DEVELOPER'S PUBLIC REPORT
FOR A CONDOMINIUM

CONDOMINIUM PROJECT NAME	ALA WAI KAHI
Project Address	4677 Ala Wai Road, Waimea, Kauai, Hawaii 96796
Registration Number	6490 (conversion)
Effective Date of Report	December 27, 2007
Developer(s)	Terry P. Kamen

Preparation of this Report

The Developer prepared this report to disclose relevant information, including "material facts", that are reasonably known to the Developer about the condominium project covered by this report. This report has been prepared pursuant to the Condominium Property Act, Chapter 514B, Hawaii Revised Statutes, as amended from time to time. The law defines "material facts" to mean "any fact, defect, or condition, past or present that to a reasonable person, would be expected to measurably affect the value of the project, unit, or property being offered or proposed to be offered for sale."

This report has not been prepared or issued by the Real Estate Commission or any other governmental agency. The issuance by the Commission of an effective date for this Developer's Public Report (1) does not mean that the Commission approves or disapproves of the project; (2) does not mean that the Commission thinks that either all material facts or all pertinent changes, or both, about the project have been fully or adequately disclosed; and (3) is not the Commission's judgment of the value or merits of the project.

This report may be used by the Developer for promotional purposes only if it is used in its entirety. No person shall advertise or represent that the Commission has approved or recommended the project, this report or any of the documents submitted with Developer's application for registration of this project.

This report will be amended if, after the effective date of this report, any changes, either material or pertinent changes, or both, occur regarding the information contained in or omitted from this report. In that case, the Developer is required to submit immediately to the Commission an amendment to this report or an amended Developer's Public Report, clearly reflecting the changes, including any omitted material facts, together with such supporting information as may be required by the Commission. In addition, the Developer may choose at any time to change or update the information in this report. Annually, at least thirty days prior to the anniversary date of the Effective Date of this report, the Developer shall file an annual report to update the material contained in this report. If there are no changes, the Developer is required to state that there are no changes. The Developer's obligation to amend this report or to file annual reports ends when the initial sales of all units in the project have been completed.

Purchasers are encouraged to read this report carefully and to seek professional advice before signing a sales contract for the purchase of a unit in the project.

Signing a sales contract may legally bind a purchaser to purchase a unit in the project, though a purchaser may have rights to cancel or rescind a sales contract under particular circumstances that may arise.

This material can be made available for individuals with special needs. Please call the Senior Condominium Specialist at 586-2643 to submit your request.

SPECIAL ATTENTION

[Use this page for special or significant matters which should be brought to the purchaser's attention and that are not covered elsewhere in this report.]

1. NOT A SUBDIVISION. This is a condominium project that should not be confused with a subdivision. A purchaser of a unit will be conveyed a unit together with an "undivided" percentage interest in the common elements of the project. The entire parcel of land upon which the project is situated is designated as a common element. That portion of the common element that each purchaser has the exclusive right to use is called a limited common element or area, but is not a separate, legally subdivided lot. The land beneath and immediate adjacent to each unit, as shown on the Condominium Map, is designated as a limited common element and does not represent a legally subdivided lot. The dotted lines on the Condominium Map bounding the designated number of square feet in each limited common element land area are for illustrative purposes only and should not be construed to be the property lines of legally subdivided lots.

   There are County of Kauai (County) restrictions on the number of residential dwelling units, or other structures, which may be built on the property. THEREFORE, UNLESS THE PURCHASER IS PURCHASING AN EXISTING RESIDENTIAL DWELLING, THERE IS NO ASSURANCE THAT THE PURCHASER WILL BE ABLE TO BUILD A RESIDENTIAL DWELLING UNIT ON THE PROPERTY. THERE ALSO IS NO ASSURANCE THAT THE PURCHASER WILL BE ABLE TO CONVERT AN EXISTING NON-RESIDENTIAL STRUCTURE TO A RESIDENTIAL USE. PRIOR TO PURCHASE, THE PROSPECTIVE PURCHASHER SHOULD CONSULT WITH THE APPROPRIATE COUNTY AGENCIES TO DETERMINE WHETHER THE PURCHASER MAY BUILD A RESIDENTIAL DWELLING UNIT, OR ANY OTHER TYPE OF STRUCTURE, ON THE PROPERTY.

2. This Report does **not** constitute an approval of the project by the Real Estate Commission or any other governmental agency.

3. There are presently three residential structures on the property, each of which may be defined as a "unit" under the Condominium Property Act. All structures were constructed in 1950. Although the current density of the Project pursuant to current County zoning is one residential structure and one guest cottage, the existing three dwellings constitute a legal, pre-existing non-conforming use, as all structures were lawfully permitted at the time of construction approximately 57 years ago. See page 18.

4. The Project is in compliance with state and County land use laws and the applicable county real property tax laws. Therefore, a purchaser should be aware that the purchaser shall have a continuing obligation to comply with such land use and real property tax laws.

5. Facilities and improvements normally associated with County-approved subdivisions such as improved access for owner and emergency traffic, fire protection devices, electricity, upgraded water facilities, and drainage facilities may not necessarily be provided, and services such as County street maintenance and trash collection may not be available for interior roads and driveways.

THE PROSPECTIVE PURCHASER IS CAUTIONED TO REVIEW CAREFULLY THE CONDOMINIUM DOCUMENTS REFERENCED IN THIS REPORT FOR FURTHER INFORMATION WITH REGARD TO THE FOREGOING.

General Information On Condominiums

A condominium is a special form of ownership of real property. To create a condominium in Hawaii after July 1, 2006, the Condominium Property Act, Chapter 514B, Hawaii Revised Statutes, must be followed. In addition, certain requirements and approvals of the county in which the project is located must be satisfied and obtained.

Some condominium projects are leasehold. This means that the land and/or the building(s) and other improvements are leased to the purchaser. The lease for the land usually requires that at the end of the lease term, the lessees (unit owners) deliver their interest in the land to the lessor (fee property owner).

If you are a typical condominium unit owner, you will have two kinds of ownership: (1) ownership in your individual unit; and (2) a percentage interest in the common elements.

You will be entitled to exclusive ownership and possession of your unit. Subject to the documents governing them, condominium units may be individually bought, sold, rented, mortgaged or encumbered, and may be disposed of by will, gift or operation of law.

