Preparation of this Report

The Developer prepared this report to disclose relevant information, including "material facts", that are reasonably known to the Developer about the condominium project covered by this report. This report has been prepared pursuant to the Condominium Property Act, Chapter 514B, Hawaii Revised Statutes, as amended from time to time. The law defines "material facts" to mean "any fact, defect, or condition, past or present that to a reasonable person, would be expected to measurably affect the value of the project, unit, or property being offered or proposed to be offered for sale."

This report has not been prepared or issued by the Real Estate Commission or any other governmental agency. The issuance by the Commission of an effective date for this Developer's Public Report (1) does not mean that the Commission approves or disapproves of the project; (2) does not mean that the Commission thinks that either all material facts or all pertinent changes, or both, about the project have been fully or adequately disclosed; and (3) is not the Commission's judgment of the value or merits of the project.

This report may be used by the Developer for promotional purposes only if it is used in its entirety. No person shall advertise or represent that the Commission has approved or recommended the project, this report or any of the documents submitted with Developer's application for registration of this project.

This report will be amended if, after the effective date of this report, any changes, either material or pertinent changes, or both, occur regarding the information contained in or omitted from this report. In that case, the Developer is required to submit immediately to the Commission an amendment to this report or an amended Developer's Public Report, clearly reflecting the changes, including any omitted material facts, together with such supporting information as may be required by the Commission. In addition, the Developer may choose at any time to change or update the information in this report. Annually, at least thirty days prior to the anniversary date of the Effective Date of this report, the Developer shall file an annual report to update the material contained in this report. If there are no changes, the Developer is required to state that there are no changes. The Developer's obligation to amend this report or to file annual reports ends when the initial sales of all units in the project have been completed.

Purchasers are encouraged to read this report carefully and to seek professional advice before signing a sales contract for the purchase of a unit in the project.

Signing a sales contract may legally bind a purchaser to purchase a unit in the project, though a purchaser may have rights to cancel or rescind a sales contract under particular circumstances that may arise.

This material can be made available for individuals with special needs. Please call the Senior Condominium Specialist at 586-2643 to submit your request.

SPECIAL ATTENTION

[Use this page for special or significant matters which should be brought to the purchaser's attention and that are not covered elsewhere in this report.]

The Developer has disclosed the following:

1. This is a CONDOMINIUM PROJECT, not a subdivision. It does not involve the sale of individual subdivided lots. The land area beneath and immediately appurtenant to each unit is designated as a LIMITED COMMON ELEMENT and not a legally subdivided lot. The dotted lines on the Condominium Map bounding the designated number of square feet in each limited common element land area are for illustrative purposes only and should not be construed to be the property lines of legally subdivided lots.

2. No warranties are given to the purchaser as to the construction, materials or workmanship of the Project. The Project is being sold in "as is, where is" condition.

3. A prospective purchaser of a Unit, especially Unit B, in the Project who wishes to improve or modify his or her residence or change its use, should be aware that he or she will be required to comply with the building codes, land use laws (LUO) and other county laws and ordinances. The LUO, for example, contains restrictions relating to the permissible use of the land, the number of dwelling units permitted, and the amount of total development permitted on the entire Project land area. Before buying a Unit in the Project, a prospective purchaser, together with an architect or professional builder is urged to review the LUO and all other applicable County ordinances which may affect the Purchaser's use of his or her Unit and to review their intended plans with the appropriate County officials. The Developer disclaims all warranties with respect to Purchaser's being able to use the Unit for his or her intended purposes.

4. This public report does not constitute approval of the Project by the Real Estate Commission, or any other government agency, nor does it ensure that all applicable County codes, ordinances and subdivision requirements have been complied with.

THE PROSPECTIVE PURCHASER IS CAUTIONED TO CAREFULLY REVIEW THE CONDOMINIUM DOCUMENTS REFERENCED IN THIS PUBLIC REPORT FOR FURTHER INFORMATION WITH REGARD TO THE FOREGOING.

General Information On Condominiums

A condominium is a special form of ownership of real property. To create a condominium in Hawaii after July 1, 2006, the Condominium Property Act, Chapter 514B, Hawaii Revised Statutes, must be followed. In addition, certain requirements and approvals of the county in which the project is located must be satisfied and obtained.

Some condominium projects are leasehold. This means that the land and/or the building(s) and other improvements are leased to the purchaser. The lease for the land usually requires that at the end of the lease term, the lessees (unit owners) deliver their interest in the land to the lessor (fee property owner).

If you are a typical condominium unit owner, you will have two kinds of ownership: (1) ownership in your individual unit; and (2) a percentage interest in the common elements.

You will be entitled to exclusive ownership and possession of your unit. Subject to the documents governing them, condominium units may be individually bought, sold, rented, mortgaged or encumbered, and may be disposed of by will, gift or operation of law.

Your unit will, however, be part of the group of units that comprise the condominium project. Study the project's Declaration of Condominium Property Regime, Bylaws of the Association of Unit Owners, Condominium Map and House Rules, if any, which are being concurrently delivered to you with this report. These documents contain important information on the use and occupancy of the units and the common elements of the project, as well as the rules and regulations of conduct for unit owners, tenants and guests.

Operation of the Condominium Project

The Association of Unit Owners is the entity through which unit owners may take action with regard to the administration, management and operation of the condominium project. Each unit owner is automatically a member of the Association.

The Board of Directors is the governing body of the Association. Unless you serve as a board member or an officer, or are on a committee appointed by the board, your participation in the administration and operation of the condominium project will in most cases be limited to your right to vote as a unit owner. The Board and officers can take certain actions without the vote of the unit owners. For example, the Board may hire and fire employees, increase or decrease maintenance fees, adopt budgets for revenues, expenses and reserves and regulate the use, maintenance, repair and replacement of common elements. Some of these actions may significantly impact the unit owners.

