Preparation of this Report

The Developer prepared this report to disclose relevant information, including "material facts", that are reasonably known to the Developer about the condominium project covered by this report. This report has been prepared pursuant to the Condominium Property Act, Chapter 514B, Hawaii Revised Statutes, as amended from time to time. The law defines "material facts" to mean "any fact, defect, or condition, past or present that to a reasonable person, would be expected to measurably affect the value of the project, unit, or property being offered or proposed to be offered for sale."

This report has not been prepared or issued by the Real Estate Commission or any other governmental agency. The issuance by the Commission of an effective date for this Developer's Public Report (1) does not mean that the Commission approves or disapproves of the project; (2) does not mean that the Commission thinks that either all material facts or all pertinent changes, or both, about the project have been fully or adequately disclosed; and (3) is not the Commission's judgment of the value or merits of the project.

This report may be used by the Developer for promotional purposes only if it is used in its entirety. No person shall advertise or represent that the Commission has approved or recommended the project, this report or any of the documents submitted with Developer's application for registration of this project.

This report will be amended if, after the effective date of this report, any changes, either material or pertinent changes, or both, occur regarding the information contained in or omitted from this report. In that case, the Developer is required to submit immediately to the Commission an amendment to this report or an amended Developer's Public Report, clearly reflecting the changes, including any omitted material facts, together with such supporting information as may be required by the Commission. In addition, the Developer may choose at any time to change or update the information in this report. Annually, at least thirty days prior to the anniversary date of the Effective Date of this report, the Developer shall file an annual report to update the material contained in this report. If there are no changes, the Developer is required to state that there are no changes. The Developer's obligation to amend this report or to file annual reports ends when the initial sales of all units in the project have been completed.

Purchasers are encouraged to read this report carefully and to seek professional advice before signing a sales contract for the purchase of a unit in the project.

Signing a sales contract may legally bind a purchaser to purchase a unit in the project, though a purchaser may have rights to cancel or rescind a sales contract under particular circumstances that may arise.

This material can be made available for individuals with special needs. Please call the Senior Condominium Specialist at 586-2643 to submit your request.

SPECIAL ATTENTION

[Use this page for special or significant matters which should be brought to the purchaser's attention and that are not covered elsewhere in this report.]

SPECIAL NOTICE

This is a condominium project, not a subdivision, and the project does not involve the sale of individual subdivided lots. The land area beneath and immediately appurtenant to each unit is designated a limited common element and is not a legally subdivided lot. The dashed lines on the Condominium Map bounding the designated number of square feet in each limited common element land area are for illustrative purposes only and should not be construed to be the property lines of legally subdivided lots.

Facilities and improvements normally associated with county approved subdivisions may not necessarily be provided for and services such as county street maintenance and trash collection may not be available for interior roads.

This public report does not constitute approval of the Project by the Real Estate Commission, or any other government agency, nor does it ensure that all applicable County codes, ordinances, and subdivision requirements have necessarily been complied with.

THE PROSPECTIVE PURCHASER IS CAUTIONED TO CAREFULLY REVIEW THE CONDOMINIUM DOCUMENTS REFERENCED IN THIS PUBLIC REPORT FOR FURTHER INFORMATION WITH REGARD TO THE FOREGOING.

General Information On Condominiums

A condominium is a special form of ownership of real property. To create a condominium in Hawaii after July 1, 2006, the Condominium Property Act, Chapter 514B, Hawaii Revised Statutes, must be followed. In addition, certain requirements and approvals of the county in which the project is located must be satisfied and obtained.

Some condominium projects are leasehold. This means that the land and/or the building(s) and other improvements are leased to the purchaser. The lease for the land usually requires that at the end of the lease term, the lessees (unit owners) deliver their interest in the land to the lessor (fee property owner).

If you are a typical condominium unit owner, you will have two kinds of ownership: (1) ownership in your individual unit; and (2) a percentage interest in the common elements.

You will be entitled to exclusive ownership and possession of your unit. Subject to the documents governing them, condominium units may be individually bought, sold, rented, mortgaged or encumbered, and may be disposed of by will, gift or operation of law.

Your unit will, however, be part of the group of units that comprise the condominium project. Study the project's Declaration of Condominium Property Regime, Bylaws of the Association of Unit Owners, Condominium Map and House Rules, if any, which are being concurrently delivered to you with this report. These documents contain important information on the use and occupancy of the units and the common elements of the project, as well as the rules and regulations of conduct for unit owners, tenants and guests.

Operation of the Condominium Project

The Association of Unit Owners is the entity through which unit owners may take action with regard to the administration, management and operation of the condominium project. Each unit owner is automatically a member of the Association.

The Board of Directors is the governing body of the Association. Unless you serve as a board member or an officer, or are on a committee appointed by the board, your participation in the administration and operation of the condominium project will in most cases be limited to your right to vote as a unit owner. The Board and officers can take certain actions without the vote of the unit owners. For example, the Board may hire and fire employees, increase or decrease maintenance fees, adopt budgets for revenues, expenses and reserves and regulate the use, maintenance, repair and replacement of common elements. Some of these actions may significantly impact the unit owners.

Until there is a sufficient number of purchasers of units to elect a majority of the Board, it is likely at first that the Developer will effectively control the affairs of the Association. It is frequently necessary for the Developer to do so during the early stages of development and the Developer may reserve certain special rights to do so in the Declaration and Bylaws. Prospective purchasers should understand that it is important to all unit owners that the transition of control from the Developer to the unit owners be accomplished in an orderly manner and in a spirit of cooperation.

3. CREATION OF THE CONDOMINIUM AND CONDOMINIUM DOCUMENTS

A condominium is created by recording in the Bureau of Conveyances (Regular System) or filing in the Office of the Assistant Registrar of the Land Court, or both, a Declaration of Condominium Property Regime, a Condominium Map and the Bylaws of the Association of Unit Owners. The Condominium Property Act (Chapter 514B, HRS), the Declaration, Bylaws and House Rules control the rights and obligations of the unit owners with respect to the project and the common elements, to each other, and to their respective units.

3.1 Declaration of Condominium Property Regime

The Declaration of Condominium Property Regime contains a description of the land, buildings, units, common interests, common elements, limited common elements, and other information relating to the condominium project.

The Bylaws of the Association of Unit Owners govern the operation of the condominium project. They provide for the manner in which the Board of Directors of the Association of Unit Owners is elected, the powers and duties of the Board, the manner in which meetings will be conducted, whether pets are prohibited or allowed and other matters that affect how the condominium project will be governed.

3.4 House Rules

The Board of Directors may adopt rules and regulations (commonly called "House Rules") to govern the use and operation of the common elements and limited common elements. House Rules may cover matters such as parking regulations, hours of operation for common facilities such as recreation areas, use of lanais and requirements for keeping pets. These rules must be followed by owners, tenants, and guests. They do not need to be recorded or filed to be effective. The initial House Rules are usually adopted by the Developer. Changes to House Rules do not need to be recorded to be effective.

