Preparation of this Report

The Developer prepared this report to disclose relevant information, including "material facts", that are reasonably known to the Developer about the condominium project covered by this report. This report has been prepared pursuant to the Condominium Property Act, Chapter 514B, Hawaii Revised Statutes, as amended from time to time. The law defines "material facts" to mean "any fact, defect, or condition, past or present that to a reasonable person, would be expected to measurably affect the value of the project, unit, or property being offered or proposed to be offered for sale."

This report has not been prepared or issued by the Real Estate Commission or any other governmental agency. The issuance by the Commission of an effective date for this Developer's Public Report (1) does not mean that the Commission approves or disapproves of the project; (2) does not mean that the Commission thinks that either all material facts or all pertinent changes, or both, about the project have been fully or adequately disclosed; and (3) is not the Commission's judgment of the value or merits of the project.

This report may be used by the Developer for promotional purposes only if it is used in its entirety. No person shall advertise or represent that the Commission has approved or recommended the project, this report or any of the documents submitted with Developer's application for registration of this project.

This report will be amended if, after the effective date of this report, any changes, either material or pertinent changes, or both, occur regarding the information contained in or omitted from this report. In that case, the Developer is required to submit immediately to the Commission an amendment to this report or an amended Developer's Public Report, clearly reflecting the changes, including any omitted material facts, together with such supporting information as may be required by the Commission. In addition, the Developer may choose at any time to change or update the information in this report. Annually, at least thirty days prior to the anniversary date of the Effective Date of this report, the Developer shall file an annual report to update the material contained in this report. If there are no changes, the Developer is required to state that there are no changes. The Developer's obligation to amend this report or to file annual reports ends when the initial sales of all units in the project have been completed.

Purchasers are encouraged to read this report carefully and to seek professional advice before signing a sales contract for the purchase of a unit in the project.

Signing a sales contract may legally bind a purchaser to purchase a unit in the project, though a purchaser may have rights to cancel or rescind a sales contract under particular circumstances that may arise.

This material can be made available for individuals with special needs. Please call the Senior Condominium Specialist at (808) 586-2643 to submit your request.

SPECIAL ATTENTION

[Use this page for special or significant matters which should be brought to the purchaser's attention and that are not covered elsewhere in this report.]

1. Developer has not yet recorded the Declaration, By-Laws and Condominium Map for this condominium project (collectively the "Condominium Documents").

As a result, any sales contract entered into by Buyer is non-binding and may be cancelled at any time. Upon cancellation, Buyer shall be entitled to a prompt and full refund of all moneys paid, less any escrow cancellation fee and other costs associated with the purchase, up to a maximum of \$250.

The sales contract between Buyer and Developer will become binding when ALL of the following events occur:

- The condominium documents have been recorded;
 - A copy of an amended public report with an effective date issued by the Real Estate Commission has been delivered to the Buyer, along with copies of the recorded Condominium Documents; and
 - The Buyer has waived Buyer's 30-day right to cancel the sales contract.
2. It is suggested that prospective purchasers first read Exhibit Q of this Public Report for an overview of how the Developer (sometimes "Declarant" herein) proposes to develop approximately 347 acres in a master planned Kahu'aina Plantation. Exhibit Q also contains other disclosures that affect this two unit agricultural condominium. This project is part of the master planned Kahu'aina Plantation. Details relative to the Kahu'aina Plantation can be found in the Master Declaration for Kahu'aina Plantation, which is available for inspection by purchasers on request, and in Exhibit L (Developer's reserved rights) of the Public Report.

Essentially, this is a condominium project located on one of the agricultural subdivided lots of the master planned Kahu'aina Plantation.

3. Pursuant to that certain Subdivision Agreement, dated April 25, 2008, by and between the Developer and the County of Kauai, Developer has posted an irrevocable letter of credit and a bond with the County of Kauai to ensure completion of the subdivision improvements.

General Information On Condominiums

A condominium is a special form of ownership of real property. To create a condominium in Hawaii after July 1, 2006, the Condominium Property Act, Chapter 514B, Hawaii Revised Statutes, must be followed. In addition, certain requirements and approvals of the county in which the project is located must be satisfied and obtained.

Some condominium projects are leasehold. This means that the land and/or the building(s) and other improvements are leased to the purchaser. The lease for the land usually requires that at the end of the lease term, the lessees (unit owners) deliver their interest in the land to the lessor (fee property owner).

If you are a typical condominium unit owner, you will have two kinds of ownership: (1) ownership in your individual unit; and (2) a percentage interest in the common elements.

You will be entitled to exclusive ownership and possession of your unit. Subject to the documents governing them, condominium units may be individually bought, sold, rented, mortgaged or encumbered, and may be disposed of by will, gift or operation of law.

Your unit will, however, be part of the group of units that comprise the condominium project. Study the project's Declaration of Condominium Property Regime, Bylaws of the Association of Unit Owners, Condominium Map and House Rules, if any, which are being concurrently delivered to you with this report. These documents contain important information on the use and occupancy of the units and the common elements of the project, as well as the rules and regulations of conduct for unit owners, tenants and guests.

Operation of the Condominium Project

The Association of Unit Owners is the entity through which unit owners may take action with regard to the administration, management and operation of the condominium project. Each unit owner is automatically a member of the Association.

The Board of Directors is the governing body of the Association. Unless you serve as a board member or an officer, or are on a committee appointed by the board, your participation in the administration and operation of the condominium project will in most cases be limited to your right to vote as a unit owner. The Board and officers can take certain actions without the vote of the unit owners. For example, the Board may hire and fire employees, increase or decrease maintenance fees, adopt budgets for revenues, expenses and reserves and regulate the use, maintenance, repair and replacement of common elements. Some of these actions may significantly impact the unit owners.

Until there is a sufficient number of purchasers of units to elect a majority of the Board, it is likely at first that the Developer will effectively control the affairs of the Association. It is frequently necessary for the Developer to do so during the early stages of development and the Developer may reserve certain special rights to do so in the Declaration and Bylaws. Prospective purchasers should understand that it is important to all unit owners that the transition of control from the Developer to the unit owners be accomplished in an orderly manner and in a spirit of cooperation.

3. CREATION OF THE CONDOMINIUM AND CONDOMINIUM DOCUMENTS

A condominium is created by recording in the Bureau of Conveyances (Regular System) or filing in the Office of the Assistant Registrar of the Land Court, or both, a Declaration of Condominium Property Regime, a Condominium Map and the Bylaws of the Association of Unit Owners. The Condominium Property Act (Chapter 514B, HRS), the Declaration, Bylaws and House Rules control the rights and obligations of the unit owners with respect to the project and the common elements, to each other, and to their respective units.

3.1 Declaration of Condominium Property Regime

The Declaration of Condominium Property Regime contains a description of the land, buildings, units, common interests, common elements, limited common elements, and other information relating to the condominium project.

Not yet recorded.		

Amendments to Declaration of Condominium Property Regime

3.2 Bylaws of the Association of Unit Owners

The Bylaws of the Association of Unit Owners govern the operation of the condominium project. They provide for the manner in which the Board of Directors of the Association of Unit Owners is elected, the powers and duties of the Board, the manner in which meetings will be conducted, whether pets are prohibited or allowed and other matters that affect how the condominium project will be governed.

Dates of Recordation of Amendments to the Condominium Map:	

3.4 House Rules

The Board of Directors may adopt rules and regulations (commonly called "House Rules") to govern the use and operation of the common elements and limited common elements. House Rules may cover matters such as parking regulations, hours of operation for common facilities such as recreation areas, use of lanais and requirements for keeping pets. These rules must be followed by owners, tenants, and guests. They do not need to be recorded or filed to be effective. The initial House Rules are usually adopted by the Developer. Changes to House Rules do not need to be recorded to be effective.

The House Rules for this project:	
Are Proposed	<input type="checkbox"/>
Have Been Adopted and Date of Adoption	<input type="checkbox"/>
Developer does not plan to adopt House Rules	<input checked="" type="checkbox"/>

3.5 Changes to the Condominium Documents

Changes to Condominium Documents: Changes to the Declaration, Bylaws and Condominium Map are effective only if they are duly adopted and recorded. Where permitted, the minimum percentages of the common interest that must vote for or give written consent to changes to the Declaration, Bylaws and Condominium Map are set forth below. The percentages for any individual condominium project may be more than the minimum set by law if the Declaration or Bylaws for the project so provide.