Until there is a sufficient number of purchasers of units to elect a majority of the Board, it is likely at first that the Developer will effectively control the affairs of the Association. It is frequently necessary for the Developer to do so during the early stages of development and the Developer may reserve certain special rights to do so in the Declaration and Bylaws. Prospective purchasers should understand that it is important to all unit owners that the transition of control from the Developer to the unit owners be accomplished in an orderly manner and in a spirit of cooperation.

3. CREATION OF THE CONDOMINIUM AND CONDOMINIUM DOCUMENTS

A condominium is created by recording in the Bureau of Conveyances (Regular System) or filing in the Office of the Assistant Registrar of the Land Court, or both, a Declaration of Condominium Property Regime, a Condominium Map and the Bylaws of the Association of Unit Owners. The Condominium Property Act (Chapter 514B, HRS), the Declaration, Bylaws and House Rules control the rights and obligations of the unit owners with respect to the project and the common elements, to each other, and to their respective units.

3.1 Declaration of Condominium Property Regime

The Declaration of Condominium Property Regime contains a description of the land, buildings, units, common interests, common elements, limited common elements, and other information relating to the condominium project.

3.2 Bylaws of the Association of Unit Owners

The Bylaws of the Association of Unit Owners govern the operation of the condominium project. They provide for the manner in which the Board of Directors of the Association of Unit Owners is elected, the powers and duties of the Board, the manner in which meetings will be conducted, whether pets are prohibited or allowed and other matters that affect how the condominium project will be governed.

3.4 House Rules

The Board of Directors may adopt rules and regulations (commonly called "House Rules") to govern the use and operation of the common elements and limited common elements. House Rules may cover matters such as parking regulations, hours of operation for common facilities such as recreation areas, use of lanais and requirements for keeping pets. These rules must be followed by owners, tenants, and guests. They do not need to be recorded or filed to be effective. The initial House Rules are usually adopted by the Developer. Changes to House Rules do not need to be recorded to be effective.

The House Rules for this project:

Are Proposed	<input type="checkbox"/>
Have Been Adopted and Date of Adoption	<input type="checkbox"/>
Developer does not plan to adopt House Rules	<input checked="" type="checkbox"/>

3.5 Changes to the Condominium Documents

Changes to Condominium Documents: Changes to the Declaration, Bylaws and Condominium Map are effective only if they are duly adopted and recorded. Where permitted, the minimum percentages of the common interest that must vote for or give written consent to changes to the Declaration, Bylaws and Condominium Map are set forth below. The percentages for any individual condominium project may be more than the minimum set by law if the Declaration or Bylaws for the project so provide.

Document	Minimum Set by Law	This Condominium
Declaration	67%	67%
Bylaws	67%	67%

3.6 Rights Reserved by the Developer to Make Changes to the Condominium Project or Condominium Documents

<input type="checkbox"/>	No rights have been reserved to the Developer to change the Declaration, Bylaws, Condominium Map or House Rules (if any).
<input checked="" type="checkbox"/>	Developer has reserved the right to change the Declaration, Bylaws, Condominium Map and House rules (if any) and to add to or merge the project or to develop the project in one or more phases, and such rights are summarized as follows: See Exhibit G

4. CONDOMINIUM MANAGEMENT

4.1 Management of the Common Elements

Management of the Common Elements: The Association of Unit Owners is responsible for the management of the common elements and the overall operation of the condominium project. The Association may be permitted, and in some cases may be required, to employ or retain a condominium managing agent to assist the Association in managing the condominium project.	
The Initial Condominium Managing Agent for this project is (check one):	
<input type="checkbox"/>	Not affiliated with the Developer
<input checked="" type="checkbox"/>	None (self-managed by the Association)
<input type="checkbox"/>	The Developer or an affiliate of the Developer
<input type="checkbox"/>	Other (explain)

4.2 Estimate of the Initial Maintenance Fees

Estimate of the Initial Maintenance Fees: The Association will make assessments against your unit to provide funds for the operation and maintenance of the condominium project. If you are delinquent in paying the assessments, a lien may be placed on your unit and the unit may be sold through a foreclosure proceeding. Initial maintenance fees are difficult to estimate and tend to increase as the condominium ages. Maintenance fees may vary depending on the services provided.	
Exhibit H contains a breakdown of the estimated annual maintenance fees and the monthly estimated maintenance fee for each unit, certified to have been based on generally accepted accounting principles, with the Developer's statement as to when a unit owner shall become obligated to start paying the unit owner's share of the common expenses.	

4.3 Utility Charges to be Included in the Maintenance Fee

If checked, the following utilities are included in the maintenance fee:	
<input type="checkbox"/>	Electricity for the common elements

Blanket liens (except for improvement district or utility assessments) must be released as to a unit before the developer conveys the unit to a purchaser. The purchaser's interest will be affected if the developer defaults and the lien is foreclosed prior to conveying the unit to the purchaser.

The sales contract may include a right of the Developer to extend the completion deadline for force majeure as defined in the sales contract. The sales contract may also provide additional remedies for the purchaser.

Completion Deadline for any repairs required for a unit being converted, as set forth in the sales contract: N/A

5.6 Developer's Use of Purchaser Deposits to Pay for Project Construction Costs Before Closing or Conveyance

The Developer is required to deposit all moneys paid by purchasers in trust under a written escrow agreement with a Hawaii licensed escrow depository. Escrow shall not disburse purchaser deposits to the Developer or on behalf of the Developer prior to closing, except if a sales contract is canceled or if Developer has met certain requirements, which are described below.

