Preparation of this Report

The Developer prepared this report to disclose relevant information, including "material facts", that are reasonably known to the Developer about the condominium project covered by this report. This report has been prepared pursuant to the Condominium Property Act, Chapter 514B, Hawaii Revised Statutes, as amended from time to time. The law defines "material facts" to mean "any fact, defect, or condition, past or present that to a reasonable person, would be expected to measurably affect the value of the project, unit, or property being offered or proposed to be offered for sale."

This report has not been prepared or issued by the Real Estate Commission or any other governmental agency. The issuance by the Commission of an effective date for this Developer's Public Report (1) does not mean that the Commission approves or disapproves of the project; (2) does not mean that the Commission thinks that either all material facts or all pertinent changes, or both, about the project have been fully or adequately disclosed; and (3) is not the Commission's judgment of the value or merits of the project.

This report may be used by the Developer for promotional purposes only if it is used in its entirety. No person shall advertise or represent that the Commission has approved or recommended the project, this report or any of the documents submitted with Developer's application for registration of this project.

This report will be amended if, after the effective date of this report, any changes, either material or pertinent changes, or both, occur regarding the information contained in or omitted from this report. In that case, the Developer is required to submit immediately to the Commission an amendment to this report or an amended Developer's Public Report, clearly reflecting the changes, including any omitted material facts, together with such supporting information as may be required by the Commission. In addition, the Developer may choose at any time to change or update the information in this report. Annually, at least thirty days prior to the anniversary date of the Effective Date of this report, the Developer shall file an annual report to update the material contained in this report. If there are no changes, the Developer is required to state that there are no changes. The Developer's obligation to amend this report or to file annual reports ends when the initial sales of all units in the project have been completed.

Purchasers are encouraged to read this report carefully and to seek professional advice before signing a sales contract for the purchase of a unit in the project.

Signing a sales contract may legally bind a purchaser to purchase a unit in the project, though a purchaser may have rights to cancel or rescind a sales contract under particular circumstances that may arise.

This material can be made available for individuals with special needs. Please call the Senior Condominium Specialist at 586-2643 to submit your request.

SPECIAL ATTENTION

[Use this page for special or significant matters which should be brought to the purchaser's attention and that are not covered elsewhere in this report.]

1. The Condominium contains two kinds of units -- residential units and parking units. There will be 269 residential units and 246 parking units.

2. There are a total of 515 parking stalls in the Condominium's parking structure, including the 246 parking units. Each of the residential units will come with one parking stall as a limited common element appurtenant to the residential unit. Buyers of each of the 2 bedroom residential units will be required to also purchase a separate parking unit for an additional price. However, the Developer, in its sole and absolute discretion, can decide to discontinue and/or resume, at any time and from time to time, such required purchase of a parking unit by the buyers of the 2 bedroom units. Additional parking units may also be available for sale to any buyer of a residential unit in the Condominium or to any other person.

3. The Developer has established a common parking plan in the House Rules for use of the parking units and parking stalls in the parking structure on an unreserved basis, except for the Developer's parking stalls and parking units and the parking stall appurtenant to the resident manager's unit which will be reserved. See Exhibit M for further information regarding parking.

4. The Condominium is subject to that certain Declaration of Covenants, Conditions and Restrictions for the Country Club Village Community Area dated June 27, 1994, recorded in the Land Court as Document No. 2160554, as amended and restated by Amended and Restated Declaration of Covenants, Conditions and Restrictions for the Country Club Village Community Area dated July 25, 1994, recorded in the Land Court as Document No. 2170588 (the "Master Declaration"). As further described in the Master Declaration, the Master Declaration provides for the Country Club Village Community Facilities Maintenance Association (the "Master Association"), for mandatory membership by the Condominium

General Information On Condominiums

A condominium is a special form of ownership of real property. To create a condominium in Hawaii after July 1, 2006, the Condominium Property Act, Chapter 514B, Hawaii Revised Statutes, must be followed. In addition, certain requirements and approvals of the county in which the project is located must be satisfied and obtained.

Some condominium projects are leasehold. This means that the land and/or the building(s) and other improvements are leased to the purchaser. The lease for the land usually requires that at the end of the lease term, the lessees (unit owners) deliver their interest in the land to the lessor (fee property owner).

If you are a typical condominium unit owner, you will have two kinds of ownership: (1) ownership in your individual unit; and (2) a percentage interest in the common elements.

You will be entitled to exclusive ownership and possession of your unit. Subject to the documents governing them, condominium units may be individually bought, sold, rented, mortgaged or encumbered, and may be disposed of by will, gift or operation of law.

Your unit will, however, be part of the group of units that comprise the condominium project. Study the project's Declaration of Condominium Property Regime, Bylaws of the Association of Unit Owners, Condominium Map and House Rules, if any, which are being concurrently delivered to you with this report. These documents contain important information on the use and occupancy of the units and the common elements of the project, as well as the rules and regulations of conduct for unit owners, tenants and guests.

Operation of the Condominium Project

The Association of Unit Owners is the entity through which unit owners may take action with regard to the administration, management and operation of the condominium project. Each unit owner is automatically a member of the Association.

The Board of Directors is the governing body of the Association. Unless you serve as a board member or an officer, or are on a committee appointed by the board, your participation in the administration and operation of the condominium project will in most cases be limited to your right to vote as a unit owner. The Board and officers can take certain actions without the vote of the unit owners. For example, the Board may hire and fire employees, increase or decrease maintenance fees, adopt budgets for revenues, expenses and reserves and regulate the use, maintenance, repair and replacement of common elements. Some of these actions may significantly impact the unit owners.

Until there is a sufficient number of purchasers of units to elect a majority of the Board, it is likely at first that the Developer will effectively control the affairs of the Association. It is frequently necessary for the Developer to do so during the early stages of development and the Developer may reserve certain special rights to do so in the Declaration and Bylaws. Prospective purchasers should understand that it is important to all unit owners that the transition of control from the Developer to the unit owners be accomplished in an orderly manner and in a spirit of cooperation.

In some cases, a non-conforming structure that is destroyed or damaged cannot be reconstructed.</p> <p>If a variance has been granted or if uses, structures or lots are either non-conforming or illegal, the purchaser should consult with county zoning authorities as to possible limitations that may apply in situations such as those described above.</p> <p>A purchaser may not be able to obtain financing or insurance if the condominium project has a non-conforming or illegal use, structure or lot.</p>

3. CREATION OF THE CONDOMINIUM AND CONDOMINIUM DOCUMENTS

A condominium is created by recording in the Bureau of Conveyances (Regular System) or filing in the Office of the Assistant Registrar of the Land Court, or both, a Declaration of Condominium Property Regime, a Condominium Map and the Bylaws of the Association of Unit Owners. The Condominium Property Act (Chapter 514B, HRS), the Declaration, Bylaws and House Rules control the rights and obligations of the unit owners with respect to the project and the common elements, to each other, and to their respective units.

3.1 Declaration of Condominium Property Regime

The Declaration of Condominium Property Regime contains a description of the land, buildings, units, common interests, common elements, limited common elements, and other information relating to the condominium project.

3.2 Bylaws of the Association of Unit Owners

The Bylaws of the Association of Unit Owners govern the operation of the condominium project. They provide for the manner in which the Board of Directors of the Association of Unit Owners is elected, the powers and duties of the Board, the manner in which meetings will be conducted, whether pets are prohibited or allowed and other matters that affect how the condominium project will be governed.

3.4 House Rules

The Board of Directors may adopt rules and regulations (commonly called "House Rules") to govern the use and operation of the common elements and limited common elements. House Rules may cover matters such as parking regulations, hours of operation for common facilities such as recreation areas, use of lanais and requirements for keeping pets. These rules must be followed by owners, tenants, and guests. They do not need to be recorded or filed to be effective. The initial House Rules are usually adopted by the Developer. Changes to House Rules do not need to be recorded to be effective.

The House Rules for this project:

Are Proposed	<input checked="" type="checkbox"/>
Have Been Adopted and Date of Adoption	<input type="checkbox"/>
Developer does not plan to adopt House Rules	<input type="checkbox"/>

3.5 Changes to the Condominium Documents

Changes to Condominium Documents: Changes to the Declaration, Bylaws and Condominium Map are effective only if they are duly adopted and recorded. Where permitted, the minimum percentages of the common interest that must vote for or give written consent to changes to the Declaration, Bylaws and Condominium Map are set forth below. The percentages for any individual condominium project may be more than the minimum set by law if the Declaration or Bylaws for the project so provide.

Document	Minimum Set by Law	This Condominium
Declaration	67%	67%
Bylaws	67%	67%

3.6 Rights Reserved by the Developer to Make Changes to the Condominium Project or Condominium Documents

<input type="checkbox"/>	No rights have been reserved to the Developer to change the Declaration, Bylaws, Condominium Map or House Rules (if any).
<input checked="" type="checkbox"/>	Developer has reserved the right to change the Declaration, Bylaws, Condominium Map and House rules (if any) and to add to or merge the project or to develop the project in one or more phases, and such rights are summarized as follows: See Exhibit B

4. CONDOMINIUM MANAGEMENT

4.1 Management of the Common Elements

Management of the Common Elements: The Association of Unit Owners is responsible for the management of the common elements and the overall operation of the condominium project. The Association may be permitted, and in some cases may be required, to employ or retain a condominium managing agent to assist the Association in managing the condominium project.

The Initial Condominium Managing Agent for this project is (check one):

<input checked="" type="checkbox"/>	Not affiliated with the Developer
<input type="checkbox"/>	None (self-managed by the Association)
<input type="checkbox"/>	The Developer or an affiliate of the Developer
<input type="checkbox"/>	Other (explain)

4.2 Estimate of the Initial Maintenance Fees

Estimate of the Initial Maintenance Fees: The Association will make assessments against your unit to provide funds for the operation and maintenance of the condominium project. If you are delinquent in paying the assessments, a lien may be placed on your unit and the unit may be sold through a foreclosure proceeding. Initial maintenance fees are difficult to estimate and tend to increase as the condominium ages. Maintenance fees may vary depending on the services provided.

Exhibit 1 contains a breakdown of the estimated annual maintenance fees and the monthly estimated maintenance fee for each unit, certified to have been based on generally accepted accounting principles, with the Developer's statement as to when a unit owner shall become obligated to start paying the unit owner's share of the common expenses.

4.3 Utility Charges to be Included in the Maintenance Fee

If checked, the following utilities are included in the maintenance fee:

<input checked="" type="checkbox"/>	Electricity for the common elements
<input type="checkbox"/>	Gas for the common elements

5.6 Developer's Use of Purchaser Deposits to Pay for Project Construction Costs Before Closing or Conveyance

The Developer is required to deposit all moneys paid by purchasers in trust under a written escrow agreement with a Hawaii licensed escrow depository. Escrow shall not disburse purchaser deposits to the Developer or on behalf of the Developer prior to closing, except if a sales contract is canceled or if Developer has met certain requirements, which are described below.