The House Rules for this project:

Are Proposed	<input type="checkbox"/>	
Have Been Adopted and Date of Adoption	<input type="checkbox"/>	
Developer does not plan to adopt House Rules	<input checked="" type="checkbox"/>	

3.5 Changes to the Condominium Documents

Changes to Condominium Documents: Changes to the Declaration, Bylaws and Condominium Map are effective only if they are duly adopted and recorded. Where permitted, the minimum percentages of the common interest that must vote for or give written consent to changes to the Declaration, Bylaws and Condominium Map are set forth below. The percentages for any individual condominium project may be more than the minimum set by law if the Declaration or Bylaws for the project so provide.

Document	Minimum Set by Law	This Condominium
Declaration	67%	100%
Bylaws	67%	67%

3.6 Rights Reserved by the Developer to Make Changes to the Condominium Project or Condominium Documents

<input checked="" type="checkbox"/>	No rights have been reserved to the Developer to change the Declaration, Bylaws, Condominium Map or House Rules (if any).
<input type="checkbox"/>	Developer has reserved the right to change the Declaration, Bylaws, Condominium Map and House Rules (if any) and to add to or merge the project or to develop the project in one or more phases, and such rights are summarized as follows:

4. CONDOMINIUM MANAGEMENT

4.1 Management of the Common Elements

<u>Management of the Common Elements:</u> The Association of Unit Owners is responsible for the management of the common elements and the overall operation of the condominium project. The Association may be permitted, and in some cases may be required, to employ or retain a condominium managing agent to assist the Association in managing the condominium project.	
The initial Condominium Managing Agent for this project is (check one):	
<input type="checkbox"/>	Not affiliated with the Developer
<input checked="" type="checkbox"/>	None (self-managed by the Association)
<input type="checkbox"/>	The Developer or an affiliate of the Developer
<input type="checkbox"/>	Other (explain)

4.2 Estimate of the Initial Maintenance Fees

<u>Estimate of the Initial Maintenance Fees:</u> The Association will make assessments against your unit to provide funds for the operation and maintenance of the condominium project. If you are delinquent in paying the assessments, a lien may be placed on your unit and the unit may be sold through a foreclosure proceeding. Initial maintenance fees are difficult to estimate and tend to increase as the condominium ages. Maintenance fees may vary depending on the services provided.
Exhibit <u>J</u> contains a breakdown of the estimated annual maintenance fees and the monthly estimated maintenance fee for each unit, certified to have been based on generally accepted accounting principles, with the Developer's statement as to when a unit owner shall become obligated to start paying the unit owner's share of the common expenses.

4.3 Utility Charges to be Included in the Maintenance Fee

If checked, the following utilities are included in the maintenance fee:	
<input type="checkbox"/>	Electricity for the common elements
<input type="checkbox"/>	Gas for the common elements
<input type="checkbox"/>	Water
<input type="checkbox"/>	Sewer
<input type="checkbox"/>	TV Cable
<input type="checkbox"/>	Other (specify)

4.4 Utilities to be Separately Billed to Unit Owner

If checked, the following utilities will be billed to each unit owner and are not included in the maintenance fee:	
<input checked="" type="checkbox"/>	Electricity for the Unit only
<input checked="" type="checkbox"/>	Gas for the Unit only
<input checked="" type="checkbox"/>	Water
<input checked="" type="checkbox"/>	Sewer (Note that Project is on private individual systems.)
<input checked="" type="checkbox"/>	TV Cable
<input type="checkbox"/>	Other (specify)

5. SALES DOCUMENTS

5.1 Sales Documents Filed with the Real Estate Commission

<input checked="" type="checkbox"/>	Specimen Sales Contract Exhibit <u>1</u> contains a summary of the pertinent provisions of the sales contract. Including but not limited to any rights reserved by the Developer.
<input checked="" type="checkbox"/>	Escrow Agreement dated: June 25, 2009 Name of Escrow Company: Old Republic Title & Escrow of Hawaii Exhibit <u>2</u> contains a summary of the pertinent provisions of the escrow agreement.
<input type="checkbox"/>	Other:

5.2 Sales to Owner-Occupants

<input type="checkbox"/>	The sales of units in this project are subject to the Owner-Occupant requirements of Chapter 514B.
<input type="checkbox"/>	Developer has designated the units for sale to Owner-Occupants in this report. See Exhibit ____.
<input type="checkbox"/>	Developer has or will designate the units for sale to Owner-Occupants by publication.

5.3 Blanket Liens

Blanket Liens: A blanket lien is an encumbrance (such as a mortgage) on the entire condominium project or more than one unit that secures some type of monetary debt (such as a loan) or other obligation. Blanket liens (except for improvement district or utility assessments) must be released as to a unit before the developer conveys the unit to a purchaser. The purchaser's interest will be affected if the developer defaults and the lien is foreclosed prior to conveying the unit to the purchaser.

<input type="checkbox"/>	There are <u>no blanket liens</u> affecting title to the individual units.
<input checked="" type="checkbox"/>	There are <u>blanket liens</u> that may affect title to the individual units.

Type of Lien	Effect on Purchaser's Interest and Deposit if Developer Defaults or Lien is Foreclosed Prior to Conveyance
Mortgage	If the Developer defaults under the sales contract and refunds the Buyer's deposits, less escrow cancellation fees, the Buyer shall have no further interest in the Project.

5.4 Construction Warranties

Construction Warranties: Warranties for individual units and the common elements, including the beginning and ending dates for each warranty (or the method of calculating them), are as set forth below:

<p>Building and Other Improvements:</p> <p>Developer makes no warranties itself, but will assign to Buyer any and all warranties provided by General Contractor, including a limited one year warranty on all work from the date of substantial completion.</p>
<p>Appliances:</p> <p>Developer makes no warranties itself, but will assign without recourse to Buyer any and all manufacturer's or dealer's warranties covering any furnishings, fixtures and appliances.</p>

5.5 Status of Construction, Date of Completion or Estimated Date of Completion

Status of Construction:
Both Unit were completed in 2009.
Completion Deadline: If a sales contract for a unit is signed before the construction of the unit has been completed, or, in the case of a conversion, completion of any repairs, does not occur by the completion deadline set forth below, one of the remedies available to a purchaser is a cancellation of the purchaser's sales contract. The sales contract may include a right of the Developer to extend the completion deadline for force majeure as defined in the sales contract. The sales contract may also provide additional remedies for the purchaser.
Completion Deadline for any unit not yet constructed, as set forth in the sales contract:
Completion Deadline for any repairs required for a unit being converted, as set forth in the sales contract:

5.6 Developer's Use of Purchaser Deposits to Pay for Project Construction Costs Before Closing or Conveyance

The Developer is required to deposit all moneys paid by purchasers in trust under a written escrow agreement with a Hawaii licensed escrow depository. Escrow shall not disburse purchaser deposits to the Developer or on behalf of the Developer prior to closing, except if a sales contract is canceled or if Developer has met certain requirements, which are described below.