5.6.1 Purchaser Deposits Will Not Be Disbursed Before Closing or Conveyance

<input checked="" type="checkbox"/>	The Developer hereby declares by checking the box to the left that it shall use its own funds to complete the construction of the condominium project by the date indicated in Section 5.5 of this report, and the Developer, pursuant to its own analysis and calculations, certifies that it has sufficient funds to complete the construction of the condominium project. If the box to the left is checked, Sections 5.6.2 and 5.7, which follow below, will not be applicable to the project.
-------------------------------------	---

5.6.2 Purchaser Deposits Will Be Disbursed Before Closing

Hawaii law provides that, if certain statutory requirements are met, purchaser deposits in escrow under a binding sales contract may be used before closing to pay for certain project costs. For this project, the Developer indicates that purchaser deposits may be used for the following purposes (check applicable box):	
<input type="checkbox"/>	For new construction: to pay for project construction costs described in the Developer's budget and approved by the Developer's lender or an otherwise qualified, financially disinterested person; or
<input type="checkbox"/>	For conversions: to pay for repairs necessary to cure violations of county zoning and building ordinances and codes, for architectural, engineering, finance and legal fees, and for other incidental expenses.

In connection with the use of purchaser deposits (check Box A or Box B):

<p>Box A <input type="checkbox"/></p>	<p>The Developer has submitted all information and documents required by law and the Commission prior to the disbursement of purchaser deposits before closing. This means that the Developer may use such deposits before closing. If the Developer decides not to use purchaser deposits before closing, the Developer does not need to amend this report.</p> <p>If Box A is checked, you should read and carefully consider the following notice, which is required by law:</p> <p><u>Important Notice Regarding Your Deposits:</u> Deposits that you make under your sales contract for the purchase of the unit may be disbursed before closing of your purchase to pay for project costs, construction costs, project architectural, engineering, finance, and legal fees, and other incidental expenses of the project. While the developer has submitted satisfactory evidence that the project should be completed, it is possible that the project may not be completed. If your deposits are disbursed to pay project costs and the project is not completed, there is a risk that your deposits will not be refunded to you. You should carefully consider this risk in deciding whether to proceed with your purchase.</p>
<p>Box B <input type="checkbox"/></p>	<p>The Developer has not submitted all information and documents required by law and the Commission, and, until all such information and documents are submitted, thus, the Developer cannot use purchaser deposits.</p> <p>If the Developer later submits all information and documents required by law and the Commission for the use of purchaser deposits, then the Developer must provide an amendment to this report or an amended developer's public report to each purchaser who has signed a sales contract. At such time, the <u>Important Notice Regarding Your Deposits</u> set forth immediately above will apply to all purchasers and will be restated in the amendment to this report or an amended developer's public report. When an effective date for such an amendment or an amended developer's public report is issued, <u>you will not have the right to rescind or cancel the sales contract by reason of such submission and amendment.</u> (This, however, does not affect your right to rescind for material changes or any other right you may have to rescind or cancel the sales contract, as described in Section 5.8 below.) If the Developer decides not to use purchaser deposits before closing, the Developer does not need to amend this report.</p> <p>You should understand that, although the <u>Important Notice Regarding Your Deposits</u> set forth above does not currently apply to you, it might apply to you in the future, and, therefore, you should read and carefully consider it now to ensure that you understand the risk involved in deciding whether to proceed with your purchase.</p>

Material House Bond. If the Developer has submitted to the Commission a completion or performance bond issued by a material house instead of a surety as part of the information provided prior to the use of purchaser deposits prior to closing or conveyance of a unit, the Developer shall disclose the same below and disclose the impact of any restrictions on the Developer's use of purchaser deposits.

5.7 Rights Under the Sales Contract

Before signing the sales contract, prospective purchasers should carefully review all documents relating to the project. These include but are not limited to the documents listed below. 1.	Developer's Public Report
2.	Declaration of Condominium Property Regime (and any amendments)
3.	Bylaws of the Association of Unit Owners (and any amendments)
4.	Condominium Map (and any amendments)

5.8 Purchaser's Right to Cancel or Rescind a Sales Contract

A purchaser's right to cancel a sales contract or to rescind a sales contract may arise under varying circumstances. In the sections below, some circumstances that will give rise to a purchaser's right to cancel or rescind are described, together with what a purchaser must do if the purchaser wishes to exercise any of the rights.

5.8.1 When a Sales Contract becomes Binding and Purchaser's 30-Day Right to Cancel a Sales Contract

A sales contract signed by a purchaser and the developer will not become binding on a purchaser or the Developer until the following events have taken place:

(1) The purchaser has signed the sales contract.

(2) The Developer has delivered to the purchaser a true copy of the developer's public report with an effective date issued by the Commission, together with all amendments to the report as of the date of delivery, and the project's recorded Declaration and Bylaws, House Rules (if any), the Condominium Map and any amendments to them to date (all of which are a part of the developer's public report). If it is impracticable to include a letter-sized Condominium Map, the Developer must provide written notice of an opportunity to examine the Condominium Map.

(3) The Developer has delivered to the purchaser a notice of the purchaser's 30-day cancellation right on a form prescribed by the Commission.

(4) The purchaser does at least one of the following:

(a) Waives the purchaser's right to cancel the sales contract within 30 days from receipt of the notice of the purchaser's 30-day cancellation right; or

- (b) Allows the 30-day cancellation period to expire without exercising the right to cancel; or
- (c) Closes the purchase of the unit before the 30-day cancellation period expires.