5.6.1 Purchaser Deposits Will Not Be Disbursed Before Closing or Conveyance

<input type="checkbox"/>	<p>The Developer hereby declares by checking the box to the left that it shall use its own funds to complete the construction of the condominium project by the date indicated in Section 5.5 of this report, and the Developer, pursuant to its own analysis and calculations, certifies that it has sufficient funds to complete the construction of the condominium project.</p> <p><i>If the box is checked, Sections 5.6.2, which follow below, will not be applicable to the project.</i></p>
--------------------------	---

5.6.2 Purchaser Deposits Will Be Disbursed Before Closing

Hawaii law provides that, if certain statutory requirements are met, purchaser deposits in escrow under a binding sales contract may be used before closing to pay for certain project costs. For this project, the Developer indicates that purchaser deposits may be used for the following purposes (check applicable box):	
<input checked="" type="checkbox"/>	For new construction: to pay for project construction costs described in the Developer's budget and approved by the Developer's lender or an otherwise qualified, financially disinterested person; or
<input type="checkbox"/>	For conversions: to pay for repairs necessary to cure violations of county zoning and building ordinances and codes, for architectural, engineering, finance and legal fees, and for other incidental expenses.

In connection with the use of purchaser deposits (check Box A or Box B):

<p>Box A <input checked="" type="checkbox"/></p>	<p>The Developer has submitted all information and documents required by law and the Commission prior to the disbursement of purchaser deposits before closing. This means that the Developer may use such deposits before closing. If the Developer decides not to use purchaser deposits before closing, the Developer does not need to amend this report.</p> <p>If Box A is checked, you should read and carefully consider the following notice, which is required by law:</p> <p><u>Important Notice Regarding Your Deposits:</u> Deposits that you make under your sales contract for the purchase of the unit may be disbursed before closing of your purchase to pay for project costs, construction costs, project architectural, engineering, finance, and legal fees, and other incidental expenses of the project. While the developer has submitted satisfactory evidence that the project should be completed, it is possible that the project may not be completed. If your deposits are disbursed to pay project costs and the project is not completed, there is a risk that your deposits will not be refunded to you. You should carefully consider this risk in deciding whether to proceed with your purchase.</p>
<p>Box B <input type="checkbox"/></p>	<p>The Developer has <u>not</u> submitted all information and documents required by law and the Commission, and, until all such information and documents are submitted, thus, the Developer cannot use purchaser deposits.</p> <p>If the Developer later submits all information and documents required by law and the Commission for the use of purchaser deposits, then the Developer must provide an amendment to this report or an amended developer's public report to each purchaser who has signed a sales contract. At such time, the <u>Important Notice Regarding Your Deposits</u> set forth immediately above will apply to all purchasers and will be restated in the amendment to this report or an amended developer's public report. When an effective date for such an amendment or an amended developer's public report is issued, <u>you will not have the right to rescind or cancel the sales contract by reason of such submission and amendment.</u> (This, however, does not affect your right to rescind for material changes or any other right you may have to rescind or cancel the sales contract, as described in Section 5.8 below.) If the Developer decides not to use purchaser deposits before closing, the Developer does not need to amend this report.</p> <p>You should understand that, although the <u>Important Notice Regarding Your Deposits</u> set forth above does not currently apply to you, it might apply to you in the future, and, therefore, you should read and carefully consider it now to ensure that you understand the risk involved in deciding whether to proceed with your purchase.</p>

Material House Bond. If the Developer has submitted to the Commission a completion or performance bond issued by a material house instead of a surety as part of the information provided prior to the use of purchaser deposits prior to closing or conveyance of a unit, the Developer shall disclose the same below and disclose the impact of any restrictions on the Developer's use of purchaser deposits.

5.8 Purchaser's Right to Cancel or Rescind a Sales Contract

A purchaser's right to cancel a sales contract or to rescind a sales contract may arise under varying circumstances. In the sections below, some circumstances that will give rise to a purchaser's right to cancel or rescind are described, together with what a purchaser must do if the purchaser wishes to exercise any of the rights.

5.8.1 When a Sales Contract becomes Binding and Purchaser's 30-Day Right to Cancel a Sales Contract

A sales contract signed by a purchaser and the developer will not become binding on a purchaser or the Developer until the following events have taken place:

(1) The purchaser has signed the sales contract.

(2) The Developer has delivered to the purchaser a true copy of the developer's public report with an effective date issued by the Commission, together with all amendments to the report as of the date of delivery, and the project's recorded Declaration and Bylaws, House Rules (if any), the Condominium Map and any amendments to them to date (all of which are a part of the developer's public report). If it is impracticable to include a letter-sized Condominium Map, the Developer must provide written notice of an opportunity to examine the Condominium Map.

(3) The Developer has delivered to the purchaser a notice of the purchaser's 30-day cancellation right on a form prescribed by the Commission.

(4) The purchaser does at least one of the following:

(a) Waives the purchaser's right to cancel the sales contract within 30 days from receipt of the notice of the purchaser's 30-day cancellation right; or

- (b) Allows the 30-day cancellation period to expire without exercising the right to cancel; or
- (c) Closes the purchase of the unit before the 30-day cancellation period expires.

The purchaser or the Developer may cancel the sales contract at any time during the 30-day cancellation period, and the sales contract will be canceled and the purchaser's deposits returned to the purchaser, less any escrow cancellation fee and other costs associated with the purchase, up to a maximum of \$250.

5.8.2 Right to Cancel a Sales Contract if Completion Deadline Is Missed

In addition to the purchaser's 30-day cancellation right described in Section 5.8.1 above, when a sales contract is signed before completion of construction of a project, the purchaser will have the right to cancel if the unit is not completed by certain deadlines. In conversion projects, there must be a deadline for completion of any required repairs. Every sales contract shall contain an agreement of the Developer that the completion of construction shall occur on or before the completion deadline, and that completion deadline is set forth in this report in Section 5.5. The sales contract shall provide that the purchaser may cancel the sales contract at any time after the specified completion deadline, if completion of construction does not occur on or before the completion deadline, as the same may have been extended. Upon a cancellation, the purchaser's deposits shall be refunded, less any escrow cancellation fee and other costs associated with the purchase, up to a maximum of \$250.00.

5.8.3 Purchaser's Right to Rescind a Binding Sales Contract After a Material Change

If a "material change" in a project occurs after a purchaser has signed a sales contract that has become binding, the purchaser will have a 30-day right to rescind after notification and description of the material change. A material change is defined in the Condominium Property Act to be any change that "directly, substantially and adversely affects the use or value of (1) a purchaser's unit or appurtenant limited common elements; or (2) those amenities of the project available for the purchaser's use."

The purchaser will be informed of the material change by the developer on a form prescribed by the Commission containing a description of the material change.

After notice of the material change, the purchaser may waive the right to rescind by:

- (1) Checking the waiver box on the rescission form; or
- (2) Letting the 30-day rescission period expire, without taking any action to rescind; or
- (3) Closing the purchase of the unit before the 30-day rescission period expires.

The rescission form must be signed by all purchasers of the affected unit and delivered to the developer no later than midnight of the 30th calendar day after the purchasers received the rescission form from the developer. Purchasers who validly exercise the right of rescission shall be entitled to a prompt and full refund of any moneys paid.

A rescission right shall not apply in the event of any additions, deletions, modifications and reservations including, without limitation, the merger or addition or phasing of a project, made pursuant to the terms of the project's Declaration.

These provisions shall not preclude a purchaser from exercising any rescission rights pursuant to a contract for the sale of a unit or any applicable common law remedies.

6. MISCELLANEOUS INFORMATION NOT COVERED ELSEWHERE IN THIS REPORT

[Continued from page 1a "Special Attention"]

4. Association in the Master Association, and assessments by the Master Association for common expenses of the Master Association, including expenses in connection with the pool, other recreational facilities and other Community Facilities described in the Master Declaration, and with keeping and maintaining Likini Street Park. Master Association assessments are assessed to the Condominium Association, and will be a common expense of the Condominium Association assessed only to the residential units in the Condominium for so long as the parking units do not have access to the Community Facilities described in the Master Declaration. The Community Facilities of the Master Association include the following existing improvements located on the Land of this Condominium which are to be maintained by the Master Association, rather than the Condominium Association: sidewalk and 2 lampposts along the private road adjacent to the south side of the Land, and existing sign wall near the southeast corner of the Land approximately as shown on the Condominium map.

5. Certain pets are permitted in the Condominium subject to the restrictions in the Bylaws and the House Rules. See Exhibit N for further information regarding pets. The Bylaws may be amended by a vote or written consent of 67% of the interest in the common elements. The House Rules may be amended by a majority of the Board of Directors.

6. The wall located at the corner of Ala Napunani and Ala Makahala Streets and the sign located on the wall and its light regarding the availability of monthly parking shall be limited common elements appurtenant to the parking units owned by Developer for so long as Developer owns any parking unit. At such time as Developer no longer owns any parking unit, the wall, sign and light shall become common elements. The cost of maintaining and repairing the wall, sign, and light, including the cost of any electricity for the wall, sign and light, will be a common expense of the Association as a whole.

7. The maintenance fees for each residential unit have been calculated based upon the assumption that a two bedroom unit would be occupied by not more than 5 persons and a one bedroom unit would be occupied by not more than 3 persons. If such units are occupied by more than such assumed number of persons, the Association, through the Managing Agent, may charge an excess occupancy charge as provided in the House Rules. See Exhibit G for further information regarding the excess occupancy charge.

8. The project is not complete, the expected completion date is March 2009. Deposits that you make under your sales contract for the purchase of the unit may be disbursed before closing of your purchase to pay for project costs. While the developer has submitted satisfactory evidence that the project should be completed and this evidence, including a performance bond, may be reviewed in the project file at the Real Estate Commission it is possible that the project may not be completed. See page 18 of this public report.

The Developer declares subject to the penalties set forth in Section 514B-69, HRS, that this project conforms to the existing underlying county zoning for the project, zoning and building ordinances and codes and all applicable permitting requirements adopted by the county in which the project is located, all in accordance with Sections 514B-5 and 32(a)(13), HRS.

For any conversion, if any variances have been granted, they are specified in Section 1.14 of this report, and, if purchaser deposits are to be used by the Developer to cure any violations of zoning, permitting requirements or rules of the county in which the project is located, the violation is specified in Section 1.15 of this report, along with the requirements to cure any violation, and Section 5.5 specifies the date by which the cure will be completed.

The Developer hereby certifies that all the information contained in this report and the exhibits attached to this report and all documents to be furnished by the Developer to purchasers concerning the project have been reviewed by the Developer and are, to the best of the Developer's knowledge, information and belief, true, correct and complete. EXHIBIT A

Description of Units, Areas, Parking Stall Assignments and Common Interests

1. Description of Units. The Condominium establishes a total of two hundred sixty-nine (269) residential units and two hundred forty-six (246) parking units, as shown on the Condominium Map. Each unit is designated as a separate freehold estate.

(a) Description of Residential Units. Each residential unit consists of the spaces within the perimeter and party walls, windows, doors, floors and ceilings of the respective residential unit as shown on the Condominium Map.

Each residential unit is designated on the Condominium Map by a unit number consisting of either a three or four digit number. Each unit as so designated and identified by a unit number is located in the Condominium as shown on the Condominium Map.

Each type 05, 07, 10, and 11 unit shall have two bedrooms, one and one-half bathrooms, a living/dining room, a kitchen and a lanai.

