Preparation of this Report

The Developer prepared this report to disclose relevant information, including "material facts", that are reasonably known to the Developer about the condominium project covered by this report. This report has been prepared pursuant to the Condominium Property Act, Chapter 514B, Hawaii Revised Statutes, as amended from time to time. The law defines "material facts" to mean "any fact, defect, or condition, past or present that to a reasonable person, would be expected to measurably affect the value of the project, unit, or property being offered or proposed to be offered for sale."

This report has not been prepared or issued by the Real Estate Commission or any other governmental agency. The issuance by the Commission of an effective date for this Developer's Public Report (1) does not mean that the Commission approves or disapproves of the project; (2) does not mean that the Commission thinks that either all material facts or all pertinent changes, or both, about the project have been fully or adequately disclosed; and (3) is not the Commission's judgment of the value or merits of the project.

This report may be used by the Developer for promotional purposes only if it is used in its entirety. No person shall advertise or represent that the Commission has approved or recommended the project, this report or any of the documents submitted with Developer's application for registration of this project.

This report will be amended if, after the effective date of this report, any changes, either material or pertinent changes, or both, occur regarding the information contained in or omitted from this report. In that case, the Developer is required to submit immediately to the Commission an amendment to this report or an amended Developer's Public Report, clearly reflecting the changes, including any omitted material facts, together with such supporting information as may be required by the Commission. In addition, the Developer may choose at any time to change or update the information in this report. Annually, at least thirty days prior to the anniversary date of the Effective Date of this report, the Developer shall file an annual report to update the material contained in this report. If there are no changes, the Developer is required to state that there are no changes. The Developer's obligation to amend this report or to file annual reports ends when the initial sales of all units in the project have been completed.

Purchasers are encouraged to read this report carefully and to seek professional advice before signing a sales contract for the purchase of a unit in the project.

Signing a sales contract may legally bind a purchaser to purchase a unit in the project, though a purchaser may have rights to cancel or rescind a sales contract under particular circumstances that may arise.

This material can be made available for individuals with special needs. Please call the Senior Condominium Specialist at 586-2643 to submit your request.

**For use in connection with the sale of Phase 1 units (#1-10) only.*

SPECIAL ATTENTION

The Second Amended Developer's Public Report SUPERSEDES the prior Amended Developer's Public Report with an effective date of October 31, 2008.

NOTES:

1. The entire condominium project contains 13 Units. This Second Amended Developer's Public Report covers Units 1-10. Developer has obtained a separate Developer's Public Reports for the remaining 3 Units, Registration Number 6711 (Phase 2). For purposes of this Second Amended Developer's Public Report, each group of condominiums subject to a Developer's Public Report shall be referred to as a "Sales Phase." Although separate Developer's Public Reports will be issued, all 13 Units comprise a single condominium project. In other words, the act of separating the various Units into different Sales Phases does not create separate and distinct condominium projects. Accordingly, the common elements described in Exhibit "E" of this Second Amended Developer's Public Report serve each of the 13 Units.
2. The Estimate of Annual Maintenance Fees contained in Exhibit "M" covers all 13 Units, including the 10 Units designated herein.
3. Developer has reserved the right, in its sole and absolute discretion and without being required to obtain the consent or joinder of, or provide notice to, any person or group of persons, including the Association, any Unit Owner or any mortgagee, lien holder, any Unit purchaser, or any other person who may have an interest in the Community or in any Unit, to reconfigure, delete or withdraw land from the property that has been made subject to the Declaration as permitted pursuant to Section S of the Declaration in order to create the Community Land. Declarant has further reserved the right to reconfigure and adjust the boundaries of the Community such that the boundaries vary from that reflected on the Condominium Map provided not less than thirty-eight (38) acres remain Community land and subject to the Declaration. In addition, Developer may remove any land located in the Special Management Area and/or the State Land Use Conservation District, as shown on the Condominium Map even if not reflected on the Condominium Map as removable land. Upon such removal, the land deleted, removed or withdrawn shall no longer be subject to the Declaration, and will not be administered by the Association.
4. The sales contract between Buyer and Developer will become binding when **ALL** of the following events occur:
 - The condominium documents have been recorded;
 - A copy of an amended public report with an effective date issued by the Real Estate Commission has been delivered to the Buyer, along with copies of the recorded Condominium Documents; and
 - The Buyer has waived Buyer's 30-day right to cancel the sales contract.
5. It is suggested that prospective purchasers first read Exhibit Q of this Public Report for an overview of how the Developer (sometimes "Declarant" herein) proposes to develop the approximately 347 acres in this project. Initially the land area of this project is the same as that of the master planned Kahu'aina Plantation, but the Developer plans to withdraw portion(s) of the land and may create other projects similar to this Kahu'aina Farms out of such withdrawn portions. Details relative to this can be found in the Master Declaration for Kahu'aina Plantation, which is available for inspection by purchasers on request, and in Exhibit L (Developer's reserved rights) of the Public Report.

Essentially, purchasers are buying into an agricultural condominium project that is located in the master planned Kahu'aina Plantation, which may include other projects that may be similar to this one.

6. Changes made as follows pursuant to the rights of Developer under the Declaration:

(a) Amendment to Declaration of Condominium Property Regime of Kahu'aina Farms Condominium Map No. 4702 (Dated March 3, 2009/Document No. 2009-052114).

(b) Amendment to Condominium Map for Kahu'aina Farms No. 4702 (Dated March 3, 2009/Document No. 2009-052113)

This resulted in changes to the following pages and Exhibits of the Developer's Public Report:

(a) Page 5 has been revised to reflect the date of the updated title report.

(b) Page 10 has been revised to reflect the recordation of the Amendment to the Declaration and Condominium Map referenced above.

(c) Exhibit A (Section 1.3 – Unit types and Sizes of Units) has been revised to reflect the revised description of the Units.

(d) Exhibit F (Section 1.10 – Limited Common Elements) has been revised to reflect the revised description of the Limited Common Elements.

(e) Exhibit H (Section 1.12 – Encumbrances Against Title) has been updated.

A major change was the redefinition of "unit", formerly defined as a 16 square foot wood metal and cloth shed and its appurtenant limited common element. The unit is now defined as a spatial area, shown in Exhibit A, which includes the shed and coincides approximately in size and location with the area that was previously referred to as the "buildable area" in Exhibit F, and its appurtenant limited common element or private yard area. Use of the term "buildable area" has been deleted and limited common element and private yard area are now used interchangeably and is shown for each unit in the new Exhibit F.

The Condominium Map (8 1/2 x 11) has NOT been provided to Buyer. Pursuant to Section 514B-86(a)(1)(A) of the Act, Seller advises Buyer that it is impractical, for legibility reasons, to provide buyers a letter-sized Condominium Map. Accordingly, Buyer shall have the opportunity to examine the Condominium Map at the Sales Office of Seller upon request.

General Information On Condominiums

A condominium is a special form of ownership of real property. To create a condominium in Hawaii after July 1, 2006, the Condominium Property Act, Chapter 514B, Hawaii Revised Statutes, must be followed. In addition, certain requirements and approvals of the county in which the project is located must be satisfied and obtained.

