Special Notes

1. The Developer has recorded that certain Seventh Amendment to Declaration of Condominium Property Regime of Maui Ocean Club dated July 27, 2007, recorded in said Office as Document No. 3643144 ("Seventh Amendment"). The Seventh Amendment reflects the conversion of certain limited common elements appurtenant to Commercial Apartments owned by the Developer into 71 new Resort Apartments that will be situated in a new free standing building in the Project to be known as the Napili Tower. Also, certain existing Commercial Apartments have been subdivided into smaller Commercial Apartments. If a buyer has not received a copy of the Seventh Amendment, such buyer should obtain one from the Developer before closing the purchase of an interest in the Project.

2. The purpose of this public report is to permit the owner to submit the units to a timeshare or vacation rental program to sell undivided interests in the apartments to third parties. No sale of whole units is contemplated.

3. The Project is subject to an uninsured retention of two-percent (2%) for windstorm damage, which will be the obligation of the Association if such damage is incurred. Currently, the two-percent (2%) uninsured retention equates to approximately \$2.37 million. This amount, if incurred, will likely result in a special assessment to members by the Association.

4. The Project is subject to an uninsured retention of one-percent (1%) for earthquake damage, which will be the obligation of the Association if such damage is incurred. Currently, the one-percent (1%) uninsured retention equates to approximately \$1.19 million. This amount, if incurred, will likely result in a special assessment to members by the Association.

5. The Project is subject to an uninsured retention for flood damage, which will be the obligation of the Association if such damage is incurred. Currently, the uninsured retention equates to approximately \$250,000.00. This amount, if incurred, will likely result in a special assessment to members by the Association.

6. Marriott Ownership Resorts, Inc., will be developing a timeshare program at the Project and selling timeshare interests consisting of, in part, undivided interests in certain of the resort apartments of the Project. It will be considered a "Developer" for those purposes under this Public Report. To sell timeshare interests, all applicable requirements of HRS Chapter 514E on Time Sharing Plans must be complied with.

7. The total number of Apartments in the Project is now 480 (21 Commercial Apartments and 459 Resort Apartments).

## **General Information On Condominiums**

A condominium is a special form of real property. To create a condominium in Hawaii, the requirements of the Condominium Property Act, Chapter 514A, Hawaii Revised Statutes, must be complied with. In addition, certain requirements and approvals of the County in which the project is located must be satisfied and obtained.

Some condominium projects are leasehold. This means that the land or the building(s) and other improvements are leased to the buyer. The lease for the land usually requires that at the end of the lease term, the lessees (apartment owners/tenants) deliver their interest in the land to the lessor (fee property owner). The lease also usually requires that the lessees either (1) convey to the lessor the building(s) and other improvements, including any improvements paid for by the lessees; or (2) remove or dispose of the improvements at the lessee's expense. Leases for individual apartments often require that at the end of the lease term, the lessee deliver to the lessor the apartment, including any improvements placed in the apartment by the lessee.

If you are a typical condominium owner, you will have two kinds of ownership: (1) ownership in your individual apartment; and (2) an undivided interest in the common elements.

"Common elements" are the areas of the condominium project other than the individual apartments. They are owned jointly by all apartment owners and include the land, either in fee simple or leasehold, and those parts of the building or buildings intended for common use such as foundations, columns, roofs, halls, elevators, and the like. Your undivided interest in the common elements cannot be separated from ownership of your apartment.

In some condominium projects, some common elements are reserved for the exclusive use of the owners of certain apartments. These common elements are called "limited common elements" and may include parking stalls, patios, lanais, trash chutes, and the like.

You will be entitled to exclusive ownership and possession of your apartment. Condominium apartments may be individually bought, sold, rented, mortgaged or encumbered, and may be disposed of by will, gift, or operation of law.

Your apartment will, however, be part of the group of apartments that comprise the condominium project. Study the project's Declaration, Bylaws, and House Rules. These documents contain important information on the use and occupancy of apartments and the common elements as well as the rules of conduct for owners, tenants, and guests.

## **Operation of the Condominium Project**

The Association of Apartment Owners is the entity through which apartment owners may take action with regard to the administration, management, and operation of the condominium project. Each apartment owner is automatically a member of the Association.

