales contract has been offered to the purchaser (A) within six (6) months of the issuance of an effective date for the Project's first condominium public report (if the "chronological system" defined in section 514B-95 of the Act has been used to establish a final reservation list), or (B) within six (6) months of the public lottery (if the "lottery system" described in section 514B-95 of the Act has been used to establish a final reservation list). In this case only, no cancellation fees will be subtracted from the refund; or

(ii) Before signing a sales contract, the purchaser requests that his name be removed from the Developer's final reservation list; or

(iii) The purchaser chooses not to sign a sales contract; or

(iv) The purchaser is unable to obtain a loan (or a commitment for a loan) for sufficient funds to purchase the Unit by the time the sales contract allows the purchaser to obtain a loan or a commitment for a loan, and either the purchaser or the Developer chooses to cancel the sales contract. The Act requires that the purchaser shall have at least fifty (50) calendar days from the day the Developer signs and accepts the sales contract to obtain a loan or a commitment for a loan; or

(v) The purchaser is required by the Act to rescind the sales contract because the purchaser will not or cannot reaffirm at closing the purchaser's intention to be an owner-occupant of the Unit. In this case, Escrow will refund only what remains (if anything) of purchaser's deposits after Escrow pays the Developer the greater of five percent (5%) of the purchaser's deposits or a sum equal to the Developer's actual damages caused by the purchaser's rescission of the sales contract.

Except for cancellations under subparagraph (e) (i) above, Escrow may deduct from any such refund made to a purchaser a cancellation fee as set forth above.

4. Purchaser's Default. Developer shall give notice in writing to Escrow of the occurrence of each event which initiates an obligation of a purchaser to make a payment to Escrow pursuant to the sales contract as well as notice of the amount and due date of such payment. Escrow shall thereupon promptly give the purchaser notice of the amount and due date of such payment. If the purchaser fails to make such payment to Escrow on or before the due date thereof or if the purchaser fails to perform in any matter which is being handled by Escrow, Escrow shall promptly notify Developer of any such failure on the part of the purchaser. If Developer subsequently certifies in writing to Escrow that Developer has terminated the sales contract in accordance with the terms thereof and provides to Escrow copies of all such notices of termination sent to the purchaser, Escrow shall thereafter treat all funds of the purchaser paid on account of such purchaser's sales contract as funds of Developer and not as funds of the purchaser. Thereafter, such funds shall be free of the escrow established by Developer. Upon written request by Developer, Escrow shall pay such sums to Developer, less any escrow cancellation fee, shall return to Developer the sales contract of such purchase and any other documents theretofore delivered by Developer to Escrow, and shall return other documents theretofore delivered to Escrow in connection with the purchase of the unit to the person from whom, or entity from which, such documents were received; and, Escrow shall thereupon be released from any further duties or liability hereunder with respect to such funds and such purchaser.
