This report has been prepared pursuant to the Condominium Property Act, Chapter 514B, Hawaii Revised Statutes, as amended from time to time. The law defines "material facts" to mean "any fact, defect, or condition, past or present that to a reasonable person, would be expected to measurably affect the value of the project, unit, or property being offered or proposed to be offered for sale."

This report has not been prepared or issued by the Real Estate Commission or any other governmental agency. The issuance by the Commission of an effective date for this Developer's Public Report (1) does not mean that the Commission approves or disapproves of the project; (2) does not mean that the Commission thinks that either all material facts or all pertinent changes, or both, about the project have been fully or adequately disclosed; and (3) is not the Commission's judgment of the value or merits of the project.

This report may be used by the Developer for promotional purposes only if it is used in its entirety. No person shall advertise or represent that the Commission has approved or recommended the project, this report or any of the documents submitted with Developer's application for registration of this project.

This report will be amended if, after the effective date of this report, any changes, either material or pertinent changes, or both, occur regarding the information contained in or omitted from this report. In addition, the Developer may choose at any time to change or update the information in this report. Annually, at least thirty days prior to the anniversary date of the Effective Date of this report, the Developer shall file an annual report to update the material contained in this report. If there are no changes, the Developer is required to state that there are no changes. The Developer's obligation to amend this report or to file annual reports ends when the initial sales of all units in the project have been completed.

Purchasers are encouraged to read this report carefully and to seek professional advice before signing a sales contract for the purchase of a unit in the project.

Signing a sales contract may legally bind a purchaser to purchase a unit in the project, though a purchaser may have rights to cancel or rescind a sales contract under particular circumstances that may arise.

## **SPECIAL ATTENTION**

[Use this page for special or significant matters which should be brought to the purchaser's attention and that are not covered elsewhere in this report.]

The 84-885 Hana Street project is a CONDOMINIUM PROJECT, NOT a subdivision. The land area beneath and immediately appurtenant to each unit is designated a LIMITED COMMON ELEMENT appurtenant to the unit and is NOT a legally subdivided lot. The boundaries of each limited common element land area, as shown on the Condominium Map, are for illustrative purposes and should not be construed to be the property lines of legally subdivided lots.

The documents which will create the condominium project described in this Developer's Public Report, which are the Declaration of Condominium Property Regime of 84-885 Hana Street, the Bylaws of the Association of Unit Owners of 84-885 Hana Street and the Condominium Map, have not yet been recorded in the Record Office. When these documents have been recorded, this Developer's Public Report will be amended. No sales contract will be binding upon a purchaser until the condominium documents have been recorded, a copy of the amended report and all documents required by law have been delivered to the purchaser and the notice of the purchaser's 30-day right to cancel the sales contract has also been delivered to the purchaser.

## **General Information On Condominiums**

A condominium is a special form of ownership of real property. To create a condominium in Hawaii after July 1, 2006, the Condominium Property Act, Chapter 514B, Hawaii Revised Statutes, must be followed. In addition, certain requirements and approvals of the county in which the project is located must be satisfied and obtained.

Some condominium projects are leasehold. This means that the land and/or the building(s) and other improvements are leased to the purchaser. The lease for the land usually requires that at the end of the lease term, the lessees (unit owners) deliver their interest in the land to the lessor (fee property owner).

If you are a typical condominium unit owner, you will have two kinds of ownership: (1) ownership in your individual unit; and (2) a percentage interest in the common elements.

You will be entitled to exclusive ownership and possession of your unit. Subject to the documents governing them, condominium units may be individually bought, sold, rented, mortgaged or encumbered, and may be disposed of by will, gift or operation of law.

Your unit will, however, be part of the group of units that comprise the condominium project. Study the project's Declaration of Condominium Property Regime, Bylaws of the Association of Unit Owners, Condominium Map and House Rules, if any, which are being concurrently delivered to you with this report. These documents contain important information on the use and occupancy of the units and the common elements of the project, as well as the rules and regulations of conduct for unit owners, tenants and guests.

### **Operation of the Condominium Project**

The Association of Unit Owners is the entity through which unit owners may take action with regard to the administration, management and operation of the condominium project. Each unit owner is automatically a member of the Association.