Each type 01, 02, 04, 14 (except Units 104 and 114), 15 and 16 unit shall have two bedrooms, one bathroom, a living/dining room, a kitchen and a lanai.

Units 104 and 114 shall have one bedroom, one bathroom, a storage room, a living/dining room, a kitchen and a lanai.

Each type 03, 06, 08, 09, 12, and 13 unit shall have one bedroom, one bathroom, a living/dining room, a kitchen and a lanai.

Each unit will have the number of rooms (exclusive of lanais), approximate net living floor area in square feet (exclusive of lanais), and approximate net lanai floor area in square feet set forth below.

The approximate net living floor areas set forth below are based on measurements taken from the undercoated or unfinished interior surface of all perimeter or party walls, except that no reduction has been made to account for interior walls, ducts, vents, shafts and the like located within the perimeter walls and/or vertical planes. All approximate net lanai floor areas set forth below are based on measurements taken from the inner surfaces of all perimeter and party walls and boundaries of the lanai areas. All floor areas set forth below are not exact but are approximations based on the floor plans of each type of unit. All floor areas set forth below have also been rounded to the lowest full square foot where the approximation of such floor areas exceed a square foot by any fraction of a square foot. For these reasons, the measurements of the floor areas set forth below may not follow the designation of the limits of the units (the legally designated areas of the units) set forth below, and the floor areas set forth below may be different from the actual floor areas of the units as constructed.

Each residential unit will have immediate access through the walkways, corridors, stairways and/or elevators of the Residential Tower which lead to the lobby areas and other common elements of the Condominium to public streets.

(b) Description of Parking Units. Each parking unit consists of the spaces within the boundary lines, floors and ceilings of the respective parking unit as shown on the Condominium Map.

Each parking unit is designated on the Condominium Map by a unit number consisting of a three digit number (except parking unit 723A), some of which are followed by a "C". The "C" type parking units are compact parking stalls. The parking units with no "C" designation are regular stalls. Parking units 210, 662 and 710 are handicap stalls. Each unit as so designated and identified by a unit number is located in the Condominium as shown on the Condominium Map.

Each parking unit will have the approximate floor area in square feet as set forth below.

Each parking unit will have immediate access through the walkways, corridors, stairways and/or elevators of the Parking Structure which lead to the lobby areas and other common elements of the Condominium to public streets.

(c) Description of Parking Stalls

The Condominium includes a seven (7) level parking structure (the "**Parking Structure**") containing a total of five hundred fifteen (515) parking stalls [three hundred seven (307) regular stalls, two hundred one (201) compact stalls, and seven (7) handicapped stalls, seven (7) of which shall be used as standard stalls until such time as a unit owner presents proof of need for a handicapped stall and a stall is designated and marked accordingly], including the 246 parking units. Stalls numbered 659 through 678 on the sixth level of the Parking Structure, and 701 through 759 on the seventh level of the Parking Structure, as shown on the Condominium Map, shall be uncovered stalls. Twenty-Eight (28) additional outdoor parking stalls are located on the ground level of the Land.

Each parking stall is designated on the Condominium Map by a number consisting of a three digit number (except parking stall 723A), some of which are followed by a "C". The "C" type parking stalls are compact parking stalls. The parking stalls with no "C" designation are regular stalls. Parking stalls 210, 310, 410, 510, 610, 662 and 710 are handicap stalls. Each stall as so designated and identified by a number is located in the Condominium as shown on the Condominium Map.

(d) Description of Common Interest

Paragraph 7 of the Declaration states as follows:

"7. Common Interest. Each unit shall have appurtenant thereto an undivided interest in the common elements of the Condominium as shown in Exhibit C hereto (hereinafter referred to as the "**common interest**") and, except as herein expressly provided for in this Declaration,

including Section 13 of this Declaration, the same proportionate share in all common profits and expenses of the common elements of the Condominium and the same proportionate interest for all other purposes, including, without limitation, voting. Since the parking units do not have access to all of the common elements, the common interest apportioned to the parking units are not in proportion to their relative area.”

The common interest of each unit is also set forth below.

(e) Exhibit C of the Declaration. Exhibit C of the Declaration provides as follows:

1. Paragraph 21 of the Declaration, states in part:

“[A]t any time prior to the issuance of an effective date for the Developer’s Public Report by the Real Estate Commission of the State of Hawaii, Declarant may amend this Declaration and the Bylaws in any manner; and provided, further, that no amendment of the Declaration, the Bylaws, the House Rules or Condominium Map shall, without Declarant’s prior written consent, limit, affect or impair the reserved rights of Declarant under this Declaration; provided further, however, that the written consent of eligible holders of first mortgages (as defined below) on units to which at least fifty-one percent (51%) of the common interests appurtenant to units subject to mortgages held by such eligible holders shall be required to materially amend any provision herein, or to add any material provisions hereto, which establish, provide for, govern or regulate any of the following in a manner materially different than provided herein: (a) voting; (b) assessments, assessment liens or subordination of such liens; (c) reserves for maintenance, repair and replacement of the common elements; (d) insurance or fidelity bonds; (e) reallocation of interests in or the right to use of the common elements and limited common elements; (f) responsibility for maintenance and repair of the several portions of the Condominium; (g) expansion or contraction of the Condominium or the addition, annexation or withdrawal of property to or from the Condominium not otherwise provided for herein; (h) boundaries of any unit; (i) the interests in the common elements or limited common elements; (j) convertibility of units into common elements or of common elements into units; (k) leasing of units; (l) imposition of any right of first refusal or similar restriction on the right of a unit owner to sell, transfer or otherwise convey such unit owner’s unit not otherwise provided for herein; (m) a decision to end professional management and adopt self-management; (n) restoration or repair of the Condominium in a manner other than that specified herein; and (o) any provisions that expressly benefit mortgage holders, insurers or guarantors. An “eligible holder of first mortgage” is defined in this paragraph 21 as a first mortgagee which has made a written request to the Association for timely written notice of proposed amendments to the condominium documents. Notwithstanding the foregoing and notwithstanding the sale and conveyance of any of the units, this Declaration (including the Bylaws and, when applicable, the Condominium Map) may be amended by Declarant (a) by filing the verified statement of a licensed architect, engineer or surveyor (with plans, if applicable) required by Section 514B-34 of the Act, certifying that the condominium property regime map previously recorded, as amended by the revised pages recorded with the amendment, if any, or being recorded simultaneously with such statement, fully and accurately depict the layout, location, boundaries, dimensions and numbers of the units substantially as built; or (b) to effect any change or amendment required by an administrative agency of any county, state or federal government or by any territory, possession, or foreign country or other foreign jurisdiction or a mortgagee of the fee or leasehold interests in the Land as a condition to governmental approvals, marketing the Condominium or making a loan to finance the construction and/or the sales of the Condominium. Notwithstanding the foregoing, any amendment of this Declaration (including the Bylaws and, when applicable, the

Condominium Map) shall require the prior written consent of Declarant during the ten (10) year period from and after the date this Declaration is recorded.”

2. Paragraph E.16.a of the Sales Contract provides:

“(1) At any time prior to the conveyance of all of the units in the Project to persons other than Seller or any mortgagee of Seller, Seller reserves the right to modify the Condominium Documents as may be required by law, the Real Estate Commission, a title insurance company, an institutional mortgagee or any governmental agency and Buyer authorizes Seller to make and specifically approves all changes to said documents and the Condominium.

“(2) Seller reserves the right to amend or change the common interest appurtenant to, the limited common interest assigned to, the configuration of, the number of rooms of, the size of or the location of any unit in the Project for which a unit deed has not been recorded in the Office of the Assistant Registrar of the Land Court of the State of Hawaii (the “Recording Office”).

“(3) Seller reserves the right to require alterations of the Condominium (and to modify any of such Condominium Documents accordingly) to change the configuration of, to alter the number of rooms of, to decrease or increase the size of, or to change the location of any other unit and/or parking area, and to make other minor changes in Buyer’s Unit, any of the other units, or the common elements.

“(4) Buyer acknowledges that the Condominium architect in his sole discretion may: (i) make any changes he deems appropriate in the common elements of the Condominium (including without limitation the lobbies, the landscaping, the parking areas, whether such changes relate to financial or aesthetic considerations) and (ii) may increase or decrease the thickness of any foundation, wall, column or floor slab within or outside the Unit resulting in the room dimensions becoming smaller or larger than those shown on the Condominium Map, or resulting in a building height or elevation different from those shown on the Condominium Map or stated in the Declaration. The Condominium architect may make changes necessary to correct any design errors or other shortcomings; and the Condominium architect may vary the type of window glass and install different types of glass throughout the Condominium to achieve the best combination of energy savings and aesthetics. Buyer hereby authorizes and specifically approves any such changes.

“(5) Seller reserves the right to deviate from the plans and specifications for the Condominium and to substitute materials of equal utility and service, without Buyer’s consent or approval, subject, however, to the above provisions. Seller may increase or decrease the number of parking stalls.

“(6) Buyer hereby irrevocably appoints Seller as Buyer’s attorney-in-fact, coupled with an interest, to execute any documents reasonably necessary or convenient to implement the foregoing provisions and any requirements which may be imposed by any governmental agency in connection with the Condominium.

“(7) Notwithstanding subparagraphs E.16.a(1), (2), (3) or (4) above, any such modification shall be subject to Buyer’s right to rescind pursuant to paragraph E.17 herein and to Section 514B-87 of the Act.”

3. Section 9.d of the Declaration provides:

“d. Any provision of Section 21 or other provisions of this Declaration to the contrary notwithstanding, so long as Declarant is the owner of all units in the Condominium, Declarant reserves the right, in Declarant’s sole and absolute discretion, and without the joinder or consent of any other person holding any right or interest in the Condominium, to amend this Declaration and the Bylaws, including amend and restate this Declaration and/or the Bylaws in their entirety: (i) to change any or all of the parking units to limited common elements appurtenant to the residential units and ratably allocate the common interest appurtenant to such parking units to the residential units, whereupon all references in the Declaration to parking units shall become references to such limited common element parking stalls; and (ii) if and to the extent agreed upon with the Master Association (as defined in Section 31 of the Declaration), to exclude the Condominium from membership in the Master Association and use of the pool, recreation facilities and other Community Facilities as defined in the Master Declaration.”

ADDITIONAL RESERVED RIGHTS OF DEVELOPER

1. Paragraph 8 of the Declaration states in part as follows:

“f Declarant shall have the right to conduct extensive sales activities on the Condominium, including, without limitation, the use of model units, sales and management offices, and extensive sales displays and activities until the earlier of seven (7) years from the date of recordation of this Declaration or the closing of the sale of the last unsold unit in the Condominium.

“g Declarant, its agents, employees, contractors, licensees, successors and assigns shall have an easement over, under and upon the Condominium as may be reasonably necessary for the completion of improvements to and correction of defects in the Condominium for a period of ten (10) years from the date of recordation of this Declaration.

“h For a period of ten (10) years from the date of recordation of this Declaration, Declarant, its agents, employees, contractors, licensees, successors and assigns shall have an easement over, under and upon the Condominium or any portion thereof, to create and cause noise, dust and other nuisances created by and resulting from any work connected with or incidental to the development, construction and sale of any unit or other improvements in the Condominium, and each unit owner, lessee, mortgagee, lien holder or other person with an interest in the Condominium waives any right, claim or action which such person may have or acquire against Declarant, its agents, employees, contractors, licensees, successors and assigns as a result of such activity or activities.