The Board of Directors is the governing body of the Association. Unless you serve as a board member or an officer, or are on a committee appointed by the board, your participation in the administration and operation of the condominium project will in most cases be limited to your right to vote as an apartment owner. The Board of Directors and officers can take certain actions without the vote of the owners. For example, the board may hire and fire employees, increase or decrease maintenance fees, borrow money for repair and improvements and set a budget. Some of these actions may significantly impact the apartment owners.

Until there is a sufficient number of purchasers of apartments to elect a majority of the Board of Directors, it is likely that the developer will effectively control the affairs of the Association. It is frequently necessary for the developer to do so during the early stages of development and the developer may reserve certain special rights to do so in the Declaration and Bylaws. Prospective buyers should understand that it is important to all apartment owners that the transition of control from the developer to the apartment owners be accomplished in an orderly manner and in a spirit of cooperation.

**II. CREATION OF THE CONDOMINIUM;  
CONDOMINIUM DOCUMENTS**

A condominium is created by recording in the Bureau of Conveyances and/or filing with the Land Court a Declaration of Condominium Property Regime, a Condominium Map (File Plan), and the Bylaws of the Association of Apartment Owners. The Condominium Property Act (Chapter 514A, HRS), the Declaration, Bylaws, and House Rules control the rights and obligations of the apartment owners with respect to the project and the common elements, to each other, and to their respective apartments. The provisions of these documents are intended to be, and in most cases are, enforceable in a court of law.

- A. **Declaration of Condominium Property Regime** contains a description of the land, buildings, apartments, common elements, limited common elements, common interests, and other information relating to the condominium project.

The Declaration for this condominium is:

Proposed  
 Recorded - Bureau of Conveyances: Document No. \_\_\_\_\_  
Book \_\_\_\_\_ Page \_\_\_\_\_

**IMPORTANT INFORMATION ON LEASEHOLD CONDOMINIUM PROJECTS**

The information contained in this report is a summary of the terms of the lease. For more detailed information, you should secure a copy of the lease documents and read them thoroughly.

If you have any legal questions about leasehold property, the lease documents or the terms of the lease and the consequences of becoming a lessee, you should seek the advice of an attorney.

There are currently no statutory provisions for the mandatory conversion of leasehold condominiums and there are no assurances that such measures will be enacted in the future.

In leasehold condominium projects, the buyer of an apartment will acquire the right to occupy and use the apartment for the time stated in the lease agreement. The buyer will not acquire outright or absolute fee simple ownership of the land. The land is owned by the lessor or the leased fee owner. The apartment owner or lessee must make lease rent payments and comply with the terms of the lease or be subject to the lessor's enforcement actions. The lease rent payments are usually fixed at specific amounts for fixed periods of time, and are then subject to renegotiation. Renegotiation may be based on a formula, by arbitration set in the lease agreement, by law or by agreement between the lessor and lessee. The renegotiated lease rents may increase significantly. At the end of the lease, the apartment owners may have to surrender the apartments, the improvements and the land back to the lessor without any compensation (surrender clause).

When leasehold property is sold, title is normally conveyed by means of an assignment of lease, the purpose of which is similar to that of a deed. The legal and practical effect is different because the assignment conveys only the rights and obligations created by the lease, not the property itself.

The developer of this condominium project may have entered into a master ground lease with the fee simple owner of the land in order to develop the project. The developer may have then entered into a sublease or a new lease of the land with the lessee (apartment owner). The developer may lease the improvements to the apartment owner by way of an apartment lease or sublease, or sell the improvements to the apartment owners by way of a condominium conveyance or apartment deed.

It may also be used for other purposes, including voting on matters requiring action by apartment owners. The common interests for the apartments in this project, as described in the Declaration, are:

described in Exhibit E.

as follows:

E. **Encumbrances Against Title:** An encumbrance is a claim against or a liability on the property or a document affecting the title or use of the property. Encumbrances may have an adverse effect on the property or your purchase and ownership of an apartment in the project.

Exhibit H describes the encumbrances against the title contained in the title report dated August 23, 2007 and issued by First American Title Insurance Company.

Blanket Liens:

A blanket lien is an encumbrance (such as a mortgage) on the entire condominium project that secures some type of monetary debt (such as a loan) or other obligation. A blanket lien is usually released on an apartment-by-apartment basis upon payment of specified sums so that individual apartments can be conveyed to buyers free and clear of the lien.

There are no blanket liens affecting title to the individual apartments.

There are blanket liens which may affect title to the individual apartments.