Your unit will, however, be part of the group of units that comprise the condominium project. Study the project's Declaration of Condominium Property Regime, Bylaws of the Association of Unit Owners, Condominium Map and House Rules, if any, which are being concurrently delivered to you with this report. These documents contain important information on the use and occupancy of the units and the common elements of the project, as well as the rules and regulations of conduct for unit owners, tenants and guests.

Operation of the Condominium Project

The Association of Unit Owners is the entity through which unit owners may take action with regard to the administration, management and operation of the condominium project. Each unit owner is automatically a member of the Association.

The Board of Directors is the governing body of the Association. Unless you serve as a board member or an officer, or are on a committee appointed by the board, your participation in the administration and operation of the condominium project will in most cases be limited to your right to vote as a unit owner. The Board and officers can take certain actions without the vote of the unit owners. For example, the Board may hire and fire employees, increase or decrease maintenance fees, adopt budgets for revenues, expenses and reserves and regulate the use, maintenance, repair and replacement of common elements. Some of these actions may significantly impact the unit owners.

Until there is a sufficient number of purchasers of units to elect a majority of the Board, it is likely at first that the Developer will effectively control the affairs of the Association. It is frequently necessary for the Developer to do so during the early stages of development and the Developer may reserve certain special rights to do so in the Declaration and Bylaws. Prospective purchasers should understand that it is important to all unit owners that the transition of control from the Developer to the unit owners be accomplished in an orderly manner and in a spirit of cooperation.

3	**Total Number of Units**

Note: Net Living Area is the floor area of the unit measured from the interior surface of the perimeter walls of the unit. Other documents and maps may give floor area figures that differ from those above because a different method of determining floor area may have been used.

FEE OWNERS: TERRY PETER KAMEN, as Trustee of the Terry Peter Kamen Family Trust under unrecorded Declaration of Trust dated September 13, 1990;

HELENE NALLIE KAMEN, as Trustee of the Helene Nallie Kamen Family Trust under unrecorded Declaration of Trust dated September 13, 1990;

TIANA RISA KAMEN;

MICHAEL J. LIBERATORE;

KELLY J. LIBERATORE;

and

BERT FRANK MAZZOCCO, JR. and NITTAYA T. MAZZOCCO, Trustees of the Huntlee Trust under unrecorded Trust Agreement dated April 8, 2006.

1.4 Parking Stalls

Total Parking Stalls in the Project:	6
Number of Guest Stalls in the Project:	
Number of Parking Stalls Assigned to Each Unit:	2
Attach Exhibit *____ specifying the Parking Stall number(s) assigned to each unit and the type of parking stall(s) (regular, compact or tandem and indicate whether covered or open).	
If the Developer has reserved any rights to assign or re-assign parking stalls, describe such rights. *Each unit has ample space for parking within its limited common element land area for two (2) cars.	

1.5 Boundaries of the Units

Boundaries of the unit:

The boundaries of each unit is the exterior finished surfaces of the units' perimeter frame, beams, doors, foundations, roofs, windows, frames, and post, if any.

1.6 Permitted Alterations to the Units

Permitted alterations to the unit (if the unit is defined as a non-physical or spatial portion of the project, also describe what can be built within such portion of the project):
Individual unit owner may remodel, expand, or otherwise alter their unit provided same is permitted by and done in complete accordance with all applicable ordinances, codes, rules, regulations, or other requirements in force at the time of said construction.

1.7 Common Interest

Common Interest: Each unit will have a percentage interest in the common elements appurtenant to each unit. This interest is called the "common interest". It is used to determine each unit's share of the maintenance fees and other common profits and expenses of the condominium project. It may also be used for other purposes, including voting on matters requiring action by unit owners. The common interest for each unit in this project, as described in Declaration, is:

Described in Exhibit ____.

As follows:
Unit 1 = 50%
Unit 2 = 25%
Unit 3 = 25%

*See page 18.

1.8 Recreational and Other Common Facilities (Check if applicable):

☐	Swimming pool
☐	Laundry Area
☐	Storage Area
☐	Tennis Court
☐	Recreation Area
☐	Trash Chute/Enclosure(s)
☐	Exercise Room
☐	Security Gate
☐	Playground
✓	Other (describe): None. There are no recreational or common facilities.

1.9 Common Elements

Common Elements: Common elements are those parts of the condominium project other than the individual units and any other real estate for the benefit of unit owners. Although the common elements are owned jointly by all unit owners, those portions of the common elements that are designated as limited common elements (see Section 1.10 below) may be used only by those units to which they are assigned. In addition to the common facilities described in Section 1.8 above, the common elements for this project, as described in the Declaration, are set forth below.
Described in Exhibit "B" .
Described as follows:

Common Element	Number
Elevators	0
Stairways	0
Trash Chutes	0

1.10 Limited Common Elements

Limited Common Elements: A limited common element is a portion of the common elements that is reserved for the exclusive use of one or more but fewer than all units in the project.
Described in Exhibit "C" .
Described as follows: *Note: The land areas referenced in Exhibit "C" are not legally subdivided lots.

1.11 Special Use Restrictions

The Declaration and Bylaws may contain restrictions on the use and occupancy of the units. Restrictions for this project include, but are not limited to, those described below.	
☑	Pets: Animals and pets are permitted pursuant to Art. 10, Sections 10.1 and 10.2 of the Bylaws.
☐	Number of Occupants:
☐	Other:
☐	There are no special use restrictions.

1.12 Encumbrances Against Title

An encumbrance is a claim against or a liability on the property or a document affecting the title or use of the property. Encumbrances may have an adverse effect on the property or your purchase and ownership of a unit in the project. Encumbrances shown may include blanket liens which will be released prior to conveyance of a unit (see Section 5.3 on Blanket Liens).
Exhibit "D" describes the encumbrances against title contained in the title report described below.
Date of the title report: October 24, 2007
Company that issued the title report: Title Guaranty of Hawaii, Inc.

1.13 Uses Permitted by Zoning and Zoning Compliance Matters

1.14 Other Zoning Compliance Matters

Conforming/Non-Conforming Uses, Structures and Lots
In general, a non-conforming use, structure or lot is a use, structure or lot that was lawful at one time but that does not now conform to present zoning requirements. Under present zoning requirements, limitations may apply to extending, enlarging or continuing the non-conformity and to altering and repairing non-conforming structures. In some cases, a non-conforming structure that is destroyed or damaged cannot be reconstructed. If a variance has been granted or if uses, structures or lots are either non-conforming or illegal, the purchaser should consult with county zoning authorities as to possible limitations that may apply in situations such as those described above. A purchaser may not be able to obtain financing or insurance if the condominium project has a non-conforming or illegal use, structure or lot.