Some condominium projects are leasehold. This means that the land and/or the building(s) and other improvements are leased to the purchaser. The lease for the land usually requires that at the end of the lease term, the lessees (unit owners) deliver their interest in the land to the lessor (fee property owner).

If you are a typical condominium unit owner, you will have two kinds of ownership: (1) ownership in your individual unit; and (2) a percentage interest in the common elements.

You will be entitled to exclusive ownership and possession of your unit. Subject to the documents governing them, condominium units may be individually bought, sold, rented, mortgaged or encumbered, and may be disposed of by will, gift or operation of law.

Your unit will, however, be part of the group of units that comprise the condominium project. Study the project's Declaration of Condominium Property Regime, Bylaws of the Association of Unit Owners, Condominium Map and House Rules, if any, which are being concurrently delivered to you with this report. These documents contain important information on the use and occupancy of the units and the common elements of the project, as well as the rules and regulations of conduct for unit owners, tenants and guests.

Operation of the Condominium Project

The Association of Unit Owners is the entity through which unit owners may take action with regard to the administration, management and operation of the condominium project. Each unit owner is automatically a member of the Association.

The Board of Directors is the governing body of the Association. Unless you serve as a board member or an officer, or are on a committee appointed by the board, your participation in the administration and operation of the condominium project will in most cases be limited to your right to vote as a unit owner. The Board and officers can take certain actions without the vote of the unit owners. For example, the Board may hire and fire employees, increase or decrease maintenance fees, adopt budgets for revenues, expenses and reserves and regulate the use, maintenance, repair and replacement of common elements. Some of these actions may significantly impact the unit owners.

Until there is a sufficient number of purchasers of units to elect a majority of the Board, it is likely at first that the Developer will effectively control the affairs of the Association. It is frequently necessary for the Developer to do so during the early stages of development and the Developer may reserve certain special rights to do so in the Declaration and Bylaws. Prospective purchasers should understand that it is important to all unit owners that the transition of control from the Developer to the unit owners be accomplished in an orderly manner and in a spirit of cooperation.

3. CREATION OF THE CONDOMINIUM AND CONDOMINIUM DOCUMENTS

A condominium is created by recording in the Bureau of Conveyances (Regular System) or filing in the Office of the Assistant Registrar of the Land Court, or both, a Declaration of Condominium Property Regime, a Condominium Map and the Bylaws of the Association of Unit Owners. The Condominium Property Act (Chapter 514B, HRS), the Declaration, Bylaws and House Rules control the rights and obligations of the unit owners with respect to the project and the common elements, to each other, and to their respective units.

3.1 Declaration of Condominium Property Regime

The Declaration of Condominium Property Regime contains a description of the land, buildings, units, common interests, common elements, limited common elements, and other information relating to the condominium project.

Bureau of Conveyances	September 3, 2008	2008-138986

3.2 Bylaws of the Association of Unit Owners

The Bylaws of the Association of Unit Owners govern the operation of the condominium project. The Developer is required to deposit all moneys paid by purchasers in trust under a written escrow agreement with a Hawaii licensed escrow depository. Escrow shall not disburse purchaser deposits to the Developer or on behalf of the Developer prior to closing, except if a sales contract is canceled or if Developer has met certain requirements, which are described below.

5.6.1 Purchaser Deposits Will Not Be Disbursed Before Closing or Conveyance

<input checked="" type="checkbox"/>	<p>The Developer hereby declares by checking the box to the left that it shall use its own funds to complete the construction of the condominium project by the date indicated in Section 5.5 of this report, and the Developer, pursuant to its own analysis and calculations, certifies that it has sufficient funds to complete the construction of the condominium project.</p> <p><i>If this box is checked, Section 5.6.2, which follows below, will not be applicable to the project.</i></p>
-------------------------------------	--

5.6.2 Purchaser Deposits Will Be Disbursed Before Closing

Hawaii law provides that, if certain statutory requirements are met, purchaser deposits in escrow under a binding sales contract may be used before closing to pay for certain project costs. For this project, the Developer indicates that purchaser deposits may be used for the following purposes (check applicable box):	
<input type="checkbox"/>	For new construction: to pay for project construction costs described in the Developer's budget and approved by the Developer's lender or an otherwise qualified, financially disinterested person; or
<input type="checkbox"/>	For conversions: to pay for repairs necessary to cure violations of county zoning and building ordinances and codes, for architectural, engineering, finance and legal fees, and for other incidental expenses.

In connection with the use of purchaser deposits (check Box A or Box B):

Box A <input type="checkbox"/>	<p>The Developer has submitted all information and documents required by law and the Commission prior to the disbursement of purchaser deposits before closing. This means that the Developer may use such deposits before closing. If the Developer decides not to use purchaser deposits before closing, the Developer does not need to amend this report.</p> <p>If Box A is checked, you should read and carefully consider the following notice, which is required by law:</p> <p><u>Important Notice Regarding Your Deposits:</u> Deposits that you make under your sales contract for the purchase of the unit may be disbursed before closing of your purchase to pay for project costs, construction costs, project architectural, engineering, finance, and legal fees, and other incidental expenses of the project. While the developer has submitted satisfactory evidence that the project should be completed, it is possible that the project may not be completed. If your deposits are disbursed to pay project costs and the project is not completed, there is a risk that your deposits will not be refunded to you. You should carefully consider this risk in deciding whether to proceed with your purchase.</p>
Box B <input type="checkbox"/>	<p>The Developer has not submitted all information and documents required by law and the Commission, and, until all such information and documents are submitted, thus, the Developer cannot use purchaser deposits.</p> <p>If the Developer later submits all information and documents required by law and the Commission for the use of purchaser deposits, then the Developer must provide an amendment to this report or an amended developer's public report to each purchaser who has signed a sales contract. At such time, the <u>Important Notice Regarding Your Deposits</u> set forth immediately above will apply to all purchasers and will be restated in the amendment to this report or an amended developer's public report. When an effective date for such an amendment or an amended developer's public report is issued, <u>you will not have the right to rescind or cancel the sales contract by reason of such submission and amendment.</u> (This, however, does not affect your right to rescind for material changes or any other right you may have to rescind or cancel the sales contract, as described in Section 5.8 below.) If the Developer decides not to use purchaser deposits before closing, the Developer does not need to amend this report.</p> <p>You should understand that, although the <u>Important Notice Regarding Your Deposits</u> set forth above does not currently apply to you, it might apply to you in the future, and, therefore, you should read and carefully consider it now to ensure that you understand the risk involved in deciding whether to proceed with your purchase.</p>

Material House Bond. If the Developer has submitted to the Commission a completion or performance bond issued by a material house instead of a surety as part of the information provided prior to the use of purchaser deposits prior to closing or conveyance of a unit, the Developer shall disclose the same below and disclose the impact of any restrictions on the Developer's use of purchaser deposits.

5.8 Purchaser's Right to Cancel or Rescind a Sales Contract

A purchaser's right to cancel a sales contract or to rescind a sales contract may arise under varying circumstances. In the sections below, some circumstances that will give rise to a purchaser's right to cancel or rescind are described, together with what a purchaser must do if the purchaser wishes to exercise any of the rights.