Blanket liens (except for improvement district or utility assessments) must be released before the developer conveys the apartment to a buyer. The buyer's interest will be affected if the developer defaults and the lien is foreclosed prior to conveying the apartment to buyer.

Renovations to the Molokai Wing and certain other structures in the Project were completed in January of 2003. Renovations to the Lanai Wing were completed in November of 2005, and renovations to the Maui Wing were completed in October of 2005. Two additional free standing towers have been added to the project known as the Lahaina Tower and Napili Tower. The Lahaina Tower was completed in June of 2007 and the Napili Tower is expected to be completed in January of 2009.

\* All Apartments in the Project shall have the non-exclusive right to utilize parking pursuant to the Irrevocable Parking License Agreement ("Parking Agreement") entered into by and between the Developer and the Association of Apartment Owners of Maui Ocean Club. Pursuant to the Parking Agreement, Owners will have the right to use designated parking located on parking Area A (Lahaina Parking Structure), Parking Plan Area B (Area "B" On-Grade Parking, South), Parking Plan Area C (Area "C" On-Grade Parking, North) and parking Area D (Napili Parking Structure) shown on the Condominium Map for the Project.

\*\* The Common Interest for each Apartment was assigned by the Developer generally taking into account the square footage that each Apartment bears to the aggregate square footage of all Apartments in the Project; however, there are deviations from this general rule. Specifically, the creation of additional Resort Apartments in the Lahaina and Napili Tower did not diminish in any way, the Common Interests appurtenant to Resort Apartments located in the Lanai, Maui and Molokai Wings of the Project. The Developer has reallocated Common Interests appurtenant to the Commercial Apartments in the Project owned by the Developer, to the Resort Apartments in the Lahaina and Napili Towers in an equitable manner so that Resort Apartments in these Towers of similar size and containing the same number of bays have been assigned the same Common Interest.

\*\*\* The approximate net square footage of each apartment as set forth above is measured from the interior surface of the apartment perimeter and party walls and includes all of the interior walls, columns, chase spaces and partitions within its perimeter walls. The areas shown are approximate only, and the Developer makes no representations or warranties whatsoever as to the area of any particular apartment. These areas for the lanais are computed from the outside surface of the apartment unit walls or exterior glass walls to the outside edge of the lanai structure.

**ASSOCIATION OF APARTMENT OWNERS OF MAUI OCEAN CLUB**  
**2008 ASSESSMENT OPERATING BUDGET NOTES**

1) The annual budget, prepared on an accrual basis, is allocated among Apartment Owners based on methodology adopted by the Managing Agent and approved by the Board. Because expenses associated with Limited Common Elements (LCE's) are assessed against only the Apartments to which the LCE's are appurtenant, each Apartment's assessment cannot be computed simply by multiplying its percentage Common Interest by the total annual budget. Rather, the total assessments shown in columns two & three have been derived from allocation formulas for each line item. The Total from the second column is carried forward to the Vacation Ownership Budget for the Maui Ocean Club Vacation Owners Association under the line item "Condominium Association Assessment", and ultimately assessed against Owners of Resort Apartments that have been submitted to the plan of vacation ownership. The Total from the third column is payable by Marriott Ownership Resorts, Inc. as Owner of certain Resort and Commercial Apartments.

2) Although this site is located in Hawaii, it has been registered in California. Pursuant to California Civil Code 1365, the association board must disseminate to members an annual report relating to methods and procedures for funding reserves. The association uses the cash flow method of accounting to calculate and establish reserves to defray the future repair, replacement or additions to the major components of the project that the association is obligated to maintain. The cash flow method requires the association to assess and collect from its owners sufficient funds annually to ensure 100% of the estimated replacement cost of each component is funded by the end of each component's estimated useful life.

3) The itemized estimate of the remaining life and estimated replacement of the major components are listed below:

Components	Estimated Replacement Cost	Estimated Useful Life	Estimated Remaining Useful Life	Anticipated Beginning Balance as of 12/31/2007	% of Fund Bal Over Replacement Cost	Age in Years as of 12/31/2007
Furniture, Fixtures, and Equipment	\$ 9,706,717	03-30	00-25	\$ 271,260	2.79%	03-07
External Building Maintenance	902,498	00-20	00-01	222,992	24.71%	00-19
Common Area Rehabilitation	5,704,668	00-30	00-24	159,513	2.80%	00-08
Roof Replacement	2,348,689	05-25	00-19	84,183	3.58%	05-08
Building Painting	1,807,842	05-10	05-10	3,816	0.21%	05-10
<b>TOTAL</b>	<b>\$ 20,470,415</b>			<b>\$ 741,764</b>	<b>3.62%</b>	

5) The remaining life of a component can be estimated by subtracting the current age of the component from the useful life of such component. Each year, the association board may adjust the amount of the estimated replacement reserve for an asset based on reasonable projections for inflation and for interest which will be earned during the estimated useful life of the asset.