“i. For a period of ten (10) years from the date of recordation of this Declaration, Declarant shall have, incidental to the development and construction of the Condominium, the

right to designate and grant easements, exclusive or nonexclusive, for electrical, gas, telephone, cable television, communications and other utility purposes, and easements for sanitary sewer, drainage and drainline, waterline, and flowage purposes over, under, across, along, upon and through the Condominium, and together also with the rights of reasonable access thereto in connection with the exercise of said easement rights; provided however, that such easement rights must be exercised in such manner as to not reasonably interfere with the use of the Condominium by the unit owners and those claiming by, through or under the unit owners, in connection with the installation, maintenance or repair of any facilities pursuant to any of said easements of the Condominium shall be promptly restored by and at the expense of the person owning and exercising such easement rights to substantially the same condition as was the Condominium immediately prior to the exercise thereof. Each and every party acquiring an interest in the Condominium, by such acquisition, consents to such granting and/or realignment of easements and/or rights of way as provided in this paragraph and to the recordation of any and all documents necessary to effect the same, including any amendment or amendments of this Declaration; agrees to execute such documents and instruments and do such other things as may be necessary or convenient to effect the same; and appoints Declarant, its successors and assigns as such party's attorney-in-fact with full power of substitution to execute such documents and instruments and to do such things on such party's behalf, which grant of such power, being coupled with an interest, is irrevocable for the term of said reserved rights, and shall not be affected by the disability of such party or parties."

2. Paragraph 10 of the Declaration provides in part as follows:

"k. Any provision of this Declaration to the contrary notwithstanding, Declarant may lease the right to use any parking stalls that are appurtenant to its residential units or any parking unit owned by Declarant to occupants of the Condominium or to others on a monthly basis, and shall not be subject to any Parking Pool arrangement or to payment of any Garage Administration Fee unless Declarant in its sole and absolute discretion, elects to submit such parking stall or parking unit to rental through a parking rental program instituted by the Managing Agent. Declarant must notify the Managing Agent of the identity of the lessee together with such lessee's vehicle description, and length of anticipated use and such other information as the Managing Agent or the Association shall reasonably request.

"l. As to any parking units owned by Declarant, Declarant shall have the right from time to time to elect to submit or withdraw such parking units to or from management by the Managing Agent, by giving at least thirty (30) days prior written notice to the Managing Agent of such election and the effective date of such submittal or withdrawal. For each month that the Managing Agent collects rental income from the rental of parking stalls in the Condominium, the Managing Agent shall pay to Declarant a sum (the "**Rental Income to Declarant**") equal to the lesser of: (i) the total rental income from the rental of any parking stalls in the Condominium for that month, less the Garage Administration Fee payable by Declarant equal to six percent (6%) of the rental income from such rental of the parking units; or (ii) the prevailing monthly rental rate per parking stall multiplied by the number of Declarant's parking units submitted to rental through a parking rental program instituted by the Managing Agent, less the Garage Administration Fee payable by Declarant equal to six percent (6%) of the rental income from such rental of the parking units. **In each month that Declarant's parking units are submitted**

to the Managing Agent’s parking rental program, the Declarant shall be entitled to receive the Rental Income to Declarant before any parking rental income is payable to any other owner in the parking rental program.”

3. Paragraph 23 of the Declaration, provides:

“Declarant’s Right to Retain or Acquire Unit Ownership. Declarant reserves the right to retain or acquire the ownership of any number of units in the Condominium. Declarant shall be entitled to make such use of the units retained or acquired as Declarant, in its sole discretion, sees fit; provided that Declarant shall comply with all rules and regulations established for the governance of the Condominium.”

4. Paragraph 24 of the Declaration, provides:

“Declarant’s Repurchase Option. Declarant shall have the right to repurchase a unit from a unit owner for a period of ten (10) years from the date this Declaration is recorded upon the following terms and conditions, if and only if a unit owner shall have made a complaint to Declarant about the physical condition and/or design of such unit owner’s unit or the Condominium or any matter in connection with the unit or the Condominium and Declarant after a good faith and diligent effort shall be unable to rectify the complaint to such unit owner’s satisfaction within a reasonable period of time, as determined by Declarant in the exercise of its sole discretion. The exercise of said option shall be as follows:

“a. Option Notice. Declarant shall give such unit owner written notice of Declarant’s exercise of its option to repurchase such unit owner’s unit.

“b. Option Closing. The closing of the purchase shall be no earlier than six (6) months nor later than nine (9) months from the date of delivery of Declarant’s written notice of its exercise of the option. The closing costs shall be apportioned between such unit owner and Declarant in accordance with customary practice in the State of Hawaii.

“c. Option Purchase Price. The purchase price for the unit shall be a price equal to the aggregate of (i) the price (the “**Price**”) at which the unit owner purchased the unit which is proposed to be transferred, (ii) the cost of any improvements added by the unit owner to the unit proposed to be transferred, and (iii) five percent (5%) per annum simple interest on the portion of the Price paid in cash from time to time by the unit owner for the unit proposed to be transferred from the date so paid until the date such unit is sold to Declarant. The purchase price shall be paid in cash at the closing.

“d. Purchase of Appliances. All appliances originally sold with the unit (or their replacements) shall remain in the unit at the date of closing and shall be a part of the property purchased by Declarant as evidenced by the standard conditions of the form of residential purchase contract used by the Honolulu Board of Realtors or similar group at the time of exercise of the option.

“e. Option Binding on Successors and Assigns. This right to repurchase given by each unit owner shall be binding upon each and every unit owner, such unit owner’s heirs,

personal representatives, successors and assigns (including, without limitation, any subsequent owners of the unit), and shall be an encumbrance upon the unit.

“f. Assignment of Option. Declarant’s right to repurchase may be assigned by Declarant without the prior written consent of any unit owner or any other person; provided, however, that upon the exercise of the right of repurchase granted hereunder, the person exercising such right shall provide to the unit owner and unit owner’s mortgagee a copy of the assignment instrument by which such person acquired the right to repurchase hereunder.

“g. Mortgagee Protection. Declarant’s right to repurchase a unit granted by this paragraph 24 shall be subordinate to the interest of any mortgagee of record. Declarant shall not exercise its right to purchase a unit under any option granted under this paragraph 24 if prior to or within sixty (60) days of giving notice to a unit owner and such owner’s mortgage lender of Declarant’s intent to exercise such option, the mortgage lender has commenced a foreclosure action against the unit. Notwithstanding the formula for calculation of the purchase price set forth in subparagraph 24.c above, the purchase price shall, at a minimum, be sufficient to satisfy the affected unit owner’s purchase money mortgage or mortgages. The restrictions prescribed in this paragraph 24 shall be automatically extinguished upon any transfers of title to a mortgage holder or other party pursuant to a mortgage foreclosure, foreclosure under power of sale, or a conveyance in lieu of foreclosure after a foreclosure action is commenced, or when a mortgage is assigned to a federal housing agency. Any provision herein to the contrary notwithstanding, a mortgagee under a mortgage covering any interest in the unit prior to commencing mortgage foreclosure proceedings, may notify Declarant in writing of (i) any default of the mortgage under the mortgage within ninety (90) days after the occurrence of the default and (ii) any intention of the mortgagee to foreclose the mortgage; provided that the mortgagee’s failure to provide such written notice to Declarant shall not affect such holder’s rights under the mortgage.”

5. Paragraph E.18 of the Sales Contract states in part as follows:

“a. Seller, its agents and Seller’s mortgage lender have reserved the right and easement to conduct extensive activities on or from the Condominium, including the common elements, in connection with the sale or leasing of the Units in the Condominium, including the use of model units, sales, leasing and management offices, parking stalls and extensive sales and leasing displays and other activities. These rights and easements may exist until all of the units in the Condominium are sold or leased.

“b. Seller has reserved the right to grant rights-of-way and other easements over, under, across, or through the common elements for any reasonable purpose; provided, however, that such right is subject to, and may not be exercised in any manner which is inconsistent with, in derogation of or which would limit, abrogate or interfere with, the exclusive use of any limited common elements or any rights or easements reserved in favor of any owner.

“c. Seller has reserved an easement over and upon any portion of the Condominium, including the common elements and any Unit, as may be reasonably necessary for the completion of any improvements to and correction of defects and other punch-list items in the common elements or any unit in the Condominium.

“d. In the event Buyer disputes the terms of this Agreement or refuses to perform any of Buyer’s obligations hereunder prior to Final Closing, Seller shall have the right, but not the obligation, to cancel this Agreement in which event Seller shall refund, without interest, Buyer’s deposit and any other funds advanced by Buyer under this Agreement. This right is without limitation to Seller’s right to declare a default on the part of Buyer pursuant to the paragraph E.22 hereof.

“e. Seller shall have the right to repurchase the Unit from Buyer upon the terms and conditions as set forth in the Declaration. This right shall include the right to exercise this option to repurchase if and only if Buyer shall have made a complaint to Seller about the physical condition of Buyer’s unit or the Condominium or any matter in connection with the unit or the Condominium and Seller shall be unable to rectify the complaint to Buyer’s satisfaction within a reasonable period of time, as determined by Seller in the exercise of its sole and absolute discretion.”

6. Buyers shall acknowledge the following conditions in paragraph E.16 of the Sales Contract:

“b. **The Declaration and the Condominium Map as the Only Description of the Unit and Condominium.** Buyer acknowledges that this sale of the Unit may be a “pre-sale”, i.e., a sale of a condominium unit in a Condominium which is yet to be built and which has not been completed. Buyer expressly agrees that the description of the Unit, as contained in the Declaration and the Public Report(s), is intended to be the sufficient and the definitive description, as against any other map, artist’s rendering or other descriptive document. The Unit, therefore, is being purchased with reliance solely on the description contained herein, in the Declaration and Public Report and on the Condominium Map (without regard to any other portions of the plans and specification of the Condominium), as hereinafter set forth. Buyer acknowledges that the version of the Condominium Map on file at the Real Estate Commission at the time of the issuance of a Public Report may be a preliminary version and that the final version of the Condominium Map will be filed with the Real Estate Commission and recorded in the Office of the Assistant Registrar of the Land Court of the State of Hawaii after issuance of the Public Report. Buyer agrees to accept modifications in the specifications and design both before and after the Effective Date as long as the overall value of the Property is maintained. Buyer is aware that in the course of construction, changes will be made to plans and specifications, and acknowledges Seller’s rights to make such changes both before and after the Effective Date, in Seller’s discretion, subject only to any right to cancellation and refund as may be provided in paragraph E.17 of this Agreement and by Section 514B-87.”

“c. **Conditions Acknowledged by Buyer.** Buyer specifically acknowledges and accepts the following conditions, as well as any inconvenience or annoyance which Buyer may experience as a result of such conditions, and expressly waives any rights, claims or action which Buyer might otherwise have against Seller or third parties as a result of such circumstances:

(1) Other units in the Condominium (including units similar or comparable to Buyer’s Unit) may be sold by Seller to other buyers upon terms and conditions different from or more favorable than the terms and conditions offered to Buyer. Buyer agrees to release Seller

from any claim arising therefrom and waives any right to require any change in any of the terms and conditions of this Agreement on account thereof.