The purchaser or the Developer may cancel the sales contract at any time during the 30-day cancellation period, and the sales contract will be canceled and the purchaser's deposits returned to the purchaser, less any escrow cancellation fee and other costs associated with the purchase, up to a maximum of \$250.

5.8.2 Right to Cancel a Sales Contract if Completion Deadline Is Missed

In addition to the purchaser's 30-day cancellation right described in Section 5.8.1 above, when a sales contract is signed before completion of construction of a project, the purchaser will have the right to cancel if the unit is not completed by certain deadlines. In conversion projects, there must be a deadline for completion of any required repairs. Every sales contract shall contain an agreement of the Developer that the completion of construction shall occur on or before the completion deadline, and that completion deadline is set forth in this report in Section 5.5. The sales contract shall provide that the purchaser may cancel the sales contract at any time after the specified completion deadline, if completion of construction does not occur on or before the completion deadline, as the same may have been extended. Upon a cancellation, the purchaser's deposits shall be refunded, less any escrow cancellation fee and other costs associated with the purchase, up to a maximum of \$250.00.

5.8.3 Purchaser's Right to Rescind a Binding Sales Contract After a Material Change

If a "material change" in a project occurs after a purchaser has signed a sales contract that has become binding, the purchaser will have a 30-day right to rescind after notification and description of the material change. A material change is defined in the Condominium Property Act to be any change that "directly, substantially and adversely affects the use or value of (1) a purchaser's unit or appurtenant limited common elements; or (2) those amenities of the project available for the purchaser's use."

The purchaser will be informed of the material change by the developer on a form prescribed by the Commission containing a description of the material change.

After notice of the material change, the purchaser may waive the right to rescind by:

- (1) Checking the waiver box on the rescission form; or
- (2) Letting the 30-day rescission period expire, without taking any action to rescind; or
- (3) Closing the purchase of the unit before the 30-day rescission period expires.

The rescission form must be signed by all purchasers of the affected unit and delivered to the developer no later than midnight of the 30th calendar day after the purchasers received the rescission form from the developer. Purchasers who validly exercise the right of rescission shall be entitled to a prompt and full refund of any moneys paid.

A rescission right shall not apply in the event of any additions, deletions, modifications and reservations including, without limitation, the merger or addition or phasing of a project, made pursuant to the terms of the project's Declaration.

These provisions shall not preclude a purchaser from exercising any rescission rights pursuant to a contract for the sale of a unit or any applicable common law remedies.

6. MISCELLANEOUS INFORMATION NOT COVERED ELSEWHERE IN THIS REPORT

HAZARDOUS MATERIALS: The developer neither prepared nor commissioned a Phase 1 Environmental Site Assessment and makes no representations or warranties whatsoever. The developer has made no independent investigation as to asbestos or other hazardous substances in the apartments or in, under or around the Project, including but not limited to, radioactive materials, organic compounds known as polychlorinated biphenyls, chemicals known to cause cancer or reproductive toxicity, pollutants, contaminants, hazardous wastes, toxic substances, and any and all other substances or materials defined as or included in the definition of "hazardous substances", "hazardous wastes", "hazardous materials" or "toxic substances" under, or for the purposes of, hazardous materials laws. Buyer acknowledges that in light of the age of the Project, there may be asbestos and other hazardous substances in the apartments, or in, under or around the Project. Because of the possible presence of such substances, Buyer should have the apartment inspected to determine the extent (if any) of such contamination and any necessary remedial action. The developer will not correct any defects in the apartments or in the Project or anything installed or contained therein and Buyer expressly releases the developer from any liability to Buyer if any hazardous materials are discovered.

LEAD WARNING STATEMENT: Pursuant to federal law, 42, U.S.C 4852(d), the Residential Lead-Based Paint Reduction Act, "Every purchaser of any interest in residential real property on which a residential dwelling was built prior to 1978 is notified that such property may present exposure to lead from lead-based paint that may place young children at risk of developing lead poisoning. Lead poisoning in young children may produce permanent neurological damage, including learning disabilities, reduced intelligence quotient, behavioral problems, and impaired memory. Lead poisoning also poses a particular risk to pregnant women. The seller of any interest in residential real property is required to provide the buyer with any information on lead-based paint hazards from risk assessments or inspections in the seller's possession and notify the buyer of any known lead-based paint hazards. A risk assessment or inspection for possible lead-based paint hazards is recommended prior to purchase."

PARKING: Unit A has two all-weather off-street parking spaces as shown on the Condominium Map. Unit B is currently a shed and does not have assigned parking. Parking is however permitted within the limited common element area assigned to each unit.

MEMBERSHIP IN THE KAAAWA BEACH OWNERS ASSOCIATION. The property upon which the project is located is part of the Kaaawa Beach Owners Association pursuant to Declaration of Covenants, Conditions and Restrictions dated August 17, 1982, as amended (the "KBOA Declaration"), and is accessed by roads owned and maintained by the Kaaawa Beach Owners Association. The KBOA Declaration provides that members have a non-exclusive easement to use and enjoy the roadways. The roadways provide access from the project to Kamehameha Highway. Members of the Association are responsible for paying assessments (annual and special) for the ownership and maintenance of the roadways. Disclosure is made that upon acquiring title to a unit in the Project, the owner shall automatically become a member of the Kaaawa Beach Owners Association and the payment of private roadway assessments (annual and special).

FLOOD HAZARD ZONE AND TSUNAMI INUNDATION AREA. Disclosure is hereby made that the property upon which the Project is located may be within the boundaries of a special flood hazard area (and therefore subject to special flood insurance requirements) and the boundaries of an anticipated tsunami inundation area. Buyer shall be responsible for verifying whether the Unit is within a recognized flood area and/or an anticipated tsunami inundation area.

