Preparation of this Report

The Developer prepared this report to disclose relevant information, including "material facts", that are reasonably known to the Developer about the condominium project covered by this report. This report has been prepared pursuant to the Condominium Property Act, Chapter 514B, Hawaii Revised Statutes, as amended from time to time. The law defines "material facts" to mean "any fact, defect, or condition, past or present that to a reasonable person, would be expected to measurably affect the value of the project, unit, or property being offered or proposed to be offered for sale."

This report has not been prepared or issued by the Real Estate Commission or any other governmental agency. The issuance by the Commission of an effective date for this Developer's Public Report (1) does not mean that the Commission approves or disapproves of the project; (2) does not mean that the Commission thinks that either all material facts or all pertinent changes, or both, about the project have been fully or adequately disclosed; or (3) is not the Commission's judgment of the value or merits of the project.

This report may be used by the Developer for promotional purposes only if it is used in its entirety. No person shall advertise or represent that the Commission has approved or recommended the project, this report or any of the documents submitted with Developer's application for registration of this project.

This report will be amended if, after the effective date of this report, any changes, either material or pertinent changes, or both, occur regarding the information contained in or omitted from this report. In that case, the Developer is required to submit immediately to the Commission an amendment to this report or an amended Developer's Public Report, clearly reflecting the changes, including any omitted material facts, together with such supporting information as may be required by the Commission. In addition, the Developer may choose at any time to change or update the information in this report. Annually, at least thirty days prior to the anniversary date of the Effective Date of this report, the Developer shall file an annual report to update the material contained in this report. If there are no changes, the Developer is required to state that there are no changes. The Developer's obligation to amend this report or to file annual reports ends when the initial sales of all units in the project have been completed.

Purchasers are encouraged to read this report carefully and to seek professional advice before signing a sales contract for the purchase of a unit in the project.

Signing a sales contract may legally bind a purchaser to purchase a unit in the project, though a purchaser may have rights to cancel or rescind a sales contract under particular circumstances that may arise.

This material can be made available for individuals with special needs. Please call the Senior Condominium Specialist at 586-2643 to submit your request.

Special Attention - - Significant Matters

[Use this page for special or significant matters which should be brought to the purchaser's attention. At minimum "Subject Headings" and page numbers where the subject is explained more may be used.]

The developer's inclusion of a disclosure or an explanation of any or all of the following applicable significant matters in this part of the developer's public report shall not be construed to constitute the Commission's:

- **Approval or disapproval of the project;**
- **Representation that the developer has fully or adequately disclosed either all material facts or all pertinent changes, or both, concerning the project;**
- **Representation that the developer's disclosures of other material facts elsewhere in this report is less important; or**
- **Judgment of the value or merits of the project.**

The Commission reserves the right to request that the developer include these special and significant matters elsewhere in the developer's public report.

1. This Project is a continuation of a partial conversion of a large lot containing a single family home into a Condominium Project. The original developer could not financially continue the Project so one of its lenders, Mortgage Capital Group, LLC ("Developer") succeeded to ownership of the Project and is now the developer. This single family home is Unit A and was sold by the original developer before the new Developer succeeded to the ownership of the Project. Developer has hired a new architect and attorney, among other professionals.
2. The original Project was subject to a Cluster Housing Permit, a Fence Master Plan, a Landscape Master Plan, a Park Declaration and requirement to build a private park. These have now been eliminated from the Project by Developer.
3. This Project consists of 6 units. Unit A and its carport is the only structure that was converted to condominium status. It is not owned by or being offered for sale by Developer. Developer is selling 5 spatial units, Units B – F, that it owns in fee simple. This Report covers only Units B-F in the Project.
4. Developer has not conducted a reserve study for future maintenance and repairs of common elements in the Project.
5. Purchaser's Agreement to Waive Certain Rights When Buying a Unit. The specimen Purchase and Sales Contract provides in part that Buyer understands the Units are being sold without any warranties provided by Developer. See Section 5.4 of this Public Report. The existence of any defect in the Units or anything installed thereon shall not excuse the Purchaser's obligation to perform all of his obligations under his contract as long as the Unit is livable. See Section 5.b of the Purchase and Sales Agreement. See Exhibit H attached to this Amended Public Report for additional disclosures.
6. HAWAII REVISED STATUTES CHAPTER 672E PASSED BY THE STATE OF HAWAII LEGISLATURE AND EFFECTIVE JULY 1, 2004, CONTAINS IMPORTANT REQUIREMENTS YOU MUST FOLLOW BEFORE YOU MAY FILE A LAWSUIT OR OTHER ACTION FOR DEFECTIVE CONSTRUCTION AGAINST THE CONTRACTOR WHO DESIGNED, REPAIRED, OR CONSTRUCTED YOUR HOME OR FACILITY. NINETY DAYS BEFORE YOU FILE YOUR LAWSUIT OR OTHER ACTION, YOU MUST SERVE ON THE CONTRACTOR A WRITTEN NOTICE OF ANY CONSTRUCTION CONDITIONS YOU ALLEGE ARE DEFECTIVE. UNDER THE LAW, A CONTRACTOR HAS THE OPPORTUNITY TO MAKE AN OFFER TO REPAIR AND/OR PAY FOR THE DEFECTS. YOU ARE NOT OBLIGATED TO ACCEPT ANY OFFER MADE BY A CONTRACTOR. THERE ARE STRICT DEADLINES AND PROCEDURES UNDER THE LAW AND FAILURE TO FOLLOW THEM MAY NEGATIVELY AFFECT YOUR ABILITY TO FILE A LAWSUIT OR OTHER ACTION.
7. Pets. Article VI, Section 3.j of the Third Amendment and Complete Restatement of Bylaws of the Association of Unit Owners of Ahuimanu Place Estates dated November 13, 2014, states as follows:

"j. Pets. Subject to the provisions of all federal, state, and local laws prohibiting discriminatory practices in housing against disabled or impaired persons regarding service animals:

(i) No livestock, poultry, or other animals other than dogs, cats and other usual and customary household pets may be kept in reasonable number by occupants in their respective Units or upon the Dwelling Area appurtenant thereto. No animals shall be kept, bred or used therein for any commercial purposes or money generating purposes. Any pet causing a nuisance or unreasonable disturbance to any other occupant of the Project as determined by the Board in its sole discretion, shall be permanently removed therefrom promptly by the pet's owner or the owner of the Unit in which the pet lives, upon notice given by the Board or Managing Agent.

(ii) All responsibility, both financial and otherwise, for personal property damage to any owner, occupant, guest, or employee, or any part of the common elements or Project caused by a pet shall be that of the Unit owner and not the Association.

(iii) Walking of pets on common elements or shared limited common elements is restricted to transit only. Dogs and cats may be walked on the paved areas of the common elements or shared limited common elements when in transit, provided they are on a short leash. No resident shall permit an animal in his custody to excrete any body waste on any portion of the common elements or shared limited common elements. All pet refuse shall be securely wrapped and tied in plastic bags before being thrown in the dumpster.

(iv) Animals described as pests under Hawaii Revised Statutes ("HRS") 150A-2 as amended or any successor statute or animals prohibited from importation under HRS 141-2, 150A-5 or 150A-b, as amended or any successor statute, are not allowed on the Project or in any Unit.

(v) Violations of any of the provisions in this Article VI, Section 3.j on Pets shall subject the Unit owners and/or occupant of the Unit to fines in amounts as established by the Board. The Board may adopt other rules and regulations concerning pets."

