If there are no changes, the Developer is required to state that there are no changes. The Developer's obligation to amend this report or to file annual reports ends when the initial sales of all units in the project have been completed.

Purchasers are encouraged to read this report carefully and to seek professional advice before signing a sales contract for the purchase of a unit in the project.

Signing a sales contract may legally bind a purchaser to purchase a unit in the project, though a purchaser may have rights to cancel or rescind a sales contract under particular circumstances that may arise.

General Information On Condominiums

A condominium is a special form of ownership of real property. To create a condominium in Hawaii after July 1, 2006, the Condominium Property Act, Chapter 514B, Hawaii Revised Statutes, must be followed. In addition, certain requirements and approvals of the county in which the project is located must be satisfied and obtained.

Some condominium projects are leasehold. This means that the land and/or the building(s) and other improvements are leased to the purchaser. The lease for the land usually requires that at the end of the lease term, the lessees (unit owners) deliver their interest in the land to the lessor (fee property owner).

If you are a typical condominium unit owner, you will have two kinds of ownership: (1) ownership in your individual unit; and (2) a percentage interest in the common elements.

You will be entitled to exclusive ownership and possession of your unit. Subject to the documents governing them, condominium units may be individually bought, sold, rented, mortgaged or encumbered, and may be disposed of by will, gift or operation of law.

Your unit will, however, be part of the group of units that comprise the condominium project. Study the project's Declaration of Condominium Property Regime, Bylaws of the Association of Unit Owners, Condominium Map and House Rules, if any, which are being concurrently delivered to you with this report. These documents contain important information on the use and occupancy of the units and the common elements of the project, as well as the rules and regulations of conduct for unit owners, tenants and guests.

Operation of the Condominium Project

The Association of Unit Owners is the entity through which unit owners may take action with regard to the administration, management and operation of the condominium project. Each unit owner is automatically a member of the Association.

The Board of Directors is the governing body of the Association. Unless you serve as a board member or an officer, or are on a committee appointed by the board, your participation in the administration and operation of the condominium project will in most cases be limited to your right to vote as a unit owner. The Board and officers can take certain actions without the vote of the unit owners. For example, the Board may hire and fire employees, increase or decrease maintenance fees, adopt budgets for revenues, expenses and reserves and regulate the use, maintenance, repair and replacement of common elements. Some of these actions may significantly impact the unit owners.

Until there is a sufficient number of purchasers of units to elect a majority of the Board, it is likely at first that the Developer will effectively control the affairs of the Association. It is frequently necessary for the Developer to do so during the early stages of development and the Developer may reserve certain special rights to do so in the Declaration and Bylaws. Prospective purchasers should understand that it is important to all unit owners that the transition of control from the Developer to the unit owners be accomplished in an orderly manner and in a spirit of cooperation.

3. CREATION OF THE CONDOMINIUM AND CONDOMINIUM DOCUMENTS

A condominium is created by recording in the Bureau of Conveyances (Regular System) or filing in the Office of the Assistant Registrar of the Land Court, or both, a Declaration of Condominium Property Regime, a Condominium Map and the Bylaws of the Association of Unit Owners. The Condominium Property Act (Chapter 514B, HRS), the Declaration, Bylaws and House Rules control the rights and obligations of the unit owners with respect to the project and the common elements, to each other, and to their respective units.

3.1 Declaration of Condominium Property Regime

The Declaration of Condominium Property Regime contains a description of the land, buildings, units, common interests, common elements, limited common elements, and other information relating to the condominium project.

3.2 Bylaws of the Association of Unit Owners

The Bylaws of the Association of Unit Owners govern the operation of the condominium project. They provide for the manner in which the Board of Directors of the Association of Unit Owners is elected, the powers and duties of the Board, the manner in which meetings will be conducted, whether pets are prohibited or allowed and other matters that affect how the condominium project will be governed.

Dates of Recordation of Amendments to the Condominium Map:	

3.4 House Rules

The Board of Directors may adopt rules and regulations (commonly called "House Rules") to govern the use and operation of the common elements and limited common elements. House Rules may cover matters such as parking regulations, hours of operation for common facilities such as recreation areas, use of lanais and requirements for keeping pets. These rules must be followed by owners, tenants, and guests. They do not need to be recorded or filed to be effective. The initial House Rules are usually adopted by the Developer. Changes to House Rules do not need to be recorded to be effective.

Are Proposed	<input type="checkbox"/>	
Have Been Adopted and Date of Adoption	<input type="checkbox"/>	
Developer does not plan to adopt House Rules	<input checked="" type="checkbox"/>	

3.5 Changes to the Condominium Documents

Changes to Condominium Documents: Changes to the Declaration, Bylaws and Condominium Map are effective only if they are duly adopted and recorded. Where permitted, the minimum percentages of the common interest that must vote for or give written consent to changes to the Declaration, Bylaws and Condominium Map are set forth below. The percentages for any individual condominium project may be more than the minimum set by law if the Declaration or Bylaws for the project so provide.

Document	Minimum Set by Law	This Condominium
Declaration	67%	100%
Bylaws	67%	67%

3.6 Rights Reserved by the Developer to Make Changes to the Condominium Project or Condominium Documents

<input type="checkbox"/>	No rights have been reserved to the Developer to change the Declaration, Bylaws, Condominium Map or House Rules (if any).