	Conforming	Non-Conforming	Illegal
Uses	☑	☐	☐
Structures	☐	☑	☐
Lot	☑	☐	☐

If a non-conforming use, structure or lot exists in this project, this is what will happen under existing laws or codes if the structure is damaged or destroyed:

See pages 18, 18a, and Exhibit "J".

1.15 Conversions

Developer's statements regarding units that may be occupied for residential use and that have been in existence for five years or more.	☑ **Applicable** ☐ **Not Applicable**

Developer's statement, based upon a report prepared by a Hawaii-licensed architect or engineer, describing the present condition of all structural components and mechanical and electrical installations material to the use and enjoyment of the units:

All Units were constructed in 1950. See Architect's Condition Report, dated December 11, 2006, attached hereto as Exhibit "E". Developer adopts this certification stating that all structures and related systems and components have an expected useful life in excess of twenty-five (25) years.

Developer's statement of the expected useful life of each item reported above:

The apparent useful life of each Unit, provided that proper maintenance is applied to the Unit, is in excess of twenty-five (25) years. See Architect's Condition Report, dated December 11, 2006, attached hereto as Exhibit "E".

List of any outstanding notices of uncured violations of any building code or other county regulations:

Estimated cost of curing any violations described above:

Verified Statement from a County Official

Regarding any converted structures in the project, attached as Exhibit F is a verified statement signed by an appropriate county official which states that either:

(A) The structures are in compliance with all zoning and building ordinances and codes applicable to the project at the time it was built, and specifying, if applicable:

(i) Any variances or other permits that have been granted to achieve compliance;

(ii) Whether the project contains any legal nonconforming uses or structures as a result of the adoption or amendment of any ordinances or codes; and

(iii) Any violations of current zoning or building ordinances or codes and the conditions required to bring the structure into compliance;

or

(B) Based on the available information, the county official cannot make a determination with respect to the foregoing matters in (A) above.

3. CREATION OF THE CONDOMINIUM AND CONDOMINIUM DOCUMENTS

A condominium is created by recording in the Bureau of Conveyances (Regular System) or filing in the Office of the Assistant Registrar of the Land Court, or both, a Declaration of Condominium Property Regime, a Condominium Map and the Bylaws of the Association of Unit Owners. The Condominium Property Act (Chapter 514B, HRS), the Declaration, Bylaws and House Rules control the rights and obligations of the unit owners with respect to the project and the common elements, to each other, and to their respective units.

3.1 Declaration of Condominium Property Regime

The Declaration of Condominium Property Regime contains a description of the land, buildings, units, common interests, common elements, limited common elements, and other information relating to the condominium project.

Land Court or Bureau of Conveyances	Date of Document	Document Number
Bureau of Conveyances	March 13, 2007	2007-183778

Amendments to Declaration of Condominium Property Regime

3.2 Bylaws of the Association of Unit Owners

The Bylaws of the Association of Unit Owners govern the operation of the condominium project. They provide for the manner in which the Board of Directors of the Association of Unit Owners is elected, the powers and duties of the Board, the manner in which meetings will be conducted, whether pets are prohibited or allowed and other matters that affect how the condominium project will be governed.

Dates of Recordation of Amendments to the Condominium Map:

3.4 House Rules

The Board of Directors may adopt rules and regulations (commonly called "House Rules") to govern the use and operation of the common elements and limited common elements. House Rules may cover matters such as parking regulations, hours of operation for common facilities such as recreation areas, use of lanais and requirements for keeping pets. These rules must be followed by owners, tenants, and guests. They do not need to be recorded or filed to be effective. The initial House Rules are usually adopted by the Developer. Changes to House Rules do not need to be recorded to be effective.		
The House Rules for this project:		
Are Proposed		☐
Have Been Adopted and Date of Adoption		☐
Developer does not plan to adopt House Rules		☑

3.5 Changes to the Condominium Documents

Changes to Condominium Documents: Changes to the Declaration, Bylaws and Condominium Map are effective only if they are duly adopted and recorded. Where permitted, the minimum percentages of the common interest that must vote for or give written consent to changes to the Declaration, Bylaws and Condominium Map are set forth below. The percentages for any individual condominium project may be more than the minimum set by law if the Declaration or Bylaws for the project so provide.

Document	Minimum Set by Law	This Condominium
Declaration	67%	67%
Bylaws	67%	67%

3.6 Rights Reserved by the Developer to Make Changes to the Condominium Project or Condominium Documents

☑	No rights have been reserved to the Developer to change the Declaration, Bylaws, Condominium Map or House Rules (if any).
☐	Developer has reserved the right to change the Declaration, Bylaws, Condominium Map and House rules (if any) and to add to or merge the project or to develop the project in one or more phases, and such rights are summarized as follows:

4. CONDOMINIUM MANAGEMENT

4.1 Management of the Common Elements

Management of the Common Elements: The Association of Unit Owners is responsible for the management of the common elements and the overall operation of the condominium project. The Association may be permitted, and in some cases may be required, to employ or retain a condominium managing agent to assist the Association in managing the condominium project.

The Initial Condominium Managing Agent for this project is (check one):	
☐	Not affiliated with the Developer
☑	None (self-managed by the Association)
☐	The Developer or an affiliate of the Developer
☐	Other (explain)

4.2 Estimate of the Initial Maintenance Fees

Estimate of the Initial Maintenance Fees: The Association will make assessments against your unit to provide funds for the operation and maintenance of the condominium project. If you are delinquent in paying the assessments, a lien may be placed on your unit and the unit may be sold through a foreclosure proceeding. Initial maintenance fees are difficult to estimate and tend to increase as the condominium ages. Maintenance fees may vary depending on the services provided.
Exhibit ____ contains a breakdown of the estimated annual maintenance fees and the monthly estimated maintenance fee for each unit, certified to have been based on generally accepted accounting principles, with the Developer's statement as to when a unit owner shall become obligated to start paying the unit owner's share of the common expenses.

4.3 Utility Charges to be Included in the Maintenance Fee

If checked, the following utilities are included in the maintenance fee:	
☐	Electricity for the common elements
☐	Gas for the common elements
☐	Water
☐	Sewer
☐	TV cable
☑	Other (specify) None.