The Board of Directors is the governing body of the Association. Unless you serve as a board member or an officer, or are on a committee appointed by the board, your participation in the administration and operation of the condominium project will in most cases be limited to your right to vote as a unit owner. The Board and officers can take certain actions without the vote of the unit owners. For example, the Board may hire and fire employees, increase or decrease maintenance fees, adopt budgets for revenues, expenses and reserves and regulate the use, maintenance, repair and replacement of common elements. Some of these actions may significantly impact the unit owners.

Until there is a sufficient number of purchasers of units to elect a majority of the Board, it is likely at first that the Developer will effectively control the affairs of the Association. It is frequently necessary for the Developer to do so during the early stages of development and the Developer may reserve certain special rights to do so in the Declaration and Bylaws. Prospective purchasers should understand that it is important to all unit owners that the transition of control from the Developer to the unit owners be accomplished in an orderly manner and in a spirit of cooperation.

### 3. CREATION OF THE CONDOMINIUM AND CONDOMINIUM DOCUMENTS

A condominium is created by recording in the Bureau of Conveyances (Regular System) or filing in the Office of the Assistant Registrar of the Land Court, or both, a Declaration of Condominium Property Regime, a Condominium Map and the Bylaws of the Association of Unit Owners. The Condominium Property Act (Chapter 514B, HRS), the Declaration, Bylaws and House Rules control the rights and obligations of the unit owners with respect to the project and the common elements, to each other, and to their respective units.

#### 3.1 Declaration of Condominium Property Regime

The Declaration of Condominium Property Regime contains a description of the land, buildings, units, common interests, common elements, limited common elements, and other information relating to the condominium project.

Land Court or Bureau of Conveyances	Date of Document	Document Number
To be recorded.		

#### Amendments to Declaration of Condominium Property Regime

Land Court or Bureau of Conveyances	Date of Document	Document Number

#### 3.2 Bylaws of the Association of Unit Owners

The Bylaws of the Association of Unit Owners govern the operation of the condominium project. They provide for the manner in which the Board of Directors of the Association of Unit Owners is elected, the powers and duties of the Board, the manner in which meetings will be conducted, whether pets are prohibited or allowed and other matters that affect how the condominium project will be governed.

Land Court or Bureau of Conveyances	Date of Document	Document Number
To be recorded.		

#### Amendments to Bylaws of the Association of Unit Owners

#### 3.3 Condominium Map

The Condominium Map contains a site plan and floor plans, elevations and layout of the condominium project. It also shows the floor plan, unit number and dimensions of each unit.

Land Court Map Number	
Bureau of Conveyances Map Number	To be recorded.
Dates of Recordation of Amendments to the Condominium Map:	

**3.4 House Rules**

The Board of Directors may adopt rules and regulations (commonly called "House Rules") to govern the use and operation of the common elements and limited common elements. House Rules may cover matters such as parking regulations, hours of operation for common facilities such as recreation areas, use of lanais and requirements for keeping pets. These rules must be followed by owners, tenants, and guests. They do not need to be recorded or filed to be effective. The initial House Rules are usually adopted by the Developer. Changes to House Rules do not need to be recorded to be effective.

The House Rules for this project:		
Are Proposed		<input type="checkbox"/>
Have Been Adopted and Date of Adoption		<input type="checkbox"/>
Developer does not plan to adopt House Rules		<input checked="" type="checkbox"/>

**3.5 Changes to the Condominium Documents**

Changes to Condominium Documents: Changes to the Declaration, Bylaws and Condominium Map are effective only if they are duly adopted and recorded. Where permitted, the minimum percentages of the common interest that must vote for or give written consent to changes to the Declaration, Bylaws and Condominium Map are set forth below. The percentages for any individual condominium project may be more than the minimum set by law if the Declaration or Bylaws for the project so provide.