8. Rentals, Time Share. Paragraph 10.1 of the 4th Amendment and Complete Restatement to Declaration of Ahuimanu Place Estates ("4th Amended Declaration") states as follows:

"The Units in the Project shall be occupied and used only for residential purposes by the respective owners thereof, their tenants, families, domestic servants and guests, and for any other purpose permissible by the Land Use Ordinance for the City and County of Honolulu, then in effect, subject to the provisions of this Declaration. The Units may not be used for transient or hotel purposes, which are defined as (i) rental for any period less than thirty (30) days, or (ii) any rental in which the occupants of the Unit are provided customary hotel services such as room service for food and beverage, maid service, laundry service, linen service or bellboy service. Notwithstanding the foregoing, the Units in the Project or any interest therein shall not be sold, transferred, conveyed, leased, occupied, rented or used for or in connection with any time-sharing purpose or under any time-sharing plan, arrangement or program, including without limitation any so-called "vacation license", "travel club membership" or "time-interval ownership" arrangement. The term "time-sharing" as used herein shall be deemed to include, but is not limited to, any plan, program or arrangement under which the right to use, occupy, own or possess a Unit or Units in the Project rotates among various persons on a periodically recurring basis according to a fixed or floating interval or period of time, whether by way of deed, lease, association or club membership, license, rental or use agreement, co-tenancy agreement, partnership or otherwise. Except for such transient, hotel or time-sharing purposes, the Units may be leased subject to all provisions of this Declaration and the Bylaws."

9. Maintenance. Paragraph 10.4 of the 4th Amended Declaration states as follows:

"10.4 Maintenance and Paint Colors. Every Unit Owner and occupant shall at all times keep his Unit and the limited common elements appurtenant thereto in a clean, sanitary, neat, maintained and repaired condition including, but not limited to, repainting the exterior of each building constituting his Unit as such becomes reasonably necessary, keeping landscaping reasonably well maintained, keeping weeds under control and preventing the breeding of mosquitos due to plants and containers that catch and hold water. The colors of the exterior walls and surfaces of each Unit shall be subdued or muted earth tones; bright whites or other glaring colors including, but not limited to, pink, purple, orange, yellow, turquoise, etc. are not permitted."

10. Walls and Fences. Paragraph 10.5 of the 4th Amended Declaration states as follows:

"10.5.1 The following are recommended materials and styles for walls and fences in the Project:

- (a) Concrete block if (i) it is an integral (tinted) color or painted to be harmonious with the color of the exterior color of the Unit; and (ii) limited to a maximum coursing of 4 inches;
- (b) Concrete block with textured finish if the color of the block is integral or painted to be harmonious with the exterior color of the Unit;
- (c) Brick in earthtone colors;
- (d) Concrete, where surface has been finished by being textured, bush hammered, or sandblasted if the color is an integral color or painted to be harmonious with the exterior color of the Unit;
- (e) Textured plaster, if the color is integral or painted to be harmonious with the exterior color of the Unit;
- (f) Stone;
- (g) Wood;
- (h) Combinations of wood and stone;
- (i) Wrought iron and ceramic tiles may be permitted as accents;
- (j) Vinyl fencing.

10.5.2 The following are prohibited materials and styles for walls and fences in the Project::

- (a) Chain-link fences or gates, except for tennis courts;
- (b) Unpainted or uncolored gray concrete block;
- (c) Open-slat wood;
- (d) Standard 8" x 8" x 16" hollow tile concrete block."

11. Flood Zone. The Third Amendment and Complete Replacement of Condominium Map No. 1897 shows the various flood zones in which the Project is located.

- (i) Units B and C are in Flood Zone X
- (ii) Portions of Unit D are in Flood Zones XS and X
- (iii) Portions of Unit E are in Flood Zones XS and AE
- (iv) Portions of Unit F are in Flood Zones XS, AE and AEF

Definitions and descriptions of the various Flood Zone designations are set forth in Exhibit J attached to this Amended Public Report. **UNITS THAT ARE IN FLOOD ZONES AE AND AEF ARE REQUIRED TO PURCHASE FLOOD INSURANCE. NO CONSTRUCTION IS ALLOWED IN FLOOD ZONE AEF.**

12. Replacement of Spatial Units and Amendment of Declaration and Condominium Map after Construction of a Building. No Change to a Unit will be made if the effect of such Change would be to exceed the Unit's "proportionate share of the total allowable lot area coverage for the Land" or the number of dwelling units permitted on the Land, as permitted under the zoning and building codes applicable to the Land in effect when the Change is to be made (collectively, the "Land Use Ordinance"). A Unit's proportionate share of the total allowable lot area coverage for the Land shall be calculated by multiplying the Unit's common interest by the total allowable lot area coverage for the entire Land in the Project, provided however, that this formula does not apply to Units already constructed, originally built or submitted to the Act by Developer and converted to a condominium unit (i.e. Unit A), but only to Changes to a unit after it is sold by the Developer. For example, if the total allowable lot area coverage for the entire Land in the Project is 2,000 square feet and the common interest for Unit B is 20%, then Unit B's proportionate share of the total allowable lot area coverage for the Land in the Project is 400 square feet (2,000 square feet x .20).

After each Buyer completes construction of a building on its limited common elements, Buyer must hire an attorney and a design professional to create and record an Amended Declaration, an Architect's Certification and an Amended Condominium Map (collectively "Amendments") to reflect that the building

has replaced the spatial Unit. **IF THE AMENDMENTS ARE NOT CREATED AND RECORDED, BUYER WILL NOT BE ABLE TO SELL HIS UNIT.** Buyer is strongly encouraged to seek the advice of an attorney to determine the estimated costs of creating and recording the Amendments.

13. Certain Infrastructure and Utilities. Developer has stubbed a waterline to each Unit's limited common element. Each Unit can tap into a sewer line that is located within each Unit's limited common elements. Developer will or has installed an electrical transformer in the Project. Each Purchaser will be required at its cost to install electric lines running from the transformer in order to provide electrical service to the Purchaser's Unit. Each Purchaser is responsible at its sole cost to purchase and install its own water meter and electricity meter. Water, electricity, sewer, telephone, cable TV and internet are supplied by public utilities. Developer has installed conduits in the Project to the Unit's respective telephone/cable boxes. Each Purchaser is responsible at its sole cost for installing telephone, cable TV and/or internet service from the appropriate provider of those services, if Purchaser desires these services.
14. Encroachments and Easements. Please see a list of encroachments and encumbrances in Exhibit E attached to this Amended Public Report.
15. Developer's Disclaimers, Limitations of Any Liability, Damages and Claims. See disclosures in Summary of Pertinent Provisions of Sales Contract in Exhibit H attached to this Amended Public Report and the Summary of Rights Reserved to the Developer in Exhibit F attached to this Amended Public Report.

SPECIAL ATTENTION

Ahuimanu Place Estates is a CONDOMINIUM PROJECT, not a subdivision. The Yard Areas beneath and immediately appurtenant to each unit is designated as a LIMITED COMMON ELEMENT or a DWELLING AREA appurtenant to the respective unit and does not represent legally subdivided lots. The walls, fences and dashed lines, if any, shown on the condominium map as delineating the boundaries between the limited common element dwelling area of the units should not be construed to be the property lines of legally subdivided lots.

This public report does not constitute approval of the Project by the Real Estate Commission, or any other governmental agency, nor does it ensure that all applicable County codes, ordinances and subdivision requirements have necessarily been complied with.

THE PROSPECTIVE PURCHASER IS CAUTIONED TO CAREFULLY REVIEW THE CONDOMINIUM DOCUMENTS REFERENCED IN THIS PUBLIC REPORT FOR FURTHER INFORMATION WITH REGARD TO THE FOREGOING.

General Information On Condominiums

A condominium is a special form of ownership of real property. To create a condominium in Hawaii after July 1, 2006, the Condominium Property Act, Chapter 514B, Hawaii Revised Statutes, must be followed. In addition, certain requirements and approvals of the county in which the project is located must be satisfied and obtained.

Some condominium projects are leasehold. This means that the land and/or the building(s) and other improvements are leased to the purchaser. The lease for the land usually requires that at the end of the lease term, the lessees (unit owners) deliver their interest in the land to the lessor (fee property owner).

