General Information On Condominiums

A condominium is a special form of ownership of real property. To create a condominium in Hawaii after July 1, 2006, the Condominium Property Act, Chapter 514B, Hawaii Revised Statutes, must be followed. In addition, certain requirements and approvals of the county in which the project is located must be satisfied and obtained.

Some condominium projects are leasehold. This means that the land and/or the building(s) and other improvements are leased to the purchaser. The lease for the land usually requires that at the end of the lease term, the lessees (unit owners) deliver their interest in the land to the lessor (fee property owner).

If you are a typical condominium unit owner, you will have two kinds of ownership: (1) ownership in your individual unit; and (2) a percentage interest in the common elements.

You will be entitled to exclusive ownership and possession of your unit. Subject to the documents governing them, condominium units may be individually bought, sold, rented, mortgaged or encumbered, and may be disposed of by will, gift or operation of law.

Your unit will, however, be part of the group of units that comprise the condominium project. Study the project's Declaration of Condominium Property Regime, Bylaws of the Association of Unit Owners, Condominium Map and House Rules, if any, which are being concurrently delivered to you with this report. These documents contain important information on the use and occupancy of the units and the common elements of the project, as well as the rules and regulations of conduct for unit owners, tenants and guests.

Operation of the Condominium Project

The Association of Unit Owners is the entity through which unit owners may take action with regard to the administration, management and operation of the condominium project. Each unit owner is automatically a member of the Association.

The Board of Directors is the governing body of the Association. Unless you serve as a board member or an officer, or are on a committee appointed by the board, your participation in the administration and operation of the condominium project will in most cases be limited to your right to vote as a unit owner. The Board and officers can take certain actions without the vote of the unit owners. For example, the Board may hire and fire employees, increase or decrease maintenance fees, adopt budgets for revenues, expenses and reserves and regulate the use, maintenance, repair and replacement of common elements. Some of these actions may significantly impact the unit owners.

Until there is a sufficient number of purchasers of units to elect a majority of the Board, it is likely at first that the Developer will effectively control the affairs of the Association. It is frequently necessary for the Developer to do so during the early stages of development and the Developer may reserve certain special rights to do so in the Declaration and Bylaws. Prospective purchasers should understand that it is important to all unit owners that the transition of control from the Developer to the unit owners be accomplished in an orderly manner and in a spirit of cooperation.

Initial maintenance fees are difficult to estimate and tend to increase as the condominium ages. Maintenance fees may vary depending on the services provided.
Exhibit K* contains a breakdown of the estimated annual maintenance fees and the monthly estimated maintenance fee for each unit, certified to have been based on generally accepted accounting principles, with the Developer's statement as to when a unit owner shall become obligated to start paying the unit owner's share of the common expenses.

Blanket liens (except for improvement district or utility assessments) must be released as to a unit before the developer conveys the unit to a purchaser. 5.6 Developer's Use of Purchaser Deposits to Pay for Project Construction Costs Before Closing or Conveyance

The Developer is required to deposit all moneys paid by purchasers in trust under a written escrow agreement with a Hawaii licensed escrow depository. Escrow shall not disburse purchaser deposits to the Developer or on behalf of the Developer prior to closing, except if a sales contract is canceled or if Developer has met certain requirements, which are described below.

5.6.1 Purchaser Deposits Will Not Be Disbursed Before Closing or Conveyance

<input type="checkbox"/>	<p>The Developer hereby declares by checking the box to the left that it shall use its own funds to complete the construction of the condominium project by the date indicated in Section 5.5 of this report, and the Developer, pursuant to its own analysis and calculations, certifies that it has sufficient funds to complete the construction of the condominium project.</p> <p><i>If this box is checked, Section 5.6.2, which follows below, will not be applicable to the project.</i></p>
--------------------------	--