Document	Minimum Set by Law	This Condominium
Declaration	67%	67% See Exhibit K
Bylaws	67%	67% See Exhibit K

3.6 Rights Reserved by the Developer to Make Changes to the Condominium Project or Condominium Documents

<input type="checkbox"/>	No rights have been reserved to the Developer to change the Declaration, Bylaws, Condominium Map or House Rules (if any).
<input checked="" type="checkbox"/>	Developer has reserved the right to change the Declaration, Bylaws, Condominium Map and House rules (if any) and to add to or merge the project or to develop the project in one or more phases, and such rights are summarized as follows: See Exhibit L

4. CONDOMINIUM MANAGEMENT

4.1 Management of the Common Elements

Management of the Common Elements: The Association of Unit Owners is responsible for the management of the common elements and the overall operation of the condominium project. The Association may be permitted, and in some cases may be required, to employ or retain a condominium managing agent to assist the Association in managing the condominium project.

The Initial Condominium Managing Agent for this project is (check one):	
<input type="checkbox"/>	Not affiliated with the Developer
<input checked="" type="checkbox"/>	None (self-managed by the Association)
<input type="checkbox"/>	The Developer or an affiliate of the Developer
<input type="checkbox"/>	Other (explain)

4.2 Estimate of the Initial Maintenance Fees

Estimate of the Initial Maintenance Fees: The Association will make assessments against your unit to provide funds for the operation and maintenance of the condominium project. If you are delinquent in paying the assessments, a lien may be placed on your unit and the unit may be sold through a foreclosure proceeding. Initial maintenance fees are difficult to estimate and tend to increase as the condominium ages. Maintenance fees may vary depending on the services provided.

Exhibit M contains a breakdown of the estimated annual maintenance fees and the monthly estimated maintenance fee for each unit, certified to have been based on generally accepted accounting principles, with the Developer's statement as to when a unit owner shall become obligated to start paying the unit owner's share of the common expenses.

4.3 Utility Charges to be Included in the Maintenance Fee

If checked, the following utilities are included in the maintenance fee:	
<input type="checkbox"/>	Electricity for the common elements

<input type="checkbox"/>	Water
<input type="checkbox"/>	Sewer
<input type="checkbox"/>	TV cable
<input type="checkbox"/>	Other (specify) refuse collection

4.4 Utilities to be Separately Billed to Unit Owner

If checked, the following utilities will be billed to each unit owner and are not included in the maintenance fee:	
<input checked="" type="checkbox"/>	Electricity for the Unit only
<input checked="" type="checkbox"/>	Gas for the Unit only

5.6 Developer's Use of Purchaser Deposits to Pay for Project Construction Costs Before Closing or Conveyance

The Developer is required to deposit all moneys paid by purchasers in trust under a written escrow agreement with a Hawaii licensed escrow depository. Escrow shall not disburse purchaser deposits to the Developer or on behalf of the Developer prior to closing, except if a sales contract is canceled or if Developer has met certain requirements, which are described below.

5.6.1 Purchaser Deposits Will Not Be Disbursed Before Closing or Conveyance

<input checked="" type="checkbox"/>	The Developer hereby declares by checking the box to the left that it shall use its own funds to complete the construction of the condominium project by the date indicated in Section 5.5 of this report, and the Developer, pursuant to its own analysis and calculations, certifies that it has sufficient funds to complete the construction of the condominium project. If the box to the left is checked, Sections 5.6.2, which follow below, will not be applicable to the project.
-------------------------------------	---

5.6.2 Purchaser Deposits Will Be Disbursed Before Closing

Hawaii law provides that, if certain statutory requirements are met, purchaser deposits in escrow under a binding sales contract may be used before closing to pay for certain project costs. For this project, the Developer indicates that purchaser deposits may be used for the following purposes (check applicable box):	
<input type="checkbox"/>	For new construction: to pay for project construction costs described in the Developer's budget and approved by the Developer's lender or an otherwise qualified, financially disinterested person; or
<input type="checkbox"/>	For conversions: to pay for repairs necessary to cure violations of county zoning and building ordinances and codes, for architectural, engineering, finance and legal fees, and for other incidental expenses.

In connection with the use of purchaser deposits (check Box A or Box B):

Box A <input type="checkbox"/>	<p>The Developer has submitted all information and documents required by law and the Commission prior to the disbursement of purchaser deposits before closing. This means that the Developer may use such deposits before closing. If the Developer decides not to use purchaser deposits before closing, the Developer does not need to amend this report.</p> <p>If Box A is checked, you should read and carefully consider the following notice, which is required by law:</p> <p><u>Important Notice Regarding Your Deposits:</u> Deposits that you make under your sales contract for the purchase of the unit may be disbursed before closing of your purchase to pay for project costs, construction costs, project architectural, engineering, finance, and legal fees, and other incidental expenses of the project. While the developer has submitted satisfactory evidence that the project should be completed, it is possible that the project may not be completed. If your deposits are disbursed to pay project costs and the project is not completed, there is a risk that your deposits will not be refunded to you. You should carefully consider this risk in deciding whether to proceed with your purchase.</p>
Box B <input type="checkbox"/>	<p>The Developer has <u>not</u> submitted all information and documents required by law and the Commission, and, until all such information and documents are submitted, thus, the Developer cannot use purchaser deposits.</p> <p>If the Developer later submits all information and documents required by law and the Commission for the use of purchaser deposits, then the Developer must provide an amendment to this report or an amended developer's public report to each purchaser who has signed a sales contract. At such time, the <u>Important Notice Regarding Your Deposits</u> set forth immediately above will apply to all purchasers and will be restated in the amendment to this report or an amended developer's public report. When an effective date for such an amendment or an amended developer's public report is issued, <u>you will not have the right to rescind or cancel the sales contract by reason of such submission and amendment.</u> (This, however, does not affect your right to rescind for material changes or any other right you may have to rescind or cancel the sales contract, as described in Section 5.8 below.) If the Developer decides not to use purchaser deposits before closing, the Developer does not need to amend this report.</p> <p>You should understand that, although the <u>Important Notice Regarding Your Deposits</u> set forth above does not currently apply to you, it might apply to you in the future, and, therefore, you should read and carefully consider it now to ensure that you understand the risk involved in deciding whether to proceed with your purchase.</p>

Material House Bond. If the Developer has submitted to the Commission a completion or performance bond issued by a material house instead of a surety as part of the information provided prior to the use of purchaser deposits prior to closing or conveyance of a unit, the Developer shall disclose the same below and disclose the impact of any restrictions on the Developer's use of purchaser deposits.

5.7 Rights Under the Sales Contract

Before signing the sales contract, prospective purchasers should carefully review all documents relating to the project. These include but are not limited to the documents listed below. Items 2, 3 and 4 are made a part of this public report, as well as Item 5, if any, and are being delivered to you with this report.

3. Bylaws of the Association of Unit Owners (and any amendments)
4. Condominium Map (and any amendments)
5. House Rules, if any

8. Other: Master Declaration of Covenants, Conditions, Restrictions And Easements For Kahu'aina Plantation, Design Guidelines and all documents as set forth in Exhibit H .

5.8 Purchaser's Right to Cancel or Rescind a Sales Contract

A purchaser's right to cancel a sales contract or to rescind a sales contract may arise under varying circumstances. In the sections below, some circumstances that will give rise to a purchaser's right to cancel or rescind are described, together with what a purchaser must do if the purchaser wishes to exercise any of the rights.

5.8.1 When a Sales Contract becomes Binding and Purchaser's 30-Day Right to Cancel a Sales Contract

A sales contract signed by a purchaser and the developer will not become binding on a purchaser or the Developer until the following events have taken place:
(1) The purchaser has signed the sales contract.
(2) The Developer has delivered to the purchaser a true copy of the developer's public report with an effective date issued by the Commission, together with all amendments to the report as of the date of delivery, and the project's recorded Declaration and Bylaws, House Rules (if any), the Condominium Map and any amendments to them to date (all of which are a part of the developer's public report). If it is impracticable to include a letter-sized Condominium Map, the Developer must provide written notice of an opportunity to examine the Condominium Map.
(3) The Developer has delivered to the purchaser a notice of the purchaser's 30-day cancellation right on a form prescribed by the Commission.
(4) The purchaser does at least one of the following: (a) Waives the purchaser's right to cancel the sales contract within 30 days from receipt of the notice of the purchaser's 30-day cancellation right; or

- (b) Allows the 30-day cancellation period to expire without exercising the right to cancel; or
- (c) Closes the purchase of the unit before the 30-day cancellation period expires.