SEPTIC TANK SYSTEM AND LIMITATION ON NUMBER OF BEDROOMS PER UNIT PER SEPTIC TANK SYSTEM. The common element septic tank system is located beneath the limited common element area appurtenant to Unit A. Unit B is currently a shed and is not connected to the septic tank system. Until Unit B is connected to the septic tank system, the maintenance of the septic tank system will be assessed to the owner(s) of Unit A. When Unit B is connected to the septic tank system, the cost for maintenance will be shared by the Units. Current governmental regulations restrict the number of bedrooms per lot that may be served by a single individual wastewater system to a total of five (5) bedrooms. Section S of the Declaration provides that the owner of Unit A is restricted to redesigning, improving, renovating, adding to or replacing his or her Unit with a Unit containing no more than three (3) bedrooms, and the owner of Unit B is restricted to redesigning, improving, renovating, adding to or replacing his or her Unit with a Unit containing no more than two (2) bedrooms. Buyers are encouraged to carefully review Section Q of the Declaration and to consult with legal counsel, architects and/or engineers, and the appropriate governmental agencies regarding the implications of the restrictions and provisions that pertain to the Units and the Project.

DISCLOSURE OF DEVELOPER'S INTENT NOT TO SELL UNIT B AND REAL ESTATE BROKER. The Developer only plans on offering Unit A for sale and does not plan on offering Unit B for sale at this time. This public report shall not be valid for the sale of Unit B until the Developer submits to the Real Estate Commission an amendment to this public report identifying the Hawaii-licensed real estate broker to offer Unit B for sale and containing a duly executed broker listing agreement with the broker.

The Developer declares subject to the penalties set forth in Section 514B-69, HRS, that this project conforms to the existing underlying county zoning for the project, zoning and building ordinances and codes and all applicable permitting requirements adopted by the county in which the project is located, all in accordance with Sections 514B-5 and 32(a)(13), HRS.

For any conversion, if any variances have been granted, they are specified in Section 1.14 of this report, and, if purchaser deposits are to be used by the Developer to cure any violations of zoning, permitting requirements or rules of the county in which the project is located, the violation is specified in Section 1.15 of this report, along with the requirements to cure any violation, and Section 5.5 specifies the date by which the cure will be completed.

The Developer hereby certifies that all the information contained in this report and the exhibits attached to this report and all documents to be furnished by the Developer to purchasers concerning the project have been reviewed by the Developer and are, to the best of the Developer's knowledge, information and belief, true, correct and complete. The Developer hereby agrees promptly to amend this report to report and include either or all material facts, material or pertinent changes to any information contained in or omitted from this report and to file annually a report to update the material contained in this report at least 30 days prior to the anniversary date of the effective date of this report.

EXHIBIT A

BOUNDARIES OF THE UNITS

Section A.1 of the Declaration states that two (2) separate and distinct freehold estates, deemed to include the entire structure and all improvements located therein, are bounded by and including the decorated or finished surfaces of the exterior of the perimeter walls, including all exterior doors and windows, by the exterior surfaces of the respective roofs thereof, and inclusive of the floor and ceiling of each of the buildings in the Project, together with any entries, porches, steps, stairs, lanais, decks, laundry areas, carports, or other improvements physically attached to the building.

(a) Unit A contains one-story in which there is a Family room, a Kitchen, three (3) Bedrooms, two (2) Baths, and a Deck, as shown on said Condominium Map. Unit A contains a net living area of approximately 1,026 square feet and the Deck contains an area of approximately 72 square feet.

(b) Unit B contains one story and is a shed consisting of approximately 10 square feet, as shown on said Condominium Map.

Each Unit shall also include all pipes, wires, conduits, and other utility and service lines contained wholly within such Unit and which are utilized exclusively by and serve only such Unit.

The Developer or any owner of a Unit has the reserved right to renovate or remove either Unit or a portion thereof, and to rebuild, renovate or add to said Unit as provided for in Section Q of the Declaration.

EXHIBIT B

PERMITTED ALTERATIONS TO THE UNITS

Section L of the Declaration provides that no work shall be done to the Units, the limited common elements appurtenant thereto, or any other part of the Project, by any owner of a Unit or any other person, which could jeopardize the soundness or safety of the Project, reduce the value thereof, impair any easement, as reasonably determined by the Board. No Unit owner may make or allow any material additions or alterations, or excavate a basement or cellar, without first obtaining: i) the written consent of sixty-seven percent (67%) of the Unit owners, ii) consent of all owners whose Units and/or limited common elements are directly affected thereby, and iii) the approval of the Board, which shall not be unreasonably withheld. Except as otherwise provided by law, and subject to the requirements set forth in Section Q of the Declaration, all other additions to or alterations of any Unit or its appurtenant limited common elements by the owner of such Unit shall be permitted without restriction, provided that the owner or other person making such additions or alterations shall comply strictly with all applicable laws, ordinances, rules and regulations of any governmental entity, and shall also obtain all necessary permits, at such owner or person's sole expense.

In addition to the foregoing limitations, no owner shall also be allowed, without the express written consent of the other owners, to construct any addition or alteration which would cause his or her Unit to exceed the proportionate share of the maximum allowable floor area and/or buildable area for the lot. Said proportionate share shall be equal to the maximum floor area for the lot multiplied by the percentage of common interest in the Project appurtenant to such Unit.