5.6.2 Purchaser Deposits Will Be Disbursed Before Closing

<p>Hawaii law provides that, if certain statutory requirements are met, purchaser deposits in escrow under a binding sales contract may be used before closing to pay for certain project costs. For this project, the Developer indicates that purchaser deposits may be used for the following purposes (check applicable box):</p>	
<input type="checkbox"/>	<p>For new construction: to pay for project construction costs described in the Developer's budget and approved by the Developer's lender or an otherwise qualified, financially disinterested person; or</p>
<input type="checkbox"/>	<p>For conversions: to pay for repairs necessary to cure violations of county zoning and building ordinances and codes, for architectural, engineering, finance and legal fees, and for other incidental expenses.</p>

In connection with the use of purchaser deposits (check Box A or Box B):

<p>Box A</p> <p><input type="checkbox"/></p>	<p>The Developer has submitted all information and documents required by law and the Commission prior to the disbursement of purchaser deposits before closing. This means that the Developer may use such deposits before closing. If the Developer decides not to use purchaser deposits before closing, the Developer does not need to amend this report.</p> <p>If Box A is checked, you should read and carefully consider the following notice, which is required by law:</p> <p><u>Important Notice Regarding Your Deposits:</u> Deposits that you make under your sales contract for the purchase of the unit may be disbursed before closing of your purchase to pay for project costs, construction costs, project architectural, engineering, finance, and legal fees, and other incidental expenses of the project. While the developer has submitted satisfactory evidence that the project should be completed, it is possible that the project may not be completed. If your deposits are disbursed to pay project costs and the project is not completed, there is a risk that your deposits will not be refunded to you. You should carefully consider this risk in deciding whether to proceed with your purchase.</p>
<p>Box B</p> <p><input type="checkbox"/></p>	<p>The Developer has <u>not</u> submitted all information and documents required by law and the Commission, and, until all such information and documents are submitted, thus, the Developer cannot use purchaser deposits.</p> <p>If the Developer later submits all information and documents required by law and the Commission for the use of purchaser deposits, then the Developer must provide an amendment to this report or an amended developer's public report to each purchaser who has signed a sales contract. At such time, the <u>Important Notice Regarding Your Deposits</u> set forth immediately above will apply to all purchasers and will be restated in the amendment to this report or an amended developer's public report. When an effective date for such an amendment or an amended developer's public report is issued, <u>you will not have the right to rescind or cancel the sales contract by reason of such submission and amendment.</u> (This, however, does not affect your right to rescind for material changes or any other right you may have to rescind or cancel the sales contract, as described in Section 5.8 below.) If the Developer decides not to use purchaser deposits before closing, the Developer does not need to amend this report.</p> <p>You should understand that, although the <u>Important Notice Regarding Your Deposits</u> set forth above does not currently apply to you, it might apply to you in the future, and, therefore, you should read and carefully consider it now to ensure that you understand the risk involved in deciding whether to proceed with your purchase.</p>

Material House Bond. If the Developer has submitted to the Commission a completion or performance bond issued by a material house instead of a surety as part of the information provided prior to the use of purchaser deposits prior to closing or conveyance of a unit, the Developer shall disclose the same below and disclose the impact of any restrictions on the Developer's use of purchaser deposits.

5.7 Rights Under the Sales Contract

Before signing the sales contract, prospective purchasers should carefully review all documents relating to the project. These include but are not limited to the documents listed below. 5.8 Purchaser's Right to Cancel or Rescind a Sales Contract

A purchaser's right to cancel a sales contract or to rescind a sales contract may arise under varying circumstances. In the sections below, some circumstances that will give rise to a purchaser's right to cancel or rescind are described, together with what a purchaser must do if the purchaser wishes to exercise any of the rights.