5.6.1 Purchaser Deposits Will Not Be Disbursed Before Closing or Conveyance

<input type="checkbox"/>	The Developer hereby declares by checking the box to the left that it shall use its own funds to complete the construction of the condominium project by the date indicated in Section 5.5 of this report, and the Developer, pursuant to its own analysis and calculations, certifies that it has sufficient funds to complete the construction of the condominium project. <i>If this box is checked, Section 5.6.2, which follows below, will not be applicable to the project.</i>
--------------------------	-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

5.6.2 Purchaser Deposits Will Be Disbursed Before Closing

Hawaii law provides that, if certain statutory requirements are met, purchaser deposits in escrow under a binding sales contract may be used before closing to pay for certain project costs. For this project, the Developer indicates that purchaser deposits may be used for the following purposes (check applicable box):	
<input type="checkbox"/>	For new construction: to pay for project construction costs described in the Developer's budget and approved by the Developer's lender or an otherwise qualified, financially disinterested person; or
<input type="checkbox"/>	For conversions: to pay for repairs necessary to cure violations of county zoning and building ordinances and codes, for architectural, engineering, finance and legal fees, and for other incidental expenses.

In connection with the use of purchaser deposits (check Box A or Box B):

<p>Box A</p> <p><input type="checkbox"/></p>	<p>The Developer has submitted all information and documents required by law and the Commission prior to the disbursement of purchaser deposits before closing. This means that the Developer may use such deposits before closing. If the Developer decides not to use purchaser deposits before closing, the Developer does not need to amend this report.</p> <p>If Box A is checked, you should read and carefully consider the following notice, which is required by law:</p> <p><u>Important Notice Regarding Your Deposits:</u> Deposits that you make under your sales contract for the purchase of the unit may be disbursed before closing of your purchase to pay for project costs, construction costs, project architectural, engineering, finance, and legal fees, and other incidental expenses of the project. While the developer has submitted satisfactory evidence that the project should be completed, it is possible that the project may not be completed. If your deposits are disbursed to pay project costs and the project is not completed, there is a risk that your deposits will not be refunded to you. You should carefully consider this risk in deciding whether to proceed with your purchase.</p>
<p>Box B</p> <p><input type="checkbox"/></p>	<p>The Developer has <u>not</u> submitted all information and documents required by law and the Commission, and, until all such information and documents are submitted, thus, the Developer cannot use purchaser deposits.</p> <p>If the Developer later submits all information and documents required by law and the Commission for the use of purchaser deposits, then the Developer must provide an amendment to this report or an amended developer's public report to each purchaser who has signed a sales contract. At such time, the <u>Important Notice Regarding Your Deposits</u> set forth immediately above will apply to all purchasers and will be restated in the amendment to this report or an amended developer's public report. When an effective date for such an amendment or an amended developer's public report is issued, <u>you will not have the right to rescind or cancel the sales contract by reason of such submission and amendment.</u> (This, however, does not affect your right to rescind for material changes or any other right you may have to rescind or cancel the sales contract, as described in Section 5.8 below.) If the Developer decides not to use purchaser deposits before closing, the Developer does not need to amend this report.</p> <p>You should understand that, although the <u>Important Notice Regarding Your Deposits</u> set forth above does not currently apply to you, it might apply to you in the future, and, therefore, you should read and carefully consider it now to ensure that you understand the risk involved in deciding whether to proceed with your purchase.</p>

Material House Bond. If the Developer has submitted to the Commission a completion or performance bond issued by a material house instead of a surety as part of the information provided prior to the use of purchaser deposits prior to closing or conveyance of a unit, the Developer shall disclose the same below and disclose the impact of any restrictions on the Developer's use of purchaser deposits.

5.7 Rights Under the Sales Contract

Before signing the sales contract, prospective purchasers should carefully review all documents relating to the project. These include but are not limited to the documents listed below. 5.8 Purchaser's Right to Cancel or Rescind a Sales Contract

A purchaser's right to cancel a sales contract or to rescind a sales contract may arise under varying circumstances. In the sections below, some circumstances that will give rise to a purchaser's right to cancel or rescind are described, together with what a purchaser must do if the purchaser wishes to exercise any of the rights.

5.8.1 When a Sales Contract becomes Binding and Purchaser's 30-Day Right to Cancel a Sales Contract

A sales contract signed by a purchaser and the developer will not become binding on a purchaser or the Developer until the following events have taken place:

- (1) The purchaser has signed the sales contract.
- (2) The Developer has delivered to the purchaser a true copy of the developer's public report with an effective date issued by the Commission, together with all amendments to the report as of the date of delivery, and the project's recorded Declaration and Bylaws, House Rules (if any), the Condominium Map and any amendments to them to date (all of which are a part of the developer's public report). If it is impracticable to include a letter-sized Condominium Map, the Developer must provide written notice of an opportunity to examine the Condominium Map.
- (3) The Developer has delivered to the purchaser a notice of the purchaser's 30-day cancellation right on a form prescribed by the Commission.
- (4) The purchaser does at least one of the following:
 - (a) Waives the purchaser's right to cancel the sales contract within 30 days from receipt of the notice of the purchaser's 30-day cancellation right; or

- (b) Allows the 30-day cancellation period to expire without exercising the right to cancel; or
- (c) Closes the purchase of the unit before the 30-day cancellation period expires.

The purchaser or the Developer may cancel the sales contract at any time during the 30-day cancellation period, and the sales contract will be canceled and the purchaser's deposits returned to the purchaser, less any escrow cancellation fee and other costs associated with the purchase, up to a maximum of \$250.

5.8.2 Right to Cancel a Sales Contract if Completion Deadline Is Missed

In addition to the purchaser's 30-day cancellation right described in Section 5.8.1 above, when a sales contract is signed before completion of construction of a project, the purchaser will have the right to cancel if the unit is not completed by certain deadlines. In conversion projects, there must be a deadline for completion of any required repairs. Every sales contract shall contain an agreement of the Developer that the completion of construction shall occur on or before the completion deadline, and that completion deadline is set forth in this report in Section 5.5. The sales contract shall provide that the purchaser may cancel the sales contract at any time after the specified completion deadline, if completion of construction does not occur on or before the completion deadline, as the same may have been extended. Upon a cancellation, the purchaser's deposits shall be refunded, less any escrow cancellation fee and other costs associated with the purchase, up to a maximum of \$250.00.

5.8.3 Purchaser's Right to Rescind a Binding Sales Contract After a Material Change

If a "material change" in a project occurs after a purchaser has signed a sales contract that has become binding, the purchaser will have a 30-day right to rescind after notification and description of the material change. A material change is defined in the Condominium Property Act to be any change that "directly, substantially and adversely affects the use or value of (1) a purchaser's unit or appurtenant limited common elements; or (2) those amenities of the project available for the purchaser's use."