The owner of a Unit in the Project, including the Developer herein if an owner of a Unit, shall have the right, with the consent of any mortgagee affecting said Unit, to remove, redesign, improve, renovate, make additions to, enlarge, replace with a new Unit, or restore his or her Unit on the limited common elements appurtenant to such Unit at such Unit owner's sole option at any time and from time to time, without the consent of the Association, the other owners of Units, any lien holder thereof, or anyone with an interest in the Project, and pursuant to plans and conditions set forth in Section Q of the Declaration.

EXHIBIT C

LIMITED COMMON ELEMENTS

Section A.3 of the Declaration provides that certain parts of the common elements are set aside and reserved for the exclusive use of the Units and shall constitute limited common elements appurtenant thereto. Each Unit shall have an exclusive easement for the use of the limited common elements appurtenant thereto, except as otherwise provided in the Declaration. The cost of maintenance, repair, upkeep, and replacement of each limited common element shall be assessed to the owner of the Unit to which such limited common element is appurtenant. The limited common elements shall be appurtenant to each of the Units as follows:

(a) That certain 7,000 square feet, more or less, of the real property of the Project which includes the real property upon which Unit A is situated, as shown on said Condominium Map, inclusive of the airspace located above such area, shall constitute a limited common element appurtenant to and for the exclusive use of Unit A.

(b) That certain 6,500 square feet, more or less, of real property of the Project which includes the real property upon which Unit B is situated, inclusive of the airspace located above such area, as shown on said Condominium Map, shall constitute a limited common element appurtenant to and for the exclusive use of Unit B.

(c) Unit A shall have appurtenant thereto two (2) parking spaces located within the limited common element area of said Unit, as shown on said Condominium Map. Unit B is currently a storage shed and parking for said Unit is located within the limited common element area appurtenant to said Unit.

(d) All pipes, wires, conduits, and other utility and service lines not contained within a Unit but used by and servicing only one (1) Unit shall be a limited common element appurtenant to and for the exclusive use of the Unit using and serviced exclusively by such pipes, wires, conduits, and other utility and service lines.

Dear Ms. Nishiki:

Subject: Condominium Conversion Project
51-422 Lihimauna Road
Tax Map Key: 5-1-011: 005

This is in response to your letter dated July 14, 2006, requesting verification that the structure on the above-referenced property met all applicable code requirements at the time of construction.

Investigation revealed that the one-story single-family detached dwelling with two (2) all-weather-surface off-street parking spaces met all applicable code requirements when it was constructed in 1950 on this 13,500 square-foot R-5 Residential District zoned lot.

For your information, the Department of Planning and Permitting cannot determine all legal nonconforming uses or structures, as a result of the adoption or amendment of any ordinance or code.

No variances or other permits were granted to allow deviations from any applicable codes.

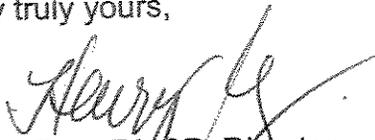

Conversion to a condominium property regime (CPR) is not recognized by the City and County as an approved subdivision. CPR delineates ownership; it does not create separate lots of record for subdivision and zoning purposes.

DEVELOPER'S RESERVED RIGHTS TO CHANGE PROJECT & DOCUMENTS

The Developer has reserved the following rights to change the Project and/or the Project documents:

1. Section C of the Declaration provides that at any time prior to the closing of the last sale of a Unit in the Project, the Developer has reserved the right to: (1) to grant easements over, across, and under the common elements, including, without limitation, easements for utilities, sanitary and storm sewers, cable television, walkways, roadways and rights-of-way, and (2) to relocate or realign any existing easements and rights-of-way over, across, and under the common elements, including, without limitation, any existing utilities, sanitary and sewer lines, and cable television lines, and connect same, over, across, and under the common elements, provided that such easements and such relocations and connections of lines shall not materially impair or interfere with the use of any Unit.
2. Section M of the Declaration provides that notwithstanding the sale and conveyance of any Unit in the Project, while the Developer retains any interest in the Project, the Developer may, without the consent or joinder of any Unit owner, lienholder thereof, or other person or entity, amend this Declaration, the By-Laws, and/or the Condominium Map to effect any changes or amendments required by law, any title insurance company, or any institutional mortgagee, or as may be required by any governmental or quasi-governmental agency. Each and every party acquiring an interest in the Project, shall, by virtue of such acquisition, consent to such amendments by the Developer, and agrees to execute and deliver such documents and instruments and do all such things necessary and/or convenient to effect the same, and hereby appoints the Developer and its assigns as his or her attorney-in-fact, with full power of substitution to execute, deliver and record such documents and instruments and to do such things on his or her behalf, which grant of such power, being coupled with an interest, is irrevocable for the term of such reserved rights and shall not be affected by any disability of the party or parties. In addition, at anytime prior to the first recording in the Bureau of Conveyances and/or Office of the Assistant Registrar of the Land Court, State of Hawaii, as the case may be, of a conveyance or transfer of a Unit in the Project to any person other than the Developer, the Developer may amend the Declaration, and any of the Exhibits hereto, the By-Laws, and/or the Condominium Map in any manner, without the consent of any purchaser or any other party. No amendment to the Declaration and/or the By-Laws which adversely impacts or negates, or attempts to negate any of the rights reserved by the Developer shall be valid without the expressed written consent of the Developer, Developer's successors and assigns, and contained in said amendment.
3. Any Unit owner, including the Developer herein if an owner of a Unit, shall have the right, with the consent of any mortgagee affecting said Unit, to remove, redesign, improve, renovate, make additions to, enlarge, replace with a new Unit, or restore his or her Unit on the limited common elements appurtenant to such Unit at such Unit owner's sole option at any time and from time to time, without the consent of the Association, the other owners of Units, any lien holder thereof, or anyone with an interest in the Project, and pursuant to plans and conditions set forth in Section Q of the Declaration.

