FOR A CONDOMINIUM**

CONDOMINIUM PROJECT NAME	3029 AND 3033 ALAPALI PLACE
Project Address	3029 and 3033 Alapali Place Honolulu, Hawaii 96815
Registration Number	6678
Effective Date of Report	December 30, 2008
Developer(s)	MICHAEL WUNNICKE

**Preparation of this Report**

The Developer prepared this report to disclose relevant information, including "material facts", that are reasonably known to the Developer about the condominium project covered by this report. This report has been prepared pursuant to the Condominium Property Act, Chapter 514B, Hawaii Revised Statutes, as amended from time to time. The law defines "material facts" to mean "any fact, defect, or condition, past or present that to a reasonable person, would be expected to measurably affect the value of the project, unit, or property being offered or proposed to be offered for sale."

This report has not been prepared or issued by the Real Estate Commission or any other governmental agency. The issuance by the Commission of an effective date for this Developer's Public Report (1) does not mean that the Commission approves or disapproves of the project; (2) does not mean that the Commission thinks that either all material facts or all pertinent changes, or both, about the project have been fully or adequately disclosed; and (3) is not the Commission's judgment of the value or merits of the project.

This report may be used by the Developer for promotional purposes only if it is used in its entirety. No person shall advertise or represent that the Commission has approved or recommended the project, this report or any of the documents submitted with Developer's application for registration of this project.

This report will be amended if, after the effective date of this report, any changes, either material or pertinent changes, or both, occur regarding the information contained in or omitted from this report. In that case, the Developer is required to submit immediately to the Commission an amendment to this report or an amended Developer's Public Report, clearly reflecting the changes, including any omitted material facts, together with such supporting information as may be required by the Commission. In addition, the Developer may choose at any time to change or update the information in this report. Annually, at least thirty days prior to the anniversary date of the Effective Date of this report, the Developer shall file an annual report to update the material contained in this report. If there are no changes, the Developer is required to state that there are no changes. The Developer's obligation to amend this report or to file annual reports ends when the initial sales of all units in the project have been completed.

Purchasers are encouraged to read this report carefully and to seek professional advice before signing a sales contract for the purchase of a unit in the project.

Signing a sales contract may legally bind a purchaser to purchase a unit in the project, though a purchaser may have rights to cancel or rescind a sales contract under particular circumstances that may arise.

*This material can be made available for individuals with special needs. Please call the Senior Condominium Specialist at 586-2643 to submit your request.*

### **SPECIAL ATTENTION**

[Use this page for special or significant matters which should be brought to the purchaser's attention and that are not covered elsewhere in this report.]

This is a condominium project, not a subdivision, and the project does not involve the sale of individual subdivided lots. The land area beneath and immediately appurtenant to each unit is designated a limited common element and is not a legally subdivided lot. The dotted lines on the Condominium Map bounding the designated number of square feet in each limited common element land area are for illustrative purposes only and should not be construed to be the property lines of legally subdivided lots.

Facilities and improvements normally associated with county approved subdivisions may not necessarily be provided for and services such as county street maintenance and trash collection may not be available for interior roads.

This public report does not constitute approval of the Project by the Real Estate Commission, or any other government agency, nor does it ensure that all applicable County codes, ordinances, and subdivision requirements have necessarily been complied with.

The land on which the Project is located is subject to a restriction that only two dwelling units may be constructed or placed on such land, notwithstanding the current or future zoning designation or future subdivision of the land.

THE PROSPECTIVE PURCHASER IS CAUTIONED TO CAREFULLY REVIEW THE CONDOMINIUM DOCUMENTS REFERENCED IN THIS PUBLIC REPORT FOR FURTHER INFORMATION WITH REGARD TO THE FOREGOING.

A PROSPECTIVE BUYER OF UNIT 3033 SHOULD BE AWARE THE COMMON INTERESTS IN THE PROJECT ARE ALLOCATED 37% TO UNIT 3033 AND 63% TO UNIT 3029. SINCE A QUORUM OF THE ASSOCIATION OF UNIT OWNERS IS 50% AND A MAJORITY OF THE QUORUM IS NEEDED TO VOTE, THE EFFECT OF SUCH ALLOCATION IS THAT THE OWNER OF UNIT 3027 ACTING ALONE COULD CONSTITUTE A QUORUM AND ACT WITHOUT THE VOTE OR CONSENT OF UNIT 3033 ON MATTERS AFFECTING THE COMMON ELEMENTS OF THE PROJECT.

THE PROJECT'S ACCESS IS OVER A PRIVATE ROAD CALLED "ALAPALI PLACE." THERE ARE NO EXPRESS AGREEMENTS RELATING TO THE MAINTENANCE OR REPAIR OF ALAPALI PLACE. THERE IS AN IMPLIED OBLIGATION, HOWEVER, FOR ALL OF THE OWNERS AND USERS OF ALAPALI PLACE (INCLUDING RELATED EASEMENTS) TO REPAIR AND MAINTAIN IT. THERE IS NO ASSOCIATION OR OTHER ENTITY FORMED TO MAINTAIN OR PAY FOR SUCH REPAIR AND MAINTENANCE.

## **General Information On Condominiums**

A condominium is a special form of ownership of real property. To create a condominium in Hawaii after July 1, 2006, the Condominium Property Act, Chapter 514B, Hawaii Revised Statutes, must be followed. In addition, certain requirements and approvals of the county in which the project is located must be satisfied and obtained.