Document	Minimum Set by Law	This Condominium
Declaration	67%	67%
Bylaws	67%	67%

**3.6 Rights Reserved by the Developer to Make Changes to the Condominium Project or Condominium Documents**

<input type="checkbox"/>	No rights have been reserved to the Developer to change the Declaration, Bylaws, Condominium Map or House Rules (if any).
<input checked="" type="checkbox"/>	<p>Developer has reserved the right to change the Declaration, Bylaws, Condominium Map and House rules (if any) and to add to or merge the project or to develop the project in one or more phases, and such rights are summarized as follows:</p> <p>See Exhibit H.</p>

## 4. CONDOMINIUM MANAGEMENT

### 4.1 Management of the Common Elements

<u>Management of the Common Elements:</u> The Association of Unit Owners is responsible for the management of the common elements and the overall operation of the condominium project. The Association may be permitted, and in some cases may be required, to employ or retain a condominium managing agent to assist the Association in managing the condominium project.	
The Initial Condominium Managing Agent for this project is (check one):	
<input type="checkbox"/>	Not affiliated with the Developer
<input checked="" type="checkbox"/>	None (self-managed by the Association)
<input type="checkbox"/>	The Developer or an affiliate of the Developer
<input type="checkbox"/>	Other (explain)

### 4.2 Estimate of the Initial Maintenance Fees

<u>Estimate of the Initial Maintenance Fees:</u> The Association will make assessments against your unit to provide funds for the operation and maintenance of the condominium project. If you are delinquent in paying the assessments, a lien may be placed on your unit and the unit may be sold through a foreclosure proceeding. Initial maintenance fees are difficult to estimate and tend to increase as the condominium ages. Maintenance fees may vary depending on the services provided.
Exhibit I _____ contains a breakdown of the estimated annual maintenance fees and the monthly estimated maintenance fee for each unit, certified to have been based on generally accepted accounting principles, with the Developer's statement as to when a unit owner shall become obligated to start paying the unit owner's share of the common expenses.

### 4.3 Utility Charges to be Included in the Maintenance Fee

If checked, the following utilities are included in the maintenance fee:	
<input type="checkbox"/>	Electricity for the common elements
<input type="checkbox"/>	Gas for the common elements
<input type="checkbox"/>	Water
<input type="checkbox"/>	Sewer
<input type="checkbox"/>	TV cable
<input type="checkbox"/>	Other (specify)

### 4.4 Utilities to be Separately Billed to Unit Owner

If checked, the following utilities will be billed to each unit owner and are not included in the maintenance fee:	
<input checked="" type="checkbox"/>	Electricity for the Unit only
<input checked="" type="checkbox"/>	Gas for the Unit only
<input type="checkbox"/>	Water *
<input checked="" type="checkbox"/>	Sewer
<input checked="" type="checkbox"/>	TV cable
<input type="checkbox"/>	Other (specify)

\*Currently, there is only one county water meter for the project. Until such time as each unit has its own county water meter, Unit A will be periodically billed by the Department of Water Supply for the total water usage by Units A and B for the billing period. The Owners of Units A and B will determine an amount, based on actual water usage, of the payment to be made by Unit B to Unit A for its share of the water bill. The Owners of Units A and B will periodically, i.e., at least quarterly, reconcile the amounts paid by the Owner of Unit B against Unit B's actual water usage.

**5.6 Developer's Use of Purchaser Deposits to Pay for Project Construction Costs Before Closing or Conveyance**

The Developer is required to deposit all moneys paid by purchasers in trust under a written escrow agreement with a Hawaii licensed escrow depository. Escrow shall not disburse purchaser deposits to the Developer or on behalf of the Developer prior to closing, except if a sales contract is canceled or if Developer has met certain requirements, which are described below.

**5.6.1 Purchaser Deposits Will Not Be Disbursed Before Closing or Conveyance**

<input type="checkbox"/>	The Developer hereby declares by checking the box to the left that it shall use its own funds to complete the construction of the condominium project by the date indicated in Section 5.5 of this report, and the Developer, pursuant to its own analysis and calculations, certifies that it has sufficient funds to complete the construction of the condominium project. If the box to the left is checked, Sections 5.6.2 and 5.7, which follow below, will not be applicable to the project.
--------------------------	---

**5.6.2 Purchaser Deposits Will Be Disbursed Before Closing**

Hawaii law provides that, if certain statutory requirements are met, purchaser deposits in escrow under a binding sales contract may be used before closing to pay for certain project costs. For this project, the Developer indicates that purchaser deposits may be used for the following purposes (check applicable box):	
<input type="checkbox"/>	For new construction: to pay for project construction costs described in the Developer's budget and approved by the Developer's lender or an otherwise qualified, financially disinterested person; or
<input type="checkbox"/>	For conversions: to pay for repairs necessary to cure violations of county zoning and building ordinances and codes, for architectural, engineering, finance and legal fees, and for other incidental expenses.