If you are a typical condominium unit owner, you will have two kinds of ownership: (1) ownership in your individual unit; and (2) a percentage interest in the common elements.

You will be entitled to exclusive ownership and possession of your unit. Subject to the documents governing them, condominium units may be individually bought, sold, rented, mortgaged or encumbered, and may be disposed of by will, gift or operation of law.

Your unit will, however, be part of the group of units that comprise the condominium project. Study the project's Declaration of Condominium Property Regime, Bylaws of the Association of Unit Owners, Condominium Map and House Rules, if any, which are being concurrently delivered to you with this report. These documents contain important information on the use and occupancy of the units and the common elements of the project, as well as the rules and regulations of conduct for unit owners, tenants and guests.

Operation of the Condominium Project

The Association of Unit Owners is the entity through which unit owners may take action with regard to the administration, management and operation of the condominium project. Each unit owner is automatically a member of the Association.

The Board of Directors is the governing body of the Association. Unless you serve as a board member or an officer, or are on a committee appointed by the board, your participation in the administration and operation of the condominium project will in most cases be limited to your right to vote as a unit owner. The Board and officers can take certain actions without the vote of the unit owners. For example, the Board may hire and fire employees, increase or decrease maintenance fees, adopt budgets for revenues, expenses and reserves and regulate the use, maintenance, repair and replacement of common elements. Some of these actions may significantly impact the unit owners.

Until there is a sufficient number of purchasers of units to elect a majority of the Board, it is likely at first that the Developer will effectively control the affairs of the Association. It is frequently necessary for the Developer to do so during the early stages of development and the Developer may reserve certain special rights to do so in the Declaration and Bylaws. Prospective purchasers should understand that it is important to all unit owners that the transition of control from the Developer to the unit owners be accomplished in an orderly manner and in a spirit of cooperation.

Note: Net Living Area is the floor area of the unit measured from the interior surface of the perimeter walls of the unit. Other documents and maps may give floor area figures that differ from those above because a different method of determining floor area may have been used.

1.4 Parking Stalls

Number of Guest Stalls in the Project:	0
Number of Parking Stalls Assigned to Each Unit:	Each unit has space for at least 2 stalls
Attach Exhibit A specifying the Parking Stall number(s) assigned to each unit and the type of parking stall(s) (regular, compact or tandem and indicate whether covered or open).	
If the Developer has reserved any rights to assign or re-assign parking stalls, describe such rights. N/A	

1.5 Boundaries of the Units

Boundaries of the unit: The interior decorated or finished surfaces of all perimeter walls, floors and ceilings of the unit. See Section 4.3.1 of the Declaration for a more detailed description. However, what are being sold are spatial units along with their respective limited common elements so there are no physical boundaries for these units

1.6 Permitted Alterations to the Units

Permitted alterations to the unit (if the unit is defined as a non-physical or spatial portion of the project, also describe what can be built within such portion of the project): see Exhibit **B**

1.7 Common Interest

Common Interest: Each unit will have a percentage interest in the common elements appurtenant to each unit. This interest is called the "common interest". It is used to determine each unit's share of the maintenance fees and other common profits and expenses of the condominium project. It may also be used for other purposes, including voting on matters requiring action by unit owners. The common interest for each unit in this project, as described in Declaration, is:
Described in Exhibit **A**.

Although the common elements are owned jointly by all unit owners, those portions of the common elements that are designated as limited common elements (see Section 1.10 below) may be used only by those units to which they are assigned. In addition to the common facilities described in Section 1.8 above, the common elements for this project, as described in the Declaration, are set forth below.

Described in Exhibit **C**.

Described as follows:

Common Element	Number
Elevators	0
Stairways	0
Trash Chutes	0

1.10 Limited Common Elements

Limited Common Elements: A limited common element is a portion of the common elements that is reserved for the exclusive use of one or more but fewer than all units in the project.

Described in Exhibit **D**.

Described as follows:

1.11 Special Use Restrictions

The Declaration and Bylaws may contain restrictions on the use and occupancy of the units. Restrictions for this project include, but are not limited to, those described below:

1.12 Encumbrances Against Title

An encumbrance is a claim against or a liability on the property or a document affecting the title or use of the property. Encumbrances may have an adverse effect on the property or your purchase and ownership of a unit in the project. Encumbrances shown may include blanket liens which will be released prior to conveyance of a unit (see Section 5.3 on Blanket Liens).

Exhibit E describes the encumbrances against title contained in the title report described below.

1.14 Other Zoning Compliance Matters

Conforming/Non-Conforming Uses, Structures and Lots
<p>In general, a non-conforming use, structure or lot is a use, structure or lot that was lawful at one time but that does not now conform to present zoning requirements. Under present zoning requirements, limitations may apply to extending, enlarging or continuing the non-conformity and to altering and repairing non-conforming structures. In some cases, a non-conforming structure that is destroyed or damaged cannot be reconstructed.</p> <p>If a variance has been granted or if uses, structures or lots are either non-conforming or illegal, the purchaser should consult with county zoning authorities as to possible limitations that may apply in situations such as those described above.</p> <p>A purchaser may not be able to obtain financing or insurance if the condominium project has a non-conforming or illegal use, structure or lot.</p>

<p>If a non-conforming use, structure or lot exists in this project, this is what will happen under existing laws or codes if the structure is damaged or destroyed:</p> <p>Unit A is the only structure on the Project that is not owned by Developer and, therefore, not being sold pursuant to this Amended Public Report. The spatial Units being sold pursuant to this Amended Public Report do not contain any structures. No statement is made by the Developer as to whether Unit A's structure is "conforming".</p>

3. CREATION OF THE CONDOMINIUM AND CONDOMINIUM DOCUMENTS

A condominium is created by recording in the Bureau of Conveyances (Regular System) or filing in the Office of the Assistant Registrar of the Land Court, or both, a Declaration of Condominium Property Regime, a Condominium Map and the Bylaws of the Association of Unit Owners. The Condominium Property Act (Chapter 514B, HRS), the Declaration, Bylaws and House Rules control the rights and obligations of the unit owners with respect to the project and the common elements, to each other, and to their respective units.

3.1 Declaration of Condominium Property Regime

The Declaration of Condominium Property Regime contains a description of the land, buildings, units, common interests, common elements, limited common elements, and other information relating to the condominium project.

They provide for the manner in which the Board of Directors of the Association of Unit Owners is elected, the powers and duties of the Board, the manner in which meetings will be conducted, whether pets are prohibited or allowed and other matters that affect how the condominium project will be governed.

3.4 House Rules

The Board of Directors may adopt rules and regulations (commonly called "House Rules") to govern the use and operation of the common elements and limited common elements. House Rules may cover matters such as parking regulations, hours of operation for common facilities such as recreation areas, use of lanais and requirements for keeping pets. These rules must be followed by owners, tenants, and guests. They do not need to be recorded or filed to be effective. The initial House Rules are usually adopted by the Developer. Changes to House Rules do not need to be recorded to be effective.

Developer does not plan to adopt House Rules		X

3.5 Changes to the Condominium Documents

Changes to Condominium Documents: Changes to the Declaration, Bylaws and Condominium Map are effective only if they are duly adopted and recorded. Where permitted, the minimum percentages of the common interest that must vote for or give written consent to changes to the Declaration, Bylaws and Condominium Map are set forth below. The percentages for any individual condominium project may be more than the minimum set by law if the Declaration or Bylaws for the project so provide.

