Preparation of this Report

The Developer prepared this report to disclose relevant information, including "material facts", that are reasonably known to the Developer about the condominium project covered by this report. This report has been prepared pursuant to the Condominium Property Act, Chapter 514B, Hawaii Revised Statutes, as amended from time to time. The law defines "material facts" to mean "any fact, defect, or condition, past or present that to a reasonable person, would be expected to measurably affect the value of the project, unit, or property being offered or proposed to be offered for sale."

This report has not been prepared or issued by the Real Estate Commission or any other governmental agency. The issuance by the Commission of an effective date for this Developer's Public Report (1) does not mean that the Commission approves or disapproves of the project; (2) does not mean that the Commission thinks that either all material facts or all pertinent changes, or both, about the project have been fully or adequately disclosed; and (3) is not the Commission's judgment of the value or merits of the project.

This report may be used by the Developer for promotional purposes only if it is used in its entirety. No person shall advertise or represent that the Commission has approved or recommended the project, this report or any of the documents submitted with Developer's application for registration of this project.

This report will be amended if, after the effective date of this report, any changes, either material or pertinent changes, or both, occur regarding the information contained in or omitted from this report. In that case, the Developer is required to submit immediately to the Commission an amendment to this report or an amended Developer's Public Report, clearly reflecting the changes, including any omitted material facts, together with such supporting information as may be required by the Commission. In addition, the Developer may choose at any time to change or update the information in this report. Annually, at least thirty days prior to the anniversary date of the Effective Date of this report, the Developer shall file an annual report to update the material contained in this report. If there are no changes, the Developer is required to state that there are no changes. The Developer's obligation to amend this report or to file annual reports ends when the initial sales of all units in the project have been completed.

Purchasers are encouraged to read this report carefully and to seek professional advice before signing a sales contract for the purchase of a unit in the project.

Signing a sales contract may legally bind a purchaser to purchase a unit in the project, though a purchaser may have rights to cancel or rescind a sales contract under particular circumstances that may arise.

This material can be made available for individuals with special needs. Please call the Senior Condominium Specialist at 586-2643 to submit your request.

SPECIAL ATTENTION

[Use this page for special or significant matters which should be brought to the purchaser's attention and that are not covered elsewhere in this report.]

This Condominium is an agricultural condominium on land zoned agriculture and open. In the agricultural district farm dwellings are allowed in some circumstances but the Developer does not represent that any unit owner will be permitted to construct a farm dwelling and prospective purchasers should check with the County or their architects for the detailed requirements for constructing a farm dwelling. All residential units to be built on each unit must comply with the Farm Dwelling Requirements set forth herein on Page 18.

Unit 1 was constructed in 1995 as an Additional Dwelling Unit ("ADU") pursuant to Article 26 of the Kauai County Code. Because the unit is an ADU, BEFORE EXECUTING A RESERVATION AGREEMENT OR EXECUTING A SALES CONTRACT FOR UNIT 1, PROSPECTIVE BUYERS SHOULD CONDUCT INDEPENDENT RESEARCH AND INVESTIGATION TO DETERMINE WHETHER AND WHICH RESTRICTIONS EXIST ON THE UNIT THAT MAY PREVENT FURTHER DEVELOPMENT OF UNIT 1 IN ANY MANNER. THE BUYER IS ADVISED TO CONTACT THE COUNTY OF KAUAI PLANNING DEPARTMENT AND AN INDEPENDENT PROFESSIONAL ARCHITECT AND/OR ENGINEER REGARDING THESE MATTERS.

This is a CONDOMINIUM PROJECT, NOT a subdivision. The land area beneath and immediately appurtenant to each unit is designated a LIMITED COMMON ELEMENT and is NOT a legally subdivided lot. The lines (x--x--x--x) on the Condominium Map bounding the designated number of square feet in each limited common element land area are for illustrative purposes only and should not be construed to be the property lines of legally subdivided lots.

Facilities and improvements normally associated with County approved subdivision may not necessarily be provided for and services such as County street maintenance and trash collection will not be available for interior roads.

This Public Report does not constitute an approval of the project by the Real Estate Commission or any other governmental agency.