5.8.1 When a Sales Contract becomes Binding and Purchaser's 30-Day Right to Cancel a Sales Contract

A sales contract signed by a purchaser and the developer will not become binding on a purchaser or the Developer until the following events have taken place:

(1) The purchaser has signed the sales contract.
(2) The Developer has delivered to the purchaser a true copy of the developer's public report with an effective date issued by the Commission, together with all amendments to the report as of the date of delivery, and the project's recorded Declaration and Bylaws, House Rules (if any), the Condominium Map and any amendments to them to date (all of which are a part of the developer's public report). If it is impracticable to include a letter-sized Condominium Map, the Developer must provide written notice of an opportunity to examine the Condominium Map.

(3) The Developer has delivered to the purchaser a notice of the purchaser's 30-day cancellation right on a form prescribed by the Commission.

(4) The purchaser does at least one of the following:

(a) Waives the purchaser's right to cancel the sales contract within 30 days from receipt of the notice of the purchaser's 30-day cancellation right; or

(b) Allows the 30-day cancellation period to expire without exercising the right to cancel; or

(c) Closes the purchase of the unit before the 30-day cancellation period expires.

The purchaser or the Developer may cancel the sales contract at any time during the 30-day cancellation period, and the sales contract will be canceled and the purchaser's deposits returned to the purchaser, less any escrow cancellation fee and other costs associated with the purchase, up to a maximum of \$250.

5.8.2 Right to Cancel a Sales Contract if Completion Deadline Is Missed

In addition to the purchaser's 30-day cancellation right described in Section 5.8.1 above, when a sales contract is signed before completion of construction of a project, the purchaser will have the right to cancel if the unit is not completed by certain deadlines. In conversion projects, there must be a deadline for completion of any required repairs. Every sales contract shall contain an agreement of the Developer that the completion of construction shall occur on or before the completion deadline, and that completion deadline is set forth in this report in Section 5.5. The sales contract shall provide that the purchaser may cancel the sales contract at any time after the specified completion deadline, if completion of construction does not occur on or before the completion deadline, as the same may have been extended. Upon a cancellation, the purchaser's deposits shall be refunded, less any escrow cancellation fee and other costs associated with the purchase, up to a maximum of \$250.00.

5.8.3 Purchaser's Right to Rescind a Binding Sales Contract After a Material Change

If a "material change" in a project occurs after a purchaser has signed a sales contract that has become binding, the purchaser will have a 30-day right to rescind after notification and description of the material change. A material change is defined in the Condominium Property Act to be any change that "directly, substantially and adversely affects the use or value of (1) a purchaser's unit or appurtenant limited common elements; or (2) those amenities of the project available for the purchaser's use."

The purchaser will be informed of the material change by the developer on a form prescribed by the Commission containing a description of the material change.

After notice of the material change, the purchaser may waive the right to rescind by:

- (1) Checking the waiver box on the rescission form; or
- (2) Letting the 30-day rescission period expire, without taking any action to rescind; or
- (3) Closing the purchase of the unit before the 30-day rescission period expires.

The rescission form must be signed by all purchasers of the affected unit and delivered to the developer no later than midnight of the 30th calendar day after the purchasers received the rescission form from the developer. Purchasers who validly exercise the right of rescission shall be entitled to a prompt and full refund of any moneys paid.

A rescission right shall not apply in the event of any additions, deletions, modifications and reservations including, without limitation, the merger or addition or phasing of a project, made pursuant to the terms of the project's Declaration.

These provisions shall not preclude a purchaser from exercising any rescission rights pursuant to a contract for the sale of a unit or any applicable common law remedies.