In connection with the use of purchaser deposits (check Box A or Box B):

<p><b>Box A</b></p> <p><input type="checkbox"/></p>	<p>The Developer has submitted all information and documents required by law and the Commission prior to the disbursement of purchaser deposits before closing. This means that the Developer may use such deposits before closing. If the Developer decides not to use purchaser deposits before closing, the Developer does not need to amend this report.</p> <p>If Box A is checked, you should read and carefully consider the following notice, which is required by law:</p> <p><b><u>Important Notice Regarding Your Deposits: Deposits that you make under your sales contract for the purchase of the unit may be disbursed before closing of your purchase to pay for project costs, construction costs, project architectural, engineering, finance, and legal fees, and other incidental expenses of the project. While the developer has submitted satisfactory evidence that the project should be completed, it is possible that the project may not be completed. If your deposits are disbursed to pay project costs and the project is not completed, there is a risk that your deposits will not be refunded to you. You should carefully consider this risk in deciding whether to proceed with your purchase.</u></b></p>
<p><b>Box B</b></p> <p><input type="checkbox"/></p>	<p>The Developer has <b><u>not</u></b> submitted all information and documents required by law and the Commission, and, until all such information and documents are submitted, thus, the Developer cannot use purchaser deposits.</p> <p>If the Developer later submits all information and documents required by law and the Commission for the use of purchaser deposits, then the Developer must provide an amendment to this report or an amended developer's public report to each purchaser who has signed a sales contract. At such time, the <b><u>Important Notice Regarding Your Deposits</u></b> set forth immediately above will apply to all purchasers and will be restated in the amendment to this report or an amended developer's public report. When an effective date for such an amendment or an amended developer's public report is issued, <b><u>you will not have the right to rescind or cancel the sales contract by reason of such submission and amendment.</u></b> (This, however, does not affect your right to rescind for material changes or any other right you may have to rescind or cancel the sales contract, as described in Section 5.8 below.) If the Developer decides not to use purchaser deposits before closing, the Developer does not need to amend this report.</p> <p>You should understand that, although the <b><u>Important Notice Regarding Your Deposits</u></b> set forth above does not currently apply to you, it might apply to you in the future, and, therefore, you should read and carefully consider it now to ensure that you understand the risk involved in deciding whether to proceed with your purchase.</p>

**Material House Bond.** If the Developer has submitted to the Commission a completion or performance bond issued by a material house instead of a surety as part of the information provided prior to the use of purchaser deposits prior to closing or conveyance of a unit, the Developer shall disclose the same below and disclose the impact of any restrictions on the Developer's use of purchaser deposits.

## 5.8 Purchaser's Right to Cancel or Rescind a Sales Contract

A purchaser's right to cancel a sales contract or to rescind a sales contract may arise under varying circumstances. In the sections below, some circumstances that will give rise to a purchaser's right to cancel or rescind are described, together with what a purchaser must do if the purchaser wishes to exercise any of the rights.

### 5.8.1 When a Sales Contract becomes Binding and Purchaser's 30-Day Right to Cancel a Sales Contract

A sales contract signed by a purchaser and the developer will not become binding on a purchaser or the Developer until the following events have taken place:

(1) The purchaser has signed the sales contract.

(2) The Developer has delivered to the purchaser a true copy of the developer's public report with an effective date issued by the Commission, together with all amendments to the report as of the date of delivery, and the project's recorded Declaration and Bylaws, House Rules (if any), the Condominium Map and any amendments to them to date (all of which are a part of the developer's public report). If it is impracticable to include a letter-sized Condominium Map, the Developer must provide written notice of an opportunity to examine the Condominium Map.

(3) The Developer has delivered to the purchaser a notice of the purchaser's 30-day cancellation right on a form prescribed by the Commission.