4. CONDOMINIUM MANAGEMENT

4.1 Management of the Common Elements

<u>Management of the Common Elements:</u> The Association of Unit Owners is responsible for the management of the common elements and the overall operation of the condominium project. The Association may be permitted, and in some cases may be required, to employ or retain a condominium managing agent to assist the Association in managing the condominium project.	
The initial Condominium Managing Agent for this project is (check one):	
<input type="checkbox"/>	Not affiliated with the Developer
<input checked="" type="checkbox"/>	None (self-managed by the Association)
<input type="checkbox"/>	The Developer or an affiliate of the Developer
<input type="checkbox"/>	Other (explain)

4.2 Estimate of the Initial Maintenance Fees

<u>Estimate of the Initial Maintenance Fees:</u> The Association will make assessments against your unit to provide funds for the operation and maintenance of the condominium project. If you are delinquent in paying the assessments, a lien may be placed on your unit and the unit may be sold through a foreclosure proceeding. Initial maintenance fees are difficult to estimate and tend to increase as the condominium ages. Maintenance fees may vary depending on the services provided.
Exhibit <u>1</u> contains a breakdown of the estimated annual maintenance fees and the monthly estimated maintenance fee for each unit, certified to have been based on generally accepted accounting principles, with the Developer's statement as to when a unit owner shall become obligated to start paying the unit owner's share of the common expenses.

4.3 Utility Charges to be Included in the Maintenance Fee

If checked, the following utilities are included in the maintenance fee:

<input type="checkbox"/>	Developer has or will designate the units for sale to Owner-Occupants by publication.

5.3 Blanket Liens

Blanket Liens: A blanket lien is an encumbrance (such as a mortgage) on the entire condominium project or more than one unit that secures some type of monetary debt (such as a loan) or other obligation. Blanket liens (except for improvement district or utility assessments) must be released as to a unit before the developer conveys the unit to a purchaser. Mortgage	If the Developer defaults under the sales contract and refunds the Buyer's deposits, less escrow cancellation fees, the Buyer shall have no further interest in the Project.

5.4 Construction Warranties

Construction Warranties: Warranties for individual units and the common elements, including the beginning and ending dates for each warranty (or the method of calculating them), are as set forth below:
Building and Other Improvements: AS IS
Appliances: AS IS

5.5 Status of Construction, Date of Completion or Estimated Date of Completion

<p>Status of Construction: The building in which the Units are located was constructed as a single dwelling unit in 1961. The building was remodeled and converted into two dwelling units in 2006.</p>
<p>Completion Deadline: If a sales contract for a unit is signed before the construction of the unit has been completed, or, in the case of a conversion, completion of any repairs, does not occur by the completion deadline set forth below, one of the remedies available to a purchaser is a cancellation of the purchaser's sales contract. The sales contract may include a right of the Developer to extend the completion deadline for force majeure as defined in the sales contract. The sales contract may also provide additional remedies for the purchaser.</p>
<p>Completion Deadline for any unit not yet constructed, as set forth in the sales contract:</p>
<p>Completion Deadline for any repairs required for a unit being converted, as set forth in the sales contract:</p>

5.6 Developer's Use of Purchaser Deposits to Pay for Project Construction Costs Before Closing or Conveyance

The Developer is required to deposit all moneys paid by purchasers in trust under a written escrow agreement with a Hawaii licensed escrow depository. Escrow shall not disburse purchaser deposits to the Developer or on behalf of the Developer prior to closing, except if a sales contract is canceled or if Developer has met certain requirements, which are described below.

5.6.1 Purchaser Deposits Will Not Be Disbursed Before Closing or Conveyance

<input type="checkbox"/>	<p>The Developer hereby declares by checking the box to the left that it shall use its own funds to complete the construction of the condominium project by the date indicated in Section 5.5 of this report, and the Developer, pursuant to its own analysis and calculations, certifies that it has sufficient funds to complete the construction of the condominium project.</p> <p><i>If this box is checked, Section 5.6.2, which follows below, will not be applicable to the project.</i></p>
--------------------------	--

5.6.2 Purchaser Deposits Will Be Disbursed Before Closing

<p>Hawaii law provides that, if certain statutory requirements are met, purchaser deposits in escrow under a binding sales contract may be used before closing to pay for certain project costs. For this project, the Developer indicates that purchaser deposits may be used for the following purposes (check applicable box):</p>	
<input type="checkbox"/>	<p>For new construction: to pay for project construction costs described in the Developer's budget and approved by the Developer's lender or an otherwise qualified, financially disinterested person; or</p>
<input type="checkbox"/>	<p>For conversions: to pay for repairs necessary to cure violations of county zoning and building ordinances and codes, for architectural, engineering, finance and legal fees, and for other incidental expenses.</p>

In connection with the use of purchaser deposits (check Box A or Box B):