Some condominium projects are leasehold. This means that the land and/or the building(s) and other improvements are leased to the purchaser. The lease for the land usually requires that at the end of the lease term, the lessees (unit owners) deliver their interest in the land to the lessor (fee property owner).

If you are a typical condominium unit owner, you will have two kinds of ownership: (1) ownership in your individual unit; and (2) a percentage interest in the common elements.

You will be entitled to exclusive ownership and possession of your unit. Subject to the documents governing them, condominium units may be individually bought, sold, rented, mortgaged or encumbered, and may be disposed of by will, gift or operation of law.

Your unit will, however, be part of the group of units that comprise the condominium project. Study the project's Declaration of Condominium Property Regime, Bylaws of the Association of Unit Owners, Condominium Map and House Rules, if any, which are being concurrently delivered to you with this report. These documents contain important information on the use and occupancy of the units and the common elements of the project, as well as the rules and regulations of conduct for unit owners, tenants and guests.

## **Operation of the Condominium Project**

The Association of Unit Owners is the entity through which unit owners may take action with regard to the administration, management and operation of the condominium project. Each unit owner is automatically a member of the Association.

The Board of Directors is the governing body of the Association. Unless you serve as a board member or an officer, or are on a committee appointed by the board, your participation in the administration and operation of the condominium project will in most cases be limited to your right to vote as a unit owner. The Board and officers can take certain actions without the vote of the unit owners. For example, the Board may hire and fire employees, increase or decrease maintenance fees, adopt budgets for revenues, expenses and reserves and regulate the use, maintenance, repair and replacement of common elements. Some of these actions may significantly impact the unit owners.

Until there is a sufficient number of purchasers of units to elect a majority of the Board, it is likely at first that the Developer will effectively control the affairs of the Association. It is frequently necessary for the Developer to do so during the early stages of development and the Developer may reserve certain special rights to do so in the Declaration and Bylaws. Prospective purchasers should understand that it is important to all unit owners that the transition of control from the Developer to the unit owners be accomplished in an orderly manner and in a spirit of cooperation.

### 3. CREATION OF THE CONDOMINIUM AND CONDOMINIUM DOCUMENTS

A condominium is created by recording in the Bureau of Conveyances (Regular System) or filing in the Office of the Assistant Registrar of the Land Court, or both, a Declaration of Condominium Property Regime, a Condominium Map and the Bylaws of the Association of Unit Owners. The Condominium Property Act (Chapter 514B, HRS), the Declaration, Bylaws and House Rules control the rights and obligations of the unit owners with respect to the project and the common elements, to each other, and to their respective units.

#### 3.1 Declaration of Condominium Property Regime

The Declaration of Condominium Property Regime contains a description of the land, buildings, units, common interests, common elements, limited common elements, and other information relating to the condominium project.

### 3.4 House Rules

The Board of Directors may adopt rules and regulations (commonly called "House Rules") to govern the use and operation of the common elements and limited common elements. House Rules may cover matters such as parking regulations, hours of operation for common facilities such as recreation areas, use of lanais and requirements for keeping pets. These rules must be followed by owners, tenants, and guests. They do not need to be recorded or filed to be effective. The initial House Rules are usually adopted by the Developer. Changes to House Rules do not need to be recorded to be effective.

The House Rules for this project:

Are Proposed	<input type="checkbox"/>

Developer does not plan to adopt House Rules	<input checked="" type="checkbox"/>	

### 3.5 Changes to the Condominium Documents

Changes to Condominium Documents: Changes to the Declaration, Bylaws and Condominium Map are effective only if they are duly adopted and recorded. Where permitted, the minimum percentages of the common interest that must vote for or give written consent to changes to the Declaration, Bylaws and Condominium Map are set forth below. The percentages for any individual condominium project may be more than the minimum set by law if the Declaration or Bylaws for the project so provide.

Document	Minimum Set by Law	This Condominium
Declaration	67%	100%
Bylaws	67%	67%

### 3.6 Rights Reserved by the Developer to Make Changes to the Condominium Project or Condominium Documents

#### 4. CONDOMINIUM MANAGEMENT

##### 4.1 Management of the Common Elements

**Management of the Common Elements:** The Association of Unit Owners is responsible for the management of the common elements and the overall operation of the condominium project. The initial Condominium Managing Agent for this project is (check one):

<input type="checkbox"/>	Not affiliated with the Developer

<input type="checkbox"/>	The Developer or an affiliate of the Developer
<input type="checkbox"/>	Other (explain)

##### 4.2 Estimate of the Initial Maintenance Fees

**Estimate of the Initial Maintenance Fees:** The Association will make assessments against your unit to provide funds for the operation and maintenance of the condominium project. If you are delinquent in paying the assessments, a lien may be placed on your unit and the unit may be sold through a foreclosure proceeding. Initial maintenance fees are difficult to estimate and tend to increase as the condominium ages. Maintenance fees may vary depending on the services provided.

Exhibit 1 contains a breakdown of the estimated annual maintenance fees and the monthly estimated maintenance fee for each unit, certified to have been based on generally accepted accounting principles, with the Developer's statement as to when a unit owner shall become obligated to start paying the unit owner's share of the common expenses.