6) Capitalized terms not defined in these footnotes have the meaning given to them in the Declaration of Condominium Property Regime of Maui Ocean Club

6) The amounts set forth in this budget are estimates only and may be modified prior to the actual commencement of the fiscal year. Insurance, energy and labor costs are calculated based on current rates, and such costs may substantially increase over a short period of time. The Developer cannot predict how changes in the economic, social, and political conditions may impact such costs. Purchasers are aware and acknowledge that the budget and, as a result, each purchaser's overall assessment, may increase substantially due to increasing costs, including (without limitation) those described above.

### SUMMARY OF PURCHASE AGREEMENT

The Developer intends to sell undivided fee simple interests in Apartments in the Project pursuant to timeshare sales contracts and timeshare deed instruments, and does not intend to sell whole Apartments to third parties. The conveyance of timeshare interests will be by way of the specimen Maui Ocean Club Vacation Ownership Program Purchase Agreement ("Purchase Agreement") filed with the Commission. The Purchase Agreement provides for, among other things, a description of the interest to be sold, the purchase price, the time, manner and the Purchaser's obligations regarding financing, if any. The Developer will be using two forms of Purchase Agreements, one for the sale of every year Ownership Interests and one for the sale of every other year Ownership Interests (either Odd Year or Even Year Ownership Interests). The provisions summarized below are common to both forms of Purchase Agreements. Among other provisions, the specimen Purchase Agreements provide:

A. **WHEN AND HOW THE CLOSING WILL OCCUR.** The Seller (Developer) will schedule the Closing date with the Escrow Agent as soon as possible after the time specified in Paragraph 5 of the Purchase Agreement. Closing may occur prior to completion of renovations to the Unit in which a Purchaser's Ownership Interest is situated. The Seller and Escrow Agent are not required to notify the Purchaser of the date scheduled. The Escrow Agent must close on or as soon after that date as possible as long as the conditions stated in Paragraph 7 of the Purchase Agreement are satisfied. The Escrow Agent must then: (a) record Purchaser's Deed and Mortgage, if any; and (b) disburse the rest of Purchaser's Funds as the Seller directs.

B. **CLOSING CONDITIONS; TITLE INSURANCE.** Closing may not occur until: (a) all cancellation rights Purchaser may have under the Purchase Agreement have expired; (b) there are no Blanket Liens affecting Purchaser's Ownership Interest(s) or protection against any such lien has been provided pursuant to the Act and approved by the Department of Commerce and Consumer Affairs; and (c) there are no other Encumbrances affecting Purchaser's Ownership Interest, except those stated in the Timeshare Disclosure Statement. In the event the Seller conveys the Ownership Interest prior to completion of renovations to the Unit in which the Ownership Interest is situated, Seller will continue to deposit and maintain with the Escrow Agent one hundred percent (100%) of all funds or other consideration which is received from or on behalf of the Purchaser until a certificate of occupancy has been issued for such Unit. In lieu of the Seller depositing and maintaining such funds or other consideration with the Escrow Agent, the Escrow Agent may accept a surety bond issued by a company authorized and licensed to do business in the State of Hawaii as surety in an amount not less than one hundred ten percent of the funds which would otherwise be placed in the escrow account pursuant to this Agreement. Note that it is likely that Closing will occur within the thirty (30) day period, and that if Purchaser wishes to cancel, Purchaser must act to cancel within the 7-day period specified in Paragraph E below. The Escrow Agent also must commit itself, or have received a written commitment from another title company licensed in Hawaii, to issue a title insurance policy to Purchaser after Closing insuring that there are no Blanket Liens, or that they are provided for as stated above. Purchaser is free to choose any title company Purchaser desires that is licensed in Hawaii to issue the policy, at Purchaser's expense. Unless Purchaser instructs the Escrow Agent in writing differently, however, the Escrow Agent will either issue the policy to Purchaser itself, or on its own make other arrangements for Purchasers. If Purchaser's estimated closing statement has to be adjusted, the Escrow Agent may nonetheless close and subsequently advise Purchaser of these changes as long as any added amount Purchaser must pay does not exceed \$10.00.