4.4 Utilities to be Separately Billed to Unit Owner

If checked, the following utilities will be billed to each unit owner and are not included in the maintenance fee:	
☑	Electricity for the Unit only
☑	Gas for the Unit only
☑	Water
☑	Sewer
☑	TV cable
☐	Other (specify)

5. SALES DOCUMENTS

5.1 Sales Documents Filed with the Real Estate Commission

Sales Documents on file with the Commission include, but are not limited to, the following:	
☑	Specimen Sales Contract Exhibit "G" contains a summary of the pertinent provisions of the sales contract. Including but not limited to any rights reserved by the Developer.
☐	Escrow Agreement dated: September 1, 2007 Name of Escrow Company: Title Guaranty Escrow Services, Inc. Exhibit "H" contains a summary of the pertinent provisions of the escrow agreement.
☐	Other

5.2 Sales to Owner-Occupants

If this project contains three or more residential units, the Developer shall designate at least fifty percent (50%) of the units for sale to Owner-Occupants.

☑	The sales of units in this project are subject to the Owner-Occupant requirements of Chapter 514B.
☑	Developer has designated the units for sale to Owner-Occupants in this report. See Exhibit "I" .
☐	Developer has or will designate the units for sale to Owner-Occupants by publication.

5.3 Blanket Liens

Blanket Liens: A blanket lien is an encumbrance (such as a mortgage) on the entire condominium project or more than one unit that secures some type of monetary debt (such as a loan) or other obligation. Blanket liens (except for improvement district or utility assessments) must be released as to a unit before the developer conveys the unit to a purchaser. The purchaser's interest will be affected if the developer defaults and the lien is foreclosed prior to conveying the unit to the purchaser.

☑	There are no blanket liens affecting title to the individual units.
☐	There are blanket liens that may affect title to the individual units.

Type of Lien	Effect on Purchaser's Interest and Deposit if Developer Defaults or Lien is Foreclosed Prior to Conveyance

5.4 Construction Warranties

Construction Warranties: Warranties for individual units and the common elements, including the beginning and ending dates for each warranty (or the method of calculating them), are as set forth below:

Building and Other Improvements:
None. There are no warranties, express or implied.

Appliances:
None. There are no warranties, express or implied.

5.5 Status of Construction, Date of Completion or Estimated Date of Completion

Status of Construction: Units were constructed in 1950 and partially remodeled in July 2006.
Completion Deadline: If a sales contract for a unit is signed before the construction of the unit has been completed, or, in the case of a conversion, completion of any repairs, does not occur by the completion deadline set forth below, one of the remedies available to a purchaser is a cancellation of the purchaser's sales contract. The sales contract may include a right of the Developer to extend the completion deadline for force majeure as defined in the sales contract. The sales contract may also provide additional remedies for the purchaser.
Completion Deadline for any unit not yet constructed, as set forth in the sales contract: N/A
Completion Deadline for any repairs required for a unit being converted, as set forth in the sales contract: N/A

5.6 Developer's Use of Purchaser Deposits to Pay for Project Construction Costs Before Closing or Conveyance

The Developer is required to deposit all moneys paid by purchasers in trust under a written escrow agreement with a Hawaii licensed escrow depository. Escrow shall not disburse purchaser deposits to the Developer or on behalf of the Developer prior to closing, except if a sales contract is canceled or if Developer has met certain requirements, which are described below.

5.6.1 Purchaser Deposits Will Not Be Disbursed Before Closing or Conveyance

☐	The Developer hereby declares by checking the box to the left that it shall use its own funds to complete the construction of the condominium project by the date indicated in Section 5.5 of this report, and the Developer, pursuant to its own analysis and calculations, certifies that it has sufficient funds to complete the construction of the condominium project. If the box to the left is checked, Sections 5.6.2 and 5.7, which follow below, will not be applicable to the project.

5.6.2 Purchaser Deposits Will Be Disbursed Before Closing

Hawaii law provides that, if certain statutory requirements are met, purchaser deposits in escrow under a binding sales contract may be used before closing to pay for certain project costs. For this project, the Developer indicates that purchaser deposits may be used for the following purposes (check applicable box):	
☐	For new construction: to pay for project construction costs described in the Developer's budget and approved by the Developer's lender or an otherwise qualified, financially disinterested person; or
☐	For conversions: to pay for repairs necessary to cure violations of county zoning and building ordinances and codes, for architectural, engineering, finance and legal fees, and for other incidental expenses.

In connection with the use of purchaser deposits (check Box A or Box B):

Box A ☐	The Developer has submitted all information and documents required by law and the Commission prior to the disbursement of purchaser deposits before closing. This means that the Developer may use such deposits before closing. If the Developer decides not to use purchaser deposits before closing, the Developer does not need to amend this report. If Box A is checked, you should read and carefully consider the following notice, which is required by law: **Important Notice Regarding Your Deposits: Deposits that you make under your sales contract for the purchase of the unit may be disbursed before closing of your purchase to pay for project costs, construction costs, project architectural, engineering, finance, and legal fees, and other incidental expenses of the project. While the developer has submitted satisfactory evidence that the project should be completed, it is possible that the project may not be completed. If your deposits are disbursed to pay project costs and the project is not completed, there is a risk that your deposits will not be refunded to you. You should carefully consider this risk in deciding whether to proceed with your purchase.**
Box B ☐	The Developer has **not** submitted all information and documents required by law and the Commission, and, until all such information and documents are submitted, thus, the Developer cannot use purchaser deposits. If the Developer later submits all information and documents required by law and the Commission for the use of purchaser deposits, then the Developer must provide an amendment to this report or an amended developer's public report to each purchaser who has signed a sales contract. At such time, the **Important Notice Regarding Your Deposits** set forth immediately above will apply to all purchasers and will be restated in the amendment to this report or an amended developer's public report. When an effective date for such an amendment or an amended developer's public report is issued, **you will not have the right to rescind or cancel the sales contract by reason of such submission and amendment**. (This, however, does not affect your right to rescind for material changes or any other right you may have to rescind or cancel the sales contract, as described in Section 5.8 below.) If the Developer decides not to use purchaser deposits before closing, the Developer does not need to amend this report. You should understand that, although the **Important Notice Regarding Your Deposits** set forth above does not currently apply to you, it might apply to you in the future, and, therefore, you should read and carefully consider it now to ensure that you understand the risk involved in deciding whether to proceed with your purchase.