5.8.1 When a Sales Contract becomes Binding and Purchaser's 30-Day Right to Cancel a Sales Contract

A sales contract signed by a purchaser and the developer will not become binding on a purchaser or the Developer until the following events have taken place:

- (1) The purchaser has signed the sales contract.
- (2) The Developer has delivered to the purchaser a true copy of the developer's public report with an effective date issued by the Commission, together with all amendments to the report as of the date of delivery, and the project's recorded Declaration and Bylaws, House Rules (if any), the Condominium Map and any amendments to them to date (all of which are a part of the developer's public report). If it is impracticable to include a letter-sized Condominium Map, the Developer must provide written notice of an opportunity to examine the Condominium Map.
- (3) The Developer has delivered to the purchaser a notice of the purchaser's 30-day cancellation right on a form prescribed by the Commission.
- (4) The purchaser does at least one of the following:
 - (a) Waives the purchaser's right to cancel the sales contract within 30 days from receipt of the notice of the purchaser's 30-day cancellation right; or

- (b) Allows the 30-day cancellation period to expire without exercising the right to cancel; or
- (c) Closes the purchase of the unit before the 30-day cancellation period expires.

The purchaser or the Developer may cancel the sales contract at any time during the 30-day cancellation period, and the sales contract will be canceled and the purchaser's deposits returned to the purchaser, less any escrow cancellation fee and other costs associated with the purchase, up to a maximum of \$250.

5.8.2 Right to Cancel a Sales Contract if Completion Deadline Is Missed

In addition to the purchaser's 30-day cancellation right described in Section 5.8.1 above, when a sales contract is signed before completion of construction of a project, the purchaser will have the right to cancel if the unit is not completed by certain deadlines. In conversion projects, there must be a deadline for completion of any required repairs. Every sales contract shall contain an agreement of the Developer that the completion of construction shall occur on or before the completion deadline, and that completion deadline is set forth in this report in Section 5.5. The sales contract shall provide that the purchaser may cancel the sales contract at any time after the specified completion deadline, if completion of construction does not occur on or before the completion deadline, as the same may have been extended. Upon a cancellation, the purchaser's deposits shall be refunded, less any escrow cancellation fee and other costs associated with the purchase, up to a maximum of \$250.00.

5.8.3 Purchaser's Right to Rescind a Binding Sales Contract After a Material Change

If a "material change" in a project occurs after a purchaser has signed a sales contract that has become binding, the purchaser will have a 30-day right to rescind after notification and description of the material change. A material change is defined in the Condominium Property Act to be any change that "directly, substantially and adversely affects the use or value of (1) a purchaser's unit or appurtenant limited common elements; or (2) those amenities of the project available for the purchaser's use."

The purchaser will be informed of the material change by the developer on a form prescribed by the Commission containing a description of the material change.

After notice of the material change, the purchaser may waive the right to rescind by:

- (1) Checking the waiver box on the rescission form; or
- (2) Letting the 30-day rescission period expire, without taking any action to rescind; or
- (3) Closing the purchase of the unit before the 30-day rescission period expires.

The rescission form must be signed by all purchasers of the affected unit and delivered to the developer no later than midnight of the 30th calendar day after the purchasers received the rescission form from the developer. Purchasers who validly exercise the right of rescission shall be entitled to a prompt and full refund of any moneys paid.

A rescission right shall not apply in the event of any additions, deletions, modifications and reservations including, without limitation, the merger or addition or phasing of a project, made pursuant to the terms of the project's Declaration.

These provisions shall not preclude a purchaser from exercising any rescission rights pursuant to a contract for the sale of a unit or any applicable common law remedies.

6. MISCELLANEOUS INFORMATION NOT COVERED ELSEWHERE IN THIS REPORT

See Exhibit Q.

The Developer declares subject to the penalties set forth in Section 514B-69, HRS, that this project conforms to the existing underlying county zoning for the project, zoning and building ordinances and codes and all applicable permitting requirements adopted by the county in which the project is located, all in accordance with Sections 514B-5 and 32(a)(13), HRS.

For any conversion, if any variances have been granted, they are specified in Section 1.14 of this report, and, if purchaser deposits are to be used by the Developer to cure any violations of zoning, permitting requirements or rules of the county in which the project is located, the violation is specified in Section 1.15 of this report, along with the requirements to cure any violation, and Section 5.5 specifies the date by which the cure will be completed.

The Developer hereby certifies that all the information contained in this report and the exhibits attached to this report and all documents to be furnished by the Developer to purchasers concerning the project have been reviewed by the Developer and are, to the best of the Developer's knowledge, information and belief, true, correct and complete. THE ABOVE SUMMARY IS NOT INTENDED TO BE A THOROUGH AND EXHAUSTIVE EXPLANATION OF ALL OF THE RIGHTS RESERVED BY DEVELOPER UNDER THE CONDOMINIUM DOCUMENTS CONTAINED IN THE DECLARATION, BYLAWS, CONDOMINIUM MAP, COMMUNITY RULES AND OTHER CONDOMINIUM DOCUMENTS. WHILE A PURCHASER CAN USE THIS SUMMARY AS A GENERAL SUMMARY OF SUCH RESERVED RIGHTS, PURCHASER SHOULD REFER TO THE DECLARATION TO DETERMINE THE ACTUAL RIGHTS RESERVED BY DEVELOPER. IF ANY CONFLICT OR DIFFERENCES EXISTS BETWEEN THIS SUMMARY AND THE DECLARATION, THE DECLARATION WILL CONTROL. CAPITALIZED TERMS USED HEREIN, UNLESS OTHERWISE DEFINED HEREIN, SHALL HAVE THE MEANINGS GIVEN TO THEM IN THE DECLARATION.

Developer has the right to change the condominium documents for any of the following reasons or purposes:

1. Easement and Reserved Rights Exercisable by Declarant. Declarant shall have the right to designate, grant, convey, transfer, cancel, relocate and otherwise deal with any easements over, under, across or through the Common Elements of the Community or Private Yard Areas for any reasonable purpose, which may include, but shall not be limited to, those purposes which are necessary for the operation, care, upkeep, maintenance or repair of any Unit, the Common Elements or any easements for utilities or for any public purpose. Notwithstanding anything to the contrary contained in the Declaration, Declarant may exercise rights reserved to it under the Declaration without the requirement that it satisfy conditions applicable to the exercise of any right available to the Association.

