General Information On Condominiums

A condominium is a special form of ownership of real property. To create a condominium in Hawaii after July 1, 2006, the Condominium Property Act, Chapter 514B, Hawaii Revised Statutes, must be followed. In addition, certain requirements and approvals of the county in which the project is located must be satisfied and obtained.

Some condominium projects are leasehold. This means that the land and/or the building(s) and other improvements are leased to the purchaser. The lease for the land usually requires that at the end of the lease term, the lessees (unit owners) deliver their interest in the land to the lessor (fee property owner).

If you are a typical condominium unit owner, you will have two kinds of ownership: (1) ownership in your individual unit; and (2) a percentage interest in the common elements.

You will be entitled to exclusive ownership and possession of your unit. Subject to the documents governing them, condominium units may be individually bought, sold, rented, mortgaged or encumbered, and may be disposed of by will, gift or operation of law.

Your unit will, however, be part of the group of units that comprise the condominium project. Study the project's Declaration of Condominium Property Regime, Bylaws of the Association of Unit Owners, Condominium Map and House Rules, if any, which are being concurrently delivered to you with this report. These documents contain important information on the use and occupancy of the units and the common elements of the project, as well as the rules and regulations of conduct for unit owners, tenants and guests.

Operation of the Condominium Project

The Association of Unit Owners is the entity through which unit owners may take action with regard to the administration, management and operation of the condominium project. Each unit owner is automatically a member of the Association.

The Board of Directors is the governing body of the Association. Unless you serve as a board member or an officer, or are on a committee appointed by the board, your participation in the administration and operation of the condominium project will in most cases be limited to your right to vote as a unit owner. The Board and officers can take certain actions without the vote of the unit owners. For example, the Board may hire and fire employees, increase or decrease maintenance fees, adopt budgets for revenues, expenses and reserves and regulate the use, maintenance, repair and replacement of common elements. Some of these actions may significantly impact the unit owners.

Until there is a sufficient number of purchasers of units to elect a majority of the Board, it is likely at first that the Developer will effectively control the affairs of the Association. It is frequently necessary for the Developer to do so during the early stages of development and the Developer may reserve certain special rights to do so in the Declaration and Bylaws. Prospective purchasers should understand that it is important to all unit owners that the transition of control from the Developer to the unit owners be accomplished in an orderly manner and in a spirit of cooperation.

3. CREATION OF THE CONDOMINIUM AND CONDOMINIUM DOCUMENTS

A condominium is created by recording in the Bureau of Conveyances (Regular System) or filing in the Office of the Assistant Registrar of the Land Court, or both, a Declaration of Condominium Property Regime, a Condominium Map and the Bylaws of the Association of Unit Owners. The Condominium Property Act (Chapter 514B, HRS), the Declaration, Bylaws and House Rules control the rights and obligations of the unit owners with respect to the project and the common elements, to each other, and to their respective units.

3.1 Declaration of Condominium Property Regime

The Declaration of Condominium Property Regime contains a description of the land, buildings, units, common interests, common elements, limited common elements, and other information relating to the condominium project.

House Rules may cover matters such as parking regulations, hours of operation for common facilities such as recreation areas, use of lanais and requirements for keeping pets. These rules must be followed by owners, tenants, and guests. They do not need to be recorded or filed to be effective. The initial House Rules are usually adopted by the Developer. Changes to House Rules do not need to be recorded to be effective.

5.3 Blanket Liens

Blanket Liens: A blanket lien is an encumbrance (such as a mortgage) on the entire condominium project or more than one unit that secures some type of monetary debt (such as a loan) or other obligation. Blanket liens (except for improvement district or utility assessments) must be released as to a unit before the developer conveys the unit to a purchaser. The purchaser's interest will be affected if the developer defaults and the lien is foreclosed prior to conveying the unit to the purchaser.

<input type="checkbox"/>	There are <u>no blanket liens</u> affecting title to the individual units.
<input checked="" type="checkbox"/>	<u>There are blanket liens</u> that may affect title to the individual units.

Mortgage	Purchaser's interest may be terminated but in such event
	Purchaser shall be entitled the return of his deposit, less escrow's fees and costs.

5.4 Construction Warranties

Construction Warranties: Warranties for individual units and the common elements, including the beginning and ending dates for each warranty (or the method of calculating them), are as set forth below:

Building and Other Improvements: See attached Page 13(a)
Appliances: None.