Material House Bond. If the Developer has submitted to the Commission a completion or performance bond issued by a material house instead of a surety as part of the information provided prior to the use of purchaser deposits prior to closing or conveyance of a unit, the Developer shall disclose the same below and disclose the impact of any restrictions on the Developer's use of purchaser deposits.

5.7 Rights Under the Sales Contract

Before signing the sales contract, prospective purchasers should carefully review all documents relating to the project. These include but are not limited to the documents listed below. Items 2, 3 and 4 are made a part of this public report, as well as Item 5, if any, and are being delivered to you with this report.	
1.	**Developer's Public Report**
2.	**Declaration of Condominium Property Regime (and any amendments)**
3.	**Bylaws of the Association of Unit Owners (and any amendments)**
4.	**Condominium Map (and any amendments)**
5.	House Rules, if any
6.	Escrow Agreement
7.	Hawaii's Condominium Property Act (Chapter 514B, HRS, as amended) and Hawaii Administrative Rules (Chapter 16-107, adopted by the Real Estate Commission, as amended), provided that rules and regulations under Chapter 514B have not yet been adopted.
8.	Other:

Copies of the condominium and sales documents and amendments made by the Developer are available for review through the Developer or through the Developer's sales agent, if any. The Condominium Property Regime law (Chapter 514B, HRS) and the Administrative Rules (Chapter 107, HAR), are available online. Please refer to the following sites:

5.8 Purchaser's Right to Cancel or Rescind a Sales Contract

A purchaser's right to cancel a sales contract or to rescind a sales contract may arise under varying circumstances. In the sections below, some circumstances that will give rise to a purchaser's right to cancel or rescind are described, together with what a purchaser must do if the purchaser wishes to exercise any of the rights.

5.8.1 When a Sales Contract becomes Binding and Purchaser's 30-Day Right to Cancel a Sales Contract

A sales contract signed by a purchaser and the developer will not become binding on a purchaser or the Developer until the following events have taken place:

(1) The purchaser has signed the sales contract.

(2) The Developer has delivered to the purchaser a true copy of the developer's public report with an effective date issued by the Commission, together with all amendments to the report as of the date of delivery, and the project's recorded Declaration and Bylaws, House Rules (if any), the Condominium Map and any amendments to them to date (all of which are a part of the developer's public report). If it is impracticable to include a letter-sized Condominium Map, the Developer must provide written notice of an opportunity to examine the Condominium Map.

(3) The Developer has delivered to the purchaser a notice of the purchaser's 30-day cancellation right on a form prescribed by the Commission.

(4) The purchaser does at least one of the following:

(a) Waives the purchaser's right to cancel the sales contract within 30 days from receipt of the notice of the purchaser's 30-day cancellation right; or

(b) Allows the 30-day cancellation period to expire without exercising the right to cancel; or

(c) Closes the purchase of the unit before the 30-day cancellation period expires.

The purchaser or the Developer may cancel the sales contract at any time during the 30-day cancellation period, and the sales contract will be canceled and the purchaser's deposits returned to the purchaser, less any escrow cancellation fee and other costs associated with the purchase, up to a maximum of $250.

5.8.2 Right to Cancel a Sales Contract if Completion Deadline Is Missed

In addition to the purchaser's 30-day cancellation right described in Section 5.8.1 above, when a sales contract is signed before completion of construction of a project, the purchaser will have the right to cancel if the unit is not completed by certain deadlines. In conversion projects, there must be a deadline for completion of any required repairs. Every sales contract shall contain an agreement of the Developer that the completion of construction shall occur on or before the completion deadline, and that completion deadline is set forth in this report in Section 5.5. The sales contract shall provide that the purchaser may cancel the sales contract at any time after the specified completion deadline, if completion of construction does not occur on or before the completion deadline, as the same may have been extended. Upon a cancellation, the purchaser's deposits shall be refunded, less any escrow cancellation fee and other costs associated with the purchase, up to a maximum of $250.00.

5.8.3 Purchaser's Right to Rescind a Binding Sales Contract After a Material Change

If a "material change" in a project occurs after a purchaser has signed a sales contract that has become binding, the purchaser will have a 30-day right to rescind after notification and description of the material change. A material change is defined in the Condominium Property Act to be any change that "directly, substantially and adversely affects the use or value of (1) a purchaser's unit or appurtenant limited common elements; or (2) those amenities of the project available for the purchaser's use."

The purchaser will be informed of the material change by the developer on a form prescribed by the Commission containing a description of the material change.

After notice of the material change, the purchaser may waive the right to rescind by:

(1) Checking the waiver box on the rescission form; or

(2) Letting the 30-day rescission period expire, without taking any action to rescind; or

(3) Closing the purchase of the unit before the 30-day rescission period expires.

The rescission form must be signed by all purchasers of the affected unit and delivered to the developer no later than midnight of the 30th calendar day after the purchasers received the rescission form from the developer. Purchasers who validly exercise the right of rescission shall be entitled to a prompt and full refund of any moneys paid.

A rescission right shall not apply in the event of any additions, deletions, modifications and reservations including, without limitation, the merger or addition or phasing of a project, made pursuant to the terms of the project's Declaration.

These provisions shall not preclude a purchaser from exercising any rescission rights pursuant to a contract for the sale of a unit or any applicable common law remedies.

6. MISCELANEOUS INFORMATION NOT COVERED ELSEWHERE IN THIS REPORT

1. Common Interests. Unit 2 and Unit 3 each shall have appurtenant thereto an undivided twenty-five percent (25%) interest in all common elements of the property, and Unit 1 shall have appurtenant thereto an undivided fifty percent (50%) interest in all common elements of the property, and the same proportionate share in all common profits and common expenses of the property (except as may be otherwise provided in the Declaration or Bylaws) and for all other purposes, including voting. The percentage common interest for each Unit is determined by apportioning a percentage interest to each of the three Units irrespective of the actual land areas appurtenant to each Unit.

2. Contractor. The Units were partially modeled in July 2006 by Developer Michael J. Liberatore who is also a Hawaii-licensed contractor (License No. BC 25742).