The purchaser will be informed of the material change by the developer on a form prescribed by the Commission containing a description of the material change.

After notice of the material change, the purchaser may waive the right to rescind by:

- (1) Checking the waiver box on the rescission form; or
- (2) Letting the 30-day rescission period expire, without taking any action to rescind; or
- (3) Closing the purchase of the unit before the 30-day rescission period expires.

The rescission form must be signed by all purchasers of the affected unit and delivered to the developer no later than midnight of the 30th calendar day after the purchasers received the rescission form from the developer. Purchasers who validly exercise the right of rescission shall be entitled to a prompt and full refund of any moneys paid.

A rescission right shall not apply in the event of any additions, deletions, modifications and reservations including, without limitation, the merger or addition or phasing of a project, made pursuant to the terms of the project's Declaration.

These provisions shall not preclude a purchaser from exercising any rescission rights pursuant to a contract for the sale of a unit or any applicable common law remedies.

6. MISCELLANEOUS INFORMATION NOT COVERED ELSEWHERE IN THIS REPORT

1. **DISCLOSURE RE: NON SELECTION OF REAL ESTATE BROKER.** As of the effective date of this Developer's Public Report, the Developer has not executed a listing agreement for the sale of this condominium project with any duly licensed Hawaii real estate broker. Thus, the developer cannot offer to sell or sell any units in this registered condominium project until:

- 1) the developer executes a listing agreement for the sale of this condominium project,
- 2) amends this developer's public report to reflect the new information, and
- 3) delivers this public report and amendment to the prospective purchaser.

The conditions for binding sales contract are listed on pages 16-17 paragraph 5.8.1.

2. **MANAGEMENT OF THE PROJECT.** The Project consists of only two units and will be self-managed. Accordingly, the Developer has elected that Part VI of Chapter 514B (relating to management) shall not apply to the Project.

3. **MANAGEMENT CONFLICTS & DEADLOCKS; DISPUTE RESOLUTION.** The Project's Association of Unit Owners and Board of Directors are responsible for management of the Project. Under the Declaration and Bylaws for this Project, any decision of the Project's Association or Board requires the concurrence of both Owners or their designated representatives on the Board, respectively. The Declaration and Bylaws contain no provisions for breaking deadlocks. In the event of conflicts, disputes, or deadlocks between the Owners or their representatives on the Board that cannot be resolved by mutual agreement, the Owners' recourse will be to mediation pursuant to Section 14 of the Project's Declaration and Section 514B-161 of the Act, arbitration pursuant to Section 514B-162 of the Act, or litigation in court. Those methods of dispute resolution can be costly and time-consuming, and where there are disputes between Owners, this management structure can impair the efficient operation of the Project.

4. **CHAPTER 672E, HAWAII REVISED STATUTES, REQUIREMENT FOR FILING A LAWSUIT OR OTHER ACTION FOR DEFECTIVE CONSTRUCTION AGAINST THE CONTRACTOR.** Chapter 672E of the Hawaii Revised Statutes contains important requirements a Purchaser must follow before the Purchaser may file a lawsuit or other action for defective construction against the contractor who designed, repaired, or constructed buyer's home or facility. Ninety days before a Purchaser files a lawsuit or other action, Purchaser must serve on the contractor a written notice of any construction conditions Purchaser alleges are defective. Under the law, a contractor has the opportunity to make an offer to repair and/or pay for the defects. A Purchaser is not obligated to accept any offer made by a contractor. There are strict deadlines and procedures under the law, and failure to follow them may negatively affect a Purchaser's ability to file a lawsuit or other action.

The Developer declares subject to the penalties set forth in Section 514B-69, HRS, that this project conforms to the existing underlying county zoning for the project, zoning and building ordinances and codes and all applicable permitting requirements adopted by the county in which the project is located, all in accordance with Sections 514B-5 and 32(a)(13), HRS.

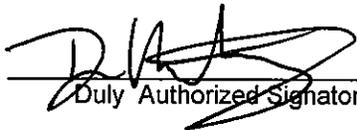

For any conversion, if any variances have been granted, they are specified in Section 1.14 of this report, and, if purchaser deposits are to be used by the Developer to cure any violations of zoning, permitting requirements or rules of the county in which the project is located, the violation is specified in Section 1.15 of this report, along with the requirements to cure any violation, and Section 5.5 specifies the date by which the cure will be completed.

The Developer hereby certifies that all the information contained in this report and the exhibits attached to this report and all documents to be furnished by the Developer to purchasers concerning the project have been reviewed by the Developer and are, to the best of the Developer's knowledge, information and belief, true, correct and complete. The Developer hereby agrees promptly to amend this report to report and include either or all material facts, material or pertinent changes to any information contained in or omitted from this report and to file annually a report to update the material contained in this report at least 30 days prior to the anniversary date of the effective date of this report.

END OF EXHIBIT B

EXHIBIT C
Permitted Alterations to the Units

Article 19 of the Declaration states:

“19. ALTERATION OF PROJECT.

19.1. Changes to Units. Notwithstanding anything to the contrary contained in this Declaration, a Unit Owner, with the consent by the holder of any mortgage affecting the Owner's Unit (if required by such mortgage), shall have the right at his sole option at any time and from time to time without the consent of any other person, to improve, renovate, remodel, make additions to, enlarge, remove, replace or restore the improvements to or in his Unit or portions thereof or to make or build improvements upon the Dwelling Area appurtenant to the Unit (collectively, the foregoing are referred to "changes") subject to the following conditions:

(i) All building plans for any such changes shall be prepared by a Hawaii-licensed architect or professional engineer; shall conform with applicable County building, zoning laws and ordinances ("County Rules") and applicable State law ("State Law"), and if required under law, all changes that involve construction shall be undertaken by a Hawaii-licensed building contractor.

(ii) All changes to a Unit must be made within the Dwelling Area which is appurtenant to such Unit, provided that no structure shall be constructed or placed within ten(10) feet of the boundary line between the Dwelling Areas.

(iii) No change to a Unit may be made if the effect of such change would be to exceed the Unit's "proportionate share" of the allowable floor area, lot area coverage for buildings on the Land, number of dwelling units or other development rights, as such rights are governed by the land use and zoning ordinance of the County in effect when the change is to be made; provided, however, that each Unit shall be allocated no fewer than one of the number of dwelling units permitted on the Land. The "proportionate share" for each Unit shall be a fraction having as a numerator the area of the Unit's appurtenant Dwelling Area and having as a denominator the total area of all Dwelling Areas appurtenant to Units in the Project.

(iv) All such changes shall be at the expense of the Owner making the change and shall be expeditiously made and in a manner that will not unreasonably interfere with the other Owner's use of his Unit or its appurtenant Dwelling Area.