5.4 Construction Warranties

Building and Other Improvements: There is no warranty; Developer hereby expressly disclaims all warranties, whether express or implied including without limitation the warranty of habitability, warranty of merchantability and the warranty of fitness for a particular use.

5.5 Status of Construction, Date of Completion or Estimated Date of Completion

Status of Construction: Unit 1462 was completed in or about 1929 and Unit 1468 was completed in 1996.
Completion Deadline: If a sales contract for a unit is signed before the construction of the unit has been completed, or, in the case of a conversion, completion of any repairs, does not occur by the completion deadline set forth below, one of the remedies available to a purchaser is a cancellation of the purchaser's sales contract. The sales contract may include a right of the Developer to extend the completion deadline for force majeure as defined in the sales contract. The sales contract may also provide additional remedies for the purchaser.
Completion Deadline for any unit not yet constructed, as set forth in the sales contract: N/A
Completion Deadline for any repairs required for a unit being converted, as set forth in the sales contract: N/A

5.6 Developer's Use of Purchaser Deposits to Pay for Project Construction Costs Before Closing or Conveyance

The Developer is required to deposit all moneys paid by purchasers in trust under a written escrow agreement with a Hawaii licensed escrow depository. Escrow shall not disburse purchaser deposits to the Developer or on behalf of the Developer prior to closing, except if a sales contract is canceled or if Developer has met certain requirements, which are described below.

5.6.1 Purchaser Deposits Will Not Be Disbursed Before Closing or Conveyance

<input checked="" type="checkbox"/>	The Developer hereby declares by checking the box to the left that it shall use its own funds to complete the construction of the condominium project by the date indicated in Section 5.5 of this report, and the Developer, pursuant to its own analysis and calculations, certifies that it has sufficient funds to complete the construction of the condominium project. If the box to the left is checked, Sections 5.6.2 and 5.7, which follow below, will not be applicable to the project.
-------------------------------------	---

5.6.2 Purchaser Deposits Will Be Disbursed Before Closing

Hawaii law provides that, if certain statutory requirements are met, purchaser deposits in escrow under a binding sales contract may be used before closing to pay for certain project costs. For this project, the Developer indicates that purchaser deposits may be used for the following purposes (check applicable box):	
<input type="checkbox"/>	For new construction: to pay for project construction costs described in the Developer's budget and approved by the Developer's lender or an otherwise qualified, financially disinterested person; or
<input type="checkbox"/>	For conversions: to pay for repairs necessary to cure violations of county zoning and building ordinances and codes, for architectural, engineering, finance and legal fees, and for other incidental expenses.

In connection with the use of purchaser deposits (check Box A or Box B):

<p>Box A</p> <p><input type="checkbox"/></p>	<p>The Developer has submitted all information and documents required by law and the Commission prior to the disbursement of purchaser deposits before closing. This means that the Developer may use such deposits before closing. If the Developer decides not to use purchaser deposits before closing, the Developer does not need to amend this report.</p> <p>If Box A is checked, you should read and carefully consider the following notice, which is required by law:</p> <p><u>Important Notice Regarding Your Deposits:</u> Deposits that you make under your sales contract for the purchase of the unit may be disbursed before closing of your purchase to pay for project costs, construction costs, project architectural, engineering, finance, and legal fees, and other incidental expenses of the project. While the developer has submitted satisfactory evidence that the project should be completed, it is possible that the project may not be completed. If your deposits are disbursed to pay project costs and the project is not completed, there is a risk that your deposits will not be refunded to you. You should carefully consider this risk in deciding whether to proceed with your purchase.</p>
<p>Box B</p> <p><input type="checkbox"/></p>	<p>The Developer has <u>not</u> submitted all information and documents required by law and the Commission, and, until all such information and documents are submitted, thus, the Developer cannot use purchaser deposits.</p> <p>If the Developer later submits all information and documents required by law and the Commission for the use of purchaser deposits, then the Developer must provide an amendment to this report or an amended developer's public report to each purchaser who has signed a sales contract. At such time, the <u>Important Notice Regarding Your Deposits</u> set forth immediately above will apply to all purchasers and will be restated in the amendment to this report or an amended developer's public report. When an effective date for such an amendment or an amended developer's public report is issued, <u>you will not have the right to rescind or cancel the sales contract by reason of such submission and amendment.</u> (This, however, does not affect your right to rescind for material changes or any other right you may have to rescind or cancel the sales contract, as described in Section 5.8 below.) If the Developer decides not to use purchaser deposits before closing, the Developer does not need to amend this report.</p> <p>You should understand that, although the <u>Important Notice Regarding Your Deposits</u> set forth above does not currently apply to you, it might apply to you in the future, and, therefore, you should read and carefully consider it now to ensure that you understand the risk involved in deciding whether to proceed with your purchase.</p>