General Information On Condominiums

A condominium is a special form of ownership of real property. To create a condominium in Hawaii after July 1, 2006, the Condominium Property Act, Chapter 514B, Hawaii Revised Statutes, must be followed. In addition, certain requirements and approvals of the county in which the project is located must be satisfied and obtained.

Some condominium projects are leasehold. This means that the land and/or the building(s) and other improvements are leased to the purchaser. The lease for the land usually requires that at the end of the lease term, the lessees (unit owners) deliver their interest in the land to the lessor (fee property owner).

If you are a typical condominium unit owner, you will have two kinds of ownership: (1) ownership in your individual unit; and (2) a percentage interest in the common elements.

You will be entitled to exclusive ownership and possession of your unit. Subject to the documents governing them, condominium units may be individually bought, sold, rented, mortgaged or encumbered, and may be disposed of by will, gift or operation of law.

Your unit will, however, be part of the group of units that comprise the condominium project. Study the project's Declaration of Condominium Property Regime, Bylaws of the Association of Unit Owners, Condominium Map and House Rules, if any, which are being concurrently delivered to you with this report. These documents contain important information on the use and occupancy of the units and the common elements of the project, as well as the rules and regulations of conduct for unit owners, tenants and guests.

Operation of the Condominium Project

The Association of Unit Owners is the entity through which unit owners may take action with regard to the administration, management and operation of the condominium project. Each unit owner is automatically a member of the Association.

The Board of Directors is the governing body of the Association. Unless you serve as a board member or an officer, or are on a committee appointed by the board, your participation in the administration and operation of the condominium project will in most cases be limited to your right to vote as a unit owner. The Board and officers can take certain actions without the vote of the unit owners. For example, the Board may hire and fire employees, increase or decrease maintenance fees, adopt budgets for revenues, expenses and reserves and regulate the use, maintenance, repair and replacement of common elements. Some of these actions may significantly impact the unit owners.

Until there is a sufficient number of purchasers of units to elect a majority of the Board, it is likely at first that the Developer will effectively control the affairs of the Association. It is frequently necessary for the Developer to do so during the early stages of development and the Developer may reserve certain special rights to do so in the Declaration and Bylaws. Prospective purchasers should understand that it is important to all unit owners that the transition of control from the Developer to the unit owners be accomplished in an orderly manner and in a spirit of cooperation.

2	Total Number of Units
---	------------------------------

Note: Net Living Area is the floor area of the unit measured from the interior surface of the perimeter walls of the unit. Other documents and maps may give floor area figures that differ from those above because a different method of determining floor area may have been used.

1.4 Parking Stalls

Total Parking Stall in the Project:	4
Number of Guest Stalls in the Project:	0
Number of Parking Stalls Assigned to Each Unit:	2 (Unit 1: complete; Unit 1: proposed)
Attach Exhibit <u>B</u> specifying the Parking Stall number(s) assigned to each unit and the type of parking stall(s) (regular, compact or tandem and indicate whether covered or open).	
If the Developer has reserved any rights to assign or re-assign parking stalls, describe such rights.	

1.5 Boundaries of the Units

Boundaries of the unit:
 All spaces and fixtures w/in a unit's boundaries are part of the Unit. All exterior fixtures designed to serve a single unit but located outside the boundaries are a limited common element exclusively to that unit. If fixtures are partially in and outside the boundaries of a unit, the portion serving the unit is a limited common element, the portion serving all units is a common element. (See Declaration par. 3 and Condo

1.6 Permitted Alterations to the Units

Permitted alterations to the unit (if the unit is defined as a non-physical or spatial portion of the project, also describe what can be built within such portion of the project):
 Unit owners may construct, reconstruct, repair, renovate, remodel or alter a unit provided the unit owner complies with Federal, State and County laws and the project documents and obtains all governmental approval. (See Declaration par. 15)

1.7 Common Interest

Common Interest: Each unit will have a percentage interest in the common elements appurtenant to each unit. This interest is called the "common interest". It is used to determine each unit's share of the maintenance fees and other common profits and expenses of the condominium project. It may also be used for other purposes, including voting on matters requiring action by unit owners. The common interest for each unit in this project, as described in Declaration, is:

Described in Exhibit _____
 As follows:
 Unit 1: 50%; Unit 2: 50%
 Because this is a two unit project and each unit has a 50% interest in the common element, all unit owners must attend the Association meetings in order to have a quorum to conduct business and all unit owners must agree in order for an action to be approved.