<p>Box A</p> <p><input type="checkbox"/></p>	<p>The Developer has submitted all information and documents required by law and the Commission prior to the disbursement of purchaser deposits before closing. This means that the Developer may use such deposits before closing. If the Developer decides not to use purchaser deposits before closing, the Developer does not need to amend this report.</p> <p>If Box A is checked, you should read and carefully consider the following notice, which is required by law:</p> <p><u>Important Notice Regarding Your Deposits:</u> Deposits that you make under your sales contract for the purchase of the unit may be disbursed before closing of your purchase to pay for project costs, construction costs, project architectural, engineering, finance, and legal fees, and other incidental expenses of the project. While the developer has submitted satisfactory evidence that the project should be completed, it is possible that the project may not be completed. If your deposits are disbursed to pay project costs and the project is not completed, there is a risk that your deposits will not be refunded to you. You should carefully consider this risk in deciding whether to proceed with your purchase.</p>
<p>Box B</p> <p><input type="checkbox"/></p>	<p>The Developer has <u>not</u> submitted all information and documents required by law and the Commission, and, until all such information and documents are submitted, thus, the Developer cannot use purchaser deposits.</p> <p>If the Developer later submits all information and documents required by law and the Commission for the use of purchaser deposits, then the Developer must provide an amendment to this report or an amended developer's public report to each purchaser who has signed a sales contract. At such time, the <u>Important Notice Regarding Your Deposits</u> set forth immediately above will apply to all purchasers and will be restated in the amendment to this report or an amended developer's public report. When an effective date for such an amendment or an amended developer's public report is issued, <u>you will not have the right to rescind or cancel the sales contract by reason of such submission and amendment.</u> (This, however, does not affect your right to rescind for material changes or any other right you may have to rescind or cancel the sales contract, as described in Section 5.8 below.) If the Developer decides not to use purchaser deposits before closing, the Developer does not need to amend this report.</p> <p>You should understand that, although the <u>Important Notice Regarding Your Deposits</u> set forth above does not currently apply to you, it might apply to you in the future, and, therefore, you should read and carefully consider it now to ensure that you understand the risk involved in deciding whether to proceed with your purchase.</p>

Material House Bond. If the Developer has submitted to the Commission a completion or performance bond issued by a material house instead of a surety as part of the information provided prior to the use of purchaser deposits prior to closing or conveyance of a unit, the Developer shall disclose the same below and disclose the impact of any restrictions on the Developer's use of purchaser deposits.

5.7 Rights Under the Sales Contract

Before signing the sales contract, prospective purchasers should carefully review all documents relating to the project. These include but are not limited to the documents listed below. 5.8 Purchaser's Right to Cancel or Rescind a Sales Contract

A purchaser's right to cancel a sales contract or to rescind a sales contract may arise under varying circumstances. In the sections below, some circumstances that will give rise to a purchaser's right to cancel or rescind are described, together with what a purchaser must do if the purchaser wishes to exercise any of the rights.

5.8.1 When a Sales Contract becomes Binding and Purchaser's 30-Day Right to Cancel a Sales Contract

A sales contract signed by a purchaser and the developer will not become binding on a purchaser or the Developer until the following events have taken place:

- (1) The purchaser has signed the sales contract.
- (2) The Developer has delivered to the purchaser a true copy of the developer's public report with an effective date issued by the Commission, together with all amendments to the report as of the date of delivery, and the project's recorded Declaration and Bylaws, House Rules (if any), the Condominium Map and any amendments to them to date (all of which are a part of the developer's public report). If it is impracticable to include a letter-sized Condominium Map, the Developer must provide written notice of an opportunity to examine the Condominium Map.
- (3) The Developer has delivered to the purchaser a notice of the purchaser's 30-day cancellation right on a form prescribed by the Commission.
- (4) The purchaser does at least one of the following:
 - (a) Waives the purchaser's right to cancel the sales contract within 30 days from receipt of the notice of the purchaser's 30-day cancellation right; or

- (b) Allows the 30-day cancellation period to expire without exercising the right to cancel; or
- (c) Closes the purchase of the unit before the 30-day cancellation period expires.

The purchaser or the Developer may cancel the sales contract at any time during the 30-day cancellation period, and the sales contract will be canceled and the purchaser's deposits returned to the purchaser, less any escrow cancellation fee and other costs associated with the purchase, up to a maximum of \$250.

5.8.2 Right to Cancel a Sales Contract if Completion Deadline Is Missed

In addition to the purchaser's 30-day cancellation right described in Section 5.8.1 above, when a sales contract is signed before completion of construction of a project, the purchaser will have the right to cancel if the unit is not completed by certain deadlines. In conversion projects, there must be a deadline for completion of any required repairs. Every sales contract shall contain an agreement of the Developer that the completion of construction shall occur on or before the completion deadline, and that completion deadline is set forth in this report in Section 5.5. The sales contract shall provide that the purchaser may cancel the sales contract at any time after the specified completion deadline, if completion of construction does not occur on or before the completion deadline, as the same may have been extended. Upon a cancellation, the purchaser's deposits shall be refunded, less any escrow cancellation fee and other costs associated with the purchase, up to a maximum of \$250.00.

5.8.3 Purchaser's Right to Rescind a Binding Sales Contract After a Material Change

If a "material change" in a project occurs after a purchaser has signed a sales contract that has become binding, the purchaser will have a 30-day right to rescind after notification and description of the material change. A material change is defined in the Condominium Property Act to be any change that "directly, substantially and adversely affects the use or value of (1) a purchaser's unit or appurtenant limited common elements; or (2) those amenities of the project available for the purchaser's use."

The purchaser will be informed of the material change by the developer on a form prescribed by the Commission containing a description of the material change.

After notice of the material change, the purchaser may waive the right to rescind by:

- (1) Checking the waiver box on the rescission form; or
- (2) Letting the 30-day rescission period expire, without taking any action to rescind; or
- (3) Closing the purchase of the unit before the 30-day rescission period expires.

The rescission form must be signed by all purchasers of the affected unit and delivered to the developer no later than midnight of the 30th calendar day after the purchasers received the rescission form from the developer. Purchasers who validly exercise the right of rescission shall be entitled to a prompt and full refund of any moneys paid.

A rescission right shall not apply in the event of any additions, deletions, modifications and reservations including, without limitation, the merger or addition or phasing of a project, made pursuant to the terms of the project's Declaration.