Material House Bond. If the Developer has submitted to the Commission a completion or performance bond issued by a material house instead of a surety as part of the information provided prior to the use of purchaser deposits prior to closing or conveyance of a unit, the Developer shall disclose the same below and disclose the impact of any restrictions on the Developer's use of purchaser deposits.

5.7 Rights Under the Sales Contract

Before signing the sales contract, prospective purchasers should carefully review all documents relating to the project. These include but are not limited to the documents listed below. Items 2, 3 and 4 are made a part of this public report, as well as Item 5, if any, and are being delivered to you with this report.

1.	Developer's Public Report
2.	Declaration of Condominium Property Regime (and any amendments)
3.	Bylaws of the Association of Unit Owners (and any amendments)
4.	Condominium Map (and any amendments)
5.	House Rules, if any
6.	Escrow Agreement
7.	Hawaii's Condominium Property Act (Chapter 514B, HRS, as amended) and Hawaii Administrative Rules (Chapter 16-107, adopted by the Real Estate Commission, as amended), provided that rules and regulations under Chapter 514B have not yet been adopted.
8.	Other:

Copies of the condominium and sales documents and amendments made by the Developer are available for review through the Developer or through the Developer's sales agent, if any. The Condominium Property Regime law (Chapter 514B, HRS) and the Administrative Rules (Chapter 107, HAR), are available online. Please refer to the following sites:

5.8 Purchaser's Right to Cancel or Rescind a Sales Contract

A purchaser's right to cancel a sales contract or to rescind a sales contract may arise under varying circumstances. In the sections below, some circumstances that will give rise to a purchaser's right to cancel or rescind are described, together with what a purchaser must do if the purchaser wishes to exercise any of the rights.

5.8.1 When a Sales Contract becomes Binding and Purchaser's 30-Day Right to Cancel a Sales Contract

A sales contract signed by a purchaser and the developer will not become binding on a purchaser or the Developer until the following events have taken place:

(1) The purchaser has signed the sales contract.

(2) The Developer has delivered to the purchaser a true copy of the developer's public report with an effective date issued by the Commission, together with all amendments to the report as of the date of delivery, and the project's recorded Declaration and Bylaws, House Rules (if any), the Condominium Map and any amendments to them to date (all of which are a part of the developer's public report). If it is impracticable to include a letter-sized Condominium Map, the Developer must provide written notice of an opportunity to examine the Condominium Map.

(3) The Developer has delivered to the purchaser a notice of the purchaser's 30-day cancellation right on a form prescribed by the Commission.

(4) The purchaser does at least one of the following:

(a) Waives the purchaser's right to cancel the sales contract within 30 days from receipt of the notice of the purchaser's 30-day cancellation right; or

- (b) Allows the 30-day cancellation period to expire without exercising the right to cancel; or
- (c) Closes the purchase of the unit before the 30-day cancellation period expires.

The purchaser or the Developer may cancel the sales contract at any time during the 30-day cancellation period, and the sales contract will be canceled and the purchaser's deposits returned to the purchaser, less any escrow cancellation fee and other costs associated with the purchase, up to a maximum of \$250.

5.8.2 Right to Cancel a Sales Contract if Completion Deadline Is Missed

In addition to the purchaser's 30-day cancellation right described in Section 5.8.1 above, when a sales contract is signed before completion of construction of a project, the purchaser will have the right to cancel if the unit is not completed by certain deadlines. In conversion projects, there must be a deadline for completion of any required repairs. Every sales contract shall contain an agreement of the Developer that the completion of construction shall occur on or before the completion deadline, and that completion deadline is set forth in this report in Section 5.5. The sales contract shall provide that the purchaser may cancel the sales contract at any time after the specified completion deadline, if completion of construction does not occur on or before the completion deadline, as the same may have been extended. Upon a cancellation, the purchaser's deposits shall be refunded, less any escrow cancellation fee and other costs associated with the purchase, up to a maximum of \$250.00.

