If there are no changes, the Developer is required to state that there are no changes. The Developer's obligation to amend this report or to file annual reports ends when the initial sales of all units in the project have been completed.

Purchasers are encouraged to read this report carefully and to seek professional advice before signing a sales contract for the purchase of a unit in the project.

The walls, fences and dashed lines shown on the condominium map as delineating the boundaries between the limited common element dwelling area of the units should not be construed to be the property lines of legally subdivided lots.

This public report does not constitute approval of the Project by the Real Estate Commission, or any other governmental agency, nor does it ensure that all applicable County codes, ordinances and subdivision requirements have necessarily been complied with.

THE PROSPECTIVE PURCHASER IS CAUTIONED TO CAREFULLY REVIEW THE CONDOMINIUM DOCUMENTS REFERENCED IN THIS PUBLIC REPORT FOR FURTHER INFORMATION WITH REGARD TO THE FOREGOING.

General Information On Condominiums

A condominium is a special form of ownership of real property. To create a condominium in Hawaii after July 1, 2006, the Condominium Property Act, Chapter 514B, Hawaii Revised Statutes, must be followed. In addition, certain requirements and approvals of the county in which the project is located must be satisfied and obtained.

Some condominium projects are leasehold. This means that the land and/or the building(s) and other improvements are leased to the purchaser. The lease for the land usually requires that at the end of the lease term, the lessees (unit owners) deliver their interest in the land to the lessor (fee property owner).

If you are a typical condominium unit owner, you will have two kinds of ownership: (1) ownership in your individual unit; and (2) a percentage interest in the common elements.

You will be entitled to exclusive ownership and possession of your unit. Subject to the documents governing them, condominium units may be individually bought, sold, rented, mortgaged or encumbered, and may be disposed of by will, gift or operation of law.

Your unit will, however, be part of the group of units that comprise the condominium project. Study the project's Declaration of Condominium Property Regime, Bylaws of the Association of Unit Owners, Condominium Map and House Rules, if any, which are being concurrently delivered to you with this report. These documents contain important information on the use and occupancy of the units and the common elements of the project, as well as the rules and regulations of conduct for unit owners, tenants and guests.

Operation of the Condominium Project

The Association of Unit Owners is the entity through which unit owners may take action with regard to the administration, management and operation of the condominium project. Each unit owner is automatically a member of the Association.

The Board of Directors is the governing body of the Association. Unless you serve as a board member or an officer, or are on a committee appointed by the board, your participation in the administration and operation of the condominium project will in most cases be limited to your right to vote as a unit owner. The Board and officers can take certain actions without the vote of the unit owners. For example, the Board may hire and fire employees, increase or decrease maintenance fees, adopt budgets for revenues, expenses and reserves and regulate the use, maintenance, repair and replacement of common elements. Some of these actions may significantly impact the unit owners.

Until there is a sufficient number of purchasers of units to elect a majority of the Board, it is likely at first that the Developer will effectively control the affairs of the Association. It is frequently necessary for the Developer to do so during the early stages of development and the Developer may reserve certain special rights to do so in the Declaration and Bylaws. Prospective purchasers should understand that it is important to all unit owners that the transition of control from the Developer to the unit owners be accomplished in an orderly manner and in a spirit of cooperation.

3. CREATION OF THE CONDOMINIUM AND CONDOMINIUM DOCUMENTS

A condominium is created by recording in the Bureau of Conveyances (Regular System) or filing in the Office of the Assistant Registrar of the Land Court, or both, a Declaration of Condominium Property Regime, a Condominium Map and the Bylaws of the Association of Unit Owners. The Condominium Property Act (Chapter 514B, HRS), the Declaration, Bylaws and House Rules control the rights and obligations of the unit owners with respect to the project and the common elements, to each other, and to their respective units.

3.1 Declaration of Condominium Property Regime

The Declaration of Condominium Property Regime contains a description of the land, buildings, units, common interests, common elements, limited common elements, and other information relating to the condominium project.

Bureau of Conveyances	Date of Document	Document Number
Bureau	August 28, 2007	2007-160625

Amendments to Declaration of Condominium Property Regime

Land Court or Bureau of Conveyances	Date of Document	Document Number
Bureau – First Amendment to Declaration	October 3, 2007	2007-179647

3.2 Bylaws of the Association of Unit Owners

The Bylaws of the Association of Unit Owners govern the operation of the condominium project. They provide for the manner in which the Board of Directors of the Association of Unit Owners is elected, the powers and duties of the Board, the manner in which meetings will be conducted, whether pets are prohibited or allowed and other matters that affect how the condominium project will be governed.

Land Court or Bureau of Conveyances	Date of Document	Document Number

3.3 Condominium Map

The Condominium Map contains a site plan and floor plans, elevations and layout of the condominium project. It also shows the floor plan, unit number and dimensions of each unit.

Land Court Map Number	--
Bureau of Conveyances Map Number	4512
Dates of Recordation of Amendments to the Condominium Map:	

3.4 House Rules

The Board of Directors may adopt rules and regulations (commonly called "House Rules") to govern the use and operation of the common elements and limited common elements. House Rules may cover matters such as parking regulations, hours of operation for common facilities such as recreation areas, use of lanais and requirements for keeping pets. These rules must be followed by owners, tenants, and guests. They do not need to be recorded or filed to be effective. The initial House Rules are usually adopted by the Developer. Changes to House Rules do not need to be recorded to be effective.

The House Rules for this project:

Are Proposed	<input type="checkbox"/>
Have Been Adopted and Date of Adoption	<input checked="" type="checkbox"/> August 28, 2007
Developer does not plan to adopt House Rules	<input type="checkbox"/>

3.5 Changes to the Condominium Documents

Changes to Condominium Documents: Changes to the Declaration, Bylaws and Condominium Map are effective only if they are duly adopted and recorded. Where permitted, the minimum percentages of the common interest that must vote for or give written consent to changes to the Declaration, Bylaws and Condominium Map are set forth below. The percentages for any individual condominium project may be more than the minimum set by law if the Declaration or Bylaws for the project so provide.