6. MISCELLANEOUS INFORMATION NOT COVERED ELSEWHERE IN THIS REPORT

HAZARDOUS MATERIALS. The developer neither prepared nor commissioned a Phase 1 Environmental Site Assessment and makes no representations or warranties whatsoever. The developer has made no independent investigation as to asbestos or other hazardous substances in the units or in, under or around the Project, including but not limited to, radioactive materials, organic compounds known as polychlorinated biphenyls, chemicals known to cause cancer or reproductive toxicity, pollutants, contaminants, hazardous wastes, toxic substances, and any and all other substances or materials defined as or included in the definition of "hazardous substances", "hazardous wastes", "hazardous materials" or "toxic substances" under, or for the purposes of, hazardous materials laws. Buyer acknowledges that in light of the age of the Project, there may be asbestos and other hazardous substances in the units, or in, under or around the Project. Because of the possible presence of such substances, Buyer should have the unit inspected to determine the extent (if any) of such contamination and any necessary remedial action. The developer will not correct any defects in the units or in the Project or anything installed or contained therein and Buyer expressly releases the developer from any liability to Buyer if any hazardous materials are discovered.

LEAD BASED PAINT. Pursuant to federal law, 42 U.S.C 4852(d), the Residential Lead-Based Paint Reduction Act, "Every purchaser of any interest in residential real property on which a residential dwelling was built prior to 1978 is notified that such property may present exposure to lead from lead-based paint that may place young children at risk of developing lead poisoning. Lead poisoning in young children may produce permanent neurological damage, including learning disabilities, reduced intelligence quotient, behavioral problems, and impaired memory. Lead poisoning also poses a particular risk to pregnant women. The seller of any interest in residential real property is required to provide the buyer with any information on lead-based paint hazards from risk assessments or inspections in the seller's possession and notify the buyer of any known lead-based paint hazards. A risk assessment or inspection for possible lead-based paint hazards is recommended prior to purchase."

DEVELOPER TO PAY ACTUAL COMMON EXPENSES. Pursuant to Section 514B-41, HRS, disclosure is hereby made that the Developer shall initially assume the actual common expenses of the Project and that the unit owner shall not be obligated to pay his or her respective share of the common expenses until such time as the Developer sends the unit owners written notice that, after a specified date, the unit owners will be obligated to pay for the the portion of the common expenses that are allocated to their respective units. The Developer will mail the written notice to the owners, the Association and the Managing Agent at least thirty (30) days prior to the date the common expenses will be charged to the unit owners.

PETS. The Bylaws provide that dogs, cats, and other usual and customary animals may be kept in reasonable number per rules and regulations established by the Board. Article VI of the House Rules restricts the number of pets per unit to two (2) pets per unit. Pets include dogs, cats or other commonly accepted household pets not to exceed 25 pounds in weight, and fish, birds or other similar animals.

DEVELOPER'S ADDITIONAL DISCLOSURES: Disclosure is hereby made that Adam Lee, the Member of the Developer (1402 Piikoi Street, LLC), holds an active real estate broker's license in the State of Hawaii and is an agent with Abe Lee Realty, LLC, the real estate company handling the sale of the units.

WATER METERS. The project is currently serviced by one water meter. Prior to closing, Developer may install individual water submeters. As such, the estimated initial maintenance fees in Exhibit K only include water and sewer changes for the common elements. With the installation of the submeters, the Association and/or Managing Agent will bill the individual units for water and sewer based on usage. If the Developer decides not to install the submeters, water and sewer will be included in the maintenance fees assessed to each unit on a pro rate basis based on the percentage of common interest.

The Developer declares subject to the penalties set forth in Section 514B-69, HRS, that this project conforms to the existing underlying county zoning for the project, zoning and building ordinances and codes and all applicable permitting requirements adopted by the county in which the project is located, all in accordance with Sections 514B-5 and 32(a)(13), HRS.

For any conversion, if any variances have been granted, they are specified in Section 1.14 of this report, and, if purchaser deposits are to be used by the Developer to cure any violations of zoning, permitting requirements or rules of the county in which the project is located, the violation is specified in Section 1.15 of this report, along with the requirements to cure any violation, and Section 5.5 specifies the date by which the cure will be completed.