(v) During the entire course of such construction, the Owner making such change will cause to be maintained at his expense builder's all-risk insurance in an amount not less than the estimated cost of construction. The Association shall be named as an additional insured and, upon the request of the Association, evidence of such insurance shall be deposited with the Association or its Managing Agent, if any;

(vi) The Unit Owner seeking to make a change to his Unit shall have the right (aa) to seek building permits and other types of approvals and permits from governmental authorities and from utility providers on such Unit Owner's behalf and on behalf of the Association, if required, in order to allow such Unit Owner to make changes to his Unit; and (bb) to utilize, relocate and realign existing and/or to develop additional, central and appurtenant installations for services to the Unit affected by such change for electricity, sewer and other utilities and services and when applicable, to add, delete, relocate, realign, designate and grant easement and rights-of-way over, under and on the common

elements as necessary or desirable in connection therewith; provided that the same shall not cause any interruption in the service of such utilities to any other part of the Project or otherwise materially interfere with their use by the other Owner;

(vii) If notwithstanding this Paragraph 19.1, the consent or joinder of another Unit Owner to any Change, including obtaining building permits, is required by the Act, County or State Law or by the providers of utilities servicing such Unit, then each of the other Unit Owners hereby consents in advance to give such consent or join any such application for such Change, provided that all such expenses relating to the change shall be borne by the Owner making the Change and the other Unit Owners shall have no liability therefor. And if such other Unit Owner refuses to give his consent or joinder, then the Unit Owner seeking to make such change shall be deemed to have a special power of attorney from each such other Unit Owners to provide such consent or joinder; provided that all cost and expense relating to the Change shall be borne by the Owner making the Change.

(viii) Each and every conveyance, lease and mortgage or other lien made or created on any Unit and all common interests and other appurtenances thereto shall be subject to the provisions of this paragraph and any lease of a Dwelling Area shall reserve to each Owner the rights set forth in this paragraph.

19.2 Division of Apartment Unit.

(a) A Unit Owner, with the consent by the holder of any mortgage affecting the Owner's Unit (if required by such mortgage), shall have the right at his sole option at any time and from time to time without the consent of any other person, from time to time divide the Owner's Unit ("Original Apartment") into as many apartment units as such Owner may decide (the "Resulting Apartments"), each to be allocated a share of the percentage common interest allocable to the Original Apartment, upon the following terms and conditions:

(i) The Unit Owner shall execute and file in the Recording Office (without the necessity of the consent or joinder of any other Unit Owner or any other person), and promptly deliver to the Board a true and correct filed copy of, an amendment to the Declaration which contains the following:

(aa) A description of the layout, location, dimensions and apartment number of each of the Resulting Apartments,

(bb) A description of the limited common elements appurtenant to each of the Resulting Apartments (which shall be a portion of the Dwelling Area appurtenant to the Original Apartment),

(cc) The percentage of the common interest appurtenant to each Resulting Apartment in accordance with Paragraph 6 of the Declaration, and any limited common interests assigned to, each Resulting Apartment, and

(dd) An amendment to the Condominium Map which accurately depicts the layout, location, apartment numbers, and dimensions of the Resulting Apartments;

(ii) upon the completion of any construction in connection with the addition of an additional Unit or Units, the Owner shall file in the Recording Office, and promptly deliver to the Board

of Directors a true and correct filed copy of, a statement of a registered architect or engineer, certifying that the amendment described above accurately depicts the Resulting Apartment(s), as built;

(iii) the Resulting Apartments shall not be assigned apartment numbers which are the same as the apartment number of any other Apartment in the Project.

19.3 Changes in Boundaries of Dwelling Areas. If an apartment unit shall have been divided in accordance with Paragraph 19.2, then the Owners of Units to which are appurtenant contiguous Dwelling Areas may from time to time change the boundaries between such Dwelling Areas and may re-allocate portions of such Limited Common Elements between or among the Units upon the following terms and conditions:

(a) The Unit Owners who are changing the boundaries of the Dwelling Areas shall execute and record in the Recording Office (without the necessity of the consent or joinder of the Declarant, the Association, the Board, any other Unit Owner or any other person), and promptly deliver to the Board of Directors a true and correct filed copy of an amendment to this Declaration and the Condominium Map which contains the following:

(i) a description of the resulting Dwelling Area appurtenant to each of the Units; and

(ii) a drawing which shall amend the Condominium Map to accurately depict the resulting Dwelling Areas.

(b) Any such change in boundaries shall not violate County building and zoning laws and other applicable County and State laws and requirements.

19.4 Rights to Further Develop the Land.

(a) A Unit Owner (with the consent by the holder of any mortgage affecting such Owner's Unit, if required by such mortgage) shall have the right at his sole option at any time and from time to time without the consent of the Association, the Board, any other Unit Owner or any other person to cause the Land to be further developed with additional dwelling units or other improvements, including subdividing the Land into as many lots of whatever size that such Unit Owner may wish (referred to as "Proposed Future Development"; provided, however, that such Proposed Future Development by the Unit Owner ("Future Developer Owner") shall affect only the Dwelling Area appurtenant to the Unit of such Future Developer Owner, and the rights of any other Unit Owner to use and make changes to his Unit and the Dwelling Area appurtenant to such Unit shall not be materially changed.

(b) Notwithstanding the foregoing, prior to a Future Developer Owner seeking to utilize the rights with respect to the Proposed Future Development, such Owner shall give written notice to all of other Owners of the intent of the Future Developer Owner to develop and/or subdivide the Land. The other Owners shall have the right within fifteen days of receiving such notice, to make a proposal to the Future Developer Owner that they participate in the Proposed Future Development. The Future Developer Owner shall have the right to decide in his sole and absolute discretion whether to accept such or any other proposal to participate in the Proposed Future Development.

(c) In connection with the Proposed Future Development, the Future Developer Owner shall have the right on behalf of the Association, the Board, and all Unit Owners to apply for, make applications, enter into agreements and to take all actions in order to effectuate the Proposed Future Development, with the County or other governmental agency and any utility service provider (to the extent any of the foregoing are deemed necessary or desirable.) Such permits and applications shall include, without limitation, applying for rezoning, variances, conditional uses, subdivision, cluster housing or site development plans.

19.5 Reserved Rights of Future Developer Owner to Remove Portions of the Land from the Project.

(a) If the Land shall have been legally subdivided as permitted in Paragraph 19.4 above, the Future Developer Owner shall have the right without the consent of the Association, the Board, any other Unit Owner or any other person at any time and from time to time, to remove a lot thereby created from the Project provided, however, that the rights of each of the other remaining Unit Owners to use and make changes to his Unit and the Dwelling Area appurtenant to such Unit shall not have been materially changed.