Document	Minimum Set by Law	This Condominium
Declaration	67%	67%
Bylaws	67%	67%

3.6 Rights Reserved by the Developer to Make Changes to the Condominium Project or Condominium Documents

<input type="checkbox"/>	No rights have been reserved to the Developer to change the Declaration, Bylaws, Condominium Map or House Rules (if any).
<input checked="" type="checkbox"/>	Developer has reserved the right to change the Declaration, Bylaws, Condominium Map and House rules (if any) and to add to or merge the project or to develop the project in one or more phases, and such rights are summarized as follows: see Exhibit F

4. CONDOMINIUM MANAGEMENT

4.1 Management of the Common Elements

Management of the Common Elements: The Association of Unit Owners is responsible for the management of the common elements and the overall operation of the condominium project. The Association may be permitted, and in some cases may be required, to employ or retain a condominium managing agent to assist the Association in managing the condominium project.

The Initial Condominium Managing Agent for this project is (check one):

<input type="checkbox"/>		Not affiliated with the Developer
<input checked="" type="checkbox"/>		None (self-managed by the Association)
<input type="checkbox"/>		The Developer or any affiliate of the Developer
<input type="checkbox"/>		Other (explain)

4.2 Estimate of the Initial Maintenance Fees

Estimate of the Initial Maintenance Fees: The Association will make assessments against your unit to provide funds for the operation and maintenance of the condominium project. If you are delinquent in paying the assessments, a lien may be placed on your unit and the unit may be sold through a foreclosure proceeding. Initial maintenance fees are difficult to estimate and tend to increase as the condominium ages. Maintenance fees may vary depending on the services provided.

Exhibit **G** contains a breakdown of the estimated annual maintenance fees and the monthly estimated maintenance fee for each unit, certified to have been based on generally accepted accounting principles, with the Developer's statement as to when a unit owner shall become obligated to start paying the unit owner's share of the common expenses.

4.3 Utility Charges to be Included in the Maintenance Fee

If checked, the following utilities are included in the maintenance fee:

<input type="checkbox"/>		Electricity for the common elements
<input type="checkbox"/>		Gas for the common elements
<input type="checkbox"/>		Water
<input type="checkbox"/>		Sewer
<input type="checkbox"/>		TV cable

Blanket liens (except for improvement district or utility assessments) must be released as to a unit before the developer conveys the unit to a purchaser. The purchaser's interest will be affected if the developer defaults and the lien is foreclosed prior to conveying the unit to the purchaser.

The sales contract may include a right of the Developer to extend the completion deadline for force majeure as defined in the sales contract. The sales contract may also provide additional remedies for the purchaser.
Completion Deadline for any unit not yet constructed, as set forth in the sales contract: Units 1 and 2 have been completed.
Completion Deadline for any repairs required for a unit being converted, as set forth in the sales contract: Units 3 and 4 have been completed.

5.6 Developer's Use of Purchaser Deposits to Pay for Project Construction Costs Before Closing or Conveyance

The Developer is required to deposit all moneys paid by purchasers in trust under a written escrow agreement with a Hawaii licensed escrow depository. Escrow shall not disburse purchaser deposits to the Developer or on behalf of the Developer prior to closing, except if a sales contract is canceled or if Developer has met certain requirements, which are described below.

5.6.1 Purchaser Deposits Will Not Be Disbursed Before Closing or Conveyance

<input checked="" type="checkbox"/>	The Developer hereby declares by checking the box to the left that it shall use its own funds to complete the construction of the condominium project by the date indicated in Section 5.5 of this report, and the Developer, pursuant to its own analysis and calculations, certifies that it has sufficient funds to complete the construction of the condominium project. If the box to the left is checked, Sections 5.6.2 and 5.7, which follow below, will not be applicable to the project.
-------------------------------------	---

5.6.2 Purchaser Deposits Will Be Disbursed Before Closing

Hawaii law provides that, if certain statutory requirements are met, purchaser deposits in escrow under a binding sales contract may be used before closing to pay for certain project costs. For this project, the Developer indicates that purchaser deposits may be used for the following purposes (check applicable box):

<input type="checkbox"/>	For new construction: to pay for project construction costs described in the Developer's budget and approved by the Developer's lender or an otherwise qualified, financially disinterested person; or
<input type="checkbox"/>	For conversions: to pay for repairs necessary to cure violations of county zoning and building ordinances and codes, for architectural, engineering, finance and legal fees, and for other incidental expenses.

In connection with the use of purchaser deposits (check Box A or Box B):

<p>Box A</p> <p><input type="checkbox"/></p>	<p>The Developer has submitted all information and documents required by law and the Commission prior to the disbursement of purchaser deposits before closing. This means that the Developer may use such deposits before closing. If the Developer decides not to use purchaser deposits before closing, the Developer does not need to amend this report.</p> <p>If Box A is checked, you should read and carefully consider the following notice, which is required by law:</p> <p><u>Important Notice Regarding Your Deposits:</u> Deposits that you make under your sales contract for the purchase of the unit may be disbursed before closing of your purchase to pay for project costs, construction costs, project architectural, engineering, finance, and legal fees, and other incidental expenses of the project. While the developer has submitted satisfactory evidence that the project should be completed, it is possible that the project may not be completed. If your deposits are disbursed to pay project costs and the project is not completed, there is a risk that your deposits will not be refunded to you. You should carefully consider this risk in deciding whether to proceed with your purchase.</p>
<p>Box B</p> <p><input type="checkbox"/></p>	<p>The Developer has not submitted all information and documents required by law and the Commission, and, until all such information and documents are submitted, thus, the Developer cannot use purchaser deposits.</p> <p>If the Developer later submits all information and documents required by law and the Commission for the use of purchaser deposits, then the Developer must provide an amendment to this report or an amended developer's public report to each purchaser who has signed a sales contract. At such time, the <u>Important Notice Regarding Your Deposits</u> set forth immediately above will apply to all purchasers and will be restated in the amendment to this report or an amended developer's public report. When an effective date for such an amendment or an amended developer's public report is issued, <u>you will not have the right to rescind or cancel the sales contract by reason of such submission and amendment.</u> (This, however, does not affect your right to rescind for material changes or any other right you may have to rescind or cancel the sales contract, as described in Section 5.8 below.) If the Developer decides not to use purchaser deposits before closing, the Developer does not need to amend this report.</p> <p>You should understand that, although the <u>Important Notice Regarding Your Deposits</u> set forth above does not currently apply to you, it might apply to you in the future, and, therefore, you should read and carefully consider it now to ensure that you understand the risk involved in deciding whether to proceed with your purchase.</p>

Material House Bond. If the Developer has submitted to the Commission a completion or performance bond issued by a material house instead of a surety as part of the information provided prior to the use of purchaser deposits prior to closing or conveyance of a unit, the Developer shall disclose the same below and disclose the impact of any restrictions on the Developer's use of purchaser deposits.