The purchaser or the Developer may cancel the sales contract at any time during the 30-day cancellation period, and the sales contract will be canceled and the purchaser's deposits returned to the purchaser, less any escrow cancellation fee and other costs associated with the purchase, up to a maximum of \$250.

5.8.2 Right to Cancel a Sales Contract if Completion Deadline Is Missed

In addition to the purchaser's 30-day cancellation right described in Section 5.8.1 above, when a sales contract is signed before completion of construction of a project, the purchaser will have the right to cancel if the unit is not completed by certain deadlines. In conversion projects, there must be a deadline for completion of any required repairs. Every sales contract shall contain an agreement of the Developer that the completion of construction shall occur on or before the completion deadline, and that completion deadline is set forth in this report in Section 5.5. The sales contract shall provide that the purchaser may cancel the sales contract at any time after the specified completion deadline, if completion of construction does not occur on or before the completion deadline, as the same may have been extended. Upon a cancellation, the purchaser's deposits shall be refunded, less any escrow cancellation fee and other costs associated with the purchase, up to a maximum of \$250.00.

5.8.3 Purchaser's Right to Rescind a Binding Sales Contract After a Material Change

If a "material change" in a project occurs after a purchaser has signed a sales contract that has become binding, the purchaser will have a 30-day right to rescind after notification and description of the material change. A material change is defined in the Condominium Property Act to be any change that "directly, substantially and adversely affects the use or value of (1) a purchaser's unit or appurtenant limited common elements; or (2) those amenities of the project available for the purchaser's use."

The purchaser will be informed of the material change by the developer on a form prescribed by the Commission containing a description of the material change.

After notice of the material change, the purchaser may waive the right to rescind by:

- (1) Checking the waiver box on the rescission form; or
- (2) Letting the 30-day rescission period expire, without taking any action to rescind; or
- (3) Closing the purchase of the unit before the 30-day rescission period expires.

The rescission form must be signed by all purchasers of the affected unit and delivered to the developer no later than midnight of the 30th calendar day after the purchasers received the rescission form from the developer. Purchasers who validly exercise the right of rescission shall be entitled to a prompt and full refund of any moneys paid.

A rescission right shall not apply in the event of any additions, deletions, modifications and reservations including, without limitation, the merger or addition or phasing of a project, made pursuant to the terms of the project's Declaration.

These provisions shall not preclude a purchaser from exercising any rescission rights pursuant to a contract for the sale of a unit or any applicable common law remedies.

6. MISCELLANEOUS INFORMATION NOT COVERED ELSEWHERE IN THIS REPORT

See Exhibit Q.

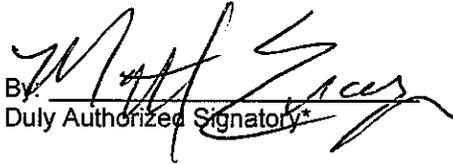

The Developer declares subject to the penalties set forth in Section 514B-69, HRS, that this project conforms to the existing underlying county zoning for the project, zoning and building ordinances and codes and all applicable permitting requirements adopted by the county in which the project is located, all in accordance with Sections 514B-5 and 32(a)(13), HRS.

For any conversion, if any variances have been granted, they are specified in Section 1.14 of this report, and, if purchaser deposits are to be used by the Developer to cure any violations of zoning, permitting requirements or rules of the county in which the project is located, the violation is specified in Section 1.15 of this report, along with the requirements to cure any violation, and Section 5.5 specifies the date by which the cure will be completed.

The Developer hereby certifies that all the information contained in this report and the exhibits attached to this report and all documents to be furnished by the Developer to purchasers concerning the project have been reviewed by the Developer and are, to the best of the Developer's knowledge, information and belief, true, correct and complete. The Developer hereby agrees promptly to amend this report to report and include either or all material facts, material or pertinent changes to any information contained in or omitted from this report and to file annually a report to update the material contained in this report at least 30 days prior to the anniversary date of the effective date of this report.

Certain special use restrictions applicable to Units in the Community, as set forth in this Exhibit G, are contained in Article V of the Master Declaration of Covenants, Conditions, Restrictions and Easements for Kahu'aina Plantation ("Master Declaration"), of which the Community is a subdistrict. The term "Lots" as used herein shall refer to and include Units. All capitalized terms used in this Exhibit G shall have the same meanings as used in the Master Declaration, unless otherwise expressly defined in the Declaration.

1. **Hazardous Materials.** Each Owner and Occupant shall comply with all federal, state and local statutes, regulations, ordinances, or other rules intended to protect the public health and welfare as related to land, water, groundwater, air or other aspects of the natural environment (the "**Environmental Laws**"). 4. **Covenants, Conditions, Restrictions and Easements Applicable to Lots.** Subject to the Declarant's rights as outlined in Section 21.2 of the Master Declaration, the following covenants, conditions, restrictions and reservations of easements and rights shall apply to all Lots, the Owners thereof, and all Occupants:

The Board in its sole discretion shall have the right to determine the existence of any unreasonable annoyance or nuisance under this Master Declaration.

(j) **Waste Water Systems.** All Owners are responsible for installation of individual waste water systems which shall be designed by a Hawaii licensed engineer and approved by the Hawaii State Department of Health. For the purpose hereof, "existing" drainage is defined as the drainage which exists at the time the Lot is conveyed to an Owner by Declarant, or later grading changes which are shown on plans approved by the Design Review Committee. The existing drainage may include drainage from Common Area or other property across any Lot. Each Owner shall maintain the drainage system, if any, constructed by Owner. Each Owner shall be solely responsible for all surface water escaping the Owner's Lot and any and all damages resulting therefrom. This Section shall not be deemed to restrict or otherwise affect rights reserved to Declarant to alter or change drainage patterns within or upon the Property.

(r) **Rental of Lots.** Without limitation of the restrictions specified at Section 5.4(r), an Owner who leases or otherwise grants occupancy rights to such Owner's Lot to any Persons shall be responsible for assuring compliance by the Occupant with all of the provisions of the Master Declaration, any Supplemental Declaration, the Articles, Bylaws, Master Association Rules and Design Guidelines, all as amended and supplemented from time to time, and shall be jointly and severally responsible for any violations by the Occupant thereof.

(s) **Landscaping and Maintenance.** Except as otherwise provided in the Master Declaration and in designated easements which are to be maintained by the Master Association, each Lot Owner shall install and keep all areas within the Buildable Areas, Natural Landscape Areas, and any other designated areas, as provided in the Master Declaration, any Supplemental Declaration, the Articles, Bylaws, Master Association Rules and Design Guidelines, landscaped and shall keep all shrubs, trees, hedges, grass and plantings of every kind located on such Owner's Lot neatly trimmed, shall keep all such areas properly cultivated and free of trash, weeds and other unsightly material and shall maintain all paved and concrete areas, including driveways and parking areas, in good condition and repair. This provision shall not in any way prohibit, restrict or otherwise limit Declarant from subdividing, condominiumizing, separating, consolidating or resubdividing Lots or any other property owned by Declarant.

(z) **Lot Coverage.** Not more than seventeen and one-half percent (17.5%) of each Unit in the Community shall be used for construction of a Farm Dwelling Unit, accessory structures and paved driveways, if any.

Act, all applicable laws, and the Community Documents. Any lease or rental agreement of a Unit shall be in writing and shall provide that it shall be subject in all respects to the provisions of the Community Documents and that the failure of the lessee or tenant to comply with the terms of the Community Documents shall be a default under the lease or rental agreement.

7. **Use of Unit.** An Owner shall not use his or her Unit and/or any appurtenant Limited Common Element for any purpose which will injure the reputation of the Community or suffer anything to be done or kept in his or her Unit or elsewhere in the Community which will (a) jeopardize the soundness of any building in the Community, (b) create a nuisance or interfere with or unreasonably disturb the rights of other Owners and occupants, (c) increase the rate of fire insurance on any structure or the contents of any structure, or (d) reduce the value of the Community or any structure in the Community.