3. Insurance. Developer anticipates the Association will elect to permit individual unit owners to obtain and maintain separate policies of fire insurance and name the Association as an additional insured. In such case, fire insurance premiums will be the responsibility of individual unit owners and not common expenses. Prospective purchasers should consult with their own insurance professionals to obtain and estimate for individual fire and hazard insurance.

4. Lead Warning Statement. Pursuant to federal law, 42 U.S.C. 4852(d), the Residential Lead-Based Paint Reduction Act, "[e]very purchaser of any interest in residential real property on which a residential dwelling was built prior to 1978 is notified that such property may present exposure to lead from lead-based paint that may place young children at risk of developing lead poisoning. Lead poisoning in young children may produce permanent neurological damage, including learning disabilities, reduced intelligence quotient, behavior problems, and impaired memory. Lead poisoning also poses a particular risk to pregnant women. The seller of any interest in residential real property is required to provide the buyer with any information on lead-based paint hazards from risk assessments or inspections in the seller's possession and notify the buyer of any known lead-based paint hazards. A risk assessment or inspection for possible lead-based paint is recommended prior to purchase". The Developer discloses that the Developer does not have an assessment or inspection relating to lead-based paint.

5. Mailbox. Each unit has its own mailbox.

6. Maintenance Fees. The Developer believes that there will be no maintenance fees. This is so because all costs of every kind pertaining to each unit and its respective limited common element including, but not limited to, cost of landscaping, maintenance, repair, replacement, and improvement shall be borne entirely by the respective unit owner. All utilities are, and will be separately metered. The Developer believes that the owners would rather treat any repair, maintenance, or replacement, including any maintenance of the common elements, as a special assessment rather than collect and maintain a reserve fund. Based on the foregoing, the Developer has not attached schedule of the breakdown of the annual maintenance fees and the monthly estimated cost for each unit pursuant to section 514B-83(a)(3).

   Developer discloses that no reserve study was done in accordance with Section 514A-83.6, Hawai'i Revised Statues, and replacement reserve rules, Subchapter 6, Title 16, Chapter 107, Hawai'i Administrative Rules, as amended. No reserves are necessary because there are no common elements that require any type of replacement or major repair.

7. Non-conforming structures: All structures in the project were constructed in 1950 when it was legal to do so. The project is located in an R-4 zoning district. As a result of the adoption of the Comprehensive Zoning Ordinance ("CZO") in 1972, and amendments, the project is entitled to one (1) single-family dwelling and one (1) guest cottage or an additional dwelling unit ("ADU"). Under current County law, the ADU is defined as the "second" of the single-family dwellings to be constructed on the property; the first single-family dwelling to be constructed will be considered by the County as the "primary" single-family dwelling authorized to be constructed on the property.

Presently, the existing three (3) dwellings constitute a legal, pre-existing non-conforming use, as all structures were lawfully permitted at the time of construction approximately 57 years ago.

Unit 1:
Unit 1 is hereby designated as the "primary" single-family dwelling authorized to be constructed on the property now and in the future.

Unit 3:
The project is entitled to one (1) guest house or an ADU. Current County ordinances may allow for an ADU in lieu of the guest cottage if such Unit qualifies for one. In the event the dwelling on Unit 3 no longer qualifies as a non-conforming structure or is demolished or cannot be reconstructed under current County law, then the right to construct the guest house is assigned to Unit 3.

In other words, if the dwelling on Unit 3 is destroyed, Unit 3 may build a guest cottage or possibly an ADU in lieu of the guest cottage.

Unit 2:
Under current law, a non-conforming building or structure that is damaged or destroyed may not be reconstructed other than in accordance with the provisions of the CZO unless the cost of reconstruction does not exceed fifty percent (50%) of the replacement cost of the building or structure prior to the damage having occurred, exclusive of foundations. Where reconstruction is permissible, reconstruction shall be completed within one (1) year from the date of damage or destruction and the building as reconstructed shall have no greater floor area than it had prior to being damaged. Where reconstruction is permitted, failure to restore or reconstruct the building as provided in the CZO, Article 23, Section 8-23.1, the right to use the building as a residence may be lost. See Exhibit "J" for portions of Chapter 8, Article 23, Section 8-23.1 of the CZO (Non-conforming Buildings and Structures).

Where reconstruction is prohibited, the remaining portion of the structure must be removed or brought into conformity with the current CZO. In other words, in the event of total destruction, the existing dwelling on Unit 2 cannot be rebuilt.

A prospective purchaser of the Project should consult with County of Kaua'i Planning Department authorities regarding any questions about Paragraphs 1 and 2. A buyer should be aware that the regulations and/or requirements, including the CZO, that are currently in effect and being administered by the Department are subject to change.

8. Real Estate Broker. Pursuant to sections 16-99-3(g) and 16-99-11(d), Hawaii Administrative Rules, prospective purchasers are hereby advised that the following owners of the property have an active Hawaii real estate license: Terry P. Kamen (RB-13764) and Kelly J. Liberatore (RB-17674). Moreover, Terry P. Kamen is this Project's Developer and Broker. Pursuant to section 16-99-11(c), Hawaii Administrative Rules, no licensee shall be allowed to advertise "For Sale by Owner," "For Rent by Owner," "For Lease by Owner," or "For Exchange by Owner." See also Exhibit "K".

9. Real Estate Salesperson. Prospective purchasers are hereby advised that the following owner of the property has an active Hawaii real estate license: Helene Kamen (RS-51935). Pursuant to section 16-99-11(c), Hawaii Administrative Rules, no licensee shall be allowed to advertise "For Sale by Owner," "For Rent by Owner," "For Lease by Owner," or "For Exchange by Owner."

10. Uses. All of the units in the Project are to be used for permitted residential uses only. No units shall be used for transient, hotel, or timeshare purposes. There will be no commercial use except those activities permitted by County ordinance.

11. Utilities. Each unit is responsible for the costs associated with installing its own utilities.

12. Warranties. None.

13. Wastewater. Each Unit is connected to the County public sewer system.

14. Water. Presently, there is a County public water system available to the Project. Each Unit has its own individual water meter.

15. Zoning. The Developer certifies that the Project is zoned R-4 by the County of Kauai. Except as limited specifically by the condominium documents, all uses permitted in the agricultural and open zones are permitted. Uses in one zone are not the same as in the other, and a prospective purchaser should consult with the appropriate County agency for information on uses and construction in the respective zones.