4. CONDOMINIUM MANAGEMENT

4.1 Management of the Common Elements

<p><u>Management of the Common Elements:</u> The Association of Unit Owners is responsible for the management of the common elements and the overall operation of the condominium project. <input type="checkbox"/>		Other (explain)

4.2 Estimate of the Initial Maintenance Fees

<p><u>Estimate of the Initial Maintenance Fees:</u> The Association will make assessments against your unit to provide funds for the operation and maintenance of the condominium project. If you are delinquent in paying the assessments, a lien may be placed on your unit and the unit may be sold through a foreclosure proceeding. Initial maintenance fees are difficult to estimate and tend to increase as the condominium ages. Maintenance fees may vary depending on the services provided.</p>	
<p>Exhibit <u>G</u> contains a breakdown of the estimated annual maintenance fees and the monthly estimated maintenance fee for each unit, certified to have been based on generally accepted accounting principles, with the Developer's statement as to when a unit owner shall become obligated to start paying the unit owner's share of the common expenses.</p>

5.2 Sales to Owner-Occupants

If this project contains three or more residential units, the Developer shall designate at least fifty percent (50%) of the units for sale to Owner-Occupants.

<input type="checkbox"/>	Developer has designated the units for sale to Owner-Occupants in this report. See Exhibit _____.
<input checked="" type="checkbox"/>	Developer has or will designate the units for sale to Owner-Occupants by publication.

5.3 Blanket Liens

Blanket Liens: A blanket lien is an encumbrance (such as a mortgage) on the entire condominium project or more than one unit that secures some type of monetary debt (such as a loan) or other obligation. Blanket liens (except for improvement district or utility assessments) must be released as to a unit before the developer conveys the unit to a purchaser. The purchaser's interest will be affected if the developer defaults and the lien is foreclosed prior to conveying the unit to the purchaser.	
<input type="checkbox"/>	There are <u>no</u> blanket liens affecting title to the individual units.
<input checked="" type="checkbox"/>	There are blanket liens that may affect title to the individual units.

<u>Type of Lien</u>	<u>Effect on Purchaser's Interest and Deposit if Developer Defaults or Lien is Foreclosed Prior to Conveyance</u>
Mortgages and Financing Statements	The lien is superior to the interests of the buyers of the leased fee interests, and foreclosure of the lien would foreclose buyer's interest. If an interest is foreclosed, the buyer's deposit will be returned less any escrow cancellation fees.

5.4 Construction Warranties

Construction Warranties: Warranties for individual units and the common elements, including the beginning and ending dates for each warranty (or the method of calculating them), are as set forth below:
Building and Other Improvements: Developer is not providing any warranties on the Units, Common Elements, Limited Common Elements or the Project.
Appliances: Developer is not providing any appliances or warranties on appliances.

5.5 Status of Construction, Date of Completion or Estimated Date of Completion

<p>Status of Construction: Only spatial units are being sold so there is no construction of the spatial units. However, a road, water and sewer lines, a fire protection line and a fire hydrant have been installed and are completed. The installation of the electrical transformer and the pulling of electrical lines to the transformer is scheduled for completion by approximately March 16, 2015.</p>
<p>Completion Deadline: If a sales contract for a unit is signed before the construction of the unit has been completed, or, in the case of a conversion, completion of any repairs, does not occur by the completion deadline set forth below, one of the remedies available to a purchaser is a cancellation of the purchaser's sales contract. The sales contract may include a right of the Developer to extend the completion deadline for force majeure as defined in the sales contract. The sales contract may also provide additional remedies for the purchaser.</p>
<p>Completion Deadline for any unit not yet constructed, as set forth in the sales contract:</p> <p>N/A</p>
<p>Completion Deadline for any repairs required for a unit being converted, as set forth in the sales contract:</p> <p>N/A</p>

5.6 Developer's Use of Purchaser Deposits to Pay for Project Construction Costs Before Closing or Conveyance

<input checked="" type="checkbox"/>	<p>Spatial Units. The Developer hereby declares by checking the box to the left that it is offering spatial units for sale and will not be using purchasers' deposits to pay for any costs to pay for project construction or to complete the project.</p> <p>Should the developer be using purchasers' deposits to pay for any project construction costs or to complete the project including lease payments, real property taxes, architectural, engineering, legal fees, financing costs; or costs to cure violations of county zoning and building ordinances and codes or other incidental project expenses, the Developer has to meet certain requirements, described below in 5.6.1 or 5.6.2.</p>
<p>The Developer is required to deposit all moneys paid by purchasers in trust under a written escrow agreement with a Hawaii licensed escrow depository. Escrow shall not disburse purchaser deposits to the Developer or on behalf of the Developer prior to closing, except if a sales contract is canceled or if Developer has met certain requirements, which are described below.</p>	

5.6.1 Purchaser Deposits Will Not Be Disbursed Before Closing or Conveyance

<input checked="" type="checkbox"/>	<p>The Developer hereby declares by checking the box to the left that it shall use its own funds to complete the construction of the condominium project by the date indicated in Section 5.5 of this report, and the Developer, pursuant to its own analysis and calculations, certifies that it has sufficient funds to complete the construction of the condominium project.</p> <p><i>If this box is checked, Section 5.6.2, which follows below, will not be applicable to the project.</i></p>
-------------------------------------	--

5.6.2 Purchaser Deposits Will Be Disbursed Before Closing

Hawaii law provides that, if certain statutory requirements are met, purchaser deposits in escrow under a binding sales contract may be used before closing to pay for certain project costs. For this project, the Developer indicates that purchaser deposits may be used for the following purposes (check applicable box):	
<input type="checkbox"/>	For new construction: to pay for project construction costs described in the Developer's budget and approved by the Developer's lender or an otherwise qualified, financially disinterested person; or
<input type="checkbox"/>	For conversions: to pay for repairs necessary to cure violations of county zoning and building ordinances and codes, for architectural, engineering, finance and legal fees, and for other incidental expenses.

In connection with the use of purchaser deposits (check Box A or Box B):

<p>Box A</p> <p><input type="checkbox"/></p>	<p>The Developer has submitted all information and documents required by law and the Commission prior to the disbursement of purchaser deposits before closing. This means that the Developer may use such deposits before closing. If the Developer decides not to use purchaser deposits before closing, the Developer does not need to amend this report.</p> <p>If Box A is checked, you should read and carefully consider the following notice, which is required by law:</p> <p><u>Important Notice Regarding Your Deposits:</u> Deposits that you make under your sales contract for the purchase of the unit may be disbursed before closing of your purchase to pay for project costs, construction costs, project architectural, engineering, finance, and legal fees, and other incidental expenses of the project. While the developer has submitted satisfactory evidence that the project should be completed, it is possible that the project may not be completed. If your deposits are disbursed to pay project costs and the project is not completed, there is a risk that your deposits will not be refunded to you. You should carefully consider this risk in deciding whether to proceed with your purchase.</p>
<p>Box B</p> <p><input type="checkbox"/></p>	<p>The Developer has not submitted all information and documents required by law and the Commission, and, until all such information and documents are submitted, thus, the Developer cannot use purchaser deposits.</p> <p>If the Developer later submits all information and documents required by law and the Commission for the use of purchaser deposits, then the Developer must provide an amendment to this report or an amended developer's public report to each purchaser who has signed a sales contract. At such time, the <u>Important Notice Regarding Your Deposits</u> set forth immediately above will apply to all purchasers and will be restated in the amendment to this report or an amended developer's public report. When an effective date for such an amendment or an amended developer's public report is issued, <u>you will not have the right to rescind or cancel the sales contract by reason of such submission and amendment.</u> (This, however, does not affect your right to rescind for material changes or any other right you may have to rescind or cancel the sales contract, as described in Section 5.8 below.) If the Developer decides not to use purchaser deposits before closing, the Developer does not need to amend this report.</p> <p>You should understand that, although the <u>Important Notice Regarding Your Deposits</u> set forth above does not currently apply to you, it might apply to you in the future, and, therefore, you should read and carefully consider it now to ensure that you understand the risk involved in deciding whether to proceed with your purchase.</p>

Material House Bond. If the Developer has submitted to the Commission a completion or performance bond issued by a material house instead of a surety as part of the information provided prior to the use of purchaser deposits prior to closing or conveyance of a unit, the Developer shall disclose the same below and disclose the impact of any restrictions on the Developer's use of purchaser deposits.