##### 4.3 Utility Charges to be Included in the Maintenance Fee

If checked, the following utilities are included in the maintenance fee:

### 5.3 Blanket Liens

**Blanket Liens:** A blanket lien is an encumbrance (such as a mortgage) on the entire condominium project or more than one unit that secures some type of monetary debt (such as a loan) or other obligation. Blanket liens (except for improvement district or utility assessments) must be released as to a unit before the developer conveys the unit to a purchaser. The purchaser's interest will be affected if the developer defaults and the lien is foreclosed prior to conveying the unit to the purchaser.

<input type="checkbox"/>	There are <u>no blanket liens</u> affecting title to the individual units.
<input checked="" type="checkbox"/>	There are blanket liens that may affect title to the individual units.

Type of Lien	Effect on Purchaser's Interest and Deposit if Developer Defaults or Lien is Foreclosed Prior to Conveyance
Mortgages (See Exhibit G)	If the Developer defaults under the sales contract and refund the Buyer's deposits, less escrow cancellation fees, the Buyer shall have no further interest in the Project.

### 5.4 Construction Warranties

**Construction Warranties:** Warranties for individual units and the common elements, including the beginning and ending dates for each warranty (or the method of calculating them), are as set forth below:

**Building and Other Improvements:**

Building warranty will be assigned to the Buyer.

**Appliances:**

Any remaining warranty will be assigned to the Buyer.

## 5.5 Status of Construction, Date of Completion or Estimated Date of Completion

Status of Construction: Both Units are now being constructed.
Completion Deadline: If a sales contract for a unit is signed before the construction of the unit has been completed, or, in the case of a conversion, completion of any repairs, does not occur by the completion deadline set forth below, one of the remedies available to a purchaser is a cancellation of the purchaser's sales contract. The sales contract may include a right of the Developer to extend the completion deadline for force majeure as defined in the sales contract. The sales contract may also provide additional remedies for the purchaser.
Completion Deadline for any unit not yet constructed, as set forth in the sales contract: First quarter of 2009 (March 31, 2009)
Completion Deadline for any repairs required for a unit being converted, as set forth in the sales contract:

## 5.6 Developer's Use of Purchaser Deposits to Pay for Project Construction Costs Before Closing or Conveyance

The Developer is required to deposit all moneys paid by purchasers in trust under a written escrow agreement with a Hawaii licensed escrow depository. Escrow shall not disburse purchaser deposits to the Developer or on behalf of the Developer prior to closing, except if a sales contract is canceled or if Developer has met certain requirements, which are described below.

### 5.6.1 Purchaser Deposits Will Not Be Disbursed Before Closing or Conveyance

<input checked="" type="checkbox"/>	The Developer hereby declares by checking the box to the left that it shall use its own funds to complete the construction of the condominium project by the date indicated in Section 5.5 of this report, and the Developer, pursuant to its own analysis and calculations, certifies that it has sufficient funds to complete the construction of the condominium project.  <i>If this box is checked, Section 5.6.2, which follows below, will not be applicable to the project.</i>
-------------------------------------	---

### 5.6.2 Purchaser Deposits Will Be Disbursed Before Closing

Hawaii law provides that, if certain statutory requirements are met, purchaser deposits in escrow under a binding sales contract may be used before closing to pay for certain project costs. For this project, the Developer indicates that purchaser deposits may be used for the following purposes (check applicable box):	
<input type="checkbox"/>	For new construction: to pay for project construction costs described in the Developer's budget and approved by the Developer's lender or an otherwise qualified, financially disinterested person; or
<input type="checkbox"/>	For conversions: to pay for repairs necessary to cure violations of county zoning and building ordinances and codes, for architectural, engineering, finance and legal fees, and for other incidental expenses.

In connection with the use of purchaser deposits (check Box A or Box B):

<p><b>Box A</b></p> <p><input type="checkbox"/></p>	<p>The Developer has submitted all information and documents required by law and the Commission prior to the disbursement of purchaser deposits before closing. This means that the Developer may use such deposits before closing. If the Developer decides not to use purchaser deposits before closing, the Developer does not need to amend this report.</p> <p>If Box A is checked, you should read and carefully consider the following notice, which is required by law:</p> <p><b><u>Important Notice Regarding Your Deposits:</u></b> Deposits that you make under your sales contract for the purchase of the unit may be disbursed before closing of your purchase to pay for project costs, construction costs, project architectural, engineering, finance, and legal fees, and other incidental expenses of the project. While the developer has submitted satisfactory evidence that the project should be completed, it is possible that the project may not be completed. If your deposits are disbursed to pay project costs and the project is not completed, there is a risk that your deposits will not be refunded to you. You should carefully consider this risk in deciding whether to proceed with your purchase.</p>
<p><b>Box B</b></p> <p><input checked="" type="checkbox"/></p>	<p>The Developer has <u>not</u> submitted all information and documents required by law and the Commission, and, until all such information and documents are submitted, thus, the Developer cannot use purchaser deposits.</p> <p>If the Developer later submits all information and documents required by law and the Commission for the use of purchaser deposits, then the Developer must provide an amendment to this report or an amended developer's public report to each purchaser who has signed a sales contract. At such time, the <b><u>Important Notice Regarding Your Deposits</u></b> set forth immediately above will apply to all purchasers and will be restated in the amendment to this report or an amended developer's public report. When an effective date for such an amendment or an amended developer's public report is issued, <b><u>you will not have the right to rescind or cancel the sales contract by reason of such submission and amendment.</u></b> (This, however, does not affect your right to rescind for material changes or any other right you may have to rescind or cancel the sales contract, as described in Section 5.8 below.) If the Developer decides not to use purchaser deposits before closing, the Developer does not need to amend this report.</p> <p>You should understand that, although the <b><u>Important Notice Regarding Your Deposits</u></b> set forth above does not currently apply to you, it might apply to you in the future, and, therefore, you should read and carefully consider it now to ensure that you understand the risk involved in deciding whether to proceed with your purchase.</p>

**Material House Bond.** If the Developer has submitted to the Commission a completion or performance bond issued by a material house instead of a surety as part of the information provided prior to the use of purchaser deposits prior to closing or conveyance of a unit, the Developer shall disclose the same below and disclose the impact of any restrictions on the Developer's use of purchaser deposits.