5.7 Rights Under the Sales Contract

5.8 Purchaser's Right to Cancel or Rescind a Sales Contract

A purchaser's right to cancel a sales contract or to rescind a sales contract may arise under varying circumstances. In the sections below, some circumstances that will give rise to a purchaser's right to cancel or rescind are described, together with what a purchaser must do if the purchaser wishes to exercise any of the rights.

5.8.1 When a Sales Contract becomes Binding and Purchaser's 30-Day Right to Cancel a Sales Contract

A sales contract signed by a purchaser and the developer will not become binding on a purchaser or the Developer until the following events have taken place:

- (1) The purchaser has signed the sales contract.
- (2) The Developer has delivered to the purchaser a true copy of the developer's public report with an effective date issued by the Commission, together with all amendments to the report as of the date of delivery, and the project's recorded Declaration and Bylaws, House Rules (if any), the Condominium Map and any amendments to them to date (all of which are a part of the developer's public report). If it is impracticable to include a letter-sized Condominium Map, the Developer must provide written notice of an opportunity to examine the Condominium Map.
- (3) The Developer has delivered to the purchaser a notice of the purchaser's 30-day cancellation right on a form prescribed by the Commission.
- (4) The purchaser does at least one of the following:
 - (a) Waives the purchaser's right to cancel the sales contract within 30 days from receipt of the notice of the purchaser's 30-day cancellation right; or

- (b) Allows the 30-day cancellation period to expire without exercising the right to cancel; or
- (c) Closes the purchase of the unit before the 30-day cancellation period expires.

The purchaser or the Developer may cancel the sales contract at any time during the 30-day cancellation period, and the sales contract will be canceled and the purchaser's deposits returned to the purchaser, less any escrow cancellation fee and other costs associated with the purchase, up to a maximum of \$250.

5.8.2 Right to Cancel a Sales Contract if Completion Deadline Is Missed

In addition to the purchaser's 30-day cancellation right described in Section 5.8.1 above, when a sales contract is signed before completion of construction of a project, the purchaser will have the right to cancel if the unit is not completed by certain deadlines. In conversion projects, there must be a deadline for completion of any required repairs. Every sales contract shall contain an agreement of the Developer that the completion of construction shall occur on or before the completion deadline, and that completion deadline is set forth in this report in Section 5.5. The sales contract shall provide that the purchaser may cancel the sales contract at any time after the specified completion deadline, if completion of construction does not occur on or before the completion deadline, as the same may have been extended. Upon a cancellation, the purchaser's deposits shall be refunded, less any escrow cancellation fee and other costs associated with the purchase, up to a maximum of \$250.00.

5.8.3 Purchaser's Right to Rescind a Binding Sales Contract After a Material Change

If a "material change" in a project occurs after a purchaser has signed a sales contract that has become binding, the purchaser will have a 30-day right to rescind after notification and description of the material change. A material change is defined in the Condominium Property Act to be any change that "directly, substantially and adversely affects the use or value of (1) a purchaser's unit or appurtenant limited common elements; or (2) those amenities of the project available for the purchaser's use."

The purchaser will be informed of the material change by the developer on a form prescribed by the Commission containing a description of the material change.

After notice of the material change, the purchaser may waive the right to rescind by:

- (1) Checking the waiver box on the rescission form; or
- (2) Letting the 30-day rescission period expire, without taking any action to rescind; or
- (3) Closing the purchase of the unit before the 30-day rescission period expires.

The rescission form must be signed by all purchasers of the affected unit and delivered to the developer no later than midnight of the 30th calendar day after the purchasers received the rescission form from the developer. Purchasers who validly exercise the right of rescission shall be entitled to a prompt and full refund of any moneys paid.

A rescission right shall not apply in the event of any additions, deletions, modifications and reservations including, without limitation, the merger or addition or phasing of a project, made pursuant to the terms of the project's Declaration.

These provisions shall not preclude a purchaser from exercising any rescission rights pursuant to a contract for the sale of a unit or any applicable common law remedies.

b. The specimen Purchase and Sales Contract provides in part that Buyer understands the Units are being sold without any warranties provided by Developer. See Section 5.4 of this Public Report. The existence of any defect in the Units or anything installed thereon shall not excuse the Purchaser's obligation to perform all of his obligations under his contract as long as the Unit is livable. See Section 5.6 of the Purchase and Sales Contract.

d. Pets. Article VI.3.j of the Bylaws dated August 28, 2007, states as follows:

"j. Pets. Subject to the provisions of all federal, state, and local laws prohibiting discriminatory practices in housing against disabled or impaired persons regarding service animals:

(i) No livestock, poultry, or other animals other than dogs, cats and other usual and customary household pets may be kept in reasonable number by occupants in their respective Units or upon the Dwelling Area appurtenant thereto. No animals shall be kept, bred or used therein for any commercial purposes or money generating purposes. (ii) All responsibility, both financial and otherwise, for personal property damage to any owner, occupant, guest, or employee, or any part of the common elements or Project caused by a pet shall be that of the Unit owner and not the Association.

(iii) Walking of pets on common elements or shared limited common elements is restricted to transit only. Dogs and cats may be walked on the paved areas of the common elements or shared limited common elements when in transit, provided they are on a short leash. No resident shall permit an animal in his custody to excrete any body waste on any portion of the common elements or shared limited common elements. All pet refuse shall be securely wrapped and tied in plastic bags before being thrown in the dumpster.

(iv) Animals described as pests under Hawaii Revised Statutes ("HRS") 150A-2 as amended or any successor statute or animals prohibited from importation under HRS 141-2, 150A-5 or 150A-b, as amended or any successor statute, are not allowed on the Project or in any Unit.