The Developer declares subject to the penalties set forth in Section 514B-69, HRS, that this project conforms to the existing underlying county zoning for the project, zoning and building ordinances and codes and all applicable permitting requirements adopted by the county in which the project is located, all in accordance with Sections 514B-5 and 32(a)(13), HRS.

For any conversion, if any variances have been granted, they are specified in Section 1.14 of this report, and, if purchaser deposits are to be used by the Developer to cure any violations of zoning, permitting requirements or rules of the county in which the project is located, the violation is specified in Section 1.15 of this report, along with the requirements to cure any violation, and Section 5.5 specifies the date by which the cure will be completed.

The Developer hereby certifies that all the information contained in this report and the exhibits attached to this report and all documents to be furnished by the Developer to purchasers concerning the project have been reviewed by the Developer and are, to the best of the Developer's knowledge, information and belief, true, correct and complete. The Developer hereby agrees promptly to amend this report to report and include either or all material facts, material or pertinent changes to any information contained in or omitted from this report and to file annually a report to update the material contained in this report at least 30 days prior to the anniversary date of the effective date of this report.

Description of Units

The fee simple Project consists of consists of a total of three (3) Units, designated as Unit 1, Unit 2, and Unit 3. There are a total of three (3) buildings in the Project. Each building is a one-story residential dwelling without basement.

Units 1, 2, and 3 are located as shown on the Condominium Map.

1. Unit 1. Unit 1 consists of one freehold estate consisting of one (1) existing building. The building is a one-story single-family residential dwelling, without basement (shown as Residential Dwelling on the Condominium Map) of Unit 1. This building has plywood siding with metal roofing, and contains a living room, kitchen, dining room, three (3) bedrooms, two (2) baths, laundry, and a covered lanai. The net living area of the residential dwelling of Unit 1 is approximately 1,135 square feet. The covered lanai/steps are approximately 274 square feet. Parking for at least two (2) vehicles is available anywhere within the Limited Common Element land area.

2. Unit 2. Unit 2 consists of one freehold estate consisting of one (1) existing building. The building is a one-story single-family residential dwelling, without basement (shown as Residential Dwelling on the Condominium Map) of Unit 2. This building has plywood siding with metal roofing, and contains a living room, kitchen, two (2) bedrooms, two (2) baths, laundry, and a covered lanai. The net living area of the residential dwelling of Unit 2 is approximately 617 square feet. The covered lanai/steps are approximately 263 square feet. Parking for at least two (2) vehicles is available anywhere within the Limited Common Element land area.

3. Unit 3. Unit 3 consists of one freehold estate consisting of one (1) existing building. The building is a one-story single-family residential dwelling, without basement (shown as Residential Dwelling on the Condominium Map) of Unit 3. This building has plywood siding with metal roofing, and contains a living room, kitchen, two (2) bedrooms, two (2) baths, and a covered lanai. The net living area of the residential dwelling of Unit 3 is approximately 683 square feet. The covered lanai/steps are approximately 178 square feet. Parking for at least two (2) vehicles is available anywhere within the Limited Common Element land area.

The approximate net floor areas of each unit as set forth above is measured from the interior surface of the unit perimeter walls and includes all of the walls and partitions within its perimeter walls.

Common Elements

1. the Land in fee simple;

2. all commonly used present or future ducts, electrical equipment, wiring, pipes, and other central and appurtenant installations over, under, and across the Project for services such as cable, gas, irrigation, light, power, sewerage, telecommunications equipment, telephone, and similar utilities that services more than one (1) Unit and any easements for such utility services;

3. the common easements for drainage and all common and shared installations for underground utilities including electricity, water, sewer, telephone, and cable television that run upon and under the Limited Common Elements or Common Elements, if any; and

4. all other parts of the Project existing for the common use or necessary to the existence, maintenance, and safety of the Project including any easements for utilities.

End of Exhibit "B"

Exhibit "C"

Limited Common Elements

The limited common elements appurtenant to each unit consist of the portion hereby designated, set aside, and reserved for the exclusive use of that unit are shown on the Condominium Map and include:

1. Unit 1. The land area surrounding and under Unit 1 is a Limited Common Element of Unit 1 and is for the exclusive use of Unit 1 and consists of approximately 5,898 square feet including together with a perpetual non-exclusive easement for access and utility purposes affecting Lot 13, Yokotake Tract per Document No. 2005-025367 and also together with a five (5) feet wide Easement "S-1" for sanitary sewer purposes affecting Unit 2 that is approximately 119 square feet; however, subject to a five (5) feet wide Easement "U-2" for existing underground waterline purposes that is approximately 421 square feet in favor of Units 2 and 3, as shown on the Condominium Map. Unit 1 has its own water meter, which is a Limited Common Element of Unit 1. The Unit is connected to the public sewer system provided by the County of Kauai (County), Division of Waste Water Management, Department of Public Works.

2. Unit 2. The land area surrounding and under Unit 2 is a Limited Common Element of Unit 2 and is for the exclusive use of Unit 2 and consists of approximately 3,566 square feet including together with a perpetual non-exclusive easement for access and utility purposes affecting Lot 13, Yokotake Tract per Document No. 2005-025367 and also together with a five (5) feet wide Electrical Easement affecting Unit 3 that is approximately 119 square feet, and together with a five (5) feet wide Easement "U-2" for existing underground waterline purposes affecting Unit 1 and that is approximately 421 square feet; however, subject to a five (5) feet wide Easement for Sanitary Sewer purposes in favor of Unit 1 and that is approximately 119 square feet, and also subject to a five (5) feet wide Easement "U-3" for underground waterline purposes in favor of Unit 3 and that is approximately 224 square feet, as shown on the Condominium Map. Unit 2 has its own water meter, which is a Limited Common Element of Unit 2. The Unit is connected to the public sewer system provided by the County Division of Waste Water Management, Department of Public Works.

3. Unit 3. The land area surrounding and under Unit 3 is a Limited Common Element of Unit 3 and is for the exclusive use of Unit 3 and consists of approximately 3,451 square feet including together with a perpetual non-exclusive easement for access and utility purposes affecting Lot 13, Yokotake Tract per Document No. 2005-025367, together with a five (5) feet wide Easement "U-2" for underground waterline purposes affecting Unit 1 and that is approximately 421 square feet; and together with a five (5) feet wide Easement "U-3" for underground waterline purposes affecting Unit 2 and that is approximately 224 square feet; however, subject to a five (5) feet wide Electrical Easement in favor of Unit 2 and that is approximately 119 square feet, as shown on the Condominium Map. Unit 3 has its own water meter, which is a Limited Common Element of Unit 3. The Unit is connected to the public sewer system provided by the County Division of Waste Water Management, Department of Public Works.