## 5.7 Rights Under the Sales Contract

## 5.8 Purchaser's Right to Cancel or Rescind a Sales Contract

A purchaser's right to cancel a sales contract or to rescind a sales contract may arise under varying circumstances. In the sections below, some circumstances that will give rise to a purchaser's right to cancel or rescind are described, together with what a purchaser must do if the purchaser wishes to exercise any of the rights.

### 5.8.1 When a Sales Contract becomes Binding and Purchaser's 30-Day Right to Cancel a Sales Contract

A sales contract signed by a purchaser and the developer will not become binding on a purchaser or the Developer until the following events have taken place:

(1) The purchaser has signed the sales contract.  
(2) The Developer has delivered to the purchaser a true copy of the developer's public report with an effective date issued by the Commission, together with all amendments to the report as of the date of delivery, and the project's recorded Declaration and Bylaws, House Rules (if any), the Condominium Map and any amendments to them to date (all of which are a part of the developer's public report). If it is impracticable to include a letter-sized Condominium Map, the Developer must provide written notice of an opportunity to examine the Condominium Map.

(3) The Developer has delivered to the purchaser a notice of the purchaser's 30-day cancellation right on a form prescribed by the Commission.

(4) The purchaser does at least one of the following:

(a) Waives the purchaser's right to cancel the sales contract within 30 days from receipt of the notice of the purchaser's 30-day cancellation right; or

(b) Allows the 30-day cancellation period to expire without exercising the right to cancel; or

(c) Closes the purchase of the unit before the 30-day cancellation period expires.

The purchaser or the Developer may cancel the sales contract at any time during the 30-day cancellation period, and the sales contract will be canceled and the purchaser's deposits returned to the purchaser, less any escrow cancellation fee and other costs associated with the purchase, up to a maximum of \$250.

#### **5.8.2 Right to Cancel a Sales Contract if Completion Deadline Is Missed**

In addition to the purchaser's 30-day cancellation right described in Section 5.8.1 above, when a sales contract is signed before completion of construction of a project, the purchaser will have the right to cancel if the unit is not completed by certain deadlines. In conversion projects, there must be a deadline for completion of any required repairs. Every sales contract shall contain an agreement of the Developer that the completion of construction shall occur on or before the completion deadline, and that completion deadline is set forth in this report in Section 5.5. The sales contract shall provide that the purchaser may cancel the sales contract at any time after the specified completion deadline, if completion of construction does not occur on or before the completion deadline, as the same may have been extended. Upon a cancellation, the purchaser's deposits shall be refunded, less any escrow cancellation fee and other costs associated with the purchase, up to a maximum of \$250.00.

#### **5.8.3 Purchaser's Right to Rescind a Binding Sales Contract After a Material Change**

If a "material change" in a project occurs after a purchaser has signed a sales contract that has become binding, the purchaser will have a 30-day right to rescind after notification and description of the material change. A material change is defined in the Condominium Property Act to be any change that "directly, substantially and adversely affects the use or value of (1) a purchaser's unit or appurtenant limited common elements; or (2) those amenities of the project available for the purchaser's use."

The purchaser will be informed of the material change by the developer on a form prescribed by the Commission containing a description of the material change.

After notice of the material change, the purchaser may waive the right to rescind by:

- (1) Checking the waiver box on the rescission form; or
- (2) Letting the 30-day rescission period expire, without taking any action to rescind; or
- (3) Closing the purchase of the unit before the 30-day rescission period expires.

The rescission form must be signed by all purchasers of the affected unit and delivered to the developer no later than midnight of the 30<sup>th</sup> calendar day after the purchasers received the rescission form from the developer. Purchasers who validly exercise the right of rescission shall be entitled to a prompt and full refund of any moneys paid.

A rescission right shall not apply in the event of any additions, deletions, modifications and reservations including, without limitation, the merger or addition or phasing of a project, made pursuant to the terms of the project's Declaration.

These provisions shall not preclude a purchaser from exercising any rescission rights pursuant to a contract for the sale of a unit or any applicable common law remedies.

## **6. MISCELLANEOUS INFORMATION NOT COVERED ELSEWHERE IN THIS REPORT**

N/A

The Developer declares subject to the penalties set forth in Section 514B-69, HRS, that this project conforms to the existing underlying county zoning for the project, zoning and building ordinances and codes and all applicable permitting requirements adopted by the county in which the project is located, all in accordance with Sections 514B-5 and 32(a)(13), HRS.

For any conversion, if any variances have been granted, they are specified in Section 1.14 of this report, and, if purchaser deposits are to be used by the Developer to cure any violations of zoning, permitting requirements or rules of the county in which the project is located, the violation is specified in Section 1.15 of this report, along with the requirements to cure any violation, and Section 5.5 specifies the date by which the cure will be completed.