(2) The Condominium is to be provided with a professionally designed security system which is intended to discourage access to the Condominium by unauthorized persons without undue inconvenience to authorized residents and guests. Despite the foregoing, Buyer understands that neither the Association nor Seller shall in any way be considered insurers or guarantors of safety or security within the Condominium, and neither the Association nor Seller shall be held liable for any loss or damage by reason of failure to provide adequate security or ineffectiveness of security measures undertaken.

(3) It is possible that construction of the units in the Condominium may be completed before completion of portions of the common elements. Notwithstanding that construction of certain common elements may not be completed, Buyer understands and agrees that Buyer may be required to close on Buyer's purchase of the Unit if the other conditions of purchase are met."

7. Manager's Unit. Declarant will own Unit 104 or 114 on the ground floor and lease the Unit to the Association for use as the resident manager's apartment pursuant to a standard rental agreement for five (5) years at a rent of \$900.00 per month, which rental will be a common expense of the Association. Thereafter, the lease will be a month to month rental.

EXHIBIT D

PERMITTED ALTERATIONS OF THE UNITS

1. Paragraph 19 of the Declaration states as follows:

“a. General. Except as otherwise provided in this Declaration or the Act or as otherwise required by law, neither the Association nor any unit owner shall perform any of the following acts except pursuant to plans and specifications therefor approved in writing by the Board of Directors or Declarant:

“(1) repairing, replacing or rebuilding any unit or any of the common and limited common elements in a manner different in any material respect from the Condominium Map;

“(2) engaging in any alterations which will affect the structural integrity of any unit or the common and limited common elements;

“(3) constructing on the common and limited common elements any new building or structure; or

“(4) enclosing any lanai, balcony, patio or parking stall.

“Upon the completion of any such work, there shall be filed with the Board a final “as built” set of the plans and specifications for such work, and if any such work should constitute a material alteration to the Condominium as shown on the Condominium Map (as determined by the Board), the Association or unit owner, as the case may be, shall file an amendment to this Declaration describing such alteration and amending the Condominium Map to show such alteration, together with a certificate signed by a registered architect and engineer, certifying that the plans showing such alterations accurately reflect such alterations, as built. Such amendment shall be signed by the Association or the unit owner, as the case may be, and approved by the Board of Directors or Declarant, and no consent or joinder of any other unit owner or person shall be required. Except as otherwise provided in this Declaration, the Bylaws and the House Rules, each unit owner shall be free, with the consent of all mortgagees of record of any interest in such unit owner’s unit, to make such alterations and improvements within such unit owner’s unit or within or on the limited common elements appurtenant thereto, without the consent or joinder of the Board of Directors, the Association, any unit owner, Declarant or any other person.”

“b. Certain Work Prohibited. Notwithstanding anything to the contrary in this Declaration, no unit owner (a) shall do any work which could jeopardize the soundness or safety of the Condominium, reduce the value thereof, impair any easement, as reasonably determined by the Board, (b) shall add any material structure or excavate any basement or cellar, (c) shall enclose any lanai, balcony or patio, or (d) shall rebuild, repair or restore the Condominium in the event of substantial or total destruction of the Condominium, without in every such case obtaining the prior consent of sixty-seven percent (67%) of the unit owners, together with the prior written consent of all mortgagees of record and unit owners whose units or limited common elements appurtenant thereto are directly affected; provided that nonmaterial additions or

alterations to the common elements or units, including, without limitation, additions to or alterations of a unit made within the unit or within a limited common element appurtenant to and for the exclusive use of the unit, shall require approval only by the Board of Directors and such percentage, number or group of unit owners or other parties as may be required by this Declaration or the Bylaws. As used in this subparagraph, “nonmaterial additions and alterations”, means an addition to or alteration of the common elements or a unit that does not jeopardize the soundness or safety of the Condominium, reduce the value thereof, impair any easement, detract from the appearance of the Condominium, interfere with or deprive any nonconsenting owner of the use or enjoyment of any part of Condominium, or directly affect any nonconsenting unit owner. Notwithstanding anything in this Declaration to the contrary, no alterations or changes of any nature under any circumstances shall be made to the structural elements of the Residential Tower or Parking Structure, including, without limitation, roofs, floors, supporting walls, foundations, columns, girders, floor slabs, supports, perimeter, party or load bearing walls and partitions without first obtaining the certification from a licensed structural engineer reasonably acceptable to the Association that the plans for such alterations or changes will not in any way diminish the present structural integrity of the Residential Tower, the Parking Structure and the elements therein. Notwithstanding anything in this Declaration to the contrary, no storage or alterations or changes of any nature under any circumstances, including any lanai enclosures, shall be made that would violate the fire sprinkler requirements of the Building Code.”

“c. Connection between Residential Units.

“(1) The owner of any two or more adjacent residential units separated by a common element which is a wall may, with the consent of all mortgagees of record of any interest in such owner’s units, alter any portion of the intervening wall if the structural integrity of the common elements or any other unit in the Condominium will not thereby be adversely affected and if the finish of the common element then remaining is placed in a condition substantially comparable to that of the common element prior to such alterations. As used above, “adjacent residential units” does not include units which are located above and beneath one another on different floors.

“(2) Prior to commencing any such alteration or removal, the unit owner shall provide to the Board (a) a certification in form and consent reasonably satisfactory to the Board signed by an architect or engineer duly registered in the State of Hawaii, that such alteration or removal will not adversely affect the structural integrity of the common elements or any other unit in the Condominium, (b) satisfactory evidence that all governmental approvals required for such alteration or removal have been duly obtained, and (C) if the cost of such alteration or removal, as reasonably determined by the Board of Directors, shall exceed the sum of \$25,000.00, the Board of Directors may require that the owner provide evidence satisfactory to the Board of Directors of sufficient financing to complete such alteration or removal or, in lieu thereof, require that the owner obtain a performance and lien payment bond, naming as obligees Declarant and the Board of Directors and the Association and collectively all unit owners and their respective mortgagees of record, as their interests may appear, for a penal sum of not less than one hundred percent (100%) of the estimated cost of such alteration or removal. Such alteration or removal may be undertaken without the necessity of an amendment to this

Declaration or the Condominium Map and, except as otherwise provided in this paragraph 19, without the consent or joinder of the Association, the Board, Declarant or any other person.

“(3) If any intervening wall between adjacent residential units shall have been altered pursuant to the foregoing provisions, then prior to the termination of the common ownership of such adjacent residential units, the owner of such units shall restore such intervening wall to substantially the same condition in which the same existed prior to such alteration or removal unless the purchaser of such units shall agree in writing to forego such restoration.

“(4) Notwithstanding any alteration or additions permitted under this subparagraph 19.c, such shall not affect the common interest or limited common interest allocable to any unit.”

“d. Removal of Certain Trees Prohibited. Except as otherwise provided in this Declaration or the Act or as otherwise required by law, neither the Association nor any unit owner shall remove any of the seven (7) large trees (the “**Designated Trees**”) on the Condominium shown on the Condominium Map, without in every such case: (a) replacing the same with the same type of tree that is mature and has a tree trunk that is at least six (6) inches in diameter (a “Comparable Tree”), in which case such replacement Comparable Tree shall become a Designated Tree; and (b) obtaining the prior consent of seventy-five percent (75%) of the unit owners, together with the prior written consent of all mortgagees of record. Notwithstanding the foregoing, the Association, acting through the Board, may remove a Designated Tree and replace it with a Comparable Tree without such consent if the Designated Tree is a hazard to the public safety or welfare, or if a Designated Tree is dead, diseased or otherwise irretrievably damaged. The Association may also remove a Designated Tree and replace the same with a different tree if the Association obtains the prior consent of sixty-seven percent (67%) of the unit owners, together with the prior written consent of all mortgagees of record. Upon any such permitted removal without replacement by a Comparable Tree, the Association or unit owner, as the case may be, shall file an amendment to this Declaration describing such removal or replacement and amending the Condominium Map to show such removal or replacement. Such amendment shall be signed by the Association or the unit owner, as the case may be, and approved by the Board of Directors or Declarant, and no consent or joinder of any other unit owner or person shall be required.”

“e. Floor Covering and Sound Transmission. All residential unit owners must minimize the transmission of footsteps and other floor sounds into neighboring units below. Any owner or occupant of a residential unit (except the units on the first floor) who wishes to change the floor covering on any floor areas that customarily have carpeting with cushion padding, must first: (1) provide written evidence that the new floor covering shall have sound absorbent material and will not exceed the maximum decibel level to be established as described in the House Rules, and (2) obtain the Board’s prior written approval of such floor covering change. The Board shall have the right to require that any new floor covering installed without the Board’s prior written approval shall be removed at the owner’s expense.”

EXHIBIT E

One freehold estate is hereby designated in all common elements of the Condominium, which include all portions of the Condominium other than the units (except as herein specifically included), and all other common elements mentioned in the Act which are actually included in the Condominium, including specifically, without limitation:

LIMITED COMMON ELEMENTS

Paragraph 6 of the Declaration states as follows:

“6. Limited Common Elements. Certain parts of the common elements, herein called and designated “limited common elements”, are hereby set aside and reserved for the exclusive use of certain units, and such units shall have appurtenant thereto exclusive easements for the use of such limited common elements. The limited common elements so set aside and reserved are as follows:

“a. Each of the parking stalls designated on Exhibit C shall be a limited common element appurtenant to and reserved for the exclusive use of the unit to which it is assigned, as set forth in Exhibit C subject to the right of the unit owners to transfer parking stalls from one unit to another as set forth in Section 9.b of this Declaration or as provided in the Act. Each unit shall always have at least one (1) parking stall appurtenant to it. The use of the parking stalls shall be governed by the provisions of Section 28 of this Declaration.

“b. The common elements of the Condominium which are rationally related to less than all of said units shall be limited to the use of such units.

“c. “All limited common elements described in Section 4(a), Column (B).

“d. Units numbered 101, 102, 115 and 116 on the ground floor, and each unit with a unit number containing the last two digits 01, 02, 15 and 16 on floors 2 through 17 as shown on the Condominium Map, shall have appurtenant thereto and reserved for its exclusive use a water heater within a closet or closets located off the common corridors as shown on the Condominium Map; provided, however, that access to such water heater shall be subject to such rules established by the Association of Unit Owners of Country Club Village 6 (hereinafter referred to as the “**Association**”) from time to time.

“e. The mailbox corresponding to the unit number of each unit shall be a limited common element appurtenant to and reserved for the exclusive use of such unit, such mailbox being located in the mailroom of the Residential Tower, as shown on the Condominium Map.

“f. The wall located at the corner of Ala Napunani and Ala Makahala Streets and the sign located on the wall and its light regarding the availability of monthly parking shall be limited common elements appurtenant to the parking units owned by Declarant for so long as Declarant owns any parking unit. At such time as Declarant no longer owns any parking unit, the wall, sign and light shall become common elements. The cost of maintaining and repairing the wall, sign, and light, including the cost of any electricity for the wall, sign and light, will be a common expense of the Association as a whole.