EXHIBIT L

Section 3.6 -- Rights Reserved by Developer to Make Changes to the Condominium Project or Condominium Documents

THIS SUMMARY IS NOT INTENDED TO BE A THOROUGH AND EXHAUSTIVE EXPLANATION OF ALL OF THE RIGHTS RESERVED BY DEVELOPER UNDER THE CONDOMINIUM DOCUMENTS CONTAINED IN THE DECLARATION, BYLAWS, CONDOMINIUM MAP AND OTHER CONDOMINIUM DOCUMENTS. WHILE A PURCHASER CAN USE THIS SUMMARY AS A GENERAL SUMMARY OF SUCH RESERVED RIGHTS, PURCHASER SHOULD REFER TO THE DECLARATION TO DETERMINE THE ACTUAL RIGHTS RESERVED BY DEVELOPER. IF ANY CONFLICT OR DIFFERENCES EXISTS BETWEEN THIS SUMMARY AND THE DECLARATION, THE DECLARATION WILL CONTROL. CAPITALIZED TERMS USED HEREIN, UNLESS OTHERWISE DEFINED HEREIN, SHALL HAVE THE MEANINGS GIVEN TO THEM IN THE DECLARATION.

Developer has the right to change the condominium documents for any of the following reasons or purposes:

1. Easement and Reserved Rights Exercisable by Declarant. Declarant shall have the right to designate, grant, convey, transfer, cancel, relocate and otherwise deal with any easements over, under, across or through the Common Elements of the Community or Private Yard Areas for any reasonable purpose, which may include, but shall not be limited to, those purposes which are necessary for the operation, care, upkeep, maintenance or repair of any Unit, the Common Elements or any easements for utilities or for any public purpose. Notwithstanding anything to the contrary contained in the Declaration, Declarant may exercise rights reserved to it under the Declaration without the requirement that it satisfy conditions applicable to the exercise of any right available to the Association.

2. Declarant's Reserved Rights Concerning Easements. Declarant reserves a present easement over the whole of the Common Elements, together with the right for itself and its successors and assigns, to designate, grant, convey, transfer, cancel, relocate, reserve or otherwise deal with any easements, licenses, and rights of way at any time for utilities, any public-type facility (mailboxes and the like), private sanitary and storm sewers, cable television transmission facilities, party walls (including the creation of the same on the Community boundaries, refuse disposal, landscape, maintenance, driveways, parking areas, access roadways and other similar purposes, on, over, across, under and through the Common Elements of the Community and the Private Yard Areas. Without limiting the generality of the foregoing, Declarant reserves the right to utilize any common roadway and utility facilities (including without limitation water, private sewer, electrical, telephone, and cable) described in the prior sentence (such as, but not limited to, waterlines, private sewer lines access roadways and the like) whether located in designated easement areas or otherwise, together with the right of entry to construct, reconstruct, operate, maintain, repair and relocate such lines, access roadways and the like) whether located in designated easement areas or otherwise, together with the right of entry to construct, operate, maintain, repair and relocate such lines, facilities and appurtenances and to grant any such easements or rights of way to governmental or quasi-governmental authorities, utility or service companies, homeowner's associations or other entities and the right to grant, dedicate, designate, use and enjoy easements and/or rights-of-way for access purposes (including for vehicular and pedestrian access). Declarant may, in its discretion, complete any construction of intended facilities in advance of the designation or creation and granting of the easement covering the facilities so constructed. The rights reserved to Declarant include specifically without limitation the right to utilize any utility service to the Community to complete such construction, to perform warranty or punchlist repair services within the Community and to serve adjacent and separate developments outside of the Community provided Declarant with respect to such separate and/or adjacent communities submeters such use, and may use roadways in the Community to serve adjacent developments provided the Association controlling such development shares pro rata in the cost of maintenance and repair of the roadway and reimburses the Association for any submetered use (such

as water service), the Association shall be entitled to confirm submeter readings. Each Owner, by purchasing a Unit, consents to any such designation, granting, conveyance, transfer, cancellation, relocation and reservation of easements and/or rights of way as provided above without the necessity of any Owner or those claiming by, through or under an Owner entering into any further agreement respecting such action or document; provided, however, that such Owner and those claiming by, through or under an Owner agrees to join in and execute such documents and instruments and do such other things as may be necessary or convenient to effect the same promptly at the request of Declarant without payment of additional consideration.

3. Declarant's Easement to Conduct Extensive Sales Activities. Declarant, and its agents, successors, mortgagees and assigns, shall for the benefit of the Community have the right and an easement to conduct extensive sales activities on and at the Community, including the use of any Unit owned by Declarant (and any other Unit, with the express permission of the Owner of such Unit) and the Common Elements (excluding Limited Common Elements appurtenant to other Units) for model homes, sales and management offices, parking and extensive sales displays and activities, and the posting and maintenance of signs and other advertisements relating to such sales activities. Without limitation of the foregoing, Declarant reserves, for itself and its successors and assigns, the right during the course of Declarant's sales of Units in the Community to supplement, modify and amend the estimated breakdown of annual maintenance fees and estimated cost of assessment to each Unit, as Declarant deems appropriate, to reflect changes in estimated expenses applicable to ownership of Units attributable to the increase in cost of service or modification of proposed service to the Association reflected in the budget for annual maintenance fees. Upon such modifications, Declarant may supplement and amend its public report applicable to the Community, which modification shall not be deemed material any respect.

4. Declarant's Easement to Complete Construction and Make Repairs. Declarant and its agents, employees, contractors, licensees, successors, mortgagees and assigns shall have an easement over, under and upon any portion of the Community, including the Common Elements, any utility service, Limited Common Elements and any Unit, as may be reasonably necessary for the inspection of and for the completion of Improvements to and correction of defects and other "punchlist" items in the Unit or Private Yard Area or the Community. The rights reserved in this Section shall continue until ten (10) years after the later of: (i) the Recording of the "as built" verified statement required by Section 514B-34 of the Act; and (ii) the "date of completion" of the Improvements as defined in Section 507-43(f), Hawaii Revised Statutes of the last increment constructed in the Community.

5. Declarant's Reserved Right Regarding Grading and Drainage Channels. Declarant hereby reserves to itself and the Association, and their respective officers, agents, employees, successors, and assigns, an easement to enter upon, across, over, in and under any portion of the Community, including Private Yard Area, for the purpose of changing, correcting, or otherwise modifying the grade or drainage channels of any portion of the Community for all reasons determined appropriate by Declarant, including without limitation so as to improve the drainage of water on the Community. Reasonable efforts shall be made to use this easement so as to disturb as little as possible the uses of the Owners, the Association and Declarant, as applicable, to prosecute such drainage work promptly and expeditiously, and to restore any areas affected by such work to a slightly and usable condition as soon as reasonably possible following such work. The rights reserved in this Section shall continue until ten (10) years after the later of: (i) the Recording of the "as built" verified statement required by Section 514B-34 of the Act; or (ii) the "date of completion" of the improvements as defined in Section 507-43(f), Hawaii Revised Statutes of the last increment constructed in the Community.

6. Declarant's Right for Roadway and Utility Purposes. Declarant hereby reserves an easement for roadway and utility purposes on and over the Community Access Roads as shown on the Condominium Map. Without limitation of Declarant's rights under the Declaration, Declarant further reserves the right to grant to the County of Kauai Island Utility Cooperative ("KIUC"), the Board of Water Supply, any private water supplier, any utility, or any agency or organization acting on their behalf any or all of the easement areas designated under the Condominium Map or in the Declaration, without joinder or consent of, or notice to, the Association, any Owner, or any Owner's Mortgagee.

7. **Minor Alterations to the Community.** Declarant shall have the absolute right, notwithstanding the lease, sale, or conveyance of any Unit and without being required to obtain the consent or joinder of or provide notice to any Unit Owner, lien holder, or other persons, to make other alterations in the Community (and to amend the Declaration and the Condominium Map accordingly) which make minor changes in any Unit in the Community or in the Common Elements that do not affect the physical location, design, or size of any Unit that has been sold and the conveyance thereof Recorded.

8. **Right of Inspection.** Declarant reserves the right, but not the obligation, to make any inspection of the Common Elements, Limited Common Elements, or Units.

9. **No Limitation to Right to Construct Units.** Nothing in the Declaration shall be deemed to or otherwise limit or inhibit the Declarant's ability to construct all Units in the Community in accordance with the Declaration and the Condominium Map, as the same may be amended.