EXHIBIT I - SUMMARY OF SALES CONTRACT

The specimen Sales Contract (Deposit, Receipt, Offer and Acceptance and Addendum) contains, among other things, the following provisions:

1. Risk of Loss and Insurance. Risk of loss passes to Buyer upon closing or possession, whichever occurs sooner.
2. Time is of the Essence/Default. Time is of the essence of the obligations of Buyer under this Agreement. In the event Buyer fails to perform Buyer's obligations under the Sales Contract, Seller may (a) bring an action for damages for breach of contract, or (b) retain the initial deposit and all additional deposits provided by Buyer as liquidated damages, and the Buyer shall be responsible for any costs incurred in accordance with the Sales Contract.
3. Conversion of Existing Building; Disclosure of Nonconformities; No Warranties. Buyer is aware, agrees and affirms that the Project consists of the conversion of two (2) existing buildings into condominium units pursuant to the Condominium Property Act, Chapter 514B, Hawaii Revised Statutes. Based on the letter dated December 12, 2006, issued by the Department of Planning and Permitting, City and County of Honolulu, State of Hawaii ("DPP"), the one-story single-family detached dwelling, with two (2) all-weather-surface off-street parking spaces (Unit A), met all applicable code requirements at the time of construction in 1950. The Developer cannot determine, after due inquiry, whether the Project contains any other legal nonconforming uses or structures as a result of the adoption or amendment of any ordinances or codes. Unit B is a shed constructed over five (5) years ago, and to the best of Developer's knowledge, at the time of its construction was exempt from the requirements of a building permit. No variances or special permits appear to have been granted for the property. Buyer agrees, acknowledges and understands that the execution and recordation of the Condominium Unit Deed shall be construed as Buyer's acceptance of the property and its condition.

It is expressly understood and agreed by and between Seller and Buyer that SELLER MAKES NO WARRANTIES, EXPRESS OR IMPLIED, WITH RESPECT TO THE UNIT, THE PROJECT, INCLUDING THE COMMON OR LIMITED COMMON ELEMENTS, OR CONSUMER PRODUCTS OR ANYTHING ELSE INSTALLED IN THE UNIT OR IN THE PROJECT, INCLUDING BUT NOT LIMITED TO: A) ANY IMPLIED WARRANTY OF MERCHANTABILITY, HABITABILITY, OR FITNESS FOR ANY PARTICULAR PURPOSE; B) THE WORKMANLIKE CONSTRUCTION, STRUCTURAL SOUNDNESS, CONDITION OR STATE OF REPAIR, OPERATING ORDER, SAFETY, LIVABILITY OF ANY IMPROVEMENT IN OR WITHIN THE PROJECT; AND C) WHETHER THE PROJECT, THE UNITS, OR ANY OF THE IMPROVEMENTS MEET THE REQUIREMENTS OF ANY BUILDING, ZONING, LAND USE, SET BACK, HEALTH OR OTHER LAW, ORDINANCE, OR RULE OR REGULATION WHICH MAY BE APPLICABLE TO THE PROJECT.

4. Existing "As Is" Condition. Buyer agrees the Unit is being purchased in its "AS IS" condition, without any warranties or representations, expressed or implied. Buyer acknowledges that Buyer will be given an opportunity to inspect the Unit and by closing on the sale of the Unit, Buyer accepts the Unit in its "AS IS" condition as provided for herein.
5. Reserved Rights to Change Units. The Declaration provides that the owner of any Unit in the Project, including the Seller, if any owner of a Unit, shall have the right, with the consent of any mortgagee affecting said Unit, to remove, redesign, improve, renovate, make additions to, enlarge,

replace with a new Unit, or restore his or her Unit on the limited common elements appurtenant to such Unit, at such Unit owner's sole option at any time and from time to time, without the consent of the Association, the other Unit owner(s), any lien holder thereof, or anyone with an interest in the Project, and pursuant to plans, conditions and restrictions set forth in Section Q of the Declaration. SELLER MAKES NO WARRANTIES OR REPRESENTATIONS WITH RESPECT TO BUYER'S ABILITY TO USE THE UNIT FOR BUYER'S INTENDED PURPOSE. IF BUYER INTENDS TO IMPROVE OR MODIFY THE UNIT, BUYER WILL BE REQUIRED TO COMPLY WITH ALL APPLICABLE BUILDING AND ZONING CODES, LAND USE LAWS, AND OTHER COUNTY LAWS AND ORDINANCE. BUYER IS URGED TO CAREFULLY REVIEW THE LAND USE LAWS AND ALL OTHER APPLICABLE COUNTY ORDINANCES WHICH MAY AFFECT THE UNIT, WITH BUYER'S ARCHITECT, PROFESSIONAL BUILDER, OR OTHER PROFESSIONAL CONSULTANT, TO DETERMINE WHETHER THE LAND USE LAWS AND ALL OTHER APPLICABLE COUNTY ORDINANCES MAY AFFECT BUYER'S INTENDED USE OF THE UNIT.