5.7 Rights Under the Sales Contract

Before signing the sales contract, prospective purchasers should carefully review all documents relating to the project. These include but are not limited to the documents listed below. Items 2, 3 and 4 are made a part of this public report, as well as Item 5, if any, and are being delivered to you with this report	
1.	Developer's Amended Public Report
2.	Fourth Amendment and Complete Restatement to Declaration of Condominium Property Regime
3.	Third Amendment and Complete Restatement of Bylaws of the Association of Unit Owners
4.	Third Amendment and Complete Replacement of Condominium Map

7.	Other: Purchase and Sales Contract

Copies of the condominium and sales documents and amendments made by the Developer are available for review through the Developer or through the Developer's sales agent, if any. 5.8 Purchaser's Right to Cancel or Rescind a Sales Contract

A purchaser's right to cancel a sales contract or to rescind a sales contract may arise under varying circumstances. In the sections below, some circumstances that will give rise to a purchaser's right to cancel or rescind are described, together with what a purchaser must do if the purchaser wishes to exercise any of the rights.

5.8.1 When a Sales Contract becomes Binding and Purchaser's 30-Day Right to Cancel a Sales Contract

A sales contract signed by a purchaser and the developer will not become binding on a purchaser or the Developer until the following events have taken place:

(1) The purchaser has signed the sales contract.

(2) The Developer has delivered to the purchaser a true copy of the developer's public report with an effective date issued by the Commission, together with all amendments to the report as of the date of delivery, and the project's recorded Declaration and Bylaws, House Rules (if any), the Condominium Map and any amendments to them to date (all of which are a part of the developer's public report). If it is impracticable to include a letter-sized Condominium Map, the Developer must provide written notice of an opportunity to examine the Condominium Map.

(3) The Developer has delivered to the purchaser a notice of the purchaser's 30-day cancellation right on a form prescribed by the Commission.

(4) The purchaser does at least one of the following:

(a) Waives the purchaser's right to cancel the sales contract within 30 days from receipt of the notice of the purchaser's 30-day cancellation right; or

- (b) Allows the 30-day cancellation period to expire without exercising the right to cancel; or
- (c) Closes the purchase of the unit before the 30-day cancellation period expires.

The purchaser or the Developer may cancel the sales contract at any time during the 30-day cancellation period, and the sales contract will be canceled and the purchaser's deposits returned to the purchaser, less any escrow cancellation fee and other costs associated with the purchase, up to a maximum of \$250.

5.8.2 Right to Cancel a Sales Contract if Completion Deadline Is Missed

In addition to the purchaser's 30-day cancellation right described in Section 5.8.1 above, when a sales contract is signed before completion of construction of a project, the purchaser will have the right to cancel if the unit is not completed by certain deadlines. In conversion projects, there must be a deadline for completion of any required repairs. Every sales contract shall contain an agreement of the Developer that the completion of construction shall occur on or before the completion deadline, and that completion deadline is set forth in this report in Section 5.5. The sales contract shall provide that the purchaser may cancel the sales contract at any time after the specified completion deadline, if completion of construction does not occur on or before the completion deadline, as the same may have been extended. Upon a cancellation, the purchaser's deposits shall be refunded, less any escrow cancellation fee and other costs associated with the purchase, up to a maximum of \$250.00.

5.8.3 Purchaser's Right to Rescind a Binding Sales Contract After a Material Change

If a "material change" in a project occurs after a purchaser has signed a sales contract that has become binding, the purchaser will have a 30-day right to rescind after notification and description of the material change. A material change is defined in the Condominium Property Act to be any change that "directly, substantially and adversely affects the use or value of (1) a purchaser's unit or appurtenant limited common elements; or (2) those amenities of the project available for the purchaser's use."

The purchaser will be informed of the material change by the developer on a form prescribed by the Commission containing a description of the material change.

After notice of the material change, the purchaser may waive the right to rescind by:

- (1) Checking the waiver box on the rescission form; or
- (2) Letting the 30-day rescission period expire, without taking any action to rescind; or
- (3) Closing the purchase of the unit before the 30-day rescission period expires.

The rescission form must be signed by all purchasers of the affected unit and delivered to the developer no later than midnight of the 30th calendar day after the purchasers received the rescission form from the developer. Purchasers who validly exercise the right of rescission shall be entitled to a prompt and full refund of any moneys paid.

A rescission right shall not apply in the event of any additions, deletions, modifications and reservations including, without limitation, the merger or addition or phasing of a project, made pursuant to the terms of the project's Declaration.

These provisions shall not preclude a purchaser from exercising any rescission rights pursuant to a contract for the sale of a unit or any applicable common law remedies.

6. MISCELLANEOUS INFORMATION NOT COVERED ELSEWHERE IN THIS REPORT

[rest of page blank]

The Developer declares subject to the penalties set forth in Section 514B-69, HRS, that this project conforms to the existing underlying county zoning for the project, zoning and building ordinances and codes and all applicable permitting requirements adopted by the county in which the project is located, all in accordance with Sections 514B-5 and 32(a)(13), HRS.

For any conversion, if any variances have been granted, they are specified in Section 1.14 of this report, and, if purchaser deposits are to be used by the Developer to cure any violations of zoning, permitting requirements or rules of the county in which the project is located, the violation is specified in Section 1.15 of this report, along with the requirements to cure any violation, and Section 5.5 specifies the date by which the cure will be completed.

The Developer hereby certifies that all the information contained in this report and the exhibits attached to this report and all documents to be furnished by the Developer to purchasers concerning the project have been reviewed by the Developer and are, to the best of the Developer's knowledge, information and belief, true, correct and complete. The Developer hereby agrees promptly to amend this report to report and include either or all material facts, material or pertinent changes to any information contained in or omitted from this report and to file annually a report to update the material contained in this report at least 30 days prior to the anniversary date of the effective date of this report.

EXHIBIT A
PARKING STALLS, UNITS AND COMMON INTEREST

Developer is selling 5 spatial Units, Units B through F. Each Spatial Unit shall have sufficient room for one or more parking stalls, depending on the Buyer's plans for a residence. None of the 5 Spatial Units have any buildings. The approximate square footage of the limited common elements for each of Units B through F and each of said Unit's common interest are as follows:

UNIT NO.	LIMITED COMMON ELEMENTS (SQUARE FEET)	COMMON INTEREST
B	6,263	17.03%
C	6,263	17.03%
D	6,209	17.03%
E	6,687	17.03%
F	12,765	17.03%

Unit A is not owned by Developer and its common interest is 14.85%.

EXHIBIT B

PERMITTED ALTERATIONS TO UNITS

1. Paragraph 19.1 of the Fourth Amendment and Complete Restatement to Declaration ("4th Amended Declaration") states:

"19.1 Changes to Units. Notwithstanding anything to the contrary contained in this Declaration, each Unit Owner shall have the right at his sole option at any time and from time to time without the consent of anyone other than the holders of all mortgage liens affecting his Unit, if required by such holders, to improve, renovate, remodel, make additions to, enlarge, remove, replace or restore the improvements to or in his Unit or portions thereof or to make additional improvements upon the Dwelling Area appurtenant to the Unit (the foregoing are referred to collectively as "Changes" and singly, as a "Change") subject to the following conditions:

(a) Building plans for any Change shall be prepared by a licensed architect or professional engineer and all construction shall be undertaken in accordance with such plans and shall comply with all governmental laws, ordinances, rules and regulations.

(b) If required by County Building Laws, then the Owner making the change shall first obtain any requisite building permit.

(c) Any Change to a Unit cannot extend beyond the Dwelling Area which is appurtenant to the Unit.