(v) Violations of any of the provisions in this Article VI, Section 3.j, on Pets shall subject the Unit owners and/or occupant of the Unit to fines in amounts as established by the Board. The Board may adopt other rules and regulations concerning pets."

e. Dedication to City. Developer has reserved the right, without the consent or joinder of anyone, to subdivide, remove, delete and withdraw from this Project the piece of land crosshatched and delineated on the Condominium Map as "Dedication to City", and to convey said piece of land to the City and County of Honolulu or any other governmental agency, and to amend the Declaration, Bylaws, Condominium Map and other documents pertaining to this Project to carry out the same. To the extent the signatures of Unit Owners are required, each Unit Owner shall execute and deliver all documents and instruments and do other things necessary to effectuate the same. See Exhibit F to this Public Report.

f. Special Power of Attorney. In the Condominium Unit Deed whereby Developer will convey a Unit to a purchaser, purchaser agrees to grant to Developer a Special Power of Attorney to execute any documents and carry out the rights reserved to Developer summarized in Section 6.e. above. Purchaser and all subsequent purchasers of a Unit (if the dedication and conveyance to the City has not yet occurred) will execute a Special Power of Attorney to Developer to enable Developer to carry out said reserved rights.

g. Vacation Rentals, Time Share. Paragraph 10.1 of the Declaration states as follows:

"10.1 The Units in the Project shall be occupied and used only for residential purposes by the respective owners thereof, their tenants, families, domestic servants and guests, and for any other purpose permissible by the Land Use Ordinance for the City and County of Honolulu, then in effect, subject to the provisions of this Declaration. The Units may not be used for transient or hotel purposes, which are defined as (i) rental for any period less than thirty (30) days, or (ii) any rental in which the occupants of the Unit are provided customary hotel services such as room service for food and beverage, maid service, laundry service, linen service or bellboy service. Notwithstanding the foregoing, the Units in the Project or any interest therein shall not be sold, transferred, conveyed, leased, occupied, rented or used for or in connection with any time-sharing purpose or under any time-sharing plan, arrangement or program, including without limitation any so-called "vacation license", "travel club membership" or "time-interval ownership" arrangement. The term "time-sharing" as used herein shall be deemed to include, but is not limited to, any plan, program or arrangement under which the right to use, occupy, own or possess a Unit or Units in the Project rotates among various persons on a periodically recurring basis according to a fixed or floating interval or period of time, whether by way of deed, lease, association or club membership, license, rental or use agreement, co-tenancy agreement, partnership or otherwise. Except for such transient, hotel or time-sharing purposes, the Units may be leased subject to all provisions of this Declaration and the Bylaws."

h. Maintenance and Paint Colors. Paragraph 10.4 of the Declaration states as follows:

"10.4 Maintenance and Paint Colors. Every Unit Owner and occupant shall at all times keep his Unit and the limited common elements appurtenant thereto in a strictly clean, sanitary, neat, maintained and repaired condition. Such shall include repainting the exterior of each building constituting his Unit, as such becomes reasonably necessary. To the extent practicable, the paint colors of the building in which Units 1 and 2 are located, and the building in which Units 3 and 4 are located, shall be as the Unit owners in said respective buildings shall agree and if they fail to agree, then the paint colors of each building shall be substantially similar to the colors of the building at the time of the purchase of his Unit by the then Unit Owner."

i. Access Easement in Favor of Units 1 and 2. Paragraph 8.9 of the Declaration states as follows:

"8.9 Units 1 and 2 shall have a perpetual easement for pedestrian ingress and egress through the Dwelling Areas of Units 3 and 4 during the hours of 8:00 a.m. to 6:00 p.m. (but not through Units 3 and 4 themselves), in order to access, maintain and repair the Fence and Boundary Marker between Unit 1 and Units 3 and 4 and the Gate, and the Fence and the Boundary Marker between Units 2 and Units 3 and 4 and the Gate."

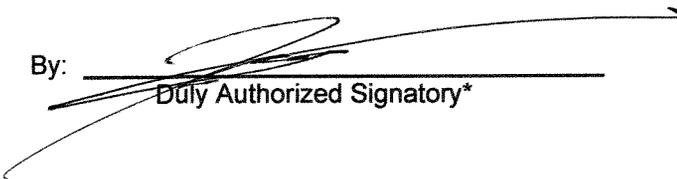

The Developer declares subject to the penalties set forth in Section 514B-69, HRS, that this project conforms to the existing underlying county zoning for the project, zoning and building ordinances and codes and all applicable permitting requirements adopted by the county in which the project is located, all in accordance with Sections 514B-5 and 32(a)(13), HRS.

For any conversion, if any variances have been granted, they are specified in Section 1.14 of this report, and, if purchaser deposits are to be used by the Developer to cure any violations of zoning, permitting requirements or rules of the county in which the project is located, the violation is specified in Section 1.15 of this report, along with the requirements to cure any violation, and Section 5.5 specifies the date by which the cure will be completed.

The Developer hereby certifies that all the information contained in this report and the exhibits attached to this report and all documents to be furnished by the Developer to purchasers concerning the project have been reviewed by the Developer and are, to the best of the Developer's knowledge, information and belief, true, correct and complete. The Developer hereby agrees promptly to amend this report to report and include either or all material facts, material or pertinent changes to any information contained in or omitted from this report and to file annually a report to update the material contained in this report at least 30 days prior to the anniversary date of the effective date of this report.

EXHIBIT B
PERMITTED ALTERATIONS TO UNITS

1. Paragraph 19.1 of the Declaration states:

“19.1. Changes to Units. Notwithstanding anything to the contrary contained in this Declaration, each Unit Owner shall have the right at his sole option at any time and from time to time without the consent of anyone other than the holders of all mortgage liens affecting his Unit, to improve, renovate, remodel, make additions to, enlarge, remove, replace or restore the improvements to or in his Unit or portions thereof or to make additional improvements upon the Dwelling Area appurtenant to the Unit (the foregoing are referred to collectively as "Changes" and singly, as a "Change") subject to the following conditions:

(a) Building plans for any Change shall be prepared by a licensed architect or professional engineer and all construction shall be undertaken in accordance with such plans and shall comply with all governmental laws, ordinances, rules and regulations.

(b) If required by County Building Laws, then the Owner making the change shall first obtain any requisite building permit.

(c) Any Change to a Unit cannot extend beyond the Dwelling Area which is appurtenant to the Unit.

(d) No Change to a Unit will be made if the effect of such Change would be to exceed the Unit's "proportionate share of the total allowable lot area coverage for the Land" or the number of dwelling units permitted on the Land, as permitted under the zoning and building codes applicable to the Land in effect when the Change is to be made (collectively, the "Land Use Ordinance"). A Unit's proportionate share of the total allowable lot area coverage for the Land shall be calculated by multiplying the Unit's common interest by the total allowable lot area coverage for the entire Land in the Project, provided however, that this formula does not apply to Units originally built or submitted to the Act by Developer, but only to Changes to a unit after it is sold by the Developer. For example, if the total allowable lot area coverage for the entire Land in the Project is 2,000 square feet and the common interest for Unit 1 is 20%, then Unit 1's proportionate share of the total allowable lot area coverage for the Land in the Project is 400 square feet (2,000 square feet x .20).