1.8 Recreational and Other Common Facilities (Check if applicable):

<input type="checkbox"/>	Swimming pool
<input type="checkbox"/>	Laundry Area
<input type="checkbox"/>	Storage Area
<input type="checkbox"/>	Tennis Court

<input type="checkbox"/>	Playground
<input type="checkbox"/>	Other (describe):

1.9 Common Elements

Common Elements: Common elements are those parts of the condominium project other than the individual units and any other real estate for the benefit of unit owners. Although the common elements are owned jointly by all unit owners, those portions of the common elements that are designated as limited common elements (see Section 1.10 below) may be used only by those units to which they are assigned. In addition to the common facilities described in Section 1.8 above, the common elements for this project, as described in the Declaration, are set forth below.

Described in Exhibit C .

Described as follows:

Common Element	Number
Elevators	0
Stairways	0
Trash Chutes	0

1.10 Limited Common Elements

Limited Common Elements: A limited common element is a portion of the common elements that is reserved for the exclusive use of one or more but fewer than all units in the project.

Described in Exhibit D .

Described as follows:

1.11 Special Use Restrictions

The Declaration and Bylaws may contain restrictions on the use and occupancy of the units. Restrictions for this project include, but are not limited to, those described below.

<input checked="" type="checkbox"/>	Pets: As provided in Section 13.1 of the Bylaws
<input checked="" type="checkbox"/>	Number of Occupants: As provided in Section 7 of the Declaration

1.12 Encumbrances Against Title

An encumbrance is a claim against or a liability on the property or a document affecting the title or use of the property. Encumbrances may have an adverse effect on the property or your purchase and ownership of a unit in the project. Encumbrances shown may include blanket liens which will be released prior to conveyance of a unit (see Section 5.3 on Blanket Liens).

Exhibit E describes the encumbrances against title contained in the title report described below.

3. CREATION OF THE CONDOMINIUM AND CONDOMINIUM DOCUMENTS

A condominium is created by recording in the Bureau of Conveyances (Regular System) or filing in the Office of the Assistant Registrar of the Land Court, or both, a Declaration of Condominium Property Regime, a Condominium Map and the Bylaws of the Association of Unit Owners. The Condominium Property Act (Chapter 514B, HRS), the Declaration, Bylaws and House Rules control the rights and obligations of the unit owners with respect to the project and the common elements, to each other, and to their respective units.

3.1 Declaration of Condominium Property Regime

The Declaration of Condominium Property Regime contains a description of the land, buildings, units, common interests, common elements, limited common elements, and other information relating to the condominium project.

3.2 Bylaws of the Association of Unit Owners

The Bylaws of the Association of Unit Owners govern the operation of the condominium project. They provide for the manner in which the Board of Directors of the Association of Unit Owners is elected, the powers and duties of the Board, the manner in which meetings will be conducted, whether pets are prohibited or allowed and other matters that affect how the condominium project will be governed.

3.4 House Rules

The Board of Directors may adopt rules and regulations (commonly called "House Rules") to govern the use and operation of the common elements and limited common elements. House Rules may cover matters such as parking regulations, hours of operation for common facilities such as recreation areas, use of lanais and requirements for keeping pets. These rules must be followed by owners, tenants, and guests. They do not need to be recorded or filed to be effective. The initial House Rules are usually adopted by the Developer. Changes to House Rules do not need to be recorded to be effective.

The House Rules for this project:

Are Proposed	<input type="checkbox"/>	
Have Been Adopted and Date of Adoption	<input type="checkbox"/>	
Developer does not plan to adopt House Rules	<input checked="" type="checkbox"/>	

3.5 Changes to the Condominium Documents

Changes to Condominium Documents: Changes to the Declaration, Bylaws and Condominium Map are effective only if they are duly adopted and recorded. Where permitted, the minimum percentages of the common interest that must vote for or give written consent to changes to the Declaration, Bylaws and Condominium Map are set forth below. The percentages for any individual condominium project may be more than the minimum set by law if the Declaration or Bylaws for the project so provide.