2. Declarant's Reserved Rights Concerning Easements. Declarant reserves a present easement over the whole of the Common Elements, together with the right for itself and its successors and assigns, to designate, grant, convey, transfer, cancel, relocate, reserve or otherwise deal with any easements, licenses, and rights of way at any time for utilities, any public-type facility (mailboxes and the like), private sanitary and storm sewers, cable television transmission facilities, party walls (including the creation of the same on the Community boundaries, refuse disposal, landscape, maintenance, driveways, parking areas, access roadways and other similar purposes, on, over, across, under and through the Common Elements of the Community and the Private Yard Areas. Declarant may, in its discretion, complete any construction of intended facilities in advance of the designation or creation and granting of the easement covering the facilities so constructed. The rights reserved to Declarant include specifically without limitation the right to utilize any utility service to the Community to complete such construction, to perform warranty or punchlist repair services within the Community and to serve adjacent and separate developments outside of the Community provided Declarant with respect to such separate and/or adjacent communities submeters such use, and may use roadways in the Community to serve adjacent developments provided the Association controlling such development shares pro rata in the cost of maintenance and repair of the roadway and reimburses the Association for any submetered use (such

as water service), the Association shall be entitled to confirm submeter readings. Each Owner, by purchasing a Unit, consents to any such designation, granting, conveyance, transfer, cancellation, relocation and reservation of easements and/or rights of way as provided above without the necessity of any Owner or those claiming by, through or under an Owner entering into any further agreement respecting such action or document; provided, however, that such Owner and those claiming by, through or under an Owner agrees to join in and execute such documents and instruments and do such other things as may be necessary or convenient to effect the same promptly at the request of Declarant without payment of additional consideration.

3. Declarant's Easement to Conduct Extensive Sales Activities. Without limitation of the foregoing, Declarant reserves, for itself and its successors and assigns, the right during the course of Declarant's sales of Units in the Community to supplement, modify and amend the estimated breakdown of annual maintenance fees and estimated cost of assessment to each Unit, as Declarant deems appropriate, to reflect changes in estimated expenses applicable to ownership of Units attributable to the increase in cost of service or modification of proposed service to the Association reflected in the budget for annual maintenance fees. Upon such modifications, Declarant may supplement and amend its public report applicable to the Community, which modification shall not be deemed material any respect.

4. Declarant's Easement to Complete Construction and Make Repairs. Declarant and its agents, employees, contractors, licensees, successors, mortgagees and assigns shall have an easement over, under and upon any portion of the Community, including the Common Elements, any utility service, Limited Common Elements and any Unit, as may be reasonably necessary for the inspection of and for the completion of Improvements to and correction of defects and other "punchlist" items in the Unit or Private Yard Area or the Community. Each and every Owner or other person acquiring any interest in the Community waives any and all rights, claims or actions that might otherwise be asserted against Declarant, its agents, employees, licensees, successors, mortgagees and assigns, based on any such noise, dust, vibration and other nuisances or annoyances. Declarant, its agents, employees, consultants, contractors, licensees, successors, Mortgagees and assigns, shall have an easement over, under and upon the Community as may be reasonable or appropriate for additional construction, the completion of renovations to the Improvements of the Community, and (at the option of Declarant) the correction of defects therein. In addition to any other easements reserved to Declarant under the Declaration, in connection with, and to the extent necessary for the development and construction of Units, common facilities, and/or increments following the transfer of ownership of any Unit to an individual or entity other than Declarant, Declarant shall have the right to enter upon the Community premises with employees, agents and contractors for all purposes reasonably necessary for or useful to constructing and completing all increments in accordance with the

Declaration and the Condominium Map. Such rights shall include, but are not limited to, the following:

portion of the Removable Land Declarant should have the same rights in such Spatial Unit(s) as if the area encompassed by such Spatial Unit had been removed from the Community in accordance with Section S of the Declaration, provided, however, such unit should remain subject to common expense assessment as provided in the Declaration. Declarant may exercise rights reserved to it under Section S of the Declaration without the requirement that it satisfy conditions applicable to the exercise of any right available to the Association. Declarant further reserves a present easement over the whole of the Common Elements, together with the right for itself and its successors and assigns, to designate, grant, convey, transfer, cancel, relocate, reserve or otherwise deal with any easements, licenses, and rights of way at any time, for the benefit of the Owner or Owners from time to time of all or any portion of the Spatial Unit(s), and without the consent or joinder of, or notice to, any party having any interest in the Community, for private sanitary and storm sewers, cable television transmission facilities, party walls (including the creation of the same on the Community boundaries, refuse disposal, landscape, maintenance, driveways, parking areas, access roadways and other similar purposes, on, over, across, under and through the Common Elements of the Community and the Private Yard Areas, ingress and egress purposes, access purposes, electrical, gas, communications and other utility purposes, private sanitary sewer drainage and drainline, waterline, and flowage purposes, all other purposes, to the State of Hawaii, the County, the County Board of Water Supply, any other appropriate governmental agency, and/or any public or private utility or other corporation, partnership, individual or entity, utilities, any public-type facility (mailboxes and the like), provided that such easements and rights-of-way do not materially impair or interfere with the use of any Unit in the Community or the Common Elements of the Community. Without limiting the generality of the foregoing, Declarant reserves the right to utilize any common roadway and utility facilities (including without limitation water, private sewer, electrical, telephone, and cable) described in the prior sentence (such as, but not limited to, waterlines, private sewer lines access roadways and the like) whether located in designated easement areas or otherwise, together with the right of entry to construct, reconstruct, operate, maintain, repair and relocate such lines, access roadways and the like) and to grant any such easements or rights of way to governmental or quasi-governmental authorities, utility or service companies, homeowner's associations or other entities and the right to grant, dedicate, designate, use and enjoy easements and/or rights-of-way for access purposes (including for vehicular and pedestrian access) for the benefit of such Spatial Units. In order to effect the rights of Declarant reserved by Section S of the Declaration, Declarant shall have the right file or cause to be filed an amendment to the Declaration describing (a) the revised description of Units and/or buildings that comprise the Community; and (b) the undivided percentage common interest appurtenant to the Units resulting from the reduction or increase in the total number of Units. The common interest appurtenant to each Unit shall be calculated generally by assigning a prorata equal share to each resulting Unit (e.g., 1/total number of Units); provided, however, that the Declarant shall have the right, in its sole and absolute discretion, to round the result of such calculations so that the sum of the percentages equals exactly one hundred percent (100%).

(3) Declarant shall have the absolute right, notwithstanding the lease, sale or conveyance of any Unit and without being required to obtain the consent or joinder of any Unit Owner, lien holder or other persons, to effect the removal and deletion of the Removable Land in accordance with Section S of the Declaration, and to execute, Record and/or file the herein described applications, petitions, amendments, quitclaims, releases and any and all other instruments necessary or appropriate for the purpose of effecting the removal and deletion of the Removable Land as contemplated in Section S of the Declaration. Any such action shall be deemed taken by Declarant as the true and lawful attorney-in-fact of the respective Unit Owners and lien holders. Each and every party acquiring an interest in any Unit, the Community or the land covered by the Declaration, by such acquisition, consents to such deletion and removal and to the filing or Recordation of such documents as may be necessary or convenient to effect the same, agrees to execute such documents and do such other things on its behalf, which grant of such power, being coupled with an interest, is irrevocable and shall not be affected by the disability of any such party.