“g. The meeting room in the Parking Structure as shown on the Condominium Map shall be a limited common element appurtenant to and reserved for the exclusive use of the residential units.”

EXHIBIT G

SPECIAL USE RESTRICTIONS

1. Restrictions on Parking Units. Section 4.b of the Declaration states in part as follows:

“Notwithstanding anything to the contrary contained herein, owners and users of the parking units will not, by reason of their ownership or right to use the parking units: (a) have access to the Residential Tower except to enter the lobby area of the Residential Tower for access to the Manager’s office and Security office only; nor (b) have access to or use of the Meeting Room in the Parking Structure. Notwithstanding anything to the contrary contained herein or in the Master Declaration (defined in Section 11 below), owners and users of the parking units will not, by reason of their ownership or right to use the parking units, have access to or use of the Community Facilities, including the recreational facilities and other Community Area Improvements, defined and described in the Master Declaration.”

2. Unit 104. Section 10.b of the Declaration states as follows:

“Notwithstanding anything to the contrary contained herein, Unit 104 may be occupied and used by the owners thereof, their tenants, licensees, families, domestic servants and social guests, for residential purposes as provided in Section 10.a. above, or, if and to the extent permitted by applicable zoning and other laws, Unit 104 may be occupied and used by the owners thereof, their tenants or licensees, as a neighborhood grocery store.”

3. Number of Occupants. Except for any violation of occupancy limits imposed by any law or regulation, there will be not be minimum or maximum occupancy limits for the residential units in the Project. However, the maintenance fee for each two bedroom residential unit and one bedroom residential unit have been calculated based upon the assumption that a two bedroom residential unit would be occupied by not more than five (5) persons and a one bedroom residential unit would be occupied by not more than three (3) persons. For this reason, in the event a two bedroom residential unit shall be occupied by more than five (5) persons or a one bedroom residential unit shall be occupied by more than three (3) persons, the Association, through the Managing Agent, may charge an excess occupancy charge for such residential unit by that amount which represents the increased expenses to the Project resulting from such additional occupants, which amount shall be calculated as follows:

For a one bedroom residential unit, the excess occupancy charge shall be the maintenance fee normally charged for a one bedroom residential unit with one to three occupants, times the fraction in which the numerator is the number of occupants in the residential unit minus three and the denominator is three.

For a two bedroom residential unit, the excess occupancy charge shall be the maintenance fee normally charged for a two bedroom residential unit with one to five occupants, times the fraction in which the numerator is the number of occupants in the residential unit minus five and the denominator is five.

(For example, if the maintenance fee is \$100 per month for Unit X, a one bedroom residential unit, and there are four occupants in Unit X, the excess occupancy charge to Unit X will be \$33.33 per month.)

These provisions are a part of the House Rules for the project and may be amended as necessary by the Board of Directors of the Association.

4. Pets. See Exhibit "N" below for Information Regarding Pets.

Summary of Certain Pertinent Provisions of the Sales Contract

A specimen Sales Contract and Deposit Receipt (the "Contract") has been submitted to the Real Estate Commission. ALL BUYERS AND PROSPECTIVE BUYERS SHOULD CAREFULLY READ THE CONTRACT IN FULL, since this summary is NOT A COMPLETE DESCRIPTION of its provisions. The Contract, among other things, covers in more detail the following items:

1. The "Effective Date" of the Contract is the date it becomes binding on Seller and Buyer. The Contract is not binding on Seller until (i) it is executed by Seller and Buyer and (ii) it has become binding on Buyer in accordance with Section E.3.c of the Contract. The Contract is not binding on Buyer until the procedures in Section E.3.c(i) and E.3.c(ii) have been completed. Until the Effective Date for the Contract, the Contract will be only a nonbinding Reservation Agreement and Seller shall have no obligation to sell and Buyer shall have no obligation to buy the Unit, and the Contract may be terminated at any time, with or without cause, at the option of either party, by written notice of such termination to the other party.

2. Buyer agrees to deliver to Seller or, at Seller's option, directly to Buyer's mortgagee prior to or no later than five (5) business days after the date of Seller's notice to Buyer of Seller's acceptance of the Contract, (a) a financial statement certified by Buyer to be true and accurate as of the date of such delivery, in form and content sufficient to fully disclose Buyer's financial circumstances as of the date of delivery, including, without limitation, the identification and the reasonably accurate valuation of any assets as of the date of delivery, (b) a completed loan application to one or more lending institutions, if Buyer requires financing, and (c) any other information required by Seller.

3. Any breach of the covenants and warranties contained herein shall constitute a default hereunder by Buyer entitling Seller to retain all sums paid hereunder as liquidated damages as provided therein.

4. In addition to such other remedies which may be available to Seller by law or pursuant to this Contract, Seller may impose a late charge of one percent (1%) per month on the amount of any such payment which is not paid in the manner specified above. Such late charge shall accrue commencing on the date the payment is due and payable as provided herein.

5. Buyer shall, prior to or within five (5) business days from the date of execution of the Contract by Buyer, apply for mortgage financing.

6. Seller, in its sole discretion, may elect to cancel the Contract if (a) Buyer's application or eligibility for a mortgage loan is rejected by a mortgage lender or mortgage lenders, or Buyer's loan approval or mortgage commitment is not approved within the fifty (50) calendar day period; (b) Buyer fails to supply any proposed mortgage lender with full financial information or fails to supply Seller with the required Cash Evidence; (c) Buyer, after having had

a loan approval or mortgage commitment disapproved by Seller, is thereafter unable to have such approval or commitment modified or revised to the satisfaction of Seller within thirty (30) business days thereafter; (d) Seller, in its sole discretion, after reviewing the written Cash Evidence submitted to Seller or Buyer's mortgagee, as the case may be, by Buyer, determines that Seller is not satisfied as to Buyer's ability to make the cash deposit payments; or (e) Seller is unable to make seventy percent (70%) of the units in the Project available to purchase by Owner-Occupant Purchasers as is required by Seller's lender and Buyer does not intend to be an Owner-Occupant of the Unit. This right to terminate of Seller shall exist only while the Contract is a reservation and shall end upon the Effective Date of the Contract.

7. Buyer shall pay for all closing costs, including, without limitation, the cost of drafting the Unit Deed and the cost of the acknowledgments thereof; recording fees; the State of Hawaii conveyance tax (note: in connection with the conveyance tax, Seller and Buyer do hereby appoint the Escrow Agent as their agent for the purpose of filing the affidavit in respect thereto); the escrow fees; the cost of obtaining financing or a financing commitment for any portion of the purchase price and all expenses incident thereto; the expense of credit reports; preparation of all of Buyer's mortgage documents (which costs shall be paid directly to Buyer's mortgagee and shall in no event be reimbursed by Seller); any costs incurred for Buyer's title insurance; any costs and fees otherwise require to be paid by Buyer in this Agreement, including maintenance fees and start-up fees; and any cost incurred by Buyer or Seller as a result of Buyer's requesting changes in a document after Buyer has been given notice by the Escrow Agent that such document will be prepared. Buyer shall also pay for any attorneys' fees and costs incurred by Seller in connection with any failure by Buyer to timely pre-close and close as set forth herein and otherwise perform all obligations of Buyer as set forth herein;

8. The estimated project completion date and the final closing and closing dates are as described in the Contract.

9. Buyer may be required to prepay maintenance fees, real property taxes, and a non-refundable Project start-up fee as more particularly described in the Contract.

12. After the Effective Date of the Contract, Buyer shall have the right to rescind the Contract only if there is a material change in the Condominium which directly, substantially and adversely affects the use or value of (a) Buyer's Unit or appurtenant limited common elements, or (b) amenities of the Condominium available for Buyer's use. Waiver of such right is governed more specifically by the terms of the Contract.

13. Buyer specifically acknowledges and agrees that the Declaration of Condominium Property Regime for Country Club Village 6 contains reservations of certain rights and certain other provisions under which Buyer consents to certain actions by Seller and others, as more particularly described in the Contract and the Declaration.

14. Seller shall have certain rights and remedies against Buyer in the event Buyer fails to perform any of the conditions of the contract, including failure to comply with the pre-closing and closing requirements, as more particularly described in the Contract, including the right to retain Buyer's deposit and the right to other actual and liquidated damages.

15. The execution, delivery and recordation of Buyer's Unit Deed shall constitute the assignment by Seller to Buyer of any and all warranties given to Seller by the contractors for the Condominium, if any, including, without limitation, any warranty of materials and workmanship against faulty or deficient materials and installation. The benefit of such warranties, if any, shall accrue to Buyer on closing without further instruments or documents. BUYER ACKNOWLEDGES THAT SELLER HAS MADE NO OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING, WITHOUT LIMITATION, ANY WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, HABITABILITY OR WORKMANLIKE CONSTRUCTION WITH RESPECT TO THE UNIT, THE PROPERTY, ANY COMMON ELEMENT, LIMITED COMMON ELEMENT, OR ANYTHING INSTALLED THEREIN.

16. Buyer hereby intentionally waives, relinquishes and subordinates the priority or superiority of any interest under the Contract in favor of the liens or charges upon the Condominium of the construction lender's mortgage loan.

17. Buyer may not assign Buyer's rights hereunder without Seller's prior written consent, which consent may be withheld by any reason whatsoever in its sole discretion.

ALL BUYERS SHOULD READ THE SALES CONTRACT IN FULL AS THIS SUMMARY IS NOT ALL-INCLUSIVE AND DOES NOT CONTAIN A COMPLETE DESCRIPTION OF ALL PROVISIONS OF THE SALES CONTRACT. THIS SUMMARY IS INTENDED ONLY TO GIVE A BRIEF DESCRIPTION OF SOME OF THE ITEMS CONTAINED IN THE SALES CONTRACT, AND DOES NOT ALTER OR AMEND THE SALES CONTRACT IN ANY MANNER. IF ANY PROVISIONS OF THIS SUMMARY CONTRADICT THE PROVISIONS CONTAINED IN THE SALES CONTRACT IN ANY WAY, THE PROVISION OF THE SALES CONTRACT SHALL OVERRIDE THE PROVISIONS OF THIS SUMMARY.

Subject to certain provisions of the Escrow Agreement, upon the written request of Seller, Escrow shall make disbursements from the escrow fund to pay for construction costs and to pay for architectural, engineering, finance, and legal fees and other incidental expenses of the Project. The balance of all escrow funds shall be paid to Seller, on order, after the lapse of forty-five (45) days from the filing of the Affidavit of Publication of Notice of Completion as provided for under Section 507-43, Hawaii Revised Statutes, as amended.

5. A Purchaser shall be entitled to a return of funds and Escrow shall pay such funds to such Purchaser, together with any interest which may have accrued to the credit of such Purchaser, if any one of the following has occurred: (a) Seller and the Purchaser shall have requested Escrow in writing to return to the Purchaser the funds of the Purchaser held thereunder by Escrow; or (b) Seller shall have notified Escrow of Seller’s exercise of the option to cancel or

6. Escrow shall give each Purchaser entitled to a return of funds notice thereof by registered, certified or regular mail, postage prepaid addressed to such Purchaser at the Purchaser's address shown on the Sales Contract or any address later made known in writing to Escrow by such Purchaser. EXHIBIT L

CONSTRUCTION WARRANTIES AND WAIVERS

1. Paragraph E.20 of the Sales Contract and Deposit Receipt states as follows:

“Covenants and Warranties of Seller and Buyer. Seller and Buyer covenant and agree to the following:

“a. The execution, delivery and recordation of Buyer’s Unit Deed shall constitute the assignment by Seller to Buyer of any and all warranties given to Seller by the contractors for the Condominium, if any, including, without limitation, any warranty of materials and workmanship against faulty or deficient materials and installation. Seller’s general contractor shall give a warranty against construction defects for a one (1) year period from the date of substantial completion. The benefit of such warranties, if any, shall accrue to Buyer on closing without further instruments or documents.