5.8.3 Purchaser's Right to Rescind a Binding Sales Contract After a Material Change

If a "material change" in a project occurs after a purchaser has signed a sales contract that has become binding, the purchaser will have a 30-day right to rescind after notification and description of the material change. A material change is defined in the Condominium Property Act to be any change that "directly, substantially and adversely affects the use or value of (1) a purchaser's unit or appurtenant limited common elements; or (2) those amenities of the project available for the purchaser's use."

The purchaser will be informed of the material change by the developer on a form prescribed by the Commission containing a description of the material change.

After notice of the material change, the purchaser may waive the right to rescind by:

- (1) Checking the waiver box on the rescission form; or
- (2) Letting the 30-day rescission period expire, without taking any action to rescind; or
- (3) Closing the purchase of the unit before the 30-day rescission period expires.

The rescission form must be signed by all purchasers of the affected unit and delivered to the developer no later than midnight of the 30th calendar day after the purchasers received the rescission form from the developer. Purchasers who validly exercise the right of rescission shall be entitled to a prompt and full refund of any moneys paid.

A rescission right shall not apply in the event of any additions, deletions, modifications and reservations including, without limitation, the merger or addition or phasing of a project, made pursuant to the terms of the project's Declaration.

These provisions shall not preclude a purchaser from exercising any rescission rights pursuant to a contract for the sale of a unit or any applicable common law remedies.

6. MISCELLANEOUS INFORMATION NOT COVERED ELSEWHERE IN THIS REPORT

LEAD WARNING STATEMENT

Pursuant to federal law, 42, U.S.C 4852(d), the Residential Lead-Based Paint Reduction Act, "Every purchaser of any interest in residential real property on which a residential dwelling was built prior to 1978 is notified that such property may present exposure to lead from lead-based paint that may place young children at risk of developing lead poisoning. Lead poisoning in young children may produce permanent neurological damage, including learning disabilities, reduced intelligence quotient, behavioral problems, and impaired memory. Lead poisoning also poses a particular risk to pregnant women. The seller of any interest in residential real property is required to provide the buyer with any information on lead-based paint hazards from risk assessments or inspections in the seller's possession and notify the buyer of any known lead-based paint hazards. A risk assessment or inspection for possible lead-based paint hazards is recommended prior to purchase."

HAZARDOUS MATERIALS

The Developer neither prepared nor commissioned a Phase 1 Environmental Site Assessment and makes no representations or warranties whatsoever. The developer has made no independent investigation as to asbestos or other hazardous substances in the apartments or in, under or around the Project, including but not limited to, radioactive materials, organic compounds known as polychlorinated biphenyls, chemicals known to cause cancer or reproductive toxicity, pollutants, contaminants, hazardous wastes, toxic substances, and any and all other substances or materials defined as or included in the definition of "hazardous substances", "hazardous wastes", "hazardous materials" or "toxic substances" under, or for the purposes of, hazardous materials laws. Buyer acknowledges that in light of the age of the Project, there may be asbestos and other hazardous substances in the apartments, or in, under or around the Project. Because of the possible presence of such substances, Buyer should have the apartment inspected to determine the extent (if any) of such contamination and any necessary remedial action. The developer will not correct any defects in the apartments or in the Project or anything installed or contained therein and Buyer expressly releases the developer from any liability to Buyer if any hazardous materials are discovered.

(a) Fee Owner reserves the right to grant to any utility company or public or governmental authority or other person or entity rights-of-way and other easements, and the right to modify or amend any existing or newly granted rights-of-way and easements, which are for the benefit of the Project (or any Unit or Units) or which do not materially interfere with the use or materially impair the value of any Unit, over, across, under and through the common elements and limited common elements for access and for lines and other transmission facilities and appurtenances for electricity, gas, telephone, water, sewer and/or septic system, drainage and other public services and utilities, and rights to enter for the purpose of installing, repairing, altering and removing such lines and facilities and of trimming any trees in the way thereof.

Summary of Sales Contract

Seller intends to use the standard form DROA as the form of sales contract for the project.