(4) Declarant shall have the absolute right, notwithstanding the lease, sale, or conveyance of any Unit and without being required to obtain the consent or joinder of any Unit Owner, lien holder, or other persons, but not the obligation, from time to time and at any time, to annex by Supplemental Declaration additional real property, whether in fee simple or leasehold, to the Declaration

in phases of any size whatsoever or containing any number of Units whatsoever, or to annex more than one such phase at any given time and in any given order. Any such property not specifically annexed by Supplemental Declaration properly Recorded shall not become subject to the Declaration. Supplemental Declarations may contain such complementary or supplementary additions and modifications of the provisions of the Declaration as may be necessary to reflect the different character, if any, of the property being annexed and may add, delete, or modify provisions of the Declaration as it applies to the property being annexed. The Recordation of such Supplemental Declaration shall constitute and effectuate the annexation of the property described therein, unless a later effective date is specified in the Supplemental Declaration, making such real property subject to the Declaration and subject to the functions, powers, and jurisdiction of the Association, and thereafter said real property shall be part of the Community and Property for all intents and purposes of the Declaration, and all of the owners of apartment units in the annexed property shall automatically be Owners hereunder.

(5) Each Owner hereby acknowledges and agrees that their voting power as a member may be altered (diminished or increased) attributable to Declarant's exercise of rights reserved under Section S of the Declaration.

(6) In furtherance of the rights reserved to Declarant under the terms of Section S of the Declaration, all Unit Owners (current and future) and their respective mortgagees, by accepting an interest in the Property, consent to all such applications, permits authorizations, agreements, petitions and other instruments and all such other actions, and shall be deemed to have given the Declarant a power of attorney to execute any and all such instruments and to take all such other actions solely for the purposes described herein. All Unit Owners agree, if requested by the Declarant, to sign and deliver a separate written power of attorney in Recordable form consistent with the terms of this paragraph. If, despite the provisions of this paragraph, any governmental agency shall require a Unit Owner to sign any necessary instruments, then the Unit Owner shall be required to sign such instruments as may be necessary or desirable to allow Declarant to obtain any governmental permit or approval authorized by Section S of the Declaration. If an Owner wrongfully refuses to sign such permits, petitions or related instruments, or provide the Declarant with the necessary authorization, the Unit Owner shall be liable to the Declarant for all damages (including costs and attorneys fees) incurred by the Declarant as a result of such refusal and shall be subject to such other legal and/or equitable remedies as may be available to the Declarant.

(7) The rights reserved to Declarant under Section S of the Declaration shall extend to Declarant and its successors and assigns.

(8) The rights reserved to Declarant in Section S of the Declaration are subject to the following conditions:

(a) The deletion and removal of the Removable Land or the annexation of additional land shall not adversely affect the layout, location, dimensions of any structure or any buildings or Units in the Community as shown on the Condominium Map, excepting the Community Access Roads or as otherwise permitted by the Declaration.

(b) The subdivision or consolidation and resubdivision pursuant to Section S of the Declaration shall be ordered and effected on or before December 31, 2025.

28. Consent, Power of Attorney, Waiver. By acceptance of a deed, lease or other conveyance of an interest in a Unit, each and every Owner or other person or entity acquiring such interest, including the holders of mortgage liens on individual Units, consents to the rights reserved to Declarant in the Declaration, including but not limited to, the right to prepare, execute, file, process and Record necessary and appropriate documents and other items to establish and grant easements and to make necessary and appropriate amendments of the Declaration pursuant to Section S of the Declaration, the Condominium Map and the Bylaws. By such acceptance, each and every Owner or party acquiring such interest, including the holders of mortgage liens on individual Units, agrees to execute all documents and to do all other things as may be necessary or convenient to effect the same;

and such acceptance shall be deemed an appointment of Declarant, with full right of substitution, as the attorney-in-fact of such Owner or acquiring party to execute such documents and to do such things on such Owner's or acquiring party's behalf; and such appointment, being coupled with an interest, shall be irrevocable for the specific period(s) of Declarant's reserved rights as set forth in the Declaration and shall not be affected by the disability of any such Owner or acquiring party.

29. Reserved Right to Modify Community to Comply with Law. Declarant shall have the reserved right, to effect such modifications to the Units and Common Elements in the Community and/or to execute, record and deliver any amendments to the Declaration, the Condominium Map as well as the Bylaws and rules and regulations promulgated thereunder, as may be necessary or required to effect compliance by the Community, the Association, or by Declarant with laws which apply to the Community, including, without limitation, State and County land use laws, the Fair Housing Act, as amended, 42 U.S.C. §§ 3601 et seq., including any and all rules and regulations promulgated thereunder, and the Americans With Disabilities Act, as amended, 42 U.S.C. §§ 12101 et seq., including any and all rules and regulations promulgated thereunder. The rights of Declarant under the Section may be assigned to the Association, without the consent of joinder of the Board.

30. Declarant's Reserved Right to Remove the Community From the Act. Declarant reserves and shall have the right, or its authorized representatives shall have the right, in their respective sole and absolute discretion and without being required to obtain the consent or joinder of, or provide notice to, any person or group of persons, except a Unit purchaser(s) to remove this Community from the purview of the Act and terminate the condominium property regime, by Recording an instrument to that effect at any time prior to the Recording of the first Unit conveyance.

31. Community Access Roads. Each Owner acknowledges that the Declarant has the sole and absolute right as set forth in the Master Declaration to dedicate the Community Access Roads, or any portion thereof, to County, the State of Hawaii or any other governmental authority. Owner's non-exclusive right to enter and use the Community Access Roads shall automatically terminate upon dedication of the Community Access Roads with respect to all or any portion or portions to the County, the State of Hawaii or any other governmental authority. The Community Access Roads shall not be dedicated to the County unless and until they are constructed in compliance with applicable County and governmental laws, ordinances, rules, regulations and standards which are required as a condition of the acceptance by the County of the dedication of public roads. The minimum right-of-way for the Community Access Roads as required by the County may not be reduced without the County's prior written consent. The Association and/or Owners may not alter the Community Access Roads and/or the planting strips adjacent to the sidewalks (e.g. Owners may not remove trees, alter existing landscaping or install any ground cover such as gravel and/or concrete) or in any way affect or impede Declarant's right to dedicate the roads and/or easements to the County, the State of Hawaii, or any other governmental authority. Should the Association or an Owner make any alterations to the Community Access Roads or right of way (including without limitation the roads or the planting strip and sidewalk), Declarant may demand the removal of the alteration. If the Association or an Owner fails to remove and restore the altered area to its original condition, the Declarant, the Association or their respective designee shall have the right to enter the Unit, remove the violation and restore the area to substantially the same condition as existed prior to the nonconforming alteration. The Owner shall be liable for all costs thereof (including attorneys fees, notwithstanding any other provision to the contrary herein contained) together with interest thereon at the maximum rate then allowed by law. Any reimbursable sum not paid by Owner to Declarant following demand therefor, shall constitute a lien on the Owner's Unit, enforceable as a mortgage lien through foreclosure. Although Declarant may exercise rights under this provision, Declarant shall have no obligation or responsibility to enforce this provision or any other of the Declarant. The Declarant may fully or partially assign its rights under this provision to the Master Association. Until the Community Access Roads are dedicated as aforesaid, (a) the provisions of the Declaration and Master Declaration shall apply to and govern each Owner's use of the Community Access Roads, and (b) each Owner shall indemnify and hold harmless the Declarant, its successors and assigns, from and against any and all claims and demands for damages made by, through or under such Owner in connection with the right of entry granted by Declarant to such Owner pending dedication as aforesaid.