6. Mediation And Arbitration. If any dispute or claim in law or equity arises out of this Agreement, and Buyer and Seller are unable to resolve the dispute themselves, Buyer and Seller agree in good faith to attempt to settle such dispute or claim by mediation under the Commercial Mediation rules of the American Arbitration Association. If such mediation is not successful in resolving such dispute or claim, then such dispute or claim shall be decided by a neutral binding arbitration before a single arbitrator in accordance with the Commercial Arbitration rules of the American Arbitration Association. Judgment upon the award rendered by the arbitrator may be entered in any court having jurisdiction thereof. The arbitrator may award reasonable attorney's fees and costs to the prevailing party.
7. Common Septic Tank System. Buyer is aware that the septic tank system, located on beneath the limited common element area appurtenant to Unit A, is a common element and will be shared by the Units. Until Unit B is connected to the septic tank system, the maintenance of the system will be assessed solely to Unit A. While servicing both Units, the maintenance of the single septic tank system will be shared by the owners as needed.
8. Limitation On Number Of Bedrooms Per Unit Per Septic Tank System. Current governmental regulations restrict the number of bedrooms per lot served by one individual wastewater system to a total of five (5) bedrooms. Therefore, as long as the Units are serviced by a single wastewater system and are subject to the aforementioned governmental requirements, Section Q of the Declaration provides that the owner of Unit A is restricted to redesigning, improving, renovating, adding to or replacing his or her Unit with a Unit containing no more than three (3) bedrooms, and the owner of Unit B is restricted to redesigning, improving, renovating, adding to or replacing his or her Unit with a Unit containing no more than two (2) bedrooms. Buyers are encouraged to carefully review Section Q of the Declaration and to consult with legal counsel, architects and/or engineers, and the appropriate governmental agencies regarding the implications of these restrictions.
9. Developer's Public Report; Buyer's Right to Cancel or Rescind The Agreement. The Developer's Public Report for the Project has been issued by the Real Estate Commission. Buyer shall receive a copy of that document along with a Receipt For Developer's Public Report (the "Receipt") and a Notice Of Right To Cancel Sales Contract (the "Notice"). Buyer has the right to cancel the Sales Contract under the following conditions:
 - i) At any time within thirty (30) days following the date the Developer's Public Report is delivered to Buyer. If Buyer so cancels this Agreement, within the thirty (30) day period, Buyer will be entitled to receive a refund of any deposits, less any escrow cancellation fees

and other costs up to \$250.00. If Buyer waives Buyer's right to cancel by checking the waiver box on the Notice, and executes and returns the Receipt and Notice within thirty (30) days after delivery to Buyer, this Agreement shall become a binding obligation on both parties immediately upon the return thereof. If Buyer does not return the Receipt and Notice within said thirty (30) day period, or if the Unit is conveyed to Buyer prior to expiration of that thirty (30) day period, then Buyer shall be deemed to have accepted for the Developer's Public Report and to have waived Buyer's right to cancel, thereby causing this Agreement to become a binding obligation on both parties; and

ii) Buyer shall have a thirty (30) day right to rescind this Agreement if there is a material change to the Project which directly, substantially and adversely affects the use or value of Buyer's Unit, the limited common elements appurtenant to the Unit, or the amenities in the Project available for Buyer's use. Seller shall deliver to Buyer a description of the material change and Buyer may waive Buyer's rescission right by either (a) checking the waiver box on the option to rescind, signing it and returning it to Seller; (b) letting the thirty (30) day rescission period expire without taking any action to rescind this Agreement; or (c) closing on the purchase of the Unit before the thirty (30) day rescission period expires. In order to be valid, the rescission form provided for herein must be signed by all Buyers and postmarked to Seller no later than midnight on the thirtieth (30th) calendar day after the date Buyer received the rescission form from Seller. If Buyer's rescission is valid, Buyer shall be entitled to a prompt and full refund of any deposits made by Buyer.

10. Assignment of the Agreement. Notwithstanding anything to the contrary contained in the DROA, Buyer may not assign its rights or obligations under this Agreement or any portion thereof without the prior written consent of Seller, which consent may be withheld and/or conditioned at Seller's sole discretion. Any assignment without Seller's prior written consent shall be null and void.

THIS SUMMARY IS A BRIEF DESCRIPTION OF SOME OF THE TERMS CONTAINED IN THE SALES CONTRACT. BUYER IS ADVISED TO CAREFULLY REVIEW THE ENTIRE SALES CONTRACT AND BECOME FAMILIAR WITH THE TERMS AND CONDITIONS CONTAINED THEREIN.

(1) In the event Escrow receives notice of cancellation or termination of the sales contract pursuant to Sections 6(a)(1), (2) or (3), above, Escrow shall, unless the purchaser has waived or has been deemed to have waived the right to a refund, pay said funds to purchaser, less any cancellation fee commensurate with the work done by Escrow prior to such cancellation and other costs associated with the purchase, up to a maximum of \$250.00; provided, however, that no refund shall be made to a purchaser at the purchaser's request prior to receipt by Developer of written notice from Escrow of Escrow's intent to make such refund. (2) In the event Escrow receives notice of purchaser's election to rescind the sales contract pursuant to Section 6(a)(4), above, Escrow shall promptly return all of said funds to purchaser; provided, however, that no refund shall be made to a purchaser at the purchaser's request prior to receipt by Developer of written notice from Escrow of Escrow's intent to make such refund.

4. Partial Closings. It is understood that partial closings, i.e., closings for some but not all of the units, may be desired by Developer. If Developer desires to close any or all sales at different times, Escrow agrees to cooperate with Developer and shall vary its performance of the directions contained herein in such manner as will facilitate its performance of such partial closings.

THE ESCROW AGREEMENT CONTAINS VARIOUS OTHER PROVISIONS AND ESTABLISHES CERTAIN CHARGES WHICH THE PURCHASE SHOULD BECOME FAMILIAR WITH. THE PROSPECTIVE PURCHASER IS CAUTIONED TO CAREFULLY REVIEW THE COMPLETE ESCROW AGREEMENT. IF THERE ARE ANY CONFLICTS BETWEEN THE TERMS CONTAINED IN THIS SUMMARY AND THE ESCROW AGREEMENT, THE ESCROW AGREEMENT WILL CONTROL.