(d) No Change to a Unit will be made if the effect of such Change would be to exceed the Unit's "proportionate share of the total allowable lot area coverage for the Land" or the number of dwelling units permitted on the Land, as permitted under the zoning and building codes applicable to the Land in effect when the Change is to be made (collectively, the "Land Use Ordinance"). A Unit's proportionate share of the total allowable lot area coverage for the Land shall be calculated by multiplying the Unit's common interest by the total allowable lot area coverage for the entire Land in the Project, provided however, that this formula does not apply to Units already constructed, originally built or submitted to the Act by Developer and converted to a condominium unit (i.e. Unit A), but only to Changes to a unit after it is sold by the Developer. For example, if the total allowable lot area coverage for the entire Land in the Project is 2,000 square feet and the common interest for Unit B is 20%, then Unit B's proportionate share of the total allowable lot area coverage for the Land in the Project is 400 square feet (2,000 square feet x .20).

(e) Any such Change shall be at the expense of the Unit Owner making the Change and shall be expeditiously made and in a manner that will not unreasonably interfere with the other Unit Owners' use or enjoyment of his Unit and appurtenant limited common elements and the common elements. The Unit Owner making the changes shall pay for all fees and costs of amending and recording the Declaration and Condominium Map to reflect the changes.

(h) If the consent or joinder of another Unit Owner to any Change, including obtaining building permits, is required by the Act notwithstanding the provisions of the first paragraph in Paragraph 19.1 above, then each Unit Owner hereby consents in advance to give such consent or join any such application for such Change, provided that all such expenses relating to the change shall be borne by the Owner making the Change.

(i) Each and every conveyance, lease and mortgage or other lien made or created on any Unit and all common interests and other appurtenances thereto shall be subject to the provisions of Paragraph 19 herein and any lease of a Dwelling Area shall reserve to all Owners the rights set forth in Paragraph 19 herein.

EXHIBIT F

DEVELOPER'S RESERVED RIGHTS

The Developer (Declarant) has reserved the following rights to change the Declaration, Condominium Map, Bylaws or House Rules:

1. Paragraphs 8.2 and 8.3 of the Fourth Amendment and Complete Restatement to Declaration state:

“8.2 Developer’s Rights Generally. Any other provision of this Declaration to the contrary notwithstanding, for so long as the Developer retains an ownership interest in any Unit, the Developer shall have (and hereby reserves) the right (but not the obligation), in the Developer’s sole and absolute discretion, and without being required to obtain the consent or joinder of any person or group of persons, including the Association, any other Unit Owner or purchaser, any mortgagee or lien holder, or any other person who may have an interest in the Project or in any Unit, to do all or any of the following:

(a) The Developer reserves the right to conduct extensive sales activities on and at the Project, including the use of model Units, sales and management offices, parking stalls and extensive sales displays and activities until the closing of the sale of the last unsold Unit in the Project, provided that such sales activities are conducted in a manner that will not unreasonably interfere with the use, possession and aesthetic enjoyment of the Project by the other Unit owners. Notwithstanding the foregoing, in the event that the Declarant's mortgage lender or any successor to or assignee of the Declarant's mortgage lender shall acquire any portion of the Project in the course of any foreclosure or other legal proceeding or by an assignment or sale in lieu of foreclosure, such mortgage lender and its successors and assigns shall have the right to conduct such extensive sales activities on and at the Project until all of the Units in the Project have been sold and such sales have been closed.

(b) In addition to any other rights reserved in this Declaration, Developer reserves the right without the necessity of obtaining any written consent, joinder or conveyance from anyone to grant to any public utility or governmental authority easements for sewer, drainage, water and other utility facilities over, under, along, across and through the Land of the Project. Each Unit owner and each and every person acquiring an interest in the Project agrees to execute and deliver such documents and instruments and do such other things as may be necessary or convenient to effect the same, and appoints Developer and its assigns as his or her attorney-in-fact with full power of substitution to execute and deliver such documents and instruments and to do such things on his or her behalf, which grant of such power, being coupled with an interest, is irrevocable for the duration of such reserved rights, and shall not be affected by the disability of such party or parties.

(c) To apply for and obtain cancellation and/or modification of the Cluster Housing Permit, the Fence Master Plan, the Landscape Master Plan, the Park Declaration, the Private Park or other authorizations or restrictions from any government authority with

jurisdiction over the Project; to increase or decrease the number of Units in the Project; to convert any Units from shed structures to spatial units to residential or other buildings allowable by law; to reconfigure the boundaries of all Units other than Unit A; to change the percentage common interest of all Units except for Unit A; to modify the boundaries, location and size of the Private Park; and to otherwise revise the Project to make it more marketable without changing the boundaries or the common interest of Unit A.

(d) Except as otherwise provided in this Paragraph 8.2(d), the Developer may transfer its rights reserved under Paragraph 8 (and all other rights specifically reserved to the Developer in this Declaration, in the Bylaws or under the Unit Deeds) in whole or in part to any person who acquires all or a portion of the Developer's interest in the Project. Such reserved rights shall be transferred by express reference and assignment in the recorded instrument conveying title to all or a portion of the Project to such person. The transfer of such rights shall be subject to the terms of Section 514B-136 of the Act. The term "Developer's successor in interest" or "successor in interest of the Developer", as used in this Declaration, shall mean any person who acquires title to the Developer's interest in and to all or a portion of the Project by a recorded instrument that also expressly assigns some or all of the rights reserved to the Developer in Paragraph 8 and/or elsewhere in this Declaration, the Bylaws or the Unit Deeds. No deed or lease of a Unit or Units in the Project shall transfer any of the Developer's reserved rights under this Declaration, the Bylaws or the Unit Deeds unless the deed or lease expressly refers to and assigns said rights. Absent an express assignment of such reserved rights, each deed or lease or other transfer of a Unit or Units shall only transfer title to such Unit or Units, the common interest in the common elements appurtenant to such Unit or Units, and the rights (and obligations) of a Unit Owner as set forth in the Declaration, in the Bylaws and in the Act. Once all or a portion of the Developer's reserved rights are transferred to a successor in interest of the Developer, the transferee may have and exercise all of the rights of the Developer to the extent transferred, but only to such extent.

(e) The Developer shall have the absolute right, notwithstanding the lease, sale or conveyance of any Unit, and without being required to obtain the consent or joinder of the Association, any Unit Owner or purchaser, any "eligible holder of first mortgages" (as defined in Paragraph 20.1 herein), lien holder or other persons, to effect the changes to the Project reserved by Developer in this Declaration and to execute, record and/or file the herein described application(s), amendments, grants and any and all other instruments necessary or appropriate for the purpose of effecting such changes to the Project, including amendments to the Declaration, Bylaws and Condominium Map. Any such action shall be deemed taken by the Developer as the true and lawful attorney-in-fact of the respective Unit Owners, eligible holders of first mortgages, lien holders and others who may have an interest in the Project. Each and every person acquiring an interest in any Unit, the Project or the Land covered by this Declaration, by such acquisition, consents to all such changes and to the recordation of such documents as may be necessary to effect the same; agrees to execute such documents and do such other things as may be necessary or convenient to effect the same; and appoints the Developer his, her or its attorney-in-fact with full power of substitution to execute such documents and do all such other things on his, her or its behalf, as are reserved to Developer by the provisions of this Declaration, which grant of such power, being coupled with an interest, is irrevocable and shall not be affected by the disability of any such person.

8.3 Association Bound. Without limiting the generality of the foregoing, if the Developer or the Developer's successor in interest exercises or wishes to exercise any of the rights reserved to the Developer by the terms of this Declaration after the first meeting of the Association and the election of the Association's first Board of Directors, the Board, acting on behalf of the Association, upon the request of the Developer or the Developer's successor in interest, and without requiring the vote or consent of any Unit Owner, Board member or other person, shall execute such instruments (including but not limited to applications for zoning authorizations or permits, grants of easements and amendments to this Declaration, the Condominium Map and/or the Bylaws) and do all such other things as may be necessary or convenient to enable the Developer or the Developer's successor in interest to exercise the rights reserved to Developer by the terms of this Declaration, and accomplish the purposes contemplated by the reservation of such rights."