(4) The purchaser does at least one of the following:

(a) Waives the purchaser's right to cancel the sales contract within 30 days from receipt of the notice of the purchaser's 30-day cancellation right; or

- (b) Allows the 30-day cancellation period to expire without exercising the right to cancel; or
- (c) Closes the purchase of the unit before the 30-day cancellation period expires.

The purchaser or the Developer may cancel the sales contract at any time during the 30-day cancellation period, and the sales contract will be canceled and the purchaser's deposits returned to the purchaser, less any escrow cancellation fee and other costs associated with the purchase, up to a maximum of \$250.

### **5.8.2 Right to Cancel a Sales Contract if Completion Deadline Is Missed**

In addition to the purchaser's 30-day cancellation right described in Section 5.8.1 above, when a sales contract is signed before completion of construction of a project, the purchaser will have the right to cancel if the unit is not completed by certain deadlines. In conversion projects, there must be a deadline for completion of any required repairs. Every sales contract shall contain an agreement of the Developer that the completion of construction shall occur on or before the completion deadline, and that completion deadline is set forth in this report in Section 5.5. The sales contract shall provide that the purchaser may cancel the sales contract at any time after the specified completion deadline, if completion of construction does not occur on or before the completion deadline, as the same may have been extended. Upon a cancellation, the purchaser's deposits shall be refunded, less any escrow cancellation fee and other costs associated with the purchase, up to a maximum of \$250.00.

### **5.8.3 Purchaser's Right to Rescind a Binding Sales Contract After a Material Change**

If a "material change" in a project occurs after a purchaser has signed a sales contract that has become binding, the purchaser will have a 30-day right to rescind after notification and description of the material change. A material change is defined in the Condominium Property Act to be any change that "directly, substantially and adversely affects the use or value of (1) a purchaser's unit or appurtenant limited common elements; or (2) those amenities of the project available for the purchaser's use."

The purchaser will be informed of the material change by the developer on a form prescribed by the Commission containing a description of the material change.

After notice of the material change, the purchaser may waive the right to rescind by:

- (1) Checking the waiver box on the rescission form; or
- (2) Letting the 30-day rescission period expire, without taking any action to rescind; or
- (3) Closing the purchase of the unit before the 30-day rescission period expires.

The rescission form must be signed by all purchasers of the affected unit and delivered to the developer no later than midnight of the 30<sup>th</sup> calendar day after the purchasers received the rescission form from the developer. Purchasers who validly exercise the right of rescission shall be entitled to a prompt and full refund of any moneys paid.

A rescission right shall not apply in the event of any additions, deletions, modifications and reservations including, without limitation, the merger or addition or phasing of a project, made pursuant to the terms of the project's Declaration.

These provisions shall not preclude a purchaser from exercising any rescission rights pursuant to a contract for the sale of a unit or any applicable common law remedies.

## **6. MISCELLANEOUS INFORMATION NOT COVERED ELSEWHERE IN THIS REPORT**

1. Developer discloses that no reserve study was done in accordance with Hawaii Revised Statutes, Section 514B-148, and the replacement reserve rules, Hawaii Administrative Rules, Title 16, Chapter 107, Subchapter 6, as amended.

2. The specimen Sales Contract provides in part that the buyer understands the units are being sold "as is" and without any warranties. The existence of any defect in the structures or anything installed thereon shall not excuse the buyer's obligation to perform all of his obligations under his/her contract.

3. Lead Warning Statement: Pursuant to federal law, 42 U.S.C. 4852(d), the Residential Lead Based Paint Reduction Act, every purchaser of any interest in residential real property on which a residential dwelling was built prior to 1978 is notified that such property may present exposure to lead from lead-based paint that may place young children at risk of development lead poisoning. Lead poisoning in young children may produce permanent neurological damage, including learning disabilities, reduced intelligence quotient, behavioral problems, and impaired memory. Lead poisoning also poses a particular risk to pregnant women. The seller of any interest in residential real property is required to provide the buyer with any information on lead-based paint hazards from risk assessments or inspections in the seller's possession and notify the buyer of any known lead-based paint hazards. A risk assessment or inspection for possible lead-based paint hazards is recommended prior to purchase.