10. **Nonexclusive Easements.** Each Unit shall have appurtenant thereto nonexclusive easements in the Common Elements designed for such purposes for ingress to, egress from, utility services for and support of, maintenance and repair of each such Unit and for use of the other Common Elements according to their respective purposes, subject always to the exclusive use of the Limited Common Elements as provided herein.

11. **Encroachments.** If any part of the Common Elements now or hereafter encroaches upon a Unit or Limited Common Element appurtenant to a Unit, or if a Unit or any Improvement thereon now or hereafter encroaches upon another Unit, the Limited Common Element appurtenant to another Unit or upon a portion of the Common Elements, an easement shall exist for such encroachment and its maintenance for so long as the encroachment continues. If any Improvements of the Community are partially or totally destroyed and then rebuilt, or if a minor shift or settlement of an Improvement occurs, easements shall exist for minor encroachments by parts of the Common Elements upon a Unit or Limited Common Element or by a Unit or Limited Common Element upon parts of the Common Elements and for their maintenance for so long as the encroachments continue.

12. **Access to Units and/or Limited Common Elements.** The Association shall have the irrevocable right, exercisable by the Board of Directors or the Managing Agent, if any, to have access to and enter each Unit and/or the Limited Common Elements from time to time during normal hours as may be necessary for the operation of the Community or for the installation, repair, maintenance or replacement of any Common Elements, or at any time for making emergency repairs which may be necessary to prevent damage to any Unit or the Common Elements.

13. **Easements in Common.** Each Owner shall have an easement in common with the Owners of all of the other Units to use all pipes, wires, ducts, cables, conduits and public utility lines and other Common Elements located in another Unit and serving such Owner's Unit. Each Unit shall be subject to an easement for necessary and reasonable access to any Common Elements located in the Unit in favor of the Owners of all other Units served by such Common Elements.

14. **Community Access Road(s).** Each Owner shall have a non-exclusive right to enter upon and use for ingress and egress purposes the Community Access Road(s) serving the Community. Declarant hereby discloses and each Owner acknowledges that (i) Owners shall only have a license to use any portion of the Community Access Roads that may be removed or withdrawn from the Community Land, (ii) the Community Access Roads will serve the Master Association Community Improvements and agricultural endeavors on adjacent lands, and (iii) the Declarant intends and shall have the reserved right to use the Community Access Road(s) to conduct and perform its construction and sales activities within the Community and within the Master Association Community until all of the Units have been completed and sold and (iv) the Community Access Road(s) will be used for access and utilities purposes by other Owners in the Community. These activities may result in noise, vibration and other nuisances and hazards, including traffic congestion and temporary impairment of access to portions of the Community, and each Owner covenants that such Owner assumes all risks associated with the Owner's use of the

road(s). The provisions of the Declaration and the Master Declaration shall apply to and govern each Owner's use of the road(s) unless and until such time as it is dedicated to the County and/or State and removed from the Community Land by amendment to the Declaration. However, notwithstanding the Declarant's reservation of the right to dedicate such roads, such road(s) may not be dedicated and the road(s) may not be constructed with the intent to dedicate. Each Owner shall indemnify and hold harmless Declarant, its successors and assigns, from and against any and all claims and demands for damages made by, through or under such Owner in connection with the right of entry granted by Declarant to such Owner.

15. Reciprocal Easements of Encroachment. There shall be reciprocal appurtenant easements of encroachment as between adjacent Units due to the unintentional placement or settling or shifting of the Improvements constructed, reconstructed, or altered thereon (either initially by Declarant or subsequently in accordance with the terms of the Declaration) to a distance of not more than one foot, as measured from any point on the common boundary between said adjacent Units, along a line perpendicular to such boundary at such point; provided, however, in no event shall an easement for encroachment exist if such encroachment occurred due to willful and knowing conduct or negligence (e.g. failure to have a survey done prior to construction) on the part of an Owner, occupant or the Association. Any such easements for encroachment shall be for the encroachment and for the maintenance thereof (including access to and from the encroachment).

16. Enforcement. If any one or more of the provisions of this Section shall be declared to be contrary to law, then such provision or provisions shall be null and void and shall be deemed separable from the remaining provisions of this Section and shall in no way affect the enforceability of any other provision hereof.

17. Assignment of Declarant's Rights. The rights of the Declarant under this Section shall extend to the Declarant and its respective successors and assigns. Without limitation of the foregoing, Declarant may, by Recorded instruments or by Supplemental Declaration, assign or partially assign, while retaining equivalent rights to Declarant, to any assignee, including without limitation the Association, any one or more of the rights and easements reserved to Declarant under Section E of the Declaration and its subparts (or otherwise reserved to Declarant in the Declaration).

18. Amendment by Declarant. Declarant reserves and shall have each of those rights to amend the Declaration and Condominium Map specified in Section E of the Declaration. Further, Declarant shall have the absolute right, notwithstanding the lease, sale, or conveyance of any Unit and without being required to obtain the consent or joinder of or provide notice to any Unit Owner, lien holder, or other persons, to amend the Declaration and the Condominium Map as necessary or convenient to describe any new Improvements constructed on the Property in accordance with the Declaration and to make such amendments to the Declaration as are appropriate in accordance with Section E of the Declaration

19. No Amendment by Others. The Declaration cannot be amended to modify or eliminate the easements or other rights reserved to Declarant by this or any other Section without the prior written consent of Declarant, and any attempt to do so shall have no effect and shall be void ab initio.

27. Consent, Power of Attorney, Waiver. By acceptance of a deed, lease or other conveyance of an interest in a Unit, each and every Owner or other person or entity acquiring such interest, including the holders of mortgage liens on individual Units, consents to the rights reserved to Declarant in the Declaration, including but not limited to, the right to prepare, execute, file, process and Record necessary and appropriate documents and other items to establish and grant easements and to make necessary and appropriate amendments of the Declaration pursuant to Section S of the Declaration, the Condominium Map and the Bylaws. By such acceptance, each and every Owner or party acquiring such interest, including the holders of mortgage liens on individual Units, agrees to execute all documents and to do all other things as may be necessary or convenient to effect the same; and such acceptance shall be deemed an appointment of Declarant, with full right of substitution, as the

attorney-in-fact of such Owner or acquiring party to execute such documents and to do such things on such Owner's or acquiring party's behalf; and such appointment, being coupled with an interest, shall be irrevocable for the specific period(s) of Declarant's reserved rights as set forth in the Declaration and shall not be affected by the disability of any such Owner or acquiring party.

28. Reserved Right to Modify Community to Comply with Law. Declarant shall have the reserved right, to effect such modifications to the Units and Common Elements in the Community and/or to execute, record and deliver any amendments to the Declaration, the Condominium Map as well as the Bylaws and rules and regulations promulgated thereunder, as may be necessary or required to effect compliance by the Community, the Association, or by Declarant with laws which apply to the Community, including, without limitation, State and County land use laws, the Fair Housing Act, as amended, 42 U.S.C. §§ 3601 et seq., including any and all rules and regulations promulgated thereunder, and the Americans With Disabilities Act, as amended, 42 U.S.C. §§ 12101 et seq., including any and all rules and regulations promulgated thereunder. The rights of Declarant under the Section may be assigned to the Association, without the consent of joinder of the Board.

29. Declarant's Reserved Right to Remove the Community From the Act. Declarant reserves and shall have the right, or its authorized representatives shall have the right, in their respective sole and absolute discretion and without being required to obtain the consent or joinder of, or provide notice to, any person or group of persons, except a Unit purchaser(s) to remove this Community from the purview of the Act and terminate the condominium property regime, by Recording an instrument to that effect at any time prior to the Recording of the first Unit conveyance.