These provisions shall not preclude a purchaser from exercising any rescission rights pursuant to a contract for the sale of a unit or any applicable common law remedies.

6. MISCELLANEOUS INFORMATION NOT COVERED ELSEWHERE IN THIS REPORT

1. **MANAGEMENT OF THE PROJECT.** The Project consists of only two units and will be self-managed. Accordingly, the Developer has elected that Part VI of Chapter 514B (relating to management) shall not apply to the Project.
2. **MANAGEMENT CONFLICTS & DEADLOCKS; DISPUTE RESOLUTION.** The Project's Association of Unit Owners and Board of Directors are responsible for management of the Project. Under the Declaration and Bylaws for this Project, any decision of the Project's Association or Board requires the concurrence of both Owners or their designated representatives on the Board, respectively. The Declaration and Bylaws contain no provisions for breaking deadlocks. In the event of conflicts, disputes, or deadlocks between the Owners or their representatives on the Board that cannot be resolved by mutual agreement, the Owners' recourse will be to mediation pursuant to Section 14 of the Project's Declaration and Section 514B-161 of the Act, arbitration pursuant to Section 514B-162 of the Act, or litigation in court. Those methods of dispute resolution can be costly and time-consuming, and where there are disputes between Owners, this management structure can impair the efficient operation of the Project.
3. **HAZARDOUS MATERIALS.** The Developer neither prepared nor commissioned a Phase 1 Environmental Site Assessment and makes no representations or warranties whatsoever. The developer has made no independent investigation as to asbestos or other hazardous substances in the apartments or in, under or around the Project, including but not limited to, radioactive materials, organic compounds known as polychlorinated biphenyls, chemicals known to cause cancer or reproductive toxicity, pollutants, contaminants, hazardous wastes, toxic substances, and any and all other substances or materials defined as or included in the definition of "hazardous substances", "hazardous wastes", "hazardous materials" or "toxic substances" under, or for the purposes of, hazardous materials laws. Buyer acknowledges that in light of the age of the Project, there may be asbestos and other hazardous substances in the apartments, or in, under or around the Project. Because of the possible presence of such substances, Buyer should have the apartment inspected to determine the extent (if any) of such contamination and any necessary remedial action. The developer will not correct any defects in the apartments or in the Project or anything installed or contained therein and Buyer expressly releases the developer from any liability to Buyer if any hazardous materials are discovered.
4. **LEAD WARNING STATEMENT.** Pursuant to federal law, 42, U.S.C 4852(d), the Residential Lead-Based Paint Reduction Act, "Every purchaser of any interest in residential real property on which a residential dwelling was built prior to 1978 is notified that such property may present exposure to lead from lead-based paint that may place young children at risk of developing lead poisoning. Lead poisoning in young children may produce permanent neurological damage, including learning disabilities, reduced intelligence quotient, behavioral problems, and impaired memory. Lead poisoning also poses a particular risk to pregnant women. The seller of any interest in residential real property is required to provide the buyer with any information on lead-based paint hazards from risk assessments or inspections in the seller's possession and notify the buyer of any known lead-based paid hazards. A risk assessment or inspection for possible lead-based paint hazards is recommended prior to purchase."

The Developer declares subject to the penalties set forth in Section 514B-69, HRS, that this project conforms to the existing underlying county zoning for the project, zoning and building ordinances and codes and all applicable permitting requirements adopted by the county in which the project is located, all in accordance with Sections 514B-5 and 32(a)(13), HRS.

For any conversion, if any variances have been granted, they are specified in Section 1.14 of this report, and, if purchaser deposits are to be used by the Developer to cure any violations of zoning, permitting requirements or rules of the county in which the project is located, the violation is specified in Section 1.15 of this report, along with the requirements to cure any violation, and Section 5.5 specifies the date by which the cure will be completed.

The Developer hereby certifies that all the information contained in this report and the exhibits attached to this report and all documents to be furnished by the Developer to purchasers concerning the project have been reviewed by the Developer and are, to the best of the Developer's knowledge, information and belief, true, correct and complete. The Developer hereby agrees promptly to amend this report to report and include either or all material facts, material or pertinent changes to any information contained in or omitted from this report and to file annually a report to update the material contained in this report at least 30 days prior to the anniversary date of the effective date of this report.

END OF EXHIBIT B

EXHIBIT C
Permitted Alterations to the Units

Article 19 of the Declaration states:

19.1 Generally. (a) Except as otherwise provided in the Declaration, replacement or restoration of the Project or of any building or other structure or construction of any additional building or any material structural alteration or material addition to any structure shall be undertaken by the Association or any Unit Owner only pursuant to an amendment of the Declaration, duly executed by or pursuant to the affirmative vote of all the Unit Owners and accompanied by the written consent of the holders of all mortgages or liens affecting any of the Units (if required under any such mortgage or lien,) and in accordance with complete plans and specifications therefor.

(b) Promptly upon completion of such replacement, restoration or construction, the Association shall record in the Recording Office an amendment to the Declaration, together with a complete set of floor plans of the Project as so altered, certified as built by a registered architect or professional engineer.

19.2 Alterations by an Owner within a Unit. Notwithstanding any other provision in the Declaration to the contrary, subject to section 19.4, a Unit Owner may make alterations or additions within his Unit, without the consent or joinder of the Board, the Association, any other Unit Owner, or any other person, provided, that (a) the approval thereto shall be given by the holder of a first mortgage on such Unit (if the mortgage holder requires such approval) and (b) the approval and/or permit shall be first obtained from the appropriate agencies of the State of Hawaii and the City and County of Honolulu (if such agencies so require such approval and/or permit).