The Developer hereby certifies that all the information contained in this report and the exhibits attached to this report and all documents to be furnished by the Developer to purchasers concerning the project have been reviewed by the Developer and are, to the best of the Developer's knowledge, information and belief, true, correct and complete. The Developer hereby agrees promptly to amend this report to report and include either or all material facts, material or pertinent changes to any information contained in or omitted from this report and to file annually a report to update the material contained in this report at least 30 days prior to the anniversary date of the effective date of this report.

SUMMARY OF SALES CONTRACT

Prospective purchasers are advised to carefully review the specimen Condominium Purchase Agreement (the "Agreement") prior to signing. The Agreement contains, among other things, the following provisions:

1. Inspection. Buyer shall inspect the Unit within seven (7) calendar days of acceptance of the Agreement by Seller. Buyer shall have seven (7) calendar days from the inspection to cancel the Agreement by providing Seller and Escrow with written notice to that effect. If Buyer does not provide Seller and Escrow with written notice of cancellation, Buyer shall be deemed to have accepted the Unit and will proceed with closing.
2. Risk of Loss. Risk of loss to the Unit shall be borne by Seller until the Date of Closing; thereafter, such risk of loss shall be borne by Buyer.
3. Time is of the Essence; Default. Section 10 of the Agreement provides that time is of the essence of the obligations of Buyer under the Agreement. Buyer shall be in default under the Agreement if Buyer fails to make a payment when due or if Buyer fails to perform any other required obligation and such failure continues for fifteen (15) days after Seller gives written notice to Buyer of such failure. Any such notice shall be sent by certified or registered mail and shall be deemed given upon deposit in the United States mail, even if Buyer does not sign a return receipt for the mail. In the event of any such default, Seller may, at Seller's option, terminate the Agreement by written notice to Buyer. In the event of such termination, the parties understand and agree that in view of Seller's financial commitments with respect to the Project; the connection between the sale, cancellation or default with respect to one unit and the sale, cancellation or default with respect to other units in the Project; and the nature of the real estate market in Hawaii, that the injury to Seller will be uncertain as to nature and amount and difficult to ascertain. As a reasonable estimate of Seller's damages resulting from such termination, the parties agree that the sums previously paid by Buyer under the Agreement shall belong to Seller as liquidated damages. If Seller does not terminate the Agreement on account of such default, then all costs, including reasonable attorneys' fees, incurred by reason of the default by Buyer shall be borne by Buyer, and Seller may pursue any and all other remedies on account of such default (other than termination of the Agreement) permitted by law or equity, including but not limited to specific performance.
4. Estimated Monthly Maintenance Charges; Collection of "Start-up" Fee. Buyer has examined and approved the estimate of monthly maintenance charges and assessments for the Unit as shown in the Public Report. Buyer is aware that such amounts are only estimates, and BUYER AGREES THAT SUCH ESTIMATES ARE NOT INTENDED TO BE AND DO NOT CONSTITUTE ANY REPRESENTATION OR WARRANTY BY SELLER, INCLUDING BUT NOT LIMITED TO ANY REPRESENTATION OR WARRANTY AS TO THE ACCURACY OF SUCH ESTIMATES. In addition to the Purchase Price, Buyer shall pay an additional sum at closing as Buyer's pro rata share of the Association of Unit Owners' common expense reserve fund. This non-refundable, non-transferable "start-up" fee will become the property of the Association of Unit Owners, and shall be in an amount which will be determined by Seller prior to closing. That amount will in no event be less than TWO (2) months estimated common expense assessments for the Unit, and not less than TWO (2) months estimated reserves, if any. Note, "start-up" fees are collected in addition to the monthly maintenance charges that Buyer will become obligated to pay after closing.
5. Conversion Of Existing Building; Nonconformities; No Warranties. Buyer is aware, agrees and affirms that the Project consists of the conversion of an existing two (2) story apartment building, containing a total of eleven (11) units, with twelve (12) all-weather-surface off-street parking spaces, on a 9,600 square foot lot, zoned A-2 Medium Density Apartment. The building was constructed in 1962. Pursuant to the letter issued February 13, 2008 (the "DPP Letter"), by the Department of Planning and Permitting, City and County of Honolulu, the building encroaches into the required front yard setback and is considered nonconforming. A copy of the DPP Letter is included as an Exhibit in the Developer's Public Report. Buyer acknowledges that Seller was not involved in the construction of the building. To the best of Seller's knowledge and based on the DPP Letter, Seller discloses that at the time of its construction, the building appears to have met all applicable code