C. **THE SELLER HAS ALL THE RIGHTS OF OWNERSHIP UNTIL CLOSING.** The Seller now owns the Ownership Interest(s) Purchaser is purchasing. Until the Closing, Seller possesses the sole ownership rights and privileges of ownership, including use rights and membership in the Association.

D. **PURCHASER IS FINANCIALLY ABLE TO PAY.** Purchaser promises the Seller that Purchaser possesses the financial ability to purchase the Ownership Interest(s) either in cash or in installments, or, if Purchaser desires, Purchaser may obtain a loan from any other lender to pay the Seller. The Seller is not arranging for

EXHIBIT "J"

(Page 1 of 3)

Purchaser to obtain financing from any such other lender. If Purchaser desires to obtain a loan from another lender to pay for the Ownership Interest(s), Purchaser must obtain the loan on his or her own.

**E. CANCELLATION RIGHTS.** UNDER HAWAII LAW BOTH PURCHASER AND SELLER HAVE A RIGHT TO CANCEL WITHIN SEVEN (7) DAYS AFTER THE PURCHASE AGREEMENT IS SIGNED OR AFTER PURCHASER RECEIVES THE TIMESHARE DISCLOSURE STATEMENT, WHICHEVER HAPPENS LATER, BY EXECUTING AND SENDING THE NOTICE OF MUTUAL RIGHT OF CANCELLATION FURNISHED TO PURCHASER BY SELLER IN THE MANNER INDICATED ON THAT NOTICE AND IN PARAGRAPH 15 OF THE PURCHASE AGREEMENT. THIS SEVEN-DAY PERIOD IS CALLED THE "MUTUAL RESCISSION PERIOD." THIS MUTUAL RIGHT TO CANCEL APPLIES EVEN IF THIS SALE IS MADE OUTSIDE OF THE STATE OF HAWAII.

**F. REFUND OF PURCHASER'S FUNDS IF THE AGREEMENT IS CANCELLED; CANCELLATION CHARGES; HANDLING OF DOCUMENTS UPON CANCELLATION.** All Funds Purchaser pays (less cancellation and other charges referred to in this paragraph, if applicable) will be promptly refunded to Purchaser by the Escrow Agent if and only if any one of the following occurs:

1. The Seller notifies the Escrow Agent in writing that it or Purchaser have exercised any right to cancel stated or given in the Purchase Agreement; provided, however, that if the Seller cancels because Purchaser has defaulted under the Purchase Agreement, Purchaser's Funds will be handled as stated in Paragraph 14 of the Purchase Agreement; or

2. Purchaser notifies the Escrow Agent in writing that Purchaser has exercised any right which Purchaser has to cancel stated or given in this Agreement; provided that Purchaser has exercised such right properly within the Mutual Rescission Period.

If Purchaser cancels (except pursuant to Paragraph 11 of the Purchase Agreement) or is in default, the Escrow Agent will charge Purchaser the cancellation fees and charges stated in the Escrow Agreement, if any. If the Seller cancels because Purchaser did not fulfill all of Purchaser's promises, Purchaser will also have to pay these fees and charges. Purchaser promises to return all materials Purchaser received in good condition, except for reasonable wear and tear, if this Agreement is cancelled for any reason by Purchaser or the Seller. If Purchaser breaks this promise, the Escrow Agent will also withhold \$25.00 from Purchaser's Funds and pay it to the Seller.

Upon any cancellation, the Escrow Agent will mark "cancelled" on Purchaser's drafts and other documents. Those which contain Purchaser's original signature will be returned to Purchaser, with a copy to the Seller. All other documents will be returned to Seller. In the event that any dispute arises between Purchaser and the Seller, including a dispute over a claimed cancellation, then, without canceling this Agreement, the Seller may advise the Escrow Agent that Purchaser is in default. In such a circumstance, and continuing until Purchaser and the Seller settle or a court settles the matter, without marking them, the Escrow Agent will continue to hold Purchaser's Funds and drafts (or the Escrow Agent may interplead as stated in the Escrow Agreement). The Escrow Agent then will handle Purchaser's Funds and drafts in accordance with the settlement (or the interpleader).