The Developer hereby certifies that all the information contained in this report and the exhibits attached to this report and all documents to be furnished by the Developer to purchasers concerning the project have been reviewed by the Developer and are, to the best of the Developer's knowledge, information and belief, true, correct and complete. The Developer hereby agrees promptly to amend this report to report and include either or all material facts, material or pertinent changes to any information contained in or omitted from this report and to file annually a report to update the material contained in this report at least 30 days prior to the anniversary date of the effective date of this report.

## **EXHIBIT C**

### **Permitted Alterations to the Units**

Paragraph 19. of the Declaration states:

#### **ALTERATION OF PROJECT.**

19.1 Changes to Units. Notwithstanding anything to the contrary contained in the Declaration, a Unit Owner, with the consent by the holder of any mortgage affecting the Owner's Unit (if required by such mortgage), shall have the right at his sole option at any time and from time to time without the consent of any other Unit Owner or other person or entity, to improve, renovate, remodel, make additions to, enlarge, remove, replace or restore the improvements to or in his Unit or portions thereof or to make or build improvements upon the Dwelling Area appurtenant to his Unit (each of the foregoing is referred to as a "change" and collectively, they are referred to as "changes") subject to the following conditions:

(i) All changes shall conform with the then applicable City and County building codes, zoning laws and ordinances applicable to such changes;

(ii) All changes to a Unit shall be made within the Dwelling Area to which the Unit is appurtenant and no nearer than ten(10) feet from the boundary line separating the Dwelling Areas;

(iii) No change to a Unit will be made if the effect of such change would be to exceed the Unit's "proportionate share" of allowable development rights applicable to the Land (such to include without limitation, maximum building areas and number of dwelling units) as set forth in the LUO when the change is to be made; provided, that each Unit shall be allocated at least one dwelling unit. The "proportionate share" for each Unit for purpose hereof shall be a fraction having as its numerator the area of its appurtenant Dwelling Area and having as its denominator the total area of both Dwelling Areas (namely, 16,027 square feet.)

(iv) All such changes shall be at the expense of the Owner making the change and shall be expeditiously made and in a manner that will not unreasonably interfere (except on a temporary basis) while such change is being made with the other Owner's use of his Unit or its appurtenant Dwelling Area.

(v) During the course of any construction, the Dwelling Owner making such change will cause to be maintained at his expense builder's all-risk insurance in an amount not less than the estimated cost of construction. The Association shall be named as an additional insured and, upon the request of the Association, evidence of such insurance shall be deposited with the Association or its Managing Agent, if any;

(vi) The Owner of the changed Unit shall have the right to utilize, relocate and realign existing and/or to develop additional, central and appurtenant installations for services to the Unit affected by such change for electricity, sewer and other utilities and services and when applicable, to add, delete, relocate, realign, designate and grant easement and rights-of-way over, under and on the common elements as necessary or desirable in connection therewith; provided that the same shall not cause any interruption in the service of such utilities to any other part of the Project or otherwise materially interfere with their use by the other Unit Owner;

(vii) If the consent to the change or joinder of the other Owner in obtaining a permit or utilities, for example, is required by the Act, a governmental entity or a utility, then each Owner shall give such consent or joinder promptly following the request of the Owner making such change, provided that all costs and expenses associated with the change shall be borne by the Unit Owner making such change.

(viii) Each and every conveyance, lease and mortgage or other lien made or created on any Unit and all common interests and other appurtenances thereto shall be subject to the provisions of this paragraph and any lease of a Dwelling Area shall reserve to each Owner the rights set forth in this paragraph.

19.2 Changes to Other than Units. Except as to changes to a Unit or Project which are governed by Paragraph 19.1, all other changes to the Project different in any material respect from the Condominium Map of the Project, shall be undertaken by the Association of Unit Owners only pursuant to an amendment of the Declaration, duly executed by or pursuant to vote of all the Unit Owners and accompanied by the written consent of the holders of all liens affecting any of the Units, and in accordance with complete plans and specifications therefor first approved in

writing by the Board, and promptly upon completion of such restoration, replacement or construction, the Association shall duly file such amendment in said Office, together with a complete set of the floor plans of the Project as so altered, certified as built by a registered architect or professional engineer.

19.3 General Provisions applicable to Section 19. The following provisions shall apply to Section 19 unless the context and usage would clearly indicate to the contrary:

(a) The rights set forth in Paragraph 19.1 for the benefit of a Unit Owner (who may be referred to as "Benefitted Owner") may not be amended without the consent of such Benefitted Owner.

(b) In furtherance of the rights granted under Paragraph 19.1, Benefitted Owner shall have the right, without being required to obtain the consent or joinder of any person, including any other Unit Owner or any lien holder, or any other person who may have any interest in the Property or the Land (i) to execute and deliver (on behalf of the other Unit Owners and their respective mortgagees, if necessary) applications, petitions, agreements and other instruments which such Benefitted Owner deems necessary or desirable (including without limitation, documents to be filed or recorded with the Department of Planning and Permitting of the City and County of Honolulu, the Recording Office, other governmental agencies, public utility companies or private parties); (ii) to deliver documents and to take such actions in connection therewith as shall be in the sole and absolute discretion of Benefitted Owner, and his delivery of such instrument or the taking of such action shall be sufficient determination; and (iii) to amend the Declaration and the Condominium Map to reflect rights of Benefitted Owner set forth such Paragraph.