19.3 Certain Work by Unit Owner Prohibited. Subject to section 19.4, notwithstanding anything in to the contrary in the Declaration, a Unit Owner shall not (a) do any work which could jeopardize the soundness or safety of the Project, reduce the value thereof, impair any easement or hereditament or detract from the appearance of the Project; or (b) add any material structure or excavate any basement or cellar; or (c) interfere with or deprive any other Unit Owner of the use or enjoyment of any part of the Project, without in every such case obtaining the prior consent of the Unit Owner, with the prior written consent of all mortgagees of record.

19.4 Second Floor (Vertical) above a Unit. Notwithstanding anything to the contrary contained in the Declaration, a Unit Owner, with the consent by the holder of any mortgage affecting the Owner's Unit (if required by such mortgage,) may at any time and from time to time without the consent of any other Owner or other person, make additions to or otherwise enlarge his Unit (and subsequently may replace and restore any such changed Unit) (collectively, referred to as "**Second Floor Changes**"), subject to the following conditions:

(a) Prior to seeking building permits to make a Second Floor Change, the Unit Owner desiring to make such Change ("**Acting Unit Owner**") shall notify the other Unit Owner of his intent to make the Second Floor Change and shall provide the other Owner the opportunity to make a similar Second Floor Change to his Unit or for them to make changes to both Unit jointly. The consent of such other Unit Owner is not required, however;

(b) Any Second Floor Change shall be made above the location of the Unit of the Acting Unit Owner, as shown on the Condominium Map as of the date hereof;

(c) Second Floor Changes shall include the right to enter upon and to penetrate and remove the roof and other Structural Building Elements located above the Unit of the Acting Unit Owner;

(d) In connection with making any Second Floor Change, the Acting Unit Owner shall construct a new roof and other improvements to replace any of the Structural Building Elements that were removed or damaged as a result of such Second Floor Change and shall restore the Structural Building Elements not so replaced to their condition prior to the making of the Second Floor Change. The Structural Building Elements thus changed shall thereafter be considered to be a common element;

(e) Second Floor Changes shall conform with applicable City and County building, zoning laws and ordinances;

(f) All Second Floor Changes shall be (1) expeditiously made and once begun, shall be diligently completed; (2) made in a manner that will not unreasonably and materially interfere with the other Unit Owner's use of his Unit (including utility services) other than on a transient basis; and (3) designed to allow for the future possible attachment of a roof or other improvement to the other Unit if the other Unit Owner desires to make a Second Floor Change to his Unit;

(g) All of the costs and expenses (including without limitation the costs of design, permitting, engineering) shall be borne by the Unit Owner making the Second Floor Changes. The Acting Unit Owner shall indemnify and hold the other Unit Owner harmless against any loss, liability, damage or expense incurred or suffered by such other Unit Owner arising out of or related in any way to the Second Floor Change;

(h) During the course of construction of a Second Floor Change, the Acting Unit Owner shall cause to be maintained at his expense builder's all-risk insurance in an amount not less than the estimated cost of construction and liability insurance in reasonably prudent amounts. The Association and the Owner of the other Unit shall be named as an additional insured and, upon the request of the Association, evidence of such insurance shall be deposited with the Association;

(i) If notwithstanding this section 19.4, the consent to the Second Floor Change or joinder of the other Unit Owner is required by the Act, then upon the request of the Acting Unit Owner, the other Owner shall consent or join in, as requested;

(j) After the completion of a Second Floor Change, the sharing of common expenses by the Unit Owners shall be changed so that each Unit Owner shall be obligated to pay for a fraction determined by having as its numerator the net living area of the Unit thus changed and having as its denominator the net living of both Units in the Project after such change.

19.5 General Provisions Applicable to Article 19. The following provisions shall apply to each of the sections within Article 19 unless the context and usage would clearly indicate to the contrary:

(a) The rights set forth in each of the sections within Article 19 for the benefit of a Unit Owner (including without limitation, the Declarant as long as he is an Owner) (who may be referred to as "**Benefitted Owner**") may not be amended without the consent of such Benefitted Owner;

(b) In furtherance of the rights granted under sections 19.2 and 19.4, the Benefitted Owner shall have the right, without being required to obtain the consent or joinder of any person, including any other Unit Owner or any lien holder, or any other person who may have any interest in the

Property or the Land (1) to execute and deliver (on behalf of all of the Unit Owners and their respective mortgagees, if necessary) applications, petitions, agreements and other instruments which such Benefitted Owner deems necessary or desirable (including without limitation, documents to be filed or recorded with the Department of Planning and Permitting of the City and County of Honolulu, the Recording Office, other governmental agencies, public utility companies or private parties); (2) to deliver documents and to take such actions in connection therewith as shall be in the sole and absolute discretion of Benefitted Owner, and his delivery of such instrument or the taking of such action shall be sufficient determination; and (3) to amend the Declaration and the Condominium Map to reflect rights of Benefitted Owner set forth in such sections;

(c) If notwithstanding that a section within this Article 19 does not require the consent or joinder of an Owner, lien holder or other person having any interest in the Project ("**Third Party**") to the action or change by the Benefitted Owner, but the Act, County Rules, State Laws, title companies, permitting entities or public utility companies nonetheless do require the consent or joinder by the Third Party, then upon the request of the Benefitted Owner, each such Third Party hereby consents in advance to such action or change being made by the benefitted Owner and agrees to consent to and join in, as aforesaid, and to execute all instruments or documents necessary or desirable so that the Benefitted Owner may effectuate his change or otherwise do as permitted under the respective section within this Article 19;

(d) If the Third Party fails to provide such requested written joinder, consent, or take such action, as the case may be, such shall be accomplished by signature of the Benefitted Owner acting under an irrevocable power-of-attorney in favor of Benefitted Owner from each of the other Owners and Third Parties, the acquiring or acceptance of ownership in a Unit or of a lien covering a Unit or of any other interest in the Project being a grant of such power, and the grant being coupled with an interest, being irrevocable.