4. Hawaii has enacted a law requiring sex offenders to register with the Attorney General's office and allowing public access to relevant information regarding sex offenders. A sex offender must provide certain relevant information including the street name and zip code of the sex offender's current and future residence and place of employment. This information is available at the Hawaii Criminal Justice Data Center and at one or more designated police stations in each county. Neither Developer nor any real estate agent is required to obtain information regarding sex offenders.

**The Developer declares subject to the penalties set forth in Section 514B-69, HRS, that this project conforms to the existing underlying county zoning for the project, zoning and building ordinances and codes and all applicable permitting requirements adopted by the county in which the project is located, all in accordance with Sections 514B-5 and 32(a)(13), HRS.**

For any conversion, if any variances have been granted, they are specified in Section 1.14 of this report, and, if purchaser deposits are to be used by the Developer to cure any violations of zoning, permitting requirements or rules of the county in which the project is located, the violation is specified in Section 1.15 of this report, along with the requirements to cure any violation, and Section 5.5 specifies the date by which the cure will be completed.

The Developer hereby certifies that all the information contained in this report and the exhibits attached to this report and all documents to be furnished by the Developer to purchasers concerning the project have been reviewed by the Developer and are, to the best of the Developer's knowledge, information and belief, true, correct and complete. a. Except as otherwise provided in this Declaration, restoration, repair or replacement of the Project or of any building or other facility or construction of any additional building or structural alteration or addition to any structure within the Common Elements of the Project different in any material respect from the Condominium Map (the "Proposed Alterations") shall be undertaken by the Association or any Unit Owner(s) only pursuant to an amendment of this Declaration, duly executed by or pursuant to the approval or written consent of Unit Owners holding at least sixty-seven percent (67%) of the total Common Interests of the Project, together with the approval or written consent of (i) all Unit Owners whose Unit or Limited Common Elements appurtenant thereto are directly affected (as determined in a reasonable manner by the Board) by the Proposed Alterations; and (ii) the holders of first mortgage liens encumbering any Unit directly affected by the Proposed Alterations (if the lienholders require such approval).

Dear Ms. Misawa:

Subject: Condominium Conversion Project  
84-885 Hana Street  
Tax Map Key: 8-4-014: 018

This is in response to your letter dated August 29, 2007, requesting verification that the structure on the above-referenced property met all applicable code requirements at the time of construction.

Investigation revealed that the two (2) one-story single-family detached dwellings with four (4) all-weather-surface off-street parking spaces met all code requirements when one was constructed in 1951 and other relocated in 2006 respectively, on this 10,000-square-foot R-5 Residential District zoned lot.

Investigation also revealed the following:

1. On August 23, 2007, Park Dedication 2007/PARK-32 was approved for four (4) dwelling units.
2. On October 5, 2007, a subdivision (File No. 2006/SUB-348) was approved to subdivide Lot 484 as shown on Map 9 of Land Court Application 1052 into two (2) lots: Lot 2000 of 10,000 square-feet and Lot 2001 (a flag lot) of 9,960 square-feet. Presently the two (2) detached dwellings are on Lot 2000 (TMK: 8-4-014: 018).

For your information, the Department of Planning and Permitting cannot determine all legal nonconforming uses or structures, as a result of the adoption or amendments of any ordinance or code.

No variances or other permits were granted to allow deviations from any applicable codes.

Conversion to a condominium property regime (CPR) is not recognized by the City and County as an approved subdivision. CPR delineates ownership; it does not create separate lots of record for subdivision and zoning purposes.

If you have any questions regarding this matter, please contact Mr. Ivan Matsumoto of our Commercial and Multi-Family Code Enforcement branch at 768-8151.

Very truly yours,

### DEVELOPER'S RESERVED RIGHTS TO CHANGE THE DECLARATION, BYLAWS AND CONDOMINIUM MAP

Section R.3 of the Declaration sets forth the Declarant's reserved rights with respect to permitted alterations of the Project and the right to amend the Declaration and Condominium Map accordingly:

3. Alterations by the Declarant. Notwithstanding any other provision in this Declaration to the contrary, prior to the filing in the Land Court of the Unit deed conveying the last unsold Unit in the Project to a purchaser, the Declarant, without notice to, or the approval, consent or joinder of, the Association, any Unit Owner, lienholder, or any other person, shall have the right (which includes the right to amend this Declaration and the Condominium Map accordingly) to: (i) make alterations in the Project which change or reverse the configuration of, alter the number of rooms of, decrease or increase the size of, or change the location of any Unit (and the Limited Common Elements appurtenant thereto) in the Project which is not sold and recorded; (ii) recharacterize and redesignate certain Limited Common Elements as may be appurtenant to a Unit as being Common Elements of the Project which is not sold and recorded; (iii) recharacterize and redesignate certain Common Elements of the Project as Limited Common Elements appurtenant to a Unit which is not sold and recorded; or (iv) make other alterations in the Project which constitute minor changes in any Unit in the Project or the Common Elements which do not affect the physical location, design or size of any Unit which has been sold and recorded. As used herein the term "sold and recorded" shall mean and refer to the sale of a Unit in the Project and the filing in the Land Court of a Unit deed conveying the interest in the Unit from the Declarant to parties not signatory to this Declaration.

Section S.3 of the Declaration sets forth the Declarant's reserved right to amend the Declaration:

3. Amendment by the Declarant. Without limiting and in addition to any other rights reserved by the Declarant to amend this Declaration as explicitly provided elsewhere herein, the Declarant shall have the right to amend this Declaration as follows:

a. Notwithstanding any other provision of this Declaration to the contrary, at any time prior to the filing in the Land Court of the first Unit deed in favor of a purchaser, the Declarant hereby reserves and shall have the right to amend this Declaration, the Bylaws and the Condominium Map in any manner, without notice to, or the approval, consent or joinder of, the Association or any purchaser of any Unit.

b. Notwithstanding any other provision of this Declaration to the contrary, at any time prior to the filing in such Land Court of Unit deeds covering one hundred percent (100%) of the Units in the Project, the Declarant hereby reserves and shall have the right to amend this Declaration, the Bylaws and the Condominium Map without the approval, consent or joinder of any purchaser of any Unit or any of the persons then owning any Unit or any lienholder, to make such amendments: (i) as may be necessary to correct any technical defects or to make non-substantive changes; (ii) as may be required by law, the Real Estate Commission of the State of Hawaii, any title insurance company issuing a title insurance policy on the Project or any of the Units, any institutional lender lending funds on the security of the Project or any of the Units, any governmental agency administering governmental loan programs (including without limitation, the Federal National Mortgage Association, the Federal Home Loan Mortgage Corporation, the U.S. Department of Housing and Urban Development, the Veterans Administration, the Hawaii Public Housing Authority, and any successor entities or

agencies); (iii) as may be necessary or desirable as determined by the Declarant to comply with statutory provisions adopted under the Condominium Property Act; or (iv) as may be necessary or desirable as determined by the Declarant as a result of conditions or requirements imposed upon the Declarant by any governmental agency of the state, county, or local government related to the development of the lands comprising the Project to be developed by the Declarant or any affiliates, or by any governmental agency of any state, territory, possession or foreign country or other foreign jurisdiction as a condition precedent to the marketing or sale of Units in any such jurisdiction; PROVIDED, HOWEVER, that no such amendment which would change the Common Interest appurtenant to a Unit or substantially change the design, location or size of a Unit or the Building in which it is located shall be made without the consent to such amendment by all persons having an ownership interest in such Unit.

c. Notwithstanding any other provision of this Declaration to the contrary, and notwithstanding the recording of Unit deeds conveying any or all of the Units in favor of any person, the Declarant hereby reserves and shall have the right to successively amend this Declaration, the Bylaws and the Condominium Map without notice to, or the approval, consent or joinder of, the Association or any purchaser of any Unit or any of the persons then owning or leasing any Unit or any lienholder, to make such amendments: (i) to file or record the "as built" verified statement (with plans, if applicable) required by Section 514B-34 of the Condominium Property Act, so long as (A) such statement is merely a statement of a registered architect or professional engineer certifying that the final plan thereto filed fully and accurately depicts the layout, location, Unit numbers, and the dimensions of an improvement or change in a Unit as built; or (B) the plans filed therewith involve only immaterial changes to the layout, location, or dimensions of the Units as built or any change in any Unit number; or (ii) to exercise or effectuate any other rights reserved to the Declarant pursuant to this Declaration.