**G. WHAT THE SELLER CAN DO IF PURCHASER DEFAULTS.** If Purchaser defaults, the Seller may: (a) cancel this Agreement; (b) force Purchaser to pay and keep Purchaser's other promises; or (c) exercise all other rights against Purchaser that the Purchase Agreement or the law allows. If Purchaser defaults, Purchaser also will pay: (1) the Seller's costs and attorney's fees incurred as a result of Purchaser's default; (2) all amounts the Seller advances to pay the obligations Purchaser would have paid if Purchaser had closed on time (this includes, but is not limited to, any payments made by the Seller to the Association); and (3) interest on the amounts that the Seller advances and that the Seller would have received if Purchaser had closed on time. Interest will be imposed at the rate of twelve percent (12%) per annum, or the maximum rate permitted by law, whichever is lower, starting from the date scheduled for Closing. The Seller may also: (d) keep all amounts Purchaser has paid to compensate it for the damages caused by Purchaser's default. These kinds of damages may be uncertain in nature and amount. They may also be difficult, expensive and time-consuming to fix or prove. To avoid problems later, Purchaser and the Seller agree to fix or "liquidate" these damages in the amount stated in the Purchase Agreement. This is not to

**EXHIBIT "J"**

**(Page 2 of 3)**

penalize Purchaser. Purchaser instructs the Escrow Agent that if the Seller cancels because of Purchaser's default, the Escrow Agent must treat Purchaser's payments as if they belonged to the Seller. Purchaser promises not to revoke this instruction. Purchaser also agrees that Purchaser does not have the power or the right to do so. If Purchaser breaks this promise and tries to revoke it, the Escrow Agent must ignore Purchaser and treat Purchaser's Funds as belonging to the Seller.

It is incumbent on the Purchaser to read the full text of the Purchase Agreement which is used in the purchase of the Ownership Interest.

### SUMMARY OF ESCROW AGREEMENT

The Developer intends to sell undivided fee simple interests in Apartments in the Project pursuant to timeshare sales contracts and timeshare deed instruments, and does not intend to sell whole Apartments to third parties. In light of the foregoing, there is no Escrow Agreement for whole Apartments for this Project. Accordingly, Developer has entered into that certain Maui Ocean Club Escrow Agreement dated July 24, 2002 with First American Title Company ("Escrow Agreement"). The Escrow Agreement provides for certain understandings and agreements with respect to the handling of Purchasers' Funds and the closing of sales of Ownership Interests in the Project. Specifically, the Escrow Agreement provides in part that:

A. **PAYMENT OF FUNDS TO ESCROW.** When Seller (Developer) enters into a Purchase Agreement for the sale of an Ownership Interest, it shall promptly deposit with Escrow all Purchasers' Funds received before closing from Purchasers or prospective Purchasers in connection with the purchase of an Ownership Interest, and shall deliver an executed copy of the Purchase Agreement to Escrow together with the address of the Purchaser.

Notwithstanding the foregoing, Seller or Seller's sales agent may hold, until the expiration of the seven-day cancellation period provided by HRS Section 514E-8 and Hawaii Administrative Rules ("HAR") Section 16-106-20, or any longer cancellation period provided in the Purchase Agreement, any negotiable instrument or purchase money contract made by a Purchaser: (1) for which subsequent holders cannot claim holder-in-due course status within the meaning of Article 3 of HRS Chapter 490; or (2) where the payee is Escrow or the trustee of a lien payment trust established pursuant to HRS Section 514E-19.

B. **RECEIPT OF FUNDS BY ESCROW.** Escrow shall receive, deposit and hold in separate escrow accounts and disburse in the manner provided in the Escrow Agreement, all Purchasers' Funds received by it before closing. Escrow shall not at any time commingle or permit the commingling of the Purchasers' Funds of a particular Purchaser with funds belonging to or held for the benefit of Seller or any other Purchaser. All Purchasers' Funds and instruments received from Purchasers or prospective Purchasers shall be held by Escrow in accordance with the provisions contained in the Act.

C. **RELEASE OF PURCHASERS' FUNDS WITHOUT A CLOSING.** Purchasers' Funds may be released from Escrow without a closing under the following circumstances:

1. If a Purchaser or the Seller delivers to Escrow a valid notice of cancellation of the Purchase Agreement pursuant to HRS Section 514E-8, all of the Purchasers' Funds made by such Purchaser shall be returned to the Purchaser within fifteen (15) days after the notice of cancellation is received.