30. Community Access Roads. Each Owner acknowledges that the Declarant has the sole and absolute right as set forth in the Master Declaration to dedicate the Community Access Roads, or any portion thereof, to County, the State of Hawaii or any other governmental authority. Owner's non-exclusive right to enter and use the Community Access Roads shall automatically terminate upon dedication of the Community Access Roads with respect to all or any portion or portions to the County, the State of Hawaii or any other governmental authority. The Community Access Roads shall not be dedicated to the County unless and until they are constructed in compliance with applicable County and governmental laws, ordinances, rules, regulations and standards which are required as a condition of the acceptance by the County of the dedication of public roads. The minimum right-of-way for the Community Access Roads as required by the County may not be reduced without the County's prior written consent. The Association and/or Owners may not alter the Community Access Roads and/or the planting strips adjacent to the sidewalks (e.g. Owners may not remove trees, alter existing landscaping or install any ground cover such as gravel and/or concrete) or in any way affect or impede Declarant's right to dedicate the roads and/or easements to the County, the State of Hawaii, or any other governmental authority. Should the Association or an Owner make any alterations to the Community Access Roads or right of way (including without limitation the roads or the planting strip and sidewalk), Declarant may demand the removal of the alteration. If the Association or an Owner fails to remove and restore the altered area to its original condition, the Declarant, the Association or their respective designee shall have the right to enter the Unit, remove the violation and restore the area to substantially the same condition as existed prior to the nonconforming alteration. The Owner shall be liable for all costs thereof (including attorneys fees, notwithstanding any other provision to the contrary herein contained) together with interest thereon at the maximum rate then allowed by law. Any reimbursable sum not paid by Owner to Declarant following demand therefor, shall constitute a lien on the Owner's Unit, enforceable as a mortgage lien through foreclosure. Although Declarant may exercise rights under this provision, Declarant shall have no obligation or responsibility to enforce this provision or any other of the Declarant. The Declarant may fully or partially assign its rights under this provision to the Master Association. Until the Community Access Roads are dedicated as aforesaid, (a) the provisions of the Declaration and Master Declaration shall apply to and govern each Owner's use of the Community Access Roads, and (b) each Owner shall indemnify and hold harmless the Declarant, its successors and assigns, from and against any and all claims and demands for damages made by, through or under such Owner in connection with the right of entry granted by Declarant to such Owner pending dedication as aforesaid.

Section 4.2 -- Estimate of the Initial Maintenance Fees

THIS EXHIBIT IS NOT INTENDED TO BE A THOROUGH AND EXHAUSTIVE EXPLANATION OF THE ESTIMATE OF THE INITIAL MAINTENANCE FEES CONTAINED IN THE DECLARATION, BYLAWS, CONDOMINIUM MAP AND OTHER CONDOMINIUM DOCUMENTS. WHILE A PURCHASER CAN USE THIS AS A GENERAL SUMMARY, PURCHASERS SHOULD REFER TO THE CONSTITUENT DOCUMENTS OF THE COMMUNITY. IF ANY CONFLICT OR DIFFERENCE EXISTS BETWEEN THIS EXHIBIT AND THE DECLARATION, BYLAWS, CONDOMINIUM MAP OR OTHER DOCUMENTS OF THE COMMUNITY, SUCH DOCUMENTS WILL CONTROL. CAPITALIZED TERMS USED HEREIN, UNLESS OTHERWISE DEFINED HEREIN, SHALL HAVE THE MEANINGS GIVEN TO THEM IN THE DECLARATION.

Units 9A and 9B together comprise a subdivided lot located in the Plantation Community, as defined in the Declaration. The estimated initial maintenance fees for Units 9A and 9B is 50% each of the estimated maintenance fee disbursement for Lot 9 of the Plantation Community.

The Estimated Maintenance Fee Disbursements for the Plantation Community have been compiled by Hawaiiiana Management Company, Ltd., a licensed property manager, assuming that all units in the Community as reflected on the Condominium Map are constructed. The budget numbers are preliminary in nature and may increase substantially with the addition of expanded landscape and agricultural activities undertaken within the common area of the Master Association or the common elements of the Community Association. Given that the budget numbers are preliminary in nature, and despite the property manager's every effort to estimate the actual cost of operation, certain budget items, especially insurance in today's insurance market, may change.

Consequently, Purchaser is aware that such amounts are only estimates and may change for reasons beyond the control of Developer, and Purchaser hereby specifically accepts and approves any such changes. Purchaser is also aware that such estimates do not include Purchaser's obligation for payment of real property taxes. Purchaser understands that such estimates are not intended to be and do not constitute any representation or warranty by Developer, including but not limited to any representation or warranty as to the accuracy of such estimates. Purchaser understands that Developer has not independently confirmed the accuracy or content of the estimates prepared by the licensed independent managing agent. Further, Developer advises that costs and expenses of maintenance and operation of a condominium community are very difficult to estimate initially and even if such maintenance charges have been accurately estimated, such charges will tend to increase in an inflationary economy and as the improvements age. Maintenance charges can vary depending on services desired by unit owners and may increase significantly depending on the level of services eventually selected by the Association's Board of Directors. Purchaser should examine the maintenance charges schedule to see what services are included in the schedule and address these issues with its Board upon its formation. Purchasers should also be aware that the estimates provided are as of the date reflected in the Managing Agent's certification and do not reflect the actual charges that may be incurred upon the formation of the Association and the actual contracting for such services such as insurance and maintenance, etc.

Developer intends to pay all of the actual common expenses for the Units and the Unit Owner shall not be obligated for the payment of the Owner's share of the Common Expenses until such time as Developer causes a thirty (30) day advance written notice to be sent to the Owners that, after a specified date, the Unit Owners shall be obligated to pay for the portion of Common Expenses that is allocated to their respective Units. Developer shall mail the written notice to the Owners, the Association, and the Managing Agent, if any, at least thirty (30) days before the specified date.

The estimate of the initial annual maintenance fees and monthly estimated Maintenance fees is attached hereto.

Section 5.1 -- Summary of Pertinent Provisions of Sales Contract

THIS SUMMARY IS NOT INTENDED TO BE A THOROUGH AND EXHAUSTIVE EXPLANATION OF ALL TERMS AND PROVISIONS CONTAINED IN THE PURCHASE AGREEMENT. WHILE A PURCHASER CAN USE THIS SUMMARY AS A GENERAL SUMMARY OF PURCHASER'S RIGHTS AND OBLIGATIONS UNDER THE PURCHASE AGREEMENT, PURCHASER MUST REFER TO THE PURCHASE AGREEMENT TO DETERMINE PURCHASER'S ACTUAL RIGHTS AND OBLIGATIONS. IF ANY CONFLICT OR DIFFERENCE EXISTS BETWEEN THIS SUMMARY AND THE PURCHASE AGREEMENT, THE PURCHASE AGREEMENT WILL CONTROL. CAPITALIZED TERMS USED HEREIN, UNLESS OTHERWISE DEFINED HEREIN, SHALL HAVE THE MEANINGS GIVEN TO THEM IN THE DECLARATION.

The form Purchase Contract (formerly known as the Deposit, Receipt, Offer and Acceptance) approved by the Hawaii Association of Realtors will be used for the sale of Units in the Community. The Purchase Contract contains the price and other terms and conditions under which a purchaser will agree to buy a Unit in the Community. Among other things, the Purchase Contract states:

- (a) The total purchase price, method of payment and additional sums which must be paid in connection with the purchase of a Unit.
- (b) The agency disclosure in Section A.
- (c) The Closing conditions and escrow in paragraphs C-5 through C-11A. The Purchase Contract provides that time is of the essence.
- (d) The financing contingencies in paragraphs C-24 through C-26. Purchaser's obligation to buy the Unit is contingent upon Purchaser obtaining the loan described in the Purchase Contract. Purchaser shall act in good faith to obtain the loan as described in this Purchase Contract. Should Purchaser fail to satisfy any financing obligation within the time period specified, Seller shall have the right to terminate the Purchase Contract. A Purchaser's failure to meet financing obligations is not grounds for extending the closing date.
- (e) The termination provisions in paragraphs C-28 through 31. If a matter arises that had not been previously known, and the parties are unable to reach an agreement on a remedy, then the Purchase Contract may be terminated with neither party being "at fault." This allows the parties to terminate the contract without any further liability.
- (f) If any dispute or claim arises out of the agreement, the parties agree to non-binding mediation and arbitration, as specified in paragraphs C-32 through 34.
- (g) That a Preliminary Title Report will be delivered to Purchaser by Seller, as specified in paragraphs C-35 through 37.
- (h) That Seller will make required disclosures about the Unit and the Community, pursuant to paragraphs C-44 through C-50.
- (i) That the Seller will provide Purchaser with all applicable documents listed in paragraph C-64.
- (j) The Purchase Contract contains a separate Purchase Contract Addendum, describing the condition of the Community land and any changes to the Purchase Contract.

The Purchase Contract contains various other important provisions relating to the purchase of a Unit in the Community. Purchasers and prospective purchasers should carefully read the specimen Purchase Contract on file with the Real Estate Commission. Unless otherwise defined herein, all capitalized terms used herein shall have the same meanings given them under the Purchase Contract.