(b) If the Future Developer Owner decides that a portion of the Land (whether or not the Unit located thereon) shall be removed from the Project, then Future Developer Owner shall execute and record in the Recording Office (without the necessity of the consent or joinder of the Association, the Board, any other Unit Owner or any other person) an amendment to the Declaration and the Condominium Map (and shall deliver concurrently to the Board true and correct recorded copies thereof) and which amendment shall contain at least the following:

(i) a description of the Land, if any, remaining subject to the Condominium Property Regime; and

(ii) a site map which shall depict the Land, if any, remaining subject to the Condominium Property Regime, and

(iii) the number and designations of those Units still remaining within the Project; and

(iv) any additional common and limited common elements and easements which shall thereafter be appurtenant to the Units in the Project still remaining, any revisions to the common interest effective upon such subdivision and removal in accordance with Section 6 of the Declaration and such other matters necessary or desirable to effect any such change in the Project.

(c) If the Land is to be subdivided as permitted in Paragraph 19.4 above, and the Future Developer Owner shall desire to remove a lot thereby created from the Project, then each of the Unit Owners (i) shall sign and deliver a quitclaim deed conveying to the Future Developer Owner (or its nominee) all rights such Unit Owner(s) may have in the portion of the Land being removed and (ii) shall cause to be delivered to the Future Developer Owner a release of any mortgage or other lien in which such other Unit Owner is a borrower and which encumbers the land being removed from the Project.

19.6 PRIVATE SEPTIC SYSTEM.

(a) Definition. "Private Septic System" shall mean any private wastewater disposal or treatment and disposal system (including without limitation septic tanks and injection fields or

cesspools) now or hereafter located on or under either Dwelling Area, which is not hooked into a public sewer or septic system. If such System is utilized jointly by both Unit Owners, such System may be referred to as a "Shared Private Septic System" or "Shared System".

(It is intended in the future that each of the Units presently consisting of a shed will be replaced with a dwelling unit, that each dwelling unit will constitute an apartment in the Project and that it will be serviced by its own private septic system. Each such system will be located within a convenient distance of the dwelling unit it services. Each system is to be installed and thereafter maintained by the owner of the Unit serviced by the System. Thus, neither of the two intended septic systems are to be shared, considered to be a common element or bear any common expenses.)

(b) Designation of Third System as Common Element. The area of the Land is sufficient under current State rules to permit installation of a three septic systems, one of which will be located on the Dwelling Area appurtenant to a Unit. If the Unit Owners wish to install a third Private Septic System, then such System ("Shared System") and that portion of the Dwelling Area on which the system is now or hereafter located (together with reasonable rights of access to and from the System) shall constitute a common element available for use as a Private Septic System for the benefit of both Units; provided, however, that except for such use as a Private Septic System of that portion of the Dwelling Area under which the Shared System is located or across which access is required, all other uses of such affected Dwelling Area are exclusively reserved for the benefit of the Unit to which the Dwelling Area is appurtenant.

(c) Sharing of Costs. Notwithstanding Paragraph 15 of the Declaration, the costs and expenses (including any replacement thereof) relating to a Shared Private Septic System shall be treated as a common expense to be shared equally by each Unit Owner. To the extent practicable, each Owner shall pay his allocable share of the costs and expenses relating to any such Shared Septic System directly to the person providing services or to whom any such obligation is owed by the Owners.

(d) Future Expansion or Installation. Subject to the terms and conditions of Paragraph 19.1, a Unit Owner may make changes to his Unit. If a change is allowed, subject to the expansion or installation of a Private Septic System, then the following provisions shall apply:

(i) If City and County Rules and State Law allow for the installation of two Private Septic Systems on the Land, then each Unit Owner shall have the right to install one septic system to service his Unit. The area in which such system may be installed shall be the Dwelling Area appurtenant to the Unit being serviced by such system, provided, such installation shall be acceptable under the City and County Rules and State Law. If not so acceptable, then subject to City and County Rules and State Law, such System may be installed on the Dwelling Area appurtenant to the other Unit, provided that such shall have no material effect on the use or enjoyment of the Owner of the other Unit.

(ii) If such City and County Rules and State Law will only allow for the installation of a shared septic system on the Land and if State Laws and City and County Rules limit to five the number of bedrooms that be located upon the Land, each Unit will be allocated two bedrooms, and the owners of the Units shall decide as to which Unit shall be allocated the third bedroom.

(iii) If a change (in addition to the initial two dwelling units) is permitted under City and County Rules and State Law subject to the installation of a new Shared Private Septic System, then the installation of a new Shared System shall be subject to the consent of all the Unit Owners. Such consent shall also include the method of sharing of the costs associated with such installation. If the Unit Owners do not agree as to such installation or the sharing of costs relating thereto, then the Owner who desires to install a new System ("Expanding Owner") may do so on the following terms and conditions:

(aa) All costs and expenses (including without limitation the costs of design, permitting, engineering, construction, and landscaping, and costs of any temporary treatment facility if required during such expansion) shall be paid for by the Expanding Owner;

(bb) The installation shall be made by the Expanding Owner in such a manner as to cause minimum disruption of service of an existing Private Septic System and to allow for the future possible hook-up of the Unit owned by the other Owner(s) in the Project ("Non-Expanding Owner");

(cc) The Expanding Owner shall indemnify and hold the "Non-Expanding Owner" harmless against any loss, liability, damage or expense incurred or suffered by the Non-Expanding Owner on account of such enlargement or installation of the Private Septic System;

(dd) The installation shall be in compliance with all applicable City and County Rules and State Law, and shall be performed by requisite licensed professionals;

(ee) The Expanding Owner shall return the Dwelling Area in which the current Private Septic System is located to the same condition (including landscaping) as it was in prior to such expansion or installation;

(ff) The Expanding Owner shall provide reasonable assurance to the Non-Expanding Owner that the Expanding Owner has the financial ability to pay for all costs and expenses relating to such installation;

(gg) Except with the consent of the Non-Expanding Owner, any installation of a new Private Septic System shall be on and under the Dwelling Area appurtenant to the Unit owned by the Expanding Owner; provided if such location is not so acceptable to the City and County or the State, then subject to City and County Rules and State Law, such System may be installed on the Dwelling Area appurtenant to the other Unit, provided that such shall have no material effect on the use or enjoyment of the Owner of the other Unit.

(hh) If after the Expanding Owner installs a new septic system and pays the cost and expense of such expansion or installation, the Non-Expanding Owner wishes to make a

change to his Unit which would require an expansion of the current Private Septic System or installation of a new System, then the Non-Expanding Owner shall have the right to hook into and utilize the Private Septic System installed by the Expanding Owner (subject to any legal restrictions imposed on such System by the County or State), provided the Non-Expanding Owner shall reimburse the Expanding Owner for the Non-Expanding Owner's proportionate share of such costs of original expansion or installation made by the Expanding Owner.

(e) Cooperation. The Owner of each Unit shall cooperate with the Owner of the other Unit with respect to the changes to a Unit and with respect to the expansion, installation and hooking into the Private Septic System.