1. Evidence of Title. Seller shall furnish Buyer evidence of Seller's marketable title to the interest which is to be conveyed to Buyer. If Seller fails to deliver title as herein provided, Buyer has the option to terminate this agreement and have any of Buyer's deposits returned to Buyer. The foregoing shall not exclude any other remedies available to Buyer. Buyer will receive an Owner's standard coverage policy of title insurance at closing: (a) Seller shall pay 60% of the premium to be charged for an Owner's standard coverage policy of title insurance to be issued to the buyer in the amount of the sales price; and (b) Buyer shall pay 40% of such premium and any additional costs relating to the issuance of any extended coverage policy, including a Lender's policy.

2. Risk of Loss. Risk of loss passes to Buyer upon transfer of title or occupancy whichever occurs first.

3. Default. It is expressly understood and agreed: First: In the event Buyer fails to pay the balance of the purchase price or complete the purchase as herein provided, Seller may (a) bring an action for damages for breach of contract; (b) retain the initial deposit and all additional deposits provided for herein, as liquidated damages; and (c) Buyer shall be responsible for any cost incurred in accordance with this contract. Second: In the event Seller fails to perform his obligations as herein provided, Buyer not being in default, Buyer may (a) bring an action against Seller for damages for breach of contract; (b) file and maintain an action against Seller for specific performance of this contract; and (c) Seller shall be responsible for any cost incurred in accordance with this contract. The foregoing shall not exclude any other remedies available to either Seller or Buyer. In the event of default and/or a lawsuit arising out of this contract (including a suit by a REALTOR for commission), the prevailing party shall be entitled to recover all costs incurred including reasonable attorneys' fees. All expenses incurred by escrow shall be deducted from deposited funds prior to any disbursement to the prevailing party.

4. Consent. The obligations of Buyer or Seller hereunder are conditioned upon obtaining those necessary consents of vendors, existing mortgagees, lessors and/or condominium, co-op or other such associations, Buyer or Seller agree to cooperate and take all reasonable action to obtain such consents.

5. Time Is Of The Essence. If either Buyer or Seller for reasons beyond his control cannot perform his obligation to purchase or sell the property by the closing date, then such party by giving escrow written notice prior to the closing date called for in this contract with copies to all parties to this contract, can extend closing for no longer than 30 calendar days to allow performance. Thereafter time is of the essence and the default provisions of paragraph 5 apply. Any further extension must then be agreed to in writing by both parties. There is no automatic right to extend. This provision relates only to the extension of the closing date.

THE ABOVE SUMMARY IS NOT INTENDED TO BE A THOROUGH AND EXHAUSTIVE EXPLANATION OF ALL TERMS AND PROVISIONS CONTAINED IN THE DROA. THE BUYER MUST REFER TO THE BUYER'S DROA TO DETERMINE THE BUYER'S ACTUAL RIGHTS AND OBLIGATIONS. IF ANY CONFLICT OR DIFFERENCE EXISTS BETWEEN THIS SUMMARY AND THE DROA, THE DROA WILL CONTROL, NOT THIS SUMMARY.

Summary of Escrow Agreement

The Escrow Agreement ("Agreement") between TITLE GUARANTY ESCROW SERVICES, INC. ("Escrow"), and **GEMNEL E. TUMANENG**, as Trustee under that certain unrecorded Gemnel E. Tumaneng Trust dated July 23, 2003, with full powers to sell, mortgage, lease, etc. (hereinafter, collectively, "Seller"), contains, among other provisions, the following (which may be modified or otherwise limited by provisions not summarized):

1. Whenever Seller enters into a sales contract for the sale of an apartment, Seller will require that payments due under the sales contract be made to Escrow and will deliver an executed copy of the sales contract to Escrow.

2. Escrow will receive payments under the sales contracts and sums received from any other source with respect to the project. Funds held under the Agreement will initially be deposited in an account for the project.

3. Escrow will release from the Trust Fund and disburse Buyer's funds at closing. No disbursements will be made from Buyer's fund until: (a) the Real Estate Commission has issued a Final Public Report on the project and forty-eight (48) hours have elapsed since Buyer's receipt of a copy of the Final Public Report; (b) Buyer has waived its right to cancel the sales contract; and (c) Seller has notified Escrow that all other requirements of Sections 514A-39 and 514A-63, Hawaii Revised Statutes, have been met. Where sales contracts are entered into, Escrow will disburse funds upon presentation by Seller of Buyer's signed receipt for the Final Public Report and with notification by Seller that all of the requirements of Section 514A-39 and 514A-63, Hawaii Revised Statutes, have been met. Escrow will call for payments by the Buyer upon receipt of notice from Seller that any payments are due under sales contract.