“b. BUYER ACKNOWLEDGES THAT SELLER HAS MADE NO OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING, WITHOUT LIMITATION, ANY WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, HABITABILITY OR WORKMANLIKE CONSTRUCTION WITH RESPECT TO THE UNIT, THE PROPERTY, ANY COMMON ELEMENT, LIMITED COMMON ELEMENT, OR ANYTHING INSTALLED THEREIN.

“c. The Condominium Map for the Condominium which has been or will be recorded in the Office of the Assistant Registrar of the Land Court of the State of Hawaii and the Real Estate Commission is intended only to show the site plan for the Condominium depicting the location, layout, and access to a public road of all buildings in the Condominium and depicting access for the units to a public road or to a common element leading to a public road, approximate elevations and floor plans of all buildings in the Condominium, the layout, location, boundaries, unit numbers and dimensions of the units of the Condominium and parking plans and any other detail which is specifically required to be shown under Section 514B-33 of the Act. Buyer acknowledges that the Condominium Map, consisting of the floor plans and elevations, is not intended to be and does not constitute any representation or warranty by Seller to construct or install any other improvements, amenities or facilities as may be depicted thereon. In no event shall the building plans and specifications or any artist’s renderings or models constitute a representation or warranty by Seller.

“d. Buyer has examined and approved the estimate of monthly maintenance charges and assessments for the Unit as shown in the Public Report for the Condominium. Seller makes no promise or warranty about the accuracy of those amounts. Buyer understands that those amounts are only estimates and may change for many reasons. Buyer accepts and approves any changes in such estimate made by Seller or the Managing Agent.

“e. **Waiver of Certain Construction and Design Claims**. Buyer acknowledges that the insurance coverage costs and premiums for the construction of new high-

rise, residential condominium projects have skyrocketed throughout the nation over the last several years due to the quantity of lawsuits after development completion; many architects have not been able to obtain project insurance for residential high-rise projects in Hawaii since 2001; and many construction companies are not able to obtain insurance for residential high-rise construction at present. Buyer further acknowledges that in order to not further raise the purchase price of units in the Condominium, Seller requires the following waiver of claims, which is a requirement of Seller's architect, contractor and other construction and design consultants. Without such waiver, Seller would not sell the Unit to Buyer. Buyer's signing the receipt for the Public Report and/or Buyer's purchase of the Unit shall be deemed Buyer's acceptance and reaffirmation of such waiver, which shall be included in the Declaration and shall be a covenant that runs with title to the Unit and binding on Buyer and Buyer's heirs, personal representatives, successors and assigns. In consideration of the foregoing, Buyer, for Buyer and each of Buyer's lessee, mortgagee, lien holder, heirs, personal representatives, successors, assigns, or other person with an interest in the Condominium, and on behalf of the Association (collectively, "Buyer's Parties"), hereby waives any liabilities, obligations, right, claim or action, of every kind or nature, character or description, known or unknown, suspected, or unsuspected (collectively, a "Claim"), which such person may have or acquire against Seller and its agents, employees, architects, contractors, licensees, successors and assigns (individually and/or collectively, "Seller's Parties") for:

"(i) any loss, injury or damage to person or property, including court costs and attorneys' fees (singularly and/or collectively, "Damages") relating to or resulting from the construction of the Condominium in excess of \$5 million, in the aggregate with all other Claims or Damages of any other apartment owner, association or other person; and

"(ii) any Damages in excess of the greater of the applicable Single Maximum Design Damages or Total Maximum Design Damages, in the aggregate with all other Claims or Damages of any other unit owner, association or other person, relating to or resulting from the work of any architect and/or other design consultant of the Condominium. As used herein "Single Maximum Design Damages" shall mean Damages equal to the fees of the architect(s) and/or other design consultant(s) whose work is the subject of the Claim, and "Total Maximum Design Damages" shall mean Damages equal to \$800,000.

"Furthermore, without limiting in any way, the foregoing provision, Buyer for Buyer and Buyer's Parties: (a) hereby understands, acknowledges and agrees that the Residential Tower and Parking Structure will be constructed primarily of reinforced concrete and masonry on underground concrete piles, and that concrete cracks must be expected because of concrete shrinkage; and (b) hereby waives any liabilities, obligations, right, claim or action, of every kind or nature, character or description, known or unknown, suspected, or unsuspected, which such person may have or acquire against Seller's Parties for any Damages relating to or resulting from such concrete cracks to the extent such concrete cracks do not pose structural concerns.

"However, the waiver in this Section 20.e shall not extend to any Damages on account of Seller's Parties' conduct which is determined by a final judgment or other final adjudication by a court

having jurisdiction in the matter to have been knowingly fraudulent, deliberately dishonest or a result of willful misconduct.”

2. Paragraph E.26 of the Sales Contract and Deposit Receipt states as follows:

“Notice of Contractor’s Right to Resolve Alleged Construction Defects Before a Claimant may Commence Litigation Against the Contractor.

CHAPTER 672E OF THE HAWAII REVISED STATUTES, AS AMENDED, CONTAINS IMPORTANT REQUIREMENTS AN OWNER MUST FOLLOW BEFORE AN OWNER MAY FILE A LAWSUIT OR OTHER ACTION FOR DEFECTIVE CONSTRUCTION AGAINST THE CONTRACTOR WHO DESIGNED, REPAIRED, OR CONSTRUCTED THE OWNER’S HOME OR FACILITY. NINETY DAYS BEFORE AN OWNER FILES A LAWSUIT OR OTHER ACTION, THE OWNER MUST SERVE ON THE CONTRACTOR A WRITTEN NOTICE OF ANY CONSTRUCTION CONDITIONS THE OWNER ALLEGES ARE DEFECTIVE. UNDER THE LAW, A CONTRACTOR HAS THE OPPORTUNITY TO MAKE AN OFFER TO REPAIR AND/OR PAY FOR THE DEFECTS. AN OWNER IS NOT OBLIGATED TO ACCEPT ANY OFFER MADE BY A CONTRACTOR. THERE ARE STRICT DEADLINES AND PROCEDURES UNDER THE LAW, AND FAILURE TO FOLLOW THEM MAY NEGATIVELY AFFECT AN OWNER’S ABILITY TO FILE A LAWSUIT OR OTHER ACTION. IN THE EVENT OF ANY CONFLICTS BETWEEN THE PROVISIONS OF SAID CHAPTER 672E AND THE PROVISIONS OF THIS AGREEMENT, THE PROVISIONS OF CHAPTER 672E SHALL CONTROL.

3. Paragraph 30 of the Declaration states as follows:

“30. Waiver of Certain Construction and Design Claims. Each unit owner, lessee, mortgagee, lien holder or other person with an interest in the Condominium, on their own behalf and on behalf of the Association, hereby waives any liabilities, obligations, right, claim or action, of every kind or nature, character or description, known or unknown, suspected, or unsuspected (collectively, a “**Claim**”), which such person may have or acquire against Declarant and its agents, employees, architects, contractors, licensees, successors and assigns (individually and/or collectively, “**Declarant Parties**”) for:

“a. any loss, injury or damage to person or property, including court costs and attorneys’ fees (singularly and/or collectively, “**Damages**”) relating to or resulting from the construction of the Condominium in excess of \$5 million, in the aggregate with all other Claims or Damages of any other unit owner, association or other person; and

“b. any Damages in excess of the greater of the applicable Single Maximum Design Damages or Total Maximum Design Damages, in the aggregate with all other Claims or Damages of any other unit owner, association or other person, relating to or resulting from the work of any architect and/or other design

consultant of the Condominium. As used herein “Single Maximum Design Damages” shall mean Damages equal to the fees of the architect(s) and/or other design consultant(s) whose work is the subject of the Claim, and “Total Maximum Design Damages” shall mean Damages equal to \$800,000.

“Furthermore, without limiting in any way, the foregoing provision, each unit owner, lessee, mortgagee, lien holder or other person with an interest in the Condominium: (a) hereby understands, acknowledges and agrees that the Residential Tower and Parking Structure will be constructed primarily of reinforced concrete and masonry on underground concrete piles, and that concrete cracks must be expected because of concrete shrinkage; and (b) hereby waives any liabilities, obligations, right, claim or action, of every kind or nature, character or description, known or unknown, suspected, or unsuspected, which such person may have or acquire against Declarant Parties for any Damages relating to or resulting from such concrete cracks to the extent such concrete cracks do not pose structural concerns. However, this waiver shall not extend to any Damages on account of Declarant Parties’ conduct which is determined by a final judgment or other final adjudication by a court having jurisdiction in the matter to have been knowingly fraudulent, deliberately dishonest or a result of willful misconduct.”

the Association and this Declaration, and on the further condition that such unit owners must notify the Managing Agent of the identity of the lessee together with such lessee's vehicle description, and length of anticipated use and such other information as the Managing Agent shall reasonably request. A residential unit owner (other than Declarant) who leases the right to use the owner's appurtenant parking stall to anyone other than the person who also leases the owner's residential unit shall pay to the Managing Agent, a monthly Garage Administration Fee provided below. A residential unit owner who leases the right to use the owner's residential unit together with its appurtenant parking stall to the same person is not subject to payment of the monthly Garage Administration Fee. The Garage Administrative Fee shall be equal to: (A) six percent (6%) of the rental income from the rental of the parking stall if the owner leases the parking stall directly to the renter; or (B) eight (8%) of the rental income from the rental of the parking stall if the owner leases the parking stall through a parking rental program instituted by the Managing Agent.

"j. Any provision of this Declaration to the contrary notwithstanding, parking unit owners may lease the right to use the parking unit to occupants of the Condominium or to others on a monthly basis, subject to any Parking Pool or other provisions of the House Rules, the Bylaws of the Association and this Declaration, and on the further condition that such unit owners must notify the Managing Agent of the identity of the lessee together with such lessee's vehicle description, and length of anticipated use and such other information as the Managing Agent shall reasonably request. A parking unit owner (other than Declarant) who leases the right to use the owner's parking unit to anyone other than the person who also leases the owner's residential unit shall pay to the Managing Agent, a monthly Garage Administration Fee provided below. A residential unit owner who leases the right to use the owner's residential unit together with such owner's parking unit to the same person is not subject to payment of the monthly Garage Administration Fee. "k. Any provision of this Declaration to the contrary notwithstanding, Declarant may lease the right to use any parking stalls that are appurtenant to its residential units or any parking unit owned by Declarant to occupants of the Condominium or to others on a monthly basis, and shall not be subject to any Parking Pool arrangement or to payment of any Garage Administration Fee unless Declarant in its sole and absolute discretion, elects to submit such parking stall or parking unit to rental through a parking rental program instituted by the Managing Agent. Declarant must notify the Managing Agent of the identity of the lessee together with such lessee's vehicle description, and length of anticipated use and such other information as the Managing Agent or the Association shall reasonably request.