(f) Termination if Public Sewer System. In the event that a governmental entity or public utility makes available to the Unit Owners the right to hook into its common septic system ("Public Sewer System") which could replace the Private Septic System, then at the request of the owner of either Unit, the Owners of both Units shall hook up to the Shared Sewer Facility and shall abandon the Private Septic System. All costs and expenses associated with the hook up to the Common Sewer Facility shall be allocated in a reasonable and fair manner, and the costs associated with the abandonment and removal of the Private Septic System shall be shared according to the sharing of other common expenses.

19.7 Changes to Other Than Units. Except as to changes referred to in each of Paragraphs 19.1 to 19.6 inclusive, any changes to the Project different in any material respect from the Condominium Map of the Project, shall be undertaken by the Association of Unit Owners only pursuant to an amendment of this Declaration, duly executed by or pursuant to vote of all the Unit Owners and accompanied by the written consent of the holders of all liens affecting any of the Units, and in accordance with complete plans and specifications therefor first approved in writing by the Board, and promptly upon completion of such restoration, replacement or construction, the Association shall duly file such amendment in said Office, together with a complete set of the floor plans of the Project as so altered, certified as built by a registered architect or professional engineer.

19.8 General Provisions applicable to Section 19. The following provisions shall apply to each of the paragraphs within Section 19 unless the context and usage would clearly indicate to the contrary:

(a) The rights set forth in each of the Paragraphs within Section 19 for the benefit of a Unit Owner (including without limitation, the Future Developer Owner) (who may be referred to as "Benefitted Owner") may not be amended without the consent of such Benefitted Owner.

(b) In furtherance of the rights granted under Paragraphs 19.1 through 19.6 inclusive, Benefitted Owner shall have the right, without being required to obtain the consent or joinder of any person, including any other Unit Owner or any lien holder, or any other person who may have any interest in the Property or the Land (i) to execute and deliver (on behalf of all of the Unit Owners and their respective mortgagees, if necessary) applications, petitions, agreements and other instruments which such Benefitted Owner deems necessary or desirable (including without limitation, documents to be filed or recorded with the City and County of Honolulu, the Recording Office, other governmental agencies, public utility companies or private parties); (ii) to deliver documents and to take such actions in connection therewith as shall be in the sole and absolute discretion of Benefitted Owner, and his delivery of such instrument or the taking of such action shall be sufficient determination; (iii) to amend the Declaration and the Condominium Map to reflect rights of Benefitted Owner set forth such Paragraphs; and (iv) to grant easements for access and utility purposes in favor of any Subdivided

Portion across the Land and for access and utility purposes in favor of the remaining portion of the Land across the Subdivided Portion.

(c) If notwithstanding that a paragraph within this Section 19 does not require the consent or joinder of an Owner, lien holder or other person having any interest in the Project ("Third Party") to the action or change by another Owner benefitted by a paragraph within this Section 19 ("Benefitted Owner"), but the Act, County Rules, State Laws, title companies, permitting entities or public utility companies nonetheless do require the consent or joinder by the Third Party, then upon the request of Benefitted Owner, each such Third Party hereby consents in advance to such action or change being made by the benefitted Owner and agrees to consent to and join in, as aforesaid, and to execute all instruments or documents necessary or desirable so that Benefitted Owner may effectuate his change or otherwise do as permitted under the respective paragraph within this Section 19.

If the Third Party fails to provide such requested written joinder, consent, or take such action, as the case may be, such shall be accomplished by signature of the Benefitted Owner acting under an irrevocable power-of-attorney in favor of Benefitted Owner from each of the other Owners and Third Parties, the acquiring or acceptance of ownership in a Unit or of a lien covering a Unit or of any other interest in the Project being a grant of such power, and the grant being coupled with an interest, being irrevocable.

(d) The rights of a Benefitted Owner(including, without limitation, the Future Developer Owner) granted under each of the Paragraphs within Section 19 may be assigned, mortgaged or otherwise be transferred by such benefitted Owner only in connection with the assignment, mortgage or other transfer of the Unit owned by Benefitted Owner.

(e) Each and every conveyance, lease and mortgage or other lien made or created on any Unit and all common interests and other appurtenances thereto shall be subject to the provisions of each of the Paragraphs within Section 19 and any lease of a Dwelling Area shall reserve to each Owner the rights set forth in each of these paragraphs."

Summary of Sale Contract Provisions

The Sales Contract consists of two documents: a Hawaii Association of Realtors (HAR) Standard form "Purchase Contract" ("**Purchase Contract**") and a document attached to the Purchase Contract which is entitled "Special CPR Provisions to the Purchase Contract" ("**Special Provisions**").

The Special Provisions are intended to amend the HAR standard form of Purchase Contract, and unless the context would indicate clearly to the contrary, then in the event of any conflict between a provision contained in the Special Provisions and a provision contained in the Purchase Contract, the provision contained in the Special Provisions will prevail.

1. **Description of the Property to be Conveyed.** Fee simple title to the Apartment, together with the furnishings and appliances, if any, and the undivided interest in the common elements set forth in the Purchase Contract. Title will be conveyed subject to the encumbrances of record.

2. **Purchase Price and Terms.** The purchase price for the Apartment is set forth on page 2 of the Purchase Contract is to be paid in the method and at the times set forth in the Purchase Contract. This may include payment of (a) an initial deposit; (b) an additional cash deposit, if set forth in the Purchase Contract; and (c) the balance of the purchase price is to be paid to escrow by purchaser on or before closing.

3. **Financing of Purchase.** Paragraph C-24 of the Purchase Contract Form (if elected) provides if Buyer desires financing, a loan application must be made within a certain number of days and if Buyer's application is not approved within a certain number of days after the application, then either Seller or Buyer may cancel the Purchase Contract. Upon such cancellation, Buyer's deposits will be refunded by escrow without interest.

4. **Closing Costs.** Closing costs and escrow fees are to be shared in accordance with the Purchase Contract, except that Seller does have the option to require two months' advance payment of Association maintenance fees and a start up expense for the Association of Unit Owners equal to two months' of Association maintenance fees. Buyer's proportionate share of any liability insurance premium, real property taxes, maintenance fees and any other charges with respect to the Property shall be pro-rated between Seller and Buyer as of the date of closing.

5. **Closing.** Seller has agreed to cause the Apartment to be sold to the Buyer within the time period set forth on page 3 of the Purchase Contract.

6. **No Present Transfer and Subordination to Construction Loan.** (a) The Purchase Contract may be subject to existing and future blanket loans, and any security interest now or hereafter obtained by a lender of Seller is or will be prior and senior to any rights of the Buyer arising under the Purchase Contract. This obligation to subordinate the purchaser's right under the Purchase Contract to loans now or hereafter made by the Seller is set forth in Paragraph 4 of the Special Provisions.

(b) Seller may also assign by way of security all of its interest in the Purchase Contract, as collateral for the repayment of the loan and if the Lender acquires the Seller's interest in the Purchase Contract, then the Buyer is obligated to perform the Purchase Contract, and to attorn to and recognize the Lender as the seller under the Purchase Contract.