2. Paragraph 11.2 of the Fourth Amendment and Complete Restatement to Declaration states:

"11.2 Developer Control Period. Developer reserves the right to retain control of the Association for the maximum period of time allowed under Section 514B-106(d) of the Act ("Developer Control Period"). During the Developer Control Period, Developer or person(s) designated by Developer, reserves the right to appoint and remove all members of the Board and all officers of the Association. The Developer may voluntarily surrender the right to appoint and remove said officers and members of the Board before termination of the Developer Control Period, but in that event the Developer may require, for the duration of the period of Developer Control Period, that specified actions of the Association or Board, as described in a recorded instrument executed by the Developer, be approved by the Developer before they become effective."

3. Paragraphs 20.2, 20.3, 20.4 and 20.6 of the Fourth Amendment and Complete Restatement to Declaration state:

"20.2 Notwithstanding any provision to the contrary in this Declaration and in addition to any rights reserved by Developer in this Declaration or by the provisions of the Act, Developer reserves the following rights: (1) at any time prior to the first recording in the Recording Office of a conveyance of a Unit, the Developer may amend this Declaration, the Condominium Map and the Bylaws in any manner, without the consent of any Unit purchaser; and (2) at any time after the first recording in the Recording Office of a conveyance of a Unit, the Developer may amend this Declaration and the Condominium Map to file the "As Built" verified statement required by Section 514B-34 of the Act (i) so long as such statement is merely a verified statement of a registered architect or professional engineer certifying that the final plan thereto filed fully and accurately depicts layout, location, Unit numbers, and the dimensions of an improvement or change in a Unit as built; or (ii) so long as the plans filed therewith involve only immaterial changes to the layout, location, or dimensions of the Units as built or any change in any Unit number.

20.3 Notwithstanding Paragraph 19.2 or any other provision in this Declaration, a Unit Owner shall have the right without the consent or joinder of any other person to amend this Declaration and the Condominium Map to reflect the Changes made to the Unit pursuant to Paragraph 19.1 or the boundaries of Dwelling Areas in accordance with Paragraph 19.3. Promptly upon completion of such Changes, the Owner of the changed Unit or boundary, as the case may be, shall duly record with the Recording Office an amendment to this Declaration and to the Condominium Map, together with a complete set of the floor plans of the Project as so altered, certified as built by a registered architect or professional engineer. All existing Unit Owners and all future Unit Owners and their mortgagees, by accepting an interest in a Unit, shall be deemed to have given each Unit Owner a Power of Attorney to execute an amendment to the Declaration solely for the purpose of describing the changes to his respective Unit and boundary on the Declaration and Condominium Map so that each Unit Owner shall hereafter have a Power of Attorney from all the other Unit Owners to execute such amendment to the Declaration and Condominium Map. This Power of Attorney shall be deemed coupled with each Owner's interest in his Unit (including his common interest) and shall be irrevocable.

20.4 Amendments Required by Law, Lenders, Title Insurers, Etc. Notwithstanding any other provision of this Declaration, for so long as the Developer retains any interest in a Unit in the Project, the Developer reserves the right (but not the obligation) to amend this Declaration and the Bylaws and the Condominium Map without the consent or joinder of any Unit Owner, lienholder or other person or entity, for the purpose of accurately describing the remaining land after the conveyance referred to in Paragraph 8.8 herein or meeting any requirement imposed by (i) any applicable law, (ii) the Real Estate Commission of the State of Hawaii, (iii) any title insurance company issuing a title insurance policy on the Project or any of the Units, (iv) any institutional lender lending funds on the security of the Project or any of the Units, or (v) any other governmental or quasi-governmental agency including, without limitation, the Federal National Mortgage Association, the Federal Home Loan Mortgage Corporation, the U. S. Department of Housing and Urban Development or the Veterans Administration; provided, however, that no amendment that would change the common interest appurtenant to a Unit or substantially change the design, location or size of a Unit shall be made without the consent of all persons having an interest in such Unit. Each and every party acquiring an interest in the Project, by such acquisition, consents to the amendments described in this Paragraph 20.4 and agrees to execute and deliver such documents and instruments and do such other things as may be necessary or convenient to effect the same, and appoints Developer and its assigns as his or her attorney-in-fact with full power of substitution to execute and deliver such documents and instruments and to do such things on his or her behalf, which grant of such power, being coupled with an interest, is irrevocable for the duration of such reserved rights, and shall not be affected by the disability of such party or parties.

20.6 Developer's Reservation. Notwithstanding anything to the contrary contained in this Declaration, this Declaration cannot be amended to remove or lessen rights reserved by Developer in this Declaration for its benefit or the benefit of the Developer's successor in interest unless Developer or the Developer's successor in interest, as the case may be, consents to the amendment, which consent may be withheld in the sole discretion of the Developer, or the Developer's successor in interest, as the case may be."

At the time of payment, the Owners will equally share the cost of the then registration fee.

EXHIBIT H

SUMMARY OF PERTINENT PROVISIONS OF SALES CONTRACT

Developer has filed a specimen Purchase and Sales Contract (“Sales Contract”) with the Hawaii Real Estate Commission, which contains certain pertinent provisions summarized as follows:

I.4.a & I.5.c. CONDOMINIUM DOCUMENTS. By closing the purchase of the Unit, Buyer acknowledges that it has examined and approved the form of the Condominium Unit Deed, Declaration of Condominium Property Regime of Ahuimanu Place Estates (“Declaration”), Bylaws, Escrow Agreement, Public Report, Rules and Regulations, Condominium Map, and any amendments to such documents or plan (collectively “Project Documents”). The Condominium Map is intended to show only the approximate layout, location, unit numbers and dimensions of the Units and is not intended to be and is not a representation, warranty or promise to Buyer.

I.4.b. MODIFICATION OF DOCUMENTS. Developer can make certain modifications to the Project Documents. If the modification results in a “material change,” Buyer may rescind the Sales Contract pursuant to HRS Section 514B-87.

I.5.a. NO WARRANTIES. Seller is making no warranties, express or implied (including warranties of merchantability, habitability, workmanlike construction or fitness for a particular purpose), regarding the Units, common elements, or Project, fixtures, appliances, furnishings, consumer items in the Units or anything connected with the Project.

Ninety days before filing a lawsuit against a contractor who designed, repaired or constructed Buyer’s house, Buyer must file a written notice with the contractor alleging the defective construction conditions. Contractor has an opportunity to offer to repair and/or pay for defects but Buyer is not obligated to accept the offer. Under law, there are strict deadlines that, if not followed, may negatively affect Buyer’s ability to file a lawsuit or other action.

I.5.b. ACCEPTANCE OF UNIT. Developer or contractor may ask Buyer to inspect the Unit before Closing. Buyer agrees to accept possession of the Unit even if Buyer has not inspected the Unit prior to Closing.

I.5.e. SELLER’S STATEMENT. Seller’s disclosures in the Sales Contract and the Project Documents about the Unit and the Project are based on observations of visible, accessible areas and information within the knowledge and control of Seller. Buyer should hire his own experts to inspect the Unit and Project.

I.5.f.(6). LIQUIDATED DAMAGES. In the event Buyer alleges that Seller violated any federal or state disclosure laws or regulations (including the Hawaii Condominium Property Act and federal and state securities law), Buyer’s only remedy will be to sue for a refund of the purchase price and closing costs actually paid plus interest at 6% per annum from the date of closing until the date of repayment. If Buyer is successful, this remedy will constitute liquidated damages and Buyer cannot claim damage for changes to the Unit, maintenance fees, real property taxes, mortgage fees and interest on the mortgage or any other damages.