Document	Minimum Set by Law	This Condominium
Declaration	67%	67%
Bylaws	67%	67%

3.6 Rights Reserved by the Developer to Make Changes to the Condominium Project or Condominium Documents

<input type="checkbox"/>	No rights have been reserved to the Developer to change the Declaration, Bylaws, Condominium Map or House Rules (if any).
<input checked="" type="checkbox"/>	<p>Developer has reserved the right to change the Declaration, Bylaws, Condominium Map and House Rules (if any) and to add to or merge the project or to develop the project in one or more phases, and such rights are summarized as follows:</p> <p>The Developer reserves the right, at the Developer's sole discretion, at any time prior to the first recording in the Bureau of Conveyances of the State of Hawaii, of a conveyance or transfer (other than for security) of a unit and its appurtenances to a party not a signatory of the project documents, to amend the Declaration and/or Condominium Map in any manner, without approval or consent of any unit purchaser.</p>

4. CONDOMINIUM MANAGEMENT

4.1 Management of the Common Elements

Management of the Common Elements: The Association of Unit Owners is responsible for the management of the common elements and the overall operation of the condominium project. The Association may be permitted, and in some cases may be required, to employ or retain a condominium managing agent to assist the Association in managing the condominium project.	
The initial Condominium Managing Agent for this project is (check one):	
<input type="checkbox"/>	Not affiliated with the Developer
<input checked="" type="checkbox"/>	None (self-managed by the Association)
<input type="checkbox"/>	The Developer or an affiliate of the Developer
<input type="checkbox"/>	Other (explain)

4.2 Estimate of the Initial Maintenance Fees

Estimate of the Initial Maintenance Fees: The Association will make assessments against your unit to provide funds for the operation and maintenance of the condominium project. If you are delinquent in paying the assessments, a lien may be placed on your unit and the unit may be sold through a foreclosure proceeding. Initial maintenance fees are difficult to estimate and tend to increase as the condominium ages. Maintenance fees may vary depending on the services provided.

Exhibit F__ contains a breakdown of the estimated annual maintenance fees and the monthly estimated maintenance fee for each unit, certified to have been based on generally accepted accounting principles, with the Developer's statement as to when a unit owner shall become obligated to start paying the unit owner's share of the common expenses.

4.3 Utility Charges to be Included in the Maintenance Fee

If checked, the following utilities are included in the maintenance fee:	
<input type="checkbox"/>	Electricity for the common elements
<input type="checkbox"/>	Gas for the common elements
<input type="checkbox"/>	Water

5.6 Developer's Use of Purchaser Deposits to Pay for Project Construction Costs Before Closing or Conveyance

The Developer is required to deposit all moneys paid by purchasers in trust under a written escrow agreement with a Hawaii licensed escrow depository. Escrow shall not disburse purchaser deposits to the Developer or on behalf of the Developer prior to closing, except if a sales contract is canceled or if Developer has met certain requirements, which are described below.

5.6.1 Purchaser Deposits Will Not Be Disbursed Before Closing or Conveyance

<input checked="" type="checkbox"/>	<p>The Developer hereby declares by checking the box to the left that it shall use its own funds to complete the construction of the condominium project by the date indicated in Section 5.5 of this report, and the Developer, pursuant to its own analysis and calculations, certifies that it has sufficient funds to complete the construction of the condominium project.</p> <p><i>If this box is checked, Section 5.6.2, which follows below, will not be applicable to the project.</i></p>
-------------------------------------	--

5.6.2 Purchaser Deposits Will Be Disbursed Before Closing

<p>Hawaii law provides that, if certain statutory requirements are met, purchaser deposits in escrow under a binding sales contract may be used before closing to pay for certain project costs. For this project, the Developer indicates that purchaser deposits may be used for the following purposes (check applicable box):</p>	
<input type="checkbox"/>	<p>For new construction: to pay for project construction costs described in the Developer's budget and approved by the Developer's lender or an otherwise qualified, financially disinterested person; or</p>
<input type="checkbox"/>	<p>For conversions: to pay for repairs necessary to cure violations of county zoning and building ordinances and codes, for architectural, engineering, finance and legal fees, and for other incidental expenses.</p>