(e) The rights of a Benefitted Owner granted under each of the sections within Article 19 may be assigned, mortgaged or otherwise be transferred by such benefitted Owner only in connection with the assignment, mortgage or other transfer of the Unit owned by Benefitted Owner."

EXHIBIT D
Common Elements

Article 6 of the Declaration states:

“One freehold estate is hereby designated in (a) all of portions of the Project other than the Units and (b) any other interests in real estate other than the Units that are for the benefit of Unit Owners that are subject to the Declaration. The foregoing are collectively referred to “**common elements**”. They are intended to include specifically, but not limited to:

The Land, together with the reversions, remainders, rents, issues and profits thereof, and all rights, easements, privileges and appurtenances thereunto belonging or appertaining;

The foundations, columns, girders, beams, floor slabs, support, floors and ceiling surrounding each Unit or any pipes, wires, vents, shafts, ducts, conduits or other utility or service lines or enclosed spaces for wiring, pipes, air exhaust, or air conditioning running through or otherwise located within such Unit which are utilized for or serve more than the Unit, and the undecorated or unfinished surfaces of the perimeter or party walls or interior load-bearing walls or partitions (the foregoing may be referred to collectively as the “**Structural Building Elements**”);

All ducts, vents, shafts, sewer lines, sewage treatment equipment and facilities (if any), electrical equipment, telephone equipment, pipes, wiring and other central and appurtenant transmission facilities and installations over, under and across the Project which serve more than one Unit for services such as power, light, water, gas (if any), cablevision (if any), sewer, refuse, telephone, and radio and television signal distribution;

The shared driveway providing access between the Units and Aikanaka Road; and

Any and all apparatus and installations of common use and all other parts of the Project necessary or convenient to its existence, maintenance or safety, or normally in common use.”

END OF EXHIBIT D

EXHIBIT E
Limited Common Elements

Article 7 of the Declaration states:

“7.1 Generally. Certain parts of the common elements, herein called **“ limited common elements”**, are hereby set aside and reserved for the exclusive use of a specific Unit, which Unit shall have appurtenant thereto an exclusive easement for the use of such limited common elements.

All costs relating to such limited common elements (including all improvements located thereon, such as planting areas, fences and other perimeter boundary markers and electric lighting fixtures) shall be borne exclusively by the Owner of the Unit to which such limited common elements are appurtenant.

The limited common elements so set aside and reserved are as follows:

- (a) Any entrance, exit, gateway, entry, patio, yard, driveway or steps which would normally be used only for the purposes of ingress to and egress to and from a single Unit shall be a limited common element appurtenant to and reserved for the exclusive use of such Unit;
- (b) The two parking stalls designated as “001” on the Condominium Map are for the exclusive use of Unit 91-511; and

Except as set forth in section 7.2 or as may be subsequently agreed to by the Unit Owners (as evidenced by an amendment to the Declaration and the Condominium Map,) no portion of the Land is being set aside for the exclusive use of any Unit. If the Unit Owners do agree subsequently to set aside a portion of the Land for the exclusive use of a Unit, such land area may be referred to as a **“Dwelling Area.”**

7.2 Other Limited Common Elements. Any other common element of the Project which is rationally related to fewer than all the Units is a limited common element appurtenant to and for the exclusive use of such Unit to which it is rationally related.”

Note: The “Dwelling Areas” herein described are not legally subdivided lots.

EXHIBIT F
Special Use Restrictions

Article 11 of the Declaration states:

11.1 Permitted Uses. Units may be occupied and used only for permanent or temporary residential purposes by the respective owners thereof, their tenants, families, and social guests, and for any other purpose permitted under the Land Use Ordinance of the City and County of Honolulu, then in effect.

11.2 Rental Use. A Unit Owner shall have the absolute right to sell, rent, lease or otherwise transfer his Unit in connection with any permitted occupancy or use for any length of time.

11.3 Limitation on Use. Units shall not be used for any purpose which will injure the reputation of the Project or suffer anything to be done or kept in his Unit or elsewhere in the Project which will: (a) jeopardize the soundness of the Building, (b) interfere with or unreasonably disturb the rights of other owners or occupants, (c) obstruct any walkway, stairway or corridor of the Building or (d) increase the rate of fire and extended coverage insurance on the Building or the contents thereof.

Mr. Jeffrey S. Grad

Honolulu, Hawaii 96813

Dear Mr. Grad:

Subject: Condominium Conversion Project
91-511 and 91-511A Aikanaka Road
Tax Map Key: 9-1-036: 031

This is in response to your letter dated September 24, 2008, requesting verification that the structure located at the above-referenced property met all applicable code requirements at the time of construction.

Investigation revealed that the one-story single-family detached dwelling with one (1) all-weather-surface off-street parking space met all applicable code requirements when it was constructed in 1961 on this 8,328 square-foot R-5 Residential District zoned lot.