(e) Any such Change shall be at the expense of the Unit Owner making the Change and shall be expeditiously made and in a manner that will not unreasonably interfere with the other Unit Owners' use or enjoyment of his Unit and appurtenant limited common elements and the common elements. The Unit Owner making the changes shall pay for all fees and costs of amending and recording the Declaration and Condominium Map to reflect the changes.

(f) During the entire course of such construction, the Unit Owner making such Change will cause to be maintained at his expense builder's all-risk insurance in an amount not less than the estimated cost of construction. At the request of the Association, the Association shall be named as an additional insured and, evidence of such insurance shall be deposited with the Association.

(g) The Unit Owner making the Change shall have the right to utilize, relocate and realign existing and/or to develop additional, central and appurtenant installations for services to the Unit affected by such Change for electricity, sewer and other utilities and services and when applicable, to add, delete, relocate, realign, designate and grant easement and rights-of-way over, under and on the common elements as necessary or desirable in connection therewith; provided that the same shall not cause any substantial interruption in the service of such utilities to any other Unit Owner.

(h) If the consent or joinder of another Unit Owner to any Change, including obtaining building permits is required by the Act notwithstanding the provisions of the first paragraph in Paragraph 19.1 above, then each Unit Owner hereby consents in advance to give such consent or join any such application for such Change, provided that all such expenses relating to the change shall be borne by the Owner making the Change.

(i) Each and every conveyance, lease and mortgage or other lien made or created on any Unit and all common interests and other appurtenances thereto shall be subject to the provisions of this paragraph 19 and any lease of a Dwelling Area shall reserve to all Owners the rights set forth in this paragraph 19.

(j) The right of the Board to disapprove a Change if it reasonably determines that the Change could jeopardize the soundness or safety of the Project, impair any easement or interfere with or deprive any objecting Owner of the use or enjoyment of any part of the Project.”

EXHIBIT C

DEVELOPER'S RESERVED RIGHTS

The Developer (Declarant) has reserved the following rights to change the Declaration, Condominium Map, By-Laws or House Rules:

1. Paragraphs 8.7 and 8.8 of the Declaration state:

“8.7 The Developer reserves the right to conduct extensive sales activities on and at the Project, including the use of model Units, sales and management offices, parking stalls and extensive sales displays and activities until the earlier to occur of: (i) thirty-six (36) months from the date of the filing in the Recording Office of the first Unit deed covering a Unit in the Project, or (ii) the closing of the sale of the last unsold Unit in the Project. In the event that the Declarant is unable to sell all of the Units within said thirty-six (36) month period, the Declarant shall, nevertheless, continue to have the right to conduct sales activities on and at the Project until the closing of the sale of the last unsold Unit in the Project, provided that such sales activities are conducted in an unobtrusive manner which will not unreasonably interfere with the use, possession and aesthetic enjoyment of the Project by the other Unit owners. Notwithstanding the foregoing, in the event that the Declarant's mortgage lender or any successor to or assignee of the Declarant's mortgage lender shall acquire any portion of the Project in the course of any foreclosure or other legal proceeding or by an assignment or sale in lieu of foreclosure, such mortgage lender and its successors and assigns shall have the right to conduct such extensive sales activities on and at the Project until at least ninety-five percent (95%) of all of the Units in the Project have been sold and such sales have been closed.

8.8 Easements; Subdivision; Withdrawal of Land; Reservations.

8.8.1 In addition to any other rights reserved in this Declaration, Developer reserves the right (but without obligation) for itself, its successors in interest and assigns to do all things necessary or convenient (i) to grant to any public utility or governmental authority easements for sewer, drainage, water and other utility facilities over, under, along, across and through the Land of the Project, (ii) to subdivide the Land and to cause such subdivision to be properly approved, recognized and documented in the Recording Office, the City and County of Honolulu and any other governmental or quasi-governmental authority, agency, department or office having jurisdiction over the Project and/or the Land, (iii) to remove, delete and withdraw from the Project and the effect of this Declaration and the Act those portions of the Project's current Land that will be dedicated and conveyed to the City and County of Honolulu, or any other governmental authority, (iv) to dedicate and convey to the City and County of Honolulu or any other governmental authority the “Withdrawn Property” (as defined below), and (v) to amend this Declaration, the Bylaws, the Condominium Map and any and all other documents pertaining to the Project to the extent necessary to reflect such subdivision and withdrawal, all without the joinder or consent of any other party, including any Unit Owner, Unit purchaser, mortgagee (other than the holder of any blanket mortgage covering the Land prior to consolidation or subdivision), lienholder, or any other person or entity whatsoever. That portion of the Project's current Land to be withdrawn from the Project in accordance with this Section 8.8 is crosshatched and delineated on the Condominium Map as “Dedication to City” and is sometimes hereafter called the “Withdrawn Property.” Each Unit Owner and each and every person acquiring an interest in the Project agrees to execute and deliver such documents and instruments and do such other things as may be necessary or convenient to effect the same, and appoints Developer and its assigns as his or her attorney-in-fact with full power of substitution to execute and deliver such documents and instruments and to do such things on his or her

behalf, which grant of such power, being coupled with an interest, is irrevocable for the duration of such reserved rights, and shall not be affected by the disability of such party or parties.

8.8.2 Effect of Withdrawal. Upon withdrawal, removal and deletion of the Withdrawn Property as set forth in this Section 8.8, and with no further action required, no Unit Owner, mortgagee, lien holder, Unit purchaser or any other person (other than the Developer and the holder of any blanket mortgage covering the Withdrawn Property) who may have an interest in the Project or any Unit shall have any legal or equitable interest in the Withdrawn Property (it being the intent hereof that upon such removal and deletion, fee simple title to the Withdrawn Property and any interests appurtenant thereto will be vested solely in the Developer). If deemed necessary to effect the intent of this Section 8.8, each Unit Owner, mortgagee, lien holder and any other person who may have an interest in the Project or any Unit shall, if requested by the Developer, unconditionally quitclaim and/or release its interest (if any) in the Withdrawn Property to the Developer.