In connection with the use of purchaser deposits (check Box A or Box B):

<p>Box A</p> <p><input type="checkbox"/></p>	<p>The Developer has submitted all information and documents required by law and the Commission prior to the disbursement of purchaser deposits before closing. This means that the Developer may use such deposits before closing. If the Developer decides not to use purchaser deposits before closing, the Developer does not need to amend this report.</p> <p>If Box A is checked, you should read and carefully consider the following notice, which is required by law:</p> <p><u>Important Notice Regarding Your Deposits:</u> Deposits that you make under your sales contract for the purchase of the unit may be disbursed before closing of your purchase to pay for project costs, construction costs, project architectural, engineering, finance, and legal fees, and other incidental expenses of the project. While the developer has submitted satisfactory evidence that the project should be completed, it is possible that the project may not be completed. If your deposits are disbursed to pay project costs and the project is not completed, there is a risk that your deposits will not be refunded to you. You should carefully consider this risk in deciding whether to proceed with your purchase.</p>
<p>Box B</p> <p><input type="checkbox"/></p>	<p>The Developer has <u>not</u> submitted all information and documents required by law and the Commission, and, until all such information and documents are submitted, thus, the Developer cannot use purchaser deposits.</p> <p>If the Developer later submits all information and documents required by law and the Commission for the use of purchaser deposits, then the Developer must provide an amendment to this report or an amended developer's public report to each purchaser who has signed a sales contract. At such time, the <u>Important Notice Regarding Your Deposits</u> set forth immediately above will apply to all purchasers and will be restated in the amendment to this report or an amended developer's public report. When an effective date for such an amendment or an amended developer's public report is issued, <u>you will not have the right to rescind or cancel the sales contract by reason of such submission and amendment.</u> (This, however, does not affect your right to rescind for material changes or any other right you may have to rescind or cancel the sales contract, as described in Section 5.8 below.) If the Developer decides not to use purchaser deposits before closing, the Developer does not need to amend this report.</p> <p>You should understand that, although the <u>Important Notice Regarding Your Deposits</u> set forth above does not currently apply to you, it might apply to you in the future, and, therefore, you should read and carefully consider it now to ensure that you understand the risk involved in deciding whether to proceed with your purchase.</p>

Material House Bond. If the Developer has submitted to the Commission a completion or performance bond issued by a material house instead of a surety as part of the information provided prior to the use of purchaser deposits prior to closing or conveyance of a unit, the Developer shall disclose the same below and disclose the impact of any restrictions on the Developer's use of purchaser deposits.

5.8 Purchaser's Right to Cancel or Rescind a Sales Contract

A purchaser's right to cancel a sales contract or to rescind a sales contract may arise under varying circumstances. In the sections below, some circumstances that will give rise to a purchaser's right to cancel or rescind are described, together with what a purchaser must do if the purchaser wishes to exercise any of the rights.

5.8.1 When a Sales Contract becomes Binding and Purchaser's 30-Day Right to Cancel a Sales Contract

A sales contract signed by a purchaser and the developer will not become binding on a purchaser or the Developer until the following events have taken place:

(1) The purchaser has signed the sales contract.
(2) The Developer has delivered to the purchaser a true copy of the developer's public report with an effective date issued by the Commission, together with all amendments to the report as of the date of delivery, and the project's recorded Declaration and Bylaws, House Rules (if any), the Condominium Map and any amendments to them to date (all of which are a part of the developer's public report). If it is impracticable to include a letter-sized Condominium Map, the Developer must provide written notice of an opportunity to examine the Condominium Map.

(3) The Developer has delivered to the purchaser a notice of the purchaser's 30-day cancellation right on a form prescribed by the Commission.

(4) The purchaser does at least one of the following:

(a) Waives the purchaser's right to cancel the sales contract within 30 days from receipt of the notice of the purchaser's 30-day cancellation right; or

(b) Allows the 30-day cancellation period to expire without exercising the right to cancel; or

(c) Closes the purchase of the unit before the 30-day cancellation period expires.