Section 5.1 -- Summary of Pertinent Provisions of Escrow Agreement

THIS SUMMARY IS NOT INTENDED TO BE A THOROUGH AND EXHAUSTIVE EXPLANATION OF ALL TERMS AND PROVISIONS CONTAINED IN THE ESCROW AGREEMENT. WHILE ONE CAN USE THIS SUMMARY AS A GENERAL SUMMARY OF THE ESCROW AGREEMENT, ONE MUST REFER TO THE ACTUAL ESCROW AGREEMENT TO DETERMINE THE RIGHTS AND OBLIGATIONS OF THE PARTIES. IF ANY CONFLICT OR DIFFERENCE EXISTS BETWEEN THIS SUMMARY AND THE ESCROW AGREEMENT, THE ESCROW AGREEMENT WILL CONTROL AND NOT THIS SUMMARY. CAPITALIZED TERMS USED HEREIN, UNLESS OTHERWISE DEFINED HEREIN, SHALL HAVE THE MEANINGS GIVEN TO THEM IN THE DECLARATION.

The Escrow Agreement sets up an arrangement under which the deposits a purchaser makes pursuant to a Sales Contract will be held by a neutral party ("Escrow"). Under the Escrow Agreement, these things will or may happen:

- (a) Developer will give Escrow a signed copy of the Sales Contract and Purchaser's deposit towards the purchase price of a Unit. If the Purchaser gets a mortgage loan, the money from the loan will be paid to Escrow, along with the lender's mortgage for recording, and Escrow shall follow the lender's instructions.
- (b) Developer will notify Escrow each time the Sales Contract requires a payment. Escrow will then contact each Purchaser and ask for that payment to be made to Escrow. Purchaser will be asked to make all payments to Escrow on the date designated in the written notice or not later than five (5) business days after Purchaser has received Escrow's written notice.
- (c) Escrow will set the time (in accordance with Sales Contract and Developer's instruction to pre-close) for taking in all money from each Purchaser and for the signing of all of the documents that each Purchaser must sign to complete the purchase, except for the mortgage documents, which may be signed at the lender's place of business.
- (d) Unless any of the Sales Contracts show different instructions, Developer will get all of the interest earned on Purchaser's deposits. Escrow will deposit the payments it gets from Purchaser into an interest bearing account one or more times each week.
- (e) The Sales Contract states when refunds of deposits may be made to Purchaser. In the case where Purchaser requests a refund, Escrow shall notify Developer of such request. Refunds to Purchaser will be made without any interest unless the Sales Contract contains different instructions.

The Escrow Agreement also establishes the procedures for the retention and disbursement of a purchaser's funds and says what will happen to the funds upon a default under the Sales Contract. The Escrow Agreement contains various other important provisions and establishes certain charges with which a Purchaser should be familiar. Purchasers and prospective purchasers should carefully read the signed Escrow Agreement on file with the Real Estate Commission. A copy is available at Developer's sales office. The Escrow Agreement contains the following provisions (which may be modified or otherwise limited by provisions not set forth below):

1. As and when Developer enters into a Sales Contract, Developer will give Escrow a signed copy of the Sales Contract and Purchaser's deposit towards the purchase price of a Unit. The Sales Contract

will require Purchaser to pay to Escrow all other payments of the purchase price required under the Sales Contract. If Purchaser gets a mortgage loan, the money from the loan will be paid to Escrow, along with the lender's mortgage for recording, and Escrow shall follow the lender's instructions. The Sales Contract will show the correct name and address of each Purchaser. If a Sales Contract is signed and the sale occurs in a state other than Hawaii, the Sales Contract will show the place where the sale occurs.

2. Escrow will put all of the money it gets from Purchaser in one or more special accounts (the "Escrow Deposit Account"). The Escrow Deposit Account will be deposited only at a depository designated by Developer or in banks or savings and loan institutions in Hawaii that are insured by the federal government as directed by Developer. The place, or places, where the Escrow Deposit Account is set up will be chosen by Escrow, unless otherwise selected or directed by Developer. Unless any of the Sales Contracts show different instructions, Developer will get all of the interest earned on the Escrow Deposit Account. Escrow will deposit the payments it gets from Purchaser into the Escrow Deposit Account one or more times each week, so that the funds may earn the maximum interest.

3. Notwithstanding anything in the Escrow Agreement to the contrary, if Developer has submitted to the Real Estate Commission a material house bond securing the construction of improvements in the Community, the following provision shall apply:

(i) Purchaser's money shall not be disbursed to pay for construction costs or other expenses of the Community until the Unit to be conveyed has been completed and the Deed to Purchaser has been recorded; and

(ii) If closing is to occur prior to the expiration of the applicable mechanic's lien period, Seller shall provide Buyer with a mechanic's lien endorsement to Buyer's owner's title insurance policy that protects Buyer against all future mechanic's and materialmen's liens. Further, Seller shall confirm to Escrow that Seller has provided the Real Estate Commission with a release by the general contractor of the contractor's lien rights and shall further provide to Escrow all applicable indemnities required by the title insurance company that protects against all future mechanic's and materialmen's liens.

4. The Sales Contract states when refunds of deposits may be made to Purchaser. In the case where Purchaser requests a refund, Escrow shall notify Developer of such request. Escrow may refund the deposit to Purchaser, less any cancellation or other fees to which Escrow is entitled, only after receiving written approval from Developer. In all other cases, Escrow shall not make any refund to a Purchaser who asks for it unless Escrow receives written approval from Developer or from a court of competent jurisdiction. The words "cancellation fees" mean Escrow's cancellation fees which are described in the Sales Contract and are described later in the Escrow Agreement. Fees for cancellation may also be charged by the lender who has agreed to lend Purchaser money to buy the Unit. The Sales Contract states the instances when Escrow is to subtract cancellation fees from the amount to be refunded unless Developer tells Escrow not to charge the cancellation fees.

5. Escrow shall give each Purchaser who is to get a refund written notice of the refund. Escrow will send this notice by registered or certified mail to Purchaser at the address shown on Purchaser's Sales Contract or to the last address which Purchaser may have given to Escrow.

6. Developer shall give notice in writing to Escrow of the occurrence of each event that initiates an obligation of a Purchaser to make a payment to Escrow pursuant to the sales contract as well as notice of the amount and due date of such payment. If the Purchaser fails to make such payment to Escrow on or before the due date thereof or if the Purchaser fails to perform in any matter that is being handled by Escrow, Escrow shall promptly notify Developer of any such failure on the part of the Purchaser. If Developer subsequently certifies in writing to Escrow that Developer has terminated the sales contract in accordance with the terms thereof and provides to Escrow copies of all such notices of termination sent to the Purchaser, Escrow shall thereafter treat all funds of the Purchaser paid on account of such Purchaser's sales contract as funds of Developer and not as funds of the Purchaser. Thereafter, such funds shall be free of the escrow established by this Agreement and shall be held by Escrow for the account of Developer. Upon written request by Developer, Escrow shall pay such funds to Developer,

less any escrow cancellation fee. Escrow shall thereupon be released from any further duties or liability hereunder with respect to such funds and such Purchaser.

6. Escrow will set the time (in accordance with Sales Contract and Developer's interest to pre-close) for taking in all money from each Purchaser and for the signing of all of the documents that each Purchaser must sign to complete the purchase, except for the mortgage documents, which may be signed at the lender's place of business. The conveyance tax certificates, preliminary closing statements, escrow instructions and final closing statements will be prepared by Escrow, and Escrow will do all of the escrow acts required under the Escrow Agreement or any other written agreements between Developer, Purchaser and Escrow. Escrow will give Purchaser and Developer copies of HARPTA and FIRPTA forms, or provide the online link to obtain copies of those forms, with a recommendation that the parties seek appropriate counsel to complete the forms. Escrow will coordinate with Purchaser's lender, the title companies and all others who are a part of the purchase so that closing will occur at a suitable time. Escrow agrees to close all of the sales at the same time or individually from time to time, as directed by Developer. "Closing" is complete when all necessary conveyance and financing documents to complete a purchase are recorded in the appropriate Hawaii recording office. After all documents have been signed, Escrow will close on the closing date as agreed to in the Sales Contract only if:

- (i) The required money has been paid to Escrow;
- (ii) All necessary documents can be recorded, as appropriate;
- (iii) All mortgages having to do with the purchase can be recorded and/or filed, following the lender's instructions; and
- (iv) All necessary releases can be recorded so that the Unit is conveyed free and clear of all blanket liens in accordance with the Condominium Law.