"l. As to any parking units owned by Declarant, Declarant shall have the right from time to time to elect to submit or withdraw such parking units to or from management by the Managing Agent, by giving at least thirty (30) days prior written notice to the Managing Agent of such election and the effective date of such submittal or withdrawal. For each month that the Managing Agent collects rental income from the rental of parking stalls in the Condominium, the

Managing Agent shall pay to Declarant a sum (the “**Rental Income to Declarant**”) equal to the lesser of: (i) the total rental income from the rental of any parking stalls in the Condominium for that month, less the Garage Administration Fee payable by Declarant equal to six percent (6%) of the rental income from such rental of the parking units; or (ii) the prevailing monthly rental rate per parking stall multiplied by the number of Declarant’s parking units submitted to rental through a parking rental program instituted by the Managing Agent, less the Garage Administration Fee payable by Declarant equal to six percent (6%) of the rental income from such rental of the parking units. **In each month that Declarant’s parking units are submitted to the Managing Agent’s parking rental program, the Declarant shall be entitled to receive the Rental Income to Declarant before any parking rental income is payable to any other owner in the parking rental program.**

“m. Declarant’s parking units that are not submitted to rental management by the Managing Agent will be marked by appropriate signage to indicate that they are Declarant’s stalls. The signage for Declarant’s parking units that are submitted to rental management by the Managing Agent Declarant’s will be removed or covered.”

(f) Paragraph 28 of the Declaration states as follows:

To the extent allowed by law, the use of the parking units and parking stalls which are appurtenant to each of the residential units will be governed by the provisions of the House Rules. The Declarant has established a common parking plan in the House Rules for the benefit of the Association and the individual unit owners. The parking plan may be disbanded by the Association by a vote of seventy-five percent (75%) of the residential unit owners. The residential unit used by the resident manager of the Condominium shall have the reserved use of the parking stall that is a limited common element appurtenant to such unit. The visitor parking stalls may be used by the visitors of the residential unit owners, subject to the provisions of the House Rules. The areas designated for bicycle and moped parking on the Condominium Map shall be controlled by the Managing Agent, subject to the provisions of the House Rules.”

(f) Paragraph IV.H of the House Rules states as follows:

“H. To the extent allowed by law, the use of each parking unit (except the parking units owned by Declarant) and each parking stall appurtenant to each residential unit as limited common elements (except for the parking stall appurtenant as a limited common element to Unit 104 or Unit 114 [whichever unit becomes the resident manager’s unit and is hereafter called the “**Resident Manager’s Unit**”]) and except for the parking stalls appurtenant as limited common elements to the residential units owned by Declarant) shall be governed by the rules set forth in this Section IV.H. Such use of the parking units or parking stalls is instituted for the convenience of individual unit owners (except for the Declarant and the owner of the Resident Manager’s Unit who are not required to participate in the system established in this paragraph IV.H) and the Association of Unit Owners as a whole. The use of the parking stalls in the Parking Pool (as hereinafter defined) shall be in accordance with the following rules:

- “1. All parking units (except the parking units owned by Declarant) and all parking stalls appurtenant to all residential units (except for the parking stall appurtenant as a limited common element to the Resident Manager’s Unit and except for the parking stalls appurtenant as limited common elements to the residential units owned by Declarant) shall be placed in and used as a part of a parking pool system (the “**Parking Pool**”) which shall be operated by the Association. Each residential unit shall have the right to use at least one parking stall in the Parking Pool for every parking stall that is a limited common element appurtenant to that unit and each parking unit shall have the right to use one parking stall in the Parking Pool (the “**Entitled Amount of Parking Stalls**”).
- “2. An access card to the Parking Pool stalls shall be issued by the Association to each unit owner who shall be a member of the Parking Pool. The unit owner shall be issued one access card for each Entitled Amount of Parking Stall appurtenant to such owner’s unit. Such access card may be programmed to include access through the Residential Tower entry door, service area door and south Parking Structure door. The Board and/or Managing Agent shall adopt procedures governing the issuance and use of such access cards including, without limitation, charges for the issuance or reissuance of such cards.
- “3. Parking in the Parking Pool area shall be on an unassigned basis. Parking Pool participants shall be allowed to park in any parking stall that is part of the Parking Pool, up to the Entitled Amount of Parking Stalls, regardless of the actual ownership of the parking stall.
- “4. The Association, through the Board and the Managing Agent, reserves the right to require that motor vehicles that are parked in the Parking Pool and used infrequently be moved to other stalls in the Parking Pool area.
- “5. Compact motor vehicles and motorcycles may only be parked in stalls designated as compact stalls. Larger vehicles may only be parked in regular stalls. The Board, in its sole discretion, shall determine what constitutes a compact motor vehicle. Violation of this section IV.H.5 shall result in a one dollar (\$1.00) per day fine or such other fines and remedies as set out in Section X below.
- “6. All motor vehicle owners in the Parking Pool who will not use or move their motor vehicles for a period of one week or more must have the permission of the Board or the Managing Agent to do so. The Board or the Managing Agent may elect, at its sole discretion, to have the vehicle moved to another stall in the Parking Pool area.
- “7. Subject to these House Rules, the Bylaws of the Association and the Declaration, and the prior written consent of the Board, a unit owner, or such owner’s designated agent, may assign such owner’s right to use a

parking stall in the Parking Pool, on the condition that the person or persons assigned such right shall abide by these House Rules, and the owner or designated agent as applicable shall assume the responsibility for the user's conduct. A unit owner or such owner's designated agent must notify the Managing Agent of the identity of the assignee together with such assignee's vehicle description, and length of anticipated use and such other information as the Managing Agent shall reasonably request.

- “8. The Parking Pool system shall be designed so that parking stalls will be available for use at all times desired by the residents of the residential units in the Condominium and the owners of units in the Condominium (or renters from such unit owners) to the extent of the residents' or unit owners' Entitled Amount of Parking Stalls. To the extent uncovered parking stalls in the Parking Pool on the top floor of the Parking structure are not being used by residents or owners of the units in the Condominium, the Association shall institute a program (the “**Resident Night Rental Program**”) to permit rental of such unused stalls to residents of the Condominium on a monthly basis at market rents (initially, \$50 to \$70 per month per month for compact stalls and \$60 to \$80 per month for regular size stalls), for a thirteen to seventeen hour period during the hours of 5:00 p.m. to 10:00 a.m. All income from the rental parking operations shall accrue to the Association to reduce maintenance fees. The Managing Agent shall use its best judgment to determine the quantity of parking stalls available for rental and such quantity shall be reviewed by the Board on a monthly basis to confirm that adequate parking is available for use at all times desired by the residents and owners of the units in the Condominium to the extent of their Entitled Amount of Parking Stalls. The Managing Agent is to be paid a 8% service charge on all parking rentals that are rented to residents under the Resident Night Rental Program. Such charge shall be included in every monthly rental agreement. The initial form of the rental agreement is attached hereto as Exhibit “D” and are subject to change from time to time as determined by the Managing Agent or the Board. The Board shall also review the rental rates from time to time, but at least annually.
- “9. The Managing Agent shall institute a program (the “**Parking Rental Program**”) to permit rental of parking units and parking stalls to third parties or occupants of the Condominium on a monthly basis (no daily basis) at market rates (initially, \$80 per month for compact automobiles and \$90 per month for regular sized automobiles), and owners may elect to rent their parking unit or limited common element parking stall through such Parking Rental Program. All income from the Parking Rental Program shall first be paid to the Declarant up to the amount of the Rental Income to Declarant as provided in the Declaration; and the balance of the income from the Parking Rental Program after payment of the Rental Income to Declarant shall be payable to the owners who have elected to

rent their parking unit or limited common element parking stall through the Parking Rental Program; with such balance divided in equal amounts per parking unit and limited common element parking stall submitted to the Parking Rental Program. The number of parking stalls rented in the Parking Rental Program will be limited to the number of stalls being offered for such rental by the owners of parking stalls. Any unit owner (other than Declarant) that rents his or her parking stall shall pay to the Managing Agent a monthly garage administrative fee (the “**Garage Administrative Fee**”) equal to: (A) six percent (6%) of the rental income from the rental of the parking unit or parking stall if the owner leases the parking unit or parking stall directly to the renter; or (B) eight (8%) of the rental income from the rental of the parking unit or parking stall if the owner leases the parking unit to a renter through the Parking Rental Program. Such charge shall be included in every monthly rental agreement.

“10. The Association shall have the right to use six (6) unreserved stalls in the Parking Pool without charge during the hours of 6:00 a.m. to 6:00 p.m. for Condominium employees working at the Condominium during those hours.

“11. In the event that the Parking Pool system is discontinued, as provided in the Declaration, each residential unit owner will thereafter take possession of the individual parking stall assigned and conveyed with such owner’s residential unit and said stall shall be used as a limited common element appurtenant to the designated residential unit, reserved for its exclusive use in a manner not inconsistent with these House Rules, the Bylaws of the Association, the Declaration, or any other rules established by the Association of Unit Owners from time to time. Each parking unit owner will thereafter take possession of the individual parking unit conveyed to such owner and said stall shall be reserved for its exclusive use in a manner not inconsistent with these House Rules, the Bylaws of the Association, the Declaration, or any other rules established by the Association of Unit Owners from time to time.”

(g) Paragraph IV.I of the House Rules states as follows:

“I. The Declarant shall have the reserved and exclusive use of the parking units owned by Declarant and the reserved and exclusive use of all parking stalls that are appurtenant to residential units owned by Declarant, subject to these House Rules. All Declarant’s stalls will be marked “Reserved”. The Association will issue to the Declarant one access card to the Parking Structure for each parking unit owned by Declarant and each parking stall appurtenant to a residential unit owned by Declarant. Declarant shall have the right to use or rent any or all such stalls to any person or persons for any time periods, and shall not be liable to pay the Garage Administrative Fee unless Declarant, in its sole and absolute

discretion, elects to have the Managing Agent rent any of Declarant's parking stalls as part of the Parking Rental Program or a separate parking rental program of Declarant's stalls. Such election will entitle Declarant to all "Rental Income to Declarant" as provided in the Declaration. Without limiting the foregoing, Declarant shall have the right to rent any or all Declarant's parking stalls that Declarant has not submitted to the Parking Rental Program to a car dealer for storage of the dealer's automobiles, or for other parking uses such as parking of boats, equipment on wheels, trailers, etc. Declarant shall give to the Association thirty (30) days prior notice of any election to submit or withdraw any of Declarant's parking stalls to or from the Parking Rental Program. For any month that Declarant elects to submit any of its parking stalls to the Parking Rental Program, rental income from the Parking Rental Program, less the Garage Administrative Fee, for that month will first be paid to Declarant in an amount equal to the prevailing monthly rate per stall for rental of parking stalls in the Parking Rental Program, multiplied by the number of Declarant's stalls in such Program for that month (pro rated for any partial month), and the balance will be payable to other owners in the Parking Rental Program.