4. Escrow will return deposited sums to the Buyer without interest if Seller gives Escrow written notice to return the funds to Buyer, or with respect to a Buyer whose funds were obtained before the issuance of a Final Public Report, Escrow receives from the Buyer a written request to cancel the sales contract or after issuance of the Final Public Report and Buyer's waiver of his right to cancel the sales contract in accordance with Section 514A-62, Hawaii Revised Statutes, there shall be any material change in the project which directly, substantially and adversely affects the use or value of the Buyer's apartment or appurtenant common elements or those amenities of the project available for Buyer's use, of a nature entitling the Buyer to cancel his sales contract pursuant to Section 514A-63, Hawaii Revised Statutes. These funds shall be returned to Buyer less Escrow's cancellation fee, if any, any mortgagee's cancellation fee and all other costs incurred in connection with the Escrow.

5. As Escrow's compensation for its performance under this Agreement, Escrow will receive an amount to be determined by Escrow for each apartment for which an apartment deed of the project is handled by Escrow and recorded in the Bureau of Conveyances of the State of Hawaii. Escrow will record all applicable documents. Title insurance will also cost an additional sum.

6. If Buyer defaults under the sales contract and Seller subsequently certifies in writing to Escrow that Seller has terminated the Sales Contract, Escrow shall thereafter treat all funds of the Purchase under the sales contract as funds of the Seller and not the Purchaser. Upon Seller's request, Escrow shall pay such funds to Seller less any cancellation fee.

THE ABOVE SUMMARY IS NOT INTENDED TO BE A THOROUGH AND EXHAUSTIVE EXPLANATION OF ALL TERMS AND PROVISIONS CONTAINED IN THE AGREEMENT. WHILE ONE CAN USE THIS SUMMARY AS A GENERAL SUMMARY OF THE AGREEMENT, HE OR SHE MUST REFER TO THE ACTUAL AGREEMENT TO DETERMINE THE RIGHTS AND OBLIGATIONS OF THE PARTIES. Dear Mr. Byrns:

Subject: Condominium Conversion Project
1462/1468 Alani Street
Tax Map Key (TMK): 1-6-015: 070

This is in response to your letter dated February 27, 2006, requesting verification that the structures on the above-referenced property met all applicable code requirements at the time of construction.

Investigation revealed that the one-story single-family detached dwelling and the two-story single-family detached dwelling with ten (10) all-weather-surface off-street parking spaces met all applicable code requirements when they were constructed in 1929 and 1996, respectively, on this 10,376 square-foot R-5 Residential District zoned lot.

Investigation also revealed the following:

1. On December 1, 1943, a subdivision was approved to subdivide a parcel of land containing 16,710 square-feet into two (2) lots of 6,334 square-feet (TMK 1-6-015: 092, with two (2) dwellings), and 10,376 square-feet (TMK 1-6-015: 070, with three (3) dwellings), in conformance with requirement of Class "A" residential district of a minimum 5,000 square-foot lot per single family, except for the number of houses on each lot. Presently, there are two (2) dwellings on TMK 1-6-015: 070.
2. The two (2) storage sheds, a parrot coop and a tent structure have been erected without a building permit.
3. A second-floor balcony sink has been installed without a permit.

On August 24, 2006, a re-inspection revealed that the above-mentioned deficiencies were corrected. The two storage sheds, parrot coop, tent structure and the second-floor balcony sink have been removed.

For your information, the Department of Planning and Permitting cannot determine all other legal nonconforming uses or structures, as a result of the adoption or amendment of any ordinance or code.

No variances or other permits were granted to allow deviations from any codes.

Conversion to a condominium property regime (CPR) is not recognized by the City and County as an approved subdivision. CPR delineates ownership; it does not create separate lots of record for subdivision and zoning purposes.

If you have any questions regarding this matter, please contact Mr. Ivan Matsumoto of our Commercial and Multi-Family Code Enforcement Branch at 527-6341.

Very truly yours,

Henry Eng, FAICP, Director