Section 4.2 -- Estimate of the Initial Maintenance Fees

THIS EXHIBIT IS NOT INTENDED TO BE A THOROUGH AND EXHAUSTIVE EXPLANATION OF THE ESTIMATE OF THE INITIAL MAINTENANCE FEES CONTAINED IN THE DECLARATION, BYLAWS, CONDOMINIUM MAP, COMMUNITY RULES AND OTHER CONDOMINIUM DOCUMENTS. WHILE A PURCHASER CAN USE THIS AS A GENERAL SUMMARY, PURCHASERS SHOULD REFER TO THE CONSTITUENT DOCUMENTS OF THE COMMUNITY. IF ANY CONFLICT OR DIFFERENCE EXISTS BETWEEN THIS EXHIBIT AND THE DECLARATION, BYLAWS, CONDOMINIUM MAP, COMMUNITY RULES OR OTHER DOCUMENTS OF THE COMMUNITY, SUCH DOCUMENTS WILL CONTROL. CAPITALIZED TERMS USED HEREIN, UNLESS OTHERWISE DEFINED HEREIN, SHALL HAVE THE MEANINGS GIVEN TO THEM IN THE

The Estimated Maintenance Fee Disbursements for Kahu'aina Farms, which include the assessments for the Master Association, have been compiled by Hawaiiana Management Company, Ltd., a licensed property manager, assuming that all units in the Community as reflected on the Condominium Map are constructed. The budget numbers are preliminary in nature and may increase substantially with the addition of expanded landscape and agricultural activities undertaken within the common area of the Master Association or the common elements of the Community Association. Given that the budget numbers are preliminary in nature, and despite the property manager's every effort to estimate the actual cost of operation, certain budget items, especially insurance in today's insurance market, may change.

Consequently, Purchaser is aware that such amounts are only estimates and may change for reasons beyond the control of Developer, and Purchaser hereby specifically accepts and approves any such changes. Purchaser is also aware that such estimates do not include Purchaser's obligation for payment of real property taxes. Purchaser understands that such estimates are not intended to be and do not constitute any representation or warranty by Developer, including but not limited to any representation or warranty as to the accuracy of such estimates. Purchaser understands that Developer has not independently confirmed the accuracy or content of the estimates prepared by the licensed independent managing agent. Further, Developer advises that costs and expenses of maintenance and operation of a condominium community are very difficult to estimate initially and even if such maintenance charges have been accurately estimated, such charges will tend to increase in an inflationary economy and as the improvements age. Maintenance charges can vary depending on services desired by unit owners and may increase significantly depending on the level of services eventually selected by the Association's Board of Directors. Purchaser should examine the maintenance charges schedule to see what services are included in the schedule and address these issues with its Board upon its formation. Purchasers should also be aware that the estimates provided are as of the date reflected in the Managing Agent's certification and do not reflect the actual charges that may be incurred upon the formation of the Association and the actual contracting for such services such as insurance and maintenance, etc.

Developer intends to pay all of the actual common expenses for the Units and the Unit Owner shall not be obligated for the payment of the Owner's share of the Common Expenses until such time as Developer causes a thirty (30) day advance written notice to be sent to the Owners that, after a specified date, the Unit Owners shall be obligated to pay for the portion of Common Expenses that is allocated to their respective Units. Developer shall mail the written notice to the Owners, the Association, and the Managing Agent, if any, at least thirty (30) days before the specified date.

The estimate of the initial annual maintenance fees and monthly estimated Maintenance fees is attached hereto.

ESTIMATED ANNUAL MAINTENANCE FEES AND MONTHLY ESTIMATED MAINTENANCE FEES

The Estimate of Annual Maintenance Fees contained in this Exhibit "M" covers all 13 Units, including the 10 Units designated herein.

Section 5.1 -- Summary of Pertinent Provisions of Sales Contract

THIS SUMMARY IS NOT INTENDED TO BE A THOROUGH AND EXHAUSTIVE EXPLANATION OF ALL TERMS AND PROVISIONS CONTAINED IN THE PURCHASE AGREEMENT. WHILE A PURCHASER CAN USE THIS SUMMARY AS A GENERAL SUMMARY OF PURCHASER'S RIGHTS AND OBLIGATIONS UNDER THE PURCHASE AGREEMENT, PURCHASER MUST REFER TO THE PURCHASE AGREEMENT TO DETERMINE PURCHASER'S ACTUAL RIGHTS AND OBLIGATIONS. IF ANY CONFLICT OR DIFFERENCE EXISTS BETWEEN THIS SUMMARY AND THE PURCHASE AGREEMENT, THE PURCHASE AGREEMENT WILL CONTROL. CAPITALIZED TERMS USED HEREIN, UNLESS OTHERWISE DEFINED HEREIN, SHALL HAVE THE MEANINGS GIVEN TO THEM IN THE DECLARATION.

The form Purchase Contract (formerly known as the Deposit, Receipt, Offer and Acceptance) approved by the Hawaii Association of Realtors will be used for the sale of Units in the Community. The Purchase Contract contains the price and other terms and conditions under which a purchaser will agree to buy a Unit in the Community. Among other things, the Purchase Contract states:

- (a) The total purchase price, method of payment and additional sums which must be paid in connection with the purchase of a Unit.
- (b) The agency disclosure in Section A.
- (c) The Closing conditions and escrow in paragraphs C-5 through C-11A. The Purchase Contract provides that time is of the essence.
- (d) The financing contingencies in paragraphs C-24 through C-26. Purchaser's obligation to buy the Unit is contingent upon Purchaser obtaining the loan described in the Purchase Contract. Purchaser shall act in good faith to obtain the loan as described in this Purchase Contract. Should Purchaser fail to satisfy any financing obligation within the time period specified, Seller shall have the right to terminate the Purchase Contract. A Purchaser's failure to meet financing obligations is not grounds for extending the closing date.
- (e) The termination provisions in paragraphs C-28 through 31. If a matter arises that had not been previously known, and the parties are unable to reach an agreement on a remedy, then the Purchase Contract may be terminated with neither party being "at fault." This allows the parties to terminate the contract without any further liability.
- (f) If any dispute or claim arises out of the agreement, the parties agree to non-binding mediate and arbitration, as specified in paragraphs C-32 through 34.
- (g) That a Preliminary Title Report will be delivered to Purchaser by Seller, as specified in paragraphs C-35 through 37.
- (h) That Seller will make required disclosures about the Unit and the Community, pursuant to paragraphs C-44 through C-50.
- (i) That the Seller will provide Purchaser with all applicable documents listed in paragraph C-64.
- (j) The Purchase Contract contains a separate Purchase Contract Addendum, describing the condition of the Community land and any changes to the Purchase Contract.

The Purchase Contract contains various other important provisions relating to the purchase of a Unit in the Community. Purchasers and prospective purchasers should carefully read the specimen Purchase Contract on file with the Real Estate Commission. Unless otherwise defined herein, all capitalized terms used herein shall have the same meanings given them under the Purchase Contract.