(c) If notwithstanding that a paragraph within this Section 19 does not require the consent or joinder of an Owner, lien holder or other person having any interest in the Project ("Third Party") to the action or change by the Benefitted Owner, but the Act, County Rules, State Laws, title companies, permitting entities or public utility companies nonetheless do require the consent or joinder by the Third Party, then upon the request of Benefitted Owner, each such Third Party hereby consents in advance to such action or change being made by the benefitted Owner and agrees to consent to and join in, as aforesaid, and to execute all instruments or documents necessary or desirable so that Benefitted Owner may effectuate his change or otherwise do as permitted under the respective paragraph within this Section 19.

If the Third Party fails to provide such requested written joinder, consent, or take such action, as the case may be, such shall be accomplished by signature of the Benefitted Owner acting under an irrevocable power-of-attorney in favor of Benefitted Owner from each of the other Owners and Third Parties, the acquiring or acceptance of ownership in a Unit or of a lien covering a Unit or of any other interest in the Project being a grant of such power, and the grant being coupled with an interest, being irrevocable.

(d) The rights of a Benefitted Owner granted under each the Paragraph within Section 19 may be assigned, mortgaged or otherwise be transferred by such benefitted Owner only in connection with the assignment, mortgage or other transfer of the Unit owned by Benefitted Owner.

(e) Each and every conveyance, lease and mortgage or other lien made or created on any Unit (including its appurtenant limited common element) and all common interests and other appurtenances thereto shall be subject to the provisions of each of the Paragraphs within Section 19.

Paragraph 5 of the Declaration states:

5.1 Certain parts of the common elements, herein called the "Limited Common Elements", are hereby designated and set aside for the exclusive use of certain of the Units, and each Unit shall have appurtenant thereto exclusive easements for the use of all such limited common elements set aside and reserved for such Unit's exclusive use.

## **EXHIBIT F**

### **Special Use Restrictions**

Section 9 of the Declaration relating to "PERMITTED AND PROHIBITED USES" provides as follows:

9.1 Permitted Uses. A Unit may be occupied and used only for permanent or temporary residential purposes by the respective owners thereof, their tenants, families, and social guests, and for any other residential purpose permitted under the Land Use Ordinance of the City and County of Honolulu, as amended from time to time.

9.2 Rental Use. A Unit owner shall have the absolute right to sell, rent, lease or otherwise transfer his Unit in connection with any permitted occupancy or use for any length of time subject to the provisions of this Declaration, the Bylaws, or the House Rules (if any).

9.3 Care and Disturbance. 9.4 Use of Common Elements. The common elements shall be used only for the purposes for which they are designed and intended.

9.5 Maintenance and Painting.

(a) Every Unit Owner and occupant shall at all times keep his Unit and the limited common elements appurtenant thereto and landscaping located thereon in a strictly clean and sanitary condition. (b) Every Unit Owner shall be responsible for the repainting of the exterior of each structure that is a portion of his Unit, as such becomes reasonably necessary. The paint color to be used shall be as mutually agreed upon by the Unit Owners, or if they fail to reach agreement, the paint color to be used shall be substantially similar to the paint color immediately prior to such intended repainting.

All Unit Owners, their tenants, families, servants and guests, and any other persons who may in any manner use the Project, shall be bound by and comply strictly with the provisions of the Declaration, the Bylaws, the House Rules, if any, all covenants and conditions referred to in Exhibit G attached hereto, and all agreements, decisions and determinations of the Association lawfully made or amended from time to time, and failure to comply with any of the same shall be grounds for an action to recover sums due, for damages or injunctive relief, or both, maintainable by the Board of Directors or Managing Agent, if any, on behalf of the Association, or in a proper case, by an aggrieved Unit Owner.

## **EXHIBIT "I"**

### **Summary of Sale Contract Provisions**

The Sales Contract consists of two documents: a Hawaii Association of Realtors (HAR) Standard form "Purchase Contract" ("Purchase Contract") and a document attached to the Purchase Contract which is entitled "Special CPR Provisions to the Purchase Contract" ("Special Provisions.")

The Special Provisions amend the HAR standard form of Purchase Contract, and unless the context would indicate clearly to the contrary, then in the event of any conflict between a provision contained in the Special Provisions and a provision contained in the Purchase Contract, the provision contained in the Special Provisions will prevail.