(c) Notwithstanding that the Purchase Contract may be subordinate to a blanket lien, if the Buyer performs his obligations under the Purchase Contract, then Seller is required to convey the Apartment to Buyer at closing free and clear of any blanket lien.

7. **Seller's Rights to Cancel Purchase Contract.** The Seller may cancel the Purchase Contract with the Buyer if (a) Buyer fails to qualify for a permanent loan (if Paragraph C-24 of the Purchase Contract is selected); (b) Buyer defaults under the Purchase Contract (paragraph 6(b) of the Special Provisions); (c) Buyer dies prior to Closing Date (paragraph 6(a) of the Special Provisions); or (d) the Developer's Public Report shall not have been issued and Buyer shall not have waived his right to cancel (called the "Effective Date"). Pursuant to Paragraph 6(b) of the Special Provisions, if Buyer fails to close as required, then in the case only of non-monetary default after ten (10) days following Seller's notice of Buyer's default or otherwise without notice as to monetary defaults, the Seller may cancel the Purchase Contract and all sums previously paid by Buyer will belong absolutely to the Seller as liquidated damages. Additionally, Seller may pursue any other remedy, and all costs, including reasonable attorney's fees, incurred by reason of default by the Buyer shall be borne by the Buyer. Time is the essence of the Sales Agreement.

8. **Rights of Buyer to Cancel the Purchase Contract.** The Buyer has the right to cancel the Purchase Contract under the following conditions:

(a) At any time within thirty (30) days following the date the Public Report is delivered to Buyer. If Buyer so cancels, Buyer will be entitled to receive refund of any deposits. If Buyer does not act within the thirty (30) day period, or if the Apartment is conveyed to the Buyer, Buyer will be deemed to have executed the receipt for the Public Report and to have waived his right to cancel (paragraphs 6.1 and 6.3 of the Special Provisions).

(b) The Buyer may cancel his purchase if there is a material change in the Project which directly, substantially and adversely affects the use or value of the Buyer's Apartment or the amenities available for the Buyer's use (paragraph 7 of the Special Provisions). If so, Buyer will be entitled to receive refunds of any deposits, less escrow cancellation fees and other costs up to \$250.

(c) Buyer fails to qualify for permanent financing if Paragraph C-24 of the Purchase Contract has been selected.

9. Paragraph 11 of the Special Provisions provides that the Buyer acknowledges Buyer having received (a) a true copy of the Developer's Public Report including all amendments with an effective date issued by the Real Estate Commission, and that the Developer's Public Report includes the report itself, the Project's recorded declaration and bylaws, house rules if any, a letter-sized condominium project map, and all amendments (provided, that where it is impractical to include a letter-sized condominium project map, the prospective purchaser or purchaser shall have an opportunity to examine the map.) and (b) a notice of the buyer's thirty-day cancellation right on a form prescribed by the Real Estate Commission.

Seller reserves the right to modify the above documents as may be required by law, any title insurance company, or any institutional mortgagee.

The Summary contained in this Exhibit is merely a summary and is not intended to be a substitute for the Buyer's careful review of the Purchase Contract.

1. **All deposits will be paid to Escrow.** A copy of each Sales Contract and all payments made to purchase a Unit shall be turned over to the Escrow Agent. Any interest earned on funds deposited in escrow shall accrue to the credit of the Developer; except that, if Escrow is requested to establish a separate account for a purchaser, the purchaser shall pay Escrow a fee of \$25.00 for each such separate account and shall furnish Escrow the purchaser's social security or federal identification number, and any interest earned on funds deposited in such account shall accrue to the credit of the purchaser.

2. **Conditions to be Met Prior to Disbursement.** No disbursements of funds held in escrow with respect to a sales contract shall be made unless and until the following conditions have been fulfilled:

(a) The Real Estate Commission shall have issued an effective date of the Developer's Public Report on the Project;

(b) The purchaser shall have been given and shall have acknowledged receipt of (i) a copy of said Public Report and (ii) notice of purchaser's thirty-day cancellation right upon a form prescribed by the Real Estate Commission; and

(c) The purchaser shall have waived the right to cancel or be deemed to have the right to cancel, in accordance with Section 514B-86 of the Act; and

(d) The Developer shall have given Escrow a written waiver of any option reserved in any sales contract to cancel such sales contract.

At the request of Escrow, Developer's attorney shall delivered a written opinion to Escrow that the foregoing conditions shall have been complied with and the purchaser's sales contract has become effective.

3. **Return of Funds and Documents.** A purchaser shall be entitled to a return of funds and Escrow shall pay such funds to such purchaser, without interest, if any one of the following has occurred:

(a) Developer and the purchaser shall have requested Escrow in writing to return to purchaser the funds of purchaser held hereunder by Escrow; or

(b) Developer shall have notified Escrow of Developer's exercise of any option to cancel or rescind the sales contract pursuant to any right of cancellation or rescission provided therein or otherwise available to Developer; or

(c) A purchaser shall have exercised his thirty-day cancellation right to rescind the sales contract pursuant to Section 514B-86 of the Act; or

In any of the foregoing events, Escrow shall, upon the occurrence of the event described in (a) or (b) above or upon receipt of a written request for a refund from purchaser upon the occurrence of an event described in (c) or (d) above, unless the purchaser has waived or has been deemed to have waived the right to a refund, pay said funds to said purchaser (less a cancellation fee commensurate with the work done by Escrow prior to such cancellation up to a maximum of \$250.00) and thereupon said sales contract and any conveyance document theretofore delivered to Escrow shall be returned to Developer and shall be deemed no longer held hereunder; provided, however, that no refund shall be made to a purchaser at purchaser's request prior to receipt by Developer of written notice from Escrow of its intent to make such refund.

4. **Purchaser's Default.** Developer shall give notice in writing to Escrow of the occurrence of each event which initiates an obligation of a purchaser to make a payment to Escrow pursuant to the sales contract as well as notice of the amount and due date of such payment. Escrow shall thereupon promptly give the purchaser notice of the amount and due date of such payment. If the purchaser fails to make such payment to Escrow on or before the due date thereof or if the purchaser fails to perform in any matter which is being handled by Escrow, Escrow shall promptly notify Developer of any such failure on the part of the purchaser. If Developer subsequently certifies in writing to Escrow that Developer has terminated the sales contract in accordance with the terms thereof and provides to Escrow copies of all such notices of termination sent to the purchaser, Escrow shall thereafter treat all funds of the purchaser paid on account of such purchaser's sales contract as funds of Developer and not as funds of the purchaser. Thereafter, such funds shall be free of the escrow established by Developer. Upon written request by Developer, Escrow shall pay such sums to Developer, less any escrow cancellation fee, shall return to Developer the sales contract of such purchase and any other documents theretofore delivered by Developer to Escrow, and shall return other documents theretofore delivered to Escrow in connection with the purchase of the unit to the person from whom, or entity from which, such documents were received; and, Escrow shall thereupon be released from any further duties or liability hereunder with respect to such funds and such purchaser.