Certain capitalized terms used in this Exhibit Q shall have the same meanings given them in the Master Declaration of Covenants, Conditions, Restrictions and Easements for Kahu'aina Plantation, if expressly defined therein.

1. All buyers should be aware that the Community is within and a part of the master planned community known as Kahu'aina Plantation, and is subject to certain conditions and restrictions contained in various documents that affect the Community, including but not limited to: (i) the covenants, conditions, restrictions, reservations, agreements, obligations and other provisions contained in the Master Declaration of Covenants, Conditions, Restrictions and Easements for Kahu'aina Plantation, as the same may be amended and/or supplemented ("Master Declaration"); (ii) any Bylaws of the Kahu'aina Plantation Community Association; (iii) Design Guidelines; (iv) Agricultural Master Plan; (v) Master Association Rules, if any. 3. It is the intent of the Declarant under the Master Declaration to subdivide the Property and adjacent properties into multiple subdivided lots of record, with and subject to the approval of the County of Kauai Planning Commission and possibly to develop or permit the development of additional dwelling or Farm Dwelling Units on some or all of the subdivided Lots. The Declarant is hereby authorized, without the consent or joinder of any other person, to file, execute, record, pursue and obtain such applications, permits authorizations, agreements, petitions and other instruments, and to take any and all other actions, in furtherance of such intended subdivision and development, provided that such actions are consistent with all applicable governmental laws, ordinances, rules, regulations and agreements, and are consistent with the terms and conditions of the Declaration and the Community Documents. If, despite the provisions of this paragraph, any governmental agency shall require a Unit Owner to sign any necessary instruments, then the Unit Owner shall be required to sign such instruments as may be necessary or desirable to allow Declarant to obtain any governmental permit or approval authorized by this Section. If an Owner wrongfully refuses to sign such permits, petitions or related instruments, or provide the Declarant with the necessary authorization the Unit Owner shall be liable to the Declarant for all damages

The Agricultural Subdivision Agreement provides that each Owner acknowledges and agrees that each Owner shall indemnify, defend and hold the County of Kauai, the Developer and the Master Association harmless from and against any and all claims arising out of the failure of the Owner to comply with the Agricultural Master Plan and/or Hawaii Revised Statutes, Chapter 205 as determined by the County of Kauai Planning Department, and that the County of Kauai and the State of Hawaii shall have the right to refuse to grant any permits or approvals for uses or development on any Unit affected by such noncompliance unless and until the noncompliance is cured, as determined by the County of Kauai Planning Department.

6. Developer may revise the specimen deed and sales contract for the Community to conform with any future amendments that may be made to the Declaration of Condominium Property Regime for the Community and/or the Master Declaration.

7. Pursuant to the Master Declaration, Declarant shall have the right and reserves the right to unilaterally at any time annex additional real property or remove and release any portion of the Property from coverage of the Master Declaration, provided that: (i) Declarant, or an affiliate of Declarant, is the owner of such portion of the property to be so removed and released; and (ii) a Notice of Withdrawal of Property, executed by Declarant, is recorded. Each Owner consents to any such creation, designation, granting, deletion, cancellation, relocation, reassignment, conveyance, transfer, and reservation of easements and/or rights of way as provided above without the necessity of the joinder or consent of the Owner or the Owner's mortgagee, or those claiming by, through or under an Owner, entering into any further agreement respecting such action or document; provided, however, that such Owner and those claiming by, through or under an Owner, agrees to join in an execute such documents and instruments and do such other things as may be necessary or convenient to effect the same promptly at the request of Declarant without payment of additional consideration. Upon request by an Owner, Declarant shall execute and Record an estoppel certificate that shall limit the rights provided in this Section so that easements hereunder may only be taken through certain utility corridors as set forth in the estoppel certificate. The rights reserved in this Section shall continue until December 31, 2030 (which date may be extended to the extent that Declarant shall experience delays in development of any additional phase or increment of the Community, for reasons beyond Declarant's reasonable control, but in no event beyond December 31, 2040).

Reasonable efforts shall be made to use this easement so as to disturb as little as possible the uses of the Owners, the Master Association and Declarant, as applicable, to prosecute such drainage work promptly and expeditiously, and to restore any areas affected by such work to a neat and usable condition as soon as reasonably possible following such work. The rights reserved herein shall continue until December 31, 2030 (which date may be extended to the extent that Declarant shall experience delays in development of any additional phase or increment of the Community, for reasons beyond Declarant's reasonable control, but in no event beyond December 31, 2040).

14. There shall be reciprocal appurtenant easements of encroachment as between adjacent Lots due to the unintentional placement or settling or shifting of the Improvements constructed, reconstructed, or altered thereon to a distance of not more than one foot, as measured from any point on the common boundary between said adjacent Lots, along a line perpendicular to such boundary at such point; provided, however, in no event shall an easement for encroachment exist if such encroachment occurred due to willful and knowing conduct on the part of an Owner, Occupant or the Master Association. The rights reserved in this Section shall continue until December 31, 2030 (which date may be extended to the extent that Declarant shall experience delays in development of any additional phase or increment of the Community or any Annexation Property, for reasons beyond Declarant's reasonable control, but in no event beyond December 31, 2040).

16. Declarant reserves unto itself and its successors a perpetual and non-exclusive easement for landscape maintenance purposes and rights of way over, across, under and through those certain easements affecting the units in the Community which are designated in the Declaration or Supplemental Declaration, for the purposes of planting, replanting, installing, re-installing, maintaining, using, and removing landscaping plants, shrubs and trees, any applicable sign monument or entry feature and the installation and use of general landscape structures, machinery and equipment.

17. Declarant and its agents, employees, contractors, licensees, successors, mortgagees and assigns shall have an easement over, under and upon any portion of the Community, including the Common Area and any Lot, as may be reasonably necessary for the completion of improvements to and correction of defects and other items in the Community. The rights reserved in this Section shall continue until ten (10) years after the "date of completion" of the improvements as evidenced by the filing of a Notice of Completion.

20. Declarant for itself and the Master Association hereby reserves the right to create limited access easements to burial sites located in the Community in favor of any person recognized by the Kauai Island Burial Council as a cultural descendant of the Kahu'aina area, which may include access for ingress and egress upon, across and over the Community. Such access may be reasonably restricted as determined by the Declarant and/or the Master Association, including but not limited to reasonable restrictions as to hours, days and location of such access.

21. The rights, reservations and easements of Declarant set forth in the Master Declaration shall be deemed excepted and reserved in each Recorded Supplemental Declaration, in each conveyance of any interest in property by Declarant to the Master Association and in each deed or other instrument by which any portion of the Property is conveyed by Declarant or any other Owner, whether or not specifically stated therein. The rights, reservations and easements of Declarant set forth in the Master Declaration shall be prior and superior to any other provisions of this Master Declaration and any Supplemental Declaration and may not, without Declarant's prior written consent, be modified, amended, rescinded or affected by any amendment of the Master Declaration or any Supplemental Declaration. Declarant's consent to any one such amendment shall not be construed as consent to any other or subsequent amendment. The rights, reservations and easements of Declarant set forth in Article XX of the Master Declaration are in addition to, and shall in no way affect or otherwise be interpreted to limit or restrict any of the rights, reservations and easements of Declarant contained elsewhere in this Master Declaration or in any Supplemental Declaration.

Nothing contained in this Master Declaration shall limit the foregoing rights of Declarant, including specifically, but not limited to the provisions contained in Article V of the Master Declaration, which provisions shall not apply to Lots owned by Declarant or to any Improvements proposed or made by Declarant in connection with its development, construction, promotion, marketing, sale or leasing of any Lot or Farm Dwelling Unit or any other portion of the Property.

23. Each Owner, in purchasing or otherwise taking title to any Lot, shall do so with the express understanding and acknowledgment that construction activity by Declarant and other third parties or other Owners or Occupants may continue in the Community area and adjacent areas after such Owner has occupied the Lot and that this activity may result in noise, dust, or other annoyances to the Owner and may limit the Owner's access to portions of such Lot or other areas adjacent thereto, and each Owner shall thereby accept any such inconvenience or annoyance and expressly waive any rights, claims, or

actions which the Owner might otherwise have against Declarant or third parties (including various contractors who may be involved in such construction activity) as a result of such circumstances.

24.