1. Description of the Property to be Conveyed: Fee simple title to the Apartment, together with the furnishings and appliances, if any, and the undivided interest in the common elements set forth in the Purchase Contract. Title will be conveyed subject to the encumbrances of record.
2. Purchase Price and Terms. The purchase price for the Apartment is set forth on page 2 of the Purchase Contract is to be paid in the method and at the times set forth in the Purchase Contract. This may include payment of (a). An initial deposit; (b). An additional cash deposit, if set forth in the Purchase Contract ; and (c) the balance of the purchase price is to be paid to escrow by purchaser on or before closing.
3. Financing of Purchase. Paragraph C-24 of the Purchase Contract Form (if elected) provides if Buyer desires financing, a loan application must be made within a certain number of days and if Buyer's application is not approved within a certain number of days after the application, then either Seller or Buyer may cancel the Purchase Contract. Upon such cancellation, Buyer's deposits will be refunded by escrow without interest.
4. Closing Costs. Closing costs and escrow fees are to be shared in accordance with the Purchase Contract, except that Seller may require two months' advance payment of Association maintenance fees and a start up expense for the Association of Unit Owners equal to two months' of Association maintenance fees. Buyer's proportionate share of any liability insurance premium, real property taxes, maintenance fees and any other charges with respect to the Property shall be pro-rated between Seller and Buyer as of the date of closing.
5. Closing. Seller has agreed to cause the Apartment to be sold to the Buyer within the time period set forth on page 3 of the Purchase Contract . However, if the Purchase Contract is entered into before construction of the Apartment has been completed, then the agreed upon closing date of March 31, 2009.
6. No Present Transfer and Subordination to Construction Loan.
  - (a) The Purchase Contract may be subject to existing and future blanket loans, and any security interest now or hereafter obtained by a lender of Seller is or will be prior and senior to any rights of the Buyer arising under the Purchase Contract. This obligation to subordinate the purchaser's right under the Purchase Contract to loans now or hereafter made by the Seller is set forth in Paragraph 4 of the Special Provisions.
  - (b) Seller may also assign by way of security all of its interest in the Purchase Contract, as collateral for the repayment of the loan and if the Lender acquires the Seller's interest in the Purchase Contract, then the Buyer is obligated to perform the Purchase Contract, and to attorn to and recognize the Lender as the seller under the Purchase Contract.
  - (c) Notwithstanding that the Purchase Contract may be subordinate to a blanket lien, if the Buyer performs his obligations under the Purchase Contract, then Seller is required to convey the Apartment to Buyer at closing free and clear of any blanket lien.
7. Seller's Rights to Cancel Purchase Contract. The Seller may cancel the Purchase Contract with the Buyer if (a) Buyer fails to qualify for a permanent loan (if Paragraph C-24 of the Purchase Contract is selected; (b) Buyer defaults under the Purchase Contract (paragraph 6(b) of the Special Provisions); (c) Buyer dies prior to Closing Date (paragraph 6(a) of the Special Provisions) or (d) the Developer's Public Report shall not have been issued and Buyer shall not have waived his right to cancel (called the "Effective Date"). Pursuant to Paragraph 6(b)

of the Special Provisions, if Buyer fails to close as required, then in the case only of non-monetary default after ten (10) days following Seller's notice of Buyer's default or otherwise without notice as to monetary defaults, the Seller may cancel the Purchase Contract and all sums previously paid by Buyer will belong absolutely to the Seller as liquidated damages. Additionally, Seller may pursue any other remedy, and all costs, including reasonable attorney's fees, incurred by reason of default by the Buyer shall be borne by the Buyer. Time is the essence of the Sales Agreement.

8. Rights of Buyer to Cancel the Purchase Contract. The Buyer has the right to cancel the Purchase Contract under the following conditions:

(a) At any time within thirty (30) days following the date the Public Report is delivered to Buyer. If Buyer so cancels, Buyer will be entitled to receive refund of any deposits. If Buyer does not act within the thirty (30) day period, or if the Apartment is conveyed to the Buyer, Buyer will be deemed to have executed the receipt for the Public Report and to have waived his right to cancel (paragraphs 6.1 and 6.3 of the Special Provisions).

(b) The Buyer may cancel his purchase if there is a material change in the Project which directly, substantially and adversely affects the use or value of the Buyer's Apartment or the amenities available for the Buyer's use (paragraph 7 of the Special Provisions). If so, Buyer will be entitled to receive refunds of any deposits, less escrow cancellation fees and other costs up to \$250.

(c) Buyer fails to qualify for permanent financing if Paragraph C-24 of the Purchase Contract has been selected.

9. Paragraph 11 of the Special Provisions provides that the Buyer acknowledges Buyer having received (a) a true copy of the Developer's Public Report including all amendments with an effective date issued by the Real Estate Commission, and that the Developer's Public Report includes the report itself, the Project's recorded declaration and bylaws, house rules if any, a letter-sized condominium project map, and all amendments. (Provided, that where it is impractical to include a letter-sized condominium project map, the prospective purchaser or purchaser shall have an opportunity to examine the map.) and (b) a notice of the buyer's thirty-day cancellation right on a form prescribed by the Real Estate Commission.

Seller reserves the right to modify the above documents as may be required by law, any title insurance company, or any institutional mortgagee.

10. Paragraph 12(b) provides that Seller makes no warranties itself, but Seller agrees that the closing of the sale of the Property shall constitute the assignment without recourse by Seller to Buyer of any and all warranties given Seller by the contractor (s) for the Project, including the contractor's agreement to promptly correct any of its work found to be defective or not in conformance with the Construction Contract for a period of one (1) year after the "Date of Substantial Completion" of the Property, as defined in the Construction Contract, and the benefit of such agreement shall accrue to Buyer on closing without further instruments or documents.

The Summary contained in this Exhibit is merely a summary and is not intended to be a substitute for the Buyer's careful review of the Purchase Contract.

## EXHIBIT "J"

### **SUMMARY OF THE MATERIAL PROVISIONS OF THE ESCROW AGREEMENT.**

Summary of the Condominium Escrow Agreement between the Developer and Title Guaranty of Hawaii, Inc..

1. All deposits will be paid to Escrow. A copy of each Sales Contract and all payments made to purchase a Unit shall be turned over to the Escrow Agent. Any interest earned on funds deposited in escrow shall accrue to the credit of the Developer; except that, if Escrow is requested to establish a separate account for a purchaser, the purchaser shall pay Escrow a fee of \$25.00 for each such separate account and shall furnish Escrow the purchaser's social security or federal identification number, and any interest earned on funds deposited in such account shall accrue to the credit of the purchaser.