Section 5.1 -- Summary of Pertinent Provisions of Escrow Agreement

THIS SUMMARY IS NOT INTENDED TO BE A THOROUGH AND EXHAUSTIVE EXPLANATION OF ALL TERMS AND PROVISIONS CONTAINED IN THE ESCROW AGREEMENT. WHILE ONE CAN USE THIS SUMMARY AS A GENERAL SUMMARY OF THE ESCROW AGREEMENT, ONE MUST REFER TO THE ACTUAL ESCROW AGREEMENT TO DETERMINE THE RIGHTS AND OBLIGATIONS OF THE PARTIES. IF ANY CONFLICT OR DIFFERENCE EXISTS BETWEEN THIS SUMMARY AND THE ESCROW AGREEMENT, THE ESCROW AGREEMENT WILL CONTROL AND NOT THIS SUMMARY. CAPITALIZED TERMS USED HEREIN, UNLESS OTHERWISE DEFINED HEREIN, SHALL HAVE THE MEANINGS GIVEN TO THEM IN THE DECLARATION.

The Escrow Agreement sets up an arrangement under which the deposits a purchaser makes pursuant to a Sales Contract will be held by a neutral party ("Escrow"). Under the Escrow Agreement, these things will or may happen:

- (a) Developer will give Escrow a signed copy of the Sales Contract and Purchaser's deposit towards the purchase price of a Unit. If the Purchaser gets a mortgage loan, the money from the loan will be paid to Escrow, along with the lender's mortgage for recording, and Escrow shall follow the lender's instructions.
- (b) Developer will notify Escrow each time the Sales Contract requires a payment. Escrow will then contact each Purchaser and ask for that payment to be made to Escrow. Purchaser will be asked to make all payments to Escrow on the date designated in the written notice or not later than five (5) business days after Purchaser has received Escrow's written notice.
- (c) Escrow will set the time (in accordance with Sales Contract and Developer's instruction to pre-close) for taking in all money from each Purchaser and for the signing of all of the documents that each Purchaser must sign to complete the purchase, except for the mortgage documents, which may be signed at the lender's place of business.
- (d) Unless any of the Sales Contracts show different instructions, Developer will get all of the interest earned on Purchaser's deposits. Escrow will deposit the payments it gets from Purchaser into an interest bearing account one or more times each week.
- (e) The Sales Contract states when refunds of deposits may be made to Purchaser. In the case where Purchaser requests a refund, Escrow shall notify Developer of such request. Refunds to Purchaser will be made without any interest unless the Sales Contract contains different instructions.

The Escrow Agreement also establishes the procedures for the retention and disbursement of a purchaser's funds and says what will happen to the funds upon a default under the Sales Contract. The Escrow Agreement contains various other important provisions and establishes certain charges with which a Purchaser should be familiar. Purchasers and prospective purchasers should carefully read the signed Escrow Agreement on file with the Real Estate Commission. A copy is available at Developer's sales office. The Escrow Agreement contains the following provisions (which may be modified or otherwise limited by provisions not set forth below):

1. As and when Developer enters into a Sales Contract, Developer will give Escrow a signed copy of the Sales Contract and Purchaser's deposit towards the purchase price of a Unit. The Sales Contract

will require Purchaser to pay to Escrow all other payments of the purchase price required under the Sales Contract. If Purchaser gets a mortgage loan, the money from the loan will be paid to Escrow, along with the lender's mortgage for recording, and Escrow shall follow the lender's instructions. The Sales Contract will show the correct name and address of each Purchaser. If a Sales Contract is signed and the sale occurs in a state other than Hawaii, the Sales Contract will show the place where the sale occurs.

2. Escrow will put all of the money it gets from Purchaser in one or more special accounts (the "Escrow Deposit Account"). The Escrow Deposit Account will be deposited only at a depository designated by Developer or in banks or savings and loan institutions in Hawaii that are insured by the federal government as directed by Developer. The place, or places, where the Escrow Deposit Account is set up will be chosen by Escrow, unless otherwise selected or directed by Developer. Unless any of the Sales Contracts show different instructions, Developer will get all of the interest earned on the Escrow Deposit Account. Escrow will deposit the payments it gets from Purchaser into the Escrow Deposit Account one or more times each week, so that the funds may earn the maximum interest.

3. Notwithstanding anything in the Escrow Agreement to the contrary, if Developer has submitted to the Real Estate Commission a material house bond securing the construction of improvements in the Community, the following provision shall apply:

(i) Purchaser's money shall not be disbursed to pay for construction costs or other expenses of the Community until the Unit to be conveyed has been completed and the Deed to Purchaser has been recorded; and

(ii) If closing is to occur prior to the expiration of the applicable mechanic's lien period, Seller shall provide Buyer with a mechanic's lien endorsement to Buyer's owner's title insurance policy that protects Buyer against all future mechanic's and materialmen's liens. Further, Seller shall confirm to Escrow that Seller has provided the Real Estate Commission with a release by the general contractor of the contractor's lien rights and shall further provide to Escrow all applicable indemnities required by the title insurance company that protects against all future mechanic's and materialmen's liens.

4. The Sales Contract states when refunds of deposits may be made to Purchaser. In the case where Purchaser requests a refund, Escrow shall notify Developer of such request. Escrow may refund the deposit to Purchaser, less any cancellation or other fees to which Escrow is entitled, only after receiving written approval from Developer. In all other cases, Escrow shall not make any refund to a Purchaser who asks for it unless Escrow receives written approval from Developer or from a court of competent jurisdiction. The words "cancellation fees" mean Escrow's cancellation fees which are described in the Sales Contract and are described later in the Escrow Agreement. Fees for cancellation may also be charged by the lender who has agreed to lend Purchaser money to buy the Unit. The Sales Contract states the instances when Escrow is to subtract cancellation fees from the amount to be refunded unless Developer tells Escrow not to charge the cancellation fees.

5. Escrow shall give each Purchaser who is to get a refund written notice of the refund. Escrow will send this notice by registered or certified mail to Purchaser at the address shown on Purchaser's Sales Contract or to the last address which Purchaser may have given to Escrow.

6. Developer shall give notice in writing to Escrow of the occurrence of each event that initiates an obligation of a Purchaser to make a payment to Escrow pursuant to the sales contract as well as notice of the amount and due date of such payment. If the Purchaser fails to make such payment to Escrow on or before the due date thereof or if the Purchaser fails to perform in any matter that is being handled by Escrow, Escrow shall promptly notify Developer of any such failure on the part of the Purchaser. If Developer subsequently certifies in writing to Escrow that Developer has terminated the sales contract in accordance with the terms thereof and provides to Escrow copies of all such notices of termination sent to the Purchaser, Escrow shall thereafter treat all funds of the Purchaser paid on account of such Purchaser's sales contract as funds of Developer and not as funds of the Purchaser. Thereafter, such funds shall be free of the escrow established by this Agreement and shall be held by Escrow for the account of Developer. Upon written request by Developer, Escrow shall pay such funds to Developer,

less any escrow cancellation fee. Escrow shall thereupon be released from any further duties or liability hereunder with respect to such funds and such Purchaser.