The purchaser or the Developer may cancel the sales contract at any time during the 30-day cancellation period, and the sales contract will be canceled and the purchaser's deposits returned to the purchaser, less any escrow cancellation fee and other costs associated with the purchase, up to a maximum of \$250.

5.8.2 Right to Cancel a Sales Contract if Completion Deadline Is Missed

In addition to the purchaser's 30-day cancellation right described in Section 5.8.1 above, when a sales contract is signed before completion of construction of a project, the purchaser will have the right to cancel if the unit is not completed by certain deadlines. In conversion projects, there must be a deadline for completion of any required repairs. Every sales contract shall contain an agreement of the Developer that the completion of construction shall occur on or before the completion deadline, and that completion deadline is set forth in this report in Section 5.5. The sales contract shall provide that the purchaser may cancel the sales contract at any time after the specified completion deadline, if completion of construction does not occur on or before the completion deadline, as the same may have been extended. Upon a cancellation, the purchaser's deposits shall be refunded, less any escrow cancellation fee and other costs associated with the purchase, up to a maximum of \$250.00.

5.8.3 Purchaser's Right to Rescind a Binding Sales Contract After a Material Change

If a "material change" in a project occurs after a purchaser has signed a sales contract that has become binding, the purchaser will have a 30-day right to rescind after notification and description of the material change. A material change is defined in the Condominium Property Act to be any change that "directly, substantially and adversely affects the use or value of (1) a purchaser's unit or appurtenant limited common elements; or (2) those amenities of the project available for the purchaser's use."

The purchaser will be informed of the material change by the developer on a form prescribed by the Commission containing a description of the material change.

After notice of the material change, the purchaser may waive the right to rescind by:

- (1) Checking the waiver box on the rescission form; or
- (2) Letting the 30-day rescission period expire, without taking any action to rescind; or
- (3) Closing the purchase of the unit before the 30-day rescission period expires.

The rescission form must be signed by all purchasers of the affected unit and delivered to the developer no later than midnight of the 30th calendar day after the purchasers received the rescission form from the developer. Purchasers who validly exercise the right of rescission shall be entitled to a prompt and full refund of any moneys paid.

A rescission right shall not apply in the event of any additions, deletions, modifications and reservations including, without limitation, the merger or addition or phasing of a project, made pursuant to the terms of the project's Declaration.

These provisions shall not preclude a purchaser from exercising any rescission rights pursuant to a contract for the sale of a unit or any applicable common law remedies.

6. MISCELLANEOUS INFORMATION NOT COVERED ELSEWHERE IN THIS REPORT

1. Farm Dwellings. Purchasers should be aware that Chapter 205, Hawaii Revised Statutes ("HRS") generally does not authorize residential dwellings as a permissible use in an agricultural use district, unless the dwelling is related to an agricultural activity or is a "farm dwelling". The term "farm dwelling" is defined in HRS section 205-4.5(a)(4) as a "single family dwelling located on and used in connection with a farm, including clusters of single-family farm dwellings permitted within agricultural parks developed by the State or where agricultural activity provides income to the family occupying the dwelling." The penalty for a violation of HRS section 205-4.5(a)(4) is a fine of not more than \$5,000. If any person who is cited for a violation of the law fails to remove the violation within six months of such citation and the violation continues, such person is subject to a citation for a new and separate violation. There shall be a fine of not more than \$5,000 for an additional violation.

In order for a purchaser to obtain a building permit to construct a single family residential unit (farm dwelling), the County of Kauai will require the purchaser to sign a Farm Dwelling Agreement in the form attached hereto as Exhibit "K". In addition, the Declaration imposes a duty of each unit owner to bear an equal burden proportionate to the unit owner's respective appurtenant interest in the common area for the cost of maintaining agricultural activities on the Project that are satisfactory to the Planning Department of the County of Kauai and that will allow the issuance of a Farm Dwelling Agreement and corresponding building permit for all of the units within the Project.

2. A portion of Lot 42-B, which includes a large portion of Unit 1, is subject to flooding. See FEMA Map No. 185, which shows zone "X". Also see the Condominium Map that includes a 100 year building set back line (from Kapaa Stream and/or Drainage Course). The Buyer should conduct independent research regarding the flooding before purchasing a unit.