requirements. Buyer further acknowledges that by acceptance of the Condominium Unit Deed, Buyer shall be deemed to have accepted the nonconforming conditions stated herein and in the Declaration, and agrees that Seller shall not be responsible for changing the nonconformities. Seller is not aware of any variances or other permits granted to allow deviations from the applicable building and zoning codes. It is expressly understood and agreed by and between Seller and Buyer that **SELLER MAKES NO WARRANTIES, EXPRESS OR IMPLIED, WITH RESPECT TO THE BUILDING, THE UNIT, OR CONSUMER PRODUCTS OR ANYTHING ELSE INSTALLED IN THE UNIT OR IN THE PROJECT, INCLUDING BUT NOT LIMITED TO: A) ANY IMPLIED WARRANTY OF MERCHANTABILITY, HABITABILITY, OR FITNESS FOR ANY PARTICULAR PURPOSE; B) THE WORKMANLIKE CONSTRUCTION, STRUCTURAL SOUNDNESS, CONDITION OR STATE OF REPAIR, OPERATING ORDER, SAFETY, LIVABILITY OF ANY IMPROVEMENT IN OR WITHIN THE PROJECT; AND C) WHETHER THE PROJECT, THE UNITS, OR ANY OF THE IMPROVEMENTS MEET THE REQUIREMENTS OF ANY BUILDING, ZONING, LAND USE, SET BACK, HEALTH OR OTHER LAW, ORDINANCE, OR RULE OR REGULATION WHICH MAY BE APPLICABLE TO THE PROJECT.**

Buyer agrees the Unit is being purchased in its "AS IS, WHERE IS" condition, without any warranties, expressed or implied. This means that all land, improvements (including but not limited to the roof, walls, foundations, soils, plumbing, electrical and mechanical systems, etc.) and real property and personal property (if any) are being purchased in their **EXISTING "AS IS" CONDITION, WITHOUT WARRANTY OR REPRESENTATIONS, EXPRESSED OR IMPLIED.** Buyer acknowledges that Buyer will be given an opportunity to inspect the Unit and by closing on the sale of the Unit, Buyer accepts the Unit in its "AS IS" condition as provided for herein. Buyer acknowledges that there may be material facts about the Unit and/or the Project or any of the improvements located within the Project, and the real property and personal property, if any, of which Seller is not aware, which qualified experts may be able to discover, or there may be hidden defects which time may reveal. Buyer understands that Buyer shall give up, waive and relinquish any and all rights to asset any claim, demand, proceeding or lawsuit of any kind against Seller or Seller's Broker or Agents with respect to the condition of the Unit or the Project, except for claims which are based upon Seller's or Seller's Broker or Agent's concealment of material facts and defects which those parties are required by law to disclose.

6. Developer's Public Report; Buyer's Right to Cancel or Rescind This Agreement. The Developer's Public Report for the Project has been issued by the Real Estate Commission. Buyer shall receive a copy of that document along with a Receipt For Developer's Public Report (the "Receipt") and a Notice Of Right To Cancel Sales Contract (the "Notice"). Buyer has the right to cancel the Sales Contract under the following conditions:

i) At any time within thirty (30) days following the date the Developer's Public Report is delivered to Buyer. If Buyer so cancels this Agreement, within the thirty (30) day period, Buyer will be entitled to receive a refund of any deposits, less any escrow cancellation fees and other costs up to \$250.00. If Buyer waives Buyer's right to cancel by checking the waiver box on the Notice, and executes and returns the Receipt and Notice within thirty (30) days after delivery to Buyer, this Agreement shall become a binding obligation on both parties immediately upon the return thereof. If Buyer does not return the Receipt and Notice within said thirty (30) day period, or if the Unit is conveyed to Buyer prior to expiration of that thirty (30) day period, then Buyer shall be deemed to have accepted the Developer's Public Report and to have waived Buyer's right to cancel, thereby causing this Agreement to become a binding obligation on both parties; and

ii) Buyer shall have a thirty (30) day right to rescind this Agreement if there is a material change to the Project which directly, substantially and adversely affects the use or value of Buyer's Unit, the limited common elements appurtenant to the Unit, or the amenities in the Project available for Buyer's use. Seller shall deliver to Buyer a description of the material change and Buyer may waive Buyer's rescission right by either (a) checking the waiver box on the option to rescind, signing it and returning it to Seller; (b) letting the thirty (30) day rescission period expire without taking any action to rescind this Agreement; or (c) closing on the purchase of the Unit before the thirty (30) day rescission period expires. In order to be valid, the rescission form provided for herein must be signed by all Buyers and postmarked to Seller no later than midnight on the thirtieth (30th) calendar day after the date Buyer received the rescission form from Seller. If Buyer's rescission is valid, Buyer shall be entitled to a prompt and full refund of any deposits made by Buyer.

7. Assignment of this Agreement. Notwithstanding anything to the contrary contained in the Sales Contract, Buyer may not assign its rights or obligations under this Agreement or any portion thereof without the prior written consent of Seller, which consent may be withheld and/or conditioned at Seller's sole discretion. Any assignment without Seller's prior written consent shall be null and void.

THIS SUMMARY IS A BRIEF DESCRIPTION OF SOME OF THE TERMS CONTAINED IN THE SALES CONTRACT. BUYER IS ADVISED TO CAREFULLY REVIEW THE ENTIRE SALES CONTRACT AND BECOME FAMILIAR WITH THE TERMS AND CONDITIONS CONTAINED THEREIN.

(1) In the event Escrow receives notice of cancellation or termination of the sales contract pursuant to Sections 6(a)(1), (2) or (3), above, Escrow shall, unless the purchaser has waived or has been deemed to have waived the right to a refund, pay said funds to purchaser, less any cancellation fee commensurate with the work done by Escrow prior to such cancellation and other costs associated with the purchase, up to a maximum of \$250.00; provided, however, that no refund shall be made to a purchaser at the purchaser's request prior to receipt by Developer of written notice from Escrow of Escrow's intent to make such refund. (2) In the event Escrow receives notice of purchaser's election to rescind the sales contract pursuant to Section 6(a)(4), above, Escrow shall promptly return all of said funds to purchaser; provided, however, that no refund shall be made to a purchaser at the purchaser's request prior to receipt by Developer of written notice from Escrow of Escrow's intent to make such refund.
4. Partial Closings. It is understood that partial closings, i.e., closings for some but not all of the units, may be desired by Developer. If Developer desires to close any or all sales at different times, Escrow agrees to cooperate with Developer and shall vary its performance of the directions contained herein in such manner as will facilitate its performance of such partial closings.

THE PROSPECTIVE BUYER IS CAUTIONED TO CAREFULLY REVIEW AND BECOME FAMILIAR WITH THE COMPLETE ESCROW AGREEMENT AS IT CONTAINS OTHER PROVISIONS THAN THOSE MENTIONED ABOVE AND ESTABLISHES CHARGES AND FEES WHICH THE BUYER MAY BE RESPONSIBLE FOR. IF THERE ARE ANY CONFLICTS BETWEEN THE TERMS CONTAINED IN THIS SUMMARY AND THE ESCROW AGREEMENT, THE ESCROW AGREEMENT WILL CONTROL.