8.8.3 Power of Attorney. The Developer shall have the absolute right, notwithstanding the lease, sale or conveyance of any Unit, and without being required to obtain the consent or joinder of any Unit Owner, lien holder or other persons, (i) to grant to any public utility or governmental authority easements for sewer, drainage, water and other utility facilities over, under, along, across and through the Land of the Project, and (ii) to effect the subdivision and to withdraw, remove and delete from the Project those portions of the Land that will be dedicated and conveyed to the City and County of Honolulu in accordance with this Section 8.8, and to execute, record and/or file the herein described application(s), amendments, quitclaims, releases and any and all other instruments necessary or appropriate for the purpose of effecting the changes contemplated hereby. Any such action shall be deemed taken by the Developer as the true and lawful attorney-in-fact of the respective Unit Owners and lien holders. Each and every person acquiring an interest in any Unit, the Project or the Land covered by this Declaration, by such acquisition, consents to such changes and to the recordation of such documents as may be necessary to effect the same; agrees to execute such documents and do such other things as may be necessary or convenient to effect the same; appoints the Developer his, her or its attorney-in-fact with full power of substitution to execute such documents and do such other things on his, her or its behalf, which grant of such power, being coupled with an interest, is irrevocable and shall not be affected by the disability of any such person; and the Condominium Unit Deed from the Developer to a Unit purchaser shall contain the power of attorney language.

8.8.4 Successors and Assigns. The rights of the Developer under this Section 8.8 shall extend to the Developer and to any party who expressly acquires the interest and rights of the Developer under this Declaration.

8.8.5 Amendment of this Section 8.8. Notwithstanding any provision herein to the contrary, this Section 8.8 may not be amended without the written consent and joinder of the Developer for so long as the Developer retains an ownership interest in any Unit in the Project.”

2. Paragraph 11.2 of the Declaration states:

“11.2 Developer Retains Control of Association. Developer reserves the right to retain control of the Association for the maximum period of time allowed under Section 514B-106(d) of the Act. During such period of time, Developer or person(s) designated by Developer, reserves the right to appoint and remove all members of the Board and all officers of the Association. The Developer may voluntarily surrender the right to appoint and remove officers and members of the Board before termination of that period, but in that event the Developer may require, for the duration of the period of Developer control, that specified actions of the Association or Board, as described in a recorded instrument executed by the Developer, be approved by the Developer before they become effective.”

3. Paragraphs 20.2, 20.3, 20.4 and 20.6 of the Declaration state:

“20.2 Notwithstanding any provision to the contrary in this Declaration and in addition to any rights reserved by Developer in this Declaration or by the provisions of the Act, Developer reserves the following rights: (1) at any time prior to the first recording in the Recording Office of a conveyance of a Unit, the Developer may amend this Declaration, the Condominium Map and the Bylaws in any manner, without the consent of any Unit purchaser; and (2) at any time after the first recording in the Recording Office of a conveyance of a Unit, the Developer may amend this Declaration and the Condominium Map to file the "As Built" verified statement required by Section 514B-34 of the Act (i) so long as such statement is merely a verified statement of a registered architect or professional engineer certifying that the final plan thereto filed fully and accurately depicts layout, location, Unit numbers, and the dimensions of an improvement or change in a Unit as built; or (ii) so long as the plans filed therewith involve only immaterial changes to the layout, location, or dimensions of the Units as built or any change in any Unit number.

20.3 Notwithstanding Section 19.2 or any other provision in this Declaration, a Unit Owner shall have the right without the consent or joinder of any other person to amend this Declaration and the Condominium Map to reflect the Changes made to the Unit pursuant to Section 19.1 or the boundaries of Dwelling Areas in accordance with Section 19.3. Promptly upon completion of such Changes, the Owner of the changed Unit or boundary, as the case may be, shall duly record with the Recording Office an amendment to this Declaration and to the Condominium Map, together with a complete set of the floor plans of the Project as so altered, certified as built by a registered architect or professional engineer. All existing Unit Owners and all future Unit Owners and their mortgagees, by accepting an interest in a Unit, shall be deemed to have given each Unit Owner a Power of Attorney to execute an amendment to the Declaration solely for the purpose of describing the changes to his respective Unit and boundary on the Declaration and Condominium Map so that each Unit Owner shall hereafter have a Power of Attorney from all the other Unit Owners to execute such amendment to the Declaration and Condominium Map. This Power of Attorney shall be deemed coupled with each Owner's interest in his Unit (including his common interest) and shall be irrevocable.

20.4 Amendments Required by Law, Lenders, Title Insurers, Etc. Notwithstanding any other provision of this Declaration, for so long as the Developer retains any interest in a Unit in the Project, the Developer reserves the right (but not the obligation) to amend this Declaration and the Bylaws and the Condominium Map without the consent or joinder of any Unit Owner, lienholder or other person or entity, for the purpose of accurately describing the remaining land after the removal, withdrawal, dedication or conveyance referred to in Section 8.8, or meeting any requirement imposed by (i) any applicable law, (ii) the Real Estate Commission of the State of Hawaii, (iii) any title insurance company issuing a title insurance policy on the Project or any of the Units, (iv) any institutional lender lending funds on the security of the Project or any of the Units, or (v) any other governmental or quasi-governmental agency including, without limitation, the Federal National Mortgage Association, the Federal Home Loan Mortgage Corporation, the U. S. Department of Housing and Urban Development or the Veterans Administration; provided, however, that no amendment which would change the common interest appurtenant to a Unit or substantially change the design, location or size of a Unit shall be made without the consent of all persons having an interest in such Unit. Each and every party acquiring an interest in the Project, by such acquisition, consents to the amendments described in this Section 20.4 and agrees to execute and deliver such documents and instruments and do such other things as may be necessary or convenient to effect the same, and appoints Developer and its assigns as his or her attorney-in-fact with full power of substitution to execute and deliver such documents and instruments and to do such things on his or her behalf, which grant of such power, being coupled with an interest, is irrevocable for the duration of such reserved rights, and shall not be affected by the disability of such party or parties.

20.6 Developer's Reservation. Notwithstanding anything to the contrary contained in this Declaration, this Declaration cannot be amended to remove or lessen rights reserved by Developer in this Declaration for its benefit or the benefit of its successors, assigns, transferees or designees unless Developer, its successors, assigns, transferees or designees, as the case may be, consents to the amendment, which consent may be withheld in the sole discretion of the Developer, its successors, assigns, transferees or designees, as the case may be.”