Investigation also revealed that on November 21, 2006, building permit No. 605121 was issued to convert the single-family dwelling into a two-family detached dwelling with a total of four (4) all-weather-surface off-street parking spaces. This permit is currently active.

For your information, the Department of Planning and Permitting cannot determine all other legal nonconforming uses or structures, as a result of the adoption or amendment of any ordinance or code.

No variances or other permits were granted to allow deviations from any applicable codes.

Conversion to a condominium property regime (CPR) is not recognized by the City and County as an approved subdivision. CPR delineates ownership; it does not create separate lots of record for subdivision and zoning purposes.

EXHIBIT I
Summary of Sale Contract Provisions

The Sales Contract consists of two documents: a Hawaii Association of Realtors (HAR) Standard form "Purchase Contract" ("**Purchase Contract**") and a document attached to the Purchase Contract which is entitled "Special CPR Provisions to the Purchase Contract" ("**Special Provisions**").

The Special Provisions are intended to amend the HAR standard form of Purchase Contract, and unless the context would indicate clearly to the contrary, then in the event of any conflict between a provision contained in the Special Provisions and a provision contained in the Purchase Contract, the provision contained in the Special Provisions will prevail.

1. **Description of the Property to be Conveyed.** Fee simple title to the Apartment, together with the furnishings and appliances, if any, and the undivided interest in the common elements set forth in the Purchase Contract. Title will be conveyed subject to the encumbrances of record.

2. **Purchase Price and Terms.** The purchase price for the Apartment is set forth on page 2 of the Purchase Contract is to be paid in the method and at the times set forth in the Purchase Contract. This may include payment of (a) an initial deposit; (b) an additional cash deposit, if set forth in the Purchase Contract; and (c) the balance of the purchase price is to be paid to escrow by purchaser on or before closing.

3. **Financing of Purchase.** Paragraph C-24 of the Purchase Contract Form (if elected) provides if Buyer desires financing, a loan application must be made within a certain number of days and if Buyer's application is not approved within a certain number of days after the application, then either Seller or Buyer may cancel the Purchase Contract. Upon such cancellation, Buyer's deposits will be refunded by escrow without interest.

4. **Closing Costs.** Closing costs and escrow fees are to be shared in accordance with the Purchase Contract, except that Seller does have the option to require two months' advance payment of Association maintenance fees and a start up expense for the Association of Unit Owners equal to two months' of Association maintenance fees. Buyer's proportionate share of any liability insurance premium, real property taxes, maintenance fees and any other charges with respect to the Property shall be pro-rated between Seller and Buyer as of the date of closing.

5. **Closing.** Seller has agreed to cause the Apartment to be sold to the Buyer within the time period set forth on page 3 of the Purchase Contract.

6. **No Present Transfer and Subordination to Construction Loan.** (a) The Purchase Contract may be subject to existing and future blanket loans, and any security interest now or hereafter obtained by a lender of Seller is or will be prior and senior to any rights of the Buyer arising under the Purchase Contract. This obligation to subordinate the purchaser's right under the Purchase Contract to loans now or hereafter made by the Seller is set forth in Paragraph 4 of the Special Provisions.

(b) Seller may also assign by way of security all of its interest in the Purchase Contract, as collateral for the repayment of the loan and if the Lender acquires the Seller's interest in the Purchase Contract, then the Buyer is obligated to perform the Purchase Contract, and to attorn to and recognize the Lender as the seller under the Purchase Contract.

(c) Notwithstanding that the Purchase Contract may be subordinate to a blanket lien, if the Buyer performs his obligations under the Purchase Contract, then Seller is required to convey the Apartment to Buyer at closing free and clear of any blanket lien.

7. **Seller's Rights to Cancel Purchase Contract.** The Seller may cancel the Purchase Contract with the Buyer if (a) Buyer fails to qualify for a permanent loan (if Paragraph C-24 of the Purchase Contract is selected); (b) Buyer defaults under the Purchase Contract (paragraph 6(b) of the Special Provisions); (c) Buyer dies prior to Closing Date (paragraph 6(a) of the Special Provisions); or (d) the Developer's Public Report shall not have been issued and Buyer shall not have waived his right to cancel (called the "Effective Date"). Pursuant to Paragraph 6(b) of the Special Provisions, if Buyer fails to close as required, then in the case only of non-monetary default after ten (10) days following Seller's notice of Buyer's default or otherwise without notice as to monetary defaults, the Seller may cancel the Purchase Contract and all sums previously paid by Buyer will belong absolutely to the Seller as liquidated damages. Additionally, Seller may pursue any other remedy, and all costs, including reasonable attorney's fees, incurred by reason of default by the Buyer shall be borne by the Buyer. Time is the essence of the Sales Agreement.

8. **Rights of Buyer to Cancel the Purchase Contract.** The Buyer has the right to cancel the Purchase Contract under the following conditions:

(a) At any time within thirty (30) days following the date the Public Report is delivered to Buyer. If Buyer so cancels, Buyer will be entitled to receive refund of any deposits. If Buyer does not act within the thirty (30) day period, or if the Apartment is conveyed to the Buyer, Buyer will be deemed to have executed the receipt for the Public Report and to have waived his right to cancel (paragraphs 6.1 and 6.3 of the Special Provisions).