I.3; I.6.; I.9. SELLER'S RIGHT TO CANCEL. In addition to any other rights of cancellation reserved to Seller, if (a) Buyer's deposit check is returned for insufficient funds, (b) Buyer intends to obtain financing and fails to meet the deadlines regarding applying for financing or to obtain an irrevocable written commitment for an adequate loan within 20 days of the acceptance of the Sales Contract by Seller, (c) Buyer intends to pay all cash and fails to provide proof of ability to pay within 5 days after Seller accepts the Sales Contract, or (d) Buyer should die prior to Closing, or (e) Buyer shall default or fail to perform other obligations under the Sales Contract that are not cured within 5 days of Seller's notice to Buyer, Seller reserves the right to cancel the Sales Contract and return Buyer's check or payments, without interest and less the processing and cancellation fee imposed by Escrow Agent and any other actual expenses incurred by reason of Buyer's execution of the Sales Contract.

I.6.d. & I.6.h. BUYER'S RIGHT TO CANCEL. Buyer has the right to cancel a binding Sales Contract at any time prior to the earlier of (1) the conveyance of a Unit to Buyer, or (2) midnight of the thirtieth (30th) day after (i) the date Buyer signs the Sales Contract, and (ii) the items referenced in HRS Section 514B-86(b)(2) have been delivered to Buyer unless Buyer waives his right to cancel in writing prior to such time.

I.7.d. CLOSING COSTS. Buyer shall pay all closing costs. Real property taxes, assessments paid and insurance shall be prorated as of the Closing.

I.8. SUBORDINATION. Buyer acknowledges that Seller may obtain a loan and grant a mortgage covering Seller's interest in the Project, including the Sales Contract. Buyer acknowledges and agrees that all security interests obtained by a lender in connection with such loan as well as any extensions, renewals and modifications thereof, shall be and remain at all times a lien or charge on the Project, including the Unit covered by the Sales Contract, prior to and superior to any and all liens or charges on the Project arising from the Sales Contract. Buyer hereby expressly waives, relinquishes and subordinates the priority or superiority of any lien under the Sales Contract in favor of the lien or charge on the Project of the security interests of lender.

I.5.b. & I.9. DEFAULT. Time is of the essence of the Sales Contract, and if the Sales Contract is binding and Buyer shall default in any payment when required or fail to perform any other obligations required of Buyer and shall fail to cure such default within five (5) days after receipt of written notice thereof from Seller, Seller may, at Seller's option, terminate the Sales Contract by written notice to Buyer. In the event of such default, the parties hereto understand and agree that the sums paid by Buyer prior to such default shall belong to Seller as liquidated damages. In addition, Buyer shall pay all fees for documents that have been prepared in connection with Buyer's proposed purchase of the Unit. Seller may also pursue any other remedy at law or in equity for specific performance or damages, and all costs, including attorneys' fees, incurred by reason of default by Buyer shall be borne by Buyer.

THIS EXHIBIT CONTAINS ONLY SUMMARIES OF CERTAIN PERTINENT PROVISIONS CONTAINED IN THE SALES CONTRACT. PROSPECTIVE OWNERS SHOULD READ AND UNDERSTAND ALL OF THE PROVISIONS IN THEIR ENTIRETY CONTAINED IN THE AFORESAID DOCUMENT.

EXHIBIT I

SUMMARY OF THE MATERIAL PROVISIONS OF THE ESCROW AGREEMENT

Summary of the Condominium Escrow Agreement between the Developer and Title Guaranty Escrow Services, Inc. ("Escrow")

1. All deposits will be paid to Escrow. A copy of each Sales Contract and all payments made to purchase a Unit shall be turned over to the Escrow.

2. Refunds. A Buyer shall be entitled to a return of his funds, and Escrow shall pay such funds to such Buyer, without interest, in accordance with the Sales Contract if any of the following has occurred:

(a) Developer and Buyer shall have requested Escrow in writing to return to Buyer the funds of Buyer held hereunder by Escrow; or

(b) Developer shall have notified Escrow in writing of Developer's exercise of the option to cancel or rescind the Sales Contract pursuant to any right of cancellation or rescission provided therein or otherwise available to Developer; or

(c) Buyer shall have notified Escrow in writing that the conditions provided for a refund under Section 514B-86 (30 day right to cancel) or Section 514B-87 (right to rescind because of a material change) or, if applicable, Section 514B-89 (failure to complete construction before specified completion deadline) of Hawaii Revised Statutes, as amended, have been met.

Escrow shall be entitled to a cancellation fee commensurate with the work done by Escrow of up to \$250.00 (i) from Seller if cancellation is under Section 514B-87, or (ii) from Buyer if cancellation is under Sections 514B-86 or 514B-89.

3. Requirements Prior to Disbursement of Buyer's Funds. Except for refunds pursuant to Section 2 above, Escrow shall make no disbursements of Buyer's funds pursuant to paragraph 5 of the Escrow Agreement until the applicable conditions of said paragraph 5 have been met. Some of these conditions are the Buyer's waiver of rescission and cancellation rights. Buyer is encouraged to read paragraph 5 of the Escrow Agreement.

4. Buyer's Lender. If Buyer does not obtain a mortgage loan from a lender designated by Developer, Buyer will pay Escrow an additional fee of \$250.00. If Buyer obtains a mortgage loan from an out-of-state lender, Buyer will pay Escrow a fee of \$500.00 for each out-of-state mortgage loan obtained.

5. Buyer's Default. Seller must notify Escrow in writing if Buyer defaults, and must certify that Seller has terminated the Buyer's Sales Contract and provide Escrow with copies of all such notices and termination sent to the Buyer. After such cancellation Escrow will treat the Buyer's funds less Escrow's cancellation fees as belonging to the Seller.

State of Hawaii FLOOD HAZARD ASSESSMENT REPORT

NATIONAL FLOOD INSURANCE PROGRAM

FLOOD ZONE DEFINITIONS

SPECIAL FLOOD HAZARD AREAS SUBJECT TO INUNDATION BY THE 1% ANNUAL CHANCE FLOOD - The 1% annual chance flood (100-year flood), also known as the base flood, is the flood that has a 1% chance of being equaled or exceeded in any given year. The Special Flood Hazard is the area subject to flooding by the 1% annual chance flood. Areas of Special Flood Hazard include Zone A, AE, AH, AO, V, and VE. The Base Flood Elevation (BFE) is the water-surface elevation of the 1% annual chance flood. Mandatory flood insurance purchase applies in these zones:

- Zone A: No BFE determined.
- Zone AE: BFE determined.
- Zone AH: Flood depths of 1 to 3 feet (usually areas of ponding); BFE determined.
- Zone AO: Flood depths of 1 to 3 feet (usually sheet flow on sloping terrain); average depths determined.
- Zone V: Coastal flood zone with velocity hazard (wave action); no BFE determined.
- Zone VE: Coastal flood zone with velocity hazard (wave action); BFE determined.
- Zone AEF: Floodway areas in Zone AE. The floodway is the channel of stream plus any adjacent floodplain areas that must be kept free of encroachment so that the 1% annual chance flood can be carried without increasing the BFE.

NON-SPECIAL FLOOD HAZARD AREA - An area in a low-to-moderate risk flood zone. No mandatory flood insurance purchase requirements apply, but coverage is available in participating communities.

- Zone XS (X shaded): Areas of 0.2% annual chance flood; areas of 1% annual chance flood with average depths of less than 1 foot or with drainage areas less than 1 square mile; and areas protected by levees from 1% annual chance flood.
- Zone X: Areas determined to be outside the 0.2% annual chance floodplains.

OTHER FLOOD AREAS

- Zone D: Unstudied areas where flood hazards are undetermined, but flooding is possible. No mandatory flood insurance purchase requirements apply, but coverage is available in participating communities.