3. Lot 42-B (UNDERLYING THE PROJECT - UNITS 1 AND 2) CANNOT BE ASSURED OF A DEPENDABLE SUPPLY OF WATER, AND THE LOT OR UNIT OWNERS ARE REQUIRED TO SIGN THE COUNTY OF KAUAI WATER DEPARTMENT'S ELEVATION AGREEMENT AT THE TIME SERVICE IS REQUESTED, WHERE IN THE OWNER(S) AGREE TO ACCEPT SUCH WATER SERVICE AS IS AVAILABLE AND AGREES TO OTHER CONDITIONS REQUIRED BY THE DEPARTMENT'S RULES. THE BUYER SHOULD CONDUCT INDEPENDENT RESEARCH REGARDING THE WATER SUPPLY BEFORE PURCHASING A UNIT.

4. Disclosures regarding related parties: The project engineer, Peter Taylor, and the project attorney, Helene Taylor, Esq. are related.

5. For the purposes of Exhibit F of this report, the Developer has not calculated the estimated replacement reserves in accordance with HRS Sec. 514B-148 and any replacement reserve rules of the Hawaii Administrative Rules, as amended.

6. The Developer intends on removing from the property prior to the sale of any units, unless otherwise agreed in writing by the prospective purchaser and Developer, the tax lien recorded as Liber 13201 Page 410.

7. DISCLOSURE RE: NON SELECTION OF REAL ESTATE BROKER: As of the effective date of this Developer's Public Report the Developer has not executed a listing agreement for the sale of this condominium project with any duly licensed Hawaii real estate broker. Thus, the Developer cannot offer to sell or sell any units in this registered condominium project until: 1) the developer executes a listing agreement for the sale of this condominium project, 2) amends this developer's public report to reflect the new information, and 3) delivers this public report and amendment to the prospective purchaser. The conditions for a binding sales contract are listed on pages 16-17, paragraph 5.8.1.

SUMMARY OF PORTIONS OF ESCROW AGREEMENT

The Escrow Agreement creates an arrangement under which, the deposits a Purchaser makes pursuant to a Deposit, Receipt, Offer Acceptance and CPR Addendum (also known as the "sales contract"), will be held by a neutral party ("Escrow"). The Escrow Agreement contains important provisions and establishes certain charges with which a Purchaser should be familiar. It is incumbent upon Purchasers to read with care, the executed Escrow Agreement on file with the Real Estate Commission and included in the Developer's Public Report.

Among other things, the Escrow Agreement provides:

1. Escrow will let the Purchaser know when payments are due.
2. Escrow will not release and disburse Purchaser's funds at closing, unless: (a) the Real Estate Commission has issued the Developer's Public Report on the Project and the Purchaser has acknowledged receipt of the same, (b) Developer has delivered a written legal opinion to Escrow stating the Purchaser's sales contract has become effective and the requirements of Chapter 514B, Hawaii Revised Statutes, as applicable, have been met, (c) Developer has given escrow a written waiver of any option reserved in any sales contract to cancel said sales contract, and (d) If it is intended that the sale of a unit will be made to Purchasers as owner-occupants, the required affidavits of the Purchasers must be reaffirmed and delivered to Escrow with proof of the date of receipt by the Purchaser of the Developer's Public Report, upon receipt of the Developer's Public Report by the Purchaser or no later than closing of escrow for the unit.
3. Escrow may disburse funds to pay for construction costs of units and other improvements and fixtures in such amounts and at such times and in proportion to the valuation of the work completed by the contractor, as certified by a registered architect or engineer and as approved by Developer's mortgagee, if any, or an otherwise qualified financially disinterested person who shall be designated in writing by Developer and Developer's lender, if any, or a qualified, financially disinterested person who shall be designated in writing by Developer and Developer's lender, if any, who shall certify to Escrow in writing that such person is financially disinterested (and Escrow shall have the right to rely on said certification).
4. Escrow will arrange for and supervise the signing of all documents that are to be signed subsequent to and contemplated by the sales contract and shall promptly and diligently close the transaction.
5. Developer may close any or all sales at different times and Escrow agrees to cooperate with Developer to facilitate its performance of such partial closings.