(b) The Buyer may cancel his purchase if there is a material change in the Project which directly, substantially and adversely affects the use or value of the Buyer's Apartment or the amenities available for the Buyer's use (paragraph 7 of the Special Provisions). If so, Buyer will be entitled to receive refunds of any deposits, less escrow cancellation fees and other costs up to \$250.

(c) Buyer fails to qualify for permanent financing if Paragraph C-24 of the Purchase Contract has been selected.

9. Paragraph 11 of the Special Provisions provides that the Buyer acknowledges Buyer having received (a) a true copy of the Developer's Public Report including all amendments with an effective date issued by the Real Estate Commission, and that the Developer's Public Report includes the report itself, the Project's recorded declaration and bylaws, house rules if any, a letter-sized condominium project map, and all amendments (provided, that where it is impractical to include a letter-sized condominium project map, the prospective purchaser or purchaser shall have an opportunity to examine the map.) and (b) a notice of the buyer's thirty-day cancellation right on a form prescribed by the Real Estate Commission.

Seller reserves the right to modify the above documents as may be required by law, any title insurance company, or any institutional mortgagee.

10. Paragraph 12 provides that because of age of the Units, Seller shall convey the Units (including the common elements) in "as is" condition. This means that: (a) Buyer is assuming all risks as to the condition of the Property and the Project, including the land; (b) Seller will not be obligated to correct any defects in the Property or the Project (including the land) or anything installed or contained therein if such defects are later discovered, and (c) Buyer shall not have the right to file any lawsuit for damages against Seller for any defects later discovered.

The Summary contained in this Exhibit is merely a summary and is not intended to be a substitute for the Buyer's careful review of the Purchase Contract.

1. **All deposits will be paid to Escrow.** A copy of each Sales Contract and all payments made to purchase a Unit shall be turned over to the Escrow Agent. Any interest earned on funds deposited in escrow shall accrue to the credit of the Developer; except that, if Escrow is requested to establish a separate account for a purchaser, the purchaser shall pay Escrow a fee of \$25.00 for each such separate account and shall furnish Escrow the purchaser's social security or federal identification number, and any interest earned on funds deposited in such account shall accrue to the credit of the purchaser.

2. **Conditions to be Met Prior to Disbursement.** No disbursements of funds held in escrow with respect to a sales contract shall be made unless and until the following conditions have been fulfilled:

(a) The Real Estate Commission shall have issued an effective date of the Developer's Public Report on the Project;

(b) The purchaser shall have been given and shall have acknowledged receipt of (i) a copy of said Public Report and (ii) notice of purchaser's thirty-day cancellation right upon a form prescribed by the Real Estate Commission; and

(c) The purchaser shall have waived the right to cancel or be deemed to have the right to cancel, in accordance with Section 514B-86 of the Act; and

(d) The Developer shall have given Escrow a written waiver of any option reserved in any sales contract to cancel such sales contract.

At the request of Escrow, Developer's attorney shall delivered a written opinion to Escrow that the foregoing conditions shall have been complied with and the purchaser's sales contract has become effective.

3. **Return of Funds and Documents.** A purchaser shall be entitled to a return of funds and Escrow shall pay such funds to such purchaser, without interest, if any one of the following has occurred:

(a) Developer and the purchaser shall have requested Escrow in writing to return to purchaser the funds of purchaser held hereunder by Escrow; or

(b) Developer shall have notified Escrow of Developer's exercise of any option to cancel or rescind the sales contract pursuant to any right of cancellation or rescission provided therein or otherwise available to Developer; or

(c) A purchaser shall have exercised his thirty-day cancellation right to rescind the sales contract pursuant to Section 514B-86 of the Act; or

In any of the foregoing events, Escrow shall, upon the occurrence of the event described in (a) or (b) above or upon receipt of a written request for a refund from purchaser upon the occurrence of an event described in (c) or (d) above, unless the purchaser has waived or has been deemed to have waived the right to a refund, pay said funds to said purchaser (less a cancellation fee commensurate with the work done by Escrow prior to such cancellation up to a maximum of \$250.00) and thereupon said sales contract and any conveyance document theretofore delivered to Escrow shall be returned to Developer and shall be deemed no longer held hereunder; provided, however, that no refund shall be made to a purchaser at purchaser's request prior to receipt by Developer of written notice from Escrow of its intent to make such refund.

4. **Purchaser's Default.** Developer shall give notice in writing to Escrow of the occurrence of each event which initiates an obligation of a purchaser to make a payment to Escrow pursuant to the sales contract as well as notice of the amount and due date of such payment. Escrow shall thereupon promptly give the purchaser notice of the amount and due date of such payment. If the purchaser fails to make such payment to Escrow on or before the due date thereof or if the purchaser fails to perform in any matter which is being handled by Escrow, Escrow shall promptly notify Developer of any such failure on the part of the purchaser. If Developer subsequently certifies in writing to Escrow that Developer has terminated the sales contract in accordance with the terms thereof and provides to Escrow copies of all such notices of termination sent to the purchaser, Escrow shall thereafter treat all funds of the purchaser paid on account of such purchaser's sales contract as funds of Developer and not as funds of the purchaser. Thereafter, such funds shall be free of the escrow established by Developer. Upon written request by Developer, Escrow shall pay such sums to Developer, less any escrow cancellation fee, shall return to Developer the sales contract of such purchase and any other documents theretofore delivered by Developer to Escrow, and shall return other documents theretofore delivered to Escrow in connection with the purchase of the unit to the person from whom, or entity from which, such documents were received; and, Escrow shall thereupon be released from any further duties or liability hereunder with respect to such funds and such purchaser.