EXHIBIT H

SUMMARY OF PERTINENT PROVISIONS OF SALES CONTRACT

Developer has filed a specimen Purchase and Sales Contract (“Sales Contract”) with the Hawaii Real Estate Commission, which contains certain pertinent provisions summarized as follows:

I.4.a & I.5.c. CONDOMINIUM DOCUMENTS. By closing the purchase of the Unit, Buyer acknowledges that it has examined and approved the form of the Condominium Unit Deed, Declaration of Condominium Property Regime of Spencer Place (“Declaration”), By-Laws, Escrow Agreement, Public Report, Rules and Regulations, Condominium Map, and any amendments to such documents or plan (collectively “Project Documents”). The Condominium Map is intended to show only the approximate layout, location, unit numbers and dimensions of the Units and is not intended to be and is not a representation, warranty or promise to Buyer.

I.4.b. MODIFICATION OF DOCUMENTS. Developer can make certain modifications to the Project Documents. If the modification results in a “material change,” Buyer may rescind the Sales Contract pursuant to HRS Section 514B-87.

I.5.a. NO WARRANTIES. Seller is making no warranties, express or implied (including warranties of merchantability, habitability, workmanlike construction or fitness for a particular purpose), regarding the Units, common elements, or Project, fixtures, appliances, furnishings, consumer items in the Units or anything connected with the Project. Developer’s construction contract with the contractor for the Project contains a provision that for a period of one year after the date of substantial completion of work or any designated portion thereof, contractor shall correct any work not conforming to the requirements of the contract documents.

Ninety days before filing a lawsuit against a contractor who designed, repaired or constructed Buyer’s house, Buyer must file a written notice with the contractor alleging the defective construction conditions. Contractor has an opportunity to offer to repair and/or pay for defects but Buyer is not obligated to accept the offer. Under law, there are strict deadlines that, if not followed, may negatively affect Buyer’s ability to file a lawsuit or other action.

Developer will transfer to Buyer any manufacturer’s or dealer’s warranties that can be transferred covering any furnishings, fixtures, appliances or consumer products in the Unit.

Developer is not acting as a warrantor or co-warrantor but is only attempting to pass on the benefits of manufacturer’s or dealer’s warranties.

I.5.b. ACCEPTANCE OF UNIT. Developer or contractor may ask Buyer to inspect the Unit before Closing. Buyer agrees to accept possession of the Unit even if Buyer has not inspected the Unit prior to Closing.

I.5.e. SELLER’S STATEMENT. Seller’s disclosures in the Sales Contract and the Project Documents about the Unit and the Project are based on observations of visible, accessible areas and information within the knowledge and control of Seller. Buyer should hire his own experts to inspect the Unit and Project.

I.5.f.(6). LIQUIDATED DAMAGES. In the event Buyer alleges that Seller violated any federal or state disclosure laws or regulations (including the Hawaii Condominium Property Act and federal and state securities law), Buyer's only remedy will be to sue for a refund of the purchase price and closing costs actually paid plus interest at 6% per annum from the date of closing until the date of repayment. If Buyer is successful, this remedy will constitute liquidated damages and Buyer cannot claim damage for changes to the Unit, maintenance fees, real property taxes, mortgage fees and interest on the mortgage or any other damages.

I.3; I.6.; I.9. SELLER'S RIGHT TO CANCEL In addition to any other rights of cancellation reserved to Seller, if (a) Buyer's deposit check is returned for insufficient funds, (b) Buyer intends to obtain financing and fails to meet the deadlines regarding applying for financing or to obtain an irrevocable written commitment for an adequate loan within 20 days of the acceptance of the Sales Contract by Seller, (c) Buyer intends to pay all cash and fails to provide proof of ability to pay within 5 days after Seller accepts the Sales Contract, or (d) Buyer should die prior to Closing, or (e) Buyer shall default or fail to perform other obligations under the Sales Contract that are not cured within 5 days of Seller's notice to Buyer, Seller reserves the right to cancel the Sales Contract and return Buyer's check or payments, without interest and less the processing and cancellation fee imposed by Escrow Agent and any other actual expenses incurred by reason of Buyer's execution of the Sales Contract.

I.6.d. & I.6.h. BUYER'S RIGHT TO CANCEL. Buyer has the right to cancel a binding Sales Contract at any time prior to the earlier of (1) the conveyance of a Unit to Buyer, or (2) midnight of the thirtieth (30th) day after (i) the date Buyer signs the Sales Contract, and (ii) the items referenced in HRS Section 514B-86(b)(2) have been delivered to Buyer unless Buyer waives his right to cancel in writing prior to such time. Buyer also has the right to cancel the Sales Contract if the Buyer signs this Sales Contract before completion of the Unit and the Unit is not completed by September 30, 2007, as it may be extended.

I.7.d. CLOSING COSTS. Buyer shall pay all closing costs. Real property taxes, assessments paid and insurance shall be prorated as of the Closing.

I.8. SUBORDINATION. Buyer acknowledges that Seller may obtain a loan and grant a mortgage covering Seller's interest in the Project, including the Sales Contract. Buyer acknowledges and agrees that all security interests obtained by a lender in connection with such loan as well as any extensions, renewals and modifications thereof, shall be and remain at all times a lien or charge on the Project, including the Unit covered by the Sales Contract, prior to and superior to any and all liens or charges on the Project arising from the Sales Contract. Buyer hereby expressly waives, relinquishes and subordinates the priority or superiority of any lien under the Sales Contract in favor of the lien or charge on the Project of the security interests of lender.

I.5.b. & I.9. DEFAULT. Time is of the essence of the Sales Contract, and if the Sales Contract is binding and Buyer shall default in any payment when required or fail to perform any other obligations required of Buyer, including but not limited to Buyer's lender (other than Project's Lender) failure to timely fund the loan after providing an irrevocable loan commitment, and shall fail to cure such default within five (5) days after receipt of written notice thereof from Seller, Seller may, at Seller's option, terminate the Sales Contract by written notice to Buyer. In the event of such default, the parties hereto understand and agree that the sums paid by Buyer prior to such default shall belong to Seller as liquidated damages. In addition, Buyer shall pay all fees for documents that have been prepared in connection with Buyer's proposed purchase of the Unit. Seller

may also pursue any other remedy at law or in equity for specific performance or damages, and all costs, including attorneys' fees, incurred by reason of default by Buyer shall be borne by Buyer.