6. Escrow will set the time (in accordance with Sales Contract and Developer's interest to pre-close) for taking in all money from each Purchaser and for the signing of all of the documents that each Purchaser must sign to complete the purchase, except for the mortgage documents, which may be signed at the lender's place of business. The conveyance tax certificates, preliminary closing statements, escrow instructions and final closing statements will be prepared by Escrow, and Escrow will do all of the escrow acts required under the Escrow Agreement or any other written agreements between Developer, Purchaser and Escrow. Escrow will give Purchaser and Developer copies of HARPTA and FIRPTA forms, or provide the online link to obtain copies of those forms, with a recommendation that the parties seek appropriate counsel to complete the forms. Escrow will coordinate with Purchaser's lender, the title companies and all others who are a part of the purchase so that closing will occur at a suitable time. Escrow agrees to close all of the sales at the same time or individually from time to time, as directed by Developer. "Closing" is complete when all necessary conveyance and financing documents to complete a purchase are recorded in the appropriate Hawaii recording office. After all documents have been signed, Escrow will close on the closing date as agreed to in the Sales Contract only if:

- (i) The required money has been paid to Escrow;
- (ii) All necessary documents can be recorded, as appropriate;
- (iii) All mortgages having to do with the purchase can be recorded and/or filed, following the lender's instructions; and
- (iv) All necessary releases can be recorded so that the Unit is conveyed free and clear of all blanket liens in accordance with the Condominium Law.

Section 6 -- Miscellaneous Information Not Covered Elsewhere in This Report

THIS EXHIBIT IS NOT INTENDED TO BE A THOROUGH AND EXHAUSTIVE EXPLANATION OF THE MISCELLANEOUS INFORMATION NOT COVERED IN ELSEWHERE IN THIS REPORT CONTAINED IN THE DECLARATION, BYLAWS, CONDOMINIUM MAP, COMMUNITY RULES AND OTHER CONDOMINIUM DOCUMENTS. WHILE A PURCHASER CAN USE THIS AS A GENERAL SUMMARY, PURCHASERS SHOULD REFER TO THE CONSTITUENT DOCUMENTS OF THE COMMUNITY. IF ANY CONFLICT OR DIFFERENCE EXISTS BETWEEN THIS EXHIBIT AND THE DECLARATION, BYLAWS, CONDOMINIUM MAP, COMMUNITY RULES OR OTHER DOCUMENTS OF THE COMMUNITY, SUCH DOCUMENTS WILL CONTROL. CAPITALIZED TERMS USED HEREIN, UNLESS OTHERWISE DEFINED HEREIN, SHALL HAVE THE MEANINGS GIVEN TO THEM IN THE DECLARATION.

Certain capitalized terms used in this Exhibit Q shall have the same meanings given them in the Master Declaration of Covenants, Conditions, Restrictions and Easements for Kahu'aina Plantation, if expressly defined therein.

1. All buyers should be aware that the Community is within and a part of the master planned community known as Kahu'aina Plantation, and is subject to certain conditions and restrictions contained in various documents that affect the Community, including but not limited to: (i) the covenants, conditions, restrictions, reservations, agreements, obligations and other provisions contained in the Master Declaration of Covenants, Conditions, Restrictions and Easements for Kahu'aina Plantation, as the same may be amended and/or supplemented ("Master Declaration"); (ii) any Bylaws of the Kahu'aina Plantation Community Association; (iii) Design Guidelines; (iv) Agricultural Master Plan; (v) Master Association Rules, if any. Developer has not proposed or adopted any Master Association Rules, but reserves the right to do so in the Master Declaration.

2. The entire condominium project contains 13 Units. This Amended Developer's Public Report covers Units 1-10. Developer shall obtain one or more separate Developer's Public Reports for the remaining 3 Units. For purposes of this Amended Developer's Public Report, each group of condominiums subject to a Developer's Public Report shall be referred to as a "Sales Phase." Although separate Developer's Public Reports will be issued, all 13 Units comprise a single condominium project. In other words; the act of separating the various Units into different Sales Phases does not create separate and distinct condominium projects. Accordingly, the common elements described in Exhibit "E" of this Amended Developer's Public Report serve each of the 13 Units.

3. It is the intent of the Declarant under the Master Declaration to subdivide the Property and adjacent properties into multiple subdivided lots of record, with and subject to the approval of the County of Kauai Planning Commission and possibly to develop or permit the development of additional dwelling or Farm Dwelling Units on some or all of the subdivided Lots. The Declarant is hereby authorized, without the consent or joinder of any other person, to file, execute, record, pursue and obtain such applications, permits authorizations, agreements, petitions and other instruments, and to take any and all other actions, in furtherance of such intended subdivision and development, provided that such actions are consistent with all applicable governmental laws, ordinances, rules, regulations and agreements, and are consistent with the terms and conditions of the Declaration and the Community Documents. In furtherance of the foregoing, all future Unit Owners and their respective Mortgagees, by accepting an interest in the Property, consent to all such applications, permits authorizations, agreements petitions and other instruments and all such other actions, and shall be deemed to have given the Declarant a power of attorney to execute any and all such instruments and to take all such other actions solely for the purposes described herein. All Unit Owners agree, if requested by the Declarant, to sign and deliver a separate

written power of attorney in recordable form consistent with the terms of this paragraph. If, despite the provisions of this paragraph, any governmental agency shall require a Unit Owner to sign any necessary instruments, then the Unit Owner shall be required to sign such instruments as may be necessary or desirable to allow Declarant to obtain any governmental permit or approval authorized by this Section. If an Owner wrongfully refuses to sign such permits, petitions or related instruments, or provide the Declarant with the necessary authorization the Unit Owner shall be liable to the Declarant for all damages (including costs and attorneys fees) incurred by the Declarant as a result of such refusal and shall be subject to such other legal and/or equitable remedies as may be available to the Declarant.

4. Buyers shall acknowledge a Farm Dwelling Agreement with respect to restrictions for agricultural use for each unit which shall be recorded as an encumbrance on the Unit in the Community.

5. Additionally, if required by the County of Kauai, each Owner shall be bound by an Agricultural Subdivision Agreement (which draft agreement is attached to the Master Declaration as Exhibit "C"). The Agricultural Subdivision Agreement provides that each Owner acknowledges and agrees that each Owner shall indemnify, defend and hold the County of Kauai, the Developer and the Master Association harmless from and against any and all claims arising out of the failure of the Owner to comply with the Agricultural Master Plan and/or Hawaii Revised Statutes, Chapter 205 as determined by the County of Kauai Planning Department, and that the County of Kauai and the State of Hawaii shall have the right to refuse to grant any permits or approvals for uses or development on any Unit affected by such noncompliance unless and until the noncompliance is cured, as determined by the County of Kauai Planning Department.

6. Developer may revise the specimen deed and sales contract for the Community to conform with any future amendments that may be made to the Declaration of Condominium Property Regime for the Community and/or the Master Declaration.

7. Pursuant to the Master Declaration, Declarant shall have the right and reserves the right to unilaterally at any time annex additional real property or remove and release any portion of the Property from coverage of the Master Declaration, provided that: (i) Declarant, or an affiliate of Declarant, is the owner of such portion of the property to be so removed and released; and (ii) a Notice of Withdrawal of Property, executed by Declarant, is recorded. Declarant intends to remove that certain portion of the Community as shown as on the Condominium Map.

8.