Any fences, walls, or utility systems or lines that are located within the limited common land area and which services or benefits only one (1) unit shall be deemed a limited common element of such unit.

Summary of Sales Contract

The Seller intends to use the standard form HAR Purchase Contract form (2007) for the sale of the units of the Project ("Sales Contract") which will contain the purchase price and other terms and conditions under which a Purchaser will agree to buy a unit in the Project. Among other things, the Sales Contract:

1. Provides a section of financing to be completed and agreed to by the parties which will set forth how Purchaser will pay the purchase price.

2. Provides that Purchaser will not receive interest on deposits made under the Sales Contract.

3. Identities the escrow agent and states that Purchaser's money will be held in escrow under the terms of the Escrow Agreement.

4. Purchaser acknowledges having received and read the Public Report for the Project prior to signing the Sales Contract.

5. Provides a section of closing to be completed and agreed to by the parties which will set forth that Purchaser must close the purchase on or before a certain date and pay Purchaser's share of closing costs in addition to the purchase price.

6. Provides for the allocation of payment of closing costs.

7. Provides remedies, in the event of default under the Sales Contract.

8. The Sales Contract contains various other important provisions relating to the purchase of a unit in the Project. It is incumbent upon purchasers and prospective purchasers to read them with care.

Exhibit "H"

Summary of Escrow Agreement

The Escrow Agreement ("Agreement") sets up an arrangement under which the deposits that a Buyer makes under a sales contract with Seller will be held by a neutral party ("Escrow"). Escrow is TITLE GUARANTY ESCROW SERVICES, INC. Under the Agreement (which may be modified or otherwise limited by provisions not summarized), these things will or may happen:

1. Whenever Seller enters into a sales contract for the sale of a unit, Seller will require that payments due under the sales contract be made to Escrow and will deliver an executed copy of the sales contract to Escrow.

2. Escrow will receive payments under the sales contract and sums received from any other source with respect to the project. Funds held under the Agreement will be deposited in an account for the project. Interest on all funds will be paid to Buyer.

3. Escrow will release from the trust fund and disburse Buyer's funds at closing, unless: (a) Buyer has elected to exercise Buyer's right to cancel the sales contract pursuant to Section 514B-86, Hawaii Revised Statutes (HRS) or right to rescind sales contract pursuant to Section 514B-87, HRS, and receive all funds paid, without deduction; or (b) the Real Estate Commission of the State of Hawaii (Real Estate Commission) has not issued an effective date for the Public Report on the project or the requirements of the sales contract have not been met; or (c) Seller has not satisfied Escrow that all other requirements of HRS have been met.

4. Escrow will return deposited sums to the Buyer without interest if Seller and Buyer give Escrow written notice to return the funds to Buyer, if there is a right to cancellation or rescission and refund of monies under the sales contract or otherwise. In the event of a cancellation as a matter of agreement or right, Buyer's funds shall be returned to Buyer less Escrow's cancellation fee, if any, and all other costs incurred in connection with the Escrow up to a maximum of $250.00.

5. In the event of default by the Buyer, Buyer may forfeit his or her deposit, which will be paid to the Seller, less any cancellation fees charged by Escrow.

6. Escrow will arrange for and supervise the signing of all documents which are to be signed subsequent to and contemplated by the sales contract.

7. As Escrow's compensation for its performance under this Agreement, Escrow will receive its scheduled rate, plus tax, for each unit for which a unit deed of the project is handled by Escrow and recorded in the Bureau of Conveyances of the State of Hawaii. Escrow will record all applicable documents. The cost of title insurance will be an additional amount, based upon schedule rate.

SPECIAL NOTICE: THE ABOVE SUMMARY IS NOT INTENDED TO BE A THOROUGH EXPLANATION OF ALL TERMS AND PROVISIONS CONTAINED IN THE AGREEMENT. WHILE ONE CAN USE THIS SUMMARY AS A GENERAL SUMMARY OF THE AGREEMENT, ONE MUST REFER TO THE ACTUAL AGREEMENT TO DETERMINE THE RIGHTS AND OBLIGATIONS OF THE PARTIES. IF ANY CONFLICT OR DIFFERENCE EXISTS BETWEEN THIS SUMMARY AND THE AGREEMENT, THE AGREEMENT WILL CONTROL.

(Page 1 of 1)

SECTION 4. Chapter 8, Article 23, Section 8-23.1 and 8-23.2 of the Kauai County Code 1987 as amended, is hereby amended as follows:

"Section 8-23.1 Non-Conforming Buildings and Structures.

(a) Buildings and structures that do not conform to the regulations established by this Chapter and which lawfully existed prior to or on September 1, 1972 or any subsequent amendment may be maintained, transferred and sold, provided that the Planning Commission may, after hearing, order the termination of a non-conforming use that creates substantial danger to public health or safety.

(b) Any nonconforming structure, except as otherwise regulated, may be repaired, maintained, or altered in any manner which does not increase nonconformity. Any nonconforming structure, except as otherwise regulated, may be enlarged or expanded provided that any enlargement or addition shall conform to the regulations for the district in which is it located.

(c) A non-conforming building or structure that is damaged or destroyed may not be reconstructed other than in accordance with the provisions of this Chapter unless the cost of reconstruction does not exceed fifty per cent (50%) of the replacement cost of the building or structure prior to the damage having occurred. Where reconstruction is permissible, reconstruction shall be completed within one (1) year from the date of damage or destruction and the building as reconstructed shall have no greater floor area than it had prior to being damaged. Where reconstruction is prohibited, the remaining portion of the non-conforming building or structure shall be removed or brought into conformity with the requirements of this Chapter. The Department of Public Works shall determine the extent of damage to determine whether the building may be restored.

(d) Except as otherwise provided in this section, no nonconforming structure that is voluntarily razed or required to be razed by the owner thereof may thereafter be restored except in full conformity with the provisions of this chapter.

(e) Any business building located on a lot of less than six thousand (6,000) square feet in a business district may be rebuilt to its existing size subject to the condition that the front setback line shall be enforced and the building size decreased to provide for the setback.