THIS EXHIBIT CONTAINS ONLY SUMMARIES OF CERTAIN PERTINENT PROVISIONS CONTAINED IN THE PURCHASE AND SALES CONTRACT. PROSPECTIVE OWNERS SHOULD READ AND UNDERSTAND ALL OF THE PROVISIONS IN THEIR ENTIRETY CONTAINED IN THE AFORESAID DOCUMENT.

EXHIBIT I

1. All deposits will be paid to Escrow. A copy of each Sales Contract and all payments made to purchase a Unit shall be turned over to the Escrow.

2. Refunds. A Buyer shall be entitled to a return of his funds, and Escrow shall pay such funds to such Buyer, without interest, in accordance with the Sales Contract if any of the following has occurred:

(a) Developer and Buyer shall have requested Escrow in writing to return to Buyer the funds of Buyer held hereunder by Escrow; or

(b) Developer shall have notified Escrow in writing of Developer's exercise of the option to cancel or rescind the Sales Contract pursuant to any right of cancellation or rescission provided therein or otherwise available to Developer; or

(c) Buyer shall have notified Escrow in writing that the conditions provided for a refund under Section 514B-86 (30 day right to cancel) or Section 514B-87 (right to rescind because of a material change) or Section 514B-89 (failure to complete construction before specified completion deadline) of Hawaii Revised Statutes, as amended, have been met.

Escrow shall be entitled to a cancellation fee commensurate with the work done by Escrow of up to \$250.00 (i) from Seller if cancellation is under Section 514B-87, or (ii) from Buyer if cancellation is under Sections 514B-86 or 514B-89.

3. Requirements Prior to Disbursement of Buyer's Funds. Except for refunds pursuant to Section 2 above, Escrow shall make no disbursements of Buyer's funds pursuant to paragraph 5 of the Escrow Agreement until the applicable conditions of said paragraph 5 have been met. Some of these conditions are the Buyer's waiver of rescission and cancellation rights. Buyer is encouraged to read paragraph 5 of the Escrow Agreement.

4. Buyer's Lender. If Buyer does not obtain a mortgage loan from a lender designated by Developer, Buyer will pay Escrow an additional fee of \$250.00. If Buyer obtains a mortgage loan from an out-of-state lender, Buyer will pay Escrow a fee of \$500.00 for each out-of-state mortgage loan obtained.

5. Buyer's Default. Seller must notify Escrow in writing if Buyer defaults, and must certify that Seller has terminated the Buyer's Sales Contract and provide Escrow with copies of all such notices and termination sent to the Buyer. After such cancellation Escrow will treat the Buyer's funds less Escrow's cancellation fees as belonging to the Seller.

Re: **Spencer Place** ("Project")

TO WHOM IT MAY CONCERN:

Based upon a report prepared by Roy K. Yamamoto, Registered Professional Architect, attached to this letter, 1030 Spencer LLC, the Developer of the above Project, states with respect to Units 3 and 4 of the Spencer Place condominium project:

- a. Subject to normal wear and tear, the present condition of all structural components of Units 3 and 4 and the mechanical and electrical installation material to the use and enjoyment of Units 3 and 4 appear to be good, consistent with their age.
- b. The Developer makes no representations with respect to the expected useful life of each item set forth in paragraph a.

Re: Spencer Place

I have made a limited visual inspection of the structural, electrical and mechanical systems, if any, of the Spencer Place Condominium Project. I have not made any invasive examination of covered components. My observations resulting from this inspection are:

1. Subject to normal wear and tear, Units 3 and 4 appear to be in good structural condition and the structural, electrical and mechanical systems of Units 3 and 4 appear to be in good condition, all consistent with their age.

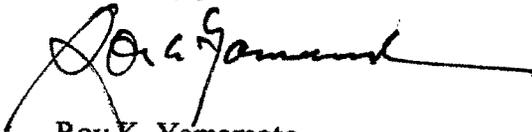

From discussions with the Developer and Owner and from my own observations during this inspection, each of Units 3 and 4 appear to have been built several years ago. My observations resulting from my inspection are:

My inspection was limited and did not include by way of example the condition of the soils or roofing or evidence of termite or other pests on the Project.

I have been informed that the Developer will be disclaiming any warranties relating to the construction, materials, design or workmanship of the units, soils or the common elements of the Project.

Accordingly my visual inspection should not be a substitute for a more complete inspection by a prospective buyer of a Unit. A prospective Buyer is urged to understand the importance of making his own investigation or having an investigation made by trained professionals of the Unit and the Project.

Very truly yours,

Dear Mr. Wong:

Subject: Condominium Conversion Project
1030 Spencer Street
Tax Map Key: 2-4-016: 025

This is in response to your letter dated October 9, 2006, requesting verification that the structure on the above-referenced property met all applicable code requirements at the time of construction.

Investigation revealed that the two-family detached dwelling with at least five (5) all-weather-surface off-street parking spaces and driveway met all applicable code requirements when it was constructed in 1927 on this 7,020-square-foot A-2 Medium Density Apartment zoned lot.

Investigation also revealed the following:

1. On February 20, 2003, a Punchbowl Special District permit (File No. 2002/SDD-104) was approved with conditions for a new five-unit apartment building.
2. On June 1, 2006, a Park Dedication (File No. 2006/PARK-8) was approved for two (2) dwelling units.
3. On December 4, 2006, a Punchbowl Special District permit (File No. 2006/SDD-93) was approved with conditions for a four-foot road widening and a new two-family detached dwelling.

Kenneth K. P. Wong, Esq.

4. On January 17, 2007, a building permit (No. 607509) was issued for a new two-family detached dwelling. This permit is still active.

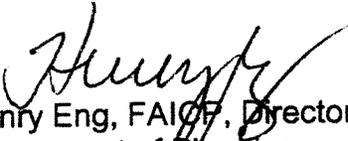

For your information, the Department of Planning and Permitting cannot determine all legal nonconforming uses or structures, as a result of the adoption or amendment of any ordinance or code.

No variances or other permits were granted to allow deviations from any applicable codes.

Conversion to a condominium property regime (CPR) is not recognized by the City and County as an approved subdivision. CPR delineates ownership; it does not create separate lots of record for subdivision and zoning purposes.

If you have any questions regarding this matter, please contact Mr. Ivan Matsumoto of our Commercial and Multi-Family Code Enforcement Branch at 768-8151.

Very truly yours,

Henry Eng, FAICP, Director
Department of Planning and Permitting