6. If all documents necessary to effect each sales transaction are accurate and in no way defective, Escrow shall, within five business days (exclusive of the day of closing) file and record the documents necessary to effect the transfer of legal title to the Purchaser. If the documents are defective, Escrow shall file the documents within five business days after learning that the reason that prevented their filing or recording no longer exists.
7. If Purchaser fails to make the required payments to Escrow in a timely manner, Escrow shall notify Developer of Purchaser's failure. If Developer subsequently certifies in writing to Escrow that Developer has terminated the sales contract in accordance with the terms thereof and provides Escrow copies of all such notices of termination sent to the Purchaser, Escrow shall thereafter treat all funds of the Purchaser paid on account of the sales contract, as funds of the Developer and not as funds of the Purchaser.
8. The Purchaser may or will be entitled to a refund if the Purchaser or Developer cancels the sales contract in accordance with the cancellation provisions, or if the Purchaser terminates a reservation before the sales contract is binding. However, Escrow may deduct from the refund, cancellation fees in accordance with the sales contract. If the Purchaser does not claim any returned funds within sixty-days after receiving adequate notice, Escrow shall deposit the funds into a special account in a bank under the name of Developer as trustee for the benefit of such Purchaser. Escrow's duties with respect to such funds shall thereafter be released.
9. Escrow is relieved from all liability for acting in accordance with the terms of the Escrow Agreement, unless otherwise notified to the contrary by the Developer or Purchaser. If any dispute involving Escrow should arise, Escrow may take no action but instead may await settlement by the appropriate legal proceeding or may file a suit for adjudication and shall thereafter be fully released and discharged from further obligations with respect to the moneys deposited. Developer and Purchaser shall indemnify and hold Escrow harmless.
10. The Escrow Agreement shall be binding and may only be terminated by either the Developer or Escrow upon fifteen days written notice to the other; provided, however, all transactions in process thereunder at the time of the termination shall be completed under the terms of the Agreement. The Agreement shall be interpreted under Hawaii Law, which shall control in all instances.
11. Escrow shall furnish Developer with a semi-monthly Developer's report that will cover the status of each sales contract in escrow, including without limitation, the status of receipts, interest-bearing deposits and disbursements. Escrow shall, upon certification from Developer that such payments are due, bill each Purchaser for payments due under the Purchaser's sales contracts.
12. The compensation of Escrow for performance under the Escrow Agreement shall be in accordance with the scheduled rates plus tax for each unit in the Project. The compensation for Escrow's performance does not include costs such as notary fees, recording fees, conveyance document preparation fees or any additional or special

services requested by the Purchaser. Escrow shall also arrange for the issuance of a title insurance policy (Standard Owner's or ALTA Lender's policy), the premiums for which shall be based upon the escrow company's scheduled rates for each unit in the Project. An additional fee of Two Hundred Fifty Dollars (\$250) may be charged to the Purchaser for each mortgage obtained by the Purchaser if the Purchaser does not obtain a mortgage loan from a lender designated by Developer. Should the Purchaser obtain a mortgage loan from any out-of-state lender, a fee of Five Hundred Dollars (\$500) may be charged to the Purchaser for each mortgage obtained. If an escrow involves a 1031 exchange, Escrow has the right to assess additional fees commensurate with the amount of work involved. The cost of said escrow fees and title insurance policies shall be the expense of the individual Purchasers, and the same or any portion thereof shall not in any way be the obligation of the Developer.

SPECIAL NOTE: THE ABOVE SUMMARY IS NOT INTENDED TO BE A THOROUGH AND EXHAUSTIVE EXPLANATION OF ALL TERMS AND PROVISIONS CONTAINED IN THE ESCROW AGREEMENT. WHILE ONE CAN USE THIS SUMMARY AS A GENERAL SUMMARY OF THE AGREEMENT, ONE MUST REFER TO THE ACTUAL AGREEMENT TO DETERMINE THE RIGHTS AND OBLIGATIONS OF THE PARTIES. IF ANY CONFLICT OF DIFFERENCE EXISTS BETWEEN THIS SUMMARY AND THE AGREEMENT, THE AGREEMENT WILL CONTROL AND NOT THIS SUMMARY.