2. If a Purchaser or the Seller properly terminates the Purchase Agreement pursuant to its terms, all of the Purchasers' Funds made by the Purchaser or prospective Purchaser shall be delivered in accordance with the Purchase Agreement.

3. If the Purchaser defaults in the performance of the Purchaser's obligations under the Purchase Agreement, all of the Purchasers' Funds made by such Purchaser under the Purchase Agreement shall be delivered in accordance with the Purchase Agreement.

Upon the return of Purchasers' Funds to the Purchaser as aforesaid, Escrow shall return to Seller such Purchaser's Purchase Agreement and any conveyancing documents theretofore delivered to Escrow pursuant to such Purchase Agreement; and thereupon the Purchaser shall no longer be obligated under the Purchase Agreement. All other documents delivered to Escrow relating to the sale of the Ownership Interest identified in such Purchase Agreement will be returned to the person from whom or the entity from which they were received.

Upon the cancellation of any Purchase Agreement as specified above, Escrow may be entitled to a fee

commensurate with the amount of work performed, but in no event more than the normal escrow fee.

D. **RELEASE OF PURCHASERS' FUNDS UPON CLOSING.** Upon the closing of the escrow for the sale of an Ownership Interest, the Purchasers' Funds paid or made by the Purchaser shall be delivered by Escrow to the Seller after the requirements of HRS Section 514E-19 for protecting Purchasers from blanket liens have been satisfied. The parties to the Escrow Agreement acknowledge and agree that it is the Seller's intention to convey each Ownership Interest in the Program to each respective Purchaser free and clear of any blanket liens. Accordingly, the provisions of HRS Section 514E-19(a)(1) are the provisions which will be followed to protect Purchasers from blanket liens, and Purchasers' Funds shall be delivered by Escrow to Seller at closing upon the satisfaction of those provisions.

In the event the Seller conveys an Ownership Interest in the Project to a Purchaser prior to substantial completion of renovations to the Unit in which the Ownership Interest is situated, Seller shall continue to deposit and maintain with Escrow one hundred percent (100%) of all funds or other consideration which is received from or on behalf of the Purchaser until a certificate of occupancy has been issued for such Unit. In lieu of depositing and maintaining such funds or other consideration with Escrow, Escrow may accept a surety bond issued by a company authorized and licensed to do business in the State of Hawaii as surety in an amount not less than one hundred ten percent of the funds which would otherwise be placed in the escrow account pursuant to the Purchase Agreement.

E. **PURCHASER'S DEFAULT.** If the Purchaser fails to make any payment on or before the due date thereof or otherwise defaults under the Purchase Agreement, Seller shall promptly give to such Purchaser and to Escrow written notice of default. If Purchaser has failed to cure the default after the delivery of notice by Seller and such default continues after the expiration of any grace period, Seller shall so advise Escrow. If Seller shall thereafter certify in writing to Escrow (i) that Seller has elected to terminate the Purchase Agreement and has notified the Purchaser, or (ii) that the Purchaser is otherwise in default, then, and in either event, Escrow, subject to the provisions relating to dispute and conflicting demands set forth in paragraph 13 of the Escrow Agreement, shall thereafter treat all funds of the Purchaser paid under such Purchase Agreement as funds of Seller and not of the Purchaser. Thereafter, such funds shall be held free of the escrow established by the Escrow Agreement and shall be held by Escrow for the account of Seller. Upon written request by Seller, Escrow shall pay such funds to Seller and shall return to Seller the Purchase Agreement of such Purchaser, and any other documents previously delivered to Escrow in connection with the purchase of the Ownership Interest specified in such Purchase Agreement.

It is incumbent upon a prospective Purchaser to read the executed Escrow Agreement with care.

### SUMMARY OF DEED FORMS

The Developer intends to convey undivided fee simple interests in Apartments in the Project pursuant to timeshare deed instruments, and does not intend to sell whole Apartments to third parties. The timeshare interests will be conveyed by way of the Maui Ocean Club Vacation Ownership Program Deed with Encumbrances and Reservations ("Deed"). Among other provisions, this specimen Deed provides that:

A. Grantor (Marriott Ownership Resorts, Inc.) is the record owner of all Ownership Interests in the Program; and except for the Ownership Interest(s) conveyed to Purchaser by the Deed, Grantor (and others who have and will receive transfers of other Ownership Interests) has and may exercise all rights and privileges of such ownership. These rights include, but are not limited to, membership and voting rights in the Vacation Owners Association; rights to use during all Use Periods, except Purchasers' reserved, confirmed and used Use Period(s) and except for Service Periods which are to be used by the Program Operator to maintain and repair the Apartments and prepare them for the next person's use; and rights to transfer these Ownership Interests to others.