2. Conditions to be Met Prior to Disbursement. No disbursements of funds held in escrow with respect to a sales contract shall be made unless and until the following conditions have been fulfilled:

(a) The Real Estate Commission shall have issued an effective date of the Developer's Public Report on the Project;

(b) The purchaser shall have been given and shall have acknowledged receipt of (i) a copy of said Public Report and (ii) notice of purchaser's thirty-day cancellation right upon a form prescribed by the Real Estate Commission; and

(c) The purchaser shall have waived the right to cancel or be deemed to have the right to cancel, in accordance with Section 514B-86 of the Act; and

(d) The Developer shall have given Escrow a written waiver of any option reserved in any sales contract to cancel such sales contract.

At the request of Escrow, Developer's attorney shall delivered a written opinion to Escrow that the foregoing conditions shall have been complied with and the purchaser's sales contract has become effective.

3. Return of Funds and Documents. A purchaser shall be entitled to a return of funds and Escrow shall pay such funds to such purchaser, without interest, if any one of the following has occurred:

(a) Developer and the purchaser shall have requested Escrow in writing to return to purchaser the funds of purchaser held hereunder by Escrow; or

(b) Developer shall have notified Escrow of Developer's exercise of any option to cancel or rescind the sales contract pursuant to any right of cancellation or rescission provided therein or otherwise available to Developer; or

(c) A purchaser shall have exercised his thirty-day cancellation right to rescind the sales contract pursuant to Section 514B-86 of the Act; or

(d) In the event of a material change in the Project, a purchaser shall have exercised his thirty-day cancellation right to rescind the contract pursuant to Section 514B-87 of the Act.

In any of the foregoing events, Escrow shall, upon the occurrence of the event described in (a) or (b) above or upon receipt of a written request for a refund from purchaser upon the occurrence of an event described in (c) or (d) above, unless the purchaser has waived or has been deemed to have waived the right to a refund, pay said funds to said purchaser (less a cancellation fee commensurate with the work done by Escrow prior to such cancellation) and thereupon said sales contract and any conveyance document theretofore delivered to Escrow shall be returned to Developer and shall be deemed no longer held hereunder; provided, however, that no refund shall be made to a purchaser at purchaser's request prior to receipt by Developer of written notice from Escrow of its intent to make such refund.

(e) If the purchaser indicated the purchaser's intention to be an owner-occupant of a Unit under Section 514B-95 et. seq. of the Act by signing a document entitled "Affidavit of Intent to Purchase and Reside in an Owner-Occupant Designated Condominium Residential Unit," and if the purchaser and the Developer so request in writing, Escrow will refund the purchaser's deposits upon the occurrence of any of the following events:

(i) No sales contract has been offered to the purchaser (A) within six (6) months of the issuance of an effective date for the Project's first condominium public report (if the "chronological system" defined in section 514B-95 of the Act has been used to establish a final reservation list), or (B) within six (6) months of the public lottery (if the "lottery system" described in section 514B-95 of the Act has been used to establish a final reservation list). In this case only, no cancellation fees will be subtracted from the refund; or

(ii) Before signing a sales contract, the purchaser requests that his name be removed from the Developer's final reservation list; or

(iii) The purchaser chooses not to sign a sales contract; or

(iv) The purchaser is unable to obtain a loan (or a commitment for a loan) for sufficient funds to purchase the Unit by the time the sales contract allows the purchaser to obtain a loan or a commitment for a loan, and either the purchaser or the Developer chooses to cancel the sales contract. The Act requires that the purchaser shall have at least fifty (50) calendar days from the day the Developer signs and accepts the sales contract to obtain a loan or a commitment for a loan; or

(v) The purchaser is required by the Act to rescind the sales contract because the purchaser will not or cannot reaffirm at closing the purchaser's intention to be an owner-occupant of the Unit. In this case, Escrow will refund only what remains (if anything) of purchaser's deposits after Escrow pays the Developer the greater of five percent (5%) of the purchaser's deposits or a sum equal to the Developer's actual damages caused by the purchaser's rescission of the sales contract.

Except for cancellations under subparagraph (e) (i) above, Escrow may deduct from any such refund made to a purchaser a cancellation fee as set forth above.

4. Purchaser's Default. Developer shall give notice in writing to Escrow of the occurrence of each event which initiates an obligation of a purchaser to make a payment to Escrow pursuant to the sales contract as well as notice of the amount and due date of such payment. Escrow shall thereupon promptly give the purchaser notice of the amount and due date of such payment. If the purchaser fails to make such payment to Escrow on or before the due date thereof or if the purchaser fails to perform in any matter which is being handled by Escrow, Escrow shall promptly notify Developer of any such failure on the part of the purchaser. If Developer subsequently certifies in writing to Escrow that Developer has terminated the sales contract in accordance with the terms thereof and provides to Escrow copies of all such notices of termination sent to the purchaser, Escrow shall thereafter treat all funds of the purchaser paid on account of such purchaser's sales contract as funds of Developer and not as funds of the purchaser. Thereafter, such funds shall be free of the escrow established by Developer. Upon written request by Developer, Escrow shall pay such sums to Developer, less any escrow cancellation fee, shall return to Developer the sales contract of such purchase and any other documents theretofore delivered by Developer to Escrow, and shall return other documents theretofore delivered to Escrow in connection with the purchase of the unit to the person from whom, or entity from which, such documents were received; and, Escrow shall thereupon be released from any further duties or liability hereunder with respect to such funds and such purchaser.