B. There are other Ownership Interests in the Apartment in which Purchaser has an Ownership Share, each of which includes an undivided 1/52 or 1/104 ownership share in the Apartment. By the Deed document, the Grantor does not give Purchaser, and Purchaser does not receive, any right or interest in these other Ownership Interests. Except during the Use Period Purchaser reserves, Purchaser will not have any right to use an Apartment in the Condominium, and, unless Purchaser is a guest, and except during Purchaser's Use Period, Purchaser must stay off the Condominium property.

C. The Program Documents and Condominium Documents are encumbrances against Purchaser's Ownership Interest. Every person (including Purchaser) with an interest in an Apartment and the Program and every interest such person possesses are governed by the Program Documents and Condominium Documents. The Grantor has recommended that Purchaser read all of the Program Documents and Condominium Documents. Purchaser acknowledges that Purchaser has read as much of the Program Documents and Condominium Documents as Purchaser desired, and that Purchaser approves and accepts the Program Documents and Condominium Documents.

The Program Documents and Condominium Documents also provide benefits to Purchaser's Ownership Interest. As the Owner, Purchaser will receive those benefits.

D. No matter what else is said in any other part of the Deed, (except to the extent prohibited by law), the Grantor reserves for itself and its successors and assigns certain rights (which means that the Grantor is not giving Purchaser these rights and that the Grantor can exercise these rights without Purchaser's consent, approval or knowledge), some of which are summarized in Exhibit A attached to this Public Report. All of these rights are more fully set forth in the Condominium Declaration and Program Declaration.

By signing the Deed document and acquiring his or her Ownership Interest, Purchaser agrees and consents to the exercise by Grantor of any of its reserved rights under the Condominium Declaration and Program Declaration, including those listed in said Exhibit A, and Purchaser agrees to sign such documents and do such things as may be required to permit Grantor to exercise those reserved rights, including signing, delivery and recording of all documents which may be necessary, and Purchaser appoints Grantor as Purchaser's "attorney-in-fact" which means that Grantor can act for Purchaser or on Purchaser's behalf, with "full power of substitution," which means that someone else may take Grantor's place, to sign, deliver and record all documents and to do all things on Purchaser's behalf, which grant of authority, being coupled with an interest, which means that the Grantor has an interest beyond just in the power Purchaser is giving, cannot be revoked by Purchaser for the term of the reserved rights, and will not be affected by Purchaser's disability, and which means that the grant of such power will be binding upon any person or entity transferred the Ownership Interest and will be considered automatically

granted anew by any such person or entity upon such transfer or any interest therein, whether by deed, mortgage, or any other instrument of conveyance.

E. If Purchaser desires to sell, convey, lease (or enter into other agreements relating to the use of a Unit if not designated as a "lease") for a term of three (3) years or more in the aggregate (and whether or not consecutive), or otherwise transfer ownership of Purchaser's Ownership Interest and Purchaser receives an offer to purchase or lease, as applicable, such Ownership Interest which Purchaser desires to accept, prior to accepting such offer, Purchaser shall notify Grantor and provide Grantor with a copy or summary of the offer received. Grantor shall then have the right and option to purchase or lease, as applicable, the Ownership Interest at the same price or at the rental rate, as applicable, and on the same terms as set forth in the offer. If Grantor elects to purchase or lease, as applicable, the Ownership Interest, such election shall be made by written notice, sent to Purchaser within thirty (30) days following receipt by Grantor of Purchaser's notice. Such notice from Grantor shall be deemed to create a binding contract between the Grantor and Purchaser to purchase or lease, as applicable, the Ownership Interest in accordance with the terms and provisions of the offer. If Grantor does not notify Purchaser of its election to purchase or lease, as applicable, the Ownership Interest within such thirty (30) day period, Purchaser shall then be free to sell or lease the Ownership Interest to the person or entity submitting the offer in accordance with the terms and provisions of the offer. Should, however, such transaction not be consummated within four (4) months after the date the offer is transmitted to the Grantor at the price and terms equal to or more favorable to Purchaser, the terms of this paragraph shall again be imposed on any sale of the Ownership Interest or on any lease of the Ownership Interest for a period of three (3) years or more, as described above, by Purchaser.
